THURSDAY, SEPTEMBER 21, 1972

Car Dealers Show New Models

Spearman's three automobile dealers are making plans to show the new 1973 models this week.

Shipments of new models have been arriving sporadically and all three dealers said they have invoices showing more to come. With freight shipping lines glutted with automobiles slated for delivery throughout the nation, many of these will find their way into Spearman showrooms by this weekend.

Joe Trayler, Ford dealer, has set Friday, September 22 as his new model day. He will offer refreshments to all guests who drop by to view the new model cars and pickups.

At Excel Chevrolet-Olds agency, Hershel Jones, assistant manager, has been receiving new Chevrolets and Oldsmobiles all week, and the public is invited to come in Thursday, September 21 (today) to view these beauties. Favors and refreshments will be offered throughout the day.

Doug Connelly at North Plains Truck & Implement Company, will be showing the 1973 Buicks, Pontiacs and G.M.C. pickups. He hopes to have on hand a load of 1973 International pickups as well as a good selection of farm tractors for the all day show set for today--Thursday, Sept. 21.

CHEVROLET-OLDSMOBILE agency assistant manager Hershel Jones, swept out the old, to make room for the many new model cars & pickups to be unveiled today, Thursday.

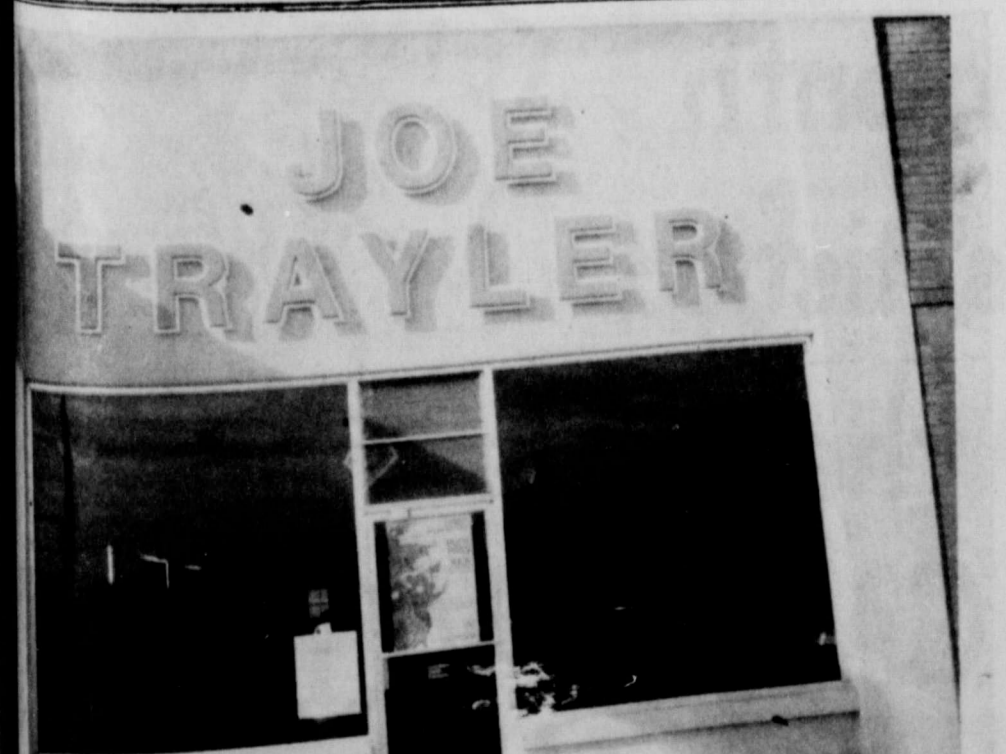

MAN INJURED IN FALL MONDAY

Robert Lowery, an employee of Tri-State Pipeline, received severe injuries Monday when he fell from a rig tower at the Baker-Taylor yards in Spearman.

Lowery was helping move the big tower. He was taken by ambulance to Hansford Hospital, and later transferred to Amarillo. The young man sustained a broken wrist, broken leg and knee injuries.

There will be one game here Thurs. at 5 P. M. The un-defeated Lynx Freshmen will meet the Dalhart Freshmen at Lynx Field. You are invited to the game.

DOUG CONNELLY, will open his doors Thursday (today) for the public showing of 1973 model Pontiacs and Buicks, as well as International & GMC pickups at North Plains Truck & Impl. Co.

JOE TRAYLER, Ford dealer, invites the public in today, Sept. 22 to view the 1973 cars and pickups now in his showrooms.

THE 'AME II' by Billy Miller

Our typewriter, calculator and adding machine sale went over with a big bang. We are almost sold out of some of our special calculators, but do have a good supply of typewriters left. We are real proud of the response that we received. Keep up the good work, that is keep on coming in and looking at our many types of machines. We think that we could set up a complete electronic bookkeeping department for just about any organization in town now. And, we had to learn the hard way. The most difficult part of an electronic system, is trying to get people to do away with the tapes in their machines. So far, the American public still likes tapes, and of course, most of the time, you need a tape to check your figures with; or that is, you think that you do. When you become expert enough with the new electronic machines, you will not need a tape!

The straw-vote election for a new track is now underway in Spearman. The voting will take place 3 days, Wednesday, Thursday, and Friday of this week. The polls will close at 5 p. m. Friday evening. The voting will take place at Orville Latham's office at the high school. Be sure and vote in this election.

I asked Chalmers Porter for a statement concerning the coming straw vote. Here is what he said.

The school board does not take lightly its authority to raise and spend tax money. We therefore feel that on this type of expenditure, the community should have opportunity to express an opinion.

We also feel that this proposed track, though not essential, is desirable. Other school facilities, for instance the auditorium, have less use than the track would have, but it's sure handy to have when needed.

Last year, and in years past, we have had athletes serious enough about track competition to travel regularly as far as Sunray, in order to practice on the same kind of surface they would be competing on, and one young man even won a college scholarship on the strength of his performance in track competition. This facility will be a worthwhile addition to the school plant, if built.

GOOD RAIN HERE WED. Spearman received another good rain Wednesday morning, about 4 a. m. Official rain gauge measured .50. The rain was heavier west of Spearman, with some farmers reporting as much as .75.

Champ

Carding a sizzling 77, Lee Keys won the Skelly golf tournament played last Saturday at Eunice, New Mexico--hands down!

An employee of the Spearman Skelly Gas plant, which is in the Northern District, Keys was presented with a golf bag and a set of knitted club covers for being the champion.

The northern district won the club trophy which will be kept for a year. The trophy is displayed in the Pampa office.

Mr. and Mrs. Keys took a long weekend and visited the Carlsbad Caverns while they were in that area.

The School Board voted Monday night to call a referendum election to determine the community's wishes in a proposal to build track facilities at the high school.

Should this referendum pass the board will issue time warrants in the amount of \$50,000. This money will be used to build all weather track facilities south of the high school. The warrants would be repaid over a five year period beginning with the 1973-74 school year.

Voting will be at the high school in the business office on September 20th, 21st, and 22nd. Voting time will be 8: 00 A. M. to 5: 00 P. M. daily. All registered voters residing within the Spearman Independent School District will be eligible to vote.

Food Stamp Program

Congressman Bob Price announced this week that Hansford County was among the 214 Texas counties which had been added to the USDA Food Stamp Program. Thirty-three of these counties are in Northwest Texas.

According to Edward J. Hekman, Administrator of the program, the activation of these counties will bring all of Texas' 254 counties into the program.

