Editor's Corner

By Joe Harrison

We had the pleasure of spending last Thursday at the Wood Ranch over in Kent County listening to the Caprock Peace Officers try to out-lie each other and rattlesnakes out-rattle each other.

We helped register some 350 area lawmen, and managed to elbow our way to the food trough for some succulent barbecue beef and all the trimmings.

It was our first trip to this colorful affair, but not the last, I hope.

Following an entertaining program, qualifying for the rattlesnake rodeo began. The largest group of shooters in the history of the organization was on hand and included some expert marksmen.

Shooting in the open class, dubbed the "Peckerwood and Visitors Division," were such marksmen as Robert Bankhead, minister, Spur Church of Christ; Carl Hudson, pastor, Jayton Methodist Church, and Dr. E. H. Martin, Spur.

Dr. Martin fired a creditable 86 score while Peckerwood Bankhead had a 49. Dr. J. T. Archer shot a perfect score but was disqualified for using a hypodermic.

Cecil Fox, president of the association, thought he was going to pull a sheenangan on his colleague J. T. Whitmire when he offered Whitmire a "midnight" rattler to shoot at during the rattlesnake shoot. Whitmire, who won the Motor Vehicle Inspection Division of the shoot, blasted the little rattler's head off for ten points, and then turned and slowly walked away, much to Fox's amazement. This is the second year Whitmire has won his class.

All in all it was an enjoyable day, and we hope to be invited down again.

Thursday night we were invited to attend the directors meeting of the White River Municipal Water District. After a short general meeting, the directors went into a closed session. Six persons, including yours truly, was asked to leave the meeting.

Something must be in the wind.

Spent Friday morning driving around, with John Quattlebaum of the local FHA office, getting personally acquainted with about three hundred head of cattle. John, who is an enthusiastic cowman, drove us over to the Reeves farm, southwest of Girard to see a project Reeves is using to help diversify his farm program.

We took our camera on the foray and if the pictures are good will publish them at a later date. Reeves has dug two trench silos and has filled them with feed. They hold about 240 tons each. He wintered about 30 cows and steers on it, supplemented with a minimum ration of mill feed. Reeves says his stock seem to like the silage. Unlike most silage, Reeves' feed is moist.

After Reeves feeds out a lot of steers, he takes them to market after they have reached their economical rate of gain. He is replacing them with rough stocker calves. Eventually he plans to ship three times a year.

So far, he has had to pay about 23 cents a pound for stockers and has received 25-26 cents for his fed steers. His feed program has put an average gain of from 350-400 lbs. on each calf.

We'll wait to see if the pictures are good, then write a more complete story about Reeves' program.

Friday night — Guess by now you are assuming we had a busy week last week — we did! Friday night we attended the Spur High School Annual Father-Son Banquet.

Poppy Sale To Be May 24

MAYOR REESE McNEILL is pictured here purchasing the first VFW Buddy Poppy from Charlene Nickels, 1958 Poppy Queen. Charlene is the daughter of Mr. and Mrs. Charles Nickles, Spur. Mr. and Mrs. Nickels are members of Spur Post 7212 and its Auxiliary.

The annual VFW Buddy Poppy Sale has been scheduled for Saturday, May 24, according to Johnny C. Randall, commander of VFW Post No. 7212.

Travis Hoover will direct the sale. Serving with Hoover as co-chairmen of the sale will be Mrs. E. B. Blumberg and Mrs. J. B. Dean.

Proceeds of this sale will be used in the VFW Welfare Work Program on behalf of the nation's living war veterans, and to care for the widows and orphans of deceased veterans.

"All funds raised from the Buddy Poppy Sale will be used solely to rehabilitate our disabled servicemen, to aid others in their readjustment problems, and to provide a normal, healthy home life for war orphans at the VFW National Home, Eaton Rapids, Michigan," Hoover says.

"We therefore feel, that ever loyal American will want to do his best by personally showing his gratitude for the sacrifice of our disabled veterans by buying a Buddy Poppy and wearing it proudly on May 24," Hoover states.

The two local boy scout troops will assist in the sale. They will canvas the residential sections in pairs Saturday morning.

Below is a proclamation by Mayor Reese McNeill.

Whereas: The annual sale of Buddy Poppies by the Veterans of Foreign Wars of the United States, has been officially recognized and endorsed by the President of the United States and Veterans Administration;

Whereas: VFW Buddy Poppies are assembled by disabled veterans, and the proceeds of this worthy fund-raising campaign are used exclusively for the benefit of disabled and needy veterans, and the widows and orphans of deceased veterans;

Whereas: the basic purpose of the annual sale of Buddy Poppies by the Veterans of Foreign Wars is eloquently reflected in the desire to "Honor the Dead by Helping the Living"; therefore, I, J. R. McNeill, Mayor of the City of Spur, Texas, do hereby urge the citizens of this community to recognize the merits of this cause by contributing generously to its support through the purchase of Buddy Poppies, on the day (or days) set aside for the distribution of these symbols of loyalty. I urge all patriotic citizens to wear a Buddy Poppy as mute evidence of our gratitude to the men of this country who have risked their lives in defense of the freedoms which we continue to enjoy as American citizens.

