

## Tax Rate To Remain The Same In Spearman School District

### Calico CowBelles Organized Recently

Calico CowBelles, which is a member of the National CowBelles Association had its organizational meeting in Spearman June 4. They elect temporary officers at that time to serve until October 1. The new officers will be: President, Calico CowBelles; Vice President, a membership of over 100 ladies associated with the beef industry. New members are still welcomed by the Perryton and Spearman chapters and anyone interested in joining the Spearman membership representative, Mrs. Betty Garnett, Jr. at 659-2319 or other members at 659-2319 or 659-2319.

It is almost unbelievable, but the Spearman School Board announced this week that the tax rate for next year would remain the same, at \$1.63. School officials stated that the reason for this, was the collection of so many delinquent accounts, and the facts are that the administration is doing a good job in running this school district.

All of this was brought out at the school board meeting Monday night. Other business included the reading of minutes, and approval of minutes of the last meeting. Present at the meeting representing the class-room teachers association was Dorothy Roden. All school board members were present, along with the Supt. and business manager Orville Latham.

The board approved some changes in the school board policy; they changed the

dates when the Supt., teachers, and principals contracts will be considered. Starting this year, their contracts will be considered in January for the Supt.; February for the Principals, and March for the teachers.

The board accepted the resignation of Patsy and Mickey Owens, and hired Mike Garrison, of Kermit as a new assistant coach. Also, the board hired Vic Kyler of Gruver, as the new band director. His wife Lynda Kyler will teach in the 4th grade. Larry Lee of Tahoka was hired as the new biology teacher for Spearman.

The local office supply was awarded the job of cleaning the high school machines for the coming year.

Consumers Sales Co. was awarded the gas bids to furnish gas at cost plus to the school, if the gas is available. Gulf Oil Co. got the oil bid.

### Rites Held Sunday For Julia Gumfory

Funeral services were held Sunday at 3 p.m. in the First Christian Church of Gruver for Mrs. Julia Gumfory, 94, who died Friday morning at Pioneer Manor here.

Gary Gumfory, a grandson, and Phil Stallions, both of Gruver, officiated. Graveside services were held Monday in South Heights Cemetery in Sapulpa, Okla. Milton Mortuary of Borger handled the arrangements.

A native of Norway, Mrs. Gumfory had been a resident of Gruver for 25 years. She was a member of the First Christian Church.

She is survived by a son, Paul Gumfory of Gruver, a niece, Mrs. Wanda Goff of Pampa; seven grandchildren and 10-great-grandchildren.

### ORDER OF EASTERN STAR INSTALLATION SERVICES HELD JUNE 9 AT LODGE HALL

Installation services for the officers of the Eastern Star Spearman Chapter #721 were held at the Lodge Hall Saturday evening, June 9 at 8:00 P. M.

The Bible was presented at the altar by Gerri Lynn Maize and the Square and Compasses by Tammi Jo Maize. The meeting was called to order by Worthy Patron, Tommy Russell with Sandy Russell, outgoing Worthy Matron presiding. Introductions were made of various visitors including both Rev. Don Wirsorfer of the Christian Church and Rev. Wesley Daniel of the United Methodist Church. This was followed by the introduction of the Installing Officer, Joyce Lackey who in turn introduced the assisting officers, Alta Fisher, Installing Marshall; Jewell Turner, Installing Chaplain; Nina Hendricks, Installing Secretary; and Coy Palmer, Installing Organist.

Officers Installed were: Lynanne Maize, Worthy Matron; Leland Wood, Worthy Patron; Millie Craig, Associate Matron; L. F. Hand, Associate Patron; Thelma Scott, Secretary; Judith Black, Treasurer; Lou Howk, Conduress; Fay Palmer, Associate Conduress; Sandy Russell, Chaplain; Mary Brock, Marshall; Wilma Clark, Organist; Carolyn Wood, Ada; Susie J. Hand, Ruth; Cheryl Tannison, Esther; Betty Uptergrove, Martha; Geraldine Lovinggood, Electa; Jessie Faries, Warden; and Cecil Barton, Sentinel.

The Worthy Matron presented the gavel and introduced her family, her husband, Don Maize and their three daughters, Gerri Lynn, Tammi Jo and Jami Lydawn; her parents, Mr. and Mrs. Guy Remy of Spearman, Past Matron and Past Patron of Ivanhoe Chapter at Cunningham, Kansas; her sis-

ter-in-law and husband, Mr. and Mrs. Guy Shields, also Past Matron and Past Patron of their Chapter at Satanta, Kansas; and friends Mr. and Mrs. Jesse French of Spearman.

Using as her theme for the year, "Prayer Changes Things" the Worthy Matron gave a most impressive address. She asked for the co-operation of her officers and pledged her utmost ability in the performance of her duties to her chapter and to her God.

Junior Past Matron, Sandy Russell and Junior Past Patron, Tommy Russell were presented at the altar where they signed the Bible and to the East where they were presented Past Matron and Past Patron Jewels by the Worthy Matron and Worthy Patron.

Following was a musical selection "Sweet, Sweet Spirit" sang by Ed Howk Accompanied by Wilma Clark at the piano.

The meeting closed with the benediction by Rev. Wesley Daniel.

Retiring to the dining hall the refreshment table was laid with a yellow cloth with a white net overlay and was centered with a cake baked in the shape of an open bible. Further carrying out her theme and colors for the year, the pages were inscribed with "Prayer Changes Things" and long stem yellow roses were laid in a semi-circle around the Bible and were flanked on either side with yellow tapers in crystal holders. Completing the arrangements were the crystal punch bowl and cake squares which were served by the reception hostesses, Alta Morse, Fronye Close, Hazel Taylor and Ruth Mary Whitson.

Registering guests were special assistants Deta Blodgett and Minnie Jones. Ushers were Earl Taylor and Dan Faries. Approximately 75 attended the meeting.

## Gerry Kraft Here For Revival June 15-17

The Youth of the First United Methodist Church of Spearman are sponsoring a revival June 15-17 at the church.

The evangelist for this revival is Gerry Kraft of Fort Worth. Kraft was a professional football player with the Cleveland Browns before going into evangelistic work.

He began working with youth in a church in Fort Worth in 1958. At that time there were 60 active youth in the church and in a year's time that number had grown to 600.

In 1959 Kraft began his evangelistic work and now has several teams under him. Services will be at 8 p.m. June 15 thru June 17 and a Saturday morning service will be held at 10:30 a.m.

Although the youth of the church is sponsoring this revival everyone is invited, according to Rev. Wesley Daniel, pastor of the church.

## Ladies Nite

### Lions Club Set Ladies Night

The Spearman Lions Club will have their annual Ladies night, at the First Methodist Church in Spearman, Tuesday June 19, 1973. The meeting will feature a buffet style menu, served by the Methodist Ladies. The food is one of the outstanding features of the year for the local Lions Club, and will feature strawberry shortcake for dessert.

The program will include the opening number, America, sung by the entire Club. Pledge of Allegiance to the flag will be led by Lion Goodheart. Invocation will be given by Lion Daniels. Introduction of guests, by Lion Kleeberger. Presentation of awards, by Boss Lion Bob English.

The 1973-74 officers to be installed are: President Lion Tracy; First Vice President Lion Mead; Second Vice President, Lion Young; Third Vice President Lion Brummett; Tail Twister, Lion Newell; Secretary Lion Earl Goodheart; Lion Tamer, Lion Yarbrough.

Directors for the coming year include Lion Cunningham, Alford, Struve, Healer, Schubert, Sloan and English.

## Harvest Fuel

In response to appeals from constituent farmers and ranchers faced with immediate fuel shortages hampering planting and harvesting operations, Congressman Bob Price has been working closely with the Office of Oil and Gas, Department of Interior, and the United States Department of Agriculture in an effort to secure adequate fuel supplies to meet immediate demands.

Today, Congressman Price has been notified that his efforts to secure additional fuel supplies for the Burkburnett area have been successful and that delivery should take place immediately. The Congressman received this information from the Oil and Gas Department of the Department of Interior in Washington.

The United States Department of Agriculture and the Department of Interior are working together in an effort to assure sufficient quantities of fuel oil for areas now concerned with the harvesting of mature crops. Congressman Price urges that all oil and gas jobbers and farmers notify their county ASCS office of any impending shortage of fuel. An emergency network has been established by ASCS in order that fuel shortages may be reported immediately.

In the event the SCS office of your respective county cannot be contacted please feel free to call my offices in Wichita Falls, Amarillo, or Pampa," said Mr. Price.

