

Sweepstake

BAND WINS 1ST AT CANYON

On Tuesday, October 26, the Spearman high school marching band participated in the University Interscholastic League marching contest. Judges from all over the Panhandle area were in the contest, and judges awarded the Spearman band the highest possible rating of 1. Bands from Panhandle, Phillips, Emmett, Dalhart, Shamrock, Wellington competed with Spearman in the AA division. The bands performing were led by Bruce Cook from the University of Texas at Austin, Dan Gibbs from Monahans High School and Joe Rogers from New Braunfels High School.

The Spearman band did a one-half minute routine consisting of march music and precision marching drills. The band performed "Washington Post March" by John Philip Sousa, "Salutatory" and a Spanish bullfighting march called "Española". The twirlers of the band participated in the UIL contest. They all were awarded first place along with the Spearman band. The twirlers were Becky Sparks, head twirler Marla McWhirter, Nancy Peterson and Becky Farris. The twirler Becky Sparks was able to go to the contest because of sickness. While on the marching field today, the band was under the direction of drum major Linda Ricketts and Peggy Floyd.

Members of the band by name: MAJORS-Linda Ricketts, Peggy Floyd, TWIRLERS-Becky Sparks, Marla Mc-

Whirter, Nancy Anderson, and Becky Farris. FLUTES-Kendra Brack, Linda Reneau, Cindy Berner, Marcia Larson, Sandra Burke, Rhonda Nelson, Becky Reynolds, Alice Reger. OBOE-Nancy Lair, CLARINETS-Jana Robinson, Debbie Gregg, Kathy Brown, Sharen Lambert, Robert Cochran, Lee Uptergrove, Julie Sanders, Donald Cheatham, Debbie Cate, Kathy Garner, Eva Collins, Doug Cummings, Debra Davis, Debra Selfiff. BASS CLARINETS-Cheryl Gibson, Teresa Oakes, Loreta Shelton. TENOR SAXOPHONES-Kurt Hergert, Dixie Sheppard, Debbie Sheppard. BARITONE SAXOPHONES-Gary Upchurch. ALTO SAXOPHONES-Billy Brown, Valorie Uptergrove, Teresa Scroggs, Margaret Hall, Jeanne Thompson, Kristi Gressett, Denise Berner, David Wright. CORNETS-Ricky Driscoll, Rudy Avila, Kent Benton, Steve Reed, Jerry Tope, Tim Christenson, Mike Cook, Randy Denham, Scott Vernon, Mike Davis, Randy Hargis, Lonnie Lushy, Darlene Sutton, Jerry Boatwright, Kirby Brillhart, Danny Chisum, Gary Goff, Billy Pettitt, Gene Byrd. FRENCH HORN-David Thomas. BARITONE-Dee Vandenberg, Donnie Davis, Lynn Pierce, Danny McLaughlin, Jimmy Tope. TROMBONES-Mike Floyd, Ken McClellan, Billy Hazelwood, Amy Brillhart, Dan Christenson, Kerry Evans, Brad Healer, Dean Byrd. BASS-Ricky Reger, David Harbour, Vield Crawford, Tim Wisdom. TEX KOPF DRUMS-Charles Cates, Reagan Baker, Nedra Black, Kim Brock, Janice Gates, Melaney Schaefer, Katrina Kelp, and Mike Self.

Is It Flutist, or Floutist?

It has been called to our attention, that we left flutist Kim Boone, out of the fine Spearman High school band. But, Kim, we were not sure whether you were a flutist, or a floutist. So, we looked it up, and both are correct. So, our readers are informed that Kim is a flutist, or floutist with this fine Lynx band.

ENGINE THIEVES STILL AT WORK

Sheriff Cooke said Monday that irrigation motor thieves are still at work in this area. Although none from this county have been stolen just lately, the Sheriff of neighboring Sherman county said one irrigation engine was reported stolen over the weekend.

C of C BOARD NOMINEES IN VOTER'S HANDS

Ballots are in the hands of all Chamber of Commerce members this week, to select six new members for the 1972 Board of Directors. Members are to select six, from a list of 12 names, and mail them to the chamber office in an envelope marked "ballot" not later than November 26. A sealed ballot box is also located at the Chamber Office.

Nominees are: Jack Oakes, Bill Douglas, Pete Fisher, Roy Bulls, Dr. L.R. Ingram, Irvin Davis, Himmie Shield-knight, Dr. Wesley Garnett, Jr., Roy Lee McClellan, L.D. "Pete" Mead, Joe Trayler, James Lair.

USDA Announces 1972 Feed Grain Program

Secretary Hardin further announced that again next year, farmers will receive set-aside payments as soon as possible after July 1.

"Early payments have become part and parcel of our farm programs," Hardin said. "They have proved a benefit to the farmer and the agricultural economy by helping the farmer meet production expenses, and with the commodity loan, market his product in an orderly manner."

By making it possible for farmers to plant crops in terms of market potential and productive capacity, while retaining program benefits, producers are able to plan their farm operations for the best possible return on their investment, the Secretary pointed out.

Participants in the 1972 feed grain program will be guaranteed a national average of \$1.35 per bushel on the production from one-half of their corn base, the same as in 1971, and \$2.29 per hundredweight on one-half of the farm's grain sorghum base. Producers will be guaranteed \$1.10 per bushel on one-half of their barley base.

In another action to promote the orderly marketing of wheat and feed grains, farmers have been given the option of extending their loans on farm-stored commodities beyond the regular maturity dates. In the case of corn, loans on the 1969, 1970 and 1971 crops in farm storage are extended to May 31, 1973. Loans are extended through the 1972-73 storage period on the 1968 through 1971 crops of wheat, barley and oats under farm storage resale programs. Loans are extended through the 1972-73 storage period on the 1969, 1970 and 1971 crops of grain sorghum under farm storage resale programs.

Because of the close relationship between feed grains and soybeans the Secretary also announced that the loan level for 1972-crop soybeans will be at a national average of \$2.25 per bushel, No. 1 grade, 12.8-13.0 percent moisture. Because of the limited supply of soybeans for the current 1971-72 marketing year and relatively strong prospective prices, there will be no resale program for the 1971-crop soybeans.

Set-aside payments for a farm will be determined by multiplying one-half the feed grain base times the farm yield times the payment per bushel. As in 1971, participants in the 1972 set-aside program will receive the full payment regardless of what they plant on their acreage, except for quota crops. However, the 1970 Act provides that farmers who plant less than 45 percent of their feed grain base in 1972 to feed grain, wheat or soybeans, will have their 1973 base reduced by the amount of the underplanting, up to 20 percent of the base. If no feed grain or authorized substitute crops are planted for three consecutive years, the entire base is removed from the farm. All base acreage lost by farms will be placed in a national pool for reallocation to other farms which plant feed grain.

Having met the set-aside and conserving base acreage requirements for feed grain, however, a producer may plant as much feed grain acreage as he wishes, or as much of any other crop not restricted by quota.

Acreage which is not planted due to a natural disaster, or a condition beyond the control of the producer, will be considered planted to feed grain to preserve the base, and any producer who makes a set-aside but elects to receive no payment will not suffer loss of base.

As in the 1971 program, a producer may participate in the 1972 feed grain program on any farm or all farms in which he has an interest.

The Agricultural Act of 1970

limits feed grain payments to any person to \$55,000. The limitation of payments provision does not apply to loans or to sales of eligible feed grains to Commodity Credit Corporation.

Simultaneously with his announcement of the 1972 feed grain program, Secretary Hardin also announced the upland cotton program for 1972.

The Secretary said farmers who take advantage of the management options offered under the 1972 feed grain and cotton programs should benefit from the anticipated effects of the Administration's economic stabilization program. This program he pointed out, is designed to hold down inflation and stabilize production costs.

The feed grain program for 1972 is being announced early this year to give farmers more time to make important decisions about planting and agricultural financing.

Secretary of Agriculture Clifford M. Hardin has announced a feed grain program for 1972 designed to increase farm income and reduce carry-over stocks.

The new program raises the feed grain set-aside to 25 percent of the base (20 percent this year), boosts set-aside payments (40 cents per bushel for corn from 32 cents in 1971); 86 cents per bushel for barley (81 cents in 1971); and 54 cents and 89 cents per bushel, respectively, for oats and rye (the same as in 1971).

Set-aside payments will be 40 cents per bushel for corn, 32 cents per bushel for barley, and 38 cents per bushel for grain sorghum. These are paid on the established farm yield times one-half the barley, corn, or grain sorghum base. Payments in 1972 will again be made to farmers as soon as possible after July 1.

