

# A WEST TEXAS PAPER FOR WEST TEXAS PEOPLE

# Dickens Co. Times

VOLUME 10

SPUR, DICKENS COUNTY, TEXAS, THURSDAY, APRIL 5, 1934.

WHOLE NUMBER 454.

## Miss Anna Mae Hale Passes Away

Miss Annie Mae Hale, 26, daughter of Mr. and Mrs. O. L. Hale, died at her home on West Harris Street after a lingering illness of nearly three years.

Miss Hale was born at Afton, Texas, October 7, 1907. She completed her grammar school course there and came with her parents to Spur in 1919 in order to have advantage of a good high school course. After finishing high school she entered Randolph College at Cisco and graduated from that institution in 1925, it being a junior college. She secured a teachers certificate and taught school at Kal-gary and then became a student in A. C. C. at Abilene. Her health failed and she had to give up her work in school except one term she was in Phillips University in Oklahoma.

At the age of 12 years she made a profession and became affiliated with the Christian Church, living a steadfast and devoted Christian life from that time on. She worked with the young people in the church and planned to make that her life work. She secured good training in instrumental music and voice culture in order that she might carry on church work. The greatest characteristic was her outstanding life in the community.

A few years ago she developed tuberculosis and before she or her parents realized what was the trouble, the disease had secured a stubborn hold on her life. Physicians advised her to take much rest which she did.

In June of 1931 she went to bed and from that time on spent most of her time resting. She went to the State Sanatorium where she spent several months and seemed to improve. Last fall she seemed to be doing very well and made a trip to New Mexico. However, while there she developed influenza and pneumonia from which she never could recover. For many months she had lain, knowing that the crisis must come in the near future. However, during all her illness her kind attitude and patience never faltered.

Funeral services were held at the First Christian Church at ten o'clock Friday morning. Rev. R. C. Brown, the pastor, read the funeral rites, commenting upon the exemplary life which the deceased had lived. The body was taken to Afton for interment, that being her girlhood home.

She leaves her father and mother, other relatives, and a great host of friends throughout West Texas.

## Revival At Christian Church Growing In Interest Daily

The series of revival services at the First Christian Church are growing in interest. Rev. Brown, the pastor is bringing some fine messages which the people are enjoying. The services every evening will be for the ex-servicemen of the country and the church is hoping to have every world War soldier in the country present for that evening.

The music which is under the direction of home people, is good. People are asked to assist in the singing and do whatever else they can do to make the meeting a success.

## O. C. Newberry For County Attorney

O. C. Newberry stated Saturday that he is in the race for County Attorney and authorized the Times to make the announcement to the people. He is well-known throughout the county, having served as County Commissioner six years and as County Judge four years, and during his tenure of office served the people conscientiously. Judge Newberry stated he would make a statement to the people later setting out the policies for his campaign.

## CHURCHES REMEMBER BUCKNER ORPHANAGE

The various churches of the Dickens County Baptist Association sent a contribution consisting of eggs, canned vegetables and lard to the Buckner Orphan Home at Dallas the first of the week. Last week the collection was brought in to Spur Produce Company where everything was arranged for shipment.

There were six cases of eggs, or enough to serve all the children at the home for three days with an egg at one meal. Mr. Falls took the produce to Dallas Monday where it was turned over to the home.

## ENLARGING GROCERY STORE

The Hale Grocery Store is undergoing a change this week. An addition is being added to the rear and more room being made for an increased stock. Mr. Hale is working diligently to satisfy the many customers who patronize his store. He started out in a rather small way last year and keeps adding to his store until now he has one of the most complete grocery lines in West Texas.

Mr. and Mrs. L. C. Parker came in the last of the week and are now located in the L. D. Campbell home on Carroll Avenue. Mr. Parker is manager of Hassen Bros. store here.

## FORMER SPUR CITIZEN BECOMES MAYOR OF LUBBOCK

Ross Edwards, former citizen of Spur, was elected mayor of Lubbock in the election there Tuesday. Of the 3,253 votes cast in the election, Mr. Edwards received 2,098. His opponent, B. Sherod, received 1,134.

## Ona Lee Shockley Announces For County Treasurer

After giving due consideration to the solicitation of my friends to become a candidate for the office of County Treasurer, I have decided to place my name before the people as a candidate for that office. I have been reared in Dickens County. Graduating from the Spur High School in the class of '26, completing the courses offered by Lippert's Business College at Plainview, and being employed in stenographic and clerical work continuously for the past seven years, I feel that I am prepared to render competent service to the people of Dickens County. I am at the present employed in the County Agent's Office, which is only temporary employment, and it is necessary that I have permanent employment as I am the sole support of my family. I deeply appreciate the words of encouragement which I have received and earnestly solicit your vote and influence in my behalf.

ONA LEE SHOCKLEY.

## Mrs. Twaddell Is Seeking Second Term As Supt.

Since the future existence of the County School Superintendent's office was determined in Saturday's election I am offering my candidacy for a second term in that capacity.

I cannot announce my candidacy without thanking you again for electing me to this position and thus giving me my big opportunity for service, and then for your friendship, your co-operation, your inspiration, and your wonderful advice of the last three years. Without you nothing could have been done that has been done. Whatever credit comes as a result of the accomplishments of the period goes to you. The splendid manner in which you responded to Saturday's election is typical of your school spirit.

I think you know that I have put my whole heart, life, and work into the schools of the county and that I have loved it all above anything I have ever done or could do. During the last campaign I outlined a rather comprehensive program. All of us working together with the help of the State Department of Education have gone far toward the realization of these goals. With the organization we now have a few more years of painstaking and progressive development will put Dickens County Schools second to none in Texas.

I would like nothing better than to have the opportunity of working another term with and for you in the perfecting of this program which we have begun together and in helping you advance education in Dickens County in every way possible. I would be needless for me to point out my record in office to those of you who know me well, because you are already familiar with it. To those of you who do not know the facts as to my ability and willingness to attend the duties of the office I solicit your investigation.

Thanking you again for what you have meant to me individually and to the school system of Dickens County, and hoping that you will honor me by re-electing me to the office of County Superintendent, if I have merited your confidence and your future support, I am

Very respectfully your friend,  
Madge D. Twaddell.

## Petit Jurors For Term County Court

The next term of County Court will convene Monday, April 23. There is a reasonably full docket of business for this term and much work is going to be required to clear up everything. The following is the list of petit jurors for the April term:

A. V. Lester, J. T. Powers, W. F. Godfrey, Z. W. Fowler, D. D. Hagins, G. M. Bennett, J. P. Koonsman, Jno. Norris, Joe T. Jackson, E. J. Orfield, J. F. Phifer, R. L. Edgar, J. M. Davis Sam Clemmons, Jno. A. Allen.

## WEBB STUDIO IS OPEN AGAIN

Mr. and Mrs. O. T. Webb, who have been away sometime on a vacation and visit, returned last week and are opening their photo studio in the Cowan Building again. They have a nicely arranged studio and are getting quite a lot of work to do.

Mr. and Mrs. Webb came to Spur with excellent recommendations and are very fine people. They plan to make Spur their home and say they expect to make photographs of a quality that people will want their work.

## Vote On Bond Assumption Sat.

Saturday is the date set for the voters of Spur Independent School District to vote for or against the school bond assumption plan as has been outlined by the school board. With the hard years and the closing of a bank in our community and the cause of some of the school bonds of our district to fall due when the district will be unable to meet them. Under the old plan the sinking fund had to be deposited each year in a fund in the bank, and when the bank closed here several thousand dollars in sinking fund on the school bonds went out with it.