## Ladies Golf

Eleven women attended the Tuesday Golf Day playing for low gross, low net, and low putts. Ann Sanders earned the low gross with a score of 39; Francis Duncan, low net with 31; LaNetta Shapley and Doris Davis tied for low putts with 17 putts each.

The yearly dues of \$2.00 are payable now and any new players are cordially invited to join at this time. The women meet at 8:45 a.m. with tee-off time at 9:00 a.m. sharp--don't be late.

Members present for the Tuesday tourney included Ann Sanders, Buena Lyon, Bill Dean Barkley, Doris Davis, Esther Gillispie, Francis Duncan, Idell Mead, June Lee, LaNetta Shapley, and Marian Shapley. Kelly Shapley was welcomed as a new member this past week.

to promote the 'beef story' Calico CowBelles will give a "Baby" beef, which is a Choice Beef Roast in same weight amount as the baby born on Father's Day. The newborn baby will also have a small cowbell with baby's name and other vital statistics engraved on the bell.

The next meeting of the Calico CowBelles will be held at 8 p.m. in the First Bank building, and all members urge everyone to come and serve beef on Father's

Bob Kiser (seated, second from left) of Spearman Appliance Center, Spearman, Texas, is seen during a class at the June factory service school held at the Maytag company's headquarters in Newton, Iowa. He was among 16 dealers representatives from eight states and 1 country who attended the one-week service seminar to receive the latest information on appliance service procedures.

Visitors last week in the homes of Mrs. V. W. Caldwell and Mr. and Mrs. Bill Hopper were Mrs. Caldwell's granddaughter, Jane McBride and daughter Debbie from Ranglely Colorado, Gladys Hartman and children, Jennifer and Joe from Houston, Texas, and Mr. and Mrs. Pete DeBree from Jackson, New Jersey.

Mr. and Mrs. Byron Groves and Troy have moved their trailer house from the farm to Waka where they will now be living.

Visiting in the home of Mr. and Mrs. V. V. Hull last weekend was Mrs. Florence Adams from Borger, Mrs. Hull's brother, John Darbro from Woodward, Okla., and her sister, Mr. and Mrs. Don Sperling from Houston, Texas.

Mr. and Mrs. Hull's grandson, Dick Barnes, formerly of Spearman, was injured Thursday when he fell off a drilling rig at Minden, La. He will be in the hospital there for some time.

DISPLAY YOUR FLAG ON FLAG DAY JUNE 14th

Pictured above is Randle Scott Collard receiving a Student Achievement Award from the Texas Institute of Chemistry, an affiliate of the American Institute of Chemistry. This was presented during their Golden Anniversary meeting in Houston.

Collard was nominated for the award by the Trinity University faculty as their outstanding chemistry major. Seventeen students received this honor for displaying outstanding academic ability, extraordinary leadership qualities, and exceptional potential in the field of chemistry or Chemical Engineering.

while a senior at Trinity, he served as president of the American Chemical Society student affiliates. He also served as president of Alpha Chi, an honor society selected from the top ten per cent of the junior and senior students.

With a grade point average of 3.757, Randy graduated Magna Cum Laude. He received a Bachelor of Science in chemistry from Trinity University this spring.

Randy will enter Louisiana State University in Baton Rouge this fall. There he will work toward a doctorate in chemistry.

Mr. and Mrs. George C. Collard, Randy's parents, attended the Baccalaureate and Commencement ceremonies.

Weekend visitors in the home of Mr. and Mrs. Aaron Love this weekend was their son, Mr. and Mrs. Larry Love and family from Amarillo and their daughter, Mr. and Mrs. Jimmy Hall and daughters from Borger.

## Palo Duro Dam Is Just Around Corner!

The Palo Duro Dam authority will become law on June 18th, according to Craig Davidson. On June 19th an organizational meeting will be held at 7:30 p.m. at the Perryton Club in Perryton. The purpose of the organizational meeting, of course is to organize the project for the future development of the dam.

Local business men, farmers and ranchers who know that the future of our city and county lies in the amount of available water, stand ready to assist the Palo Duro river authority in any way they can.

As yet, it is not definite where the dam site will be. There are so many good locations on the Palo Duro River that engineers will just have to let the board decide where the dam will be located.

However it is a fact, that the Commissioners and other officials are doing a great job so far, in pushing the Palo Duro Dam through to a reality.

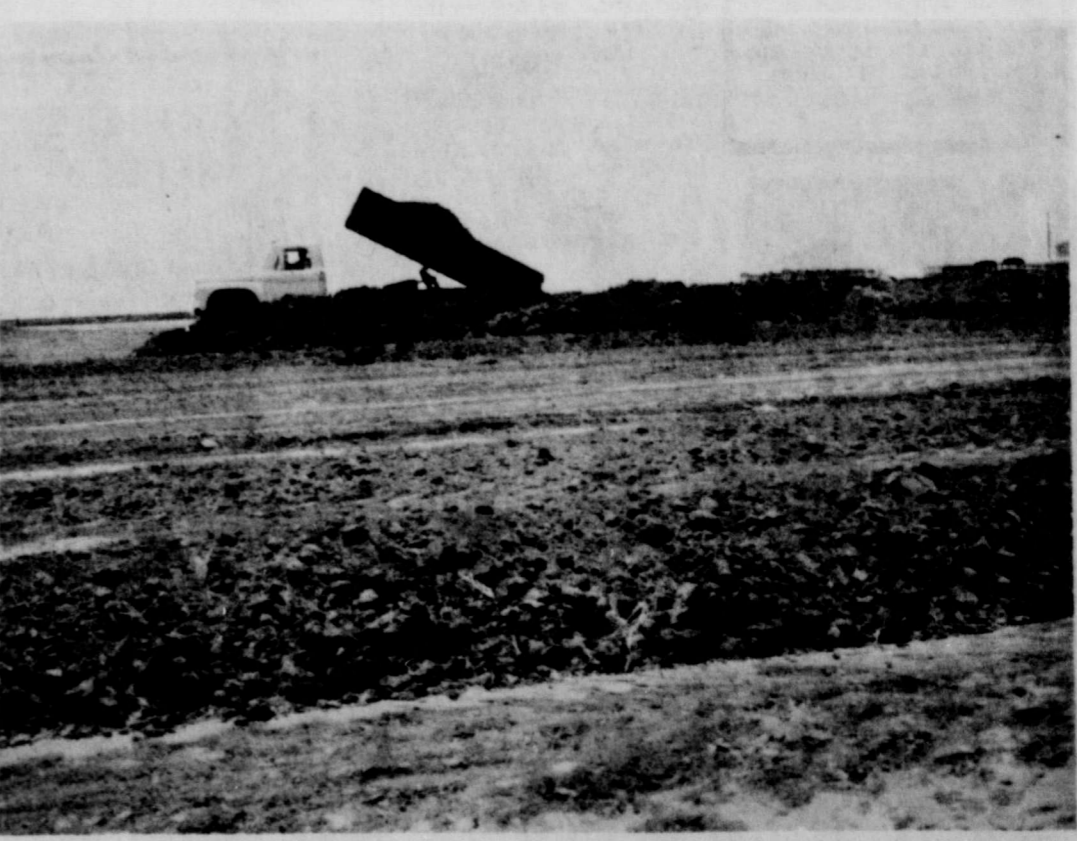

Complete details on the organizational meeting at the Perryton Club will be available on June 20th for the paper.

### Library

Hansford County Library in Spearman has received a grant of \$375 from Federal Library Service and Construction Act funds administered by the Texas State Library. It is one of 188 libraries in the state with local support that qualified them for the LSCA grants.

In discussing the LSCA program, Dr. Dorman H. Winfrey, director of the Texas State Library, pointed out the importance of the grants as incentive for improved local support. In 1964 Texas public libraries had funds of \$9,640,565. In 1972 funds totaled \$24,837,191. In 1964 there were 32 counties without service. By 1972 the number had dropped to 23.

"Also important," he continued, "is the experience in cooperative activities that was gained under the Title III program." The Texas Library Systems Act of 1969 gives Texas libraries the authority to appropriate funds for certain statewide programs. Having already gained experience in cooperation, the libraries should be able to take full advantage of the State program when funds are available.

The dirt fill on the new track for Spearman High School is nearing completion, and the Lynx will have one of the finest tracks in the state of Texas. Bernard Byers is pictured above on the 50 yard line, of the new land-fill, located behind the Spearman High School. Also, the school bus barn is located in the background.

