Whoa, Now!

By Grady Lackey

Rev. Cal Wright said that before the recent elections he started out to organize a local chapter of Vigorous and Vociferous Voters, but gave it up when all the members wanted to occupy all the high offices, such as Exalted Viciferous Grand Visor, and Exalted Vigorous Grand Secretary.

Now he plans to organize a Chapter for the Protection of Henpecked Husbands, with no dues, no officers, and only one rule: Whenever a husband is seen doing odd jobs for his wife, a brother-member must call him down town to talk over a big business deal, such as financing a cup of coffee.

Rev. Wright thinks his organization will be larger than either political party, for all husbands will want to join up.

The line will please form two blocks down the street, he adds.

What next?

The prolonged and fruitless dealings between the Enterprise company and the City of Spur must soon be brought to an end. Our city council cannot continue indefinitely to watch the light plant being used as an experimental laboratory with the guinea pig a piece of extremely high priced equipment, which, at the onset, was to have belonged to the city.

We, the voters of Spur, voted to buy through a bond issue a propane-burning engine. Enterprise accepted a contract to deliver just this, and failed.

Under an amended contract Enterprise agreed to deliver a dual-fuel engine, and failed.

Both these failures came only after long months of tests and experiments in our plant. The nature of these experiments clearly indicate that Enterprise did not know at the time they signed the contracts that they could ever meet the specifications.

It is now apparent that these tests were made and deliberately planned on the engine delivered to the city. While the position of the City deteriorated in production and sale of electricity, Enterprise conducted these tests to their final conclusion last Friday—destruction of major components of the engine.

It is reported that Enterprise now cheerfully admits that they cannot deliver on their second proposition, and now point to the present economic advantage of using straight diesel oil. Two years ago they were very convincing that the saving from use of propane would be sufficient to approximately pay interest and principle on the \$150,000 electric improvement bonds.

What shape is the engine in today? Consider that for the last 15 months it has been subjected to numerous experiments, tests, and adjustments. Even before the final blow last Friday, the engine was little more than a laboratory piece with this and that being applied just to see what would happen. And then last Friday the climax came when it was subjected to heat, detonation and vibration sufficient to crack cylinder heads, blow gaskets, damage bearings and other parts. We are far from being an engineer, but common sense will tell us that this kind of treatment undoubtedly caused other injuries—many of which possibly might not show up over a few months' testing period.

The Enterprise company has grossly failed to meet two sets of specifications, terms and dead lines of their own making. Now, after over a year, they have failed to deliver to the City of Spur a new engine. Now, can we consider the acceptance of the delivery of an overhauled, severely punished last engine adequate to operation on diesel oil? We can no longer consider that Enterprise is trying to sell us a new engine. They now can only propose that we accept a recon-structed experimental job.

And what of the moral obligation to the voters? Can the council fulfill its obligation to the people who voted for a new propane engine by offering them anything less?

County Goes Over 15,000 Bales Wed.

Cotton ginning in Dickens County passed the 15,000 bale mark this week, and ginners now are pointing at over 17,000 for the season. A total of 15,130 bales were reported yesterday afternoon.

The three Spur gins have ginned a total of 7,418. They report that another 1,000 bales are expected.

Dickens has ginned 1,184 and

PARENTS WARNED TO KEEP CHILDREN AWAY FROM SEWAGE DISPOSAL PLANT

City of Spur personnel have issued a warning to parents to keep children from playing near the city's sewage disposal plant. It is pointed out that the system includes open pits and tanks from which escape by a youngster would be almost impossible. Numerous small animals have accidentally fallen into the system and been found dead from their struggle to get out.

The system is fenced and properly marked as being dangerous, but still there is evidence that children are playing dangerously near it.

Mrs. Eleanor Lollar has just returned from Temple where she spent 11 days after an operation.

After leaving Temple, she visited relatives in Abilene, Hico and Clifton and is now back in Spur after a month's absence.

CHORUS CLUBS WILL PRESENT FALL CONCERT HERE MONDAY

The following program will be given by the Chorus Clubs of the High School and the Jr. High School on Monday, Nov. 19 starting promptly at 7:30:

- JUNIOR HIGH CHORUS**
1. When the Moon Comes Over the Mountain.
 2. Whispering.
 3. Pagan Love Song.
 4. When I Grow Too Old to Dream.