The Board has made arrangements under a new plan to get the bonds extended for about five years, to issue these bonds serially and pay one or two denominations off each year and cut down interest. By doing this the people of the district must give their consent by ballot, and this is the purpose of the election Saturday. The taxes will not have to be raised in this matter one penny, but if the bonds are not assumed by a vote in the election Saturday, then some arrangements must be made to liquidate them at least five years earlier. This will mean added expense either by increasing taxes or raising the rendition. A vote favorable to assume the bonds will keep down this extra expense, and at the same time get all the bonds against our school district in good legal condition.

## PRESBYTERIAN CHURCH

Rev. Fred C. Cairns will hold the following services at the Presbyterian Church Sunday.

Sunday School — 10:00 a. m.  
Morning Services — 11:00 a. m.  
Evening Services — 7:30 p. m.

## City Drug Distributor of Blackleg Vaccines

Lawson Cowley who is with the Cutter Laboratory of Fort Worth, was in Spur a few days past. While here he renewed the contract with the City Drug Company to distribute the Cutter Blackleg vaccines during 1934. Mr. Crowley, specializing in veterinary work, gave some interesting facts about blackleg. He stated that it appeared in practically every section of the world and usually proved fatal to all animals having it. In the United States the greatest losses from blackleg are found in Texas, New Mexico, Oklahoma and Kansas.

The first vaccine used to prevent blackleg was used in France about 1883. It was several years later that blackleg preventatives were used in the United States.

## Aspermont Editor Passes Away Wed.

Mrs. Margaret E. Guest, many years editor and publisher of the Aspermont Star, died of pneumonia in the West Texas Baptist Sanitarium at Abilene last Wednesday. Mrs. Guest gave up her work just a week before her death, leaving her office with a high fever. Seriousness of her condition demanded that she have special attention and she was taken to the sanitarium at Abilene where everything possible within the range of human ability was done.

Mrs. Guest lacked but a few days of having lived 44 years in Stonewall County. She moved to that county with her parents April 3, 1890, and after her marriage to Mr. J. C. Guest in 1895, she and her husband established their home there. Of their two children they reared one to manhood who is a citizen of Aspermont. The other child passed away when just a baby.

More than ten years ago Mrs. Guest became editor of the Aspermont Star and used every opportunity of her publication for the upbuilding of the county. She was a devoted Christian lady and that factor was as well as other community activities. The Press of West Texas has suffered a great loss in her death. Lacking a few weeks of being 60 years of age, no person ever lived a life of more compact usefulness than did Mrs. Guest. Aside from her newspaper work she was active in the church, all community movements and was devoted to the interests of her home.

## THE CHURCH OF CHRIST

Services for Sunday, April 8. Bible Study 10 a. m. Preaching and worship 11 a. m. Subject: The Temptation of Jesus. Preaching 8 p. m. Subject: The Paralytic. Our spring meeting is scheduled to begin April 22. Kermit Upshaw, minister of the Church at Lovington, New Mexico, will do the preaching in this meeting. Further announcements will be made later with respect to the time of each service and the length of the meeting. We cordially invite you to attend this meeting. Albert Smith, Minister.

Barney Hale of Croton, was transacting business in our city Tuesday.

## Workers' Meeting To Be Held At Midway

The next Fifth Sunday meeting of the Dickens County Baptist Association will be held with the Baptist church at Midway, beginning Friday night, April 27th. Midway extends a cordial invitation to everybody to be present for this meeting. Rev. C. L. Edwards, pastor of the church, stated that they wanted everybody to have an enjoyable time. The following is the program outline:

Friday Night, April 27th  
7:00—Devotional by Russell Williams.  
7:30—Sermon by J. V. Bilberry.  
Saturday Morning, April 28th  
9:45—Devotional to be arranged.  
10:00—"Origin of the Church" by J. W. Grizzle.  
10:30—"Ordinances of the Church" by M. F. Ewton.  
11:00—"Perpetuity of the Church" by A. P. Stokes.  
12:00—Lunch.  
1:30—Devotional by L. G. Crabtree.  
2:00—"Mission of the Church" by W. B. Bennett.  
2:30—"Was There Ever a Commission Given to a Woman in the Church" by H. T. Harris.  
3:00—"The Marriage of the Bride" by H. L. Burnam.  
7:00—Devotional, by Johnnie Baxter.  
7:30—Sermon by Victor Crabtree.  
Sunday, April 29  
10:00—Lecture on Sunday School Lesson by Harvey Draper.  
11:00—Sermon by L. S. Bilberry.

## Shugart's Studio Here This Week

Mr. and Mrs. L. A. Shugart and two children arrived in Spur Sunday and will be here for some time doing studio photograph work. They have rented the building just north of the Safe-Way Store where they are adequately prepared to accommodate their customers.

They arrived here from Stamford. They have been to Spur many times in the past and have a great number of friends in this community. Usually they do their studio work in their large car, but they thought best to make other arrangements this time and can be found first door north of the Safe-Way Store.

## "Dinner At Eight" Boasts Sensational Million Dollar Cast

Marie Dressler! John Barrymore! Wallace Beery! Jean Harlow! Lionel Barrymore! Lee Tracy! Edmund Bruce! Billie Burke. Madge Evans! Jean Hersholt! Karen Morley! Phillips Holmes!

These are the names in the amazing aggregation of stars who appear together in Metro-Goldwyn-Mayer's sensational picture, "Dinner at Eight" which opens Monday at the Palace Theatre as the most remarkable picture filmed in the last decade.

The picture is based on the play by George S. Kaufman and Edna Ferber, which ran on Broadway for more than a year. It describes the emotional experiences of a heterogeneous group of people, who are brought together at a dramatic party.

Shifting its focus from one angle to another, the camera picks out a retired musical-comedy star, a ship-builder facing bankruptcy, a "washed-up" matinee idol on the verge of suicide, an unscrupulous millionaire and his faithless wife, a Broadway theatrical agent, a philanthropic young doctor, a Park Avenue hostess, a cook with a toothache. Each of these individuals has his or her own emotional conflict and then they are brought together in one blasting dramatic climax.

This million dollar cast, comprising most of the outstanding stars in Hollywood, sets a new record for lavishness in film entertainment. It has never happened before, and in all likelihood it will never happen again.

## Notice Ex-Service Men

Boyd M. Williams Post American Legion, Spur, Texas, 4-3-34.  
Dear Buddy:  
Friday evening, April 6th, there is to be a special service at the First Christian Church in Spur, at which time a special sermon will be delivered by Rev. R. C. Brown, an ex-service man, for ex-service men. You are cordially invited to assemble at the Legion Hall, Campbell Building, at Spur about 7:30 p. m. We will go from the hall in a body to the church. We would like very much to have all the ex-service men in this country present at this service. Come on time and bring any ex-service men you know with you.

By order of Boyd M. Williams Post, American Legion, in regular session Monday night, April 2nd.  
Sincerely yours,  
The Commander.

W. F. Foreman, our efficient County Commissioner for Precinct 3, was looking after business matters here Monday.

## ATTENDS INDUSTRIAL MEET

O. C. Arthur, Paul Aiken, Mrs. Kate Senning, Misses Adelaide Senning, Johnnie Marsh, Dot Slough and Evelyn Richter, were in Lubbock Tuesday attending a meeting in regard to the new relief program. The C. W. A. Work has been suspended in most cases and a new program is being instituted for the future.

