

A WEST TEXAS PAPER FOR WEST TEXAS PEOPLE

Dickens Co. Times

VOLUME 11

SPUR, DICKENS COUNTY, TEXAS, THURSDAY, SEPTEMBER 19, 1935

WHOLE NUMBER 528

STADIUM DEDICATION CEREMONIES WITNESSED BY LARGE CROWD

The dedication ceremonies of the Charles A. Jones Stadium here Friday evening were attended by a very large number of people. The number was conservatively estimated at 3,500 people present. There were numbers of people from Matador, Lubbock, Abilene and other points of similar distance away.

Superintendent Thomas acted as master of ceremonies for the evening. After some announcements Mr. Thomas introduced R. L. Collier, one of the early settlers of the county, who in turn introduced Judge C. E. Coombes, of Stamford, who made the memorial address. In the course of his remarks Judge Coombes said of the late Charles A. Jones: "Nature did more for C. A. Jones than for any I have ever known. He had a healthy body, a well balanced mind and an attractive personality. But nature did no more for him than he did for himself. He beautified and adorned that which nature supplied. He was, therefore, a well rounded individual with an unexcelled character. He lacked anything it was in circumstance. But he drew so much more from that than the average individual that he was far ahead even when circumstance was unfavorable."

In speaking of the relation of Mr. Jones to his country Judge Coombes said, "Charles A. Jones was a patriot. The faculties of his mind and the energies of his body alike were consecrated to the good of his country and his fellow man. It would be difficult to overstate his contribution."

Spur And Roby Dedicate Stadium With 0 to 0 Game

The Spur Bulldogs dedicated the Charles A. Jones stadium Friday night with a 0 to 0 football game with Roby. Marching to the Roby goal line four different times the Bulldogs never went over to the marker due to fumbling and the fine goal line stand of the Lions.

Visiting sports writers acclaimed the locals as the "heartiest" Class B team in West Texas and predicted a very successful season. From Lubbock were Collier Parrish, sports editor of the *Avalanche-Journal*; and Tolbert of the *Avalanche-Journal* Staff. Max Bentley, managing editor, covered the game for the *Abilene Reporter-News*. The Spur ends, Captain McCombs and Francis Bingham did some stellar playing, both on defense and offense. The passing by Spur was the best displayed in four years and with experience the present team should score heavily this season by the aerial route. Freshman showing up nicely were Bumpus at center, J. B. Haralson as halfback, Iworth Hahn as halfback and Meadows at half back. Suits, a veteran of two seasons ago, who was injured last year and didn't get to play much, did some nice work carrying the ball and flung a couple of passes for good gains. Gilbert, veteran tackle, plugged many a hole in the line and is in for a good season.

The Dogs showed weakness in the center of the line and the back field. Coaches Wadzeck and Solls are working on these features this week and the fans are due for some surprises when the team goes up against Slaton Friday night, several changes will be noted.

B. Henry, fast end, was the outstanding Lion player. Spears, Milligan and Nolan also starred for Roby. In spite of the fact that the Bulldogs were lacking in goal-line punch,

Continued on Page 5; Col. 1

Program For Fifth Sunday Meeting

The fifth Sunday meeting will meet with the Dickens Baptist Church, Sept. 28 and 29.

The program is as follows:
Beginning Saturday morning at 9:45: Devotional, Rev. Thomas Cobb.
10 to 10:30: The place of the Holy Spirit in soul winning; Rev. J. V. Bilberry.
10:30 to 11: What will bring man in proper relationship with God? Grace alone or Grace and works. Rev. W. B. Bennett.
11 to 12: Sermon by Rev. M. F. Ewton.
12:00: Dinner at the Church.
1:30 to 1:45: Devotional led by Rev. L. S. Bilberry.
1:45 to 2:15: Message by our District Missionary, Rev. R. E. Bost.
2:15 to 2:45: The Ladies work, by Mrs. Cap Ellison, Crosbyton.
2:45 to 3:15: A message from Matt. 24, 13; by Rev. Wayne Grizzle.
Saturday Night
7:45 to 8:00: Devotional by Rev. Clarence Edwards.
8:00: Sermon by Rev. R. C. Tension.

Sunday Morning
9:00 to 10:00: Devotional by Rev. Lee.
10:00 to 11:00: Special song, arranged by Rev. Hardcastle.
11:00: Sermon, origin of the Church by Rev. A. P. Stokes.
The Church and Pastor extend a hearty welcome to all.
(Signed) J. J. Terry.

In Senate Race!

JESS MITCHELL

Jess Mitchell, Muleshoe Editor, For State Senator

Jess Mitchell, editor at Muleshoe, in Bailey County, announces his candidacy as State Senator for this 30th Senatorial district, to succeed the late Hon. Arthur P. Duggan, whose recent death left that office to be filled by an election called by Gov. Allred for September 28.

Mr. Mitchell, in making his announcement, says he is entirely mindful of the opportunity for service and of the grave responsibility this office entails. He considers holding of public office a sacred trust. "I verily believe," he said, "that aside from the duties of the Church, there is nothing more serious and more sacred than duties of State.

"I make no pretensions whatever at being a skilled politician; have never held public office and am not interested in politics per se; but I am tremendously interested in the welfare of this great area of West Texas. I have, in years past, as a public spirited citizen been able to accomplish many favorable things for this section, and confidently believe that as an official I can accomplish even more and greater results.

"I am 55 years of age, virtually in the prime of business life, strong physically, alert mentally and sound morally. I am a college and university graduate. While I am now and have been for several years past a newspaper editor, I am also a farmer, owning three farms embracing several hundred acres, one of them being an irrigated farm near Muleshoe on which myself and family reside. I was born on a farm, have been an actual dirt farmer and am well acquainted with the farmer's problems.

"I was a soldier in the Spanish-American war, served in the secret service department during the World War, and was at one time United States Commissioner at Columbus, N. M., under appointment of President Woodrow Wilson.

"The citizens of this State have spoken in large majority favoring old age pensions, repeal in some sections and abolition of the officer fee system. As your senator, it would be my privilege and pleasure to do all within my power to enforce these mandates by passing such laws as would grant to the needy aged this financial income and to arrange for its advantage of the State, as well as for the protection of those counties not favoring it, and to use my strongest influence toward enforcing the Fee amendment as authorized by the citizenry.

"I shall be glad to discuss in public or private other phases of governmental matters with citizens, many of which will be taken up in public speakings.

"My one desire is to give consistent, conscientious and constructive service to the State in general and especially to this district in West Texas, looking toward eventually making this area the best part of this great Lone Star Empire. My great wish is to keep step with the citizens of this district, to work in unison with them, and to eventually participate with them in the blessings which will come to all of us because we have fought a good fight—we have kept the faith.

"There are innumerable benefits to which this area is entitled, ought to have and could have with proper representation at Austin. Strong, courageous men, men of ability and broad successful business experience are needed for such conquests against overwhelming odds. It will be my supreme pleasure to become the champion of the needs and rights of the citizens of this Senatorial district."

The Ritz Theatre, which has been opened to the public is giving some good programs. There are good pictures and in addition there is a good news reel which is both entertaining and instructive. Mr. Parker is giving these shows at ten and twenty cents

Soft Ball Game At Stadium Tonight

The Spur soft ball team, champions of the Cap Rock League, will meet the Jayton Red Shirts tonight (Thursday) under the lights at the Chas. A. Jones Memorial Stadium. This will probably be the last soft ball game of the season and two fast teams will put on an exhibition well worth seeing.

Dr. Bob Alexander, manager, will pitch for the Spur team. Bill Alexander, brother of "Doc" and manager for Jayton will pitch for the Red Shirts. They have met in several mound duels this year and to date the "Doc" has the best percentage.

A small admission fee of 5c and 10c will be charged to defray lighting expense.

Jas. H. Neblett, of Matador, was attending to business affairs in our city Tuesday.

Bulldogs Off To Slaton For Night Game With Tigers

The Spur High Bulldogs invade the Slaton Tiger territory Friday night for the annual football tussle between the two teams. The Dogs will start the second game handicapped with a number of cripples, but the right spirit is there and the coaches and players feel confident of capturing the Tiger.

In an effort to iron out kinks that developed in the Roby game, scrimmage sessions were held the first of the week and the injuries resulted from these practice sessions. Chapman has a bad arm and some vertebrae in his neck slipped out of place. Suits is out with a bad thumb. Cravey is hobbling around with a knee pulled loose. B. Martin is having knee trouble and J. B. Haralson, who showed mighty well for a "green" hand Friday night, is having trouble with a sprained hand, his trouble having started in the Roby game. Some of these boys will be ready to go Friday night.

The squad of 22 players and Coaches Wadzeck and Solls will leave Spur Friday afternoon at 1:30, arriving at Slaton at 4:30. Supper will be served immediately upon arrival and the game will be called at 8:00. School will not be dismissed until time for the game with McAdoo, but a large number of students and fans will support to the Dogs from the side lines at Slaton.

Coaches Wadzeck and Solls stated they were well pleased with the team's play last Friday night except for certain plays due to the "greenness" of several members of the team and efforts are being made this week to correct these faults.

SPUR SCHOOL BAND TO START REHEARSALS

Burgess Brown, director of the Spur school band and orchestra, stated this week that the band is starting off in nice tempo. He expects to start private lessons next Monday and to start rehearsals one week from that time. He stated that 34 pupils have signed for the band and are doing some work and all have instruments. It looks good for Spur to have a real band.

Mr. and Mrs. Jimmie Sample and two children, of Pyote, visited friends in our city last week. They stated they are getting along fine.

Want Your Blind Calves

The Spur Experiment Station has announced that they want several calves which have been born blind. These animals are practically useless to the farmer or stockman, but the Extension Department have these calves because if the condition can be corrected it will mean a great saving to the farmers and stockmen in the state.

