Bob Price Against U. S. Aid

A resolution to ban all U. S. aid and trade with any country furnishing supplies to North Vietnam was introduced by Panhandle Congressman Bob Price Friday.

Amendments to the Foreign Assistance Act prohibits grants, loans, credits, or other assistance to any country which sells or furnishes to North Vietnam or which permits ships or aircraft under its registry to transport to or from that country any equipment, materials, or commodities or gives any form of assistance to North Vietnam, Price said.

"But," he added, "the law has never been enforced. The resolution simply states that it is the recommendation of the Congress that the President take immediate action under the law to stop all aid to countries that are aiding our Communist North Vietnam enemies."

Not all sediment comes from farmland—much of it comes from urban land such as new housing developments, roads, banks, and bare lawns.

C of C Tackles Housing Local Fund Problems

Plans for a busy year were laid by Chamber of Commerce directors in their first business session of the new year Tuesday afternoon.

Orville Brummett, president, had charge of the business meeting when directors voted against hiring a new Chamber Manager to fill the vacancy left when Lloyd Gilley resigned to accept a similar post at Kermit, Tex.

Actually, the Chamber has been operating under such financial difficulty that the board unanimously agreed "it is ridiculous to think of hiring a new manager until our finances are in better shape."

The Chamber had \$53.11 cash in the bank as of January 12, 1969. On January 17, the Chamber had \$150.00 bank balance.

Brummett said in a recent letter mailed to all Chamber members, "our hands are tied and we cannot carry out our projects due to lack of funds."

At the annual banquet this year members voted unanimously to re-evaluate dues and the board approved a blanket increase of 25% for all business members and 15% to all individual members.

"With this help," the president said, "we can give the Chamber the punch it needs to carry out a program of development."

Other business on the agenda at the Tuesday meeting, included the major problem of local housing. A tight rental property situation here is seen as seriously affecting industrial growth. As a first-step in alleviating the problem, directors called for Mr. Les Reeder, FIA official from Lubbock, to meet with the group.

Reeder discussed the housing problem and gave several suggestions which the Chamber board intends to pursue further. The FIA official indicated that "tight money" had all but halted building in many areas. "There just isn't any place to put the expected population increase for the city of Spearman", he said.

In discussing the trend of new home buyers and renters, Reeder said they all wanted three bed-room, double garage homes. Many such type residences are currently needed in Spearman and many more will be later on when the three proposed cattle feed lots and packing plants begin full scale operations.

Brummett named his Chamber committees as follows: Education, James Cunningham; Budget & Finance, Jack Oakes; Civic Improvement, J. L. Brock; Industrial, Bob Skinner, D. E. Hackley and Kenneth Evans; Retail Merchants, Bob English; Membership, Bill Turner; Publicity, Mary Lou Wysong; Agriculture, Troy Sloan. Members of the highway committees will be named later. Talent show committee includes Everett Tracy, Coy Palmer and Orville Brummett.

In closing, Chamber President Brummett said, "The time for action is upon us. The answer rests with all of us. Are we to continue to grow, to bring in new industries, to improve our streets and highways and bring new people into our community? Or shall we all sit back contented to rest upon past laurels? The answer rests with you."

Lynxettes Take Dist. Lead With 73-30 Win At Panhandle

Spearman's "state bound" Lynxettes demolished their first District victim at Panhandle Tuesday night, in convincing fashion. The Lynxettes literally "blew" the Pantherettes out of the District race, with an easy 73-30 win. Marsha Shieldknight scored 33 points to lead the Lynxettes in scoring, with Patterson hitting 18 points, Shufeldt 14, Greene 3, Smith 3, and Rosenbaut 2. But, the entire credit for the win goes to the fine guards. Panhandle made only 17 points the first half, and 3 points in the third quarter. Coach Weese tried to keep the score down, but even with mass substitution, the score was 73-30.

Spearman's Jynxing Lynx "came back" Tuesday night, and it wasn't for "Bryl Creem"! They said they would rather "fight than switch" and they jumped on the victory trail with an unbelievable 80-49 win over the hapless Panthers! The game was even more one-sided than the score indicated, and it put the Lynx back in the district race, just behind the Phillips Black-hawks. And, the Lynx say when you are in second place, you try harder.

