You Need Refrigeration Every Day of the Year

There are only a few days each year that the temperature is low enough for the proper refrigeration of foods. Although foods may not spoil during cold Fall weather, the temperature is not low enough to prevent the growth of bacteria, the real danger of poor refrigeration.

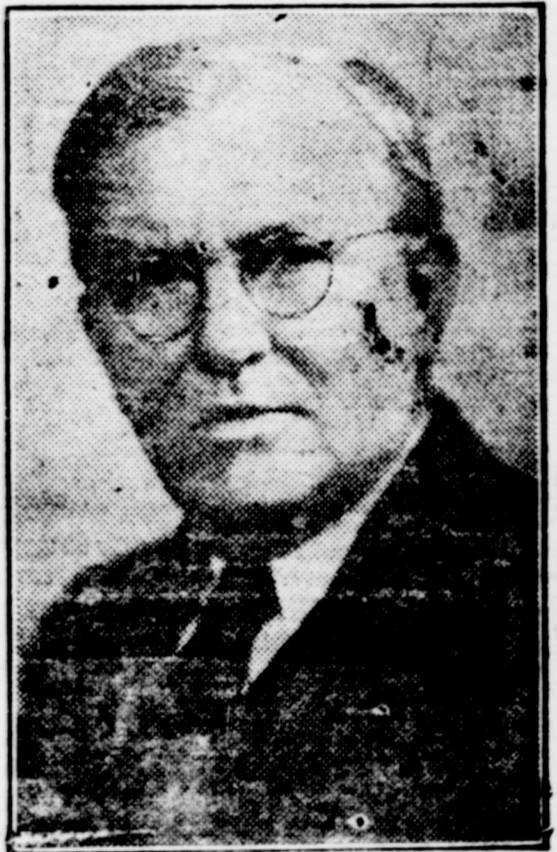

The electrical refrigerator's economy and dependability of operation has been proven. The saving on foods alone makes the investment of your money amply repay you.

To protect your family's health, proper refrigeration is a necessity every day of the year. The cost is no greater than obsolete methods of refrigeration.

Low incentive rates make it possible for you to secure the maximum of benefit at the minimum of expense. Buy safe—buy dependable electrical refrigeration.

CHANDLER CLUB ELECTS NEW OFFICERS

New officers were elected for the Chandler home demonstration club in their meeting Monday at the home of Mrs. J. L. Turpen. Mrs. Turpen was elected president; Mrs. Ruby Lefevre, vice president; Miss Bertha Cooper, secretary and reporter; Mrs. Frank Forbis, parliamentarian; and Mrs. Clark Forbis, council member.

An interesting program was given on Thanksgiving. The next program will be an achievement program at the home of Mrs. H. K. Young. Those present were Mrs. Clark Forbis, Mrs. Frank Forbis, Mrs. J. L. Turpen, Miss Bertha Cooper, Mrs. Coral Turpen and Miss Ola Seales. Bertha Cooper, reporter.

PRAIRIE CHAPEL CLUB HOLDS ACHIEVEMENT

"I have 350 quarts of canned food in my pantry," Mrs. Joe Hale, farm food supply demonstrator for the Prairie Chapel home demonstration club, told her cooperators in their achievement program at her home Wednesday as she took the members to see her cellar. Complete reports were not in from the cooperators and will be given at the next meeting.

The club adjourned to meet with Mrs. J. W. Hilton, Wednesday, November 21. At this meeting officers for the coming year will be elected. Club members present were: Mrs. Leslie Peak, Mrs. W. F. Van Cleave, Mrs. J. W. Hilton, Mrs. Frank Alexander, Mrs. C. W. Van Cleave, Mrs. Joe Hale, and Mrs. Annie Bell Hale. —Reporter.

DEMONSTRATOR EXHIBITS PANTRY

"In spite of the drouth this year I have a good variety of canned foods thanks to having tile in my garden for sub-irrigation. Sub-irrigation is so much better than surface irrigation too since the soil does not pack and it is not so much work to water and does not take as much time or water," Mrs. Joe Hale, farm food supply demonstrator for the Prairie Chapel home demonstration club told her cooperators at the achievement program last week.

"We have a good orchard and berries in the garden so my fruit budget was easily filled. From 200 berry vines we gathered 150 quarts of berries this summer. I have in my pantry 350 quarts of canned fruits, vegetables, and meats valued at \$87.50."

