Burglars Hit Local Car Firm

Rickels Chevrolet Co. was the victim of burglars some time during the Nov. 11 holiday.

Bernar Smith, parts man discovered the burglary Wednesday morning about 7:35.

Entrance was gained by knocking a panel out of one of the rear entrance doors. Approximately \$60 was taken; about \$30 from a soft drink machine, and another \$30 from a desk drawer. Other losses could not be determined.

Officers reported the job was very thorough.

JuDon Rickels reported he was at the store for a short time around noon Nov. 11. Apparently everything was normal at that time.

ASC Forecasts Cotton Allotment Cut

Two Businesses To Close; One Opens Saturday

Although two businesses here in Spur are advertising close-out sales in this week's Texas Spur, one new business has moved here and will hold a Grand Opening sale Saturday.

The new business is the B. B. Pierce Jewelry store located at 411 N. Burlington. Although owned by Mr. Pierce, the business will be operated by Brice Knight.

Mr. Knight has been in the watchmaking business for 15 years. They will reside at 703 North Parker.

The two businesses who are closing out are Hogan and Patton; a men's store that has been in business here 47 years, and Chastain Implement Co., who are closing out their hardware department only.

Look for these and other timely advertisements in the Texas Spur.

Sheriff's Posse Sets Exhibition In Oklahoma

The Dickens County Sheriff's Posse, World Champion Palmetto Polo team, will play an exhibition game Sunday in Yukon, Okla.

The game will be covered by Oklahoma press and the game will be filmed. It is being sponsored by the Oklahoma Round-Up Clubs, Inc.

Reports from Oklahoma indicate that the Oklahoma team has been practicing for 3 months and plans to give the World Champs a run for their money.

The game will be played Sunday at 2 p. m. A reception will follow. Coffee, cakes and doughnuts will be served. The local team will lead their horses at the McArthur stock yard at 8 a. m. Saturday morning according to Everett McArthur, president of the Dickens Co. Posse.

Anthony Neal Crausbay, McAdoo, is among 66 high school valedictorians who have enrolled for the fall term at Texas Tech.

Bill Mack Show Will Be Here Saturday, Sponsored By VFW

Bill Mack, Starday Recording artist and musical personality from a radio station KDAV in Lubbock, and his band are scheduled for an appearance here on Saturday.

Mack is well known nationally for his compositions and recordings of such hits as When The Sun Goes Down, Faded Roses, Blues, Kitty Kat, Ain't It A Shame and many other best sellers. He also wrote and sings the Mead's Fine Bread (that's what I said) jingle on TV and radio.

Accompanying Mack in his big two hour show will be his band. The show will feature vocal solos by Bill Mack, trios, numbers, instrumentals, hymns, rockabilly numbers and outstanding comedy.

The big show is scheduled to start at 8:15 p. m. at the East Ward auditorium and will be sponsored by the VFW.

Admission prices for the show are: adults—75 cents; children (age 6 to 12)—35 cents; students (over 12 years of age)—60 cents.

Advance tickets may be purchased from the Boy Scouts or members of the VFW.

Nation Gets 9% Cotton Cut

It is expected that Dickens County will receive a cotton allotment cut that is in line with the 9 per cent cut received by farmers over the nation," reports W. W. Gunn, County ASC office manager.

Official figures for the local allotment cut have not yet been released for publication.

However, some farmers have indicated to Gunn that they do not plan to plant their cotton allotment in 1959. In such cases, this allotment can be loaned out, Gunn says.

"Any farmer who does not plant any portion of his allotted cotton acreage, may get his allotment released for one year," he says.

This year, there are two plans for the cotton producer. The A and the B Plan.

Under Plan A, a producer plants his allotted acreage, and is guaranteed full level of the price support.

Under Plan B, a producer may plant his allotment plus 40 per cent more and he will be guaranteed 15 points below the support level, and market his cotton as he pleases.

The referendum on marketing quotas will be held Dec. 15. The referendum must pass by at least 23 or more of the total vote. If 13 or more vote against the referendum, then there will be no plan B, and producers who stay within the allotment will receive 50 per cent of the support level.

Spur Wins District 3-AA; Meets Crane In Bi-District

Game time for the Crane-Spur Bi-District football game has been set for 8 p. m. Friday, November 21 at Crane.

School officials and coaches of both schools met in Lamesa Tuesday night to determine the time the ball game would be played. The place had been determined automatically at Crane by interscholastic League Rule. The rule is set up whereby if two schools meet twice within a six year period in the play offs, and the game was played at one of the participating schools home field, then the game must be returned if the schools meet again. Crane played Spur at Spur in 1955, defeating the Bulldogs 25-21.

Reserved seat tickets will go on sale at the High School Monday, November 17. Spur has received 675 reserved seats. Admission is \$1.25 general admission, and \$1.50 for reserve seats. Student admission will be 50 cents.

Crane officials wanted to play the game Saturday afternoon, they did not want to play the game Friday afternoon, however. A compromise was agreed on as Friday night.

The best route to take in making the trip would be through Lamesa, Midland and Odessa. The route through Big Spring is being repaired in places.

Spur will have an opportunity to designate three of the five officials; the referee, a field judge and statistician. The statistician will keep a record of penetrations, first downs and yards gained rushing in case the game is a tie.

The Spur Bulldogs out-fought the highly regarded Floydada Whirlwinds 8-0 here last Friday night to earn the well deserved title of District 3-AA champions.

Spur repeatedly kept the vaunted 'Winds in a hole all night, and never let their offense get started.

