Postmaster Urges Early Mailing For Christmas

Predicting that the Christmas mail this year will set an all-time record, even exceeding the record set in 1956, Postmaster Guy Karr announced his 1957 "Mail Early For Christmas" Campaign today. With Christmas only a little more than a month away, the Postmaster reminds us, "It's later than you think!" Most folks have a tendency to wait until December rolls around before they give their Christmas mailing plans a thought. The Postmaster further suggested that right now is the time to take the following steps: Check your Christmas card lists very carefully—make sure that each address includes the full name, street and number, city, zone and state. He said, also, that it is a good idea to stock up on heavy wrapping paper, sturdy corrugated cartons, strong cord, and paper adhesive tape for use in securely packing and wrapping your Christmas gifts. If you'd like to include your Christmas card or letter inside your gift package, just add the appropriate First Class mail postage to the postage for the package itself; thus, insuring simultaneous arrival of your gift and greeting.

Lockney To Get Victory Bell; 1958 Schedule Still Incomplete

The victory bell, symbol of District 2-AA champion, will travel to Lockney today. The bell, accompanied by Superintendent Bob Nunley; president of the student body, David Morgan; band drum major Ann Austin; head cheer leader Nancy Powell; Coach Bill Henry and team captains Alan Kissinger and Ronnie Cloude, will be turned over to the Longhorns in ceremonies at Lockney today. However, since Lockney will not compete in this district next year, the bell will be returned to Spur prior to September 1, 1958. Spur has controlled the bell for the past three years.

BARNEY MACK BENSON

Lenora Harvey, Barney Mack Benson Named County Gold Star Winners

Lenora Harvey, daughter of Mr. and Mrs. L. S. Harvey, McAdoo, and Barney Mack Benson, son of Mr. and Mrs. R. L. Benson, Spur, were named Gold Star Award winners in Vernon last week. The Gold Star banquet was sponsored by the West Texas Utilities Co. The Gold Star Award is the highest award a boy or girl may receive for county 4-H work. Miss Harvey has been in 4-H work for about six years. She was winner of the county dress review for two years and attended the district dress review. Her interests were primarily directed toward clothing and food projects while the county had a Home Demonstration Agent. But, since the county no longer has an HD agent, she has channeled her interests into agricultural projects. For the past two years Miss Harvey, along with her sister, Arlene, who is a former Gold Star winner, have entered breeding sheep in the county 4-H shows. They also raise fat lambs. According to County Agent Bob Berry, Miss Harvey was chosen for the Gold Star award for her outstanding record. Barney Mack Benson, 16, is a sophomore in Spur High School. He has participated in 4-H club work for the past six years. During that time he has fed and exhibited 11 beef steers and several hogs. Benson has been very active in church and civic functions. He has attended district camp, leadership camp and has served on the camp committee. He was also chosen for his outstanding club record. Dr. Travis White, president of Midwestern University, was the principal speaker at the banquet. District 3 is made up of 23 counties. Attending the banquet from Spur were: Mr. and Mrs. L. S. Harvey; Lenora Harvey; Arlene Harvey, County Council delegate; Barney Mack Benson; Guy H. Goen, County Council delegate; and County Agent, Bob Berry. Sharon Lynn Wyatt, granddaughter of Mr. and Mrs. Forest Martin, Highway community, was named Gold Star Girl from Kent County. Miss Wyatt has been in 4-H work for six years. She is 15 years old. Miss Wyatt has carried on demonstrations in foods and nutrition, clothing, poultry, gardening, sheep raising and bedroom improvement. She won the Kent County dress review in 1957. The awards were presented by District Agents James Simmons and Fern Hodge.

CORRECTION!

Our sports column on page two is incomplete in regards to the boys who will be returning next year. The list does not include several boys who will be up from the B-team. Coach Henry advised us that the last program was complete, but we could not obtain one at press time. So the names in the column are not ones turned in by him, but ones we pulled from an early season program. Our apologies. — Editor.

KENT COUNTY LITTLE LEAGUE TO MEET

Purpose of the meeting is to elect league officers and re-charter the league. All interested parents are urged to attend.

Vandals Damage Parking Meters

The City Council wishes to call to your attention the fact that in recent months vandals have done an alarming amount of damage to parking meters, gas meters, street lights and other City property. This vandalism is costing the tax payers of Spur an increasing amount of money each month, and we call upon every citizen to be on the alert for vandalism and to promptly report all quality persons. The solving of this widespread problem calls for the cooperation of all our citizens. J. R. McNEILL, MAYOR

Cotton Harvest Gains Momentum

Cotton Vote Set For December 10

Cotton growers will make an important decision on Tuesday, December 10, Joe M. Rose, chairman of the Dickens County Agricultural Stabilization and Conservation committee, reminds farmers.

On that day, growers will vote in a referendum to decide whether marketing quotas will be in effect for their 1958 upland cotton crop. All farmers who engaged in the production of upland cotton in 1957 will be eligible to vote in the referendum.

County polls will be set up at the following points: Dickens County Agents office; ASC office, Spur; Gin office, McAdoo; Gin office, Afton, and Gin office in East Afton.

"If at least two-thirds of the growers voting approve the quotas," Rose explains, "marketing quotas will be in effect on all farms growing upland cotton in 1958, penalties will apply on 'excess' cotton, and price supports will be available at the full level of effective supports. Under current legislation, this support will be between 75 and 90 per cent of parity, the minimum level within this range depending upon the supply situation at the time the determination is made. In past years, according to W. W. Gunn, ASC office manager, the area vote has been about 10 per cent. There are approximately 2,000 eligible voters in the county. "If more than one-third of the growers disapprove quotas, there will be no marketing quotas or penalties, and price supports to eligible growers (who comply with their allotments) will be available at 50 per cent of parity. "In either case, acreage allotments will continue in effect for the 1958 cotton crop as a means of determining eligibility for price support," Rose says.

The chairman pointed out that legislation directs the Secretary of Agriculture to proclaim marketing quotas for the next upland cotton crop when the cotton supply exceeds normal. Quotas are not put into operation, however, unless they are approved by at least two-thirds of the growers voting in a referendum on the question.

The awards were presented by District Agents James Simmons and Fern Hodge.