Signed,
J. R. McNeill

County Democratic Primary Is Expected To Cost About \$1300

Two candidates for county office failed to pay necessary fees before the May 17 deadline and will be left off the ballot. They were J. W. Vickery, candidate for commissioner, precinct 2, and J. A. Koon, candidate for Justice of The Peace, precinct 3.

County Democratic Chairman O. L. Kelley has announced the assessment for each county office. The election is expected to cost between \$1200 and \$1300, assuming there will be two primaries. Candidates

White River Directors Vote To Amend Loan Application

(Editor's note: Following is part of a report by Robert Work secretary of the White River Municipal Water District. The closed meeting was held last Thursday night.)

Mr. Freeze reported on his survey of the oil companies need for water for repressuring in the Post area. From his findings, it was indicated that there would be a potential of 25 to 30 thousand barrels of water daily. The purchase of water would be contingent upon the findings in tests that are now being made. There did not seem to be any doubt that water could be sold to the oil companies. No contracts could be obtained from the companies at present, but Mr. Freeze reported that the companies would issue a letter outlining their needs.

M. A. McLaughlin reported on a recent meeting of the Finance Committee with the office of HHFA in Ft. Worth. The committee agreed to file

an amended application cutting the requested amount to \$1,500,000. Incorporated in this agreement was another agreement that would leave the way clear for raising the loan in the future if private finance interest rates were not reasonable.

James Minor reported on a visit in Washington, D. C., with the National Director of HHFA and with our Senators and Representatives. The National Director was very favorable and sympathetic with the White River Project. Mr. Minor was very much encouraged over the prospects of obtaining financial assistance.

Motion by George Gabriel and second by R. J. Jennings that the following resolution be adapted, motion carried:

Resolved that the Directors of the White River Municipal Water District hereby amend the application for loan by HHFA from \$4,000,000.00 to

\$1,000,000.00 based on joint, additional financing of the project by \$1,500,000.00 from private investors, and \$1,000,000.00 from the Texas Water Development Board.

That the directors have reached their decision to so amend this application reluctantly, for the following reasons:

1. Participation by private investors at the interest rates of 4% percent and 4% percent will increase the average interest rate of the project by a significant amount, particularly since the interest rate from Texas Water Development Board will be the weighed average of private financing and HHFA.

2. Declining interest rates and pending legislation offer some possibility for lower interest rates in the immediate future. The Directors would be negligent if they failed to develop the lowest readily available rate.

3. The average interest rate

East Resigns; Paving Okayed In City Action

City Alderman Jackson East submitted his resignation to the City Council at the Council's regular meeting Tuesday night. East did not give reasons leading up to the resignation which was accepted by the Council.

In other city action, the council has approved eight more blocks for paving. The property is described in a legal notice on page four.

W. W. Gregory was appointed City Fire Marshal to succeed Russell E. Powers who tendered his resignation last week.

The council also authorized lease of the swimming pool to Gregory and it is expected to be open on or about June 1.

Spur Golf Club To Sponsor Open

The Spur Golf Club will sponsor an amateur open tournament at the local course on Sunday, June 1, according to E. W. "Tang" Smith, club president.

"All area golfers are urged to enter this event," Smith says. The entry fee is \$2.00. Qualifying scores should be mailed to E. W. Smith, Spur Golf Club, Spur, Texas, and must be received by Saturday, May 31. Qualifying round on local course is not required.

"The tournament will be held as a pro-amateur with scoring by the point system," Smith said. "Players will be classified as either a class A, B, C or D player."

Divisions have been set up as follows:

Class A—75 and under; Class B—76 to 82; Class C—83 to 90 and 90 and over, Class D. Winter rules will be used.

"Tea off time has been set at 8 a. m., but golfers who wish to attend church may play in the afternoon flights," Smith states. "Out of town golfers may bring their families, picnic and swimming pool facilities will be available in Swenson Park," he said.

Funeral services for Charlie Wright Fincher, Girard, will be held Friday at 3 p. m. in the Girard Baptist Church with the Rev. Billy Burke officiating.

Fincher died about 11:40 a. m. Wednesday at Spur Memorial Hospital from injuries received in a farm accident earlier

Wednesday morning. Fincher fell under his tractor and the machine passed over his body. Fincher's tractor was being pulled by another tractor in an effort to start it according to reports.

