

A WEST TEXAS PAPER FOR WEST TEXAS PEOPLE

Dickens Co. Times

VOLUME 11

SPUR, DICKENS COUNTY, TEXAS, THURSDAY, OCTOBER 24, 1935

WHOLE NUMBER 533

All Stars To Play Roaring Springs

The Spur All Star football team, which is feeling its "oats" since the victory over Patton Springs last Monday night, will play Roaring Springs tonight (Thursday). The game will be called at eight o'clock at the Chas. A. Jones Memorial Stadium.

Dr. Bob Alexander's All Stars put over three touchdowns in their first game in the second half after getting the feel of the ball. They have been practicing the last two days and state they will put on an exhibition well worth the effort.

The Roaring Springs Yellow Jackets are undefeated for the season and do not intend to have that record marred by a bunch of "city slickers," according to word from the Motley County metropolis.

DR. AND MRS. LAWLER RETURN

Dr. and Mrs. Harold H. Lawler, who have been away the past six weeks returned Monday. Dr. Lawler was taking a much needed rest and stated that he is beginning to feel more like himself. They visited different points in South Texas and other places and tried to forget about business.

Dr. Lawler says that he will not go back into his office until about November 1. He is having his office room extended and making other improvements, painting, etc. which will require until about the first of the month to complete. The attention of our readers is called to his letter to the people this week.

ANNUAL FOOD SHOW FRIDAY-SATURDAY

The ladies of the First Christian Church will start their Pure Food Show to-morrow (Friday) in the Love building just south of the Spur Coffee Shop. There are many booths prepared by the merchants and there is a good display ready for the public to look over.

The Boys Beauty Contest which will be staged Friday night, at 8:00 o'clock is going to be a sensation to everybody. In addition to this number the ladies have secured the colored quartet from the Lakeside Baptist Church who will give a program during the evening just after the beauty contest closes. A free drawing is given each day at four o'clock in the afternoon. This will be interesting. It is not reported what the drawing shall consist of. It may be drawing a prize, or a partner for a play, but the purpose has been kept a secret and will not be staged until the time.

Saturday night is to be an Old Fiddlers' Contest. This will begin at 7:30 o'clock in the evening and last until all contestants have finished their numbers. A number of fiddlers have announced they will enter the contest and it is going to be a great time. Don't forget this how starts tomorrow and lasts throughout two days, closing Saturday night with a fine program.

State Board Cotton Division Offers Tax Exemption Advice

There has been a demand from creditors and others for information relative to their obtaining producers' surplus tax-exemption certificates, pooling them in the name of the producer and receiving for the government check.

We have taken this matter up with the Division of Cotton and they again remind us that it is the duty of the county agent or assistant, on cotton adjustment to deliver government checks to the payee designated thereon, unless otherwise instructed by the Secretary.

Tax-exemption certificates are for the purpose of paying the ginning tax on cotton and are not to be used as collateral. Surplus certificates may be pooled or transferred at the rate of five cents per pound to another producer in an amount necessary to pay the ginning tax on his cotton, produced by or for him, in excess of his Bankhead allotment. They are not for speculation. Your regulations are very clear concerning speculation in tax-exemption certificates.

We quote you as follows from the Division of Cotton:

"Reference request opinion on assignment pool proceeds. We advise that the manager of the pool has no authority to recognize any transfer or assignment and that the assistant in cotton adjustment is authorized to deliver a check issued by the pool or a certificate issued therefrom upon the liquidation of the pool only to the person named as payee on the check or named on such certificate."

The State Board admonishes you to follow the regulations and the interpretations thereof from the office to the letter. This is the best way to keep out of trouble.

Trusting that the above information will explain county agent's action toward this matter in the future, I am Yours very truly,
G. J. LANE, County Agent,
Dickens County.

WHEAT FARMERS CONTRACTS READY AT AGENT'S OFFICE

Farmers who desire to sign wheat contracts will have an opportunity to do so if they call at the County Agent's office Tuesday, October 29.

Robert A. Butler, Secretary of the Dickens County Wheat Association, will be in Spur at the County Agent's office on date designated to assist in preparing applications for wheat contracts for farmers who have not heretofore signed wheat contracts. Mr. Butler has handled the wheat sign-up the last two years, and is capable of giving accurate information on methods of procedure and in preparation of contracts.

CONTRACT FOR WORK ON HIWAY 24 LET

The Womack-Henning Construction Company of Abilene were low bidders on the Dickens County Highway work on Highway 24.