Any one who owns a calf which was born blind and desires to let it be used for experimental purposes, may write R. E. Dickson, Superintendent of Spur Experiment Station, or see him Friday at the Field Day at the Station.

Pink Parrish Candidate For State Senate

Senator Pink L. Parrish, of Lubbock County, has announced that he is a candidate for the State Senate to fill out the unexpired term of the late Senator Duggan. Judge Parrish represented the 30th District in the Senate one term and did not ask for re-election in 1932 at which time Senator Duggan was elected.

While in the Senate he fought for and secured the adoption of the Constitutional Amendment which exempts homesteads from state taxation up to the value of \$5,000. Also, he was author of the Fee Bill which required county officials to report the amount of their fees every year and thus stop quite a lot of graft in the fee business.

In assistance with Mr. Tarwater, and Senator Small, Mr. Parrish secured the law which provides that the state shall refund all gasoline tax on gasoline used on the farms for plowing, etc. and he was a strong supporter of the sulphur tax.

While in the Senate Mr. Parrish voted for the bill (although it was defeated) which would have required every member of the legislature to make affidavit as to what persons, or firms he represented, or received a salary from while he is serving the people in the Legislature. Senator Parrish says he will support that bill again and will see that it comes up if he is elected.

Judge Parrish said, "In my opinion the coming session of the Legislature is one of the most important in years. If elected, I shall favor strict laws in the handling and control of the liquor question. I think the Constitutional Amendments just voted should be carried out. I am a strong believer in Old Age Pension and believe the Governor should submit the question of revenue and that the Legislature should raise the funds and in good faith carry out the commands of the people expressed. I shall favor raising money from industries, liquor tax, etc. for they are the ones that will have the money, and in no instance would I favor a sales tax on the necessities of life."

Senator Parrish made the race for Congressman at Large in 1932 and polled a tremendous vote for a West Texas candidate, being defeated by only a small majority by Geo. H. Terrell of East Texas. He solicits the support of the voters of Dickens County which is part of the Senatorial District.

ANNUAL FIELD DAY AT SPUR EXPERIMENT STATION FRIDAY

He Is Candidate!

WM. H. (BILL) EVANS

Wm. H. (Bill) Evans Lubbock Attorney Enters Senate Race

"If other parts of the State get a hog, West Texas should at least get a ham—especially when we produce the animal!"

That, in a nutshell, is the campaign slogan of Wm. H. (Bill) Evans, Democrat, Lubbock Attorney, and candidate for the State Senate from the 30th District in the forthcoming special election on September 28.

Other planks in the Evans platform include, in brief:

LIQUOR CONTROL: Favors state monopoly and sale of intoxicants in unbroken packages only, so that the maximum revenue from liquor will go into the State Treasury; considers the term "open saloon" to mean any place where public drinking is permitted and is opposed to any such methods of handling Texas' liquor problem; stands squarely for legislation protecting dry areas against liquor traffic and for legislation which will enable law enforcement officers to arrest and prosecuting officers to convict liquor law violators in dry districts.

For Early Pension Legislation

OLD AGE PENSIONS: Favors early legislation to permit the state to care for its needy aged and to guard against heavy discounts in the payment of pensions; stands for revenue raised from the sale of intoxicants to be diverted to the care of our needy people; proposes to work for legislation which will protect the taxpayers from pensioning aged who are not needy and who are thus not entitled to a public pension.

TEXAS TECH: Since Texas Technological College does not yet have a large alumni body to help care for its needs, proposes to foster, day and night, generous state support of the college to permit it to continue its phenomenal growth and to become what its founders proposed it to be—the Southwest's leading technological institution.

For Highway Completion

HIGHWAYS: Will work for and foster continuance of the far-flung West-Texas highway program until the 30th Senatorial District has a complete, connected system of highways to compare with such systems in the heavier populated sections of Texas.

SCHOOL APPOINTMENT: Will work to place school apportionment on the basis of average daily attendance, rather than upon school census, thus keeping more West Texas tax money in West Texas for the education of West Texas children, rather than continue sending West Texas tax money to South and East Texas to "educate mythical Negro and Mexican children"—children listed by the census as of school age but who do not attend school, their apportionment going to the school they should be attending, just the same as if they were there.

Has Broad Background

With a background of education, teaching and the practice of law, Mr. Evans comes before the voters of the 30th District with what he believes is broad insight into their problems. Born in Uvalde in 1906, he received his early education in the public schools and graduated from Uvalde High School as valedictorian of his class. Entering Texas University, he received, with honors, a bachelor of arts degree in 1926. Dividing his time, then between education and periods of teaching in Austin High School, the University Department of Extension, University Department of Government, and in the High School of Graham and Mexia, to gather funds for his schooling, Mr. Evans received

Friday is expected to be a day of great interest at the Spur Experiment Station. There will be many phases of agricultural science discussed by able men in the work. It is to be Field Day—a summing up of results of work which has been going on at the Station the past several months, what the results are now, and what future results may be expected.

It is the hope of those in charge of the work that the results will be very instructive to the farmers and stockmen who are expected to be present. The Station has always made these days very interesting and it is the hope that many people will attend Friday for the amount of helpful information they may gain.

Large delegations from all over West Texas are scheduled to be here Friday. Advance notices state large groups are to be here from as far west as Lamb County, as far north as Amarillo, as far south as Tom Green County, and as far east as Eastland County. Most all large agriculture papers and the large daily papers will have representatives here. Every farmer in Dickens County should see the Caraway-Armstrong farm in Dockum Valley that was so thoroughly flooded in May and June. A drive over the farm will be made by the visitors Friday.

R. L. Richter, of Lohn, McCulloch County, was in our community the last of the week visiting relatives and friends. He is a brother to Mrs. Howard Campbell.

County Agent To Issue 1935 Cotton Tax Ex-Certificates

18,385 bales of 1935 Tax Exemption Certificates were received here last week, as the Dickens County 90% Regular 1935 allotment, The Regular 10% allotment, which is set aside for disastrous years, such as hail, drought and so forth did not come in in this instance but will be issued at a later date.

Beginning Thursday, September 19, I will issue 1935 Certificates from this office to all producers who has an unsold equity in the 1934 Pool. Before any issuance is made to any producer in the County he must present to this office the yellow slip that was handed to him at the time he received the last pool check. (Form No. C. R. B. A. 201B). The closing date for this transaction in Dickens County is September 30th.

The 1935 National Tax Exemption Pool was officially opened September 3rd, 1935. Beginning Thursday, September 19th, the producers in Dickens County may pool their SURPLUS Certificates in the Pool. The 1935 Pool will be operated in the same manner as it was in 1934, with the exception that the Certificates will have a valuation of 5c per pound for the portion sold. As a matter of suggestion, it would be best for producers holding surplus Certificates to take time and try to find a local buyer, before he surrenders them to the Pool. This simply means that he would have to wait so long for his Pool check. All local sales and transfers must be recorded in this office.

At this date we have not heard any thing from the 1934 Certificates, which were sent to the Washington office for replacement of Certificates usable in 1935. We are expecting these at any time and they will come separate from the Regular 1935 Allotment and from the unsold equity in the 1934 Pool.

Wm. W. Gregory, Assistant in Cotton Adjustment, Spur, Dickens County, Texas.

Inspects Laboratory At Hospital

V. C. Zielinski, was in our city Friday and Saturday inspecting the new Jones Motor Basal Metabolism machine which was installed recently in the Spur Hospital. The Jones machine is manufactured by the Middle West Instrument Company of Chicago, and is the most accurate machine made at this time.

With the wonderful X-Ray equipment and the installation of this wonderful machine, gives the Spur Hospital the most modern equipment to be had. The Jones machine gives 99 per cent accurate reading as reported by the Council of Physio-Therapy.

Spur now has a hospital that should make the people of Spur country glad, for they can secure the very best service obtainable in West Texas for their friends when ill.

Fred Crabtree, of Dickens, was attending to business matters in our city Tuesday.

a bachelor of laws degree from the University of Texas in 1930. In 1931-32 he served as Assistant County Attorney in Lubbock County and now a member of the law firm of Vickers, Campbell & Evans.

Mr. Evans is a member of the First Methodist Church and serves on the Board of Stewards. He is married, Mrs. Evans being the former Blanche Bradley of Garza County.

State Auditor's Report On Old Age Pension

"Old-age pensions could cost Texas taxpayers as much as \$56,073,402 yearly if each of the 283,199 people 65 years of age and over received the full \$15 monthly allotment provided for in the recent Constitutional Amendment," State Auditor Orville S. Carpenter said this week.

At the request of Governor Allred, Carpenter and R. B. Anderson, State Tax Commissioner, prepared the report "Cost and General Plan for Old Age Pensions." Upon the Governor's suggestion it was mailed to members of the Legislature September 10.

"Experience of other states has shown that they have attempted at first to take care of only those actually in need of assistance. Requirements made of applicants have been with a view of eliminating those who, although of eligible age, did not actually need assistance. In this way other states have greatly reduced the costs from the amount necessary to pay if all persons of the required age had been included," Carpenter said.

"As there are 41,787 persons 65 years of age and over on the Texas Relief Rolls, this apparently is the minimum number able to qualify for old-age pensions. At \$15 a month and with 10 per cent administrative cost added, this would be \$8,273,826 yearly," Carpenter explained.

Carpenter believed the figure 62,933 most nearly represented the actual number who probably would receive old-age pensions in Texas. He determined this figure by considering the experiences of other states. If 62,933 people in Texas over 65 years of age and over were to receive the full \$15 a month, the yearly cost to the taxpayer would be \$12,460,734, Carpenter calculated. In this he included 10 per cent administrative expenses.

"The Federal Government, if funds are available, will provide an amount equal to that spent by the State plus 5 per cent for expenses. This depends upon approval of the Texas plan by the Social Security Board in Washington. The Texas Legislature will formulate a plan for distribution, and it will decide whether or not the full \$15 maximum will be used," Carpenter concluded.

