

KICK-OFF AT 7:30 AT LYNX STADIUM FOR LAST GAME OF SEASON, FRIDAY

The Spearman Lynx football team, will have what most fans think, the best game of the year at Lynx stadium, this Friday evening. Kick-off will be at 7:30. The Lynx will be meeting the Panhandle Panthers, another team that is coming on very, very strong. Panhandle upset the Stinnett Rattlers at Stinnett last week, along with the Lynx pulling a stunning high scoring game against Boys Ranch.

Football fans will be treated to a fine half-time show, with the Sweepstakes Spearman high school varsity band, and the Jr. High School bands. Frank Porter's fine Jr. High band is probably the finest in the state, as well as Mickey's varsity band. So, fans want to be sure and come out to see these bands-men.

Coach Mires has done a fine job with his Lynx this year, and they seem to have "come into their own" at Dalhart, two weeks ago.

ARTIST OF THE MONTH--Mrs. Winfield Scroggs work is on display at Hansford County Library during November. The public is invited to view her many lovely oil paintings.

Natural Talent Artist's Paintings

Mrs. Winfield (Grace) Scroggs is the artist whose work is displayed during the month of November at the Hansford County Library in Spearman.

Mrs. Scroggs, who resides on a farm near Stinnett, said she has been painting since she was a child. She has a natural talent, she said, and she has done some water color work. Her pictures are all done from "memories" and "imagination", she said.

Some thirty of her outstanding oil paintings will be exhibited throughout the month. The public may view the paintings any time during regular library hours which are 10 a.m. to 12 noon and 2 p.m. to 6 p.m. weekdays and 9 to 1 o'clock on Saturdays.

ROTARIANS CHILI SUPPER TO BE FRIDAY

The dinner will be served in the Junior High School Cafeteria Friday, November 12 between five and seven p.m.

In addition to the homemade chili, according to President Hergen, guests will be served French bread, butter, cole slaw and peach dessert and coffee.

Opens Sunday

All local and area members of the Farm Bureau are urged to attend the annual convention to be held in Amarillo's Civic Center November 14-17.

The 41-member Texas Farm Bureau Resolutions Committee will meet in Amarillo November 10 to begin preparations for the annual Texas FB convention. This group will compile tentative resolutions that will be submitted to the voting delegates on the final two days of the meeting. The group must consider some 1,500 resolutions on scores of state and national issues sent in by the 206 organized county Farm Bureaus in the state.

It is very important that all Hansford County FB members attend this 38th annual State convention.

The president's annual message will be presented by J.T. (Red) Woodson at the Monday morning, Nov. 15. Speaker for the annual banquet Tuesday evening, Nov. 16 will be Dr. Earl L. Butz, dean of continuing education and vice president, Purdue Research Foundation, Purdue University, Lafayette, Ind.

Council To Enforce "Junked Car" Ordinance

Members of the City Council met Monday evening to hear departmental reports for the month of October and to draw up a new City ordinance declaring an "emergency" providing for disposal of all junked vehicles within the City limits.

The ordinance, passed and approved at Monday night's meeting, reads as follows and is published in this issue of the newspaper on the classified ad page:

"An ordinance defining certain terms, declaring junked vehicles a public nuisance, providing for a procedure for abatement of the nuisance, providing a FINE AND PENALTY, providing for disposal of junked vehicles, granting authority to enforce this ordinance and declaring an emergency."

The passing of such an ordinance, was brought about if not forced upon the city council, by a large contingent of people working with the City Beautification Committee which is conducting a campaign to clean up Spearman. The City Council promised to see that the ordinance was "enforced."

This ordinance simply means that all persons owning old junked vehicles which are parked anywhere within the City limits, must see that such "eye sores" are moved, subject to fine. This is listed as City Ordinance No. 343 and is effective "immediately."

After being notified to move an old junked vehicle, the owner, if he fails to do so, is subject to a fine "up to \$200.00 each day following and "each day constitutes a separate offense." In other words, the owner is liable up to \$200.00 per day fine.

Other business to come before the Council included appointments made to the Board of City Development, Park Board, Library Board and Health Council--PRPC.

During the month of October, police issued 6 traffic tickets, investigated two cases of theft, one dog bite case and one family disturbance. Police arrested 4 drunks, one for disorderly conduct and one for simple assault. There were 12 motor vehicle accidents.

Animal control reports one dog held from September: 29 picked up in October, destroyed 18, 9 were paid out, and one held over.

The total cases filed in City Court amounted to 60. Fines assessed, \$491.00. Paid by student traffic themes, \$54.00; suspended \$15.00, worked out \$85.00 for a total of \$337.00 collected.

Ambulance authorities reported 15 runs made in October: 9 local, 3 to Amarillo, 2 to Perryton and one to Hansford Feedyards.

There were no fire calls during the month of October.

Girl Scout Fund Drive Stated Here

Spearman Girl Scout troops are serving one third of the eligible girls, ages 7 through 17, in a program designed to enrich the life of the young ladies in this age group.

Girl Scouting in Spearman is administered through the Yucca Girl Scout Council, with headquarters in Guymon, Okla. The Yucca Council serves 2000 girls in a fourteen county area located in five states, including Texas, Colorado, New Mexico, Kansas and Oklahoma. Each neighborhood, of which there are 25 active in Girl Scouting, administers its own program through local adult personnel serving as troop leaders, program consultants, members of the Board of Directors and Board Committees.

