Town Hall Meeting Tonight, 7:30

Warren Jenkins, Lipcom County, has called a meeting of governmental officials and interested citizens in the county area composed of Hemphill, Hansford, Harrison, Roberts and Lipcom, to discuss the formation of committees to work in the areas of transportation, natural resources, recreation and open space, and environmental conditions.

Jenkins, Planning and Service Area 2 representative to the Panhandle Regional Planning Commission, is requesting participation in order to have an input into the region's plan. The meeting will be held in the Hansford County Courthouse in Spearman tonight, February 18 at 7:30 p. m.

D. E. Hackley, chairman of the P. R. P. C., said this will be a "Town Hall" type meeting of interest to everyone.

Committees will be named to work in the areas of transportation (roads, truck lines, etc.); natural resources, dealing mostly with water; recreation of open space (development of parks, etc.) and environmental conditions which deal with all types of pollution, water, solid waste, etc.

The general public is urged to attend this meeting tonight 7:30 p. m.

SPORTS BULLETIN:
Spearman will meet Coahoma, in their first game of the regional tournament at Lubbock, Friday, at 1:00 p. m. If the Lynxettes win their first game, they will play in the finals Friday night at 8:00 or 8:45 p. m. Fans remember that this is a Friday tournament.

PLAY BALL, AND THAT is what the Lynxettes did at the Amarillo Civic Center, Monday night. The Lynxettes defeated Shamrock 57-37. All 12 players are shown above, at the start of the game.

LYNXETTES HEAD FOR REGIONAL, AFTER 57-35 WIN OVER IRISH!

The Spearman Lynxettes played one of their best bi-district games in history Monday night in the Amarillo Civic Center as they easily defeated a good Shamrock Irish team, 57-37. Sheila Patterson made only 19 points but it was one of her "bad" nights, if you can call a 19 point performance bad. Even though the Lynxettes used everyone but the "trainers" Monday night, they still had a commanding lead all of the evening as senior Anita Smith started scoring and senior Dalynn Brummett added the biggest thrill of the evening with a 50 ft. shot. With only 2 seconds left in the third quarter, the ball was tossed in to Brummett and the senior forward set a coliseum record with a 50 ft. 2 second shot that was good for 2 points.

Citizens Urged To Donate

It's "Life Saving" time in Hansford County again. Every healthy Hansford County citizen aged 18 through 60 has within his body an ample supply of that substance which can save a life.

If you are within this age group you have 12 pints of blood pumping through your veins. Won't you give a pint at the annual Red Cross Bloodmobile which will be at the Lutheran Church on Wednesday February 24 from 9 a. m. until 2: 15 p. m. ?

Giving a pint of blood will not weaken you at all and in less than 48 hours you will still have 12 pints of blood!

This blood program is a service established through joint efforts of the Red Cross, the Hansford County medical profession, Hansford County Hospital, and the people they serve.

The Red Cross bloodmobile serves as a collecting agent for whole blood and blood products to meet all blood needs for donors and their families whenever they might be hospitalized in Hansford Hospital... or any other hospital.

Donors benefit by knowing their own and their families' blood needs will be met and by deriving satisfaction through giving of themselves to help others.

HUMAN BLOOD CANNOT BE MANUFACTURED---it must be given!

In order for Hansford County to stay in this Red Cross blood program, it must furnish a certain amount of blood at each scheduled drawing. On February 24, this quota is 146 pints.

Local physicians benefit from this program by knowing that a safe, dependable supply of blood is available for treating their patients.

Hansford Hospital benefits by having a dependable source of safe blood available and access to the referral services offered by Red Cross blood centers.

Everyone is urged to donate a pint of blood Feb. 24. If you are a working person and need to hurriedly get back to your business, call for an appointment by dialing 659-2819 (Mrs. L. L. Anthony) or 659-3107, (Mrs. Bud King.)

Won't you give an hour of your time and a unit of your blood to provide a Lifetime for someone else? Your help is wanted, and needed.

GIVE LIFE---GIVE BLOOD.

