NUMBER 51

## THE Editor's Corner...

By Joe Harrison

With the attention of America and the world at large still centered on Central High School in Little Rock, Ark., where disturbance, distraction and disrespect of authority still prevailed at this writing, the nation's number one problem still seemed to be how to get the President off the hook on which his Attorney General had impaled him.

The best hope could well be the appointment of another Governor's Committee by the Conference of Southern Governors—omitting Maryland's curiously belligerent McKeldin, and perhaps Tennessee's loquacious Clement and including Governor Faubus.

It will be recalled that the original committee, appointed at the governors' Sea Island conclave, reported success in their White House mission, and an official statement from the White House declared that, "upon a declaration on the part of the Governor of Arkansas that he will not obstruct the orders of the Federal courts and will, in connection therewith, maintain law and order in Little Rock" the President would order return of the National Guard to the Governor's command and "as soon as practicable" withdraw all Federal troops.

The governors reported that Faubus had agreed by phone to comply. Received shortly afterward at the White House, his statement read: "I now declare that upon withdrawal of Federal troops I will again assume full responsibility, in cooperation with local authorities, for the maintenance of law and order, and that the orders of the Federal courts will not be obstructed by me." And a few hours later, after Attorney General Brownell—the man who is reliably reported to have prevented agreement between the President and the Governor at Newport—had rushed to the White House, the nation was stunned with the announcement that the Faubus response was "unsatisfactory."

It seems apparent now that if the palace guard had been more interested in ending the intolerable and shameful stalemate in Little Rock, and less determined to continue shaking the Federal fist under the noses of all our 48 governors—if they had included Governor Faubus in the White House meeting—the wounds of the Arkansas "occupation" might now be healing—however slowly.

Things have really been hopping around the office this week. Asian flu, overwork or something finally caught up with our shop foreman, William Starcher, and we've been short handed this week.

The "big boss" sacrificed a day in his plush furniture store and came over to help pull us through.

Billy Ray Barrett, president of the Ex-Students Association has been walking around with his head in the clouds the past two days. No, he's not stuck up, he's trying to determine what kind of weather we will have for Homecoming.

A shower could spoil several outdoor activities planned by the association this year, including a barbecue Saturday afternoon.

Hope the weather is good.

### RUBEN MORENO ENROLLS IN MARY HARDIN-BAYLOR

Ruben Moreno of Spur has enrolled at Mary Hardin-Baylor college for the fall semester, the registrar's office has announced. During the past three years under President Arthur K. Tyson's direction, the college has doubled its enrollment, built a \$250,000 physical education building, and has spent \$180,000 for repairs and improvements.

Moreno, son of Mr. and Mrs. E. B. Moreno of Spur, is a freshman commercial arts student.

Robert Beeson was home from Tech over the week end visiting his mother, Mrs. Loretta Beeson.

## Spur Meets Abernathy In Homecoming Game Friday Night

### Bulldogs Seek Second District Win Friday Night

The Spur Bulldogs will host the Abernathy Antelopes as the feature attraction of the Spur Homecoming, October 10, 11 and 12.

The game will begin at 8 p.m. Friday night in Jones Stadium. A near capacity Homecoming crowd is expected.

Abernathy played highly rated Lockney a very close ball game for two quarters last week, only to succumb to the vaunted Longhorn running attack led by Williams and Race.

Randal Gilrease, Spur All-District tackle, has been out with a knee injury the past two weeks, and may not see service in the Abernathy tilt.

Jennings tilt, reserve fullback and corner man, has a foot injury and may miss the game also. Long did not suit up for the Tahoka game last week.

At best, area grid fans are expecting to see a bang-up contest. Last year, Spur, Abernathy and Lockney tied for the District championship. Abernathy defeated Spur; Spur drubbed Lockney and Lockney toppled Abernathy.

Abernathy has lost won District game this year; Spur and Lockney both hold one victory.

**SPUR 13, TAHOKA 7**  
After romping the Crosbyton Chiefs 40-0, the Spur Bulldogs returned to their familiar low scoring pattern as they downed the Tahoka Bulldogs 13-7 last Friday in the district opener for both teams.

Spur took the opening kickoff and marched 66 yards to the Tahoka 6 yard line where they lost the ball on a fumble. Tahoka returned the compliment moments later, however, and Ernest Wilson recovered on the 20. Spur scored six plays later as fullback Travis Watson boomed into paydirt from two yards out. Kenneth Sultis converted and Spur led 7-0.

Tahoka quarterback Prohl showed that the Bulldogs meant business and weren't afraid to gamble when facing a fourth down and four situation. He chose to pass from his own 47, and hit his right end for 28 yards and a first down on the Spur 25. It was there that the Spur defense, led by Kenneth Gilrease, Ronnie Cloude, Jim Gabriel and Royce Bilberry, stalled the Tahoka drive. Prohl failed to make enough yards for a first down and Spur took over.

Spur threatened again midway in the second period when halfback Alan Kissinger intercepted a pass. Gilrease, taking his cue from the Tahoka quarterback, decided to try the air lanes also, and on the first play after the interception, found Ray Don Powell racing down the left side line and into the clear. Gilrease threw and Powell raced under the ball and to the Tahoka 19. Two plays moved the ball to the 12 yard line; Powell failed to gain, then, on fourth down, Watson missed a first down by a scant yard, and Tahoka kicked out of danger. The half ended, Spur leading 7-0.

Spur scored its second touchdown early in the third period when a short Tahoka kick and a good return by Spur gave Spur the ball on the Tahoka 22. The Bulldogs scored in four plays, with Kissinger getting the touchdown from seven yards out. Sultis missed the point, and the scoreboard read Spur 13, Tahoka 0.

The Tahoka touchdown was set up by a pass, good for 19 yards, to the Spur 24. Then fullback Callaway took a handoff and raced around left side for 19 yards and the score. Tahoka converted and (See SPUR 13, TAHOKA 7, P. 2)

### DAVID ESTEP ATTENDING TARLETON STATE COLLEGE

David Estep, son of Mr. and Mrs. Cecil Estep of Spur, has enrolled at Tarleton State College as a freshman. Estep is an engineering student and is one of 1,100 students to register at Tarleton this semester.

### Baptist Youth Meet Cancelled Due To Influenza

Widespread influenza outbreaks in Texas have forced the cancellation in Dallas of four Baptist youth congresses expected to attract nearly 9,000 boys to Texas Baptist colleges in October and November.

Dallas public health director J. W. Bass advised state Royal Ambassador secretary Robert Chapman to cancel the meetings to prevent possible infection among the 9-16-year-old boys.

The first congress was scheduled for Oct. 12 at Baylor University, Waco.

Others were to have been held at the University of Corpus Christi, Oct. 26; Hardin-Simmons University, Abilene, Nov. 2; and Howard Payne College, Brownwood, Nov. 9.

"Such meetings are certainly to be advised against," Dr. Bass said, "where there is the possibility of students from all over the state mingling and carrying the infections back into their home towns."

He said inclement weather at this time of year could force the students into close contact and increase the danger of infection.

More than 7,000 Boy Scout leaders attended the regional conferences last year.

### Spur Marine Has Part In Exercise

Marine Pfc. Gene E. Roberson, son of Mr. and Mrs. Loyd Roberson of 623 W. Harris, Spur, took part in an artillery field exercise Sept. 17-30 on the Mojave Desert at Twenty-nine Palms, Calif.

