## Bulldogs Challenge Chiefs Friday

Crosbyton's Chiefs will furnish the opposition for the Spur Bulldogs tomorrow night in Jones Stadium beginning at 8 p. m.

The Chiefs will bring a small but scrappy team to Spur. They hold a 32-0 win over Post. Post was barely beaten by Ralls, and Ralls upset a strong Floydada eleven last week, 16-6.

Coach Henry will field an injury riddled team against the Chiefs as fullbacks Travis Watson and Jennings Long will see only limited duty; tackle Randal Gilcrease will miss the tilt and guard Leslie Albin may see only light duty due to an illness.

Here are the probable starting lineups:

Cloude	E.	Hunsucker
Wilson	E.	Forgus
Morgan	T.	Drake
Bilberry	T.	Brewer
Holder	G.	Long
Albin	G.	Moore
Kidd	C.	Snodgrass
Gilcrease	QB	Hill
Powell	HB	Smith
Kissinger	HB	Edwards
Watson	FB	Moore

**SPUR 0, ANSON 0**  
The Spur Bulldogs and the Anson Tigers fought to a 0-0 tie here Friday night, in a bruising defensive battle that saw three Spur regulars injured.

All-District tackle Randal Gilcrease was injured on the second play of the second quarter; Full-

back Travis Watson was hurt when cut down by a block on an Anson punt return in the third period; and David Morgan, right tackle, was hurt three plays later when he tackled Jim Roberts, Anson halfback.

Gilcrease received a knee injury, is on crutches, and may be out for two weeks according to Coach Bill Henry. Watson aggravated a hip injury that he received in the Hamlin tilt; Morgan hurt an ankle, but may be available tomorrow night.

Both clubs missed scoring opportunities in the hard-fought contest that saw four interceptions and no completions out of the 12 passes attempted. Anson swiped three Spur aerials, the Bulldogs got one Spur pass.

Spur received the kickoff and moved the ball to the Tiger 28-yard line before Watson fumbled and Anson recovered. After one running play, the Tigers were moved deep into a hole as they were caught holding and penalized to their ten. Then Spur got a break as Anson punted short on their own 34.

The Bulldogs moved for one first down but the Tiger defense dug in as Kissinger made two; Powell failed to gain; Kissinger made five, and with fourth and three to go, Powell failed to make first down yardage and the Tigers took over just outside their own

ten.

Anson moved the ball out for a first down, then quick-quick on third down with ten to go. Then the two teams traded interceptions. Gilcrease tried a jump pass to Cloude but it was picked off by Mitchell and returned to the Spur 36-yard line. Roberts, the leading ground gainer of the night made two yards, then Spur returned the compliment and intercepted a Tiger aerial and returned to their own 45. Two plays later, Mitchell intercepted again with two minutes remaining in the first quarter.

The two teams saw-sawed back and forth until with eight minutes

remaining in the first half, Anson launched a drive that nearly brought them a touchdown. A 15-yard holding penalty against the

## Rules Revealed For Homecoming Floats, Parade

The class of '41 had its first meeting for 1957 Monday night, September 23 in the home of Mrs. Lewis Arnold.

Last year the class of '41 was appointed by the president, Bill Barrett, to have charge of the Homecoming parade for 1957. The following set of rules were made up and a memorandum copy will be sent to the representatives of each class.

1. All floats must be centered around Spur Bulldogs, passed or present.
  2. Floats will be judged according to appearance and originality.
  3. Prizes of \$15, \$10, and \$5 will be awarded to 1st, 2nd and 3rd places.
  4. Report must be turned in at the Chamber of Commerce two hours before the parade. Report will consist of (1) number of hours spent on making the float, (2) Expense of making the float, (3) Number of class members working on the float.
  5. All floats must be in place 30 minutes before parade time. After parade ALL floats will drive over to the stadium and park. They will all be presented at the home Friday night.
  6. Decorated cars will not be in competition with floats.
  7. Each class must turn into the Chamber of Commerce office by Friday noon a copy of what they want the announcer to say about their float during parade time.
- Suggestion for the float to be made by the class of '41 were discussed. Another meeting was called for Thursday night, September 26th.

## Spur Man Dies In Truck-Train Wreck

Albert Allen Brown, born May 17, 1927, was killed in a train-truck wreck September 21 eight miles east of Colorado City. The westbound train struck the truck broadside as Brown was driving south across the tracks, near Westbrook.

Funeral services were held in the Bethel Baptist church, Sunday, September 22, at 3 p. m. with Rev. Doc Love and the Rev. J. E. Lee, pastor, officiating.

Burial was in Red Mud Cemetery directed by Campbell Funeral Home.

Survivors include his mother, Mrs. W. G. McAnally, Spur, and one daughter, Tanya Gay Brown of Pampa.

Pallbearers were: Charley McClain, Burt Denton, Sam Shackelford, Jesse Shackelford, Andy McAnally and Floyd Smith.

## WHITE RIVER Directors Seek Government Aid

Applications are being prepared by the White River Water District to secure the entire \$4 million from the Federal Government, according to director Lynn Buzbee.

When the applications are completed they will be forwarded to the Regional Office in Fort Worth, and, if approved, sent to Washington for final approval.