On the first play of the game, following the kickoff, Fullback Joe Copeland burst through a hole at right guard and raced 30 yards to the Bulldog 42. Halfback Kenneth Suitt hit Copeland for a 14-yard pass and then repeated the trick for 12 more. However, the drive bogged down on the Floydada 29 when the 'Winds recovered a fumble.

With Floydada driving down to the Spur 32-yard line, End Ernest Wilson intercepted a long pass and barely managed to return it to the field of play - being downed on the Bulldog two. From there Spur racked up the only score of the night as they drove 98 yards in 14 plays.

The drive featured the running of Suitt and Copeland, with Halfback Jimmy Paronto chipping in large chunks.

The drive ended when Quarterback Freddy Walker rolled out, waited for Copeland to clear himself, and hit him with a perfectly timed pass for the touchdown. Copeland did a good job in getting loose in the

Rural Carriers To Conduct Livestock Census

Postmaster Guy Karr announced today that Rural Mail Carriers will begin distributing Decoy Cards to patrons on their routes about November 20.

This annual livestock survey, which your Post Office and Agriculture Department cooperatively have made since 1924, provides basic information to the Texas Crop and Livestock Reporting Service in Austin for estimating number of cattle, hogs, sheep and chickens on Texas farms and ranches.

In order that the Spur area be well represented in the survey, Karr requests that each patron receiving a card fill out and return it to his mail box for prompt pick up. Rural mail carriers working on this project are B. R. Barrett, Route One, and G. W. Grimes, Route Two.

W. B. Reid Services To Be Held Today

Funeral services for William Bluford Reid, 89, a retired farmer, will be held at 3 p. m. today (Thursday) at the First Baptist Church, Rev. Dock Love officiating. He will be assisted by Rev. Riley Fugitt and Robert Bankhead.

Born in Mathison, Mississippi, Reid came to Dickens County in 1927. He had resided the last 13 years in Spur. His wife preceded him in death in 1948.

He was a member of the Baptist Church.

Survivors include three daughters, Mrs. Jimmy James, Lubbock; Mrs. Slim Metteer, Spur; Mrs. Douglas Hinson, Spur. Thirteen grand children and 11 great grand children also survive.

Interment will be in Red Mud cemetery.

Pallbearers include Buran Jones, Clyde Smith, Monroe Wilson, Roy Scott, Ora Smith and Stirman Lee.

Friday Services Slated Here For Former Spur Man

Funeral services for Robert B. Thannish, 63, will be held Friday afternoon at 2:30 p. m. at the Spur Church of Christ, C. V. Allen officiating. Robert Bankhead will assist.

Thannish died in a Veteran's Hospital at Albuquerque, N.M. on Nov. 11.

Van North Stricken With Heart Attack; Services Held Sunday

Funeral services were held Sunday afternoon at the First Baptist Church for Van R. North, who died suddenly Friday night. Rev. Riley Fugitt officiated, assisted by Rev. John Rakestraw.

North was attending the Spur-Floydada football game when he became ill. He died shortly afterward from a heart attack. He was 46 years old.

A member of the Baptist Church, North came to Spur from Kent County where he

served eight years as district and county clerk. For the past three years he had served as an inspector in the LP Gas Division of the Texas Railroad Commission.

North was a 32 degree Mason and a member of the Wichita Falls Mascot Shrine and the Dallas Consistory. He was a member and Past Master of the Spur Masonic Lodge A.F. and A. M. 1023 and a Past Worthy Patron of the Order of the Eastern Star. At his death, he was District Deputy Grand Master of the 92nd District of the Grand Lodge of T.exas. He was also a past president of the Spur Lions Club.

Survivors include his wife, Mrs. Hortense North; one son, William Milton North, Tulsa; and one granddaughter, Jan North. His mother, Mrs. W. T. North, Aspermont, also survives along with one brother and 8 sisters. They include: W. T. North, Gardena, Calif.; and Mrs. Sidney Cox, Farwell; Mrs. W. H. Porter, Temple; Mrs. J. W. Armes, Shallowater; Mrs. John Hadley, Texico, N.M.; Mrs. T. H. Tipton and Mrs. Carlton Dodson, both of Lubbock; Mrs. Harold Williams, Hobbs, N.M. and Mrs. A. T. Fry, Farmington, N.M.

Masonic rites were conducted at graveside. Interment was in the Jayton cemetery.

Pallbearers were Fred Neaves, Lynn Buzbee, Jack Holley, Hubert Karr, Bill Daniels, Lawrence Mayer, Lawis Lee and Horace Wood.

Pallbearers were Dale Brannon, Donald Wooten, Weldon Jones, Willie Williams, Raymond Eldridge, R. E. Nickels and Raymond Harris.

Arnold Hoover, son of A. V. Hoover, Spur has enrolled at the University of Houston for the fall semester.

querque; and H. J. Thannish, Van Horn; two sisters, Mrs. Don Merriman, Lubbock and Mrs. Homer Barnes, Brownfield.

Pallbearers will be Fred Arrington, Stirman Lee, Marvin Blair, Wilson Hagins, Guy Goen and Guy Merriman.

Interment will be in Dickens cemetery.

School Explains Reason Behind Lunch Hike

As announced in an earlier edition of The Texas Spur, lunch prices at the local school lunchroom were raised from 25 to 30 cents for elementary students; 30 cents to 35 cents for high school and junior high students.

The price hike was necessitated in order to offset an increase in food prices and supplies, according to school officials.

A check was made over a two week period, and it was learned that the cost of each meal was 34 cents. During this survey, it was learned that 311 free lunches were served. The school was faced with the problem of lowering the quality of the food, or raising the prices.