At sign-up time, the farmer can agree to set aside an additional amount of acreage, up to 10 percent of his corn or grain sorghum base and up to 20 percent of his barley base. The government will accept this additional voluntary acreage set-aside at sign-up time and will make set-aside payments for corn of 52 cents per bushel times the established farm yield on the additional voluntary set-aside acreage. Set-aside payments for barley will be 42 cents per bushel and for grain sorghum 49 cents per bushel, also figured on the established farm yield times the additional voluntary set-aside acreage.

The program is designed to achieve a feed grain set-aside of at least 38 million acres in 1972 compared with 18.2 million acres this year.

The new program continues corn loan levels at \$1.08 (No. 2 basis) and the guarantee at \$1.35 per bushel. The soybean loan level will be maintained at \$2.25 per bushel.

The feed grain program will work this way:

1/ During sign-up, starting Jan. 17, a farmer can decide whether to set aside a minimum 25 percent of his feed grain base acreage to qualify for loans and payments.

Loans will be \$1.08 per bushel for corn (No. 2 basis), the same as in 1971; \$1.79 per hundredweight for grain sorghum (\$1.73 in 1971); 86 cents per bushel for barley (81 cents in 1971); and 54 cents and 89 cents per bushel, respectively, for oats and rye (the same as in 1971).

Set-aside payments will be 40 cents per bushel for corn, 32 cents per bushel for barley, and 38 cents per bushel for grain sorghum. These are paid on the established farm yield times one-half the barley, corn, or grain sorghum base. Payments in 1972 will again be made to farmers as soon as possible after July 1.

At sign-up time, the farmer can agree to set aside an additional amount of acreage, up to 10 percent of his corn or grain sorghum base and up to 20 percent of his barley base. The government will accept this additional voluntary acreage set-aside at sign-up time and will make set-aside payments for corn of 52 cents per bushel times the established farm yield on the additional voluntary set-aside acreage. Set-aside payments for barley will be 42 cents per bushel and for grain sorghum 49 cents per bushel, also figured on the established farm yield times the additional voluntary set-aside acreage.

Also at sign-up time, the farmer may offer to set aside still another 5 percent or 10 percent of his corn or grain sorghum base acreage. The Secretary of Agriculture will announce by mid-March, whether to accept any of this ADDITIONAL acreage. This

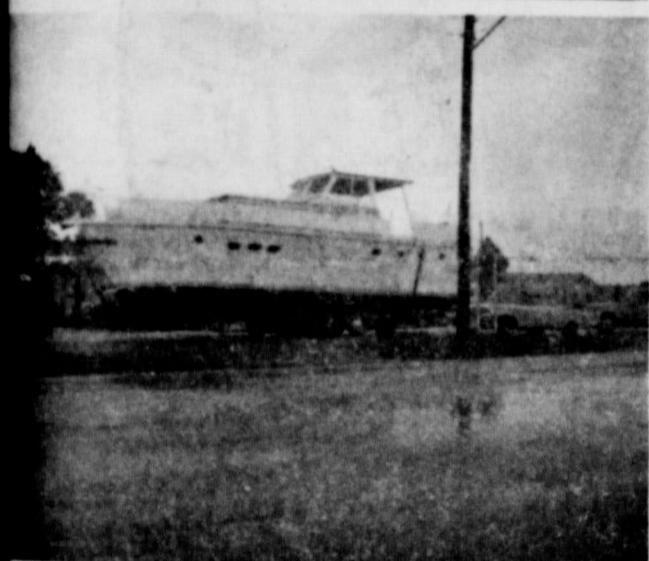

will give the Secretary greater flexibility in reducing acreage to make the program more effective. Set-aside payment rates will be the same for this additional voluntary set-aside as under option No. 2 above.

Payments to farmers under options No. 2 and No. 3 will also be made as soon as possible after July 1.

The 1972 program offers flexibility greater than the 1971 program, both to the farmer and to the USDA, Secretary Hardin said. "The farmer is allowed to plant whatever crop he wishes on that part of his farm not in set-aside or conserving base. Soybeans have been added to the list of crops which may be planted to protect the feed grain base or wheat allotment."

The various options in the feed grain program for 1972 will help offset this year's record feed grain production, Secretary Hardin said. "In 1971 farmers took advantage of exceptionally favorable early planting conditions, and increased their corn plantings by 11 percent in anticipation of heavy damage from Southern Corn Leaf Blight, which had cut 1970 corn production. Although the blight infection was widespread by mid-summer this year, one of the coolest and driest Augusts on record in the Corn Belt arrested the blight during the most critical growing period and turned a possible crop disaster into a record harvest."

"The feed grain program will give farmers maximum freedom to choose how much acreage they will plant in 1972 and what they plant. At the same time, it permits the Department of Agriculture to exercise a choice in adjusting the program ahead of planting to make it the most effective for farmers."

THE SCUBA QUEEN... five years in the building, came through Spearman Tuesday on the way to its trial launch on Lake Meredith.

ROSS'S huge cabin cruiser was hauled to town Tuesday where it was "weighed in" on elevator scales, a requirement before highway officials would issue a hauling permit. The size of the boat can be compared above to the car parked beneath it.

Residents have watched with interest the past few weeks the boat building project of T.J. Ross. The huge cabin cruiser had almost become a landmark as it loomed bigger in its high-rise dock at the Ross dwelling south of Spearman.

The big boat, which Ross eventually took to the Gulf Coast for deep sea charter service, was hauled into town Tuesday on the leg of its journey to the system of Lake Meredith, weighing about 38,420 lbs. and standing 17 feet tall. The ship measured 14 feet in width. T. J. Ross built the boat "from scratch" just like I wanted a "big boat."

There are now, but the boat is hand is transporting Tuesday he began the highway towing program on the State Highway Department out of Perryton. He weighed the huge structure on elevator scales in Spearman. Due to its size, only half the boat could be weighed at a time.

After launching the boat at Lake Meredith, he plans to keep it on the lake a few days while he checks the balance to see if he needs to redistribute some of the weight.

Ross had set the launching date for his ship a year ago, but then he decided to add a few more things, and the size trailer it would take to haul the boat took more time than he had planned for.

The "Scuba Queen" is next to a luxury liner. Interior wise, it houses a well equipped kitchen, bedrooms for sleeping 10 persons, sitting areas and bathrooms. All this is on the second deck. The deck below this is the engine room where two 390 HP eng-

Check Forgers Picked Up In Road Block

Two men are being held in county jail this week in lieu of \$2,500 bonds. Awaiting action of the grand jury, both men are charged with "forgery and passing."

Sheriff J. B. Cooke had been looking for one of these men since October 13 when forged checks began to come through the Guver State Bank, signed "Jack Crane." Mr. Crane has a roofing company in Gruver.

On Thursday, Oct. 21, two men in a pickup attempted to pass one of these checks at Alton's Gulf Station in Spearman. Ellsworth notified the Sheriff's office and Sheriff Cooke immediately threw up road blocks throughout the area. Shortly after this action, the men were apprehended some 20 miles south of Spearman on highway 207.

Taken into custody were G. H. Dickie, 20, and Larry Crawford, aged 27. Dickie is an alien from Canada, giving his home as Nova Scotia. He was filed on for forgery and passing.

Crawford, who had previously been filed on, said he had a family in Mexico, but claims San Antonio, Texas as his home.

Since October 13, the men had made a trip to Mexico, and back.

When arrested last Thursday, Sheriff's officers found two checks in the pickup which someone had attempted to destroy. One was in the amount of \$104.97, and one for \$105.12. Both were made payable to G.H. Dickie and had been signed "Jack Crane."

That same day, the men had allegedly bought gas at the 7-11 store and attempted to pass one of these checks.

Forged checks which began to turn up earlier this month, were made payable to Larry Crawford, a former employee of Crane Roofing Co. Over \$1,000.00 worth of these checks were passed for cash at various business firms in this county.

Sheriff Cooke said both the Berger and Guymon Sheriff's departments have detainers for the men.

A number of blank checks were found in their possession on banks throughout Colorado, Oklahoma and Texas.

CHAMBER NOON LUNCHEON TODAY

Thursday, October 28 (today) is the monthly luncheon meeting for Chamber of Commerce members and guests.

Speaker for the noon meet will be Betty Dodson, field representative for Social Security. She has a good program of interest to everyone.