Exact dates when food stamps will begin to be issued here, will be announced later -- after details have been worked out with personnel, state officials, etc.

Hansford county has been among those counties which have been under the commodity type program. When the food stamp program is activated here, the commodity program will be cancelled.

Whether a person is eligible for food stamps depends on how much his monthly income is and how much he has in savings or other assets. A person living alone can't get food stamps if he has assets of \$1500 or more. The \$1500 limit also applies to families, regardless of size, unless one or more of the family members is 60 or older. In that case, the family may have assets of up to \$3000. A home, life insurance policies and personal property do not count as assets.

A person living alone can be eligible if his net monthly income is \$178 or less. A couple can be eligible if their monthly income is under \$233.

The value of the food stamps a household can get each month depends on how many people are in the family. The amount a family pays for stamps depends on their income, figured on a sliding scale.

For example, a person living alone with a monthly income under \$20 would pay nothing for food stamps worth \$36 at the grocery store. If his income was \$95, he would pay \$16 for \$36 worth of stamps.

A couple with an income under \$20 a month would get free stamps worth \$64. If their income was \$115, the couple would pay \$26 for \$64 worth of stamps.

Monthly income, one person below \$178, you pay \$26 for stamps worth \$36; two persons, income below \$233, you pay \$44 for stamps worth \$64; three persons, income below \$307, you pay \$74 for stamps worth \$92.

Persons with income above these limits may also be eligible for food stamps if they have unusual expenses such as big medical or hospital bills or high rent payments.

Food stamps are in three denominations and colors and are designed slightly smaller than a dollar bill. Maroon stamps are worth \$5 and are purchased in \$30 books. Blue stamps are worth \$2 and may be purchased in \$10 books. The orange stamps are worth 50 cents and may be purchased in books worth \$2 and \$3. Except for certain imported items, the stamps may be used to buy any food for human consumption, and may be used at any grocery store.

Coach Mires and his crew of Lynx are still un-defeated. And, they probably played one of the best games we will ever see at Lynx stadium Friday evening, when they edged the Cats from Canadian 7 - 6. They were sensational. And, they proved that they could come back, and win, after trailing 6 - 0, most of the game. And, this seems to be the mark of a championship team...coming back from the brink of defeat to victory.

Almost as remarkable as the Lynx team, was the weather, and the fans Friday night. There just wasn't any room left at Lynxville, when the whistle blew for the kick-off. It was a perfect 72 degrees, and was delightful to all of the fans. But, a little bit warm on the players.

This Friday evening, fans will see another good ball game, when the Bobcats from Sunray come to Spearman. The Bobcats are fresh from their victory over a good Vega team, will furnish plenty of competition

for the Lynx. It will be another good game to watch! As in the past, the Sunray team has always been hard for the Lynx to handle. About half the time, Sunray would upset the Lynx, and the Lynx will not be taking the game lightly come Friday night.

Fans may see some more field-goal kicking, come Friday night, as Sunray as always had outstanding field goal kickers. Spearman has also put a fine extra point team together this year, as was evidenced Friday night.

The Lynx will be slight favorites, but after our encounter with Canadian, last week, our local scout reports have us convinced that this will be another tough game. Sunray is coming along fast, and could be a contender in their district race, as they have always been.

Plan to get to the game early, and get a good seat! Another sell-out crowd is expected Friday night, if the weather is good!

HANSFORD CO.

One Of Top 10 In Cash Receipts

The major agriculture and livestock production area in the state of Texas is the irrigated High Plains, and Hansford County in 1971 "hit the jackpot" in this field.

Cash receipts for crops and livestock in 1971 for Hansford County totaled \$47,536,000 and this fete has placed the county among the State's top ten cash-wise.

Sales of Texas crops and livestock during 1971 exceeded \$3 billion according to Texas Agriculture Commissioner John C. White. This is the third year in a row Texas' cash receipts have exceeded the \$3 billion mark. Only California and Iowa have higher cash receipts. Texas total cash receipts were \$3,254,000,000. Hidalgo county in the lower Rio Grande Valley had the highest cash receipts of all counties with \$117,305,000. Only one other county--Deaf Smith--was above the hundred-million dollar mark with \$103,364,000.

The other top ten counties in cash receipts were: Parmer, \$90,520,000. Castro \$84,443,000. Hale, \$81,754,000. Lubbock \$58,472,000. Swisher \$57,958,000. Lamb \$55,367,000.

Cameron \$53,946,000. Hansford \$47,536,000.

Livestock products amounted to almost 2/3 of the total cash receipts with 65.2 per cent.

The High Plains irrigation district (where Hansford county is located) had cash receipts of crops and livestock of \$668,169,000. The Blacklands were second in the state with cash receipts of \$37,316,000.

The total cash receipts for crops in Hansford County last year amounted to \$13,616,000 while livestock sales totaled \$29,182,000. Government payments to Hansford county farmers totaled \$4,738,000.

It is estimated that over three-hundred thousand head of livestock found their way into Hansford county feedyards and lush wheat pastures last year. This is only an approximate count--this figure could be short since the many feedyards located here are expanding constantly.

Hansford County is blessed with plenty of water, which flows out of deep irrigation wells and insures great harvests from the 240,000 acres of irrigated wheat and milo. There are also some 110,000 acres of dryland crops under cultivation in the county.

NOTICE: The Rebekah Lodge will have a rummage sale at Pearl's Cafe building on Main Street--Saturday, September 30, from 9 til 5. Money from this sale will help with the Rebekah's orphan's home project.

SPEARMAN PTA president Mrs. W.B. Barnes and Postmaster Elmon Jacobs look over a sheet of commemorative PTA postage stamps which go on sale today (Thurs, Sept. 21) at the Spearman postoffice.

Sonny, Look What Mom and Dad Did

Educator Cites Accomplishments Of Parents and Grandparents

By ERIC A. WALKER
President
Pennsylvania State University

Youth today is vocal, and their parents are desperately trying to understand them. Yet the youth should also make some effort to comprehend their parents. Eric A. Walker, president of Pennsylvania State University, said to a group of young people:

"While no one has more pride in your accomplishments than the elder generation, I am not going to tell them how bright you are, nor am I going to say we have made a mess of things and that you are the hope of mankind. May I instead reverse the process.

Remarkable People

"May I ask that you look over the bleachers. Let me reintroduce you to some of the most remarkable people ever to walk the earth: Your parents and grandparents. Let me tell you about them.

"Within just five decades, they have by their work increased your

life expectancy by approximately 50 per cent and have, while cutting the working day by a third, more than doubled per capita output.

Healthier World

"They have given you a healthier world than they found. Because of this, you no longer have to fear epidemics of flu, typhus, diphtheria, smallpox, scarlet fever, measles or mumps which they knew in their youth. The dreaded polio is no longer a medical factor and tuberculosis is almost unheard of.

"Let me remind you that these remarkable people lived through history's greatest depression. Many knew what it is to be really poor or to be hungry and cold. Because of this, they determined it would not happen to you, that you would have a better life, with food to eat, milk to drink, vitamins to nourish you; that you would have a warm home and better schools and greater opportunities to succeed than they had. Because they gave you the best, you are the tallest, healthiest, brightest,

and probably the best looking generation to inhabit the land. Because of them, you will work fewer hours, learn more, have more leisure time, travel to more distant places, and have more of a chance to follow your life's ambition.

Won Grisliest War

"These are the people who fought man's grisliest war, who defeated the tyranny of Hitler and who, when it was all over, had the compassion to spend billions of dollars to help their former enemies rebuild their homelands. These are the people who had the sense to begin the United Nations.