Girl Scouting offers a program centered around the arts, the home and the out-of-doors, with well rounded program activities in each field. Emphasis today is being placed on needs and interests of girls in the 7 through 17 age range, with opportunity for girl planned program and events. Adult leadership is a vital part of the Girl Scout program with adult roles being that of consultants and advisers.

The work of the local Spearman Neighborhood Association, which includes all troop leaders working with active troops is co-ordinated by Mrs. R.L. McClellan, 717 Townsend St., who is Spearman Neighborhood Chairman. The person in this position also serves as co-ordinator between Girl Scouting and the community; is responsible for the on-going troop activities and presides at the neighborhood meetings of leaders each month.

Local fund drives are held in each community in the council jurisdiction to help carry out the Girl Scout program at the council level and to insure the carrying out of a well balanced program for all girls in the local community who are interested in belonging to the Girl Scout organization which is the largest girls' organization in the world. All of the funds collected in the name of Girl Scouting in Spearman is spent within the council and goes to pay salaries for professional staff members who work a part of each month locally when they give training to leaders, provide program helps and resource materials, help to promote camping opportunities and give on the job help to the neighborhood Chairman. A part of the services of the council also provides complete office services where records are kept, badges and other insignia are stocked and mimeographed materials are produced for the use of the troops locally.

The fund drive in Spearman will be conducted Nov. 30 when workers will be canvassing the town for donations.

Approximately 10 adults in Spearman are serving as troop leaders. These adults are trained for the job and are giving service to their community as they meet week after week with their troops.

Included in the troop leader group are the following: Brownie leaders: Mmes. Melvin Swann, Ralph Bynum, Billy Close, Ray H. Donahue, Jesse Francis, J.E. Blackburn, Junior Leaders are Mmes. Robert Perkins, Albert L. Baker, R.L. McClellan and Jack Moran.

Spearman is represented on the Yucca Girl Scout Council Board of Directors by Dr. H.B. Rinker, Mrs. Marcus Larson and Mrs. Kenneth Evans. Dr. Rinker is also a member of the Yucca Council Finance Committee and Chairman of the local Girl Scout Fund Drive Committee. Mrs. George Rook is a member of the Council Camping Committee. Mrs. Glenn Martin of Guymon is the Executive Director of Yucca Girl Scout Council. Mrs. J.P. Hull and Miss Edna LaDulle are the Field Advisers and Mrs. Mildred Weeden is the office secretary and office manager. Mrs. Hull is the Field Adviser working with the Spearman leaders and may be contacted through Mrs. R.L. McClellan in Spearman or at the Yucca Council office in Guymon.

Tests Gas in Hansford Wildcat

A drillstem test in Hansford County this past week indicates a discovery.

Paradox Petroleum Company tested gas at the daily rate of 1,471,000 cubic feet from the hester on a drillstem test between 7,406-7,519 feet.

The test is operator's No. 1 Harris which reached total depth at 7,519 feet and set 4 1/2 inch casing.

The location is spotted on Section 252, blk. 2 CH&H Sur. This is on the Ben Harris property located 2 miles north and 3 miles west of Gruver. The well is over 20 miles from nearest Chester (Mississippi) production and some three miles from nearest production.

The well is of much interest to Hansford County citizens since it is located in "dry hole country." Several wells have been drilled in that area but so far all have been dry.

Information on the drill stem test concluded: top open 2 hours, 15 minutes, gas to surface in 6 minutes, gas gauged 1,471,000 cubic feet after 80 minutes to end of test. Recovery 210 feet gas cut mud, initial shutin pressure 2,223 pounds in 60 minutes, flow pressure 13-348 pounds, final shutin pressure 2,223 pounds in 105 minutes. Total depth 7,519 feet, set 4 1/2 inch casing at 7,519 feet. Waiting on cement.

WEATHER BULLETIN: The sun is shining, and the harvest continues as of Wednesday morning. Maize farmers are reporting good yields, and are hoping for more sunshine, and dry weather this week.

School Says NO To P. R. P. C.

The Spearman school board ...

The board is doing some research on a "building fee" use. That is, they are trying to arrive at a fair price to charge people outside of the school who use school facilities.

Trap Shoot

1 p.m. Nov. 14 at trap grounds near airport. Prizes are turkeys, ham and bacon. Come out and join in the fun.

Patients in Hansford Hospital are Marlene Winger, Carl Hutchison, Lloyd Poole, Ervin Hester, Theima Davis, George Lowe Jr., David Layton, Ora Bagley, Hazel Morton, Eva Holt.

Dismissed were Hugh Deere, Marie Short, Olga Gafford, Joe Day, Betty Redwine, Irene Snider, Earl Taylor, Faye Windsorfer, Miguel Medrano.

Voters Must Register

The Hansford County Tax office in the Spearman courthouse is still busy registering voters.

As of Tuesday, 1,246 persons had registered. This is not a very good turnout considering 1972 is a Presidential election year.

Deputies in the tax office said a number of 18-year old persons from Gruver had called at the office this past week to register so they could be eligible to vote in a school bond election which has been scheduled soon for that city. However, these young people were advised that they would not be eligible to vote in the bond election. The law states that a person is not eligible to vote until 30 days AFTER registration.

There is no "dead line" for registration now, except in the above named instance. To be eligible to vote in any election, persons must be registered at least 30 days prior to such election.

BASKETBALL SEASON STARTS NEXT WEEK...