- HIGH SCHOOL CHORUS**
1. National Creed.
 2. Ave Verum Corpus.
 3. Praise the Lord Oh My Soul.
 4. The Beatitudes.
 5. Drink to Me Only With Thine Eyes.

- DUCK CREEK SOIL CONSERVATION DISTRICT**
6. In the Still of the Night.
 7. Falling in Love With Love.
 8. Battle Hymn of the Republic.

Immediately following the program, there will be a meeting of the parents of the 180 boys and girls comprising the clubs for the purpose of making plans for buying robes.

In the past it has been necessary to borrow robes which have proved very unsatisfactory. A committee has been at work on the project and plans and ways of financing will be presented for discussion.

On December 20 the clubs will make an appearance on TV and will engage in various club contests during the winter and spring. It is very important that suitable robes be secured before the clubs make their TV appearance and engage in their contests. It is hoped that the parents will realize the need and join into the undertaking of raising the necessary funds so the order can be placed in the very near future.

Twenty-one district cooperators received channel cat, bluegill and bass fingerling fish on deliveries made November 1st and 8th to stock their farm ponds. These fish were made available to the cooperators by cooperative arrangements with the U. S. Fish and Wildlife Service. Receiving fish were: C. Parsons, Gus Thompson, Claude Atkins, Jim Koonsman, T. N. Tier, Eric Swenson, George Natley, Cal Martin, Lester Garner, M. H. Costelow, Leland Calvert, Arch Brawley, R. G. Bostic, Ted Goodwin, Tom Green, and Ben Overstreet.

Vetch seedlings made in irrigated cotton land during September are coming up following the recent showers, reports S. C. S. technicians J. H. Taylor and John F. Moore. It is expected that cover crop and soil improving benefits

expect another 100. The Afton, East Afton and Glenn area reports a total of 5,132. They expect over 500 more.

McAdoo reports 1,396 to date and look for 300 more.

PTA To Sponsor Amateur Show Here

The East Ward P T A will sponsor its annual Amateur Show on Tuesday, Nov. 27, at 7:30 p. m. in East Ward auditorium.

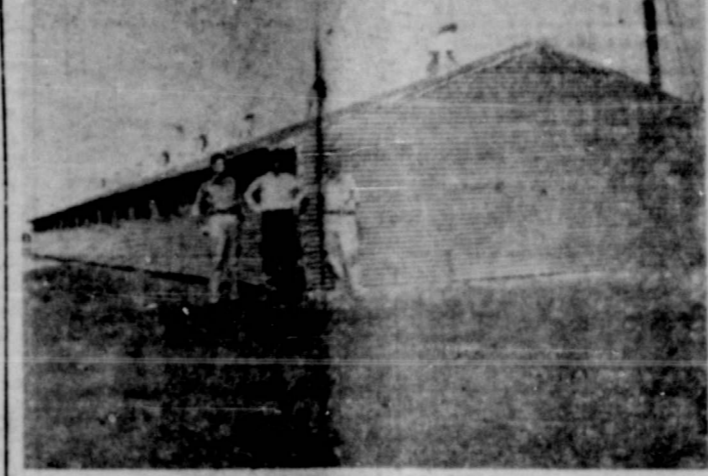

Prizes of \$6, \$3, \$2 and \$1 will be given for the best performances and proceeds will go to the local unit.

Mrs. Jessie Morrison is chairman of the show. Prospective entries are requested to list their acts with Mrs. Morrison.

A cake auction will also be held and everyone is invited to attend. Admission charges will be 15c and 35c.

Mrs. Bobby Thomason and Dale Tedford of Crosbyton spent several days last week with their grandparents, Mr. and Mrs. J. T. Powers.

Visiting in the home of Mr. and Mrs. B. H. Connally over the week end were their children, Mr. and Mrs. D. P. Connally and son of Midland and Nasta Faye Connally of Fort Worth who will be here for a longer visit.

AREA'S FIRST PURINA BROTHERS GO TO MARKET—C. P. WITT of Kalgary shipped the Spur area's first batch of Purina broilers to market Monday, realizing a net profit of \$562.70. Witt is shown above on the right, with Ken Loeper, center, and Eldon Reynolds, left, standing by his new broiler house. It was the first of its kind in this part of the state.

