FIFTEEN CENTS

## March of Dimes drive 'rolling'

All events so far seen as successful

THINGS HAD A TENDENCY to get a little hectic Saturday at the Tic Toc Restaurant, headquarters for broadcast of the annual March of Dimes Cake-A-Thon. With returns still incomplete at press time, all indications pointed to another record drive being set this year.

Morton and Cochran county are more than living up to their reputation this year as superb fund raisers for the March of Dimes against Birth Defects.

Having clinched the title last year as the county raising the most money per capita in the United States for this worthy cause, local citizens are well on their way to assuring the title again this year possibly to raise the per capita dollar figure.

With one or two events still to be reported upon, county drive officials Wednesday reported a total of \$4,607.42 in the coffers, with more expected to follow.

Two events for which no figures were available—possibly because they have not taken place as yet—are the Whiteface Mothers March Against Birth Defects and the Morton Jaycees' Grocery Grab which is scheduled to take place next week. These two events should raise the dollar total substantially.

The current total quoted above is broken down into eight separate events as follows: KLAN Cake-A-Thon, \$3,443.15.

Junior High and High School Walk-A-Thon, \$408.93.

Fire Department Turkey Shoot, \$180.

Bledsoe Mothers March, \$103.60.

Morton Mothers March, \$175.67.

Gospel Concert, \$140.57.

Cochran County Fair (October) \$30.50

March of Dimes Mailers, \$124.00.

The Cake-A-Thon annually carried on over Radio KRAN, added a new and interesting dimension this year as it offered approximately 900 pounds of

## State store license requirements abolished

Comptroller Bob Bullock reminded Texas business operators Saturday that the state store license requirement has been abolished.

Bullock said his office has been besieged with calls and letters this month by businesses which

were unaware that the license requirement was repealed as of

## Three Way plans homecoming event

Homecoming festivities at Three Way School are slated Friday night and classes of 1955 and 1965 will be honored.

Voting for the Queen honors are Princess Parkman, Etta Warren, Connie Richardson and Debbie Furgeson. King candidates are Adam Rodriguez, Randy Locke, Donnie Nichols and Dan Simpson.

Coronation ceremonies will be at the end of the girl's basketball game, just before the boy's team takes on the Pep Buffalos. Play starts at 7 p.m.

The Senior class will serve See EVENT Page 5

## McMurry invites Morton students to Feb 7-9 weekend

High school juniors and seniors from Morton are invited to attend the Student Weekend at McMurry College in Abilene Feb. 7-9.

Activities will include the McMurry vs. Texas Wesleyan basketball game, the McMurry theater production "Servant of Two Masters" and a film in Radford Auditorium.

Also included will be concerts by the band and Chanters and Morning Star singing groups, the McMurry vs Dallas Baptist basketball game and a dance.

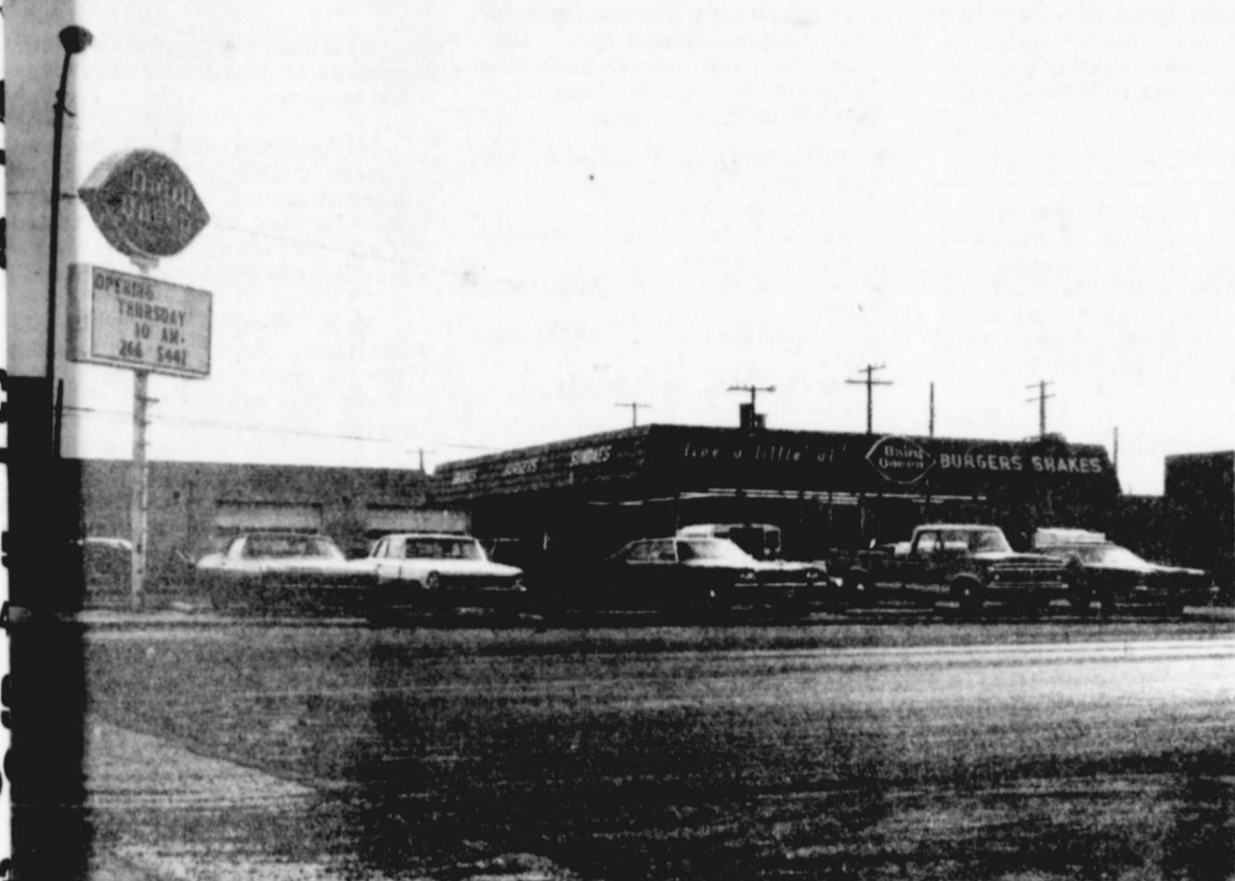

Participants will meet with administrators and faculty members from all departments on Saturday morning.

"There are three reasons why prospective college students ought to visit McMurry," said Bill Stevens admissions counselor. "The first is to talk with the professors here, the

See WEEKEND Page 5

## Landscaping

The Whiteface Garden Club will sponsor a program on "Landscaping" Monday, February 3, at 7:30 p.m. in Fellowship Hall of the Whiteface Baptist Church. Cochran County Agent, Phil Sulins, will present the program. The public is invited to attend.

FOR NEW BUSINESS IN TOWN — And a handsome addition to dress up the Morton town square is new Dairy Queen Restaurant that opened its doors last Thursday. The sparkling new facilities, jointly owned by Jim Wite and Glen McDaniel, has set 10 a.m. to 10 p.m. hours of operation Tuesday through Saturday and 12 noon to 10 p.m. hours on Sunday.

## OLTON BEFORE TUESDAY'S STORM

## Tribe skins Wildcats, Mules

Morton Indian ballers breezed through a couple of laughs the past week, prepared to take on the Olton Mustangs Friday night with their eyes high on one more step up

the ladder to the district championship.

The two breathers mentioned above were against the Littlefield Wildcats Friday and the Muleshoe Mules Tuesday

night. The Tribe found the going extremely easy in both tilts, coming out on top of the Wildcats by the score of 73-30 and rolling up an 85-28 score over the Mules.

Though Olton is expected to be somewhat stronger than Littlefield, they are considered to be a lesser challenge than the loop leaders and this could make it difficult for the Tribesmen to close their ears to the rumbling on the horizon and concentrate all their energies to the job at hand.

The rumblings being in the form of the Dimmitt Bobcats and the Friona Chieftains whom they will confront in swift succession next week. Coach Ted Willock's troops have a strong reputation for playing the schedule one game at a time, but is going to take tremendous concentration for them not to be looking beyond the Mustangs to the crucial showdown at Dimmitt next Tuesday.

