## Eight Clubs Form Local Leagues; Play Due To Get Underway June 13

**By Jimmy Jones**  
Little league and Pony league managers met with the baseball commissioners and official umpire Bob Nunley Monday night at the high school and selected players for eight clubs from the player pool.  
Managers drew for order of selection then drew one player each in rotation until all players were drawn. Teams appear to be fairly balanced.  
Practice sessions have been scheduled by most managers, and players are requested to attend these sessions.  
A list of donors to the Baseball League Fund appeared in the columns of this paper last week. But, more contributions have been received and still more have expressed a desire to donate. Therefore, if you wish to contribute to this fund, contact one of the commissioners or Joe Harrison, at the Texas Spur.

The league will put the contribution to good use, if not immediately, in the near future. The league is being set up as a permanent organization.  
Get your boy to practice, and weather permitting—had weather has already delayed the opening of the season—the season should get underway Thursday, June 13th.  
Two games will be played in each league on Tuesday and Thursday nights. Game time for the Little league will be 7 p.m.; Pony league games are scheduled to begin at 9 p.m.  
A complete schedule is being prepared, but at press time it was incomplete.  
There is still work to be done on the field to assure a June 13th opening. Anyone interested is invited to help.  
Following are the managers and rosters from both leagues:

**LITTLE LEAGUE**  
Manager, Arner Watson. Players: D. Yoakum, C. Rainbolt, B. Hahn, Charles Fisher, Ronnie Phillips, Bob Gannon, Arlen Karr, Sam Bealy, Junior Whitehead, Mike McNeese, Mike Thomas.  
Manager, Billy Hoover. Players: Alex Castro, Ricky Ball, Roy Hindman, Charles Sullivan.

## Boys Available For Cleaning Up

Mayor Reese McNeill reports that the wet, muddy weather has greatly hindered the city's planned clean-up this week. However, since the rain stopped Tuesday many private citizens have made headway on weed crops and have made a showing on residential properties.  
Bill Gregory, working with alderman Rex Holder, has a crew of high school boys working around town and really doing a good job. These youths are available by contacting the city hall or Gregory on a 60c-per-hour basis. Gregory states that they will do any kind of yard work, weed cropping, tree removing, or just about anything that will improve the appearance, sanitation and insect control in Spur.  
An example of their work can be seen at the Girl Scout Little House where Wednesday morning the weeds were literally head-high.  
The city plans to continue with its clean-up efforts and street work as the town dries out from recent rains.

## PEACE OFFICERS, FAMILIES ENJOY FISH FRY HERE

Local and area peace officers and their families and guests enjoyed a fish fry Tuesday evening at the American Legion Hut. Approximately 40 attended.  
Game Warden Cecil Fox was chief fish fryer, assisted by Sheriff Cleo Rogers. Mrs. O. R. Cloude assisted in the meal preparation and recruited the necessary salads, beans, cakes, etc.  
Following the meal the group saw wildlife films shown by Horace Wood.

## VBS Starts Monday At Church of Christ

The annual Vacation Bible School at the Spur Church of Christ will get underway Monday, June 10 and continue through Friday, June 14.  
Morning classes will be held for all age groups, including adults. These classes will be from 9 to 11 a. m.  
Each evening during the week illustrated lectures will be conducted by Mid McKnight of Plainview. These lectures are set for 8 to 9:30 p. m.  
"You are cordially invited to attend these classes," states McKnight.

## Enterprise, City Agree On Terms Of Settlement

The City of Spur and Enterprise have reached a definite and confirmed agreement to settle on the Enterprise motor in the city light plant.  
Mayor Reese McNeill reports that the City has received the confirmation from the California firm. Enterprise has agreed to remove the motor, return the money the City has paid on the motor, and pay the City an additional \$4,500.00 damages.  
The mayor also states that all law suits and other legal actions pertaining to the deal have been quashed.

## Wheat Farmers To Vote June 20

Dickens County wheat farmers go to the polls on Thursday, June 20 to vote on the wheat marketing quotas. W. W. Gunn, county ASC officer manager, urges all eligible farmers to vote in this wheat referendum election.  
Voting places in "A" community will be the McAdoo and Afton gin offices, in "B" community at the county agent's office in Dickens and the Croton store, and in "C" community at the ASC office in Spur.  
Gunn stresses that the marketing controls must carry by a two-thirds majority of the ones voting. He stresses that this does not affect acreage allotments.

## New Girl Scout Troup Organized

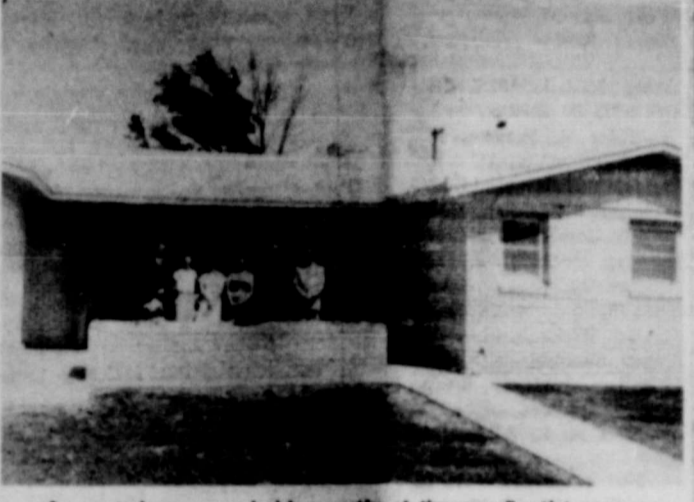

Members of the Girl Scout council met with mothers of girls in Dickens who wish to become Brownie Scouts on Friday May 31 and on Monday June 3.  
Much interest and enthusiasm was expressed.  
Mothers of fifteen girls attended the organized meetings with Mrs. Winnie Mae Wyatt volunteering to serve as leader and Mrs. Jackson as assistant.  
Plans were made to meet on Wednesdays at 4:30 p. m. with a complete list of committee members and Brownie Scouts being published after the first meeting on June 12.