## FOY VERNON IMPROVING FOLLOWING STROKE

Foy Vernon, vice president of the Spur Security Bank who suffered a stroke last Thursday, has been transferred to West Texas Hospital in Lubbock.

Vernon is reported to be improving.

## SMS CONSTRUCTION WORKER DIES OF HEART ATTACK

Jim Dumas, a construction worker on the SMS oil field pipeline, was pronounced dead on arrival at Spur Memorial Hospital following a heart attack suffered while at work.

Dumas, between 55-60 years old, was brought to the hospital about 11:30 Tuesday by two fellow workers. He was employed by the Lawson Construction Company.

The body has been transferred to Snyder for interment.

Mr. and Mrs. Raymond Powell and Mr. and Mrs. Bill R. Barrett visited Saturday night in the home of Mr. and Mrs. W. P. Foster in Hamlin.

## New Arrivals

Mr. and Mrs. Juan Rosalez are the parents of a girl, Guadalupe, born September 24. She weighed 6 pounds, 12 ounces.

Mr. and Mrs. C. S. Rogers, Pecos, are the parents of a girl, Janice Janell, born September 19. She weighed 8 pounds 14 ounces.

## Local, Area Farmers Hear Cotton Council Staffers Speak

Cotton is being out-researched, out-priced, and out-promoted by aggressive competitors and it will take an all-out effort to meet the challenge.

In a special presentation entitled "Cotton's Problem, Program and Potential," John Gregg and Earl Sears, staff members of the National Cotton Council brought this conclusion into sharp focus at a meeting here Tuesday night. Over 100 area farmers attended the meeting.

Gregg and Sears, armed with facts and figures developed during a two-year study by a special industry-wide committee, revealed that only with a truly adequate program of quality improvement, cost reduction, and sales promotion can cotton hope to gain a greater share of the total fiber market and build a brighter future.

The plain facts, the speakers said, are these: cotton's surplus is up, acreage has been cut, costs have risen, and profits are trending downward. Competition has increased a total of 2 million cotton bale equivalents since World War II. Synthetic fibers, domestic and foreign, have risen by some 8 million bales, paper by a million, and foreign cotton production has gone up 12 million bales. All these things make it urgent that cotton get competitive on a three-way basis of price, promotion, and research, the speakers said.

Regarding price, it was pointed out that cotton's position in relation to the newer synthetics is good, but, compared with rayon, cotton's major rival, it's poor. At home, rayon undersells U. S. cotton by 48 cents a pound, and by

about the same margin overseas. This price differential hurts cotton in many ways, not the least of which is the growing practice of blending. Blending a percentage of rayon—maybe 20 or 30 per cent—with cotton fabrics which used to be all cotton is eroding markets away, the speakers declared.

Promotion-wise the synthetic producers spend \$20 million annually to sell their products, compared with less than \$1 million a year spent by the raw cotton industry.

In this connection, the speakers noted that cotton's present and future sales promotion opportunities are unlimited. Using slides and other visual aids, they demonstrated how cotton can be effectively sold in those markets where personal preference and opinion are major sales influences. At the same time, they stressed the urgent need for bigger sales budgets in such markets as men's wear, work clothes, children's clothes, domestics, and rugs.

A grave disparity exists on the research front too, the speakers reported. Recognizing quality deficiency as their basic weakness, the synthetics have been pouring \$60 million a year (compared to cotton's \$14 million) into research. This effort has resulted in the development of man-made fibers superior to cotton from the standpoint of strength, abrasion resistance, and color fastness, and fibers equal to cotton in absorbency, heat resistance, and water repellency.

Despite these disquieting factors, however, cotton has made giant strides and great opportunities exist for cotton to forge further ahead. For example, despite limited funds, the program of the National Cotton Council—the organization that represents the entire raw cotton industry—has paid off dramatically, the speakers said. Since the Council was found-

ed, far greater consumer demand has been generated, and domestic consumption has risen by 50 per cent or 3 million bales annually. The Council's program has helped stimulate increased efficiency of production and processing. It has improved quality through research, and has spurred sales through hard-hitting advertising and promotion campaigns. With more production efficiency, more research, and more promotion, cotton can hold and steadily expand its markets, the speakers emphasized.

In fact, they said, if cotton can merely hold on to its present share of the domestic and foreign market, the present trend can be reversed and a market for 15 million bales can be built in four or five years. And this can keep pointing upward to 17 million bales by 1965. This will come as demand for fiber products grows across the world, and under conditions of continued population growth and improved standards of living.

On the other hand, if consumption of cotton can be increased by but one per cent at home and by 20 per cent of the expected foreign textile consumption rise, then cotton can balloon its total market to over 17 million bales by 1965.

The Tuesday meeting was one in a series being held across the nation's Cotton Belt designed to acquaint all those having a stake in cotton's future with the nature of the current crisis. Bill Glenn served as chairman of the meeting.

## Asian Flu Continues To Spread In Texas; Schools, Industry Hardest Hit

Earlier predictions of a widespread Asian influenza epidemic this fall and winter appear to be materializing although no cases have been reported in Dickens County according to Dr. J. F. Hughes, County Health officer.

