Let Me See ... by Sybil

Ran across several good hints this week which would do to jot down or remember (if you can.) Me, I have to jot them down. There are three indications of old age. The first is a failing memory... and I don't remember the other two.

Milk cartons make good freezer boxes. Fill with game like quail or doves, add water to cover, freeze and store in freezer.

Rub a bee sting with sugar. It will lessen the pain. Chew gum will help reduce a rivet leak in an aluminum boat. Chew gum well and stuff around outside of leak. Allow to harden, then enjoy a dry boat ride. Also, you can repair the plaster decorations around old picture frames with gum. Follow the design, allow to dry and brush with gold paint. Perfect.

You can pluck ducks easier by first soaking them in detergent. It cuts the oil in the feathers and makes them easier to remove.

Now here's a good one... if the muzzle blast of your deer rifle bothers you as you tune up for hunting season, improvise a couple of ear plugs from cigarette filters. Also works real good if your husband snores.

To intensify color of cut flowers and prevent fading and make them last longer, make a solution of 1 teaspoon of chlorine bleach per gallon of cold water, mix well, and pour in vases. Flowers remain in bud longer.

While I'm jotting down all these goodies, I must tell you the story told at "fat people anonymous" club last week. One lady told of going to a doctor for some reducing pills. He gave her only 6 of the capsules and told her to come back after six days. She set the pills up in her window by the sink so she would not forget to take one each morning. The sun came through the window and warmed the pills up and she noticed them moving around. She took them to her physician and had them

analyzed and he told the lady they were full of TAPE WORMS!!! Can you imagine! Seems this one doctor did give pills to fat people full of tape worms (the pills were full of tape worms) but his madness method was to infect you with the tape worm so he (or she) would eat up what you ate. After you had lost the amount of weight desired, he then gave you a pill to get rid of the tape worm. Now, before you get to imagining WHO this doctor was, I'll set your mind at ease. This woman lives in Oklahoma at the time, and it is a true story!!!

Ivan Vernon spent several days recently visiting her daughter, Janyce and R. C. Banister who live in Greely, Colorado. Ivan said they spent most of their time canning while there. It seems in Greely, the neighbors just simply stop by and give you bushels of garden stuff to can. They put up 39 quarts of cut corn, jams, jelly, and everything else you can imagine. Janyce has a neighbor who is of German extract and she cooks the best and most unusual food. Ivan learned to make her Ryebein Sandwiches; make 2 slices of dark rye bread, put 2 slices of swiss cheese, several pieces of the thin sliced corn beef (packaged), cover this with chopped saur kraut and grill if you can EAT, please try this and tell me how you like it. I'm dying from hunger pains just writing it down.

However, it won't be long until I can EAT AGAIN. I hope. Anyway, with the help of the "food anonymous" people, plus walking two miles each day at a more-than-brisk pace, my clothes are beginning to fit instead of "Stretch" for a change. Several in our end of town have joined our evening walks and we do have fun. We started the 2.2 mile jaunt two weeks ago and it took us 40 minutes. Now we have it down to 30 minutes. In fact, Monday evening when Frances Rhodes accompanied us, we did it in 28 minutes. I can't stand people like Frances. She's no bigger than a mite to start with and she even WALKS faster than I do.

For all of you who have been wondering what the POT POURRI IS COMING means... we can reveal it now. This will come off the last week in October when the 20th Century Club sponsors a fabulous auction sale, to benefit the Library building. This will NOT be a rummage sale. For the articles to be auctioned will be so desirable and so beautiful that the auctioneer is said to need a body guard to protect himself when he makes his sold decision. More on this later.

Pot'pourri is coming!

Bank Robbery To Be Subject At FBI Conference

Mr. Gordon Shanklin, Special Agent in Charge of the Dallas Office of the FBI, announced that "Bank Robbery and Incidental Crimes" will be the subject of special law enforcement conferences to be sponsored by the FBI. A conference will be held from 9:00 to 1:00 P.M. at the Holiday Inn West, 601 Amarillo Blvd., on September 19.

In an announcement concerning similar conferences being held throughout the United States, FBI Director, J. Edgar Hoover said that this topic was chosen because of the continued increase in crimes involving banking institutions. He also noted that there was an alarming increase in the number of instances in which these crimes against banking institutions were accompanied by violence against employees, customers, and others.

According to Mr. Shanklin, the conferences will be attended by law enforcement officials, prosecutors, and representatives of banks, savings and loan associations, credit unions, and related professions in these areas. The agenda will include discussions on what law enforcement officials can do to prevent bank robberies, burglaries, and larcenies and also what banking institutions can do to prevent these crimes. Guidance will be given regarding actions to be taken by bank em-

ployees to assist law enforcement officers in the quick apprehension of violators. The Bank Protection Act of 1968 passed this July, which provides for establishing minimum standards for security devices to be used in banks to prevent these crimes, will be discussed.

According to Mr. Shanklin, bankers, prosecutors, County Attorneys, District Attorneys and law enforcement officials from throughout the area will serve on the various panels.

Party Honors Connie Vernon

Connie Vernon was honored with a birthday party on the 28th birthday by her mother, Mrs. J. P. Vernon. September 8 was the date for the occasion which took place in the non home.

Puzzle favors were given the children attending with ice cream and cake were served as refreshments. The birthday cake was decorated with a doll as the centerpiece making the centerpiece.

Children present were Douglas, Beth Sheppard, and Brenda Boyd, Brenna Bridgett Canon, Catherine Clancy, and Tracy Vernon. Also attending were Catherine Lyon, Johny Jo Phillips and Pam Larcant.

Mr. and Mrs. Roy Lee Vernon returned home Sunday evening from Abilene. They took their daughter Susan to enter Hardin-Simmons University there.

A kid's got a right to some privacy too.

If your kid's been hiding out lately when he gets on the phone, take the hint. There are probably some things he'd rather discuss without an audience around. And he's entitled. After all, asking a girl out at his age is hard enough. But when the whole family's listening in, a guy could freeze.

