the money to the department on behalf of the organization, formed here in opposition to the proposed Hike Trail last year. The funds represent monies contributed to the organization with which to fight the proposal of the Parks & Wild-

life Department, most of which came from Hico area people. The presentation was made Wednesday at the regular noon meeting of the Civic Club. The Dublin and Iredell fire departments were also presented lesser amounts from the fund.

President Mrs. Judy Shannon called the meeting of the Hico Chapter of Young Homemakers to order and welcomed the members to the first meeting of the year Monday evening at 7:30 in the school cafeteria. She turned the program over to Mrs. Cynthia Malphrus, who presented the thought for the day, an inspirational poem "The Road Not Taken," speaking of the two roads of life and the choice given each. Mrs. Maryann Johanson introduced the guest speaker, Mr. Harold Walker, local resident and teacher. Mr. Walker presented a very interesting and informative film of the "Robert's Rules of Order" in parliamentary procedure. Following the program, the president conducted a short business meeting. Cong. Poage Introduces Bill To Reinstate Farm Program

Washington, D.C.—Legislation reinstating the Soil Conservation Program known as REAP (Rural Environmental Assistance Program) was introduced last week by Chairman W. R. (Bob) Poage (D-Tex.) of the House Committee on Agriculture. The move is designed to reverse the action of the Department of Agriculture, which on last December 26 announced that it was term-

inating REAP as an economy move. Congressman Poage described REAP, formerly known as ACP, as one of the most constructive and worthwhile programs ever authorized. He has received a deluge of complaints from coast to coast, many conveyed to him through both Democratic and Republican Congressmen, protesting the Administration's decision. The new legislation would make mandatory the provisions of existing law which authorizes the REAP program and provides \$225 million for it in the current fiscal year. Under existing law administration of the program, according to the Administration, is at the discretion of the Secretary of Agriculture. After observing that soil conservation programs have been carried on by the Department of Agri-

culture since 1936 and have had wide popular support, Poage said: "We are faced with the fundamental question as to whether the Executive Branch or the Legislative Branch of government shall determine the priorities on expenditures of tax funds. "So far as I am concerned the Constitution clearly places this responsibility in the hands of the Legislative Branch." He said he expects strong bipartisan support for the bill and will hold hearings on it as soon as possible after the Committee is organized.

Baylor Athletes Will Present Program Here Sunday Evening

The program is sponsored by the Methodist Youth Fellowship, who would like to invite all local youth of college, high school and junior high school age to attend. The program will begin at 7:00 p.m. in the Methodist Church sanctuary and will be followed by fellowship and refreshments.

Tax Paying Deadline is January 31

January 31 is the last day to pay City, School and County taxes. After that date penalty and interest will be charged. Penalty on City and School taxes is 1 1/2 percent per month, or a possible 18 percent per year. If at all possible, it would be to the interest of property owners to pay taxes before the deadline.

FROZEN RIVER ... Shown here is the placid Bosque River with a thick layer of ice during last week's wintry spell.

Temperatures were that cold! The snow on the north bank of the river, and the bridge, make for an artist's view typi-

It may surprise you to know that no two funeral services are alike. Each service brings its own requirements. The desires of the family are given first consideration, always. In addition, the clergyman's requests must be considered. Then the many details must be arranged around those requests. Each service, therefore, is distinct and follows a program of its own.

When this is done the candidate introduces his invited guests to the audience and they stand to be recognized. This was a custom of law schools in ancient times. Gary is a graduate of Carlton High School. His studies were interrupted by a stint in the Army, and he served two years in Japan before finishing his college. He will be associated with a law firm in Waco.

Clairette H.D. Club Meets in Golightly Home Last Friday

The Clairette Home Demonstration Club met Friday, Jan. 19 in the home of Mrs. John Golightly. Mrs. Bill Head, president, called the meeting to order.

Pledge and prayer was led by Mrs. George Loden. A song, "Sweet Hour of Prayer," was led by Mrs. C. E. Barr. Lucky lady of the afternoon was Mrs. Loden.

Roll call was answered with "Something new to add to my flower bed or garden." At the end of the program, plants and seeds were exchanged.

Mrs. Barr brought a very interesting program on "Pyraecantha." This being a member of the rose family it can be trained very young to run on a wall or fence. It is a hardy plant and can be kept short or left to grow upward to as much as 15 feet tall. Its small fruit of red, orange and yellow is not poisonous and can be made into jelly.

With regret the club is losing Mrs. Edward Shadden, who is moving from the community.

Mrs. Golightly served refreshments to Mrs. C. E. Barr, Bill Head, Jim Edwards, Hub Alexander, H. N. Williams Jr., Charley Finley, James Johnson and George Loden.

Next meeting will be in the home of Mrs. Bill Head on February 2. Reporter.