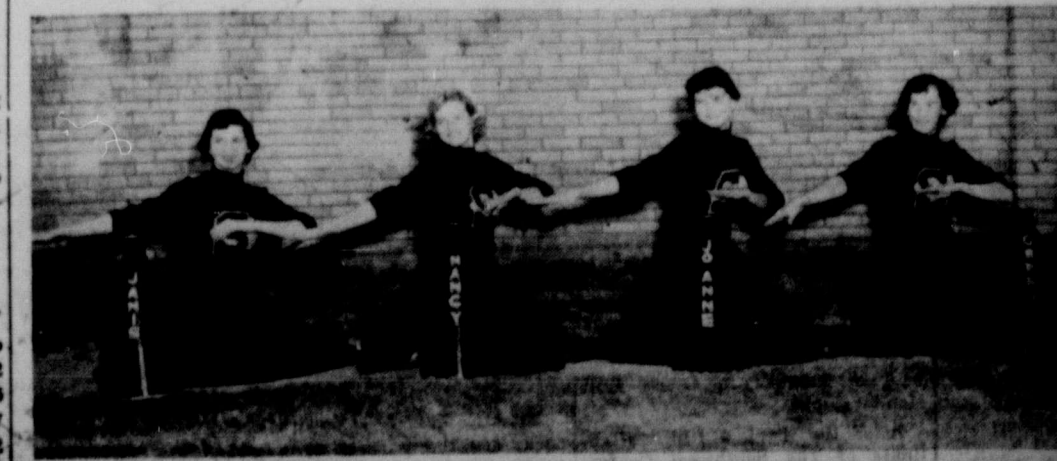

Only five brief months have passed since last April when the disease was first recognized in Hong Kong. This speed of spread is typical of the illness.

So far, Asian influenza, which is really a new strain of a virus type well known to laboratory technicians, has been comparatively mild. This very fact has caused many people to ask why so much noise is being made about it. There are several good answers.

First, even mild influenza can be disabling for four or five days, followed by a period of lassitude and weakness. If enough people are stricken at the same time, as in an epidemic, medical care facilities may be overtaxed and vital community services may be disrupted. These possibilities may be averted by forewarning and careful planning.

Second, influenza is always unpredictable. Cases are frequently complicated by bacterial infections. And, even when uncomplicated, the illness has a particularly dangerous impact on persons suffering from heart ailments or other chronic diseases.

Experience has shown that the

Texas Tech Halfback

**Texas A&M, Tech Meet Saturday In Lubbock; Sellout Crowd Expected**

Texas A&M, in the top ten of all major national rankings, meets Texas Tech before an anticipated sell-out in Jones Stadium here Saturday night.

All reserved seats have been sold for three weeks, and at the first of the week only 2,000 end zone seats remained on sale.

Bear Bryant's Aggies, 21-13 winners over Maryland in a nationally televised contest Saturday, are prohibitive favorites over the Red Raiders, who lost to West Texas State 19-0.

Despite the Raider's loss, Tech Coach DeWitt Weaver was encouraged by several phases of the Raiders' showing. "They never gave up and hit hard throughout," Weaver said of his team. Although Tech got only to the one-yard line in the last second of play, the Raider offense functioned well for an opening game—even surpassing the Buffaloes' yards-per-play in rushing.

Unfortunately for the Raiders, of the 18 times they gained possession, only once did they avoid a fumble or a penalty. The Buffs set up their three touchdowns on a pass interception and two fumble recoveries. West Texas showed the best passing it has had in recent years, mainly on the arm of fleet Ron Mills of White Deer. Halfback Milton (Rabbit) Vaughn

Bulldogs and the running of Jimmy Roberts moved the ball to the Bulldog 15. The Tigers racked up three first downs in the process. With fourth down and about five to go for a first, Roberts took the ball on a double reverse, found himself in the clear, but chose to pass instead, and it went incomplete to Calhoun who was mowed by Powell.

A Spur threat spluttered and died inside the Anson ten as Kissinger failed to make first down yardage late in the third period. The officials started to measure, changed their mind and the Tigers took over. Jennings Long gave the drive a new life when he picked up a first on fourth and two near the Anson 15 yard-line.

With about five minutes to play, Cloude fell on an Anson fumble just outside the Tiger 10 yard line. But on the next play, the Tigers intercepted a pass and barely managed to get back on the field of play, coming to rest on their own one. An offside penalty moved the ball to the 1/2 yard marker from where Roberts came roaring out for a first down. The fleet halfback rolled up 72 yards on 15 carries and was the leading ball carrier in the game.

With 30 seconds remaining on the clock, Anson punted; but Spur was content to settle for a tie as Hairgrove went diving into the line on the last play of the game.

The Bulldogs displayed a potent defense that up to now has allowed only 20 points in three games. However, for the first time this year, the Bulldogs faced a team that made both more first downs and more yards rushing.

FROM  
WHERE  
I  
SIT...

BY JOE HARRISON

With Randal Gilcrease definitely out of tomorrow night's game with Crosbyton, Coach Bill Henry may borrow a page out of Casey Stengel's book, and shift players to plug some injury riddled positions.

Henry said he might move guard Jimmy Holder to tackle. Jim Gabriel would then take over Holder's guard slot. Or, Don Kidd, a center, might be moved to tackle. (Henry's centers all know the tackle blocking assignments.) Still another possibility is that Billberry, the starting center, might move to tackle and Kidd will move to center. Coach Henry said he didn't know exactly who would start or what combination he might use Friday night.