## Educational Assn. Holds Meeting At McAdoo Tue.

The Dickens County Educational Association held their regular meeting at McAdoo Tuesday evening. After the opening the meeting divided into sections for the purpose of discussing school problems appropriate to each section.

At the general assembly, Judge Brummett made a talk on the necessity of regular board meetings and the importance of keeping the minutes. Mrs. Twaddell, County Superintendent, made a plea in behalf of Elaine Parks, stating that she and Miss Richter had secured from the State a promise of \$400 provided the amount is matched by a similar amount. It was decided to ask each school child in the county to contribute ten cents each to help this little girl to be cured.

The association went on record as endorsing the work of Mrs. Twaddell in building up the schools of the county. She was commended very highly for her work with the schools, emphasizing that she has worked for every school in the county and has put her very life into the interests of the schools.

It was decided that the association send telegrams to our senator and representative urging them to appropriate money to carry on the schools.

## Attendance Record Broken At Palace

On Friday of last week an all time attendance record was established at the Palace Theatre during the showing of "Birth of a Nation." It was estimated that something over 900 people saw the picture during the matinee, mostly school children who took advantage of Mr. Everts' offer of admittance for five and ten cents. Several of the rural schools declared a half holiday and the classes attended in a body. Those reporting 100 per cent attendance were: Wilson Draw, Steel Hill, Spring Creek and rooms 5-6-7 from Dry Lake. A Theatre Party is being planned for these schools in the near future.

## Trustee Election To Be Held Saturday

Spur Independent School District will have two trustees to elect in the Saturday election. L. E. Lee, president of the school board, is going out and refuses to consider being a candidate for another term. Dr. P. C. Nichols, who has been on the board for the past two years, is the other member whose term is up.

The election will be held in the Directors Room of Spur Security Bank. C. F. Applegate will act as election judge for the trustee election. Regular voting hours from 8:00 a. m. until 6:00 p. m., will be observed. Another election will be held at the same place the same day. J. P. Simpson will act as judge of this election which will give the people an opportunity to vote on the assumption of the Spur school bonds.

## New Beauty Parlor To Open Saturday

Miss Thelma Gilstrap, of Dickens, and Miss Julia Shockley of Spur, are installing equipment this week and will open a beauty parlor Saturday. The new business will be located in Spur's variety store where they have a nice private room and a complete line of new equipment. Misses Gilstrap and Shockley received their training at Sherrill's Beauty school in Lubbock, and both have diplomas from that institution. They invite the people to visit them, and your attention is called to the advertisement in this issue of the Times.

## NOTICE, TYPEWRITER OWNERS

I am making Spur headquarters of my district for repairs on typewriters, adding machines and cash registers. If your machine needs repairing call 30 and I will see you soon.  
R. E. DuPriest.

## THE CHURCH OF THE NAZARENE

Corner Third and Williams Sunday School at 10:00. Preaching at 11:00. Evening Services 7:45. Prayer meeting Thursday evening at 7:45. You are invited to attend these services.  
J. R. Hodges, pastor.

## Seed Loan Office Is Opened Here

The Times has just received word that an emergency crop loan office has been opened at the Chamber of Commerce building, in Spur, and farmers desiring loans should apply between the hours of 9 a. m. and 5 p. m.

According to the regulations under which the crop loans are to be made this year, any farmer who secures a loan must obtain a statement from the county production council, where one exists, that he does not intend to increase his acreage or production in violation of the Agricultural Adjustment Administration program.

In counties where a county production council has not been set up, before any application for a loan will be considered the farmer who is applying will have to give satisfactory evidence that he is co-operating with the production control program of the Agricultural Adjustment Administration.

The maximum amount of an emergency crop loan that may be obtained by any one individual is \$250 the minimum is \$25.

Applications for loans in any amount from \$25 to \$150 may be accepted by the emergency crop loan office provided the farmer does not have sufficient security to obtain a loan elsewhere.

A farmer applying for \$150 or more must first make application to the Production Credit Association for a loan from it. Rejection of this application by the Production Credit Association will be considered sufficient evidence that other credit is not available and the applicant may then make application to the emergency crop loan office.

The period for taking applications expires April 30, 1934. Farmers wishing a loan should apply immediately.

## Young Democrats To Meet Tuesday

The Young Democratic organization of Dickens County will hold a meeting at the Chamber of Commerce building in Spur next Tuesday evening for the purpose of planning a banquet in May and transacting other business. All persons under the age of forty years are eligible for membership in this organization and you are requested to be present Tuesday evening at eight o'clock.

## IMPROVEMENTS ON M. E. CHURCH LOT CONSPICIOUS

The members of the First Methodist Church are making some very helpful improvements about the church grounds. Along the north side of the lot they have put down concrete walk about half way across and have form ready for most of the remainder of the walks ready. The sand and gravel is on the ground and it will not be long until the walk will be completed.

There has been a very generous clean-up in the little park just east of the church which has added much to the appearance of the grounds. The little grove of trees are greening up and look very beautiful at this time.

S. M. Newberry, of Afton, was transacting business in our city Monday.

Miss Sylvia Mays visited Miss Anna Fay Wynkoop Sunday.

Mrs. D. M. Morgan, reporter.

Elmer Shugart, of Red Hill, was trading and attending to other business here Saturday.

Mrs. Hancock, of Jayton, was in our city Monday doing some shopping.

#### LOANS TO BE CLOSED IN BOND INSTEAD OF CASH

Albert C. Williams, General Agent of the Farm Credit Administration and President of the Federal Land Bank of Houston, announced Monday that in accordance with the plan announced by Governor Wm. I. Myers of the Farm Credit Administration at Washington, D. C., the Federal Land Bank for itself and as agent of the Land Bank Commissioner will now close loans in bonds of the Federal Farm Mortgage Corporation, instead of in cash. The Federal Farm Mortgage Corporation was expressly organized to provide for the continuance of the farm debt refinancing activities by the Farm Credit Administration last spring, and the corporation may issue \$2,000,000,000 of its bonds for that purpose.

Federal Farm Mortgage Corporation bonds are unconditionally guaranteed by the United States Government both as to principal and interest, and are "exempt from all Federal, State, municipal and local taxation, except surtaxes and estate, inheritance and gift taxes." In addition to the guarantee of the government—these bonds will have back of them the capital of the Federal Farm Mortgage Corporation which amounts to about \$200,000,000, consolidated bonds of the Federal Land Bank issued in exchange for the bonds of the Corporation, and the mortgages accepted by the Land Bank Commissioner as security for loans. These bonds are lawful security for fifteen-day borrowing by member banks of the Federal Reserve system. They are also lawful investments for all trust, public and fiduciary funds of which the deposits or investments

is under the authority or control of the government. Bonds of the first issue are dated March 15, 1934, and bear interest at the rate of 3 1/4 per cent per annum.

"The Federal Land Bank of Houston will continue to make every effort to expedite the consideration of applications and the closing of eligible loans to Texas farmers and stockmen," said Mr. Williams. "Land Bank Loans and Commissioner's loans will be closed in the same manner as heretofore excepted the applicants and creditors must accept bonds instead of cash. The bonds will be issued in denominations of \$100, \$500, and \$1000; however, amounts less than \$100.00 will be disbursed in cash. In addition, to provide for debts such as taxes which cannot be paid in bonds, cash covering the required amounts will be provided."