Spearman hit in the double figures. But, the key to the game was the ability of the Spearman forwards playing defense. The Shamrock girls could not get the ball across the center line, consequently, they just didn't have the opportunity to score as much as the Lynxettes did. The Lynxettes did have some "play-off" jitters, and the civic center with some 3,000 fans on hand to watch the game did give them some valuable play-off experience.

Spearman had a real problem in the fouling department. Sheila Patterson, picked up three fouls in the first half, and this is very unusual for the pretty forward. She had her fourth foul called on her in the third quarter, but managed to stay in the game despite having four fouls. Spearman fouled 22 times, with Shamrock only fouling 11

times.

And the Spearman guards did a fine job allowing Shamrock only 9 points per quarter, which is real good against a district championship team.

Scoring for Spearman were Smith 16, Patterson 19, Shieldknight 15, Schnell 5, Brummett 2 with guards Daniel, Schnell, Hohertz, Ricketts, Jones, Beck and Evans. Spearman had 25 field goals and 7 free throws for their 57 points. Shamrock had 13 field goals and 11 free throws for their 37 points. Spearman led at one time by 23 points, 53-30, when Anita Smith laid up a 2 pointer for a 53-30 difference.

Spearman schools (all of them) will be dismissed this Friday for the regional tournament at Lubbock. The date of the tournament has been changed from Saturday to Friday so that the girls can

One-Car Crash Kills Tool Company Dealer

DRIVER KILLED—A Borger man, B. H. Borum, was killed when his vehicle overturned southwest of Perryton about 8:45 a. m. Monday and threw the driver from the vehicle. First officers to the scene were from the Hansford county sheriff's department, deputies Tommy Messer, left, and Lee Phillips. Borum was a tool company dealer, with tools and papers scattered over the accident site.

A tool company dealer from Borger was killed near Spearman about 8:45 a. m. Monday when he was thrown from his out-of-control vehicle on FM 759, southwest of town.

Killed in the one-vehicle crash on the Spearman cut-off road, 12 miles east of Spearman and 24 miles southwest of Perryton was Bernard Hammond Borum, 52.

Borum was a dealer for Snap-on Tools, and called on mechanics throughout this section of the Texas Panhandle.

He was driving his 1967 Ford Econo-line van east on the farm road when he lost control on a curve, veered to the right side of the road, clipping a reflector pole, and then overturned back on the road.

The vehicle came to rest on its right side in the eastbound traffic lane, after apparently overturning two times, with its top back toward the west.

Borum was thrown from the vehicle, laying on the highway a few feet east of the overturned vehicle.

Brought to the scene by Howard Stone, Ochiltree county deputy sheriff, Justice of the Peace Hardy Hulsey, Perryton, pronounced Borum dead at the scene of the crash.

Borum's body was then taken by Perryton Boxwell Brothers coach to the Boxwell funeral home in Spearman, with funeral arrangements to be announced later.

Investigating officers said that a Spearman woman, Kay Hamilton, had been following the Borum vehicle for some distance, reporting some weaving of the vehicle.

She told officers that he straightened up just before entering the curve and was travelling at a relatively low rate of speed—40 to 50 miles per hour.

On the curve, however, the driver apparently lost control of the vehicle again and was unable to regain control to prevent an accident.

In the absence of other evidence, officers theorized that the driver may have become sleepy, causing the roadway weaving preceding the accident.

A Northern Natural Gas employee came upon the scene shortly after the accident, notified his Spearman office by two-way radio, and officers were dispatched from Spearman.

Important Meeting For County Farmers

County Agent Robert Adamson announced this week an upcoming grain sorghum & corn production meeting of interest to all Hansford County farmers.

The meeting has been set for 2 p. m. on Thursday, Feb. 25 at the Home Demonstration clubroom, 309 Bernice St., Spearman.

The following Extension Specialists will be on hand to discuss these items:

James Valentine, Area Soil Chemist-Soil Fertility.
Bill Clymer, Area Entomologist-Insects.
Robert Berry, Area Plant Pathologist-Diseases.
Frank Petr, Area Agronomist-Cultural practices, planting rate and date.

Allen Wiese, Agronomist, Bushland experiment station to discuss weed control.

Adamson said this would be a great opportunity for farmers to receive needed information concerning grain sorghum and corn production. The agent said these men are not biased in their thinking and their primary objective is to help the farmer.