**LEGAL NOTICE**  
**NOTICE TO CONTRACTORS**  
 Sealed proposals for Seal Coating approximately 100,000 S. Y. of City streets and misc. curb and paving repairs will be received at the office of the City Manager, City Hall, Spearman, Texas, until 8:00 p.m. June 25, 1973, and then publicly opened and read. All proposals shall be accompanied by a cashier's or certified check written upon a national or state bank in the amount of five (5%) percent of the total maximum bid price payable without recourse to the City of Spearman, or a bid bond in the same amount from a reliable surety company, as a guarantee that bidder will enter into a contract and execute performance bond within ten days after notice of award of contract to him. Bids without check or bid bond will not be considered. The attention of bidder is called to the special provisions concerning minimum wage rates and hours of employment included in House Bill No. 115 of the Fourth Legislature of the State of Texas. Compliance with the above wage and hour bill is required. The city reserved the right to reject any or all bids, to waive informalities and to accept the bid deemed to be the most advantageous to the City. All bids received after the above closing hour will be returned unopened. Plans, Specifications, and bidding documents may be secured from the office of McMorries and Burns, Inc., P.O. Box 142 Dumas, Texas 79029 on deposit of Fifteen (\$15.00) dollars per set, which sum so deposited a total of Ten (\$10.00) dollars will be refunded, provided: (1) All documents are returned in good condition to McMorries

**Orientation At WTSU Dates Are Slated**  
 West Texas State University new freshman summer enrollment program is proving very popular, Registrar Donald Cates said today. Three dates--June 12, July 6 and July 31--were set aside for orientation, advisement and early registration of freshmen students already accepted for admittance to WTSU next fall. Two hundred students and their parents have been invited on a first-come, first-serve basis to each of the sessions. The June session is filled, Cates said, but places remain on the two July dates. Cates said, "This program will help the student make the transition from high school to college while at the same time help the parent understand more about that transition." The purposes of the summer program, Cates said, are to assure the student of more individual attention in orientation, program planning and registration of classes; to provide an opportunity to visit the campus; and to help him learn more about educational and career opportunities and financial aid programs. "These freshmen will be able to come in smaller groups," Cates said. "They will be given individual academic counseling by faculty members on a one-to-one basis. It is very important for interested students to sent in their confirmation cards as soon as possible so that they may have a better chance of getting in the session they want. Orientation is scheduled from 8:30 a.m. to 5 p.m. Students will meet in a general assembly in the Activities Center and then break into

four smaller groups for counseling, orientation and campus tours. During the time the students are being advised, their parents will have an opportunity to meet and talk with university deans and administrators, Cates said. Registration for classes with the student's advisor is the last step in the process. There is no charge for the program. The tuition and fees incurred from registration will be billed to the student's home after the program, Cates said. Arrangements can be made with the director of the Testing and Counseling Center by students who wish to attain college credit for some courses by examination. Housing will be available in university residence halls for students desiring to remain over night the night before or after each session. Parents will be able to lodge in motels near the university. The university cafeteria will be open to parents and students for meals at nominal costs. Larry D. Turner of Waka has registered for the July 6 session of the summer orientation program.

**Tech Receives Grant For Narcotics Study**  
 LUBBOCK--A \$4000 grant has been awarded to Texas Tech University School of Medicine (TTUSM) for research on the effects of narcotics on antibody production, it was announced Thursday. The grant was awarded to Stanley S. Lefkowitz, Ph. D. associate professor of Microbiology, by the Eli Lilly and Company Research Grants Committee. The study, which Dr. Lefkowitz began while he was at the Medical College of Georgia, is centered on the physical effects of the narcotics so often abused in today's society, including morphine, methadone, mescaline and hashish. Specifically, the study will determine what effects these drugs have on an animal's resistance to disease. The research will be conducted on mice who will be injected with drugs. The mice will then be tested to determine their ability to produce antibodies and their relative susceptibility to disease after exposure to drugs with high abuse potential.

### Bubby Gruver To Undergo Surgery

Bubby Gruver, long time Gruver resident who recently moved to near Kerrick where he is engaged in farming, is in Denver awaiting open heart surgery. We know that he would appreciate so much news from each of you for it would make the time (possibly two or three weeks) pass much more swiftly and so much more pleasantly. Bubby is at the University of Colorado Medical Center, Room 6107, Denver, Colorado, 80210. His wife, Josephine, is with him in Denver and Marie, the Gruver's daughter who graduated from Panhandle A & M this spring, along with Stanley and Kim are at home on the farm near Kerrick. Buddy Lowe, who talked to Bubby Wednesday noon said that he was in good spirits but was missing the Panhandle and the Panhandle people while in Gruver. Bubby worked tirelessly for the Gruver

Motor Company and many, many times took extra time to go out to many farmers' fields to help repair machinery. He also served as a volunteer fireman all of the time he was here as well as being fire chief. It can readily be said that seldom have so many people owed one person so much for so long--drop Bubby a card and tell him to "Have a Happy"---This is your do-it-yourself project.

### Little League Expresses Appreciation

We would like to recognize the people who have helped to fix up the Little League Park. The Ladies Auxiliary put in the hot water heater and sink at the concession stand and ran the concession this summer. Jim Jones of the Scout project fixed the rest-rooms. Preston and Edith Smith, in memory of their son Dan,

put in the water fountain. Burton's TV donated a microphone. Ceril Batton has mowed the grass. Eugene Yarbrough and Billy Miller watered the grass. Shaver and Jones dug the ditches for the plumbing. Money contributions were received from several.

### 4-H HORSE SHOW TO BE HELD JUNE 16

The Hansford County 4-H Horse Show will be held Saturday, June 16 at 2:00 P. M. in the Gruver Rodeo Arena. The show will climax the years work by 4-H Horse Project members. 4-H members have been working with their horses this spring and summer and are required to complete a 4-H record form in order to enter the show. Trophies will go to the winners in each of the four performance classes and to the Champion and Reserve Champion Mare and Gelding. Rosette ribbons will be awarded to the top three

in each class and all contestants will receive a contestant ribbon. The judge for the show is James Smith, County Extension Agent, Guymon, Okla. The county show will serve as an elimination for the District Show to be held in Amarillo on June 28, 29. Hansford County will be able to send twelve contestants to the District Show. Trophy and ribbon donors for the show includes: R. L. McClellan Grain Co., Inc.; Sunburst Cattle Co.; Martin Trucks; T. C. Harvey, Jr. Feedlot; Equity; H. & H Cattle Co.; Caprock Industries; Rex Sanders, Jr.; A. D. Reed, Jr.; Eddie Stewart, and Livestock Specialties.

### Swimming Lessons Scheduled To Begin

Swimming lessons will begin June 18 and be held through June 29 at 5 p.m. and 6:30 p.m. daily. There will be two classes each 45 minutes long. Registration will be Monday June 18 at 5 p.m. at the pool.

Children should come prepared to swim. Fees will be \$10.00 for the lesson course. If there are two children of the same family are enrolled \$15.00 will be charged. For three or more children of the same family \$20.00 will be charged. These fees are payable on the date of registration. Any person is eligible for this swimming course provided they can stand unaided in the shallow end (3 feet deep) of the pool. Session II of swimming lessons will be July 9 through July 20 beginning at 5 p.m. to 6:30 p.m. daily. Registration will be Monday July 9 at 5 p.m. at the pool. Children should come prepared to swim. The fees and eligibility remain the same. Don Wirsdorfer will be the instructor.

### Commission Office Is Employment Base

At the closing of the commission office of the Texas Employment Commission, there has not been a place where farmers and prospective employees find out about each other. The County Extension office has agreed to take care of this. A card file for the use of people looking for jobs is being set up. The office is not intended to be a permanent, full-time employment service but merely a place to assist with the heavy load on area farmers. Also assist many of the people in the county who are looking for jobs. With the coming harvest season, the situation and many problems farmers are facing, this may help in their situation. County Extension office is located in the Court House and anyone who has a job should come fill out a card on the spot. Also farmers need farm hands and by and review the card are on file in the office. When a person has a job, it will help fill out a card on the spot. Mr. Norma Jean is County Extension secretary know, so you can be removed from the file.

