NUMBER 31.

NEWS REVIEW WILL PUBLISH 1 DAY EARLY

The News Review will publish one day early next week—on Wednesday—so that employees may observe the Thanksgiving holiday along with other businesses.

Merchants, correspondents, and contributors are urged to take notice of the early publication date and get both news and advertising copy in as early as possible. Cooperation will be greatly appreciated by the publisher and staff.

New County Agent, Miss Bernadette Kolar Assumes Duties

Miss Bernadette Kolar of Dallas assumed duties as Hamilton County Home Demonstration Agent this week.

Miss Kolar replaces Mrs. Sondra Craig, who resigned the post effective November 15. Mrs. Craig had been agent in Hamilton County since November 1, 1965.

The Commissioners Court employed Miss Kolar on the recommendation of Miss Annie Lucy Lane of Stephenville, District 8 Supervisor.

Miss Kolar is a native of Robinson, and is a graduate of Texas Women's University at Denton.

Harvest Festival Services Scheduled By Methodists

Members of the First Methodist Church will observe their annual Harvest Festival, or Second Giving, at the Sunday morning worship service, November 22.

Following the service, dinner will be served in Fellowship Hall.

A spokesman of the church stated that all members are urged to be present and all other interested persons are invited to attend.

THANKSGIVING BINGO AT BLUEBONNET COUNTRY CLUB

A Thanksgiving Bingo will be held at the Country Club Saturday night, Nov. 21 at 7 o'clock.

Turkeys and hams will be given as prizes. All members and their guests are invited to attend.

Hico Clips Gorman To Stay in District Title Contention

Hico Tigers journeyed up to the peanut capitol last Friday night, and came home with what must be one of the most satisfying victories in the history of the school. And it certainly was satisfying to Coaches Ed Pettitt, Jimmie Ramage, Charles Erick, and the football players, especially those who were on the losing side of the ledger against Gorman the past two years.

The Tigers went to play—and play they did! They simply took the ball and crammed it down the throats of the home team in front of a sparse homecoming crowd that was perhaps outnumbered by the Tiger fans.

Ball control was the name of the game, and the Tigers did it to perfection. Hico allowed Gorman to touch the ball on only six plays in the first quarter, and that factor alone probably gave the Tigers the incentive to win the game and stay in contention for the district crown. The Tigers gained momentum in the initial quarter, and they continued to carry the fight to the heavily-favored Panthers, racing to a 15-0 lead and eventually winning by a 15-8 count.

The other important district contest found Meridian downing Lometa 22-8 to take sole possession of first place in the district chase. The Yellowjackets are now 3-0, with a contest against Gorman coming up this Friday. Outcome of the game will decide the championship.

Should Gorman win, then the race would be knotted between Hico, Gorman and Meridian, and a coin-tossing session will be in order to determine the bi-district representative. Hico closes its season at Tiger Stadium Friday night against Evant.

In the Gorman game, Hico's sophomore running back, Galen Lindsey, proved that he must be the best back in the district as he scored two TD's and kicked a field goal to pace the win. Lindsey scored first in the second quarter on a six-yard spurt that was surely all effort. He was simply not to be denied, and blasted into the end zone with three defenders hanging on. The six-point lead held up to halftime.

Lindsey added another six-pointer midway of the third period to up Hico's lead to 12-0, and then booted a 30-yard field goal to send the Tigers out front 15-0.

Gorman got on the scoreboard with 9:17 left in the game when an attempted punt was blocked out of the end zone for a 2-point safety. The Panthers scored their only TD of the night when Wesley Rogers hit Jimmy Guthrie with a 17-yard scoring pass to bring the final count to 15-8. The Panthers attempted an on-side kick, but the

Tigers could sense the victory and ran the final three minutes from the clock.

What was even more amazing about the victory was the fact that the Tigers were playing without the services of three front-line seniors, Rickie Jaggars, David Ashby and Larry Decker. However, replacements Chuck Bowden, Leroy Grice and Eldon Black took up the slack. Chester Land, Lee Ramage, Reggie Grover, Benny Baley, Dan Polk, Eugene Lindsey, Jim Ferguson, Cecil Holley, Ken Woolsey, Wendell Bell, and Galen Christian should all come in for a fair share of praise in the winning effort.

Last Rites Conducted November 12th For Mrs. Mary Rainwater

Mrs. Mary Elizabeth Rainwater, 89, of Hico passed away in the Dublin Hospital Wednesday morning, Nov. 11 after a long illness.

Funeral services were held Thursday afternoon at 2:30 o'clock in the First Baptist Church, with Rev. Eddie Malphrus officiating. Burial was in the Hico Cemetery.

Mrs. Rainwater was born Aug. 18, 1881 in Laneport, Williamson County, daughter of Henry and Martha Clines Mills. She had been a resident of Hico for 65 years and was a member of the First Baptist Church.

She was the widow of J. R. Rainwater, who was deceased August 8, 1948. Two children also preceded her in death, a daughter, Mrs. Myrtle Keller and a son, Fred Rainwater.

Survivors include a daughter, Mrs. W. W. Busby of Dublin; a step-daughter, Mrs. Charles Weir-eschke of Pflugerville; three sons, Claude, Jess and Jim Rainwater, all of Hico; one brother, General Mills of Pflugerville; 18 grandchildren, 50 great-grandchildren and four great-great-grandchildren. Grandsons served as pallbearers.