Spur Upsets Floydada 19-0

Led by a roused up forward wall, the Spur Bulldogs humbled the favored Floydada Whirlwinds here last Friday night, 19-0. The win propelled Spur into a three-way tie with Slaton and Floydada for District 2-AA runnerup honors. Lockney clinched the district title with a 33-19 win over Tahoka Friday afternoon and will meet Dimmitt of class 1-AA in the Bi-District playoffs. After a scoreless first half, that

Spur High Band Travels To Lubbock Today For Region I Marching Meet

The Spur High School band will leave this afternoon for Lubbock where they will compete with 31 other bands in the Region I Marching Band Contest. Other bands entered are: Class B — New Deal, Wilson, Amherst, Whiteface. Class A — Springlake, Ropes, O'Donnell, Idalou, Ralls, Seagraves, Petersburg, Sudan, Plains, Sundown, Morton, Hale Center, Crosbyton. Class AA — Post, Spur, Tahoka, Lockney, Muleshoe, Olton, Floydada, Slaton, Abernathy. Class AAA — Levelland, Brownfield, Littlefield. Class AAAA — Tom S Lubbock, Plainview, Monterey. Each band will be allowed no more than eight minutes to perform and not less than five. Should a band violate these time limits, a penalty of one rating will be invoked. The bands are required to perform the following movements: Forward march; halt while playing; either column left or right while playing; counter-march while playing; start and cease playing while marching. Spur will also execute a right or left flank movement. No awards will be made until after the sight reading and concert contests have been held in the latter part of April. Admission to the contest which has been labeled the Gridiron Jubilee is 25 cents for children and 50 cents for adults. No seats will be reserved. The band will leave Spur about 3:30 or 4 p. m. this afternoon.

FFA Enters Six Teams In Lorenzo Leadership Meet

Twenty-nine freshmen were initiated into the Spur High School FFA last week. As part of the initiation ceremony, the green hands, dressed with cardboard box blouses and ragged knee pants, went to the various business houses making announcements. In other FFA activities, Judy Jones was elected chapter sweetheart. The chapter also named Joe Harrison, Marion Jordan, Dalton Lebew, Cecil Estep and Bob Conner as honorary members. The Spur chapter will send six teams to Lorenzo for the district leadership contest on November 23. Eliminations will be conducted Friday, in the Vocational Agriculture Building. The public is invited to attend.

NEW TEACHER JOINS HIGH SCHOOL STAFF

M. D. Lakey has joined the Spur High School faculty as a mathematics teacher. Lakey comes to Spur from Lubbock. He is married and has two daughters. He holds a Master of Arts degree from Columbia University and will be teaching General Math and Algebra I.

saw Floydada make only one first down, Spur came roaring back, and, playing ball control, scored with 6:05 remaining in the third quarter. Spur took a short kickoff and ground out 48 yards in 13 plays before halfback Alan Kissinger broke the scoring ice with a five yard scamper off left tackle. Halfback Kenneth Suits kicked the extra point and the Bulldogs were in front, 7-0. (Floydada had led as the teams went off the field at halftime by the virtue of one penetration.) Spur marched to their second touchdown after End Ronnie Cloude recovered a fumble by Cooper on the Bulldog 47 yard line. Six plays moved the ball to the Floydada 15 yard line where Spur had a first down. They were penalized back to the 30 for illegal use of hands and then were penalized five more for delay of the game and faced third down and 29 yards for a first. On the next play Quarterback Ray Powell kept the ball, and rambled for 26 yards to the Floydada nine yard line. Spur faced fourth down and still four yards for a first. But Fullback Travis Watson took a pitchout, circled right end, and barreled into the end zone for the score. Suits kick was low and Spur led 13-0 with only 5 seconds remaining in the third quarter. Spur's final touchdown came on a 78 yard drive early in the fourth quarter. The drive was sparked by a 50 yard scamper by Powell as he rambled around right end

to the Floydada 23 yard line. The play followed a 15 yard holding penalty against the Bulldogs. Powell scored from the three. Again Suits missed the conversion and Spur led 19-0 with 2:50 left in the ball game. The closest the Whirlwinds came to scoring was midway of the first period when left end Beedy took a pass from Downing and raced 72 yards to the Bulldog six yard line. Their drive fizzled however, when Cooper fumbled and Cloude recovered for the Bulldogs. The game was played in ideal football weather before a sparse "Dad's Day" crowd of about 1,000. Fathers of Spur football players were honor guests at the game and sat on the sidelines wearing their son's numeral. The Bulldog line played a bruising game as they held Floydada to only 38 yards rushing. The forward wall cleared a path on num-

Car Inspection Slightly Higher Than Last Year

With only one-tenth of the motor vehicles in Texas inspected for the year 1958, automobile and truck owners were urged today to obtain their new inspection stickers before the holiday season. Col. Homer Garrison, Jr., director of the Texas Department of Public Safety, called upon motorists to obtain their 1958 inspection stickers as soon as possible in order to alleviate the last minute rush on the 4,200 inspection stations in Texas. Garrison said only about 450,000 of the four million registered vehicles in the state have been inspected and approved. "While this number exceeds that for the same period last year," he said, "the present rate of inspection will not prevent inspection stations from being rushed again during the last few weeks of the inspection period ending April 15, 1958. Vehicle owners who complete their inspections before the holiday period will avoid the inconvenience of waiting at the inspection stations. The state police director also said that early inspections will be of benefit to motorists who plan trips during the Thanksgiving to New Year's by eliminating mechanical defects.

AN EDITORIAL... Fire Department Is Plagued By Numerous Needless False Alarms

The Spur Fire Department is still being plagued by false alarms, according to the department. An average of from three to four calls per day are being received. These false alarms decrease the efficiency of the fire alarm system. Department officials request that any person who dials the Fire Department by mistake should remain on the line and report their error. Several false alarms are credited to children who are using the phone as a play thing. As an example of this flagrant misuse of the telephone, witness the following facts: On Monday, November 18, between 7 and 7:30 p. m., the fire phone rang three times. Each time a small child answered and said, "We don't have any fire here." These children may not realize the confusion they are causing. However, every parent should instruct their children not to dial the fire number just for the fun of it. There have been many occasions when the fire number has been dialed for a number that it does not resemble in the least. The department is willing to concede that a certain amount of

County Gins 4,815 Bales

The Dickens County cotton harvest picked up steam last week as 1,286 bales were ginned. The total ginner' thus far in the county is 4,815. At this same period last year, some 16,000 bales have been ginned according to ginner estimates.

Here is the county breakdown:

Spur Gin	225
Farmers Co-Op	1,374
Masey Gin	805
West Texas Gin (Kalgary)	563
Dickens Gin	164
Goodwin Gin (East Afton)	908
Afton Gin	776
TOTAL	4,815

The weather has been generally favorable for outdoor work this past week. Pullers have been in the field nearly everyday after the early morning frost and dew has been evaporated by the sun. County Agent Bob Berry estimates that the county has lost, to date, about \$400,000 due to reduced quality and grade of cotton.

