## STALCUP GIVEN ELECTRIC CHAIR FOR MURDER OF W. B. ARTHUR IN TRIAL HELD AT LUBBOCK

Virgil Stalcup, on trial in the 99th District Court, Lubbock, was given the death penalty by the jury just after nine o'clock Tuesday morning. The trial which required most of last week in the selection of a jury and the assembling of evidence, was argued before the court Monday and went to the jury at five o'clock Monday afternoon. Stalcup was accused and convicted of the murder of Sheriff Bill Arthur in a jail break October 27. Notice of appeal was given by defense attorneys.

Stalcup was returned to jail at Lubbock after the verdict was rendered. Whether he will remain at Lubbock or be sent to the state prison to be serving on his already 254 years of prison sentence until the appeal is decided is not known. He was carefully guarded during the trial last week and especially Tuesday morning when the jury rendered the verdict. About 100 people were in the courtroom when the jury reported.

Clarence Brown, an accused accomplice in the murder of Sheriff Arthur will be tried before the 99th District Court next week. Just how long will be required to get through with the Brown trial is not known, but many think it will require less time than with Stalcup. It was the plea of defense attorneys that Sheriff Arthur could have been slain by Brown, or by W. J. Yarbrough who was in the Dickens jail at the time and who is under seven years sentence for shooting Mr. Arthur last summer.

Attorneys for the defense were: W. D. Benson, Jr., Robert J. Allen and Hugh Anderson. On the prosecution were: District Attorney Alton B. Chapman of Spur, District Attorney Dan A. Blair and his assistant Burton S. Burks, two special prosecutors George Dupree and W. D. Wilson, all of Lubbock.

### GOOD REPORT FROM

#### STEEL HILL SCHOOL

It seems from the reports coming from Steel Hill school that they are doing things out there. People are showing much interest in the school there and patrons, teachers and pupils work together to make it an ideal school.

Not long ago the patrons went in and built a new coal house at a cost of \$35.00. There was another work meeting held at which time gravel was hauled and all walks about the school grounds were graveled and the children now can go about the grounds during wet weather without having to wade mud.

Most of the activities of the school are carried on through the P. T. A. organization of which Mrs. Carl Patton is president. This organization meets twice each month, one meeting being devoted to recreational programs and the other meeting to business and study. On Thursday night the P. T. A. will sponsor a play which is being given by the school children. The title of this play is "The Alley Daffodil". It is to be a benefit program for the school. Then on Friday night, February 22, the organization will hold its regular meeting which will be a Washington Birthday program.

The Steel Hill P. T. A. took off the honors at the County P. T. A. Council meeting held at McAdoo February 2. A banner is awarded by the County Superintendent for the P. T. A. organization that has the largest number in attendance at the county council meeting. Steel Hill was present with 46 representatives. The community takes a pride in saying they have the best P. T. A. in the county and say they are willing to make the statement stand up if another P. T. A. desires to extend a challenge.

Steel Hill is a two-teacher school. H. P. Hargis is principal and Mrs. Coy McMahan is the assistant. It is a grammar school doing fine work. All the high school students come to Spur where they can have proper high school advantages, but the grade work at Steel Hill is excellent.

Carl Proctor was called to Kaufman Monday to be with his father who is reported to be very ill at this time. Mr. Proctor was accompanied to Dallas by Sam Clemmons.

### JUNIOR BASKETBALL TOURNAMENT AT DICKENS

The Junior Basketball Tournament will be held at Dickens, February 15. This is the county tournament. All teams made up of grade juniors are eligible. Play will start at seven o'clock p. m. The first round of teams will play as follows:

Patton Springs vs. McAdoo at 7:00.  
Dry Lake vs. Steel Hill at 7:40.  
Prairie Chapel vs. Dickens at 8:30.  
Slight admission charge of ten or fifteen cents will be used to pay for use of the gym and to buy trophies for the winning team.