Memorial Rites Held Sunday For Tom Roper

Funeral services for Tommy Maxie Roper, 76, of Gruver, who died Friday night in a car-truck collision, were held Sunday.

The Rev. Alan Lynch officiated for the memorial rites held in the First Christian Church in Gruver. Burial was in the Gruver Cemetery directed by Bunch Funeral Home of Guymon.

The accident which took the life of Tom Roper occurred about 8:40 p.m. Friday about 4 miles north of Gruver on highway 136. The driver of the truck, Linda Pittman of McAuley, Manitoba, Canada, was not injured according to State highway officers.

Mr. Roper was married to Edith Bratton in 1934 at Stratford. He has been a resident of Gruver for 50 years. Before retirement he had been a city employee in Gruver. He was a veteran of WW I and a member of the Methodist Church.

Survivors include his wife, a son Donald of Clovis, N.M.; a daughter Mrs. Maxine Ferguson of Amarillo; one sister Mrs. Retah Gibbs of Stratford and one brother H.H. Roper of Gruver, and four grandchildren.

ROTARY CHILI SUPPER

FRIDAY NITE

5 TIL 7

THE CHILI SUPPER WILL BE SERVED IN THE JR. HIGH SCHOOL CAFETERIA FRIDAY, NOV. 12

NEW USES FOR OLD BLEACH BOTTLES

Don't throw away your empty bleach bottles! Use them to make dozens of useful articles for indoors and outdoors, holidays and parties, fun and games. All you need are a few simple tools and a *Bottle-craft* booklet, which is available FREE from special Clorox Liquid Bleach displays at your local grocery store.

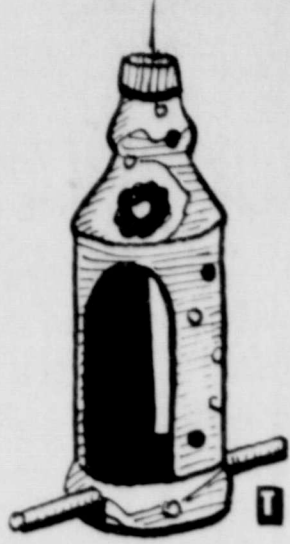

The booklet itself is full-color, showing 48 different articles to make from empty Clorox bottles. Instructions

are given for useful household articles like a sewing kit and bird feeder or for great Christmas Holiday and gift items, such as a Santa Claus, hand puppets, and party-masks, making it a perfect way for both adults and children to make inexpensive holiday gifts! Also, the booklet suggests many excellent projects for handicraft classes and youth groups. Both adults and children enjoy the many fun ideas presented in the *Bottle-craft* booklet.

The booklet also contains instructions for entering a

National Bottle-craft Contest offering a cash prize for the most novel idea for something that can be made from an empty bleach bottle (or bottles). To enter, the contestant should send in a simple sketch of the craft item along with written assembly instructions (a picture of the item may also be included). Each entry is judged by The Clorox Company. See full contest details in the *Bottle-craft* booklet available at your grocer or write: The Clorox Company Consumer Services Department P.O. Box 24305 Oakland, California 94623

General Telephone Workers To Receive Wage Increase

SAN ANGELO--The Office of Emergency Preparedness has notified General Telephone Company of the Southwest that portions of the new labor contract between the company and Communications Workers of America can be put into effect.

Some 5,300 employees in the five state area served by the company will receive wage increases November 12 for the pay period from October 24 to November 6. Retroactive wage increases to June 20 are being computed and will appear on checks as soon as computations are completed.

The effective date on the contract was delayed because of the Presidential wage-price freeze imposed August 15.

OEP ruled that since temporary agreement on the new contract was reached prior to August 15, those portions of the contract which were to have been effective prior to August 15 can become effective. Wage and benefit provisions of the agreement effective after August 15 cannot become effective until after guidelines are issued by the Wage-Price Board following the freeze period.

The company and union announced agreement on the three-year contract August 6, retroactive to June 20. Ratification by the union membership was completed August 26 and the contract signed September 22.

GOLDEN TOUCH OF HOSPITALITY

Macaroons From England To grind the almonds for these chewy cookies use an electric blender or a special nut grater.

- Macaroons
- 1 1/4 cups ground blanched almonds
- 1/4 cup sugar
- 2 egg whites
- 2 tablespoons corn starch
- 2 teaspoons water
- 1/4 teaspoon vanilla
- 18 to 20 blanched almond halves

Mix ground almonds and sugar. Add unbeaten egg whites, reserving about 1 tablespoon. Stir until well blended about 1 minute. Add corn starch, water and vanilla, stirring well after each addition. Drop batter onto foil covered baking sheet by teaspoonfuls 3 inches apart. Brush cookies with remaining egg white, then place almond half on top of each. Bake in 375°F. (moderate) oven 15 minutes or until evenly browned. Cool on wire rack 3 to 4 minutes. Peel off foil; cool cookies on wire rack. Makes 1 1/2 dozen.

