Mrs. Cash Wilemon won high score, and Mrs. Weldon Grimes received low. The guests were: Mesdames Jim Sample, Jack Rector, Bullock Tillotson, J. T. Wylie, A. C. Hull, Sam Clemmons, Weldon Grimes, Cash Wilemon, D. H. Zachry, Mack Wilson, and Miss Jane Douglas Wilson.

### 1917 STUDY CLUB

The 1917 Study Club met in the home of Mrs. Geo. M. Williams, Tuesday afternoon, Sept. 18, at 3 o'clock. A very interesting program was led by Mrs. L. H. Perry. Mrs. E. L. Adams told interesting facts about an "Empire Within a Republic." "Franklin D. Roosevelt" was discussed by Mrs. J. E. Berry. All members sang "Home Sweet Home" in unison with Mrs. R. E. Dickson at the piano. Mrs. M. H. Brannen gave an interesting talk on "The Giant that is New York."

### McADOO

Our school continues to progress nicely. Total enrollment for the term so far is 204, according to Supt. W. O. Cherry. Sixty three students are enrolled in the high school, 64 in the intermediate department and 77 in the primary department. School officials report that we are having the best school of any year in the past. Miss Johnston, high school teacher, has charge of the choral club, composed of high school girls who will do choral singing and they will also make public appearance upon request. Much interest is expected to be manifested in singing in our school this year. Mrs. Hugh Gilliam is director and coach for the girls' basketball and base ball teams. The boys basketball and baseball team is under the direction of Coach R. E. Everett again this year. We hope that our teams will make a strong bid for the county championships this next winter. Mr. and Mrs. Frank Macon visited with Mrs. Macon's sister and family at Bradshaw this past week end. Willie Clark was among the many visitors in Spur Saturday. May Pearl Wallace is here visiting her brothers, Truman Wallace and family and Rex Wallace and wife. Bill Hammonds was in Spur Saturday. The Epworth League enjoyed a social at the Methodist Church Wednesday night. R. E. Everett was transacting business in Spur Saturday. Charlie Auffill made a business trip to Spur Saturday. W. C. Brister who underwent a sinus operation at the Lubbock sanitarium some few days ago is able to be at home now. Mr. and Mrs. J. W. Jones were looking after business matters in Spur one day the past week. E. C. Robertson was greeting friends and attending to business matters in Spur Tuesday. John Powers was in Spur one day last week. Beulah Mae Phifer left for Canyon Monday where she enrolled as a sophomore in West Texas State Teachers College. Beulah Mae attended Texas Tech College last year.

Mrs. Bush Pipkins visited her parents, Mr. and Mrs. Norris, of Afton Monday. Her father was ill at the time but he was able to be up the last of the week. Horace Neckles was greeting friends Tuesday in Spur. D. B. Embry, who formerly owned and operated a filling station here until moving to Willsboro, was in McAdoo Thursday. Mr. and Mrs. R. R. Wooten were looking after business matters and greeting friends in Spur Saturday. Irwin Clark was a business visitor in Spur one day last week. Mr. and Mrs. Ben Eldredge visited a sister of Mrs. Eldredge at Bradshaw, Texas, Monday. Mr. and Mrs. Frank Macon, who had spent several days at Bradshaw returned home with them.

The entire community was saddened Wednesday at the death of the baby of Mr. and Mrs. Leamon Brantley. The baby drank coal oil and died within a short time. Mr. and Mrs. Brantley have the sympathy of their many friends in this hour of sadness. The plains country received another good rain Sunday night. This rain will be worth millions of dollars to the farmers. Many of the farmers had just finished planting wheat and this rain will be very helpful for the wheat and fall gardens. George Harris was in Spur Tuesday. J. P. Phifer was among the many visitors in Spur Saturday. Mrs. Hugh Gilliam visited her parents, Rev. and Mrs. Laney in Spur Sunday. Tressie Mayfield enrolled as a senior in McAdoo high school Monday. Fourteen students are enrolled as seniors in high school now. The first meeting of the Parent-Teachers Association was held at the high school auditorium Thursday night. A good sized crowd was present and an interesting program was given, despite the fact that a terrible sandstorm was blowing. Mr. and Mrs. Charlie Allen entertained the young folks with a party at their home Saturday night. Mr. and Mrs. McWilliams were in Spur Saturday. Mr. and Mrs. T. L. Dozier and girls were greeting friends in Spur Saturday afternoon.

Mr. and Mrs. T. L. Dozier and girls were greeting friends in Spur Saturday afternoon.

## SOCIETY

### FRIDAY AFTERNOON CLUB

Mrs. C. L. Love entertained the Friday Afternoon Club at her home Friday afternoon. The reception rooms were brightened with bouquets of cut flowers. The tally cards and score pads were hand made, with the designs based upon modern advertising. Each player found her respective table and partner by matching her tally card with the corresponding score pad. The refreshment plate was a combined salad and sandwich course. The club members present were: Mesdames Horton Barrett, Acie Bailey, H. P. Gibson, W. C. Gruben, Fred C. Haile, Lawis Lee, Ralph Lewis, Hill Perry, S. H. Twaddell, Jerry Ensey, Ray Sanders, R. C. Forbis, E. D. Engleman. The guests were: Mesdames Ray Taylor, W. S. Campbell, P. C. Nichols, J. P. Carson, Bynum Britton, Nellie Davis, W. R. Weaver, Geo. M. Williams, Luther Hindman, Fred Jennings, W. B. Lee, Sr., W. B. Lee, Jr., of Shreveport, La., Homer Lee of Wichita Falls, and Miss Maude Bailey.

### 1925 BRIDGE CLUB

Mrs. Hill Perry entertained the 1925 Bridge Club at her home Thursday afternoon. An interesting and attractive Chinese motif was observed in the decorations, prizes, score cards and refreshments. These features of the entertainment were selected by Mrs. Perry from the quaint shops in China Town while she was visiting in San Francisco. The high club prize, an oriental incense burner, was awarded to Miss Julia Hickman. Mrs. Marshall Ernest of Dobbs City, won the high guest prize which was a nut bowl of Chinese design. The prize for high cut, a box of Chinese tea, was given to Mrs. M. C. Golding. The refreshment plate was comprised of creamed rice and chicken, peach and nut salad, sandwiches, Chinese cakes and candy. The club members present were: Mesdames Nellie Davis, R. E. Dickson, M. C. Golding, F. W. Jennings, C. L. Love, E. F. Laverty, Elzie Hanson, V. V. Parr, M. L. Jones, Roy Harkey and Miss J. M. Hickman. The other guests included: Mesdames Jack Rector, Happy McGuire, Cash Wilemon, M. H. Brannen, H. O. Everts, E. M. Wilson, J. C. McNeill, III, Sam Clemmons, H. P. Gibson, Marshall Ernest, Guy Karr, Neal Chastain, Jim Sample, A. C. Hull, R. A. Taylor, W. R. Lewis, J. O. Smith, R. C. Forbis, J. T. Wylie, Ermal Scott.

### MESSER-WEEMS

Miss Flora Lee Messer of Spur and Mr. Gordon Weems of Lubbock, were quietly married in Lubbock Friday, September 14th by the Rev. R. C. Campbell, pastor of the First Baptist Church, Lubbock Texas. Mrs. Weems was reared here and has a host of friends that wish her much happiness. The couple will reside in Lubbock, where Mr. Weems is employed with the McDonald Packing Company.

### ERNESTINE BERRY CELEBRATES FOURTH BIRTHDAY

A number of little folks were entertained at the home of Mr. and Mrs. J. E. Berry Thursday afternoon when they honored their small daughter, Ernestine, on her fourth birthday. After the little guests arrived, the birthday gifts were unwrapped. Then all the children present were given a fishing line and told to go fishing. When the lines were drawn out, each child had caught a toy. All were then seated and listened to Uncle Remus stories told by Mrs. Henry Gruben. Refreshments of grape juice and

oat meal cookies were served by Alma Morris, Twilafaye Thomas, Wynell McClure and Ruby Cowan. The guests were: Mack Wilson, Jr., Ann Hull, Alberta Lynn and Virginia Dunwoody, Autrey Nell Dyess, Billie D. Starcher, Duane Thompson, Emma Pearl Gruben, Marian Speer, Janet Bennett, Bryan Bennett, Doris Wylie, Doris Ann Chambliss, Nancy Middleton, Charles Middleton, Ned Blackwell, Jean Granberry, Iris Maurine Smith, Henry Gruben, Jo Nell Addie, Jean Whitener. Other friends who remembered Ernestine with gifts were: Mrs. S. Williamson, Mrs. J. C. Keller, Mr. and Mrs. Poley Williams, Naomi Franklin and Mrs. Dave Wilson.