The boys jumped into a 30-9 lead, and didn't ever cool off. Bones Simpson called on his reserves to hold the game down, but even they burned up the nets. This is the most improved team in the state, and when they play Phillips in Spearman, February 4th, you can expect the district race to be all tied-up!

Fans are urged to attend the game at Spearman Friday night, and watch these two fine teams in action! They meet Stinnett.

Mr. and Mrs. Troy Sloan and Pat and Mr. G. W. Robinson and Jana attended the rodeo in Amarillo Sunday.

Basketball Report

B-TEAM 30, TEXHOMA 43
Despite outstanding play by the Spearman B Team, the Texhoma B Team upset the Lynx Bees, 43-30, at Lynx gym Saturday night. Schroder paced the B team with 9 points, followed by Staggs with 8, and Lair, Salinas, and Hicks hit 4 each. Shieldknight netted 1.

This was a crowd pleaser, as many of the B team boys got to play their first full game of the year!

9TH GRADES LOSE TO BLACKHAWKS

The Phillips Black-hawks had their hands full Saturday, in defeating the fine Lynx 9th grade, 49-45. Grayson paced the losers with 17, followed by Wilkerson with 10, Driscoll 11, Vanderburg 3, Upchurch and Fryer with 1 point each. This fine 9th grade team almost pulled the game out.

Players on the 9th grade, include: Grayson, Wilkerson, Vanderburg, Upchurch, Fryer, DeArmond, Driscoll, Brock, Cook, Locke and Brown.

8TH GRADERS BLAST HAWKS

About the only team in the county that can handle the Phillips Blackhawks, pisted the 8th grade Hawks 34-12 in a game at Spearman Saturday. Schell burned the backboards with 12 points to lead the 8th graders, followed by Hornsby with 6, Beedy, Davis, Lair and Latham all hit 4, to round out the scoring. The 8th grade squad includes Schell, Beedy, Hornsby, Davis, Floyd, Wooley, Lair, Latham, Jones, Porter, Helms, Kelp and Linn. Be sure and watch these 8th graders in action at the Jr. Tourney in Spearman this weekend!

LYNXETTES 75 TEXHOMA 28

Five Spearman girls scored in the double figures against Texhoma Saturday night, as the Lynxettes won the game 75-28. Shieldknight hit 24 points, Shufeldt 14, and three new girls broke into the double figures! Anita Smith hit 14, Patterson 13 and Greene 10! Needless to say, Coach Weese also had praise for his fine guards, who stopped the Texhoma forwards. The girls will meet the Stinnett girls at home this Friday night!

A-TEAM DROPS DIST. OPENER

Spearman's Jynxing Lynx lost their first District game at Phillips Friday night, 54-43. The Lynx just couldn't handle the Hawks, and although they were tied-up 27-27 at halftime, the last half proved to be all Phillips. Mike Davis scored 18, Shaver 12, Schell and Hutchison both had 8 points, Vanderburg 6, and Mosier 2.

LUSBY LEADS B-TEAM

Lusby lead the Lynx B team in scoring at Phillips last weekend; Lusby scored 11 points, Weston 10, Harper 7, Lyon 5, and Paul 2. The B teamers lost to Phillips B, 66-38.

IMPROVEMENTS SHOWN IN HOSPITAL REPORT

The annual dinner and business meeting for the Medical Staff, Administrator and Board of Directors for Hansford Hospital was held January 14. Hansford County commissioners were also present.

Art Evans, president of the board of directors, called the meeting to order and asked Mrs. Eloise Renner, Supt. of Nursing, to give her report on the nursing staff. Mrs. Renner stated there had been a great improvement in the staff the past year. She reported that all seven student nurses had passed their state board and were currently employed at the hospital. Mrs. Renner, who took a two-week course on coronary care this past summer, said she benefited greatly from the course and passed her education to the nursing class here upon her return.

Dr. Damon Gregg, who reported on the medical staff, noted the progress made in heart equipment and said there had been a great improvement in the nursing staff. In naming the many improvements of the hospital plant, but said there were other things badly needed still; such as extended patient care facilities which would require a building program; a new x-ray machine with image intensifier; larger emergency room facilities.