CHILDREN'S PLAY SET FOR NOV. 16

"The Wayward Clocks" will come to life on the stage of the Spearman High School Auditorium, Tuesday, Nov. 16 at 7:30 p.m. This is the play for the Drama Department's Annual Children's Play. The action takes place in the shop of Herr J. Auerbonger, clock-maker. His assistant is Willie, who is more interested in spring and marrying a Princess than in attending his duties. Matilda is Herr Auerbonger's hardworking daughter who tries to help Willie out of all his trouble. But when the Princess arrives at the Clock Shop, it is the clocks who teach Willie a lesson, as they turn the shop into utter chaos and confusion. The characters are: Herr J. Auerbonger-Scott Vernon; Matilda-Debbie Dudley; Willie-Lynn Parks; The Princess-Teresa Dorch; Grandmother Clock-Jean Porter; Dresden Clock-Michelle Mackie; The Clock Shepherdresses-

Lorrie Ramsey and Debra McCoy; Cuckoo Clock-Camille Baggerly. This promises to be one of the most enjoyable children's plays that has been presented in a long time. Everyone will enjoy it. Children of all ages will be glad they were transported to the magic land where clocks come to life.

Members Wanted For Rod & Gun Club

Have you ever seen two rooster pheasants fighting out in the wilds? I can tell you from my own personal experience that it is a tremendously thrilling sight! If our children are to ever get the chance to see such a thrilling sight, out in the wilds, we, the grown-ups of today,

are going to have to protect and conserve our game birds and animals now!!!

The Hansford Rod and Gun Club is striving to protect and conserve our game for future generations.

The Hansford Rod and Gun Club is doing this by trying to make good sportsmen out of its members and by training their junior members in the use of and handling of guns. If you would like to find out more about the Hansford Rod and Gun Club you can contact Bill Porter at 213 South Archer or Bill Christenson at Ideal Food Store or Box 846, Spearman, Texas 79081.

GRUVER SOLDIER IN GERMANY FOR SPECIAL DUTY

Army Specialist five Ronald G. Castor, son of Mr. and Mrs. Harry F. Castor, Gruver, Tex., is participating with more than 11,000 troops in

exercise reforger 111 in Germany.

He is a tank gunner in company A, 4th Battalion, 63rd Armor of the 1st Infantry Division at Ft. Riley, Kan.

His wife, Angie, lives in Manhattan, Kan.

The "Big Red One" division consists of three brigades. The 1st and 2nd brigades are based at Ft. Riley and the 3rd brigade is permanently stationed at Augsburg, Germany.

The men of the 1st and 2nd brigades, with support units, flew to Germany to join the 3rd and move to the exercise area extending from Munich to near the Czechoslovakian border. Emphasis in the exercise was placed on testing procedures for receiving, assembling and deploying army units once they arrived, rather than on rapid air transport from the U.S.

In the field maneuver phase of the exercise, units of the 1st Infantry division and the Canadian 4th Mechanized battle group engaged in simulated combat with the "Aggressor Forces" of the U.S. 1st Armored Division (regularly stationed in Germany) and the German 35th Panzer Grenadier Brigade.

Exercise reforger 111 is the third annual operation in the series. The exercises are designed to fulfill U.S. commitments to Nato and those made in the 1967 Trilateral agreement between the U.S., the United Kingdom and the Federal Republic of Germany. The movement to the exercise area began Sept. 26. Ft. Riley troops will return by 1st week in Nov.

The college professor who comes in 15 minutes late is rare--in fact, he's in class all by himself.

We asked a new bride we know how long she intended to keep working. "From here to maternity," she replied.

Dr. Robert E. Mager, foot specialist announces that he has now assumed the practice of Dr. A. Hodkin, 402 S. Main, Borger, Texas. Hours 9-5 Tuesday and Thursday. Phone 273-2141, 50T-8tc

Paved Road North To Oklahoma Line Forth Coming Project

The Texas Highway Commission has approved development of 6.4 miles of farm to market roads in Hansford County as part of the 1971 Texas Farm to Market Road Program.

District Engineer, Charles W. Smith of the Texas Highway Department said the estimated cost of the work is \$198,000.

The project will consist of construction of grading, structures, base and surfacing on a section extending 6.4 miles south from F.M. 1261. 1.7 miles south of the Oklahoma State Line.

The work will be under the supervision of Mr. L.R. Loyd, Supervising Resident Engineer at Perryton.

Hansford County Judge Johnnie C. Lee said this road was located east of the Panhandle Eastern Plant in the northern part of this county. Judge Lee said county commissioners have made plans to pave the rest of this old road which will connect with the paved road running north from the Spearman Airport. When completed, this will give county residents a paved road all the way north to the Oklahoma line. The county's part of the paving would amount to approximately 5 miles.

The work authorized for this county is part of 304.3 miles of new construction and additional financing for 177.1 miles of FM and RM Roads previously designated and constructed in stages. Estimated cost of the program Statewide is \$20.0 million.

Texas has some 40 thousand miles of paved secondary roads under State-maintenance in the Farm to Market system.

Of the new construction in the program, 290.8 miles are new roads being added to the system. Of this total 192.8 miles or 66 per cent are school bus routes and 178.6 miles or 61 per cent are rural mail delivery routes.

Originally intended to get Texas farmers and ranchers out of the mud and to provide

for movement of agricultural produce to markets, the FM system also now affords city dweller and rural resident alike access to hundreds of new lakes and other recreational areas in the State.

In addition, the FM system supports the movement of goods and workers to the many new industries now operating in smaller cities and towns in Texas.

Sales Manager: "I want every man on our staff to carry an order blank in his pajamas, in case he walls in his sleep."

Heard about the farmer who kept his hens in a clothes dryer? He was hoping they would lay ready-made omelettes.

An old timer remembers when it cost more to run a car in the city than to park it.

Class reunions are going to be real confusing 25 years from now when everyone has a haircut.