YARD DEMONSTRATOR IS NOT DISCOURAGED

"I am not going to give up my yard improvement plans even though I lost many of the shrubs and trees I put out this spring," says Mrs. H. L. Griffin, yard demonstrator for the Duck Creek home demonstration club. "We terraced the orchard and yard; plowed and leveled the yard and set it in Bermuda grass. We were not able to save the grass. We moved a group of lilacs and I was able to save them. It has been discouraging but I am not going to give up. I hope we will be able to make a real showing next year. I am glad we are going to do yard work in our regular club program next year. A well planted home means so much to the owners, I think," she added.

Yard demonstrators have been enrolled in most of the home demonstration clubs and enrollment will be completed soon. Planting and work plans are being drawn ready for work.

Miss Edith Ince attended the Amarillo-Lubbock football game in Lubbock Monday.

Miss Naomi Lee spent the week end with her mother, who lives near Lubbock.

Joe Giddens, Harvey Giddens and Harrison Durrett were among the Spur people who attended the football game in Lubbock Monday.

Government Reports Show Class Of Local And State Cotton

The Farmers Cooperative Society Gin, Spur, and the Middlebrook Gin, Dickens, which cooperate with the Dallas office of the United States Department of Agriculture, Division of Cotton Marketing, is furnished with the grade and staple of each bale of cotton ginned at these gins, and in addition the weekly cotton report showing the quality of the entire State production. Other representative ginner throughout the State also have their samples classed by the Government and upon all of these the State report is compiled. This report furthermore shows the class of cotton grown in the different soil areas of the State.

Through this bale by bale classing service, which also shows preparation or quality of ginning, ginner are able to give their patrons a better job of ginning; they are also able to advise their patrons what varieties of cotton grown locally are proving most successful in producing a better staple. Thus, farmers trying to improve their cotton are aided by having a reliable source of information on which to base their seed selections. In this manner, farmers can determine whether or not their selection is the most profitable variety to grow on their individual farms. Similarly, they can select the variety of cotton which has proven itself on the soil in question. The ginner and farmers are further benefited by having the Government classification of each bale when they wish to sell their cotton, which is helpful in obtaining a price more nearly in line with the actual value of their product. Such is not always the case when they sell with no knowledge of the class of their cotton.

The local report, as compared to the State report, is summarized as follows:

Grade	Dickens Co.	State
White and Extra White	7.1%	23.1%
Good Middling	56.2	44.1
Strict Middling	8.6	15.4
Middling	4.5	4.5
Strict low and low middling	.2	.2
Below low middling	25.3	10.1
SPOTTED	2.8	2.4
Strict middling-above	2.8	.1
Middling and below	25.3	14.4
Yellow tinged, stained	72.8	55.4
STAPLE (Inches)	1-9	25.2
Shorter than 7-8	5.0	5.0
7-8 and 29-32		
15-16 and 31-32		
1 and longer		

These weekly State reports will be mailed throughout the ginning season to anyone requesting them from the United States Department of Agriculture, Box 1866, Dallas, Texas.

Legislature Ended 4th Called Session Saturday Night

After staying the full thirty days the fourth called session of the 43rd Legislature of Texas adjourned sine die Saturday evening. The last gavel of the House fell at 8:10 o'clock p. m. and the Senate adjourned at 9:48 o'clock p. m. Seven bills introduced by the Senate and 26 bills introduced in the House were sent to the Governor's desk during the session. Two bills were appropriations for \$100,000 and \$30,000 respectively for expenses of the special session. One other bill was the Brazos Valley reclamation bill. The Colorado River Bill passed on the eve of adjournment.

The permanent tax plan bill which passed, payments of taxes is encouraged by a discount system, allowance of three per cent, two per cent and one per cent being granted for payment of taxes the last three months in the year. Penalties on delinquencies were set as follows: one per cent for January, and one per cent additional for each month to five per cent during June, with eight per cent penalty and six per cent interest effective July 1. The discount plan is not effective until 1935, but the reduced penalties on delinquent taxes goes into effect in February. Provisions of the bill are optional with municipalities and school districts.

Another bill intended to give relief on delinquent taxes this year and former years has been signed by the Governor, but because it failed to receive a two-third majority vote in the Senate, it will not become a law until February 8. It releases all penalties and interest on taxes delinquent on August 4, 1934, until March 19. Its provisions are mandatory on all taxing subdivisions of the state.

The centennial bill providing for appropriation of \$5,000,000 to carry on the Centennial program for 1936, was passed by the Senate but failed to receive consideration in the House. After the bill had failed Walter D. Cline, chairman of the executive committee of the Centennial Commission, said the bill would be brought up

again in the regular session of the 44th Legislature which convenes in January.