Mrs. Margaret Wolfe spent Sunday in Hamilton with her sister, Mrs. Hope Jones.

Hico Future Farmers Place High in Leadership Contests

The Hico Future Farmer Chapter placed well in competition with other chapters in contests which are designed to increase leadership abilities. The local FFA won four District Banners and one Area Banner as they participated in Chapter Conducting, Farm Skills, Farm Radio Broadcasting and Greenhand Quiz.

The Senior Skill team composed of Rickie Jaggars, Eugene Lindsey, Reggie Grover, Jim Ferguson and Alan Ross, placed first in the Cross Timbers District, making four straight years of winning awards on this level.

Junior Chapter Conducting team won second in district with 12 teams competing and fourth in Area IV among the 10 teams representing the best of five districts. The Hico team members were Jim Turner, James Horton, George Bales, Ervin Haynes, Ronnie East and Mike Kilgo. The teams finished in this order in Area: Throckmorton, Breckenridge, Clyde, Hico, Cisco, May, Winters, Stephenville, Quanah and Iowa Park.

Junior Skills, with Curtis Haley, Wayne Hyles, Danny Polk, Jerry Turentine and Tony Mayfield placed third in district.

Farm Radio Broadcasting team with Bryan Jones, Galen Lindsey and Randy Christian as team members placed third.

Senior Chapter Conducting team members were Galen Christian, Benny Baley, Jan Christian, Dahl Decker, Roy Edwards, Tim Emery, Lee Roy Grice and Glen Hyles placed fourth.

The Quiz team competed without one member, and Ronnie East, James Horton and Jim Turner placed eighth.

There are 22 schools with FFA Chapters in the Cross Timbers District and about 80 chapters in Area IV. The Hico teams were trained and supervised by Harold Walker, local agriculture teacher, and Robert Hicks, student teacher who is working in the local department.

CURTIS H. NIXON County Teachers Speaker.

TA Representative Will Speak to County Teachers

Representative of the Texas Teachers Association, Curtis Nixon, is scheduled to speak to Hamilton County Teachers Association on November 23 at 6 p.m. at Hico School. Nixon's subject will be "The

Proposed Legislative Program of the Texas State Teachers Association.

Mr. Nixon, Assistant Director of Field Operations for TSTA, has appeared before countless numbers of lay and professional education groups across Texas in behalf of better public schools.

He joined the professional staff of TSTA in early 1966, bringing with him a strong background in active professional work among classroom teacher groups in Dallas, where he taught for more than six years.

Mr. Nixon is a native of West Texas, graduating from high school at San Angelo. He received his bachelor and master degrees from North Texas State University.

Power Puff Grid Scheduled November 19th

Annual Powder Puff football will be held at the local stadium Thursday night, Nov. 19 at 7 p.m.

The game is sponsored by the school, and will team the varsity and freshman girls against seniors and sophomores.

Deer Season Off to Fast Start With Good Opening

1970 venison harvest in the area got off to a fast start weekend, and by Sunday night 90 deer had been checked at Locker Plant. And the figure really deceiving, as many chose not to store their

The weather was cold and was no danger of the meat spoiling, so many hunters left the hanging from trees until finished their hunt Sunday.

Leading the lead in the trophy contest at Jackson's was Chas. Hill of Arlington, who downed a buck with a 19 and three-eighths spread. He was hunter of the Leon River.

Virgil Parker, took the most-points contest with a huge 13-pointer. The big buck weighed something over 140 pounds and had a horn spread of one-quarter inches. Third place deer checked at Jackson's was 17 and three-eighths spread by Tommie Pierce of Ham-

ilton. Others in the party killing were Bobby Needham, Fred Jaggars, Glenn Higginbotham and Ronnie Herrin.

Pete Norwood checked in one of the first deer Saturday morning, an 11-pointer. Dwayne Jackson also was lucky with a 10-pointer; Don Burgan scored with an 8; David Gray a 10; Lee Britton a 10; Mrs. Orville Ogilvie scored on a doe; and Charles Tolliver downed an 8-point.

Clyde Jackson and Raymond Addison moved a little farther south to open the season and both were

successful near Menard. Clyde bagged a 6-pointer and a spike, and Addison killed a buck and a doe.

Closer to home, M. I. Knudson scored on a 7-pointer and his daughter, Susan, was successful with a large 10-pointer.

Ernie Jacobs was successful with a 9-pointer, and Roy Bates bagged a 4-pointer.

Other area hunters were probably successful during the opening, but reports were not available to the News Review.

Dr. Johanson Brings Program For November Cancer Meet

The November meeting of the Hamilton County Unit of the American Cancer Society was held Monday night in the Hico School Luncheon.

Dr. Lamar Johanson, Associate Professor of Biological Science at Tarleton State College, brought the program on Leukemia, the dreaded cancer disease of the blood. He stated that no one is immune to the disease but that it appears more often in the very young and the elderly. White men are three times more susceptible than a person with colored skin. Also men are more apt to have the disease than women.

Leukemia is hereditary and can be caused among other things by nuclear radiation, virus, bacteria and trauma or injury. There is as yet no cure but it can be controlled by drugs. The disease which causes too many white cells in the blood can be detected by a routine medical checkup where a blood test is made.

Dr. Johanson ran a film on blood, showing its substance, functions in the body and its characteristics. He also related the ex-

periences of a friend who had leukemia, the different treatments that were used trying to kill all diseased bone marrow and to regenerate new marrow. But the friend was finally hospitalized and developed pneumonia which caused his death.