Milk costs the school 6 cents per half pint. The state reimburses the school 4 cents for each half pint. Children are charged 3 cents per half pint now, as compared to 2 cents previously. Meals can be served for this price only because many of the food items are donated by the Federal Government.

Thanksgiving Services Set By Local Churches

A Union Thanksgiving Service, under the sponsorship of the Spur Ministerial Alliance, is planned for Wednesday night, Nov. 26.

The group of ministers made the announcement following a meeting last week.

The Union service will be held at the First Baptist Church, Rev. John Rakestraw, pastor of the First Methodist Church Spur, will speak. Services are scheduled for 7:30 p. m.

Participating churches are First Baptist Church, First Methodist Church, Assembly of God, Bethel Baptist Church, First Christian Church, Presbyterian Church, Four Square Church and the Mission Baptist.

Commodities To Be Issued On Nov. 20

The Government Surplus commodities will not be distributed at the regular time, Nov. 19, according to a report from Dickens County Judge, W. H. Hindman.

However, the commodities will be distributed on the following day, Nov. 20.

The judge will attend a meeting of the State Welfare Dept. in Lubbock on the 19th.

Buick's New Styling Is Sleek And Low

Sleek and low describes Buick's new styling for 1959. The model shown is the luxurious two-door Electra hardtop which measures less than 55 inches in height yet retains approximately the same headroom as last year's Buick. The "delta-wing" styling of the rear fenders that flare out to a point, and twin headlights that are set on an angle give the new Buick a look that is light and jaunty. Compound windshields that curve back into the roof and eliminate wind noise are a feature on all 1959 Buicks. The Electra is powered by a 401-cubic inch V-8 engine with 10.5-to-1 compression ratio. Twin turbos Dynaflow and power steering are standard on all models in the Electra series.

Hogan & Patton, Pioneer Spur Firm Plan Big Close Out Sale

Ned Hogan, owner of Hogan and Patton Men's Store, has announced the firm will hold a closing sale this month, and then will go out of business.

Hogan and Patton is one of the oldest firms in Spur, being established in 1911. Mr. Hogan says he thinks that there are only two other firms here, Campbell's and Riter Hardware, that were established longer than his store. He points out that several stores

have had their names changed through the years, and have changed hands from time to time. But Hogan has been a part of the firm name for 47 years, the period the store has been in business here.

This is the first sale the store has ever held.

When Mr. Hogan first came to Spur, he was employed by Sol Davis. In 1911 Hogan and Ross Edwards borrowed \$700 and went into business as an exclusive men's store. After two years, Edwards sold his interest and Patton was made a partner. Mr. Hogan has owned the store exclusively since 1930.

A. M. Karr, who has been a customer of Hogan and Patton for about 25 years, reports that he has never paid the firm one cent. Mr. Hogan has been buying milk and eggs from Karr for a number of years, and he has never paid Karr one cent.

Mr. Hogan credits Karr's account each month with the amount of milk and eggs he receives. Karr in turn then receives payment in merchandise.

Mr. Hogan is a member of the Methodist Church. He has been very active in Spur civic affairs, having served as mayor of the city.

Hitchcock Thriller, 'Vertigo' Stars Jimmy Stewart, Kim Novak

Suspense as only producer-director Alfred Hitchcock can dish it out will be offered film fans with his new Paramount thriller, "Vertigo," starring James Stewart and Kim Novak, when it opens Sunday at the Palace Theatre. Filmed in

Technicolor and VistaVision in San Francisco and Monterey, the melodrama co-stars stage and television personality Barbara Bel Geddes, and features Tom Helmore and Henry Jones.

"Vertigo," based on the French novel "D'Entre Les Morts" (From Amongst the Dead), by the authors of "Diabolique," tells the kind of tension-terror tale with which Hitchcock's name has become synonymous. It concerns the involvement of a retired detective (Stewart) in the affairs of an old schoolmate, (Helmore).

The latter talks the reluctant Stewart into shadowing his beautiful but neurotic wife (Miss Novak) whom he believes is contemplating suicide.

Stewart's reluctance is partly based on the fact that he is afflicted with acrophobia (fear of heights), which caused the death of a colleague and which led to Stewart's resignation from the police force.

Complications are compounded when Stewart falls in love with the wife, whose mysterious behavior leads him into all kinds of strange and dangerous predicaments before the surprise ending.

Miss Novak portrays two roles in "Vertigo"—but, like the ending, that's a part of the intriguing story it wouldn't be fair to talk about. Suffice it to say that "Vertigo" looms as

another Hitchcock hit every fan will want to see.

Palace Theatre manager, J. D. McCain reports that no one will be seated during the last 15 minutes of this picture.

What do people die of most? How many accidental deaths were there in 1957? What was the leading cause of death in 1932? These and other questions involving vital statistics are ever available from the Division of Vital Statistics of the State Health Department. Most people look upon the Division of Vital Statistics as

NEW 1959 MERCURY NOW ON DISPLAY AT HOOVER MOTOR AND IMPLEMENT CO. —The space-planned body of the 1959 Mercury may now be seen here in Spur at Hoover Motor Co. In its 20th anniversary models, Mercury offers a brilliant combination of advanced design, mechanical excellence and superior performance and economy. Designed exclusively for the medium price field, the new Mercury has 15 models in four series, including the only two-door station wagon in the medium price range.

merely a place to obtain a copy of a birth certificate for a new job, or a copy of a death certificate for an inheritance.

This is true, but the division offers many other services as well. Some are familiar; others are unknown except to public health workers.