Eight weeks and five days before last Monday, Witt started 4100 chicks, plus a few extra to take care of early losses. Monday he sold 4146 broilers for a net profit of \$562.70. Witt is shown above on the right, with Ken Loeper, center, and Eldon Reynolds, left, standing by his new broiler house. It was the first of its kind in this part of the state.

Witt has now started construction on his second 4,000-bird house and will start 8,000 baby chicks by Nov. 20. Other area farmers joining the program are William Starcher and Clyde Smith.

TESTS DAMAGE NEW MOTOR AT PLANT; REPAIRS UNDERWAY

Engineering tests on the Enterprise motor in the city light plant damaged the motor last Friday to the extent that it is now being overhauled.

It is reported that extreme heat and vibration necessitated the replacement of all cylinder heads and numerous other parts.

The tests were being run on the motor by Enterprise personnel at the time. The exact extent of the damage was not revealed, but it is reported that the Enterprise folks have concluded that the motor will not perform to the specifications of their contract with the city.

The next step in the prolonged

negotiations between the city and Enterprise has not been revealed.

LIONS START ADVANCE SALE OF LIGHT BULBS

The Spur Lions Club this week started an advance sale of light bulbs to rural folks and to business and organizations wanting large orders. The bulbs are now available at Dyess Barber Shop.

The town-wide sale of the bulbs by the club will be held Monday and Tuesday, Nov. 26 and 27. The profits from the annual sale are used for the club's sight conservation program and other community projects.

SPUR TO OBSERVE NOV. 28 AS THANKSGIVING DAY

Spur schools and businesses will observe Thanksgiving Day on Thursday, Nov. 28.

The second, or "old" Thanksgiving date has been indicated as the one most generally preferred among the businessmen and school authorities. From all reports in so far, only the Post Office and other federal government offices will close on Nov. 22.

TWO PLEA GUILTY IN JUDGE HINDMAN'S COURT

Charged with transporting beer into dry territory for the purpose of sale, Oscar Petree of Eastland, Texas, pled guilty in Judge Hindman's court on Nov. 10 and was fined \$100 and court costs.

On Nov. 12 Frank Fuentz of San Antonio pled guilty to a DWI charge and was sentenced to a fine of \$100 plus costs and three days in jail.

AMERICAN EDUCATION WEEK (An Editorial)

Yes, by official proclamation this is American Education Week. This is the week in the year that special school programs are arranged by the schools of the nation. Parents and patrons of our schools are invited to attend the schools and look in on the classes to see their schools at work. Pupils are assigned special themes and posters to call attention to the importance of education. Yes, and editorials by the score are written, read and forgotten.

But when Education Week is over we soon forget all the emphasis that was placed on it and go on our way as if nothing unusual has happened. We fail to get the true meaning of what constitutes an education. We think of it only in terms of the child and overlook the fact that education is a life process.

As adults, are we carrying on the education process in our own lives? Have we continued to improve our minds, widen our horizons and search out the great truths of life? Do we study our daily problems with open minds, not with just the aim to get an answer that suits our own immediate needs but that which will make for a better community, a better America and a better world? Have we learned to see both sides of a question and decide which side is right from the standpoint of the majority?

Ours is a rapidly changing civilization. The educated person is able to adjust himself to the changes and keep pace with modern progress. The uneducated will fall behind and be content to let progress pass him by and long for the "good old days".

American Education Week? Let us make it American Education Year, or better still, let us make it American Education Decade. Our schools are doing a wonderful job of training our children—let us educate ourselves to America, to progress, to full living for our families, our nation, and our God.

McAdoo Ginner Loses Right Arm

Billy Harris, 25, had his right arm cut off in an accident at the McAdoo gin last Saturday.

It is reported that the gauntlet on the glove worn by Harris got caught in the machinery and pulled the man toward the whirling steel. He is reported to have grabbed a large stationary pipe, causing his arm to be pulled off, but preventing his entire body from being pulled into the machinery. The arm was severed between the wrist and elbow, but doctors found it necessary to amputate just above the elbow.

He is now in a hospital in Lubbock.

Harris has worked for the McAdoo gin each fall since 1952. He lives east of McAdoo.

SEVERAL SPUR BUSINESSES TO CLOSE AT NOON FRIDAY FOR FLOYDADA GAME

Several businesses in Spur will be closed at noon tomorrow, Friday, Nov. 16, to follow the Bulldogs to Floydada. Other businesses will be open with just an abbreviated crew on duty.