Teentime Partytime

by Betty Crocker

When the teenagers are coming, think big. Plot your party refreshments, then double up on quantity. And to please their bottomless appetites, how about a batch of Fun Doughnuts? Or a double batch maybe? With an array of do-it-yourself frostings and toppings, which is what makes Fun Doughnuts fun. The teens frost them themselves while sipping Mulled Apricot Nectar. Real groovy, Mom. The doughnuts you can make ahead, you know. Then cool and freeze in plastic bags. On party day, thaw in freezer wrap. Or if you're in a hurry, remove from wrapper and thaw in 325° oven about 15 minutes. Now let's run through the recipes.

FUN DOUGHNUTS

2 cups New Bisquick
2 tablespoons sugar
1/4 cup milk
1 egg

1 teaspoon vanilla
1/4 teaspoon cinnamon
1/4 teaspoon nutmeg

Fun Frills (right)

Heat salad oil (3 to 4 inches) in heavy saucepan or deep fat fryer to 375°. Mix all ingredients except Fun Frills until smooth. Gently smooth dough into a ball on lightly floured cloth-covered board; knead 10 times. Roll 3/8 inch thick. Cut with floured doughnut cutter. Drop rings, 3 or 4 at a time, into hot oil. Fry about 1/2 minute on each side or until golden brown. Lift from oil with fork; drain on paper towels. Makes about 1 dozen.

Fun Frills: Set out several kinds of Betty Crocker Ready-to-Spread Frostings and bowls of chopped peanuts, flaked coconut, chocolate shot and colored sugar. Guests frost and decorate doughnuts as they eat them.

MULLED APRICOT NECTAR

1 can (46 ounces) apricot nectar
1/2 lemon, thinly sliced
2 cinnamon sticks
15 whole cloves
8 whole allspice

In large saucepan, combine all ingredients; heat to boiling, stirring occasionally. Simmer 5 minutes; remove from heat. Cover and allow to stand 30 minutes. Strain; serve hot. Makes twelve 1/2-cup servings. For munching, serve hot popcorn.

ATTENTION--ALL CATTLEMEN

RANCHERS---FARMERS---FEEDLOT OPERATORS

A good active cattle Auction prevailed here last Friday, Nov. 5th. We sold 3535 Cattle and Calves. The Auction started at 12:30 p.m. and was completed at 8:05 p.m.

BALANCE OF OUR NOVEMBER SCHEDULE

Me See

by Sybil
for the late evening
Globe Times over
printing publication...

and one of the reasons is the Turnstile column written by Thomas Thompson, editor. A few days ago he listed several ways in which Russia, internally, has made unbelievable strides in the past few years. In giving the devil his due, we must come up with a grudging respect for the many things the Soviets have been able to accomplish without fanfare. For instance: Russia is the cleanest country in the world. You see no litter anywhere. No pollution. Dumping in the Moscow River was halted overnight and the river was lined with a gravel bottom. There is no thievery or armed robbery. The young people are not discontent. They are loyal to their government. They all recognize they are much better off than their parents were. (perhaps they have been brainwashed by propaganda.) Heavy drinking has been curtailed in Russia. Suddenly the government realized that the average man was consuming too much vodka. The price of vodka was increased by 300

percent and the alcohol content reduced by 35 percent. That's the Soviet's way of dealing with alcoholism. Russia has achieved 100 percent literacy. The average person is optimistic, smiling, trim in figure and intelligent. The food is not fancy, but is appetizing and wholesome. Moscow doesn't want every Russian family to own a car of its own. Instead it has developed the best mass transportation system in the world, besides the fast electric trains. Moscow people travel by hydrofoil boats in the Moscow River. Air pollution is negligible. When the government decides on a program, it moves out fast. For example, the government realized the need for a 100-mile long irrigation canal. Here in the U.S.A. engineers estimate it would take more than 40 years to build a canal from the Mississippi River to West Texas. In Russia only 45 days was required to build a 100-mile long canal. Mostly farmers--450,000 of them--using their

own equipment, turned to the task. In a month and a half the project was completed. Here in America none of us have any admiration for the Soviet form of government... the lack of personal freedom is the main drawback. All Russians think like the government thinks. In the good old U.S.A. we like to think and act as we choose... after all this is our creative birthright. God gave men the right to choose for himself. If we want to pollute, we do. The Government just forms an anti-pollution agency and sticks us for the research costs. We raise our kids the way we want to and when they grow up to be discontent and unhappy... we blame it on the condition of the world. If they turn out to be thieves & robbers, the courts send them to the correction centers and we pay the bill via taxes. If we want to drink like a fish and end up an alcoholic, that's our business. We can take a little "cure" treatment in a State-supported institution,

operated by the other fellow's tax money. We want 3 cars in our family and if there aren't enough I-40 highways to take care of the traffic, the government builds a few more, ups our gas tax & insurance rates and we pay through the nose. The high plains of Texas is pumping all the water from beneath the earth and we need that Mississippi Canal badly, but let the Government build it. They can do it too... in time. The cost of the type of luxury we demand in this country is taking a bigger & bigger bite out of our paychecks. Who knows, perhaps we will live to see the day WE TOO, like Russians, work for the government. Daily. Literally. The price of freedom is mighty high this day and time. CONGRATULATIONS to Nancy McIntyre for having such a lovely, interesting, civic-minded mother. She is Mrs. Hugh Ford of Amarillo, who was named "Woman of the Year", with picture and story in the Sunday newspaper.