### JOI DE VOI CLUB

Mrs. J. C. McNeill, III, entertained members of the Joi de Voi Bridge Club at her home Friday evening at 7:30.

### BOY FALLS; RECEIVES GASH ON HEAD

Nelson, 8-year old son of Mr. and Mrs. R. L. Tiller, north of town, fell while at school Monday and received a deep gash on his head just back of the ear. He was playing on some of the playground equipment and lost his balance. He was rushed to the Nichols Sanitarium where his wound was cared for. It required several stitches to close the wound. He was able to return home and is getting along very well.

### WILL TEACH AT A. & M. COLLEGE

Charles Foote, son of Mr. and Mrs. H. C. Foote, left Sunday for A. & M. College where he has a position as teacher of Botany in the Department of Science. Mr. Foote received his degree at the Teacher's College at Denton, and during his time at A. & M. College will do work on his masters degree.

## Dashing Styles in the Mood Autumn!

## New Fall DRESSES

SPECIAL

# \$5.95

The materials are luxuriously rich in quality, too! Yet we've priced these dresses so irresistibly low that you'll want to buy several—and make a tremendous saving for your Autumn clothes budget! You'll find all of Fashion's latest news in this exciting collection. All the most beguiling new Fall shades, too—including the fascinating new landscape tones and the rich stained-glass hues. Woolens, silks, in plains and prints—you're sure to find your favorite new silhouette and material!

## Henry Alexander & Co.

## RECIPES AND MENUS

By Department of Home Economics Texas State College for Women (CIA)

There are certain do's and don't's the observance of which makes for greater success in cake making. Cream the fat and sugar well together. The real problem in cake making is to get the ingredients finely divided and thoroughly combined. Sift the baking powder, salt, and flour very thoroughly. More thoroughly incorporated baking powder means more even textured cake. If the beaten egg white is to be folded in last, be sure that it is well mixed through the batter. When left in lumps, it destroys the even texture of the cake. When adding raisins, nuts, or dried fruit, have them dry on the surface and well dredged with flour to prevent bunching and sinking to the bottom. Malted chocolate is best added directly to the fat and sugar—it helps in the creaming process and is more evenly distributed through the batter. Breakfast: Corn flakes, sliced bananas with top milk, poached eggs on toast, coffee, milk. Luncheon: Spaghetti with tomato sauce, Waldorf salad, brown bread sandwiches, cocoa, sand tarts. Dinner: Stuffed beef heart, glazed sweet potatoes, cold salad, tapioca cream, plain cake. Breakfast: Sliced oranges, scrambled eggs and bacon, toast, coffee, milk. Dinner: Broiled halibut, French fried potatoes, creamed peas, yeast rolls, tomato salad, fruit ice, chocolate cake.

PLAIN CAKE: 1-3 c butter, 1 c sugar, 2 eggs, 1-2 t vanilla, 1 3-4 c pastry flour, 2 1-2 t baking powder, 1-4 t salt, 2-3 c milk. Cream the fat and sugar thoroughly. Stir in the beaten egg yolk. Add alternately the milk and the flour previously sifted with baking powder and salt. Fold in thoroughly the stiffly beaten egg white. Pour into well greased tins and bake in a hot oven (375 degrees F).

CHOCOLATE CAKE: 2 ounces bitter chocolate, 1-4 c butter, 1 c sugar, 1-3 t salt, 3-4 c milk, 2 eggs, 1 1-3 c flour, 2 t baking powder, 1-2 t vanilla. Cream together the butter, sugar, and melted chocolate. Stir in the beaten egg yolks. Add the milk alternately with the flour, salt, and baking powder sifted together. Fold in thoroughly the stiffly beaten egg whites. Bake in two layers or in a moderately hot oven. (375 degrees F)

SAND TARTS: 1 c butter, 3 T powdered sugar (rounding), 1 c ground nuts, 1 t vanilla, 2 c flour. Mix into a stiff dough using the cake method. Shape into crescent and bake on an ungreased sheet for 40 minutes in a 300 degrees oven. Do not brown just dry the tarts out. Sift powdered sugar over them.

### NOTICE TO BIDDERS

Bids will be received by Dickens County, at the Court House at Dickens, Texas, until 10 o'clock a. m. on the 8th day of October, 1934, for the purchase of one (1) Diesel type tractor, powered with approximately fifty horse-power engine, and notice is given that warrants will be issued in the maximum sum of \$4,000.00, payable serially, last maturity not later than February 15th, 1938, bearing interest at the rate of 6% per annum, interest payable semi-annually. The right is reserved to reject all bids. JIM CLOUD, County Judge, Dickens County, Texas.

Second Sheets at Times Office.

**Home Demonstration**

**CLUB NEWS**

**CLUB IS MEETING COMMUNITY NEED**

Because some fifteen or eighteen boys and girls in the Dry Lake community would be deprived of attending school unless some one helps them has awakened a new interest and responsibility in the Dry Lake home demonstration club. As a result the club held a call meeting this past week and spent the afternoon sewing for the less fortunate children. Following their program and regular business meeting this week they will continue their sewing and make it possible for the children to enter school. Mrs. Jim H. Smith, president of the club, reports that not only the club women but others too are helping in this work.

**COUNCIL REPRESENTATIVES ATTEND CONFERENCE**

"An organized council is one that works by committees," Mrs. Maggie W. Barry, Extension Specialist in Rural Organization, told representatives from the Dickens County Home Demonstration Council and representatives from six other county councils in a conference at Anson last week. "The big responsibility of council representatives is to attend the council meetings and make reports to the council from the clubs and to the clubs from the council," she emphasized again and again. She outlined the duties of the committees of the council and the need of the council to assume its responsibilities in the county.

Those attending from Dickens County were Mrs. F. B. Crockett, council chairman, Mrs. J. L. Hagins, Mrs. Thurmond Moore, Mrs. John Gay, Mrs. R. C. Alexander and Miss Pratt.

**IMPROVED YARD IN AFTON**

In spite of late planting one can have a well sodded lawn if one wants it is the opinion of Mrs. Carl Randolph of Afton. Mr. and Mrs. Randolph decided in March to landscape their home. The planting plan, drawn by the home demonstration agent, called for shrubs in foundation plantings and a sodded lawn. Several shrubs out in the yard were to be moved and placed at the base of the house. Part of these were moved and are doing nicely; but because it was rather late to move shrubs the others will be moved in December.

The lawn was leveled and Bermuda grass roots set out. With little water and care the grass has thrived and grown until the lawn is covered. "The grass helps keep lots of sand out of the house and has made it cooler this summer," declares Mrs. Randolph.

Trees were set several years ago and already furnish an abundance of shade. The trees are set along the west side of the yard for shade and at the back of the house for a framework or back ground.

Mrs. Randolph plans to lay a cobble stone walk of native rock from the porch to the gate. She has reserved a space at the side-back for her flower garden. The vegetable garden is at the back.

**CLUB LEARNS NEW GAMES**

Learning new games and songs took the interest of the Espuela 4-H club girls in their meeting at the school house Thursday. Following a short business session with plans for starting the new years work the song leader took charge. Then Miss Pratt taught us some new games.

Those present were Eula B. McMahon, Odell James, Vera Tom Cross, and Bonnie Elms, a new member. — Reporter.

**WORTH HOTEL COMPLETES ENLARGEMENT-REDECORATION**

In anticipation of the early fall business revival, which includes the resumption of horse racing at Arlington Downs, Dallas State Fair track and the State Fair itself, and all of which undoubtedly will attract thousands of West Texans to the twin cities in October and November, the management of the Worth Hotel, Fort Worth, has completed a program of enlargement and re-decoration, which more than definitely puts this hostelry in a class by itself among the better class hotels in North Texas. Spacious new dining rooms and banquet halls have been added, and a costly system of ventilation installed in the lower floors, centering about the Worth Hotel Coffee Shop and mezzanine dining room, which enjoys iced air during the hot months from the same plant.