Failure of Centennial Bill Victory For People

R. L. Young, Sr., of Abilene, feels that the failure of the centennial and tax bills at the close of the special session of the Legislature was a revolt against adding to the people's tax burdens. In the Sunday edition of the Abilene Reporter-News Young had the following statement:

"The matter of a \$5,000,000 appropriation raised by taxes on the people at large may not have been the straw that would break the camel's back, but the principle involved of taxing the whole people and throwing it into any community that hopes to make dollars and cents in return for its own citizenship, if persisted in, would only hasten the day when our people may embrace communism. Peoples and nations do not accept communism because of any studied belief in such a system of government, but they do embrace it, and the trend of European governments proves this, only under stress of circumstances brought on by centralization of government and unbearable taxation. The fact that the people of Texas paid during the year 1933 the staggering sum of \$360,000,000 in taxes proves that the stage of rebellion has about been reached.

"Under present conditions, not one family in ten has the money or suitable clothing to make a trip or attend a celebration of the magnitude contemplated. Not fifteen per cent of the people of Texas has ever seen the Dallas fair and not that proportion of them would attend a celebration there or anywhere else, and if they should, they would leave every cent of money they took with them in the coffers of the city of such attendance. "The people of Texas are deeply sensible of the glorious history of our state and will approve any reasonable plan for perpetuating our story of romance and glamor, but when the proposal runs into dollars and cents, a commercialized affair with the profit all going into the pocket of any particular community, the plain people of Texas want such community to finance itself, and now that the people have triumphed in this fight, they have heartened themselves in their effort to see a better day.

"It all reminds me of a state senator who has been in the legislature more than half a generation and who was red hot for the centennial tax bills. He said to me once that it seemed to him that he had done nothing since entering the legislature except to tax people. I was forced to agree with him, but at that, he seemed proud of his record. The people of Texas should shake hands with themselves and with each other."

A SURPRISE BIRTHDAY DINNER FOR I. W. BARR OF ANTELOPE

On Monday, Nov. 5, 1934, the six sons and their families surprised their father, I. W. Barr, on his 69th birthday with a birthday dinner.

Mr. Carr was born and reared in Clay County, Alabama.

He with his family came to West Texas in 1906, settling in Comanche County. He came to Kent County in 1916, and has lived here ever since.

He is the father of seven children, six sons and one daughter, all living, and 14 living grand children.

The sons, I. H., R. Z., J. C., J. R., D. W. and P. I. with their families were present. The daughter, Mrs. J. J. Blair, of Houston, Texas, was absent.

Mr. Carr and wife went to Spur Monday morning, shopping and returned home at noon and found his sons occupying the living room, grand children playing in the yard, daughters-in-law with smiling faces stationed at the dining room entrance, saying dinner would be served at once.

The long extension dining table with the birthday cake with its 69 lighted candles, as center piece, surrounded by many good things to eat, which was prepared by the six daughters-in-law, was enjoyed by all present.

The grown folks spent the afternoon in conversation, while the children played as only children can.

Supper was served at 5:30 p. m. After which the guests wishing many more birthday for their father, returned to their homes. —Reporter.

IF YOUR BREATH HAS A SMELL YOU CAN'T FEEL WELL

When we eat too much, our food decays in our bowels. Our friends smell this decay coming out of our mouth and call it bad breath. We feel the poison of this decay all over our body.

Mrs. V. M. Hand, and Mrs. R. C. Smith.

CARD OF THANKS

We take this means to express our thanks to the many friends who gave assistance and kind words of sympathy when our dear mother passed away.

Fred Hisey and family. Mrs. Effie Post and family.

Alvin and Claude Stearns of Matador, were business visitors in Spur Tuesday.

HISTORICAL SKETCH OF BANKING BUSINESS IN SPUR

So far as is known the first banking institution in Dickens County was the First National at Dickens. This bank did a good business and after the building of Spur this institution was purchased by the Spur National Bank.

The Spur National Bank was started December 15, 1909, just shortly after the beginning of Spur. It was located in a frame building on the corner where Speer's Variety Store is now located. The building in which the bank made its home later and where the Spur Security Bank is now located was completed and the business moved in about three months later.

The first officers and directors were: R. V. Colbert, President; C. A. Jones, Vice President; W. G. Sherrod, Cashier; C. G. Chandler, first assistant Cashier. Directors: E. P. Swenson, A. J. Swenson, R. V. Colbert, R. C. Forbis, W. T. Andrews, Sr., C. A. Jones, W. G. Sherrod, P. P. Berthelot and S. S. Hastings.