"These specialists," he said, "can help the farmer get to the bank with more net profit."

Mr. and Mrs. Max Banks of Amarillo attended the Lynxette ball game, Monday night.

First Hansford county officers to the scene were deputies Lee Phillips and Tommy Messer.

Revival Begins Sunday

"Revival 21" will begin at the First Baptist Church of Spearman Sunday, February 21 through Feb. 28th. The Evangelist will be Rev. J. S. "Jim" Tuell of Dallas who will bring morning bible lessons at 10 a. m. and evening services at 7:30 p. m. daily.

Directing the music for the revival will be Dale Coady, a 35-year old Oklahoman who has been singing his way into the hearts of people since he was 20 years old. He has served as Minister of Music and Education; and has been in the field of music evangelism for seven years. Much of the time he is joined in the revival effort by his wife, Ann, who has become a very popular part of the revival team. They have produced six long play record albums in stereo and high-fidelity which are very popular sellers.

The evangelist Rev. Tuell said "Revival 21 is the First Century message, presented with Twentieth Century methods." Rev. Tuell now serves as President of Educational Evangelism, Inc. and is a full time evangelist. He received his ministerial training at Southwestern Baptist Theological Seminary, Fort Worth, Texas.

The public is cordially invited to attend the revival. Rev. B. T. Shoemaker, pastor, said the revival team will be here for the Sunday evening service which begins at 7:30 p. m.

Transportation to services will be provided by calling the First Baptist Church.

Pre-Revival Activities Scheduled

Various activities have been scheduled throughout the week for members of the First Baptist Church in preparation for the revival which begins Sunday, Feb. 21.

Pre-revival prayer meetings have been held each morning and afternoon beginning Mon-

day. Tonight, Thursday, Feb. 18, special cottage prayer meetings are scheduled in the W. L. Russell home and in the Doug Connelly home.

Saturday morning the men of the church will meet at 7 a. m. for a prayer breakfast in the fellowship hall.

Each night during the revival special meetings are scheduled at 7 p. m. for a 30-minute prayer session before the evening services which are set for 7:30.

Members of the church are urged to keep these service times in mind.

The revival begins Sunday, February 21 and runs through Feb. 28.

Music Club Has Annual Dinner

The Spearman Music Club held its annual dinner for members and their husbands Tuesday, February 9 in the fellowship hall of the Waka church. Each member brought a salad and the hostesses furnished ham. The room was decorated with valentines and musical notes.

The "Bank Notes" from Booker furnished the music for the evening.

The "Bank Notes" is a group of about 30 persons affiliated with the bank in Booker either by employment or being married to an employee.

The director for the group Carroll Barnes is with the Perryton schools. The group sang "No Business Like Bank Business", "Sonny", "Going Out Of My Head Over You", "Male, Mine Country Style", "Aquarius", "Sun Rise-Sun Set", "Rain Drops Keep Falling On My Head" and other selections.

Attending the dinner were associate members, Mrs. C. A. Kleeberger and Mrs. Deta Blodgett; members Messrs. and Mmes. Pat Cates, Raford Clark, Don Knox, Dean Leighnor, Kenneth McKay, Carroll Scroggs, Nelson Bell, Dan Desimone, Rue Sanders, Ronnie Schaefer, Tom Sutton and J. D. Wilbanks.

Coffee and cake was served after the musical program.

Hostesses were Mmes. Pat Cates, Raford Clark, Don Knox, Dean Leighnor, Kenneth McKay, Carroll Scroggs.

GIRL SCOUT FATHERS OF THE YEAR---Albert Baker and his Brownie Scout daughter Deanne, left, and Jack Moran and his Junior Scout daughter Jonell.

Annual Banquet Draws Large Crowd

The Spearman Girl Scout organization held its annual Father-Daughter banquet February 12 in the junior high cafeteria. Approximately 215 persons were in attendance.

Junior troop 190 opened the evening with the presentation of the colors and pledge to the flag.

Mrs. George Rook introduced honored guests attending: Messrs. and Mmes. P. A. Lyon, Glenn Martin of Guymon, L. C. Hartman from Perryton, Rooster Dawson, R. L. McClellan, Dr. R. L. Kleeberger, Mrs. J. P. Hull of Guymon, Mrs. Sid Bidde, Cyndi and Steven from Guymon.