Because of the holiday last Monday, and because of the nature of their business, some merchants have found it impossible to close for the game, but will, when possible, allow employees who want to, to have the afternoon off for the game.

AUTO CARAVAN TO FOLLOW BULLDOGS TO FLOYDADA

Sponsored by the Bulldog Boosters, an auto caravan will follow the Spur Bulldogs to the 2:30 p. m. football game in Floydada tomorrow.

The caravan will form at noon at the Edwards-Kelley Imp. Co. and will depart for Whirlwind territory sharply at 12:30.

Jerry Ensey, Booster president, urges and invites everyone going to the game via auto or truck to join the caravan. Additional information may be had from Ensey or Rex Holder.

UNCLE OF DICKENSITE SUCCEEDS TO HEART ATTACK

Mr. and Mrs. J. C. Reagan of Dickens received word Wednesday morning of the death of her uncle, Mr. P. Suggs, of Munday.

Suggs died suddenly of a heart attack and was the third death in the immediate family in the past year and a half.

PEP RALLY. CAR CARAVAN TO BOOST BULLDOGS FOR FINALE

By Bob Johnson

The Spur Bulldogs, strongest team in District 2-AA, have had a week's lay-off and have been using the time to get ready for Floydada. The boys are in fine shape and good spirits in preparation for the crucial game at Floydada at 2:30 tomorrow.

Here's about the way the district stacks up: If Spur, Lockney and Abernathy all three win tomorrow, there will be a three-way tie and a flip for bi-district representation. If of these three, Lockney loses, Abernathy goes to bi-district by virtue of his win over Spur. If Abernathy loses, Spur goes to bi-district since we beat Lockney. If Spur loses, Lockney goes to bi-district via their win over Abernathy. If all three lose, there will be a four-way tie for district and a flip.

Lockney plays Tahoka and Abernathy meets Post.

We're proud of the way the Bulldogs have come along this year in district play. And we will be cheering them all the way. Taking care of the middle of the line Friday afternoon will be Don Kidd and Royce Hilberry at center Jimmy Rex Holder, Kenneth Gilcrease and Dale Edwards at guards, Leslie Albin, who is a regular guard, has been out with injuries for the past three or four weeks. At the tackle slot you will find two big guys who have come a long way David Morgan and Randall Gilcrease have done a fine job. Ruben Moreno has been playing tackle quite a bit also. Ronnie Cloude, Ernest Wilson, Jennings Long and Allen Kisinger have been making the opposition look bad indeed with their heads-up ball playing. QB Ray Powell has shown that he has the stuff that leaders are made of by calling them as he sees them and doing an excellent job. We have nothing but the highest praise for a backfield which has the goods to deliver Robert Beeson, Glenn Hairgrove, James Gordon, Wayne Green and Max Gabriel have

played in the line were Dale Williamson, Lawrence Garcia, Barney Benson, Gary Scott, Jim Gabriel, Ronnie Hill, Armon Fitzgerald, Ronnie Hughes, Joe Castro, Jet Conner, Woody McArthur and Marshall Murray.

In the backfield were Bubba Bigham, Buzzy Jones, Kenneth Suitt, Travis Watson, Joe Copeland, Mike Kearney, Bobby Greer, Wayne Wright and Kent Morgan.

(Our apologies to anyone we have left out. It is purely unintentional.)

JR. HI. HAS PERFECT SEASON

The Spur junior high football squad, under the coaching eye of Coach Douglas McArthur, also finished the season undefeated here Monday night.

These youngsters chalked up wins over Tahoka twice and Post once.

PEP RALLY TOMORROW

When?—11 a. m. Friday

Where?—In front of City Drug

What?—A big down-town pep rally prior to leaving for the season's final scheduled game at Floydada.

Let's give the Bulldogs a roaring send-off and then follow them on to Floydada.

There will be a huge motor cavalcade which will leave all at the same time from Edwards-Kelley parking lot at 12:30 p. m. Game time is 2:30 p. m.

LAKE COMMITTEE TO MEET TODAY AT CROSBYTON

The board of directors and citizens' committee of the White River Water Control and Improvement District will meet at 8:30 p. m. today in Crosbyton.

Items of business on the docket include the further consideration of the engineer's contract and the work of the committee on land purchase options.

been the mainstays on offense and defense. Eddie Don Hagins, who was injured in the Post game, has been out of the line-up for two weeks, and probably will not be able to play for the remainder of the season.