### Program For Workers' Meeting February 21-22

The next workers' meeting of the Dickens County Baptist Association will be held with the church at Midway beginning Thursday night and continuing through Friday, February 21-22. The services Thursday night, February 21, will consist of song services and a sermon by James Terry, pastor of the Baptist Church at Dickens. These services will begin about 7:30 o'clock. The program for the remainder of the meeting is outlined as follows:

**Friday Morning, Feb. 22**  
9:45. Song service.  
10:00. Address—Were the Foolish Virgins Saved, by H. T. Harris.  
10:30. Address—Was the one talent man saved? If not, why? Wayne Grizzle.  
11:00. Sermon—Subject: Signs of the second coming of Christ. A. P. Stokes.

**Friday Afternoon**  
1:30. Message from Rev. 22, 18-19 by M. F. Ewton.  
2:15. Message from I John 5:8, by W. B. Bennett.  
2:45. Some of the needs of our churches today. Talk by J. V. Bilberry.  
3:15. Business session.  
Adjournment.

The pastor, C. L. Edwards, and the church membership at Midway extend a cordial invitation to everybody to attend the workers' meeting and be their guests on the above dates.

### ATTENDS STORE MEETING

R. L. Tolbert, local manager for the Safeway Stores, was in Abilene Sunday attending a meeting of store managers. During the meeting Mr. Tolbert stated that it was brought out that all the managers except him had enjoyed good rains and he thought they were going to throw him out. However, he prevailed on them to be tolerant a little while longer, impressing them that if they had enjoyed good rains that Spur country will get rain before long.

### TO BENEFIT CITY LIBRARY

There will be a rummage sale in the Campbell Building, Saturday, February 16, for the benefit of the City Library. Those in charge of the library will appreciate the cooperation of the people in this sale. More people now are reading books from the city library than have ever done so before. Help to keep the library up to standard by patronizing the rummage sale Saturday at the Campbell building.

### THE FIRST CHRISTIAN CHURCH

Next Sunday night at 7:15 the ladies will have charge of a "Woman's Day Program." This program is given that others may know the work they are doing. Every member is urged to be present, especially all ladies of the church.

Sunday School at 10 A. M.  
Morning Worship at 11 A. M.  
The public is cordially invited to worship with us.  
R. C. Brown, Pastor.

### OUR OPINION IS

That good conduct is the kind the truth does not hurt.

Spencer Campbell, a student in Texas Tech, spent the week end with his parents, Mr. and Mrs. W. S. Campbell.

### Motley County Farmers Here Monday

A number of Motley County farmers were in our city Monday going over the work of the Spur Experiment Station. They were interested in dry farming projects which includes contouring and terracing. Also, they were inspecting the method of constructing pit silos which may be observed at the local experiment station.

W. L. McWilliams, one of the number, stated that it begins to look as though farmers will be forced to try dry farming methods in this country if any crops are made. He said that it is getting time for farmers to get their farming more on a business basis and if the Spur Experiment Station has any information helpful to farmers that he wants to get it.

Those of the party were: R. L. Jameson, R. L. Jameson, Jr., F. C. Harrow, Joe Bloodworth, Tom Tilson and R. L. McWilliams, all of Whiteflat.

### INSTALL DRY CLEANER FILTER AT SPUR TAILORS

The installation of a dry cleaner filter was completed and put into service the first of this week at the Spur Tailors. Jno. A. Moore, manager, stated that the filter was of the latest design and was a very important addition to their equipment. The liquid used in the dry cleaning machine is automatically run through this filter before being used to clean another lot of clothes. The filter removes all dirt, grease and other impurities from the liquid, making it possible to turn out much cleaner, brighter looking clothes in a shorter length of time.

### Patton Springs Girls Win County Basketball Championship

Patton Springs and Dickens girls teams played basketball for county championship at the Dickens gymnasium Friday night with the result that Patton Springs won with a score of 33 to 8. It was a very hotly contested battle at least for the first quarter, both teams working hard to see which could make the first goal.