All leaders of the Spearman Girl Scout movement were surprised when they received special awards for their many years of service in this organization.

The highlight of the evening was the naming of the "Fathers Of the Year". They were Brownie Father Albert Baker and Junior father Jack Moran.

Each girl scout turned in written essays on "why I want my father to be 'father of the year'". Winning essays were turned in by Deanne Baker and Jonell Moran.

Deanne Baker wrote: "This is why I want my father to be father of the year because he works for money and he is nice. He takes us out to the movies, he takes us to visit our friends house and he takes us to see our grandma and grandpa. He lets us ride on the combine, he takes us to church. Sometimes he lets us watch the show we want to watch, he loves us very much, he helps us make a good living. That's why I want my father to be father of the year."

Jonell Moran wrote: "I think my father should be Father of the Year because he is a very hard worker. He owns his own business and is sometimes called out in the middle of the night. He buys me lots of things,

such as clothes, perfume, jewelry, and other useful items.

"He plays with me and also lets me stay up late at night.

"I am studying paint and my father provides me with what I need and more.

"He sees to it that we follow our Christian ways.

"My father teaches me how to get along and share with others.

"Everytime I do something wrong my father spans me. I haven't had to be spanked for a while because I think now before I act. I don't like my father to be upset with me.

"I think with my father's teaching I will grow up to be an intelligent woman.

"I love my father and I thank God for giving him to me.

"I think my father should be Father of the Year because he is the best father in the world."

Brownie Troop 149 closed the evening with a candlelight song.

He has achieved success who has lived well, laughed often and loved much.

Record Enrollment For Spring Semester At Texas Tech

LUBBOCK--Official tabulations placed the spring semester enrollment at Texas Tech University at a record 19,194 students, up more than 6 per cent over the 1970 spring semester figure.

The 1971 figure is up 1,127 over the 1970 spring total of 18,067.

The largest increases came in the Graduate School and in the College of Arts and Sciences.

Totals by colleges are: Agricultural Sciences, 1,197; Arts and Sciences, 5,701; Business

Administration, 4,195; Education, 2,245; Engineering, 1,723; Home Economics, 1,188; Graduate School, 2,820, and Law School, 245.

This spring's enrollment shows 11,753 men and 7,441 women as compared with 11,263 men and 7,104 women last spring.

This year's classification statistics show 6,452 freshmen; 3,794 sophomores; 3,202 juniors; 2,978 seniors, and 3,068 graduates, including law students who are all graduate students.

There was an increase in all classifications, except juniors.

Future Farmers of America are assured a more comfortable and convenient living through rural electrification. Through the combined efforts of the farmers and North Plains Electric, electricity has been brought to the farm at the lowest cost in Northern Texas. The farmer now has the assurance that he will have ample power to operate his farm and home and the cost of operation will not be prohibitive. With modern methods of agriculture these young farmers are learning, we feel sure they have come to look upon electricity on the farm as a necessity rather than convenience. Easter Seals Aid Crippled Children

The 1971 Easter Seal Appeal will open in Hansford County on Monday, March 1 according to Mr. Freeman Barkley, who serves as Easter Seal Representative for the county.

Mr. Barkley said that Easter Seal Appeal letters would begin arriving at homes in the county about March 1.

As Easter Seal Representative, he is the local person to contact to request rehabilitation services from the Easter Seal Society for Crippled Children and Adults of Texas. These services include physical and occupational therapy, speech and hearing programs and special information services to help solve the

many problems faced by the families of handicapped children and adults.

Last year over 21,000 handicapped people received help from the Texas Easter Seal Society. With the costs of providing expert professional care rising, more money than ever will be needed.

Funds help support 20 centers in Texas, where crippled children and adults are treated, regardless of their ability to pay. Walkers, wheelchairs, and related services are provided to those who cannot provide for themselves.

"The people of Texas have always responded generously to helping the handicapped, and I feel certain they will make it possible to increase Easter Seal services to crippled Texans throughout the coming year," Mr. Barkley said.