Rev. and Mrs. W. B. Vaughn, of Perryton, were in our city Tuesday visiting their children, Mr. and Mrs. Marvin Vaughn. Wayne Vaughn is entering Texas Technological College as a student this term.

Mr. and Mrs. Max Bentley, of Abilene, were guests of friends in our city Saturday. They came up for the game Friday night. Mr. Bentley is editor of the Abilene Reporter and News.

Mr. and Mrs. B. C. Cairns, of Clairemont, were guests of Mr. and Mrs. R. E. Dickson the last of the week.

A CONFESSION

To Whom It May Concern: I, the undersigned, have been living a hypocritical life ever since I have lived in Spur. But on Sunday, September 8, at 1:00 p. m. (after three and one-half months of terrible conviction) I prayed through at the Nazarene Church and God, for Christ's sake, reclaimed me. So, I am asking every one whom I have not, to forgive me for not setting a Godly example before them. I am determined, by the grace of God and the prayers of Christian people, to live a Godly life from now on. I take this means (the press) to reach those whom I cannot reach in person.

Yours in Christ Jesus,
B. L. Gibson.

Clemmons Insurance Agency Offers Fire Prevention Essay Prize

The High School Departments of the Spur, Patton Springs and McAdoo Schools, where the study of Fire Prevention is mandatory, have entered into a new and novel essay contest for a medal offered by the Clemmons Insurance Agency of Spur on behalf of the Hartford Fire Insurance Company. This is part of a great national contest being held in schools all over the country, and the Clemmons Insurance Agency plans to make this an annual contest here.

As a part of the school work the students write essays. For the week of October 6th to October 12th they will write on "How the Principles of Fire Prevention Have Been Applied to My Own Home."

In telling about the coming essay contest, Mr. Clemmons said: "The real purpose of fire insurance is something more than the mere selling of policies and the paying of losses. Looked at broadly, the Hartford and its local agents are interested in anything that will make the country safer and prevent the terrific loss from fire—most of which is truly unnecessary and easily preventable. That is why the Hartford and its agents are always looking for ways to teach sound principles of fire prevention. And too, there is, relatively, as much need for the study of fire prevention in homes as in the big industrial plants and mercantile establishments."

"So this medal is offered to stimulate their efforts and make them think. The subject of the essay is: 'How Principles of fire prevention have been Applied in My Own Home.' Some really practical fire prevention steps must be taken by every contestant."

"It is possible to conceive that at least one home, perhaps more than one, in each of three communities, may be saved from damage or destruction because of the thought and study this contest will encourage."

Mr. Clemmons says that the name of the winner will be printed in the paper and recorded by the Hartford Fire Insurance Company. Only one medal can be won by any school in a year. A medal is on display in each of these three communities, the one for Spur being displayed in the window of Clemmons Insurance Agency.

Mr. Trammel has been in Lubbock the past several years where he was in the oil business. He is an old Jones County citizen, stating that he was sentenced there and served twenty years.

Special Values

We do not "Shop" for Bargains to give to our Customers—Goods are never bought down to a Price here—Always it is bought up to a standard—But occasionally we are able to find merchandise of the right standard available at a reduced price. Rotarians Hold Open Meeting

The Rotary Club of Spur held an open meeting at the Charles A. Jones football stadium last Thursday night at which time they entertained the faculty of Spur schools and a number of friends. The guests assembled about seven thirty o'clock in the evening and were directed to the eastern portion of the grounds where there was a barbecue pit laden with fine barbecued chickens. Pickles, onions, coffee, cakes and bread completed the

menu, and before the evening was over it looked as if the services of Dr. Bob Alexander and Dr. Copeland (both of whom were present) might be needed as it was difficult for any one to tell when they reached a point to stop eating. Geo. S. Link had superintended the barbecue work, and with the assistance of Tom Banks (colored) there was nothing lacking about the work.

After the repast the guests were invited to go to the athletic field where Ray Dickson took charge. He announced that a program would follow, but first of all there was a social feature which had to be looked after. Then he announced that a number of teachers, both men and ladies had been teaching in Spur schools a number of years and had not been married yet. He named these instructors and with each single man teacher he assigned from two to four married ladies as marital sponsors to see that they had the proper type of social features

during the year. With each single lady teacher he assigned two married men who should see that they should have plenty of the right sort of company which might stimulate a desire for a nice home. One embarrassing feature to the master of ceremonies was that he did not know all the single teachers and at one time called out a lady when he thought he was calling a man. However, the proper arrangements for sponsors were made and the good work went on.

The program consisted of a lecture by Coach Wadzeck on various types of football plays. He was assisted by assistant Coach Solis and many types of plays were explained which enabled those present to understand the game Friday night more thoroughly. Coach Wadzeck analyzed the various plays on a blackboard and then showed how they were executed.

It was a grand evening for everybody. It is the hope of the guests that the Rotarians will duplicate this event and invite all those present last time back again.

Pain Passes Off

When your head aches; when Neuralgia tortures you; when Muscular Pains make you miserable—take a Dr. Miles' Anti-Pain Pill.

Mr. Smith is one of millions who have found this easy way to prompt relief. He says:—

SOW PASTURE WHEAT

AGENT LANE ADVISES DAIRYMEN

Dairy farmers should plant some small grain such as oats, barley or wheat in September for fall and winter pasture, since there is sufficient moisture to bring the grain up. The grain can be sown in the cotton field without injury to the cotton provided the grain is sown immediately after the cotton is picked. Sow the grain either by hand, plowed in with a cultivator, or with a grain drill if the stalks are not too large.

Grain should be sown for fall and winter pasture even though lots of silage has been put up. Silage will keep. Save the silage until the pasture has failed. A great many dairymen will have cows that will come fresh in September. Care should be used in feeding the cows in order to prevent them from having caked udders. If the cows are on good pasture they will not need any feed prior to calving, nor for a week after calving. If the pasture is not so good it is necessary to feed, give them a few pounds of ground oats and bran or ground corn and bran. Do not feed any cottonseed meal until the cows have been fresh about a week or ten days, depending upon how they are getting along.

Many dairymen make the mistake in September of increasing the number of cows to get a certain volume of

production. Some of them have too many cows as a result of not culling. These dairymen fail to realize that one cow producing 300 pounds of fat per year will return approximately twice as much profit as a cow producing 200 pounds of butterfat per year.

According to cow testing records (with feed at present prices) it will cost about forty dollars per year to feed the average dairy cow. This includes pasture and all roughages as well as grain mixture. The average cow will produce about 175 pounds of fat. With butterfat at 20 cents, the average cow will lose five dollars per year. With butterfat at 30 cents, the 175 pound cow makes only \$12.50 per year above feed, nothing allowed for labor and other expenses. The cow producing 300 pounds of butterfat per year will return \$10 above feed cost with butterfat at 20 cents per pound. With butterfat at 30 cents per pound, the 300 pound cow would return a profit of \$40 above feed cost. With milk and cream at present prices, it is hooves every dairyman to test and cull his herd. After the maximum increase has been secured through rigid culling any further increase is then only possible through breeding animals possessing a higher inherited producing ability. This must be brought about by the use of good bulls.

G. J. Lane, County Agent.

Big Crowds Expected At South Plains Fair

Two hundred thousand people are expected to click through the turnstiles at the Panhandle South Plains Fair at Lubbock next week, September 23 to 28, to see shows, exhibits, vaudeville acts, fireworks, and other attractions at the 22nd annual exposition. Principal new feature is the Harley Sadler 3 ring circus showing the last three days, Thursday, Friday and Saturday. Wortham's Western Exposition Shows will play the midway with Captain Jack doing a 90 foot free act dive into flaming water twice daily.

A big array of vaudeville acts, band concerts, and other thrilling free acts will be on the program twice daily with a spectacular fireworks display each evening.

Lubbock stores will close Tuesday afternoon, Sept. 24, for Lubbock Day and except drug stores, cafes and filling stations, the entire town will close up and attend the fair.

Wednesday, when all school children

are admitted free, will be the biggest day of all. Hundreds of schools over the Plains territory will be closed and a large percent of them will transport the entire student body to the fair in school buses. A day at the fair is worth more than a day in school, officials say.

Friday is Press Day at the fair. South Plains editors will be honored at a luncheon at which Hon. Harry Hines, Chairman, Texas Highway Commission, will be the principal speaker.

Mickey Mortin's thrilling two hour "Daredevil V-8 Drivers" automobile and motorcycle stunt show has just been signed up for a performance daily during the fair. "Beckless" Rex Murphy will roll his V-8 end over end at 60 miles an hour while strapped in the seat, followed by a head on crash of two automobiles with throttles wide open, drivers seated. Betty Lyn Martin, the only woman board-crasher in the world, will hit a flaming board with a stock motor car. Buddy Mueller will "slide for life" and Elmer Madden will present a blindfold board wall crash.

Only seven of the nine daredevils in the company will visit the fair

McAdoo News

Mrs. J. R. Robertson returned Tuesday from Chillicothe, Missouri, where she had been to accompany her daughter, Jimmie Nell, to Chillicothe Business College.

Early Hindman of Dry Lake, was a business visitor in the McAdoo community one day the past week.

C. C. Neeley, Ivy Brown and J. R. Robertson made a business trip to Crosbyton Thursday.

Beulah Mae Phifer is leaving this week for West Texas State Teachers College at Canyon where she will enter as a student the coming term.

The home demonstration club met Tuesday, at the home of Mrs. Price Brownlow. Punch and cookies were served at the close of the meeting to thirty women and girls.

Floy Watson of near Spur, was a business visitor in the community Thursday of last week.