New lobby furniture and upholstery, together with new draperies add much beauty to the ground floors, and each of the 300 outside rooms and baths, included in the hotel proper, have been newly decorated and all have new drapes. In the majority of instances, showers have been added to each room's appointments, which include restful furniture, roomy comfortable beds, tiled wall bath and ample locker space.

West Texans for many years have made the Worth Hotel headquarters and it is the keen desire of Jack Farrell, manager, well and favorably known through the great Southwest as a host par excellence, to concentrate his efforts toward gaining additional patrons from the large group of visitors from West Texas during the fall months.

There will be no increase in rates at the Worth Hotel, according to Mr. Farrell, who has built an enviable clientele through the very low rates in effect at the Worth Hotel since its inception, and he declares that he is confident that the Worth Hotel's program of expansion and re-decoration is the hotel's contribution to the nation-wide recovery schedule, and to assist in maintaining the Worth Hotel's position at the top of the list of hostelries, which strive to be "homes away from home" for their respective patrons.

Mr. Farrell sounds a note of warning to intending visitors to Fort Worth and Dallas, urging them to make advance reservations. "Many large State and National conventions have selected the fall months for meetings in both Dallas and Fort Worth and, and it is a good idea to secure reservations in advance in order to avoid waiting around after arrival, he suggested.

The Worth Hotel, and its management, has been keenly interested in West Texas, and is represented every time the Fort Worth Chamber of Commerce charts a trade trip into that territory. Excursions have been made to Brady, Menard, Abilene, Seymour, San Angelo, Brownwood and other points too numerous to mention, for Manager Farrell is a keen believer in the old fashioned adage that friends who visit him like to have him visit them. Which is just another way of saying that the Worth Hotel reciprocates the patronage West Texas and West Texans have given it, and to send word down the line that West Texans will find the latch-string out when they visit Fort Worth, where the West begins.

**TALK OF THE TOWN**

The following article is reproduced from the Gladewater Times and gives a story which might be of interest to many of our citizens since the person concerned is widely known in this country:

E. C. Edmonds, of Day Drug company, received a copy of the New Yorker, widely known New York magazine. The front page was tagged "marked copy." Mr. Edmonds turned through the pages until he found the column, "Talk of the Town." Under the heading of Accounts Rendered, there appeared the following item about Mr. Edmond's son:

"Mr. Elvis Edmonds lost his billfold the other day, containing some cash, irreplaceable papers, and misl cellany. Two days later he received through the mail a bulky envelope bearing four one cent stamps and addressed in pencil. Inside the billfold with the following note, also written in pencil:

"Mr. Edmonds—enclosed you will find your billfold which I found on Front and Whitehall st. The money is all there except 43c which I spent as follows—1 pack of cigarettes, 2 hamburgers, 2 bottles beer and 4 one-cent stamps. I hope you didn't mind.

"There was no signature or address, just a five-pointed star, roughly drawn under the last line, so Mr. Edmonds hasn't been able to write to say that he didn't mind at all."

tember 28, on proposals of the Code Authority for the cigar manufacturing industry intended to stabilize the marketing of 2-for-5-cent cigars. The Code Authority asks the Administration to put into effect 11 recommendations. One would have all manufacturers of "cigars, stogies, and cheroots made to retail at 2 for 5-

cents" become bound by all the provisions of the cigar manufacturing industry code. Because of unstable market conditions, certain exemptions from the code have been granted. The Code Authority also proposes that "2-for-5" cigars sold in the continental United States shall weigh not more than 18 pounds per thousand and shall be packed at least 100 to the

container. S. L. Bennefield, principal of the school at Espuela, was in our city Tuesday and stated that the third week of their school is going fine. M. A. Sedgwick, of Duncan, Fla., was transacting business in our city Tuesday. He stated he still has some corn in the crib which he had grown in former years.

Ride Buses—Save Time and Money

By Gus Standard

DICKENS COUNTY

School Notes

BY MADGE D. TWADDELL

All schools in Dickens County are now running except Dickens and Peaceful Hill.

Dickens Has New School Building

The Dickens school building is being finished as rapidly as possible as it is thought best to wait about beginning school until such a time as the building will be ready for occupancy.

This is a large commodious structure all built on the first floor. It contains eleven class rooms, an office, a large auditorium, book rooms and toilets, and it is steam heated.

New Teachers in County

We have several new teachers in Dickens County located as indicated below:

Mr. and Mrs. Roy C. Moore, teachers in Duck Creek school; Miss Leona Denson and Mrs. Dick Mayfield, Highway; Ovia Carney and Miss Dot Lis-enby, Wichita; H. P. Hargis, Steel Hill; C. B. Allison, Twin Wells; Miss Launa Cozby, Wilson Draw; Mrs. H. Hillian, Miss Dortha Johnston, Winston Wofford, and Mrs. R. E. Everett, McAdoo; Robert Reynolds and Mrs. Oscar McGinty, Dickens; D. C. Southall, Superintendent, and T. L. Arthur, Consolidated Common School District No. 22; Miss Virginia Murray, J. B. Wadzeck, Mrs. Violet McKnight, Miss Ruby Rae Williamson and Miss Athelda Yeats, Spur.

Highway and Dickens Schools Secure Additional Teachers

The Dickens school will this year have nine teachers whereas it has had only eight. The Highway School has four and has had but three. These teachers are being added without any additional cost to either the community or county. In State Aid Schools every time we secure thirty extra scholastics the State of Texas pays all expenses connected with the maintenance of another teacher, including salary, extra coal, chalk, etc. it takes to operate the new room.

Schools Get Phonographs

We have always encouraged as much music as possible in the schools. This year the State is giving our schools through State Aid small portable phonographs and choral singing records. The prettiest part of the Interscholastic League work is the Choral Singing. We have two kinds of choirs, one containing from ten to fifteen pupils and the other from fifteen to twenty-five pupils. We always have a whole night's program during the spring devoted to choral singing. This year we believe that we can arrive at our long before set up goal in that every school will have a choir represented in the County Meet.

Office Days

During this winter, as before, I plan to most always be in the office on Tuesdays and Saturdays. On many of the other days I shall be working in the schools. Part of the other time will be spent in the office, but you can not depend on finding me in there except on Tuesdays and Saturdays.

State Superintendent Woods to Visit Collingsworth County

Dr. L. A. Woods, State Superintendent, was at Sam Norwood School in Collingsworth County for dedicating their new building Wednesday, September 26. This is a newly consolidated school organized by Bryan Dickson. Some Dickens County people are planning to attend this educational meeting.

Dickens County Educational Association

The first meeting of the year of the Dickens County Educational Association will be held in the East Ward School at Spur, Tuesday night, October 2 at eight o'clock. The Interscholastic League will be organized, officers elected for the Dickens County Educational Association, an extension class or classes organized, and some important announcements will be made. In addition to this there will be a very short program. All people interested in our schools are invited to attend this and following meetings.

County Superintendent Busy

The County Superintendent is working day and night this week on reports and State Aid applications.

Standard Schools

All schools must be checked for standardization this year. All of the standardized schools are expecting, of course, to renew their certificates and the few remaining non-standardized schools to secure their certificates as soon as we can get an inspection. No little school is entitled to a long continuation if it will not standardize. Schools are planning public programs on the day that they standardize this year. The grades made by the representative schools will be published in the paper.

This year we are preparing for our best school year. Trustees, teachers and patrons are determined that this will be our best school year. Extensive preparations were made for the opening of schools (community workings were held in some cases. Physical conditions are now splendid, and about 90% of our teachers attended summer school. In most cases they took courses that would help them in their teaching this year. They either have already made or are making definite lesson plans for all of the year.

Scientific tests will be administered soon for diagnostic purposes. If a defect exists in the education of the child it will probably show up in this examination; then an effort will be made to correct it.

Our poorest teaching has been done in handwriting. The teaching of this subject will be stressed this year.

Only Seven and Eleven Grade Schools Every school in Dickens County this year has either seven or eleven grades. All high school children of the county are in classified high schools with all subjects affiliated or affiliation applied for.