A loss to the Bobcats would all but spell futility to the Indians hopes

## County vets due GI insurance dividend

Residents of Cochran County are veterans of World War I, World War II or the Korean conflict will be on the receiving end of some extra cash this year. The money, approximately \$35,600,000 will go to some 110 in the area who have maintained their GI insurance policies in force.

It represents their share of a \$35,600,000 distribution of dividends that will be made to

policyholders by the Veterans Administration. The total is \$31,800,000 more than was paid out last year. The record amount is attributed principally to the fact that the insurance trust funds have been earning more because of the higher interest rates and therefore have more money available for dividends.

In Cochran County, where the

## 37 OF 321 FAMILIES

## County food stamp program large

One hundred thirty-seven of the three hundred twenty-one families living below the poverty level in Cochran County are now taking use of the food stamp program. These families purchased foods, prepared for human consumption only, at six authorized stores in Cochran County.

Only citizens and aliens legally admitted for permanent residence are eligible. Although students are eligible to participate if they qualify, alien students normally cannot participate because they are not admitted for permanent residence. Aliens in the country legally are reported to the migration and Naturalization Service when the caseworker comes aware of their presence.

The food stamp program is designed to provide low income families with a nutritious diet. Families of identical size receive the same dollar value of stamps. However, the price for the food stamps varies with the net income of the family. The net income is derived from deducting various expenses from

the gross income of the family.

Some of these expenses are federal withholding, Social Security, mandatory school expense (including tuition), certain medical costs in excess of \$10 per month, child care expense when necessary for the mother to accept employment and shelter expense in excess of 30 percent of the income. The food stamp program has proved to be an effective way for low income households to increase their food purchasing power. The United States Department of Agriculture studied the impact of food stamps on three rural counties in 1970. These were the findings:

(1) On the average, low income households more than doubled their food purchasing power if they received food stamps. The 3,200 participating households paid \$1,005,500 for food stamps and received \$2,254,500 worth of bonus stamps.

(2) Economic returns to farmers increased from \$1.04 to \$1.17.

(3) Food retailers, food wholesalers and wholesale suppliers had to increase their

output as bonus stamps provided more buying power.

(4) Purchases with food stamps represented from 5 to 10 percent of the total sales of those stores authorized to accept food stamps.

(5) Now economy was generated from the community, from \$250,000 to \$1.5 million.

(6) The increased economic activity made a total of 130 new jobs potentially available in the three counties.

Any person receiving a Welfare check, who doesn't make much money or who is disabled may be eligible to participate in the state-wide food stamp program.

Other persons possibly eligible for food stamps include those who work parttime, are employed or those who get small Social Security payments or some kind of pension check.

Individuals and households may apply for food stamps but all applicants must have cooking facilities in their place of residence in order to qualify. Cooking facilities do not have to be the conventional type. An individual with no stove but with a

See STAMP Page 5

## Chili Supper

The Whiteface Lions Club is sponsoring a Chili Supper today, January 30, in the high school cafeteria from 5 p.m. to 7 p.m.

All homemade chili you can eat for a dollar and fresh pie for 25 cents a slice.

Money made from the supper will go to the Whiteface Scouting Program. Everyone is invited to attend.

SMALL, BUT TALENTED—The above group of Morton Elementary school students are shown as they readied for departure for Lubbock to appear on television last Friday. Each one was a winner in one category of the annual Soil and Water Conservation Office. Mrs. Evelyn Seagler, their conservation teacher, right, was in charge of the group. Each

winner displayed his poster on the KLBK farm show at 6:30 a.m. Friday. Left to right are: Kayla Gardner, Chad Sayers, Vickie Cox, Raymond Tarango, Julie Claunch, Mike Dewbre, Leona Bilbrey, Bobby Lewis, Darlene Simmacher and Mrs. Seagler. Barney McCowan, a winner from Whiteface who appeared with the group, is not pictured.

## Bledsoe News

Mr. and Mrs. Ken Carille and girls of Tucumcari, New Mexico visited his cousin and family, Eldon McCormacks, recently.

Elree Gandy, Donal Brown, Dwight Gober, and Ernie Trueshoe have returned from a fishing trip to Juaymas, Mexico.

J.D. Tays from Roswell, Mexico, was a guest of Mrs. Denny while he hunted in the New Mexico Varms Callers' coyote hunt weekend.

Mr. and Mrs. C.E. Buchanary visited their daughter's family, the Danny Knoxs at Plainview week.

Miss Judy Detrixhe visited her parents at Higgins, Texas the weekend.

Mr. and Mrs. Arnie Bailey, Justin, Jeffrey, and Jason Kermit visited his parents, Earl Baileys, at Morton, and Ted Bryants and Larri and Buchanans during the weekend.

Mrs. James Glasscock, Melrose, New Mexico, visited her daughter and family, Eldon McCormacks, early in the week.

Local citizens contributed \$103.60 to the March of Dimes Sunday's Mother's March. Mr. and Edsel Young, Mrs. Spurd Jont, Mrs. M.C. Hall and Mrs. Dugher, Gober collected the donations and beef.

Almost all community residents enjoyed the delicious barbecue at the community supper Saturday night, thanks to Edsel Young who furnished the beef.

Bledsoe Junior High basketball teams hosted Whitharral on Tuesday night and came out on top of both games. Bledsoe girls scored 32-20 with Delilah Parsonfield scoring 18 points, Keri Adair 6 points, Patti Hall 4 points, L.G. Velinda Davis 1 point. In the boys game, 20 points were scored by Perry Trull, 6 by Lance Sepulveda, and 2 each by Aley, Bilbrey, Keith Gonzales, and Stacy Dunn for a total of 36 points. Bledsoe to Whitharral's 31.

### Too many drivers drink too much

Seven per cent of license holders counting for nearly 30,000 traffic deaths each year, says the National Highway Traffic Safety Administration. A new device from General Motors would weed out the worst offenders by requiring them to punch in a set of random numbers correct before the ignition key would work.

Mrs. Cecil Jones, Mrs. John Hubbard and Mrs. John Blackman attended the program and salad supper Monday night, and wives graduation of Students at Sunset School of Preaching in Lubbock. Mrs. Jim Hitt, whose husband has been preaching at Bula for several months was one of the graduating students.

Weekend guests in the home of Mrs. Ben Pierce and son, John, were her daughters, Mrs. David Perry of Monahans, and Catherine Pierce of Lubbock.

Bro. Jim Hitt, a former minister of Bula Church of Christ, preached his farwell sermon Sunday morning. He and his wife are leaving this week for Alvin, where he will be a regular minister.

Mr. and Mrs. J.D. Rowland and Mr. and Mrs. John Hubbard attended the graduation exercises Sunday evening at the Sunset Church of Preaching in Lubbock.

Pat Casey who is attending the Sunset Church of Preaching in Lubbock will be preaching at the Bula Church of Christ.

The Baptist Men's Day was observed Sunday at the Enochs Church. Harold Layton was in charge of the program. Others taking part were Lester Bounds, Dale Nichols, Phillip Cardwell, G.O. Smith, W.B. Peterson, J.D. Bayless, and Chester Petree.

## Hospital News

Patients admitted to Cochran Memorial Hospital from January 21 through January 27 were: Duane Sandifer, Goldie Strawn, E.A. Bass, Willis Banning, Jessie Garcia, Romiro Lopez, Claude Drennan, Quinton Hill, Alice Cook, Salvador Morales, Sr., Fred Cadazos, Jack Wallace, Andrew Rios, Kayla Elliott, Mary Neiman and Lucille Wynn.

## Whiteface News

by Jean Bates

Mr. and Mrs. Wallace Lumpkins returned home this past weekend from a visit with their daughter, Mr. and Mrs. John Hughes of Lafayette, Louisiana. The John Hughes are parents of twin sons, John Allen and James Donald. They have three other children.

Mrs. J.B. Nixon has been gone a few months staying with her children. Mrs. Goldie Brooks, sister of Bertha Pointer, a former Whiteface resident, is staying with Mrs. Nixon.

Tonya Hearn visited with her grandmother, Mary Lou Martin, and her great-grandmother, Dessie Bowden, over the weekend. Tonya is the daughter of Mr. and Mrs. Chris Hearn of Littlefield.