## Spur Buyers Attend Market

Spur's stores that handle ready-to-wear sent their buyers to the Greater Dallas Fashion Market's Fall and Back To School market week, May 26-31.  
Exhibits were shown in the Adolphus, Baker and Dallas hotels and in the merchandise mart.  
Those attending were: Mrs. Lucille Vernon of Dunlap's, Mrs. James B. Reed and Mrs. C. E. Proctor of Proctors, Mrs. George Gabriel and Mrs. C. P. Scudder of Gabriels and Mrs. Fay Garner of Fay's Fashions.

## SCALES WESTERN STORE OPENS LIQUIDATION SALE

Bill Simpson, manager of the Scales Western Store in Spur, announces that a store-wide "Liquidation Sale" will get underway Friday morning.  
Simpson states that every item in the western store is to be offered at greatly reduced prices so that the stock can be liquidated and the Scales estate settled.

An open house was held recently at the new Baptist parsonage, 615 N. Williard.  
During the course of the afternoon, a brief dedication service was held. Members of the house party shown left to right, are: George Stanford, George Gabriel, Sammy Scifres, Mickey Fugitt, J. R. Whitmire, Sherry Fugitt, Mrs. Riley Fugitt, Rev. Fugitt, Claude Barclay, Clyde Bearden and H. M. Allison.

## Grand Jury Returns Four Indictments

The grand jury of Dickens County returned four indictments as it met in the court house on Friday, May 24.  
Leonard Leroy Thomas was indicted for forgery. F. C. Shackelford was indicted for defrauding with a worthless check. Al Moore was charged for forgery.  
Doyle Summers was indicted for theft of property valued more than \$50.

## Last Rites Held For Alice Lenora Tollison

Alice Lenora Tollison died on May 22, 1957.  
Mrs. Tollison was born January 30, 187 at West Station, Mississippi and came to Texas at the age of eight years.  
She was converted at an early age and joined the Church of Christ.  
She was married to H. G. Tollison in 1894 in Fannin county and moved to Dickens county in 1949.  
Mrs. Tollison leaves to survive her three daughters, Mrs. Lee Martin of Spur, Mrs. Irene Thorp of Lubbock and Mrs. Bertha Johnson of New Orleans. Five sons, Ester, Vernon, Henry and Horace Okmugle all of Oklahoma and Clarence of Anarillo, Texas. Two brothers, Tom Richardson, Wolf City, Texas, and Sam Richardson of Midfield, Texas.  
Thirty eight grand children, sixty great-grand children and nineteen great-great-grand children also survive.  
Funeral services were held at the Spur Church of Christ at 10 o'clock a. m., May 24, with C. V. Allen officiating.  
Interment was made in Lubbock Tech Memorial cemetery with Campbell's in charge.

## Mr. & Mrs. Marsh Attend Graduation

Mr. and Mrs. J. A. Marsh attended the graduation of their youngest daughter and her husband, Mr. and Mrs. Alton Barker, at the Pan-American College of Edinburg, Tex.  
Mrs. Barker is the former Mary Lou Marsh.

## Splashes! News From Spur Swimming Pool

Summer time is here even though the weather man doesn't agree, and summer time is swimming time.  
The pool opened on June 3 as scheduled despite the rainy weather. Considering the prevailing weather conditions, attendance has been fair. Seems like a lot of people in Spur like to swim whether the sun is shining or not.  
Swimming lessons will be offered again this year if enough people want them. For further information phone 28 after 2 o'clock.  
Are you planning a party and want to have something different? Simple! Have a swimming party! You can reserve the pool for any night of the week from 8 to 10. Everyone likes to swim, so your guests will enjoy themselves and you will have a successful party. Phone the pool and reserve a date.  
Improvements have been made on the pool and grounds for your convenience. New seating arrangements have been made for spectators. For safety measures, the large diving board has been moved, and the life guard stand has also been moved to a better location. The pool grounds are cleaned each day before opening, and careful measures are taken to provide sanitary conditions in both the building and the pool.  
Pool tickets will be offered again this summer. The rates are the same: adult ticket for \$10, and child's ticket for \$5. One ticket will admit you for 25 swims. Parents, this would be a nice birthday gift for your children, and practical, too, because you save 10%.  
Tickets may be obtained only at the pool.  
Most of the swimmers so far have been young boys. You might be interested to know that the first person admitted in the pool was Ricky Ensey, son of Mr. and Mrs. Jerry Ensey. However, he didn't stay very long, because it was somewhat cool that first day.  
Come on out to the pool whether you swim or not. The pool is the place to meet and greet people. Remember, it doesn't cost you a thing to watch.  
BETHEL BAPTIST BIBLE SCHOOL OPENS MONDAY  
Vacation Bible School at the Bethel Baptist Church will begin on June 10 with classes from 9 a. m. until 11 a. m. daily. Registration will be held on Saturday, June 8, at 10 a. m.

## POLO TEAM TO HOST LUBBOCK SUNDAY

Sunday afternoon at 3 o'clock the Dickens County Sheriff's posse palmetto polo team will host the Lubbock Rodeo Association team at a palmetto polo game in Swenson Field.  
The game will be the first for the local riders since successfully defending their title. Everett McArthur, local posse president, reports that local folks can expect a much-improved and bent-on-winning team to hit town for Sunday's game.

## COUNCIL CUTS POLICE DEPT. AS ECONOMY MEASURE

Mayor Reese McNeill announced this week that B. H. Connally has been released from the Spur police staff as an economy measure.  
The City will retain Wayne Beadle as night policeman and John Hazelwood as parking meter attendant.

## CITY GETS OFFER TO BUY LIONS PARK ON HILL ST.

The City of Spur has received an offer to buy the small city park on West Hill Street known as the Lions Park.  
Mayor Reese McNeill states that an election would be necessary to sell the property and that if it is sold, the money received must be spent on similar facilities for the city.  
No definite action has been taken.