CHURCH YOUTH TO ASK FOR CRDP DONATIONS OCT. 31

Youth from various Spearman churches will be trick or treating for C.R.O.P. Sunday afternoon, October 31.

Young people of the Methodist, Presbyterian, Christian and Lutheran churches will meet at the Presbyterian church at 4:30 and then canvass the city for donations for the Christian Rural Overseas Program.

After the collection, they will enjoy a fellowship hour.

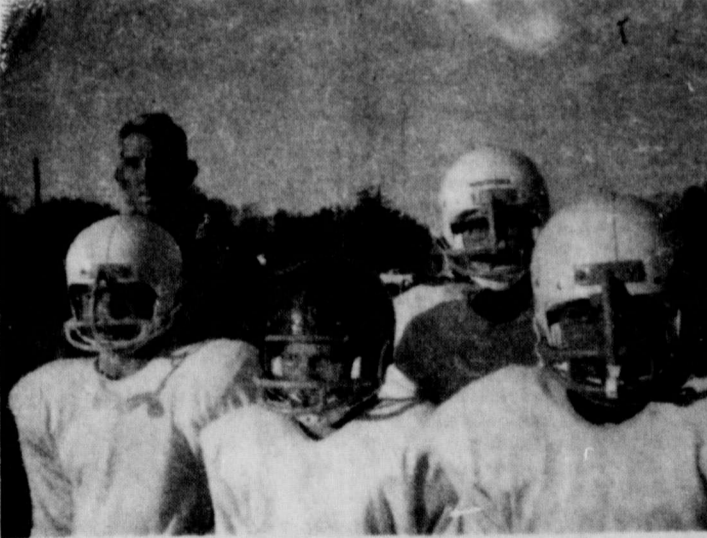

CHAMBER WELCOMES MEMBERS

Spearman's Chamber of Commerce welcomes two brand new members into this organization. They are Joe Bynum, owner of Joe's Fine Service Station; and Dale L. Oltman, owner of Spearman Fertilizer Service.

the SPEARMAN REPORTER

VOLUME 62, NO. 49 THE SPEARMAN REPORTER, Hansford County, Texas 79081 THURSDAY, OCTOBER 28, 1971

DALHART FRIDAY

Truelove's Terrors will be after the Lobos at Dalhart Thursday afternoon, 5 P. M.

"We will see you at Dalhart"

Stolen Car Found

A car stolen Saturday night from the driveway at the Don Hergert residence, 822 S. Barkley Street, was found Monday abandoned in Mangum, Okla.

Sheriff J. B. Cooke said he had no suspect as yet.

The 1968 2-door Mercury hardtop belonged to Hergert Motor Company. Mr. Hergert had driven the car home and parked it in his driveway Saturday evening. The car was taken sometime during the night.

All this organization needs now is YOUR donation, to help pay for this. The FFA boys are going to help again this year by building frames for the poles at the Shopping Center. Send your check to Chamber of Commerce office, Spearman, Texas.

CHRISTMAS DECORATIONS ARE HERE

Christmas decorations in the form of new light bulbs and garland to adorn the iron tree-forms, have arrived at the Chamber of Commerce office.

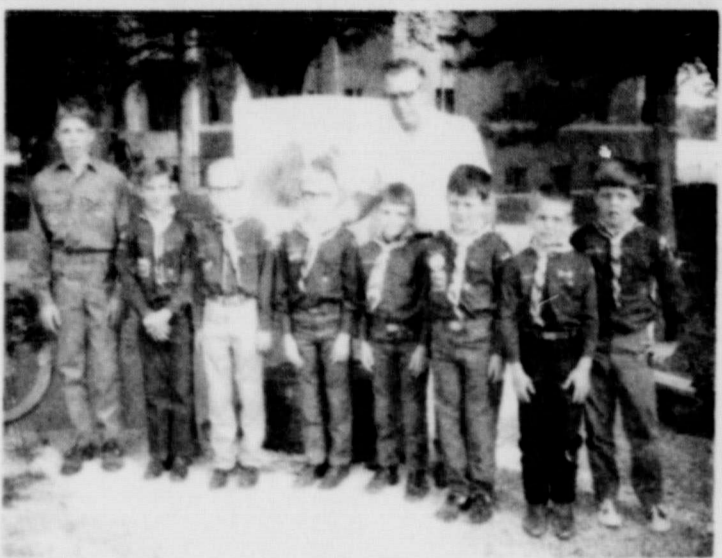

Christmas decorations in the form of new light bulbs and garland to adorn the iron tree-forms, have arrived at the Chamber of Commerce office.

This week-end is Dalhart Week at Spearman Jr. High school, and Senior High. The Lynx will send four teams out on the gridiron, beginning Thursday. The 7th and 8th grades will go to Dalhart Thursday afternoon, with the games beginning at 5 p. m. The varsity Lynx will meet the Dalhart Wolves at Dalhart Friday evening, beginning at 7:30 p. m.

Here at home, the fine Lynx "B" team will entertain the Dalhart B team in a 7 p. m., Thursday game. Fans are urged to attend the game of their choice, but remember the B team game is at home Thurs.

Hand-made scene—a work of art.

Creators of the patriotic scene are Cub Scouts of Pack 78, Den 5.

Veterans Day Observance

Veteran's Day was observed in Spearman with a special 10 a. m. program at the school gym and a 4:00 p. m. presentation ceremony on the lawn at the courthouse.

The Spearman Parent-Teacher association sponsored the observance at the school gym Monday morning when 465 school students took part in the program.

Ralph Blodgett, master of ceremonies, gave an address "I'm Proud To Be An American." George Collard gave Red Skelton's "Interpretation of the Pledge." Mike Crawford read "The Preamble of the Constitution." Following musical selections by Mrs. Dick Countiss and the school choir, the ceremony ended with the high school band playing "The Star Spangled Banner" and TAPS.

Cub Scouts of Pack 78 Den 5 and their den mother Mrs. Mae Owens were the center of attraction at a special ceremony held at 4 p. m. in front of the Veteran's Memorial on the courthouse lawn.

At this time this Pack presented a hand-made, real life scene from WW II depicting the U.S. Marines raising the American flag on the summit of Mount Suribachi on Iwo Jima in February 1945. The scene, truly a work of art, was placed permanently at the memorial marker which honors all Hansford County war dead.

A good crowd was on hand Monday afternoon when the scene was dedicated in honor of Veterans. An engraved plaque, donated by Mrs. John R. Collard Sr. and Spearman Jewelry, was placed on the glass-enclosed scene, and bears the name of the following Cub Scouts: David Hall, Kerry McMullan, Mike Owens, Jonny Scates, Cole Umphres, Kevin Russell, Lynn Vernon, Dennis White. They are pictured above.

The dedication ceremony was covered by KVII television out of Amarillo.

DAVE LLEWELLYN

War and Faith

Sunday School Lesson for October 31, 1971

It has happened before and it could happen again.

"Look at the other nations in the world, pay close attention to them, and get ready to be surprised, for I am about to perform such a feat in your lifetime that you won't believe, even when I explain it to you."

That's what God told a man named Habakkuk, back in 600 B.C., but the point of the story concerns us, now. Because what happened to Habakkuk and Israel could happen again, to our America.

The Warning

Here's what God warned (and it's exactly what occurred a few years later):

"Watch, I am preparing the Chaldeans, that vicious and unpredictable nation, who will leap across the continents to take possession of homes which are not theirs. Terror and horror come with them, for they invent their own justice and laws to suit themselves. All of them love violence, and their numbers will overwhelm you like a hurricane. They will capture prisoners of war by the millions. Chosen rulers they laugh at, and they scorn the people's leaders. Defense systems mean nothing to them; they have means to destroy everything. But they realize their strength. They will come in and take over. Their god is their power."

Substitute Red China, Russia, or another enemy, and imagine God told you this would happen to the United States. Would you believe it? Habakkuk didn't believe it about Israel. He argued back.

"God, aren't You eternal? Don't You control history? We won't die. (After all, we are a believing nation.) They are the nation You must judge; You

Notes on Secretaries

Few Americans today realize that the world's first secretaries were men!

In 325 B.C., during the time of Alexander the Great, a secretary (scribe) had to answer the call to arms, hacking away at the enemy with a sword by day and hacking away with a stylus at a stone tablet by night. Sword or stylus, it was a prestigious job—but dangerous. Alexander lost 43 secretaries during the Asian campaign alone.

At the time of Napoleon, history records the first female secretaries. Napoleon brought one along on each of his campaigns to record details of his battles.

