Heard a lot of criticism among the Saturday morning quarterbacks concerning Kenneth Gilcrease's choice to pass when the Bulldogs were moving so well on the ground in their fourth quarter drive last Friday night against the Matadors.

If the pass had worked, you'd have heard how great Gilcrease was playing heads-up ball. As it was, facing a stiff wind, and a charging Matador line, the play didn't click. Personally, we think Kenneth did a good job considering it was the first time he had ever quarterbacked in a High School game. (He played quarterback in Junior High.)

However, breaks or no breaks, Matador had a fine, inspired team who evidently wanted to beat Spur more than they wanted to beat Matador. Those Matadors had a nice sized club with several boys in the lineup who tipped the scales at 190 or more. Oddly enough, it was 140 Gerald Pipkin who loomed large for the Matadors. His sparkling run on that interception and lateral was the longest gainer of the game. (Fans will have to give Leslie Albin a pat on the back, too, for it was he who tackled Pipkin to prevent a score after Pipkin had cut back and slowed down to miss a tackler.)

All in all, the Bulldogs didn't look too bad. In fact at times, they looked good. Randall Gilcrease, Jimmy Holder and the defensive line in general gave indication that at times, they could play great ball. The backfield could give somebody trouble when they fell. Travis Watson will improve with each game as he begins to round into shape; Hairgrove, Kissinger and Powell rolled up consistent yardage and Gilcrease carried twice for good yardage.

Spur has the potential to have a great ball team, but they may lose another game or two before they come into their own. The District will be tough this year and sportswriters have picked Lockney to go all the way. Coach Henry and the Bulldogs have their

work cut out for them as Friday night's game clearly indicated.

We feel that the defeat can be charged to the fact that the Bulldogs never really caught fire. At times the line looked sluggish and were beaten to the punch on numerous occasions by the hard-charging Matadors. But with their backs to the wall, the Bulldogs gave indication of greatness with a terrific goal line stand that rocked the Matadors back on their heels only to have them score on a well timed pass.

The Bulldogs will have to improve greatly to stay on the field with some of the other members of District 2-AA.

For instance, Slaton, who lost a number of starters from last year's team, lead Canyon for three quarters before they dropped a 26-13 decision to the Eagles. We are not predicting that Slaton will defeat the Bulldogs, but their game with Canyon indicates an improved club.

Floydada upset mighty Wellington 12-6 and could cause somebody in the district some headaches.

Abernathy took to the air to down Olton 19-0 as was more or less expected. The Antelopes, traditional Spur rival, will be hard to beat.

Then there was Lockney's 32-7 win over Hale Center. The Longhorns rolled up 267 yards, all on the ground as they swept by the Owls. (The Longhorns threw only one pass in the rain.)

Post, a team that was manned by seniors last year, was downed by Ralls, 13-7. It might be a long season for the Antelopes from the cereal city.

It got pretty cold last Friday night in that chill wind with no coat. We had planned to carry a jacket, just in case, but all our winter clothes are still stored in the cleaners. We weren't by ourselves though, we saw a number of Spur fans with goose bumps and chattering teeth.

# Spur Bows To Matador, 13-7

Continued From Page 1  
receive, Hairgrove fumbled the kickoff and the Bulldogs managed to chalk up a couple of first downs before they were forced to punt. The Bulldog defense held the Matadors and they kicked out beautifully on about the Spur three yard-line.

With their backs to the wall, the Bulldogs fumbled and the Matadors recovered and Graham scored from about one-yard out on a quarterback sneak. The back was blocked by Alan Kissinger.

The Bulldogs couldn't muster a scoring punch although Watson almost got away for a TD on the kickoff. Kenneth Gilcrease kicked dead to the Matador 15-yard line and the Bullfighters were in trouble when Hairgrove intercepted a pass on the next play.

Powell carried for six as the Bulldogs began to come to life. Gilcrease then hit Cloude on a jump pass for a first down. Hairgrove picked up five as the Bulldogs moved inside the 10. Hairgrove carried again for one, but Powell was thrown for a three yard loss and the Bulldogs faced fourth down with about seven yards to go. Gilcrease chose to gamble with a fourth down pass; it fell incomplete and the Matadors were out of danger.