THE WEATHER

Nov. 13	None	65	40
Nov. 14	None	72	37
Nov. 15	None	73	46
Nov. 16	.01	56	46
Nov. 17	.10	48	44
Nov. 18	None	53	36
Nov. 19	None	60	28

So far this year, 27.74 inches of rain have been recorded. The month of November has recorded 2.57 inches. In 1956, only 6.87 inches fell the entire year. This is the record low recorded at the weather station.

SPUR MARINE COMPLETES RECRUIT TRAINING

Oscar G. Pippins, son of Mr. and Mrs. V. D. Pippins, Spur, completed recruit training Nov. 7 at the Marine Corps Recruit Depot, San Diego, Calif. The 11-week course included instruction in all basic military subjects and the firing of all basic infantry weapons. Upon completion of training new Marines are assigned to a unit for further infantry training, or to one of the many Marine Corps schools.

Fire Department Answers Two Calls

Two fires hit Spur this week, one of them causing severe damage. Monday morning a fire hit the home of Mr. and Mrs. Neal Chastain, 103 East Hill street. Estimates are that the home may be a complete loss although the fire did not spread through the whole house. Water damage was heavy. Wednesday morning Jean's Cafe reported a grease fire in one of their stoves. Only slight damage was reported.

Range Is Good, Deer Fat, For Season Opening

Conditions are ideal for the opening of the Texas deer season Saturday, according to E. M. Sprot Chief of Law Enforcement of the Game and Fish Commission. In reports from wardens throughout the state all say the deer are plentiful and fat.

"It has been many years since the range has been in the fine condition reported now", the Chief said.

"There also is a great deal of activity among the deer. The bucks already are beginning to run."

Prospects in the Hill country are especially promising, according to the reports. Grass is high on all the ranches. There also is

a good crop of acorns. The same is true of the East Texas and north East Texas area.

In the Arans-Pecos area conditions are better than usual, although rains there didn't come until after cool weather set in, slowing the growth. The Trans-Pecos season on mule deer runs from Nov. 20 through Nov. 27.

In South Texas, where bucks grow big, grass throughout the year has been in fair shape. As a result, wardens in that area report that shooting should be good. They do warn, however, that rattlesnakes are more plentiful than bucks and every care should be used.

In far northeast Texas, Possum Kingdom area and the Panhandle the reports are all the same—good range and the deer are fat.

Broiling and frying chickens are the main features of the December plentiful foods list. Turkey and pork are also listed as main course specials.

FROM WHERE I SIT . . .

BY JOE HARRISON

The Bulldogs have completed the football season a successful note—which few of the curbstone quarterbacks expected. Most figured Floydada would trounce the Bulldogs by about two touchdowns.

We were worried ourselves, and told many that we felt Spur would have to play their best to trip the Winds. Play their best they did and they deserved the win and the credit for a fine game.

True, the Bulldogs were expected by most to have a much stronger team this year than they did last. They figured that if Coach Henry could take an inexperienced team like he had last year to Bi-District, he would win again this year.

The team got some rough breaks. Randal Gilcrease missed a great part of the year and flu caused the team to forfeit to a Slaton team that they probably would have beaten. Outside of the Lockney defeat that saw three punts go awry, the Bulldogs had a good season.

Returning next year will be regulars Ernest Wilson, Don Kidd, Kenneth Gilcrease and Kenneth Sults. Also returning will be Joe Copeland, Marshall Murray, Jim Gabriel, Woody McArthur, Don Morrison, Jimmy Pronto, Bob Greer, Kent Morgan, Milton Webb and Barney Benson, all of which will serve to form the nucleus of another fine Spur team.

There must have been a tear in Aggieland Saturday afternoon when the news was received that Rice had upset the nation's No. 1 team, 7-6.

We felt kinda bad about it ourselves. We have ridden the Aggies all year but didn't dream that a team that lost to the Texas Longhorns 19-12 would have a chance with the vaunted Aggies. It came as a shock to us. However, the Aggies aren't out of the Cotton Bowl yet. They still have to play their Thanksgiving classic with Texas and Rice will meet TCU in Ft. Worth Saturday, and then play Baylor a week later.

Ronnie Cloude, David Morgan, Randal Gilcrease, Jimmy Holder, Leslie Albin, Royce Bilberry, Ray Powell, Alan Kissinger, Travis Watson, Jennings Long, Glen Hairgrove and Ronnie Hill are the graduating seniors. Joe Castro is not a graduating senior but will be too old to play next year.

Powell, Kissinger and Watson accounted for 248 yards rushing as they closed out their high school careers. Cloude recovered two Floydada fumbles and caught one pass for eight yards.

The Oklahoma Sooners also took it on the chin Saturday much to our surprise, but only confirms something we've mentioned before in this column—any team can beat any other team on any given day.

Lockney will meet Dimmitt Friday in Plainview. The Longhorns own a 32-0 win over Dimmitt and will be favored to go into the Regional game.

With the close of football season, basketball gets underway. This was our first season to cover football, we enjoyed it very much. We made some mistakes, but we hope you'll forgive them. With the close of football season, which is the big time of year, you might say, for sports reporting and columns, we will fold up this column for another year. Hope to see you again then.

Tech-Arkansas Meet In Little Rock Saturday

Texas Tech's Red Raiders conclude their 1957 football season against University of Arkansas in Little Rock Saturday afternoon.

Tech will be seeking its third victory of the season against seven losses, while the Razorbacks will be after their sixth win against four defeats.

Comparative scores favor Arkansas, winner over three teams—Oklahoma State, Tulsa, and Bay-

lor—that downed Tech.

On the other hand, comparative scores also favored Hardin-Simmons last week. But the Cowboys, with 22 lettermen from the team that beat Tech 41-14 last year, fell before the Red Raiders by a 26-21 count.

Particularly satisfying to Coach DeWitt Weaver was the fact that his Raiders beat Sammy Baugh's team at its own game—passing. Hardin-Simmons was the nation's tenth ranked team in passing, but Tech, completing 13 of 18 passes, outgained the Cowboys 169 yards to 163. Hardin-Simmons threw 23, completed 12.

Principal heroes of the victory, nominated for player-of-the-week honors, were Jerry Bell of Ball-

ger, who completed 11 of 13 passes, Jimmy Knox of Graham, who gained 65 yards running and 61 receiving passes, and end Gerald Seeman of Fort Worth, who set a Tech one-game record by catching five passes.

Arkansas, coached by Jack Mitchell, former Tech assistant, lost to SMU 27-22.

Brown patch, a rather common lawn disease in Texas, has been reported active, especially in the farmer sections of the state. Extension Plant Pathologist Harlan Smith says the prolonged period of excessive rainfall and humid weather are prime factors in the appearance of the disease.