Fincher came to Kent County in 1905 and had lived in the Girard community since 1913.

Survivors include his wife and six sons: Amos, Girard; Warren, Lovington, N. M.; Don, Girard; Gerald, Jayton; C. W. Fincher, Jr., Girard and Gussie Fincher, Farmington, N. M. Joe, another son, was killed in World War II.

Two daughters, Mrs. Bonnie Simpson, Spur and Mrs. Beverly Murdoch and Mrs. Wanda Cox, Jayton along with three brothers and two sisters also survive. The brothers are Will and Alex Fincher, both of Breckenridge and Burt of Huntington Park, Calif.; sisters are Mrs. R. V. Vick, Abilene; Mrs. Bee Spikes, Breckenridge; Mrs. Coin Aldredge, Abilene and Mrs. Bill Fuller, Long Beach, Calif.

Twenty-two grandchildren and five great grandchildren also survive.

Mr. and Mrs. Charles Taylor and sons of Ft. Stockton, Texas visited last week end with Dr. and Mrs. T. H. Blackwell and other friends in Spur.

4-H Livestock Team Wins First At District Meet

Barney Benson led the Dickens County 4-H Livestock judging team to win first place in the District. Three elimination contests held in Wichita Falls last Saturday.

The team competed with 4-H members from the twenty-two county area for the privilege of competing in the State contest at the 4-H Roundup to be held at College Station June 10-12.

Team members include Benson, Kenneth Suit, Benny Loe, and Guy Goen. These boys placed first, second third and fifth in individual high scores in the order named. The team scored 1,370 points and topped the second place team by 120 points.

The team will represent Dickens County and District Three at the State contests in June. Also attending this meet will be Benton Watson who is entered in the Public Speaking contest.

The livestock team was accompanied to Wichita Falls by Guy Goen and County Agent Bob Berry.

Afton To Hold Annual Cemetery Working May 30

The annual Afton Cemetery working will be held on Memorial Day, May 30, according to Mrs. B. F. Burt, secretary of the Afton Cemetery Association.

"This is a very important meeting. An election of officers will be held at 10 a. m.," Mrs. Burt says. "Everyone is urged to attend this meeting," she says.

June 1 Is Last Date For School District Shifts

June 1 is the last date a student may transfer from one school district to another, according to County School Superintendent Robert Williams.

Legion Plans Founders Dinner

A "Founders Day" dinner, honoring World War I veterans who founded Williams-Puckett American Legion Post 161, will be held in the American Legion Hut May 29.

A memorial program will be held at 6 p. m. and will be followed by a barbecue chicken dinner. The program and dinner will be over in time for guests to attend graduation services at the local schools.

All area veterans and their families are invited to attend this meeting. Veterans do not have to be a member of the local post to attend. Admission is free.

We had more rain Saturday morning — don't know how much for sure, but evidently it was enough to keep people off the roads. Not a soul passed by the house all that day.

Those on the "Fishing List" this week are: Johnnie Gage, Monroe Gage and "Charlie" — note didn't say what the last name was. Knowing this community, there could be a half dozen more on this list, but I haven't heard of them. Two to one they didn't catch any fish — if I were a betting person.

Mrs. Bob Forbis and baby — Kimberly Gail — are at her par-

About Your HEALTH

A weekly public service feature from the Texas State Department of Health. HENRY A. WOLFE, M.D., Consultant of Health.

How many parents have thought to themselves, "Judy seems bright enough, but just look at her report card, she should be going better and her teacher says she is inattentive and moody."

It is only natural for parents to be concerned about their children's behavior and achievements in school or play. Often times difficulties experienced by children which may make them appear slow or uncooperative have definite physical relationships of one kind or another.

The most common and usually least suspected are those involving the eyesight and hearing. Too often a child falls behind in school or fails to enjoy himself with other children because of faulty hearing or an eye disorder.

For this reason parents and teachers alike should be alert for signs which may indicate trouble of this kind.

Parents themselves can watch for these symptoms in their children, and if one or more should occur, have the child examined by your family physician. If further examination or treatment is indicated, he can refer you to a specialist.

Hearing difficulties often attack subtly. If a child is continually turning his head to hear sounds, leaning forward to hear, asking repetition of things said or frequently inattentive, hearing loss is indicated.

Health factors to observe are: mouth breathing (tonsils and adenoids can cause trouble), draining ears, earaches, and ringing, buzzing or roaring in ears; also certain personality traits indicate hearing deficiencies such as a lack of self-confidence, extreme anti-social

behavior, extreme introversion, and constantly being on the defensive.

In achievement a child may be two or three years behind his age-level in school or experience a sudden failure following a severe illness.

