## 'Ole Ace' Needs Help For New Cowpoke Cookbook

Our ole' buddy Ace Reid down at Kerrville (we think he is our old buddy, because we've been paying him all our post-hole diggin' money for these past 10-12 years for his cartoon "Cowpokes") needs readers' help in compiling a new cookbook which he will cartoonize with his favorite characters right out of Cowpokes, and we're willing to go along with Old Ace and give him a little publicity, even though we know right now that he'll probably make a jillion bucks out of the deal.

Anyhow, here's his letter, and if you have any really good 'possum recipes, send them along to the old cowboy at Box 868, Kerrville, Texas 78028. It will be 'preciated, and maybe he can buy some new jeans with the loot he makes from the book. The letter:

Hello! We are interested in compiling a Cowpokes cartoon cookbook and would appreciate your help and the help of any of your friends.

Our idea is to collect old ranch recipes, hard times or depression recipes. With these we would like a funny story of how the recipe was invented or a family tale or incident connected with the recipe. The story, joke or incident, I will then illustrate to go with the recipe.

We have one recipe called Roodle Soup which is small balls of flour and water dropped into boiling milk. We are told that in western Oklahoma at the time of the depression, water was scarce, but tears were plentiful. Our friends tells us now that with more water and better times, the soup is very hard to make!

We also have an Irish Potato Pie recipe made up of necessity in eastern Colorado by the mother of "Festus" of the "Gunsmoke" TV show. Let us add one of your recipes to our fun cookbook.

## Fairy Community News

By MRS. EUNICE DANFORTH

We have fair weather at this writing, Morday. The morning dews are equal to a light shower. We had half of inch of rain last Friday night. A few farmers got some row crops plowed last week.

Word received from Mrs. Walter Abel Wednesday night of last week was that she stood the surgery fine and that no complications of any kind, and that she would be transferred to Hico Hospital as soon as possible. Her daughter and son, Mrs. Gonzales Rivers and Jimmie of Raleigh, N.C. are in Fort Worth to be with her, and will accompany her home and visit. Her many friends were glad to receive the good news and will be looking forward to her return home. She has been in Harris Hospital.

Truett Turner and a friend, Tommie Jenson of Fort Worth are here on vacation. They are spending most of their time fishing on nearby streams and the Leon River, and also at the home of his wife's parents, Mr. and Mrs. T. R. Parks.

Visiting during the weekend with Mrs. Olga Duncan were two of her daughters, Mr. and Mrs. H. W. Luskie of Dallas and Mr. and Mrs. Sidney McKandless of Fort Worth.

Mr. and Mrs. Milford Miller of Fort Worth visited Sunday in the home of her mother, Mrs. M. E. Parks and Audie. Mr. Miller also visited at the Duncan home.

Mrs. Marvin Porterfield and Billy were in Temple Sunday to visit her husband, who has been in the Veterans Hospital the past week. He is a diabetic and also has a heart condition, but was much improved and was thought, if tests Monday proved satisfactory, he would get to come home in a few days.

Mr. and Mrs. Frank Sellers of Hamilton visited Sunday in the home of his brother, Mr. and Mrs. Carl Ray Sellers and Janice.

Mr. and Mrs. Leslie New had all their children home for Mother's Day weekend. Present were Mr. and Mrs. Truett New and family of Fort Worth, Mr. and Mrs. Leon New and family of Lubbock, Mr. and Mrs. Eddy Wood of Burleson. The Leon New family also visited her parents, Mr. and Mrs. Garlon Streater. All except Mrs. Leon New and baby attended services with their parents at Fairy Baptist Church.

The writer and Mrs. Ben Wright and Mrs. C. W. Brunson of Hico attended funeral services for Mrs. N. E. Stewart Wednesday at Hico. We had known her a number of years, and extend sympathy to those bereaved.

Mr. and Mrs. Oran Willeford and Delia visited Sunday in the home of her brother, Mr. and Mrs. Wallace Edwards and Betty of Clifton.

Vernon Jackson and two friends, Bill and Larry Martin of Grand Prairie spent last Thursday night in the home of his parents, Mr. and Mrs. J. T. Jackson.

We stated the Fairy School Homecoming would be held June 15. It will be held Saturday night, June 14, before Father's Day. If there are those who would be interested in a 30 minute amateur program

please notify the secretary, Mrs. Lloyd Bolstad, Rt. 3, Hico.