"It was representatives of these two generations who, through the highest court of the land, fought racial discrimination at every turn to begin a new era in civil rights. They built thousands of high schools, trained and hired tens of thousands of better teachers, and at the same time made higher education a very real possibility for millions of youngsters, where once it

had been only the dream of the wealthy few.

They Made the Start

"They made a start, although a late one, in healing the scars of the earth and in fighting pollution and the destruction of our natural environment. They set into motion new laws giving conservation new meaning, setting aside land for you and your children to enjoy for generations to come. They have had some failures. They have not yet found an alternative for war nor for racial hate.

"Perhaps you will perfect the social mechanisms by which all men may follow their ambitions without the threat of force—so that the earth will no longer need police to enforce the laws, nor armies to prevent some men from trespassing against others.

"But they—these older generations—made more progress by the sweat of their brows than in any previous era, and don't you forget it. If your generation can make as

much progress, in as many areas, as these two generations, your parents and grandparents, have, then you should be able to solve a good many of the world's remaining ills. It is my hope, and I know the hope of these two generations, that you find the answers to many of these problems which plague mankind.

Now Up To Youth

"But it won't be easy. You won't do it by negative thinking, nor by tearing down or by belittling. You may and can do it by hard work, humility, hope and faith in mankind. Try it."

CHAMBER LUNCHEON SPEAKER, SEPT. 28

Eugene Robbins, Executive Vice President, Texas Good Roads Association, will be guest speaker at the 12 o'clock Chamber of Commerce luncheon September 28. The meeting will be held in the HD clubroom.

Mr. Robbins will limit his speech to 20 minutes, so that he can conduct a question and answer period. His address will concern "Highways Help People" and will be a very informative program, enjoyable to everyone. September 24-30 is National Highway Week and the Texas Good Roads Association ambassadors will be speaking at some 90 civic and service organizations across the state this week.

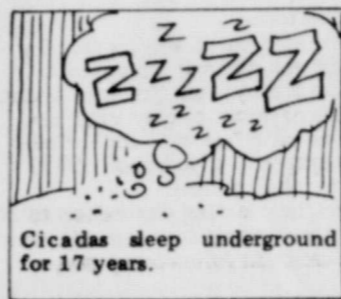

Contact the Chamber office today and make your reservation—phone 659-3330. Tickets are \$2.50 for the meal which will be served by Mrs. Murl Pearson.

The orange tree is a member of the evergreen family.

Napoleon's parents were Italian, not French.

Sable Island is known as 'aveyard of the Atlantic'

Oldsmobile for '73

Cutlass. It's two new cars.

Cutlass S Colonnade Hardtop Coupe. Sportier this year. Roomier. Heavier. Yet surprisingly easy to own. Even if you order the new swivel bucket seats. Cutlass Supreme Colonnade Hardtop Coupe (foreground). More of a little limousine than ever. You can see it in the formal roofline and new opera side windows. You can feel it in the spacious, quiet interior. And even in the ride we've patterned after our bigger Oldsmobiles.

Delta 88—with a new grille that swings out of harm's way.

For '73, we've made the Delta 88 tougher than ever. The Swing-Away Grille (pictured at left) is just one way it's teamed with an improved hydraulic front bumper system. If the bumper gets tapped, the grille swings out of the way. We found the seats 100,000 times, and drive the Delta 88 thousands of hard miles to test durability. All to make sure it's more than just big, comfortable and smooth-riding—not just another pretty car.

Omega. The new compact Olds at a compact price.

It's a whole new kind of Olds. And the lowest priced of all. Omega is a compact—but one with big-car thinking built in. It's nearly 500 pounds more car than some smaller compacts. Its wheelbase is longer, 111 inches, for a smooth ride. And you can feel the difference on the road. A deluxe interior with new 'wet-look' vinyl trim is standard. So is full carpeting. And a 250-cu.-in. engine. Coupe, 3-door hatchback or sedan, it's a lot of Olds for the money.

See the '73 Toronado, Ninety-Eight, all the new ones at your Olds dealer's showroom now.

Dahlia Club Plans Arts-Antique Show

Each of the time at the Flower Club meeting after noon was taken planning for the upcoming Arts and Antique Show for November 4th & 5th at the Hansford Library.

President, Mrs. John announced that the silencing proceeds from the sale will be used to pay for the installation of a radiator at the Library. The show, which sponsors the arts and antique show, will comply with the library rules for "sell" which includes some 20% each item sold at the

Bishop named the following committees who will be in charge of various duties: Antiques-DeWitt; Paintings-Ruth Mabel Edwards & Mary; Arts & Crafts-Ruth

Lackey; Door prize chairman-Ruth Hutton; China exhibits-Mrs. Garrett Allen; Publicity-Annie Allen, Sybil Miller and Alma Remy; Social-Margaret Shedeck, Carrie Russell; Show treasurer-Mae Floyd; Printed signs-Mr. Roy Russell; Properties-Cleo Denman, Edith Sheets and Holly Riley; Entries-Mrs. Frank Davis, Mrs. A. F. Loftin and Mrs. Sada Hoskins; Registration-Mrs. Bob Bailey, Mrs. Virgil Floyd and Mrs. F. W. Walker; Needlecraft and fancy work chairman-Mrs. Claud Smith.

The president called for various committee reports, Mrs. Roy Russell, City Beautification representative from this club, reported that the efforts of this city-wide committee were not so good. "We cannot seem to get any cooperation from the city council, nor from the townspeople in seeing that al-

leys, streets and vacant lots are kept free of weeds."

One new member was welcomed into the club. She is Mrs. Mary Gillispie, a Morse resident.

Lesson leader for this meeting was Mrs. Claud Smith who gave a very interesting program on "Flowers, Herbs, Vegetables & Weeds". She said some of these could be planted together to compliment one another, while others would repel each other. Mrs. Smith told of planting a marigold flower next to a tomato plant this year and results were more tomatoes than they could eat!

Members voted to order three dozen tote bags to sell, in order to secure more needed funds for club projects.

Three flower arrangements were entered in competition. Mrs. Loftin's bouquet of Dahlias won first place. From the three specimen flowers entered, Mrs. Bishop's tropicana rose was awarded first prize.

The hostess, Mrs. J. W. Walker, served refreshments at the close of the meeting to Mes. Bob Bailey, John Bishop, Frank Davis, Lowell Denman, Mabel

Edwards, Virgil Floyd, Sada Hoskins, Major Lackey, A. F. Loftin, Guy Remy, Earl Riley, Roy Russell, Olin Sheets, Claud Smith.

The next meeting will be October 2 in the country home of Mrs. Frank Davis.

Wedding Shower Honors Mr. and Mrs Gary Upchurch

A wedding gift shower honoring Mr. and Mrs. Gary Upchurch was an event of Saturday night, September 16 in the fellowship hall at the Church of Christ.

Guests registered between the hours of 7 - 8:30 p. m. The white bride's book was placed on a table holding a vase of pink and orchid flowers.

The recent bride, her mother Mrs. Maurice Foster or Tribune, Kansas and the groom's mother Mrs. Ben Upchurch of Spearman were all presented with lovely shoulder corsages.

A beautiful white linen cloth draped the serving table which was centered with an arrangement of orchid and pink cut flowers. Punch and cookies were served by Gail Upchurch and Arbeta Tackett to the many friends who came bringing gifts and best wishes to the new bride and groom.

