A HOPEFUL YEAR IN SIGHT

Although Texas' drought remains unbroken, it has been eased somewhat and many farmers face their first hopeful crop prospects in years.

Not since 1931 has planting moisture been available to so many of our hard-hit farmers. Good February rains have fallen over much of the state, restoring confidence to hundreds of those who have survived the long, dry years in between.

In the lower Rio Grande Valley, where early prospects were dim and irrigation water critically low, cotton plants have begun to emerge and many farmers have with-drawn cotton acreage originally signed up under the Acreage Reserve Program.

Probably the most encouraging report of all, however, comes from the real drouth bowl which lies south of San Antonio and west of Laredo. That area has been virtually without rain for seven years, and only this year have many cotton farmers had proper planting moisture.

As a practical matter, pink boll-worm regulations which prevented cotton planting in 22 of these South Texas counties before March 5 were changed to allow farmers to take full advantage of the mid-February rains. And those who planted on the heels of the first rains were blessed by later moisture which should bring their crops up.

But even with glowing reports from these and other sections of the state we are still faced with the lasting effects of drouth hardship. Even if the drouth should end soon, and we have no assurance that it will, recovery is still

IT'S THE LAW
A PUBLIC SERVICE NOTICE
OF THE STATE BAR OF TEXAS

Watch Your Hat, Coat
The sign over the coat rack read: "Not responsible for lost or stolen articles." John glanced at it as he hung up his coat and hat and then turned to assist Jean, his wife, in taking off her fur coat. He put it on a hanger beside his own.

The two of them drifted casually down the corridor into the dining salon and were assigned to a table by the hostess. The lunch was exceptionally good and both were hungry. The minutes flew by. John glanced at his watch. "Golly, it's almost 1 o'clock. Better get going."

But when they got back to the coat rack, Jean's fur coat was gone. "I'm sorry, sir," said the manager, "but we are not responsible for lost articles. We put up the coat rack for the convenience of our patrons, but that sign you see makes you responsible for your own hat and coat. I'm awfully sorry, but we just can't watch everybody's possessions."

Sign Not Factor
The fact is that in the case of Jean's fur coat the restaurant would not have been responsible for its loss even if there had been no sign. One who takes off a garment and places it on a coat rack, as one would do in a restaurant, retains the power of surveillance and control over it himself. Ordinarily, under such circum-

stances, the operators of the restaurant have no responsibility toward the customer's belongings because they have not knowingly received the exclusive possession and dominion over them. The case would be different, however, where the coat had been delivered to an employee in a checkroom. In such event, the management probably would be responsible. So, also, in the cases where a customer checks valises with a bathing house proprietor, or with a hotel desk clerk, or leaves his automobile with the parking lot attendant to be parked and stored for him, those receiving possession of the customer's property have the duty to use proper care to see that the customer's property is returned. (This column, prepared by the State Bar of Texas, is written to inform—not to advise. No person should ever apply or interpret any law without the aid of an attorney who is fully advised concerning the facts involved, because a slight variance in facts may change the application of the law.)

AUTO DECATHLON PROVES - CHEVY'S THE CHAMPION OF THE ROAD!

Drive the car that proved its superior steering, braking, cornering, road-holding and passing ability in the world's first Auto Decathlon, a ten-way test of the driving qualities you want.