The blistering 13-day grind involved 2,000 of the 1st Marine Division's 11th Regiment Marines.

The exercise reached its climax when the regiment unleashed its 105 mm and 155 mm howitzers, plus 42 mortars, in live-fire support of imaginary units attacking the "enemy."

## County Cotton Crop Estimated At 25,000 Bales By Plains Experts

The Dickens County cotton crop may reach 25,000 bales according to the latest estimate released by the Plains Cotton Growers association. The association September estimate called for 11,000 bales in Dickens County. The October estimate adds 14,000 bales to the count youtlook.

A 25,000-bale increase in the High Plains cotton crop estimate during September has pushed the October estimate past 1,700,000 bales, according to county estimates released by the Lubbock Cotton Exchange and the Plains Cotton Growers, Inc.

## Dial System Moves Step Nearer To Completion

The reason the new dial telephones in Spur won't work at the present time is that the equipment in the new dial telephone building which controls their operation is blocked.

Hundreds of tiny fiber insulators, called blocking tools, have been fitted between the contact points in the dial switching equipment in the new telephone office to prevent the new dial system from interfering with the old manual system still in operation, J. C. Oakley, Southwestern Bell Telephone company manager, explained.

"At 12:01 p. m., Oct. 18, our plant people will yank those blocking tools out, pull the heater coils in the old system and we'll have the dial system in operation," he explained.

The entire operation will take

only a few seconds but each step must be carefully coordinated. The coils must be pulled from their sockets in one swoop at the precise moment.

Then for a few seconds Spur will be without telephone service as the telephone men in the new dial office begin pulling many small wooden racks from the frames where the switching equipment is located.

As each rack is pulled down scores of tiny blocking tools, attached to the racks by strings, will be yanked away putting individual telephones in service.

The actual change to dial operation will take only a few seconds. But these few seconds climax months of painstaking efforts by hundreds of telephone technicians.

A new, modern telephone building was constructed; carloads of dial telephone equipment was engineered, built to order, delivered placed and wired. A group of Western Electric installers were on the job. And, there are several thousand hand-soldered wire connections in the new dial building.

In addition to this work, outside construction crews added new wire and cable to the city's network of lines; local telephone men installed dial telephones all over the city; exhaustive tests on telephones and other equipment were made; and a new dial telephone directory was compiled and published.

Rain, wind and hail road the coat tails of a cold front through the Spur and Dickens County areas Monday evening, causing much anxiety among farmers and businessmen.

Hail pebbles of small marble size covered the ground in Spur while 3/4 of an inch of rain was falling. No general crop damage was reported in the area, but a few fields suffered from larger stones just south of Spur. The rainfall was generally lighter to the northeast of town, heavier up to an inch northwest of town, and considerably heavier south and southeast of town.

### THE WEATHER

date	max	min	prec.
Oct. 4	91	49	none
Oct. 5	75	60	.11
Oct. 6	91	55	.54
Oct. 7	81	54	.03

Mrs. Jack Jones and twins, Rena and Ray Pat, of San Francisco, Calif., returned to their home after visiting for a month in the home of her parents, Mr. and Mrs. Ned Hogan.

### Mahon Commends Officials On Milo Loan Move

Rep. George Mahon of the 19th District this week commended officials of the Department of Agriculture for announcing a special distress loan on milo. The loan had been urged by farmers and farm groups, and Mahon had presented the request to the grain branch of the Department of Agriculture early in September.

The distress loan will provide milo producers with a special loan equal to 80 per cent of the regular loan. It is designed to aid producers who are unable to take advantage of the regular loan by reason of the lack of storage facilities. The producer would have 90 days or not later than March 31 of next year to locate storage and convert his distress loan into a regular loan. Details of the program are available through County ASC Offices.

The distress loan is necessary by reason of the very heavy milo production, limitation of elevator capacity and the critical shortage of boxcars to transport the milo to available storage.

### WCSJ Features UN Observance Program

Mrs. William Dingus, prominent civic and church leader, Lubbock, will be the guest speaker for the United Nations Day observance to be hosted by the Woman's Society of Christian Service on Oct. 14 at the First Methodist Church.

Representatives of local woman's organizations and members of the Wesleyan Service Guild will be invited to hear Mrs. Dingus. Mrs. James Jay is the chairman of a committee which will arrange an educational exhibit on the United Nations.

Mrs. Eric Foster and her committee on foods, will offer a menu which will consist of foods from many nations. Miss Hazel Watson is chairman of invitations.

Mrs. Horace Wood, general chairman for the observance, states that Oct. 14 was chosen instead of Oct. 24, which is United Nations Day, in order that Mrs. Dingus might appear on the program.

### SECOND SUNDAY SINGING

Regular Second Sunday Singing will be held at the Bethel Baptist Church Sunday, Oct. 13 at 2 p. m. Everyone is invited to attend.

### Officials Expect 1,500 Exes To Participate

About 1,500 Spur High School Ex-Students are expected to attend the school's annual Homecoming, October 10, 11 and 12, according to Ex-Student president, Billy Ray Barrett.

Activities include a parade, a barbecue and a football game. Registration in the High School will open the first day of Homecoming at 6 p.m. tonight.

Registration will be continued through 9 a.m. Friday morning. At that time, a general assembly is scheduled, featuring music by the Spur High Band.

Following the invocation and a moment of silence for deceased Ex-Students and Teachers, the choir will sing a hymn. Then, Bill Barrett will introduce former teachers and the classes.

R. J. Bell will present an award to the Ex-Student who traveled the greatest distance for Homecoming.

Following a brief pep rally, Coach Bill Henry will introduce the 1957 edition of the Spur Bulldogs. Then the band will adjourn the meeting with the alma mater.

At 3 p.m., the big Homecoming parade will begin downtown Spur. Several classes have built floats this year, and the U.S. Army Recruiting Service will enter a scale model "Nike" guided missile. The Spur FFA chapter will also enter a float.

At the football game Friday night, a camera will be presented to the Spur High School Athletic Department by Marshall Formby, Chairman of the Texas Highway Commission and a Spur Ex.

Following the game, Tommy Hancock and his Roadside Playboys will play for a dance in the Legion Hut.

On Saturday morning, a business session will be held at 10 a.m. A free movie will be offered to all children of Ex-Students by the Palace Theatre at 10 a.m.

At 12:30 p.m., a barbecue for all Ex-Students and friends will be held in Swenson Park.

Class reunions are set from 3:30 to 5:30 p.m.

The Tommy Hancock western band will close the official activities with a dance from 9-12 at the Legion Hut.

Exes are invited to attend the Church of their choice on Sunday morning.

Here's that long-awaited picture of the Spur FFA chapter's winning exhibit at the Panhandle, South Plains Fair held in Lubbock recently. The Lubbock-Avalanche Journal ran a similar picture of the exhibit, but it had a glare on it that made it difficult to recognize. This picture was obtained by the hard work and untiring effort of the Chapter and Bill Gregory and Tommy Kissinger, vocational agriculture instructors.

## Spur 13, Tahoka 7...

(Continued from P. 1)  
The Spur lead was cut to 13-7. Spur was caught fouling on the try for extra point and Tahoka kicked off from the Spur 45, after a 15 yard penalty. The Bulldogs returned the kickoff to their own 25 and from there launched a drive that appeared certain to bring them another score. They racked up four first downs and had moved the ball to the Tahoka 24 when time ran out on them.