The Bulldogs lost a stellar back when they lost Eddie Don. On the other hand, James Gordon has done a good job of replacing him at the fullback position.

All of these boys will be playing their hearts out for ol' Spur Hi Friday afternoon and we'll be there cheering them on to victory.

Yes, we pick Spur over Floydada by three TD's. Also, we predict Post to upset Abernathy by possibly two tallies and the Lockney Longhorns to roll over Tahoka by a comfortable margin.

B BOYS FINISH UNDEFEATED

The B team consisted this year of some fine talent which we will be seeing in years to come. They wound up the season here Monday night with a 27-13 victory over Tahoka B.

They have defeated Hamilla twice, 10-7 and 14-13. Post twice, 34-0 and 27-6; and Tahoka twice 19-7 and 27-13.

Playing in the line were Dale Williamson, Lawrence Garcia, Barney Benson, Gary Scott, Jim Gabriel, Ronnie Hill, Armon Fitzgerald, Ronnie Hughes, Joe Castro, Jet Conner, Woody McArthur and Marshall Murray.

In the backfield were Bubba Bigham, Buzzy Jones, Kenneth Suitt, Travis Watson, Joe Copeland, Mike Kearney, Bobby Greer, Wayne Wright and Kent Morgan.

TELEPHONE TALK

by J. C. Oakley, Manager

KING - SIZE TELEPHONES

Imagine your surprise if the telephone set in your home or office actually grew in size every time another telephone was added to the number you can reach with a local call!

Naturally this doesn't happen, but I brought it up to point out how much your telephone service really has grown in value in recent years.

Today you can reach more people by telephone — your friends, neighbors, and the shops and stores around town — than you have ever been able to before. This means you can run more errands, do more things by telephone.

To me, that adds up to your telephone service being a bigger value today than ever before. And I think you'll agree that it will be an even bigger value tomorrow as we continue to put more and more telephones in service in Spur.

GO HOME BY TELEPHONE

Thanksgiving, a real "family holiday," is just around the corner. And I guess we'd all like to be home to share the turkey, trimmings, and just plain "get-together" talk.

For some of us, however, it's impossible to be there in person. But you can still be a part of the family's Thanksgiving Day with a Long Distance call home.

Why not plan now to make a call and be part of the family group? The cost is low, even lower if you call Station-to-Station. And remember to call by number — it's twice as fast.

SEE YOU NEXT YEAR

No, I'm not going on a two-month vacation, but this is the last time until early 1957 that I'll be chatting with you in Telephone Talk.

This column has been running in the newspaper for about a year now. I've enjoyed talking with you this way, and I hope you've enjoyed reading about what we're doing in the telephone business. Watch for TELEPHONE TALK again next year. Meanwhile here's hoping you enjoy that Thanksgiving turkey and have a happy Christmas season.

Call by number. It's twice as fast.

Convention and Thanksgiving

The P.T.A. state convention is being held November 14-16 at Amarillo, and the local president, Mrs. Horace Wood, District Vice-President, Mr. Nunley and Mr. Allison, plan to attend.

We would that all the world could be educated about the ability to stoop so low as to go to war.

"Education is learning how to live with other people!"

Can we do this world? Unless within myself, I hold abiding peace.

No league of nations will succeed Nor will wars cease If I find every fault with kin and friend

The world will never see the time When war will end. I must school my thinking I must teach my child to think We together must be able to tolerate other people's thinking

Education can solve our problems of conflicts within ourselves and between people.

When we learn to be able to see issues and not persons, when we can discuss both sides of a question without getting our feelings into the issues, when we can resolve differences and take the workable points of view and expedite business; then we can say we are educated.

IT'S THE LAW

Henry Jones decided to sell his home for \$15,000 and when a buyer was found, the question arose as to how the buyer should finance the purchase.

Henry had a mortgage on his house, with a balance of \$10,000, and the buyer suggested that Henry permit him to take over the mortgage payments, paying Henry the difference in cash. This, argued the buyer, would save him the trouble and expense of getting a new loan himself and so Henry agreed.

Several years after the deal was closed, Henry received a letter from his bank advising that the payments on the mortgage were far in arrears and that he would have to pay or a lawsuit would be filed.

Henry was surprised to learn that he was still liable on the original obligation, and that if the property could not be sold at foreclosure to pay the mortgage balance and the costs, he would have to pay the difference.