Gregg recommended the present medical staff be reappointed. The board accepted the recommendation and named Dr. Gregg, Dr. R. L. Kleeburger and Dr. Earl Novak, D. D. S., to the staff.

In his report to the board, Mr. S. M. Anderson, Administrator, reported the hospital was operating at capacity and that he did not anticipate any financial difficulties.

In his report of hospital improvements, Anderson named the following: nursing station, a new drug room for more efficiency, new telephone system, storage areas, new office for Supt. of Nurses, new doctor's lounge and conference room, plus about \$8,000 worth of new heart equipment and a closed circuit television equipment for patients in the intensive care room. Anderson said that only \$2,500 is owing on this equipment, and reported the former doctor's lounge was at present being renovated for a nurses lounge.

Anderson said the past year Hansford Hospital had 4,762 patient days, 13 patients average, a drop of 397 patient days from 1967. There were 75 births, 106 surgeries during 1968. He reported \$249,345.93 total business for 1968, a decrease of \$19,000 from 1967.

Anderson was asked to present the annual report of the fiscal year and proposed budget for the ensuing year, whereupon the following was presented, and adopted by the County Commissioners:

Income: As of Oct. 1, 1968 showed a fund balance in the bank totaling \$6,314.53; ad valorem taxes for 1969 \$9,400.00; collections of patient charges, 1969, \$254,500.00; collection of hot checks \$1,000.00 for a total of \$271,214.53.

Disbursements: Salaries \$133,000.00; WTSS & Ins. \$34,000; Drugs \$14,000; Supplies \$9,000; Laundry \$7,000; Maintenance \$2,500; Groceries \$12,000; Repairs \$3,500; Misc. \$5,000; Oxygen \$2,000; Office supplies \$3,000; Utilities \$12,000; Laboratory \$7,000; X-Ray \$7,000; Refunds \$3,500; hot checks \$800.00;

Equipment \$4,000; Bonuses \$600.; Audit \$1,000 for a total of \$280,900.00.

The following hospital directors were appointed to another 2 year term: Everett Vanderburg, Roy Thomas, Charles Reid, Howard Barkley. Hold-over directors with another year to serve include Marcus Larson and Art Evans.

The Board of Directors and Commissioners were very complimentary of the nursing staff and instructed Mr. Anderson to write a letter that could be of public record so the people of Hansford County would know of the outstanding job the nursing staff of Hansford Hospital is doing.

GAIL HOPPER

MARTY JONES

Outstanding Students

Marty Jones and Gail Hopper have been selected as outstanding students of the month according to announcements made this week by the Spearman Study Club. Miss Hopper, senior, daughter of Mr. and Mrs. Bill Hopper, plans to attend a Fashion Merchandising College. A member of Future

Teachers of America and Future Homemakers of America, Gail enjoys music. She has been a member of the SHS band and School Choir for 2 years. She is a member of the Primitive Baptist Church in Borger. Marty Jones, son of Mr. and Mrs. Marvin Jones, is a very active speech student.

He went to Regional two years as Persuasive speaker and to State contests last year as debator. Last summer he attended a special debate seminar at Northern Michigan University. Marty is photographer for the school paper and assists with annual pictures. A trombone player in the SHS

band the past 4 years, he is currently president of the band and has just been named Band King. A member of the First Baptist Church, Jones plans to attend the University of Houston as a pre-law student.

Texas Politics
by Rep. Malouf Abraham

I hope you like the new title to my report which I hope to make to you each week on the goings on down here in Austin.

This first week was dampened by the sudden death of Dave Howard, a representative from Uvalde. Starting off a new session is sorta like going back to college again. You see all the old members that you know so well and then there is always the crop of new members. There are only 33 new members this time and usually there's 50 or more. It's amazing how close you get to know the other members. You are sorta cooped up together and make a lot of lasting friendships. You are

even glad to see some of the fellows you're not too crazy about.

By the time you read this the inauguration will be all over and we will be started off under the new regime. Certainly this will be a most important hard session. We are going to have to come up with around \$200 million or so new revenue. . . . Ouch! One of the main topics of conversation is the Governors Committee report on Education. There's all kinds of opposition to the consolidation part of it and I feel confident it will not go over.