Help loosen young Don Juan's tongue. Call

your General Telephone business office and get him an extension phone. Then he can have his tete-a-tetes without feeling self-conscious.

When a kid feels you don't want to listen in on all his private conversations, he's more apt to tell you about them. An extension phone gives him that choice.

Extension phones by General Telephone.

ROTC SCHOLARSHIPS

High school students plan to enter college for the first time in the fall of 1969. They may apply now for 800 Army ROTC scholarships...

officer training subjects, which are taught by Army professors of military science, the ROTC student pursues the same academic courses in the field of his choice as any other student.

Mrs. John Berry and her sister, Mrs. Bob Smith of Clovis were in Fort Worth over the weekend where they attended the wedding of their nephew, W. L. Campbell, Jr. to Miss Pamela Barzzil.

Mrs. and Mrs. Pate Crisby and Mr. and Mrs. Joe Day spent a recent weekend visiting Andy and Kathleen Gorman at their home near Boise City, Oklahoma.

Misses Linda Smith, Janice Trindle and Frances Whitson were in Amarillo Saturday where they attended the movie "Camelot" and the Ice Capades.

Pot'pourri is coming!

Reverend George Bollinger returned home recently from holding revivals in the southern part of Texas. The last one was in Gause, Texas and was a very successful revival.

Mrs. Tom Allen has just returned from a prolonged visit to Bridgeport, Tex. where she stayed for 5 weeks during the sickness and death of a sister-in-law.

Carla Brinkley visited the past week with her sister Mrs. Burton Schubert. She will enter her senior year at West Texas State University this fall.

Mr. and Mrs. Max Carmichael of Dallas are visiting in the home of Mr. and Mrs. Eck Lee. Mrs. Carmichael is a niece of Mrs. Lee.

Mrs. S. M. Catlin of Mobeetie is in Spearman visiting with her daughter, Mrs. E. D. Clement and other relatives.

The Don Schmeir family recently spent the weekend at Canton Lake, Okla.

Mr. and Mrs. Don Smith and Marilyn attended the Ice Capades show in Amarillo Saturday evening.

REFINISHING this old trunk has been a pleasure for Alta Fisher who found a date on the hinge which read 1872. The 7 ladies enjoying the trunk workshop learned that each old trunk has a date listed somewhere, usually on the lock or hinge.

Club Selling Dressing Mix

Mrs. Sammie Bishop was hostess to the regular meeting of the Delphinium Flower Club Monday afternoon, September 9, in her home.

President Mrs. Claude Smith presided over the business meeting with Mrs. Raymond Kirk giving the program on Geraniums. Roll call was answered with tips on Flower Culture.

One arrangement of dark purple mums in a satin glass vase was displayed by Mrs. P. A. Lyon, Sr.

The Club has ordered more of the salad dressing mix to sell. Anyone interested in purchasing this will contact one of the club members.

Members present were, Mesdames Claude Smith, Raymond Kirk, P. A. Lyon, Medlin Patterson, and the hostess.

Pot'pourri is coming!

Mr. and Mrs. S. W. Robertson were in Perryton Sunday visiting with their son and family, the Lowell Robertsons.

Hohertz' Host Dinner Bridge

Mr. and Mrs. Bobby Hohertz hosted a Saturday night dinner bridge Sept. 7 in their home.

High scorer for the ladies was Pat Dear and mens high score was won by Sonny Windom.

Couples attending were Messrs. and Mmes. Ed Dear, Lawrence Brown, Jerry Floyd, Sonny Windom and Bobby Hohertz. Mr. and Mrs. Louis Schnell were guests for the evening.

Mrs. Lair Is Sorority Host

Elaine Floyd gave the program "What is Life" for members of the Xi Zeta Upsilon Chapter of the Beta Sigma Phi Sorority last week when they met in the home of Rudy Lair.

Those enjoying the program included Dodie Beedy, Pat Dear, Pat Donnell, Helen Etter, Barbara Schnell, Nelda Sheets, Altha Townsend, Coleen Mason, Moan Beth Windom.

Morning Social Honors Visitor

Mrs. W. L. Russell entertained Monday morning in her home with a coffee honoring Mrs. Max Carmichael of Dallas. Mrs. Carmichael is a niece of Mrs. Eck Lee and is visiting with her for a few days.

Attending the affair were Mesdames Russell Townsend, Cwenfred Lackey, Walter Wilmet, Bruce Sheets, Guy Fuller, C. A. Cibner, Winifred Lewis, Eck Lee and the hostess.

Pot'pourri is coming!

OES Announces Upcoming School

The Order of the Eastern Star met in regular session Friday evening, September 6 with Worthy Matron, Joyce Lackey presiding. The meeting was held in the Masonic Lodge Hall.

Mrs. Lackey announced that the school of instruction will be held in Canadian, November 21. During the business session, the presentation to the Star points was given.

Officers present were: Mr. and Mrs. Joel Lackey, Thelma and Preston Scott, Wanda Brown, Alta Fisher and R. C. Holland Pro Tem, Faye Palmer, Nina Hendricks, Mary Brock, Lynn Ann Kendricks, Judith Creacy, Don Hendricks,

Virus Wilbanks, Sandy Russell, Carolyn Wood, Millie Craig and Doris Holland. Members on the sideline were Minnie Jones and Deta Blodgett and two visitors, Mrs. Erlene Gee and her mother, Hazel Taylor. Following the meeting, refreshments of ice cream and cookies were served to those attending by Millie Craig and Carolyn Wood.

MUNDYS MOVE TO COLORADO

Mr. and Mrs. Lester Mundy and family have moved to Kim, Colorado from Fluvanna, Texas where Lester has been teaching school for the past six years.

He has been recently employed by Kim Public School System as Superintendent.

Mr. and Mrs. Mundy's parents are the Ed Mundys and the Aubey Sparks.