Mr. and Mrs. Dickie Woolley of Amarillo announce the birth of a daughter, born Nov. 13. She weighed at 7 lbs. and 5 ozs. and has been named Tamara Gayle. Mr. and Mrs. Johnnie Woolley are the paternal grandparents, Mr. and Mrs. Charlie Harris the maternal grandparents.

Mr. and Mrs. Floyd Rich and baby visited last Thursday with his parents, Mr. and Mrs. E. G. Rich.

Mr. and Mrs. Carl Ingram and Donita Mason of Crosbyton visited Mr. and Mrs. L. E. Bass last Sunday afternoon.

Mr. and Mrs. Roy Nickels returned home Monday after a visit with relatives in Waco.

Mrs. Billie Harris and Mrs. H. F. Harris were Lubbock shoppers on Monday.

Mr. and Mrs. Henry Harris, T. H. Rigby and Bro. and Mrs. Gene Cann attended North American Baptist Association in Mineral Wells last Tuesday through Thursday. The McCanns drove on to Corsicana after receiving word of the serious illness of her father. Bro. Goss of Slaton filled the pulpit Sunday during the absence of Bro. McCann.

Charlie Allen was able to return home Thursday after several days confinement in the Spur hospital.

Mrs. T. J. Taylor of Crosbyton accompanied Marilyn Steadham to McAdoo Thursday night to see the

Peacock-McAdoo grade school basketball games.

Mrs. R. E. Higgins spent last week in Lubbock with her son, Mr. and Mrs. Bob Higgins.

Mr. and Mrs. Billy Hardin of Floydada accompanied Mr. and Mrs. Bryan Hardin to McAllen over the week end where they visited Mr. and Mrs. Wayne Hardin and children. Mrs. Bryan Hardin went on to Alice for a visit with Mr. and Mrs. Bobby Hardin and family and to care for her new grandson, who was born Nov. 9. He weighed 7 lbs. and has been named Ricky Glynn. Mr. and Mrs. O. E. Lumsden of Muleshoe are the maternal grandparents.

Mr. and Mrs. Donnie Berry and H. D. Nickels attended funeral services at Girard last Wednesday for Doyle Gunn. A former McAdoo resident, he passed away in Albuquerque where he had resided the past three years.

Mr. and Mrs. R. L. Neff of House N. M., are visiting the Dale and Noble Neff and Dave Lewis families.

In the McAdoo News Items it was reported previously, Young People of the Methodist and Baptist Churches made the Trick or treat drive for CROP. I understand all the Churches were represented and am sorry that I reported it incorrectly. Thanks for calling my attention to the fact. I am always glad to make corrections.

Dickie and Roddy Parkinson of Lubbock visited during the week end with their grandparents, Mr. and Mrs. Loyd Hickman. Mr. and Mrs. Roderick Parkinson and daughters, Chadene and Mavis were Sunday evening visitors. The boys returned to Lubbock with them.

Mr. and Mrs. Howard Hickman were hosts to the neighborhood gang Thursday night for a duck supper. Since there was a shortage of duck, the supper was supplemented with fried chicken. Maybe the guests should be reminded, next time they go for a duck supper, they better take the duck. Those enjoying the supper and games of 42 were the following: Mr. and Mrs. Donnie Berry, Mr. and Mrs. Marvin Tidwell, Mr. and Mrs. Tad Toland, Mr. and Mrs. Guinn Hickman, Mr. and Mrs. William Gardner and Mr. and Mrs. John Burrow.

Mr. and Mrs. Curley Fox, Mike and Sharon of Afton were Thursday night visitors in the home of Mr. and Mrs. J. J. Griffin.

Mr. and Mrs. Milton McDonald and Thomas visited in Crosbyton Monday afternoon with Mr. and Mrs. G. G. Allen.

Lee Ray and Elvin Peck and families visited Monday with their sister, Mrs. Lemora Page.

Hesitations from Complications
By Loyd Womack, Jr.

From the way rattlesnakes have been working their way around town lately, the Caprock Peace Officers may need to stage their "Rattlesnake Rodeo" a little early this year. The rattlers must be having a housing shortage for they have wormed their way into several peoples' homes, crawling up under sinks and other places to take their winter nap.

Each week it gets a little later in the year and a little colder and the snakes should be holed up for the winter—better keep your eyes open, though—one might be under your doorstep.

Last Thursday evening, as usual, this writer was attending to one of the more important endeavors of watching the front of the shop and keeping alert for mysterious lights and Flying Saucers, when the BOSS was noted underriding toward this establishment with the speed of a jet. Quickly being cognizant of my position and environment, a hasty retreat was in order to the Linotype machine of which I'm the proud operator. Grumbling about the usual mess after paper day, I grabbed a crummy newspaper off the chair and proceeded to occupy said space. A sudden movement immediately caught my eye and stopped all voluntary actions.

It seems as though a "Snake-nik"—a three foot-seven rattler type, through a devious orbit from the south side of Spur to West Texas Furniture Co., thence across the street to the newspaper office—was coiled in striking position on the chair.

The following commotion created a few more satellites circling the building until it was determined the "Snake-nik's" batteries were dead.

That sure was a dirty joke to play on a worn out printer on paper day. You can bet I'll get even too. (That Curtis Bethany, who killed the snake and, with the assistance of Grady Lackey, is responsible for making us all shook up for two days. Curtis reported that the mate to the rattler was found under a lady's sink the next day not far from where the first snake was killed. — As a tip to you stock market tycoons, I recommend all tranquilizers since the local consumption has increased considerably.)

The Floydada Whirlwinds probably thought some kind of "Whitnik" hit them last Friday night as the met the Spur Bulldogs for the last game of the season. Spur held Floydada to only 4 first

downs and 39 yards rushing. The Bulldogs displayed an airtight defense and a vicious ground attack to end the season with a fine record. The players and coaches did a fine job this season.

Many Spur fans feel cheated if Spur fails to win district every year. If these fans expect that much out of a team and coaches, they should move to Norman, Oklahoma, and root for the Oklahoma Sooners. Oklahoma never loses—oops, except last Saturday. Looks like no team can win every year, even with all the advantages Oklahoma has.

A&M's defeat took over the spotlight at Monday's session of the Texas House of Representatives in Austin.

Outspoken Aggie supporters were "giggled" and a black ribbon and a funeral wreath were placed in appropriate places. Rep. W. S. Healy of Paducah suggested the legislators stand in a moment of silent memory to A&M.