Visiting with the E.J. McKissacks Sunday was their daughter, Mr. and Mrs. Joe

McCullough of Levelland.

The American Legion met in the community center Monday night, January 27 for their monthly meeting. The Women's Auxiliary met in the home of Mrs. J.W. Word to discuss coming projects. The men joined the women for coffee after their meeting.

Visiting with her grandparents, Mr. and Mrs. Arvel McClure, over the weekend was Channie Dickerson from Lubbock. Channie is the daughter of Dickie Dickerson from Chandler, Arizona and Connie Juan Dickerson of Lubbock.

Sally Carter's art class is doing real well. She gives lessons in the community center each Monday from 10 a.m. to 3 p.m.

Sally Carter, Lotis Tanner and Cricket Hickman had an art show at the open house of Levelland Savings and Loan in Morton last Wednesday, Thursday and Friday.

Mr. and Mrs. George Martin accompanied their son, Mr. and Mrs. Jim Martin of Amarillo, to Ruidoso over the weekend. They visited the Martins other two

sons and their families, the Lynn Martins and the Dennis Martins. average, is rated on citizenship, leadership, service and character. Faculty members are appointed to rate each student. Mrs. Erma Fay McSpadden is acting as advisor for the chapter. Other members of the Society are: Mitzi Baker, Ana Marie Bautista, Mondy Cano, Peggy Bennett, David Click, Lanny Fluit, Kenneth Gardner, Suzanne Gillespie, Kim Jerden, Henry Marina, Francis Martinez, Marty Rice, Brent Richardson, Kevin Silhan, Corinna Simmacher, Mary Smith, Darlene Stevens, Barry Zuber and Deana Zuber.

A meeting of the Little Dribblers will be held on February 3, at 7:30 p.m. in the elementary auditorium, following the Junior High Basketball game.

Saturday, January 11 eight of the high school band students went to Lubbock to try out for the Texas Music Educator's Association All-Region Band. Jana Noles won a chair in the Bass Clarinet section and Claudia Breaux and Jacque McHam has been named first and second alternates for the Bb Clarinet section.

## Mrs. Ricahrdson hosts meeting

The Elizabeth Greer Circle of the First United Methodist Church met in the home of Mrs. Don Richardson Tuesday January 28, at 2 p.m.

Members voted to give a memorial gift from the U.M.W. in memory of Mrs. C.C. Benham. Mrs. Owen Egger presented a program on mission service involving Christian adults. Mrs. Bobby Adams gave the devotional.

Mrs. Floyd Rowland and Mrs. Richardson sang the 19th Psalm. Attending were: Mmes Rowland, James Price, James Whitehead, Ray Bridges, Egger, J.N. Burnett, Evelyn Smith, Adams and the hostess.

### BEE LINE

The bee can perceive ultraviolet light which is invisible to humans and uses ultraviolet designs in flowers as a guide to landing when collecting nectar.

# Threeway News

Mr. and Mrs. Dutch Powell spent Wednesday night in Clovis with their daughter the Andy Insons.

Mrs. Raymond Masten was in Lubbock Tuesday to see her mother Mrs. Vera Roberts.

Rev. and Mrs. James Ellington from Lubbock were guests in the home of her parents, the H.W. Garvins, Saturday evening.

Mr. and Mrs. Jackie Dupler and son from Monahans spent the weekend with their parents, the Boyce family and the Leon Duplers.

Mrs. Delbert Richardson and Mrs. Jack Richardson from Lubbock were in the community Saturday visiting relatives.

Wayne Williams from Enoch spent the weekend with his grandparents, the George Lyons.

Mrs. W.H. Eubanks spent last weekend in Midland with her daughter, the Glen B. Bankston family.

Mr. and Mrs. D.S. Fowler were in Lubbock Friday.

Three Way Baptist Men had a breakfast at the church Sunday morning and also held the services at the church Sunday morning.

Mr. and Mrs. Fred Roomaini from Lubbock spent the weekend with her parents, the Dutch Owals.

Mr. and Mrs. Rayford Masten and Mrs. Beadie Powell visited Mrs. Masten's mother, Mrs. Vera Roberts.

Mr. and Mrs. Jack Furgeson were in Lubbock Saturday.

Mr. and Mrs. D.S. Fowler were in Lubbock Saturday.

Mr. and Mrs. D.S. Fowler visited the R.L. Reeves in Post Bay afternoon.

The Three Way junior high football team and the B boys high school played in the tournament at Whiteface last weekend.

### WEEKEND

FROM PAGE ONE

second, to talk to enrolled students, and the third to talk with other high school students going to make a decision on whether to attend college.

Over 300 students are expected for the eighth annual Student Weekend. Interested high school students may contact McMurry's office of Admissions in Abilene.

### EVENT

FROM PAGE ONE

Supper in the school cafeteria from 5 until 7 p.m. and again after the games. The class is also selling Homecoming mums.

According to Mrs. Ivan Frewett, senior class sponsor, this is expected to be one of the largest homecoming events in the history of the school.

### STATE

FROM PAGE ONE

Dec. 31, 1974.

"Obviously, the past administration didn't get the message out," Bullock said. "I consider it good news that we've been able to do away with the store license."

The store license, which started at \$5 for a single store, was a minor revenue source. Its repeal by phases was ordered by the Legislature in 1971.

Bullock said that some 240,000 stores in Texas had previously been covered by the license act.

He said his office is returning license money still being sent in by businesses unaware of the repeal.

"It's gratifying to see businesses voluntarily trying to do the right thing and pay their taxes, but in this case we are saying 'thanks, but no thanks,'" Bullock said.

### VETS

FROM PAGE ONE

Latest count shows a total of 560 World War and Korean veterans, only about 21 percent of them will be getting checks, the figures indicate. They are the ones who helped onto their policies.

Vietnam vets, because of the kind of insurance they have are not eligible at this time. The bulk of the money, over \$267 million of it, will go to the

3,720,000 World War II veterans who hold National Service Life Insurance policies. About \$22 million will be divided among 130,000 World War I veterans. The remainder will go to 566,000 who were in the Korean engagement and have Veterans Special Life Insurance.

Of the 110 in the local area who will be getting dividend checks, the amounts they receive will depend upon the type of insurance carried, the size of the policy, the time it has been in force and the age of the insured.

On the average, the VA states, veterans of the first World War will get \$169, those who were in the second World War, \$83, and Korean vets, \$11.

Distribution of the \$8,000 that will be going to Cochran County veterans will be made throughout the year on the anniversary dates of the individual policies.

The payments will reach them automatically, without application. There is no need to contact the VA regarding them.

### STAMP

FROM PAGE ONE

hot-plate will meet this particular requirement.

An individual is anyone who does not live in a boarding house or an institution. A household is a group of people, not necessarily related, living in one economic unit sharing common cooking facilities or for whom food is customarily purchased in common. A single individual can also comprise a household.

What Food Stamps Buy: Retail grove

Retail grocery stores certified

What Food Stamps Buy: Retail grocery stores certified by USDA may accept food stamps for the purchase of more food and food products. Items which cannot be purchased with food stamps include alcoholic beverages and tobacco.

Grocers redeem food stamps through banks or authorized food wholesalers. Local banks, in turn, send coupons to the Federal Reserve Banks.

Certification Process: All persons interested in applying for food stamps should take the following information to the nearest food stamp office. The food stamp office is located in Room B-3 of the Cochran County Courthouse in Morton.

1. Identification (Social Security card, driver's license, etc.).
2. Proof of the household's total income (Latest paystubs, pay envelopes, pension award letter).
3. Rent receipts or house payment book and utility bills.
4. Bank books or other papers to show any savings.
5. Medical bills.
6. E-16 Claim identification card for those receiving unemployment insurance.

During the application process, all able-bodied household members between the ages of 18 and 65 must register to work. The only exceptions are those responsible for dependent children under 18 or for incapacitated adults; students enrolled at least half-time in any school or training program recognized by a federal state or local government agency; and those working at least 30 hours a week.

The work registration forms are completed at the food stamp office and then forwarded to the local Texas Employment Commission office.