THE THRIFT SHOP, open each Saturday afternoon in the Library Building, features china, household appliances, clothing, hand bags, furniture, drapes, etc. Sponsored by the Twentieth Century Club of Spearman, the sale will benefit the Library building fund. Here, L to R, Judy Irlbeck, Kate Massie, and Georgia Holt decide the selling price of a new can opener.

holt news

Mrs. Bertha Jenkins was hostess to the Spearman Baptist Ruth's Sunday School Class, Tuesday night, September 3.

Mrs. Rex Sanders of Spearman conducted the business meeting. The opening prayer was given by Mrs. Bill Gandy.

Mrs. Major Lackey gave the devotional, which was followed by a social hour and refreshments which were served to Mesdames, E. S. Uptergrove, Rex Sanders, Addie Novak, Major Lackey, Bill Gandy, Bill Russell, Carrie Clement and Mabel Edwards of Spearman, Maude Rosson and the hostess, Bertha Jenkins.

Richard Kirk and Kelvin of Pawhuska, Oklahoma visited Saturday with his parents, Mr. and Mrs. Herbert Kirk.

Mrs. C. W. Kirk was honored with a birthday party, Thursday afternoon, September 5. Gifts were given to

the honoree and refreshments were served to Mesdames Bertha Holt, Bertha Jenkins, Owen Pendergraft, Richard Gaines and Glenda, Travis Reger and Debbie and Dale, Wesley Jenkins, Raymond Kirk, Medlin Patterson, C. W. Kirk, and Maude Rosson.

Forty-six people from Spearman, Gruver, Pringle and Holt boarded the Chartered Continental Trailway Bus Friday evening, September 6 to Amarillo to attend the "Ice Capades". It was in the new Amarillo Civic Center Coliseum. It will seat 7,200 people.

Mesdames Viola Fite and Carter Crawford of Spearman were Sunday afternoon callers of their sister, Mr. and Mrs. John Campbell.

Mrs. Lelan Close of Spearman was Monday luncheon guest of Mrs. Owen Pendergraft.

Mr. and Mrs. Richard Gaines and family were Sunday afternoon callers of Mr. and Mrs. Austell Burrus of Pringle.

Mrs. Viola Fite of Spearman went to Mangum, Ok-

lahoma Monday for a few days to visit her sister, Mr. and Mrs. Henry Francis. Mr. and Mrs. Ed Mundy, Mrs. Aubie Sparks, and Mildred Chamberlain of Spearman and Maude Rosson attended the "Ice Capades" Sunday Matinee, September 8, in Amarillo Civic Center. It was a wonderful show.

Mr. and Mrs. Elmer Griffin of Spearman spent the weekend in Erick, Oklahoma.

Dr. Gregg Is Guest Speaker

The Hansford Home Demonstration Club members met Monday Sept. 9 in the home of Mrs. Don Hergert to begin the fall season.

The ladies answered roll call with the date of their last physical check-up. Dr. Damon Gregg presented the program discussing and explaining venereal diseases.

It was suggested that the Home Demonstration clubs set someone to train leaders

for the 4H groups of the county, stressing the ability to fill out the record books for 4-H'ers.

Members voted unanimously to elect the same slate of officers for this year who served last year. President will be Mrs. L. W. Rosenbaum, Vice President-Mrs. Herbert Howe, Secretary-Mrs. R. B. McKnight, and Council Delegate-Mrs. Hartley Simmons.

Present for the meeting were Mesdames Herbert Howe, Glen Mackie, Roscoe Nelson, Gordon Parrish, L. W. Rosenbaum, Daniel Sheets, Elzey Vanderburg, R. B. McKnight and the hostess.

WOOD UTILITY POLES
A KEY NATIONAL ASSET
BY TOM CUNNINGHAM
AMERICAN WOOD PRESERVERS INST.

POLES TAKE PRESSURE!

If you had the tremendous task of getting electrical power to every home, business and factory in the U. S., you might break under the pressure. But it's pressure which enables millions of wood utility poles to do exactly that!

Utility poles are first loaded onto a special rail car and rolled into a giant pressure cylinder which forces chemical preservatives such as creosote and pentachlorophenol deep into the wood. Impregnating these preservatives under the quality standards followed by members of the American Wood Preservers Institute insure a life exceeding 35 years regardless of the climate.

You can be sure of having the electrical energy you need daily, because each year about 6,000,000 poles are getting "the treatment."

Pot'pourri is coming!

IT DEPENDS ON WHOSE DEPENDENT IT IS

Rep. H. Allen Smith (R-Calif.) is seeking a way to justify Federal Form 1040 standard income tax deduction of \$600 for a taxpayer's dependent with what Uncle Sam is spending to support his own dependents.

He found that Uncle Sam pays Aid to Dependent Children recipients \$800 per year, spends about \$2,300 annually to maintain a federal prison inmate, and provides \$11,000 to train a Job Corps youngster.

The Congressional Budget Office drew this comment from a "Washington Report" on the publication of the Commerce of the United States.

"Rep. Smith makes a point, but he's comparing peanuts and permitting much you're allowed to dependent, and how much costs the government for dependents. What's raised the taxpayer's goose is sauce for Uncle Sam's table."

Better Light ... Better Sight ... a brighter future

Good Lighting: First Lesson in Learning

From the first grade to the last, good light for home study is essential. Improper lighting may cause eyestrain... then concentration dims and grades begin to fade. Be sure your youngsters have proper lighting in their home study area. For this you need a good table lamp, tall enough to spread light evenly over the entire work area. The lamp should have a 150-watt bulb, a soft fusing bowl to prevent glare, and a shade that conceals the light source from the eyes. See your dealer soon.

Major Reynolds Assigned To Korea Base

Major Leslie D. Reynolds, a 12-year Army career man, son of Mrs. D. O. Reynolds of Spearman, has recently been assigned to another overseas post. He has already served one year in Vietnam.

Since July 7, he has been stationed with the 4th Missile Command in Chun Chon, Korea, where for one year, he will be in charge of and responsible for all administration, courts, civil affairs, military policy, safety, civilian personnel officers, and various other assignments!