Eye difficulties are manifested in more obvious ways such as: frequent blinking, rubbing eyes frequently, watery eyes, styes or crusted eyelids, inflamed eyes, squinting at close objects, crossed eyes, and attempts to brush away a blur.

Also frequent crying, holding a book far away or too close while reading, screws up face while reading, tenses body in far-vision, looks out of only one eye or experiences headaches after close work.

Don't delay if any or some of these signs appear in your child. Prompt attention now could save his sight or hearing and improve his whole outlook on life.

PECAN PROSPECTS GOOD

Pecan producers in south Texas have started their control program for the pecan nut casebearer. B. G. Hancock, extension horticulturist, urges that other growers in every section of the State to check their orchards daily for signs of the casebearer. The lag in time between south and north Texas areas will be much shorter than normal; hence the checking to make sure of the timing of insecticides. Local county agents can supply detailed information on control programs.

FARM TOPICS

The onset of "plowin' weather" will cause much activity in the fields the next week. Many farmers are faced with making decisions as whether to replant cotton and hope for a better stand or to leave less than a perfect stand and expect to make cotton anyway.

Researchers haven't been able to prove definitely the best rate of seeding for the top yields in every case but many factors enter into making the decision. For mechanical harvest, it is usually better to have cotton thicker and it is necessary to have a uniform stand. We know that cotton will make about the same yield when planted moderately, thick or very thin if the stalks are uniformly distributed in the fields, but some of our stands are not very uniform.

Another consideration is the availability of more quality of the desired variety and, perhaps the biggest question, what will the weather do? More rain soon after replanting could leave the field in the same condition or even worse. The season is growing shorter by the day and with the moisture we now have, we need every day of growing weather available to make the biggest yields possible. "A bird in the hand is worth" . . . something, and possibly an application could be made from this old adage which will fit our present cotton situation.

Congratulations are in order for Dickens County 4-H'ers who will represent their county and District Three at the State Contests during the 1958 4-H Round Up at College Station on June 10-12. Five members will com-

turned from a visit in Rochester with her father, D. Gregory who has been very ill with pneumonia. He is much improved at this writing.

Mrs. R. E. Nickels spent last week end at Waco visiting her sister, and other relatives. Mrs. T. H. Rigby accompanied her to Ft. Worth where she visited friends.

Don Teague, John Edinburg, J. D. McCormick, Lee Alex Lambert, Billie Merrill and Milton Joplin accompanied by Preston Weeks fished at Lake Kemp, Thursday until Sunday.

T-Sgt. and Mrs. Marion P. Baum and children who recently returned to the states from Hawaii, have returned to Norton AFB near San Bernardino, Calif., where he will be stationed. They spent a 30 day furlough visiting his parents, Mr. and Mrs. M. C. Baum and other relatives in Texas and Oklahoma.

third and fifth high individual honors at the District Eliminations last week. Benson scored 458, Suit 457, and Loe scored 455 points to make the team score of 1370 points. Goen scored 422 points to defeat all other contestants but one entry from Hall county who scored 442. Hall county placed second with a score of 1250 points.

Mrs. Dunn Feted With Party

A surprise party honoring Mrs. Mary Dunn on her 77th birthday was given at her home Saturday afternoon, May 17.

Her friends started arriving around 3 in the afternoon and a total of 34 guests came bearing nice gifts. Many sent gifts who were unable to be present.

Refreshments of cake and punch were served after the gifts were opened. Mrs. Frank Murphy gave a toast in the form of a prayer in appreciation of Mrs. Dunn.

Friends that attended the celebration were Mmes. Earl Murchison, A. J. Richey, Charles Nickels, H. L. Futch, E. L. Williams, Pearl Porter, Laura Littlefield, Viola Pritchard, Emma Winkler, W. L. Gilbert, J. H. Meadors, Lora Meadors, L. I. Edwards, Anna D. Baldwin, Mary Nichols, Guy Thompson, Alice Beebe, Fred Arrington, Lura J. Dodson, Guy Fellmy, Ben Overstreet, Roy Ward and Miss Eva Collier, Nan Jo Futch, Beverly Murphy and Wanda Overstreet.

Hostesses for the occasion were Mrs. Willie Hindman, Mrs. Johnnie Cumbie, Mrs. Bill Avera and Mrs. Rex Robinson.

Mrs. Collett Hosts Espuela HD Club

The Espuela Home Demonstration club met in the home of Mrs. Toby Collett, Thursday, May 15 at 2 p. m.