Both teams in the contest are very efficient. A number of the players in the Patton Springs team had been members of the old Croton team which had won the county championship a number of years.

McAdoo and Dumont teams were expected to be in the tournament Friday night, but for some reason did not enter. It is reported that Dumont will enter the King County tournament, and according to location it seems they properly belong in that county.

Dickens boys won the county championship in basketball at the tournament held at Dickens February 1-2. In the draw for games Patton Springs played McAdoo and won, then Dickens played both McAdoo and Patton Springs winning over both teams.

At the tournament Friday night Patton Springs boys and Dickens boys played a post season game to a tie of 17-17. The game was extended for another quarter and Patton Springs won 20 to 18.

Coaches for the various teams are: Patton Springs girls, Mrs. Sam Koonsman; boys, C. W. Giesecke. For Dickens, girls, Mrs. Robertson; boys, Mr. Young.

Dickens school has a good gymnasium and the various schools over the county have some great times in tournaments as guests of Dickens. The people at Dickens are very nice in extending the use of their gymnasium to other schools.

### BAPTIST NOTES

Sunday morning Pastor M. F. Ewton will deliver the third sermon in the series "What Baptist Believe" and the discussion Sunday will be "What Baptist Believe about the Plan of Salvation." Large crowds are hearing these discussions with interest, pleasure and profit and we invite you to come and worship with us. Sunday night the B. T. U. begins at 6:30 and preaching service at 7:30. The subject for the evening hour will be "A Dead Man's Prayer." Our prayer is that your worship with us may prove a benediction to your own soul.—Reporter.

Miss Mabel King, who is teaching in Peacock, spent the week end here with her parents, Mr. and Mrs. J. L. Rosamond.

### Local P. T. A. Holds Meeting

The Spur Parent-Teachers' Association held their regular monthly meeting at the East Side school Tuesday afternoon. A very interesting program was presented which was both entertaining and instructive.

A number of small girls gave some acrobatic stunts which were worth seeing.

The program for the day was the Founding of P. T. A. Work. Mrs. Zachry conducted a Candle Lighting Service which included an historical sketch of the founding of the organization and the work it has fostered. A candle was lighted in honor of the founders, another candle was lighted in honor of the national organization and its president, a third candle was lighted in honor of the state organization and its work, and one for the district organization president. A candle was lighted in honor of the local organization by the president. A candle was lighted in honor of the teachers who are standing by the work of the P. T. A. and another candle was lighted in honor of the children and their training. Then a candle was lighted for each of the past presidents of the local organization, and five of the ex-officers were present for the ceremony.

At the close of this section of the program a business session was called and the business transacted. A home study course is outlined and all persons desiring to take this course are to meet at the home of Mrs. Weaver at seven o'clock next Monday evening. It was voted to send delegates to the district convention at Plainview, March 16. A motion empowering the president to appoint delegates to the county council, carried unanimously.

A letter from the district president was read. The publicity committee gave an interesting report, and the committee on publications gave a fine report and made some excellent recommendations.

The program was taken up again and Mr. Murley made a fine talk and gave some fine illustrations on Good Posture. It would have been valuable to any parent to have heard Mr. Murley's talk on this subject. Mrs. Laverty gave some good ideas on plays which were worthy of consideration.

The president announced that March 2 is school visitation day and that parents all over the United States would visit schools that day. She admonished parents to visit their schools on that day as it would be an encouragement to the children.

The next P. T. A. meeting will be held at the Junior High school second Tuesday in March. The next meeting will be for ladies only and it looks as if the men will have to remain at home to look after the children during that meeting.

### Beauty School At Lubbock Feb. 18-20

Walter Wilson, Dallas; F. Charles, Denver; and Dr. Herbert C. Hughes, Amarillo, will be featured on a three day beauty school and equipment show for West Texas and Eastern New Mexico beauty parlor owners and operators, Feb. 18, 19 and 20, Joe W. Harris, Manager of the Lubbock Beauty Supply, has announced.