## Chamber Doings . . .

**By Betty Kearney**  
A group of men met with the directors of the Chamber of Commerce Tuesday morning and discussed the possibility of obtaining government aid for water control around Spur. "We can not afford the luxury of losing this valuable water. For every inch of run-off it costs our farmers 25 lbs. of lint cotton per acre," states Charles Fishes of the Experiment Station. He explained some of the things that would be necessary to have Spur declared in a flood control district. We appreciate Mr. Fisher very much for meeting and discussing this with us. A committee of three was appointed to investigate the proper channels we must work through.  
The Chamber office received a letter this week from Lubbock that reads as follows:  
"The Lubbock Theatres and Zales Jewelry are sponsoring a South Plains Talent Contest, June 14 and June 21 at the Plaza Theatre in Lubbock. The winner of this contest will receive merchandise of \$500 value at Zales Jewelry."  
We would appreciate it if you would pass the enclosed entry blanks to any known talent in your community, whether it be a group of musicians, vocal group or etc. After these blanks are returned to us, we will notify the contestant for an audition at a later date at Jenkins Music Company here in Lubbock and also the date of their performance.  
The entry blanks are here in the office. We have quite a lot of talent in Spur and I hope that all of these blanks will be used. Come by and pick one up or call me and I will be happy to bring it to you.  
We also have an invitation to send a representative to enter the cowgirls contest at Stamford on July 2, 3 and 4. If you are interested in this, come by for full details.  
The people in Spur who are supporting the Chamber of Commerce are men and women that know the progress of our community depends on an active Chamber of Commerce. Some of the merchants have actually made a sacrifice in the last year to support the Chamber financially. They are working for you and for the betterment of our community. The chamber is not only for business men, but for any citizen of this area who is interested in the progress of town.  
If you would like to become a member of the Spur Chamber of Commerce, please call me or one of the directors. We need your support.

## FARMERS LOOK FOR LET-UP IN RAIN: TOTAL FOR '57 AT 14.79

The last two days of May dumped another 1.28 inches of rain on Spur, boosting the month's total to 5.23. More rain fell every day the first four days of June for a total of 1.76 inches. The year's total to date is 14.79 inches.  
Late yesterday the weather bureau changed earlier predictions of more rain throughout the week to at least a few days of clear weather.  
With the planting season considered "late, but not too late", area farmers will welcome a couple of weeks of sunshine. A few stands of cotton are up but in general, planting will get under way just as soon as the fields are dry enough. The standing water behind terraces, along borrow ditches and in low spots have made spring weed control impossible. Some wheat rust has been reported and some small grain crops have been blown down and otherwise damaged by the seige of wet weather.  
There has been a considerable amount of damage to terraces, local bridges, fences in low places etc., but generally, the rains have been what the area has looked and hoped and prayed for some seven years. Both businessmen and farmer show definite optimism for the 1957 business and crop year.

## Harrison Joins Texas Spur Staff

H. G. Lackey Jr., publisher of the Texas Spur, announces that Grady Joe Harrison has joined his staff as associate editor. Long-range plans call for Harrison to assume full-time management of the paper.  
Harrison, a 1957 graduate of Texas Tech, is married and has two children, David, one year, and Joe Charles, four.  
His wife, Jo Ann, is presently employed by the First National Bank, Lubbock. She is expected to join her husband in Spur on June 15th.  
Born and raised in Coleman, Harrison first entered the newspaper business as an apprentice at the age of 12.  
After graduation from high school, he attended Hardin College as Wichita Falls, (now Midwestern University) for one year.  
In June, 1948, he was employed at Coleman-Voice as a linotype operator. In October, 1949, he married the former Jo Ann Pirtle and moved to Abilene where he worked for two and one-half years at the Abilene Reporter-News.  
Called into the service in 1952, Harrison served in Germany. Upon discharge in 1954, he entered Tech where he was a journalism major.  
While at Tech, Harrison served as managing editor of the Treador, college newspaper.  
The Harrisons are members of the Methodist Church, and will reside at 810 West Third St.

## Consolidation Is Refused by Girard

The Girard Independent School district extended Spur a definite but polite "No thanks" to consolidation proposals at the polls last Saturday by a 146 to 44 vote. In Spur the voters approved the consolidation plan by a 173 to 22 margin, but, of course, to no avail.  
Voting took place at the Girard school building and at the Spur city hall. The election was called by the respective county judges by request of petitioners in the two districts.

## Youth Evangelist At Assembly of God

Vernon Hagar, pastor of the Assembly of God Church at 401 E. 3rd St., recommends that everyone hear Youth Evangelist

Byron Mock

Byron Mock of Amarillo who will be here in services nightly beginning June 4.  
This gifted evangelist who has played the piano and preached in various churches and school assemblies throughout this area, will present as special features inspiring chalk-painting with lighting effects to illustrate Bible truths, states Hagar.  
There will be special piano arrangements and gospel songs each service. "Don't miss these inspiring gospel messages," urges Hagar.

## JOE SIMPSON CANDIDATE FOR MASTER'S DEGREE

Joe Randall Simpson of Spur is one of 46 graduate students who received master's degrees at North Texas State College at Denton this semester.  
Baccalaureate services were held at 11 a. m. and commencement at 7:30 p. m. June 2.  
Simpson, son of Mr. and Mrs. J. E. Simpson, 318 W. Third, received the master of education degree.

## COPELAND ATTENDING INSURANCE SCHOOL

Robert C. Copeland, Jr. of Spur is in Austin attending an insurance underwriters' school sponsored by the American Foundry Life Insurance Company. The school will continue through June 15.

## Byrd To Vaccinate For Rabies Here

Thursday, June 13th from 3 to 6 p. m., Dr. S. R. Byrd, a veterinarian from Lubbock, will be at the J P's office for the purpose of vaccinating dogs and cats against rabies.  
With hot weather here every one should have their pets vaccinated. Lubbock has already had one case of rabies.

**West Texas Looks At Truck Crops**

West Texas farmers "backed to the wall" by acreage controls and low grain sorghum prices are scanning the list of vegetable crops in a search for some profitable use of diverted acreage. Tomatoes may fill the bill if growers can economically produce the necessary quality for moving into central states' markets.

A 1956 study conducted by Texas A&M's Department of Agricultural Economics and Sociology revealed that farmers in Bailey, Parmer, Deaf Smith, Castro, Lamb, Hale, Lubbock and Floyd counties produced 348 bushels of tomatoes an acre. Production and marketing costs averaged \$188.00 an acre.