This project begins 9.1 miles east of Dickens and runs east 7.5 miles connecting with the work previously done across the Pitchfork Ranch. When this project is completed, approximately 13 miles of the present highway will be abandoned and the new work used for traffic. This will do away with the traffic hazards of the present Pitchfork hills which have been a source of many wrecks during recent years. The new alignment will have easier grades and wider roadbed with safe side ditches throughout.

Actual construction work will probably begin about December 1, 1935, and continue until approximately July 1, 1936.

Home Demonstration Council To Meet Saturday Afternoon

The county home demonstration council will meet for the regular October meeting in the basement of the Baptist Church, Saturday afternoon at 2:30 o'clock. At this meeting the Finance Committee will present the budget for 1936 and other important business will be brought before the group. Each club should be represented.

MRS. B. Y. LOVE DIES IN FORT WORTH

Mrs. B. Y. Love passed away at her home in Fort Worth at ten o'clock last Friday morning after a lingering illness. She had been in poor health for a long time and the last few weeks was under constant care of a physician. Funeral services were held Saturday by the pastor of the Polytechnic Methodist Church of Fort Worth and interment followed in a Fort Worth cemetery.

Mrs. Love and her husband lived many years at Roaring Springs and later moved to Dickens where Mr. Love was engaged in the gin business. A few years ago they moved to Fort Worth. Mrs. Love had a great number of friends in Dickens County. She was a devoted member of the Methodist Church and was always busy with some kind of work in the church.

She is survived by her husband, two sisters, Mrs. Largent of Fort Worth and Mrs. C. C. Bishop of Wellington, and one brother, C. F. Crosson of Fort Worth.

Mr. and Mrs. Basil C. Cairnes, of Claremont, were doing some trading and visiting friends in our city Saturday.

THIS ISSUE OF THE TIMES MARKS ANOTHER MILESTONE IN YEARS OF ITS PUBLICATION

S. T. Battles, of Espuela, was transacting business in our city Tuesday, and while here remembered the Times office with a renewal. Thanks.

Mr. and Mrs. H. L. Underwood, of Lost Lake community, were in our city Saturday doing some trading and greeting friends.

Spur Gin Report

On account of wet weather over the territory ginning of cotton at Spur has been materially slowed up this week. According to reports gathered at two o'clock Wednesday afternoon there had been 2,591 bales ginned here during the season.

Cotton was bringing from 10.60 to 11.50, but most of it was selling around 10.90. Seed was bringing \$34.00 per ton.

Spur gins were turning out good samples which had much to do with the price the lint was selling at.

Cap-Rock Life Will Issue Policies Soon

R. C. Brown, Secretary and Business Manager for the Cap-Rock Life Insurance Company, returned from Austin Monday where he had been getting the final arrangements made in behalf of his company. He stated this week that they will start to issuing policies to policy holders about November 1.

He stated that the Cap-Rock Life had broken all records in regard to writing applications during the nine weeks of business. At this time there is more than \$350,000 of business in force, and applications keep coming in at a good rate.

The company issues policies in three denominations: namely, \$250.00, \$500.00 and \$1,000.00. These policies are being placed on an old line basis and a lower rate, but enough to make them substantially strong. It is a home institution and takes much pride in rendering good service to home people.

Spur Hi Ag. Boys Feed Lambs As Project

Sixteen boys of the Spur High School Vocational Agriculture class feeding sixty mutton lambs on a ration of home grown feeds for market. The ration consists of milo, red top cane and cotton seed cake with ground limestone and salt available at all times. The average gain to date has been one-third pound per lamb per day.

The boys engaged in this project are J. C. McCombs, Jack Keene, Jack Ensey, Ira Westfall, Alva Earl Smith, Cleo Rogers, Lloyd Ball, Floyd Ball, Loyd Carr, Ovas Dunlap, Dan Pritchett, Pete Darbin, Collin Denson, W. K. Harvey, Carl Holloway, and Kenny Dopson.

C. B. Middleton is the instructor in Vocational Agriculture, and is directing the work of the boys in this feeding project. Mr. Middleton believes in giving the boys something practical which will be useful to them when they get out in the business world.

These lambs may be placed on exhibition before they go to market. Either at a special show, or probably they will be held over until the regular spring livestock show fostered by Vocational Agriculture students.

Commissioner Lee Mimms, of Precinct No. 4, was greeting friends and trading in our city Saturday.

Robert Butler, of McAdoo, was looking after business matters in our city Saturday.

W. J. Elliot, of Spring Creek, was transacting business in our city Saturday.

Workers' Meeting Convenes Tomorrow

The Workers' Meeting of the Dickens County Baptist Association will go into session at the Friendship Church tomorrow (Friday) for all day meeting. The program begins at 9:45 o'clock Friday morning with various church subjects being discussed. Lunch will be served at the church at noon.