### Funeral Services Pending For Rosetta Pattison

Funeral services for Mrs. Rosetta May Pattison, 75, a Perryton resident since 1948, who died Tuesday in Senior Village Nursing Home are pending with Boxwell Brothers Funeral Home. Mrs. Pattison, born in Denton, came to Beaver County, Okla. in 1915 from Sulphur, Okla. Survivors include a daughter, Mrs. La Jaunta Nelson of Davis, Okla.; three sons, A.W. of Balko, Okla., Ralph of Perryton, Charles of Oklahoma City; five sisters, Mrs. Mary Russell and Mrs. Evelyn Anderson, both of Perryton, Mrs. Dovie Seeley of Hollywood, Calif., Mrs. Lora Jo Hightower of Hillsboro and Mrs. Bobbie Hasenmaier of El Camp, Calif.; 15 grandchildren and seven great-grandchildren.

Mr. and Mrs. Buck Tucker and family went to Dumas Saturday for Dogie Days and visited in the home of his sister, Mr. and Mrs. Bill Kloss.

Monday visitors in the home of Mr. and Mrs. Wilton Youngblood were her brother, Mr. and Mrs. Conrad Lloyd and family of Midland.

### EDITORIAL

#### REMEMBER THOSE WHO SERVE TO INSURE AMERICA'S FUTURE

Born in the depths of internal dissent over a seemingly endless war, "Honor America Day" is once again coming up to remind us of our obligation as citizens of this great country. This year, the celebration actually a 21 day salute to America's greatness extending from Flag Day, June 14th to July 4th--will dawn on a nation at peace for the first time in almost a decade. In the short space of the single year since the last Fourth of July, our President has brought an end to the divisive conflict in Vietnam, and opened up new initiatives with the Eastern Bloc. We are now dealing with traditional opponents from a position of enlightened self interest--discussing our relationships in terms of trade exchanges rather than nuclear exchanges. As we reflect on the glories of a time free from the agonies of war, and as we turn our efforts to the solution of critical problems here at home, it behooves us all to look closely at the chain of events that has brought us to this fortunate present. The thinking individual cannot escape the conclusion that through the years since the founding of the Republic, brave Americans have been willing to sacrifice everything, if need be, to defend our way of life and the cause of justice. This was as true of the Vietnam Conflict as it was of all the other wars. Let us resolve during this celebration to honor America to remember with gratitude the sacrifice of those who have made it possible to enjoy this day. Let us put aside our differences, and work together to insure that those who have served are given appropriate recognition based, not upon popular judgments of the conflict in which they served, but upon the measure of devotion to the nation demonstrated by those who gave a portion of their lives, and frequently more, for the cause of our freedom. As we celebrate the 197th birthday of the nation let us also celebrate the fact that American bravery and dedication are qualities still in abundance. And as we give thanks for peace, let us also pray for the continuation of the strong national will and spirit typified by the sacrifice of those who served to insure America's future.

# JUNE 1973

This bank recognizes that its first obligation is to our community's businessmen and families. Indeed, we believe that community service is the first obligation of all the 14,000 banks now operating in the nation. There was a time when America had no banks, because, before the American Revolution, Great Britain forbade banking in the Thirteen Colonies. Americans were still fighting for their independence when, in 1782, the first American bank opened its doors in Philadelphia.

A salute to the men and women of note who were born in the month of June, presented as a public service by

SUGGESTION FOR FAMILIES: Tear out this calendar. Tape it to a wall at home for reference during June.

SUGGESTION FOR TEACHERS: Perhaps this calendar belongs on your classroom's bulletin board during June.

FRIDAY

SATURDAY

1

FRANCIS & FREELAN STANLEY, the twins born on this day who invented the famous Stanley Steamer autos, fastest cars in the dirt track races in 1900.

2

We wish a happy 74th birthday to naturalist EDWIN WAY TEALE. His *Wandering Through Winter* won a Pulitzer prize in 1966.

SUNDAY

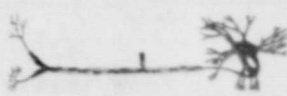

MONDAY

TUESDAY

WEDNESDAY

THURSDAY

3

100 years ago today, in Germany, OTTO LOEWI was born. In 1936, he was awarded a Nobel prize in medicine for his discovery of the chemical transmission of nerve impulses.

4

A happy 62nd birthday to ROSALIND RUSSELL, star of *Auntie Mame*, *Picnic*, and other memorable movies.

5

DIEGO VELASQUEZ (1599-1660), who painted King Philip IV of Spain 40 times. Fortunately, Velasquez found time for some other painting, too.

6

A happy 87th birthday to PAUL DUDLEY WHITE, the Boston physician famous for achievements in heart disease. President Eisenhower was his patient. Dr. White's advice: "Exercise more."

7

A happy 54th birthday to GWENDOLYN BROOKS, first Negro to win a Pulitzer prize in poetry (in 1950). This Kansas-born poet is also a novelist.

8

A happy 54th birthday to BYRON WHITE, since 1962 a U.S. Supreme Court justice. He was a football star and valedictorian of his class at the University of Colorado. Later, he was a star in pro football.

9

A happy 73rd birthday to FRED WARING, inventor of the Waring Blendor and founder (in 1921) of the still-busy orchestra called the Pennsylvanians.

10

SIR HENRY STANLEY (1840-1904), the New York *Herald* reporter who in the middle of darkest Africa in 1871 said: "Doctor Livingstone, I presume." Stanley, who was born in Wales, served on both sides in the U.S. Civil War.

11

A happy 63rd birthday to JACQUES COUSTEAU. His book about skin diving, *The Silent World*, sold 5-million-plus copies. His *Silent World* movie won a 1957 Academy award.

12

A happy 58th birthday to DAVID ROCKEFELLER, chairman of the third-largest bank in the U.S., Chase Manhattan Bank. (His brother Nelson is governor of New York.)

13

200 years ago today, in England, THOMAS YOUNG was born. At age 20 he discovered the human eye's ability to change shape and focus. At 28, he discovered astigmatism.

14

Ask Grandma how people listened to records of *Mother Machree* (1910) and *When Irish Eyes Are Smiling* (1912) on the old Victrola. The singer was JOHN McCORMACK (1844-1945), the Irish born tenor.

15

A happy 74th birthday to ERIC ERIKSON, the German-born psychoanalyst. For his book, *Ghandi's Truth*, he won a 1970 Pulitzer prize.

16

A happy 36th birthday to ERICH SEGAL, author of *Love Story*, the novel and movie of 1970 that made him a millionaire. He is a Greek and Latin scholar.

17

A happy 66th birthday to WILLIAM B. MURPHY, who retired one year ago after 19 years as president of the Campbell Soup Co. In those years, he tripled Campbell Soup sales, to more than \$1-billion per year.

18

A happy 56th birthday to RICHARD BOONE, the star of the television series *Have Gun, Will Travel*.

19

LOU GEHRIG (1903-41), the New York Yankees first baseman, 1925-39, and teammate of Babe Ruth. Gehrig played in 2,163 games, batted a champion's .340.

20

ERROL FLYNN (1909-59), the Tasmania-born, British-educated actor who was the hero of dozens of Hollywood swashbuckle pictures.

21

MARTHA WASHINGTON (1731-1802), who was eight months older than George. When they married (in 1759), she was the richest widow in Virginia and he (aged 26) was already acknowledged a leader without peer in the 13 colonies.

22

Dr. Scholls

The "bunion millionaire," DR. WILLIAM SCHOLL (1882-1968), inventor and manufacturer of arch supports and footpads. His advice for business: "Early to bed, early to rise, work like hell, and advertise."

23

Just 100 years ago, HENRY MARCY began his battle to introduce to the U.S. antiseptic surgery he had learned in Scotland from the originator, Joseph Lister. In 1892, Dr. Marcy was elected president of the American Medical Association.

24

A happy 42nd birthday to BILLY CASPER, one of the finest putters in the history of golf.

25

CONTINENTAL

A happy 66th birthday to ROBERT SIX. In 1938, Bob Six took over small, struggling Continental Airlines. In the years since, he has made it one of the greatest U.S. air carriers.

26

This is the 81st birthday of PEARL BUCK. She died last March. Miss Buck was the only American woman to win the Nobel prize in literature. Her great story of life in China, *The Good Earth*, won the 1932 Pulitzer prize for novels.

27

This is the 93rd birthday of HELEN KELLER. She died in 1968. As a child, she lost sight and hearing. With lectures and books she earned her own way in the world. She said: "There is no king who has not had a slave among his ancestors, and no slave who has not had a king among his."

28

A happy 71st birthday to RICHARD RODGERS, the richest composer of all time. He earned millions from such songs as *Some Enchanted Evening*, *Oh! What A Beautiful Morning*, and *My Heart Stood Still*.