NEWS FROM YOUR

Home Demonstration Agent

By Nelle Albrecht

Since this is the time for spooks, ghosts and goblins lets discuss Halloween and its history and legends.

First tho, a word of caution for the safety of young trick or treaters. Be sure the child can walk easily in his costume. Also be sure masks fit well enough so the child can see well. And don't let young children trick or treat alone.

Now for some history and legends. Throughout the years, customs from ancient lore were kept in addition to the church services. In Wales, each family made its own fire into which each member threw a marked stone. Prayers were said and they retired for the night. In the morning, the stone that was missing indicated that the owner would die within the year. In Ireland a girl wishing to see who would be her future husband would walk backward down the stairs holding a mirror. On reaching the foot of the stairs, it was believed that his face would appear in the mirror. Young people in Scotland would pull cabbage stalks and, depending on the size and the amount of earth that clung to them, would be able to tell whether their future mates would be thin or fat, rich or poor.

The jack-o'-lantern that is so much a part of the celebration here came by way of the Irish. Legend has it that an Irishman named Jack was not allowed to enter Heaven and later was expelled from Hell because he played tricks on the Devil. He was then condemned to walk the earth forever with a lantern. Trick or treat, too, owes its origin partly to the Irish. In Ireland, groups of peasants would go from door to door begging food

for the festivities. Prosperity was promised to the persons who gave willingly and cheerfully but those who did not were threatened with dire consequences in the New Year. One aspect of trick or treat may be attributed to the English. Boys would wear girls' clothes and vice versa. Then, wearing masks, they would go from door to door begging for cakes.

USMC Office Has Moved

The United States Marine Corps Recruiting Office in Amarillo has moved. Their new offices are located in the Herring Plaza at 317 East Third Street in Amarillo. Office Hours remain the same. They are open from eight until five, Monday through Friday and from eight until noon on Saturday.

Master Sergeant Don Hann and Staff Sergeant Jim Santiago are the Marines to see about guaranteed occupational specialties, aviation school programs, and short term enlistments - two and three years. If you can't come in to Amarillo, call collect at 376-5151 extension 2151.

Former marines are also invited to come in, have a cup of coffee, shoot the bull, and look over the new quarters.

Spoonemore Named Education Leader

Robert Spoonemore, son of Mr. and Mrs. D. E. Spoonemore of Spearman, and a 1958 graduate of Spearman High School, has recently been chosen a "Leader of American Secondary Education" for 1972.

Educators selected for inclusion in this Society are nominated by their own school administrators and earn this tribute by their exemplary performance in the classroom, their contributions to the field of education in general and their many services to their community.

Robert and wife Glenda, with their two sons, are currently living in Grapevine, Texas where he is employed by the Grapevine School System.

Accreditation Granted Tech Medical School

Lubbock--Accreditation has been granted for the Texas Tech University School of Medicine for the admission of both freshman and advanced standing junior classes in the fall of 1972.

Glen R. Leymaster, MD, director, Department of Undergraduate Education of the American Medical Association and Secretary to the Liaison Committee on Medical Education of the American Medical Association of American Medical Colleges today informed Dr. John A. Buessele, vice president for health affairs and dean of the Texas Tech University School of Medicine that the committee had in action on Wednesday granted provisional accreditation to the Texas Tech University School of Medicine.

Dr. Leymaster informed Dr. Buessele that the official letter of "reasonable assurance from the committee will be sent directly to the School of Medicine and to the U.S. Department of Health, Education, and Welfare within the next week.

Accreditation means, Dr. Buessele said, that students enrolled in the school will receive training credit which is recognized by state licensure boards and other schools of medicine in the United States and elsewhere. The accreditation is provisional because the school of Medicine is new and will not be eligible for full accreditation until it has graduated its first class of M.D.'s.

"Obtaining accreditation is the single most necessary official action by national review agencies in the establishment of a medical school said Frank June II of San Angelo, Chairman of the Texas Tech Board of Regents. "It is a requirement before the

U.S. Department of Health, Education and Welfare will take official action on the funding grant application for construction of the school.

Dr. Murray said the achievement of accreditation for first and third year classes in a medical school in such a short period is a previously unaccomplished achievement and reflects the outstanding work and dedication of Dean Buessele and his associates. This milestone insures the reality of the Medical School.

"I express deep gratitude to all those who have assisted in developments to date, particularly those who were involved in the site visitations, Dr. Murray said. "And a special appreciation is due the various hospitals who have signed the affiliation agreements which insured the clinical facilities needed for accreditation."

Dean Buessele joined June II and Dr. Murray in paying tribute to combined efforts of all who have been instrumental in the achievements of the School of Medicine.

"The staff of the school," he said, "is most pleased with the action of the liaison committee. We sincerely thank all those in the physician community, the citizens of Lubbock and West Texas, the affiliated hospitals and the Lubbock County Hospital District and particularly its chairman, Mr. Barney E. Rushing, Jr., for all of their many contributions to the success of this venture."

"The passing of this milestone," he said, "enables the Medical School staff to proceed with renewed vigor and assurance in preparing our educational program and facilities for the advent of students in the fall of 1972."

MIND CONTROL CONVENTION TO CELEBRATE FIFTH YEAR

AMARILLO--Residents from throughout the Texas Panhandle will be joined by Oklahoma and Kansas friends Oct. 29 for a fifth Anniversary Convention of Silva Mind Control in the Tri-State area.

Students and graduates of the Silva Mind Control educational program will gather for three days of meetings and lectures. Convention headquarters is the Villa Inn at I-40 and Grand Ave.

Speaking during the convention will be SMC's founder and president, Jose Silva of Laredo; SMC's vice president, Harry McKnight, of Lubbock; Dr. N.E. West of Wayland Baptist University in Plainview, and others contributing to SMC's 27-year success.

The convention commemorates the fifth anniversary of the first SMC class held in Amarillo in 1966. Convention theme is "Creative and constructive activities to make this a better world to live in." Program director is Nelda Sheets.

Registration opens at 4 p.m. Oct. 29 in the new Amarillo SMC center, Suite 509, Band of Southwest Building. The Friday evening program includes workshops for men and women and an 8:30 p.m. general assembly at the Villa Inn.

At 8:30 p.m. Friday, McKnight will direct a program to include talks by Texans Margaret Kirk, April Lawrence and Annalisa Freeman. They will discuss Mind Control and dreams, yoga and creativity.

Registration continues from 8 to 9 a.m. Saturday at the inn. A 9:30 a.m. assembly will offer a keynote lecture by Harry McKnight entitled "Creative and Constructive Activities."

McKnight will be followed at 1:30 p.m. by talks on "Mind Control in the Classroom," "Designing With Alpha," (a style show of Charlene Bull's fashion designs, "Winning Creatively," and "Your Creative Heritage."

At 9 p.m. Saturday a reception will be held to honor Jose Silva, Dr. N.E. West, Doris Fitz and the first students of the Amarillo SMC program. The reception will be held at the Doris Fitz Art Gallery, 1709 Polk.

Sunday's program opens with a 9:30 a.m. general assembly, chaired by Harry McKnight. Principal speakers are Dr. N.E. West who is to discuss "The Heritage of Mind Control," and Jose Silva with "Let Us Make This A Better World To Live In."

After lunch, Rev. Francis Smyer will discuss "The Complete Person, the Creator." Jose Silva will continue the closing program with "Let Us Help Humanity." Harry McKnight will end the convention with "Where Have We Been, Where Are We Going?"

The convention programs are open to the public.

HIGH SCHOOL NEWS

by Steve Reed

Homemakers of America.

Homemakers of America.

Last week, each class elected a candidate for Halloween Queen and Monday at 2:00 they were presented to the student body. First was the Freshman Candidate Fanny Fugwump (Virginia) Ortega. The Sophomore Candidate was Delilah (Randy) Davis. The Junior Candidate was Anglemimah (Billy) Giles. The Senior Candidate was Deloris (Dee) Vanderburg.

Well, those are the candidates and everyone is urged to go out and vote for the candidate of your choice on October 30 at the Halloween Carnival.

The assembly Monday morning at the varsity gym was very inspiring. The High School Band play 2 songs for the prelude. Next, the High School Choir sang "Freedom Isn't Free" followed by the presentation of the flag and the Pledge of Allegiance by Cub Scout Pack 78 Den 5.