The group also viewed through microscopes actual blood cells from bone marrow of Myelocytic Leukemia, cells from Lymphatic tissue of Lymphocytic Leukemia and then normal blood cells.

Following the very interesting and informative program, Mrs. J. E. Alexander of Hamilton, president of the unit, presided over the business meeting.

Minutes were read and Mrs. T. N. Foster, a district director of Clifton, reported on the Annual Cancer Society meeting held in Dallas recently.

Mrs. Marilyn Johanson was asked, and she accepted, to serve as Crusade Chairman of the April 1971 Hamilton County Cancer Crusade.

Following the business session refreshments of cake and coffee were served to Hamilton members, and guests from Waco and Clifton.

Local Church Will Observe National Bible Week November 22

"Businessmen are joining with religious leaders in boosting the Bible," Austin Emery, minister of the Hico Church of Christ said in announcing plans for a special emphasis during National Bible Week Nov. 22-29.

The week is co-sponsored by the American Bible Society, the Catholic Biblical Association, and the Laymen's National Bible Committee. The week-long observance will launch the Bible Societies' month-long Worldwide Bible Reading emphasis from Thanksgiving to Christmas.

Special sermons concerning the Bible will be a part of the morning services at the Church of Christ on Nov. 22 and 29. President Richard M. Nixon is Honorary Chairman of National Bible Week and the Governor's Committee is headed by the Hon. Robert W. Scott, Governor of North Carolina.

Churches in Hico and Hamilton County will join others across the land in observance of Bible Reading emphasis, Mr. Emery said. Many will distribute free booklets and inexpensive scripture portions. Residents of Hico are extended a special invitation to attend the 10:45 a.m. services Nov. 22 and 29 to hear more about Bible reading.

Fire Dept. Rural Fund

Hico Rural Fire Truck Fund was at \$7,693.22 after a total of \$277.50 was contributed the past two weeks.

Latest donors were S. W. Everett, Hub Alexander, L. Q. Oswald, A. H. Lackey, A. W. Phillips, Jim Word, Mildred Spinks, H. L. Self, Travis Smith, Hico Nursing Home, Village Nursing Home, Dot's Beauty Shop, and Dewey Spinks.

By MRS. EUNICE DANIEL

We had a little touch of winter over the weekend. Our thermometer showed 36 degrees. We thought maybe it was off some way when we heard the Hamilton radio report 28 but a tub of water was within 3 feet of the thermometer and it was not frozen. The Carl Ray Sellers reported 28 at their place, and the E. M. Hoovers and Lloyd Bolstads both reported ice at their homes.

Mr. and Mrs. W. E. Goyne and the writer were in Hamilton Armistice Day to attend funeral services for Mr. Bradford D. Corrigan, 75, who passed away in the Hamilton Hospital at 2:30 p.m. Nov. 9. Mr. Corrigan had been confined to his home for the past year or more, but the end came sud-

denly. He was born at Hico Nov. 3, 1895 to the late Mr. and Mrs. James E. Corrigan. The family moved to Hamilton in 1906 and he and his wife have resided since that time at the old Corrigan home on East Main. Mr. Corrigan had lived a very useful life. He attended Hamilton schools and Baylor University before entering the Army in World War I. He served in France with Battery F. 345th Field Artillery, 90th Infantry Division. After the war he returned to Hamilton and opened an insurance business. This he operated until illness forced him to retire. He was a charter member of the American Legion Cunningham Post 222 and maintained his membership 52 years. He was an active member

of the Baptist Church and served as music director until 1955. He was a member of the famous Hamilton Quartet, who have sang for many funerals and other occasions. He is the second of the quartet to pass away, the other being the late Jack Koen. They were said to have sung for over 2000 funerals. He was married to Miss Alma Blakley Mar. 11, 1930. One son, Bradford Jr. of Dallas was born to them, who with his mother survives, also a granddaughter, Pamela Jean of Dallas. Also two sisters, Mrs. Frankie Fortune of Stephenville and Mrs. Faith Clark of Wichita Falls. Pallbearers and honorary pallbearers were Robert Williams, Hervey Chesley, Johnnie Johnson, Robert S. Lee, Dr. Howard Smith, Otto Lengefeld, Lagree West, Leo Rendessy, Arvord Abernathy, George Gollightly, Dr. C. C. Cleveland, Brints Witty, John Jordan, Luther McGlocklin, Damon Kothman and Willie Knouth. Our deepest sympathy to the family. Rev. R. C. Tension and George Gaston officiated at the services, with burial in old Hamilton Cemetery.

