FIFTEEN CENTS

Three new faces on city council

No opposition in three other local elections

Three new faces will make their appearance on the Morton City Council following the municipal election held Saturday in which the vast majority of the city's voters were conspicuous by their absence.

In three other elections, Morton school trustee election, Cochran Memorial Hospital District election and county school board election, all incumbents were unopposed—and won their seats handily.

Those assuming seats on the city council for the first time include Mike Liner, Place 3; Richard Clark, Place 4 and Burt McCasland, Place 5.

Liner and McCasland were unopposed in the race, but Clark had a fair amount of competition for the Place 4 seat. His two formal opponents, Patsy Lynskey and Armada Artega, made a nominal showing in the race polling 54 and 15 votes respectively. Even so, Clark won easily with a total of 96 votes.

In Place 3, Liner polled 154 votes, high for the election, and two write-in opponents, Carol Shelton and Zeke Sanders, received two and one votes, respectively.

McCasland received 152 votes for the Place 5 seat, while Paul Baker polled two write-in votes and Bobby Smith one.

In the hospital district election, the two incumbents were unopposed, but did receive token write-in opposition. Jack R. French, member at large, received 381 votes, and Precinct 1 incumbent Elmer Gardner received 19 votes.

In the member at large race, Dr. Finella Henry received three write-in votes and each of the following received one: Eugene Bentley, Jim Glen, R.J. Vinson, Howard Thomas, Bobby Smith, George Burkett and Paul Baker.

In the Morton school board election, Mrs. Reba Brown and Ben Kuehler, both incumbents, were unopposed. The vote had not been canvassed at press time and the exact count was not known.

The two trustee positions on the Bledsoe board went to M.C. Hall and Harlie Adams. They each polled 33 votes for the two at

THE INDIAN FRESHMAN NETTERS, also a strong team, will also be vying for honors in their division of the 3-AA district meet tomorrow. They are rated by their coach, Bill Johnson, as having the strength to make a very good showing for Morton High School. Front row, L-R, Patti Waters, Rusti Coleman, Debbie Polvado and Malisa Zuber. Rear row, L-R, Perry Bell, Danny Dobson, Larry Barrera and Don Evans. Not pictured are Vicki Cooper and Kim Fred.

Castillo trial jury selection completed

It was a long, hard road that had to be followed in the quest for a jury to try a capital murder case in Morton this week. So long,

indeed, that it took the better part of two days and a panel of near 100 prospective jurors before the job was completed.

An original panel of 100 jury candidates were called to report Tuesday morning, forty four of whom were declared eligible to serve. The entire panel of 44 was exhausted in the selection of the first eight jurymen by the time the court adjourned Tuesday evening and another 50 were called for service.

The second draft was down to a mere two or three by the time the twelfth juror was agreed upon at noon Wednesday.

The difficulty in selecting the jurors appeared to be confusion and uncertainty on the part of the prospective jurymen concerning their personal convictions on the death sentence, this being a capital murder trial where the death penalty may be assessed.

The trial, which was set to get underway Wednesday afternoon, is that of Juan Lopez Castillo, for his alleged part in the murder of Mr. A. Baker of Morton last

IRS extends toll free time for tax calls

With income tax filing season coming to a close, the Internal Revenue Service (IRS) has announced that it will extend its toll-free telephone tax help hours to accommodate the expected crush of last-minute filers.

A.W. McCasless, district director of IRS operations in North Texas, said today that during the final two weeks of filing season Texas taxpayers will have an extra 21 and a half hours in which they can phone the IRS toll-free for answers to

President announces new draft regulations

Colonel Melvin N. Glantz, State Director of Selective Service for Texas, announced this week that President Ford has issued a Presidential Proclamation dated

March 29, 1975 that terminates present registration procedures for the Selective Service System. April 1st will be the last day 18 year-olds will be registered by Selective Service Registrars or at the draft board area offices. This will be the first time since August 31, 1948 that men will not be required to register upon reaching their 18th birthday.

Glantz said that although registration is being terminated at this time, new procedures providing for periodical registration are being developed and will be tested at a later date.

The Selective Service System will continue to carry out its mission on a "stand-by" basis and will continue to classify men in accordance with current Regulations, and maintain a "pool" of available manpower for the military as a part of the overall Emergency Preparedness Program of the Nation.

Glantz pointed out that Selective Service has sufficient men registered and classified to

BR Tryouts

Babe Ruth Baseball Team try-outs will be Saturday, April 12 at the Babe Ruth Park. Boys that haven't already signed up, Saturday will be your last chance! Bring your birth certificates.