29

This is the birthday of the great surgeon WILL MAYO (1861-1939). He and his brother Charles established in 1915 at Rochester, Minn. the Mayo Foundation for Medical Education and Research.

30

25 years ago today, BELL TELEPHONE LABORATORIES announced the invention of the transistor. In our times the transistor made possible pocket radios, portable tape recorders and TV, and computers.

# FIRST NATIONAL BANK

435-3676

PERRYTON, TEXAS

Banking is a personal business

At this bank, we know that there is no business more important than the business of raising a family. So this bank's staff works hard to build better families. With money managed well. With family security strengthened. Here are our five principal banking services for families -

1. The checking account. Saves time and effort in paying bills. Keeps account of how you spend your money. Gives

you permanent records for income tax and other purposes.

2. The savings account. Every member of the family should have his own (or her own) nestegg account. Encourages thrift. Makes you more secure. And the interest this bank pays you makes your money grow.

3. The family loan. For autos. For vacations. For home improvements and appliances. For any other worthwhile purpose. Just ask us.

4. The safe deposit box. That's the only safe place for valuable family papers - birth and marriage certificates,

mortgages and deeds, auto titles, insurance policies, etc. For 1 1/2 cents per day, your valuables are protected against fire and loss and theft.

5. Money management counsel. You have a problem that involves money? This bank's staff almost always has simple solutions to the financial problems our customers bring us. And we like to help our friends.

If you are already our customer, call on us any time for counsel or help. If not yet our customer, you and your family are invited to come in and become acquainted.

# THE BIRTHDAY CALENDAR

### Young Married Class Has Social

The young Married Class of the First Baptist Church had a class social last Friday, June 8, at the home of Mr. and Mrs. Wilton Youngblood. Guests and class members included...

### Births

Mr. and Mrs. Ronnie Burrell of Perryton are the proud parents of a baby girl born June 10 in the Ochiltree General Hospital. Alisha Deann Burrell weighed 7 lbs. 12 oz. Maternal grandparents are Mr. and Mrs. Kiff White of Spearman. Paternal grandparents are Mr. and Mrs. G. W. Burrell of Perryton.

Mr. and Mrs. Darrel Wayne Brown of Spearman are the parents of a son born June 11 at Hansford Hospital. He weighed 8 lbs. 6 1/2 oz. and has been named Phillip Wayton. Mr. and Mrs. Charles E. Sieder of Gruver are the parents of a daughter born June 13. She weighed 7 lbs. 10 1/2 oz.

### news from your HOME DEMONSTRATION AGENT

by Nellie Evans

templation and spiritual renewal.

3. To provide a change of pace... for the person whose job requires mental activity, perhaps something physical: If he ordinarily works with people, some solitude is called for; if he works usually in isolation, the stimulation of other people...

4. To do a better job upon return. "The good executive is a well-rested one," says W. Clement Stone, Chairman of Combined Insurance Company of America. "Most of our men take at least two vacations a year, they do a much better job when they return."

5. To give others a chance. One test of a good organizer is the ability to delegate responsibility. Sometimes a man's promotion depends upon whether or not he's groomed a successor to step into his shoes.

6. To maintain closeness among family members, particularly husband and wife. Some vacation time with the whole family strengthens family unity, but equally important is the opportunity for the husband and wife to have some time alone together.

to know each other again as individuals in anticipation of that 20-year-long "second honeymoon."

7. To prepare for leisure time to come. Nowadays a man who reaches 65 can expect to live an additional 13 years, his wife even longer. Many live into their 80's. For the "work addict," the idea of retirement brings panic and the question, "What will I do with my time?"

Mr. and Mrs. Charles Eaton and children spent Saturday at Dumas for the Dogie Days celebration.

### BASEBALL ROUNDUP

It sounded like a football game score, but the fighting Spearman American Legion team finally dropped a thriller to the Perryton American Legion team 18-14 at Perryton Sunday afternoon.

The entire Spearman team, coached by Allen Simpson, managed to get in on the scoring.

The Spearman Legion team will play in the Elkhart Tournament this week-end. The first game will be played in Elkhart, Friday night.

President of the Spearman

Little League Organization, Mrs. Charlene Bulls, notified the newspaper this week, that a meeting will be held Saturday night, to decide where the Little League play-offs will be held this year. Apparently they will be held in Spearman, but nothing is definite.

The Indians, under coach Calvin Bodey, have been declared the winners of the Little League major league championship battle this year. Coach Eugene Yarbrough's Sox, have likewise been declared champions of the Minor League race.

### COW POKES

By Ace Reid

Ole hoss, I jist don't know who's the biggest fool. Her fer jumpin' or us fer holding onto her."

Don't be a fool when you buy your new car, farm machinery, or truck. Check with us first for the best financing in town.

### Non-Workers Nos. Increasing

How many Hansford County men are non-workers by choice? How many in the local area, over age 16, are unemployed--neither working, nor looking for work nor going to school? As in most parts of the nation, their number is increasing, year by year.

Our agents undergo one of the toughest training programs in the industry. What does it get them? Professional. Southwestern Life Happiness is what we sell. DON KNOX 614 S. TOWNSEND 659-3294

TEPEE WESTERN STORE 300 Polk St., Amarillo, Texas THANKS!! A business such as ours owes its existence to people like you, our friends and customers. We want to take this opportunity to publicly thank our friends - both old and new - for giving us the privilege of serving them.

Greetings To All Cattlemen FRIDAY, June 8, was a perfect day for a cattle auction in Texhoma. The action began at 10 AM and was completed at 10:30 PM. 6037 cattle and calves were sold thru the arena. Buyers were here from several states to absorb the offering.

**FARM & RANCH NEWS**  
County Agricultural Agent

According to some statistics from USDA meat imports for the period January through April, 1973 are 12 percent larger than for the same period last year, an increase of 42 million pounds. It is interesting to note that imports for the month of April were lower this year by 7.5 million pounds compared to 1972 levels.

Commercial livestock slaughter and meat production in the 48 States was also lower for this same period, January-April, 1973. Cattle slaughter was down 410,000 head and calf slaughter was off 268,000 head. Beef production based on cattle slaughtered was down 1,221 thousand pounds for the January-April period while total red meat production was

619 thousand lbs. lower during the same period in 1973 as compared to 1972.

Dr. Bill Clymer, Area Extension Entomologist, was in the county Monday afternoon. We checked alfalfa fields for the alfalfa weevil. A few of the weevils were found, but generally the population of the weevils were lower as expected. Alfalfa weevils generally do not have much economic effect of alfalfa after the first cutting.

We did find a few elm leaf beetles starting to feed on some of the elm trees. Elm tree owners should check their trees and start control measures when insect damage is noted. Young insects are easier to kill than older ones. Recommended

chemical sprays are: Sevin, Chlordane, Dieldrin, lead arsenate and toxaphene.

Persons engaged in farm operations will need to comply with certain emergency regulations in the use of organophosphorous pesticides beginning June 18. These regulations come under the Occupational Safety and Health Act (OSHA), of 1970.

This federal act establishes regulations wherein employers are obligated to follow certain standards in assuring a safe and healthful workplace for their employees.

The temporary regulations are effective through the 1973 crop year and concern only those pesticides with phosphorous base that are considered highly toxic at the time of application. Among these are diazinon, malathion, methyl parathion and disulfoton (Dison).

Under the new guidelines, employers are required to do the following:

1. During pesticide application, remove all employees from the field who are not engaged in the application.
2. Prohibit employees from re-entering a pesticide treated field until a predetermined safety period has passed.
3. Post written warning signs as indicated by the regulations and give oral notice if necessary.
4. Maintain records of all warnings, both written and oral.
5. Supply protective clothing and equipment to all applicators, and provide safe methods of cleaning such clothing and equipment after use.
6. Maintain certain sanitary equipment and clothing change areas and storage areas away from food and water.
7. Maintain first aid supplies and a supply of potable water for emergencies in reasonable vicinity to any field being treated with pesticides.

The emergency regulations are published in the May 1 issue of the Federal Register. Information is also available from the U.S. Department of Labor or from individual congressmen.

Public hearings will be conducted on the regulations before they are retained past 1973.