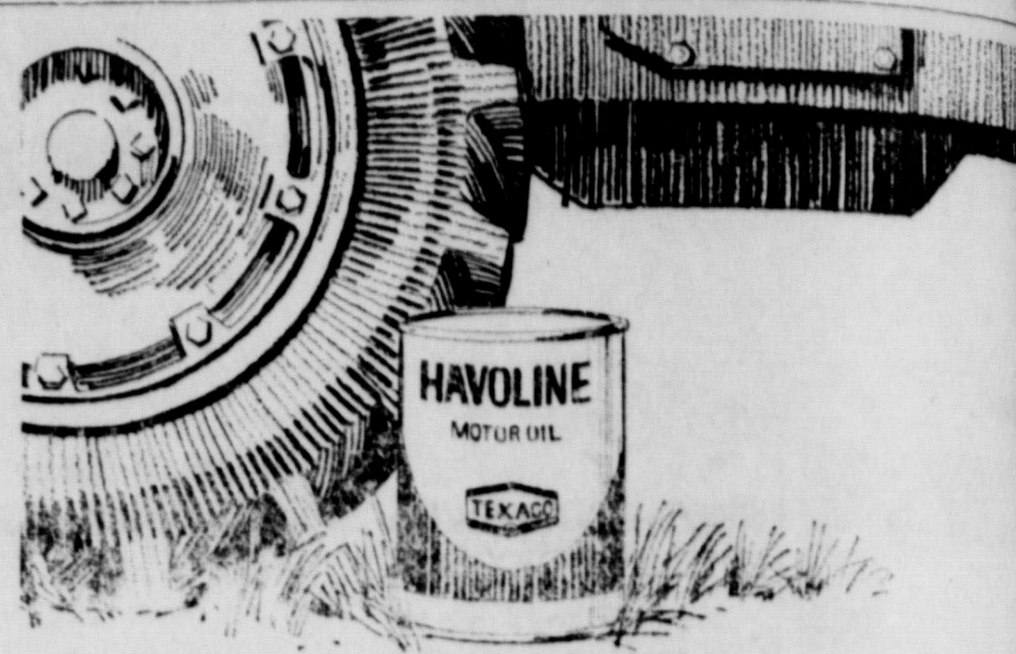

The writer, Mr. and Mrs. W. E. Goyne and Mrs. Ruth Cunningham attended funeral services for Mrs. Mary Rainwater on Thursday.

Those from here attending funeral services for Joe Glover on Friday were the writer and Mr. and Mrs. H. O. Richardson. Mr. Glover was a cousin of Mrs. Richardson.

was called off for the above. Weekend visitors in the home of Mr. and Mrs. Hobart Proffitt were Mr. and Mrs. Jerry Proffitt and children of Odessa, and Doyle Prof-

fitt and Mr. and Mrs. Dale Proffitt of Houston. Dale donated a six point buck while here. Mr. and Mrs. Hobart Proffitt were in Lufkin Monday of last

week to attend funeral services for Mrs. Profitt's aunt, Miss Dugent. Enroute home they stopped with Mr. and Mrs. J. B. in Bedias.

New Havoline.

The only motor oil good enough to put Old Havoline out of business.

"Old" Havoline was the best motor oil you could buy for demanding farm work. But that didn't keep Texaco from coming up with something better.

How much better? In Texaco laboratories—finest in the industry—they spent months testing new Havoline against old Havoline.

Exhaustive tests compared them for varnish and sludge resistance, bearing and piston wear, spark plug fouling, valve lifter deposits, rust prevention, and resistance

to thinning at peak engine temperatures. In every test, new Havoline outperformed old. Running even cleaner, protecting even better.

Now we have new heavy-duty Havoline. The best engine protection you can buy for farm equipment.

We handle the complete line of equipment-protecting, fuel-saving Texaco products for the farm. Let one, dependable source handle all your petroleum needs. Give us a call today.

FIRE DEPARTMENT

The Iredell Fire Department meets each second and fourth Monday nights of each month. Do not wait for a special invitation to each meeting. You are needed at these

meetings to help make a success of this worthy cause.

It will be necessary to have the mayor and city council present at the next meeting, November 23 to discuss remodeling of the Fire Hall. Please attend these meetings. Your support is needed.

Distinguished visitors were present at the ball game Thursday night when Iredell played Cranfills Gap. Word got around that CBS

Broadcasting for Walter Cronkite, news commentator, would be present to make pictures of the game to be televised at a later date. They were here with a large crowd present. Of course the score is one of the unmentionables, but at best Iredell was defeated by Gap for the first time since they have been playing 6-man football. I understand that is 17 years. Watch the program to see Iredell on television. Wish we knew the date.

Latest donations for the Fire Truck Fund were: Mrs. Margie Pike's third and fourth grade students \$10; Mrs. W. E. Rogers \$10; J. R. Laurence \$10; Roy J. Davis, Fort Worth and Iredell \$25.00.

The Conoco Cafe is open for business during the deer season under the management of Arthur Dunlap.

There were many hunters in Iredell Saturday and Sunday. There must have been many deer killed. No way of knowing how many.

Rev. and Mrs. Loyd Lester of Meridian and Mrs. Bessie Lundberg of China Springs were Saturday visitors in Iredell.

Seen in town early Wednesday morning was Bill Helm doing another one of his good deeds, putting up the flags for Veterans Day.

Mrs. Willie Hopkins of Stephenville and Mrs. Gladys Whitten of California were Wednesday visitors in the home of Mrs. Royce Hall.

MARRIED 50 YEARS—Mr. and Mrs. O. L. Mize of Iredell will observe their golden wedding anniversary Saturday, Dec. 5, at their home with open house from 2 until 5 p.m. Hostesses for the occasion will be their children, Lester L. Mize of An-

chorage, Alaska, R. V. Mize and family of Grand Prairie, Charles D. Mize and family of Houston, Walter G. Mize and family and Donnie G. Mize and family, both of Arlington. Friends and relatives are invited to attend.

A Look at the Past

38 YEARS AGO—NOVEMBER 1932

Rev. W. P. Cunningham of San Antonio was appointed to fill the vacancy in the pastorate of the Hico Methodist Church.