Mrs. W. E. Ball gave the opening prayer. Mrs. Bob Dixon gave the Crucifixion of Christ and Mrs. Ball gave the Resurrection. The hostess served cookies and frosted cakes to Mmes. Bob Dixon, Don Ramsey, Pearl Morgan, W. E. Ball, Harold Karr, John K. Johnson, Earl Stamps and four children. The next meeting will be in the home of Mrs. Victor Crabtree, Thursday, June 5 at 2:30 p. m. The program will be on dress sleeves and colors. Mrs. Harold Karr and Mrs. E. J. Lassetter will have charge.

Mrs. Jim Barron gave the closing prayer.

Spur Garden Club Has Flower Show

The Spur Garden Club had their last meeting of the season, Tuesday, May 20 at 3 p. m. in the home of Mrs. B. C. Cairnes, 906 W. Harris.

The members had a Parade of Hats, with each one decorating a hat with garden flowers. First prize went to Mrs. Dick Sampson, second prize, Mrs. Hobert Lewis; third prize, Mrs. Tom Johnston. In the flower arrangements, Mrs. H. G. Lackey, Sr. won first prize, Mrs. Thurmond Moore, second and Mrs. Robert McAteer, third. Flower seeds were presented to the winners by the hostess.

During the afternoon they visited the flower gardens of Mrs. Roy Stovall, Mrs. Hobert Lewis, Mrs. James B. Reed, Mrs. George Sloan, Mrs. E. A. Bailey and Mrs. W. M. Malone.

Twelve members and the following visitors were present: Mmes. Roy Stovall, W. S. Campbell, Kate Morris, W. M. Malone, Beth Simmons, Henry Gruben, Ra Johnston, Joe Harrison, and Charles Lewis.

Dickens Church Set Youth Revival

A youth revival will begin June 2, at 8 p. m. in the Dickens Baptist church, with Rev. Clyde Cain of Plainview doing the preaching and Mrs. Cain Pianist.

Pastor, Rev. W. L. Gilbert cordially invites everyone to attend this revival.

AMERICAN LEGION, VFW TO PUT FLAGS ON GRAVES

The VFW and American Legion will place flags on the graves of veterans during services on Memorial Day.

Cemeteries at Girard, Afton, Dickens, Red Mud and Spur will be the site of the ceremonies.

The fourth Sunday singing will be held at the Methodist church in Dickens, May 25 at 2 p. m. Everyone is invited.

A. C. Sharp, Jr. Is Candidate For Masters At A&I

Arthur C. Sharp Jr. from Spur is a candidate for the degree of Master of Science to be awarded at Texas A&I's spring commencement program May 24.

The office of Dean J. C. Jernigan has reported the names of 296 candidates for the master's degree.

Principal speaker at the commencement exercise will be Associate Justice Joe Greenhill of the Supreme Court of Texas, Dr. E. H. Poteet, president, has announced.

The commencement program will be held in Jones Auditorium at 6:30 p. m., with Dr. Poteet conferring degrees upon candidates who will be presented by the division directors.

Services Held Tuesday For Mrs. M. E. Clay

Mrs. Mary Elizabeth Clay, 71, died at the home of her daughter, Mrs. Ray Finchum, Dickens, Sunday and was buried in Alford, Texas, Tuesday.

Services were held at the Sunset Baptist Church, Sunset, Texas, Tuesday, with Rev. Nordane officiating. She had been in Dickens County about three weeks at the Finchum home.

Survivors include her husband, Dave Clay and three sons, David Clay, Dickens; Oma Clay, Dickens; B. H. Clay, Arco, Okla., two daughters, Mrs. Finchum and Mrs. Carl Rye, Spur.

One brother, B. F. Hamman, Dallas and one sister, Mrs. Mattie Trickey of Jacksonville, Ark., also survive.

MISS BILLIE GREGORY CANDIDATE FOR DEGREE

Miss Billie Sue Gregory, daughter of Mr. and Mrs. W. W. Gregory, is among 54 candidates for the Bachelor of Science degree at Texas Technological College.

Commencement will be held June 2. Miss Gregory is an applied arts major.

Band Boosters Elect Officers

Mrs. Fred Neaves has been named president of the Spur Band Boosters Club. Other officers elected at a recent meeting of the club include:

Mrs. Jessie Morrison, vice president; Mrs. Paul Marion, secretary; Mrs. Guy Goen, treasurer; and Mrs. D. E. Woodward, reporter.

The executive committee of the club is made up of Norman Arnett, Richard Ensey, Buck Waggoner, Durward Woodward, William Starcher and Mrs. John Floyd.

The club will continue to meet during the summer months on the regular meeting night—the third Monday of each month.

The club has undertaken to secure new uniforms for the Spur High School band at a cost of \$4,200.

Spur Student Candidate For BA Degree At ACC

Carolyn Kelley Mickey, Abilene Christian College senior from Spur, has been named a candidate for the Bachelor of Arts degree, to be conferred May 26 in ACC commencement exercises.