Do you remember the good old days, when about all the entertainment we had, was a rodeo on the weekend? Last weekend, James Martin's rodeo class graduated, and the group gathered for this "Father's Day" picture. It is a reminder of the old days, when the cowboys only entertainment was rodeoing. Pictured above are the following cowboys, who recently completed the James Martin Rodeo School in Spearman: Rodney Cain, North Platte, Neb.; Valton Gambell, San Francisco, Calif.; Gary P. Gwaltney, Randolph AFB, Texas; Tom Holden, Haskell, Tex.; Steve Ingram, Mesquite, Tex.; Gary Johnson, Perryton, Tex.; Andy McBride, Floresville, Tex.; Les Montgomery, Amarillo, Tex.; Billy O'Leary, Kremmling, Colo.; Larry Smith, Temple, Tex.; John Daniels, Perryton; Scott Pipkin, Benny Rupprecht, Tex Martin, Mr. and Mrs. James Martin, Donna, Diana and Shawn and Chip Martin all of Spearman.

**ASK YOUR ARMY REPRESENTATIVE ABOUT THE \$2500 ENLISTMENT BONUS.**

That's on top of the Army's new starting salary of \$307 a month.

You must be a high school graduate, enlist for either Armor, Artillery, Infantry or a special skill area like Radio Teletype or Missile Repair, and successfully complete your Basic and Advanced Individual Training.

Your local Army Representative has a complete list of bonus jobs and qualifications. Today's Army wants to join you.

This offer may change or be discontinued at any time depending on Army manpower requirements.

*June 17 is Father's Day*

**The Consumer Alert**

by John L. Hill  
Attorney General

AUSTIN--One of the most difficult, and most time-consuming tasks of the Attorney General's office is carrying out the duty of collecting state sales taxes after they have been certified "delinquent" by the State Comptroller.

Thirteen of the 108 attorneys in my department, and about one fourth of our 91 clerical personnel work on this problem in the Taxation Division.

It is a problem. And I believe it one which directly affects the consumer, since you (and me and my family, and every Texan) are the ones who pay this tax, and you should be the ones to reap the benefits of the revenues it produces.

Many of us resisted the idea of the sales tax when it was first introduced in Texas 12 years ago. And when the one-percent city sales tax was added, and when the State tax went up to four percent, we fussed a lot more.

But there is no way around the fact that our sales taxes do pay for a large part of the public services which are available. In 1972, net State revenues from sales taxes paid into the treasury provided \$818,172,597--nearly one billion dollars--for education, public health, agricultural programs, oil and gas regulation, judicial, and legal and regulatory services.

In addition to that, the revenue-hungry city governments which levy one cent of every five sales-tax pennies paid received some \$178 million in sales tax shares to provide local services.

While the great majority--at least 95 percent of businessmen who have the responsibility of collecting sales taxes from the consumer have been passing them on to the State of Texas every three months as required, there has been a small, but significant, number of sales tax permittees who have not.

The State Comptroller at-

tempts to collect from them, and if that does not produce payment, he certifies the tax as "delinquent", so the Attorney General's office can take action.

Last year, more than \$12 million worth of unpaid sales taxes was certified to our office--and, almost half of that amount was due from sales tax permittees who already were delinquent from a previous three-month period!

The Senate committee which studies the delinquent sales tax situation estimated that the loss of these revenues through failure to pass them on to the State actually passed the \$20-million mark, and may have been as high as \$80 million.

Although my Taxation Division makes every effort to recover these dollars so they can be put to public purposes, sometimes, it is impossible. For instance, if a firm already has gone out of business by the time we can

file suit, there is no way to reach the permittee.

The irony of this situation is that the laws which produce as large a proportion of revenue for public benefit carry a mandatory security requirement, so the State be assured of collection.

Thankfully, the Legislature recently passed a bill sponsored by Representative Doyle and Comm. Larry Harris to correct that problem by requiring security, such as bond, for sales tax licensees who have proven or poor payment records.

After that bill becomes law on January 1, Texas consumers really will be able to expect their sales tax worth of services.

And, in the meantime, can be certain that the Attorney General's Sales Tax Division still will be working gently on your behalf.

**DAD'S A PRINCE**

Dere Vanse:  
I have done give up on sendin Mag over their to give Model T worked on.

This time I done it myself. I went and took the car myself sense Merl has cum back from his vacation.

The first thing Merl told me wuz that whut the car needed wuz a lube job. I never knowed whut a lube job wuz but I figgered it wuz sum kind of yanky talk he had picked up when he took that trip to Pennsylvania.

I maid like I wuzn't lookin when he done whut he called a lube job.

Whut he actual done wuz to take a hose and squirt axel grease in the whele ball bearings and other places underneath of the car.

If I had knowed whut he wuz goin to do, I wood have told him that Mag had done did whut he done to the Model T except that she had used lard insted of axel grease.

I never wanted him to think I wuz ignerent or surmised I just pade him and cum on home.

I recon I have done had a lube job whether I wanted it or not.

Yores Trewly,  
Chester L. Peabody, the third - lube spert

WHOLESALE 659-3555

# RICE HITS SENATE Chamber Of Commerce Appeals For Help In FARM BILL Fuel Shortage

Representative Bob Price today called the bill an irresponsible step toward chaos in Agriculture. Representative Price, a member of the House Agriculture Committee, said that the Senate version contains provisions which seal the bill's fate.

While I strongly support the idea that our farmers should have a greater income, and the equivalent to the income of the national average, it seems impossible to me that the Congress and the public will support such an inflationary level of expenditures very long. Price added. The most fatal defect in the Senate bill however is the provision limiting payments to \$20,000 per farmer. This provision will be very adverse to farmers in our district. Rep. Price pointed out, and will make the whole program unworkable.

The Spearman Chamber of Commerce sent out letters June 7 concerning the fuel shortage that is facing farmers and custom cutters in harvesting one of the best wheat crops this county has ever seen.

The following letter was sent to Senator John Tower. Other letters have been sent to President Nixon, W.R. Poage, Chairman of the Agriculture Committee of House of Representatives, Senator Lloyd Bentzen, Representative Bob Price, Secretary of Agriculture Earl Butz, Senator Herman E. Talmadge, Chairman of Agriculture and Forestry Committee, to the news medias, and to each committee chairman on the Agriculture Committee of both the House and Senate.

June 7, 1973  
Honorable John G. Tower  
United States Senator  
142 Old Senate  
Office Building  
Washington, D.C. 20510

Dear Senator Tower:

An economic catastrophe is in the making in the Panhandle of Texas and especially in Hansford County! We need your help to prevent it.

You are aware of the rapid rise in food prices this year. You are also aware of the energy crisis. Unless something is done to obtain more fuel in time for the wheat harvest in the wheat belt, and especially in this area, food prices will skyrocket even higher because much of the wheat that will be lost.

Wheat is a commodity that must be harvested when it is ready. Each day that it stands in the field increases the chances of its being hailed out or falling down.

This area has the best wheat crop since the 1940's and perhaps since sod was first turned. Some of the dryland crops may make as much as 40 bushels an acre. Irrigated crops may make as much as 70-80 bushels. If wheat prices are to be held to present levels or pushed lower, all of this year's crop must be saved.

Fuel requirements for this area, and the wheat belt in general, have increased dramatically over prior years needs. Matters have been made worse because of the wet spring and winter which has delayed much of the spring field work until the present time. Estimates by the County Agent, ASCS office and the Soil Conservation District Manager place this year's fuel requirements at least 1/3 above last year's needs. In a year when our requirements for fuel is up, what has happened to our supply? We have made a survey of the fuel suppliers in Hansford County, they range from Co-ops to jobbers and consignees of major companies. All of them have been placed on an allocation basis. They are supplied diesel and gasoline at a certain percentage of the volume they purchased last year. All but one are receiving less fuel than they did last year. One supplier's July allotment is 1/3 of the amount he used last year. Some have been limited to 89% to 95%. They are all in agreement on one point--they will not have enough fuel to meet this area's needs during harvest. Some of the suppliers ran out of fuel during May. All the suppliers say they are just trying to meet the needs of their own customers. How are they going to supply the custom combines?

The only solution is to provide additional fuel for the area. The White House has stated that agriculture will have priority for fuel supplies. Why then has this area's supply been cut when our needs have risen? Why are this area's suppliers told by the oil companies, that there is no more fuel available for this area? We cannot wait until all the combines and tractors stop running because of empty fuel tanks. We must receive more fuel now or the economy of this area and the nation is endangered. We need your help.

Sincerely,

BOARD OF DIRECTORS

## Non-Workers Nos. Increasing

How many Hansford County men are non-workers by choice? How many in the local area, over age 16, are unoccupied--neither working, nor

looking for work nor going to school? As in most parts of the nation, their number is increasing, year by year.

According to the latest figures from the U.S. Department of Commerce, there are now some 199 men, locally, in this inactive class. Of the total, 85 are under 65 and 114 are over 65.