Farmers and poultry raisers in the Hico vicinity are shy several turkeys, but when their birds went East, local pocketbooks were fattened to the extent of over \$40,000.

R. B. Elkins of the Millerville community and Miss Velma Johnson were married Saturday night. R. B. is the oldest son of Mr. and Mrs. Marion Elkins, prosperous farmer of this area.

Leslie Arrant and Audie Clark made a flying trip to Colorado, Texas to carry the former's mo-

ther, Mrs. Annie Arrant, who will spend the winter there with her daughter.

On the Home Range

By BERNADETTE KOLAR
Home Demonstration Agent

The Hamilton County Home Demonstration Clubs will have their annual bake sale on Friday, Nov. 20, beginning about 8:30 a.m. in the Emmett Bldg. in Hamilton. Pie and coffee will be served during the morning. Other baked products will be for sale.

Now is the best time of year to enjoy apples. Apples must be mature when picked to have good flavor, texture, and storing ability. Look for firm, crisp, well-colored fruit, and choose according to the use in mind.

Apples range from sweet to tart flavors. Some are best when eaten out-of-hand or sliced and diced for salads, sandwiches and desserts. Other all-purpose apples may be cooked, baked, stewed, scalloped, fried or roasted. Basically these are the two types marketed—eating apples and cooking apples.

Red or Golden Delicious apples are best when served raw. Their delicate flavor is lost when cooked. Apples that are good cooked or raw include McIntosh, Jonathan and Rome Beauty. Rome Beauty apples are also exceptionally good for baking. Once bought, apples should be stored in the vegetable crisper of the refrigerator and used in two to three weeks.

Whether served raw or cooked, always wash apples before using. Peel just before serving or cooking. If allowed to stand, browning occurs unless the fruit is sprinkled with lemon, orange or pineapple juice. Use sugar in small amounts when cooking apples to bring out flavor and not to mask it.

To keep apples whole, add su-

Visitors during last week and the weekend in the home of Mr. and Mrs. Boyd McClure were Mr. and Mrs. Paul Allen and children of Cleburne, Mr. and Mrs. C. C. McClure of Waco, Mr. and Mrs. Roy Don Young of Handley and Mr. and Mrs. Jimmy Young of Arlington.

gar at the beginning when making. For making sauce, add at the end of cooking.

Wild, warm fake fur is the get for big sewing ventures this winter. To hit the bull's eye style when sewing fake fur, follow these tips.

Choose a design with few details. Eased seams are easier to handle. Since fake fur is a fabric with a nap, check the nap for yardage requirements. If listed, add three-eighths to one-fourth yard for cutting pieces one way.

When cutting the fur eliminate seams wherever possible. For example, if there is a button opening, cut the facing and center together. Lay pattern on the wrong side of the fabric and have the nap running toward. Cut one layer at a time deep pile, cutting only the back to avoid cutting the pile. Mark fur fabric with chalk or white tacks.

Baste seams of the fake fur to prevent shifting, and cut in the direction of the nap whenever possible. Long pile yarns get caught in the seams but are released by pulling them apart with a pin or needle. If stitching on the pile side of the fabric, keep the pile flat by stitching through transparent cellophane tape.

Button holes are difficult to make on fake fur garments, so another type closure is usually preferred.

Check the label on the end of the fake fur fabric bolt for information about ironing. Some fake fur cannot be pressed with heat or steam; finger pressing may then be used. If a velvet ironing board is not available, try a turkish towel or self-fabric placed face up on board with pile side of garment on top. Press lightly with steam in direction of the nap. Remaining fur fabric pieces may be used for trim detail on other garments.

MRS. JACKIE GENE FLANARY

SS FENOGLIO AND JACKIE FLANARY MARRIED IN SATURDAY CEREMONY

Wanda Rose Fenoglio became the bride of Jackie Gene Flanary Saturday night in Holy Family Catholic Church in Fort Worth, with reception held at Holiday Inn during the ceremony.

Miss Wanda Ann Fenoglio, sister of the bride, was maid of honor and bridesmaids were Misses Betty Ann George and Teri Anne Barker, both of Fort Worth. Charles Halfman was best man. Charles Carminti, Johnny Hvatt, Jim Garrett and Marshall Carminti, all of Fort Worth, were ushers.

The bride wore a gown of peau de soie and alencon lace in candlelight. The molded bodice had a high neckline and long lace sleeves which were finished with a flounce and a bow. The entire bodice was of English net and alencon lace. The smooth lines of the A-line skirt fell to carpet length. Appliques of alencon lace accented the skirt. The train swept to chapel length from the back yoke.

The veil was a mantilla of candlelight illusion. The mantilla edged in alencon lace fell to chapel length from a soft coil.

After the reception the couple left for Florida. They will live at the Villa Montez Apartments in Fort Worth.

The couple are both employed at General Dynamics. The groom is an active member of Company A, First Battalion, 143 Infantry, Airborne Texas National Guard.

Mr. and Mrs. Houston Reed of Holland visited Thursday and Friday of last week with their daughter, Dr. and Mrs. B. C. Dayton and children. Weekend visitors in the home were Mr. and Mrs. Harold Dayton and family of Burnet.

Weekend visitors in the home of Mrs. Grady Barrow were SP4 and Mrs. Jimmy Blakley, SP5 Jerry Criswell, SP5 Larry Hull and Sgt. Dan Zucchi, all of Fort Hood.