Hostesses for the bridal shower included Mes. Garland Head, A. F. West, Darce Foshee, Ellzey Vandenburg, Bill Osborne, Richard Kingsley, Bill Turner, and J. G. Parrish.

Waka P-TA Opens With 37 Members

"We Can Have Good P-TA's" was the subject of the Waka PTA when it met Monday, Sept. 11 at 7:30 in the school cafeteria.

Each patron was greeted by the membership committee headed by Mrs. Tommy Jacobs. On payment of dues each received a "Happy Face" sticker along with a yearbook, 37 members joined.

The meeting was called to order by president Mrs. Alvin Buschman followed by prayer

given by Rev. Bob Sifrit. Tommy Word led in the pledge of allegiance.

Several songs, led by Mrs. Rafoad Clark, were sung in unison including the 3 & 4 grades singing "He's Got The Whole World In His Hands."

Mrs. Buschman read a skit from the district bulletin on "What Do I Expect of PTA?"

The District Workshop will be held in Gruver Oct. 3. Herman Wiebe, president of school board the new superintendent Allen Jones and his wife and he in turn introduced faculty members.

A social hour with ice cream and cookies was enjoyed by all. The next meeting will be Oct. 16.

Bride-elect Feted With gift Shower

Mary Hazelwood Pledges Alpha Delta Pi sorority

Caroline Richeson, bride-elect of Mike Close, was honored with a gift shower Saturday, September 16 in the fellowship hall at the First Christian Church.

Guests were registered by Mrs. Phillip Stump between the hours of 7 to 9 o'clock.

The honoree and the prospective bridegroom's mother Mrs. LeJan Close were presented with corsages.

The serving table, centered with an arrangement of white mums, was covered with a green cloth. Mrs. Vancil Hill, Mrs. O. K. Pendergraft, and Mrs. Charles Martin served punch and cookies to those present.

Hostesses for the occasion included Mes. O. K. Pendergraft, Vancil Hill, Charles Martin, Richard Ooley, Jimmy Hester, R. S. Weckesser, G. I. Brown and Sonny Nollner.

ARTS & CRAFTS GUILD MEETING

An afternoon of china painting was enjoyed by members of the Spearman Arts & Crafts Guild which met last Friday with Mrs. Fred J. Daily.

Mmes. Sada Hoskins, Kiff White, Nolan Holt, Clay Gibner, Bill Russell, Bill Gandy, P. A. Lyon and Joe Trayler reported present.

Mrs. Guy Fuller will host the group this Friday, Sept. 22 at 2:30 p. m.

Girlstown Open House

Girlstown, U. S. A., Borger Branch, is celebrating their tenth anniversary in this area with a program, barbeque, and an open house for visitors at their campus four miles east of Borger on State Highway 152, Saturday, September 23, 1972.

The program from 2 p. m. until 3 p. m. will include singing by a Girlstown Quintet, the crowning of a new Miss Girlstown, and special recognition for those who have helped promote Girlstown and the Open House celebration. Also, Mr. Marshall Cooper, Executive Director of Girlstown, U. S. A., will be on hand to dedicate a new building to Mr. F. C. (Blackie) Spence of Borger. The Kiwanis Club will present

money they have raised for paying on the new building.

The barbeque from 3 p. m. to 8 p. m. is being prepared by Supten's and sponsored by the Borger Evening Lions Club with help from all area Lions Clubs. Tickets are available from any Lions Club member or at Girlstown. Cost of tickets are \$1.75 for adults and 85¢ for children under 12 years of age.

Door prizes will be given away every hour to some lucky person registering to visit Girlstown. Only registration is required to be eligible for the door prizes.

Girlstown invites everyone to come out and see the accomplishments made during the past ten years.

Xi Zeta Upsilon Enjoyed Comedy Act at 1st Meeting

The beginning day meeting of Xi Zeta Upsilon was held in the home of president Karen Countiss August 31, 1972.

Business was conducted by the president. Chairmen of the various committees reported activities and projects for the ensuing sorority year. Yearbooks and program books were presented to mem-

bers present.

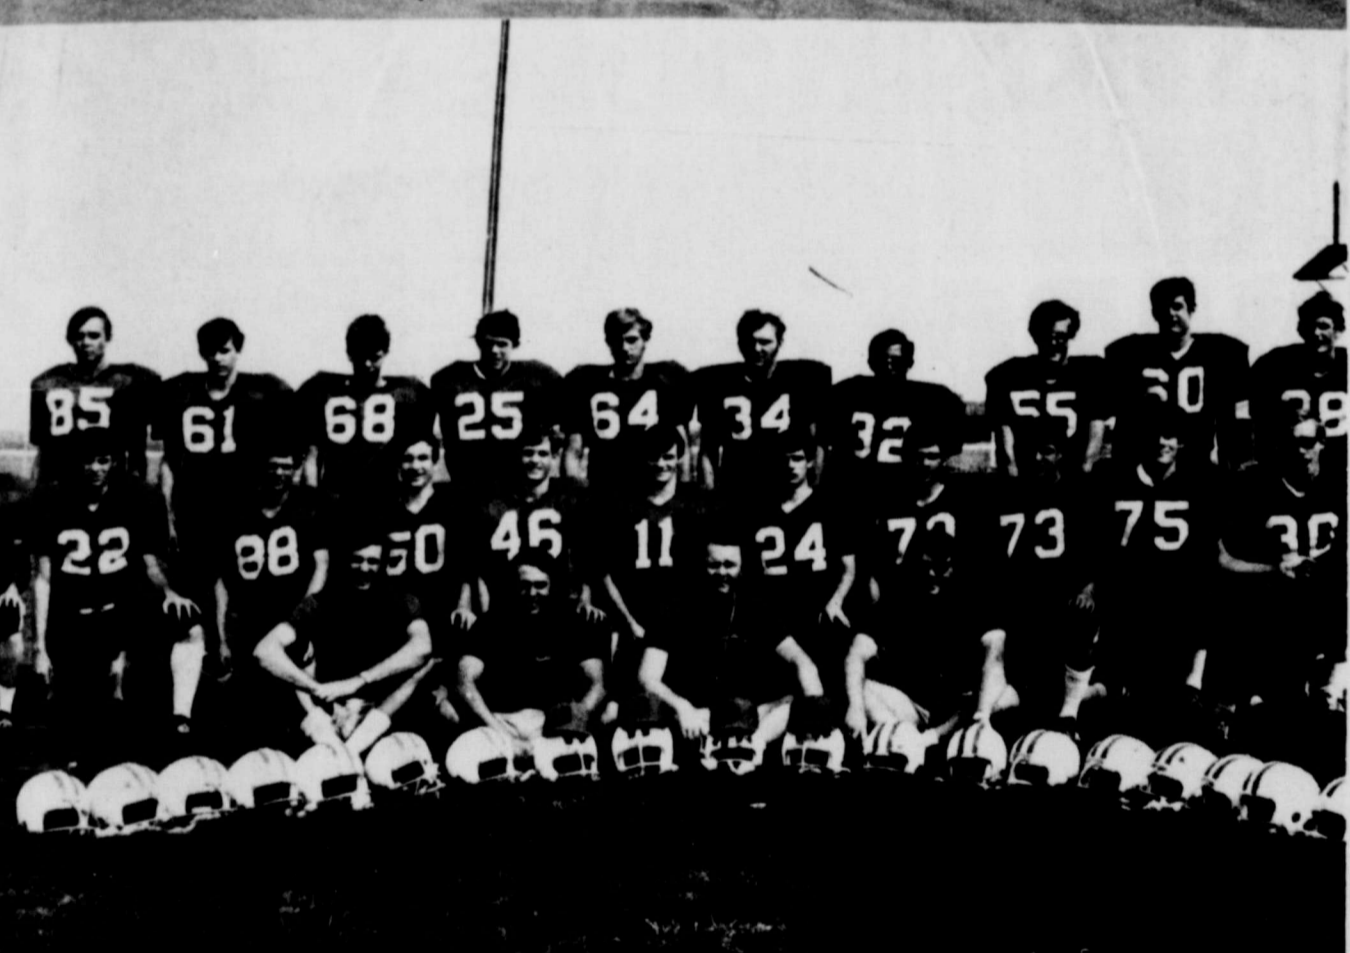

The highlight of the meeting was a delightful review by Mrs. G. K. Rupprecht of a 3 act, light comedy, Barefoot in the Park by Neil Simon.