Jim Gabriel, Bilberry, Cloude, and Gilcrease stood out on defense, while Powell, Kissinger and Watson paced the Bulldogs offensively.

## Junior High Wins, B-Team Downed In Post Games

Spur Junior High footballers kept their record clean against area opponents Tuesday night by downing Post Junior High 19-7. (The locals were defeated last Thursday night by the Spur B-team when a scheduled game with Post failed to materialize.)

They now sport a 6-0 record. Brent McCain, right halfback, scored all three touchdowns as he sailed for 169 yards rushing. McCain scored on runs of 32, 53 and 73 yards.

Richard Walker ran for the lone extra point. Greer rolled up 21 yards and Parsons got 25, rushing. The team racked up 240 yards total offense, completing one pass.

Post scored on a pass to their left end, the play covering about 40 yards. Post also ran their extra point try over. Linebacker Sam Parsons was outstanding on defense for the Juniors.

It was a different tune in the B-team game, however, as Post tripped the Spur B-team, 7-0.

Post scored on a long punt return. Otherwise the game was fairly even, with Spur having the edge statistically.

## FROM WHERE I SIT...

BY JOE HARRISON

We rode to Tahoka with Bob Nunley last week, and we were accompanied by a couple of hitch hikers in the person of two "magpies." Mr. Nunley is very competent when it comes to talking with "magpies" and he carried on an intelligent conversation with them, to my complete amazement. (I suppose Mr. Nunley's vast experience in the classroom better qualifies him for conversing with jabbering birds than the routine life of a newspaper editor.)

These "magpies" were deeply hurt because the majorettes of Spur High School band had not received more recognition and appreciation. This came as a surprise to us. We think Spur High School has four of the finest, and prettiest majorettes anywhere.

In fact, we made a decided effort to secure a picture of the majorettes for our publication, but to no avail, due to illness, appointments, etc.

These two "magpies" seemed to have a vast knowledge about Spur High School and its teachers. They rattled constantly about this one's

faults and the other one's good points. We reached the conclusion that these two must have a nest in or around the High School building.

Then came the surprise. Mr. Nunley disclosed that our two passengers were not really "magpies" at all. They were two majorettes who had missed the band bus — Misses Barbara Foreman and Sue Bigham.

Well, we were completely taken aback! But sure enough, at halftime, the two "magpies" were gracefully and capably leading the marching band.

Surely Spur High School is the only one in the area with talented "magpies."

Tahoka was ready to play ball as was evident Friday night. On the other hand, the Bulldogs from Spur seemed lifeless. Granted, Coach Henry didn't play Kenneth Gilcrease, his stellar linebacker on defense, and Jimmy Holder, also a regular defensive linebacker, also sat out defensive play. However, Jim Gabriel did a real good job backing the line, and managed to knock down one jump pass, plus making several tackles. Holder injured an ankle, and was held out on defense although he played some offense.

Travis Watson, big Bulldog fullback seems to have recovered from an injured hip and is rounding into shape.

Randal Gilcrease has discarded his crutches, but is still a doubtful starter in the Abernathy game.

Abernathy played Lockney a stout game for the first half last week, trailing only 14-13 at the half. Their quarterback was injured, however, and Lockney went on to win 42-13.

Slaton racked up its second win in a row as they downed Post, 32-0. Floydada had an open date.

## Romero, Tolas Top Wrestling Card In Ralls

Flashy Enrique (Pepper) Romero, Mexico, will tangle with Big John Tolas in one of the double main events at 8 p. m. Friday in the City hall arena in Ralls to officially open the annual Chamber of Commerce sponsored fall event. Highlighting the evening will be a best 2 out of 3-1 hour limit match between Helen Hill and Lorraine Johnson. Besides being two of the top beauties in the wrestling profession they have been dubbed by spectators as two of the finest wrestlers fans will see in this area this year.

Wrestling fans will see top notch wrestlers throughout the 3 month season in Ralls, Joe Meador, Promoter announced.

Southwestern State Enterprises, Amarillo, the same Company that furnishes wrestlers for Lubbock and other larger cities will furnish wrestlers for Ralls.

All proceeds above actual cost of productions will go into the Chamber of Commerce funds for Community improvements.

"We have plenty of seats, plenty of room, and plenty of rough and tough wrestlers in store for spectators who witness wrestling in Ralls," Meador said.

## UNUSUAL MODEL

Joe: "That's not a bad looking car."  
Jim: "I call it the 'Never Never' car."  
Joe: "Why?"  
Jim: "With it I've never had an accident, breakdown, flat or never slid down a hill."  
Joe: "Say, that's wonderful!"  
Jim: "And, I never can get it started."

Egg prices have shown some improvement recently and will probably continue to do so on into 1958 because of the purchase of fewer laying replacements for next year. The decrease is greater in small flocks.

## Blair Tops ENMU In Total Offense

One of the few teams in the nation to win their first four games thus far this season, the ENMU Greyhounds are preparing for their game with Omaha University this Saturday at Omaha.

The Silver Pack, who eked out a 36-34 win over a fine Washburn University eleven in Portales last week to run their winning total to four games, are emphasizing both air and ground defense work in their practice this week.

After relying heavily on the arm of quarterback Curtis Blair during the first two starts, the Greyhounds' running game came into its own against Colorado college and last week's encounter with the Ichabods.

Blair is the total offensive leader with a 6.3 average. Joe Wood, after missing the opening game with an injured back, has the top rushing average with a 5.1 yard per carry average. Total yardage rushing leader is Maurice Hodges, 175-pound halfback, who has amassed 191 yards in 42 tries.

**KEEP** Mrs. Potts Form- they will break "Gola custom and, law and even remotely think of intermarriage of which ninety per- cent of the Negro parents are as violently opposed as you could possibly be.

U.S. MAIL

Then I think: Will there be two heavens; one for you and another for me? Maybe I should ponder. Respectfully, Curtis D. Bethany

I disagree with you, Mr. Bethany, a careful analysis of the situation in other states will clearly show that integration has led to intermarriage.

And here's another thought if better schools and a better education is the goal, why did the Negro children who integrated into Central High in Little Rock leave their school which is a far better equipped and newer plant than 30-year old Central High?

The South will not have integration forced down its throat with bayonets. The South, in general, will in time accept integration. But, it is still a free country, and if some sections of the South feel they do not want their schools integrated, then we feel it is their Civil Right to have them segregated.

It all adds up to the fact that the local community, not the Supreme Court, should decide what is best in the local situation. Granted the Supreme Court is the law of the land, but SEGREGATION was also once declared legal by this same institution.

Integration began as a social issue, but, 14 million Negro votes have turned it into a political stalemate, in which no one can really win.

— Editor.

### But Which Constitution Ike?

President Eisenhower, in telegraphing to the Governor of Arkansas last week, said:

"When I became President, I took an oath to defend the Constitution of the United States. The only assurance I can give you is that the Federal Constitution will be upheld by me by every legal means at my command."

But which Constitution? Is the so-called Fourteenth Amendment under which "integration" is being forced today upon an unwilling population in the South, really a valid part of the Constitution?

The Southern States, after the war was over, ratified the Thirteenth Amendment abolishing slavery and this was accepted as legal by the Federal Government. Yet when the same legislatures in the South subsequently assembled lawfully and rejected in due form a proposed Fourteenth Amendment, all Southern members of Congress were deprived of their seats in the Senate and the House. Federal troops were ordered to take charge of these State Legislatures. Puppet legislatures finally did "ratify" under duress.