Let's take the first question: Just what do people die from most?

By careful compilation of death statistics, listing cause of death, place, conditions and other information, it is possible for statisticians to determine what diseases are killing the most people in Texas.

What value is this? It was just fifty years ago that tuberculosis was the leading cause of death.

Medical and public health officials could see this frightening fact and direct their activities towards curbing the disease.

Year after year, employing various methods for lessening the occurrence and severity of tuberculosis, the researchers' only method of checking their progress was by checking statistical death records.

In this manner they were

able to discern which measures were the most successful. Today, tuberculosis is no longer the leading killer it was.

Refined techniques are carried on today with emphasis on other diseases.

For instance, the M.D. Anderson Hospital and Tumor Clinic uses death records to check on past patients of the hospital. In this way they hope to find out how successful are certain methods of cure. The study is on a continuous basis, and began several years ago.

Similar studies can be applied to heart patients. Heart and cancer diseases are the two leading causes of death today.

The fourth-ranking killer is accidents. Traffic accidents lead, but how and where and in what manner do these and other accidents occur? By careful scrutiny of death records, answers may be found that will enable engineers to build safety into homes and highways.

The Division of Vital Statistics sends you certificates upon request, but the service doesn't end there — it only begins.

This 4-door Hardtop Cruiser is the luxurious Park Lane by Mercury. Also available in the distinctive Montclair and the popular Monterey series.

The brand NEW '59 MERCURY shows you what NEW really means

Americans are looking at the new cars with a new look in their eyes. They're searching for the best combination of all the things that count in a car. The answer in 1959 comes from this completely new 20th Anniversary Mercury.

SEE NEW CLEAN-DYNAMIC STYLING

Distinctive...Mercury has exclusive body design; it is the only car in its class that does not use a body shared by a low-priced car.

RELAX IN A NEW KIND OF COMFORT

No car in its class has more usable room. For easier entrance, doors are wider than those of costliest cars. Up front...9 inches more knee room! The tunnel-hump in the floor HAS BEEN CUT IN HALF! The man in the middle doesn't

sit with his chin on his knees. And that lower hump makes room for thicker seat cushions.

FEEL LEVELLY NEW PERFORMANCE

Not just high horsepower...although Mercury offers up to 345...but a new kind of response, quiet, obedient, effortless.

ENJOY NEW ECONOMIES

2 out of 3 new-car buyers can afford Mercury. The big special is the Monterey with its new Economy Engine. You get top performance on regular (not premium) gas...it's like "riding free" 10 miles out of every 100.

Add it up and you get everything you want on wheels...the '59 Mercury. We invite you to try this great car...at our showroom.

NEW COMFORT UP FRONT! That tunnel-hump you'll find on other '59 cars is 50% smaller in Mercury. 3 full-size riders on stretch out (including the man in the middle).

MERCURY'S COUNTRY CRUISERS...Unique hardtop styling. Retractable rear window. Fold-away 3rd seat that faces front. Concealed package compartment.

MERCURY'S FIRST WITH SIDE-TO-SIDE WIPERS...They clear a 42% larger area...a 5-foot swath...including the center section. Only Mercury has this aid to safer driving.

Everything you want on wheels

- NEW STYLING
- NEW COMFORT
- NEW PERFORMANCE
- NEW ECONOMY

All beautifully combined in the 20th Anniversary

IT'S THE LAW
in Texas

Right of Way Rules Explained
Possibly the most mystifying of all traffic rules to the average driver are those relating to "Right of Way" at an intersection. In reality, however, these rules are quite simple.

In trying to understand the laws regulating intersecting traffic, it is best to start off with the premise that all streets are of equal dignity, legally speaking. Traffic signs and signals may vary this rule somewhat, but when in doubt it is safest to assume that all drivers crossing your path have claim to the right of way equal to your own.

Obviously, however, in many cases one driver or the other will be legally entitled to the right of way. When it becomes necessary to determine right of way in a particular situation, the driver who reaches the intersection first, or who is going to get there first, is ordinarily favored.

But when two automobiles are an equal distance from the intersection, that one approaching from the other driver's right normally has the right of way.

Some intersections are known as "courtesy corners," having a stop sign or a flashing red signal facing each direction of approach. The first driver reaching the corner and coming to a complete stop will normally have the right of way over other vehicles not already in the intersection. However, don't depend too much on the other fellow's courtesy, and be sure to keep a "proper lookout" and your car under "proper control," as explained in an earlier column.

At intersections involving one through street and another street having a stop sign, a driver approaching the stop sign and coming to a full stop is ordinarily said to have the right of way over vehicles approaching on the through street but not already in the intersection.

However, this last rule must be qualified by saying that you should not proceed, cross or turn onto the through street until you can do so without interfering with oncoming traffic. In other words, if an approaching car will arrive within the intersection before

you are completely clear, wait just a little longer. The same rules apply to entering a highway from a side road containing a stop sign.

Many drivers violate the rules of right of way covering left-hand turns at intersections. When turning left, you should always be on the inside (or center) lane, displaying the proper hand signal. You must allow all cars coming from the opposite direction, already in the intersection, to pass through before completing your turn. Even when the intersection is cleared, do not proceed unless other oncoming traffic is far enough away to be able to see your signal and slow down to allow you to turn with safety to all concerned.

Stay in the inside lane until your left-hand turn is entirely completed, and only then move gradually over to the right-hand lane if you wish. When turning right, stay in the right-hand lane at all times. Do not swing wide into the center lane, as to do so is unnecessary,

inlawful and dangerous.