Those enjoying the meeting were Elaine Floyd, Altha Townsend, Gwen McLain, Lois Gibner, Anne Archer, Dodie Beedy, honorary member Delta Blodgett, Charlene Bulls, Linda Davis, Pat Dear, Scarlett Jackson, Judy Martin, Elsie Mathews, Mona Beth Windom, guest Mrs. G. K. Rupprecht and the hostess, Karen Countiss

Nostalgia for PTA

Looking back from this age of closed-circuit televisions in the classroom and computer programming labs to the beginning of the PTA when children practiced their mathematics on slates in one-room country schools, PTA members see an organization that has withstood years of change in schools—75 years. And to celebrate the growth and consistent hard work is the soon-to-be-issued postage stamp. The stamp was designed by Arthur S. Congdon III, a Connecticut designer who has taught graphics at Yale and now owns his own graphic design firm. The design (see photo above) was unveiled at the National PTA convention in May in New York City. Issue date has been set for September 21, and local PTA's can obtain first-day issue stamps from their local post offices at 8 cents a piece. One hundred-stamp blocks, suitable for framing and stamp collections, can be obtained also.

**MARLIN HURN
JAILED ON
THEFT CHARGES**

Marlin Hurn, 55, was arrested in Guymon, Oklahoma Sunday, Sept. 17th, and charged with theft of a pickup belonging to Wayne Manke. Both men are employees of Frontier Feed Yards. Hansford County Sheriff J. B. Cooke brought Hurn to Spearman Monday of this week on a waiver of extradition. He is being held in Hansford county jail. Hurn is also being held on two warrants from Oldham County.

**HOWERTERS
ENJOY TRIP**

Mr. and Mrs. Harold Howarter recently returned from a 2 weeks vacation. They visited the National Tetons in Wyoming Yellowstone Park and then went on to Great Falls, Montana to visit their son Ronald Howarter who is stationed at Malstrom Air Force Base. The two families went together on a 3-day trip to Glacier National Park and on to Waterton Lakes Park and Cardston, Canada.

The fished at Lake Cameron, but had no luck. Harold and Lu returned home by way of the Black Hills in So. Dakota and visited his mother Mrs. Ed Howarter at Big Springs, Neb.

They report a great time, wonderful weather and beautiful scenery.

**Boy Scouts Earn
New Skill Awards**

Jedd Miesner

Forty-two Boy Scouts from Troop 51 were present at the regular meeting held Monday night in the Community building.

Scout Master Harry Stumpf and six adults were also present.

A special ceremony was conducted during which the first Skill Awards ever given were presented to two troop members. This is a new award the Scout organization has recently instigated and the Scout Master was proud to announce that two boys were eligible to receive--not one, but two each.

David Cummings, 12-year old son of Mr. and Mrs. Gordon Cummings and Jedd Miesner, 12 year old son of Mr. and Mrs. Louis Miesner, were both presented with Skill awards for their achievements in First Aid and in Citizenship. These Scouts are in the 7th grade at Spearman Junior High School.

David Cummings

Scout Master Stumpf invites all boys aged 11 through 14 years who are interested in becoming a Boy Scout, to contact him.

He announced plans for a week end camp out at Kirk's canyons this weekend, Sept. 22, 23, 24.

**MORSE H-D CLUB
ENJOYS PROGRAM**

The Morse Home Demonstration club met Sept. 14 in the rural home of Mrs. Jack Crowl.

Mrs. Bessie Henderson gave the devotional of "Let's Begin Living Today".

County HD Agent, Mrs. Neile Evans, gave a most interesting program on being an "Effective Consumer." At the conclusion of her program she passed to each woman a crossword puzzle to work on consumer buying.

Roll call was answered by each member telling about a memorable event she enjoyed this summer.

Those present included Mmes: Elva Jean Dixon, Mary Gillispie, Gayle King, Mack Dortch, Bessie Henderson, the hostess Mrs. Crowl, and the Agent Mrs. Evans.

The next meeting will be October 19 in the home of Mrs. Elva Jean Dixon. At this meeting the Agent will give a demonstration on sewing techniques.

**Antique
Auction**

CANADIAN, Texas--An auction sale of antiques from Canadian's historic WCTU Building, plus other antiques to be consigned to the sale from homes in the Canadian area, will be held Saturday afternoon, September 23, at 1:30 o'clock in the Canadian City Auditorium.

Proceeds from the sale will go into a fund for remodeling and refurbishing of the 61-year old red brick colonial building... the only such structure in the nation built, owned and maintained by a local chapter of the Woman's Christian Temperance Union. The building, still used regularly for meetings and as the site of the WCTU's annual Holiday Bazaars, also serves as a community center and houses the Canadian Public Library.

Complete renovation of both floors of the building is now being completed. Meeting rooms and library have been air conditioned and re-decorated, and all new furnishings are planned.

At the auction sale Saturday, offerings will include many items of antique furniture which have been used in the WCTU parlors and meeting rooms since the building was first opened in 1911. There are sideboards, washstands, library tables of various sizes, a handsomely-carved captain's chair, and more than a hundred solid oak dining room chairs. There is also a collection of oil paintings in ornate frames of the period; old light fixtures; some gas space heaters; and a huge mounted American Eagle.

Tom Abraham of Canadian is in charge of arrangements for the sale, and two Canadian businessmen, Malouf (Oofie) Abraham and Bob Ward will be the auctioneers.

Victor Schumann and Ricky Driscoll are two Spearman students attending West Texas State University, Canyon. These names did not appear on the "college bound" list printed earlier.

**Local R. N.'s Attend
Association Meet**

District # 23 Texas Nurse Association met at Highland General Hospital Conference Room in Pampa, Tuesday, Sept. 12. Those attending from Spearman were Joan McClellan, R.N., and Eloise Renner, R.N.

The next meeting will be held at Hansford Hospital in Spearman on October 10. Any R.N. in this area is urged to attend.

**Family Cook-out
Enjoyed at Park**

Members of Xi Zeta Upsilon, their families and guests recently enjoyed a cook-out at the Swimming Pool park. Many enjoyed volleyball with the "young fry" enjoying swimming.

A social, fellowship hour was enjoyed with Mr. and Mrs. Max Banks and his mother, joining the group as guests of Mr. and Mrs. Roy Bulls.

THIRD GRADERS visited the Spearman newspaper office Monday morning on one of their various "field" trip tours. Mrs. Wes Nivens' class touring the plant included Scott Aiford, Scott Bullard, Jimmy Hadson, Miguel Espinosa, Kevin Rook, Stephen Tindell, Todd Ware, Mike Vardeil, Denise Blackburn, Angela Francis, Donna Douglas, Karen Kenney, Shelly Friemel, Shelly Mitchell, Tara McLain, Deborah Johnston, Janelle Chisum, LJB Vela and Teri Witt.