In a letter this week to his mother, the Spearman soldier said his station is one of the nicest posts in Korea with everything available: library, PX, service club, officer's club, education center, gym, swimming pool, tennis courts, craft shop, chapel, theatre, tailor shop. In addition to his above duties, Major Reynolds is responsible for the policy and operation of all these facilities. He states, "it's quite a challenge."

Reynolds has the services of a house boy who keeps his quarters and his clothes in order for which he receives 6,000 won per month (there are 275 won to the dollar).

A constant flow of VIP visitors such as Secretary of the Army and multitudes of Generals, has kept things in a constant uproar since his arrival there, he said in his letter home.

The Major's wife, nee Billy Joan Greever, and their daughter Jan Marie, will remain at their home in San Antonio where he was stationed for the past two years.

Artists Invited To Enter Show

Five hundred dollars will be the top prize at the first annual West Texas Chamber of Commerce West Texas Art Show in Snyder next February, according to an announcement made this week by Harlan Bridwell, chairman of the Tourist Committee of the WTCC.

The all West Texas show is slated for February 18, but announcements are going out this week to artists in all parts of West Texas so that they will have sufficient time to prepare special work for the show.

There will be three divisions: oil, watercolor and other media. First, second and third prizes will be awarded in each division in the amounts of \$100, \$75, and \$50.

Wacil McNair, Snyder, who will serve as chairman of the art show, says that entries will be limited to 600 because of the lack of proper space to display any more than that. He pointed out that in a recent Snyder art show which was restricted to an area of 125 miles there were more than 300 entries, so this West Texas show will be limited to 600.

Artists may submit only two pictures each, according to the chairman. Entry fee is \$3.00 per picture and all work must have been done within the past two years. Too, the work must be original, no copies allowed, no class work accepted and competition is

open to all artists 18 years of age or older.

The art show is being held in conjunction with the annual Tourist Development Conference, which will be held in the Snyder Coliseum. Full details of the tourist conference will be announced later by Harlan Bridwell, Bridgeport, WTCC committee chairman and Tom Barnett, Fort Worth, chairman of the Cultural Affairs Committee of the WTCC, joint sponsors of the conference and art show.

Subject matter for the art show must be related to West Texas scenic, historic, or tourist attractions. Participants in the competition must also be residents of the 132-county area served by the WTCC.

McNair stated "Inasmuch as we expect an avalanche of entries, I would suggest an early return of the entry blanks because we must accept entries on a first come, first served basis. Entries may be made immediately although the work to be entered may not yet be completed by the artist."

The prize winning work which receives the "Best of Show" award will become the property of the West Texas Chamber of Commerce and it is anticipated that this work will form the nucleus of the WTCC art collection, which will be placed on permanent display in the offices of the regional organization.

Judging of the first West Texas art show will be done by noted artists of the Southwest, whose names will be announced in the near future.

Interested artists should contact the WTCC offices at Box 1561, Abilene, for full details of the show and entry blanks, if they are not readily available through their own art group", McNair said.

Arts & Crafts Guild Meeting

Mrs. Guy Fuller was hostess to the Arts and Crafts Guild of Spearman, Friday afternoon, September 6, in her home.

Ladies present for the painting session were: Mrs. P. A. Lyon, Sr., Deta Blodgett, Sada Hoskins, Mrs. Jesse Womble, Mrs. C. A. Gibner, Mrs. W. L. Russell, Mildred Daily and the hostess, Blanche Fuller.

Mrs. Fred Daily will be hostess to the Guild, Friday, September 13.

J. D. Helms To Head Campaign For Brown

Dick Brown, candidate for United States congressman from the 18th Congressional District, has announced the appointment of J. D. Helms of Spearman as coordinator of the Dick Brown for Congress campaign for Hansford County. Mr. Helms is the County Democratic Chairman, and recently attended the National Convention. He has been prominent in political affairs for some time.

"I feel that the 18th has been virtually without representation during the past two years", Mr. Helms said, "and I welcome this opportunity to help regain a positive voice for the Panhandle, a job which I know Dick Brown can and will do when he is elected to Congress."

Brown, a life-long resident of the Panhandle is general manager of Farmers Supply Company of Hartley, and owns and operates a farm in the Hartley area.

"I have been advised that Dick will be visiting in our

county within the next few weeks. I know that all of his many friends will be on hand to give him a warm welcome, and that those who have not yet met him will want to get acquainted with this extraordinary man. You will be hearing from me, and I want to invite you at this time to contact me for information, cards, and bumper stickers," Mr. Helms said. "I consider Dick's candidacy an opportunity to sent to Congress a man who has the background, experience and reputation that will enable him to take with him a first-hand knowledge of the problems of the Panhandle. He has the energy to tackle those problems and the ability to handle them, along with a record of proven effectiveness in his profession, his community and his party," he concluded.

Mrs. Oscar Schneider and her daughter Ginger attended the Ice Capades in Amarillo Monday evening, Sept. 9.

Unusual Ornaments Made From Books

Mrs. Don Reed was hostess to the regular meeting of the Jonquil Flower Club, Friday afternoon September 6, in her home with club president Alta Fisher presiding over the business.

Mrs. Glen Hiller presented the program on Christmas Decorations giving demonstrations on making a Santa Claus and an angel out of Readers Digests books.

Four floral specimens and five arrangements were presented for inspection, the winners being a pink dahlia by Jo McLaughlin and the arrangement by Wanda Reed of an assortment of cut flowers in a milk glass bowl.

Present were members, Betty Healer, Alva Garner, Kate Massie, Louene Hutchison, Jo McLaughlin, Virginia Jindrie, Aileen Crawford, Dixie Tracy, Patty Sheppard, Alvonna Davis, Alta Fisher and Virginia Head, the hostess Wanda Reed and one guest, Evelyn Hiller.

Weekend visitors in the H. A. Sloan home was Mrs. Sloan's sister and her husband, Mr. and Mrs. W. D. Chaffin of Duncan, Oklahoma.

Mr. and Mrs. Garland Head recently enjoyed a weekend visit from Mr. and Mrs. Neil Quatlebaum and girls of Pampa.