Many detailed rules and suggestions for safe driving are included in the official "Texas Driving Handbook" which is available to any person requesting same from the Texas Department of Public Safety, Drivers License Division, Austin, Texas.

(This column, based on Texas law and prepared by the State Bar of Texas, is written to inform—not to advise. No person should ever apply or interpret any law without the aid of an attorney who knows the facts because the facts may change the application of the law.)

IT'S WINNING TEXAS—as it won the Fashion-Wise at the Brussels World's Fair!

You never had it so beautiful
and so all-out new...

59 FORDS

AWARDED THE GOLD MEDAL for beautiful proportions—by the Comité Français de l'Élégance at the Brussels World's Fair

THE WORLD'S MOST BEAUTIFULLY PROPORTIONED CARS

are packed with surprises!

Expect to be dazzled when you see these totally new Fords! Each one of Ford's 19 new models is completely and refreshingly changed in every square inch. Each, in its own way, is the world's most beautifully proportioned car. Each has Thunderbird elegance.

Look for something new and just right in size... and you'll find it! The lowest-priced Fords are 6 stunning inches longer... have 2 extra inches of smooth-riding wheelbase.

Expect something wonderful in savings. For instance, Ford prices for '59 are traditionally down-to-earth prices. (Every model's priced below the equivalent model of Ford's nearest competitor.) Ford's aluminum mufflers—standard equipment—last twice as long as conventional mufflers. Ford's standard V-8 and Six save up to 5¢ a gallon because they require only regular gas. Ford cars need oil changes only every 4000 miles. And Ford's new super enamels never need waxing.

Look for something special in performance. New V-8's concentrate their new punch at speeds from 30 to 70 mph, where you need it most.

Look for newness everywhere... right down to the new Tyrex tires. Let your Ford Dealer show you. You've never had it so new!

The wonderful new Fairlane 500 Club Victoria... one of 19 all-new Fords for '59

By JOE HARRISON

It was a team victory. It would be hard to single out any player as outstanding in the Bulldog victory over Floydada last Friday.

The entire team played well. Guards Marshal Murray and Jim Gabriel opened up holes for Fullback Joe Copeland to run down the middle. Kenneth Suits got good blocking on his wide staff for the first time this year to amount to anything. Coach Bill Henry had his team running from an unbalanced line part of the time, with End Ernest Wilson moved over to the strong side to utilize his downfield blocking ability. From this formation, Suits ran well, or passed, depending upon the situation.

Freddy Walker handled the team smoothly and coolly, and Halfback Jimmy Paronto chipped in some good runs.

End Woodie McArthur almost had a touchdown when he juggled a long pass in the Floydada end zone. Woodie held the ball for what seemed an eternity before it trickled through his hands. However, it would have been a spectacular catch had the lanky end managed to control the ball.

Tackle Melton Webb played his usual strong game, as did center Don Kidd. Kidd recovered another fumble. The big center has a knack for recovering the loose ball.

Linebacker-Tackle Kenneth Gilcrease played well.

And, the Spur defensive backfield also must come in for its share of praise. Led by Kent Morgan, the Bulldog defensive backs intercepted two passes and recovered two Floydada fumbles.

Middle Guard Gary Scott turned in a good game.

The Bulldogs won the game with ball control. Floydada had the ball only five plays in the first quarter; eight plays in the second quarter; 14 plays in the third period and 12 plays in the fourth quarter.

This is what defeated the Big Green team. You can't score if you haven't got the ball.

Some of the Floydada fans left Spur bitter. They blamed the officiating for the loss.

We are not saying that all Floydada fans should be judged by the action of the few.

Naturally the fans were disappointed—they were following a team that was undefeated in 8 games. They came to Spur with the thought of winning—Spur had other ideas.

To those Floydada fans who were not good enough sports

to give the Bulldogs credit for being a ball team, we say this: I failed to see one official make a smashing tackle like the Bulldogs were displaying; I failed to see one official intercept a pass;

I failed to see one official recover a fumble; I failed to see one official punt dead on the Floydada 9 yard line.

The above mentioned things were all performed last Friday night by the Spur Bulldogs, and that is what defeated Floydada—not the officials.

Coach Preston Watson said Spur had a fine team.

At the same time, we are well aware that Floydada had a hard fighting team. They were in the ball game all the way. Perhaps the Winds are the best team Spur has played this year.

Overheard at the sidelines—Floydada player about Guard Jim Gabriel—"Coach, that No. 63 is trapping me."

End Bill Patterson was injured in the game, but word has been received that he is recovering nicely. The big wingman, who is top-flight hurdler, spent the night in the Spur Hospital after being knocked unconscious. He was returned to a Lockney Hospital Saturday morning.

Did you notice the hush that swept over the fans as Patterson lay still on the field?

The crowd at the ball game is a record for recent years according to school officials. Total gate receipts were \$1200.00—compared to only \$900 at the Homecoming game. Crowd estimate was about 3,000.

PRACTICE SAFETY

The Texas Farm and Ranch Safety Council reminds rural residents that safety isn't an accident but that accidents happen when safety isn't practiced. Many rural residents have become accident statistics since the fall harvest rush began. The list will continue to grow unless the rules of safety are observed.

Ray Dan Powell, a student at West Texas State college at Canyon, visited over the week end in the home of his parents, Mr. and Mrs. Raymond Powell.

Jimmy Rex Holder, son of Mr. and Mrs. Rex Holder, was home for the week end, from Hardin Simmons, at Abilene.