**B-Team Romps Crosbyton 20-6**

Don Morrison passed for two touchdowns last Thursday as the Spur B-Team scored a 20-6 win over the Crosbyton B-Team in a game played in Crosbyton.

Spur scored their first touchdown when Morrison passed to Woody McArthur from 30 yards out.

Then Morrison hit Jet Conner with another 25-yard scoring toss to move into a two touchdown lead.

Bobby Greer scored the last Spur touchdown on a running play from four yards out.

**Blair Is 'Player Of Week'; ENMU Tops Col State**

Two senior lettermen, quarterback Curtis Blair, Spur, and end Jerry Bailey, Brownfield, have been named "Greyhounds of the Week" for their performance in the 7-3 ENMU win over Colorado State at Fort Collins last Friday night.

Blair completed nine of 11 passes for 124 yards and the Hounds only score. Bailey, an honorable mention mid-bracket All-American last season, was on the receiving end of the scoring pass and grabbed four other Blair passes. He also led a determined Silver Pack line that allowed the Bears to penetrate inside the Hound 10-yard line only once.

Fullback Travis Watson re-injured his hip, and his replacement, Jennings Long, came up with a badly sprained ankle and appeared to be in worse shape than Watson. However, Henry said both Watson and Long will probably see some action against the Chiefs.

For insurance, Henry has been letting Alan Kissinger work at Fullback. This would leave Powell and Hairgrove or Suits at the halfback posts.

David Morgan, who hurt an ankle in the Anson game, probably will play. However, guard Leslie Albin has been ill and may see only limited service.

In our opinion, the Bulldogs faced one of the best backs they will see all year in the person of Jim Roberts, Anson halfback. The fleet Anson lad lived up to expectations as he ground out 72 yards to become the leading ball carrier in Friday night's defensive battle.

Roberts proved himself on defense also as he knifed through on several occasions to lance into Spur backs. Spur fans can multiply Roberts by three and get a visual image of what the Lockney Longhorns will field in their backfield.

The Bulldog defense left little to be desired in the Anson game. The line was fooled slightly on the double reverse executed by Roberts. We thought Roberts showed poor judgment in passing on this play when he appeared to be wide open. However, high school players can't be expected to think and react like pros.

The Bulldogs have yet to win a game, although they have played creditable ball. Their opponents have managed to score but 20 points in three games, an average of 6.75 points per game. However, the Bulldog offense has been able to score only 14 points. It is hard for a team to lose; it is hard for a Coach to lose, yet, the fans are the ones who scream the loudest after a defeat. It should affect them least of all. It takes a good man to be a good loser, but after all football is just an extra-curricular activity, offered in high school in order that a boy may learn teamwork, sportsmanship, and finally, as an extra incentive for a boy to continue his school work.

Let's give the team a little more support—there was only a handful, about 20, at the Booster Club meeting Tuesday night. Let's attend these meetings better. And, remember, there's a pep rally Friday afternoon in the gym beginning at 2:30 p. m. Be there, won't you?

# 49,273 Texas School Children Were Injured In 1955-1956 School Year

An average of three out of every 100 Texas school children were injured at school, en route to and from school, or at a school sponsored activity during the 1955-56 school year, reports J. W. Edgar, Commissioner of Education. Of 1,745,347 school children, 49,273 were injured.

The figures were compiled from data supplied by local school superintendents in their annual reports to the Commissioner of Education. Figures for 1956-57 are not available.

Most of the injuries occurred in athletic or recreational activities. Thirty-seven per cent of them occurred in organized baseball, football, and basketball. Another 21 per cent resulted from scurrying about, shuffling, and running together. Falling off swings, slides and playground apparatus accounted for 9 per cent of the injuries.

Seven pupils lost their lives due to accidents, 1 in vocational shops, 5 in connection with school transportation, and 1 in "other types." Only 14 per cent of all accidents occurred on stairs; however, one school employee had a

fatal accident on a stairway.

A part of each school's responsibility is safety education, Edgar says. Each child needs to become aware of the dangers that confront him.

The Texas Education Agency, in cooperation with school officials, teachers, and interested groups, prepares and distributes materials which suggest procedures for teaching safety.

"The Elementary Teacher and Safety Education," "Safety Education in Secondary Schools," and "Your Pupils: Their Safety Lies in Your Hands," are three teaching aids available from the Agency. These publications suggest procedures for each area of safety for each age group.

Children's attitudes toward safety precautions are developed over a long period of time. These attitudes are begun before the child reaches school age. The Texas Congress of Parents and Teachers have prepared a bulletin, "Happy Journey" which contains helpful material on developing safety consciousness in pre-school children.

## Tech Choir Billed On Ed Sullivan Show Next Spring

Texas Tech will get national billing next Spring when the Tech Choir appears on the Ed Sullivan Show.

The 40-voice group has been scheduled by Sullivan to appear sometime during the school year and a date late next Spring has been requested. Prof. Gene L. Hemmle, music department head, announced today.

Expenses for the Choir's trip to New York City will be defrayed by Sullivan and a fund raising campaign to be staged by the Choir this year.

The television showman said he will contribute \$1,000 toward the Choir's expenses. Hemmle said the Choir hopes to get some financial aid from the Tech Student Council in addition to the fund raising program.