Bob Kiser gave the Invocation and then the first grade choir sang a medley of patriotic songs Mr. George Collard gave Red S'elton's "Interpretation of the Pledge". His was followed by the 5th and 6th grade choir singing "For America" and "Born Free". Next the 7th and 8th grade choir did "This is Your Land" and "Gonna Build a Mountain".

Ralph Blodgett then gave a moving reading entitled "I'm Proud I'm an American". Mrs. Karen Countiss then sang "God Bless America" followed by Mike Crawford's reading of the Preamble of the Constitution. The Band then played "The Star-Spangled Banner".

The assembly was climaxed by the playing of Taps by Ricky Driscoll. Master of Ceremonies was Ralph Blodgett. The flags were courtesy of the women's Division of the Chamber of Commerce and the Lapel pins were courtesy of the Future

WEATHER REPORT

Clouds which left varying amounts of moisture over the area, dumped .60 of an inch in rain gauges in Spearman Tuesday morning. With the .48 of an inch received earlier this month, and the .21 which fell Oct. 20, this brings October's rainfall total to 1.29 inches.

The week's weather report follows:

Oct. 20	65	32	.21
Oct. 21	72	39	
Oct. 22	63	47	
Oct. 23	65	38	
Oct. 24	73	43	
Oct. 25	76	47	
Oct. 26			.60
Week's total			.81
Month's total			1.29

HALLOWEEN

Happening Here

Halloween "Queen" candidates have been selected by SHS classes and the race is on as each class begins its quest for penny votes--to name the winner.

The queen will be crowned at the Halloween carnival Saturday night, sometime around 10 p.m.

Candidates are: Freshman-Virginia Ortega, better known as "Fanny Fugwump." Sophomore-Randy Davis, "Delilah." Junior-Billy Giles, as "Anglemimah." Senior-Dee Vanderburg, "Deloris."

The carnival is sponsored each year by the high school student council. Council president Jay Holland said several spaces for booths are still available if some club or organization wishes to fix one for Saturday night.

The carnival, which opens at 6:30 p.m. in the Community Building, will offer fun-for-all with the following booths already planned for: dunking board, Bingo, cake walks, country kitchen, spook house, morgue, pie throw, coin toss, dart throw, jail house, with many food booths serving all sorts of good things to eat.

Everyone is invited to attend the Halloween Carnival Saturday night, October 30.

CHRISTMAS DECORATION WORKSHOP

The public is invited to attend the Christmas Decoration Workshop presented by the Home Demonstration Clubs November 9. The workshop will be from 9 a.m. to 3 p.m. at the club room. There will be a \$1.00 charge to cover supplies.

Anyone may purchase the book Christmas Time at Home by calling 2871 or 2030. There is a charge of 35¢ for the book.

BAKE SALE TO RAISE MONEY FOR H-D ROOM

The Home Demonstration Clubs will have a combined Bake Sale November 3 beginning at 9 a.m. at Cut Rate and Ideal grocery stores. The proceeds will go to have the ceiling in the home demonstration clubroom lowered.

Rotarians Plan Chili Supper

The Spearman Rotary Club will be serving chili dinner on Friday November 12 in the junior high school cafeteria from five to seven p.m.

The taste tempting chili will be home made by the Spearman's Rotary Club chef and will be served along with crackers, butter and coffee.

President Don Hergert will distribute tickets to the club members during the regular Monday noon luncheon. According to Hergert, children under twelve will be served at half price rates.

Due to the fact that tastes differ in so far as pepper is concerned, plenty of red pepper will be on hand so each diner will be able to spice his or her chili to the desired degree.

The recipe used for the chili will be a combination of the famous H. A. Smith Texas Chili with a few added touches by the Rotary Chef.

The last Rotary Club dinner was a spaghetti dinner served over a year ago. The Rotarians are hopeful for the kind of attendance they had on that occasion.

TGSPB Election Results

Results of the biennial election of the Texas Grain Sorghum Producers Board were released today following completion of the vote count.

Four directors were elected for a six year term on the board of TGSPB. They were Mr. C. C. "Pap" Reed of Kress; Mr. A. R. Dillard of Hereford; Mr. Gerald McCathern of Hereford; and Mr. Worth Jones of Hart.

The canvassing committee included Mr. K. B. Parish, Chairman of TGSPB Board; Judge Rodrick Shaw, Lubbock County Judge; Mr. Bill Gunter District Agent, Texas Extension Service; and Bob Gray, representing Texas Commissioner of Agriculture, John C. White.

Other candidates whose names appeared on the ballot were Melvin Barton of Dimmitt; Charles Heck, Jr. of Nazareth; and Martin Gossett, Jr. of Dumas. There were 61 write in candidates recorded from ballots.

The total number voting was only 1,065 even though 28,000 ballots with post paid return envelopes were mailed to farmers with extra ballots placed in each county agent's office.

New Business To Open

Mrs. Evelyn Kingsley has leased the building on main street, formerly Smith's Variety Store, and is remodeling and building stations for four hair dressers.

The beauty salon will be open soon for business. Mrs. Kingsley said she hopes to be open by November 8. Grand opening festivities will be announced at a later date.

Besides Mrs. Kingsley, Frances Holdeman, Helen Clack and Gloria Fuller will be employed there as hair dressers.

These women need to introduce to the public. They have all had many years experience in beauty salons in Spearman.

Down-town merchants welcome this new "neighbor" and look forward to the opening of the beauty salon.

FFA STUDENT SWINE PLACE AT STATE FAIR

Judging results from the State Fair of Texas Junior Livestock Show were received by this newspaper this week and revealed the following Spearman FFA students placed with swine:

Chester White Barrow 195 lb. class, Lonnie Lutz 7th place.
Hampshire Barrow -195 lb. class, Seth Ralston 10th place.
Hampshire Barrow 200-lb. class, Lillian Ralston, place.

Texhoma Soldier Finishes Course

Obituaries

Mrs. Eulah Ann Pond, 87, of Santa Rosa, Calif., died Sunday in the Santa Rosa General Hospital. Mrs. Pond had lived in that city 25 years moving there from Blanket, Texas.

Survivors include 4 sons, 6 step-sons and two daughters. One step-son is J. T. Pond of Spearman.

Mrs. Opal Evans Muffett, 57, died Saturday in High Plains Baptist Hospital in Amarillo where she had been a patient for six weeks. She had been a resident of Perryton for 20 years and was a member of the Pentecostal Holiness Church.

Survivors are two sons, James Evans of New Mexico and Charles Evans of Perryton; four daughters Mrs. Odie Batts and Mrs. Donald Holcombe of Perryton; Mrs. Orvil Stafford of Spearman and Mrs. Bill Hammer of Woodward, Okla.; one brother and one sister and 30 grandchildren.

Mr. H. J. Locke, father of Laird Locke of Spearman, died Thursday, October 21 at a hospital in Cisco, Texas. He had been a patient there for three weeks.

Mr. Locke would have been 90 years of age on October 22. He had been a resident of Cisco for 22 years. He was a retired employee for an Oil and Gas Company.

Funeral services were held October 23. He is survived by one son, Laird, two grandchildren and two great grandchildren.

205 Main
Spearman

Mrs. Raford Clark, of Waka President of Spearman Music Club, will give the formal opening of the District One Texas Federation of Music Clubs Convention at 9:30 a.m. Saturday, Oct. 30.

Members and delegates of both Junior and Senior Music Clubs from District one will register for the all-day meet at Spearman's United Methodist Church.

Mrs. Clark, who is piano teacher in Waka, will also direct the District Choir when it performs for the Fine Arts Program at 2:30 p.m. Saturday. This program is "free" to the general public and will be held in the church sanctuary. The musical program features many outstanding performers from this area.

Debbie Pavillard will be one of the talented performers on the Fine Arts Program. Debbie lives in Gruver with her mother, Mrs. Irene Pavillard, who is a Spanish teacher at Gruver high school. A senior in GHS, Debbie is involved with Spanish Club, Pep club, the Harmony Junior Music Club, High school choir and other school activities.

Music is her most interesting hobby, but she also finds time to sew, water ski, and participate in other sports. Debbie has studied piano for twelve years under Mrs. Billie Jo Forney at Borger. She was presented with a music scholarship this past

year from the Gruver Music Club.

Miss Pavillard says the highlight of her musical career was studying last summer in Aspen, Colorado under Miss Mary Norris of Florida State University.

Upon graduation from high school, Miss Pavillard plans to attend Texas Tech University where she will major in Piano Pedagogy and Choral Training.