FARM & RANCH NEWS

By Joe Van Zandt
County Agricultural Agent

The agricultural income for Hansford County is growing. According to recent statistics compiled by the Texas Crop and Livestock Reporting Board for 1971, Hansford County was the ninth ranking county in the state for cash receipts from the sale of crops and livestock. The total income estimated was 42 million, 798 thousand dollars in 1971 for crops and livestock sales.

When considering livestock sales Hansford County ranked eighth in state with a total of \$29,182,000. The estimated total for crops was \$13,616,000.

TRI-STATE FAIR-We got the Hansford County crop exhibit booth up at the Tri-State Fair last Saturday. I want to thank those of you who helped by furnishing crop and produce samples for the booth. Saturday is Rural Youth Day at the fair in Amarillo and all 4-H, FFA and FHA members will be admitted free.

4-H NEWS-The Gruber 4-H clubs will meet this afternoon at 4 p.m. in the Legion Hall. This will complete our 4-H club organizational meetings in the county for this fall. If anyone wants to be in 4-H this year, but has missed getting to attend the meeting in your community please call the office-659-2136-so we will know to include you in our plans. It

looks like we have a lot of real interested boys and girls in our 4-H club program this year. They will be needing lots of help and support from parents and adult leaders throughout the year. If any adults feel like you can help out even in some small way with the 4-H program, let us know. You never know when we might be needing someone to help our 4-H members.

ALFALFA FOR GRAZING-Considerable interest has been created recently about the prospects of being able to graze alfalfa. This has come about as a result of a new bloat preventative chemical product, polozalene, in a liquid molasses mix. Four result demonstrations are being carried out in the Texas Panhandle concerning the grazing of green alfalfa. These demonstrations have shown that this product has controlled bloat under proper management. A stocking rate of five head per acre has been achieved in the Panhandle on average stand of alfalfa.

We have some economic analysis information on this type of grazing program as well as other pertinent information. If you have some questions we would be glad to visit with you about this.

CATTLE FEVER TICK-The Texas Animal Health Commission has issued a quarantine or-

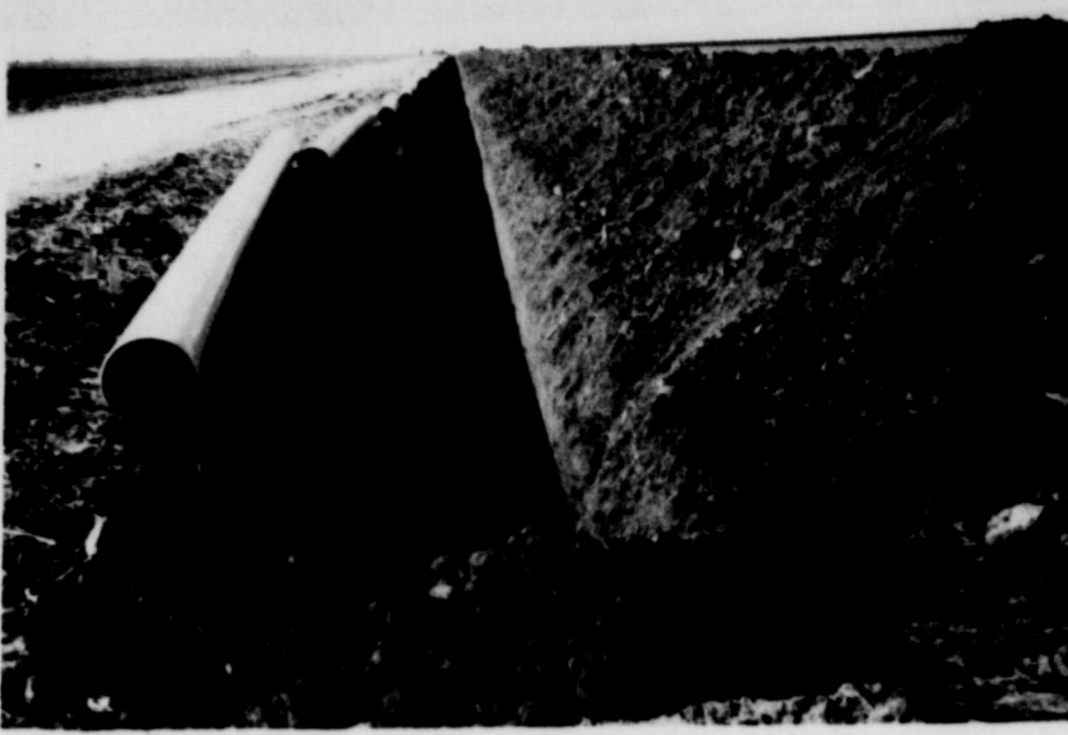

der on parts of several counties in South Texas where fever ticks have been identified. Parts of Jim Wells, Duval, McMullen and Live Oak Counties are presently under quarantine. Individual herd quarantines have been issued in Dimmit, Leon and Nueces counties.

According to Dr. H.O. Sibley, Texas Animal Health Commission veterinarian, this outbreak appears to be the most serious in the last 30 years. If any ranchers have purchased livestock from the aforementioned quarantine zone, it would be advisable they check them for ticks. Tick samples can be sent in a screwworm vial preserved in alcohol to: State-Federal Brucellosis Testing Laboratory, 702 Colorado Street, Room 301, Austin, Texas 78701. Samples should be identified with owners name and address and the source of the tick.

Wilbanks Reunion Held in Oklahoma

Mrs. Ed Wilbanks and her daughter Mr. and Mrs. Jeff Hawkins motored to Mooreland, Okla., over the weekend to attend a family reunion in the home of Mr. and Mrs. Carl Ed Wilbanks.

Other family members in attendance included Mr. and Mrs. Joe Don Shockley and family, Plano, Texas; Chuck Shockley of Wayland College; Mrs. Joyce Shockley, Perryton; Loretta Boyd, Mr. and Mrs. Ron Boyd and family of Amarillo; Mrs. Mattie James and family, Kansas City; Mr. and Mrs. Troy Davis, Demission, Texas and Opal Compton, Odem, Texas.

This photo, submitted by the Soil Conservation Service, shows irrigation pipeline being installed on the Anna Cooper farm. Irrigation pipeline will keep down the soil erosion and conserve water, as well as make farming operations easier. Farmers can get cost-share assistance on pipelines through the REAP program, or Great Plains Conservation Program. Hansford farmers who have recently installed pipelines are: John Trindle, Charles Parker, Robert Skinner, Knutson Land company and George Odum.

news from your HOME DEMONSTRATION AGENT

by Nelle Evans

We do hope you will have an opportunity to attend the Tri-State Fair in Amarillo this week. Berkeley Brainard has whole wheat bread and refrigerator cookies in the 4-H Bake Show booth and several homemakers and 4-H'ers have entries in the foods and textiles departments. We are proud to have Hansford County represented this year.

As soon as possible we will be sending out a series of 10 informative pamphlets on money management. If you would like to receive these please let us know by October 10 so we may place you on our mail out list. This is not a home study course. You will simply receive the one leaflet a week

for 10 weeks. This will be most helpful prior to the holiday season. Topics covered include buying know-how, sales, gifts, gyms, guarantees and 5 more. We hope you will desire to receive this Be A Smart Shopper series. You may call our office, come by or write.