Increased Funds For Free Lunches To School Students

AUSTIN--Texas children in 1970-71 will fill their school cafeteria plates 227,500,000 times from September to June as the lines get longer and federal food allotments grow larger than ever before.

This year, the federal funds appropriated for expansion and operation of food service programs in Texas public schools will total \$42,596,096--an increase of about 123 percent over last year's \$24,283,859 tally.

The sudden bulge in figures of the mathematical variety is caused by more than an increase in appetites however. Most of the increased funds will provide free or reduced cost lunches to the greater

number of children who became eligible under new federal regulations on September 4, 1970.

A complete rundown of old and new calorie laden totals was presented to the State Board of Education Saturday (February 6) by the Texas Education Agency.

During the 1969-70 school year, Texas public schools provided 173,227,002 lunches, including 24,853,421 served to children free or at a reduced rate. This year the lunch total will round out at more than 220,000,000. More than 58,000,000 will be served free or at reduced cost to the child.

The breakfast program, which is free or available at reduced cost to eligible children provided 3,277,035 morning meals on 252 public school campuses during 1969-70. This year, 544 schools

will boost the breakfast totals to 7,500,000.

Children participating in the free lunch program are selected under national guidelines based on family income and number of children in school. The breakfast program is governed by local regulations.

Mrs. Sheets Hosts Arts & Craft Guild

Mrs. Bruce Sheets was hostess for the Arts and Craft Guild Friday, Feb. 12 in her home. Mrs. Deta Blodgett will be hostess for the Feb. 19 meeting.

Members present were Mrs. Pope Gibner, Clay Gibner, Deta Blodgett, Ned Turner, Sada Hoskins, Guy Fuller, F. J. Daily, Joe Traylor, P. A. Lyon, Sr., and Bill Russell.

American Medical Association was organized in 1847.

Scotland and England united as Great Britain in 1707.

This two car smash-up occurred at the entrance to the Plains Shopping Center Tuesday afternoon about 3:30 p.m. The two local cars involved were driven by Mrs. Joel Lee Lackey and Steven Greever. Both drivers were visibly shaken over the collision and much damage was done to the cars involved. No one was seriously injured.

LYNXETTES

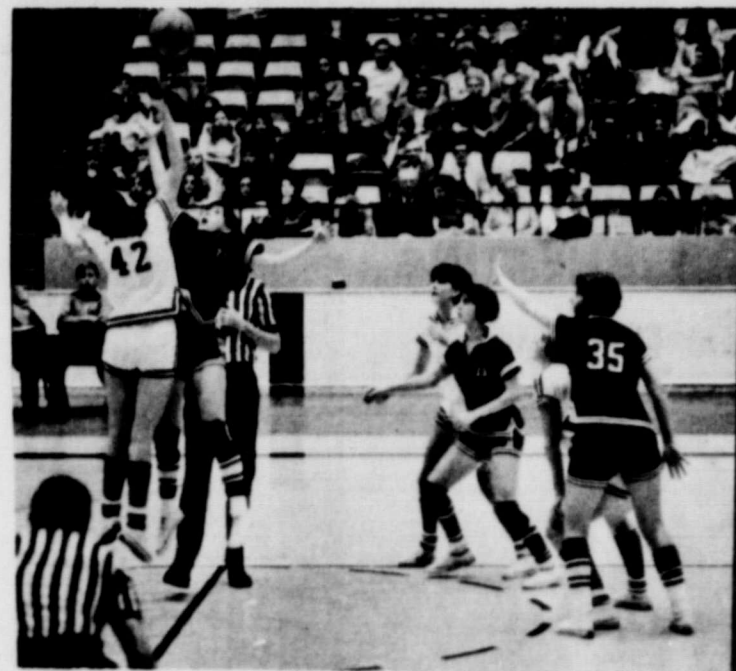

WIN THE REGIONAL - STATE TOURNAMENT

THE LYNXETTES WILL MEET COAHOMA, AT 1:00 P. M. FRIDAY IN THEIR FIRST GAME OF THE REGIONAL TOURNAMENT AT LUBBOCK, COLISEUM. THE FINALS WILL BE AT 8:30 P. M. FRIDAY NIGHT.