Governor Connally gave us his farewell speech that was very well received. He has made Texas a very fine

Governor and his wife is certainly an asset as she is a very gracious person. Everybody is being nice to everybody else and the honeymoon period is in bloom.

We expect our Committee assignments in the next week or so and am looking forward to them. It takes a few weeks to get everything untracked around here which is a good idea or else there would sure be a lot of people get run over. Hope to see some of you down this way.

Mr. and Mrs. Raymond Kirk and Mr. and Mrs. Medlin Patterson were in Amarillo Sunday to attend the rodeo. They returned home through Borger and joined Mr. and Mrs. Herman Lemons of Panhandle for supper in the Borger Hotel.

TEACHERS SORORITY OBSERVES SIXTH ANNIVERSARY YEAR

Eta Alpha Chapter of Delta Kappa Gamma met in the Junior High Cafeteria in Spearman for a birthday luncheon in observance of the sixth birthday of the chapter. Twenty-six members were present.

After a singing grace, the cafeteria staff served a delicious meal. The tables were colorfully decorated with the colors and emblems of the society, by hostesses, Thelma Vaughn, Wilma Clark, Helen Yeary and Minnie Weaver.

Following the main course, Pat Eastup, Martha McLain and Juanita Pierce gave the history of the chapter and read the list of charter members transferring from Gamma Theta Chapter in Borger. The list included the names of Thelma Vaughn, Nikki Cotter, Nellie Clark and Lucy Mundy of Spearman and Helen Yeary of Waka. A beautiful birthday cake was presented to the club

and cut and served for dessert. Rose Stenson then introduced her good friend, Evalyn Laney, vice-president of Alpha State and the speaker of the day. Her address was an effective treatment of the topic, "Commitment in the Teaching Profession".

The group then sang the Delta Kappa Gamma song and convened for a brief business meeting presided over by the president, Flora Champion. The meeting concerned nomination of state officers and a few announcements.

The next meeting will be in the Homemaking Department of Perryton High School at 2:00 p. m., February 15.

Mrs. W. C. Ballard is home from the hospital, but will return again soon for more tests.

Helpful Hints From Me To Thee

By Vivian Warminski
Hansford Co. Home Demonstration Agent

THOUGHT FOR VALENTINE DAY

All the pretty Valentine things around serve as a reminder of how truly romantic men are. A man has to have a sweetheart. His girl, his wife, his mother, his daughter--some woman has simply got to fill that role in his life. Naturally, your own guy wants to be able to think of you as his Valentine. And it's wrong of you to let him down.

It's that dainty look, that nice clean fragrance, that spells femininity to any man. And the basis of it, of course, is simply soap-and-water. He may not realize it. All he cares about is how nice your complexion is to look at, how fragrant your hair smells, how soft and smooth your hands are, how fresh your clothes always look. Don't expect him to figure out the ways and means.

Wise women in the world know that you can't suddenly look like somebody's Valentine. You have to work at it 365 days a year! You can't spare the suds without spoiling your complexion. You can't have shining hair unless you shampoo it regularly. You can't have that over-all daintiness without a daily bath and clean clothes. Take a good look at yourself this Valentine's Day--and start working toward a prettier you next year.

WHAT'S NEW... A group of pint-size coveralls for crib and kindergarten quarterbacks--officially approved by the NFL and the AFL--comes in individual team colors of all big league entries and are complete with authentic chest emblems. Since these touchdown toggs-plus similar sets and separates--are stretchy knits, they are safely washable time after time.

Here's a bright new idea for bedroom beauty--a luxuriously fringed cotton bedspread with matching throw rugs! All cotton for safe washability, the ensemble comes in several sophisticated color combinations--with the spread available in twin or full size, and the rug a handy size for washer and dryer.

A heating pad, to give relief to sinus, arthritis, bursitis, neuritis sufferers, comes with two removable washable covers, plus a night-light switch. The washable cover makes it practical for continued sick room use. The pad measures a convenient 14 1/2" by 6" and is good for adults and children.

No more garters! Now special rubber leg bands are being attached to girdles, to hold up stockings and panty-hose more sleekly. They will keep their elasticity through many washings, come in several widths.

Ever had your daughter's hair ribbons ravel at the ends after washing. A new line of ribbons, bows and such trims are made with fray-proof ribbon--no wash-day woes, no matter how energetically they swirl through suds.