Chief competitor for West Texas tomatoes in the central states area will be California, long-time producer of high-quality vegetables. West Texas growers must realize the importance of management practices such as padding and covering for transporting tomatoes in containers, and the advantage of a good grading system if they expect to enter serious competition for any major market.

Unlike most West Texas crops, tomato prices fluctuate widely. Agricultural Economists cannot give a complete set of reasons for the annual price variations, but can partially explain them. Variations in Texas and competing area production of tomatoes as well as variations in the national disposable income are cited as important influences concerning these price differences.

For complete details of this study write to the Agricultural Information Office at College Station. Ask for PR 1925.

**Loan Rates Set On Oats, Sorghum**

The loan rate on 1957 oats has been set at 68c for Dickens County, according to a newsletter released this week by the Dickens County ASC office. The loan rate for grain sorghum is \$1.73. Loans on these grains can be made from the time of harvest until Jan. 31, 1958. This applies to both farm stored and warehouse stored grain.

The newsletter also reminds wheat farmers of the wheat referendum election to be held June 20. Polling places will be announced later.

W. W. Gunn, county ASC office manager, reports that still a good many conservation reserve farmers have not requested payment for seed bed preparation. Gunn points out that this work must be done and that the farmer is entitled to \$2.50 per acre for doing it, but he must make application for it. The office is now taking applications for seed and seeding payments.

Gunn re-emphasizes the importance of the conservation reserve and acreage reserve contracts, reminding farmers that they must comply with every detail of the contracts.

**McADOO NEWS**

Mr. and Mrs. Tommy Brantley, spent the week end at Portales in the home of his parents, Mr. and Mrs. Leamon Brantley and Nell and Dell.

Mr. and Mrs. O. E. Lumden and Tommy visited during the week end with the Bobby Hardins and Dale Neffs.

Mr. and Mrs. Wayne Brantley and children of Afton and Mr. and Mrs. Orvin Callihan of Lubbock visited relatives here Sunday.

We extend our sympathy to the family of M. C. Formby who passed away at his home Saturday morning. A pioneer McAdoo resident who was loved and appreciated by his friends, who were numbered by his acquaintance. His presence and cheerfulness will be truly missed among us. Many former residents and friends from far and near, too numerous to mention, attended services at the Baptist Church Sunday afternoon.

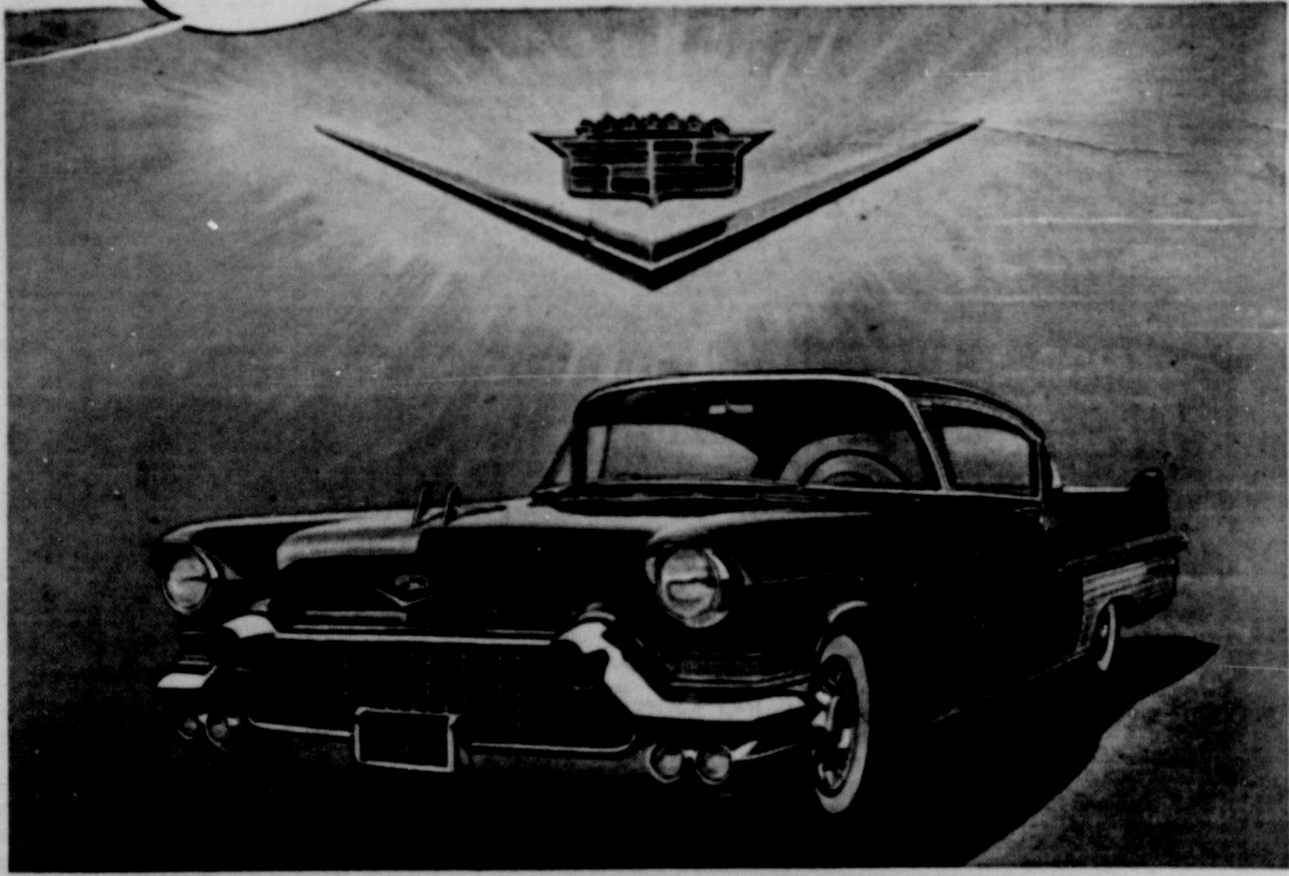

Mrs. Formby accompanied her daughter, Mr. and Mrs. Frank Duncan and family to their home in Vernon, for an extended visit.