B. C. Lane of Near Floydada, is opening a new cafe in McAdoo and will be ready to serve the people in a few days.

A number of people from McAdoo attended the dedication of the Charles A. Jones Memorial Stadium and football game at Spur Friday night.

Our school continues to progress nicely. Total enrollment for the term is 252. This is the largest number of students that McAdoo has had in recent years.

Ninety-one students are enrolled in high school and one hundred and fifty-one in the intermediate and primary departments.

Owing to the large number of students, another new bus has been bought to bring the students to the local school. Five buses are now being driven into the various districts to accommodate the students.

There are fifteen seniors enrolled as follows: Billie Brown, Mae Dell Dillon, Lucille Ward, Clara Rich, Lucille Ward, Aubree Fay Jones, Wilma Griffin, Alice Worley, Eugene Butler, Juaneva Brown, Mayo Boucher, Garrett Barnett, Billie Fewell, France McLaughlin and Woodrow Allen.

Officers chosen for this year's senior class are as follows: President, Mayo Boucher; vice-president, Woodrow Allen; secretary and treasurer, Garrett Barnett; sponsor, R. E. Everett.

Mrs. Dubbs McLaughlin has been in Childress recently visiting her grandparents, Mr. and Mrs. J. P. Meek.

Mable Doris and A. W. Van Leer, Jr., daughter and son of Mr. and Mrs. A. W. Van Leer, have gone to Abilene to attend Abilene Christian College.

Ewell Buckner was among the many visitors in Spur Saturday afternoon.

Mrs. O. S. Harvey was in Dickens Sunday visiting her parents, Mr. and Mrs. Z. L. McKnight.

Mary Francis Van Meter left Monday for Lubbock to enroll in Texas Technological College.

Mr. and Mrs. Ewell Buckner and family visited Mrs. Elsbey, mother of Mrs. Buckner, at Crosbyton Sunday afternoon.

C. Gollihar made a business trip to Hill County the past week.

Mr. and Mrs. W. H. Bateman and family of Duncan Flat, and Mr. and Mrs. Carroll Bateman were visiting Mr. and Mrs. T. L. Dozier and family Sunday.

Mrs. George Potts was a business visitor in Spur Thursday of last week.

Aline Allen entertained the young folks with a party in her home Saturday night. A most enjoyable time was had by those present.

Inez Rose left Monday for Lubbock where she will resume her college work in Texas Technological College.

Mr. and Mrs. J. I. Parker and Mr. and Mrs. Bernard Parker were at Herleigh Sunday to attend a birthday dinner given in honor of Mr. Parker's uncle.

Ralph Barton, of Morton, is here visiting relatives and friends.

The McAdoo PTA held their first meeting of the school year Thursday, September 12. The next meeting will be the 27th. Refreshments will be served.

La Faye Blair of Spur, spent Sunday night with Beulah Mae Phifer. She was enroute to Canyon to enter school.

EYE SIGHT SPECIALIST COMING AGAIN

Dr. Fred R. Baker, the Southwest's leading optical specialist, who has been fitting his famous glasses for local citizens for many years, will be at the Wilson Hotel, Wednesday P. M. Sept. 25th, only.

He will have his new electric instruments with him and the classiest new stock of spectacle ware shown anywhere. Large list of local references upon request.

REPAIRS COMPLETED: T. S. C. W. OPENED MONDAY

With renovations and repairs completed, Texas State College for Women at Denton opened Monday. Numerous repairs have been made in the college plant and housing facilities for a record-breaking attendance.

Registration of all new students was held Monday and Tuesday and for mer students matriculated Wednesday. There were over 1,700 room reservations already paid, college authorities expect enrollment to go well over the 2,000 mark.

LEAVE FOR COLLEGE

A number of young people left Spur the first of the week for Lubbock where they will matriculate at the Texas Technological College. Among these were: Spencer Campbell, Cecil Wolf, James Henry Cowan, Kit Carson, Misses Royce and Beth Blackwell, Pattie Ann King and Opal McClain.

EASTERN STAR MEETING TONIGHT

The Spur Chapter of Eastern Star will hold their regular meeting in the Masonic Hall at 7:30 o'clock this evening. The team will confer degrees and attend to other business.

J. C. McNeill, west of town, was in Tuesday attending to business.

HARMONY CLUB WILL MEET

The Spur Harmony Club will meet at the home of Mrs. Dan H. Zachry, four o'clock Tuesday afternoon, September 24. There will be music and business carried on at the meeting.

Mr. and Mrs. Cecil Addy and children visited relatives and friends in East Texas the first of the week.

City Federation Of Clubs Meet Tuesday

The City Federation of Clubs will hold a meeting at the First Methodist Church next Tuesday morning at ten o'clock. Mrs. Averitt and Mrs. Volney Taylor, officers of the 7th District of Federated Clubs are expected to be present at the meeting Tuesday morning. The meeting is open to the public and people are extended an invitation to be present.

CLUB OFFICERS TO MEET SATURDAY

A meeting of all officers of all community clubs will be held in Spur next Saturday afternoon at three o'clock. The meeting will be held in the beautiful grove east of the First Methodist Church, and R. R. Wooten will act as chairman of the meeting.

County Agent Lane states that officers of each club consists of the chairman, vice chairman, secretary and reporter. Any other members interested are welcome to attend this meeting. Albert Power will lead the discussion on the importance of the AAA. Robert Butler will discuss Tariff as it affects farmers and the Processing Tax which is the farmer's tariff. The little grove where the meeting is to be is a very pleasant and beautiful place and any one will enjoy spending a meeting there. The meeting is at three o'clock.

CHURCH OF THE NAZARENE

Sunday School at 9:45 a. m. Preaching at 11:00 a. m. Young People's Meeting at 7:00 p. m. Preaching services at 7:30 p. m. Regular prayer meetings: Thursdays at 7:30 p. m. Cottage Prayer Meetings: Tuesday, Sept. 24 at 2:30 at the home of Robert Wright. Wednesday, Sept. 25 at 3:30 at the home of G. L. Gibson on North Parker Avenue at 5th St. Thursday, Sept. 26th at 2:30 at the home of W. B. McNeerlin at 309 North Miller Avenue. Friday, Sept. 27 at 2:30 at the home of Van Tanner, 305 West 5th St. Everyone cordially invited to attend these services. Rev. Mrs. P. A. Lee of Amarillo, will assist in these services. Rev. W. C. Benefiel, Pastor.

RUMMAGE SALE SATURDAY, SEPTEMBER 28

The ladies of the First Christian Church will conduct a rummage sale at the car lot of the Spur Motor Company if the weather is suitable. However, if there is rain, snow, sleet, sand storms or other form of disagreeable weather, the sale will be held in the Love Building just south of the Spur Coffee Shop. The ladies promise plenty for you to buy but don't know yet what all they will offer.

Spur Lady Wins In Sewing Contest

Mrs. J. L. Davis, Box 215, Spur, Texas, is the winner of a \$20 prize in the nation-wide "Make It Yourself" contest conducted by Sears, Roebuck & Co. Mrs. Davis was awarded second regional prize in the senior division class for quilts and bedspreads. Mrs. R. F. Harrell, Star Route 2, won a \$15 third place award in the senior division class for knit or crochet work. Judges of the contest for the Dallas region were Alpha Lynn, county home demonstration agent in Dallas, Laura Breihan, art teacher at the College of Industrial Arts in Denton and Mrs. Stone J. Robinson, prominent Dallas club leader.

TAKES MANAGEMENT OF PHILLIPS PETROLEUM

W. E. Trammel recently took over the management of the Phillips Petroleum Company products here and now has charge of the local agency. Mr. Trammel is no stranger to Spur and was here before the town of Spur was started. He knows a great number of the early settlers, all of whom are his friends.

Church Of Christ Conducting Revival

A series of meetings were begun at the Church of Christ Sunday evening. Guy N. Woods, minister of the Church of Christ at Wellington, is doing the preaching for the revival. Brother Woods has been in our city on such occasions twice before this time and he has a great number of friends who enjoy his fine messages.

While the press has not been authorized to say so, yet it may be taken for granted that the church extends a cordial invitation to everybody to attend these services. G. Earle Woods, local minister of the Church of Christ, has made no statement to the press of how the services are progressing, but those attending give some excellent reports.

Hospital News

Miss Onita Lee, of Afton, was operated for appendicitis Thursday and is doing nicely.

Carroll Hext of Afton, entered the hospital Thursday for X-Ray examination and surgery as result of automobile wreck, left Tuesday.

Audrey, daughter of Watt Holly of Dickens, was at the hospital Thursday for X-Ray and treatment of broken arm.

Inez, daughter of R. L. Hendrix of Kalgary, was brought to the hospital Thursday night in a serious condition as result of rattlesnake bite. She returned home Monday.

Feggy Sweeney of Kalgary, who was in the hospital for medical treatment, returned home Thursday.

W. K. Harvey, Jr., of Soldier Mound, was in Friday night for minor surgery.

E. D. Walker, of Pitchfork Ranch, was in the hospital over Friday night for X-Ray examination and treatment for injured arm.

M. B. Gage of Afton, was at the hospital for clinical examination Saturday.

J. B. Haralson of the Spur Bulldogs, was in for X-Ray examination Saturday.

Mrs. R. E. Johnson, of Espuela, underwent major surgery Tuesday and is doing well.

Tom Cheyne, of Jayton, was in for tonsillectomy Monday.

Mrs. T. C. Sandlin, who had gall bladder operation two weeks ago, returned home Monday.

Mildred Bradley, who had operation for appendicitis 10 days ago, returned home Tuesday.

B. P. Woody, of Girard, was in for X-Ray examination Tuesday.

Mrs. L. S. Wilson, city, underwent a serious goitre operation Wednesday morning. Conditions favorable for recovery.

Fourteen Vocational Agriculture Boys Feeding Calves

Fourteen boys of Spur High vocational agriculture class are feeding one car of calves for the Spring shows and sales, the calves being fed as nearly as possible on home grown feeds.