A 1954 graduate of Spur High School, Mrs. Mickey is the daughter of Mr. and Mrs. O. L. Kelley, 814 W. 3rd.

She will receive her degree in speech with minors in education, English and Bible. At ACC she was a member of Campus Service Organization, president of Future Teachers of America, junior favorite, secretary of the junior class, Homecoming Queen nominee, and "W" Club, women's honor organization. In 1956 she was state president of the Texas Student Education Association. She was also among those chosen as "Who's Who in American Colleges and Universities," and a member of Alphi Chi, national honor fraternity.

The Honorable L. D. Ratliff, 110th District Court Judge, delivered the commencement address to the Girard Eighth Grade Class in services held last week. Judge Ratliff is seeking re-election in his post and is unopposed.

Dickens Baptists To Have Vacation Bible School

The Dickens Baptist church Vacation Bible School will start June 2 through June 6, with Rev. and Mrs. Clyde Cain of Plainview as principal and pianist. All children are invited to attend this school.

EDITOR'S CORNER

From Page 1

At this function, we had the pleasure of sinking our teeth into some barbecued chicken that would shame all packaged brands. Cecil Estep, Guy Goen and Bill Glenn served as cooks while the Dickens County Sheriff's posse, who can always be counted on when there's food around—dished out servings.

Bob Stevens, Lubbock, radio farm director for station KFYO, was the principal speaker. Music was furnished by the Area 1 Talent Team contest winners, the Rockets. This is another function we'd like to attend again.

Spur Serviceman Participates In French Services

Army Pvt. Nathan K. Swaringen, son of Mr. and Mrs. James A. Swaringen, Route 2, Spur, was a member of a select group of soldiers who participated in recent solemn ceremonies held in Metz, France, in memory of those who died in World War II concentration camps.

French civilian dignitaries and troops also took part in the ceremonies.

Swaringen, who is assigned to duty at the Metz Quartermaster Depot, arrived in Europe last February from an assignment at Fort Leonard Wood, Mo. He entered the Army in August 1957 and completed basic training at Fort Carson, Colo.

The 24-year-old soldier was a bookkeeper at Empire Plumbing and Heating in Fort Worth before entering the Army. A 1950 graduate of Spur High School, he attended Wayland College and Texas Christian University.

Student Council Officers Named

Officers of the 1958-59 Spur High School Student Council were elected Monday. They include:

President, Woody McArthur; vice president, Ernest Wilson; secretary, Rozelle Marcy; treasurer, Darleen Slaton; reporter, Robert Rex Robinson and sergeant at arms, A. C. Alexander.

The main objective of this organization is to secure a youth center.

Colton Planting Specifications

Fred Elliott, extension cotton specialist, emphasizes the importance of getting a good stand with the first cotton planting. High quality cotton planting seed, he says, may not be available for excessive plantings. Germination will be reduced, he adds, if the seed are planted in soil which has not reached the proper temperature of 70 degrees F. at a 3-inch depth for 3 successive mornings at 7 a. m.

FOR WHAT IT'S WORTH DEPARTMENT

When John S. Pemberton, a druggist, prepared a soft drink syrup in his back yard in Atlanta, Ga., using a three-legged iron pot heated by a wood fire back in 1886, he initiated what was to become the most famous of all soft drinks—Coca Cola.

The first year, only 25 gallons were sold, bringing in \$50. Of this, Pemberton spent \$47 on advertising.

The rest of the Coca-Cola story is history. Many imitators have come and gone—most didn't believe in "wasting" money on advertising. This same story is being repeated all over America today . . . in big business and small. They try to save money others spend for advertising. The rest of their story also is—or will be—history.

"Riding High" In Japan

NIPPONESE MONORAIL—Japan's new "train of the future" speeds across Ueno Park in Tokyo. The streamlined monorail tramway has been designed by the Tokyo Metropolitan Government to replace the city's numerous streetcars and thereby reduce traffic congestion. The present system will soon be extended to the downtown area of Tokyo and eventually will constitute but one unit of a city-wide monorail network. Meanwhile, residents and sightseers in the Japanese capital are enjoying the thrill of aerial joy-riding in a type of train which travel experts predict will soon be constructed in major cities throughout the world.

IT'S THE LAW
★ in Texas ★
A public service feature of the State Bar of Texas

Constitution Curbs Lawmakers

The world's mightiest law makers — the United States Congressmen and senators—sit down each year to make laws.