Hemmle said the New York trip will replace the annual tour through Texas and New Mexico. It will accept other appearances in New York if cash bookings will not violate the contract with Sullivan.

The Texas Tech Choir has won acclaim throughout the state and recently appeared with the Dallas Symphony Orchestra. The Tech group also won a standing ovation after singing at a convention of Texas radio and TV producers last year.

Hemmle said that the songs the Choir will sing on the TV show will depend on the season and on the time allotted on the air.

Tentative plans call for the Choir to fly to New York so members will be away from classes the shortest possible time.

Steel Hill Church Wins County Award

For the second consecutive year the Steel Hill Baptist Church near Spur has been named winner of the Town and Country Achievement Award sponsored by the Dickens Baptist Association, spokesmen said in Dallas.

The church is now competing with other associational winners in District Nine of the Baptist General Convention of Texas. Both district and associational winners will be recognized at the annual state convention in Fort Worth, Nov. 5-7, when the first place state award will be made.

The Rev. Clyde B. Spann, pastor of the Steel Hill church during the year's competition, said the church is one of 335 Texas Baptist town and country churches participating in the program this year.

Patton Springs FFA Frosh Elect Officers

Members of the Patton Springs freshman class elected FFA officers recently. They are: Gene Harris, president; Buddy Nelson, vice president; Johnny Kimmel, reporter; Ronnie Mullins, sentinel; J. W. Joplin, secretary; Jerry Gage, treasurer; and Dickie Randolph, student advisor.

There are 16 freshmen enrolled in the Agriculture class; all have paid chapter dues.

Mrs. Robbie Leighton and children of Lubbock visited Monday in the home of her brother, Mr. and Mrs. Charles Scott.

## President Of State Federation Due For Spur Visit Monday

Mrs. A. J. House, president of the Texas Federation of Womens Clubs will be a guest of the Spur Federation on September 30 at 7 p. m. in Dyess Hall.

All interested persons are invited to attend and should make reservations by calling Mrs. Jesse Morrison by tomorrow, Friday. Tickets to the dinner are \$1.50.

Persons who do not wish to attend the dinner may come at 8 p. m. to hear the address.

## Drivers Careless In Local School Zones

Local drivers have been neglecting stop and speed signs in school zones according to City Police Officer Wayne Beadle.

Beadle reminds local drivers that the speed limit in a school zone is 15 miles per hour and drivers should honor all stop signs.

## Newspaper Article Creates Protest

An article in the Texas Spur last week has stirred up quite a few people according to Game Warden Cecil Fox.

It stems the general public thought the \$495 fine handed down by Justice of the Peace E. V. Arthur was too much.

However, the article failed to mention that the men had 11 quail in their possession.

## SHERIFF'S POSSE DOWNS JACKSBORO TEAM, 18-7

The Dickens County Palmetto Polo team defeated Jacksboro 18-7 last Saturday.

The Jacksboro team has scheduled a rematch for Spur on Sunday, October 6.

On October 7, the Dickens County Sheriff's Posse will hold a dinner meeting in Dyess Hall, beginning at 8 p. m.

## Mrs. Barrett Hosts Exchange Club

The Exchange Club met September 18, with Mrs. Georgia Barrett as hostess.

Mrs. Vera Roberson, president, presided over the meeting. Plans for the next three months were discussed and gifts were exchanged after which games were played and enjoyed by all.

Hamburgers and iced drinks were served at the Dixie-Dog to the following members: Edna Allen, Nellie Carlisle, Bertha Carlisle, Janie Cash, Toots Chambliss, Sue Hinson, Ruth Powell, Vera Roberson, Ellen Sharp, Dovie Smith, Velma Watson, Nell Scott, Leoma Cross and Georgia Barrett.

Mr. and Mrs. Odie Cash visited over the week end in the home of their son, La Verl and family in Lubbock.

## AND AWAY WE GO!

For spectacular thrills and chills, there's nothing like the "Mad Scramble" event at the 26th annual Texas Prison Rodeo in Huntsville each Sunday in October. The "Mad Scramble" is an event not duplicated at any other known rodeo in the world.

## Rodeo Fans Look Forward To 26th Texas Prison Rodeo, Starting Oct. 6

The 26th Annual Texas Prison Rodeo once again looms ahead with the anxious anticipation of countless avid rodeo fans and convict contestants alike.

Consistent top money winners in the Prison Rodeo are eagerly awaiting the opening date October 6, to again test their nerve against the brawn and savagery of the wildest rodeo stock available.

Skilled convict riders, with long prison sentences, throw caution to the winds in vying for the prize money stakes awarded to the dexterous or "lucky" winners.

Fearless riders like O'Neal Browning, Vernon Abbott, Gail Hall, Walter Henderson, Ernest Sheppard, Dwight Hoskins, Herman Sigler, and many others are quite familiar to the enthusiastic rodeo fans who throng to this gala event each year. Many new faces will also deck the arena this year who are equally determined that the 26th birthday of this annual event will be the best yet.

The spine-tingling opening event is the Mad Scramble, a contest where 10 wild Brahman bulls and their fearless convict riders are speared out of the chutes simultaneously amid the popping of firecrackers, creating bedlam and confusion of thrills and spills as only daring cowboys and savage rodeo stock could provide. This act is not known to be shown at any other rodeo in the world, as

## Harrison-Morgan Vows Read

Miss Della Harrison and Bill Morgan were married September 6, at 7:30 p. m. in the parsonage of the Four Square church at Lubbock, Texas.