Some of the Spur bunch tried to have a little fun, too, over A&M's defeat, by placing a funeral wreath under an A&M pennant. Wow! That little joke went over like a lead balloon and was as out of place as Julie London singing the Marlboro song.

I sincerely hated to see A&M get beat, however, because they were the only team in the conference that could represent Texas in the Cotton Bowl with an unblemished record... Maybe they will still make it.

Horace Wood says it's kinda confusing to try to be on the lookout for Flying Saucers and rattlesnakes at the same time. I'll bet Horace keeps his eagle eye trained for rattlesnakes and leaves the Saucer watching to Henry Johns.

TOO LITTLE, TOO LATE is the way we Dodge dealers feel about competitors' efforts to match the Swept-Wing 58. They lowered the roof some, but left the sides high. Their windshields got smaller while ours got bigger. So much for styling. Then, for another important comparison, take ride. Here's Dodge with Torsion-Aire suspension that just about everybody admits is the greatest advance in sway-free, dip-free, silent going that any car offers. So what do these other cars do? They borrow an air suspension system that's been used in buses for two years! (Costing well over \$100.00 extra.) And most of 'em s...ll don't have push-button driving — much less Dodge TorqueFlite—the proven automatic transmission. If you're a little disappointed in the '58 version of your car, come on in and see our Swept-Wing 58. The others are catching on—but they can't catch up.

MISS JO ANN POLEN who will become the bride of Robert Lowell Walker, January 24th in the A&M Chapel. Her parents, Mr. and Mrs. R. L. Nolien, announce their daughter's betrothal. A graduate of Stephen F. Austin High School in 1956, Miss Polen attends SHST College where she is majoring in education. Mr. Walker, a senior at A&M College, is majoring in marketing.

Marva Jones To Wed Dupree Allen

Mr. and Mrs. Buster Jones of Hodges announce the engagement and approaching marriage of their daughter, Marva Nell, and Dupree Allen.

Wedding vows will be said Dec. 21 at 8 p. m. in the Chapel of Memories in Abilene.

The bridegroom-elect is the son of Mr. and Mrs. C. V. Allen of Spur. He is parts manager for Rickles Chevrolet Co. in Spur.

Miss Jones is laboratory technician at Spur Memorial Hospital.

Mrs. Leon Reagan is visiting for a few days with her daughter, Mr. and Mrs. Ted Hardy and son, Teddy Joe, of Abilene.

Girard School Stages Festival

The Girard Fall Festival which was held last Friday night, had a small crowd but the ones who attended seemed to enjoy themselves.

At the Coronation, Dale McFadden crowned Miss Elizabeth Williams of the third, Queen of Grade School. The race in high school was won by the Junior class, Miss Bernice Fincher was crowned Queen by Gary Dyer.

Elvis Glenn Spradling won the clock given by the eighth grade. Coach C. W. Fincher won the blanket given by the Junior class and Ted Gallagher won the quilt given by the Seniors.

Mrs. Parsons Hosts Dry Lake WMU

The Dry Lake WMU met Monday afternoon in the home of Mrs. Lem Parsons. Due to missing one meeting they had two lessons. Mrs. Graden Bass gave the lesson on the Bible and Mrs. Sam Gannon gave the Royal Service lesson.

Mrs. Parsons served cake and coffee to Mmes. Raymond Smith, Lon Bass, Graden Bass, Ellis Draper, J. B. Karr, Sam Gannon, Jim Price, Roy Marshall and Bernice Bilberry.

The next meeting will be November 25, at 1 p. m. at the church. The lesson will be on Week of Prayer.

Mrs. Toby Collett Hosts Espuela Club

The Espuela Home Demonstration club met November 14, in the home of Mrs. Luther Karr with Mrs. Toby Collett as hostess.

Opening exercise was given by Mrs. Jim Barron. The president appointed a committee to plan the program for the yearbook.

Mrs. Alton Delisle gave a demonstration on making a magic fruit cake.

Recreation was led by the hostess and refreshments were served to: Mmes. Jim Barron, Bob Dixon, Alton Delisle, T. A. Johnson, John K. Johnson, W. E. Ball, Pearl Morgan, Don Ramsey, G. L. Delisle, Victor Crabtree, E. J. Lasseter, Harold Karr, Luther Karr and Toby Collett.

The next meeting will be the Thanksgiving luncheon November 21 at 11:30 a. m. in the home of Mrs. G. L. Delisle.

Miss Simpson Hosts Sub Junior Club

November 13 in the home of Charlene Simpson, the Sub Junior Study Club had a regular meeting with the president, Ann Austin, presiding.

Plans were discussed for the Sweetheart Banquet in the spring and committees were formed.

The club was privileged to have Mrs. Rex Holder present a wonderful book review. Disclosure of the title is not permissible at this time for the review will be presented to another local club also. I might say though, that the book was of the sort that normally wouldn't hold the attention of most teen agers but was presented in such a manner that it was most interesting to all present. Again we thank Mrs. Holder.

Refreshments were served by the hostess and the meeting was adjourned.

Yarborough Blasts Meager Old Age Pension; Says Many Are Hungry

TEXAS, our so-called "land of the big rich," is unfortunately still the "state of the hungry old folk."

But it is encouraging to note that Texans voted in favor of the Constitutional Amendment to boost old age pension checks \$2 a month.

This meager raise is a pitiful increase to tack on a starvation allotment, but at least it shows we Texans are moving in the right direction.

In my recent fact-building visits in all parts of the State, I have found that our old folk who have so little are the ones who have been hardest hit by the continual cost of living increases.

Some death certificates list the cause of death as "malnutrition," which usually means the person couldn't get sufficient variety of food to avoid starving.

We Texans like to brag about everything in our State being the biggest and the best, and that is the way we take care of our old people.

The average monthly old age

assistance grant in Texas is \$45.05 compared to the national average on such checks of \$39.01. Texas is nearly \$15 monthly below the national average and ranks 40th among the 48 states. Of all the assistance paid in Texas, over 65 percent comes from the Federal government, so it is evident this critical problem requires action by our State Legislators.

I believe that our pension average should be raised to at least \$65, and I want to work with all people who want to do something about these measly, miserly pensions.

Everytime there is a movement to raise old age pensions, some selfish interests and unconcerned politicians holler, "It's socialism." This criticism is plainly selfishness. We are strengthening—not softening—the moral fibre of Texas when we answer the needs of those who have done a life's work. We will be doing only what is right and decent when we provide our people with enough milk and bread and a little meat.

Asian Flu Vaccine Now Available In Large Quantities; No Priority

Asian influenza vaccine is now so plentiful that doctors and druggists can obtain it at will in almost any quantity, exactly as they obtain any other drug product.