The Supreme Court in the last 80 years has never ventured in a single instance to decide the issue of whether this "ratification" was actually lawful.

Why, therefore, are some of us so explicit and eloquent nowadays in sanctifying the phrase—the "supreme law of the land"—as requiring compliance with the vague and undefined edicts of a Supreme Court that has plainly disregarded the illegality of the so-called Fourteenth Amendment?

Where in the Constitution is there any delegation of power to the Federal Government to put in jail parents who wish to persuade other parents to refrain from sending their children to mixed schools? Yet federal injunctions today seek to coerce these citizens and deprive them of their right to speak freely as guaranteed under the First Amendment of the Constitution.

The President's telegram to the Governor of Arkansas will become a historic document. It may have unfortunate consequences in the future relations between the State and the Federal Government. It appears to be an ill-advised statement prepared for Mr. Eisenhower by overzealous lawyers in the Department of Justice.

The telegram said in part: "You other State officials—as well as the National Guard, which is, of course, uniformed, armed and partially sustained by the Federal Government—will, I am sure, give full cooperation to the United States District Court."

Where in the Constitution is any power given to the President or to anyone else in the Federal Government to say to the Governor of a sovereign State that he must not use the National Guard—State troops—to maintain order? And since when does the fact that the National Guard receives funds or uniforms or guns from the Federal Government deprive the Governors of our states of their right to use troops for State purposes without first obtaining the permission of the Federal Government?

Does this mean, too, that the allocation of federal funds to schools, which has been urgently advocated in recent months by the President, will give the Federal Government some new hitherto unbestowed grant of power to pass judgment on the efficiency of a State Governor or to question his motives when he attempts to do his duty, as he sees it, under the Constitution of his own State as well as the Constitution of the United States?

Since when, to be sure, is it the duty of the National Guard to execute federal injunctions? Since when has the National Guard become an instrument of the Federal judiciary? Since when has an injunction or order issued by a lower court become a final decree that must be obeyed under threats of reprisals by the Chief Executive even before the court order has been properly reviewed or appealed to the higher courts?

Are the Governor and State legislatures now mere puppets, and have our several States suddenly become "satellites" which can function only with the consent of the federal dictatorship?

There is only one Federal Constitution in America. It is in the Articles and lawfully adopted Amendments to the document itself. All misguided attempts to amend this Constitution by fiat of nine judges must be deplored as a usurpation of power and a defiance of the Constitution itself.

For the people alone—uncoerced by military force—is given the power to change the Constitution. The method is specifically prescribed in the Constitution itself.

There is the way to preserve our dual system of government. It is the only way in which the nation can maintain internal peace and national unity—David Lawrence, Editor, U.S. News & World Report.

### SPUR SCHOOLS MENU

- October 14-18
- MONDAY  
French fries, blackeye peas, cat-soup, cabbage and apple salad, iced cake squares, milk, bread.
- TUESDAY  
Macaroni and cheese bake, salmon salad, green beans, hot rolls, butter, apple spread, milk.
- WEDNESDAY  
Vegetable-beef stew, English peas, sliced peaches, cookies, crackers, bread.
- THURSDAY  
Pinto beans, pork, buttered rice, seasoned spinach, cherry cobbler, corn bread, onions, milk.
- FRIDAY  
Hamburgers, lettuce, potato chips, congealed lime salad, ice cream, cup, milk.

Dairymn should now begin checking their management to make sure that they are ready for the colder weather that lies ahead, advises A. M. Meekma and J. W. Davis, extension dairy husbandmen. Cow comfort, determining the best feed to buy, dehorning and culling least desirable cows are the main points stressed by the husbandmen.

This convict rider shows great skill and balance in the Saddle Bronc Bustin' Contest, one of the many thrilling features of the 26th annual Texas Prison Rodeo in the prison's million-dollar stadium at Huntsville. The rodeo is held each Sunday during October beginning at 2 p.m.

## Dunlap's

**Mrs. Blue Stephens Hosts Girard H D C**

The Girard Home Demonstration club met in the home of Mrs. Blue Stephens with six members present.

Mrs. Leva Simpson gave the program on "Work Simplification". Many of us do not realize how much science is involved in homemaking and finding ways to do every day jobs easier, with less time and energy.

New officers were elected and cake and coffee was served.

The next meeting will be in the home of Mrs. Orwin Stephens with the agent, Mrs. Agnes Marrs giving the program, October 16.

**Mrs. Harrison Hosts Spur Harmony Club**

The Harmony Club met Tuesday night in the home of Mrs. Joe Harrison.

The fourteen members answering roll call were: Mmes. C. L. Berry, W. K. Callan, Douglas McArthur, M. L. Steele, Van North, Grady Lacke, Bob Nunley, JuDon Rickels, Jack Moore, Jerry Ensey, Doug Robinson, J. C. Reese, Miss Carolyn George and the hostess, Mrs. Joe Harrison.

Date for the Christmas Contests has been set tentatively for December 15 at the First Baptist Church.

Several members plan to attend the District Music Convention being held this year at Seagraves, Nov. 7-9. Mrs. Jack Moore will represent the club in the Fine Arts Program on the night of the 8th.

Mrs. C. L. Berry, as program chairman conducted an interesting music quiz, "Name That Folk Tune," with Mrs. Bob Nunley being the winner. A trio consisting of Mmes. McArthur, Berry and Miss Carolyn George sang "In the Gloom" and "Goodnight Ladies" with Mrs. McArthur accompanying them on the Ukelele.

Mrs. Nunley assisted the hostess in serving a delicious refreshment.

**FROM WHERE I SIT . . .**

BY JOE HARRISON

rode to Tahoka with Bob Nunley last week, and we were accompanied by a couple of hitchhikers in the person of two "magicians".

Nunley is very competent when it comes to talking with "magicians" and he carried on an intelligent conversation with them to my complete amazement.

Mr. Nunley's vast experience in the classroom better fits him for conversing with "magicians" than the routine of a newspaper editor.

These "magicians" were deeply impressed because the majorettes of High School band had not lived more recognition and respectation. This came as a surprise to us. We think Spur High School has four of the finest, and finest majorettes anywhere.

In fact, we made a decision to secure a picture of the girls for our publication, but Mrs. Joe Harrison, due to illness, appointed C. J. Watts to do it.

**C. J. Watts Celebrate Golden Wedding**

The children of Mr. and Mrs. C. J. Watts honored their parents on their golden wedding anniversary with an open house from 2 to 5 p.m. Sunday October 6 in their home at 301 Elm St. in Plainview.

The Watts were married in Cook County, Oct. 7, 1907. Mrs. Watts is the former Emma Branch.

They resided in Dickens County near Dobbs City from 1906 until 1946 when they moved to Plainview.

The couple have six living children who all attended the celebration with the exception of one daughter-in-law, Mrs. A. B. Watts, Jacksonville.

Those attending were: A. B. Watts, Jacksonville; Mr. and Mrs. A. T. Watts, Farwell; Mr. and Mrs. Barney Watts, Lubbock; Mr. and Mrs. Jearl Watts, Spur; and Mr. and Mrs. Loyd Watts, Plainview.

Eleven grand children attended. Mrs. Jeral Watts registered the guests. There was one out of town visitor, Mrs. Mary Mayo, Dickens.