Mrs. Reynolds Sanders and Mrs. Raymond Holt of Hereford visited in the L. E. Bass home, Sunday afternoon. They are the former Irene and Johnny Brownlow, and attended school here for many years.

Mr. and Mrs. L. S. Harvey recently visited at Dora, N. M., with her mother, Mrs. J. C. Christopher and other relatives.

Mr. and Mrs. Marvin Ramsey of Sweetwater were Sunday night guests in the home of Mr. and Mrs. Elmer Johnson. Other visitors Sunday were two brothers, a sister and several nieces and nephews all of Big Spring.

**Greatness Is Never Achieved Suddenly!**

It has long been true, in the affairs of men, that only time can confirm the gift of greatness.

Artist, statesman, writer, craftsman—each must await the years for the maturity of his talent and for the verdict of his judges.

And as it is in the affairs of men, so it is in the world of commerce. Nothing great was ever created suddenly—whether the product be that of an individual or of an organization.

Here, most certainly, is the very genesis of the unique position which Cadillac currently occupies in the hearts and minds of the world's motorists.

Since the first Cadillac car made its appearance more than fifty-five years ago, it has always been created to a single objective: to make it as fine a motor car as it is possible to produce.

And, without question, the mission and the accomplishment have been one and the same.

The goodness of Cadillac has, in fact, been so apparent over that lengthy span that the Cadillac name stands today as an accepted synonym for quality wherever highways exist.

The pretenders have come—and they have gone. For time is an exacting taskmaster—and only the principles that have created the great Cadillac car and only the devotion that has given it being have been equal to the challenge.

Never has this fact been more deeply etched in the public consciousness than it is during the present automotive year.

If you have yet to take the wheel of a 1957 Cadillac, you should hesitate no longer to visit your authorized Cadillac dealer.

Waiting for you in his showroom is proof beyond doubt that Cadillac is—in fact as in reputation—the Standard of the World!

## AFTON BAPTIST CHURCH

The Baptist church at Afton has the distinction of being the first church to be organized in this entire area. It was organized in 1888, three years before Dickens County was organized.

From this organization came a group of people who were the first in the territory to be baptized, by name, J. A. Askins, his daughter, Mrs. Brock, and Mrs. Sarah E. Allen at Patton Springs in the fall of '88.

Brother S. A. Cobb met with the Baptist members in the school house and preached to them there. Brother Cobb was known to have given much time and devotion to the people of Cottonwood as well as other places where he preached.

Funds for the First Baptist church were raised by public subscription, and as was customary then, the lumber was hauled here in wagons and most of the work donated by members.

The church was erected on land given by the late Mr. P. J. Hext. This church was built about 1913. The first pastor was Rev. Leonard Gates, father of the late Eugene Gates, grandfather of Mrs. Marian (Gates) Burt.

This church was at different times called Afton Baptist church. Several years ago the building was made into the nice modern one it is today with improvements being steadily added.

## METHODIST CHURCH OF AFTON

J. G. Miller-P. E. 1905, J. T. Hicks-P. C. G. B. Davis, J. A. Zinn, M. L. Blakely.

The above is taken from the old original corner stone of the Methodist church at Afton.

This church was the first of its kind to be organized in this section of the country and the first church to be built at Afton according to records, and old timers. For many years it was a landmark, being there before the road was put through.

Before the church was built, Grandpa Stegall preached to the congregation of this faith, in the

Cottonwood school house.

Rev. J. T. Hicks was the first pastor. He lived in Matador and preached there and here one Sunday a month. It is believed that he also preached one Sunday a month at Whiteflat and Roaring Springs.

Land for the first church originally belonged to the late Bob Forbis, and lumber for its construction was hauled by wagons from Quanah. The people donated their time and service to the building of the church.

Later the seats were also hauled by wagon from Quanah. The people had a right to be proud of those seats for the congregation took their families out and picked cotton to make up money for them. They picked the cotton on Mr. Lucas Haille's farm, who then lived where Mrs. Annie Johnson lives now.

Those seats were certainly good ones for they were discarded only a few years ago, and new ones bought by public donations.

In 1948 the church was remodeled into a nice, comfortable building and another cornerstone added that reads as follows:

1948, J. H. Crawford D. S., O. D. McDonald P. C. Bldg. Committee, W. F. Ragland, G. W. Bennett, L. J. Fullingim, E. G. McInroe, Mrs. Eva Braddock, Mrs. Milton Stetson, Mrs. J. M. Dunlap, Sunday school supt., Mrs. L. J. Fullingim.

In this year, 1957, Rev. John Ferguson is pastor and invites one and all to worship services any time. He preaches here the second and fourth Sunday morning and night of each month preaching at Roaring Springs the first and third Sundays.

## CHURCH OF CHRIST OF AFTON

The Church of Christ in Afton was built in 1916, on land given by Mr. P. J. Hext, of Afton.

Mr. and Mrs. E. D. Chambers were largely responsible for the start of this church by their time and contributions.

Some early families attending church there were Dr. and Mrs. J. N. Haney and family, Mr. and Mrs. Bill Young and family, Mr. and Mrs. J. V. McCormick and family, Mr. and Mrs. John Bankston and family and Mrs. Ellis.

The church is well attended today and welcome visitors at any time.

## Organization of our county

Dickens County, named for John Dickens, who fought in the battle of the Alamo, was organized March 19, 1891.

Our county is still young. Much took place before it was organized. Many things have happened since, and as time goes by, there will be more important events in the future.

Our county was once attached to Mitchell and Baylor Counties, for judicial reasons before it was organized. After that this section of the country was called Crosby Land District, and at one time was composed of fourteen counties including Dickens and at another time ten counties, by name, Dickens, Lubbock, Crosby, Hale, Floyd, Lamb, Bailey, Hockley, Cochran, and Motley.

Much time, though, and deliberation went into the organization of different counties. It took many months of hard riding on horseback (roads were scarce and transportation slow) to accomplish the signing of the petition, to organize different counties.

Land marks were scarce and the rider had few stops in between.