Recently three ladies from Florida were at our home checking on the W. L. Poitevint family. We told them about finding a post card size picture of Mr. Poitevint while chopping cotton for our dad in 1925 in his field adjacent to the town of Fairy. This was just after the Zepher storm. The picture had not been postmarked, but was addressed to W. L. Poitevint at Fairy. However we would have recognized his picture had there been no name. We told them we probably still had it but had no idea where to look, but would send it to them if we ever came across it. Last week while going through and cleaning a small storage room, we came across the picture. So wrote one of the ladies and mailed it to her. We were very glad we found it as we feared it might not be found in our life time.

The regular 4th Thursday night singing at Lund Valley will be held this Thursday.

The closing of the school story in last weeks Hamilton paper almost brought tears to our eyes as well as other Fairy folks, for we can truly sympathize. We hope they can manage to keep a community center. This will help some. We lived 8 months of 1949 at Carlton and can say they have one of the best communities we ever lived in. We loved the people. We just can't help these things. The high cost of living has taken our young couples with children to the cities where higher wages are available. It is this way everywhere. The small towns, schools and even churches are getting to be a thing of the past. Mrs. Guy, like ourself, feels a part of the town and really she is. We have lived at Fairy 65 years last Jan. and have written the community news most of 45 years, helping some in case of illness were our friends. Our best wishes to those dear folks over at Carlton. They will become accustomed to no school, but will never like it.

Our sincere thanks to J. B.

Leeth of Hico for \$5 for care of his parents, the J. W. Leeth lot. Also to Mrs. Bob Frederick of Venus for \$5 for her parents lot. We will have to mow the cemetery again soon, also work some lots.

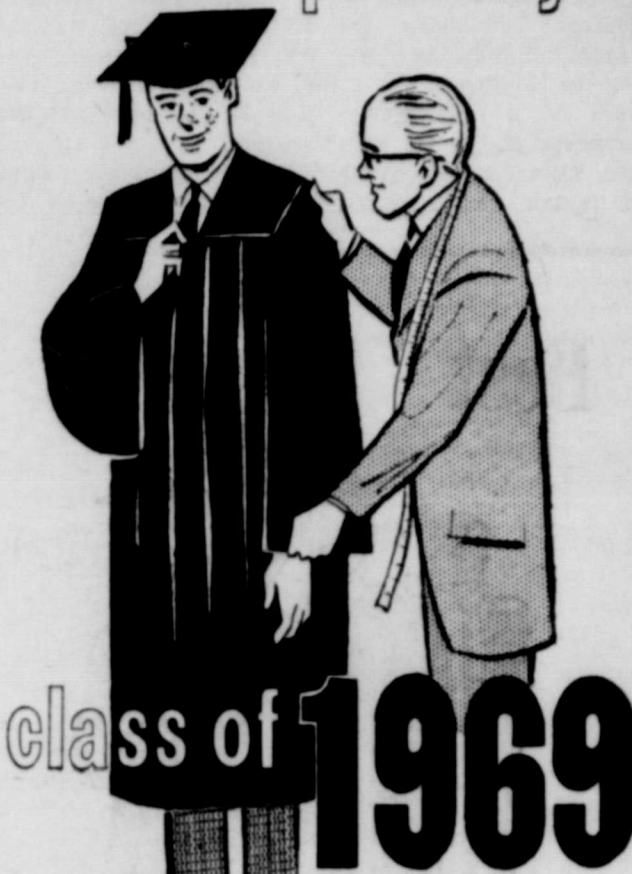

Grain is looking fine and said to be the best quality we have had in years. If this rain will only let up so it can be combined. It is turning now.

### CARD OF THANKS

We wish to express our thanks and appreciation to our friends and neighbors for your thoughtful gifts. The food, beautiful flowers, and words of comfort at the time of the passing of our loved one was greatly appreciated. May God bless each of you.

Flower Talk...

By DEAN WARE

We read the words "Say it with flowers," and possibly think it is a new advertising or promotional expression. We could not be more wrong. In days when writing was an accomplishment of the very learned, some there were who would transact business and also send messages to their loved ones, but they would not write. In far away Akasibar, these thoughts were expressed in the language of flowers, which has always been the Esperanto of sentiment—whether of love, sympathy, happiness or sadness.

How unromantic is a letter written with a pen and ink as compared to the delicate expression of emotions in a bouquet of lovely flowers.

Today, nothing says it better than flowers. And we have just the right flowers for any occasion.

We are now in another wire service to serve you better. Florist Transworld Delivery (FTD).