A 2-pound coffee tin with plastic lid makes a fine tom-tom for small children. After washing in hot soap or detergent suds and drying carefully, wrap

the can with colorful self-adhesive plastic. Put on the plastic top and let the youngsters go on a "bongo" spree.

Two washday reminders when using an oxygen bleach: 1. This all-fabric type bleach is most effective when used in warm or hot water, and 2., in general, it maintains rather than restores whiteness.

Did you know that material won't fringe or ravel during cutting if you pin the pattern firmly to the fabric and trace around the edges with soap?

To keep a flat mattress pad from slipping and riding, stitch it to an old contour sheet. When it comes to laundering, there will still be just a single item to handle.

Leading educators recommend introducing children to books very early in life. When selecting them for babies and tots, be sure that such useful "toys" are washable. Sturdily-made cloth books may be machine washed with a gentle cycle, or may be dipped in a dishpan of soap or detergent suds. The plastic-impregnated varieties are easy to wipe clean with a sudsy sponge.

Dieters

Club Meeting

Friendship Dieters met Friday evening January 17 in the City Hall and weighed in.

Attendance is rather low just now and absent members are urged to attend the meetings.

Anyone wishing to lose weight the fun way may join the club each Friday evening in City Hall for weighing in and "other entertainment."

Texas Is Looking For A Hero

Texas is looking for a rural hero!

This person will receive the Texas Farm and Ranch Safety Council's Rural Heroism Award during the Texas Safety Association meeting, March

31 in Houston. The award is presented annually to a deserving person, living in a rural community of 2,500 or less, who has risked personal life or injury in performing a heroic act.

While it specifically honors one individual for exceptional bravery at a time of crisis or disaster, the safety program points up this highly important objective: the continuing need for improved safety conditions in our rural areas--at work, at home and at play.

The award may go to a person credited with pulling another from a flaming building, saving a drowning person or any other such feat of heroism. Anyone knowing of the performance of such an act during the past twelve months is urged to submit a nomination for this important award.

Nominations should include a narrative of the heroic incident, giving complete details. It should include the names of all persons involved, and should be accompanied by clippings and pictures if they are available. The award recipient will be chosen by a panel of judges, based on the material submitted by the nominee.

Deadline for entries is March 1. They should be mailed: Rural Heroism Awards Committee, Texas Farm and Ranch Safety Council, P.O. Box 489, Waco, Texas 76703.

Urban Youth Like 4-H

COLLEGE STATION, Jan. 16--4-H is no longer an organization strictly for farm youth, according to Tom Davison, assistant state 4-H leader at Texas A&M University.

Davison says that only 34 percent of the state's 4-H members live on a farm. Thirty percent of the members are rural non-farm, and the other approximately 36 percent have urban addresses.

4-H was originally a program to assist farm youth who were not receiving an adequate education in agriculture and homemaking skills. Then, as families migrated to urban areas, the 4-H program went with them.

4-H moved to town in the memories of parents who wanted their children to have the same experience they had as 4-H members on the farm, Davison said.

There are 2,493 4-H Clubs in Texas, with 83,167 members between the ages of 8 to 19. Adult leaders number 13,410, and junior leaders total 5,614.

LADY WANTS POLICE BRUTALITY

"One of the most common phrases heard in our society and our city today is 'police brutality.' Perhaps I don't understand the meaning, but I would like to give you one mother's viewpoint on this subject.

"To begin with, I should first tell you that I have two teenage sons, and being a mother, I cannot help but want the very best of everything for them. I am a 'typical mother' in that I don't want to see them hurt by anyone. I am not a typical mother, for I see things many mothers never hear of much less become involved in, because my husband is a minister and we see the very best and the sordid worst.

"I would like for you to be brutal with my sons. Is that a surprise?"
"If you find them speeding in a car, please be brutal. I have sat at a hospital holding a grieving mother's hand because of someone's mistake. That was brutal. I have gone with my husband to tell a wife her husband was killed. That was brutal. I have helped nurse a beautiful teenage girl crippled in a wreck. That was brutal. I have played organ music at funeral services for babies, teenagers and adults because someone drove too fast. That was brutal.