Of course, Henry might have sued his buyer for his loss, but the chances would be that the buyer is insolvent and "judgment-proof", so that Henry could not collect a judgment against him.

When a mortgage is assumed by a purchaser of real estate, the financial institution still holds the original note which was signed by the seller. If Henry had

contacted his bank and obtained a release of liability, Henry would, of course, have been cleared of all further responsibility of the obligation.

Henry's bank, however, would have no reason to release Henry and might be reluctant to do so unless the bank's investigation disclosed that the buyer was at least as credit-worthy as Henry. The bank may also have had additional problems concerning releasing Henry from the obligation if the loan was of the FHA or GI type.

The danger of permitting an assumption of your mortgage loan may, therefore, be considerable, especially in view of the fact that real estate markets may fall after a period of years so that the real estate itself may not be of sufficient value to pay the mortgage note in the event of a default by the buyer.

DIST. PRESIDENT ADDRESSES CLUB LADIES AT FEDERATION DAY TEA

The 20th Century Study Club observed Federation Day Tuesday by entertaining the Federated Clubs of Spur with a tea at 3:30 in the education building of the Baptist Church.

An autumn theme was carried out in decorations throughout the reception rooms. Mrs. Bob Blackshear presided at the tea table. The table was laid with a brown linen cloth and decorated with a centerpiece consisting of a horn of plenty filled with colorful fruits. Tea was poured from a gold tea service and other table appointments were in gold.

Mrs. Bob Nunley played appropriate music while the guests assembled.

Mrs. L. D. Ratliff, president of the host club welcomed the guests and presented Mrs. Robert Lind-

sey of Berger, president of 7th District T.F.W.C.

Mrs. Lindsey, in her charming manner, addressed the clubs on the work of the Federation, its past accomplishments and plans for the future.

About fifty ladies heard Mrs. Lindsey and enjoyed an afternoon in fellowship with other clubs.

Preceding the tea, the 20th Century club honored Mrs. Lindsey with a one o'clock luncheon in the home of Mrs. E. S. Lee. Tables with autumn centerpieces were laid for club members and two guests, Mrs. Lindsey of Berger and Mrs. Stadden of Chicago.

A three course luncheon was served.

Club members are: Mmes. L. D. Ratliff, Clyde Bearden, O. C. Ar-

thur, Bob Blackshear, Cliff Bird,

Food Freezing Is Girard HD Topic

The Girard H. D. Club met at the home of Mrs. H. E. Witt, Wednesday, November 7.

The president, Mrs. Hugh Turner, opened the meeting. After the business was over, Mrs. C. C. Kimmell gave a program on freezing cooked food, and Mrs. Hollingshead showed how to do the drug store wrap for frozen food.

There were ten members present and refreshments of coffee, cocoa and cookies were served. The next meeting will be at Mrs. Wade Wrights, November 21 and it will be Pal Day.

Miss Wood To Show Work At Tech Art Conference Nov. 17

Beverly Wood of Spur Schools will be one of 85 art education students who will have projects and demonstrations on display during the second annual Elementary School Art Conference at Texas Tech, Saturday, Nov. 17.

Demonstrations will include work with crayons, tempera, and silk screen and block printing. Teachers, administrators, parents and any other interested in child art are invited to attend the conference, according to Bill Lockhart, associate professor of applied arts in charge of arrangements.

Jr. Harmony Club Studies Italy, Spain

The meeting of the Spur Jr. Harmony Club was called to order on November 7.

Directed by Rosalyn Lewis, the program was based on the countries of Italy and Spain. The favorite songs of these countries were used for the roll call. Lester Pearl Turbeville gave Spain's contribution of music and Lanell Marcy gave Italy's contribution and played "Santa Lucia" on the piano. Also Melvita Floyd played "Lady of Spain".

The meeting then adjourned and refreshments were served by Sharon Gregory and Mike Hoigrove. TECH HIGH SCHOOL PRESS

Possibilities of forming a West Texas High School Press Assn. will be discussed Saturday, Nov. 17 at Texas Tech when the institution holds its annual Journalism Day.

Students and teachers at 143 highschools have been invited to the one-day program, according to Wallace E. Garets, Tech journalism department head.

Each school has been asked to limit its student group to 10. Garets said, so those attending will have better opportunities to participate in discussions.

He emphasized, however, that any high school in Texas or neighboring states is invited to send a group.