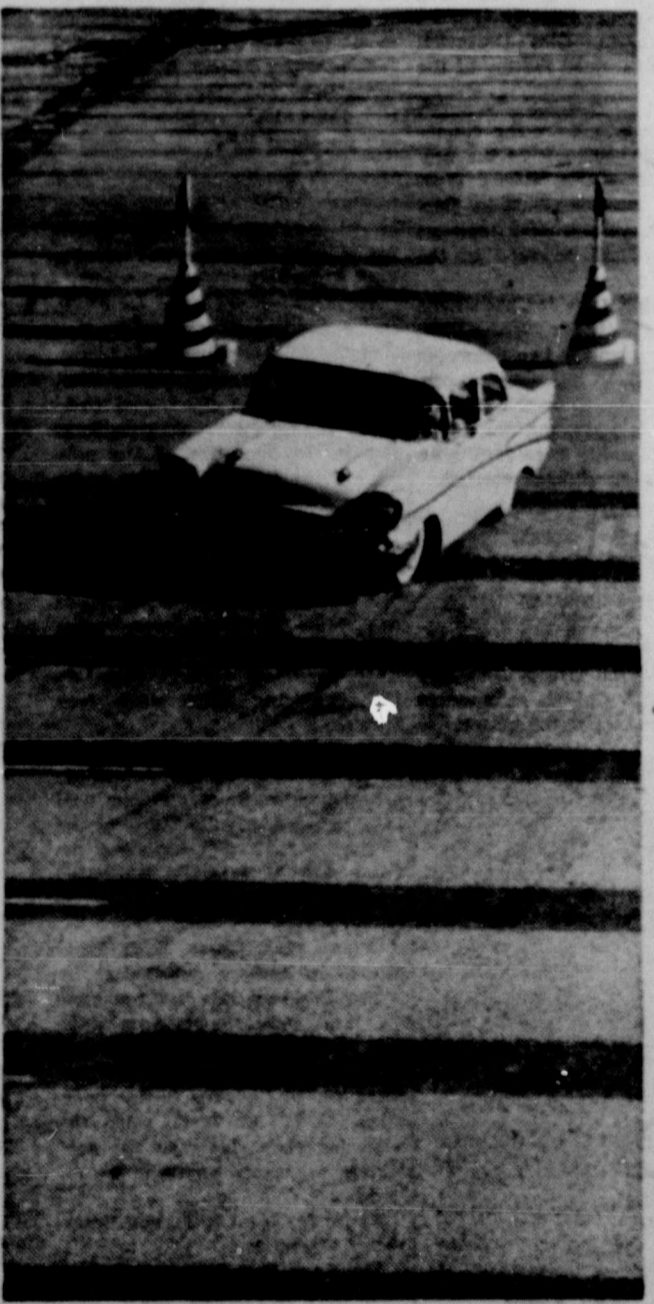

Chevy proved it's the champ in the world's first Auto Decathlon, certified by the NATA.* It showed how beautifully it handles, how quickly it recovers from emergency situations—like quick turns and stops—which can cause a car to lose its even-keel stance on the road.

Chevy waltzed through some of the roughest challenges ever laid down to measure how a car behaves when the going is tough. And it beat all other cars in its field and all the higher priced cars tested, too!

That's Chevrolet's sure and solid going for you. Come in and drive the winner!

McAdoo News

Due to the bad weather, no services were held at any churches in McAdoo Sunday morning. Only Church of Christ had services Sunday night with 14 present.

Mrs. Dove Hodges and son Jack and Pete Merritt of Brownfield spent last Saturday night with Mr. and Mrs. Claude Gregory.

Miss Opal Nickels made a business trip to Spur, Thursday.

Mr. and Mrs. Elbert Jackson, Mr. and Mrs. Ray Dickenson and Mr. and Mrs. Tommy Brantley spent the week end at Possum Kingdom, fishing.

Olin Ward, who is with the Railroad Commission, from Austin, visited in the G. G. Allen home Friday.

Mr. and Mrs. Floyd Rich of Lubbock visited Sunday night with his parents, Mr. and Mrs. E. G. Rich.

Mrs. Charlie Nickels of Dickens visited last Sunday with Mrs. Horace Nickels.

Mrs. Maggie Nickels, Mrs. Moly Harris, Roy Nickels and George Potts returned recently from a week end visit at Waco with Mr. and Mrs. Lee Johnson, Mr. and Mrs. James Todd, Mrs. Mae Byrd and Luther Potts. Mr. Johnson is a brother to Mrs. Nickels and Mrs. Harris. Mrs. Byrd and Luther, a sister and brother to Mr. Potts. Soon after the return trip,

a universal coffeemaker, as token of the love and appreciation of the members of the Church. They will move to the new church this week, we wish them God's speed in all their undertakings, and hope them much happiness and success in their new home.

Mr. and Mrs. W. I. Moore and T. H. Rigby left Saturday to attend the National Baptist Convention at Little Rock, Ark.

Mr. and Mrs. Howard Hickman entertained Friday night with a chicken fry and 42 party, honoring Bruce Allen who will leave Tuesday to return to his base at San Diego. Present were: Mr. and Mrs. John Burrow, Mr. and Mrs. Guinn Hickman, Mr. and Mrs. J. J. Griffin, Mr. and Mrs. Tad Toland, Marvin Tidwell, Mr. and Mrs. John A. Allen, Carol Ann and Bruce.

Mrs. Orvin Callihan, Paula and Brenda returned to their home at Brownfield Monday after spending the week here visiting relatives. Mr. Callihan came for them and spent the week end.

Mr. and Mrs. C. L. Harris of Lubbock and Mr. and Mrs. Vernon Morgan of Amarillo were week end visitors in the E. W. Harris home. Mr. and Mrs. Morgan were snow bound and unable to return to Amarillo until a telephone call verified roads were open, Monday afternoon.

Tuesday afternoon and night visitors in the Eldon Williams home were: Mrs. Laura Blackard of Lubbock, Mr. and Mrs. O. V. Williams, Ralls, and Mr. and Mrs. James Sharp and baby of Spur.