All jobs offered by the employment office must meet certain requirements, such as paying a minimum wage, providing safe working conditions, and being reasonably close to home. If an applicant should refuse work that meets these requirements, he would no longer be eligible for food stamps.

Persons out of work due a strike or lock-out are also required to register for work but are not required to work at plants subject to a strike or lock-out. They are, however, required to accept employment in positions not subject to strike or lock-out.

### TRIBE

FROM PAGE ONE

for this year, and a win would still make it mandatory that they win all their remaining games-as Dimmitt is expected to do. Friona, whom both teams have to play once again in the second half of district play, could put a crimp in the chances of either one or both with a win at Morton or at home against the Bobcats.

So with their work squarely cut out for them, it's every day is sudden death time with no tomorrows allowed. With two wins over Friona and one over Dimmitt this year, the Tribe has proven its metal and with their reputation for playing their best game in the clutch, Morton backers have every reason to look forward to the remaining games with confidence.

The Littlefield Wildcats shows astonishing weakness in scoring only two points in the

first quarter and compiling only 10 by halftime. They showed a little more strength in the third quarter, striking for 12 points, but then slacked off in the fourth with only eight for a total of 30 for the game.

Morton's point totals by quarters were 20 in the first, 11 in the second, 27 in the third and 15 in the fourth for a game total of 73.

Mike Williams was high man again for the Tribe, drilling in 20 points on 9 of 16 field shots and 2 of 6 free throws. He also gathered in a remarkable 21 rebounds and contributed 8 steals.

Four other Indians scored in double figures with Troy Patton and Ken Standmire tying with 14 each and Sam Johnson and Fouec Grisby knotting theirs up at 10 each. Patton had 9 rebounds and Grisby seven.

Statistics on the Muleshoe game were not available at press time with the exception of the final score and high point figures. The score was 85-28 and Williams was high point man with 29, according to information received by the Tribune.

The Indians next action will be at home against the Olton Mustangs Friday night.

### EVENTS

FROM PAGE ONE

buffalo (Bison) meat for sale to bidders. From the standpoint of sales volume, with a large number of county citizens availing themselves of the opportunity to treat themselves to something new and different. (Ye editor snuck several lbs of sirloin onto his table and found it delicious.)

The Jaycees Grocery Grab appears to be gaining a good deal of attention with ticket sales at a brisk pace, according to officials in charge of the tickets.

The Grab consists of a drawing of a winning ticket with the winner to be turned loose in a local grocery store of his choice for a five minute period. All the groceries he or she can bring to the check-out counter in that five minutes will be free for his keeping. No carts or baskets may be used.

Tickets may be obtained from any Morton Jaycee and are priced at \$1.00 with the proceeds going to the March of Dimes.

### GOOD NEWS

## 70,000 new jobs on way

Glossed over in all the gloomy reports of nationwide unemployment is the fact that a new federal sewage treatment plant building program will provide about 70,000 additional jobs in the next three years for the hard-hit construction industry.

The more than 50,000 people already working on plant sites can be expected to increase about 50 per cent a year for the next three years as outlays for sewage treatment construction mount, says John R. Quarles Jr., deputy administrator for the Environmental Protection Agency.

"This means that by June, 1977, we can look forward to about 125,000 persons engaged in this type of activity," he points out. "These jobs involve skilled workers like bricklayers, operating engineers, carpenters and electricians, and unskilled workers and helpers."

"And remember, these workers will be augmented by about the same number of people needed to produce and transport materials and to design and plan the sewage treatment works."

Happily, Quarles adds, spending for the plants will add only about 0.3 per cent to the national inflation rate through 1978 and thereafter only 0.2 per cent.

The federal space agency has come up with another down-to-earth breakthrough — a lightweight breathing system which will help to cut down the casualty rate for firemen who suffer from asphyxiation in burning buildings.

The system was developed by engineers at NASA's Johnson Space Center, Houston, Tex. They used materials and technology from the space program to design and build air tanks and masks lighter and more efficient than systems being used now.

Firemen at a Houston station are using the systems for a six-month field evaluation.

The new air tanks are built of spiral-wound fiber glass or an aluminum liner, a technique developed originally for solid-propellant rocket motor cases.

Questions continue to reach Plains Cotton Growers, Inc. regarding the so called "guaranteed" 38-cent target price provision of the current cotton program, indicating that some cotton producers are just now coming into full realization that there is no such thing as a guaranteed price under the present law.

The concern of course stems from this year's extremely high overall and per-pound production costs, coupled with cotton prices well below the cost of production. These two factors have many farmers in financial trouble — unable to pay off 1974 production loans and with strong doubts about the ability to secure financing for the coming year.

Under these circumstances, they sorely need help and are understandably disappointed that it will not be forthcoming from the target price provision of the government cotton program.

But the unfortunate fact is that Congress and the Administration in Washington, as the current farm program was being hammered out, did not foresee the tremendous increase in the cost of production that occurred in 1974. Nor did they foresee world economic conditions which have dried up textile demand. Nor, for the most part, did farmers foresee these events.

Correcting the totally inadequate target price and loan level in the current law will require that Congress pass new legislation, which is at best an unlikely prospect so far as the 1974 crops concerned.

The law, in effect, states that for 1974 payments to cotton producers shall be equal to the difference between 38 cents per pound and the average market price received by all farmers for all upland cotton during the calendar year which includes the

first five months of the marketing year for such crop.

Too often this has been mistakenly interpreted to mean that payments would be made to each farmer equal to the difference between the price he receives for his cotton and 38 cents per pound. But, again unfortunately, this is not the case.

Because of a high average price paid for 1973-crop cotton sold in the early months of 1974, and good prices on 1974-crop cotton contracted early in the year for delivery this Fall, there will be no "target price" or "price deficiency" payments on the 1974 crop. As the law is now written, USDA wouldn't have the authority to make a payment on 1974 cotton even if it were so inclined, and its track record to date gives no hint of such an inclination.

For 1975 the story may be different. There is growing awareness among some in Congress that the all out production needed to feed and

clothe the world cannot be achieved without changes in U.S. farm law to provide greater producer protection against spiraling production costs and humpty-dumpty prices.

Hearings will begin soon after January 1, 1975, in the Senate Agriculture Committee on possible means to afford that protection. Committee Chairman Herman Talmadge of Georgia for one now recognizes that "farm price and income protection and assurance are essential to a continuing productive food plant" in the U.S.

Talmadge went on to say in a recent speech on the Senate floor: "In view of the production cost situation and in view of the fact that the farmers of the nation are being called on to go for all out production, I think it only fair and proper that target prices be increased..."

The actions of Congress in 1975, whatever they are, will not dissolve the financial losses of 1974. However, significant changes in the basic farm law, if made quickly enough, could do much to aid farmers in getting financed for the 1975 crop.

### MANSON CONVICTED

On Jan. 25, 1971, Charles Manson and three women co-defendants were found guilty of the murder of seven persons in Los Angeles.

# About Local Folks

By Dutch Gipson

Mr. and Mrs. Harold Drennan attended the District Crusade Workshop for the American Cancer Society on January 25 in Lubbock. Mr. Drennan reported that plans were made for the crusade which will be held in April.

Mr. and Mrs. Hardy Rhyne are visiting with relatives in Oklahoma this week.

Mr. and Mrs. Earl Sybert of Lubbock were Morton visitors Sunday, attending the Concert at the First Missionary Baptist Church. They were house guests of the H.B. Bedwells Sunday night and Monday.

Mrs. Ruby Bowers, wife of Lloyd Bowers of San Carlos, Calif., was buried in Ralls Wednesday. The Bowers were former Cochran County residents, Lloyd having been connected with Cochran Power and Light in its early infancy. Mr.

and Mrs. Eal Bowers of Maple and Joe of Morton attended the funeral.

Mr. and Mrs. P.B. Ramby visited with his mother in Methodist Hospital in Lubbock Sunday afternoon.

Mr. and Mrs. Bob Bybee and children were guests in the home of his aunt and family Sunday. Shane and Sandee were house guests of their aunt, Mr. and Mrs. Russell Hudson, Saturday while their parents attended a meeting.

News has been received of the death of Curtis Weldon Glaze of Corpus Christi. He died January 18 of an apparent heart attack. His wife is the former Beatrice Jordan, daughter of the late Dr. and Mrs. Lillie Jordan. Dr. Jordan was the first doctor in Cochran County.