DRUGSTORE COWBOYS

**School Buses**  
The schools of the county are now operating twenty-five school buses, and most of them are very large. Each additional bus means better school attendance.

**District 22 Has Broad Curriculum**  
The new consolidated school in the north end of the county has a splendid business administration presided over by F. M. McCarty and a Vocational Agriculture department with T. L. Arthur from Kingsville as teacher. These departments are very popular.

BAPTIST CHURCH

Sunday, September 30th, is the last day in our Sunday School year; it is annual promotion day. A beautiful program is being arranged beginning with the Cradle Roll Department through the Young Peoples' Department. This program will begin promptly at 10:50 and will be followed by a message from our pastor, Dr. M. F. Ewton, at 11:30. Our goal for Sunday School Sunday morning is 350; let's pull together this week and reach it. It will be the first service our pastor has been with us this month and he is anxious that all of our people be there as he will have a great message for us. Let's meet him with a full house. The public is cordially invited to worship with us Sunday and enjoy the program.

Following a brief period in the Unions the Training Service will observe promotion day with a program beginning at 8:00. There are eight Unions in the Training Service with a place for everyone. Our goal for Sunday is 125 in attendance. The pastor will preach following the promotion program Sunday evening. Everyone is invited to attend.

GLENNA WILLIAMS BREAKS ARM IN FALL

Glenna Williams, little daughter of Mr. and Mrs. Webber Williams fell Monday and broke her right arm. She was playing at school and was on one of the see-saws when she lost her balance and fell from it. Her arm doubled under her body fracturing both bones of the forearm.

She was rushed to Nichols Sanitarium where an X-ray examination revealed a compound fracture. The radius was broken about the middle of the shaft and the ulna was broken about the lower one-third sector and overlapped. It had almost protruded through the flesh to the outer portion.

Dr. Nichols, assisted by Dr. Alexander, set the fractures and Glenna seems to be getting along all right. However, she is suffering a great deal of pain. The fractures were very difficult to set, but the final X-ray showed both bones in line and in good condition.

EASTERN STAR MEETING TONIGHT

The regular meeting of the Order of Eastern Star, Spur Chapter will be held in the Masonic Hall at 8:00 o'clock this evening. The officers are requesting a good representation of the membership as there is much business to transact, and a good attendance always stimulates interest. It is the hope that every member will make an effort to be present. —The Worthy Matron.

WICHITA PUPIL RECEIVES BROKEN ARM

Thelma Kimmel, 12 year old daughter of W. A. Kimmel, suffered a broken arm while playing at school Tuesday afternoon. She attends school at Wichita and a number of the boys were playing cowboy. One boy threw a lasso and the Kimmel girl accidentally stepped into the loop which jerked her down, severing the ulna of the right forearm about the center of the shaft.

Mr. and Mrs. Kimmel brought the child to the Nichols Sanitarium where an X-ray picture revealed the true identity of the fracture. The fracture was set and the little lady seems to be getting along all right.

According to reports the boy who threw the lasso did not make the throw to lasso the girl. He just merely threw the lariat and the girl accidentally stepped into the loop which

threw her down.

YOUR TYPEWRITER TROUBLES

Mr. DuPriest will be at the Times Office the remainder of this week and part of next week to take care of your typewriter and adding machine troubles. Also, he takes care of your cash register when it gets off. Call him at 30 and let him fix you up before he goes out on the territory again.

Personal

When we eat too much, our food decays in our bowels. Our friends smell this decay coming out of our mouth and call it bad breath. We feel the poison of this decay all over our body. It makes us gloomy, grouchy and no good for anything.

NOTICE OF SALE

STATE OF TEXAS COUNTY OF DICKENS

Notice is hereby given that by virtue of a certain order of sale issued out of the United States District Court at Lubbock, Texas, on the 28th day of August, 1934, on a judgment rendered in said court on the 18th day of July, 1934, in favor of the County of Dickens, Texas, for the sum of \$71,229.28, with interest thereon at 2-1/2 per cent per annum from May 2, 1932, and for the further sum of \$28,903.34, with interest thereon at 2-1/2 per cent per annum from May 2, 1932, for the benefit of its school fund, and cost of suit in the sum of \$246.98 against M. S. Sandell, A. J. Harrison, G. W. Harrison, J. M. Johnston, Will A. Foley, T. E. Murdoch, W. M. Hunter, Thos. Fowler, W. L. Matthews, J. T. Johnson, R. L. Alexander, T. Houston Ward and Maggie E. Ward, a feme sole, jointly and severally; in the case of, Kent County vs. M. S. Sandell, Thos. Fowler, T. E. Murdoch, W. L. Matthews, T. Houston Ward, Mrs. Maggie E. Ward, a feme sole, Will A. Foley, G. W. Harrison, J. T. Johnson, R. L. Alexander, A. J. Harrison, J. M. Johnston, Farmers & Merchants National Bank of Abilene, Texas, Henry James, W. M. Hunter and L. B. Withers, receiver of The First National Bank of Jayton, Texas, No. 71 in Equity, on the Docket of said Court, and by virtue of said order of sale placed in my hands for service, I, J. R. Wright, United States Marshall, for the Northern District of Texas, did on the 7th day of September, 1934, levy on certain real estate situated in the County of Dickens, State of Texas, as the property of the said W. M. Hunter, one of the defendants named therein, to-wit:

322 acres of land, the east one-half of Section No. 205, Cert. No. 10/1998, H. & G. N. Ry Co. in Block 1, in Dickens County, Texas, less 200 acres out for homestead, and that on the first Tuesday in November, 1934, the same being the 6th day of said month at the court house door of Dickens County, Texas, in the town of Dickens, Texas, between the hours of ten o'clock a. m. and four o'clock p. m. by virtue of said levy and said order of sale I will offer for sale and sell, at public vendue, for cash, to the highest bidder, all the right, title and interest of the said W. M. Hunter, in said real estate.

And in compliance with said laws I give this notice by publication in the English language once a week for four consecutive weeks immediately preceding said day of sale, in the Dickens County Times, a newspaper published in Dickens County, Texas.

Witness my hand as dated, this the 7th day of Sept. 1934. J. R. WRIGHT, United States Marshall.

By W. F. Lampe, Deputy. (Published Sept. 13, 20, 27, Oct. 4)

Machinery For Centennial Celebration Set Up In Dallas

Machinery to make the 1936 Texas Centennial celebration the outstanding event of the twentieth century was set in motion at Dallas last week with the opening of headquarters for the Centennial commission.

The secretary is on the ground, and he is rapidly rounding out the organization of staff and field men whose business it will be to attend to the many details which are an inevitable part of an event of this kind.

The tremendousness of their task may be grasped when it is recalled that the legislature has required historical celebrations at San Antonio, Houston, Nacogdoches, Goliad, Gonzales, Huntsville, and other places of historic interest, together with the central exposition at Dallas. It is the purpose of the commission to make the celebration statewide in its nature, laying stress upon those happenings in early Texas history when her heroes laid the foundations of the great commonwealth that exists today.

Prior to their being set up at Dallas, the Centennial headquarters were in Austin. This was in accordance with the wishes of the commission pending the legislature's designation, through the commission, of the city where the central exposition will be held.

Prior to their being set up at Dallas that exposition, and headquarters opened there, the entire citizenry has set to work to do its part in making the celebration of the first 100 years of Anglo-Saxon history in this state one that will be Texanic, both in its proportions and in its nature.

On every hand, one hears expressions which reflect the deep sense of responsibility which the people of Dallas feel that the legislature, acting through the commission, has placed upon them.

These expressions are marked by the determination that, with the aid of the other cities and towns, which has already been proffered, the celebration will be one of which not only every Texan, but every American, will be proud.

Three Regional Chambers of Commerce Meet In Waco

Clifford B. Jones, Spur's West Texas Chamber of Commerce Director, and local chamber officials have been invited by James D. Hamlin, Farwell, President of the regional chamber, to attend a joint meeting of the directors of the West, South, and East Texas chambers in Waco, Friday, October 5.

According to Hamlin's notice the meeting is "For the purpose of throwing the combined strength of the three regional chambers of Texas behind a definite work program which would have for its objective championing the rights of property and business." Hamlin also notified the local directors that they have been made members of the All-State Council of Texas which for years has been maintained to enable a working relation between the three chambers. Heretofore the membership of the Council has been composed of the presidents and general managers of the three chambers. At a recent meeting the local directors were made members, and the Waco meeting will be the first in which all the directors of the three organizations have been asked to participate.