Rev. Enger Pastor, performed the ceremony. Donna, sister of the bride and Bill Madden, cousin of the bride and Miss Jean Bishop, were the only attendants.

The bride was attired in a baby blue suit with white accessories.

Della is the granddaughter of Mr. and Mrs. A. M. Madden with whom she has been making her home. She is the daughter of Mrs. C. L. Paul of Denver, Colorado.

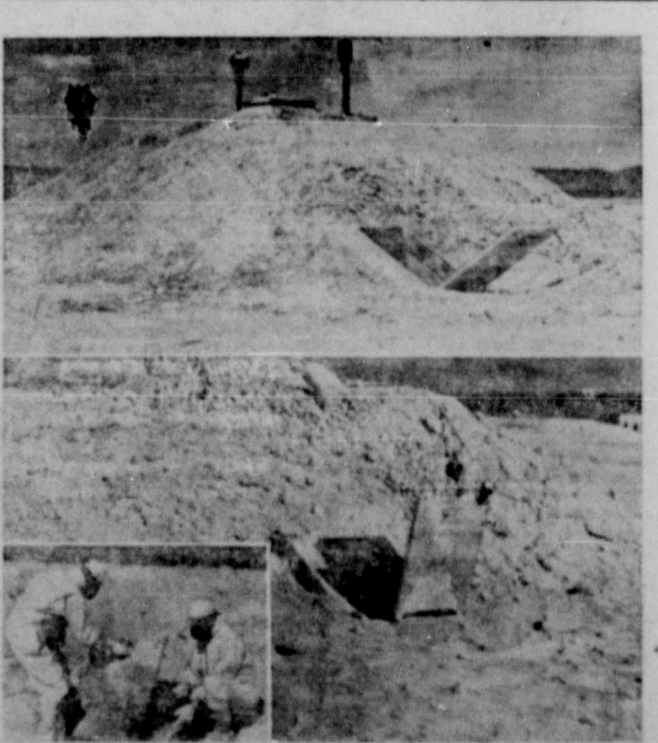

Bill is the son of Mr. and Mrs. M. M. Morgan of Megargle, Texas.

They plan to make their home at Olney, Texas.

## Famed Stars To Sing In Dallas' Civic Opera

Two reigning prima donnas will open the Dallas Civic Opera Company's first season in November at State Fair Auditorium. Maria Meneghini Callas, the most sensational musical personality of this generation, will make her first appearance in the Southwest singing a concert of operatic scenes Thursday evening, Nov. 21. Giulietta Simonato, renowned soprano star of Italy's La Scala, will head a cast of international artists in Rossini's "The Italian Girl in Algiers" in two performances Friday evening, Nov. 22, and Sunday matinee, Nov. 24. The Dallas Symphony Orchestra, conducted by Maestro Nicola Rescigno, will play for both productions. The new civic-sponsored opera company has opened offices at 1315 Elm St., Dallas, to receive ticket reservations from music lovers throughout the Southwest.

HOME SHELTER of reinforced concrete (top) at the Operation Plumbbob atomic tests in Nevada withstood a blast pressure of some 65 pounds per square inch (bottom) with damage only to vent pipes (the average house can withstand a pressure of about one pound per square inch). The shelter, which could accommodate about six persons, was covered with 1 1/2 feet of earth for near-complete protection against initial radiation in blast areas. When specially-dressed radiological monitors (inset) entered the area after the A-blast, they found the steel plate door undamaged and easily opened with normal pressure. ## Butler Mannings Feted With Shower

Mr. and Mrs. Butler Manning, who were married August 27, were honored with a kitchen-pantry gift courtesy on September 18 in the E. S. McArthur home in Spur.

The setting for the party was in true pioneer tradition in the newly built log cabin the McArthurs have furnished in early American style.

Colorful fall flowers were arranged throughout the cabin by Mrs. Thurmond Moore. The serving table was laid with a checked gingham cloth, punch was served from a deep redwood bowl and poured from a gourd dipper. Tea cakes were arranged on a rosewood tray flanked by a matching fork and spoon, to complete the table decor.

The Bride's Book was in two shades of orchid, with sprays of lilies and satin ribbon bows made by Mrs. D. L. Pace who registered the guests.

Tea cakes, punch, coffee and melons were served to the following: Mrs. Susan Cross, John and Minnie Reed, Mr. and Mrs. George Erath, Desjoe Cross Benson, Mrs. Douglas Hinson, Sue Scott Hinson, Mrs. Maggie Smith, Mrs. Ola George, Mmes. Gray Draper, Ella Hale, Jack McCully, Rachel Ellis Bingham, Edna Cross Fuqua, Brookie Martin, Minnie Smith Phillips, Milton Smith, Anamae Smith, Milton Wyatt, Elsie Aihart Smith, Bertha Aihart McArthur, Mr. and Mrs. Eldridge McClain, Jeff Smith, Forrest Martin, Ed McArthur and the honorees, Mr. and Mrs. Butler Manning.

The hostess gift was an old fashioned mirror with a shadow-box frame.