There have been many changes in the official personnel of the bank since it was first organized. In September, 1914, M. E. Manning became cashier. January 10, 1917, C. A. Jones was promoted to the office of president of the bank. M. H. Lee became vice president January 30, 1918, July 1, 1920, W. B. Lee became active vice president and W. T. Andrews, Jr., was elected cashier by the official board. July 30, 1930 there were other changes. C. A. Jones was promoted to the chairmanship of the board. W. B. Lee was made president of the bank. W. T. Andrews, Jr., became vice president and F. G. Collier was made cashier.

The present members of the board are: C. A. Jones, chairman; W. B. Lee, W. T. Andrews, Clifford B. Jones (also a vice president), Geo. S.

Link, W. F. Godfrey and Ned Hogan. December 28, 1933, the name of the bank was changed to Spur Security Bank and the business is being run under that name at this time. It is the only bank in the county in operation.

The First State Bank
The First State Bank was organized in the spring of 1910 and later the name was changed to City National Bank. G. H. Connell was the first president and served in that office many years. E. C. Edmonds was the first cashier and later became president of the bank. Among members of the first board of directors were: Sol Davis, John T. George, Dr. T. E. Standifer. The last board of directors was P. H. Miller, B. Y. Love, C. Hogan, E. C. Edmonds, C. L. Martin and James B. Reed.

When E. C. Edmonds became president of the bank, Mr. Connell was made chairman of the board. C. Hogan became cashier and served until about the first of 1919. H. P. Gibson became assistant cashier in 1918 and remained in that position until 1930. James B. Reed was elected cashier in 1922 and served until the bank closed September 1, 1930.

Another banking institution was started in 1912. This was known as the Farmers & Merchants State Bank and Frank Vernon was the cashier. This bank was in business about two years and was consolidated with the City National Bank in 1914.

COUPLE CELEBRATES 40TH WEDDING ANNIVERSARY

On Sunday, Nov. 4th, Mr. and Mrs. T. W. Woodson, of Girard, Texas, celebrated their 40th wedding anniversary at their home on Duck Creek. Mr. Woodson is 64 years old

Thirty Minute Menu Magic

Even the most carefully planned daily schedule will sometimes go awry and the harassed housewife find herself hurrying home from a prolonged rubber of bridge or a lengthy shopping trip with half an hour at the most left in which to serve an attractive, ample supper. This is the time and opportunity to pull a long cherished, reliable, quickly prepared menu out of the sleeve, Houdini fashion, and set a table that will astound the family who so dourly predicted a slim meal on bridge club evenings. First, be prepared with a generous and varied supply of prepared foods on the pantry shelves—ready-to-serve soups, oven-baked beans, spaghetti, macaroni, canned fish and dried beef, salad dressings, pickles and relishes, jellies and canned fruits. What dependable time and labor and worry savers they will prove to be! Then, of course, the refrigerator will hold a reasonable supply of staples that can be adapted to any need. By combining these two, a successful thirty minute meal will be assured if it is based on either of the following quick time recipes and menus.

(* Indicates recipes given below.)

Chipped Beef, Bacon and Tomato Sandwiches—Separate 1 small jar chipped beef and grill with 12 slices of bacon (notch edges to prevent curling) until crisp, having the beef placed in between the rows of bacon so that the beef may broil in the bacon fat. Toast 18 slices of bread, cut ¼ inch thick, on one side, and spread the untoasted side with a thin layer of butter and then a very thin layer of Prepared Brown or Yellow Mustard. On the untoasted side of 6 slices of bread, place 2 strips of bacon and enough chipped beef to cover. Top with slices of toast, having the untoasted side down, then arrange a layer of thinly sliced tomatoes (2 tomatoes will be needed) and a leaf of lettuce on each, and top with slices of toast.

Baked Pears—Peel pears, cut in halves and core. Sprinkle generously with either white or brown sugar and dot with bits of butter. Add only enough water to keep from cooking dry (about ¼ cup) and bake in a moderate oven (350° to 400° F.) either covered or uncovered, until tender. If desired, while the fruit is still hot, place a marshmallow on each half pear and it will melt slightly. Serve warm or cold, with or without cream.