Durward Pickens, Wilson Samer, Wallace Smith, Ralph Leighton, Leroy Hindman, W. M. Hunter, W. C. Prestley, Buck Martin, Julian Booth, Van Hairgrove, Fred Neaves, H. D. Smith, Bob Harrel, Roger Garrison and Woodrow McArthur are some of the boys that are feeding these calves and helping much in putting our livestock program over.

The calves are now penned and being fed a full ration consisting of alfalfa, corn, milo, wheat bran and cotton seed meal.

Plans are now under way for feeding of one car lambs. It is expected to feed these lambs cooperatively, letting the town boys and boys boarding in town cooperate.

Mr. and Mrs. J. R. Whitworth, of Matador, were guests at the new stadium exercises Friday evening.

You're Sure to be Satisfied with

bought under our 2-DAY MONEY-BACK GUARANTEE

Spur And Roby Dedicate Stadium With 0 to 0 Game

Continued From Page One

they did fully outclass and out play Coach Connie Smith's Lions, as game figures truly testify: First downs: Spur 13, Roby 1; Passes: Spur attempted 18, completed 5 for 72 yards, had 2 intercepted and 11 incomplete;

Roby attempted 3 had 1 incomplete for 5 yards, 1 incomplete and 1 intercepted. Spur punted 5 times for a total of 190 yards, while Roby punted 12 times for 368 yards. From line and running plays Spur gained 165 yards, lost 51 yards and were penalized twice for a total of 20 yards; Roby gained 65 yards on ground plays; lost 25 yards and were penalized for a total of 15 yards. Spur fumbled twice to recover once, while Roby fumbled 4 times to recover twice. Spears kicked off to Spur, Chapman

receiving on Spur's 15 and returning to the 35 to open the game. Hahn, Chapman and Suits alternated carrying the ball for 29 yards in half dozen plays. A pass was tried with B. Henry intercepting on Roby's 12 yard line. Rhodes punted to the 44. Spur backs fumbled and Milligan of Roby covered the ball on Spur's 43 yard line. Roby back were stopped three times and penalized five yards for off sides before punting 30 yards. Chapman was thrown for a 6 yard loss at right end. A bad pass from center lost 20 more yards for Spur and Chapman punted out 20 yards. Roby made 5 yards on a pass after failing to gain at end. Roby fumbled and Spur covered the ball on their 35 yard line. Hahn and Chapman alternated carrying the ball for three tries making ten yards and a first down. Hahn lost a yard. Meadows picked up 4. Hahn made a yard and Chapman punted to Roby's 20 yard line. The quarter ended with Harris losing three yards in two attempts at piercing the Spur line.

Roby punted to Spur's 48 yard line. Spur failed to gain and punted to Roby's 20 yard line. Henry and Milligan picked up 3 yards before Roby punted to the 48. Suits and Haralson made it first down for Spur with Roby being penalized 5 for off side. Spur was set back 15 yards for clipping. Meadows and Suits picked up 8 yards before trying a pass which failed to connect. Bingham punted to Roby's 20 yard line. Milligan made 6 at right and Henry 5 more at the same place for Roby's only first down of the game. Failing to gain in two plays Roby punted to Spur's 46. Spur fumbled and Roby covered the ball. Roby picked up 8 yards in 3 plays before punting to Haralson on Spur's 15 yard line. Haralson returned the ball to the 26 for a 11 yard gain. Haralson made 17 yards after Chapman failed to gain through the center of the line. Spur again failed to gain and tried a pass, it being intercepted by Milligan on Spur's 42 yard line.

The second half opened with Roby kicking to Spur's 15. Chapman returned the kick 17 yards. Hahn and Chapman failed to gain through the line. Hahn picked up 6 yards around right end and Chapman punted the 25 yard line. Roby returning to the 33. Roby made 8 yards in three tries before punting to Suits on Spur's 35. Suits returned to the 50. Hahn made 4 at left end. Chapman 5 at right tackle and Hahn passed to Bingham for 13 more. Suits made 5 at right end. Hahn 2 at left end, incomplete pass. Chapman 9 at right end, Hahn at right end no gain. Chapman lost 5 at left end before Nolan intercepted a pass on Roby's 19 yard line. Chapman covered a fumble on Roby's 15 and then lost 3 at right end. Spur lost 2 yards at guard and penalized 5 more for off side. Chapman made 5 at left end, then passed to Bingham for 5, ball going to Roby on downs on their 10 yard line. Roby lost two yards before punting to their 39. Suits lost a yard at right end. Milligan intercepted a pass on his 31. Roby made 3 yards in two trials before punting to Spur's 32.

Spur failed to gain in two plays. Roby penalized 5. Chapman passed to Bingham for 18. Bingham running 29 more to Roby 26. Hahn made 4 at center and Chapman 6 at right end. Chapman 4 and 3 at center and then failed at right end. Bingham lost 2 and the ball went to Roby on their 5 yard line. Roby punted to the 35. Spur returning 5. Chapman picked up a yard at left end, passed twice, both incomplete, then passed to Suits for 10 yards. Chapman made 5 at right end, Hahn 2 at left tackle, Chapman 3 at left tackle, no gain, Suits 1, Chapman 4 at right end and another scoring threat ended when Spur lost 8 on a bad pass from center. Ball going to Roby on downs. Roby punted out to the 27. Incomplete pass. Chapman 3 at right tackle, then punted over the goal line. Roby receiving the ball on their 20. Roby punted to Spur 48. Spur tried three passes, the third, Suits to Bingham connected for a 20 yard gain and 14 more on a pass to McCombs. Incomplete pass. Hahn at right tackle for 9 and two more incomplete passes. The ball going to Roby on their 20. Failing to pick up any yards the Roby backs punted to Spur's 40 yard line, covering the ball on a Spur fumble to end the game in midfield.

Starting Line-Up
Spur: Ends, McCombs and Bingham; Tackles: Gilbert and Perkins; Guards: Buck Willhoit and Garner; Center, Green; Quarter, Chapman; Halfbacks: Iworth Hahn and Suits; Fullback, Thomas Haralson. Substitutions: J. B. Haralson, Meadows, Bumpus, Foster and Meadow.
Roby: Ends, Henry and Spears; Tackles: Eskridge and Tyler; Guards: Lanch and Ballio; Center, Jonagan; Quarter, S. Rhodes; Halfbacks: Nolan and Stuart; Fullback, C. Harris. Substitutions: B. Henry, Milligan, Glenn, and Lemmons.

Officials: Referee, Crites, Texas Tech; Umpire, Curfman, Texas Tech; Head Linesman, McWilliams, Texas Tech; Timer, Johnson, Notre Dame.

Brode Puckett, Texas Tech Matador halfback, was down for the game Friday night. He was a high school star here several years ago.

Stadium Dedicated—

Continued from Page One

cult to describe Mr. Jones. He was so superior and yet so unostentatious. He was so brilliant and yet so easy; so deep and yet not beyond comprehension; so correct and yet compassionate; so perfect, yet so sympathetic. At every turn you beheld a new attraction to his personality and a new beauty to his character.

In speaking of Mr. Jones as a business man the speaker remarked, "He was adaptable. Surrounding gave him no uneasiness. Whether on the plantation or in the city, in the mining camp or the mansion, on the ranch or in the editorial room, in the solitude of the mountains or managing the utilities of a great city, in the backwoods or the metropolis, at the Townsite Office or the Sulphur Plant, hearing the grievances of laboring men or in the office of the millinaire, in the quiet social life or directing a great lawsuit, he was always at ease and master of the situation."

Judge Coombes spoke of the work Mr. Jones did on the Spur Rancho after its acquisition by S. M. Swenson & Sons, and of his influence in the location and founding of the town of Spur. He stated that with his influence upon Daniel Willard, who was then President of the Burlington Lines, the town of Spur received its location. When it came time to secure a post office the Postal Department did not want the name Spur used. Mr. Jones then went to his old friend, Joseph Stewart, then Assistant Postmaster General, who secured the name Spur for the post office. Judge Coombes related that on the day when Mr. Jones and his good wife drove over the Ranch properties to make a final selection for the town of Spur that a band of 18 antelope were grazing upon what is now Burlington Avenue.

The speaker emphasized that it was a hard fight on the part of Mr. Jones that the State Experiment Station was located at Spur. He told of how Mr. Jones organized the first bank in Spur—The Spur National Bank. Mr. Jones had the first automobile in this section, and since there were no hospitals near, this car was used often to convey people to the hospital miles away and was the means of saving many lives.

Mr. Thomas then introduced Alton B. Chapman, District Attorney, who introduced Congressman George H. Mahon for the dedication address. Mr. Mahon expressed his surprise at the great accomplishment of the Spur Independent School District and said he had never seen anything like it in West Texas. Then stated that as long as people will go forward with great accomplishments that our citizenship is safe—as long as people have a desire to do great things that our government is solid. Mr. Mahon stated that he did not know the late Mr. Charles A. Jones, but the fruits of his life are still a monument to him and that he must have been a wonderful man to have accomplished so much.

In speaking of the schools of Spur, he related that as long as the citizenship would place high ideals before the youth of this community that advancement would go on from one generation to another.

Mr. Mahon spoke only about ten minutes, but he said a great many things by which the citizens of Spur and Spur country should feel complimented.

The Spur Bulldogs played the Roby Lions after the program, the account of which is in another column.

It had been the hope of the School Board to have a number of past superintendents present for the occasion, but so far as is known, R. N. Cluck, of Cisco, who served our schools four years, was the only one here. Mr. Cluck stated that he and Mrs. Cluck were glad to be back with their old friends. They were accompanied by their little daughter.

P. J. Tackett, representative of the Graham Paper Company at Dallas, was in our city Wednesday.

Mr. and Mrs. M. C. Golding and children were in Lubbock Sunday visiting friends.