Mr. and Mrs. Max Banks of Amarillo enjoyed the game at the Civic Center Monday night when the Lynxettes won their Bi-District game with Shamrock 57-37. Max is head of Baker-Taylor in Spearman and both he and his pretty wife are Spearman booster. This picture was made at the civic center in Amarillo just after the ball game Monday night, and both of these Lynxette fans were very impressed with the Spearman basketball team.

Basketball Queen Anita Smith 42, tips the ball to Sheila Patterson during the Lynxette-Shamrock game Monday night.

Dalynn Brummett, 50, with her back to the camera, set a new civic center record Monday night when she swished through 2 points from 50 feet out with 2 seconds left in the game. Spearman was saving this trick play for the regional, but Brummett just couldn't miss her long shot Monday night.

Bob Dowell, on the sports committee for the Amarillo Chamber of Commerce, says "everything worked out just right. We didn't know which teams would be here, until the last minute and we sure are proud of this fine crowd." The 2500 to 3000 girls basketball fans were rated as the "most enthusiastic" fans ever to show up in the civic center.

Spearman Firemen Have Double Duty

The H & S Ambulance Service is provided completely by members of the Spearman Volunteer Fire Department. These are the men to whom we refer a double duty firemen.

subjected to special training. In Feb. 1969 they went through a first aid training course directed by Ceril Batton (authorized instructor for City-County fire departments). The H & S Ambulance Corps completed a course operated by the Texas State Department of Health. This training was given November 16 through November 19, 1970. H & S stands for "Hansford Spearman" because the am-

balance corps is a volunteer organization serving the entire county as well as Spearman. You may have noticed a vehicle around town that resembles an ambulance with the designation "Fire Chief" on the sides. Although this machine is used to deliver the fire chief to the fires, it is used also as a back-up ambulance. This comes into duty in the event the regular

ambulance is in use. The cost and upkeep of the equipment is divided between the City of Spearman and Hansford County. The members of the corps work without pay. Two members of this group are on 24 hour call from six p.m. Friday afternoon until 6 p.m. the following Friday. Eleven members of the Volunteer firemen are qualified ambulance men. The department will welcome more applicants for this duty. Combined meetings of the Spearman volunteer fire department and the H & S Ambulance Corps are held every 2nd & 4th Thursday at 7 p.m. in City Hall. Applications for membership in both the fire department or the ambulance corps are available from fire chief Robert Ragsdale in City Hall.

Twentieth Century Club Honors Pioneer Members

Mrs. P. A. Lyon and Mrs. George Buzzard were honored at the February 11 meeting of the Twentieth Century Club with a surprise "this is your life" presentation. These two pioneer club women have been active members of the local organization longer than any other member. Mrs. Lyon is the only active charter member of the Twentieth Century Club. Mrs. George Buzzard, who became a member in 1931, also continues to be an active participant of all the club's projects. The Spearman women were honored at the meeting of the club held Feb. 11 in the home of Mrs. J. R. Stump.

Looking for a more suitable location, Mr. Richardson came to Hansford County in 1900. Pleased with the outlook, he made arrangements to move his family to Hansford County. They left Stephens County in the summer of 1901 and traveling by covered wagon came as far as Matador where they spent the winter, living in a tent. They arrived in Hansford County in May 1902, where they settled on and improved a place one mile south of Old Hansford, now known as the

BABE RUTH BASEBALL MEET SUNDAY

James Lair has called a very important meeting for parents of boys who will be playing in the Babe Ruth Baseball League, and for men who will help with the coaching. Lair set the meeting for this Sunday at 2 p.m. at 725 Gibner Drive. The new district director will be there to help get the league organized for summer play and teams from Stinnett, Fritch and Booker will be represented. All parents who will have boys aged 14 thru 16 playing in the Babe Ruth baseball league are URGED to be present. The season begins in April.

HOSPITAL NEWS

Patients in Hansford Hospital are Hattie Mackde, Bernice Weant, O. R. Blount, Irene Close, Otto Holland, Dennis Selby, Dennis Selby, L. D. Pierce, Irvin Hester, Charlie Langston, Joan Eaton, Juanita Tucker and Roscoe Parks. Dismissed were Leon Conner, Jova Ochoa, Lee Keys, Janice Allaway, Terry Collier, Ophelia Vela, Harley Alexander, Pamela Villarreal and daughter, Dan Shrader, Will Ella Martin.