Applications which have been approved for loans by the Federal Land Bank and the Land Bank Commissioner, but on which cash has not been paid out, as well as those loans approved by the bank in the future, will be financed on this basis. This arrangement in no way disturbs or alters the other provisions of the loans.

Mr. Williams stated that the bonds of the Federal Farm Mortgage Corporation are an attractive investment. It is expected that they will be quoted in all of the principal markets

and will be as readily marketable as bonds of the United States Government. Holders who find it necessary to dispose of these bonds should not sell them without first ascertaining their real market value.

Prof. McCarty, of Duncan Flat school, was looking after business matters here Saturday.

Mr. and Mrs. W. A. Harris, of Es-

puela, were looking after business matters here Monday.

J. M. Jackson, of Roaring Springs, was transacting business and greeting friends in our city Monday.

#### SUNDAY DINNER SUGGESTIONS

By ANN PAGE

UNFAVORABLE as weather conditions have been over much of the country, our winter growing sections have had the kind of weather necessary for producing fine fresh vegetables and strawberries. Never have the supplies of cabbage, cauliflower, broccoli, cabbage, green beans and peas, beets, carrots, celery, lettuce and tomatoes been finer or more plentiful. The asparagus season is expected to begin next week, nearly three weeks earlier than usual.

The prospects for fresh fish are none too bright, though available supplies plus the salt, smoked and canned varieties will be sufficient to meet all demands. Eggs continue to drop in price and cheese continues inexpensive. These foods combine well with macaroni, spaghetti and noodles to make satisfying Lenten dishes.

The Quaker Maid suggests the following Sunday dinner menus.

#### Low Cost Dinner

Roast Stuffed Shoulder Lamb  
Boiled Rice Creamed Carrots  
Bread and Butter  
Baked Bananas

#### Medium Cost Dinner

Baked Slice of Ham with Apple Rings  
Mashed Potatoes Browned Parsnips  
Green Onions Celery  
Bread and Butter

#### Very Special Dinner

Stuffed Celery  
Baked Half Ham Candied Yams  
Creamed Cauliflower  
Lettuce and Tomato Salad  
Rolls and Butter  
Apple Pie a la Mode  
Coffee Milk

## The Times Office

**TECH HOLSTEINS MAKE RECORD SHOWING**

The registered Holstein herd at Texas Technological College, after

242 days of its annual production test is making a record showing, according to a report given by the Holstein-Friesian Association of America. The herd has averaged 1.4 pounds of fat per cow daily, which is more than three times the yield of the average cow.

Flowerdale Echo Coronis Alta is the leading cow with a credit of 422.2 pounds of butter fat and 14,199.4 pounds of milk. Her stable-mate, Tech Creamelle Hartog, is crowding this record with a yield of 416.2 pounds of fat and 10,983.7 pounds of milk. Tech Alcartra Fayne has also crossed the five-ton milk mark and has credit for 349.6 pounds of fat.

A. C. Martin of Afton, was attending to business affairs in our city Wednesday.

**Tech Engineer Show To Be April 13-14**

Work on the sixth annual engineering show to be given at Texas Technological College April 13-14 is rapidly advancing, according to Jim Frank Potts, manager. "A record attendance is expected again this year," he said, "for the Interscholastic League Meet will be held on the campus at the same time."

A working caustic soda plant will be shown in operation by chemical engineers. The importance of controlled flow of reacting fluids and the process of handling simple reactions and precipitates will be explained in the exhibit.

Other projects not on exhibit last year include: the relief map of West Texas which is returning from the World's Fair in Chicago; a model of Hero's turbine made in Alexandria, Egypt, in 120 B. C., contrasted with a modern small scale gasoline engine; a geologic clock 9 feet in diameter; a new collection of mineral ores; new developments in architecture and art, including Fairchild's recently completed mural in the engineering building; another relief map, made by the civil engineers of the Lubbock county park; and the recently installed printing plant in the basement of the engineering building.

Sixteen hundred Texas Tech emblems woven in cloth will be given away by the textile department. Corn cobbles and small blue prints will also be given as souvenirs to each visitor by the mechanical engineering and drawing departments.

HIGHWAY (Delayed from last week.)

We greatly appreciate the fine rains of the past week. We have a fine season for gardening and early planting.

Bob English is in Lubbock this week taking treatments from the doctors there.

Mr. and Mrs. Orville George, Mr. and Mrs. Bob Hahn attended the Workers' Meeting at Dry Lake Friday.

Mrs. Hugh Denson made a business trip to Lubbock on Wednesday of last week.

Mrs. Twaddell visited our school last Thursday.

Rev. Meacon of Lubbock visited the school last Wednesday afternoon and made a fine talk on "Our Aim in Life." Rev. Porterfield also came over from Dickens and entertained with some music and songs. After the program, we enjoyed the ball games.

Several of the parents and others of the community spent the afternoon at the school.

We are very proud of our school and feel very appreciative of the work the teachers are doing. The interior of the school building is being repainted.

Bob Hahn made a business trip to Dickens Monday.

Mr. and Mrs. Alton Estep were spur visitors Saturday.

Mr. and Mrs. J. M. Hahn visited in Swenson Wednesday and Thursday of last week.

Rev. Harvey Draper and wife attended the Workers' Meeting at Dry-Lake Friday.

Mr. and Mrs. Will Smith visited Sherrod Smith and family near McAdoo last Sunday.

Marvin English of Roaring Springs has been here visiting his father, Bob English the past week. The elder Mr. Let's be on time for Sunday School next Sunday.

—Reporter.

**Tech Summer Term Offers Large Number of Courses**

Lubbock, Texas, April 2.—"The largest number of instructors and courses of all summer school sessions will be offered at Texas Technological College for this summer session which begins June 7," announced Dean J. M. Gordon of the division of arts

and science. "This will not only be the largest number of courses, but also the most diversified. Vocational certificates in agriculture and home economics and a general science survey course, appealing to general science teachers in high schools, are among the courses offered."

The annual Texas Tech coaching school, July 30-August 11, and the Curriculum Conference, July 23-24-25, will be held at the college.

Artist course numbers include "Mr. Pim Passes By," presented by the Chicago Art Institute under the personal direction of Dr. Gresin, and the Brownell-Kalayjian number which was here last year.

Carlsbad Caverns will be visited July 7, with special bus rates and free admission to students making the trip. Picture show and theatre concessions will be made for the students, as well as special golfing rates.

Fees amount to \$15.00 each session. This included the uniform state fee of \$10.00, medical fee of \$1.50, recreation fee of \$1.00, and the general deposit of \$3.00, which is returnable.

**TWO TEXAS TECHNOLOGICAL PICTURES RETURNED**

After more than a year's tour of the United States, two Texas Technological College students pictures have been returned by the College Art Association of New York City.

"These are Everett Fairchild's 'California Poppies,' and John Foster's study in colored pencil," Prof. F. A. Kleinschmidt, head of the department of architecture and allied arts, explain-

**APPOINTED MEMBER OF STATE REHABILITATION BOARD**

President Bradford Knapp of Texas Technological College has been appointed a member of the Texas State Rehabilitation Advisory board by Adam R. Johnson, state relief commissioner, as a result of a recent trip to Atlanta, Georgia, where he conferred with State and Federal relief commissioners.