All of the 4-H clubs have now reorganized for the new year. The girls will be studying foods from now thru February. The rest of the year they will sew. If you are willing to help 5-6 girls once a month with their foods projects we would like to hear from you. You will be given a guide to follow and each girl will receive a project book. You will find that working with youngsters is very rewarding. Just a reminder that Saturday is rural youth day at the Tri-State Fair. All 4-H, FFA and FFA members will be admitted free to the fair grounds.

Pioneer Manor Is Member Of TNHA

The Pioneer Manor Nursing Home, 511 East 11th, Spearman, was accepted as a member of the Texas Nursing Home Association by the TNHA Executive Board at their September meeting in Austin. Jessie R. Taylor will serve as the representative of the home in TNHA activities.

By becoming a member of the Texas Nursing Home Association, the Pioneer Manor Nursing Home has agreed to abide by the TNHA Code of Ethics and to join with the state organization in its efforts to raise nursing home standards and to improve patient care in Texas.

TNHA is the professional association of licensed nursing and custodial care homes in Texas. Its membership is made up of proprietary and non-

proprietary homes. All members of TNHA are also affiliated with the American Nursing Home Association.

The areas of activities in which TNHA engages include information, education, publications, representation, public relations, and many others. TNHA's prime objective is to work for the professionalism of nursing home personnel with the care of the patient as the ultimate consideration.

Spearman Boy Recuperating From Injuries

Jimmy Owens, 15, son of Mr. and Mrs. Don Hendricks, is recuperating in High Plains Baptist Hospital, Amarillo from injuries he received Friday night when struck by a car.

The accident occurred about 11 p.m. on FM road just north of the Spearman airport. The boy was about to fix a flat tire on his car and was taking the spare tire from the trunk. The tire bounced, and rolled across the highway and when Jim went after the tire, he ran into the path of an oncoming car.

Allen Randall, Perryton, driver of the other vehicle involved, swerved his auto to try and miss the young lad and crashed his car into a telephone pole. He was not injured.

Jimmy, sophomore in Spearman high school, was treated at Hansford Hospital and transferred later to Amarillo. He underwent exploratory surgery Sunday, but the extent of his injuries were only broken ribs and internal bruises.

Members of the family said Tuesday he was up and around some and doing very well.

Mr. and Mrs. Gary Upchurch of Amarillo spent the weekend here visiting his parents Mr. and Mrs. Ben Upchurch. The newly-weds were honored with a gift shower Saturday night.

Mr. and Mrs. Eldon Ferrel spent a few days in Lubbock last week visiting their daughter, Mr. and Mrs. Don Gatlin.

NOTICE TO ALL CATTLEMEN

FRIDAY, SEPTEMBER 15th, we sold 2812 cattle and calves. The action began at 11 a. m. sharp and was completed at 4:40 p.m.

FRIDAY, SEPT. 22 and FRIDAY, SEPT. 29 will both be CONSIGNMENT SALES, selling jackpot and mixed cattle first. Bring in whatever mixed cattle you want to sell for either of these two sales.

For our OCTOBER 6th event, all mixed cattle will have to sell LAST. We will start the auction with the twelve loads that place in the show promptly at 1:00 P.M. (We will, however, sell the cuts off of the other loads for each consignor following his respective loads, so we can completely sell all of his cattle at one time and complete that full consignment.)

Gibner, Bert Briley, Louis Williams, Verlin Poindexter, Terry Thompson, W.S. Jones, Esperanza Puentes and daughter, P.M. Chesser.

Mr. and Mrs. Eldon Ferrel motored to Stratford Saturday to attend that city's Fair. They enjoyed the many exhibits and the "old fashioned country fair" fellowship.

Mr. and Mrs. Ned Turner spent a week recently at their cabin near Taos, N.M.

Mr. and Mrs. Calvin Hazelwood were in Spearman this week visiting her sisters, Mrs. Joe Dan Bryan and Mrs. Ray Phelps and attending to business.

Let Me See
by Sybil...

A few weeks ago I ate a sandwich at Gordon's lunch counter and sat next to Ben Beck, a former area resident who stops here often. In the course of the conversation Ben asked me why in the world I called this column "Let Me See". I explained that it was due entirely to my absolute lack of any originality. I spend hours with head-in-hand each week at column writing time thinking "let me see, what will I say this week."

Not often enough, people contribute humorous articles that I might use, and such is the case this week. Else this space would be blank today.

This item is contributed in hopes you will enjoy it with a big belly laugh. It varies in several ways from the regular content of this column, which most times is not worth reading anyway.

It recounts an incident concerning the bitter experience with a mule, and since we have many old-time mule sinners around, it just might bring to mind similar incidents.

Mrs. Lamb had a mule named Horace and one evening she called up Dr. Satterfield to say that Horace was real sick and asked him to come and see about the mule.

Dr. S. told her it was after 6 p. m. and he was busy eating supper. "Give him a dose of mineral oil, and if he isn't all right in the morning I'll come and look at him."

"How'll I give it to him?" she inquired.

"Through a funnel."

"But he might bite me," she protested.

"Oh, Fannie Lamb--you're a farm woman and you know about these things. Give it to

him through the other end." So Fannie Lamb went out to the barn and there stood Horace with his head held down, moaning and groaning. She looked around for a funnel but the nearest thing she could see to one was her Uncle Bill's fox hunting horn hanging on a wall. A beautiful golden plated instrument with gold tassels hanging from it.

She took the horn and affixed it properly. Horace paid no attention.

Then she reached up on the shelf where medicines for animals were kept. But instead of picking up the mineral oil, she got a bottle of turpentine instead and poured a liberal dose of it into the horn.

Horace raised his head with a sudden jerk, let out a yell that could have been heard a mile, reared up his hind legs, knocked out the side of the barn, jumped a five foot fence and started down the road at a mad gallop.

Now Horace was in pain, so every few jumps he made, that horn would blow.

All the dogs in the neighborhood knew that when that horn was blowing it meant Uncle Bill was going fox hunting. So out on the highway they went, close behind Horace.

It was a marvelous sight. First, Horace--running at top speed, hunting horn in the most unusual position, the melow notes issuing therefrom, the tassels waving, and the dogs barking joyously.

Horace and the dogs approached the Inland Waterway. The bridge tender heard the horn blowing and figured that a boat was approaching, so he hurriedly went out and cranked up the bridge. Horace went overboard and was drowned. The dogs plunged into the water, but swam out without any difficulty.

It so happened the bridge tender was running for office of sheriff of that county, but he pulled only 7 votes.

The people figured that any man who didn't know the difference between a mule with a horn (in a strange position) and a boat coming down the river wasn't fit to hold any public office.

NOTICE TO ALL CLUBS and social organizations... please give us a call, phone 3434 and report your news. We'll have some forms ready for you in a few days, which will be simple for the secretary to fill out and submit to the newspaper office. Most clubs like to keep a

scrapbook of items which have appeared in the newspaper concerning their club and its activities. Tell us, we'll print it.

Mr. and Mrs. Doyle Jackson took their son Tim to enroll in the Panhandle State College at Goodwell, Okla. Sept. 8. This is his first year in college.

Mr. and Mrs. T.C. Rymer of Mountain View, Mo. were Monday and Tuesday night guests of her brother, Mr. and Mrs. Owen Pendergraft. The Rymer's were enroute to Boulder, Colo. to visit her daughter, Mr. and Mrs. Art Axelson.