Mrs. Ruth Garners was pleasantly surprised on her birthday February 11, when her daughter Caroline Billingsley, invited several of her mother's friends in for cake and coffee.

Rosenbaum place. Grace received her education in the public schools of Hansford County and West Texas State University at Canyon. Her early employment was at the First National Bank in Hansford and later in Spearman. Grace and P. A. Lyon were married December 19, 1920 at Old Hansford. They have one son P. A. Lyon, Jr. They recently celebrated their Golden Wedding Anniversary.

Grace is an active member of the Spearman Methodist Church. She has taught in the Primary Department for twenty-five years. She has been active in WSCS for many years and has served in various capacities. She is a charter member of OES and has served in several capacities, including Worthy Matron. She was a charter member of the Delphinium Flower Club and active in the club until it recently disbanded. She is a charter member of the Twentieth Century Club. She continues as an active member and is the only charter member still active. She has served as president and through the years has served in all the offices, this year serving as parliamentarian.

She was active in Red Cross work during World War II, having charge of the knitting program. She was a member and served in various offices of the P-TA while her son was active in school. Her hobbies are China painting and flower gardening. As a resident of the County since 1902 she is keenly interested in the early history of this area and has been a member of the Hansford County Historical Committee.

Mrs. David Floyd visited in the home of her parents, the J. T. McWhirters over the past weekend. She and her husband have recently moved to Stillwater, Okla. to make their home. Wisdom is made up of ten parts: nine are silence, and the tenth, brevity.

WTSU Schedules 2nd Seminar On "Drug" Abuse

CANYON, Tex.--A second seminar on drug use has been scheduled for Feb. 25-26 at West Texas State University. The seminar is open to students from Claremore College and Amarillo College as well as West Texas State. All interested students must have a 1.0 or C grade average to be eligible for attendance.

Featured speakers for the meeting include the Asst. Police Department Inspector; the Texas Alcohol Beverage Committee; Prentice Caraway, professor of biology at WTSU; Clara Rigler, director of Operation Drug Alert in Amarillo; Dr. Dewey Yeager, Amarillo; Dr. Mitchell, psychiatrist at Killgore; Dr. Moore, WTSU dean of medicine. A former drug addict will be a featured speaker. Certificates will be awarded to students who complete the seminar. In turn they will be asked to speak to their church, civic and student organizations concerning drug abuse.

The seminar, sponsored by the Amarillo Police Department and W. J. Helm of Chevrolet in Amarillo, will be from 8 a.m. to 5 p.m. each day in the ballroom of the Activities Center.

Catholic Women Plan Spaghetti Dinner

An Italian spaghetti dinner will be served by the ladies of the Sacred Heart Church on March 7, from 4 to 8 p. m. in the parish social hall. The public is invited to come and eat at the church before attending evening church services or other activities.

Price for adults will be \$1.75 and children 75¢, children 6 and under are free. The meal will consist of spaghetti and meat balls, tossed green salad, garlic bread, relish, cake, coffee and tea.

Information on the purchase of tickets can be obtained from Mrs. N.F. Renner at 659-2335.

AUTO QUIZ

Elsewhere in this issue is a six question quiz that has to do with automobiles. This quiz consists of six questions that most car buffs can answer, if they put on their thinking caps.

If you want to make a try at the answers, just record your answers on a plain sheet of paper and leave your entry at Owens Sales Company prior to next Wednesday noon, Feb. 24.

The nearest correct answers will be awarded two, eight track stereo cartridges of the winners choice.

6-Table Bridge Club Met Sat.

Mr. and Mrs. Brad Beedy and Mr. and Mrs. James Laird hosts Saturday evening to the six-table bridge club.

Valentine decorations were used on the long buffet table from which dinner was served.

Following the evening of bridge play, prizes were presented to Mrs. Garland Head and Mr. Jimmy Hicks, high winners and to Edward Dear and Mrs. Bob Meek who held low scores.