The latest styles and the latest shop equipment will be exhibited at the show.

The visitors will be guests of the Lubbock Beauty Supply at dances each evening at the Lubbock Hotel.

Seventeen major manufacturers of shop supplies and furniture have agreed to have representatives and exhibit space at the show, Harris says.

Dr. O. W. English, Lubbock, who recently returned from an extended research study in Vienna, Austria, will discuss the relation of beauty to the ductless glands.

**FOR SALE—Nice bright bundle feed with plenty of grain on it. Also, can furnish heads, sorghum and other types of feed. If you are in need of feed, please leave your orders at the Times Office, stating the amount and kind you want. CAL MARTIN 1-2444**

Carl Denson, of Boerne, is visiting his mother, Mrs. Callie Denson, and his sisters, Misses Flora and Leona Denson, this week.

Miss Era Belle Hogan, who has been in Lubbock attending Texas Tech, came home the last of the week to be with her parents.

### GET YOUR FARM ENUMERATED

K. C. Holmes, district supervisor of agricultural census enumeration at Lubbock, states that county enumerators were unable to get every farm enumerated during the allotted time because when the enumerators were going over their territories they found a number of farmers away from home. This work is being done by the Department of Commerce under the Bureau of Census, and it is very important that the government have the information requested by this farm census.

It is the request of the Census Bureau that farmers try to cooperate with the government in this work, and if there are any farmers who failed to be enumerated during the period allotted, that you get in touch with your local enumerator and have your farm listed, or write the district office at Lubbock, K. C. Holmes, Supervisor.

The information you give is not given out to any one and it does not have effect on your taxes or any other expenses of your farm. In fact, any enumerator or census supervisor violates the law and can be severely punished when convicted, if they give out any information about the work on any farm census report.

### Ex-Convict To Lecture Tonight

Twenty years ago the name Sam Taylor was on the tongue of American citizenship and his record as a convict was well known to every peace officer in the Middle West. He went to the Missouri penitentiary in 1918 with Mattie Howard, the "girl with the agate eyes," as a conspirator in the murder of Joseph Merino, wealthy jeweler.

Mr. Taylor will deliver a series of lectures and sermons at the Assembly of God Church on Cowan Avenue just south of the East Side school in Spur beginning tonight (Thursday). He will lecture and preach each evening at seven o'clock, closing the services Sunday evening. The theme of Mr. Taylor's sermons is that young people go straight and live honorable lives. He emphasizes, also, that while he was a sinner against God and mankind, that he found a Saviour who took him in and made a new creature of him.

Mr. Taylor stated in the Times office this week that he gave up home, friends, relatives and everything for a career of crime which resulted in years of toil and trouble. Since coming to Spur he located a sister, Mrs. Anderson, here from whom he had not heard in more than 20 years. He spent 23 years in prison and now is going about our country telling people that such a career does not pay.

Four years ago Mr. Taylor became converted to the Christian religion. He was in prison at that time and served until November 24, 1933, when he received freedom. Since February, 1934, he has been on evangelistic tours over the country delivering sermons and lectures to the people in regard to the ill effects of a wayward life. He stated that while in Spur he will deliver his message in the 79th church in the West.

Being asked if a man in crime ever gets to where he does not realize his condition, Mr. Taylor remarked that "man gets to where he does not care; gets to where he has no conscience of right and wrong; gets to where he will do anything to accomplish his selfish desires."

Mr. Taylor related how he went to a grocer in Kansas City and acknowledged that he had blown his safe at a certain time. Mr. Taylor had become a Christian before he made this confession and felt that he must in some manner make things right with the grocer. When told the story the grocer became enraged and had Mr. Taylor put in jail, but later relented and asked that he be turned loose. Taylor got \$840 from the safe. Mr. Taylor has a picture which was produced in the Kansas City Star about this incident and laughs about how he was treated when he wanted to square things up.