Hostesses for the occasion were Mrs. Thelma McArthur Moore, Georgia Martin Pace, Edna Aihart McArthur, Mollie McBroom Smith, Effie Williams Jones and amie Garrett Martin.

## Hamlin Schools Host P-TA Boards

Mrs. Horace Wood, Parent-Teacher vice president of Dickens, Motley, Cottle and King Counties, attended the meeting of the Board of Managers of the 18th District in Hamlin on Tuesday, September 18. Twenty-one members of the board were present for the coffee hour in the home of Mrs. M. L. Smith, and were guests of the Hamlin schools for luncheon in the cafeteria.

Mrs. Bob Herren of Haskell, president of the district, introduced Mr. M. H. Galbreath of Girard, who opened the session with a prayer. Reports were given by district vice presidents, chairmen, officers, and city council chairmen.

Mrs. T. A. Swenson of Tyler, State Representative, spoke to the group on the objects of P-TA work, and outlined the qualities of Parent-Teacher leadership. She presented the three B's of the P-TA: Belong, Believe, and Build.

## Robinet-Young Engagement Told

Mr. and Mrs. Homer Robinett announce the engagement of their daughter, Beverly, to Doyle Young of Lubbock.

Vows will be read October 12 at 8 p. m. in the Watson Baptist church at Calgary. A reception will follow immediately in the Calgary Community building.

Friends and relatives of both families are invited through the press to attend.

## Harmony Club Meets With Mrs. J. C. Reese

The Harmony Club met Tuesday, September 24, at 7:30 p. m. in the home of Mrs. J. C. Reese with Miss Carolyn George as co-hostess.

"Music in the Home", the theme of the program, was presented by Mrs. Grady Lackey, Jr. The children of several of the members rendered solos, duets, and readings. Linda Lackey's piano solo, "Melody", was followed with a trombone and piano duet by Johnny and Melvita Floyd. Maxina Steele played "Estrellita" as a solo and Priscilla and Becky Nunley sang "Tonight you belong to Me", accompanied at the piano by their mother, Mrs. Bob Nunley. "Rhonda", a piano solo, was played by Elaine Moore and Kay Lackey's reading "Practice", was very timely. Linda Lackey and Priscilla Nunley's piano duets "High in the Sky" and "In My Neighbor's Garden" were followed by a piano solo by Becky Nunley.

The Christmas Cantata was discussed and plans were made to order new books and start to work in the near future.

The club plans to attend the concert sponsored by the Lubbock Symphony Orchestra in Lubbock, Oct. 22, featuring Dorothy Kirsten as guest artist.

Members will want to remember the change in meeting place for the next meeting. Mrs. Joe Harrison's home will be the scene of this meeting.

Refreshments were served to 13 members and 8 children.

## Mrs. Crabtree Hosts Espuela H D Club

The Espuela Home Demonstration club met September 19 in the home of Mrs. Victor Crabtree.

Mrs. D. I. Loe read an article on "Friendship" for the opening exercise.

The demonstration was on "Beauty Aids" and was given by Mrs. T. A. Johnson and Mrs. Toby Collett.

Recreation was led by the hostess and refreshments were served to: Mmes. G. L. Delisle, W. E. Ball, Bob Dixon, D. I. Loe, Harold Karr, Toby Collett, T. A. Johnson, Pearl Morgan, Don Ramsey, John K. Johnson and Victor Crabtree.

The next meeting will be October 3 in the home of Mrs. Toby Collett.

## Mrs. Agnes Marrs Hosts Girard Club

Color and how it affects you was the most interesting program given to the Girard Home Demonstration club by the agent, Mrs. Agnes Marrs in her home this week.

The next meeting will be held in the home of Mrs. Blue Stephens October 2. Everyone is invited to attend.

## Talitha Watson Fetes Golden Age Circle

Fourteen members attended the meeting of the Golden Age Circle of the WSCS in the home of Mrs. Talitha Watson. The president, Mrs. Ince, led the program which surveyed the organization of the WSCS. A panel consisting of Mmes. Smart, Hargrove and Rogers detailed the purpose, operation and the functional set-up of the WSCS.

Two new members were added to the roll, Mrs. V. C. Smart and Mrs. Costolow.

Refreshments of cake and ice cream were served to Mmes. Blair, McGaughy, Nalley, Smith, Rogers, Smart, Costolow, Howell, Whitener, Ince, Morris and Hargrove.

Plans were made for projects for the ensuing year.

## Mrs. Morrow Hosts Culpepper Circle

The Culpepper Circle met in the home of Mrs. Thurman Morrow, Monday evening at 8:00.

The meeting was opened with prayer, led by Mrs. Arner Watson. After a business session, Mrs. Logan Singleton had charge of the program. Those giving some interesting facts on Mission in Pakistan were, Mmes. Hines, Scott; Scudder; Smith; Dunwoody and Berry.

The meeting was dismissed by a prayer led by Mrs. Tang Smith. The next meeting will be with Mrs. Wayne Beadle, October 14.

Refreshments of pie and coffee were served to the 14 members and one visitor.

## Sue Bigham Hosts Girls Social Club

Wednesday, September 18 at 4:30 p. m. the girls club, formally known as the Daughters of the 1931 Study Club, met in the home of Sue Bigham. Ann Austin, president, presided over the meeting. Agatha Ellis, who was program leader for the meeting, introduced Mrs. Everett McArthur, a teacher in East Ward, who presented a program on Parliamentary procedure. First she gave a general outline to follow during the meeting of a study club and then discussed various parts at length as was needed. The program was interesting and beneficial to all present.