With a few seconds remaining, Gilcrease hit Cloude, who made a spectacular catch for a nine yard gain. At the half, Matador led 6-0.

However, their lead was short-lived as the Bulldogs roared back on the third period. With Powell, Watson and Hairgrove eating up the yards at three and four at a whack, Kissinger inserted spark in the drive as he scampered to just inside the 10-yard line.

Kissinger then took a handoff from Gilcrease and hit left tackle, reuning into trouble as the ball seemed to squirt out of his hands. He retained possession however as he moved to the three. From there, Powell blasted across and Kenneth Gilcrease kicked the point to put Spur in the lead.

The game the backfire in the fourth quarter as Jackson made his interception to kill the Spur drive.

The Bulldogs led by a wide margin on the statistics, but could not muster enough offense to beat the inspired Matadors. Next week, the Bulldogs face the Hamlin Pined Pipers at Hamlin. Hamlin defeated Roby 37-0 last week. The Pipers scored 31 points in the first half, indicating that the Bull-

dogs will have their work cut out for them next week.

Here are the unofficial statistics:

	Spur	Opp.

# Blair, Hightower, Battle For Jobs With Eastern New Mexico University

Coach Carl Richardson has trimmed his Eastern New Mexico University football squad to 39as he prepares his charges for the opener against New Mexico Western Saturday night, Sept. 14.

Practices continue to be two-a-day as the Greyhounds smooth out their split-T offense and prepare to meet a veteran-studded Western eleven.

Curtis Blair, Spur, Texas, and Terry Miller, Phillips, Texas, give the Silver Pack two fine passing quarterbacks. Both are lettermen.

Three returning veterans and an unheralded sophomore are staging a battle for the fullback spot. Tommy Hightower, Spur, Texas, Bob Price, Olton, Texas, and Al Woodell, Eunice, all add experience when in the lineup but little Joe Gill, 5-foot, 7-inch, 185-pounder from Alamogordo has the edge at present.

Heading the list of returning lettermen is Jerry Bailey, senior

end from Brownsville, Texas. Bailey received honorable mention on last year's Midbracket All-American team. Paul Jette, junior letterman from Wink, Texas, and two newcomers—Ray Kinnison Seagraves, Texas, a Paris Junior College transfer and Al Washington, rugged Whiteface, Texas, freshman—are battling for the other end slot.

Four returning lettermen are for the starting berths at tackle. Carl Eford, Corona; Sam Mayo, Petersburg, Texas; Gerald Moore, Eunice; and Bruce Chronister, Shilder, Okla., will all see action in the Saturday night game.

Wayne Bailey, Odessa, Texas, and Jimmy McGraw, Borger, Texas, are the only holdovers at guard. Buddie Cosby, a 185-pound freshman from Big Spring, Texas, and Ted Henderson, a transfer from Ranger Junior college, are pushing the veterans for starting positions.

Buddy Hightower, Fort Worth, and James Cain, Seagraves, Texas, are leading candidates for the pivot position.

The Greyhounds are blessed with a speedy group of returning lettermen backed led by 160-pound Joe Wood, Tucumcari.

Maurice Hodges, Monahans, W. M. (Red) Condon, Kermit, both lettermen, and Eldon Wetsel, Borger, and another transfer, Freddie Sanders give Coach Richardson a fast array of halfbacks from which to choose his starters.

The Hounds' first home game will be against Colorado State college Sept. 20.

HOLIDAY ON ICE OF 1957 is declared by New York's famed Broadway production specialists as "the best dressed show of the year." HOLIDAY ON ICE appearing as the main entertainment feature at the Panhandle South Plains Fair in Lubbock Sept. 22-27 boasts some of the most lavish costumes and colorful designs to hit show business, say customers.

## Wardens Find Few Violations

Opening of the 1957 hunting season went by with a minimum number of violations, according to E. M. Sprott, director of law enforcement of the Game and Fish Commission.

"Wardens reported wonderful cooperation from all over the north zone, with the opening of the season Sunday afternoon," the director said.