Mr. Taylor says that convicts can do right if they want to, but it takes the love of God in a man's heart to make him square.

He says he hopes people will go to hear his messages as he hopes he will be of benefit to the public. His first message will be tonight at seven o'clock and the others will follow each

### Secures More Aid For Schools

Supt. Sam Hall and R. B. Neilson, high school principal, returned from Austin Tuesday where they had been on business for Spur schools. They secured special aid of between \$3,000 and \$4,000 for Spur schools which will mean a great help at this time. The past year has been a trying one and while people want to pay their school taxes, in many instances it is almost an impossibility for some to do so. Hence, the special aid will help materially in our school work in defraying expenses.

### EPWORTH LEAGUE TO PRESENT PLAY FRIDAY NIGHT

The Epworth League of the Spur Methodist Church will present a play, "Hearts Are Trumps" at the Palace Theatre Friday evening. The cast is all home talent and well directed. A couple of shorts will be run on a screen as part of the program. The Leaguers will appreciate your attendance.

### MRS. GOLDING'S SISTER PASSES AWAY

Mrs. M. C. Golding received a message Sunday night that her sister, Mrs. Simon Wiel of Corpus Christi, had just passed away. Mrs. Wiel had been ill for about three weeks but was thought to be improving when it seems a change for the worse occurred.

The message came about two o'clock Monday morning and Mr. and Mrs. Golding left about three that morning for Corpus Christi to attend the funeral services which were held Tuesday morning. Interment followed in a Corpus Christi cemetery.

The deceased is survived by her husband, one brother, H. B. Schwarz of Hempstead, three sisters—Mrs. H. H. Hoffman of Houston, Mrs. Jack Roos of Dallas and Mrs. Golding.

### NEW BOOKS IN CITY LIBRARY

The following books have recently been added to the City Library: "So Red the Rose," by Stark Young. This is a grand book of the glamorous and romantic "Old South" covering the period of a few months before and during the War Between the States.

"White Rome Burns" by Alexander Woolcott.

"City Editor" by Stanley Walker. "The Gentlemen in the White Hats" by C. L. Douglass, true stories of the Texas Rangers since the time of the organization of that group.

Bartlett's Familiar Quotations. "Highland Twilight" by Isabel Ross.

"Mary Peters" by Mary Ellen Chase, a novel of the Maine Coast during the last sixty years, centered in the life of a seafaring family.

"Out of the Dark" by Geo. Gibbs, an entertaining mystery story. "A Lantern in Her Hand," by Bess Streeter Aldrich.

"White Bird Flying." Are you reading from this splendid library? You pay 25 cents for a magazine you discard in a week—that's all right—but you can read from the City Library for two months for 25 cents. Join now.

Mrs. J. J. Hail, of Throckmorton, former resident of Spur, spent the week end as the guest of Mrs. O. Moore Hall and other friends. Mrs. Hail was returning home from a visit with a daughter at Canyon.

Harry Patton (Uncle Harry) has bought the Brown Cafe in south part of town and is now in charge. Mr. Patton is an experienced man in the business and is one of the best cooks in this country. He will be glad to meet his friends there.

Mr. and Mrs. John Alexander, of McAdoo, were doing some trading in our city Tuesday. Freeman Thacker and Foster Ragland, of Roaring Springs, were attending to business matters in our city Wednesday.

Mrs. Jack Barton, of Afton, was doing some shopping in our city Saturday.

evening, closing Sunday night. He says from now on he wants to be honest with himself, with God and with his fellow man, and in a small measure try to make up for the life he wasted.

**BIBLE LECTURE COURSE AT A. C. C. FEBRUARY 17**

A larger program than ever before is being prepared for the Seventeenth Annual Bible Lectureship of Abilene Christian College February 17-23, according to a statement from President Jas. F. Cox this week. At the lectureship, last year more than four hundred visitors registered from nine different states.