Mrs. Roy Turney, sister of Mrs. Glaze, and her bother Carl

Jordan both attended the services.

Mrs. Ann Griffith is visiting with her family in Lamesa this week.

## Look Who's New

Jennifer Paige, daughter of Mr. and Mrs. Kenney Palmer of Lubbock. Jennifer was born December 27 in Lubbock.

Maternal grandparents are Mr. and Mrs. David Stowe of Plains and great-grandparents Mr. and Mrs. D. Stowe of Plainview.

Chad DeVerle, son of Mr. and Mrs. Clinton Craddock of Lubbock. Chad arrived January 10 at 4:40 p.m. at University Hospital in Lubbock. He weighed 7 pounds, 15 1/2 ounces.

Grandparents are Mr. and Mrs. Wayne Wesley of Levelland and Mrs. Leta Craddock Haskins of Levelland. His aunt and uncle are Mr. and Mrs. Ken Wesley of Morton.

**GANDHI KILLED**

**Sweet And Sour... Meat Import Bill... Citrus Production Declines... Milk Production Drops... A Tearful Story.**

Had the rest of the nation followed Texas in production of honey during 1974 there might have been some help for consumers in a substitute for sugar. Texas honey production in 1974 was up four per cent over 1973, but unfortunately honey produced throughout the nation was down 22 per cent in 1974 compared to 1973.

In Texas there were 210,000 colonies — the same as in 1973 — and production totaled 10,290,000 pounds which was almost a half million pounds more than a year before. And while Texas honey bees averaged 49 pounds of honey per colony in 1974, nationwide honey bees averaged only 44 pounds per colony.

Producers had a sweeter price. They averaged 45.7 cents a pound compared to 43 cents per pound. All in all, Texas honey and beeswax value for 1974 was worth

almost \$5 million.

A NUMBER of bills relating to agriculture will be introduced in Texas legislature. Among them is a bill which would prohibit purchases of imported meat by state institutions.

The bill would affect institutions such as colleges, prisons, and hospitals. Bids would be accepted only on fresh or frozen meat grown and processed in the United States. Similar regulations have been instituted in Missouri and Colorado.

Purpose of the bill is to aid the failing livestock industry in Texas. Beef imports continue to be a subject of immense interest to livestock groups who have tried to get imports sharply curtailed.

Only voluntary restraints from the importing countries have been made. Australia and New Zealand are the two major beef importing countries. Imports decreased slightly in fiscal year 1974 while beef production has increased sharply.

Livestock producers could be caught in a situation of higher production costs and declines in prices they receive for their cattle. Feeder prices, for example, are thirds below parity.

IF YOU like Texas citrus (and who doesn't) won't like the latest production estimate from the Texas and Livestock Reporting Service on that commodity.

Citrus production in 1974 is now estimated to be 27 per cent below last season. The crop is the result of damage received from a freeze during the winter of 1973. Grapefruit production is expected to total 7.8 million boxes; this is 27 per cent below last season. Early and mid-oranges are forecast at 1.5 million boxes, down 14 per cent from last year. Valencia oranges are set at 1.5 million boxes, a 21 per cent reduction from the last season.

## BOOKMOBILE SCHEDULE

The High Plains Bookmobile will be in your area on the following dates:

Wednesday Feb. 5: Whiteface 19:30-10:30; Whiteface Lehman 11:05-11:30; Buda 12:00-1:00; Maple 2:15-3:15

ALLSUP'S CONVENIENCE STORES held a two-day Management Seminar at the Holiday Inn, in Clovis, New Mexico Friday and Saturday, January 17 and 18. Approximately 70 people attended including store managers and area supervisors for 42 stores located in New Mexico, Texas and Oklahoma. Also attending were home office staff from Clovis, New Mexico. Attending from Morton were Managers, Clayton and Maedell Taylor.

## Judges, commissioners will ponder taxation questions

A discussion of critical issues in property taxation by a noted Austin attorney will be one of the highlights of the upcoming 17th annual County Judges and Commissioners Conference at Texas A&M University, Feb. 5-6.

Jack McCreary will discuss legislative proposals for an equitable tax base for financing public schools and other local government operations, points out Charles Lawrence, county officials program specialist for the Texas Agricultural Extension Service and program chairman.

The attorney will also direct his remarks to the tax load now borne by owners of real property and will explore ways to achieve uniformity and equality in the assessment and equitation of taxable property.

More than 600 county judges

and commissioners from throughout the state are expected to attend, according to Lawrence. All conference sessions will be held at the Aggield Inn, with registration from 8 to 10 a.m. on Feb. 5.

Also appearing on the first morning portion of the conference with McCreary will be Reagan Brown, special assistant to Gov. Dolph Briscoe.

Afternoon speakers will discuss such critical issues as predator problems, revenue sharing and inflation.

Friday morning speakers will address themselves to the issues of community resource development, management of county personnel, and the land price situation.

## Hance named chairman of Water Panel

State Senator Kent Hance of Lubbock was named Chairman of the Senate Subcommittee on Water, Tuesday, January 14, in the opening hours of the 64th Texas Legislature.

Senator Hance, who is serving his first term as a member of the Lt. Governor's Citizen Water Advisory Council. He is currently a member of Water, Inc., a private organization designed to conserve water and plan water importation.

The Senate Subcommittee on Water is involved with testimony on all bills creating water districts, and with legislative programs pertaining to water resource planning and distribution in the State.

## CCACSSlates April crusade

The Cochran County Unit of the American Cancer Society met on January 21 at the Tic Toc Restaurant. Harold Drannan, President, presided over the meeting and introduced J.R. Warner, Field Representative to the group.

Warner stated that the new lung posters were available as well as a film on smoking.

Plans were discussed for the cancer crusade to be held April 6 through April 12. Mrs. Earl Outlaw was selected to be the crusade chairman for 1975.

Mrs. Willard Henry reported she had distributed materials to the local hospital and community center. She was appointed to contact Mrs. Evelyn Seagler about her art students making posters for the crusade. Present for the meeting were

Drennan, Waner, Mrs. Henry, Mrs. Leonard Coleman, Mrs. John L. McGee, Mrs. James St. Clair and Mrs. W.L. Foust. The next meeting will be held March 18.

## MORTON SCHOOL MENU

Monday: Oven cheese sandwiches, vegetable stew, 1/2 peach, cookie and milk.  
 Tuesday: Chicken casserole, carrots and peas, green salad, brownies, roll and milk.

## Enochs club meets Tuesday

The Enoch's Home Demonstration Club met in the home of Mrs. Winnie Byars January 28 at 2:30 p.m.

Mrs. Wilma Petree presided over the meeting and gave a talk on home safety. Mrs. Byars led a discussion on car repairs.

Members elected Mrs. Byars as delegate to the Lubbock DISTRICT II meeting April 8. Mrs. Petree was named as an alternate.

Members present were: Mmes. Lillian Fort, Zelma Fred, Iva Cjmbell, Dorothy Nichols, Bonnie Long and guest, Mrs. Rose Nichols.

The next meeting will be held in the home of Mrs. Elnita Key February 11.

**FDR BORN**  
 Franklin D. Roosevelt, 32nd president, was born Jan. 30, 1882.

# Looking Back

**25 YEARS AGO**  
 Norman Amyx, F.E. Baldridge, and T.E. Lynch, assumed active management of the Morton Flash O'Gas Monday, following the purchase of the concern from Culpepper and son.

Music was furnished for the President Ball Monday night by Broughton's String Band for the 1950 March of Dimes.

Cochran Countians paying poll taxes up to midnight Tuesday totaled in the neighborhood of 1800.

Orville Tigler and Arlee Barnard have bought the Piggly Wiggly store from Lloyd Evans.

Hazel Hancock, prominent Cochran County farmer, and son of the late sheriff Mac W. Hancock, this week announced his candidacy for the office of Cochran County Sheriff and Tax Assessor-Collector.

Don Allsup, who returned to Morton recently from the Navy, has taken over active management of the service department at Allsup's Chevrolet.