He warned, however, wardens will begin to get strict on enforcement of the license regulations. Licensees now are available from all wardens, county clerks, and most sporting goods dealers.

# Every Texas County Represented In Big Farm Show At State Fair

By ROY RODDY  
State Fair Agriculture Writer

Folks nostalgic for the country fairs of yesteryear with their mass displays of cotton, grain, vegetables, fruits and other farm produce will find much to cheer reminiscence at the Big Fair of Texas in Dallas, October 5-20. For the State Fair, to live up to its name, must represent all Texas, and that means every one of the state's 254 counties.

That's a pretty large order, even for an exposition as big as the State Fair. To fill it properly, the State Fair would have to give all its 187 acres to the Agriculture Show alone. So the Fair has settled for mass displays of the major crops of the state's twelve Agricultural Extension Service Districts, those departments under which the county fairs and home demonstration agents serve. In this way, every Texas county will be represented.

And the cotton, grain, vegetables and fruits will be there in abundance, just as if the Fair had tilted Nature's cornucopia and let the green and golden harvest pour into the arena. The exhibits will reveal the amazing bounty of Texas' good earth.

Shown from the Panhandle will be wheat, grain sorghums, cotton, sugar beets, alfalfa, Irish potatoes, fruits and vegetables; from the South Plains, cotton, grain sorghums, alfalfa and commercial vegetables; from the Rolling Plains, cotton, beef cattle, wheat and grain sorghums; and from North Texas, dairy products, swine, cotton, small grain, grain sorghums, corn and peanuts.

Major crops of Northeast Texas on display will be livestock, fruits and vegetables; of the Big Bend, cattle, sheep and wool, goats and mohair, alfalfa, vegetables and long staple cotton; of the Edwards Plateau, goats and mohair, sheep, beef cattle, grain sorghums, small grains and poultry; and of the Heart of Texas, cotton, cattle, peanuts, corn, grain sorghums, vegetables, peaches and pecans.

Other districts will include the Piney Woods with its forest products, broilers, beef and dairy cattle, vegetables and swine; South Texas with its flax, broom corn, poultry and beef cattle; the Gulf Coast with its rice, cattle, fruits and vegetables; and of the Rio Grande Plains with their citrus fruit, vegetables, grain sorghums and cotton.

Buck Ballard visited his brothers, Preston and Fletcher in Rochester last Monday.

Mrs. W. E. Ball reported a good service and attendance at Soldier Mound church Sunday.

Visiting Foreman Chapel church Sunday night from Dickens were Mr. and Mrs. Perry Conar and Mrs. Joe Baldwin.

Mr. and Mrs. Dan Pritchett had as their guests last Sunday Mr. and Mrs. Francis Soules of Post.

Mr. and Mrs. W. L. Boyd of Hamlin visited her nephew, Mr. and Mrs. Bob Pickens last Thursday, also visiting the Pickens were Mrs. W. W. Pickens and her daughter, Mrs. Ann Towl and children of Lubbock.

Mr. and Mrs. Lon Bass attended the football game Friday night at Matador.

Mrs. Bob Dixon spent Tuesday with Mrs. O. T. Swenson in Spur. Those visiting Mr. and Mrs. Willie Allen and Miss Bette Cartwright Sunday afternoon were Mrs. Dan Pritchett, Mrs. Francis Soules of Post, Mrs. Wilbur Stanley and son of Highway community, Mr. and Mrs. Bob Pickens and Mrs. Reba Snow of McAdoo.

Miss Nancy Powell and Miss Joan Foreman drove to Lubbock Friday. Joan spent Saturday with Nancy.

Mr. and Mrs. J. R. Cole of Big Springs and Mrs. Velma Rogers of Spur visited Sunday afternoon with Mr. and Mrs. Coy Dopson and sons, Kenneth and Donald.

Mr. and Mrs. Ray Caplinger attended church at Foreman Chapel Sunday and went home with Mr. and Mrs. Bob Pickens for dinner.