"If you should catch my underage sons with liquor in their possession, please be brutal."
"I have sat all night by my husband's side trying to help piece together two underage young men's lives, both broken by drinking. That was brutal. I have listened to the horrors experienced by another man while he was drunk and heard him recall the many jails he had served time in for this. That was brutal. I have helped feed hungry children because a drunken father didn't come home. That was brutal. I have tried to console a mother whose daughter was killed after being struck by a drunken driver. That was brutal.

"If you should find my sons with drugs in their possession, please be brutal!"
"I have tried to help rehabilitate a woman just out of prison for shooting her husband while she was drugged. That was brutal. I have seen a handsome young man turn into an old ugly one because of drugs. That was brutal. I have seen a young mother who was addicted to a drug, scream and rave for lack of a 'fix.' That was brutal.

"If you find my sons committing any kind of immoral act, or carrying any pornographic materials, please be brutal! I have listened to the sad cry of a young girl who was pregnant but not married. That was brutal. I have been present when a boy and girl broke the news to their parents that they had to marry. That was brutal. I have tried to comfort a mother whose beautiful daughter was criminally raped. That was brutal. I have seen a promising young man with a brilliant future have to give it up, and too young to assume the responsibilities of a wife and baby. That was brutal.

"If you ever see my sons taking something that isn't theirs or willfully destroying property, please be brutal! I have walked into a hushed, sacred church that was stripped of everything that could be sold. That was brutal. I have seen a lovely, expensive home and yard completely torn up by vandals. That was brutal. I have seen a school and its marvelous equipment torn apart by other vandals. That was brutal. I have wiped a little boy's tears and helped him hunt for his stolen bicycle. That was brutal.

"If you should ever catch my sons doing anything illegal, please be brutal! I have come to realize that your kind of 'brutality' cannot in any way compare with the brutality that comes from breaking our laws.

"My husband and I have tried to teach our sons that their rights end where someone else's begin. We believe that they have learned this lesson; but in case they forget, we look to you and others who influence their lives--teachers, coaches, etc. to see that they remember.

"And if you must be brutal to remind them-then please, please be brutal!"
"I do not want my two sons to grow into two grownup boys. I want them to become men, able to assume their places in this world and make a good contribution to it. I sincerely hope they won't need your help, but if they do, and if you must, please be brutal!"

**MRS GLENN PAUL BLODGETT
nee Karen Wright**

Double ring vows were pledged by Miss Karen Sue Wright of Gruver and Glenn Paul Blodgett of Spearman at 3 P. M. Sunday, January 19, in the Gruver Methodist Church.

Officiating was the pastor, the Rev. L. C. Spurrler. The bride is the daughter of Mr. and Mrs. Elvin

Wright of Gruver. The bridegroom is the son of Mr. and Mrs. C. Ralph Blodgett of Spearman.

Mrs. Fred Meyer was organist for the processional and recessional, traditional wedding marches, and accompanied Frances Butts who sang "Till" prior to the ceremony and "Wedding Prayer" during the exchange of vows.

Providing a setting for the wedding service was one large fan of white mums behind the altar, flanked on either side by swirling candelabras, palms and large fans interwoven with white tapers and greenery. White bows and greenery on each pew completed the church decorations.

Given in marriage by her father, the bride wore a formal gown of Candlelight imported silk Alpaca and re-embroidered Alencon lace on English net. Of A-line design the simple skimmer was unadorned except for lace appliques which enhanced the fitted bodice. Her court train fell from the

back shoulder line and cascaded to a full chapel train. Her coat of Alencon lace was centered with a cluster of lace flowers and attached to a bouffant full cathedral veil of imported English silk illusion. Appliques of matching lace traced a pattern on the long tier. She carried a cascade of white orchids and stephanotis.

Attendants of the bride were Beth Kathermann, Lubbock; Mrs. Kenneth Bratton, Gruver; Mrs. Ronnie Wright, Amarillo; Mrs. Lynn Stedje, Goodwell; Mrs. Steve Butts, Tucson, Ariz.; bridesmaids. The Maid of Honor was Deanna Cluck of Austin.

They wore floor length gowns of peacock blue chiffon designed with sheath skirts, empire bodices and three-quarter sleeves enhanced by pleated victorian flares. They wore matching velvet flower clusters with bouffant nose veils and carried cascade bouquets of white and blue roses.