Patton Springs Rangers Near District 2-B 8-Man Crown With 20-14 Victory Over Guthrie Friday

In one of the hottest contested games played this year, with the 2B Eight Man Conference Championship at stake, the fast running, elusive Patton Springs Rangers tanned the hides of the big, hard-hitting Guthrie Jaguars to the tune of 20 to 14.

It was a tough, hard battle from start to finish and no one dared to predict the outcome before the final whistle.

This victory for the Rangers virtually clinches the 2 B Eight Man Conference Championship with 4 wins, no losses, and a final conference game Friday Night, Nov. 14 with Roaring Springs on Ranger Field.

Patton Springs took the initial kick-off in the shadow of the goal line and in four swift plays the Rangers Galloping Trio, H. Goodwin, Blasingame, and Ragland had covered the half-length of the field and made the first Ranger deposit with a 2 point stamp of approval. Blasingame rammed the ball over in the final run of the drive and H. Goodwin accounted for the PAT.

Guthrie took the 2nd kick-off and the tide of battle was reversed. Steadily and methodically, the Jaguars moved the ball, 10 yards at a clip, all the way down the field to add 8 points to their bank roll. Braze and R. Miller sparked the mighty drive and ended it respectively with the 1st touchdown and conversion for Guthrie.

Rangers Max Legg and Larry Clay fought a superb battle in the middle of the line while Billy Goodwin and Tommy Lawson added strength and power at the end position. Other Rangers who added excellent flashes, defensively and offensively, at different times during the game, were Ronnie Mullins, Jerry Tarrant, and Oscar Hughes. The game was so closely contested that neither Coach Marshall of the Rangers nor Coach Hummer of the Jaguars dared to make any substitutions during the whole game.

The 3rd quarter belonged to the Big Jaguars. They came back, after the half, fired with the zeal to break the tie and go on to victory. They took the 2nd half kick-off and never relinquished the ball until they had laboriously taken the field from the Rangers to secure their 2nd touchdown. The conversion was not allowed, so their score mounted to 14. R. Miller carried the mail for this No. 2 delivery.

However, the unforeseen thing happened in the 4th quarter and the hard-fighting Rangers set up such a defense and offense that the Big Jaguars could not overcome it before the last whistle sounded. The Rangers held to the ground and ran their hearts out for two closing period touchdowns that clinched the 2 B Eight Man Conference Championship. The Regular Three Horsemen and their (Reserve counterparts) Tarrant and Mullins moved quickly in this period to even up the score 14 to 14, and then set about earnestly and methodically to rub out the tie. They relinquished the ball several times to the Jaguars, but rushed them off their feet and backed them deep into their own territory with such strength and force as to permit Harold Goodwin to run over the two 4th period touchdown counters. The final whistle found the Rangers in possession of the ball, on the Jaguar 10 yard line, pushing hard for another pay-off. The final score: Rangers 20 and Jaguars 14.

BULLDOGS From — Page 1
took to the air. Three passes went incomplete and Vickers was trapped twice by Ernest Wilson for a total loss of 10 yards while he was trying to pass.

The Bulldogs were ruled interfering with End Bill Patterson and Floydada had a first down with 20 seconds left. Patterson was injured on the play.

With one pass falling incomplete, Vickers shook loose with one-half second left on the clock. The big halfback rambled for 34 yards before he was dropped by the Spur defense.

The urban or "city" 4-H Club is no longer an exception in Extension work, according to statistics released by the USDA. The number of 4-H's living in urban areas has increased more than 28 percent since 1954. Country cousins are fast becoming city folks, while the distinction between farm and city boys and girls is virtually non-existent.

Proof of these changing times and people can be found during the National 4-H Club Congress in Chicago where approximately 1,300 youth assemble annually. The date this year is Nov. 30 to Dec. 4.

These future citizens come from all parts of the United States, Alaska, Hawaii, and Puerto Rico. All are members of local 4-H clubs, and all have achieved top state rating in a

specific 4-H award program. They represent the 2,200,000 rural and urban 4-H'ers who continually strive to "make the best better." Those who are selected each year by the State 4-H office to attend the National Congress, have accomplished just that.

These talented teenagers travel by train, plane, and bus to reach the Windy City where they will join their fellow 4-H'ers and adult leaders in a week of new and interesting adventures.

Many business firms and private citizens cooperate with the National Committee on Boys and Girls Club Work and the Extension Service to make the Congress possible. Not only are the trips paid for, but other valuable awards are provided for state and county 4-H winners. College scholarships will be presented to

200 national champions. Among the 4-H award donors are: Mrs. Charles E. Walgreen, Chicago; Standard Brands Inc., Arcadian Products Dept. of Allied Chemical Corp., American Forest Products Industries, Wm. Wrigley Jr. Co., Pure Oil Co., Homelite, a Division of Texttron, Inc., Olin Mathieson Chemical Corp., Armour & Co., Santa Fe Railway System.

Social Security Representative To Be Here 19th

"People who work for themselves on a farm or in a business, trade, or profession should keep complete and accurate records of all of their business transactions," John G. Hutton, manager of the Lubbock social security office pointed out today. Maintaining complete and accurate records is good business from many standpoints and these records are particularly valuable when income tax time rolls around. For these businessmen, Federal tax returns are not only used to report the amount of their income for income tax purposes, but are also used to report the self-employment income for social security credits. This means that the eligibility to social security benefits for these individuals and the amount of their monthly benefits are dependent upon the accuracy of their tax returns and the accuracy of the basic records upon which these returns have been prepared. Hutton commented that in many cases his office is required to verify the income reported on the self-employment tax returns. The lack of good records has in some instances caused considerable delays in awarding claims for benefits and in several cases has resulted in actual loss of benefits. So, don't gamble on losing what you may be entitled to—keep an accurate and complete record of all of your business transactions. A representative of the Lubbock Social Security office will be in Spur on Nov. 19, 1958 at 9:30 a.m. at the Justice of the Peace Office and will be glad to assist in all matters pertaining to Social Security.