Mr. and Mrs. Don Knox, David and Danny were in Memphis for the opening of Dove Season. They reported getting their limit.

Native Of Scotland Speaks To Club

The Spearman Study Club met at the home of Mrs. Helen Fisher Monday morning for the first meeting of the year. Members of the yearbook committee were hosts to the coffee held in the patio at Mrs. Fisher's home.

Chairman Marilyn Wilson presided over the business meeting during which it was disclosed the club had given a memorial to the library fund in honor of Mr. A. N. Putman. Mr. Putman was the father of Mrs. Joyce Lackey.

The program was presented by guest speaker, Evelyn O'Brien of Scotland, who is a native of Scotland. She had visited her old home this summer and brought many interesting insights of the people to the club. During her program she displayed knitted woolens and tartan plaids as well as pictures.

Members present for the meeting were Margaret Adamson, Donna Baxter, Beverly Boone, Claudine Clark, Karen Countiss, Martha Coursey, Sandra Ladd, Patty Sheppard, Kay Vernon, Marilyn Wilson, and guests, Lynell Williams, Anne Flowers and Evelyn O'Brien.

The next meeting of the Spearman Study Club will be a silver tea, Oct. 7 in the Home Demonstration Clubroom.

account in deciding on a sign's legal efficacy.

Thus, not only public policy but also the legibility and the position of a sign may affect its value. In one case the manufacturer of a powerful cleaning fluid was held liable for a customer's injury because the warning on the label was so small, and so obscure, that it was easily overlooked.

But that doesn't mean the public can disregard signs with impunity. For the most part, signs do serve an important purpose by putting people "on notice"—and are indeed entitled to be obeyed. Certainly if you disregard the "WET PAINT" sign on a park bench, you do so at your own peril.

In fact, it is possible that you might have to obey a sign that you cannot even see. A motorist drove through a stop street, colliding with an oncoming car. His excuse was that the stop sign was lying in a ditch, out of sight.

Yet, the motorist admitted he knew the neighborhood, and knew it was a stop street. Under these circumstances, even with the sign missing, the court said he should have obeyed its command.

Nor does a sign need elegance of phrasing to be effective. What counts is whether it gets its message across. Once a farmer, pestered by trespassers, posted this sign as a warning:

NOTIS
Trespassers will be persecuted to the full extent of 2 mean mungrel dogs wich aint never ben overly soshibil with strangers.
No doubt any court would hold that the farmer's sign made its point abundantly clear.

Ask Dr. QUIZMEE ????

If you are the first to submit a question to Dr. Quizmee, our information specialist, for an answer in his column, we will present to you, free, the full, illustrated, 25-volume set of Funk & Wagnall's Standard Reference Encyclopedia. Mail your question to Dr. Quizmee in care of this newspaper.

This week's winners of the encyclopedias are:

Virginia Grimmer who asked: "When and by whom was the bicycle invented?"

The first two-wheeled vehicle with a steering device was designed by Baron Karl von Drais in 1816. He called it the draisine. But a crude, two-wheeled vehicle propelled by the feet was popular as early as 1690.

Mrs. Nettie Parrott for the question: "When and where did 'seeing eye' dogs for the blind come into use?"

In 1929, The Seeing Eye, a non-profit organization in Morristown, New Jersey, began to supply at least 100 dogs each year at a nominal charge. But sketches discovered in the ruins of Herculaneum, which was destroyed in 79 A.D., indicate that dogs were used to lead the blind that long ago.

Mrs. Frank L. Mitchell whose question is: "What was Panama before it became an independent republic?"

In 1821, Panama declared itself independent of Spain which had taken possession of the area in 1508. From 1821 Panama was subject—on and off—to Colombian sovereignty until 1903, after which date it proclaimed its independence from that country.

CRAZY DAYS

L.S.D. CAN'T TOUCH THIS STUFF AND IT'S HOME GROWN

Every living thing requires nourishment and care. Of course, the better the care, the more perfected the growth. This, of course, is true of human beings. The protection, care and education of the child all lend to the mature, healthy and successful adulthood. Most parents make it their business to see that their children get the proper care and things they need throughout the school years but there is always the chance that there may be a break in the chain of circumstances. If this should happen, Do YOU have adequate life insurance??

J. L. Brock

THE FAMILY LAWYER

Sign Language

When Ed's car was stolen from a repair shop, he demanded damages for the loss. In a court hearing, he accused the management of negligence for leaving the car in a vacant lot, unattended, with the key in the ignition. But the company replied: "We have a sign on our wall reading 'NOT RESPONSIBLE FOR THEFT.' That means exactly what it says."

Nevertheless, in spite of the sign, the court upheld Ed's claim. The judge said that, as a matter of public policy, the law usually will not let a garage escape liability for its own carelessness.

In other words, the law does not always accept signs at face value. Other factors may be taken into

RALPH YARBOROUGH'S WASHINGTON REPORT

When the House and Senate return to work following our month-long recess for political conventions, we face a busy work load. Here are some of the key issues to be dealt with before Congress adjourns: SUPREME COURT--The confirmation of President Johnson's Supreme Court appointments, Justice Abe Fortas as Chief Justice and Homer Thornberry of Austin as Associate Justice, are pending, and this could consume much time after Congress reconvenes, with the outcome unsettled. FARM BILL--The vital administration farm bill is now before a conference committee. It includes funds for commodity controls, Rural Electrification, emergency crop programs and other programs such as food stamps. The Senate version provides a four-

year extension of these programs; the House-passed bill is more liberal on food stamps, but extends the programs for only two years and puts severe limitations on farm payments. The conferees must settle these differences. HEALTH SERVICES--I'm serving on a conference committee for the Health Services Amendments of 1968, a broad bill to extend federal public health programs--including the Hill-Burton hospital construction act. Over the past 20 years, Hill-Burton has made \$1.1 billion available to Texas communities for hospital growth and modernization. EDUCATION--Funds for my Billings Education Act, which Congress approved last year, are still needed. After the House callously cut every dime out of this much-needed program, I appealed to the Senate Appropriations Committee for funds and obtained \$10 mil-