Dr. Knapp attended the board meeting in Austin March 29.

Rev. J. V. Bilberry returned the last of the week from New Mexico where he did the preaching in a revival meeting.

Mr. and Mrs. Ennis Moss, of Roaring Springs, were in our city the last of the week doing some trading.

J. T. White, west of Dickens, was transacting business in our city Saturday.

Rev. C. L. Edwards, Roaring Springs, was greeting friends and trading in our city Monday.

J. F. Ragsdale, of Elton, was attending to business affairs in our city Monday.

Vance Hughes of Soldier Mound, was transacting business in our city Monday.

M. K. Lawson, of Afton, was looking after business affairs in our city Monday.

M. E. Tree, a good farmer of Highway, was attending to business matters in our city Monday.

J. M. Hahn, of Dry Lake, was greeting friends and trading in our city Monday.

M. E. Franklin, of Afton, was attending to business matters in our city Monday.

C. G. Miller, of Roaring Springs, is in our city this week visiting relatives and greeting friends.

C. E. Gunn, a former merchant of Roaring Springs was greeting friends in our city Monday. He is one of the pioneer business men of West Texas.

**McADOO**  
Rev. and Mrs. Hood returned home Thursday night after spending several days at the bedside of his mother. Rev. Hood's mother died Tuesday and was buried Wednesday. Rev. and Mrs. Hood have the sympathy of the entire community.

Daisy Barton of Morton, Texas, visited friends here last week.

Miss Fayma McLaughlin and Mr. Lee Watson were married recently. Congratulations and best wishes to the newly weds.

Mrs. A. M. Lay entertained her Sunday School class Friday night

with an Easter party at her home. A very enjoyable time was reported by all those present.

Miss Buelah Mae Phifer, student of Tech College spent the Easter holidays with her parents, Mr. and Mrs. Phifer.

Mr. and Mrs. J. R. Roberson and Jimmie Nell attended the funeral of Miss Anna Mae ale at Afton Friday afternoon.

Leatrice Sparkman who has been working at Leveland is at home with her mother at present.

Mrs. Ivy Brown was shopping in Croton, Thursday.

The Grammar school students enjoyed an Easter egg hunt Friday. Upon returning to the school house from the egg hunt, Mrs. A. M. Lay served a meal with ice cream.

Dudley Wooten, student of Texas Tech was at home with his parents, Mr. and Mrs. R. R. Wooten, during the Easter holidays.

Mr. and Mrs. Phifer and Buelah Mae visited Mr. and Mrs. T. L. Dozier and family Sunday afternoon.

A large number from here attended the Dickens County Singing Convention at Dickens Sunday afternoon, April 1.

Mr. and Mrs. Norman Eldredge entertained with a party Friday night. A large crowd was present and a good time was had by all.

R. R. Wooten was in Spur Thursday.

Mrs. C. C. Neely and Edith entertained with a miscellaneous shower Saturday afternoon, March 30 at their home in honor of Mrs. Carney Rob-

erts. Mrs. Roberts received a large number of lovely gifts.

Fred Dozier of Afton, spent the week en dwith his uncle T. L. Dozier and family.

Jack Deer, son of Mr. and Mrs.

Jim Deer, was carried to the Nichols Sanitarium at Spur the first of this week for an eye operation.

McAdoo young folks went on an Easter picnic Sunday afternoon at Silverfalls.

### Chatter Brings Them Fame

These three women dash from their kitchens five mornings a week to a microphone and a listening audience of thousands.

**WOMAN'S** idle talk isn't always to be derided! Not when you consider that three young married women have made a successful radio career of this pastime. . . a unique career built of chatter about Junior's tonsils, the price of carrots, and how to take spots off a leather coat.

They call themselves Clara, Lu 'n' Em, these three women who turn the commonplace events of the day to such unusual purpose. And, five mornings a week, a radio audience from coast to coast eavesdrops, as it were, upon their backfence exchange of comment and gossip.

Leading simple, suburban lives themselves, Clara, Lu 'n' Em are right at the source from which they build their morning programs of tri-cornered conversation. As Mrs. Paul C. Mead, Mrs. Howard Berolzheimer, and Mrs. John Mitchell, all of Evanston, Ill., they keep house

for their husbands, belong to sewing clubs, and take an active part in the community life around them. But being gifted with unusual powers of observation and interpretation, they are able to project the ordinary happenings of the day so that thousands of persons enjoy their chit-chat, as much as they enjoy talking with one another.

The trio write every line of their material, preparing it day by day, as Clara, Lu 'n' Em live. Unlike conventional performers, they have no scripts written ahead for convenience sake. And, stranger still, their sponsors, the makers of Super Suds, do not hear the show before it goes on the air. The girls arrive at the NBC studios in Chicago, from which they broadcast, just a half hour before they go on the air, run through a quick rehearsal, to which only Jean Paul King, the announcer, listens, and then "tell all" on the air.

### LITTLE MISS ANN HULL ENTERTAINS

Celebrating her third birthday and the Easter season, Little Miss Ann Hull was hostess to the tiny tots on Saturday afternoon of the past week. Many attractive gifts were received by the little hostess, and each guest was presented with a basket which was soon filled with the colorful bunny eggs. Frozen custard cups were enjoyed by the tots after the play hour.

The invitation list included: Girlene Joy Dillingham, Elsie Paterson, Iris Maurene Smith, Ernestine Berry, Creola Rector, Marion Paul Speer, Sarah Sample, Gene Granberry, Jenna and Elberta Lynn Dunwoody, Nippy McNeill, Doris Wylie, Doris Gibson, Ernest Lee, Jr., Neal Chastain, Buddy Johnson, Larry Robert Burrow, Billie D. Starcher, Cash Caraway Wilmon, Mac Brannen, Patrick Watson, Mac Wilson, Jr., Sharon Campbell and Juan and DeJohn Rickles.

### KNIGHT TEMPLARS HOLD EASTER SERVICE AT MATADOR

The local Commandery of Knights Templar cooperated with Sir Knights of other places in their annual Easter services at Matador Sunday evening. There were 22 Sir Knights who attended the services for the evening, many members of the local Commandery living at Matador.

The services were held in the First Methodist Church. Excellent music was rendered and a very appropriate sermon was delivered by the Methodist pastor at Matador.

The Commandery here was opened in regular form and then the Knights went to Matador. Those going from Spur were: T. C. Ensey, L. E. Lee, H. P. Gibson, J. L. King, Albert Power, L. H. Perry, J. P. Carson, Jack Rector and W. R. King.

### NOTICE

SPUR MOTOR COMPANY 1te

The organ was invented by Ctesibius of Alexandria about 200 B. C., but it did not come into common use until about 1500 A. D.

### WINNER OF STOCK PRIZE IS DEAD

Jim Farley of Groom, youthful winner of the grand champion of baby beef and meat show at the Lubbock Quality Meat Show last Thursday, died Saturday, two days after his honors were announced.

Young Farley was 14 years of age and had been in an Amarillo hospital for several weeks and had just undergone a second operation when the news of his success reached him. He made a determined effort to rally from the operation. His calf was grand champion winner at the Amarillo show last year.

Sixty two one-pound loaves of bread can be produced from the flour ground from one bushel of wheat.

The word "academy" dates back to the days of the ancients when Plato gave lectures in a grove owned by a man named Academus.

There are 3,008 state divisions called counties in the United States, plus 64 parishes and 26 independent cities, which also have the status of counties.