**15 YEARS AGO**  
 Highway Patrolman Bob Allen spoke on Traffic Safety to the Morton PTA Tuesday night.

Ralph Duncan, West Texas Chamber of Commerce field man, was guest speaker to the Morton Lions Club, Wednesday noon, telling them what a Chamber of Commerce can do for a community, and steps to take to

get a chamber started.

In one of the busiest meetings held by the present group of City officials since they took office, the Morton City Commission voted Monday night to request General Telephone Co. to get together with Five Area Telephone Cooperative and try to come to an agreement over the present phone dispute.

Boxes are being placed at Willis Food Store and Doss Food Store for the receipt of old Christmas cards and all occasion cards. The items received are made into gift occasion cards which in turn are sold, profits going to the Cystic Fibrosis fund.

George Boring, local attorney announced he would be a candidate for the office of County Attorney R.C. Strickland announced as the third candidate for the Commissionship of Pet One. Bill Burkett, City Patrolman, filed his candidacy for the Office of County Sheriff.

February 3 and 4. Lubbock-based Plains Cotton Growers, Inc., representing producers in the 25 heavy counties on the High Plains, has also requested time on February 17.

The PCG policy covers five points, calling for:  
 (1) A higher loan level more closely related to the increased cost of production and an interest rate on cotton loans no greater than six percent,

(2) a 28-month loan period,  
 (3) Resale prices on government-held cotton stocks high enough to keep those stocks from competing against producer-owned stocks in the marketplace.

(4) A target price which will reflect the increases in cost of production since 1973 and an improved method of computing the average price paid to farmers for cotton, and

(5) Opposition to the creation of reserve stocks, export licensing or controls or other proposals which tend to restrict markets and prices for cotton either in the U.S. or abroad.

It is generally believed that Congress will approve some form of increased price protection on 1975 crops. Even the consumer oriented members of Congress should be aware that without such protection, adequate supplies of food and fiber may not be produced in this country. And if shortages develop, the consumer is first to suffer.

"But," says PCG Executive Vice President Donald Johnson, "we must be on our guard against the adoption of changes in or additions to present law which might offset the advantages of better price protection."

## 4-H'ers begin magazine sale

4-H members in Cochran County are busy selling magazine subscriptions as a method to complete their county financial contribution to their Texas 4-H Center.

The 4-H Center is under construction on a 78-acre site on Lake Brownwood, according to Mrs. Gail Gladden, county extension agent. The Center is about 80 percent complete and is expected to open in early 1975. Chil Sullins said that the Center will cost about \$1.4 million and all counties have been asked to participate in the Reader's Digest Q.S.P. magazine sales program arranged by the Texas 4-H Youth Development Foundation to complete the funding.

The Reader's Digest Q.S.P. plan offers one of the best ways for a youth group to make money, Mrs. Gladden said, and hoped that everyone will support the local 4-H'ers.

The sale is from January 28 through February 11. The local goal is \$1,875. One-third of the goal has been accomplished.

Anyone wishing to order magazines can call Mrs. Gladden at 266-5215.

COCHRAN COUNTY FARM BUREAU was represented at a Commodity Conference January 21-22 in Austin by Willie Taylor left, of Morton, Chairman of the Cotton Committee of the local county organization. Pictured with him at the Texas Farm Bureau-sponsored meeting are Ralph Petersen, Whorton Co., State Chairman Cotton Committee; and Douglas James, Lubbock, District 2, State Director. Purpose of the two-day session was to discuss ways to implement Farm Bureau policies relating to those four commodities. A number of commodity specialists and economists spoke to the group.

A year ago, in January 1974, the only interest in government cotton programs was found within Congress, U.S.D.A. and farm organizations with paid personnel who concern themselves with such things perpetually.

The 1973 harvest was good, demand was strong and prices were high. Consequently, the average farmer couldn't have cared less about such things as loan levels and target prices in the government program.

Today, in January, 1975, as the Senate prepares to open hearing on farm legislation, the situation could hardly be more dramatically reversed. Demand for cotton has almost completely dried up, prices are less than half and production costs almost double year-ago levels, and cotton producers are again vitally interested in government programs. Again they are hit with the full realization that a realistic government cotton program is their only protection against disastrous prices, and that the present program does not

provide that protection.

Senator Herman Talmadge of Georgia, Chairman of the Senate Agriculture Committee, will open hearings February 3 and hopes to have a bill amending the present farm law on the Senate floor in late February or early March.

Farm spokesmen at the hearing will be seeking changes to beef up prices protection in the form of a higher loan and target prices.

Consumer advocates will stump for reserve supplies of agricultural commodities, export restrictions and other mechanisms which right or wrong they believe will dampen food price increases.

Cotton people who will testify before the committee are being scheduled, generally on February 17, the second week of the hearings. The National Cotton Council will open cotton testimony advising the committee of the policies now under development and to be finalized at the Council's Annual Meeting in Phoenix, Arizona,

**"PERFECT" STEERS** — should show good muscle in the forearm and arm with front legs set wide apart. Shoulders should not be excessively coarse and open. When viewed from the rear the back and loin should slope in Quonset fashion and be uniformly wide. Rounds should carry down full and thick with the widest points halfway from the hook to the rump. Moderately short necks and strong backs are necessary attributes. Common indicators of quality are a loose and pliable hide with the hair fine, smooth, and glossy.

For good finish (fat), a common check point is under the steer's neck where a ball of fat should be felt near the anchor point of the tongue. On steers approaching prime grade fat will often be noticed at the point of the shoulder.

## DOA amends food stamp regulations

The U.S. Department of Agriculture (USDA) amended the regulations for its Food Stamp Program so that the purchase requirement for a participating household will generally — but not always — be set at a uniform 30 percent of the household's adjusted net monthly income.

Responding to the many comments received from interested persons, USDA's Food and Nutrition Service (FNS) made two revisions in the amendment to the regulations that it had proposed last month:

The maximum amount that a household will be required to pay will be limited to \$1.00 less than the amount of food stamps for which the household qualifies for the month.

In computing the amount that a household pays for its coupon allotment, any amounts that are less than a whole dollar will be dropped from the purchase requirement.

One other exception is already provided, by law, to the uniformity of the purchase requirement. Food stamps

continue to be completely free for all one- and two-person households with a net monthly income of less than \$20 a month, and for all other households with income of less than \$30 a month.

The final amendments to the Food Stamp Program regulations were scheduled to be published in the Federal Register January 22 and will go into effect March 1.

Details of the proposal to amend the Food Stamp Program regulations were announced December 4, and text of the proposed amendment was published in the Federal Register December 6. Comments,

**TRUCK TIRES**  
 Less than 1 per cent of all truck accidents are due to tire failure, according to a new study by the Highway Safety Research Institute of the University of Michigan. — CNS

suggestions, or objections were invited from all interested persons for consideration in making the decision on the proposal, and a period of 21 days was allowed for them to be submitted.

Comments on the proposed amendment were received from 4,317 interested persons and organizations. All of these comments have been carefully reviewed and analyzed in the process of making the decision on the proposed change in the regulations.

Most of the comments received dealt with the effects of the proposed amendment on various individual cases of participants in the Food Stamp Program. Many of these comments said the change would make it more difficult to take part in the program, or not worth the time required, while other comments favored increased contributions by participants in the program.

Responding to these comments, the amendment was received to limit the amount that a household pays as its purchase requirement to \$1.00 less than the total monthly coupon allotment for the household. But it was decided to implement the 30 percent purchase requirement for most of the participants in the program, since requiring all participating households to pay

the same percentage of their income for their food stamps provides greatest fairness to all.

This principle of equity in the program is in line with provisions of the Food Stamp Act which specify that the purchase requirement shall be a reasonable amount, not to exceed 30 percent of the household's income.

Doing the things good neighbors do

CUBMASTER WILLIE CHEEK is pictured presenting Les Murphy, Great Plains Boy's Ranch, with a \$200. check from Morton Pack No. 644. The Cub Scouts raised the money selling batteries.

CUB SCOUT PACK NO. 644 recently entertained boys from Great Plains Boys Ranch with Indian dances. Pictured with the group is Leslie Dendy who directed the dancers.

## Federation dance slated in Lubbock

The Lubbock area Square and Round Dance Federation will host the regularly monthly Federation Dance Saturday, February 1, at the Fair Park Coliseum in Lubbock. Request rounds will begin at 7:15 p.m. and the Grand March will start at 7:50 p.m.