Nine well known speakers from six states have accepted invitations to speak in the series. "The Church of Apostolic Times and the Church Today" is the general subject for the lectureship. Speakers who will appear are Batsell Baxter, Abilene; J. N. Armstrong, president Harding College, Searcy, Arkansas; E. H. Ijams, President, David Lipscomb College, Nashville, Tennessee; W. S. Long of Chicago; R. B. Sweet, Austin; C. A. Norred, Oklahoma City; John Allen Hudson, Tulsa; Oscar Smith, Houston; and Earnest Beam from Long Beach.

A new feature of the lectureship this year will be a short course in church service taught by Abilene Christian College officials and teachers, February 11-16, immediately preceding the regular lectureship. Church music, leadership, Bible teaching, and all phases of work and service in the Church will be covered in six sessions of two hours each.

President Jas. F. Cox, Dean Walter H. Adams, Dr. G. C. Morlan, Vice president Don H. Morris, Batsell Baxter, Chas. H. Robertson, and Leonard Burford, will teach in the course.

**MOST PROMINENT WORDS "IF AND BUT"**

If Adam and Eve had been less cute, And had not eat the forbidden fruit, And had not made that fig leaf suit, They would not have been kicked out to root.

But, if they had been left within, They would not got that suit of skin. Gen. 3.

If Sampson had been a bit more wise, And had been more like our modern guys, And had told his wife a few more lies, He might not lost his hair and eyes. But since he went and told her all, And left naught out, either great or small, He lost his life in that great fall.

If Job had cussed the Lord and died, And did as his wife and friends all tried, Had not in God such trust confide, In that Great Day would be denied, But, since he claimed the Lord his best friend, And stayed quite true to the end, God gave him much more to spend. Book of Job.

If modern man would use more sense, And put their wives on their side the fence, And made them know they came from thence, They would be to them much less expense. Acts 18

But since he gave her equal rights, And let's her wear the pants and tight's, That causes many modern fights. Jude 3.

Friday night, January 8th, a program was presented in the McAdoo high school auditorium.

A number of improvements are being made in our school. The bleachers in the gymnasium are to be completed in the near future.

WAKE UP YOUR LIVER BILE— WITHOUT CALOMEL

And You'll Jump Out of Bed in the Morning Rarin' to Go

If you feel sour and sunk and the world looks punk, don't swallow a lot of salts, mineral water, etc.

For they can't do it. They only move the bowels and a mere movement doesn't get at the cause.

It takes those good, old CARTER'S LITTLE LIVER PILLS to get those two pounds of bile flowing freely and make you feel "up and up."

ing are being washed and cleaned. The pipes that are used in irrigating the trees on the school ground are to be taken up, cleaned out and relaid.

The school as a whole is preparing for the Interscholastic League contests. Last Wednesday morning February 6, Crosbyton high school came down and entertained us with a chapel program.

YARD DEMONSTRATOR ENLARGES LAWN

Moving a fence to enlarge the front lawn is one of the first things Mrs. Floyd Barnett will have done in her work as yard improvement demonstrator for the Soldier Mound home demonstration club. When the fence is moved soil will be added to the old driveway and all of it and the present yard worked up ready to set Bermuda grass roots the latter part of this month.

Mrs. Barnett has started a rose garden in the back yard. Her plan for foundation plantings includes evergreens, blooming shrubs and native shrubs. She will not set the evergreens until December but several of the blooming shrubs have already been set; others and more native shrubs will be placed soon.

Shade trees and fruit trees are already growing in the side and back yard. The planting plan provides for Chinese elms to be set to give shade for an out-door living room.

DEMONSTRATOR HAS LAID WALK

"We have completed the flagstone walk of large flat rocks from the front door to the gate and we are going to make one or two more," reports Mr. R. Y. Allen of McAdoo, whose wife is yard improvement demonstrator for the McAdoo home demonstration club. "I have spaded up the yard ready to plant Bermuda grass. We have set some native shrubs and have several blooming shrubs to move from the center of the lawn."