NETTERS READY FOR MEET--The Morton tennis team above are literally champing at the bit awaiting the 3-AA district tournament to be held at the local courts tomorrow--and they are rated as having a good chance to come out winners.

The strong aggregation are, front row, L-R, Randy Coleman, Chip Sayers, Clint Oden, Leo Rice and Don Minor. Rear row, L-R, Teri Dobson, Julie Brown, Precilla Minor, Sherita Fluitt, Joan Whitehead and Kathy Mason. Not pictured is Joey Bryan.

3-AA tennis meet here Friday

District 3-AA Tennis Tournament will be held at Morton Friday, April 11 beginning at 8:30 a.m. and lasting throughout the day. This year's District should be stronger than ever. In varsity singles, four of the top girls state will be competing for first and second place. The Gardner of Littlefield won state last year is back expected to receive strong attention from Olton's Susie Bell, and Morton's Julie Brown, (16-4) this year and Teri Dobson, (10-4) of Morton all very strong tennis players. Boys singles, Leo Rice, (16-11) of Morton, should be the

strongest entry. Leo has been playing extremely well this year in tournament competition. Newcomer Chip Sayers, also from Morton, and Terry Parker from Olton are also strong entries. In girls doubles, Morton again is favored with last year's winners, Sherita Fluitt and Precilla Minor, (18-4) leading the field. JoAnn Whitehead and Kathy Mason, (16-6), from Morton and last year's runner-ups should make a strong bid to overthrow Fluitt and Minor. In boys doubles the field is wide open and with last years winners and state runner-ups, Ralph

Mason and David Barrera gone, several teams will be in the running. Olton's Workman, and Daughtry are seeded first but should get strong challenges from Morton's vastly improved Randy Coleman and Joey Bryan. Freshman standouts Clint Oden and Donald Minor, Morton, are also in the running for the title. Everyone is encouraged to come out and watch Morton's tennis teams in action. They have all done outstanding jobs this year and deserve your support. The Freshman District will also be held at Morton Friday. It is much harder to pick winners here because little is known about many of the players. In girls singles, Patti Waters of Morton is seeded number one. In girls doubles Debbie Polvado and Rusti Coleman of Morton are highly favored since they won the Junior High District last year. This year both winners and runner-ups will be competing at the Regionals in Odessa. Alternates for Morton's Tennis Teams are Sabrina Wells, Wynn Crone and Schelle Key. Morton has won the District 3-AA Tournament the last two years.

Large new state tax bill uncertainty, says Bullock

Comptroller Bob Bullock said that Texas taxpayers will be to the tune of at least a \$300 million tax bill and possibly a \$2 billion tax bill two years from now regardless of how well the legislature holds the line on taxing this year. It's not a question of if or how much the fiddler," Bullock said forecasting the state's budget and revenue for the next two years, the first such action ever made by the comptroller's office. "The fat is in the fire and is now pulling it out," he said. Bullock said that "all too often one forgets that most of the money which goes into our treasury must automatically be spent for education, highways,

welfare, children's assistance and federal programs because of our constitution, statutes and

SIGNS OF THE TIMES--Empty feed lots and idle meat packing plants have become the order of the day since both inflation and a recession have clutched the nation's economy in their vice-like grip. The empty feed trough and holding pens of Owen Brothers Feed Lot and the

buttoned-up condition of the local packing plant attest to the effect that staggering costs and low prices are having on the cattle industry throughout the nation.

Letter to the Editor

Dear Editor:

This letter concerns all of Morton's riding citizens—big or small. Morton has no dog control what-so-ever. Going down residential streets you take your own chances of getting chased, bitten, or wrecked.

I know, because I'm a young mother who enjoys a bike outing with two youngsters. But with the wild, free dogs, and packs of dogs, running around we have to be very careful of where we travel.

I'm sure I'm not the only one who has experienced such snarling dogs on a bike, and if we are to have any control at all we must complain to our city. Please, for the sake of our small bike riders: KEEP YOUR DOG PUT UP!!!

Nancy Luper and children

Dear Editor:

Please see that the following material is printed in your newspaper as soon as possible: The Amarillo Diocesan Council of Catholic Women, Levelland Deanery, Board, met in Littlefield Friday, March 14. The following recommendation of protest to the Equal Rights Amendment was adopted by a unanimous vote:

"The women of the Amarillo Diocesan Council of Catholic Women object to the passing of the Equal Rights Amendment as it is written. We believe that the Amendment as it is written is too vague and its generalizations are too broad. We believe in equal rights for everyone, but do not think this amendment will accomplish this equality."