The following subjects will be on the program at Waco: (1) The Property Owner's Burden, (2) Balancing the Governmental Budget, (3) Government in Business, and (4) Our State Constitutional Amendments. Outstanding speakers for each subject are being obtained to be announced later.

Hamlin is scheduled as chairman and will state the purpose and objects of the meeting according to an announcement made by Manager D. A. Bander of the regional chamber. C. F. Ashcroft, Sulphur Springs, President of the East Texas Chamber, will talk on the value of the regional chambers cooperating, and J. M. Pickering, Victoria, Vice President of the South Texas chamber will discuss the value of the regional chambers to Texas.

McADOO GIRL ELECTED ACC CLASS OFFICER

Miss Mary Wooten, daughter of Mr. and Mrs. R. R. Wooten of McAdoo was elected secretary of the sophomore class of Abilene Christian College at a class meeting Thursday, September 20.

Other officers of the class are Morris Howard, Dallas, president; Dudley Favor, Sweetwater, vice president; Marguerite Bell, Abilene, reporter; and Mr. W. M. Dowell, instructor in physical education in Abilene Christian College, sponsor.

Show Card Inks, Stencils and writing ink at the Times Office.

McADOO BABY DIES HERE

Charles Cowan, 11-months old baby of Mr. and Mrs. Leaman Brantley, of McAdoo, died at a local sanitarium Wednesday evening of last week. In some manner the little one secured some kerosene and drank it. Mr. and Mrs. Brantley rushed the baby to the sanitarium, but the body had absorbed so much of the poison when it arrived that medical aid could not overcome the results. Death followed in a short time.

Funeral services were held at McAdoo Thursday and interment followed in McAdoo cemetery.

From The Editor Of The American Boy

During the coming year, the boys of America will get a half-rate to adventure and fun! THE AMERICAN BOY—YOUTH'S COMPANION, the nation's leading magazine for boys, formerly \$2.00 a year, now costs \$1.00. A three year subscription, previously \$3.50, costs only \$2.00.

Griffith Ogden Mills, editor of THE AMERICAN BOY, brings boys the hearty assurance that the new prices will in no way affect the editorial contents of the magazine. It will be as large, as beautifully printed, as full of high-spirited adventure as ever.

"THE AMERICAN BOY'S leadership has been no accident," Mr. Ellis states. "We publish the magazine on the firm belief that boys deserve a magazine as good as any publication for grown-ups. So we use the best illustrators—obtainable—well-known artists who work for the biggest magazines. We send our staff writers all over the country digging up the interesting facts of science, interviewing world-famous explorers, talking to coaches and athletes.

"We encourage and assist our writers to go everywhere for material—to Haiti, Africa, the South Seas, China—and bring back adventure for American boys. We hire experts on

Pain Passes Off. When your head aches; when Neuralgia tortures you; when Muscular Pains make you miserable—take a Dr. Miles' Anti-Pain Pill. Mr. Smith is one of millions who have found this easy way to prompt relief. Your Power Company A Service Institution West Texas' phenomenal progress during the past decade has been equalled only by the steady expansion of its West Texas Utilities Company, for while West Texas has been carving industrial history, this company—to aid and foster that growth—has kept its facilities modern and in advance of immediate needs. Today 2,600 miles of cardinal Transmission Lines—energized by three large, strategically located main generating stations and strengthened by many auxiliary or stand-by plants—has replaced precarious and costly part-time "lighting" plant of yesterday. The new-day Transmission System insures an immediate supply of power sufficient to meet any development. The program of this Company has been, and will continue to be the rendering of increased use of service by constantly decreasing rates. Since the organization of the West Texas Utilities, the consumers have benefited by total rate REDUCTIONS amounting to MORE THAN SIXTY PER CENT—an unhard of accomplishment in the days of isolated plants. Electricity renders one of the most valuable services to the household. Yet it is sold at the lowest price of any item of the household budget. It represents approximately only one per cent of the workman's total expenditures. Electricity is cheap! You should use much more of it. Do you know that your increased use of Electric Service is billed on a surprisingly low rate schedule... and adds only a small amount to your total bill? West Texas Utilities Company

## Roaring Springs To Play Spur Friday; Conference Game

### Coach Frank Cole's Football Team Comes Spur For First District Title Game Of The Season

The Roaring Springs high school football team raises the curtain at Spur Friday afternoon at 3:00 on the District pennant race with Spur. The Roaring Springs team is light but fast, but promise action for the Spur team on its first step toward a district championship.

Coach Frank Cole reported at the opening of the Roaring Springs school that he had two teams practicing daily. He is new on the job but with three weeks of hard work his boys look promising from reports coming in.

#### THE SENIOR CLASS

The Senior Class of 1934-35 enrolled Sept. 10, 1934 with forty six, of which only four are new pupils. The class has not yet been organized but it is planned that it be organized Sept. 18. The four new pupils are: Iva Jane Grubbs, who attended school last year at Lower Red Mud; Polly Langford, who attended school the last two years at Girard; Tennie Glasgow, who attended school last year at Waco; and Newton (Skeeter) Lewis, who attended Jayton High School last year.

#### Bulldogs Score Four Touchdowns To Defeat Slaton

Marching down the field after receiving the ball on the kick off, for first downs and then a touchdown, the Spur Bulldogs handily defeated the Slaton Tigers at Fair Park Friday afternoon 25 to 0.

#### High School Has No Paid Librarian

The High School will not have a paid librarian this year. Mr. M. H. Brannen worked in the capacity last year and improved the organization of the library so much and took care of the books in such an efficient manner that it was hoped we would have a librarian this year.

Chapman scored the first touchdown on an around end play from the 13 yard line. McArthur scored the second marker after Spur had received the ball on a punt on their thirty yard line from which point they had marched straight for the goal, making three first downs before the touchdown.

#### AMERICANIZATION

"Our government rests in public opinion. Whoever can change public opinion can change the government."

"Every good citizen makes his country's honor his own, and cherishes it, not only as precious, but as sacred."

"I will obey the law, America is a Republic, where law is king; a government of the people, under the law, for the general welfare. Each citizen must be loyal, or popular government fails in him. Every lawbreaker is a traitor to his government, and a burden to his fellows."

"A good citizen is one who observes all national, state, and municipal laws and is willing to assist in their enforcement; he is honest and fearless; he is loyal to home, friends and country, and he does what he can to assist in promoting the moral, intellectual and physical welfare of the people."

"True Patriotism means four things: 1. It means reverence for the past traditions of one's country. 2. It means devotion to the present institutions of one's country. 3. It means loyalty to the future ideals of one's country. 4. It means valor to fight, if need be, in defense of these same institutions and ideals."

Miss Buster: Characterize Caesar. Luther Jones: He seized everything he could get his hands on.

Mr. Nelson: What made you drop that steaming hot towel on my face? The Barber: It was too hot to hold.

#### The Value Of Government FROM THE CIVICS CLASS

(Kelley Marsh) The test of a good government is whether it serves the interest and need of its people.

Our own government serves us in many ways. It protects us from foreign enemies and from criminals within our borders. It protects our health by prohibiting the sale of impure or adulterated foods or drugs.

Perhaps the greatest achievement of our government is the providing of educational opportunities for the children of our land who are to become future citizens of the republic.