ANNOUNCEMENT

The Girard PTA will not have their regular meeting. Time for next meeting will be announced later.

"COLD" TIME

If and when a new vaccine against the common cold has been thoroughly tested and proven, the telephone company may have played an important part in the experiment. Employees at the St. Louis headquarters were offered the anti-cold shots, which while still experimental have been proven safe, on a voluntary basis. The location was selected for the test because it offered a conveniently located cross-section of people on whom health records are available. The Southwestern Bell Telephone Company is cooperating at the request of the Common Cold Foundation and the US Public Health Service in this experiment.

Wouldn't it be wonderful to just be able to get a shot and not have to worry with the sniffles? Let's hope our time will come real soon here in Spur.

A NEW FAMILY PLAN

For some time now, railroads and airlines have been telling people about "Family Plans". Well, I recently heard of an older couple who thought up their own "Family Plan" for get-togethers with their married children living out of town.

Since Sunday always seemed the loneliest day without the family around - and because long distance rates are lower all day - they set up a regular Sunday calling schedule for their sons and daughter. On the first Sunday of the month, Bill, the oldest son, calls and puts the whole family on the line; on the second Sunday, it's the middle boy, Ralph, Jane, the only girl (she has a little girl of her own now) calls on the third Sunday. On the fourth Sunday, it's Tom's turn. He's the youngest, and just married.

I didn't learn what happens when a month has five Sundays, but I do know that these Sunday calls turn a lonely day into a happy one for the folks back home.

TOUCHDOWNS BY TELEPHONE

Many telephone employees aren't as lucky as I am when it comes to football. Usually - if I can duck all the projects my wife saves up for me to do on Saturday - I can enjoy a game on radio or television.

For other telephone people, football is work, because broadcast casts and telecasts, as well as news accounts of the games, are flashed from city to city over telephone company's lines.

Here in our part of the country, where there's so much interest in football, it takes a lot of skilled telephone people and a lot of telephone facilities at work to keep fans in touch with what's happening to their favorite teams.

Call by number. It's twice as fast.

Nell Scott Hosts Exchange Club

The Exchange Club met November 5, at 3 p. m. in the home of Nell Scott.

The meeting was called to order by the president, Bertha Carlisle. Roll call was answered with "Current Events" and "Household Hints." After the business session, a refreshment plate was served to fourteen members.

The next meeting will be November 19, at 12:30, in the Dyess Tea Room, of the Thanksgiving luncheon.

Mrs. V. Hoover Feted At Pink And Blue Shower

Mrs. Vernon Hoover was guest of honor at a pink and blue shower in the home of Mrs. Noble Neff, Tuesday afternoon from two to four o'clock.

Mrs. Tommy Brantley registered the guests in a lovely baby book, which was presented to the honoree along with a negligee set, from the hostesses.

Minute diapers were used as favors on the refreshment plate. Approximately twenty five guests were served.

Girard H.D. Club Plan Program

The Girard Home Demonstration Club met Wednesday, November 5, in the home of Mrs. Wade Wright, with eleven members and two children present.

Roll call was answered by a Thanksgiving riddle. The minutes were read and Mrs. Hodges gave a report on the last

council meeting. Mrs. Blue Stephens and Mrs. Hugh Turner gave helpful hints on sewing and showed shirts on skirt making and good grooming.

Plans were made for the Christmas program, which will be in the home of Mrs. Fletcher Rich, December 3.

Refreshments were served. The next meeting will be November 19 in the home of Mrs. Jim Wyatt.

Bond Sales
Total \$22,729

During the month of September the citizens of Dickens county purchased \$22,729.00 in Series E and H Savings Bonds.

This announcement was made recently by R. A. Conner Chairman of Dickens County's Savings Bond Committee.

"This year totaled \$27,451.00," Chairman Conner reported. "We have now achieved 77.1 per cent of our 1958 goal of \$36,000."

Sales in Texas during the first nine months of 1958 were \$132,257,457 which represents 75 per cent of the 1958 goal of \$175,000,000.

"Under a recent change in Treasury Regulations, individuals who hold F and G bonds that mature after September 1, 1958 may invest the proceeds from the maturing bonds in E and H bonds without regard to annual purchase limits," Conner announced. "This information should be of interest to hundreds of people in this area who hold maturing F and G Bonds," Conner concluded.

COAST TO COAST ONLY 1 1/2 CENTS PER MILE FOR GAS!

Pontiac's new Tempest 420E V-8 sets the year's most important economy mark—Here's the story and what it means to you!

PONTIAC COAST-TO-COAST ECONOMY RUN
San Diego, California to Savannah, Georgia
COMPLETED OCTOBER 17, 1958

DISTANCE	2,442.7 MILES
DRIVING TIME	60.72 HOURS
FUEL CONSUMED	112.5 GALLONS
FUEL COST	\$35.79
MILES PER GALLON	21.7 Average for entire trip
AVERAGE SPEED	40.2 MILES PER HOUR
COST PER MILE	1.465 CENTS

We asked one of America's most respected car testers—"Uncle Tom" McCall—to put a standard Pontiac Catalina Sedan with our new economy V-8 to the test.

And with only one specification—that the run would be exactly like you would drive coast to coast yourself—in mountains, in city traffic, across deserts, buying gas wherever the tank ran low.