NEW INVENTION

THE PERIMETECTOR

Nationwide Scientific, the national leader in line-carrier (ac transmission) alarm equipment was recently awarded a U.L. listing for the new PERIMETECTOR alarm system. This unique system provides perimeter protection that sets off intruders before they get inside. The PERIMETECTOR provides professional security for the first time at an extraordinary price by eliminating wiring and large labor bills. The new concept is achieved by transmitting the violation signal through new plug-in transmitter-receiver modules. Result: extremely effective very low cost alarm system for home or business that accepts all fire and burglar alarm detection devices available.

THE ECLIPSE WINDMILL

A half-century ago the windmill was a vital part of the lives of those who lived on the plains. Towering above the farms and ranches, one of the leading brands of mills in use at that time was the Eclipse. This mill was constructed of a balanced assortment of wood and iron parts and mechanically was a very simple machine.

The large wheel, usually eight feet in diameter, consisted of a hexagon wood frame held together with iron brackets. Thin wooden fins or vanes were nailed into slanting cuts made in the frame. Owners sometimes laced the vanes in with rawhide strips because the nails had a tendency to work loose in dry climates. The wooden wheel was attached to a heavy iron shaft nestled in babbit bearings.

The bearings were the open type and had to be greased quite often, by hand, usually with lard. The greasing assignment was not looked forward to by the farm boys but was a necessary chore anyway. The contrary wind had a way of changing directions just

as the farm hand was greasing the shaft. If the necessary precautions had not been taken the wheel or tail could swing around, knocking the person to the ground. The mills had two tails, a large one to direct the wheel into the wind, and a small one, a governor of sorts, to deflect the wheel when the wind current got too strong. Climate was its enemy; dust and grime filled its workings and the dry humidity caused damage to the wooden parts, turning them brittle, weakening them. Pierce winds often shattered the mills to splinters. The Eclipse was constantly in need of repair. The mills were cussed, criticized and even joked about but the truth is most farmers or ranchers would not have tried to manage any sizable spread without one. The Eclipse gave way, however, to the more modern type of mill with enclosed gear boxes, all metal parts, and more efficient mechanical works, but part of the real beauty of windmills disappeared when the Eclipse went out of general use.

IN MEMORIAM

This poem entitled "He Maketh No Mistakes"

is given as a memorial to

Mrs. Iva Willis from the Busy Fingers Sewing Club.

My Father's way may twist and turn
My heart may throb and ache,
But in my soul I'm glad to know,
He maketh no mistake.

My cherished plans may go astray,
My hopes may fade away,
But still I'll trust my Lord to lead,
For He doth know the way.

The night be dark and it may seem
That day will never break,
I'll pin my faith, my all in Him,
He maketh no mistakes.

There's so much now I cannot see
My eyesight's far too dim
But, come what may, I'll simply trust,
And leave it all to Him.

For by and by the mist will lift,
And plain it all He'll make —
Through all the way, the dark to me,
He made not one mistake.

EARLY VARIETIES OF MILO

UNDER IRRIGATION

E-59 Dekalb
HT-124 Yield King

Here are 2 sorghums that are hard to beat. Of all varieties tested at High Plains Research Station E-59 was no. 1 & HT-124 was right close to it in yield. Both are medium seasons and stand real well. HT-124 probably stands a little better and is a little shorter. When you pass the 5500# mark E-59 has the edge. Both are wheatland crosses and can stand lots of stress. Don't be misled if you plant irrigated maize. These two will produce. HT-124 holds the 5 year high yield record and E-59 was high this year. No other companies can make this claim. These are fair tests and are under the supervision of the research station

Hog production in Texas as the nation goes down, the outlook for hog producers is up. At the national pork meeting in the midwest weeks ago, some of the optimistic producers were talking about \$50 hogs by year; others were talking in range of \$42 to \$45 range. Comparison with the rest of the country, it does appear that the outlook for hogs is brightest. The discussions about the outlook may bring on an increase of the "in-and-out" on hogs. He jumps in the market if it is good; when it goes bad, he gets out. Meanwhile, the number of hogs on Texas farms as of 1974 is the smallest since 1911. They number 800,000. The inventory is 18 per cent under a year earlier. Hogs and sheep kept on breeding are at 120,000, 10 per cent under a year ago. Texas hog producers intend to grow 40,000 sows from now through May. This is down 20 per cent from a year ago. Nationwide, hog and pig prices are down 17 per cent a year ago and 15 per cent two years ago. Intentions to raise hogs are down 17 per cent from August period 1974 and down 20 per cent from two years ago. The hog industry is gearing up production programs to get more people to eat pork. Consumption of pork during the past two years has about stabilized.