BULL PUPS OPEN SEASON WITH McADOO HERE FRIDAY

Editor Here On Campaign Tour

Editor Jess Mitchell, of Muleshoe, candidate for the State Senate to fill the unexpired term of the late Senator Duggan, was in our city Tuesday night and Wednesday greeting old friends and shaking hands with the voters of Dickens County. Mr. Mitchell was accompanied by J. E. (Jack) Brannen, former merchant at McAdoo, who was assisting in placing placards in windows and greeting friends.

In speaking of Mr. Mitchell as a candidate, Mr. Brannen said, "He will make us a good State Senator because he knows the situation of every type and class of business in the district from the farmer on down. I live in Lamb County and 80 per cent of the people there will go for Mitchell. In Bailey County where Mitchell lives he will receive at least 95 per cent of the vote. He will get a big vote in Hale County, and all over the district I hear favorable mention made in his behalf."

In speaking of the race Mr. Mitchell said he did not run for the money that is in the job, but to serve the people in an honest and honorable manner. He said, "Have never taken any graft before, and I am too old now to begin. There is nothing made in the office unless you take graft, and I don't need the graft, but I do want to fight for the rights of West Texas and I will do it, if the people elect me."

Coach Stanford, of Matador, was in our city Friday to enjoy the Roby-Spur football game. He reported his Matadors were drilling hard for their opening game this week.

Spur vs. McAdoo! That is the football menu for Spur fans at home this week end. McAdoo, Class C team of the Plains, will bring a husky team of beginners from Spur. The regular Spur squad was divided two weeks ago and the future Bulldogs of Spur will play their first game Friday afternoon at 3:15 at the Chas. A. Jones Stadium.

Football fans of Spur are urged to attend this game and watch these Class C boys step. It will be a good game and more than worth the 15c and 25c admission price. Season tickets are good for this game, too!

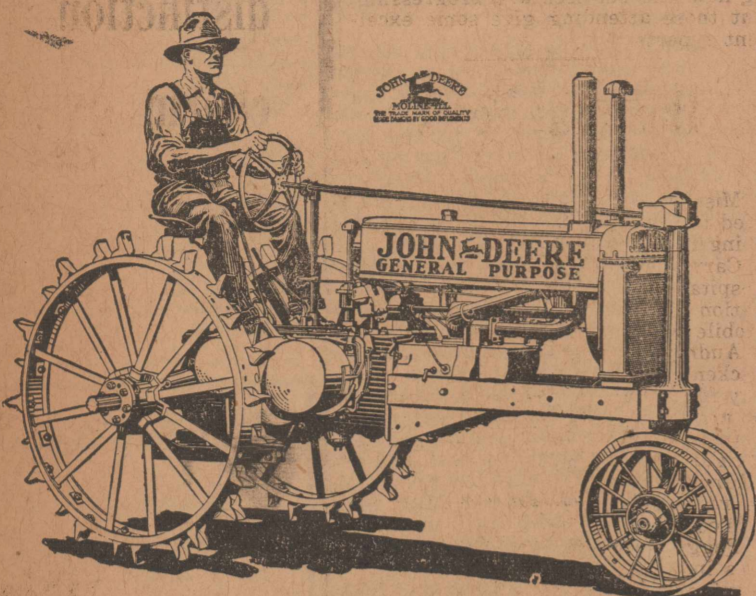

Dr. Bob Alexander will be umpire. Everett Martin will referee and "Notre Dame" Johnson will be head-linesman.

Players who will see action as listed by Coach Martin are Billie Hahn, Junior Martin, J. L. Hutto, Alton Garner, Roger Bingham, Dopson (the boy from Dry Lake that won a track meet last spring almost by himself), Sherrod Dunn, Morris Ray Dunn, Spencer Lis-enby, N. Berry, Cecil Britton, Ray Caplinger, Richard Thomas, Pete Will-hoit, Bill Caraway, Jimmie Sparks, Raymond Smith, George Murphy and Bill Haralson.

Coach R. E. Everett of McAdoo expects to bring 20 boys down for the game and they will be followed by a large number of fans. Most of these McAdoo boys are playing their first year of football which will make the two teams almost evenly matched.

Jno. McDonald, of Plainview, a member of the firm of Seale & McDonald, auctioneers at Floydada, was in our city Wednesday talking sales business among the people. They have done some business in this community with good success.

POLITICAL ANNOUNCEMENTS

The following are candidates for State Senator, 30th District, subject to the special election, September 28, 1935:

G. H. NELSON, of Tahoka.

JESS MITCHELL, of Muleshoe.

Wm. H. (Bill) EVANS, of Lubbock.

Our Opinion Is.....

That while the adage "It Pays To Look Well" is much displayed, most of us remain poor.

WILL BE NICE FOR THOSE WHO GET IT

According to the report from the State Auditor's Department which is published in the Times this week, there are about 62,933 persons in Texas of 65 years of age and more who might be considered eligible to the old age pension. It is his estimate that to pay this number of persons the full monthly allowance of \$15.00 each will cost the state of Texas \$12,460,734.00 annually.

Did you ever stop to think just how much of this fund the officials of the State of Texas want to expend the people's money in this instance? Figure it yourself. Ten per cent of the last named amount above gives \$1,132,794.00. That is the estimate the state officials say will be the cost of sending out the regular monthly check to all those daddies and mothers in Texas who have toiled and striven until the age of sixty-five years.

Is it possible that the State of Texas is going to be placed at such an expense to distribute so small a fund? Yes, there can be a lot of red tape added, a big three-member Pension Commission instituted, a pension bureau installed and a lot of other non-sensical things—but why all such graft? It means more political jobs at the expense of the people. Isn't it enough that the people of Texas agree to take care of the daddies and mothers—some of them probably the daddies and mothers of state employees—without all the rest of this red tape? It soon will be that a worthy cause in Texas cannot be supported by the people on account of graft expense unless a halt in expenses is called.

The federal government expects to duplicate any amount the state pays, and the federal government feels that five per cent is enough overhead expense. It will mean that 2513 checks will have to be issued daily for 25 days per month and the bookkeeping on the amount done. What bank in Texas could stand an overhead such as state officials deem will be necessary to care for the old age pension fund?

Bernard and W. J. Bryant, of Stamford, were in our city Tuesday looking after business interests.

Mr. and Mrs. Vernon Gregory have moved to Spur from their home in Duck Creek community.

C. D. Bird, of Matador, came down Monday and spent a day or two on his ranch west of Spur.

Mrs. Dollie Putman, who has been living at Vernon, has moved back to Spur and is now at home in her residence on North Miller Avenue.

Earl Van Meter, of McAdoo, manager for the Farmers Cooperative Society, was attending to business affairs in our city Monday.

O. C. Southall, Superintendent of Schools at Patton Springs, was transacting business in our city Tuesday.

SCHOOL DAYS

By DWIG

American Boy Magazine Is Loaded With Adventure

"We try to make a subscription to THE AMERICAN BOY," states Griffith Ogden Ellis, editor, "a round-trip ticket to a world-wide adventure cruise."

"Most boys cannot afford the luxury of travel but they can afford to settle down under a reading lamp and take an imaginative trip to foreign lands in American Boy stories."

American Boy stories, during the coming year, will take readers to the South Seas in a trading schooner, to the polar wastes behind a dog team, into the Canadian wilderness with the Mounted Police, through the Caribbean with the U. S. Navy, even to the far-away planet of Mars in a space ship!

There'll be true adventures among the lions and chimpanzees of Africa with Captain Carl von Hoffman, famous explorer and ethnologist. In addition there'll be stories about the favorite characters of a million boys—Bonehead Jim Tierney, detective; Square Jaw Davis, engineer; Hide-rack, the red-and-gold collie; Connie Morgan, and Douglas Renfrew.

There'll be vocational stories that will help the reader select his life work, advice on hobbies, sports tips from famous coaches and players, money-earning suggestions, vacation hints, and worthwhile contests.

THE AMERICAN BOY costs only \$1 a year, or \$2 for three years, foreign subscriptions 50 cents a year extra. Send your name, address, and remittance to THE AMERICAN BOY, 7430 Second Blvd., Detroit, Mich. Service will start with the issue you specify. On newsstands, 10c a copy.

Mr. and Mrs. Allen Gray and little son, of Sweetwater, were calling on us in our city Monday. Mr. Gray is with the Home Owners' Loan Corporation.

Tri-County Singing Convention To Meet At Jayton Sunda

The Tri-County Singing Convention will hold their annual session at Jayton next Sunday, September 22. There will be a night session Saturday night and an all day session Sunday. Be sure to be present at the Saturday night session as all business will be attended to at that time.

The meeting Sunday will be called at ten o'clock in the morning. Special effort is being made to have present some of the best singers in West Texas.

The Tri-County Convention embraces Dickens, Kent and Stonewall counties. Every one attending from these three counties are requested to bring a well filled lunch basket. The town of Jayton is making special arrangements to entertain a large crowd of people. This is our fourth annual meeting. Come and help make it the best.

The President.

Fred Arrington, our efficient County Clerk, was greeting friends in our city Monday and went on to Girard to attend to some business.

Mr. and Mrs. Trammel are at home in the Grace residence on North Carroll Avenue.

CIVIL PRACTICE ONLY

HOME DEMONSTRATION CLUB NEWS

STORING DRY FOODS IN THE PANTRY

"Dry foods, as peas and beans, may be stored in buckets and cans, after being treated with high-life to prevent weevils. The containers should be properly labeled before storing on the pantry shelves," said Miss Pratt, home demonstration agent, in the Prairie Chapel Home Demonstration club meeting with Mrs. R. C. Alexander, farm food supply demonstrator, Friday afternoon. "Peas and beans, shelled or in the pod may be treated for 48 hours in air-tight containers with high-life to destroy all weevil, using a pint of high life, carbon disulphide, to each 4,000 cubic feet of space. For small amounts a bottle of the chemical with a groove cut in the cork inserted in a bucket or lard can of shelled beans or peas and kept closed tightly for the required time will serve nicely in the average home," continued Miss Pratt.