Kevin Hudson, son of Mr. and Mrs. Ray Hudson of Gatesville spent the first part of the week with his grandparents, Mr. and Mrs. Edmond Hudson.

Mr. and Mrs. Buddy Ables and family of Idalou visited during the weekend in the home of their parents, Mr. and Mrs. Buster Moore and Mr. and Mrs. Woody Wilson. Also visiting in the Moore home were Mrs. Mary Terry and children of Crowley.

Mrs. Lucille Dunnigan of Waco, Miss Alleene Dunnigan of San Antonio and Mr. Paul Partain of Georgetown visited last week with Mrs. Bonnie Alexander in the Village Nursing Home.

School Board Members And Wives Entertained With Monday Dinner

Mr. and Mrs. O. C. Cook were hosts for a dinner Monday evening at the Koffee Kup Cafe for Hico School Board members and their wives.

The table was covered with a white cloth and decorated in a Thanksgiving theme.

The menu consisted of T-bone steaks, baked potatoes, salad, pecan pie, tea and coffee.

Following the dinner the men adjourned for a short business meeting.

Attending were Mr. and Mrs. Guy Bulman, Mr. and Mrs. Tommy Johnson, Dr. and Mrs. B. C. Dayton, Mr. and Mrs. D. L. McCoy, Mr. and Mrs. Lee Flowers and Bruce Slaughter.

Miss Brewer Becomes Bride of Ed Reed in Wyoming Ceremony

Miss Kay Brewer of Gillette, Wyoming became the bride of Ed Reed of Iredell in a ceremony Oct. 10 in Gillette.

Parents of the bride are Mr. and Mrs. Lloyd O'Rourke of Interior, South Dakota, and Mr. and Mrs. Oscar Reed of Iredell are parents of the groom.

The couple will make their home in Gillette where Mrs. Reed is employed with the Wyoming State Welfare Dept. and Mr. Reed is with Edwards Engineering Corp.

Friday Bridge Club Members Entertained In Hafer Home

Mrs. Ray Cheek won high score and Mrs. Jimmie Ramage won second high when the Friday Afternoon Bridge Club met last week in the home of Mrs. W. F. Hafer.

Others attending were Mrs. E. V. Meador, Mrs. B. C. Dayton, Mrs. Sarah Reeves, Mrs. Sandy Ogle and Mrs. M. I. Knudson.

Party snacks were served during the afternoon.

EINFELDT'S TAKE TRIP

Mr. and Mrs. Geo. Einfeldt returned from a trip to Claremore, Oklahoma, visiting with her sister and niece. Her sister, Mrs. J. S. Meacham returned with them to stay a few weeks. While there they toured through Missouri and Arkansas, taking in the Christmas town of Noel, Missouri. While passing through Silom Springs, Ark. they noticed a street sign, saying Hico Street.

Mrs. Charlie Meador of Morgan was a Sunday night visitor in the home of her sister, Mr. and Mrs. Ernie Jacobs.

MRS. TOLON SPEAKS TO REVIEW CLUB MEMBERS ON CUBAN SITUATION

The Review Club met Nov. 12 in the home of Mrs. Paul Verdusco, who served a dessert plate to the members and guest speaker.

The club was privileged to hear first-hand information about the Cuban situation. Mrs. Edwin Tolon, Sr., whose husband is a lawyer and whose son is a surgeon in the Hico Hospital, spoke with authority on Communism in Cuba.

The speaker pointed out that the economic situation in the island as well as the political situation has greatly deteriorated under Castro's government. Agricultural production—sugar, tobacco, beef and milk—has not only declined but, in many instances, has resulted in rationing in Cuba itself. No bank in the world today honors the Cuban dollar, which once ranked with the U.S. dollar. Private property and businesses have all been expropriated by the Communist government, the result being larger than the expropriations in all of Russia, Czechoslovakia, Hungary, Yugoslavia and Bulgaria combined.

All communication media were seized by Castro. Today only one newspaper and one magazine are published.

Mrs. Tolon explained that living next door to a government school, she knew personally school children were given Communist indoctrination, were required to sing the "Internationale" and to swear fidelity to the Russian and Cuban Communist governments, even to defending them against the U.S.

Culture, once at a high level, has also declined.

The revolution was the result of only a few Cubans. A million persons are now in exile, and a million and a half are awaiting permission to leave.

Mrs. Tolon warned that the greatest threat to the U.S. is not the Middle East situation but the Communist activity all over Latin America. Only recently Chile elected a Communist president. It is not impossible that the whole of Latin America be controlled by Russian power.

A short time ago 903 Americans visited Cuba ostensibly to help as volunteers in the sugar harvest. Nine of them upon their return have already made newspaper headlines because of their acts of violence.

It is known that Russia has installed a nuclear reactor in Cuba. If Russia so chooses she can also give missile plans, making it possible for Cuba to produce nuclear missiles. Moreover, there are hidden rocket installations and submarine bases. Cuba then is a loaded gun aimed at the United States' head. "Never think," Mrs. Tolon concluded "that it cannot happen here. The United States must be on perpetual guard."

The next meeting will be a combination of the the Tasting Tea and Bazaar, and Husband's Night, which will be held at seven o'clock at the Bluebonnet Country Club on December 3.

Mrs. King Presents Program For Friday Garden Club Meeting

Hico Garden Club met Nov. 13 in Fellowship Hall of the Methodist Church.