The men in this county all know Hugh Ford who used to spend much of his time at the Texhoma Livestock Sales Company. About this time last year several of us decided to nominate Mrs. Lula Womble as "woman of the year" to be honored at the annual Chamber banquet. Now, Mrs. Womble has passed on and we must think of someone else to receive this award. If you have some person in mind for this yearly nomination, give your name to the Chamber office. "IF YOU SEE ONE art show, you've seen them all" is a false idea. I've been to many of the art shows exhibiting all the many and varied talents of local artists, but I've never seen one equal the show staged Saturday & Sunday. Every show reveals the expanding talents and ever-increasing handcraft ideas. The show honored the late Mrs. Lula Womble with proceeds to go for a living memorial to her life. It was

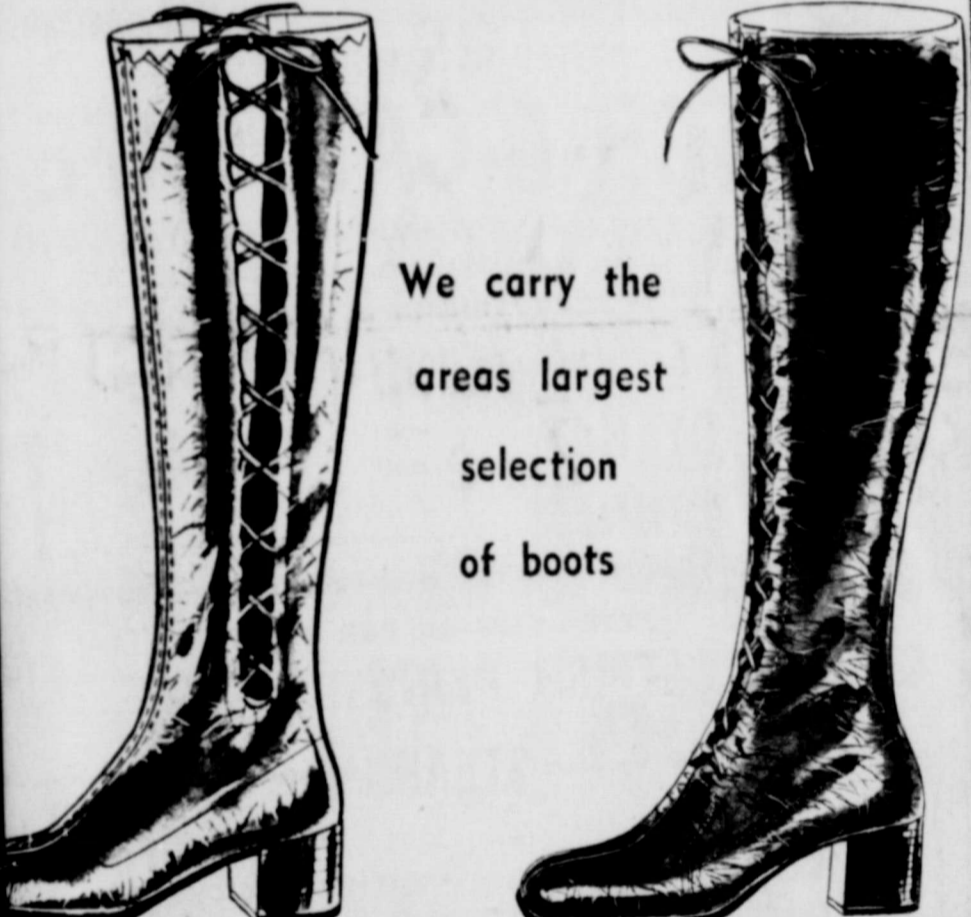

an outstanding show, with over 100 exhibitors. I saw pieces there fit to be exhibited in king's palaces and famous museums. I wish the whole world could know about the colony of artists living right here in our own back yard. The talent

these people possess is absolutely unbelievable. I would put their work up against the most renowned Old Masters. It's thrilling to see this gift being enjoyed by so many who are willing to share with us untalented peons!

MRS. DAVID COLLINS
nee Phyllis Jean Davis

Wedding vows were exchanged Saturday evening, November 6, at 7 p. m. by Miss Phyllis Davis and Mr. David Collins. Rev. Don Wisdorfer performed the double ring ceremony in the First Christian Church before members of the immediate families. The bride is the daughter of Mr. and Mrs. Irvin Davis. The groom's parents are Mr. and Mrs. E. L. Collins. Providing a setting for the ceremony was a background of green spider mums, pink daisies, pink carnations and Sensation roses. Candles bearing white tapers led the steps to the altar. Mrs. Max Baggerly, organist, played "Liebestraum", "Time to Go" and "Ave Maria" as the family gathered. She accompanied Mrs. Don Knox who sang "Hawaiian Love Song" at the conclusion of the ceremony. As the couple knelt before the altar she sang "The Wedding Prayer."

Given in marriage by her father the bride wore a formal gown of organza with appliques of venise lace on the bodice and skirt which formed an hour glass design. The high neckline was encircled with same venise trim. Bishop sleeves were dotted with lace appliques and the deep cuffs displayed a full lace bouquet. The same lace motif was repeated on the bodice back. Her chapel train fell from an organza bow and was sprinkled with appliques and clusters of venise lace, which also edged the long train. Her three tiered veil of illusion was attached to a juliet headpiece of

venise lace sprinkled with crystals and seedpearls. The bride carried a white Bible, a gift from the groom, topped with a bouquet of white stephanotis, baby's breath and Minuet roses laced with streamers of white peccot ribbon tied in love knots. She observed the traditional something old, new, borrowed and blue.