Featured caller for the square dancing will be Andy Petre from Baton Rouge, Louisiana. He is a well known caller all over the state of Louisiana. Petre toured both the East and West Coasts of the United States and has been on the staff at Infantino Square Dance Lodge in North Carolina.

Round dancing will be directed by Dave and Nita Smith of Lubbock. The Smiths are instructors for the Happy Hearts Round Dance Club and teach round dance lessons regularly in the Lubbock area. They have served on the staff of the Gatlinburg Hoedown, Gatlinburg, Tennessee and the Percy Quinn Weekend in McComb, Mississippi. Special guests at the dance will

be the members of the Texas Association of Single Square Dancers which will be having its first convention at the KoKo Palace Friday, Saturday and Sunday. Single dancers from all over Texas and many neighboring states are expected to attend.

The Swingin' Teens will serve as hosts for the evening. They are a club of Teenaged square dancers who dance every first and third Thursday at 7:30 p.m. at A.B. Davis party house. All square and round dancers are welcome to attend the Swingin' Teens dances.

The LAS&RDF is composed of 25 square and round dance clubs in West Texas and Eastern New Mexico, including the Buttons and Bows of Morton.

Spectators are invited and will be admitted free of charge. For more information about square and round dancing call 927-5538.

## Professor explains origin of county place names

(Dr. Gill, West Texas native, researched the various place names in the Texas Panhandle and South Plains as part of his dissertation toward his history doctorate and has forwarded those in Cochran county to the Tribune for publication. He credits Elvis Fleming for some of the material used in his dissertation. He is currently a professor at the University of Southwestern Louisiana.)

**by Dr. Donald A. Gill**  
 "What's in a name?" If Shakespeare had thought more deeply about that question, perhaps he would not have had Juliet ask it. To some people, a great deal lies in a name, especially in a place name. Each name that lies on this land of ours is indicative of the people who live there, and it reveals the history, the folklore, the everyday events that happen to these people.

Listed below are the name origins of all the place names which appear on the General Highway Map of Cochran County:

**BLEDSOE.** S.T. Bledsoe was instrumental in getting the railroad into Cochran County.

**CAMPBELL RANCH.** A Mr. Campbell established a large ranch near Griffith in the early 1920's.

**COCHRAN COUNTY.** Created in 1876 from Young and Bexar Territories, Cochran County was named for Robert Cochran, a hero who died in the Alamo.

**COCHRAN COUNTY AIRFIELD.** The airfield serves the county.

**COUNTY LINE.** This community is located on the Cochran-Hockley County boundary or line.

**FAMULINER.** The Famuliners were an early-day ranching family in the area.

**GIRLSTOWN, U.S.A.** Homeless girls from all over the

United States make Girlstown their home.

**GRIFFITH.** Carl Griffith was a local merchant and land owner.

**LONDON OIL FIELDS.** The oil fields are located on the J.C. Landon Ranch, one of the largest ranches in the area at one time.

**LEHMAN.** Frank A. Lehman was general manager of the Santa Fe Railroad line.

**LEVELLAND OIL FIELD.** The original oil field was located near the town of Levelland in Hockley County.

**MORTON.** Morton J. Smith was a promoter of the town.

**NEELY WARD SCHOOL.** Now consolidated with Bledsoe, this ward school was built on the land of school board member, Tom W. Neely.

**SILVER LAKE.** Known to early Spanish explorers as Laguna Quemaa, the lake gained its name from dry gypsum which flashes brightly in the sunlight.

**SLAUGHTER OIL FIELD.** This oil field is located on land that belongs to the heirs of Col. C.C. Slaughter.

**SULPHUR DRAW.** The National Sulphur Company has a plant located on the draw.

**WHITEFACE.** The Whiteface or Hereford cattle that graze in the pastures of the area prompted the name.

**YELLOW HOUSE DRAW.** The Indian cave dwellings in the yellowish bluffs at Yellow House Canyon gave the draw its name.

## Jr. Hi elects Honor Society officers

The Junior Chapter of the National Honor Society met January 15 for an election of officers.

Jayne Linn Greer was elected president, Serving with her will be Mitchell Inman, vice-president; Annette Willingham, secretary and Melanie Polvado, treasurer.

Membership in the National Junior Honor Society is based on four principal requirements. The student must maintain an A-B

average, is rated on citizenship, leadership, service and character. Faculty members are appointed to rate each student. Mrs. Erma Fay McSpadden is acting as advisor for the chapter.

Other members of the Society are: Mitzi Baker, Ana Marie Bautista, Mondy Cano, Peggy Bennett, David Click, Lanny Fluit, Kenneth Gardner, Suzanne Gillespie, Kim Jerden, Henry Marina, Francis Martinez, Marty Rice, Brent Richardson, Kevin Silhan, Corinna Simmacher, Mary Smith, Darlene Stevens, Barry Zuber and Deana Zuber.

## County farmers in production cost survey

A comprehensive survey to determine costs of producing wheat, corn and other feed grains, cotton, soybeans, milk and selected commodities will include information from Cochran County farmers.

Charles E. Caudill, Statistician in Charge of the Texas Crop and Livestock Reporting Service said the national data collecting effort will get underway in late January. Cochran County producers and those in other parts of the country will be personally contacted for information about their 1974 costs of production.

Costs of labor, power and equipment, fertilizer and chemicals, storage, drying and other similar outlays will be determined. All responses will be confidential and only State, regional, and national summaries will be issued.

The survey will be conducted annually to identify production practices and establish current national average costs of producing farm commodities. The information will be of major usefulness in identifying and updating budgets for crop and livestock enterprises.

The survey results will also provide production costs which may be used at determinants of target price or price support levels.

### MOON PASS-BY

On Jan. 28, 1962, an American unmanned spacecraft, Ranger 3, passed by the moon at a distance of 22,000 miles.

## Mrs. Lydia Benham services today

Services for Mrs. Lydia Mae Benham will be held at 10:30 a.m. today in the First United Methodist Church. Officiating will be the Rev. James Price, pastor assisted by the Rev. Harold Drennon.

Burial will be in the Morton Cemetery under the direction of Singleton Funeral Home.

Burial will be in Morton Cemetery under direction of Singleton Funeral Home.

Mrs. Benham, 82, a native of Mulberry, Ark., and resident of Cochran County since 1951 died at 10:30 p.m. Monday in Jewell's Hospitality Home in Lubbock following a lengthy illness.

The former Lydia Bumpers, she married C.C. Benham in Cecil Ark., July 17, 1912.

Survivors include her husband; two daughters, Mrs. Carl Wiechmann of Hobbs, N.M. Mrs. Pauline Stringer of Simi, California; five sons, Gene and W.C. both of Morton, Raymond of Levelland, Glendon of LaVerne, Calif., and Truman of Lubbock; three sisters, Mrs. Mary Hardgrove of Bixby, Okla., and Mrs. Agnes Gibson and Mrs. Daisey Dean both of Charleston, Ark., two brothers, Dave Bumpers of Fort Smith, Ark., and Roscoe Bumpers of Cecil, Ark., 17 grandchildren and seven great-grandchildren.

Grandchildren will be pallbearers.

The family requests that memorials be given to the American Heart Fund or the Memorial Fund of the First United Methodist Church.

### BURMA ROAD

The first American truck convoy traveled the reopened Burma Road in World War II on Jan. 28, 1945.

WELFARE SPENDING UP — Welfare spending during the last fiscal year came to \$613.7 million in Texas, the State Welfare Department reported.

Of the total, \$405.8 million was in federal funds. Medical expenditures increased sharply, but average family payments declined slightly. More than a million Texans received food stamps at the end of fiscal 1974.

AG OPINIONS—Atty. Gen. John Hill held the legislature is limited in the amount of its appropriations to state employees and teacher retirement programs by a constitutional ceiling of six per cent of salaries paid participants.

In other recent opinions, Hill concluded: • A school board may meet in closed session to discuss salaries of individual employees, but not to discuss salaries of a class.

• A commissioners court must pay reasonable attorneys' fees for lawyers named to represent indigent defendants.

• The Department of Public Safety must supply on request a magnetic tape containing data on Texas drivers over age 64.