Tips from Nancy Topp

THE FLOOR CHORE—A BORE NO MORE

As warmer weather approaches, you can expect your kids and pets to bring in plenty of mud and dirt from outdoors. Now, thanks to the many recent developments in the floor care field, housewives can save a lot of time and work in floor cleaning.

According to Nancy Topp, home economist for Stanley Home Products, Inc., of Westfield, Mass., experts in the home-cleaning personal care field:

"If every time you've cleaned your floor you've thought, 'Oh, golly, what a bore. You'll think this dreadful thought no more. As One-Two polish does your chore.'"

She says, "It is possible to save yourself time and trouble by doing two jobs in one operation. Find a one-step product which cleans and shines at the same time."

There are certain characteristics which you, the consumer, should demand from the floor care product

Roberts Nursing Home

Sunday church services were conducted by Mr. Bob Vinson and Mr. Solomon Hamilton. We appreciate the faithfulness in which they remember our residents.

Sunday evening the residents were entertained with old-fashioned live gospel music with Mr. Ed Neutzler on the guitar and Mr. Bud Huff on the piano.

Home made cookies were baked and served by the F.H.A. girls of the Whiteface School Tuesday afternoon.

Visits from the young people of the community are always welcomed and enjoyed by everyone.

Happy birthday greetings go to the following employees: Mrs. Johnny Moore, Director of Nursing Services, and Mrs. Dalton Redman, secretary, for TRoberts Nursing Home.

Looking Back

25 YEARS AGO

Mr. and Mrs. J.J. Baker, residents of Morton about six years, have opened a new feed and seed store here.

R.T. Tarver, Morton's new Mayor and Commissioners C.L. Taylor and Roy Hill were sworn into offices Monday night at the City Hall when out-going Mayor McAlister and Commissioners Ray and Hargrove met for a final canvas of ballots cast in the April election.

D.E. Benham and R.J. Merritt were elected to three year terms as directors at the annual meeting of the West Plains Health Association in the school auditorium Saturday.

"The Case of the Missing Heirs" a three act mystery-comedy by William D. Fisher, will be presented by the Junior Class Thursday and Friday. The cast includes Melton Jennings, Syble Barnett, Buzzy Glenn, Madge Pyburn, Waydelle Hill, Martha Willis, Nena Bledsoe, Luther Buchanan, Nell Brown and Jimmy Robertson.

Morton's first weekly Tradesday is scheduled to get underway here on Saturday, May 6. It was reported by Paul Goodman at the regular meeting of Chamber of Commerce directors.

Truman Doss, E.L. Willis, Butch Baker and Joe Mohmood, local grocermen, are on a weeks' fishing trip at Sugar Lake, Mexico. They are guests of Mead Bread Company.

Morton's Betty Kuehler has been given one of the six places on the all district 2-AA girls basketball team.

Mr. and Mrs. F.E. Baldrige announced this week the purchase of Willingham Grocery, South Main, Morton.

Steve Bracken announced this week the purchase of Smith Furniture and Appliance and has been renamed Bracken Furniture and Appliance.

The Who's Who entry of Miss Nancy Cagle, a Texas Tech sophomore, was awarded the \$66. She correctly named Mrs. Joe

COTTON TALKS

FROM PLAINS COTTON GROWERS, INC.

April 17 is the date set for the 1975 Plains Cotton Growers, Inc. Annual Meeting, beginning at 2:00 p.m. at Lubbock's South Park Inn. Over 500 PCG members and guests are expected to be on hand for the 25-county cotton producer organization's 18th annual gathering.

Emphasis at the meeting will be on cotton markets, with the "first team" from the staff of Cotton Incorporated on the program. Cotton Incorporated is the national cotton producer's research, product development and marketing company with offices in Raleigh, North Carolina, and New York City.

Also, 1975-76 PCG directors, elected over the past several weeks at meetings in individual counties, will be confirmed by the membership and the new directors will convene at 6:00 p.m. following the membership program to elect 1975-76 officers. PCG has two directors from each of its counties, elected on alternate years.