In the first open season on pheasants for several years, only about 20,000 of an estimated 1,000,000 birds were killed in California, the game commission estimates.

## Boys Be Careful of Your Kites

Kite flying—in close proximity to electric power lines—is extremely dangerous. A damp string or a small wire string coming into contact with an electric wire may result in serious injury.

The wise thing is to fly your kites out of range of electric wires regardless of the type or voltage.

Do not attempt to rescue a kite entangled in electric wires. Notify the office of the West Texas Utilities Company, and our employees will be glad to get it down for you.

Observance of these precautions will eliminate the possibility of serious injury.

## West Texas Utilities Company

SCHOOL DAYS

By DWIG

THE AUTOFISHERMADIG

ENJOYS READING TIMES EACH WEEK

The Times is in receipt of a letter from Mrs. C. H. Perry, of Glendale, California, regarding her subscription. Mrs. Perry states, "we enjoy reading it so much and have lots of fun reading the advertisements. My sister is a Red and White member, so she sent your ad to the Red and White headquarters. They said they got quite a kick out of it. You see fruit and vegetables are so much cheaper here. I haven't seen a 48-pound sack of flour or a 5-pound bucket of lard. Syrup is another scarce article here. Clyde has been working in grocery and vegetable stores ever since he has been in California, so he takes the ads to his place of business, shows them to his customers and salesmen."

DUCK CREEK (Delayed from last week.)

The rains kept Rev. Cox from filling his regular appointment here last Sunday. We missed the services, but were glad to get the rain. The bad weather Saturday did not keep the people from coming to vote on whether to keep the office of County Superintendent. If all the boxes go like this one the office will be continued. E. A. Durham, has a cousin, a Mr. Hunter visiting him from Arkansas. Mr. and Mrs. Sol Thomas spent the week end in Lubbock visiting their children. Mr. and Mrs. Evans went to Lubbock Friday afternoon to see about some repair work on the roof of the garage that had been blown off by high winds. Miss Mary Pearl Hagins, has been quite ill, but is much improved now. Mrs. A. T. Bural, spent Tuesday and Wednesday in Spur with her mother, Mrs. Bennett. Little Bryan Bennett has been quite ill with diphtheria. The teachers at Antelope, Misses Lancaster and McLaughlin, spent the week end in the E. Durham home. Mrs. Evans, reporter.

CROTON (Delayed from last week.)

When it comes to ingenuity, we take off our hat to Luther Harris and Herman Kee. They took a whippet and a chevrolet and made a Push-it. Yes it really runs. Mrs. Sabe Kennedy spent Wednesday in Lubbock. Mrs. Earl Butler and Mrs. J. D. Guyer were in Spur Wednesday on business. Clarence Allison and Volley Wilson of Spur were trading in Croton Wednesday. A fine rain fell Saturday night and Sunday, which made the farmers smile. Roy Cunningham was in Spur Friday on business. Lawrence Graves is spending this week with home folks at Hillsboro. Mrs. J. J. Yourrblood of the Prairie Chapel, community visited her daughter, Mrs. J. W. Offield a few days last week. Mrs. R. E. Rogers visited Mrs. C. E. Butler, Tuesday evening. Mrs. Jim Offield of Prairie Chapel visited Mrs. J. W. Offield Wednesday afternoon. Barney Hale is in Fort Worth having some dental work done. Mrs. J. P. Legg spent Thursday in the Wichita community visiting her mother, Mrs. T. S. Lambert. Ula Merle Morgan is in Cleburne this week visiting his uncle. R. E. Rogers was attending to business in Spur Friday. Mrs. J. A. Legg and son Peyton are spending the week end in Lubbock visiting Mrs. Legg's sister, Mrs. Perrin. H. L. Groner returned Friday night from a visit in Conway, Arkansas. Mrs. Herman Kee and Mrs. Clarence Smith spent Tuesday with their aunt, Mrs. Clarence Butler. Grandmother Rogers of the Wichita community who has been sick for some

time is reported to be better. Mr. and Mrs. Sam Koonsman attended the Style Show at Spur last Thursday night. Mrs. D. M. Morgan, reporter.

Luther Garner, Jr., has accepted a position with the Hale Grocery and will be found there. Mr. and Mrs. John Norris, of Duncan Flat, were doing some trading in our city Saturday. Mr. and Mrs. J. A. Legg of Croton, were greeting friends and trading in our city Saturday. E. J. Bilberry of Soldier Mound, was transacting business in our city Monday.

Prince and Henry

Will make the stand at the P. H. Leatherwood farm. Prince is a thoroughbred Perchaen, 4 years old, black with star in forehead, weight 1,850 lbs, is second to none. Seeing is believing. Look him over. Henry is a black jack mamouth and Maltese, 14 hands high, well built and an awful good breed.

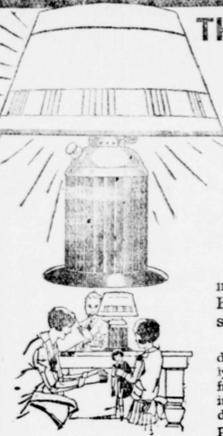

Terms of Service—\$10 when mare is known to be in fold, traded or moved from county. \$12.50 to insure living colt. All care possible in handling Mares, but not responsible for accidents. J. G. Cage, Owner 4 1/2 Miles West of McAdoo

WAKE UP YOUR LIVER BILE— WITHOUT CALOMEL

And You'll Jump Out of Bed in the Morning Rarin' to Go

If you feel sore and sunk and the world looks punk, don't swallow a lot of salts, mineral water, oil, laxative candy or chewing gum and expect them to make you suddenly sweet and buoyant and full of sunshine. For they can't do it. They only move the bowels and a mere movement doesn't get at the cause. The reason for your down-and-out feeling is your liver. It should pour out two pints of liquid bile into your bowels daily. If this bile is not flowing freely, your food doesn't digest. It just decays in the bowels. Gas builds up your stomach. You have a thick, bad taste and your breath is foul, and often breaks out in blemishes. Your head aches and you feel down and out. Your whole system is poisoned. It takes those good, old CARTER'S LITTLE LIVER PILLS to get these two pounds of bile flowing freely and make you feel "up and up." They contain wonderful, harmless, gentle vegetable extracts, amazing when it comes to making the bile flow freely. But don't ask for liver pills. Ask for Carter's Little Liver Pills. Look for the name Carter's Little Liver Pills on the red label. Resent a substitute. Retail drug stores. © 1934 C. M. Co.

Here's the Coleman CENTURY DUO-LITE

THE 2-IN-1 LIGHT

HERE'S the newest in Coleman lights... right up to the minute in modernistic design and attractive appearance. The Century Duo-Lite lights instantly and produces up to 150 candlepower of clear-shining, steady brilliance. Single mantle type. Economical to operate. Equipped with built-in pump.

Metal base handsomely finished in black lacquer with nickel trim. Beautiful decorated parchment shade.

The Century Duo-Lite is a useful, decorative reading lamp that can quickly be made into a lantern by lifting from base, removing shade and inserting a lantern ball. It's a real double-duty light! Genuine Pyrex Glass Globe protects mantles from wind and insects.

"MICKY" AND HIS GANG

NRA SPUR COFFEE SHOP OPEN DAY AND NIGHT

By Sam Iger

**CLUB NEWS**

Clara Pratt, H. D. A.  
ESPUELA CLUB NEWS

The Home Demonstration Club met with Mrs. F. E. Crockett, Thursday afternoon, March 22, to cut the new sleeve patterns and slip patterns from the foundation pattern. Each pattern was cut and discussed and the club plans to be represented one hundred per cent in the dress contest.