Attending the bride as maid of honor was Miss Karen Gibson from Denver City, Texas. She wore a floor length dress of hot pink crepe and light pink frosted silk organza. The gown was fashioned with an empire waist and lantern sleeves, trimmed with hot pink velvet. She carried a nosegay of pink Sensation roses, baby's breath and white pom pom mums tied with pink streamers.

Attending the groom as best man was Mr. Ronnie Gibson from Dumas.

The bride's mother chose a pink crepe dress with cranberry cut-velvet coat. The groom's mother was dressed in a two-piece brown and white double knit dress. Both mothers wore pink cymbidium orchids.

Following the ceremony, friends greeted the couple in the Fellowship Hall at the church.

The bride's table was covered with a floor length white cloth centered with a runner of hot pink velvet on which a white branched candelabra holding hurricane lamps held an arrangement of pink Sensation roses, pink carnations, baby's breath and variegated shades of pink grapes. Punch was served by Miss Linda Smith from a silver punch bowl garlanded with smilax and hot pink and light pink grapes. The three tiered wedding cake topped with a miniature bridal couple was decorated with a swirl garland of pink roses and baby's breath. Miss Marilyn Smith served cake. Silver and crystal appointments completed the table setting.

The groom's table was covered with a white floor length cloth overlaid with hot pink velvet. Chocolate cake and coffee from a pewter coffee service were served by the groom's sister Miss Becky Collins.

Guests were registered by Mrs. Kent Guthrie. Honor guests present were grandparents: Mr. and Mrs. J. W. Davis, Mr. and Mrs. Roy Russell and great-grandmother Mrs. Hettie Davis.

Out-of-town guests included Mr. and Mrs. Danny Collins and Curt, Miss Becky Collins and Mr. and Mrs. Bob Mack from Amarillo; Mr. and Mrs. A. L. Wilson Jr. from Lubbock; Mrs. Be Ainsworth, Perryton; Miss Linda Smith, Plainview; Miss Karen Gibson, Denver City, Texas; Mr. Ronnie Gibson, Dumas; Miss Marilyn Smith, Miss Bobbie Grayson and Mr. Terry Butt from Canyon.

The bride, a graduate of SHS attended Draughon's Business School in Lubbock. The bridegroom, who has completed his six year tenure with the National Guard, is also a Spearman High School graduate.

The couple is at home in Spearman where she is employed by Hansford Feed-yards and he by the United Postal Service.

SORORITY ENJOYS ANNUAL DINNER

Mrs. Mathilde Entreklin and Dee Deere hosted the annual Thanksgiving dinner for members of the Alpha Delta Kappa sorority.

Following a delicious ham dinner, members enjoyed playing "42".

Those present included Mr. and Mrs. Wes Nivens, Mr. and Mrs. Dwight Hutchison, Mr. and Mrs. Jack Whitson, Mrs. Ernest Archer, Mrs. Elva Lee Sheets, Mrs. Jackie Graham, Mrs. Entreklin and Mrs. Deere.

Nicholsons Host Pinochle Club

Meeting Saturday night, November 6, with the Jim Nicholsons as hosts, was the Pinochle Club.

A Mexican supper was served to Messrs. and Mmes. Fendorf Schubert, Burton Schubert, James Cummings, Earl Goodheart and guests, the Bob Farris.

The meeting next month will be with the Earl Goodhearts.

WMU Women Enjoy Dinner Social

Mrs. Roy Lee Uptergrove hosted a salad supper at 6:30 p. m. Monday evening for members of the Aletha Fuller Circle, Women's Missionary, First Baptist Church.

Members brought salads and a buffet-style meal was served to Mmes. Velma Shoemaker, Mathilda Entreklin, Betty Wichter, Dee Deere, Sada Hoskins, Mary Boyd, Virginia Fowler, Dorothy Woolley, Alma Bradford, June Day, Cleo Denman and the hostess Mrs. Uptergrove.

The program was a review of the book "New Drums Over Africa" presented by Mrs. June Day.

Mrs. McLain Is Bridge Hostess

The Blue Monday Bridge Club met November 8 with Mrs. Lester McLain as hostess.

Those who enjoyed the bridge and snacks were Mmes. Willie Seitz, Pope Gibner, Bill Gandy, Major Lackey, Sam Graves, Vester Hill, Roy Russell and Gwenford Lackey.

Mrs. Graves won high. The next meeting will be with Mrs. Sam Graves.

The Four H Groovie Clovers met Monday, November 8, in the Jr. High cafeteria.

The Four H pledge was repeated and the group gave the pledge of allegiance to the American flag.

The girls made wastebaskets or canisters from coffee cans by glueing tissue paper to them. Members present were Berkeley Brainard, Pamela Largent, Beth Ann Flowers, Tammie Bonham, ue Close, Lori Short, Natalie Bell and Leslie Piatt.

Debate Team "Best"

Saturday, November 6, Muleshoe High School hosted a clinic for debate teams in this area.

Three teams from Spearman took part in the clinic, and worked with 28 other teams representing seven schools from West Texas and New Mexico.

Two of the Spearman teams were ranked as the "best" in the clinic. They were: Lynn Sheets and Ken McClellan in the boy's division and Jean Porter and Camille Baggerly in the girl's division.