Mrs. Weldon Cypert visited in Ft. Worth with her son, Van and in Dallas with Mr. and Mrs. M. A. Everett, Edrie Sykes and Maxine Henderson. She accompanied Mr. and Mrs. J. B. Barton on the trip. They visited at Ft. Worth with Ann Barton and in Dallas with relatives. A grandson, Mark Holland accompanied them home after spending the week here.

V A URGES WIDOWS TO NOTICE NEW BENEFITS ACT

Three of every five widows of veterans who died of service-connected causes before January 1, 1957, may elect to receive the new payments or to continue under the old death compensation, whichever is higher.

In most cases, VA said, the new act provides for higher payments to these widows than were granted under previous laws.

Any of these widows who wish to receive the higher benefit must apply for the new compensation payments, even though they already are on VA rolls.

Application cards have been sent to 114,000 of these widows who may be eligible for increased payments, VA added.

If a widow is eligible for an increased monthly payment under the new law, VA said, such payments will be retroactive to January 1, 1957, provided she applies by July 1, 1957.

With certain exceptions, applications received after July 1 will be effective as of the day they are received, VA emphasized.

The benefit will be paid at the monthly rate of \$112 plus 12 percent of the basic monthly pay now being received by a serviceman whose rank and years of service are the same as those of the deceased veteran, VA pointed out.

Computing the benefit on the current military pay avoids inequities in the case of widows of veterans who died or were separated when military pay scales were lower than they are at present, VA explained.

Widows who make application for the new benefit, but who would receive more under old laws, will be advised by VA against the wrong choice of payment.

might be eligible for increased payments under the Survivor Benefits Act, VA said.

Advice about applying for the new benefit is available at any VA office.

UN Aids Handicapped in India

Françoise Lamote is one of three UN experts who are helping to develop a center in Bombay, India, for rehabilitation of the handicapped. She looks on as a patient works at a weaving frame to condition his crippled limb for an artificial appliance. The World Veterans' Federation is also assisting the government project.

ASPHALT PROTECTS POSTS FROM MOISTURE DAGAGE

Wood posts that will rest on concrete, masonry, or other wood can be protected from dampness by cementing a piece of asphalt roofing to the bottom of the post.

The asphalt, best waterproofing agent known to man, keeps water from being absorbed by the porous end grain of the wood.

Another "waterproofing" problem—condensation on the floors of houses built over crawl spaces—has been eliminated by the heavier asphalt roll roofings. This material is laid on the ground beneath the crawl space and prevents moisture from rising out of the ground into the house.

"All men want to succeed, but some want to so much that they're willing to work for it." —Ham Park.

Recent Bride Feted At Shower

A miscellaneous shower was given in honor of Mrs. Jackie Dee Williamson nee Vada Smith, by the WMU of the Bethel Baptist Church at the home of Mrs. Victor Jackson, Saturday, March 16, from 6:00 to 9:30 P. M. The YWA's served as hostess and Miss Glenna Jones served at the Bride's Book. The table was covered with lace over blue; blue candles were used to carry out the favorite colors of the bride. Refreshments were served from a beautiful cut glass punch bowl. Peach blossoms and other spring flowers were the delight of the guests of the evening.

Mrs. Williamson was the president of the YWA's and a student of Spur High School. Mr. Williamson was also a student of Spur High School. Mr. Williamson was also a student of Spur High School. Many beautiful and useful gifts were given with good wishes. The couple are making their home in Lubbock, Texas at 1921 6th Apt. B.

Eddins Is Speaker For 1933 Study Club

The 1933 Study Club met at the home of its president, Mrs. Everett McArthur on Tuesday afternoon, March 19, for its regular meeting. Mrs. O. E. Barnett was leader for the afternoon program on "Driver Re-Education". Jim Eddins, instructor for the driver education course given in the local high school, was guest speaker with Deputy Sheriff Way-

Concert Plans Made By Harmony Club

The Spur Harmony Club met Tuesday evening in the home of Mrs. Adrian Rickels. The main topic of business was plans for a concert presenting Mrs. Ernestine Meadows, to be held April 7. Following the singing of the club's hymn of the month, "All Hail the Power of Jesus Name", Miss Lanette Marcy sang "Homing", a selection with which she won first in a recent contest. She was accompanied by Miss Rozelle Marcy.

Mrs. C. L. Berry discussed Edward A. McDowell and one of his compositions, "To A Wild Rose" was played on the piano by Mrs. Judon Rickels. Mrs. Bob Nunley reviewed the life of Rudolph Friml and Mrs. W. F. Gilbert played his "Moon Dawn". Mrs. George Gabriel, accompanied by Mrs. Madge Carlisle, sang "At Dawning". Miss Elaine Moore sang "Donkey Serenade" accompanied by her mother, Mrs. Jack Moore. Mrs. Mae Steele presented "Amoreuse" as a piano solo.