lion. In Texas, 750,000 children of school age will benefit from these special programs. Also awaiting final approval are the Higher Education Act and the Vocational Education Act, which include provisions I wrote for enriching our college and vocational schooling systems. TEXAS PROJECTS AT STAKE--Besides these national measures, many important Texas projects hang in the balance as Congress returns. These are two: PALMETTO BEND--Late last year I introduced a bill authorizing the government to build a badly needed dam at Palmetto Bend on the Navidad River near Edna, Jackson County. Not only is the dam crucial to flood control in that coastal area, it will provide municipal and industrial water uses and a recreation area. New Mexico Senator Clinton Anderson, who heads

the subcommittee where the bill now sits, tells me he hopes for a hearing shortly after we reconvene. BIG THICKET--The endorsement by Interior Secretary Stewart Udall of a full-sized Big Thicket National Park in Southeast Texas was a boost for those who want to see this magnificent area preserved. Recently, I sent each House and Senate Interior Committee member material on the Big Thicket, and I was encouraged by the response. Congressman William Ryan of New York quipped, "you can count on your friend from the Asphalt Thicket." A WORK ABOUT THE MAILS--With the issue of firearms legislation still unresolved, I have received more than 40,000 letters on this one issue--a record in my 11 years in Congress. If you wrote and have not yet received an answer, please be patient. My

staff is working overtime to respond to each of these communications, but it will take several weeks to answer them all. YARBOROUGH PROPOSES AMENDMENT FOR SELECTION OF PRESIDENT. The entrance of a third-party candidate into the presidential race this year has made one thing clear: our procedure for selecting the President when no one candidate receives a clear majority is woefully inadequate. That's why I proposed changing our constitution to give every member of the House of Representatives a full vote in presidential elections which are thrown into the House. Presently, when no candidate receives a majority, each state's House delegation casts one vote. That means Texas, with 23 Congressmen and 11 million residents, has the same voice as Delaware, which

has just one representative and only 500,000 residents. It is possible, although admittedly only in theory, for only 59 of the 435 House members representing the 26 states with the smallest populations, to choose our President, as things now stand. My amendment does not include 1968--and so it will have no effect on the candidacies of Hubert Humphrey, Richard Nixon or George Wallace. But it will insure that in future elections the people will be fully represented by their Congressmen voting as individuals--not as in state blocs--when presidential selection falls to House members.

To Celebrate 50th Anniversary

Mr. and Mrs. C. D. Ragsdale of Perryton, Texas, will celebrate their 50th Wedding Anniversary Sunday, September 15th. An Open House honoring the couple, will be hosted by their son, Clyde and his family at 913 South Indiana, in Perryton. Friends of Mr. and Mrs. Ragsdale are invited to call between the hours of two and five, Sunday the 15th.

Newcomers

Mr. and Mrs. Jack A. Love are new residents of Spearman. Jack is the son of Mr. and Mrs. Aaron Love. For the past 3 years, he has been living in Knoxville, Tenn. following his discharge from U. S. Navy. He is now employed by Simon's Chevron. Mike Sanders, who has been ill in the Perryton Hospital, has returned home and is recuperating nicely. He plans to leave for Austin soon where he will be attending Law School at the University of Texas.

PIN BENDERS LEAGUE

News From The Pioneer Manor

September 18 Ends Contest

Anonymous members of the Friendship Dieters Club met Friday evening at the City Hall in the council room, September 6.

Twelve members weighed in with a total loss of 154 pounds for the previous week. One member had lost 44 pounds and due to the fact that she didn't stay for the entire meeting, the lady winning the fruit bowl had only lost 24 pounds. The member whose name was drawn for the billfold had gained weight instead of losing, therefore, she was required to put money in the billfold fund.

The present contest being waged will end September 18 and it will then be determined who is on the winning side. The twelve members of the club who lose the most weight this month, will be treated to a salad supper on the 25 of September by the winning side.

Meeting time has been changed to Wednesday evenings at 7:00 p.m. beginning September 11.

Pot'pourri is coming!

PROPOSED AMENDMENTS ANALYZED

Under discussion here this week is Amendment No. 7, one of 14 to be voted on at the general election November 5.

This proposed amendment adds a new section to Article 8 and is comprised to five subdivisions for diminishing and eventually abolishing all state ad valorem property taxes, with the exception of the 10 cents per \$100 valuation tax for college and university building programs. In essence, the 5 subdivisions provide that:

(1) After December 31, 1978, no state ad valorem taxes shall be levied on property within this state for state purposes except part of the tax levied which now provides for payment of Confederate pensions, and for the establishment and continued maintenance of the State Building Fund.

(2) Rates for the state ad valorem tax for support of Texas public schools, (now not to exceed 85¢ per \$100

evaluation) are phased out by the proposed amendment in a diminishing series for the years 1968-1974, no tax thereafter for school purposes.

(3) The ad valorem tax of 2¢ on the \$100 valuation now levied for widows of Confederate veterans, Texas Rangers and their widows shall not be levied after December 31, 1976. The legislature is authorized to establish a trust fund to meet these needs.

(4) Unless otherwise provided by the legislature, after December 31, 1976, all delinquent state ad valorem taxes, penalties and interest, less costs of collection shall be used to secure bonds issued for permanent improvements at institutions of higher learning.

(5) Fees paid by the state for both assessing and collection state ad valorem taxes shall not exceed two percent of the state taxes collected.

ARGUMENTS FOR
The state ad valorem tax has long been the subject of attack on the basis that it is poorly and inequitably administered. Certainly, under-evaluation, evasion, and lack of uniformity in the assessment rate from county to county, among different kinds of property and among individual owners of the same kind of property in the same county do exist. Adoption of the amendment would overcome these inequities making it equal and uniform.

Complete abolition of the tax by gradual reduction over a period of years as proposed by the amendment, would create no undue pressure on the state fiscal structure. It would benefit counties and local subdivisions of the state, now finding it ever harder to meet growing government needs with present revenue sources by making the ad valorem tax exclusively available to them.