#### FEDERAL AID IS SCHOOL DEBATE FOR THE YEAR

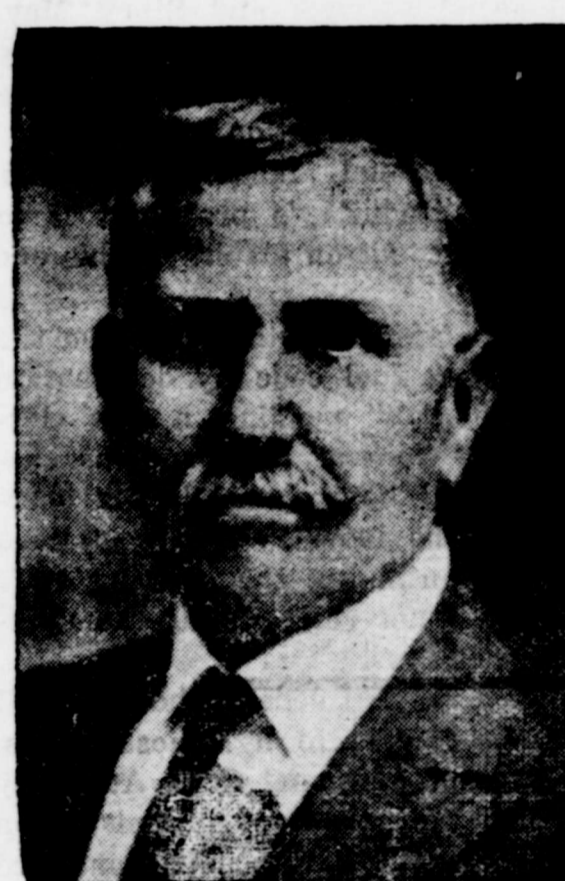

"Federal Aid for Schools" will be discussed by students, educators, and statesmen during the present year. The 1934-35 high school debate topic is: "Resolved, That the Federal Government should adopt the policy of equalizing educational opportunity throughout the nation by means of annual grants to the several states for public elementary and secondary education."

The Division of Publications of the

#### L. N. RITER

Congratulations to the Rowel and Spur School. Give of Your Best!

"Give to the world the best you have, and the best will come back to you."

L. N. Riter came to Spur in the spring of 1910 and established the Riter Hardware Company. The company had been organized in Hamlin where he had done business six years before moving to Spur and where the business had enjoyed a lucrative trade.

Before engaging in the hardware business for himself, Mr. Riter had been with Penick-Hughes Company at Stamford for some time. He was very efficient in his work with this company and was instrumental in helping them build up a good line of trade.

He was born in Germany March 22, 1862, and came to America with his parents when about three years of age. He spent much of his boyhood days in the states of Ohio and Indiana which at that time were on the frontier.

He came to Texas about 1875 and made his home at Forney. At that time that portion of Texas was in the frontier stage and he joined other neighbors in going forward in establishing the foundation of civilization in that community. He married Miss Rosa Mills in 1878 while living at Forney and it was there he established his first home.

#### Pupils Greeted With Newly Stained And Varnished Desks And Woodwork In Senior And Junior High School

Pupils were greeted in the Junior High School and the Senior High School with newly stained and varnished desks and woodwork in all the rooms this year. It certainly has improved the general appearance of the rooms and has of course made the rooms more sanitary. It is hoped that the student body in each building will be possessed of enough pride to take care of these favors and not scratch up the desks with pens, knives, or other articles that deface the furniture.

#### HIGH SCHOOLS OF THE NATION WILL OBSERVE PERCENTENARY

Three hundred years of high school education are being celebrated by schools and civic organizations throughout the United States during the 1934-35 school term under the leadership of the Department of Secondary Education of the National Education Association.

The celebration commemorates the founding of secondary education in the United States, when the Boston Latin School was opened in 1635. Objects of the celebration are: (1) to reiterate the aims and works of secondary education, (2) to emphasize the necessity of public secondary education to a free democracy, (3) to acquaint the public with advanced developments in secondary instruction, (4) and to improve the chances for every boy and girl to benefit from the full potentialities of secondary education.

National Educational Association has prepared for schools a packet of material dealing with this topic. It will be furnished to schools at cost.

#### Ward School News

##### LOW FOURTH GRADE

The low fourth made an excursion on the Experiment Farm last Tuesday. The purpose of the trip was to study the weather charts kept by Mr. Dickson and get information about the weather in this section of the country.

Mr. Dickson and Mr. Robinett lectured to the class. The pupils wrote letters of appreciation to Mr. Dickson and Mr. Robinett as English assignments. The best letters were mailed to Mr. Dickson. They were written by the following students: Evelyn Farr, Purnie Marie Elkins, Bob Weaver, Morris Hicks, and Ida Lee Arrington.

Monday was a day of accidents at the Ward School. Glenna Williams fell from one of the see-saws and broke her right arm. Glenna is in the Low Second Grade and Mrs. Zachry is her teacher.

Pat Hogan had to be carried home sick from school, but he was able to return to school Tuesday. Pat attended the circus in Abilene last Saturday and he thinks there was just too much to see.

The following pupils attended the circus in Abilene last Saturday: Pat Hogan, Ida Lee Golding, Bob Weaver, Natalie Bailey, Alfred Walker, James Zachry, Barney Clark Johnson, Glenna Williams, Pike Dobbins, Pete Dobbins, George Walker, Shirley Powell, Charlie Powell, Betty Weaver, and Billy D. Starcher.

A few pupils attended the circus at the Lubbock Fair Tuesday. Some of those that attended were: Thurmond Moore, Jr., Jackie Jean Rector, Dorothy Gray, Dan Gray, Johnny Monk Rucker, Joe Ericson, and Natalie Bailey.

Rev. R. C. Brown of the First Christian Church spoke to the ward school pupils in chapel Monday afternoon. His subject was, "The Three Most Valuable Things in Life."

Joe Draper, keeper of the ward school building has been called to the bedside of his brother who is very ill with pneumonia.

#### LOW THIRD GRADE—Miss Hayes, Teacher

Miss Charlie Hayes' Room, Low Third Geography Class, made an excursion to the local depot on Friday the First Week of school. They saw the different kinds of railroad cars, what each hauled, and made a good examination of the entire train including the "big engine."

Reformer: Students, I am here to save the girls of this school. Lanier Gilbert: That's o. k. save me a blonde, will you?

Miss Maxwell: When was the Revival of Learning? Johnnie Nichols: The Night before the Exams.

#### High Freshman Class

The high Freshman Class met Sept. 20, 1934, and elected class officers for the following year.

In the procedure of the meeting Miss Murry was elected class sponsor. Next, the necessity of the class demanded a president. This responsibility was given to Junior Shockey, Ray Caplinger was elected to be his vice president.

Joyce Koon was elected to fulfill the office of secretary and treasurer. Into the treasury each pupil pays 20c a month. This money goes for the expense of class entertainments and class parties.

Next, the class elected Edward Carroll as reporter. With a god sponsor, and excellent president, a fine term should be enjoyed during the year.

#### Freshman Class

The Freshman met Thursday of last week to organize their class. The following officers were elected for the coming year: Bill Gruben, President; Carl Arthur, Vice President; Billie Louise Powell, Secretary; John O. Christal, Treasurer; Ruth Cowan, Reporter and Mrs. Burford Johnston, Sponsor.

#### Senior Class

The Senior Class of '34-'35 met last Tuesday for the purpose of electing their officers. They are:

Miss Pauline Buster, Sponsor. William Starcher, President. Kit Hefner, Vice President. Kathryn Ensey, Secretary-Treasurer.

Edwin E. Hight, Reporter. The Senior Class is looking forward to a big year. The class has already made some plans toward graduation exercises and especially are they looking forward to the big Junior-Senior Banquet.

Besides the big times that have been planned all have put their thought and mind to studying with the intention of making a high standard.

#### Junior Class

The Junior Class met and organized September 19, 1934, in this meeting the following officers were elected:

Norman Priest, President. Jane Godfrey, Vice President. Richard Ensey, Secretary. Evelyn Ivey, Treasurer. Max McClure, Reporter. Miss Sarah McNeill, Sponsor.

The class is looking forward to a prosperous year and have already started a campaign to raise the money for a big Junior-Senior banquet.

#### Sophomore Class

The Sophomores had a class meeting September 19, 1934, for the purpose of electing class officers.

Miss Julia Maxwell was elected sponsor. Sherrod Dunn, President. Pershing Lee, Vice President. Isabelle Campbell, Secretary. Kathleen Dollins, Treasurer. Johnnie Nichols, Reporter. The class will meet at a later date to discuss class dues and other important matters.

#### AGGIE BOYS ORGANIZE

The agriculture boys of the Spur high school organized Tuesday with the election of the following officers: R. J. Bell, President. Buck Wilhoit, vice president. Wilson (Red) Garner, Secretary and Treasurer.

Melvin Crouch, reporter. Francis Bingham, Doorman, Messenger Boy, or what not. Under the supervision of C. B. (Uncle Bud) Middleton some of the boys are feeding out some baby beaves and hope to win some places at the Lubbock fat stock show which is held in March, 1935.