**East Ward P-TA Meets October 8**

The East Ward PTA had their regular meeting, Tuesday, October 8, at the Primary school.

The president, Mrs. Bob Nunley presided at the business meeting.

The program leader, Mrs. Grady Lackey, introduced the members of J. E. Bachman's fifth grade class who displayed Fire Prevention posters which they had made.

Refreshments of cookies and punch were served to Skipper Allen, Bunky Garner, Billy Hale, J. C. Wright, Allen Smith, Lindsey Hoover, Clifford Shipman, Alan Ray Bingham, JoDon Ramsey, Chris Kelley, Johnny Randall, Larry Powell and Otis Nickels.

Those assisting Mrs. Nickels were Mrs. C. A. Shipman, Mrs. Travis Hoover and Mrs. Clomer Randall.

The VFW Post has offered its building as a meeting place until more definite arrangements can be made.

**Spur Sub-Junior Study Club Meets With Miss Thomas**

The girls social club, formerly known as the Daughters of the 1933 Study Club, is now a federated sub-junior study club with the new name of the Spur Sub-Junior Study Club. Mrs. Jack McCully is its sponsor.

Tuesday, Oct. 1, the club met in the home of Ramona Thomas. Ann Austin presided and the meeting was called to order. She explained that the club could now become a sub-junior federated study club and what the requirements would be. The motion was then put before the club as to whether the club would disband or become a sub-junior club. The vote carried unanimously in favor of becoming a sub-junior club, and then a new name was discussed and voted to be "the Sub-Junior Study Club". All the girls then voted in favor of asking Mrs. McCully to be their sponsor and she accepted.

Johnnie Ann Blakely was program leader for the meeting. Friendship was the general theme and Johnnie Ann presented her conception of a true friend and how one obtains the really true friend. This was interesting and all profited by it.

The hostess served refreshments and the president adjourned the meeting.

The next regular meeting will be at 4:30 on Oct. 16 at the home of Rita Williams.

**Respective Cub Scouts Hold Meeting**

An anxious group of 12 prospective Cub Scouts met Wednesday, Oct. 3 in the home of Mrs. Charles Nickels at 618 W. Harris.

Roll call was answered by naming a tribe of Indians. The boys made a teepee for the village.

Indian jewelry, arrow heads, hand made salt and pepper shakers, turquoise from Arizona, an Indian blanket from Mexico and wild turkey feathers from Dickens county were displayed in the meeting room.

Refreshments of cookies and punch were served to Skipper Allen, Bunky Garner, Billy Hale, J. C. Wright, Allen Smith, Lindsey Hoover, Clifford Shipman, Alan Ray Bingham, JoDon Ramsey, Chris Kelley, Johnny Randall, Larry Powell and Otis Nickels.

Those assisting Mrs. Nickels were Mrs. C. A. Shipman, Mrs. Travis Hoover and Mrs. Clomer Randall.

The VFW Post has offered its building as a meeting place until more definite arrangements can be made.

**825 TELEPHONE NUMBERS CHANGE**

**At Noon, Friday, October 18**

All Spur telephone numbers will change at noon, Friday, October 18, when the city's dial system goes in service.

From that moment, all the numbers in your old telephone directory — numbers you have been calling from memory, numbers you have jotted down somewhere — will be **WRONG** numbers.

Spur's new DIAL telephone numbers will be listed in the new DIAL directory, which will be delivered to you before the new system goes in service.

Until the change is made at noon, October 18, please continue to use your present directory. After the new dial system goes into operation at noon, be sure to look up the right number in the new DIAL directory before you call.

**HOW TO USE THE NEW SYSTEM**

Suppose you want to call Crestwood 2-1099.

Place the receiver to your ear, and listen for a steady hum — the dial tone. Place your finger in the dial opening over the letter "C." Pull the dial around until your finger strikes the finger stop. Remove your finger and let the dial spin back freely. In the same way, dial the letter "R" and the numerals 2-1-0-9-9 in order. Don't confuse the letter "T" and the numeral "one" or the letter "O" and the numeral "zero."

When you have finished dialing, you will hear a "burring" sound if the called telephone is ringing. If the line is busy, you will hear a fast buzz-buzz; hang up, and try again after a short wait.

J. C. Oakley, Manager

## Poultry Products Inspection Act To Go In Effect January 1, 1959

All poultry and poultry products moving in interstate commerce will be inspected for wholesomeness by January 1, 1959 under the recently enacted Poultry Products Inspection Act.

The act becomes partially effective on January 1, 1958, when plants approved by the U. S. Department of Agriculture may be provided the service, according to F. Z. Beamblossom, extension poultry marketing specialist. Currently, it is estimated that approximately 50 percent of such poultry is now being inspected for wholesomeness under the voluntary inspection program provided by the USDA on a fee basis.

Beamblossom points out that the gradual application of mandatory inspection requirements between January 1, 1958, and January 1, 1959, has been provided to permit plant owners reasonable time to make any plant alterations which may be necessary to meet facility standards required by U. S. D. A. regulations. By January 1, 1959, all plants shipping poultry in interstate commerce must be approved and the poultry products processed therein be subject to inspection, unless otherwise exempt.

Commenting on the enactment of this legislation, which was signed

by the President August 28, Sec. Benson said: "The passage and approval of the Poultry Products Inspection Act marks another milestone in the tremendous progress which has occurred in the poultry industry in this decade. Its passage likewise reflects the continued progress this nation is making in assuring the consuming public wholesome and nutritious food on an ever-expanding scale."

Once in full application, poultry products subject to the Act will receive inspection for wholesomeness comparable to that which has been in effect for red meats since 1907 when the Meat Inspection Act was passed.

Inquiries regarding the program should be directed to the Director of the Poultry Division, Agricultural Marketing Service, U. S. D. A., concludes the specialist.

## Tech Is Second Largest State Supported School

Texas Tech has enrolled 8,543 students to set a new all-time record for the fall semester.

The previous record was 8,055, set last fall when Tech maintained its position as the second largest State supported college or university in Texas.

Men students outnumber women by more than three to one. There are 6,289 men and 2,254 women in the student body.

## Yarborough Heads Fishing Committee

Senator Ralph W. Yarborough has announced that the Senate Interstate and Foreign Commerce Committee will hold hearings on October 29-30 in Brownsville on problems confronting the \$100,000,000 shrimp industry and the Gulf fishing industry.

Yarborough pointed out that the Committee has jurisdiction over the nation's fishing resources and this is one of a series of hearings to be held throughout the nation.

Yarborough was appointed Chairman of the Subcommittee to conduct the Brownsville hearings by Chairman Warren G. Magnuson of the Senate Interstate and Foreign Commerce Committee.

## Dickens County Cancer Society Meets Tuesday

The Dickens County Cancer Society will meet in Dickens at the courthouse Tuesday evening at 7:30, with Max Eckels, president, Miss Barbara Liggett, Midland, will discuss Cancer and show the latest film on it. Everyone is urged to attend. "You may learn something that may help save a life—and that life may be yours."

## Mrs. Bingham Fetes Telephone Operators

Mrs. Rachel Bingham entertained the SWBT company office staff at an annual dinner in her home on Thursday, Oct. 3 at 7:30 p. m.

Turkey and all the trimmings were served to Thelma Scott, Marguerite Garner, Loretta Beeson, Hazel Williams, Betty Powers, Norma Williamson, Pinnie Sims, Velma Williams, Dorothy Jones, Mary East and Nell Bridge.