But mighty though Congress is, the constitution won't give it certain powers:

1. Neither Congress nor anybody else can suspend the writ of habeas corpus (unless the public safety demands it during rebellion or invasion). All officers or others must obey a court and bring in anyone in their custody to see whether he is held lawfully.
2. Congress cannot pass "bills of attainder", special acts to punish someone. Congress cannot by-pass the courts.
3. Congress cannot pass an ex facto law—a law which makes an act a crime which was not one when done, or which punishes the offender more than called for when done.
4. Congress cannot tax exports from any state nor by regulation favor one state's ports over another's, nor make one state's vessels clear or pay duties to another state in order to enter.

Besides these denials from within, the constitution curbs Congress and the executive and judiciary in the amendments, especially the first ten.

Among other things, Congress cannot make a law respecting an establishment of religion or prohibiting its free exercise, or abridging the freedom of speech, of the press or the right of the people peaceable to assemble and to petition the government for a redress of grievances.

The constitution also curbs the courts (for example, they cannot deny a person a fair hearing duly represented by counsel). It curbs the executive (he cannot, for example, take private property for public use without just compensation).

The constitution, which divides the work of the three branches of government, winds up by telling where the rest of the power rests—just in case anybody gets any fancy ideas of dictatorship. There are things no state can do, for instance, "make or enforce any law which shall abridge the privilege or immunities of citizens of the United States."

If there are any powers not given to the United States government or reserved to the states, they belong to the people. The constitution does not seem to limit the people.

(This column, prepared by the State Bar of Texas, is written to inform—not to advise. No person should ever apply or interpret any law without the aid of an attorney who is fully advised concerning the facts involved, because a slight variance in facts may change the application of the law.)

FOLLOW DIRECTIONS

Don't fail to follow manufacturer's directions when handling and using highly toxic insecticides, warn the extension entomologists. Weather conditions continue to favor heavy insect infestations and this means farmers will be handling large quantities of materials which can kill humans as well as bugs.

INCENTIVE PAYMENTS

Incentive payments may be made to mohair producers in 1958 for the first time.

Ann accompanied them home and will remain for a weeks visit, with other relatives here.

Mr. and Mrs. Tommie Bohner and two children of Lubbock spent the week end in the home of Mr. and Mrs. Jim Gage.

The Daughters of Dorcus meeting was postponed last Tuesday on account of the rain. They will meet next Tuesday and all members are urged to come. Visitors are welcome.

Mrs. Bertha Johnson is spending a few days in Paducah with her grand daughter, Mr. and Mrs. Richard Burton and family.

The Hollar reunion was held at Guthrie in the home of Sheriff and Mrs. Dub Hollar. Those attending were Mr. and Mrs. John Scott and Mrs. Woodrow Woodward and Ruth Ann from California. Mr. and Mrs. Earl Hollar of Monday, the Clyde and Louis Hollar's and the Jim Edmondson families of Dumont.

PLYMOUTH SAVES YOU MONEY ON GAS... MOBILGAS ECONOMY RUN VICTORY PROVES IT!

New "Fuel-Saver" Choke that helped clinch title is standard equipment on all Plymouth V-8s

Found for pound, Plymouth uses less gasoline than either of the "other two" cars in the low-price "3"! This was proved beyond doubt when a 1958 Plymouth V-8 was officially declared winner of the low-price car competition in the 1958 Mobilgas Economy Run. Plymouth's competitors also entered cars with 6-cylinder engines (supposedly more economical) but Plymouth beat every car in its class—V-8s and 6s alike!

This title-winning Plymouth is exactly the same Belvedere V-8 with TorqueFlite Automatic Transmission that you can buy right off your Plymouth dealer's floor.

These tests prove that every Plymouth has built-in economy features not found in the "other two". For instance—

one of the most important factors in Plymouth's smashing win is the new "Fuel-Saver" Choke that you get at no extra cost on all Plymouth V-8s. This ingenious device employs a triple-stage vacuum piston and a new thermostatic element to reduce the amount of fuel you use in warming up the engine. So it can save you even more on short-distance drives—the kind most people make.

Among the many other savings Plymouth gives you is the \$140 you save on standard-equipment Torston-Aire Ride. The "other two" charge up to that much extra for their best suspension systems.

So if you are dollar-conscious, better hustle over and talk terms and trade with your Plymouth dealer. He wants your business, and he'll go all out to get it!

Glenn Ford Stars In "The Sheepman" Fast-Moving Western Adventure

Glenn Ford, who has scored in both outdoor action dramas and comedies, combines the two in his latest M-G-M picture, "The Sheepman," co-starring Shirley MacLaine, with Leslie Nielsen, Mickey Shaughnessy and Edgar Buchanan heading the supporting cast.