Attending the graduation from Hico were Mrs. Jake McClammy, Fred LaBounty, Mr. and Mrs. Mike Ferguson and Mr. and Mrs. Paul Lane and Debbie.

Mrs. Leroy Bobo and Gary of Abilene visited a part of last week in the home of her parents, Mr. and Mrs. L. M. McClammy. Mr. and Mrs. J. R. Bobo were also visitors.

FROM NEBRASKA

Mr. and Mrs. Russell Knapp of Elm Creek, Nebraska were recent guests in the home of Mr. and Mrs. Ray Smith. The Knapps brought a Labrador Retriever named "Snoopy" with them, which was a birthday gift for Mr. Smith from his wife. Fairy Community News

By "RA. EUNICE BANTW"

We received about one-half inch of rain Saturday night, with blustery wind and much colder temperature. Not too much visiting during the weekend. Most everyone stayed at home and rested.

Mr. and Mrs. Gene Overton and Robby of Fort Worth visited during the weekend with her parents, Mr. and Mrs. W. E. Goynes. Mr. and Mrs. Truett Turner of

Fort Worth spent the weekend with her father, T. R. Parks. While here they put the Parks cemetery lot in the endowment plan. We thank them so much. This will help to complete funds for another bond. We now have \$7,815.00 in bonds, and with rising costs of labor this will help out.

The writer was in Hico Friday and visited awhile with Mrs. V. R.

Leeth. She handed us \$5.00 for the cemetery. The Leeths have been very faithful to help out at the cemetery. They have selected a lot here and have many relatives buried here.

Mr. and Mrs. Tom Abel and daughter, Sherry, and a friend, Miss Karen Kelley of Dallas visited during the weekend with his parents, Mr. and Mrs. Walter Abel. They all visited in Hamilton Saturday night in the home of Mrs. Walter Abel's mother, Mrs. Frank Thomas and daughters, Mr. and Mrs. Raymond Lowrance and Mr. and Mrs. Phelps.

Mr. and Mrs. Ovie Brummett, Nancy and Grant visited Sunday at the Village Nursing Home in Hico with her mother, Mrs. M. C. Anderson who had another heart seizure. Her son, Mr. and Mrs. Buck Anderson of Brownwood were also visiting her. We visited with her and Mrs. Irene Crow recently. Thanks for the drop box news. Our letter would be much better if all would turn in their news.

We learned the whereabouts of Claude Smith, a former Fairy boy and son of the late Mr. and Mrs. Abb Smith of Fairy. So glad to learn Claude was still in the land of the living. He had noticed in the Longview paper of the death of Mrs. Chess Smith and called her daughter, Mrs. Leroy Johnson and talked to her. She told him of seeing myself and Mrs. Ruth Cunningham and the Goynes at the cemetery. Claude knew all of us and is related to Mrs. Cunningham and he wrote to her. So I wrote him Sunday and invited him down to our Fairy Homecoming this June 16, and informed him of a lot of happenings since he moved away. They are still a few of us left who were here when he went to school. I have two school pictures made in 1904 or 1905 and its pitiful to look at them and know that most of them have passed away. Prof. Davis and Miss Ruby Cornelius were the teachers. The girls playground was on the east side of the school grounds and the boys on the west side. Oh the facilities we coped with in those days. No drinking fountains, no water on the grounds, carried in open buckets from the public well. I was fortunate to live close enough that I walked home for lunch most of the time and I would get a drink then and stay thirsty the rest of the time at school. Claude's address is 701 Kay St., Longview 75601. There may be others who would like to write him.

The Riley-Gardner hands were out early Monday to set a double marker at the Ed Allison lot. They also set one recently at the T. R. Parks lot. A marker is certainly a good investment. We have several unmarked graves, some we don't know the identity of the person buried there, and many who have no death date. We have several who should have this completed on their markers. This could be done by contacting Barrow-Rutledge Funeral Home. It would be cheaper if several could have this done at one time.

Visiting in the home of Mr. and Mrs. Dewey Massingill over the weekend were Mrs. Ruby Moore and George Taylor of Hamilton, Mr. and Mrs. George Shepard of Brazos, Mr. and Mrs. Chris Hund and Kimberly from Tulsa, Okla., and Mr. and Mrs. Charles Massingill and Vicki of Fairy.

Visiting in the home of Mr. and Mrs. D. H. Proffitt are Mr. and Mrs. D. R. Proffitt of Tahoka, and Mrs. James F. Harris and daughter-in-law, Mrs. Gary Harris and Eric of Mayflower, Ark.

Mrs. Ned Baugh of Waco visited with Mrs. Ruth Cunningham Monday.

CARD OF THANKS

I wish to express my sincere thanks to Dr. Dayton, the nurses and entire hospital staff for their care and attention during my recent stay in the Hico Hospital. Also the thoughtfulness of my relatives and friends for their visits and all other kindnesses were deeply appreciated.

Wilma J. Crow. 41-1tp.