They represent 9.5 percent of the over-16 population. Elsewhere across the country the average is 14.9 percent. For the most part, they are people who have a source of income or who have acquired sufficient resources or financial backing to enable them to not-work, often at a comparatively early age.

Although there are many among them who are unable to work because of physical or mental conditions and although there are some shirkers who rely upon the rest of society to provide for them, the great majority are quite different.

Because their funds are adequate for their needs, they don't have to work and they

NOTE BURNING CEREMONY held at the First Baptist Church here Sunday. Shown left to right are Craig Hutchison, Mrs. R.L. Baley and Everett Tracy who participated in the ceremony. The \$116,000 plus debt was incurred in 1970 when the church was completely refurbished.

## Greetings To All Cattlemen

FRIDAY, June 8, was a perfect day for a cattle auction in Texhoma. The action began at 10 AM and was completed at 10:30 PM. 6037 cattle and calves were sold thru the arena. Buyers were here from several states to absorb the offering.

For FRIDAY, June 15, we are expecting 4000 to 5000 cattle of various classes. FRIDAY, June 22, and FRIDAY, June 29 will both be consignment sales as heretofore.

NOTICE  
FRIDAY, June 29, will be our last sale until FRIDAY, July 27. Plan your consignments, if possible, with this in mind.

We will be closed the first three FRIDAYS in July. The purpose of closing is to concrete several alleys in the yards; arrange feed and water facilities in more pens to properly take care of 1000 to 1200 additional cattle prior to being sold; repair the present existing facilities, putting them in first class shape, and, constructing 15 new pens which will handle 1000 to 1200 additional cattle after being sold.

The aim of the Board of Directors and Management is to serve our consignors and buyers to the best possible advantage in the future. We hope all of our customers will support us in this effort.

Continuing to be--Your Cattle Auction with "Action"

## TEXHOMA LIVESTOCK COMMISSION CO., INC.

Home (405) 423-3251

EULINE SMITH Off-Mgr.

P.O. Box 70  
RAYMOND CHOATE Yd-Mgr.  
WALTER HALL, Amistad, New Mexico  
DON DEMARE, Amarillo, Tex.

don't choose to do so. Throughout the United States as a whole, the total in the non-work, non-school category is close to 10 million, the Commerce Department reports. It compares with 6,800,000 in 1960. More than half of them are 65 or older.

In Hansford County, some 41.8 percent of the male population over 65 are still in the labor force. Nationally, the figures show, 24.8 percent remain on the active rolls.

What keeps the others going financially? Outside of savings, interest, private pensions, dividends and other income from investments, their chief source of funds is government "transfer payments". These include social security, unemployment insurance, welfare and veterans benefits.

During the past year, when personal income in the United States amounted to \$936 billion, no less than \$104 billion of it came from transfer payments, according to the Commerce Department.

Chiefly because of these payments, retirement has become feasible for more and more people. As a result, the proportion of non-workers to workers has been rising.

## TEPEE WESTERN STORE

300 Polk St., Amarillo, Texas

THANKS!!

A business such as ours owes its existence to people like you, our friends and customers. We want to take this opportunity to publicly thank our friends - both old and new - for giving us the privilege of serving them. It is very gratifying to us to know you place your confidence in our ability to provide the western wear and equipment you rely on in your everyday lives.

Those of you who have traded with us during the more than 25 years we have been in business know that you can look to the Tepee to provide goods, working with manufacturers to design them if necessary, so that you can have what you must for your work or pleasure.

We always keep only top quality merchandise for you at the Tepee Western Store. Our goods are designed and manufactured for varied uses. Quality and function dictate price, and of course, the price of top quality is well worth the long lasting service to be received from quality merchandise.

We have said that quality has been important to our business. It always has and always will be. We pledge to you, our friends and customers - past, present and future, to always provide only the top quality merchandise you need and must depend upon, and to provide this merchandise for you at a fair price.

The Tepee Western Store is here for you - it's your store and we thank you for making and keeping it the western wear and equipment headquarters for the Golden Spread. Anytime you demand a specific product or an improvement in a product, please call on us. We will do our utmost to help you with your needs.

Thanks Again!!

**COUPLE PLANS AUGUST WEDDING**

Mr. and Mrs. Jack Hamilton of Spearman announce the engagement of their daughter, Sharon Lee to Joe Carrol Archer, son of Mr. and Mrs. Joe Archer, also of Spearman.

An August 9 wedding in the First Christian Church is being planned by the couple.

**Arts & Craft Guild Met June 8**

The Arts and Crafts Guild met Friday June 8 in the home of Mrs. C.A. Gibner with Mrs. Pope Gibner as hostess.

Gibner, P.A. Lynn, and the hostess, Mrs. Pope Gibner. The meeting this week will be in the home of Mrs. Deta Blodgett.

Sunday dinner guests in the home of Mrs. W.E. Hacker was Mrs. Alma Kizziar and Mrs. Bob Bailey.

**7 Local Students Receive Degrees**

LUBBOCK--A total of 7 students from Spearman received degrees in commencement exercises at Texas Tech University this spring.

The university presented degrees to approximately 1,900 students. The figure includes 230 who received master's and doctoral degrees and 75 who received law degrees. The university includes the colleges of Agricultural Sciences, Arts and Sciences, Business Administration, Education, Engineering and Home Economics and the Law School and the Graduate School.

Graduates from Spearman were: Bachelors Degree: Lisa Carol Curry Gray, Government, 1605 Tennessee, Midland; Steven Douglas Spoomore, Speech, 703 Lee Drive; Roy Dan Womble, Microbiology, 1018 Blodgett Drive; Willie Preston Reneau, Animal Production, Box 134; Myrna Maurine Crum Cooksey, Home Economics Education and Clothing and Textiles, 257 Wellesley Blvd., San Antonio; Penny Sanders Ralston, Home Economics Education, Box 654 and Steven Craig Baggerly, Mechanical Engineering, 704 Gibner Drive.

**Baldwin-Batson Vows Read May 26**

Kathy Baldwin and Tommy Batson were united in marriage on Saturday, May 26, in the home of the bride's parents, Mr. and Mrs. James E. Baldwin, 55 North Kentucky. Parents of the groom are Mr. and Mrs. J.E. Batson of Arlington.

The marriage was performed at 2:30 by Rev. Bill Freking, pastor of the Fellowship Baptist Church. The bride's father gave her in marriage. On the piano was a blue and white centerpiece with blue candles, an open Bible and white folding wedding bells.

Pam Miller of Sweetwater played the wedding marches and also played the accompaniment for Shannon Johnson, who sang "Twelfth of Never."

Miss Miller also served as maid of honor for the bride and Larry Hornsby of Spearman served as best man.

The bride wore a floor-length white dress fashioned with high empire waistline and finished with a blue ribbon belt. The dress had short puffed sleeves and low round-neckline. Her bridal bouquet was of blue and white carnations.

Miss Miller wore a long blue dress designed on the same style as that of the bride. She wore a blue and white carnation corsage.

After the wedding, Mary Groves, Shannon Johnson, Paula Baldwin, sister of the bride, all of Perryton, and Mrs. L.H. Gaines of Ringling, Oklahoma, an aunt of the bride, served refreshments. The table was laid with a white crocheted cloth over blue. The two-tiered wedding cake was cut and served with punch from a white milk glass punch bowl.

The bride wore a pink pants suit with white accessories

and corsage from her bridal bouquet as the couple left. They will make their home in Arlington.

Both young people graduated from high school this spring. The bride graduated from Perryton High school and the groom from Spearman High School.

Present for the wedding and reception were Mr. and Mrs. J.E. Batson of Arlington, parents of the groom; Mrs. Johnnie Close of Spearman, the groom's grandmother; Mr. and Mrs. J.H. Baldwin of Ringling, Oklahoma, grandparents of the bride; Mrs. L.H. Gaines, her aunt.

Others included Mrs. James Owens, sister of the groom, and son, Mike, of Spearman, Mr. and Mrs. James Baldwin, parents of the bride, Donnie, Paula and Todd, Mrs. Almeda Greer of Enid, Oklahoma, Ronnie Baldwin, brother of the bride, and Shannon Johnson, Pam Miller of Sweetwater and Larry Hornsby of Spearman.

Besides the wedding shower for the bride-elect in Perryton, a shower was given for her in Spearman.