ARGUMENTS AGAINST
Phasing out of the ad valorem tax at a time when it is ever harder to obtain funds needed for state government operations, as proposed by the amendment, would necessitate an increase in other taxes, possibly the state sales tax, to provide compensating revenues. Tax experts are already predicting an increase in the present sales tax, and, further increases,

in view of the 1% levied by most Texas cities, would overburden those least able to pay. The ad valorem tax, though it may sometimes be inequitably assessed, is drawn from those most able to pay. Abolition of the tax would inevitably benefit the "haves" at the expense of the "have nots."

STUDENTS NEED TO FILE TAX RETURNS

In a few more days, millions of our young Americans will give up their summer jobs--or play--and head back to school or college. Those students who have summer earnings will want to file an income tax return next January 1 or before April 15, to get a refund. If income tax was withheld, they need to keep their Form W-2. (Their employer usually gives them a W-2 shortly after the end of their employment.) Those making less than \$600 are not required by law to file, but they won't get a refund of their income tax withheld unless they do file. Social security taxes are not refunded. Each year quite a few students lose \$40 or \$50 simply because they lose their W-2. They don't want to face the tedium of making their excess would give them if they went and asked for another W-2. Most students soon find that income tax will be an important part of their life from now on, and that they need to be careful to keep their records.

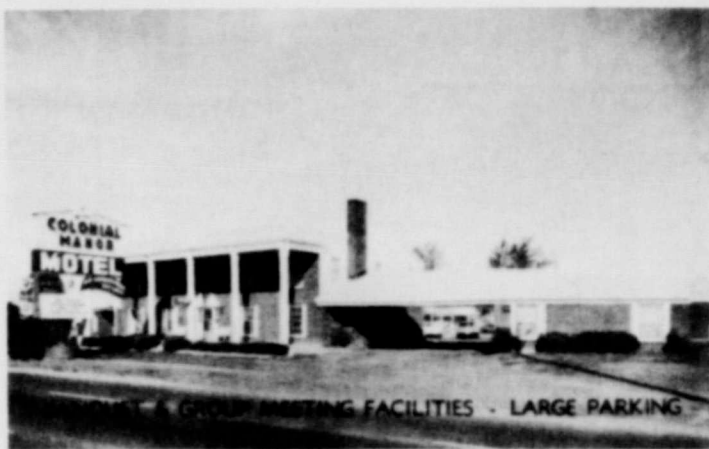

Sale To Benefit Scouts Locally

The Girls Scouts will hold a garage sale Sept. 28 beginning at 9:30 a.m. in the Scout House at 24 S. Endicott St.

Money made from this sale will go into the Girl Scout General Fund for the Spearman Girl Scout Troops. None of this money will leave this county.

If you have anything to donate to this garage sale please call Melba Hook at 2419 or Patty Sheppard at 2055. These ladies will be glad to pick up any items which you have that might sell.

THE
BEAUTY
SPOT

Eye make up can do a lot
for one's eyes provided it
isn't over done. The purpose
of shadow, liner, mascara
etc. is to enhance the beauty
of the eyes and if too much is
used they become cheap and
artificial looking.

In making up the eyes be-
gin with the brows--Coty's
Originals comes in both Eye-
brow Pencil and Cake Form
that is brushed on. Next ap-
ply eye shadow. There are 6
shades in stick form and 9
shades in the Shadow Powder
available in Coty's line of
eye make up.

For those who use an eye
liner Coty's offers 5 different
colors in both the pencil and
liquid liner. The liner is used
after the eye shadow.

Mascara comes next. You
may use whichever you de-
sire, the cake type (applied
with a brush or the wand,

Phd. Graduate
From Purdue

LAFAYETTE, IND. --Pur-
due University had a sum-
mer class of 906 students who
qualified for degrees, domi-
nated as usual by those who
completed graduate study
for advanced degrees.
Graduating from the sum-
mer classes at Purdue was

Fulin Irwin Green, "son of Mrs.
R. C. Green of Gurver. He re-
ceived a Phd. in Mathemat-
ical Sciences.

Mr. Green has accepted a
position as assistant Profes-
sorship with the Math depart-
ment at the University of
Missouri. He and his wife
moved last week to Colum-
bia, Mo. where he has al-
ready begun his duties at
the University.

Green attended Purdue
University for the past three
years.

NOT "EASY AS PIE"
TO PAY TAXES

Sen. Carl T. Curtis (R-Neb.)
complains in a Senate speech
that the old American expres-
sion "Easy as pie," is losing its
meaning.

Unlike the old days, when
grandmother could whip up a
pie in nothing flat, and without
using a recipe, Sen. Curtis
says the Food and Drug Admin-
istration has made pie making

difficult by regulation. FDA,
for example, insists that there
be 2.7 cherries per ounce of
net weight of a cherry pie, or
it isn't cherry pie.

"Washington Report," offic-
ial publication of the Chamber
of Commerce of the United
States, comments:

"This doesn't bother the tax-
payer as much as the federal
spending pie. He'd like to see
that kind of pie a lot smaller,
and more difficult to slice up."

Learning Art Of
Public Speaking

SHS students enrolled in Pub-
lic speaking are currently work-
ing on group discussions. They
have explored the values of
discussion skills and how they
are helpful in all areas of their
lives.

Earlier they studied the qual-
ities of a good conversational-
ist and good manner.

Mrs. June Porter is in-
structor for this group.

The George Buschman fam-
ily recently vacationed in
days in Hobbs and Elmore,
Mexico. They visited with
Jerry Jones, Hope Green, Je-
non Green, Buddy Flynn, the
Howell families and Mrs. Ma-
tha Buschman and Doris Bus-
man. They also visited Ca-
bad Caverns.