The planting plan Mr. and Mrs. Allen are following provides for native shrubs as cedar, wild plum, wild currant, bear grass and sage to be used as foundation plantings. The lilacs, bride's wreath, and hibiscus they already had will be used with the native shrubs to add color. They put trees out several years ago and these already provide shade on either side. Four black walnut trees were set in the back yard.

CLUB STUDIES AAA

The AAA is trying to help bring justice to the farmer, to improve our distribution system, and to do away with over-production the Duck Creek

home demonstration women learned in their program on the meaning of the AAA Wednesday afternoon at the home of Mrs. J. L. Hagins.

Club members present were Mesdames R. J. Griffin, O. L. Driggers, J. L. Hagins, C. R. Bennett, E. E. Hagins, I. S. Clower, Miss Cora Durham and three new members, Mrs. J. L. Latham, Mrs. H. Matlock and Mrs. L. S. Gilmore. Visitors present were Mrs. J. W. Carlisle and Mrs. Sue Patterson from the Steel Hill club and Mrs. Ab Bingham. —Reporter.

CLUB HAS GOOD MEETING

An interesting reading was given in the opening program when the Chandler home demonstration club met Monday with Mrs. Lee Turpen. The Meaning of the Agricultural Adjustment Administration was given by the council members.

Mrs. Clark Forbis was appointed chairman of the program committee and Mrs. Ruby Lefevre chairman of the expansion committee.

Club members present were Mrs. Clark Forbis, Mrs. Ruby Lefevre, Mrs. Les Turpen, Miss Bertha Cooper, Mrs. B. A. Goss and a new member, Mrs. Pierce Goss. Mrs. Ida Lefevre and Mrs. Coral Turpen were visitors. —Reporter.

MEANING OF AAA

The meaning of AAA was given by three club members at the Espuela Club Thursday afternoon at the home of Mrs. Roy Johnson. This Act is to farmers plan agriculture more intelligently. And the only way to solve this problem is for the farm people to cooperate.

The members present were: Mesdames F. B. Crockett, John Sharp, E. L. Spivey, W. A. Harris, W. E. Ball, R. C. McMahan, Roy Johnson, Misses Ruth Spivey and Daisy Ball. Visitors present were: Mrs. W. J. Ball, Mrs. Wiley Morgan, Mrs. Rowena Moseley, Mrs. Henry Dutton and Mrs. Kim-mell. —Reporter.

NATIVE SHRUBS

"We should learn to appreciate our native plants," said Miss Pratt in her yard demonstration to the Soldier Mound club women. She also gave a lesson on gardening. She suggested that we make a definite plan on paper for our garden and follow this plan in planting.

Those present were: Mesdames Sam Nalley, Geo. Nalley, I. E. Abernathy, Jno. Bachman, Miss Pratt and Mrs.

Floyd Barnett, a new member.

We invite every woman in the community to meet with us at 2:30 February 21 at Soldier Mound church. —Reporter.

SHERIFF'S SALE

STATE OF TEXAS County of Dickens

By virtue of an Order of Sale issued out of the Honorable District Court of Dickens County, on the 31st day of December, 1934, by the Clerk thereof, in the case of Joe T. Spivey versus W. H. Condron, T. H. Blackwell and E. E. Jones No. 1209, and to me, as Sheriff, directed and delivered, I will proceed to sell, within the hours prescribed by law for Sheriff's Sales, on the FIRST TUESDAY IN March, A. D. 1935, it being the 5th day of said month, before the Court House door of said Dickens County, in the State of Texas, the following described property to-wit: certain tract or parcel of land in Dickens County, Texas, and being the South West Quarter (SW 1-4) of the H. & G. N. R. Co. Survey No. 341, Block No. 1 containing 166.96 acres of land.

Levied on as the property of W. H. Condron to satisfy a Judgment amounting to \$2483.11 in favor of Joe T. Spivey and cost of suit.

Given under my hand, this 2nd day of January, 1935.