The region from more than one

fifth of Texas went to the little town of Estacado to the county seat. This little town was once an important place in Crosby county, and was later given to Lubbock county by court, when the county lines were surveyed for the final time.

Our people had a long journey to court as they went to Estacado before the 19th century. Court was held in dugouts and shacks before a court house was built there.

Estacado was an important town, being king of this vast territory for many years, it was thought of as the center of culture, and from it was born our counties.

Dockums was the first county seat after Estacado. Dockums, named for W. C. Dockums, a buffalo hunter who came here in the middle seventies, and had one of the most noted buffalo camps in the country, called Dockums and Thompson, and was located on Dockums Creek in Dickens County. Later he had the earliest post office and store in this country known as the Dockum post office and cowboys and settlers from all over rode many miles for their mail and to trade at the store.

Later W. C. Dockums left this country and lived for two years at Estacado along with his family, and served as second county judge of Crosby county.

Our next county seat was at Espuela. (Spanish word meaning Spur). Espuela has the distinction of being the oldest community in its territory and located about six miles southeast of Dickens, on Duck Creek.

The first county officials were as follows:

County Judge, A. J. McClain; County attorney, Col. John A. Green; County treasurer, J. M. Jones; County clerk, Sid Dunwoody; Sheriff, J. D. Harkey; Tax assessor, J. D. Kutch; County Surveyor, John Hale.

Hon. B. G. Worswick succeeded to the office of County Attorney and is believed to have record of the longest continuous service of any county attorney in the state.

The first District Judge was Hon. W. R. McGill, and first District Attorney was W. I. Henderson.

Election for the first county seat in Dickens was held March 19, 1891, the same date Dickens County was organized. Three places were offered for the county seat site, being Dickens, Frankfort and Espuela. If you wonder where Frankfort was, it was on Croton Creek, near the places that were called Poison Mill and the old Baxter Rock House. None of these places received a sufficient vote to determine a county seat and on May 8, 1891, another vote was held, with the same result. Consequently, on March 8, 1892, another vote was taken. Frankfort had withdrawn from the race in the meantime and on the day when the final vote was cast, Dickens received one more vote than Espuela, thus our present county seat is at Dickens.

As an example of our court cases in early days the following is said to be true. When our court was held in Estacado, in Crosby County. Here is how George Hunt Justice of Peace at Estacado describes a case brought before him for trial:

Chevy's come up with the newest, sweetest, smoothest automatic drive—Turboglide. It's the first and only triple-turbine transmission!

Turboglide is something really new and different in automatic drives. In the first place, there's only one forward-speed position on the control panel. There's no "Low" needed.

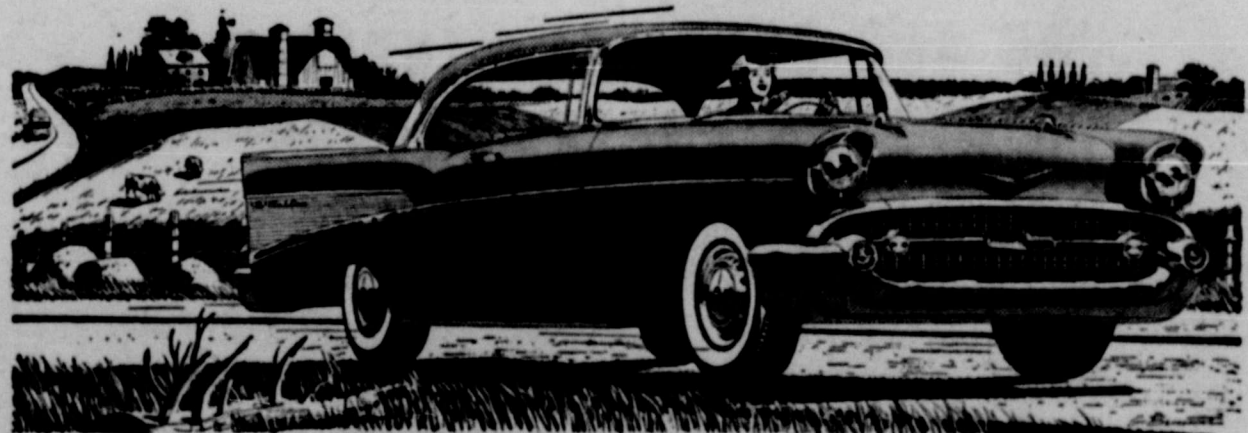

Turboglide handles everything with the oil-smooth action of triple turbines. You travel from a standstill to top cruising speeds with never a lurch or lag to mar your motion.

When you see a steep downhill stretch ahead, you set the selector at "GR" (Grade Retarder) and Turboglide helps slow you down. Try Chevy's new, nothing-like-it automatic drive. It's optional at extra cost—and worth it.

**KAY GALBREATH WEDS DOUGLAS MONZINGO IN STAMFORD JUNE 2**

Miss Kay Moodene Galbreath, daughter of Mr. and Mrs. M. H. Galbreath of Girard, became the bride of Milton Douglas Monzingo, son of Mr. and Mrs. A. C. Robinson of Stamford, in a ceremony read Sunday, June 2 at 8:00 p. m.

The wedding was held in the First Methodist Church with Rev. Cal C. Wright of Spur, performing the double ring ceremony. Candle lighters were Keith Galbreath brother of the bride, and Jimmy Bruce Milton of Stamford, cousin of the bride. Keith and Jimmy also served as ushers, and were assisted by Tommy Michael

**WEDDING VOWS READ JUNE 1 FOR ROANNA PARKER, CHAS. STINNETT**

Cox of Stephenville, and Bobby Wayne Melton of Stamford, cousins of the bride.

Montie Monzingo of Stamford served as his brother's best man. The maid of honor was Miss Annette Sanders of Stamford, cousin of the bride.