**Harmony Club Has Buffet Dinner**

The Harmony Club met in the Dyess Hall, Tuesday, September 10, at 7:30 p. m. for the first meeting of the season. Fourteen members enjoyed a delicious salad dinner, served buffet style from a beautifully decorated table in the center of the hall. The centerpiece consisted of a lovely arrangement of various fruits, fresh and sequined artificial.

The president, Mrs. JuDon Rickels, introduced two new members to the group. Mrs. Bob Nunley sang "In My Garden", accompanied at the piano by Mrs. Grady Lackey, Jr.

Mrs. Jerry Ensey, in the installation of the new officers, compared the music club to that of a flower garden and each outgoing officer presented the new officers with a rose.

Members present were: Mmes. Douglas Robison, JuDon Rickels, Jerry Ensey, Bob Nunley, W. K. Callan, M. L. Steele, Grady Lackey, Jr., W. W. Gunn, Van North, J. E. Berry, W. F. Gilbert, John L. Floyd, J. C. Reese and Miss Carolyn George.

Mr. and Mrs. George O'Gwin and sons of Lubbock visited last week end with the L. B. Jones family.

**Host Chamber Of Commerce Directors**

On Thursday night of last week Mr. and Mrs. Ernest Kearney of 419 West Hill Street hosted the Chamber of Commerce Directors and their families at a backyard supper.

A menu consisting of chicken salad, potato chips, pickles, home made ice cream and cookies was served to Mr. and Mrs. Dalton Lehw, Lynna and Dennis; Mr. and Mrs. Bob Johnson, and Myles; Mr. and Mrs. W. D. Blair and Rebbie; Mr. and Mrs. Lewis Arnold, Judy and Randy; Mr. and Mrs. D. L. Knight, Sue and Craig; Mr. and Mrs. Grady Lackey; Mr. and Mrs. Leon Reagan and the hosts, Mr. and Mrs. Kearney and Mike.

After the meal, games of 42 and checkers were enjoyed by all.

**R. B. Walsworth's Give Dinner**

Mr. and Mrs. R. B. Walsworth entertained at their home in the Espuela community with a fried chicken dinner Thursday night, September 5.

Guests were Mr. and Mrs. Jack Simmons, Mrs. Fleta Dixon of Sweetwater and Mrs. Mildred Richardson of El Centro, California.

**Rozelle Marcy Hosts Girls' Social Club**

The girls social club, formally known as the Daughters of the 1933 Study Club, met September 4 at 4 p. m. in the home of the vice-president, Rozelle Marcy.

President, Ann Austin, called the meeting to order. The constitution was read and discussed for the benefit of the new members.

Officers for the coming year were announced and are as follows:

President, Ann Austin; 1st vice president, Rozelle Marcy; 2nd vice president, Elaine Singleton; recording secretary, Sue Bigham; corresponding secretary, Judy Bragg; historian, Ann Reagan; reporter, Cookie Gregory; delegate to City Federation, Ineta Kidd. Various committees were appointed and programs explained.

Mrs. Jack McCully, a member of the former "Mother Club", met with the girls and led the discussion concerning what kind of club the girls wanted and would support to the best of their ability. Each girl commented on the subject and all agreed to have a club that would promote cultural and educational programs to prepare them for future social life.

Refreshments were served by the hostess and the meeting was adjourned by the president.

**Mrs. Karr Hosts Espuela H D Club**

The Espuela HD Club met September 5 at 2 p. m. in the home of Mrs. Harold Karr.

Mrs. Victor Crabtree read a poem, "The Old Sewing Machine" for opening exercise.

The importance of knowing what size dress or pattern to buy was given by Mrs. Don Ramsey. Mrs. Bob Dixon showed the group how to alter a dress pattern.

Following the program recreation and refreshments were enjoyed by: Mmes. Toby Collett, John K. Johnson, T. A. Johnson, W. E. Ball, Pearl Morgan, D. L. Loe, Bob Dixon, Don Ramsey and Harold Karr.

The next meeting will be September 19 in the home of Mrs. Victor Crabtree.

**Waddell-Long Engagement Told**

Mr. and Rube Waddell announce the engagement of their daughter, Jerry Vanice, to Joe Bruce Long, son of Mr. and Mrs. Joe Long.