• Class A and B misdemeanor complaints may be lodged before a justice of the peace.

• The Jefferson County Commissioners Court has no authority to prepare, approve or amend Jefferson County drainage district budgets.

• The Texas State Board of Landscape Architects may not authorize its licensees to perform plumbing acts without a plumbing license.

## UNIQUE STUDIO & CAMERA CENTER

Marsh Brockman—Photographer Dean Dean Kirpatrick—Owner

The Unique Studio & Camera Center is located at 803 Houston Street in Levelland, phone 894-5883.

Many people who have thought they did not photograph well, have had successful photos made in the Unique Studio. In this studio, with the artist's hand on the camera,

### HUMPHREY'S SCRAP IRON & METAL

Sheet Metal—Buying & Selling

Virgil Humphrey—Owner

Located at 1500 Railroad Ave. in Levelland, phone 894-6933, the Humphrey Scrap Iron & Metal is one of the more well respected and liked businesses in this area.

Whenever you stop in you will receive friendly courteous assistance in selecting the steel you need. Their helpful sales personnel can often times help you make a better choice than you might have made by yourself, because they know this line of work well and they know their products.

The merchandise at Humphrey's is of the highest quality and has been carefully selected to give you the best value for your dollar.

Why not gather up all that old scrap metal lying around the yard and turn it into dollars in your pocket. This is just what you can do because the Humphrey's Scrap Iron & Metal will pay you the highest prices for your scrap metal.

We all have scrap metal around our home or farm that is useless to us. With very little effort, you can gather it up and on your next trip to town bring it in to Humphrey's and they will sort, weigh, and pay you for it while you wait. Copper, brass, lead, bronze, and aluminum will bring the highest prices.

The firm has built a fine reputation for reliable dealings and the editors of this 1975 Review recommend them to all in the Levelland area who have scrap metal to sell or have need of selecting some materials for their own use.

charming natural photographs are produced always.

A photograph of yourself, or any member of your family makes a lovely gift and is always appreciated, especially when it has the truthfulness of personality about it that is caught at the Unique Studio.

They also do excellent commercial photography. They

have the experience and equipment to do almost any type commercial photography in a most expert and professional manner.

We, the editors of this 1975 Review know the Unique Studio & Camera Center to be one of the finest studios in this whole section. Let them do your photography work.

## TRIPLE H TIRE CO

Bruce Shepherd—Owner

This well known tire company is located at the corner of 1st Street & Ave. G in Levelland. Phone 894-4610. This firm realizes that quality is as important to everyone as price. They feature Uniroyal & Dayton tires. They stand behind their products and you can be assured that the tires you buy here are of the highest quality. If you need truck or tractor tires, this is the firm to go to. They have tires for all makes of tractors and heavy equipment. They also feature on the road and in the field tire service.

For any size tire, see this reputable tire dealer today. You will be pleased with the courteous service that you will receive

here, regardless of the size of the order.

This firm has served the people of this section in the past, and they will no doubt continue their fine business policy in the future.

Everyone in their employ is fully trained in selecting just the right tire to do the job and they also make sure that when it is mounted it will be in perfect balance.

In this 1975 Review, we, the authors, are pleased to recommend this tire dealer to all of our readers, and commend the management for continued efforts to serve the people of this section to the best of their ability. Remember the name, the Triple H Tire Co. for all your tire needs.

FARM CENSUS TIME AGAIN—Farmers and ranchers throughout the United States are being asked to report on their agricultural operations during 1974. The 1974 Census of Agriculture is the 20th nationwide farm census since the first one in 1840. Report forms are mailed out in January and the Bureau of the Census would like to have them filled out and mailed back promptly. All information is confidential by law. The results, published only in statistical form, provide the yardstick by which American agricultural advancement is measured every five years. No information can be released which might reveal the operation of an individual farmer or rancher.

## Bingo!

The Community Action Center will sponsor a Bingo and Cakewalk Sunday at 3 p.m. at the Center. The public is invited to attend.

## FOOD MARKETING ALERT

USDA Agricultural Marketing Service

As of mid-January, the supply situation in February is expected to look like this...

### RED MEATS

Beef... plentiful. Output to exceed the February 1972-74 average and will be near record for the month. Lower grade beef will account for all of the increase.

Pork... adequate. February output less than a year earlier and 1972-74 average.

### POULTRY & EGGS

Turkey... adequate. Seasonally small new-crop marketings 4% below last February, but 17% above 1972-74 average for the month. Feb. 1 cold storage holdings about one-tenth under the high level of a year earlier, but one-tenth above 1972-74 average.

Broiler-fryers... adequate, considering seasonally-reduced demand; February output 6% less than year earlier and 4% under 1972-74 average.

Eggs... adequate; output 5% below last February; 9% less than 1972-74 average.

### MILK & DAIRY PRODUCTS

Fluid milk, dairy products... adequate. While below the 1972-74 average for February, milk production will be increasing seasonally as will production of manufactured dairy products. Commercial stocks of products will continue well above 1972-74 average for month.

### FRUITS, VEGETABLES, NUTS

Pears... plentiful. End-of-December cold storage holdings, mostly D'Anjou, 32% above a year earlier and 38% ahead of 1971-73 average.

Apples... plentiful. Dec. 31 cold storage stocks were 7% more than a year earlier;

13% greater than most recent 3-year average.

Fresh citrus fruits, citrus juices... plentiful. End-of-December stocks of Florida frozen concentrated orange juice were highest of record; 50% above most recent 3-seasons' average for December. Dec. 31 stocks of Florida frozen concentrated grapefruit juice were 46% greater than record holdings of year earlier. Early, midseason, and Navel orange production should be 7% above last season; 15% more than average of past 3 seasons. U.S. grapefruit output is down 8% from both last season and past 3 seasons' average.

Frozen red tart cherries... adequate, based on larger 1974 harvest. End-of-November stocks were 42% above a year earlier, but 9% below 1971-73 average.

Canned non-citrus fruits... adequate, due to 1974's output. Examples (Nov. 1 stocks, compared with year earlier and November 1971-73 average): canned apples, 91% larger than 1973, 25% above average; applesauce, 27% greater than 1973, 7% above average; canned peaches, 28% larger than 1973, 2% above average.

Raisins... plentiful. The 1974 crop exceeded large 1973 harvest by about 9%.

Dried prunes... plentiful, because of large carryover from record 1973 crop which topped 1974 production by about one-half.

Storage onions... plentiful. The 1974 crop is among largest of record; Jan. 1, 1975, stocks were 7% greater than year earlier and 11% higher than average for the

past 3 seasons. Storage potatoes... plentiful, with record supplies in February. Jan. 1 stocks were 21% more than last January's below-average holdings and 16% above 1972-74 average. Frozen potatoes... plentiful. Dec. 31 holdings were 27% above a year earlier.

Canned beans... plentiful. Nov. stocks of canned green and wax beans were up 17% from previous season, 16% above 1971-73 average.

Frozen vegetables... plentiful. End-of-December stocks were 14% above a year earlier; biggest increases among lima beans, green beans, broccoli, carrots, cut corn, mixed vegetables, okra, onions, green peas, and mixed peas and carrots.

Peanuts... plentiful. End-of-November stocks 11% above a year earlier. The 1974 crop is expected to be 8% bigger than 1973's record production. Walnuts... plentiful, helped by carryover from record 1973 crop. Almonds... plentiful. Pecans... adequate, with much lighter supplies from a 1974 crop about 48% lower than 1973.

GRAINS & LEGUMES — Rice... plentiful, despite good demand. Crop of 1974 should set a record—23% above 1973's and 30% more than 1971-73 average.

Dry beans, dry peas... plentiful. Record 1974 dry bean crop is 27% larger than 1973's and 23% above 1971-73 average. Dry pea production is about double the 1973 crop and 26% more than 1971-73 average.

Wheat... adequate for U.S. food needs. Crop of 1974 set a record—5% above 1973 and 10% above 1971-73 average.

Corn... adequate for food use, with production 18% below both 1973 record crop and 1971-73 average.

Terminology used: PLENTIFUL—More than enough for requirements. ADEQUATE—Enough to meet needs. LIMITED—Less than adequate; not enough for normal needs.