SPUR SCHOOLS SCHEDULE

Mr. and Mrs. Clarence Phipps Observe Golden Wedding Anniversary in Oklahoma

Mr. and Mrs. Clarence Phipps, former residents of Girard, Texas, and long-time residents of West Texas, were honored at their home at 806-S.W. 50 St., Oklahoma City, in celebration of their Golden Wedding Anniversary.

Mr. and Mrs. Phipps were married on March 17, 1907, at Decker, Nolan Co., Texas, and have spent most of their married life near Spur and in West Texas. They moved to their present address in later years.

With an open house marking the occasion, approximately 175 guests were registered by Mrs. Clifford Phipps and Mrs. Melvin Phipps. Mmes. Ward Fincher and Barton presided at the wedding table which was appointed by a three tiered white and gold cake, golden floral arrangement and crystal.

The anniversary celebration marked 50 years of health and happiness for Mr. and Mrs. Phipps and their family, for all of the 8 children were present in good spirits and health and also 16 grandchildren and 1 great grandchild.

The 8 children present were 2 sons, Melvin of Oklahoma City and Clifford of Noble, Oklahoma; 6 daughters, Mrs. Grace Fincher, Girard, Texas; Mrs. Ruth Ward, Mrs. Emma Lou Waddell and Mrs. Verdi Mae Armes, all of Oklahoma City; Mrs. Sybil Barton of Noble and Mrs. Anna Hunnicutt of Lubbock, Texas.

HOSPITAL NOTES

Franklin Ann was born to Mr. and Mrs. Colleen Roy Reese of Lamesa, on March 26 at 6:43 a. m. The girl weighed 6 lbs. 8 ozs.

Doyle was born to Mr. and Mrs. Chester Wells of Clairemont, Texas, on March 23 at 2:45 a. m. He weighed 8 lbs. 4 ozs.

ADMITTED
3-21, Tomosa Lee, Clairemont; 3-22, Foy Vernon, Spur; 3-22, Brenda Rodgers, Spur; 3-22, Larry Harris, Spur; 3-23, Mrs. Wilson Hagins, Spur.

DISCHARGED
3-23, Tomosa Lee, 3-23, Foy Vernon; 3-25, Brenda Rodgers; 3-26, Mrs. Wilson Hagins.

Soldier Mountain Home Demonstration Club made us 14 glove wrappers; 12 glove cases; 6 small wrappers and 6 large wrappers this past week. These were really needed and we certainly appreciate it. This club has taken the hospital as their project this year and they are sewing and mending for us. Thanks to all of you. We really appreciate it.

The Culpepper Baptist Women Circle are still bringing us wash rags. This week they gave us 20 more. Thanks.

Don's Texaco Service Station is giving our patients the Lubbock Avalanche Journal each day.

The papers are enjoyed by all and it is a very thoughtful gift. The Golden Age Circle of the Methodist church gave us two dozen towels this week. They were certainly needed and appreciated. Thanks.

Mrs. Johnson Hosts Espuela H D Club

The Espuela Home Demonstration Club met March 21 in the home of Mrs. T. A. Johnson. A song, "Open Mine Eyes", was led by Mrs. Jim Barron and Mrs. Pearl Morgan read a poem for the opening exercise.

The program was on "Safety". Mrs. Johnson gave a report on Farm Safety and Mrs. Alton Delisle suggested ways to Make Your Home Safe. Mrs. Bob Dixon told how to Drive Safer on the Highways.

A game of Bingo was played for recreation. Refreshments were served to Mmes. W. E. Ball, Dixon, G. L. Delisle, Alton Delisle, Toby Collett, Don Ramsey, Barron, John K. Johnson, D. I. Loe, Harold Karr, Pearl Morgan, Dewey James, a new member, and Larry Morton, a visitor, and Johnson. The next meeting will be April 4 in the home of Mrs. Loe. The program will be on "Gardening".

LIBRARY NOTES

The library committee wishes to thank members of the 20TH Century Study Club for the new book, "Through the Years", by Spikes and Ellis. There are other new books in the library. Some new dog books and horse books are especially good.

April Draft Quota Is 661

The state quota for Texas draft boards in April calls for 661 men, Colonel Morris S. Schwartz, state Selective Service director, said Thursday.

The state's April call of 661 compares with a quota of 715 for March and 695 for February. The April call is the state's share of a national call for 13,000 men. National call for March is 14,000.

At the same time he announced the April quota for induction, Colonel Schwartz also said that an April call would be issued for pre-induction examination of about 3,500 men.

Almost all the local boards in the state will share in this quota. There are a few boards which do not need to have additional men examined at this time, Colonel Schwartz said.