Miss Whitefield of Seagraves and her wife, who is in Spinal hospital, over the week end returned to the home of parents, Mr. and Mrs. John K.

## Girl Scouts ...

Troop XII— On Wednesday, Oct. 2, members of Brownie Troop XII met at the regular time. The girls are making many interesting plans for their meetings in the near future.

Thanksgiving baskets are being prepared with careful directions used to fill these baskets. Many plays are being read so that one may be selected for special study.

At this meeting grasses of various kinds were added to the leaf collections assembled by the troop.

Connie Corder, Troop Reporter Troop XIII— The Brownies of Troop XIII met at the regular time on Wednesday, Oct. 2.

In a study of nature a scrap book was assembled. Material gathered at last week's meeting was used in the scrap book.

Members of the troop missed Sue Stanford at this meeting. Sue has been ill this week.

We wish to thank Mr. Marion for his help during the field trip last week.

Patsy Powell, Reporter

## 'Greatest Show On Earth' To Give Five Performances In Lubbock

Mail orders are now being accepted at the Lubbock Municipal Coliseum for Ringling Bros. & Barnum Bailey Circus performances on November 11, 12 and 13. "The Greatest Show on Earth" will play five performances, showing on November 11 and 12 at 3:30 and 8:00 p. m. and on November 13 at 4:00 p. m.

The big show no longer plays under tents, but instead in major arenas and outdoor grandstands. This will be the first time that a Circus has played the gigantic 7,500 seat Coliseum, and it promises to be a real treat for South Plains audiences. In place of sawdust the huge new show will play on a foam rubber surface, but the entertainment is very much the same as in tents. The herds of elephants will be there, all the wonderful clowns will be intermingling with the crowds, the aerial acts will still be swinging from unbelievable heights and the spectacular "Grand March" will still open the world's greatest entertainment value.

## McAdoo News..

Mr. and Mrs. Clyde Haire of Southland were recent visitors in the home of Mr. and Mrs. Ben Steadham.

Among students in the community who have returned to college are: Carol Ann Allen, McMurry; T. J. Williams, Lubbock Christian College; Carol Teague and Ralph Dennis, Texas Tech; V. V. Scott and Bub Eldredge, Clarendon Junior College.

Mr. and Mrs. Robert Cunningham have returned to their home in Cross Plains after spending three weeks in the home of her brother, Mr. and Mrs. M. C. Baum.

Mrs. M. C. Formby who has been in Plainview at the home of her son, Mr. and Mrs. Potts Formby, since suffering a broken hip some three months, spent Wednesday night at her home and then continued to Vernon for a stay with her daughter, the

There are four marvelous, costumed spectacular production numbers this year, and they are "The Coronation of Mother Goose," "Cherry Blossom Time," "Saratoga Racing Ball of 1913" and "Carnival in Veezuela." In all there are twenty-five displays and acts.

The show to be seen in Lubbock is the same one that earlier this year played New York's Madison Square Garden. In New York the top price was \$6.50, but the Coliseum has announced that the top price for Lubbock will be \$3.00. Other prices are \$2.40 and \$1.80. Children will be admitted at half price to any section at AFTERNOON SHOWS ONLY. Night prices are the same for adults and children.

Mail orders are filled in the order they are received at the Lubbock Coliseum, c/o City Hall, Lubbock, Texas. Patrons sending orders should enclose a self-addressed stamped envelope or 25c for handling charge.

Frank Duncans, Mrs. Potts Formby and daughter, Frances Ann, spent Wednesday night with Mrs. Formby.

Family Night was observed at the Methodist Church Thursday evening with Bro. and Mrs. Culwell and Bill serving a fried chicken dinner and all the trimmings. John H. Quattlebaum had charge of the program. The meeting was well attended with Bro. and Mrs. Gaede, pastor of Crosbyton, among the visitors.

S-Sgt. William E. Quattlebaum arrived home Saturday night after 18 months in Okinawa in the Air Force. He is to be separated from the service. His father, John H. Quattlebaum, met him in Lubbock.

Duane Johnson, who has been on furlough from the Army, has returned to his base at Fort Carson, Colo. His wife, Johnnie Raye, and mother, Mrs. Ted Tedford of

Crosbyton, accompanied him back to his base, returning home later in the week.

Mr. and Mrs. T. R. Jones announce the birth of a grandson by adoption Sept. 17. He weighed eight and a half pounds and has been named Wilburn Norwin. Mr. and Mrs. Wilburn Bingham of Abilene are the parents.

Mr. and Mrs. Will Eldredge have returned from a visit with her brother, Mr. and Mrs. Joe Elshy of Oklahoma City. The group also visited in Bartlesville, Okla. with the Eldredges granddaughter, Mr. and Mrs. Paul Stumpf.

Mr. and Mrs. L. E. Bass announce the birth of a granddaughter, Margaret Amber, in Corpus Christi, Sept. 25. Parents are Mr. and Mrs. Tommy Garlan. She is the former June Merritt.

Mr. and Mrs. Ray Dickerson are parents of a seven pound son born Oct. 1 at Crosbyton. Jimmy Ray is the name chosen for him. Grandparents are Mr. and Mrs. Tex Dickinson and Mr. and Mrs. Walter McCormick.

The Agricultural Relations Conference for Business and Industry will be held at Texas A&M College October 28-29. Discussions will be aimed at showing the independence of agriculture and other forms of business. Details on the program and about registration and reservations may be obtained from local county agents.

Word has been received from Army Headquarters, Fort Ord, Calif., that Pfc. Don W. Childress was shot and in serious condition on September 30.

According to a letter from Maj. Gen. W. M. Breckenridge, Childress was shot by an enraged civilian who was refused service in a cafe in Salinas, Calif.

A later report, however, says that Childress has been removed from the critical list and is improving slightly.

Mr. and Mrs. Frank Dolittle of Hemet, Calif., returned home Tuesday after a visit here with her sisters, Mmes. Earl Osborn and Irvin Lefevre. They also visited with her brother and family, Mr. and Mrs. B. D. Clifton of Glen.

## 'GUNFIGHT AT THE O. K. CORRAL' BLAZING, BIG SCALE ACTION SAGA

In the bullet-scarred history of the West, no chapter has more raw drama than the bringing of law and order to Dodge City and Tombstone. Unmatched is the legend of how the quiet but deadly Wyatt Earp put a period to the murderous activities of the Ike Clanton, Johnny Ringo gang.

It all unfolds in the terrific movie "Gunfight at the O. K. Corral", which starts Sunday at the Palace Theatre.

Earp had a strange sort of partner in the Tombstone episode, a man as colorful in his own way as the fabled marshall. That man was Doc Holliday, an inscrutable ex-dentist who had traded his shingle for a poker deck and his forearms for an incredibly accurate six-gun. Although scornful of the law, Holliday's admiration for Earp was so intense he backed him up to help write one of the most fascinating, explosive and unusual episodes in Western lore.

Around this oddly-matched pair and the violent events that brought them to the historic pitched battle with Clanton, producer Hal Wallis has woven the film "Gunfight at the O. K. Corral," a huge-scale drama that looms as the likely successor to "Shane."

The screen's top action stars, Burt Lancaster and Kirk Douglas, respectively, in the most powerful roles of their brilliant careers. Co-starring are curvaceous Rhonda Fleming as the lady gambler Earp loved; Oscar-winner Jo Van Fleet as the strange woman in Holliday's life; and John Ireland as the venomous Johnny Ringo. In support are Lyle Bettger as Clanton, Frank Faylen and fast-rising Earl Holliman.

