## Important Water Meeting Here Tues.

Mr. N. F. Renner, Water, Inc. District Director has called a meeting of all interested agriculture and businessmen in Hansford and Hutchinson County to a Water Import Plan. Mr. Renner and Mr. J. W. Buchanan, Water, Inc. Executive Committee member from Dumas, will present the Water Import Program.

Water, Inc. is a non-profit organization of farmers and businessmen representing the people of West Texas, Eastern New Mexico and Western Oklahoma. Its primary objective is to bring additional water supplies into the area through cooperation of the Federal, State and local agencies.

Mr. Renner said, "A large membership is vital to the success of Water, Inc. This district is coordinating a

drive with the other counties in the area to do what we can and what is expected of us as interested, concerned businessmen. Water, Inc. is an expression of determination by civic leaders in this region to secure needed supplemental water supplies. Imagination and foresight of the area's leadership will result in the importation of the flood water of the Mississippi River by an open canal into this area. The imported water will be beneficial to all concerned."

Mr. Renner has scheduled the meeting Tuesday, January 7, in the Spearman Court House Court Room at 7:00 P.M.

Mr. Renner stated similar meetings have been held recently in Amarillo, Dumas and Dalhart.

## Lynx Score 76 Points, But Lose To Eagles, With 80!

## Girls Make Good Showing In Duncanville Tournament

Shades of professional basketball! Spearman's fine boys met the Canyon Eagles in the Berger tournament, and fans were treated to a touch of professional basketball playing, as the Eagles scored 80 points, and the Lynx 76, to just about set a scoring record for the year.

Canyon jumped ahead of Spearman, 6-0 at the beginning of the game, and flew into a 22-14 lead, before the Lynx could tree the birds! But, the Canyon set-shot artists just were unbelievable with their accuracy as a determined team of Lynx just couldn't quite overcome the lead from the Canyon team.

Mike Davis tallied 27 points, and Lee Shaver hit 24. Four times during the game, Spearman pulled to within 3 points, but fell short by four.

The Lynx will play two games in Spearman this weekend. They will meet the Darrouzett Longhorns Friday night, and the Dumas Demons Saturday night. Both of these promise to be outstanding ball games, so plan to attend!

## Cold, Flu Grips Area

Bad winter weather and a flu epidemic have conspired to make the Christmas and New Year holidays very unpleasant for many residents.

Hansford Hospital has been full for the past two weeks, with no private rooms available.

Adding to the unpleasantness of flu and other respiratory ailments normally high at this time of year, has been the cold weather.

A frigid cold front that frosted this area Sunday night brought the coldest temperatures of the season when the mercury plunged to a minus-1 degree Monday night. Tuesday's high never reach past the mid twenties.

Official low reading for the year is the 1968 minus-2 recorded in January, a year ago. Only a trace of moisture has been recorded at the official US weather gauge, located at the home of Mrs. H. P. Cates, during the past week.

In their next game, the girls met their old rivals Tulla, and defeated them 55-39, with Marsha Shieldknight making 46 points. MRS. LOYALL TURNER  
nee Ginger Schneider

Miss Ginger Schneider and Mr. Loyall Turner were married December 15 at 4 p. m. in the Faith Lutheran Church of Spearman. Pastor William Hill performed the double ring ceremony before an altar decorated with Christmas poinsettias and cedar ropes. Altar rails were adorned with red bows and flanked by branched candelabras.

The parents of the couple are Mr. and Mrs. Oscar Schneider and Mr. and Mrs. Ned Turner of Spearman. Given in marriage by her father, the bride wore a street length dress of white satin with raised leaf motif traced with tiny silver beads. Her veil of illusion was fastened to a bow which matched her dress. She wore a pearl necklace, a gift from the groom, and carried a white orchid surrounded with cascading miniature

white roses and ribbons tied with love knots.

Miss Arbeta Tackett was maid of honor. She wore a red velvet dress. Her bouquet matched the Christmas setting.

LeRoy McCalmon served as best man.

Miss Carol Stolle, Amarillo, organist, rendered traditional wedding music.

Only the immediate families attended the wedding and reception which followed in the church parish.

The bride chose for her traveling costume, a cranberry red wool dress with black accessories. Her shoulder corsage was the orchid lifted from her bridal bouquet.

The bride graduated from Spearman high school, attended Amarillo College and is now employed as bookkeeper by Cut Rate Grocery.