"The Sheepman" offers something new in the way of early-day Westerns. Telling the story of a seemingly mild but fast-gun sheepman who invades the hostile cattle country of the 1880's, its action is replete with fist fights, gun battles, horsemanship and the menace of an entire community against a single man—but added to this is a large slice of humor in characterizations and plot situations.

Jason Sweet, central figure of "The Sheepman," portrayed by Glenn Ford, is no ordinary Western hero. When he comes to the town of Powder Valley, determined to bring his sheep into the cow country, his laconic responses to threats and

his tongue-in-cheek sallies have the town toughs guessing as to what manner of man he could be. But not for long. He starts out by picking a fight with and thrashing Mickey Shaughnessy, the town's biggest and toughest character. He proves himself an almost unbelievably fast shot in a remarkable piece of shooting. He begins his romance with Shirley MacLaine with a comic flirtation. He outmaneuvers the plot of Leslie Nielsen, shady cattle raiser, to get rid of him, and, finally, in one of the most suspenseful three-men-against-one gun draws devised for a screen play, he once and for all proves his right to bring sheep into cattle country. But his sense of humor never fails him.

Ford, of course, is no stranger to comedy, having achieved two of his biggest hits in "Don't Go Near the Water" and "The Teahouse of the August Moon." His most recent dramatic vehicle was "Cowboy."

Navy Recruiter To Be In Spur Each Wednesday

Men with prior service other than Navy and meeting certain requirements may re-enlist in the Navy without loss of pay grade, according to Frank Chimarusti, aviation chief machinist's mate, USN, recruiter in charge of the Lubbock recruiting station.

Men with previous service and honorably discharged as private first class, airman second class or corporal (E-3 pay grade) may enlist in the Navy at the same pay grade. Those with higher pay grade than E-3 will be allowed up to 30 days leave and may get travel pay. Such enlistees will not be required to go through recruit training.

Regular Navy men re-enlisting can now be guaranteed an assignment to class A, B, and in some cases class C school. They will be allowed up to 30 days

leave before reporting to the school of their choice and also receive advance travel pay. Persons interested in these re-enlistment programs should go to the Navy recruiting station on the second floor of the Post Office Building in Lubbock or contact the Navy recruiter in Spur at 2:00 p. m. in the Post Office on Wednesday of every week.

East Ward P-TA Officers Installed

Robert Williams conducted the installation service for new officers of the East Ward P-TA Tuesday, May 13, in the school auditorium. Officers for 1958-59 include Mrs. E. H. Martin, president; Mrs. Grady Lachew, secretary; Mrs. Dalton Lehw, treasurer and Mrs. Everett McArthur, parliamentarian.

Mrs. Martin is a very capable leader. Annual reports were given by chairmen of the Finance and Budget, Membership, Music, Art, Life Membership and Safety Committees. These reports were alert to the excellent work of the P-TA under the leadership of Mrs. Bob Nunley, retiring president.

Reports of the 18th District Conference held April 21-22 in Abilene were repeated by Bob Nunley, Robert Williams and Mrs. Horace Wood and Mrs. Bob Nunley.

Cub Scouts To Have Meeting

The monthly pack meeting of the Spur P-TA Cub Scouts will be held in Swenson Park Monday evening, May 26 at 7:00 p. m. A "pinewood derby" car race will be held with ribbons awarded to the winners. All parents and Cubs should be present. Bring your own picnic supper if you wish and eat out.

OLIN ROGERS, 52, DIES IN CALIFORNIA

Olin Rogers, 52, son of Mrs. Velma Rogers, Spur, died at Folsom, California, Monday, May 19, of a heart attack. The body is being shipped back to Spur for burial. Funeral arrangements are pending.

Refreshments were served during the fellowship hour in the school foyer. An interesting display of art work was viewed by members and guests.

Local Girl Chosen As Mrs. Mahon's Attendant

Mrs. George H. Mahon, of Lubbock, wife of the congressman from the 19th Texas district, will christen the Navy's newest atomic-powered submarine—the U. S. S. Skipjack—at Groton on May 26.

The Skipjack, built by the Electric Boat division of General Dynamics Corp., is the latest of its kind in the world.

Mrs. Mahon, formally designated as the Skipjack's sponsor, will break a bottle of champagne, in traditional Navy style, across the Skipjack's bow as the sub slides down the ways.

She also will be the recipient of several social honors in connection with the launching.

Annette Lee, daughter of Mr. and Mrs. E. S. Lee, Spur, and secretary to Congressman Mahon, has been chosen as Mrs.

Mahon's attendant at the launching. Miss Lee will meet the party from General Dynamics Corp. in New York City and journey with them to Groton and return to Washington that evening after the christening.

Mrs. Ray Karr and son, Tommy of San Antonio, have been visiting in the home of her parents, Dr. and Mrs. T. H. Blackwell and other relatives.