Best man was Jerry Big-ham, Lubbock. Groomsmen were James Schnell, Spearman; Phillip Renner, Spearman; Bill DeArmond, Spearman; Wayne Sizelove, Stillwater, Okla.; Jerry Felder, Spearman.

Ringbearer was Tab Beck. Flower girl was Micoa Shapley. Serving as candle-lighters were Marilyn Blodgett, sister of the groom, and Judy Bennett of Goodwell, Okla.

For her daughter's wedding, Mrs. Wright chose a peacock blue coat and dress ensemble of slub silk with a matching hat. She wore white shoes and gloves. Mrs. Blodgett was dressed in a navy blue silk and wool A-line dress featuring long fitted sleeves. Navy accessories and a strand of pearls completed her ensemble.

Ushers at the wedding included Ronnie Wright, Amarillo; Jerry Holton, Spearman; Dan Falston, Lubbock; Dan Herald, Stillwater, Okla.

Guests were greeted at a reception in the church fellowship hall where the bride's table was covered with a white velvet floor length cloth. The table was centered with a five-tiered cake decorated with sprays of orchids, roses and apple blossoms and surrounded with puffs of peacock blue tulle. Atop the confection was a white vase holding roses and lilly-of-the-valley.

Silver candelabra bearing white tapers, and other silver appointments completed the table decor. Servers included Mrs. Rex Shapley, Mrs. Tony Shapley, Mrs. Jerry Felder and Mrs. Mike Stedje. Mrs. Arnold Beck registered guests.

When the couple left for a wedding trip to Fort Worth, the bride was traveling in a grey knit dress and matching cape. She chose red patent accessories and wore an orchid corsage lifted from her wedding bouquet.

The couple will be at home in the Casa Mia Apartments in Stillwater, Oklahoma following their honeymoon. Both are sophomore students at Oklahoma State University.

The bride attended Texas Tech her first year and enrolled at Panhandle State College for the fall semester. The bridegroom attended Texas Tech his freshman year before entering Oklahoma State University where he pledged Alpha Gamma Rho fraternity.

Out-of-town wedding guests included: Bert Smith, Steve Morris, Zane Mulberry, Bill Elliott, Dennie Cates, Larry Heidebrecht, Mark Miller, R. A. Devore, Don Kirby, Jack Stuteville, A. L. Hutson, Clint Roush, Mike Frichensmidt, Ron Davis, Rod Gungoll, Lynn Reinschmidt, Mike Wright, Warren Stucker, Russell To-feattiller, John McElroy, Mr. and Mrs. Robert Lisle, Linda Snell, all of Stillwater, Okla.; Mrs. Dennis Stedje, Neil Smith, Penny McVey, Mar-jorie Forbes, Morna Clyman, Jane Thomas from Goodwell, Okla.; Mr. Rolla Shaller, Mrs. Frank Shaller, Mrs. Troy Newton, Mrs. Fleda Studer, Miss Lola Studer, from Canadian; Mr. and Mrs. Richard Parchman, Larry Parchman from Ropesville; Mrs. Kathleen Conrade, Mr. and Mrs. Julian Schaub, from Guymon; Mr. and Mrs. R. Let Me See ... by Sybil

What with all this warm, sunny weather and all the college students home between semesters, it seems like it should be summer time. This type of weather I hate. I wish it would be winter time and summer time in its proper place, and season. Since December we haven't burned too much wood and if Ralph Blodgett doesn't get us some more delivered

If you enjoy shopping where you see something new and different every time you enter the store, you'll surely enjoy every visit to the Gift Box.

Some of the things I noticed on my visit today included Baby Albums and Childrens Silverplate by Wm. Rogers and son.

A display of Stotter glasses was quite attractive. These are glasses that can be washed in your automatic dishwasher. They retain heat or cold for long periods of time. These glasses look and feel like fine frosted glass. They won't sweat so you can eliminate the use of coasters.

By the way, take time to see the tremendous stock of personal greeting cards for every occasion.

The Gift Box

soon, we may not ever need it again. However, Weldon Greene, who doesn't claim to be a weather prophet, does say we can expect some winter weather in February and March.