Roll call was answered with each member showing their favorite Christmas decoration.

Mrs. C. H. King gave the program and told how the Romans started the tradition of using the Yule log and the decorated tree at Christmas time. The Romans also set the date to December 25 instead of January 6. Later the Dutch began the Christmas Eve exchange of gifts. Mrs. King displayed many of her tree ornaments and explained the way they were made.

The Club Bazaar will be held Dec. 5 and will consist of hand craft and a bake sale.

Mrs. Eddie Malphrus became a new member at the meeting and a guest, Mrs. C. C. McClure was present. Others attending were Mrs. W. E. Goynes, Mrs. Elvis Vinson, Mrs. Boyd McClure, Mrs. George Loden, Mrs. Frances O'Reilly, Mrs. E. E. Basham and Mrs. King.

Mrs. Debbie Truelove and baby of Odessa visited from Tuesday until Saturday in the home of Mrs. Gladys Richardson.

OBSERVES BIRTHDAY

Mrs. J. F. Blackburn observed her birthday during the weekend with a gathering of her children. Her daughter, Mrs. Irvin Duckworth of Fort Worth was a Saturday visitor, and Sunday visitors included Mr. and Mrs. Lawton Blackburn of Granbury, Mr. and Mrs. John B. Fouts and Steve, John W. Fouts of Denton, Mr. and Mrs. C. W. Blackburn, Gary and Cindy, Mr. and Mrs. Truett Blackburn, Austin, Docia and Stanton, Marjorie Gray and Morris Mullins of Athens.

Mr. and Mrs. W. C. Howard were in Gorman Friday to visit with his mother, Mrs. O. L. Howard.

Weekend visitors in the home of Mr. and Mrs. Wayne Rutledge were their son, Bill Rutledge of Lubbock and his friend, Miss Mary Neel of Plainview.

WEEKEND VISITORS

Weekend visitors in the home of Mr. and Mrs. Frazier Crow were Mr. and Mrs. Jesse Barber and Melody of Denton, Mr. and Mrs. Jesse Barber II and Benita and Kathy of Midland, John Cook of Fort Worth, Albert, Judy and Andrew Melchiorson of Glen Rose, I. D. Cook of Carlton, Maze Goynes of Waco and Mr. and Mrs. John Crow.

Now all your U.S. Savings Bonds pay higher interest.

Now it's official.

Now one of the safest investments in the world brings you new and higher returns.

Now your U.S. Savings Bonds pay the highest interest in history: a full 5 per cent when held to maturity of 5 years and 10 months. (4% the first year; 5.20% thereafter to maturity.) Previously, these Bonds earned you only 4 1/4% if you held them for seven years.

The new interest began June 1, 1969. So all of the Bonds you own, no matter when you bought them, have been collecting higher interest since that time.

Those Bonds are still replaced if lost, stolen or burned.

You can still buy them through Payroll Savings or the Bond-a-Month

plan.

Regardless of your other investments, can you think of any easier, better, or safer way to build a nest egg for yourself?

It's nice to know that you are doing a little something for Uncle Sam, too. The \$52 billion in U.S. Savings Bonds now outstanding in the hands of millions of Americans go a long way toward keeping your country financially strong.

There never was a better time to take stock in America.

There's a man at the place where you work who can start you on the Payroll Savings Plan right now.

Bonds are safe. If lost, stolen, or destroyed, we replace them. When needed, they can be cashed at your bank. Tax may be deferred until redemption. And always remember, Bonds are a proud way to save.

Take stock in America.

With higher paying U.S. Savings Bonds.

COUNTY AGENT REPORTS

By BILL McCUTCHEON

Deer season is with us and local
hunters are bragging about the
hunt and telling about the one that
got away. I would encourage those
that are hunting locally to enter
the contest that the Chamber of
Commerce is sponsoring in Hamil-
ton and those by Jackson's and
Blair's in Hico. These are methods
that will help to tell the story of
deer hunting in Hamilton County.
We have a lot of trophy deer in
the county and this is an excellent
way of recognizing this fact.
For those that didn't bag their
limits on the first weekend I would
like to remind them of several im-
portant aspects.
Field dress the deer immediately
after the kill. If you need help to
carry the carcass to camp or if
you cannot carry it out immedi-
ately, hang it to a tree branch so the
carcass will cool in the shade. Prop
the body cavity open with a stick
for better air circulation.
When carrying the deer to camp
be as conspicuous as possible—you
don't want to be shot by an over-
anxious hunter.
I have two good publications
deer hunters should be interested
in, "Field Dressing a Deer," and
"Wild Game Care and Cooking."
These are available for the asking
at my office.
You can't look at a soil and tell
if it is able to supply the nutrients
needed for top crop production.
Selection of the proper fertilizer
depends upon a knowledge of the
nutrient needs of the crop to be
grown and the nutrient-supplying
power of the soil on which it is to
be grown.
Determining the nutrient needs
of crops is comparable in many
ways to diagnosing human ills. A

medical doctor observes the patient,
obtains all the information possible
by questions, and then makes cer-
tain tests.
Similarly, alert farmers can test
soil to determine its ability to feed
plants a balanced diet. A soil test
saves farmers money by showing
them how to put the right amount
of the right plant nutrients on the
right field.
Now is a good time to take soil
samples from fields where harvest-
ing has been completed. In many
sections of the state, and it's true
in Hamilton County, fall application
of fertilizer is recommended. Of-
ten in the spring field conditions
delay putting down fertilizer; there-
fore, fall and winter application
can eliminate this problem.
Early testing must be done in
order for a successful fall or win-
ter application.