"WE TRY HARDER"
Owner—Manager
BILL WRISTEN

WHAT IS THE "COST" OF AN AUTOMOBILE
First of all, it is the "trade difference" or cash you pay between
the car you are trading in and the one you are buying.
BUT are you paying a low trade difference with a high finance or
insurance charge? Do you compare the finance charges (including
life, health and accident) the same way you compare the features
of the various cars you are thinking of buying?
But are you taking into consideration of cost of being able to get
your new car, truck or pickup serviced by capable technicians?
This cost is sometimes hidden from sight until you need GOOD
warranty adjustment and then you cannot get it done.
We invite you to compare all of the costs of trading for your
next automobile

WE INVITE COMPARISON OF OUR "COSTS".

CRAZY DAYS

NOTORIOUS CON ARTIST SPEARMAN BOUND

At latest reports, one of the ten most wanted men on the list of the FBI "Famous Bunko Institute" Slick Thumb Acey alias Acey Deucey and others has escaped from the Oklahoma State prison farm in Morse, Texas. He was last seen leaving the outskirts of Craver and headed for Spearman.

When last seen, he was wearing a genuine Scottish tam, a red corduroy jacket trimmed in black with a black satin lining. He was wearing brown hippie type sandals and no socks. He was also sporting a black tie decorated with a 14 carat diamond stolen from the local TG&Y store.

Now going under the name of Clue Sniff Reefer, the outlaw is reported to be transporting such wares as LSD, contraband narcotics, unlawful whiskey, reefers and a supply of dangerous poisons.

Any person seeing this man is urged to notify Sheriff J. B. Cooke, one of his deputies, the local police or Troy Sloan.

It was during last years Crazy Days that Clue Sniff made off with Troy's gold plated Yo Yo. Citizens are warned to refrain from becoming involved in any game of chance with this wanted man. One of his favorite con games involves a pea hidden underneath one of three nut shells. Sheriff Cooke suspects Clue

Sniff of vending questionable bottle goods that are unfit for human consumption.

Hospital

Patients in Hansford Hospital are Ada Chambers, Walt Sanders, Marjorie Reed, Nettie Phelps, Ruth Lee, Ella Cypert, Bobby Wayne Humphrey, Marg Green, Ethel McChae, David Gooch, Connie Pancake.

Dismissed were Patrick Morris, Robert Carthell, Cora Parks, Everett Rosenbaum, Emma Lopez, Glenda Upchurch, Tom Hunter, Dariell Hollar, Faye Lynch, Vera McClellan, Maude Mathews, Jerry Gee, and Cindy Burton.

The Lynx Claw

Quarterback Club Open To Everyone

by Joe Hutchison
On Monday night a football meeting was held in the SHS cafeteria. Approximately 20 parents and other interested people were present.

The purpose of this meeting was to better acquaint the parents with coaches and to show parents some of the mechanics of football. Head Coach Anthony explained different formations of other teams the Lynx team has met this year. Lynx offensive and defensive formations and some of the Sunray plays were then shown.

After the skull session, the film of Guymon vs. Spearman was enjoyed by present Lynx supporters. The film was shown in slow motion so parents could see exactly what was happening.

It was agreed to have a similar meeting every Monday night at 8 p. m. A scouting report will be given of the week's opponent and a film of each game will be shown. A question and answer period will close the meetings. Everyone is invited to attend these meetings.

Student Council Planning Dance

By Thel Daniel
On Monday afternoon, the student council met to discuss the different projects coming up. Plans were made for the dance to be held on Saturday, Sept. 14. This dance will be held in the VFW Hall located in the east end of the community building. The dance, costing \$1.50 per person, will be in at 8:30 and end at 12:00. The council also made plans for the homecoming, dance and the Halloween carnival.

Lynx To Meet Bobcats Here

by Ronnie Burke
The fighting Spearman Lynx will meet the Sunray Bobcats this Friday night here at 8 p. m. This will be the first game for both teams. Spearman has been rated as the third team in the district AA class but Lynx team members say they "intend to be No. 1."

Both of the pre-season scrimmages Spearman played were won by the Lynx against Guymon and Memphis. Ticket rates open at 9:30 p. m.

Coach Suffers Broken Neck?

By Randy Day
Contrary to popular belief, Coach Dean Weese did not break his neck while talking to tall girls who are basketball prospects for the coming season. Actually Mr. Weese himself does not really know how the freak accident happened.

He knows only that last week while playing golf his neck was hurting badly and his hands were numb. The following morning he went to see the doctor, who discovered that Coach Weese had cracked some of the vertebrae near the top of his spine. The Lynxette Basketball coach has caught much attention as he walks down the hall wearing his rather unusual looking "turtle-neck", which he will have to wear for only a short time.

We expect that Coach Weese will be able to take off his neck brace and heal in plenty of time for the 1969-70 girls' basketball season.

Teams To Play Guymon Saturday

Saturday, the Spearman 8th grade Lynx play the Guymon Tigers at 10 a. m. at Lynx stadium. Following this game the 8 team will play Guymon. The 7th grade game has been cancelled.

NHS Plans For Coming Year

by Thel Daniel
During the past week, the officers of the National Honor Society met to make plans for the coming year. These officers, Randy Collard, president, Dallen Scroggs vice president, and Lisa Curry secretary, planned the first meeting which will be Sept. 19. Dr. Cress will present the program on social diseases. Plans were also made for the induction ceremony of the probationary members. The date of this assembly will be set later.

Building Up Student Spirit

by Richard Booth
On Monday, Sept. 9 the Spearman High School cheerleaders led the student body in cheers at an assembly. They taught the student body some of the yells that they learned at the cheerleading camp this summer. Our cheerleaders, Penny Sanders, Sue Sloan,

Hazel Lesly, Karen ...

Patty Buzzard, Jane ... Liz Hohertz and Debi ... are working very hard to build student body spirit.

Drama Class Attempt Most Difficult Show

The SHS Drama Dept. under the direction of June Porter, is currently working on pantomimes. This period of training in actions, facial expressions, gestures, they will practice stage movements. Next week they will work on the annual children play which will be presented in October. This will be the first major production of the year. It will be followed by "Diary of Anne Frank," Porter said that this will be of the most difficult shows to attempt by the department. It will be difficult not only acting and technical production, but also in the stage.