Grilled Tomatoes in Bacon Jackets—For each serving, use 2 strips bacon, notching edges with sharp paring knife to prevent curling when cooking. Cross bacon in center, and on top of cross place ½ of a tomato, with cut side up. Spread tomato with a thin layer of Prepared Brown or Yellow Mustard and ½ tablespoon brown sugar, and then sprinkle with salt. Bring ends of bacon to center of tomato, overlapping and securing them with a toothpick. Place in a shallow pan and bake in a moderately hot oven (425° F.) for 20 minutes. Garnish by placing a

Preserved Sweet Pickled Onion on each toothpick.

Butterscotch Refrigerator Cookies—Combine 2/3 cup granulated sugar and ½ cup brown sugar and add ¾ cup melted shortening (measured, then melted), using part butter. Add 2 eggs and mix well, then add 1 teaspoon vanilla. Sift 3 cups pastry flour (sifted once before measuring) with ½ teaspoon soda, add to butter mixture and mix well. Add 1 cup Rice Flakes (measured, then crushed). Pack into a pan lined with waxed paper and chill at least six hours before baking. Slice very thinly and bake in a hot oven (425° F.) for about 5 minutes. Makes 4 dozen cookies.

to Mr. Hisey in Missouri. Three years later she and her husband came to Texas. They moved to Dickens County in 1911 and have made their home here ever since. Mr. Hisey passed away in December 1926 and after that Mrs. Hisey moved into town where she could be near some of her children and near friends. Early in life Mrs. Hisey made a profession of Christian religion and joined the Baptist Church. She lived a member of that church until her death, or nearly 70 years. She was the last member of her immediate family, not being survived either a brother or sister. She is survived by five children, four sons and one daughter. Mrs. Effie Post of Waco, Wes Hisey of Amarillo, H. Hisey of Haskell, and Kim and Fred Hisey of Spur. There are

23 grandchildren and five great grandchildren in the family.

PATTON SPRINGS SENIORS ENTERTAIN
The Senior Class of Patton Springs high school was entertained with a football party, Friday night, November 9, by Miss Amelia Hargis, sponsor of the class, at the home of Mrs. Carl Randolph. The members of the football team were invited as guests of the seniors. Miniature football and other interesting games were played. Refreshments of punch and cake were served to the forty guests. and Mrs. Woodson is 59. Mr. Woodson came to Texas from Missouri in 1889. Mrs. Woodson, who was Miss Rena Matthews before her marriage to Mr. Woodson, came from Alabama in 1870. They have seen many changes in West Texas. They are members of the Methodist Church and have been since boy and girlhood.

There were a number of relatives present at the noon hour who enjoyed a nice dinner. And in the afternoon a number of relatives from Spur and Lubbock came out to be with the couple.

The ones present were: Mr. and Mrs. R. W. Matthews and daughter of Lubbock, Mrs. T. C. Ensey and family of Spur, Mr. and Mrs. W. C. Gruben and family of Spur, Mr. and Mrs. Loyd Matthews and daughter, Mrs. W. H. Edwards and family of Rotan, Mr. and Mrs. Jess Brooks and daughter, Mr. and Mrs. Rube Woodson and daughter of Girard. Also, Miss Allene Woodson, who is the only child at home with her parents.

The day was enjoyed by all present. And we all wish this couple happy anniversaries in the years to come. —Contributed.

MRS. HISEY PASSES AWAY

Mrs. D. G. Hisey passed away at her residence at 507 N. Carroll Avenue Friday morning. Mrs. Hisey seemed to be in the best of health Friday morning and was going about the place doing her work, and when a relative went in for dinner about 12:00 o'clock she was found lying on the floor dead. It is thought heart trouble was the cause of death.

The body was prepared for burial by Campbell's undertaking parlor and funeral services were held at 11:30 Saturday morning at the First Baptist Church. Rev. J. V. Bilberry, a long time friend of the family, delivered the funeral oration. Six granddaughters served as flower bearers: Misses Helen Hisey, Roberta Hisey, Billie Hisey, of Spur; Ruby Hisey of Haskell, Faye Rogers of Amarillo, and Dorothy Dremann of Archer City. Six grandsons acted as pallbearers: Jack Rogers and P. G. Hisey of Amarillo, Commie Hisey, Thomas Cawthon, Dallas Hisey and Carlin Gaines, all of Spur. Interment followed in Spur cemetery. Webber Williams acting as funeral director.

Mrs. Hisey's maiden name was Miss Mariah M. Capps. She was born in Lincoln County, Mo., January 16, 1854, and passed her 80th birthday anniversary last January. When she was 15 years of age she was married