Another sister and family, Mr. and Mrs. E. O. Overstreet of Lubbock visited here Sunday with the group.

Mr. and Mrs. Don Gipson and children of Colorado City spent the week end here with his parents, the Joe Gipsons.

Mr. and Mrs. John Meason looked after business and visited in Amarillo, Hereford and Canyon, Friday and Saturday.

Mr. and Mrs. Louis Judd and children of Arlington, visited here on Thursday through Saturday with her parents, Mr. and Mrs. J. M. Carpenter.

Mr. and Mrs. Hulin Cargile of Hobbs, N. M., looked after business and visited here Tuesday and Wednesday with Mrs. Eva Kingery and other friends.

Mrs. Rogers, of Spur, visited here Sunday and Monday with her brother and family, Mr. and Mrs. A. B. Nichols.

Mrs. R. M. Hill of Lubbock visited here with her daughter and family, Mr. and Mrs. Charles Owens, during the week end.

Sunday guests of Mr. and Mrs. Duff Green were their daughters and families, Mr. and Mrs. Quannah Maxey and daughters of Post, Mr. and Mrs. John Kirksey and daughters of Lubbock, and Mr. and Mrs. Louis Sinclair and Children of Abernathy.

Mr. and Mrs. Dean Hastings of Bovina visited here during the week end with his sister and family, Mr. and Mrs. J. T. Swim.

Recent guests of Mr. and Mrs. H. T. Tooke were her uncle and aunt, Mr. and Mrs. E. E. Burns of Providence, Rhode Island. They also visited his sister, Mrs. W. H. Tooke in McAdoo.

Week end guests of Mr. and Mrs. Walter Lewis were Mr. and Mrs. Henry Burton, Frank Wisnoka of Houston and Mr. and Mrs. Henry Dieckmier of Aspermont.

Mrs. Walter Gwinn and son, James, spent last week in Lubbock visiting with her daughters, Miss Allie Gwinn and Mr. and Mrs. Larry Crouch.

## Highway News.

Mr. and Mrs. Forrest Martin are spending this week in Hot Springs, N. M. They met Mrs. Martin's sister, Mr. and Mrs. Jake Murphy, there for a visit. The Murphys live in Las Vegas.

Mr. and Mrs. Forrest Estep of Andrews are the parents of a baby boy born Friday. He has been named Forrest Jr. and weighed 8 pounds and 10 ounces. Mr. and Mrs. Cecil Estep, who were called to order. She at the club could now sub-junior federated and what the required. The motion was for the club as to club would disband sub-junior club. The unanimously in favor of a sub-junior club, new name was discussed to be "The Sub-Junior Club". All the girls in favor of asking to be their sponsor.

Bill Hahn, Guy Goen, and Wayne Roberts of Spur, and Mr. and Mrs. Earl Fry and the Larry Hahns of Lubbock.

Dan Danner had Sunday dinner with Mr. and Mrs. Donnie Pace.

Ray Walker, son of Mr. and Mrs. Frank Walker, formerly of this community and now of Brawley, Calif., has just been awarded first prize in the 1936-37 all Valley Flax contest for raising 70.18 bushels per acre. This makes Ray the champion flax grower in the world. The award was given to Ray at a banquet held in the Knotty Pine restaurant in Brawley and his wife, Louise won a trip to Hawaii, all expense paid.

Bill Hahn and family of Springlake had supper with Mr. and Mrs. Jimmie Hahn Sunday night.

Mr. and Mrs. Larry Hahn and Jean and Mr. and Mrs. Earl Fry of Lubbock were Sunday guests of Mr. and Mrs. Jimmie Hahn.

Mr. and Mrs. James Daughtry and Jamie of Aspermont spent the week end with Mr. and Mrs. Jerry Thomason and Debbie. They all had dinner Sunday with their parents, Mr. and Mrs. Earl Thomason in Spur.

Mrs. Emory Thomason and Mrs. Earl Thomason went to Lubbock Tuesday to take Ruby Bilberry to the doctor.

Mrs. Keley Putman and daughter, Mrs. John Boothe went to Lubbock Monday shopping and visited Mrs. Larry Hahn and Mrs. Virgil Murray.

Mrs. Jimmie Hahn and Nelda went to Lubbock Monday with Mrs. Ellis Draper and Mrs. Cayce Alldredge to have Nelda's eyes tested.

## HOW TO USE YOUR NEW Dial Telephone

October 18 is "Dial Day" Until then, continue to give your calls to the operator

YOU'LL FIND IT'S EASY TO DIAL—HERE'S HOW

1. Place the receiver to your ear and listen to the steady hum of the dial tone.
2. Suppose you want to call number CRestwood 2-1099. Place your finger in the dial opening where you see the letter "C." Pull the dial around until your finger strikes the finger stop.
3. Remove your finger and let the dial spin back freely.
4. Next dial the letter "R" in the same manner.
5. Do the same for each of the numerals, in order—2, 1, 0, 9 and 9.

When you have finished dialing, you should hear a burr-r-r, the ringing sound. If the line is busy, you will hear a fast buzz-buzz.

If you hear the busy signal, or if you hear neither sound, hang up. Wait a few moments, then try the call again.

We know you will like the speed, convenience, and dependability of dial service. When the new dial system goes in operation here at noon on October 18, Spur will have the finest, most modern telephone service available anywhere.

**Davis - Rector Insurance Agency**

## HOW MUCH WOULD YOU CHARGE—

TO WASH THESE CLOTHES...?

TO BEAT THESE RUGS...?

TO WASH THESE DISHES...?

Electricity does it for only a few cents!

Electricity is the biggest bargain in your budget—and even more of a bargain today than it was years ago—in fact in homes served by WTU, the average cost of a kilowatt hour of electric service is 20% LESS than it was 10 years ago. Your electric bill may be higher, but that is because electricity is so inexpensive you can afford to use much more of it these days. Don't you think so?

## results of Purina cattle-feeding research proved in the West

Every dot indicates a state where Purina feeding demonstrations are completed or in progress, with locations shown. So you may see rather than just hear about results Purina Steer Fatness and local grains and roughages can give you. Purina Dealers across the West are feeding cattle at stockyards and sales barns.

And average of six of these tests show gain supplemented with Steer Fatness producing a pound of beef for only 7.46 pounds of total feed. That's 2 pounds of feed per pound of beef less than U. S. D. A. figures—a 22% better job! That's the kind of feeding efficiency a cattleman must have to make money from cattle feeding.

You are cordially invited to see the cattle and study the feeding records at the point nearest you. We want you to see for yourself the difference Purina Steer Fatness can make!

Before you order your winter feed supply for cows, ask us about Purina Range Checkers—remember, they're made right, proved right, priced right.

Mr. and Mrs. John Aston went to Abilene Saturday afternoon to a family get-together in the home of their daughter, Mr. and Mrs. Bud Rennels. Those present for

### TEXAS WATER DEVELOPMENT FUND PROPOSED

The growth and prosperity of Texas are dependent in large measure upon the assurance of a plentiful water supply for all time to come. The voters of the State will soon have an opportunity to express their opinion concerning a proposed constitutional amendment which is quite pertinent to this problem.