The program will be built around discussions of a possible High School Press Assn. aimed at long range improvement of journalistic activities in the area plus talks with newsmen and Tech educators about current techniques and future careers.

Charles A. Guy, Lubbock Avalanche Journal editor, will deliver the principal address. Other program features will include a noon luncheon and afternoon presentation of awards to winners in

Cornett, Young To Exchange Vows Sat.

Mr. and Mrs. Newman Young of Afton announce the engagement and approaching marriage of their daughter, "Chloe Nell" to John Cornett, son of Mrs. Myrtle Cornett of Afton.

Vows will be read by Elder E. J. Norman of Childress on Nov. 17 at 5 p. m. in the home of Mr. and Mrs. J. F. Young, grandparents of the bride-to-be.

The couple both are graduates of Patton Springs High School. He finished in 1953 and she in 1955.

Jan Alexander Is TCU Club Pledge

Miss Jan Alexander, a junior student at Texas Christian University, was recently asked to become a pledge of Crescendo Club, bandwomen's sorority at TCU.

This is a petitionary chapter of Tau Beta Sigma, national honor band sorority. Members are limited to a certain number and are chosen upon qualities of leadership, initiation, interest and promotion of band work.

At Texas Christian, Jan is also a member of the T.C.U. Horned Frog Band, Business and Professional Women's Club, and So-

cie, an organization for junior and senior girls.

Miss Alexander is majoring in business education in secretarial science.

SPUR FHA CHAPTER ENTERTAINS FATHERS AT BANQUET NOV. 7

The Spur Chapter of the Future Homemakers of America had their annual Father and Daughter Banquet Wednesday, Nov. 7.

The banquet started at 8:00 by the guests and the daughters being served buffet style with a menu of fried chicken, assorted vegetables, potato salad, hot rolls, pie, ice cream and coffee.

The program for the evening was headed by an address from the chapter president, Nell Smith. This was followed by two num-

bers sung by a trio composed of Barbara Nell Foreman, Margaret Bailey, and Rita Williams. Miss Polly Pierce did a very interesting pantomime, Nancy Powell told a number of amusing jokes and Johnnie Blakey gave a piano selection.

Dwain Green, F. H. A. chapter sweetheart for '56 was a guest. The girls as well as their fathers all had a good time and are already looking forward to a repeat next year.

T. U. Reports On Effects Of Drouth

Agriculture in Texas is a combination of prosperity and paucity. The University of Texas Bureau of Business Research says in a Texas Business Review report, "Texas Farm Income: High or Dry?"

Surveying the effect of the prolonged drouth on Texas farmers and ranchers, Staff Writer, James H. Keahey reports:

Through "adjustments" (such

as irrigation, increased use of rapidly-maturing crop varieties and careful water conservation methods), farmers in many parts of the state have been able to reach "a certain degree of prosperity." Others have managed to hold their own. But there are areas where the drouth's severity has gone untempered.

Keahey says irrigation has been the principal weapon against the drouth, especially in the Panhandle-South Plains region, the Trans-Pecos area and the Lower Rio Grande Valley.

Farmers in the area north of Corpus Christi have concentrated on crop varieties that can be planted after the last freeze and still mature before summer's searing heat parches the soil.

Everywhere in the state, farmers have been forced to learn how to get the most out of what rainfall they receive, through contour planting and terracing and similar practices.

But in the northernmost High Plains, formerly one of the chief wheat-producing areas of the country, farmers have not been

Mrs. H. T. Harris, 59, Buried At Dickens

Mrs. H. T. Harris, 59, died suddenly at her home in Whiteflat about 4:30 p. m. Saturday, shortly after being brought home from the hospital at Spur, where she had been a patient for several days. She had been in ill health for a number of years. Her husband, pastor of Whiteflat Baptist Church and also the Dougherty Baptist Church, was at her bedside.

Funeral services were held at 2 p. m. Monday, at the First Baptist Church, Matador. Rev. C. W. Withrow of Quitaque conducted the services, assisted by Rev. Earl Allen of Fort Worth, and Rev. Ray Manning of Matador. Burial was in Dickens Cemetery.

Born Minnie Reynolds, November 18, 1896, in Etowah, Tenn., she was married there to H. T. Harris, March 16, 1919. They came to this area in 1929, and Rev. Harris has served several Baptist pastorates in this area.