J. L. KOONSMAN, Sheriff. By Wayland A. Lee, Deputy. Published Feb. 7, 14, 21, 28, 1935).

ATTEND GENERAL ELECTRIC CONVENTION AT EL PASO

Optimism over sales prospects for 1935 marked the annual regional spring sales convention of General Electric home appliance dealers and salesmen held in El Paso, Texas, on February 8th, according to L. N. Riter, head of Riter Hardware Company, local G-E dealer, on his return from the convention today. Others who attending the convention from Riter Hardware Company were W. R. King.

Plans were outlined at the meeting for the most intensive sales activities ever sponsored by General Electric which, in the opinion of Mr. King, will result in 1935 eclipsing all previous years in the sale of electric refrigerators and other electrical home appliances.

"Our sales last year were far ahead of 1935," he said, "and now with improved business conditions, and prices on G-E refrigerators and ranges re-

duced, we are confident 1935 will be our biggest year. G-E is introducing several new refrigerator, range and dishwasher models, making both its refrigerator and range lines the most complete the company ever has offered. Of particular importance, was the announcement made at the convention that all 13 General Electric domestic refrigerator models this year, with only two exceptions, are equipped with hermetically sealed units."

Representatives from General Electric's national sales headquarters in Cleveland conducted the convention program.

SPELLING LISTS READY

Advice from the Interscholastic League headquarters in Austin states that 200,000 copies of the current spelling list have been printed and are now ready for distribution, according to C. C. Baker, recently elected director of spelling for the League in this county. The price for the spelling bulletin of sixteen pages is the same as it was last year, i. e., one cent a copy when ordered in lots of one hundred or more copies. It would be well for schools needing less than one hundred copies to club their orders so as to get the benefit of the cent-a-copy rate.

"Teachers of spelling are cautioned that the League spelling contest involves also a plain writing feature. Certain errors in writing are listed in the spelling rules of the current constitution and rules. It would be well to drill pupils to avoid the errors there listed.

"The words included in the list have been carefully selected and graded and form an excellent supplement to the State Adopted Text. None of the words in the State Text appear in the spelling list of the League.

"It is hoped that there will be wide participation in this contest in this county. All one hundred percent papers produced at the county meet are sent to the State Office of the League where the papers are re-graded, and, if adjudged perfect, a suitable award is given."

CONAWAY-GRAY NUPTIALS

Miss Gladys Conaway and John Gray were married Monday, February 4, at Sunray, the pastor of the Methodist Church at that place reading the nuptial rites. The marriage occurred at 7:30 o'clock in the evening in the presence of a few friends. The contracting parties stole a march on their friends and did not let their parents know about it until after the ceremony.

The bride is a daughter of Mr. and Mrs. W. J. Conaway, west of Spur. She is a graduate of the high school at Croton, finishing with the class two years ago. The groom is the eldest son of Mr. and Mrs. Hugh Gray, northwest of Spur, and is a graduate of Spur high school. Both families are highly respected in this community.

Mr. and Mrs. Gray will make their home at Sunray where Mr. Gray has work with a refinery. Friends join in wishing them much success.

AUXILIARY MEETING MONDAY

The American Legion Auxiliary will meet with Mrs. E. C. McGee at 7:30 o'clock Monday, February 18th. All Auxiliary members are urged to be present and all who are eligible are cordially invited. Roll call will be answered with a bit of "Texas News." —Reporter.

RECEIVES A SAD MESSAGE

Mr. and Mrs. James B. Reed and two daughters left Monday night for West Minister to be at the bedside of Mr. Reed's father who is seriously ill. A message came Monday evening stating that the father was seriously ill. Mr. and Mrs. Reed left at once. Pneumonia is the illness and physicians gave out no hope for recovery.

Miss Patty King returned Monday morning to Lubbock to continue her studies at Texas Tech.

Miss Julia Mae Albin returned to Lubbock Monday morning to attend school at Texas Tech.