The groom graduated from Spearman high school and attended West Texas State University. He completed his duty in the military and is classed in the reserve. He is employed in farming.

The couple is at home on their farm west of Spearman.

### Pipkin's Host Family Party

Over 50 people enjoyed turkey, ham, and all the trimmings in the country home of Mr. and Mrs. Knox Pipkin on Christmas Eve. Around the Pipkin Christmas tree were over 100 presents, which were exchanged after the noon meal.

A highlight of the annual gathering is a football game played by the single men VS the married men. Perhaps the actual score should not be published, but it should be noted that the married men fought valiantly.

Those present were Mr. and Mrs. John Pipkin and Richard; Mr. and Mrs. Orville Fullbright and Cloetta;

## Fashion Facts For Men and Boys

It has been said "A fellow never thinks about mending his lady row until the rain starts pouring in."

I suppose the same is often true about clothing. We seldom think about warm clothing until we get slapped around with a good hard freeze.

The recent cold spell sent more than a few men and boys to Cates Men and Boys wear.

Fortunately they weren't disappointed because Cates had a goodly supply of everything from warm socks to snug jackets.

If these cold mornings sort of bite into your bones, stop by Cates Men and Boys Wear for the kind of clothing that fits the climate.

Let Me See ... by Sybil

We had a very nice holiday vacation down-state with our country cousins Dr. and Mrs. Val Selz and his mother Bessie. Had a safe journey both ways and returned home tired, happy, and fatter. I never ate so much in all my life and confess that I enjoyed every morsel of the large and varied selection of typical holiday fare.

Following Christmas eve dinner, all ten of us loaded in cars and went to the beautiful Methodist Church in Bridgeport where our entire family marched down the candle-lighted aisle, knelt at the altar for prayer and to receive the Lord's Supper. This was the highlight of my Christmas---and it left a warm glow inside to think that this was the very first time for our family to be together for an occasion such as this. As we knelt in the solemn quietness of the little church my mind wondered at the time nearly 2,000 years ago when people such as we must have knelt before the Christ Child; and now we repeat the ritual. Not as to the Manger Child, but to the Almighty who gave us instructions "this do in remembrance of me."

Later that evening we heard, as millions of others did the world over, the special Christmas message from the men aboard Apollo 8 beamed from the Moon's orbit to the peoples of the earth. What a thrill that was to hear the astronauts tell us once more the story of "In the beginning. I am wondering if God looks at our space feats and says "It is good."

BARBARA KENNEY called to report she had tried my method of cooking turkey under "an old sheet". She said she had real good luck. This made me feel real honored for a Home Demonstration Agent to try one of my recipes! Also, a note to Laura Ann Dodson Berry over at Texhoma, Texas---she cooks turkey the year around and recommends the self-basting kind. By the way Annie, the girl standing next to Faye is Jean Cates.

I FINALLY FOUND a suit to fit Billy, but it was just one of those miracles which occur at this season of the year. It's what the salesman called a "reject"---in fact it was a "mistake." (the suit size I mean.) My, is it a pretty one, but I'm scared to death it's going to be money wasted for I read from Art Buchwald that American males are getting smaller. What is causing it? Football!

It seems that American men have been watching so much football on television that they are no longer using their limbs. Over a period of time their arms and legs have gotten smaller and smaller. Not only are the American male's limbs atrophying, but his spine has been steadily curving from sitting in soft chairs. It appears that in 20 years the average American male will be 4 feet, 3 inches tall. And, according to MY calculations, in that length of time Billy won't even have the NEW worn off that expensive reject!

In fact we can be pretty sure that the American male will continue to shrink because there will be more and more football on U. S. television. In five years there will be six hours of football every night, and 40 hours on the weekends. It's possible that the American man may never leave his chair in front of the TV set.

Because of this atrophying state, the Soviet leaders have decided NOT to build an anti-ballistic missile system. In 10 years the Americans will be so small they will no longer be a threat. Even when attacked, they will refuse to leave their football games.

HAPPY NEW YEAR to you all and happy football viewing to all you dwindling-away American males. As a footnote I would like to add my thanks and appreciation to the person who left us the un-signed Christmas gift. I have placed it in a very appropriate place---over my desk at the newspaper office. So, to whom it may concern, THANK YOU for the beautifully decouped sign which reads BLESS THIS MESS.