Their son, Rev. Clifford Harris is pastor of the First Baptist Church in Tahoka, and his Choir Director, Bob Lewis, offered a solo and conducted the music for the funeral services.

Mother Of Area Pair Buried In Oklahoma

Mrs. Ella Rich, after a lingering illness of four years, died Tuesday, Nov. 13 at a rest home in Lubbock. She had made her home with a daughter, Mrs. E. D. Reeves and a son, F. E. Rich of the Jayton-Girard communities for the past several years.

Mrs. Rich is survived by six daughters: Mrs. Justine Couch of Weinert, Texas, Mrs. Donnie Price, Pharr, Texas, Mrs. Thelma Rogers, Arcadia, Cal., Mrs. Ruth Reeves, Jayton, Mrs. Fay James, Vean, Okla., and Mrs. Willie Brewer, Shamrock, Texas, and three sons: Hershel Rich of Mineral Wells, F. E. Rich of Girard and R. C. Rich of Pasadena, Texas.

She leaves three sisters: Mrs. Ada Abernathy and Mrs. Mary Brewer of Hollis, Okla., and Mrs. Florence Moats of Cisco, Texas. There are eleven grandchildren and ten great-grandchildren.

Funeral services were held at Wellington on Nov. 14. Interment at the family burial plat at Vinson, Oklahoma.

Mrs. Rich's husband preceded her in death a number of years ago.

A number of friends and relatives from Spur and adjoining communities attended the funeral.

Over 800 births a day in Texas were recorded by the Division of Vital Statistics of the Texas State Department of Health during the last biennium, September 1, 1949 to August 31, 1950, an advance look at the department's biennial report shows.

Recent rains in many areas of the state have been sufficient to germinate and start growth of dry planted winter pastures. Too, says E. M. Trew, extension pasture specialist, plantings can still be made but late planting means less grazing. He says management of the winter pastures from now on will determine to a large degree the amount of grazing which such pastures will provide. Ask your local county agent for a copy of L-258, Winter Temporary Pastures.

Brilliantly new in Beauty... Brilliantly new in Performance!

Represented above are the most significant advancements we have ever been privileged to present to the motoring public.

This is Cadillac for 1957—entirely new in design and engineering... and bringing to the world's highways a wholly new standard of motor car quality and excellence.

Cadillac's renowned stylists have created a new Cadillac beauty... majestically graceful of line... wonderfully exciting in spirit... and with a new balance of chrome and glass and steel.

Cadillac's master coachcrafters have brought a new measure of luxury to the car's interiors... with gorgeous new fabrics and leathers... with new colors and patterns... and with marvelous new appointments on every hand.

And Cadillac's world-famous engineers have introduced a sensational new concept of automotive performance... with two great new engines... with an even smoother, more responsive Hydra-Matic Drive... with greatly improved power steering and power braking... with a

revolutionary new frame design... and with a host of other vital engineering advancements.

These dramatic Cadillac achievements are being presented for 1957 in ten individual body styles, including the breath-taking Eldorado series. Each is a Cadillac masterpiece... a brilliant tribute to the men who design and build the Standard of the World.

We invite you to see... to inspect... and to drive the brilliantly new 1957 Cadillac at your very first convenience. You'll be welcome at any time.

6,000 Expected For WTS Homecoming
West Texas State chefs will have more than 6,000 mouths to feed if everyone expected for the annual Homecoming celebration shows up. The Homecoming barbecue crew, anyway, has ordered enough beef to satisfy that number, which would set a new record attendance for WT's big day. Final preparations are underway here for next Saturday (Nov. 17), when the college's ex-students are honored. More than 5,500 of them returned to visit last year, and the number has increased steadily each year. Special honors this year will go to the Class of 1931, which will observe its 25th anniversary. On Friday, class members will have a get-together at the home of Dr. R. F. Jarrett, and will have a reunion meeting Saturday morning. Highlights on Homecoming include registration at 8 a. m., the usual parade in downtown at 10:30, the famed WT barbecue at noon, a football game between the Buffaloes and Texas Western at 2 p. m., club teas, parties and smokers at 4:30, and the Homecoming dance at 8 p. m., concluding the day's activities.

CARD OF THANKS
Thanks to all the people and places of business who donated to help the Clairmont teachers after the teacherage was destroyed by fire. This aid was gratefully appreciated. May God bless each of you.