Current PCG officers include Don Marble of South Plains, President; W.B. Criswell of Idalou, Vice President; and Lloyd Cline of Lamesa, Secretary-Treasurer. Immediate Past President Ray Joe Riley of Hart is Chairman of the Board.

Dukes Wooters, Cotton Incorporated President, will have remarks on "Cotton's Total Marketing Thrust" and will introduce others of his staff who will treat cotton's current and pending market position, new cotton products being developed, and the techniques being used by C.I. to market those products. Speakers will include Dave

Study Club honors MHS Senior girls

The Town and Country Club honored the graduating senior girls of Morton High School with a tea at their April 2 meeting in the home of Mrs. Ann Griffith.

The theme for this annual affair was "Americanism Tea--Pride In American Youth." Mrs. S.E. Williams, program chairman, welcomed the guests and introduced the junior girls, Miss Earlene Evans, Miss Donna Cox and Miss Gay Waters who presented songs, musical readings and reminisces to the group.

Miss Earlene Evans, accompanied by Miss Donna Cox, recited a musical reading entitled "I Am The Nation," with "Balmy Days and Morning" as background music.

"I was born on July 4, 1776, and the Declaration of Independence is my birth certificate. I am 200 million living souls and the ghost of millions who have lived and died for me. I am Nathan Hale and Paul Revere. I remember the Alamo, the Maine and Pearl

Harbor. I am Babe Ruth and the World Series. I am Eli Whitney and Stephen Foster. Yea, I am the nation, and these are the things that I am. May I possess always the integrity, the courage and strength to keep myself unshackled, to remain a citadel of freedom and a beacon of hope to the world. This is my wish, my goal, my prayer in this year of 1975--one hundred and ninety nine years after I was born." These are excerpts from the reading, "I Am The Nation."

"My Way" was sung by Miss Earlene Evans and Miss Gay Waters. Miss Waters dedicated reminisces of past school years to the senior girls, using "The Way We Were" as background music played by Miss Cox.

The serving table was decorated with blue and gold, the senior class colors.

County Home Demonstration Agent, and club guest, Mrs. Alvin Gladden, presented a home economics survey that was answered by club members.

Mrs. S.E. Williams led the reading of the Club Collect to the group.

The club was awarded a certificate of achievement on projects in the categories of Continuing Education, ESO, and libraries from the Texas Federation of Women's Clubs. The club also received 100 points out of 110 points from the yearbook score card.

Senior girls present were Misses Manuela Alvarez, Gail Bapsed, Beverly Bridges, Teri Dobson, Sherita Fluit, Vicki Hall, Kathy Mason, Prescilla Minor, Cheryl McClung, Teri Nebhut, Elia Reyes, Verna Richards, Robbie Sanders, Diana Stevens, Cindy Tanner, Yvonna Vanstony, Linda Sue Watts, Malinda Webb, Debra Sue Wells, Sabrina Wells and Joann Whitehead.

Club members present were Mmes. Ann Griffith, Solomon Hamilton, H.C. Hendon, Ross Shaw, W.G. Freeland, Joe Seagler, S.E. Williams, Connie Gray, Willard Henry, Bob Walkup and Vaniced Lovett.

Mike Hunter will appear in musical

Mike Hunter a sophomore music major at Wayland Baptist College, will appear with the Wayland Concert Choir in "Kaleidoscope '75", a fully costumed, choreographed and lighted musical production at 7:30, Thursday, April 17, in the Harrah Auditorium. Proceeds from the show will help finance the choir's European tour next spring. Mike is the son of Mr. and Mrs. Bobby Hunter of Route 2 Box 85 in Morton.

"Thou wilt show me the path of life, in thy presence is fulness of joy." PSALM 16:11

HERE IS THE PATH

MIDNIGHT OIL

If she has kept up with the course all term, she'll not flunk because of this rap BUT—if she is counting on the midnight oil to pull her through the exam—
"You've heard of people being converted to Christianity on their deathbed. True? As Christ promised salvation to a penitent thief on the cross, so God's love reaches out even in the final hour to those who call on Him in faith.
But don't live your life on the dangerous premise that last-minute cramming will satisfy all your religious needs.
There will be millions of adults and children in church next Sunday. They are seeking spiritual truth, gaining Christian convictions—not because they need some religion to die with—because they need Faith to live by.