Mrs. Jack McCully is meeting each time with the girls until they can get a club to sponsor them.

The hostess, Sue Bigham, served refreshments and the meeting was adjourned.

## Mrs. McArthur Hosts Soldier Mound Club

The Soldier Mound Home Demonstration club met Thursday, September 19 at 2:30 in the home of Mrs. Dee McArthur.

The hostess gave a demonstration on making Strawberry Festival pie, which can be prepared in a very short time with packaged vanilla pudding and strawberries.

Refreshments were served to the following: Mmes. Ollie Hindman, Hade Condron, John Aston and Floyd Barnett.

The next meeting will be with Mrs. John Aston, October 3.

## THE GREATEST NOVEL WRITTEN... ALIVE ON THE SCREEN!

"TOWERS OVER ALL MOVIE GREATS!"  
 "A TRULY GREAT PICTURE!"  
 "A SPECTACULAR MOVIE!"  
 "BRILLIANT!"

The stupendous sweep and fury of a great military invasion; the loves, heroism and pathos of a score of unforgettable people caught in the turmoil of war; an epic majestic splendor of a glamorous world crumbling before the surge of mighty forces in conflict are the vast elements out of which Leo Tolstoy created a monumental novel that has been called the greatest ever written.

Long considered impossible to film because of the enormity of its range and the complexity of its many interwoven stories, the 1400 pages of "War and Peace" have at last been distilled into a huge, three-hour-and-twenty-eight-minute motion picture that loms as one of the most extraordinary movie making achievements.

Purina health aids... true "trouble shooters"

Now's the time to get prepared for changeable fall weather. It can cause real trouble in your poultry house if you get caught without proper treatments on hand.

We have a complete line of poultry "trouble shooting" health aids. Products built to get your birds back on feed following stress periods and vaccinations.

Purina Boost-R-Aid is one of the best known poultry drinking water treatments. Boost-R-Aid is a vitamin and antibiotic formula for chickens and turkeys.

Another fine Purina health aid is Chek-R-Mycin, a water soluble Aureomycin product used to treat several poultry diseases. Be prepared for poultry emergencies this fall. Get all your Purina health aids soon at the Store with the red and white Checkerboard Sign.

Bulky-Las will help you build low condition

Here's a new and proved way to feed dairy cattle on pasture—supplement the grass with Purina Bulky-Las.

Test after test has shown that grass-fed dairy cattle are hungry... hungry for the vitamins, minerals, and proteins they need to keep their body weight and milk production up! But, when you supplement pasture with Purina Bulky-Las, cows aren't hungry anymore! Their weight should stay up... and so should their milk production!

Widen the with Purina Steer Fatena

You cattlemen all want to make as much money as you can on your fall cattle.

Well, then, Purina Steer Fatena is the supplement to feed. Because Purina Steer Fatena will help you Widen the Gap between feed costs and market prices.

According to USDA, the average cattleman feeds about

nine and a half pounds of feed to produce a pound of beef. However, in four recent public feeding demonstrations, Steer Fatena-fed cattle made that same pound of beef on only seven and a half pounds of feed.

That's better than two pounds of feed saved for every pound of beef produced the Purina Way.

Add these feed savings up you readily see why Purina Steer Fatena has become known as the feed that may cut costs. So, for real feedlot

Hurry your pullets into the nest on Purina

Egg prices are beginning to climb. This should mean just one thing to you. Get your pullets into production as early as possible. Get the most from them while egg prices are strong.

Records from a million and a quarter birds show growers saved from five to seven cents below average feed cost per dozen eggs produced last year on Purina.

Whatever your grain situation is there's a Purina Laying Chow to fit your needs. Get your pullets on Purina Laying Chow as soon as they come into production. Ask us to help you work out the feeding program that best fits your own needs. We'll be glad to show you how Purina helps produce lots of big eggs... at low cost per dozen.

Now! The year's lowest prices on the one car that's going to stay new!

Plymouth's Double-Value

# DEAL-AWAY!

### 1 YEAR'S BIGGEST SAVINGS!

Previous prices topple to brand-new end-of-season lows. A years-ahead Plymouth was never so inexpensive. And remember, too—your present car will never again be worth as much in trade as it is right at this moment, during the Plymouth Deal-Away.

### 2 THE CAR THAT WILL STAY NEW!

You keep right on saving... because Plymouth is the only new car that's going to stay new. One look at that years-ahead Flight-Sweep Styling; one test of satiny-smooth Torsion-Aire Ride is convincing proof. And that means your new Plymouth is going to be worth more—far more—when trade-in time finally rolls around.

### ONLY PLYMOUTH GIVES YOU ALL THESE FEATURES NOW!

- Flight-Sweep Styling... the new shape of motion
- Torsion-Aire Ride... tames the roughest road!
- Double-Header Lights... increased safety
- Push-Button TorqueFlite... optional on all models
- Directional Stabilizer Fins... safer travel at all speeds
- Dozens more... see for yourself with a test drive!

You'll be proud of the deal... prouder still of the car!

Look ahead... buy ahead... buy a Plymouth and own more of the future right now!