This means that you can now be vaccinated at your discretion, regardless of your age, job, or physical condition.

In the early days of the influenza epidemic, vaccine was so scarce—even though six drug manufacturers were commissioned to produce it and worked 24-hour shifts at the task—that available supplies had to be distributed to states according to population, with populous states getting the lion's share.

Today, however, reports coming from state health departments and from manufacturers indicate that supplies are catching up with demand, so that controls on allocations to states are no longer necessary.

By lifting controls—which have been voluntary from the beginning—manufacturers will be free to ship more vaccine into states where demand is still high, in-

stead of attempting to send equitable shares to each state.

In some communities throughout the nation, including many in Texas, enough vaccine is on hand to permit vaccination of the general public without regard to priority needs. Former priority groups included pregnant women, very young children and oldsters, and people with chronic ailments such as heart trouble.

Well over 40 million units of vaccine has been cleared for release to the nation to date. Heretofore, Texas has received approximately five percent of the amount released for civilian use, since the state has 5.2 percent of the national population.

Vaccination is still the only reliable means of preventing influenza, despite a flood of advertisements proclaiming the curative or preventive powers of other products. Incidentally, two federal agencies have announced their intention of taking prompt action against anyone making false or misleading claims that their products are effective in preventing or treating influenza.

Just because a wave of influenza has passed through your community and you escape don't make the mistake of thinking you don't need a vaccination. Flu sometimes makes a re-entrance, and there is a strong possibility that those it missed the first time will be hit the second.

Vaccination is especially important for older age groups in which chronic diseases are much more common, and, to a lesser extent among pregnant women. Serious complications often follow influenza attacks in these groups.

The fact that winter is fast approaching lends a note of urgency to vaccinations.

Girl Scouts ...

TROOP XIII
The Brownies of Troop XIII met at the regular time and place on Wednesday, Nov. 13, and worked on a craft program. The finished work began last week in making decorations from seed pods. New secrets were chosen and games were played.

TROOP XIV
The members of Troop XIV met at their regular time and place to continue a sewing project. They made match cases from felt. Mrs. Corder has been helping Mrs. Or, erstwhile assistant leader for the past few weeks. Plans have been made for games and special work for the next two meetings.

Library Notes ...

The Library committee wishes to thank Mrs. B. C. Cairns for books she gave the Public Library recently and Mrs. W. C. King who brought three boxes of books to the library last week. Many of these books are fiction but many of them are valuable non-fiction selections.

Relatives visiting in the home of Mr. and Mrs. Lem King this week were Mr. and Mrs. Desmond Ivy of Long Beach, Calif., and Mrs. Calvin Whittenton of Post.

Mr. and Mrs. Desmond Ivy visited with the Frank Sonnamakers of the Highway community. Mrs. Ivy is the sister of Mr. Sonnamaker and Mrs. Lem King.

W. A. King of Gorman, left for home after spending several days here with Mr. and Mrs. Lou King.

GIRARD NEWS

Mr. and Mrs. Rudolph Burrow were down this week end visiting their parents.

Mr. and Mrs. Tom Wilson of Brownfield, a cousin of Mrs. Lamora Page, visited her last week end.

Sandra Bingham, Linda Swearingen, Jo Ann Williams, Bernice Fincher, Joyce Long, Charlene Rudder and Veda Thompson, students of Girard High school, enjoyed the Fall Festival at Jayton Monday night. They also enjoyed the party given in the home of Mr. and Mrs. Burl Murdock.

Donald Ray Hooper is now a member of the State Highway Patrol. He has been keeping books at the Buddy Francis Gin.

Mr. Alton Clark is now keeping books at the Buddy Francis Gin.

Mr. and Mrs. H. E. Witt, Sandra and Sammy attended church at Spur Sunday night. Her son, Bill Glenn, was ordained as a Deacon.

Mrs. Page had business in Jayton Monday.

Gwynn Fincher left last week for Oklahoma City to visit and look for work.

The Girard WMS has mailed one box of old clothes to the Mexican Orphans Home at San Antonio. They are getting another ready if anyone would like to help.

Grade school played Peacock a game of basketball there, Monday night. Both boys and girls were

defeated. The scores were: Girls, 15-21; Boys, 7-32.

Mr. and Mrs. C. V. Hagar visited in the home of Mr. and Mrs. Cecil Hagar over the week end.

Mr. and Mrs. Troy Hagar, Alan and Dwain spent a few days last week in the home of Mr. and Mrs. Lonnie Williams and Cecil Hagar. They are now living at Post.

Mr. and Mrs. J. L. Williams, Jr. of Lubbock visited Mr. and Mrs. J. L. Williams and family of Girard.

Donald Ray Hooper is now driving a new Oldsmobile.

We would like to invite everyone to our basketball game Tuesday night, Nov. 26. It will be between Girard and Spur.

Sp-2 Billy J. Stark and Mrs. Stark and sons, Danny and Charles, who have been in Germany almost three years, expect to be home for Christmas. While here they will visit their parents, Mr. and Mrs. D. I. Loe and Mr. and Mrs. Luther Stark of Forsan, Texas, formerly of Spur.

Dr. and Mrs. Joe Alexander and children, Joe Bob, Eunice Kay and Dan of Abilene, flew to Spur last week end and visited in the home of his parents, Dr. and Mrs. R. L. Alexander. Also visiting with Dr. and Mrs. R. L. Alexander were Mickey Alexander of Jayton and Mrs. Bernice Cochran of Denver City, Texas.

Mr. and Mrs. R. B. Walsworth and Mrs. Leo Guffy visited last week end in the home of Mr. and Mrs. Melvin Lindsey and daughter, Temple Jayne, of Abilene. While there they attended the football game at Abilene High School.

Mrs. Lafayette Robinson is in the hospital at Crosbyton this week for a check up.

The R. R. Kaylor's of Windsor, Missouri, who have been visiting the past month in the home of their daughter, Mr. and Mrs. C. W. Proctor returned home last week.

Mrs. J. B. Morrison, Sr. underwent major surgery Tuesday at St. Mary's hospital in Lubbock. Her condition is reported to be satisfactory.

The 58 FORD is here now...

there's nothing newer in the world

There's bold, new styling—new Interceptor V-8 Power—new Cruise-O-Matic Drive—new Ford-Aire Suspension! The 58 Ford is the only car ever to meet a world-wide test and win world-wide approval before its public premiere!

You could search the world over and never find a car to match this 58 Ford's new beauty... new power... new ride... all at the low Ford price. We know! We tried it!