And here's the phenomenal story in every complete detail—all officially certified by NASCAR, America's top automobile competition authority.

What does it mean to you?

Simply—and very importantly—this: For the first time, you can get deep-chested V-8 pep with better mileage than from many smaller so-called "economy cars" . . . and get it on regular fuel!

If you owned a Pontiac with this new Tempest 420E V-8 you'd be saving up to 5 cents a gallon on regular fuel. This new economy V-8 is optional at no extra cost on any Hydra-Matic Pontiac!

See your Pontiac dealer soon—and discover the newest in V-8 performance and economy!

PATTON SPRINGS...

SCHOOL COMMUNITY NEWS

Supt. W. H. Hayman reports: The school enrollment has passed the 230 mark at the end of the 10th week of school. However, there have been many students out of school because of flu and colds. The lunchroom has recently received 8 large turkeys and quite a variety of surplus foods from the U.S. Surplus Food Supply. Patton Springs will be out four days during the Thanksgiving Holidays, Nov. 27-30. Paul Benson of Wolfe City, made the school pictures this year and now has them ready for distribution. The senior pictures will be taken Nov. 13 at the Patton Springs School by the Marquise Studio, Enid, Okla.

There have been several new students enrolled in the First Grade this past week. The present enrollment is 31. The First Graders are now reading in the Big Book which is their introduction to the First Pre-Primer, "Tips." Everyone seems to be anxious to learn to read. Number work took on a Halloween atmosphere as this group counted, cut, and pasted with different shapes and forms, pumpkins, bats, black cats and witches. The blackboard had the appearance of a Spook Parade as bright costumed figures, created by the children, marched across the front of the room. The 1st and 2nd Graders made original Halloween masks which they wore to the

Pep Rally in the gymnasium. After the Pep Rally, both grades enjoyed tasty Halloween treats, furnished by Mrs. Curly Fox, Mrs. Micky Blackwell and Mrs. T. A. Martin, Jr. The Second Graders are completing their Review Work. They are learning new new ways to meet new words and are working hard to develop new reading skills. The entire group is making good progress in reading. All pupils in the 2nd Grade have subscribed to the "Weekly Reader" and are looking forward to receiving it each week. **2nd and 3rd Grades** This room has increased its enrollment recently by the addition of the following pupils: Hector Martinez, Rosa Martinez, Amelia Espinoza, Natividad Espinoza, Teofila Guerra, Mike Rodriguez, and Tony Herrera. The pupils in these grades are doing good work in Numbers and are studying about insects.

6th and 7th Grades The room mothers brought in refreshments for the Halloween class party. The 6th and 7th Grade pupils are getting some good experience in writing reports in English. **JAYTON JUNIORS DOWN JUNIOR RANGERS 22-12** The Jayton Junior Jaybirds spread their wings strongly last week on their home field and put the Junior Rangers on bottom again. However, the Rangers went down fighting, and Ira Sullivan and Gene Legg were able to run over a couple of touchdowns. Jackie Bennett did some excellent playing at the end position and succeeded in carrying the ball for several first downs. The Grade School football season is over and the boys are getting ready to play basketball. **VOCATIONAL AG DEPT.** Ag. I and Ag. II Classes have made a number of field trips

since school started in order to really get acquainted with the soil. Land Judging teams are shaping up as this group studies land classes, texture, slope, depths, kinds, and other qualities of the different kinds of soil in this area. The Ag. III class members have recently set up their shop projects. Some of the projects will help to improve the Ag. Dept. Shop, while others will serve the boys in their Home Projects. Self-feeders, hog troughs, hog waterers and repairing various pieces of machinery for the local farmers are demanding the best efforts of this advanced class. **Home-Making Department** The F. H. A. girls are planning a Hobo Day very soon to secure funds to help them in the activities of their organization. Some of these girls are already beginning their work on the Jr. Chapter. The First Year girls are progressing rapidly with their

dress projects. The Sophomore girls are learning to make good drinks from powdered milk, as well as plan further low-cost meals. **Senior Notes** The Annual Staff is getting started with the plans and specifications of the 1959 Ranger Year Book. The Ranger Girls Basketball Team will have another series of practice games with the Matador Girls Nov. 17th. **Serious Accident** Two Latin American boys were involved in a serious car wreck last week on the curve north of the East Afton Gin. A house, used for cotton pullers, on the B. D. Clifton Farm south of Afton, caught fire this past week and burned to the ground. The Latin American occupants lost everything they had in the fire, but saved two babies who were burned seriously. Mrs. T. R. Cox, mother of Mrs. T. A. Martin, is moving

Texas Draft Quota For Dec. Calls For 462

The state quota for Texas draft boards in December calls for 462 men, Col. Morris S. Schwartz, state Selective Service director, announced Tuesday. The state's December call for 462 compares with a quota of 556 for November, already announced. The December call is the state's share of a national quota of 11,000 men, all for the Army. The state director of Selective Service also announced

that 1,979 men were scheduled to take pre-induction mental and physical examinations in December. Local board quotas for the December induction and pre-induction examinations are scheduled to be mailed by state Selective Service headquarters Tuesday. The December quota will be filled with men who are at least 22 years old on December 1, with the exception of volunteers or delinquents, who may be younger. Men scheduled to leave for Army service in December will depart from December 1 thru 9, and those going for examinations are scheduled from December 1 through 17. Visiting in the home of Mrs. L. R. Barrett last week end were Mr. and Mrs. Norton Barrett and son, Robert of Crosbyton and Mr. and Mrs. Horton Barrett, Amarillo.