Local board quotas for April induction and pre-induction examination are scheduled to be mailed from state Selective Service headquarters in Austin on

Texas Crime Up in 1956

Crime in Texas during 1956 gained 11.8 per cent over the preceding year according to Col. Homer Garrison, Jr., director of the Texas Department of Public Safety.

The increase was attributed mainly to urban areas where a 14.4 per cent net increase in crime was shown during 1956 in comparison with the records for 1955. Rural area crimes were up only 2.6 per cent.

The figures compiled by the Department's Statistical Division and the Bureau of Identification and Records point out that crimes of violence against the person were down with actually a decrease in comparison with the preceding year.

On a statewide basis, including urban and rural areas, murder and homicide was down 13.7 per cent, rape was down 11.1 per cent and aggravated assault was down 4.7 per cent.

The rural areas showed a crime decrease in all divisions except two—theft with an increase of 9.2 per cent and burglary with an increase of 1.1 per cent over the preceding year. Urban areas were up in four divisions, but down in violence against the person.

Garrison said the crime rate for Texas compares favorably with that for the entire nation.

"Compared with crime statistics for the first six months of 1956 given in the Uniform Crime Reports for the United States, crime in the entire nation was up 14.4 per cent.

During that same period crime in Texas was up only 9.8 per cent.

Roy Hilliard and family are on a vacation trip in Brady, the past week.

Miss Nauta Faye Connally of Fort Worth visited her parents, Mr. and Mrs. B. H. Connally, also her brother, D. P. Connally and family, last week.

I. L. Meet Set For April 12, 13

Representatives of 161 schools will compete in the Region I Interscholastic League Meet April 12-13 at Texas Tech.

That's 21 more schools than were represented in last year's Meet, according to Dr. P. Merville Larson, Tech professor in charge of arrangements.

More than 2,000 students will compete in literary, speech, mathematics and athletics contests. Each will be a winner in contests held in one of the Region's 27 districts.

Contestants will vie in one of three conferences—AA, A, or B—based on school enrollments.

First event will be tennis, which will get under way at 8:45 a. m. Friday, April 12, on courts near the Tech gym. Golf will start at 9 a. m. at Lubbock Country Club, track and field preliminaries at 1 p. m. on the Tech track, and one-act plays at 1 p. m. in the Tech Speech Building and at 3:30 p. m. in J. T. Hutchinson Junior High School.

Other events are scheduled Saturday, April 13. Finals in track and field, golf, and tennis will be held that afternoon.

Trophies or medals will be awarded regional winners, who will be eligible to compete in the State Meet May 2-4 in Austin.

Region I is made up of Panhandle, South Plains, and West Texas areas.

Girl Scouts

A New Brownie Troop

Activities were started for the organization of Troop XII. Mothers of girls interested in becoming Brownie Scouts met at 4:30 p. m. Monday March 25 and accepted responsibilities for active troop developments. At present, plans are being made to have the first meeting of Brownies of the third grade in school on Tuesday, April 2.

Rabies in bats have been reported in 15 different states.

Velma Watson Hosts Exchange Club

The Exchange Club met with Velma Watson, Wednesday, March 20.

The meeting was called to order by the president. New officers were elected as follows:

Vera Roberson, president; Bertha Carlisle, vice-president; and Nell Scott, sec-treasurer.

Each member wore spring hats which they had designed. The hats were voted on and Janie Cash won the prize. Games directed by the hostess and Bobbie Connally were enjoyed by 15 members and four visitors.

Mrs. Stubbs, Bobbie Connally, her little son, John Howard and Hershel Roberson were the visitors.

At the close of the meeting, refreshments of lemon pie and coffee were served.

The club will meet again on April 3 with Vera Roberson for an installation luncheon.

"It's all right to hold a conversation, but you should let go of it now and then." —Richard Armour.

CARD OF THANKS

We wish to express our thanks to everyone who helped in any way during our time of sorrow. Especially do we thank the telephone operators and our pastor. We sincerely appreciate and will never forget the words of comfort, the flowers, the food and the other acts of kindness.

Mrs. Nora Lahman
 Mr. and Mrs. B. H. McCulloch
 Reid Bogd and family
 Mr. and Mrs. B. M. Norman and family

Signs of the Times: In the window of a department store— "If you need it, we have it." In the window of another store across the street— "If we don't have it, you don't need it!"

Manure composted for less than two years should never be used on pastures, warns the American Veterinary Medical Association.

Kaiser Aluminum Welded - Clad Irrigation Pipe

We are proud, here at Garner's, to offer our customers Kaiser Aluminum Welded-Clad Irrigation Pipe because it has proven to be superior SEVEN WAYS!