**Late June Wedding Planned**

Mr. and Mrs. Boyce Anderson of Whitharral announce the engagement of their daughter, Bramley, to Harley Cornelisen, son of Mr. and Mrs. Hank Cornelisen of Perryton. The bride-elect is a senior student at West Texas State University in Canyon and an elementary education major. Her fiancé is assistant manager of Ideal Food store of Spearman. He graduated from West Texas State University in 1971. The wedding will take place in Canyon at Joseph Hill Memorial Chapel on June 24.

**Mrs. Sheets Gives Club Program**

The Dahlia Flower Club met June 11 in the home of Mrs. J. W. Walker for their regular meeting.

Mrs. Mable Edwards presided in the absence of the president. Minutes were read and approved and the treasurer report was given.

Mrs. Shedeck had the program and presented Mrs. Olin Sheets who gave the program on "Down Memory Lane". She also told a story about Lawrence Welk.

Mrs. Guy Remy won first with her flower arrangement and also won first with her specimen.

Mrs. Walker served salad, coffee and tea to Mmes. A.F. Loftin, John Bishop, Olin Sheets, Virgil Floyd, C.W. Smith, Deta Blodgett, Guy Remy, Mabel Edwards, Ceril Batton, Garrett Allen, H.M. Shedeck and Bob Bailey.

The club adjourned to meet June 25 with Mrs. Lowell Denman.

**22 Youth Attend Baptist Assembly**

Twenty-two youth and seven sponsors left Sunday morning, June 3 about 6:30 a.m. for Glorieta Baptist Assembly in Glorieta, New Mexico.

This was youth week for youth grades 7-12.

Each morning they attended various classes to study the theme "Being Joyous". The youth attended creative learning labs to study biblical truths about joy. Dr. Bob Taylor, author of the book "Being Joyous" conducted the morning joy session between classes.

Afternoons were free and the Spearman youth entered the mixed volleyball tournament. The Spearman girls entered the girls basketball tournament and won.

Dr. Larry Walker from the New York area conducted the evening worship services.

The group returned home about 11:30 Saturday evening, June 9.

Sponsors attending were:

**Patricia Schnell Initiated Into Honorary Society**

Miss Patricia Ann Schnell, daughter of Mr. and Mrs. Louis Schnell of Spearman, is one of 303 freshmen women initiated into The University of Texas chapter of Alpha Lambda Delta, scholastic honorary society.

The national organization offers membership to freshmen women who have attained a scholastic average of 3.5 grade points in 15 hours of work, or an average of 4 grade points in 12 hours of work. "A" equals 4 points.

### Gifford-Hill Names New Vice-President

DALLAS, TEXAS--Gifford Hill President John R. Hill, Jr., announced today the appointment of J. R. "Jim" Spear as Executive Vice-President, Finance, replacing R. N. Parker, who is leaving the company to join First National Stores, Inc. Spear, who had been Vice-President, Corporate Development for Gifford-Hill, was also elected to fill Parker's position on the Gifford-Hill Board of Directors, and named a member of the Executive and Finance Committee of the Board. Spear joined Gifford-Hill in January of this year, coming to the company from his post as president of CMI Corporation of Oklahoma City. Prior to joining CMI, he had been with the Dolese Company of Oklahoma City for 21 years. Spear holds a degree in Business Administration from the University of Oklahoma, and is a certified Public Accountant. Parker, who joined Gifford-

Hill in January of 1964, will become Senior Vice-President Finance, and Treasurer of First National Stores, with headquarters in Boston, Massachusetts. The company operates more than 300 food stores in the New England area.

"We hate to see Bob Parker leave," said Hill, "but we recognize the personal opportunity that he has with First National Stores, and we feel very confident with a man like Jim Spear taking his place. We also feel certain that Bob will do a superb job for First National."

Spear's activities in connection with Corporate Development will be assumed by Gifford-Hill Vice-President A. Douglas Foster. Foster has been heading corporate and market planning for Gifford-Hill since 1966. He joined the company in 1963.

### Bedford Forrest Honored By 4-H

COLLEGE STATION--Bedford Forrest, farm broadcaster for KVII-TV in Amarillo, and an avid supporter of 4-H Club work in the Texas Panhandle, is being recognized for his contributions to 4-H.

He will receive a special plaque from the Texas 4-H Youth Development Foundation during the first general assembly of the 1973 State 4-H Roundup at Texas A&M University on June 5.

Forrest is one of 10 individuals, businesses and organizations to be cited for outstanding service to the 4-H program in Texas by the 4-H Foundation and the Texas Agricultural Extension Service, the parent organization of 4-H.

Forrest, a former 4-H'er, is a member of the 4-H subcommittee in Potter County and a project leader in public speaking. He secured \$500 from the Professional Wrestler Association to aid the urban 4-H program in Potter County. He has also been instrumental in planning campaigns and securing funds for the new Texas 4-H center.

The farm broadcaster travels more than 50,000 miles each year to report about agricultural and related events in the Panhandle. He spends about 60 percent of his time reporting on activities of the

Extension Service and 4-H. In 1971 Forrest received the Texas Farmer's Union "Broadcaster of the Year" award.

A clean house has more sales appeal. So if selling your home, conduct a clean-up campaign before it's shown to prospective buyers, advises Patricia A. Bradshaw, housing and home furnishings specialist, Texas Agricultural Extension Service, Texas A&M University.

Usually when a parent shows patience with children, their behavior improves. Children can sense when a parent is tense and irritable--then act worse than ever, says Jane Fleischer, specialist in family life education, Texas Agricultural Extension Service, Texas A&M University.

### Finalists Chosen In Windmill Art Contest

The judges have chosen the finalists in the Windmill Art Competition. Their paintings, drawings, photographs, and three dimensional windmill forms will hang at the Pioneer Amphitheatre during the evening of June 21 at the Gala Opening of the eighth season of Paul Green's Musical Drama, "TEXAS".

There will be twenty-one works on display. Seven of them will be paintings. The winners are Windmill #2 by Estelle Pruitt of Panhandle, watercolor by Twig Smith of Tullia, Oil Painting by Frances Stegall of Goodland, oil by Suzanne Teyke of Plainview, oil by Dean White of Hale Center, watercolor by Rheata White of Muleshoe, Wynnills by Helen Wynn of El Paso.

Three graphics were selected. They are a persketch by Margaret Fletcher of Canyon, a pencil drawing by Bob Hargrave of Happy, pen and ink by Delilah Hoyle of Follett. There will be eight photographs in the final competition. The winners are Herbert Crowell of Amarillo with two, Mrs. J. S. Edwards of Slaton, Frances Hill of Miles, John Jefferson of Austin, Gina Tanner of Fort Worth with two, and Dean White of Hale Center.

In the finals of the three-dimensional works will be three entries: Richard Hultquist of Amarillo, Jona Laubhan of Follett, H. V. Snyder of Muleshoe. In addition to the prize-winning three dimensional works, there will be hand made models of early windmills on display.

The judges for the competition were Olive Vandruff Bugbee, noted painter of outdoor subjects, of Clarendon, Ben Carlton Mean of Dallas, well known painter of western subjects with a special passion of accuracy, Billie Wolfe on the faculty of Texas Tech University, authority on windmills.

### Soybean Research Tests To Continue

One of the area's largest soybean varieties production tests will be continued at the High Plains Research Foundation. According to Dr. Doug Owen, senior agronomist, more than 1,200 single row progeny selections for the 1972 soybean nursery will undergo further testing in search for desirable agronomic characteristics for further soybean generations.

The soybean nursery at the High Plains Research Foundation has produced three soybean varieties—Hinn, Patterson and HP 963—used by High Plains farmers.

Outlining other soybean tests, Dr. Owen said 36 entries from the USDA Regional Variety Tests were placed in three maturity groups of twelve strains each. Kent, Hill, and Lee 68 are the standard varieties for groups IV, V, and VI respectively.

Also in cooperation with the USDA, a 36 variety test to identify and select experimental lines that are resistant to seed coat mottling caused by soybean mosaic virus will be established, Dr. Owen said.

Soybean mosaic virus is receiving increased attention in research studies. One test to determine if seed source may change the effects of the virus contains 108 experimental strains, Dr. Owen said.

In the Foundation's standard soybean variety test, nine varieties used by farmers in the area will be studied for yield and other agronomic characteristics including resistance to disease and shattering, Dr. Owen said.

Use leftover fabrics for contrasting yokes, sleeves, pockets or front dress panels in new garments. However, combine fabrics of similar weight and washing instructions, recommends Vivian Warminski, clothing specialist, Texas Agricultural Extension Service, Texas A&M University.