#### WHAT IS GOING ON IN THE HOME ECONOMICS LABORATORIES

The Home Economics Classes began a new year with a new teacher and also a few new improvements in the laboratory. Sept. 10, 1934. Everyone seemed to be eager to start to work again in order to learn more and to further their interests along the lines of food and clothing.

The Home Economics I-A class, which is the first year foods class, had twenty five pupils enrolled and they plan to take up for their first work. The Guidance of Children.

The Home Economics I-B division, which is the first year clothing class, had eighteen pupils enrolled and they will take up the study of "Personality and Personal Relationships."

The Home Economics 2-A class, which is the second year food's class, started the year with thirteen enrolled and they will begin work the first week on "Home Nursing."

fore choose a larger cut-of meat than is needed for one meal and use what is left for sandwiches. Cold meats, such as roast beef, pork, lamb and veal, baked ham, corned beef, boiled tongue, and meat loaf are all excellent for sandwiches when sliced thin. Further variety may be gained in sandwiches by using different kinds of bread and cutting it in different shapes.

Cold, cooked meats may be ground and used to good advantage for sandwich filling. Here is a recipe for one suggested by Inez S. Wilson, home economist.

**Ham Salad Sandwich Filling**  
1 cup ground baked ham  
1 cup celery, chopped very fine  
hard-cooked egg, chopped.  
1 tablespoon cream  
1 teaspoon tomato ketchup  
Few drops Worcestershire sauce.  
Combine ham, celery, and egg, season with ketchup and Worcestershire sauce and moisten with cream. This is especially good with rye bread.

A very satisfying, as well as an easily prepared luncheon for the child who comes home to lunch is a nourishing hot soup and a meat sandwich. I like to serve them together. A creamed vegetable soup, such as potato and carrot soup or a corn chowder, is relished by children, and this is a luncheon menu that the adults will enjoy, too.

**NRA PUTS FUEL CODE UNDER GENERAL C. A.**

The recently created General Code Authority has been placed in charge of the operation of the retail solid fuel industry's code, by order of the National Recovery Administration. The order specified that this action was only temporary, and that the period of its control should be limited to the time required for the industry to elect a new Code Authority of its own in place of the original one which resigned.

This action was taken with the approval of all three NRA advisory boards, representing industry, labor, and the consumer.

The General Code Authority, headed by Dr. Willard Hotchkiss, president of the Armour Institute of Technology, Chicago, was created to supervise operation of "basic codes", simplified pacts adopted by industries whose trade and labor problems do not require elaborate special regulation and organization of their own. Other members are DeLancey Kountze, member of the Industrial Advisory Board of NRA and chairman of the board of Devoe & Reynolds Co., paint and varnish manufacturers; Father Francis J. Haas, member of the Labor Advisory Board, who has a distinguished record in labor mediation and social service; and Stacy May, member of the Consumers Advisory Board, and assistant director of the Rockefeller Foundation.