Mr. and Mrs. Travis Reget, Debbie and Dale were Saturday evening callers of Mr. and Mrs. Ulise Thibodeaux of Mobeetie, Texas.

Mrs. Bob Tevebaugh of Claude visited on her birthday Friday 15th with her mother Mrs. Bertha Jenkins, Mr. and Mrs. Phil Jenkins.

Buck Bullen of Erick, Okla., Ava Nell Davis of Elk City and Mrs. Bob Stewart of Spearman flew to Los Angeles and Sacramento, Calif. where a brother met them. They spent two weeks visiting Mrs. Stewart's mother Mrs. Ida Bullen and her sister, Mrs. Ruth Keller at Cedarville, Calif. Mrs. Bullen will soon be 90 years old. Ava Nell Davis spent only a few days with the relatives. Buck Bullen and Mrs. Stewart caught a flight Tuesday and returned home.

Mr. and Mrs. James Stephens and Mrs. Myrtle Stephens of Borger and Mrs. Phil Jenkins went to Clovis Sunday, Sept. 18 to attend a funeral for Bill Bartlett. He was a nephew of Mrs. Myrtle Stephens and a cousin of James and Mrs. Jenkins.

Mr. and Mrs. Raymond Kirk Thursday night dinner guests were Mr. and Mrs. Owen Pendergraft.

Mrs. Lorraine See and Mrs. Thelma Brown of Lindsay,

These expert motorcycle riders, enjoyed a "poker run" at Huber Park in Borger over the weekend. One of the featured riders is Clarence Pettitt of Spearman. Shown in the picture are left to right, Jerry Weber, who had the "low hand"; C.A. Pettitt, oldest rider; T.M. Caldwell, came farthest distance, Clarendon, 6th, Pat Devell, 5th, Joe Sullivan, 4th, Mr. and Mrs. Pete Iverson, 3rd, Cliff Galley, 2nd, Everett Palmer, 1st, Mary Henderson.

Okla. Mrs. Yette Dodson of Dalhart and Mrs. Ted Berry of Texhoma visited the first of the week with Vernie Rosson of Spearman.

Mr. and Mrs. Jack Rosson of Erick were Saturday night guests of her daughter Mr. and Mrs. Jack Kemper of Spearman.

Mr. and Mrs. Johnie Harris and Mrs. Froye Close of Spearman were Sunday evening callers of Mr. and Mrs. Tip Collingsworth of Perryton.

Mr. and Mrs. Floyd Mitts of Spearman and Mr. and Mrs. Bill Jones left Thursday for a week of relaxation and sight seeing. They traveled 3000 miles. These two couples have traveled a lot together since 1939. They went via Big Springs and San Antonio, where they spent some extra time. It is the "Gateway to Mexico". They visited Brackett Park, it is beautifully landscaped recreational center of more than 300 acres. It includes a large zoo a Me-

xican village and a sunken garden theater. From there, they traveled down the coast to Falfurrias, Port Isabel and Brownsville in the southern end of Texas. They crossed over the bridge to Mexico. Then, they went up the coast to Falcon Lake, Zapata and spent the night. From there they went to Pecos, El Paso and traveled to Tucson, Ariz. where they spent the night. Bill didn't feel very good so he spent five or six hours in the hospital. Soon he was able to travel so they returned home Sept. 14 by the way of Globe, Gallup and Albuquerque. They enjoyed their vacation very much, but of course, there is no place like home.

Dee Jackson of Spearman had surgery Monday morning, Sept. 18 in High Plains Baptist Hospital in Amarillo.

Mr. and Mrs. Ira Harbour attended the 50th wedding anniversary of friends, Mr. and Mrs. Ed King of Cromo,

Colo. A friend of the Kings was having the celebration in their home. Several relatives from Amarillo were present. The Harbours spent Saturday and Sunday night with the Kings before the celebration Monday, Sept. 18.

AFTER-GAME FELLOWSHIP FRIDAY NITE

There will be a Youth Fellowship Friday night following the football game in the entertainment rooms at the First Baptist Church.

Entertainment and refreshments will be furnished by the Baptist Church youth group. Everyone is welcome to attend.

Check list for better back-to-school lighting

- Have a table lamp that is tall enough and equipped with a shade wide enough to spread light evenly over the entire work area.
- The lamp should have a 150 watt bulb.
- Have a diffusing bowl to soften the light and prevent glare.
- Have additional lighting in the room to prevent eye-tiring contrasts of brightness and shadows.

Help prevent eyestrain, encourage homework and learning by following these simple suggestions.

412 DAVIS IN SPEARMAN NEXT DOOR TO EVERETT GREENE AGENCY

It's 1973, and Chevrolet roofs are opening, seats are swiveling, bumpers are retracting, hatches are flipping up.

Did you ever have so much to talk about that you didn't know what to say first?

We're happy to report that's us for 1973. But since everything must begin somewhere...

Isn't it romantic?

You see that rectangle beaming at you from above? That's a moonroof. Not to be confused with a sunroof. (Although many people will undoubtedly be caught using it like one.) A power roof is available on Chevelle and Monte Carlo; a manual one on Nova.

Bumpers are exciting? This year's are something to get

stirred up about. One of our new bumpers, for example, is built around twin hydraulic cylinders. So on minor impact, the whole system retracts to cushion the shock.

It's standard on all big Chevrolet, Chevelle and Monte Carlo

New Nova Hatchback Coupe.

Look what we hatched

You know us for our little Vega Hatchback. Now dependable Nova has one. Which literally makes it half trunk with the backseat down. It's a feature as practical as Nova itself.

We've been thinking about your legs

One of the few things people asked us to improve in our popular Chevelle was leg room in the backseat. Well, your knees will be pleased with the '73s. There's almost 3 1/2 more inches in the sedans.

So what else is new

Naturally this is only a taste of what's new for '73.

Among other things, we're introducing larger gas tanks for longer cruising range, a new Exhaust Gas Recirculation system, a hatchback for wagons, and a highly refined flow-through power ventilation system.

Plus a reading light for front seat passengers, improved suspension systems, engines that give you performance combined with gas economy, reclining seats and scores of dramatic styling changes.

We invite you to see it all at your Chevrolet dealer's.

New Malibu Colonnade Hardtop Coupe.

models. Nineteen different models to choose from.

(above) Caprice Coupe. Our new uppermost Chevrolet. Its luxury, comfort and quiet ride rival the most expensive cars you can buy.

(below) Monte Carlo S Coupe, America's newest road car. With the handling of the finest European cars, and the looks and comfort of an American car.

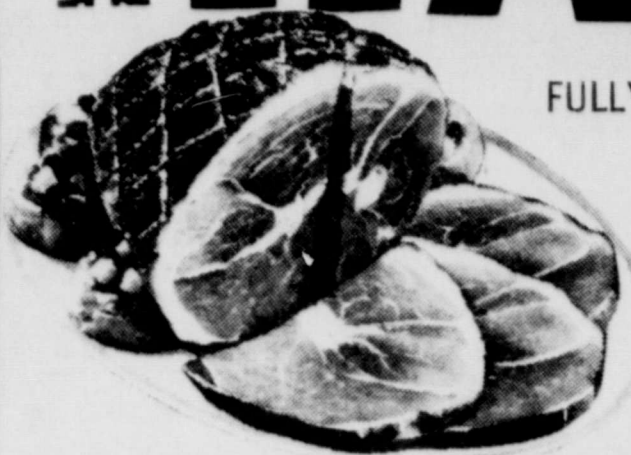

Building a better way to see the U.S.A.