Cake and punch was served to the following: Meses. Tom Martin, W. F. Foreman, R. C. McMahon, E. L. Spivey, Roy Johnson; Meses Marcel Greer, Ruth Spivey, Beatrice Spivey and the hostess.

We are glad to have Mrs. Johnson and Miss Greer as new members. The club meets on regular club day with Mrs. Tom Martin.

—Reporter.

**DUCK CREEK CLUB**

The Duck Creek home demonstration club met Tuesday afternoon at the home of the wardrobe demonstrator, Nellie Sue Durham. After the program on "Using our Foundation Patterns" the demonstrator gave a demonstration on the "Ways of Cutting Sleeve Patterns".

The club women planned a forty-two party for Friday night, March 30th for the purpose of entertaining their husbands. Those present at the meeting were Mesdames J. L. Hazins, O. L. Driggers, Vernon Gregory, Griffin, McLaurin, C. A. Bennett, E. Durham; Miss Nellie Sue Durham.

The Club will meet Tuesday, April 3, with Mrs. McLaurin.

—Reporter.

**AFTON WOMEN MAKE FOUNDATION PATTERNS**

Nine foundation patterns were made in an all-day meeting of the Afton women last Thursday when Mrs. R. C. Alexander wardrobe demonstrator in the Prairie Chapel home demonstration club, gave them a demonstration on making foundation patterns in the home of Mrs. A. J. Dozier. She is to be back later and give a demonstration on the use of their patterns teaching them to cut sleeves and slips from their foundation patterns.

A sleeve ironing board for ironing the new type sleeves was on display having been made by Mr. Dozier for the demonstration. Each woman present took the measurements and plans to have one made for her own use. Mrs. Barnes, Clothing Specialist at A and M. College sent directions for the ironing board to each wardrobe demonstrator in the county.

Those making patterns were Mrs. A. J. Dozier, Mrs. E. H. Floyd, Miss Leta Floyd, Miss Minnie Harvey, Mrs. Eula Robinson, Mrs. Margaret Davis, Miss Viola Cavitt, Miss Lora Dozier, and Mrs. Leon Lawson. Others present for the demonstration were Miss May Pearl Smith, Miss Annie Bateman, Mrs. J. N. Haney and Mrs. R. C. Alexander.

**DEMONSTRATOR IS SLEEVE CONSCIOUS**

"I have certainly become sleeve conscious. Every time I see a sleeve I think what type it is cut from," says Mrs. Thurman Moore, wardrobe demonstrator, class II, for the Peaceful Hill home demonstration club, "after making a most difficult, though simple pattern last week I believe I can cut any sleeve I have seen."

"We have given the demonstration on the use of foundation patterns in the club and have two or three more foundation patterns to make before our club is 100 per cent on patterns."

**Breeder-Feeder Outlook Is Good**

Advice from Frank P. Holland, President of the Texas Breeder-Feeder Association bears the welcome news that the Breeder-Feeder movement is to be vigorously pushed the coming year and that an appropriation has been secured to provide exhibits at the State Fair this fall which will serve to encourage a more widespread practice among Texas farmers and farmer-stockmen to feed on the farms as many cattle and lambs as the farm feed supplies will justify. President Holland has made it clear that this farm feeding movement is a definite outgrowth of conditions which have

been slowly developing over a number of years. When Texas begin shipping up to a million cattle a year to the feedlots of the north and middle west it was not known that 60 million bushels of sorghum, worth pound for pound as much as corn could be produced on Texas farms with certainty and economy, and our present highly productive corn varieties had not been developed, nor was it known that championship fed heaves could be produced in Texas feedlots. In fact there seems to have been a fixed belief that the magnificent feeder cattle and lamb grown in Texas should be sent away somewhere outside of Texas to be finished for market, butchered and returned for Texas consumption.

A series of epochal developments have served to change these conditions. Dr. ark Francis of the Texas Experiment Station developed a method of immunizing cattle against tick fever which resulted in the eventual practical elimination of the tick as an injurious pest of Texas livestock. The grain sorghums and Sudan grass were introduced into Texas and purified and improved by the Experiment Station until very high yields of grain and forage are possible in almost all sections. Dr. Mark Francis of the Texas Feed Control Service set at an early date a high standard of excellence for Texas cottonseed meal and it is rated the best in the world for inclusion in fattening rations. Numerous grading and forage crops were developed that

make good feeding rations available in Texas for a very reasonable outlay. Systematic training of young stockmen in the boys club work and in the schools and colleges soon developed skilled feeders and club boys began to get championship honors at the National Fat Stock shows. The chemists and nutrition specialists have worked out a very accurate elevation of the whole gamut of feeding stuffs so that rations can be properly balanced in protein and mineral contents as well as in the other productive values and easily prepared so that animals placed on feed in Texas feedlots have consistently made gains that are quite as satisfactorily and often more satisfactory than in any other feeding section.

It is not surprising therefore that when Mr. Holland started his Feeder Breeder promotion six years ago he had little difficulty in interesting enough cattle and sheep raisers to the point where a large number of animals began to go on feed in Texas feed lots. In the season of 1932 some 200,000 beef cattle were on feed in Texas in addition to a large number of lambs. This advance was somewhat checked last year, due to a considerable disarrangement of financial support for such development but the prospects seem excellent for the fall season of 1934 to see more animals go on feed in Texas feed lots than have ever gone there before. Now is a good time to plan for needed acreage of

Sudan and sorghum and other feed that will enable you to feed out your stuff this fall with the least possible cash outlay. It is also a good time to get your eye on some nice "feeder stuff". A stiff grazing period in the summer is a good prelude for the fall feed lot schedule.

Frank Holland has made an outstanding contribution to this most desirable trend in the use of the land

and opportunity which throws open a profitable venture for thousands of farmers and stockmen with plenty of time and feedstuffs and animals, who seem only to have been waiting for leadership to cause them to embrace a program such as has enriched every people who ever followed it intelligently. In fact all of the forces that are contributing to the success of the Breeder-Feeder program in Texas only needed leadership and co-operation

and a greater contribution has been made to the permanent prosperity of Texas farm and ranch life than made by Mr. Holland in visioning this program and patiently piloting the various forces in coming together to establish an enterprise that means many millions of dollars in added wealth from our livestock output as well as pleasant and profitable employment for thousands of farmers and livestock producers.

**Pain Passes Off**

When your head aches; when Neuralgia tortures you; when Muscular Pains make you miserable—take a Dr. Miles' Anti-Pain Pill.

Mr. Smith is one of millions who have found this easy way to prompt relief. He says—  
"I keep Dr. Miles' Anti-Pain Pills in my pocket and when I get a dull heavy feeling in my head, I take a Dr. Miles' Anti-Pain Pill and the pain passes off."

**The only low-priced car with fully-enclosed Knee-Action Wheels and what a difference that makes in performance and dependability**

**Simple as a Shock Absorber!**

Chevrolet's "fully-enclosed" Knee-Action is in reality, a gigantic "shock absorber," built solidly on Chevrolet's big, heavy frame, with the front wheel anchored to the "shock absorber" arm. The result: When the front wheel comes in contact with a bump or hole, it rises or falls to absorb the shock.