Another feature on Saturday's Fine Arts Program will be Mrs. Eldean (Evelyn) Reed of Borger, a well-known Colortura Soprano. Her musical career began in Chicago where she studied at the studio of Manuel and Williamson Cosmopolitan Conservatory. She has also performed with the St. Louis Opera.

Mrs. Reed has been a resident of the Texas Panhandle for 21 years and lives with her husband and three children in Borger, Texas. Her eldest daughter, Mary Evelyn, is expected to be following her mother's footsteps. Both mother and daughter did a beautiful performance recently at Die Fledermaus with the Amarillo Grass Roots Opera Cast.

They will be among the performers on the Fine Arts program beginning at 2:30 p.m. Saturday, October 30 a feature of the District One Convention of the Texas Federation of Music Clubs.

Mrs Lackey Is Bridge Hostess

Gwenfred Lackey was hostess Monday, October 25, for the Blue Monday Bridge Club. Snacks were served to Mmes. Bill Gandy, Vester Hill, Pope Gibner, Sam Graves, L.S. McLain, Major Lackey and Mildred Daily. Mrs. Pope Gibner won high.

Bayless-Porter Vows Exchanged

Miss Judy Ann Bayless and Alvan Edlund Porter of Dallas exchanged marriage vows Oct. 23 in Wesley Chapel of Lovers Lane United Methodist Church. Officiant was the Rev. Dr. Thomas J. Shipp.

Mr. and Mrs. T. W. Bayless of Gruver, Texas and Mr. and Mrs. William T. Porter of Oklahoma City, Okla. are parents of the newlyweds.

Given in marriage by her father, the bride was attended by Mrs. Mathews G. Hayden, matron of honor. Best man was John Shackford of Oklahoma City.

After a wedding trip to San Francisco, Calif. the newlyweds will live at 6826 Shady Brook in Dallas.

A member of Chi Omega, the bride attended SMU and was graduated from the University of Arizona. Her husband, a member of Delta Upsilon, received his bachelor's degree and master's degree from the University of Oklahoma.

WOMEN ATTEND HORTICULTURE CONFERENCE

Sylvia Wilcox, owner of Wilcox Greenhouses, and Gladys Russell attended the Oklahoma University Greenhouse Conference held Oct. 20 and 21 on the campus of the University in Stillwater, Okla.

The conference was co-sponsored by the OSU horticulture department of the Oklahoma State Florists' Association, in cooperation with the OSU Extension division.

The study course included the different plants, bedding and potted, and their diseases and the old and new chemicals to control them.

Christmas 'Want' List Is Released

This is the time of year when the Wichita Falls State Hospital releases its annual "want" list donations for Christmas gifts needed by men and women patients in that institution.

People wishing to send gifts should mail boxes labeled "Christmas Gifts" to Wichita Falls State Hospital, Volunteer Service Dept., Box 300, Wichita Falls, Tex. 76307.

1971 Christmas needs for both men and women include gum, robes, candy, coffee, crayons, puzzles, cigarettes, color books, bath powder, bedside rugs, small bud vases, small individual picture frames, children's books and games, individual art kits, spray deodorant, large size underwear, coffee mugs, shower shoes, address books, moccasin socks, sweaters, billfolds, rain coats.

Baptist Young Women Install New Officers

The Baptist Young Women of the First Baptist Church met in the church parlor Wednesday, Oct. 20 at 10 a.m.

The meeting was called to order by the president, Mrs. Burton Plain.

Mrs. Bobby Archer, Mission Support Chairman, gave the calendar of prayer followed by a prayer led by Mrs. Wayne Davis.

After a brief business meeting, Mrs. Jimmy White began the program by reading one of her original poems, "Changes and Choices," a book about the organization and purposes of the Baptist Young Women, was given by Mrs. Davis.

Mrs. Ray Castle from the First Baptist Church in Perryton was then introduced. She explained the different organizations which make up the WMU; then installed the new officers by describing the duties and responsibilities of each office. Each officer was

presented a gold felt book mark as she was installed. The meeting was closed with prayer by Mrs. Castle. Refreshments were served by Mrs. Wesley Garnett, Jr. to Mmes. Tommy Lovett, Mike Holt, Curtis Harbour, Jimmy White, Bobby Archer, Boyd Dean, Wayne Davis, Burton Plain, Jim Davis, James Lindsay, Randy Moore and to two guests, Mrs. Ray Castle and Mrs. Ronnie Gaines of Perryton. The next meeting will be November 3 with Mrs. Tommy Lovett as hostess.

Brownies Are Practicing For Initiation

The 1st year Brownies met Monday, October 25, at the Scout House to practice on their requirements for initiation into the Brownies.

Refreshments were served by JoLinda Bolling to sixteen girls and Mrs. Ray Donahue, Brownie leader, Wilma Francis, and Zetha Blackburn assistant leaders.

Whitsons' Visited With 'Agent' Son

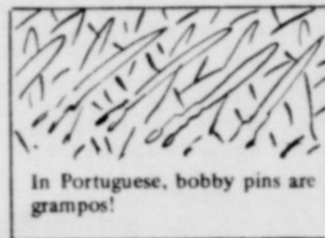

Mr. and Mrs. Jack Whitson recently attended the Kansas State Fair and visited in Greensburg, Kansas with their son, Tom Whitson.

Tom is County Agent at Greensburg and he had a number of his county 4-H projects entered in the State Fair.

The County Agent writes a regular column in the Kiowa County Signal newspaper titled "Tips from Tom." The column is very interesting and carries current helps and hints for farmers, ranchers and cattlemen in that county.

In the October 6 column, Mr. Whitson's column carried many helpful suggestions to

livestock owners concerning prevention of disease in livestock. Tom listed several steps livestock owners might take to prevent their calves, cows, feeder stock, etc. from contracting disease. He ended his column by saying "these are a few things that can be done to help your cattle operation but the main thing is to think about a preventative program rather than a cure for the disease."

Kitchens' Enjoy Trip To Germany

Recently returning from a very interesting trip to Germany are Mr. and Mrs. T.C. Kitchens. They flew from Lubbock to New York where they boarded another plane to Frankfurt, Germany. They were met at the airport by their daughter and son-in-law, Mr. and Mrs. Burton Williamson who is with the U.S. Army stationed at Erlangen, Germany.

The Williamsons took Mr. and Mrs. Kitchens on a sight-seeing tour over part of Germany. They traveled to Munich and saw where the 1972 summer Olympics will be held. From Munich they drove to Garmisch and toured the castle, Neuschwanstein, a fairy-story castle, which was built by King Ludwig II in Bavaria in the middle 1890's. Mr. Kitchens and Burton then traveled by train and cable car to the highest mountain in the Alps called Zugspitze. It had snowed 10 inches before they arrived. Journeying on to Berchtesgaden the Kitchens and the Williamsons went to Hitler's Eagle Nest. This was given to Hitler on his fiftieth birthday and captured by the British during World War 2.

They drove into Austria where they stopped in Salzburg and toured one church that was built in 1082. Mrs. Kitchens said there are no words to describe the beauty of the church. It was so ornate with gold and marble carvings and paintings on the ceiling. They also saw the birth place of Mozart in Salzburg.

Traveling on to Lake Chiemsee they toured the Herrenchiemsee Palace started by Ludwig II. Only twenty rooms were completed when Ludwig met his death. He had slept in the palace only one night. Each room in the palace was made of something different. For example, there was one room made of Dresden china. Everything in the room was made of this. There was the gold room with all the furniture made of gold.

They went on to several other towns and then on to Nu-

remberg, Germany where the famous Nuremberg trials were held. There they saw the Golden Fountain and Church of Our Lady that was built in 1509. They also saw the "walled in city" of Rothenburg that was built in the 13th century.

Mr. and Mrs. Kitchens were in Germany for two weeks and said compared to the living standards of America the people are very poor, but God had given them such a beautiful country to live in that they believed this made up for the poverty.

MUNDYS' RETURN FROM TRIP TO VA.

Mr. and Mrs. E.D. Mundy of Spearman have recently returned from a visit with their daughter, son-in-law and their son, the Myrl Guy Jones of Radford, Va.

While there they toured Monticello, Jefferson's home, near Charlottesville and Appomattox courthouse, where Lee's surrender took place. On another occasion, they spent several hours on the Blue Ridge parkway. The foliage was late turning but there were some red and yellow accents. All that area is lovely.

In the mountains of West Virginia on the first day of their return trip, the foliage was more advanced. All day they drove through marvelous scenery on good roads that twisted like a corkscrew up and down the mountains. Night brought rains.