SOME OF the college students are having to cram while home during semester break. Noticed one co-ed at the beauty shop last week with her nose buried deep in ROSEMARY'S BABY. She commented that this book along with LADY CHATTERLEY'S LOVER was required reading for her English Lit. class. Some of the women who heard her make this remark were astonished, I was for one. Holly Riley was for another. Holly said she had heard so much about the LADY C. book she decided to read it. She said she would read awhile, get up and take a good hot bath, come back and read some more, and end up taking another hot bath. Earl, who couldn't imagine what she was trying to wash off, finally made her throw the book away. You've heard of a picture show "leaving a bad taste in your mouth", well these two books are typical I'd say.

I've got something else to say along this line, but before I get to this, I want to say we were surely sorry to see Barton Riley and family move away. They moved last week over close to Bushland on a 24-section ranch recently purchased by Earl and Holly Riley, their son Barton, and their daughter Ann Smith and husband of Amarillo. They say it is a beautiful spread, with three very nice homes on it. Bart took the larger home for his, Ann and husband chose the cabin-type cottage which has a fire place... which leaves Mamma & Pop only ONE choice... but Holly says it's the prettiest one of all. Now all she and Earl have to do is decide which window to knock out in order to build a fire place! It's sorta a toss up between the Rileys and the Millers as to who burns the most wood during cold weather. Reminds me of the TV commercials about oil wells. I would change it to

read, "if you don't have a fire place--get one."

BACK TO THE BOOKS---we hear a lot nowadays about the filthy books and movies which are topping the best seller--and seer--lists. It all boils down to the fact that if the general public is truly tired of all this sex, sadism and violence, they better start buying--and seeing--the good books and clean, family-type movies. Money still talks loudest, and is the primary guideline for Hollywood producers and publishers of books.

I noted with interest a run-down on movies in the Oklahoma City newspaper for the past year. It was surprising to learn that those upsets in the box office strategy included some of that vanishing breed--good family movies. Of the top 20 money makers in Okla. City in 1968, 12 had more than their share of SS&V. 55,000 fans in that city made movie houses \$90,000 by seeing "The Odd Couple", a comedy--third highest money maker. "The Graduate", a low-budget film conceived in haste and executed in confusion, was top money-maker. It put almost \$160,000 in the till of one Okla. City movie house and played to 113,000 fans who lined up for blocks to buy tickets during a run which lasted 35 weeks. Second money maker in the City was "Valley of the Dolls" which made sponsors almost \$100,000 and played to over 54,000 fans. It ran 13 weeks. Then there was another of the SS&V genre, "Rosemary's Baby" that took fifth place with \$72,000. Proof enough of what American audiences like best??? Evidently!

Those fans who want family movies, want the kids to experience some wholesome and entertaining Hollywood work, can best encourage Hollywood's interest by attending when the "clean" films arrive. And if you think movie houses are going to refuse tickets to ANYONE, regardless of age, you can think again. For films labeled "mature audience only" are the ones which seem to draw the big crowds. The only

question asked of 14 and 15 year olds by theatre personnel is "how many tickets please?"

AFTER attending open-house at the Perryton Herald office Sunday, it surely is difficult to come back to work at the Reporter. The Herald has moved into a new offset newspaper plant and offices and it is truly a most beautiful place. Panelled walls, carpeted floors, plenty of working space. Harold Hudson held open house Sunday for area friends and publishers, and a good crowd attended. I think if I had a place that beautiful in which to live and work, I'd simply set up housekeeping quarters and make it a home. Congratulations to the Herald owners & staff.

Mrs. David L. Stinson (Mac Richards) of Mt. Vernon is here visiting with her sister, Mrs. J. B. Cooke.

ONLY YEAR IS DIFFERENT --- Wynne Payne celebrated her 11th year as a beautician on January 22 and the day was much the same as it was in 1958. The day was Wednesday, her first appointment was Mrs. Louis Schnell. Such was the case this Wednesday, 11 years later. The only exception was the condition of Barbara's hair. Eleven years ago she came to Wynne asking help for a "too curly permanent". Wynne cut her long frizzy hair and she hasn't had a permanent since. Mrs. Schnell has been a constant customer at Wynne's Beauty Salon, 211 N. Endicott.