Miss Sanders wore a waltz length dress of orchid taffeta and tulle with matching hat and orchid lace mittens. She carried a bouquet of small white carnations surrounded by orchid net and ribbons. Miss Galbreath was given in marriage by her father. She wore a carpet length formal white wedding gown of lace and net over white satin. It was fashioned with sweetheart neckline and long pointed sleeves. She wore a single strand of pearls, an "old" gift from her father. She wore small pearl-stud ear screws and a dainty pearl and rhinestone bracelet, a gift from the groom. Her waist-length veil was of imported French illusion. It was attached to a seed pearl tiara. Tiny seed pearls were the center of each flower in the lace that carried her white Rainbow Bible, lace covered and centered with an orchid. She had the traditional something new, blue and borrowed and a shiny six-pense for her shoe.

The couple knelt at the altar on a white brocaded satin pillow while Miss Rozelle Marcy of Spur sang the "Wedding Prayer". Rozelle was accompanied at the organ by her sister, Miss Lanette Marcy. Lanette played a prelude of wedding music, and the traditional wedding march. Rozelle also sang "Because". At the reception that followed

Wedding vows for Miss Roanna Parker and Charles Stinnett were read at 6 p. m. June 1 in the home of the bride's grandparents, Mr. and Mrs. M. C. Myers, in Aspermont. Rev. Ernest Lee of Spur read the doubling ceremony as the couple stood before an archway of greenery.

Mr. and Mrs. R. J. Parker of Odessa and Mr. and Mrs. C. W. Stinnett of Anson are the couple's parents.

Miss Sue Gardner, aunt of the bride, sang, "Because" as the bride was escorted to the altar by her father. The bridal gown was a designer model of white embroidered nylon fashioned with full ballerina length skirt gathered onto a fitted bodice with colonial neckline and tiny puff sleeves. Her veil of French silk illusion cascaded from a flowered caplet.

The bride carried a white Bible topped with a bouquet of red roses. She carried a lace handkerchief belonging to her grand mother.

Mrs. Dean Clark of Aspermont was matron of honor and the couple's sisters, Betty Parker and Janie Stinnett, were junior brides-

The outlook for improved egg prices in the months ahead is good, says Extension Economist John McHaney. For the first four months of 1957, commercial hatcheries in Texas produced 23 per cent fewer egg type chicks than during the same period in 1956 and in the nation, the reduction was 21 percent. Egg prices to producers, he says, should be higher for the last months of 1957 and the first quarter of 1958.

**Shower Honors Mrs. Bilberry**

A bridal shower honoring Mrs. Jackie Bilberry, the former Nan Bateman, was given Wednesday afternoon at the Patton Springs Home Ec. building.

Co-hostesses for the occasion were: Mmes. Newman Young, Weldon Foard, Myrtle Cornett, Jeff Randolph, Dorr Blasingame, Gus Martin, J. W. McAllister, Ted McInroe, Demp Clifton, Charlie Fullingim, Doyle Cagle, Lewis Edwards, Homer Hughes, Bill Springer, Frank Ragland, and Iverson Yeats.

Guests were registered in the bride's book by Miss Virginia Foard. Many lovely and useful gifts were displayed.

The serving table was laid with a white lace cloth over pink with a pink center piece topped by a miniature bride and groom complimented with crystal appointments and pink carnations.

A pink back ground complimented the effect with the bride's given name spelled out with pink carnations.

From this table the guests were served cake squares, punch, nuts and mints.

in the church basement, the bride's chosen colors of orchid and white were in evidence again. The bride's table was covered with a white taffeta and white net table cloth. It was centered with a bouquet of orchid carnations with an orchid net ruffle surrounding it.

The huge white wedding cake was decorated with orchid roses. Mrs. Sandon Sherer, a recent bride, and a senior classmate of the bride, registered guests. Guests were registered from Spur, Girard, Jayton, Stamford, Snyder, Leuders, Big Springs, Stephenville and Clarksville.

Miss Willie Williams poured punch and Miss Alta Jean Clark served cake. Others who assisted in the reception were Misses Ann Brown, Janis Gregory, Vera Mae Stanaland, Bertie Wilson, Mrs. Alton Clark, and Mrs. Tom Wilson.

The bride's going-away dress was a beige tailored two-piece suit. Her accessories were beige also. Her corsage was the orchid from her bridal bouquet.

The couple will live at the McMurry apartments. They plan to enter college this summer.

The Dry Lake WMS met in a regular meeting Monday afternoon at 2:30 in the home of Mrs. Sam Gannon.

The lesson was on Fountain of Youth. Each member had a part to discuss.

Refreshments were served to the six members present.

### Service Pins Presented at Girard School Supper

On Monday night, the wives of the Girard School Board prepared and served supper for the school board, the employees and families, the equalization board and all teachers and their families.

Service pins with the words "Girard Public School for loyalty and service" were presented to the ones who had served three years. The pins were plain gold and were received by C. W. Fincher Jr., Lonnie Williams and Odell McCoy. Those with 5 to 9 years service had a pearl set and went to Supt. and Mrs. Galbreath, Mrs. Pete White, Mrs. Ollie Bural and Miss Elliott. Ones with service from 10 to 24 years were set with a ruby and went to Walter Brooks for 12 years of service and Mrs. W. R. Bucklew for 18 years of teaching in Girard school. These were present.

### Mary Wooley Will Wed H. L. Young

Mr. and Mrs. J. E. Wooley of McAdoo announce the engagement and approaching marriage of their daughter, Mary, to H. L. (Bill) Young, son of Mr. and Mrs. N. H. Young of Afton.

The wedding will take place in the bride's home at 6 p. m. on June 21.

The bride elect is a 1957 graduate of McAdoo high school and her fiancé is a 1956 graduate of Patton Springs high school and is employed at Temco aircraft in Dallas.

### Shower Honors Kay Galbreath

A bridal shower honoring Miss Kay Galbreath, bride elect of Doug Monzingo, was held at the Home Ec cottage May 29. Her colors of white and orchid were presented on a white lace cloth over orchid and centered by orchid color garden flowers and white candles on the tables.

Misses Ann Brown and Alta Clark served punch and white cakes to the guests. Plate favors were white hearts covered with orchid net and tiny white flowers tied with white bows, bearing the names "Kay and Doug".

Mrs. Sandin Sherer registered 88 names in the Bride's Book as the gifts were unwrapped by Kay and Doug.