"Potatoes, pumpkins, cushaws, and other vegetables may be stored in ventilated fruit or vegetable crates in the cellar."

The next meeting of the club will be September 18 in an all-day meeting when the members will make recipe files.

Those present were: Mrs. Paul Braddock, Mrs. Johnnie Hale, Mrs. C. W. Van Cleve, Mrs. R. C. Alexander, Mrs. Leslie Peak, and Miss Hat-tie May Peak and Mrs. Joe Thornton, visitors. —Reporter.

CLUB LADIES MAKE FILES FOR RECIPES

Seven members were present Wednesday when the Red Top club met with Mrs. R. F. Harrell for an all day meeting. A covered dish luncheon was served at noon, and all members worked on files for recipes and took more recipes home to add. One old member came back to the club and a new member came in. We hope to have two more soon. Everyone is welcome.

Each one is busy trying to fill their club goals, and have their jars to enter the Ball jar contest. Members present were: Mrs. J. C. Childress, Mrs. Buran Jones, Miss Carrie Childress, Miss Mattie Howell, Mrs. Curtis Childress, Mrs. Matt Howell and hostess, Mrs. R. F. Harrell, Mrs. Alf Manning, visited and joined the club. —Reporter.

EXCHANGING FARM PRODUCE FOR PANTRY ESSENTIALS

In order to supply their pantries with all the foods required in their budgets to make well-balanced pantries several farm food supply demonstrators are exchanging surplus garden or farm produce for foods rich in disease-preventing vitamins and minerals.

Mrs. Sam Bachman, demonstrator

DR. T. H. BLACKWELL Specializing on Eye, Ear, Nose and Throat and Office Practice. Office at City Drug Store Phone 94

Club is exchanging watermelons for canned tomatoes and salmon to provide vitamin C and iodine for her family. A surplus of tomatoes in her garden is being used to supply canned corn and salmon for Mrs. Frank Forbis' pantry. Mrs. Forbis is demonstrator for the Chandler Home Demonstration Club.

GIRLS ARE DRYING OKRA

"We have dried our two yards of okra," reported Ma Mae and Leoma Hodgins, members of the Dumont Jr. 4-H club. "In drying the okra we washed small tender pods and blanched it for three minutes in boiling soda water using one half teaspoon soda to one gallon water. We cut the pods into one-fourth inch slices and threaded it on a string and hung it in the sun to dry," says Leoma.

To dry two yards of okra is part of the food preservation goal for the club girls this year.

After the okra is thoroughly dry it may be stored in buckets or cans that may be closed and properly labeled.

GIRLS TO GROW CARROTS AND BEETS IN FALL GARDENS

A check on the carrots and beets canned by the Dumont Junior 4-H club girls in their meeting Wednesday morning revealed the fact that all of them need to grow carrots and beets in their fall garden to complete their canning goal. Two girls have dried their two yards of okra.

Members present were: Katherine Forrest, Ma Mae and Leoma Hodgins, Eloise Jones, Theatus Rogers, Geneva and Bahma Nelle Smith, Enda Earl Thomas, and Vendell Leasley, a visitor. —Eloise Jones, reporter.

GIRLS TO ENTER BALL JAR CONTEST

The Dumont 4-H club girls will have their Ball jar contest at their first meeting in October the members decided in their meeting Wednesday afternoon. The entries in this contest consist of a quart of canned fruit and a quart of canned vegetable. The contest is open to any club girl or woman. The Ball Brothers jar company are furnishing the prizes.

Members present were: Alma Schooler, president; Mildred Powell, Barbara Carpenter, Dorothy Scott,

Alma Thomas, Ruby Norris, Estelle Park, and two visitors, Pearl Scott and Ellen Carpenter. —Alma Thomas, reporter. ****

CLUB MAKES RECIPE FILES

Exchanging recipes and receiving instructions for making recipe files filled the afternoon for the McAdoo home demonstration club members in their meeting Tuesday afternoon when they met with their farm food supply demonstrator, Mrs. Price Brownlow, who helped them with their files.

Six new members were enrolled as follows: Mrs. Lawrence Fox, Mrs. Johnny Woolley, Mrs. Leonard Cox, Mrs. Dewey French, and Mrs. Jim Earley.

Three visitors, Mrs. Emmett Pifer, Mrs. H. Hunsucker, and Miss Orrie Burrow, were present.

Members present were: Mrs. W. Vanderford, Mrs. C. A. Allen, Mrs. T. L. Dozier, Mrs. J. T. Parker, Mrs. R. Y. Allen, Mrs. Jim Eldredge, Mrs. J. Graham, Mrs. R. Perry, Mrs. W. I. Moore, Mrs. D. E. Allen, Mrs. O. S. Harvey, Mrs. Willie Eldredge, Mrs. A. J. Allen, Mrs. B. C. Allen, Mrs. Lloyd Hickman, Mrs. G. W. Allen, Mrs. J. W. Jones and Misses Hazel Moore, and Aline Allen.

The next meeting will be with Mrs. Leonard Cox, Tuesday, September 24. It will be an all-day meeting when the members will work on their files. Miss Pratt will have charge of the afternoon program on storing the food supply. —Reporter.

S. T. Battles, of Espuela, was transacting business in our city Tuesday.

ESSAY CONTEST

Because of the increasing number of fires, the Hartford Fire Insurance Company is trying to encourage people to be more careful—to use every intelligent means to prevent fire. What has been done and what ought to be done in YOUR OWN HOME to make it safer from fire? Investigate!

For the best essay written by a member of the High School of Spur, Patton Springs, and McAdoo on the subject, "How the principles of Fire Prevention Have Been Applied in My Own Home," the Hartford is offering a handsome medal. One for each of the three above schools. The contest closes October 12.

Three sample medals are on display. One at McAdoo, one at Afton, and one in Spur (The medal for Spur School is on display in the window of this agency). These students don't have to be expert theme writers; all that is required is a little first-hand investigation and a straight-forward statement of what they find.

Regarding the National Housing Act

ON TEXAS FARMS
by
Minnie Fisher Cunningham
Extension Service Editor

In the interest of beauty, simplicity and ease of cleaning 115 home demonstration club women in Calhoun county have removed all the old calendars, artificial flowers and plaster of paris animals from their bedrooms. Two hundred and sixty-one pieces of furniture have been refinished; 34 women have made or started hooked rugs and 20 mats have been made or started.

And food to the impressive total of 26,489 1-2 containers is already stored in their pantry shelves. Fruits, fruit juices, tomatoes and vegetables have been put up in quantities to insure vitamins and variety in this winter's diet.

Also 178 dresses and 28 other garments have been made by the 110 foundation patterns which have been provided by these Calhoun home demonstration club women. Fifty-two of these club women have "new deal" clothes closets. That is they have closets with rods allowing dresses to hang clear of the floor, shelf space, hat racks and shoe racks.

NOBODY'S BUSINESS

By
JULIAN CAPERS, JR.

Austin.—The gage of battle to adopt a state monopoly system for the sale of hard liquor in Texas was thrown into the legislative arena this week, on the eve of the opening of the special liquor control session of the 44th legislature.

Ex-Sen. Tom Love, of Dallas, spokesman for the home drys, and veteran of innumerable prohibition campaigns, sent a letter to every member of the state legislature, urging state monopoly, and asserting that only in those nine states which have adopted the system has any substantial revenue accrued to the state.

Bitter, and probably successful resistance, will be encountered to his plan from distillers, liquor wholesalers and distributors, hotels, restaurants and all who hope to profit from the liquor traffic.

The state monopolists will have another try at it, if they fail in the special session, next year, when the people will vote on a constitutional amendment setting up state monopoly. Wet leaders here are gravely concerned over what will take place if the intervening year and a half. If regulation is too lax, if drunken drivers kill too many people, if public drinking by women in bars where women and young girls are bartenders is too widespread, they fear a strong reaction that will result in the voters adopting state monopoly next year.

Meanwhile, in the larger cities of Texas and in many small ones, those who profit from the sale of liquor, apparently are doing their utmost to confirm the fears of wet leaders. Thruout the state, liquor dealers have "jumped the gun," not even waiting until the state constitutional amendment is repealed by official canvass of the vote, but opening up saloons—specifically prohibited by the repeal amendment—where all varieties of hard liquor and mixed drinks are served. Local option laws are utterly disregarded. Breweries in Texas, and out, manufactured and shipped 6 per cent beer into the state even before election night. Every bottle or keg that is made or sold in the state constituted a separate violation of both state and federal laws still on the books. In Fort Worth a 19-year old girl married in a saloon as a crowd of drinkers cheered, an ordained minister performing the ceremony before an altar of roses, erected on the bar. Drugstores thruout the state continued their magnificent disregard of all laws, and sold packaged liquor by the thousands of gallons. Whatever the legislature does, anarchy is in the saddle so far as liquor sales in Texas are concerned today.

The state prison board, meeting in Houston last Saturday, accepted the resignation of Lee Simmons, longtime superintendent and manager of the system, appointed his successor, Dave Nelson of Orange, chairman of the livestock sanitary commission, manager of the Stark farming interests, and world war veteran who won decorations for gallantry. Gordon Burns, Huntsville's senator, and many other members of both houses, protested, asked delay in acting on Simmons' resignation until the legislature could investigate.

The incident brought to a head a long-smouldering fight between Simmons and his friends and a majority of the prison board. Simmons' friends claim he has been handicapped by the board, while his enemies, headed by Sen. Tom Holbrook of Galveston, have criticized Simmons loudly. Both factions promise a legislative investigation, which likely will develop in the special session.