laws require it." The next two years these ramps will get \$9.3 billion of \$13.2 billion expected to go to the treasury. The remaining \$3.9 billion available to the Legislature is more than current spending, Bullock noted, and can be used for any combination of raising school finance or setting aside a reserve for use in 1977. At any way it's cut will still be a tax bill in 1977, Bullock outlined the three "most likely" ways and the tax bills would result. The Legislature can set aside a reserve fund of \$400 million and

spend the rest of the \$3.9 billion and hold the 1977 tax bill to \$300 million. The Legislature can spend the full 3.9 billion, leaving no reserve fund, and the 1977 tax bill will be \$1.3 billion. That's equal to \$100 for every person in Texas, Bullock noted. The Legislature can spend everything available this year and adopt a longrange school finance bill with significant future increases in state aid built in and the 1977 tax bill would top \$2 billion. "I want it understood by one and all that school finance is not to be blamed for what is about to happen — every dollar spent on anything else has just as much future shock on our pocketbooks," Bullock said. Bullock pointed out that the

Legislative Budget Board recommendations call for a 46 per cent increase in general state spending for the next two years but that the Comptroller's forecast for 1978-79 were based on only a 34 per cent increase. Bullock said that there is a "far outside chance" of avoiding a major tax bill in 1977 if the current Legislature sets aside a \$400 million reserve fund and the 1977 Legislature adopts a hold-the-line budget. Bullock said that by a "hold-the-line" budget he meant increasing salaries only seven per cent and increasing all other expenses only three per cent. "Mathematically that might work, but as a practical matter it has never been done," Bullock said. "History tells us that overall increases of 40 per cent are more like it, Legislature after Legislature." The present Legislature would be facing a tax bill had it not been for the windfall surplus brought in by an unexpected oil embargo and runaway inflation, Bullock said. "Spending the surplus for on-going programs is like spending an inheritance. When it's gone, it's gone," Bullock said. "It's like someone giving you a horse and then you find out you can't afford the saddle and the oats."

large posts and were followed in order by Leon Langrall, 25; Larry Buchanan, 24; Virginia Clappitt, 15 and Cleon Davis with 8. An unofficial count of 72 votes were cast in the Bledsoe election. In the county school board election, all incumbents were unopposed. Joe Beseda was returned to the at large post while Lloyd Brown was returned in Precinct 3 and Danny Key in Precinct 4. No official count was released as the vote had not canvassed at press time. The Whiteface school board election results had not been received by press time and will be published in the Tribune on April 17.

TRIAL

September. Castillo is accused of participating in the murder of Roy Lucio during a robbery at Baker's service station on September 5, 1974.

Lucio was tried recently in Hockley County on a charge of venue and received a 10-year sentence.

R.H. Munsterman, of Levelland, is acting as defense attorney for Castillo. Trial is in 121st District Court, Judge M.C. Ledbetter presiding.

In other criminal court business this week, Judge Ledbetter postponed the trial of Larry Bates and Gerald Bates on charges of aggravated assault on a peace officer and set a hearing on the case for April 28.

The case of Antonio Zapata on a charge of forgery and passing was dismissed by the court.

Weekend Revival

The Missionary Baptist Church will hold revival this weekend in Morton. Brother William S. Hobson will be the evangelist. Evangelistic services will be held Friday, Saturday and Sunday, April 11, 12 and 13 beginning at 7:30 p.m.

1936 Study club meet

The 1936 Study Club met Wednesday, April 2 in the Gold Room of The First State Bank with Mrs. Gerhome Holloway as hostess.

Mrs. James St. Clair, Sr. led the group in the Club Collect and Mrs. Lessye Silvers conducted a short business meeting. All members were invited to attend a Civil Defense Program in the Activity Building April 10 at 7:30 p.m. They were invited to have lunch with the Lions Club, Wednesday, April 9 and hear a program presented by the Educational Service Center. Mrs. Bill Sayers and Mrs. M.C. Ledbetter reviewed the history of the United States covering World War II and the years following. They spoke of the military strength of the nation, its alliances and how it

turned from isolationism when it's security was threatened. Mrs. Iva William was moderator for a group discussion based on a film depicting America as the "Great Arsenal of Democracy". Topics covered were the Atomic bomb, the Marshall Plan and multiple global commitments that led to the Viet Nam War and a divided nation. Others present were: Mmes. John Crowder, W.C. Benham, D.E. Benham, W.W. Smith, Joe Nicewarner, Ruth McGee, Joe Gipson, and Neal Rose. Guests were: Mmes. Robert Adcock, C.B. Burleson and Elsie Lemon.