WASHINGTON

"As it looks from here"

OMAR BURLESON

Congressman
17th District

Washington, D.C.—When any money is lying around in Washington not being used, it is a certainty that somebody will be proposing ways to spend it.

It is a little strange that there is "Federal" money in Washington not being used. Contrarily, money is being used which in most instances doesn't exist at all.

The case in point, however, is the Highway Trust Fund which is well in the black unless it is considered that its funds have been borrowed by other Federal agencies. The repayment of these funds is as good as any other obligation of the Federal Government but they may not always be readily available.

At the present time a goodly portion of funds created under the Federal-Aid Highway Act is being withheld by the Administration. The Congress has before it legislation to continue and extend the Interstate Highway Program, which is paid for by the gasoline and other taxes. The tax end of it, which is handled by the Ways and Means Committee, has been approved but the Public Works Committee of the Congress has jurisdiction over all other features of the Highway Program which calls for a 90 percent payment by the Federal Government with 10 percent by the various States.

There are all sorts of proposals for diverting money from the Highway Trust Fund for purposes not provided in the original Act.

Mainly, the advocates of diverting Trust Fund money want it for mass transit systems in the big cities. Just recently the Congress voted to authorize more than \$3 billion for this purpose but the Governors, Senators and Congressmen from these areas say this is a drop in the bucket and want to tap funds collected for building interstate highways to an urban transit system. When these members found that last year the Highway Trust Fund had a surplus of over \$2 billion in unobligated funds they immediately attempted to latch on to it. They even go beyond proposals to build streets but want to purchase equipment and retire debts incurred in the past. As a matter of mechanics, there is really no such thing as unobligated funds for highway building. This is the trouble at the moment—funds are obligated when allocated. This simply means that funds promised a State must be assured many months in advance in order that the States may properly plan. Funds furnished a State should not be delayed, as is the case at the present time. When this is done, it throws out of kilter long term planning caus-

ing expensive delays. In Texas, funds for this fiscal year, which ends next June 30, are reduced from \$275 million authorized to \$210 million, which means a 23.6 percent drop. Our State of Texas, during the last 10 years has sent about three quarters of a billion dollars to the Highway Trust Fund more than it has received back in Federal aid. At the present time, Texas is due about \$145 million that has been arbitrarily held back by the Administration. One of the reasons given is the cut-back will help fight inflation. As already mentioned, the actual expenditure would not come about for quite a long period of time if released at the moment. What is critical is not knowing how to plan and what to depend on.

If the Congress ever permits the Highway Trust Fund to be tapped for such things as exclusive bus lanes, bus freeways with entries and exits, bus stops, fringe parking, the purchase of street equipment, the payment of bonded debts of the cities created for transit needs, the whole highway program will be severely damaged and curtailed.

To do other than to build highways with taxes collected for that purpose is not keeping faith with the States and the highway users who pay the bill.

Social Security

Questions & Answers

By JACK CALVERT

QUESTION: I was baptized as an infant but I have never checked to see if this birth record is available. Should I check on this before I apply for my social security retirement benefits?

ANSWER: Yes. Applicants who were baptized before they were five years old, and who do not have an original birth certificate publicly recorded before age 5, must try to obtain their baptismal record. Studies show that in most cases, these baptismal records are available upon request. You will get your first social security check much quicker if you have this evidence of age when you file your application for retirement benefits.

If you have a question about social security you would like answered in this column, send a post card or letter to Jack Calvert, Dist. Manager, Social Security Office, Box 428, Temple, Texas 76701.

Brownie Troop Has Investiture Service At Recent Meeting

Brownie Troop 165 met Nov. 6 at 2:45 at the Youth Center. The Brownies wore their uniforms for the first time. They invited their parents to attend to see them receive their pins.

The troop acted out the story, "How The Brownies Received Their Name." They also formed a Brownie Ring. Then by fours they came to the pond to receive their pins. The pond was a mirror surrounded by leaves and the pins were placed around the edge. They each repeated their promise and received the pins upside down. They had to do a good deed before the sun went down and then their mother could turn it right side up to stay. The group then said the pledge of allegiance to the flag, sang the Brownie song and "For Strength and Health." The parents and Brownies were then served refreshments.

The serving table was decorated with a lace cloth. The centerpiece was a small mirror (as a pond) encircled with artificial colored leaves and a doll dressed in a Brownie uniform standing by it. Punch and cookies were served.

Those present were Sherri Barnett, Pam Masserang, Susan Gildewell, Carol Rainwater, Jean Ann Turner, Pam Ross, Docia Blackburn, Cindy Christian, Karen Duke, Dee Ann Fillingim, Mrs. Blackburn and son, Mrs. Fillingim, Mrs. Barnett, Mrs. Ross, Mrs. Turner, Mrs. Gildewell and Beckie, Mrs. Masserang and Shanie, and Mrs. Rainwater.

The leaders wish to thank the mothers for taking time out from their busy schedules to come to the program. Also they would like for everyone to save plastic lids from hair spray cans, deodorant or any such lids for the Brownies. The lids may be left at Randa's Store. The troop will need about 120 by Easter, and ask your help in collecting them. Contributed.