Saturday noon found them in Radstown, Kentucky, which was the end of the Wilderness Trail in the late 1700's and early 1800's. Talbot Tavern still serves the public as it did at that time. Among many famous visitors were Louis Phillip, exiled king of France, and companions. At St. Joseph's Cathedral, religious services have been held daily since 1803. It is a very spacious

and impressive building, a tribute to the religious faith and the ingenuity of its builders. The numerous lofty pillars are basically poplar trees, cut on the grounds, with plaster and paint, they rival in appearance those in other churches. The architect was John Rogers. The great treasure of the church is the nine original paintings presented by King Louis Phillippe after he was restored to his throne. The paintings are the priceless works of Van Eyck, Van Dyke, Reubens, Van Bree and Murillo.

Another remarkable building is the Rowan House. Continuously occupied by the family until it became the property of the state. This explains the good condition of the buildings and furnishings. Thomas Jefferson was the architect who drew the plans for his friend, Here Stephen Foster, during one of his frequent visits, wrote the song "My Old Kentucky Home." This has led to the estate being called "The Old Kentucky Home."

The high point of the return journey was the Saturday night and Sunday spent attending the International Convention of Christian Churches at the Convention Center in Louisville, Kentucky. The addresses and music were thrilling and the throngs of delegates from many places were most interesting.

Visits with relatives in eastern Kansas concluded their vacation.

Den 5 Scouts On Television

Cub Scouts, Den 5, met at the court house Monday afternoon to present their display for Veteran's Day. Kevin Russell gave the dedication speech.

The boys also presented the colors at the Veteran's Day celebration held at the Jr. High School Monday morning. Monday night the bows were presented on television.

The boys of Den 5 are David Hall, Mike Owens, Kevin Russell, Jonny Scates, Cole Umphress, Lynn Vernon, Dennis White, and Den Chief, Jimmy Vernon. Mrs. Jack Owens is the proud den mother.

Let Me See
by Sybil

If you are tired of this fast-moving, complex and involved way of life which seems to characterize our 20th century living, and decide to chuck it all and move to a quiet, beautiful, no-people place, I know just the location. Its a place where all you have to do to pass the time is bird watch, and there are plenty of birds for there is nothing much at this place except block after unpaved block of towering trees. Century-old trees, which at this time of year are alive with every golden-red color typical of this fall season. You wouldn't be bothered with traffic congestion on main street, for there is no main street. The quiet little village has a church, a school where 4 students are in daily attendance, a post office and a court house. What else do you need? There's a grocery store, and if you want to buy something you just call the owner and he is more than glad to go down and open up his business for you. You can look any direction (from the court house) and never see a soul, nor hear any sound for hours on end. Need peace and quiet? Move to Lipscomb, the county seat of Lipscomb county. The only building activity in this little hamlet in hundreds of years, is under construction right now. That's an \$80,000 jail house going up right smack on the lawn next to the courthouse. The voted bonds for this structure

some time ago, but from the looks of things they are no hurry to get it built. I doubt if the old town has 100 residents, all totaled. But the ones who do live there, love it. If you've never been there, you are missing something... we passed through there last weekend and just stayed a while. Enjoyed the beautiful foliage, and the quiet secluded feeling, unbelievable in this busy world. Its nice to know there are still places like this on the face of this old "asphalt jungle."

I GUESS IT won't be long before we have Christmas the year-around. The past few years I've noticed the merchants and advertisers in our '4g daily papers begin pushing Christmas buying before we ever have Thanksgiving. This year I see this being done before Halloween gets here. Its all a part of what makes us feel so "rushed" all the time.

Speaking of Halloween, I do hope all our little trick-or-treaters make their annual pilgrimage in search of goodies this Saturday night instead of Sunday. Sunday is really Halloween, but its just doesn't seem right for ghosts and goblins to "begging on Sunday!" They have changed every other holiday date this year, so why not declare Saturday Halloween instead of Sunday, this year. I vote for it. The carnival is Saturday night, so here's hoping our little costumed friends call that night instead of Sunday.

One thing we all must remember to do sometime during the Saturday night hours, is to set our clock back one hour. The last Sunday in October ends daylight savings time, and we get to sleep one hour longer some Sunday morning. Don Windsorfer, pastor of the First Christian church, refused to remind his congregation of this time change. He said by doing this, all those who regularly miss Sunday School and come for church only, will be there in time for SS this next Sabbath day.

IF YOU LIKE good musical entertainment, plan to attend the Fine Arts Concert Saturday afternoon at 2:30 in the Methodist Church. The Spearman Music Club is to be commended for hosting the District Music Club convention here Saturday. There are only a hand-full of members in the local music club.

and this is quite a chore to take on for so few. It means that every one of these women have really been working after-hours doing everything which has to be done for a convention where some 10 senior clubs and as many or more junior clubs will be in attendance. They have worked out a great musical program to wind up the day, Saturday, Oct. 30, and the public is invited to attend. It's free. Go. You'll enjoy the show, which is featuring some real outstanding talent, from this area.

Mr. and Mrs. Eugene Ottaway of Tyrone, Okla. were Tuesday and Wednesday night guests of friends, Mr. and Mrs. Owen Pendergraft. Mr. and Mrs. Richard Gaines were Wednesday and Thursday night guests of her brother, Mr. and Mrs. James Beck of Anadarko, Okla. James was in the Lawton Memorial Hospital in Lawton, Okla.

Mrs. Phil Jenkins visited Thursday with her mother, Mrs. Myrtle Stephens of Borger. Mr. and Mrs. Jack Rossen of Erick were Saturday night guests of her daughter, Mr. and Mrs. Jack Kemper of Spearman.

Mrs. Bob Tevebaugh of Claude spent Saturday night

with her mother Mrs. Bertha Jenkins also visited Mr. and Mrs. Phil Jenkins.

Mr. and Mrs. Doc James of Stinnett were Sunday afternoon callers of her aunt, Mrs. Berda Holt.

Mr. and Mrs. Medlin Patterson weekend guests were Mr. and Mrs. Truett Hester of O'Brien, Texas, Mr. and Mrs. Orel Fatterson of Benjamin, Texas, Mrs. Ruth Kenner of Crowell, Texas, Mr. and Mrs. Earl Albright of Dumas. Mr. and Mrs. John Campbell were Sunday morning callers of the Medlin Pattersons, then Mr. and Mrs. Raymond Sparks and Mr. and Mrs. Pat Patterson and family of Spearman were Sunday afternoon callers.

Mrs. Valle Leffelt of Pampa has been visiting her brother, Mr. and Mrs. T.I. Harbour. She returned home Monday.

Mr. and Mrs. Buster Mitts of Stratford were Sunday luncheon guests of Mr. and Mrs. Raymond Kirk.

Electronic Oven Is Program Topic

The Spearman Home Demonstration Club met Friday, October 22, at the home demonstration club room with Mrs. Frank Davis as hostess. Florence Fislén, home economist for the Community Public Service gave the program on electronic ovens.

Refreshments were served by the hostess to Meses. Cleo Denman, Claude Jackson, Bertie Lewis, A.D. Reed, E. S. Uptergrove, W.A. Schubert, W.H. Tarbox, John Kenney, and visitors Mrs. Ed Hutton, Mrs. John Schubert and Mrs. Hendricks.

Mr. and Mrs. Victor T. Go had a daughter born the 19th. They named her Adeline. A son was born Oct. 22. Mr. and Mrs. Steve Ortega. His name is Raoul. On October 23 a son was born to Mr. and Mrs. Tall Rivera. They named him Ernest. Patients dismissed from hospital since Friday include Elena Tarango and daughter Louis Mesner, Sammy Joe Elsie Womble, Rex McClure, Carl Tucker, Dorothy Lee Omar Hayes, Jack Bell and Ysidra Ortega and son. Patients in the hospital Jose Avila, Stella Rivera, son, Rita Reed, Dwayne L. Is and David Layton.

Three babies were born past week at Hansford Hospital.

County's Car Count At All Time High

The automobile is playing an ever-expanding role in the daily life of Hansford County residents, a national study shows.

Today, as a result of the steady increase in car ownership in the area, only a relatively small proportion of local families are now without cars. Many families, on the other hand, have more than one.

Bearing witness to this growth are the many snappy late-model cars to be seen on local roads and streets as well as the additional congestion caused by the increase in the number of them in use.

The facts and figures are provided for all areas of the country by the Standard Rate and Data Service, through its annual consumer market reports, and by the Automobile Manufacturers Association and others.