The widespread interest of Texas in oil was again exemplified in the last provision order of the railroad commission, which listed and fixed allowances for 174 separate fields. No section of the state seems to be without oil production or potential production. Sixty per cent of the state's counties produce oil. Newest among the areas where production limits are as yet undefined is the Rio Grande valley section, where Union Sulphur Co. brought in a discovery well and quickly completed a second fine producer. Lorry Jacobs, general public relations director of Southland Life Insurance Co., passing thru Austin after a visit to the field, reported oil excitement thruout the valley region. His company owns several hundred acres in the immediate vicinity of the Sulphur producers, which are in the immediate vicinity of the Sulphur developers, which are under lease to

the Sulphur developers, and promise to enrich Southland Life tremendously.

A battle royal between two of the faithful from Democratic ranks for appointment as judge of the federal court for the northern district of Texas is in prospect. T. W. (Whit) Davidson, once lieutenant governor, now a Dallas insurance executive, and J. Percival Rice, Dallas attorney, campaign manager last year for Sen. Tom Connally, and assistant federal Centennial commissioner, are rival candidates. Davidson has been endorsed by Sen. Morris Sheppard, Rice by Sen. Connally. A deadlock may result, as indorsement of both senators likely will be required by any successful candidate. The appointment will probably be made in December, when Judge Weldon Meek reaches the age of retirement. The post pays \$10,000 a year, and appointment is for life.

With the help of her mother and sister Miss Thelma Green, farm food supply demonstrator for the Independence home demonstration club in Montgomery county, has filled 2,000 containers of food including 45 varieties for their family of twelve. She has added 100 feet of new shelving to the food storage space. In addition to her home duties she has supervised one of the relief canning plants where several thousand cans have been filled with food this year.

Dick Speer, who has been in Abilene several days getting a new variety store in operation, was up Monday to look after business. He returned to Abilene Tuesday.

G. J. Lane left Monday for Denton, accompanied by his two daughters, Misses Eloise and Frances, and Miss June Lisenby, who will become students at the Texas College for Women.

W. H. (Billy) Evans, of Lubbock, was in our city Tuesday attending to business matters. He is a candidate for State Senator at the special election and putting up an active campaign for the position.

Miss Lois Goodwin, of Afton, is associated with the Spur Gin here for a few days. She will look after the business of Goodwin Bros. Gin at East Afton during the season's run of ginning.

H. C. Allen, of Dry Lake, was transacting business in our city Tuesday. Miss Nellie B. Albin, of Aspermont, was here visiting her parents, Mr. and Mrs. H. O. Albin, Sunday.

Mrs. Sam Z. Hall, of Paducah, was guest of friends in our city over the week end.

Mr. and Mrs. Bob Cluck and little daughter, of Cisco, were guests of friends in our city Saturday and Sunday.

YOUR WINTER WARDROBE
Doesn't have to be entirely new! Here's our little secret—Have your Cleaning and Pressing done at
HOGAN & PATTON

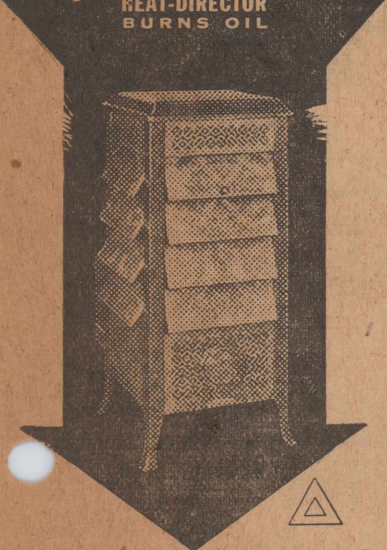

The same friction by which the Indian created a flame caused the easy ignition of the first Friction Match made by the Frenchman, Dr. Chas. Sauria, in 1831. . . . This was a basic discovery that we still use today. But how obsolete a smudging flame now seems in contrast with the convenience, safety and cleanliness of Electric Heat.

Mankind has an innate sense of cleanliness in relation to his food. Hence, the ever-increasing demand for such Electric Appliances as the Range, Electric Water Heater and the Electric Refrigerator.

These modern electric appliances can be had on convenient terms, and you will be surprised at the moderate cost of such added superior service.

1933 STUDY CLUB

The 1933 Study Club met September 17th with Mrs. Charlie Powell with Mrs. Frank Watson as co-hostess. Mrs. J. H. Swan acted as leader. The subject of the lesson was, "Facts About Texas." Mrs. John Albin gave a talk on the origin of the name, Texas. Mrs. W. R. Weaver read some statistics on the State of Texas, Mrs. V. L. Patterson gave a talk on "Why the Texas Centennial?" Mrs. Charlie Powell gave the poem, "White Magic". Ice cream and cookies were served to eleven members. —Reporter.

1917 STUDY CLUB MEETING

The 1917 Study Club met Tuesday afternoon with Miss Jennie Shields as hostess, and Mrs. Geo. M. Williams as leader. The subject for study was "Education and Psychology". "Goals of Achievement for Spur Schools" was the subject for roll call.

Mrs. Malcolm Brannen discussed "Adult Education."

Mrs. Luther Jones' paper was on "Illiteracy in Texas." Mrs. W. C. Gruben led a round table discussion on "Every Day Psychological Problems." Supt. O. C. Thomas concluded the program with a very informative talk on "Recent developments in Education," with particular emphasis on the changes he hopes to make in the Spur school curriculum.

MR. AND MRS. G. EARLE WOODS HONORED

On Wednesday evening, September 11th Mesdames E. S. Lee, O. L. Kelley, Loyd Roberts, Dalton Johnston, W. B. Lee, R. L. Benson and W. R. Weaver entertained the members of the Church of Christ at the home of Mrs. W. R. Weaver, Mr. and Mrs. G. Earle Woods, who recently married and returned to Spur to continue Mr. Woods' work as minister of the local church, were named as honor guests.

After guests had registered on a rolling-pin, a short program was given. Lavarise Lee read a number dedicated to Mrs. Woods. R. L. Benson paid a tribute to men in general in "Now and Ten Years from Now." O. C. Thomas, as one victim to another, presented that scepter of power, the rolling-pin, to Mr. Woods. Mrs. Weaver offered advice to the bride and presented a package of love, which, when opened, was found to contain gifts for the honor guests. The hostess group served delicious refreshments.

Those present or sending gifts were: Messrs. and Mesdames O. C. Arthur, Jim McDaniel, Dalton Johnston, S. H. Clay, Jno. Luce, S. E. Boothe, Ralph Sherrill, R. L. Benson, Lewis Rochat, A. Biggs, E. S. Lee, O. L. Kelley, W. B. Lee, S. H. Blair, O. C. Thomas, W. M. Malone, Chapman, Ben Twitty, J. A. Pinkerton, J. W. McDaniel, H. E. Grabener, Dave Taylor, W. N. Kinney, Edd Slough, G. W. Conn, J. Curtis Young, W. C. Black, Miss Anna Belle Frazier, Mmes. O. Moore Hall, Thurmond Moore, E. S. McArthur, Susan Cross, Eugene Roberts, Lewis Rickels, Joe Collier, Lucy Abel, James F. Williams, Albie Joplin, Gordon Freeman, Drury, Joe McDaniel, Whit Bumpus, D. I. Lee, Norman Wilson, Joe Allison, D. N. Lee, Fred C. Haile, Lillian Roberts, F. N. Oliver and Mary E. Johnson.

SO-SUM CLUB MEETING

The So-Sum Club held the first meeting of the club year Wednesday, September 11th at the home of Mrs. Roy Stovall. A very interesting program on Modern Turkey was enjoyed by 12 members, including our two most recently elected—Mrs. Burgess Brown and Mrs. J. W. Henry. Plans for the extension work of the departments of Citizenship, Education, Fine Arts and Public Welfare were set forth, with the hope of general improvement along these lines. —Reporter.

1931 STUDY CLUB

The 1931 Study Club met with Mrs. Floyd McArthur Tuesday at 3:30 p. m. A very interesting program on Modern Turkey was enjoyed by 12 members, including our two most recently elected—Mrs. Burgess Brown and Mrs. J. W. Henry. Plans for the extension work of the departments of Citizenship, Education, Fine Arts and Public Welfare were set forth, with the hope of general improvement along these lines. —Reporter.

CLUB HAS PROGRAM ON EDUCATION

"The school curriculum must deal with the practical things of life," said Mrs. O. L. Kelley in discussing Curriculum Revision in the Public School meeting of the Twentieth Century Study Club Tuesday when the club met with Mrs. O. C. Thomas.

"A good slogan would be: The teacher and child should strive in every thing they can to make the child feel at home in every corner of the world," continued Mrs. Kelley.

Mrs. G. J. Lane gave the Desirable Outcome of Education.

In giving the cost of Public Education Mrs. V. J. Campbell showed in chart form that the average amount spent by the States per child per year for Public Education is \$87.60 with New York spending the most and Arkansas the least. Texas spends \$63.70 or \$24 below the average.

The hostess served punch and cook-

ies to the following members: Mrs. F. B. Crockett, Mrs. Ray Sanders, Mrs. V. J. Campbell, Mrs. E. S. Lee, Mrs. H. C. Foote, Mrs. E. L. Caraway, Mrs. O. C. Thomas, Mrs. O. L. Kelley, Mrs. E. J. Cowan, Mrs. J. M. Foster, Mrs. V. C. Smart, Mrs. A. M. Walker, Mrs. B. F. Hale, Mrs. G. J. Lane and Miss Clara Pratt. —Reporter.

Cotton Oil Products Week

Cotton Oil Products are easily digested—They do not turn rancid quickly and they contain many needed vitamins.

Lets show our appreciation to the progress of this great industry of the Southwest by purchasing Cotton Oil Products this week.

COMPOUND