Joe Bruce is a 1955 graduate of Spur High School and will be a junior in Baylor University this year.

Miss Waddell is a 1957 graduate of Spur High School and plans to enroll in Baylor for the Fall semester.

**Mrs. Murphy Feted On 70 Birthday**

**What Is Chiropractic**

By Dr. O. R. Cloude, D. C.

Chiropractic is a philosophy, science, and art of things natural; a system of adjusting the articulations of the spinal column, by hand only, for the correction of the cause of disease.

The spinal column consists of the bone segments, called vertebrae, together with the sacrum and coccyx. The spinal cord and all the great nerve trunks pass from the openings between these vertebrae. The vital nerve force within man is carried by these nerve trunks from the brain to the various organs, muscles, and tissues of the body.

For every effect you must have a cause; that is a fundamental law of physics. If a person is ill, then the condition of disease, regardless of the name applied to it, is, in fact, an effect for which there must be a cause.

The Chiropractic premise is that the cause of disease is due to vertebral misalignments which produce an impingement upon the nerve trunks and thus interfere with the normal transmission of vital nerve force.

It necessarily follows that the only permanent way to do away with disease is to adjust its cause and thus restore free communication. Chiropractors do this by adjusting the displacement that causes the obstruction.

First the interference, then disease. First the cause, then the effect. Chiropractic does not treat the effects. Chiropractic corrects the cause.

# Way Back When

By Pauline Bateman

In the school year of 1926-27, four teachers at Afton were Alice Lawson, Mrs. Ruth, Miss Velma Barton, and Mr. Attaway. Many people remember Mr. Attaway as the superintendent the boys "ran off". When we get to thinking boys so bad these days, folks, let's remember that "boys will be boys". The story goes so it seems Mr. Attaway came here from the Eastern part, with the idea of all western people were wild and woolly. Some called him a meek, man, as indeed he had been, but in his favor they say that boys grew pretty then, and when they stood with their knives out and refused to be seated and have classes, he was somewhat discouraged and all we say a bit afraid. "Oh, we were just whittling" they say with a grin. Those men are men of families who live here and they really were good boys. All they needed was discipline, and somehow they got their luff in on Mr. Attaway. He would go and ask one of the lady

any discipline problems. Some folks don't know until yet that the lady teacher previously mentioned was the one to put him up to getting the baseball bat and showing them he meant business. Mr. Denison finished that term and taught the following term at Afton, along with his sister-in-law, Mrs. Virgil Denison and Mrs. Alton Lawson. Basketball and volleyball were played on an open court, outside, and some rough games have been fought there in that dirt, with neighboring schols, Midway, Duncan Flat, Prairie Chapel, Croton, and Dickens and others. In the school year of 1930, Mr. Terrel Hancock Bass came to Afton as superintendent and taught along with his wife, Mrs. Bass, and Mr. C. W. Giesecke, Jr. from Midway. Mrs. Giesecke was principal that year, but the next year Mr. Giesecke was superintendent. When Mr. Giesecke became superintendent, he worked with six teachers. Many will remember Miss Mary Green, Miss Nora Bayter, Miss Salie Rattan, Mr. Orville Hamilton, who taught in the years of 1930 and 1931. Trustees working with Mr. Giesecke in 1931 were Carl Randolph, Leslie Turpin, and O. A. Lefevre. On May 5, 1930, classes from