- Greatest Bursting Strength of them all! Actually mill tested at 350 pounds per square inch.
- Greatest Torque Resistance of them all! It will resist twisting pressures as great as 9,800 inch pounds.
- Greatest Dent Resistance of them all! Maximum strength at every point of its circumference.
- Greatest Permanent Set Resistance of them all! A major benefit on hilly terrain or uneven soils where bent pipe would impede portability.
- Greatest weight advantage of them all! The lightest! Permits more extensive use of portable systems.
- Superior Crusting Resistance provides superior protection against crushing by animals, trucks or field equipment.
- SUPERIOR CORROSION RESISTANCE! Yes, new welded-clad irrigation pipe is today's most effective answer to unusual corrosion problems. You pay no more for Kaiser Aluminum Welded-Clad Pipe... and you get that extra corrosion resistance!

Have your irrigation system custom made right here in Spur! We furnish everything from the test hole to the flow pipe or sprinkler head. See us first for repairs, service, fittings, pipe, or complete systems.

DOUBLE SCOTTIE STAMPS ON TUESDAY

Highway Community News . .

Mrs. Buster Thomason of Hereford gave birth to a baby girl March 21 and it died a few hours later. The baby was brought to Spur for burial and paternal grandparents are Mr. and Mrs. Earl Thomason. Mrs. Earl Thomason and two children went to Hereford after the funeral, and were caught in the snow storm and had to stay in Hereford until Monday night.

Mr. and Mrs. Darrell Thomason and children and Mr. and Mrs. Jerry Thomason and baby came down from Hereford for the funeral of the Thomason baby and had car trouble so were here during the snow storm at Hereford and returned to their home Tuesday.

A few braved the Sunday morning wind and snow to attend church services but night services were called off for that one night.

The ladies Bible class met last Thursday in the church and Mrs. Henry Slack of White River co-

munity was a guest of Mrs. Donnie Pace that day, and visited our class. The Slacks and Paces went to hear the Stamps quartet that night.

Mrs. Tree, Mrs. Jimmie Hahn, Mrs. Forrest Martin, Mrs. Kelsey Putman and Lois went together and heard the Stamps quartet in Spur, Thursday night. The men went to Mrs. Hahn's home and played dominoes.

The church yard was improved recently when the county maintenance men bladed the humps of dirt down and smoothed the yard.

Harry Martin and son, Harry Bob of Hamlin came Saturday morning to finish their plowing but the weather was so bad they had to quit at noon and return to Hamlin. Harry reports there's an epidemic of flu in the Hamlin schools, and there was talk of closing the school if it wasn't better by Monday.

Mrs. Bob Greer visited Mrs.

Forrest Martin Monday evening. Mrs. Martin was ill for three days.

Bobbie Greer went to Abilene with an FFA judging team Monday.

Pat Smith of Spur spent Monday night with Nelda Hahn. Mrs. Bill Rucker visited Mrs. Jimmie Hahn Monday evening.

"Never try to change a woman's opinion—even if you can figure out what it is." —H. C. Diefenbach.

WINDING UP PLANS for the Humble Oil & Refining company to support the Texas 4-H Tractor program for 1957 are (from left) W. I. Glass, state agriculture agent, Texas A. & M. College; J. W. Austin, manager, Humble Wholesale Sales; Kenneth M. Anderson, associate director, National Committee on Boys and Girls Club Work, Chicago. Humble will provide awards for 4-H members and will cooperate with the Extension Service in tractor events.

Humble Aids 4-H Tractor Project

The Texas 4-H Tractor program has a new sponsor of awards for 1957, according to an announcement made by Texas A. & M. College. The Humble Oil & Refining Company of Houston will furnish awards, educational materials, and technical assistance for conducting the tractor project in cooperation with the Extension Service.

The top national award for 4-Hers this year will be a \$400 college scholarship, an increase of \$100 over last year. The state winner will receive an all-expense trip to the National 4-H Club Congress in Chicago next December, while county champions will get a handsome gold-filled medal of honor.

In addition to furthering the objectives of the program which are based on safe and efficient tractor operation emphasizing care—not repair, Humble will cooperate with the Extension Service in special events such as district and state 4-H operator contests. A gold watch will be given to the top three winners, and \$20 in cash to each of the 12 district winners.

Highly important to the success of the program are the tractor clinics in which Humble will

SPUR SCHOOL MENUS April 1-3

MONDAY
Vegetable-beef stew, green beans, sour pickles, rice pudding, sliced pineapple, milk, bread.

TUESDAY

WEDNESDAY
Ranch style beans, seasoned spinach, whole kernel corn, jello, cookies, corn bread, onions, milk.

THURSDAY

Hamburgers, potato chips, English peas, grapefruit, iced cake, milk.

FRIDAY
Lima beans, kraut and weiners, sliced lettuce, apricot pie, corn muffins, milk.