Renner's Return From Houston

Mr. and Mrs. N.F. Renner recently returned from a trip to Houston where Mr. Renner attended the 19th Joint Federation of Cooperatives, Houston Bank for Cooperatives and Texas Cooperative Ginner Association meetings held Feb. 7-8-9 in the Astro World Hotel. Before leaving Houston the Renners visited the Astrodome.

The world is divided between two groups of people-- those who do the work and those who want the credit. Try to belong to the first group. There's less competition.

Mr. and Mrs. Sam Graves went to Lubbock last weekend to visit their daughter and her family, Mr. and Mrs. Narrel Wilson, Kim and Keith.

PAINTINGS BY MILDRED HINTERGARDT ON EXHIBIT AT HANSFORD LIBRARY

The artist of the month at Hansford Library is Mrs. Ruben (Mildred) Hintergardt of Gruver. Her work will be on exhibit throughout this month and everyone is invited to stop by and view her many beautiful paintings.

Mr. and Mrs. Hintergardt, parents of two sons, Don of Matador, Texas, and Dick of Gruver, have been Gruver residents for 35 years.

Mildred has been painting since 1949 and her works reveal that she is an artist with an unusual talent. She taught

shows. Her paintings have been shown at the Panhandle Museum in Goodwell twice and she has had work in the "40 Best Show" in Amarillo a number of times.

The Gruver woman probably sells more paintings than any other artist in Hansford County. She has studied under various artists including Dord Fitz, the late Charlie Bunnell, Elaine DeKooning, and others.

Mrs. Hintergardt's exhibit will hang at Hansford Library through the month of February.

oils, china painting and ceramics for some 12 years but gave up her work as an instructor about a year ago. She enjoys all types of art work from tile painting to mosaics, but her favorite work is painting with oils. Mrs. Hintergardt recently took a special course under Tom Knapp when she learned the technique of dry brush using a color wash. "I enjoy painting by this method very much," she said.

Her work is very familiar to persons in the Panhandle area for she has exhibited at many

Deeds Count More Than Words

How can I, in a column full of words, convince you that action is more important than words? I can't.

All of the words in a medical encyclopedia cannot compel you to diet if you are overweight. An NCAA official rule book cannot make a basketball fan into a player. All of the recipes of Julia Child cannot transform your cooking into French gourmet. Memorizing the Sermon on the Mount and repeating it aloud every morning before breakfast may have no effect on the purity of your life or your companionship with God.

Words are weak things. Actions, alone, can give words power.

The Abstract vs. the Real

I face this problem every day as a teacher. I analyze ideas—that's words. I present theories—that's words. I lead discussions on literature—that's words about words. Occasionally I get the feeling that nobody cares about a word I say, and that occurs when my words have lost touch with reality.

THE PLAGUE, a novel by Albert Camus, chronicles the actions of an Algerian city being slaughtered by a Bubonic plague epidemic. To argue from that story that finding the meaning of death is one of the crucial problems every man faces is valid. But it is also abstract.

To hear the account of one of my students who worked for a year in a hospital, serving terminal patients, who experienced what it is like to grow fond of people, only then to watch them all die, including the fathers of two of her school friends—that's reality.

Literature contains the valuable words ever written but the value of these words is wholly dependent on action. If there is nothing in reality to confirm the words, words are still main worthless.

Because Bryan College in Dayton, Tennessee — where I teach, is a Christian liberal arts college, we have a special concern about words versus action. We study the Bible and our school and personal life by its teachings. The danger is that the Bible can become words.

Guest speakers come to campus and tell the story "When you get out into life — as if college were separate from "real life." Churches and similar problems. Somehow day becomes separate from "real life."

But the life of a Christian must be "real life" action. It is nothing at all, just words.

Colleges and churches, of them, have been founded on the Word alone—not adequately supported by actions—and like the house built on sand, smashed by the forces of the problems.

Now Let's Act

Jesus taught, "Everyone who hears these words of Mine and does not act upon them, is like a foolish man who has built his house upon a rock."

The wise believer acts.

Our Christian colleges do things, but they could do more. So should our churches. So must we all.

Now it's been said, "Two things are better than knowledge, if I believe it, we will do something."