**CHEVROLET** In a Chevrolet, you not only get the gliding ride at its best, you also get several other Knee-Action advantages not found in any other low-priced car! The reason: Chevrolet's Knee-Action is of a very special kind. The patents on it are held exclusively by General Motors. In this construction, the coil spring, which is the heart of the mechanism, is safely and solidly enclosed in a heavy steel housing to keep out dirt and flying stones. What's more, the design of this type is such that the steering mechanism is completely divorced from the spring action, the result being a new and welcome type of shock-proof steering.

Admittedly these "fully-enclosed" Knee-Action wheels are more expensive to produce than other types. But Chevrolet feels that the extra satisfaction thus assured for Chevrolet owners is well worth the extra manufacturing cost. And this same attitude is responsible for the presence of many other "fine-car" features in the new Chevrolet: the large, roomy Fisher body. The new Y-K frame. The cable-controlled brakes. In fact, everything about this automobile reflects Chevrolet's well-known policy: to build the most cars, by building the best cars of low price!

**LUNCHEON**

Last Thursday, March 29, Mrs. B. C. Langley opened her home at the Experiment Station to some of her friends for a covered dish dinner. The guests arrived at the appointed hour which was twelve o'clock. The dining room was artistically decorated in Easter motif. The Easter lily donned the buffet while the dining table was cheerfully decorated with Easter baskets of eggs and an Easter rabbit with place cards of the same design.

The luncheon was served in three courses. The afternoon was spent in sewing and talking.

Those enjoying the occasion were: Mmes. Sam Z. Hall, F. W. Jennings, D. L. Granberry, R. E. Dickson, P. C. Nichols, James B. Reed, Roy Stovall, Clifford Jones and the hostess.

**How Much Land "To Live At Home"**

Permitted by cotton and wheat acreage reduction contracts to use Government rented acres to produce food and feed for family and workstock, if other land is not available or is not enough for this purpose, scores of thousands of Texas farmers are puzzled about how much land this will be.

As outlined in the Texas A. and M. College Extension Service living-at-home demonstration, an average of 25 acres would be required for this purpose if the family has five members and the workstock consists of two animals. From the following list of animals feed requirements, however, every farmer can figure out the problem for himself.

For each horse or mule allowed 50 bushels of corn or similar grain, 2 tons of hay and 1 acre of improved pasture, such as sudan grass. For each dairy cow allowed 25 bushels of corn or similar grain, 2 tons of hay and 1 acre of improved pasture. For each head of beef cattle provide 10 bushels of corn or similar grain, 1 ton of hay and 1 acre improved pasture. For each hog raised provide 14 bushels of corn or similar grain and 1-8 acre of improved pasture. For each sheep provide 2 bushels of corn or similar grain 120 pounds of hay and 1-4 acre of improved pasture. For each hen allow 1 bushel of corn or similar grain, and for each turkey raised 1-2 bushels of corn or similar grain.

If a farmer is providing for four horses, two dairy cows, 50 hens, and is fattening a beef steer, two hogs

**SOCIETY**

**1931 STUDY CLUB**  
 The 1931 Study Club met with Mrs. Sam Z. Hall as hostess April 3. Mrs. Jerry Ensey, as leader, talked on native tribes of Africa. Mrs. A. C. Hull gave a talk about ivory and rubber industries, and a story of Africa was told by Mrs. F. G. Collier.

There were fourteen members present. Delicious refreshments were served.

**1933 STUDY CLUB**  
 The 1933 Study Club met Tuesday, April 3rd, with Mrs. Charlie Powell as hostess. After the business session the following program was given with Mrs. Horton Barrett as leader.

Book Review, "The Store".  
 Roll Call—Noted Authors.  
 The Store—Mrs. R. C. Crockett.  
 Reading—Mary Catherine Patter-

son.  
 The next meeting will be April 24, with Mrs. Frank Watson.

**ENTERTAINS AT BRIDGE**  
 Mrs. H. O. Everts entertained some of her friends last Thursday afternoon at 3:00 o'clock with bridge.

The house was decorated in spring motif blossoms of peach and pear. Score pads and tallies were of spring designs. Players at eight tables of bridge were served lovely refreshments of bread and butter sandwiches, chicken salad, pea pickles, devils food cake, olives and iced tea.

Mrs. F. W. Jennings received high score and was awarded a pewter candle holder. Mrs. N. A. Chastain made high cut and received an elevated flower vase.

Those enjoying the afternoon occasion were: Mesdames Roy Stovall, A. M. Lay, R. R. Wooten, F. W. Jennings, W. D. Starcher, Nellie J. Davis, Charlie Powell, Kate Senning, L. D. Ratliff, Murray Lea, Oran McClure, Bynum Brittain, C. L. Love, E. F. Laverety, M. C. Golding, J. F. Sample, Dan

**Introducing Ma Perkins**

**EVERY** afternoon except Saturday and Sunday comes a break in the endless chain of household tasks. Thousands of women drop whatever they are doing. Thousands of radios snap on. Ma Perkins is on the air.

It's hard to tell why so many women listen to Ma Perkins' program. Perhaps it's because "Ma" never preaches or tells them how to do this and that.

But it's more likely because Ma Perkins has come to be a friend. She is as much a part of the life of millions of women as Mrs. Jones or Mrs. Smith across the street. She's real.

And so, "Ma's" struggles to support her children, to keep her house going, and run the lumber business left her by her husband, have become their struggles, too.

Perhaps in that common bond of sympathy between Ma Perkins and these women lies the real secret of her popularity—of housework forgotten for fifteen minutes, five afternoons a week, in millions of homes throughout the country.

Ma Perkins is on the air every day but Saturday and Sunday, at these times, over NBC stations: For the East, 3 to 3:15 (Eastern Standard Time).

For the West, 3:30 to 3:45 (Central Standard Time); 2:30 to 2:45 (Rocky Mountain Time) and 1:30 to 1:45 (Pacific Coast Time)—except KSD, St. Louis, 2:00 to 2:15 (CST).

and two sheep, he would need 342 bushels of corn or grain sorghum or similar grain, about 13 tons of hay, and about 8 acres of improved pasture, if he is to have plenty of feed. At the rate of 20 bushels of corn per acre and two tons of hay per acre this would require 17 acres of corn or grain 2 acres of hay and 8 acres of pasture, a total of 27 acres. In addition, for home food supply, an extra 3 acres would be required for garden, orchard and peas, melons, potatoes and cane for syrup.

If the farmer in this case has provided none of these requirements in the past he will be permitted by cotton or wheat contracts to take 35 rented acres for this purpose. If he has previously had only 20 acres available for this living at home he will be permitted to take 15 rented acres to complete the 35 acres needed. If he has had 35 acres for living at home, and needs no additional land for the purpose, the contracts do not permit him to take any rented acres at all for home use.

In this latter case the farmer might plant rented acres to permanent pasture or to soil erosion prevention crops, or to cover crops to turn under for soil enrichment, or to trees.

J. Robinett, of Kalgary, was greeting friends and trading in our city Monday.

Albert Smith, minister of the local Church of Christ, returned the last of the week from Lovington, N. Mex., where he had been in a series of revival services.

Mrs. V. J. Campbell and daughter, Miss Thelma, and a son, were in Lubbock Monday where Miss Thelma went through a clinical examination. The doctor reported that the vertebral wound in her neck was in perfect condition and she would recover and be as well as ever.