They show that Hansford County's auto population is at a high level. As of the beginning of this year there were no less than 3,250 cars in operation locally, equivalent to 165 per 100 families.

It was a larger proportion than was found generally in the United States, 138 per 100 families, or in the State of Texas, 134.

The figures take into account the net change in the number of cars in use, after allowing for the number taken out of service.

The auto industry reports that the retirement rate is accelerating. Currently, people are keeping their cars an average of 5.5 years. At one time it was as high as 9.0 years.

A close relationship is shown between the increase in family income and the increase in car ownership. When there is more money to spend, as in Hansford County, people tend to raise their living standards, particularly with respect to the family car.

The growth in the auto population has been of benefit to service stations in the local area. Their receipts in the year, for gas, oil, accessories and repairs, reached \$1,340, \$1,340,000.

Pumpkin For Halloween

College Station--Goblins roaming the streets on Halloween night will need eyes that adjust from dark to light. And what better way to help than by serving pumpkin for Vitamin A, suggests Frances Reasonover, Extension foods and nutrition specialist.

Vitamin A is the food nutrient needed for normal vision, growth and healthy condition of skin and other body surfaces, Miss Reasonover explains.

"Of course, improvement doesn't occur overnight, as nutrition results aren't immediate," she continues. "What's best is an adequate, regular supply of nutrients each day."

Normal adults require 5,000 International Units of Vitamin A per day. One half cup of pumpkin provides 7285 IU's, which is more than the recommended daily allowance. And, pumpkin is generally inexpensive and easy on the pocket book.

You might even have a pumpkin surprise for "trick or treaters."

Miss Reasonover suggests a hearty, nutritious pumpkin soup. Use your jack o'lantern provided it hasn't been kept too long after being cut.

Make the soup with a slightly thickened chicken broth and light cream soup base. Add mashed pumpkin and tomatoes seasoned with a dash of salt, sugar, nutmeg, thyme, bay leaf, green pepper, onion and parsley.

job, here are some suggestions from Gwendolyn Clyatt, Extension consumer marketing specialist at Texas A&M University.

For eating, choose a bright orange pumpkin, well formed and heavy for its size. A heavy pumpkin will have more meat, thus less waste. And, the specialist says, it is more likely to have a sweet taste.

But for a Halloween jack o'lantern, choose a light weight pumpkin. The less it weighs, the less it costs. It will also have a tough skin and a thinner layer of flesh for easier carving.

If your pumpkin is for pie, Mrs. Clyatt suggests the following procedure: Clean seeds from the inside of the shell, then scoop out the flesh.

Cut the pumpkin into small pieces and cook in a small amount of water until soft. Strain through a colander or food mill.

Remember pumpkin is a vegetable--it can be baked and used like squash too, she says.

Christian Women's Club Meets Monthly

Women from this area are invited to attend monthly meetings of the Amarillo Christian Women's Club, which meets the first Monday in each month in Amarillo.

This is a nationally known organization open to women of every faith. A noon luncheon is held with a special program provided each meeting.

On November 1 the annual men's night meeting is scheduled for 7 p.m. at the YWCA building, 1006 S. Jackson. Reservations costs \$3.00 and can be made by calling Mrs. R.C. Porter of Spearman.

The special speaker for that evening will be Police Lt. Marvin Richardson who will demonstrate target shooting. Jerry Hollingsworth, an Amarillo attorney, will speak on "A Lawyer's Lawyer" and special music will also be provided. A nursery is provided.

Anyone interested may attend. Reservations should be made by October 31, but even without reservations, you are welcome.

Let us get our hand in your cash register, and we will fix it.... call 659-2609

UNICEF Appeals Help World's Needy Children

Millions of disadvantaged children throughout the world are benefiting from the many thousands of dollars raised on behalf of UNICEF, the United Nations Children's Fund. In Latin America and Africa, in Asia and the Middle East, needed food, educational materials and medicine

participated in the "Trick or Treat" for UNICEF drive. This year, in addition to these children's spirited "Trick or Treat" collections for UNICEF at Halloween, there is an important addition, a new way to help. It's called "Treat of Life."

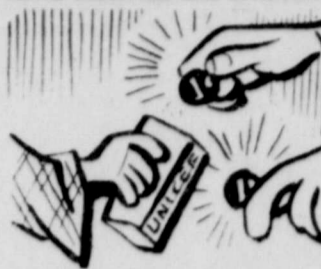

Now American families and businessmen will join forces to help the world's children.

Seven national consumer product manufacturers are cooperating in a unique label-saving program appealing to millions of U.S. families anxious to help those less fortunate.

Housewives, students, clubs and organizations will be urged to save proofs of purchase and submit them from October 1st through November 15th in return for a cash contribution to UNICEF by the sponsoring "Treat of Life" campaign.

brand name products. Consumers will learn of the program in a six-page section in the October issue of The Reader's Digest. Supermarket chains around the country will promote the program. In-school advertising and public relations will also be used to reach and inform students and teachers.

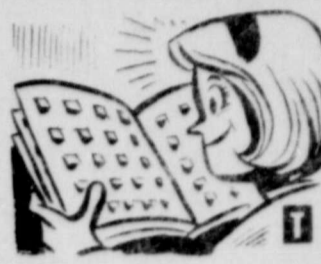

The products whose labels can be redeemed for contributions to UNICEF are Clark

are arriving and being put to use every day thanks to the generosity of American children and adults.

Money for UNICEF's work comes from voluntary pledges of more than 100 governments and contributions from private citizens and groups. It does not share in the UN budget. The broad base of participation in UNICEF -- from coins in a "Trick or Treat" box to a Congressional appropriation -- is one of its great strengths.

In 1970, more than three and a half million students

Gum, Bird's Eye Vegetables, Hunts Snack Pack, Kool-Aid, Pals Vitamins, Peter Paul Candy, and Welch's Jelly. Participants hope to raise more than a quarter of a million dollars for UNICEF.

This year, Halloween will be different because Americans will be helping children throughout the world in a new and meaningful way through the UNICEF "Treat of Life" campaign.

LITTLE KNOWN FACTS ABOUT WOOD IN HOUSING

A little-known fact about wood explains why this house has survived 325 New England winters.

This is the Old Ironworks House in Saugus, Massachusetts. Some people say it's the

best example of an English manor house adapted to New England. It was completed in 1646.

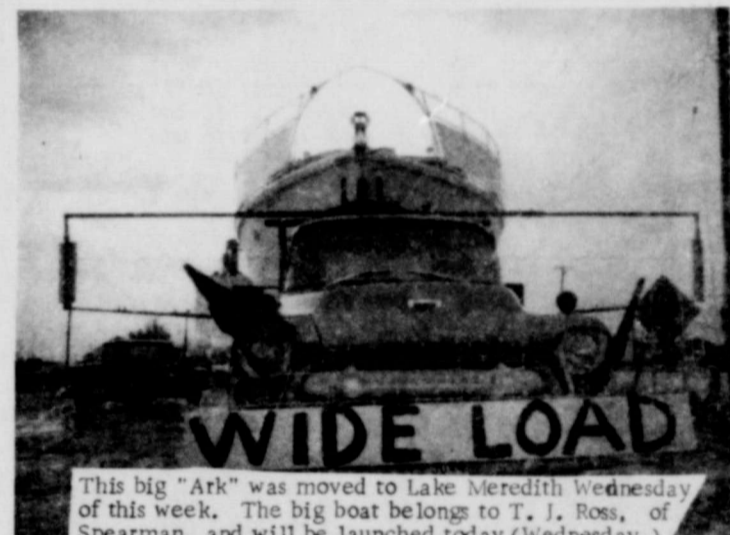

Not every plank in this venerable house is the original wood. But the entire frame is. So are the exterior posts. The subflooring. Most of the floor. Even some of the wood shingles are over three centuries old.

Which brings us to a remarkable fact. The fibers in wood are cemented with a natural glue called lignin. A substance that's impervious to water and extremes of heat and cold. Properly used, wood will last almost forever.

For a free guide to wood products, write American Wood Council, 1619 Massachusetts Ave., N.W., Washington, D.C. 20036.

Patti Blanton is the Senior FHA girl of the month. Julie Calaway is the Junior FHA girl of the month. These girls earned this honor by selling cook books, and participation in other FHA projects.

This big "Ark" was moved to Lake Meredith Wednesday of this week. The big boat belongs to T. J. Ross, of Spearman, and will be launched today (Wednesday.)