Best insect repellent yet will be put on the market this spring. A product of agricultural research, the new repellent successfully defends against attacks by mosquitoes, chiggers, ticks, fleas and biting flies. The repellent, an organic chemical called diethyl toluamide, will provide long-lasting protection for outdoor laborers and sportsmen. Its pleasant lotion feel recommends it to picnickers and backyard gardeners.

One of its best features is that it can be used to impregnate fabrics, and can even be applied in dry cleaning processes. As a matter of fact, it is even more effective when applied to trouser cuffs or stockings than directly to ankles. Not only is it more effective, but the new diethyl toluamide repellent lasts longer, giving protection for several hours.

Ag. Dept. Is 50 Years Old

The Texas Department of Agriculture is 50 years old this month. Voted into existence by the Texas Legislature in January of 1907 to become operative in March of that year, the original agency had four employees whose duty was nothing more than to organize farmers' institutes over the state to keep alive agricultural interests.

Future sessions of the legislation broadened the scope of activities and established greater powers for the protection and furtherance of Texas agriculture. Today, 50 years after its inception as a bureau of limited function, the Texas Department of Agriculture is a major state agency charged with the administration of agricultural laws and providing services to all Texans through its many and varied duties.

To carry out the numerous important tasks of the Department there are now some 140 employees with the Commissioner of Agriculture as head. Briefly, the Texas Department of Agriculture serves to keep open the channels of trade within and without the state for Texas farm products. It promotes, fosters and encourages expansion of Texas agricultural industry through recognized inspection procedures such as quarantine control measures against certain plant diseases and pests; makes available to farmers and seedsmen better planting seed, both registered and certified; protects the entire public through inspection services from fraudulent and dishonest weighing and measuring devices; prevents operation of improper nursery, floral and other agricultural businesses through licensing registration and inspection; provides market news reports of primary benefit to the farmer; and expands and develops better markets for Texas agricultural products.

It is the only major state agency established by statute and is one of the few independent farm agencies remaining in the United States. Through reorganization plans carried out in the last few years, the Texas Department of Agriculture has become more self-sustaining in order to provide more services to more Texans at less general cost than at any time in its entire 50-year history.

Texas egg prices, already below 1956 price levels, will continue to sell cheap through the spring, but are expected to begin a market increase by mid-summer. By early fall, egg raisers should be getting prices well above 1956 levels.

An epizootic of hog cholera was controlled in Germany by mass vaccination with crystal violet vaccine, U. S. veterinary authorities report.

Lymphomatosis among chickens caused 14.5 per cent of all deaths in this poultry species and cost \$73 millions in chicken losses.

George W. Pfeifferberger, Executive Vice-President of the PCG, made a report on past activities of the organization during its first year and outlined plans ahead for 1957. Treasurer Elms made a financial report which showed the total assets of the organization to be \$168,253.76.

President Fortenberry presided at the annual meeting and presented Cong. Whitten with a Western hat after Whitten's address. President Fortenberry also made his annual report.

Easter Seal Appeal Opens

A sure sign of spring is the opening this week of the 1957 Easter Seal Appeal in Texas and the nation.

Spring's harbingers — Easter Easter Seals decorated this year with lilies and tulips — cascaded into the mails this week for delivery to more than 36 1/2 million American homes.

In Texas alone, this year's mailing will reach into a million homes, according to Euclid Hudson, president of the Texas Society for Crippled Children and Adults and 1957 Easter campaign chairman for Texas. Seeking support for the continuation and expansion of Easter Seal services for crippled children and adults, the Appeal, conducted by the National Society for Crippled Children and Adults and its 1,655 affiliated local groups in all states and territories will continue through Easter Sunday, April 21.

"Every American will have the opportunity to help crippled children this year," Hudson said. "In the real spirit of Easter—and of spring—we hope for the greatest

outpouring of support from the public in the history of the Easter Seal Society.

"It is important that this should be the greatest campaign, for although medicine has overcome some of childhood's important crippling accidents, are on the increase and, with our rapidly expanding population, the number of children crippled at birth increases correspondingly.

"Fortunately in our democratic way of life each of us can help one of these crippled children to overcome his particular crippling condition through our own gift of a very small portion of our money. Each of us can know with certainty that our dollars have given a crippled child a chance at a full life, when we give to Easter Seals."

The 1957 Easter Seal Appeal seeks funds to support a \$15 million program of care and treatment services for crippled children. Hudson said that the Texas goal is \$300,000.

"The graduated tax provisions of the income tax laws are a direct application of that clause in the Communist Manifesto which aims at the confiscation of all property through the use of just such a tax." —NAM President Ernest G. Swigert.