The recent Fifty-fifth Legislature recognized the need for flood control as well as the assurance of an adequate future water supply. For those reasons they voted to propose an amendment to the Texas Constitution which, if approved by voters in a special election to be held November 5, 1957, would authorize the creation of a body to be known as the "Texas Water Development Board."

This Board, if created, would have authority to issue and sell general obligation bonds of the State of Texas in an amount not to exceed \$100,000,000. If more funds should be required at some later date, the Legislature would be authorized to provide for the issuance and sale of an additional \$100,000,000 in bonds. A two-thirds vote of the Legislature would be required for this authorization.

Proceeds from the sale of the bonds could not be expended directly nor given away, but could be loaned to various governmental authorities for certain authorized purposes. Eligible borrowers would include cities, counties, river authorities, conservation and reclamation districts, and interstate compact commissions.

The money could be used to build and extend dams and reservoirs and to finance other measures necessary in preserving and developing water resources and in controlling and storing storm and flood waters. Money could be also loaned for the construction of facilities for transporting water from storage points to distribution points.

Money received by the Water Development Board in repayment of principal and interest on the bonds would be placed in a sinking fund. From this fund the Board would make the payments necessary to retire the original bonds.

Two other proposed constitutional amendments will be submitted to the voters in the same special election on November 5. One of these concerns retirement and disability funds for State employees. The other would increase payments for needy children, aged, and needy blind

persons. The other would increase payments for needy children, aged, and needy blind persons. The other would increase payments for needy children, aged, and needy blind persons.

Mrs. Jimmie Hahn and Nelda went to Lubbock Monday with Mrs. Ellis Draper and Mrs. Cayce Allredge to have Nelda's eyes tested.

## HOW TO USE YOUR NEW Dial Telephone

October 18 is "Dial Day" Until then, continue to give your calls to the operator

YOU'LL FIND IT'S EASY TO DIAL — HERE'S HOW

1. Place the receiver to your ear and listen to the steady hum of the dial tone.
2. Suppose you want to call number CRestwood 2-1099. Place your finger in the dial opening where you see the letter "C." Pull the dial around until your finger strikes the finger stop.
3. Remove your finger and let the dial spin back freely.
4. Next dial the letter "R" in the same manner.
5. Do the same for each of the numerals, in order — 2, 1, 0, 9 and 9.

When you have finished dialing, you should hear a burr-r, the ringing sound. If the line is busy, you will hear a fast buzz-buzz.

If you hear the busy signal, or if you hear neither sound, hang up. Wait a few moments, then try the call again.

We know you will like the speed, convenience, and dependability of dial service. When the new dial system goes in operation here at noon on October 18, Spur will have the finest, most modern telephone service available anywhere.

## HOW MUCH WOULD YOU CHARGE-

TO WASH THESE CLOTHES...?

TO BEAT THESE RUGS...?

TO WASH THESE DISHES...?

Electricity does it for only a few cents!

Electricity is the biggest bargain in your budget—and even more of a bargain today than it was years ago—in fact in homes served by WTU, the average cost of a kilowatt hour of electric service is 30% LESS than it was 10 years ago. Your electric bill may be higher, but that is because electricity is so inexpensive you are able to use much more of it these days. Don't you think so?

results of Purina cattle-feeding research

## proved in the West

Every dot indicates a state where Purina feeding demonstrations are completed or in progress, with locations shown. So you may see rather than just hear about results Purina Steer Fatens and local grains and roughages can give you, Purina Dealers across the West are feeding cattle at stockyards and sales barns. And averages of six of these tests show grain supplemented with Steer Fatens producing a pound of beef for only 7.46 pounds of total feed. That's 2 pounds of feed per pound of beef less than U. S. D. A. figures—a 22% better job! That's the kind of feeding efficiency a cattleman must have to make money from cattle feeding. You are cordially invited to see the cattle and study the feeding records at the point nearest you. We want you to see for yourself the difference Purina Steer Fatens can make! Before you order your winter feed supply for cows, ask us about Purina Range Checkers—remember, they're made right, proved right, priced right.

FEED PURINA... YOU CAN DEPEND ON THE CHECKERBOARD

### TEXAS WATER DEVELOPMENT FUND PROPOSED

The growth and prosperity of Texas are dependent in large measure upon the assurance of a plentiful water supply for all time to come. The voters of the State will soon have an opportunity to express their opinion concerning a proposed constitutional amendment which is quite pertinent to this problem.

The recent Fifty-fifth Legislature recognized the need for flood control as well as the assurance of an adequate future water supply. For those reasons they voted to propose an amendment to the Texas Constitution which, if approved by voters in a special election to be held November 5, 1957, would authorize the creation of a body to be known as the "Texas Water Development Board."

This Board, if created, would have authority to issue and sell general obligation bonds of the State of Texas in an amount not to exceed \$100,000,000. If more funds should be required at some later date, the Legislature would be authorized to provide for the issuance and sale of an additional \$100,000,000 in bonds. A two-thirds vote of the Legislature would be required for this authorization.

Proceeds from the sale of the bonds could not be expended directly nor given away, but could be loaned to various governmental authorities for certain authorized purposes. Eligible borrowers would include cities, counties, river authorities, conservation and reclamation districts, and interstate compact commissions.

The money could be used to build and extend dams and reservoirs and to finance other measures necessary in preserving and developing water resources and in controlling and storing storm and flood waters. Money could be also loaned for the construction of facilities for transporting water from storage points to distribution points.

Money received by the Water Development Board in repayment of principal and interest on the bonds would be placed in a sinking fund. From this fund the Board would make the payments necessary to retire the original bonds.

Two other proposed constitutional amendments will be submitted to the voters in the same special election on November 5. One of these concerns retirement and disability funds for State employees. The other would increase payments for needy children aged, and needy blind

column, prepared by the State of Texas, is written to advise. No person should apply or interpret without the aid of an attorney who is fully advised concerning the facts involved, because a slight variance in facts may change the application of the law.

# Kalgary News

We wish to extend our sincere sympathy to Mr. and Mrs. H. E. Fisher and family on the passing away of Mrs. Fisher's brother, W. M. Nelson of Abilene. May God's richest blessings be theirs that their sorrow be easier to bear.

Mmes. Vona Fisher, Girlie Havens and Wanda Parsons attended the District 9 WMU conference at Crosbyton on Thursday. Misses Carla and Nan Winkler were Sunday visitors of Miss Leleanora Sue Winkler.

W. C. Havens and Wright Hinson enjoyed horseback riding with Wayne Harris Saturday. Larry Harris was a playmate of David Parsons Wednesday afternoon.

Mrs. Billy Wayne Freeman, Elaine, Gerald and Glenn of Crosbyton were Tuesday afternoon vis-

itors of Mr. and Mrs. Joe Beaty and Benjie. Mrs. E. H. Williams is visiting this week in Dalman with her parents.

S. J. Shields, Ray Don Winkler and Frank Hadderton attended the Dallas Fair over the week end.

Miss Leleanora Winkler was a Tuesday night guest of Miss Judy Conroe of Crosbyton.

Mr. and Mrs. C. W. Hinson, Mrs. Homer Robinett, Mrs. Waldo Havens, Mr. and Mrs. A. J. Havens and Warren and Nanette Wilson were among those attending funeral services for Mrs. J. M. Matler of Post on Friday.

Mrs. Frank Hadderton and Randy visited awhile Thursday morning with Mrs. Elmer Havens and Shelley.