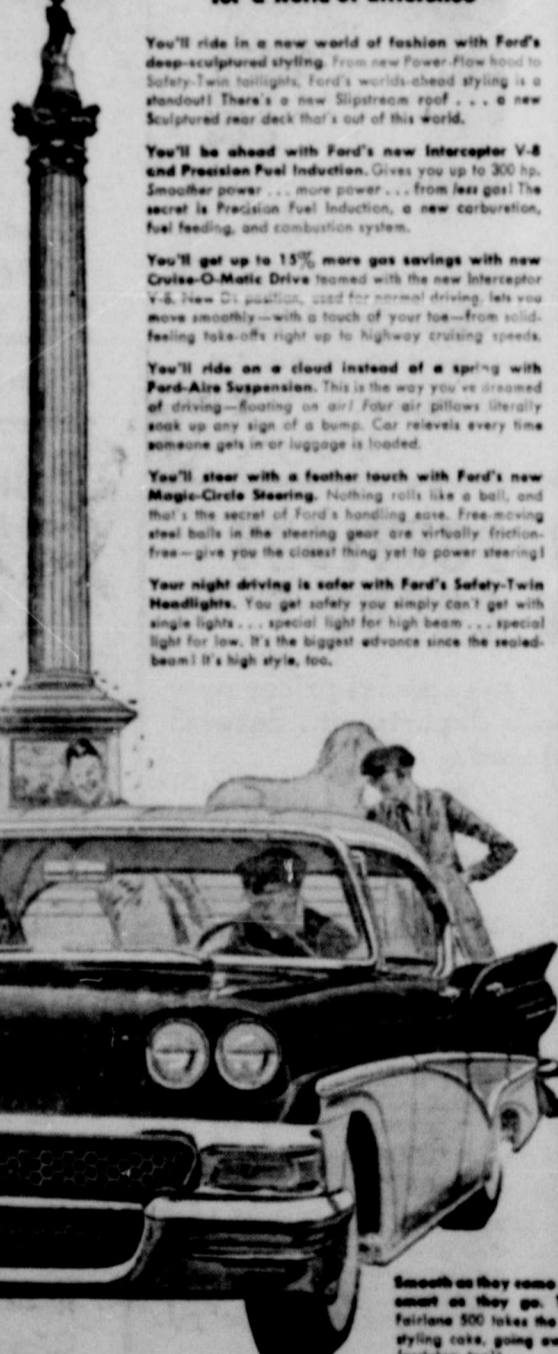

In Paris... the most style-conscious fashion critics in the world had a deep, low howl for Ford's latest style creation. In the mighty Himalayas, Ford's new Interceptor V-8 engine with Precision Fuel Induction won the day!

Then there's nothing newer than the true air ride of Ford-Aire Suspension. It's like riding on a cloud! But, you don't have to go to foreign soil to drive this newest Ford. We'll gladly save you the trip. Come in today!

From London to Bangkok... the whole world loved it!

The 58 Ford stopped traffic in Trafalgar Square when it passed through on its round-the-world trip. And that was typical of the excitement this Ford caused in Paris... Rome... Athens... Istanbul... Calcutta... and Bangkok. For this Ford proved around the world in the toughest "shakedown" cruise in history.

THE WHOLE WORLD BEGINS CHALLENGE WITH FORD'S NEW INTERCEPTOR V-8 ENGINE!

With all that's new for a world of difference

You'll ride in a new world of fashion with Ford's deep-sculptured styling. From new Power-Flow hood to Safety-Twin taillights, Ford's world-ahead styling is a standout! There's a new Slipstream roof... a new Sculptured rear deck that's out of this world.

You'll be ahead with Ford's new Interceptor V-8 and Precision Fuel Induction. Gives you up to 300 hp. Smoother power... more power... from less gas! The secret? Precision Fuel Induction, a new carburetor, fuel feeding, and combustion system.

You'll get up to 15% more gas savings with new Cruise-O-Matic Drive teamed with the new Interceptor V-8. New Dr. position, used for normal driving, lets you move smoothly—with a touch of your toe—from solid-feeling take-offs right up to highway cruising speeds.

You'll ride on a cloud instead of a spring with Ford-Aire Suspension. This is the way you've dreamed of driving—floating on air! Fiber air pillows literally soak up any sign of a bump. Car relieves every time someone gets in or luggage is loaded.

You'll steer with a feather touch with Ford's new Magic-Circle Steering. Nothing rolls like a ball, and that's the secret of Ford's handling sure. Free-moving steel balls in the steering gear are virtually friction-free—give you the closest thing yet to power steering!

Your night driving is safer with Ford's Safety-Twin Headlights. You get safety you simply can't get with single lights... special light for high beam... special light for low. It's the biggest advance since the sealed-beam! It's high style, too.

Smooth as they come... smooth as they go. The Fairlane 500 takes the 58 styling risks, going away leaving heart!

COME IN... SEE THE CAR THAT WAS PROVED AND APPROVED AROUND THE WORLD!

CARD OF THANKS

We wish to take this means to thank the people who helped in any way during the illness of our son. Thanks for the beautiful flowers and words of encouragement.

Especially do we thank Campbell's ambulance service and the blood donors. May God's richest blessings be with each of you.

The Claud Gregory family

CARD OF THANKS

We wish to thank all those who gave food, flowers, sympathy and everyone who helped in any way during our time of sorrow.

Especially do we thank those who paid for the digging of the grave.

Highway Community News . .

By Mrs. B. K. Putman

I would like to start the news with an explanation why I failed to send news the last two weeks. First it rained so much I couldn't get to the mail box and this past week I had to go to Lubbock to take care of my granddaughter, while her mother was in the hospital. Some of the news will be delayed news.

Week end visitors in the home of Mr. and Mrs. Wilbur Stanley recently were Mr. and Mrs. J. R. Stanley and boys of Ralls, Mr. and Mrs. R. L. Stanley and children, Mr. and Mrs. Walter Stanley Sr. of Post and Mr. and Mrs. Willie Allen and Miss Betty Cartwright of Soldier Mound.

Mr. and Mrs. Bernard Smith and J. D. Stanley of Lubbock were recent visitors of Mr. and Mrs. Wilbur Stanley.

Mr. and Mrs. D. L. Pace went to Hobbs the first of the month to help LaDonna and Ike Rhinehart celebrate their birthdays and the following week end they went back to attend the "housewarming" for their daughter, Winona and Loyd Rhinehart. The Rhineharts have moved into their new home.

Dan Danner's subject for his sermon on November 10, was "What a Christian Must Do To Be Saved." Visiting that Sunday were Ann Austin, Rita and Anna Bob Williams, Janet and Sandra Harris, Patsy and Loyd Womack, all of Spur and Mr. and Mrs. Larry Hahn and Jean of Lubbock.