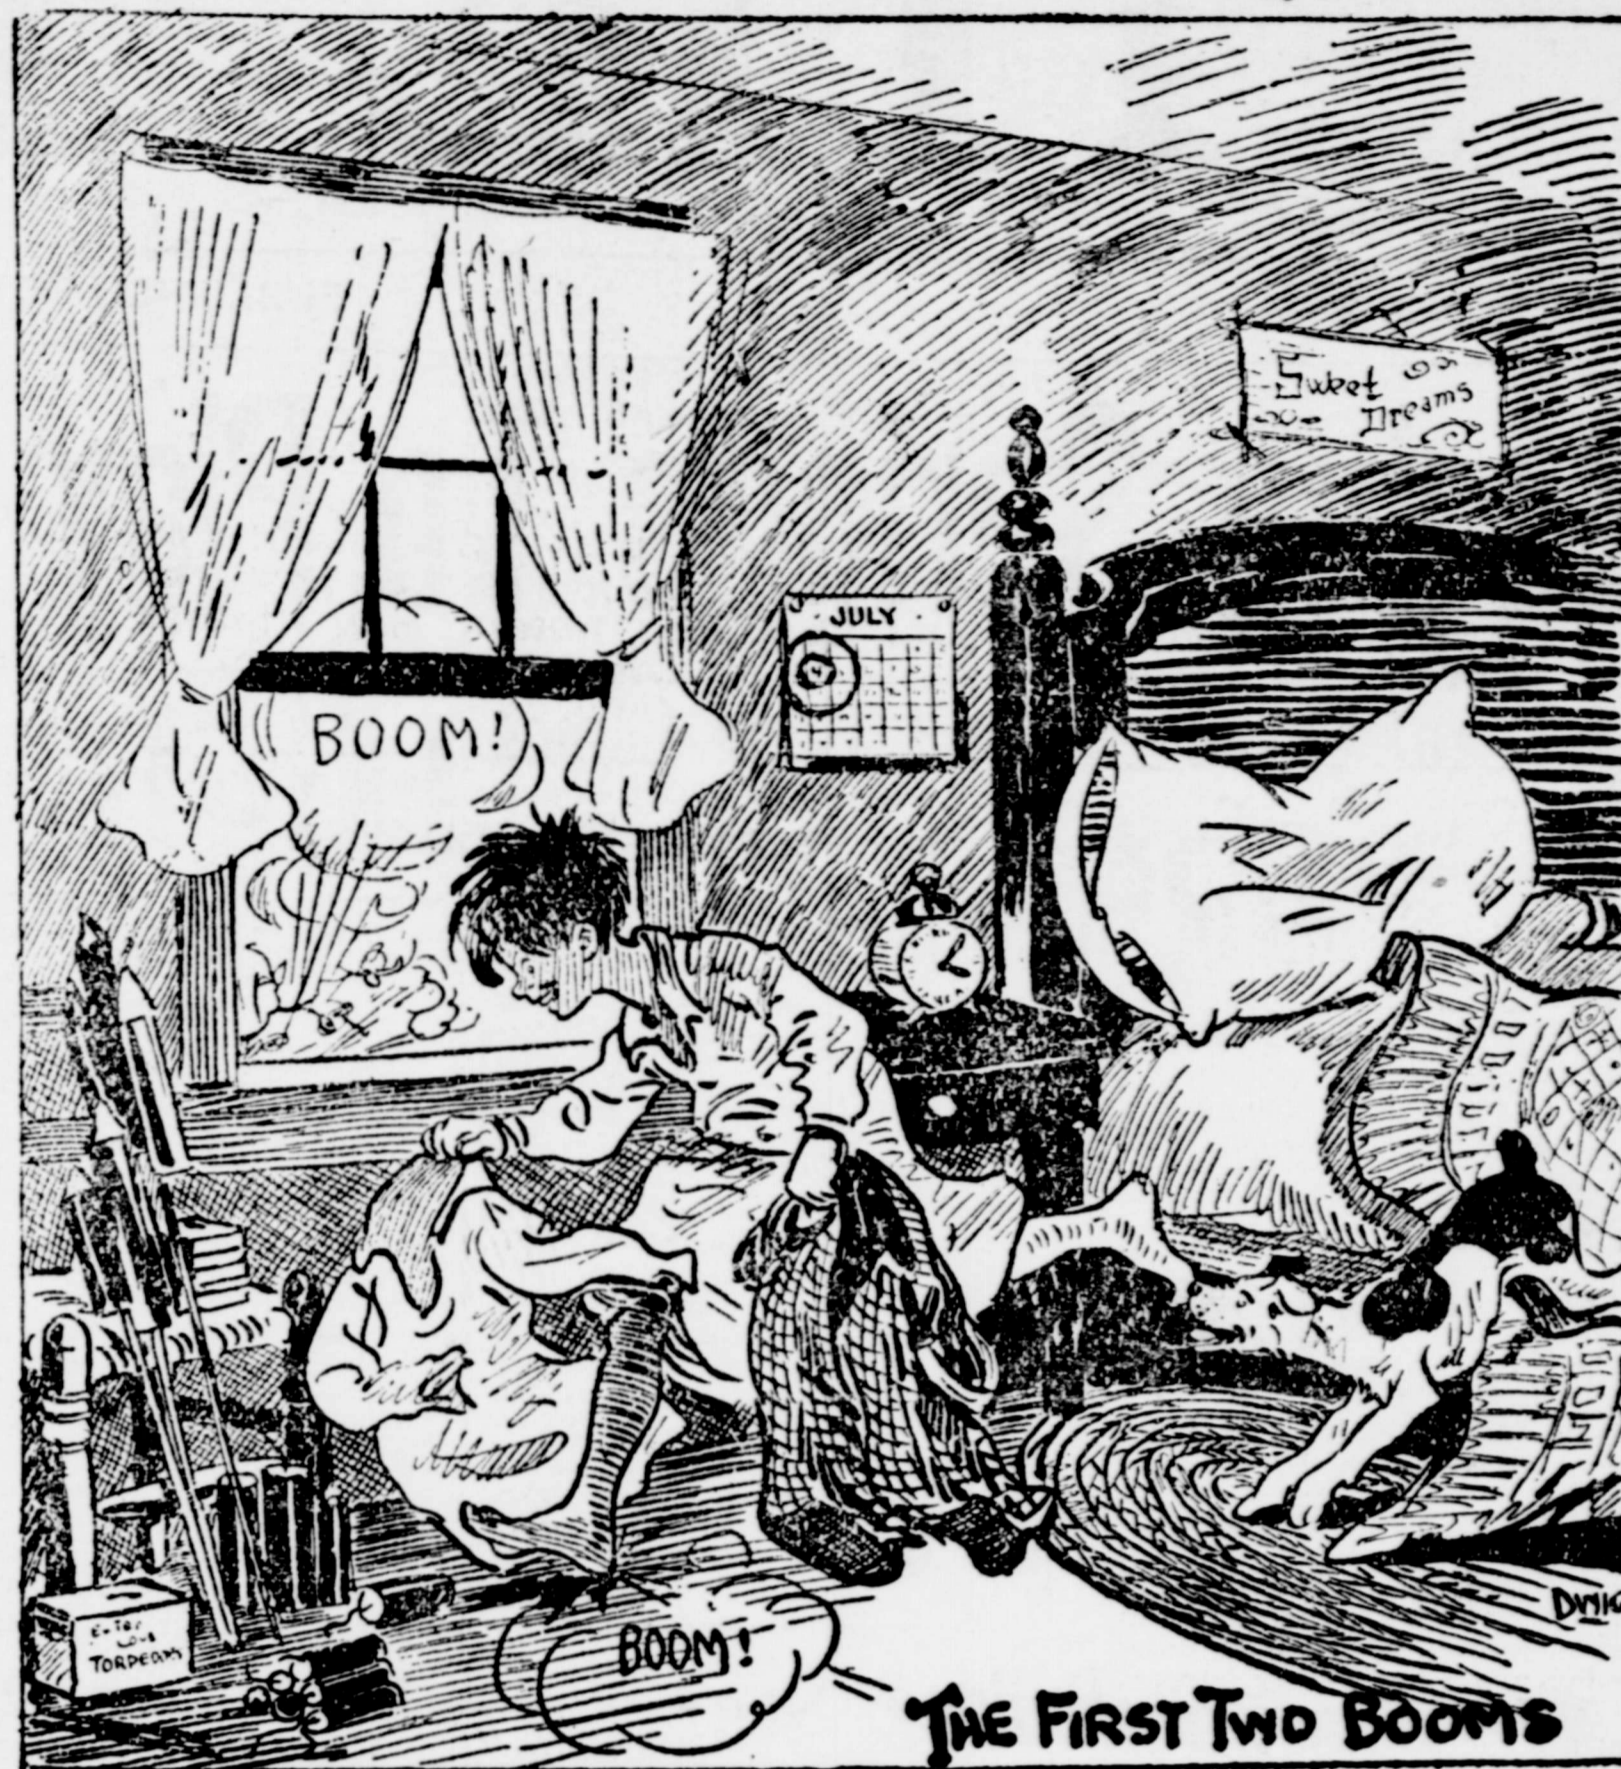

An additional member, familiar with this industry's problems, is to be named to sit on affairs of this one code.

It was pressed into service on the retail solid fuel code by designation as "custodian" pending a new election. The General Authority, as custodian, will be responsible for operation of the industry's national code offices, continuing the existing staff which did not resign with the authority members.

The divisional code authorities will continue to deal through those offices. The former National Code Authority resigned because the Administration required that cost determinations used for establishment of minimum coal prices in many cities be submitted to NRA for review in the consumer's interest before becoming effective.

**HARDIN-SIMMONS TO PLAY IN WICHITA FALLS OCT. 6TH**

Word has been received from Joe E. Ward, Program Chairman of the Sports and Recreation Committee of the Wichita Falls Chamber of Commerce, that one of the most outstanding football games of the season will be played in Wichita Falls on October 6 at 8:00 p. m. The Hardin-Simmons Cowboys will meet the St. Edwards team on that date, and much interest is already being shown in this game.

**DUANE THOMPSON HONORED**

Duane Thompson was honored on his fourth birthday Tuesday when many of his little friends enjoyed an afternoon of entertainment at the home of W. D. Starcher.

Duane was presented with many

gifts. A few games were played, while some of the children entertained themselves by playing with the toys.

The favors were toy airplanes and little dolls. Refreshments of lemonade and cookies were served. The out-of-town guests were: Billie Glenn Vencil, Nancy Jo Beaver, Benny Dell Woody, and Naylon Vencil, all of Girard. The others present were: Ann Hull, Malcolm Brannen, Marion Speer, Emma Pearl Gruben, Willis King, Jean Granberry, Ernestine Berry, and Billie D. Starcher.

**RUMMAGE SALE**

The Ladies Aid of the First Christian Church will have a rummage sale Saturday, September 29 and Monday, October 1, in the Campbell Building, next door to the Spur Motor Company. Be there and get a bargain.

**CARD OF THANKS**

We desire to thank the friends and neighbors who rendered us assistance and sympathy in the illness and death of our mother and grandmother. Every word and deed is sincerely appreciated and we trust we may be of help to you in some way.

Sincerely,  
W. B. Francis Family.

**SAM CLEMMONS APPOINTED SOUTHLAND LIFE AGENT**

Dallas, Texas, September 25—Sam T. Clemmons of Spur, Texas, has been appointed agent for the Southland Life Insurance Company. The Southland Life is one of the strongest companies in the entire South and has more than \$120,000,000 insurance in force.

**MOTHER OF W. B. FRANCIS PASSES AWAY**

Mrs. Ellen J. Francis died at the home of her son, W. B. Francis, on North Carroll Avenue early Thursday morning. Mrs. Francis had been in poor health since Christmas but had been able to be about the place and do some work. She was seriously ill about one week and passed away about 2:20 o'clock Thursday morning.

The body was prepared for burial by Campbell Undertaking Parlor and then shipped to Gurley, Alabama, the old home of Mrs. Francis. Mr. Francis accompanied the body to Gurley where funeral services were held and interment made.

She is survived by four sons: C. D. Francis of New York City; N. R. Francis, a teacher in Yale University but whose home is at Winchester, Tenn.; E. G. Francis of Nashville, Tenn.; and W. B. Francis of Spur with whom he made her home. Her husband, J. P. Francis, passed away at Artesia, N. Mexico, about 23 years ago and the body was taken back to Gurley for burial.

Mrs. Francis had been a citizen of Texas about ten years and had lived in Spur one year. However, in that short period she had made many friends and was becoming widely known here. She became affiliated

with the Presbyterian Church when just a girl and lived a faithful member until her death. She took much interest in church work and received much enjoyment from it. She was a native of Tennessee and was born June 3, 1852. She moved to Alabama and later to New Mexico before coming to Texas.

**EASING PROBLEM OF SCHOOL LUNCHESES**

It is a simple matter to pack a nice school lunch occasionally, but when it comes to packing one every day for eight, nine, or ten months of the year, it becomes quite a problem. The ideal lunches are those which are perfectly balanced from the standpoint of nutrition, are easily packed, and yet different enough from day to day so that there is no monotony—here is where planning ahead helps.

The easiest way to handle the school lunch problem is to plan for them in advance, just as for any other meal. Have fruits, crackers and cookies, sandwich spreads, and jellies on hand for the lunch boxes. On the day be-