the Chandler school were transferred to Afton, making district No. 5, Afton, about 12 miles north and south at the longest part and about six miles east and west with several off-sets. At this time the district was composed of fifty one and one half square miles, and extended along the highway, west from the county line on the north to a point between the gin and the store at Dobbs City, where the line ran west for about one mile, and turned south for two miles. On the north from the highway the line ran along the county line, east for six miles, then turned south, and with south and west turns extended about 12 miles in a southerly direction making connections with the south line about 4 miles east of what was the nthe Elton Postoffice. Mr. Giesecke fast became a favorite with all the pupils, and won the heart and respect of the whole community. He was a man of action and words, too. When school dismissed for the gathering of crops, it was on one condition, that if the weather remained pretty school was dismissed, and if the weather was bad, school went into session. If he found the weather fair and school kept out, he worked right by everyone's side, either at the gin or pulling bales. On the school yard Mr. Giesecke played as hard as any of the pupils and they all had fun together, and when we went inside we soon learned that we were to get "book learnin'". He had a good motto which he often quoted—"work when you work, and play when you play". Through Government work a librarian and Home Economics project teacher were secured for part of the year. Mrs. Carriger was the project teacher, and Britton Forbes was the librarian. The depression had it with full force now, and so it remained for several years, but if any one felt the effect very much at least they were not lonesome, for most every one was in the same boat. People over this area and many other citizens over the country will not soon forget the drouth, and depression of the 30's. Especially the year 1934. We had long dry seasons and the farmers kept looking for a rain that never got here. The cattlemen appealed to the Government for loans and secured them to buy feed. The drouth continued and became so bad that the Government offered to buy the cattle and most owners sold since they had already lost their value, used up in the feed loan. Appraisers were sent over the country and prices were so low many people began canning the calves. Most cattlemen went broke in the feed loan. During the summer of 1930, for a short time Afton was an independent district, but this independence was voted off the same year. Some of the teachers at Afton along then were Tom Porter, Clarice Lane Thannisch and Mr. and Mrs. Lowrance. During these years the school went all out for Interscholastic League and not only the boys were interested in track meet but girls as well. The girls had some of the same track events as boys except we did not enter broad jump, hurdles, mile run, discus throw, or javelin. We had high jump, 60 yd dash, relay, and other track events. Most of the girls

tried out for this Track and Literary events usually took place at the same school and something was going on in every room—essay writing and debating. We were having the volley ball outside and declaiming on the stage. We had big times and I'll bet it was a lucky kid who boarded the school bus that morning with 50c in his pocket. We didn't expect any more. My, that would buy a hamburger, pop, and a lot of candy then, but that 50c was a sacrifice of the parents. During the term 1931-32 Mr. Giesecke again worked with six teachers but Mr. John Young, and Mr. Henderson Bateman were trustees with Mr. Leslie Turpin. In 1932, 33 the faculty had only one change; Miss Jennie Lou Jackson was a new teacher at Afton. There was a ball diamond then where our present school is located and during summer the outsiders had baseball games there. During the term of 1933-34, several changes were made in the personnel of the faculty. Miss Ruth Cammack became Mrs. Jack Barton, and before school started, the new term, Miss Jennie Lou Jackson changed her name to Mrs. Garlin Murphy. The girls had begun to wear shorts now instead of bloomers to play basketball and it was indeed a shocking sight to some of the matrons. Mrs. Jack Jackson was our coach one term and Mr. Giesecke, the other years. After Mrs. Jack Jackson began teaching at Dickens, she was Miss Cleon Newberry then. (Continued Next Week)

## Electric Cooking is COOL

It's truly an exciting song when you have an electric kitchen. You feel so thoroughly modern with electricity to help with every task. Electricity heats and cooks the food, does the dishes, makes the toast and coffee and even sterilizes the milk. It's dependable too! Night or day, whenever you flip a switch, you have electricity in there, ready and willing.

Cool, of course it's cool, because the heat cooks the food and not the cook. Electricity is so inexpensive you can use a lot of it.

# CHEVROLET PICKUP CLIMBS PIKES PEAK THE HARD WAY

## ...OFF THE ROAD!

An off-the-road run up Pikes Peak was called impossible by people who know the mountain well. But a production Chevrolet pickup actually did it ... to prove its pulling power and ruggedness!

All the way to the top without using the road! Here the truck scales high boulder pile near the 14,110-foot summit.

Steep grade near timberline—a rugged test of power. The power and torque of Chevrolet's famous Thriftmaster 6 proved more than a match for the most difficult grades.

Miles of loose boulders and thinning air offer extreme challenge. Yet the big Chevy engine never faltered; it performed flawlessly mile after mile, all the way up the mountain!

Final effort achieves summit! Pickup conquers Pikes Peak... shows why Chevrolet trucks are famous for staying and saving on tough jobs! Talk trucks with your Chevrolet dealer.