Dan's subject last Sunday was "What kind of music should we have." Visitors were Guy Goen Jr., Aaron McNeece, Lyndal Womack of Spur, Mr. and Mrs. Harry Martin, Melinda and Harry Bob of Hamlin.

Mrs. Jimmie Hahn, Nelda, Arleta and Pat Smith went to Lubbock shopping November 11 and had dinner with Mr. and Mrs. Earl Fry.

The exciting thing in our community now is the oil well that's being drilled on Cliff Bird's place just back of M. E. Tree's farm.

Raymond Powell is still in the Crosbyton hospital, having suffered a heart attack, October 31.

Dick Pierce of Ventura, Calif., an airman stationed at Lackland Air base, visited Mr. and Mrs. Jerry Thomason and Arleta Smith Sunday.

Mr. and Mrs. Jimmie Hahn and Nelda drove to Aspermont Sunday evening looking at the crops and came back to Girard and visited Mr. and Mrs. Wade Wright awhile. Ed Hahn has been here the past

two weeks visiting his brother, Bob Hahn.

Mrs. Jerry Thomason and Nelda Hahn went to the Cecil Estep home in Dry Lake Saturday to visit Mrs. Forrest Estep and saw the new baby.

Mr. and Mrs. Jack Beavers of Paducah visited Mrs. Edna Hemphill and J. E. Sunday.

Mr. and Mrs. Bill Hemphill of Guthrie had supper with Mrs. Edna Hemphill and J. E. Saturday night.

Mrs. Edna Hemphill and J. E. made several trips to Monahans to see Jack Smith who has been in the hospital there and to see his family.

Lois Putman spent last week in Spur with her sister, Mrs. John Bothe, while her mother was in Lubbock, taking care of Jean Hahn and her mother, Anita Hahn.

Several ladies in the community attended a party in the home of Mrs. Earl Thomason last Saturday evening.

Mr. and Mrs. Harry Martin and

family of Hamlin were here Saturday visiting his parents, Mr. and Mrs. Harry Martin.

David Estep was home from college visiting his parents, Mr. and Mrs. Cecil Estep last week end.

Forrest and Shelly Estep and son from Andrews are here visiting their parents during their vacation.

Mr. and Mrs. Wayne Wyatt and daughter of Lubbock and Mr. and Mrs. Jim Wyatt of Girard were supper guests of Mr. and Mrs. Forrest Martin Saturday night.

The Ladies Bible class meet in the home of Mrs. M. E. Tree Thursday evening and completed a series of studies of the four Gospel books and Acts. This Thursday we begin a study of the letter written by Paul.

Mrs. H. G. Lackey returned home Sunday from Scott and White Hospital where she underwent major surgery. She is convalescing and doing well.

SPUR SCHOOLS' MENU

November 25-27, 1957

MONDAY
French fries, catsup, blackeyed peas, sliced peaches, peanut butter cookies, milk, bread.

TUESDAY
Vegetable beef stew, green beans, sour pickles, cherry cobbler, milk, bread.

WEDNESDAY
Chicken dressing, English peas, giblet gravy, cranberry sauce, leed cake squares, bread, milk.

A poultry production cost study will show that about two-thirds of the total cost of production, other than labor, goes for feed. Ben Wormell, extension poultry husbandman, points out that if the feed cost per dozen eggs is 20 cents, then a 10 percent wastage of feed will increase this cost by 2 cents per dozen. His advice to poultry producers is—use every practice possible which will cut feed waste.

MORE THAN TWICE AROUND THE WORLD

AND IT DROVE EVERY INCH OF THE WAY!

We knew this car was tough. We designed it that way. That's why we weren't afraid to give Plymouth the toughest test run of all time... with all America as the "track."

We didn't coddle this Plymouth. Didn't crate it and ship it carefully from place to place. Instead, we aimed it out of Los Angeles one misty morning and sent it through a course that ran 58,000 miles through 37 states.

The time limit? Only 58 days. A thousand miles a day!

The equivalent of 6 years' driving crammed into little more than 8 weeks!

Three times this Plymouth crossed the Rockies. Three times it wound its way up and down across the country... passing through more than 1200 cities and towns. Whipping over turnpikes... arrowing down super-highways... feeling its way through 500 miles of rutted detours. And when the drivers turned the key to end the marathon, it still looked, ran and rode like new.

This is what lasting value really means. The ability to take everything that American roads and weather can dish out—and come up grinning. Why don't you give Plymouth a test drive yourself—today? You'll see what we mean.

That's the Plymouth "track"... and just look at that route! Every possible road and weather condition. Plymouth ran every inch of that murderous route 3 times in just 58 days. What greater proof of lasting, built-in stamina!

NEEDY DISABLED MAY NOW RECEIVE STATE AID

Until recently Texas made no provision for taking care of needy physically disabled persons, other than the needy blind. But now, under a bill passed by the Regular Session of the Fifty-fifth Legislature (H. B. 78) other disabled persons may obtain public welfare assistance.

To become eligible for assistance, the needy person must first establish by competent and qualified medical examination that he meets certain standards of disability. Generally speaking, he must be disabled through some physical or mental impairment, disease or loss, or a combination of both physical and mental impairment.

His condition must be not likely to change, or be progressive and not responsive to treatment, or require treatment that is continuous, extremely hazardous or of questionable benefit. The condition must make him an invalid or necessitate considerable help from others in getting about.

Persons who meet the above requirements are considered to be permanently and totally disabled. The same holds true if a person's physical and mental impairment is such that he requires close and constant supervision or personal care by others, or if he is not likely subject for vocational rehabilitation.

Needy persons who can thus prove themselves permanently and totally disabled are eligible to receive Public Welfare assistance under the following circumstances:

1. If 18 years of age or older but less than 65 years of age.
2. If a citizen of the United States with residence in Texas for five (5) years or more within the last nine (9) years preceding the date of his application for assistance, and has resided in the State of Texas continuously for one (1) year immediately preceding the application.
3. If such applicant is not at the time of receiving assistance an inmate in a public institution (except as a patient in a medical institution) or is not a patient in an institution for tuberculosis or mental institution) or is not a patient in an institution for tuberculosis or mental disease, or has not been diagnosed as having tuberculosis or psychosis and is a patient in a medical institution as a result thereof.
4. If he is not receiving Old Age assistance, Aid to the Blind, or Aid to Dependent Children.
5. If he has not disposed of property either personal or real, for the purpose of qualifying or increasing need for assistance.

The State Department of Public Welfare determines whether or not a person is in need by the application of reasonable rules and regulations. The purpose of the act is to provide reasonable financial aid compatible with health and decency to those without resources of their own for