Hostesses for the occasion were: Meses. Alton Clark, Hugh Turner, G. H. Brown, F. H. McGaha, Jim Wyatt, Glen Spradling, Rance Gregory, Tom Wilson, John Boland, Willis Pearson, Lonnie Williams, John Phillips, Carlos Dickerson, Pete Sherer and Lee Parkers.

### McAdoo Seniors Visit Hollywood

**By Josie Cypert**  
We, the senior class of McAdoo High School, consisting of Mary Wooley, Josie Cypert, V. V. Scott, Hub Eldredge, Benny Brown, and Kenneth Wallace and two sponsors, Mr. and Mrs. Charlie Sullivan, left Thursday May 9, at 9:30 p. m. immediately after graduation, for Hollywood, California.

We left in two cars, one having "Hollywood or Bust" written on it and the other having a sign in the back window saying the same thing.

After traveling all night, we arrived in El Paso, Texas about 5:00 a. m. Friday, stopping only for gas and refreshments during the night. From El Paso, we drove to Las Cruces, New Mexico for breakfast. As we left, the Senior girls, having their eye on the road directed us toward the White Sands Atomic Proving Grounds. The soldiers, who passed us, read our signs and starting pointing the other way. Finally, we came to realize we were going the

wrong direction. Did the girls have their eyes on the road or on the soldiers?

We arrived in Phoenix, Arizona about 3:30 p. m. After a refreshing swim and a short walk, we retired for the night.

Out early Saturday morning, we headed toward Hollywood. Stopping only for lunch, we made good time until we got on one of those "lovely" California freeways. On this of all places, we had a flat, while it was pouring down rain. Having jacked the car up and taken off the wheel, we found the spare tire was also flat. We took the tires to the next town and had them fixed and after getting started again, found that we couldn't find our way back on the freeway. After getting directions from a service station attendant, we got back on the freeway and happily headed for Hollywood.

We arrived on Sunset Boulevard in Hollywood about 3:30 p. m. Saturday and found a place to stay for the next two nights on the corner of Sunset and Orange at the Sunset Orange Motel, located across the street from the beautiful Hollywood High school. After eating supper, we walked around and retired for the night.

After sleeping until 10:00 a. m. Sunday, we ate breakfast. Since it was too late to go to church, we returned to the motel and rested.

We spent Sunday afternoon walking around Hollywood and making plans for the rest of the week. Sunday night part of the group rode 7 miles to downtown Los Angeles and walked around a while and then caught the bus back to our motel.

On Monday morning we arose early for a tour of CBS Television City. Here we saw the set for "The Helen Morgan Story" on "Playhouse 90" as well as many other interesting things. We attended Art Linkletter's House-party and the Bob Crosby show while we were at CBS.

Tuesday morning, we went to NBC and attended the Tennessee Ernie Ford Show. Before the show, Ernie came out, saw the M's on our basket ball jackets, and asked us to stand up and be recognized. When he went on the air, he welcomed us to his show. From there, we went to another studio and attended Truth or Consequences.

We also visited many other interesting places including the Moulin Rouge, the world's larg-

**DODGE** outperforms "other two" low-priced trucks!

They're off! All three low-priced trucks are lined up at the bottom of a test grade equal to the steepest hill in San Francisco. The flag drops, and this grueling test of climbing power is officially underway. Dodge takes an early lead.

Halfway up. The extra V-8 power under the hood of Dodge sends it quickly ahead. It's already two lengths out front. And there's a 1000-lb. test load on each one of these comparably equipped trucks. What's more, Dodge is still gaining!

Dodge flashes past the finish five lengths ahead of competition. Truck "C" and truck "B" just couldn't match that 204-hp. Power Giant. And this is just one of a rugged series of tests that prove Dodge is best of the low-priced three.

● Your Dodge truck dealer has proof that Dodge leads in many ways. Come in... see other certified test-photo sequences... and take a demonstration ride!

Shower the bride with Lifetime Gifts  
Give her gifts of steel  
WHEN a special friend or relative is taking that important step from Miss to Mrs., show her your delight: Give her gifts of steel. For steel gifts are stylish gifts that last a lifetime. When you buy them for a shower or wedding, you're giving the bride much more than just an expression of your affection. You're giving gifts that will endure as long as she needs them.  
Showing the bride with gifts of steel means choosing from countless items made to give stylish means—from coffee makers to canisters, folding chairs to flatware, trays to toasters, clocks to cutlery. No matter what you choose to give, she'll appreciate your good taste and thoughtfulness.  
And any bride would glow with pleasure to see the lustrous quality shining through every gift of steel. And she can be assured these good-looking items will go to work in a thousand jobs so well.  
So when you shower the bride, make it a Steel Shower. And when you shop for the bridal gifts, make an investment that is fashionable and practical. Look for the store displaying the Steel Shower symbol—and get the gifts that will last a lifetime.  
  
This symbol identifies the store that's a Bridal Center, where you can get a variety of gifts styled in steel... to last a lifetime.

## FHA Gives Loan Report

More than \$597,390 has been lent to farmers in Dickens and Kent Counties during the ten months ended April 30, 1957, by Farmers Home Administration, the agency's county supervisor, John E. Quattlebaum, announced this week.

The heaviest demand has been for credit to finance row crop farming and livestock.

During this same ten month period, Farmers Home Administration, emergency and real estate credit extended in operations to some 18,500 Texas farmers and ranchers for a total of \$54,773,000, the agency's State Director, Walter T. McKay, reported. This is an increase over the same period last year of about \$6,500,000. "This increase is due primarily to the demand from family-type farmers for credit needed to place their farming operations on an efficient basis," McKay explained. "In fact," he added, "agency records reveal that there has been a slight decline in the demand for emergency credit so far this year. Long term credit, to develop balanced systems and make full use of resources available, has been extended to a number of operators of family-type farms who previously obtained emergency loan assistance."

McKay and members of his staff are meeting this week with National Administrator Kermit Hansen to go over agency operations for next year. This meeting is preparatory to training meetings to be held for county office staffs throughout the State. The objective of these meetings will be to insure that maximum service is rendered to Texas Farmers and ranchers promptly and efficiently.