Auto Inspections Due By April 15

Only two-thirds of the total number of vehicle owners in Texas have received their 1957 vehicle inspection stickers, Col. Homer Garrison, Jr., director of the Texas Department of Public Safety said today. He warned against the last minute rush at inspection stations at the close of the inspection period April 15.

"Of the more than four million vehicle owners in Texas only about 2,500,000 have had their cars, trucks and other vehicles inspected, leaving more than 1,000,000 to act within the remaining three weeks."

The state police director reminded motorists of the impending

deadline with a note of concern. He suggested that automobile owners visit a near-by inspection station now before inspection lines become too long and they suffer an undue loss of time and effort.

In commenting generally on the inspection program Col. Garrison said the correction of mechanical defects in vehicles operated upon our state highways plays a substantial part in preventing traffic accidents.

Grasshoppers will be with Texas again this summer, although if rainfall continues over West Texas and the Panhandle where most damage occurs, the threat will be lessened somewhat. Last year's bumper grasshopper crop was largely due to severe drought conditions, which always aggravate the hopper menace.

EXTRA SAVINGS!

Are In Store For You

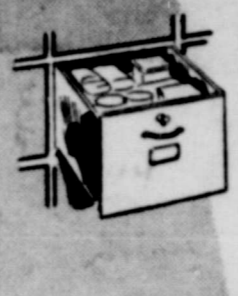

EXTRA SAVINGS . . .

IF YOU HAVE A HOME FREEZER you can lower your food bill up to 20% by stocking it with meat from our frozen food center. How? Because you can get meat at wholesale quantity prices. This omits the high mark-ups you would pay if you bought at retail prices.

EXTRA SAVINGS . . .

IF YOU RENT A LOCKER and purchase your meat, you can save money by buying it in quantity by the quarter, side, or whole cut just as the home freezer owner would. If you raise your own meat, put it in your locker and save even more. You can fill all your frozen food needs at our locker plant.

100 Pontiacs FREE!

TO PROVE TO YOU WHAT THE EXPERTS ALREADY KNOW ABOUT AMERICA'S NUMBER 1 ROAD CAR!

Drive the Champ!

First the automotive writers said, "Keep your eye on Pontiac... this one's a sleeper!" Then the California Highway Patrol chose Pontiac after three days of grueling competitive tests of six of America's top performers. Next, in the top stock car event of the year, NASCAR's 160-mile Daytona Grand National, Pontiac outperformed everything on the beach including super-charged and fuel injection cars!

NOW IT'S YOUR TURN—Slip into that roomy driver's seat. Gently nudge the accelerator and feel Pontiac's barrel-chested 347 cu. in. Strato-Streak V-8 go into action. Put its instant response and Precision-Touch Control to a traffic test. Choose your own rough stretch and feel it disappear under Pontiac's Level-Line Ride. Then head for the open road and give that deep-breathing power plant a chance to show its mettle in the fresh open air. Man—you've got a champ on your hands for sure! And to make it even more fun—there's a chance to win a free Pontiac! Just follow the instructions at the right—you may be a winning driver!

HERE'S ALL YOU DO!

- 1 Go to your nearest authorized Pontiac dealer during April and test drive the 1957 Pontiac.
- 2 Fill out the official entry blank and deposit it with your dealer. That's all there is to it!

SUBJECT TO LOCAL, STATE AND FEDERAL REGULATIONS.

"DAYTONA GRAND NATIONAL CHAMP!"
A stock 317-h.p. Pontiac with Tri-Power Carburetion—extra-cost option on any model—beat all competing cars regardless of size, power or price in the biggest stock car competition of the year!

The Court reserves the right to accept or reject any or all bids.
W. H. HINDMAN
County Judge

CARD OF THANKS

We wish to express our thanks and heartfelt appreciation to our friends and neighbors who have so graciously brought food, flowers and kind words during the long illness and the death of our loved one.
The family of Mrs. Willie L. Smith

CARD OF THANKS
We wish to take this means to thank our many friends for all the acts of kindness rendered during our time of bereavement at the passing of our aunt, Sarah Perkins.
Mr. and Mrs. R. F. Harrell

Now you can have, frozen in Paris and flown across, lamb in white wine, veal sautee in champagne, trout in champagne and cream sauce, and beef mullin in beer. (Hamburgers, anyone?)

Ten different species of disease carrying insects have now developed immunity to insecticides which used to kill them.

REMOVE WAX TO BRIGHTEN FLOOR

A complete refinishing is not always necessary when limited areas of floors become dingy. Often the smudge is caused by dirt imbedded in the wax. The floor boards may be in good shape.

In this case, the wax and dirt can be removed by a petroleum base solvent. A fresh coat of wax will be needed after cleaning.

We owe a great deal to our Government. The question is, how are we ever going to get the money to pay it?