Others attending the all day clinic were Bobby DeArmond, Brad Healer, Conide Kiser and Angela Craig.

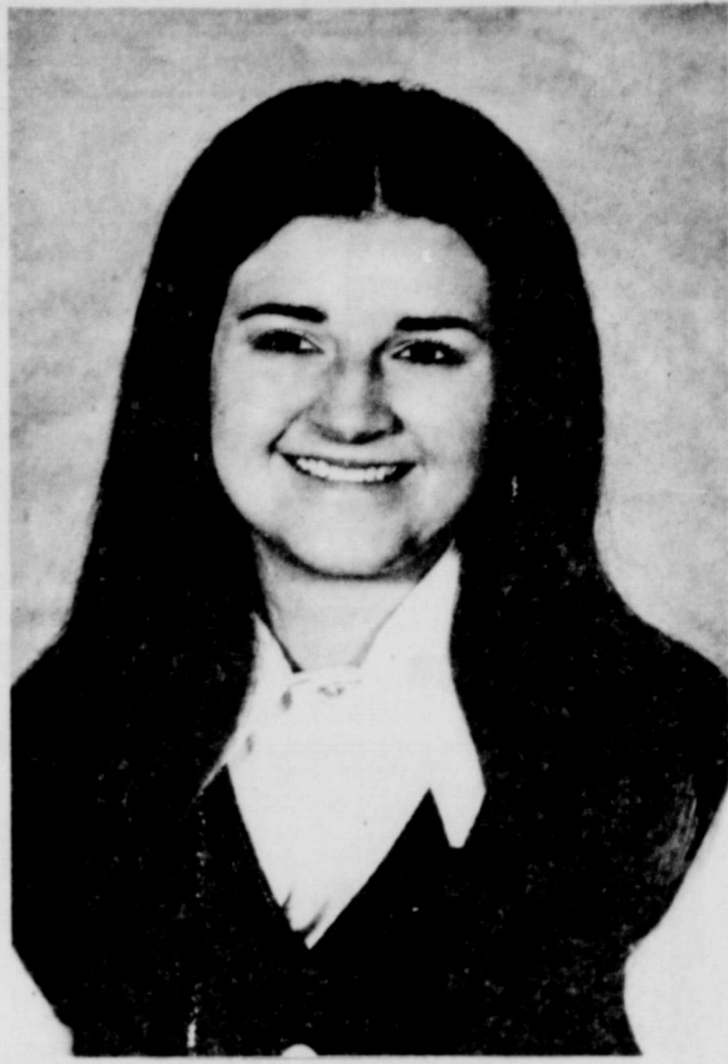

Try filling your favorite cake with a creamy smooth filling. This basic filling can be perked up with candied cherries, pineapple, nuts or dried fruit.

Creamy Cake Filling
3 tablespoons sugar
1/2 tablespoons corn starch
1 cup milk
1/4 cup heavy cream

Mix sugar and corn starch in top of double boiler. Gradually add milk, mixing until smooth. Place over boiling water and cook, stirring constantly, until mixture thickens. Cover and continue cooking 10 minutes longer, stirring occasionally. Remove from heat. Add vanilla; cool. Beat with rotary beater until creamy smooth. Fold 1/4 cup heavy cream, whipped, into chilled and beaten filling. Fill cake and frost.

Mrs. Garland Head and Mrs. Troy Sloan visited Monday in Claude with Jake Sparks, Mr. Sparks, a patient in a rest home, is suffering from a terminal illness. He is a former Spearman resident.

Engagement Announced

Mr. and Mrs. Albert L. Mackie are announcing the engagement and approaching marriage of their daughter, Patsy Powell to Travis Lee Welch, son of Mr. and Mrs. Kyle L. Welch of Comanche, Texas.

The couple plans a December 31 wedding at the First United Methodist Church here.

The bride elect is a 1970 graduate of Spearman High School. She is a sophomore pre-nursing major at Texas Tech University. The prospective groom is a sophomore at Texas Tech, previously attending Texas A&M.

Miss Karen Austin of Portland, Oregon is a guest in the home of Mr. and Mrs. Woodrow Gibner.

Mr. and Mrs. H. L. Uptergrove and olene Hale of Roscoe, Texas visited with the E. D. Uptergroves last weekend.

Pat Sloan, a student at Clarendon Junior College, spent the weekend at home with his parents the Troy Sloans.

Mrs. Louene Hutchison returned last weekend from a two weeks visit with relatives in Dallas, Kilgore and Hope, Ark. Her mother, Mrs. L. A. Monroe returned home with her to spend the winter.

Jim Ivey and son of Phoenix, Ariz. is here visiting in the home of his mother, Mr. and Mrs. James White.

The past, the present and the future are really one--they are all today.

PLANNING FOR.... Tomorrow With Great Pride... IT TAKES MANY MILES OF ELECTRICAL WIRING AND HUNDREDS OF LIGHTS...

ALL OF US AT NORTH PLAINS ELECTRIC ARE PROUD OF THE PART WE HAVE PLAYED IN HELPING THIS MAIZE HARVEST

YOUR rural electric power company stands ready to help each or you, during this maize harvest...

Also, at this time, we would like to congratulate the Spearman and Gruver Sweepstakes bands, for their fine wins last week at Canyon...

Of course, electricity will help make your harvest more enjoyable... thanks for letting us come into your homes...