Rev. A. P. Stokes, of Afton, delivers the eleven o'clock message. Dr. M. F. Ewton, of Spur church, will deliver a sermon at 7:45 o'clock in the evening. The afternoon will be given to the discussion of various church subjects.

Mrs. Edward Thomas and two children, Raymond and Lucille, of New York, arrived here Tuesday to join her husband at the Famous Department Store. Mr. Thomas had secured a home for his family and they soon will be at home and citizens of Spur.

Mrs. R. W. Brewster and daughter, Dale, Mrs. A. L. Brewster and Mrs. Bill Shirey, of Dumont, were guests of Mr. and Mrs. Roy Brewster here the last of the week. They came over to see the new baby in the Brewster home which arrived last week.

David McAtter, of Dickens, was in our city Saturday doing some trading.

Orton Aerialist Troupe With Harley Sadler

The Orton Troupe who performs with the Harley Sadler-Bailey Bros. Circus on the silver wire will hold you spell bound with their amazing feats on the high wire. Also many other aerial acts performed by this wonderful troupe at a dizzy height in the big circus top. The Orton Troupe is a name that your mothers, fathers, grandmothers and grandfathers will remember for over a century, as the Ortons from generations back have appeared in the white tops in every corner of the globe, and each generation has that same showmanship plus new material and beautiful costumes.

There are other aerialists, acrobats, risky and lofty tumbling with the Bailey Bros. Circus that will make you catch your breath.

They will show in Spur next Monday, October 28 with Harley Sadler in Texas own three ring circus.

Spur Students To Vote On Hall of Fame

Students of Spur High School will cooperate in the selection of a Hall of Fame for Texas State College for Women at Denton according to Principal O. L. Kelley.

Plans are now under way for the election of ten prominent Texans to comprise the original group. A committee in charge of the Hall of Fame has prepared a ballot of twenty-two names, and students from approximately 850 high schools in the state will vote the last week in October to select their favorite Texas heroes and heroines.

Students will also be permitted to add any individuals to the ballot who they deem worthy of the recognition. No living person is eligible for the Hall of Fame, but no other restrictions have been made.

Names that will appear on the ballot are Moses Austin, Stephen F. Austin, Baron DeBastrop, Thomas H. Benton, James Bowie, David G. Burnett, Richard Coke, David Crockett, James S. Hogg, Sam Houston, Richard B. Hubbard, Anson Jones, Mirabeau B. Lamar, Robert LaSalle, Ben F. Milam, Roger Q. Mills, Elisha M. Pease, John H. Reagan, O. M. Roberts, Thomas J. Rusk, William B. Travis, William H. Wharton.

The original Hall of Fame, which will be housed in the T. S. C. W. library, will be enlarged from year to year.

The schools have a class in Texas History and the students are making a study of early day conditions of our state during its various periods of development.

Dr. Ewton To Be Here Sunday

Dr. M. F. Ewton, pastor of the First Baptist Church, will fill the pulpit both morning and evening next Sunday. He has been away on a much needed rest and vacation during this month and the pulpit has been supplied during his absence. He is supposed to be back home today as he is on the program Friday night at the Workers' Meeting at Friendship church.

J. W. Hilton, of Prairie Chapel, was in our city Saturday looking after business affairs. He stated he had been ill for quite a while but is feeling much improved at this time.

Mrs. Dick Spear is at home this week from Abilene. She states that business in Abilene is good, but there is no place like home.

W. A. Harris, of Espuela, was transacting business here Saturday.

G. H. Snider was in Levelland Tuesday attending to business matters.

Christmas Cards, 21 to box, assorted, \$1.00 box at the Times office.

Rev. A. O. Hood, of McAdoo, was greeting friends and trading in our city Saturday.

CORN-HOG FARMER TO VOTE ON 1936 PROGRAM OCT. 26

All Corn-Hog Contract signers should cast their vote on Saturday, October 26. Any farmer who grew corn and/or hogs for market during the year 1935 may vote.

There will be voting boxes in the following places: McAdoo, Dickens, Afton and Spur. The men in charge, in the respective places are R. J. McAtter, J. L. Thannisch, Paul G. Braddock, J. R. Cozby.

Absentee voting may be done by calling at the County Agent's office.

Dudley Wooten, of McAdoo, was greeting friends in our city Saturday.

AAA MEETING OF FARMERS HELD HERE

A number of farmers from various parts of the county held a meeting at the Methodist Church Saturday afternoon to discuss the merits and demerits of the AAA. R. R. Wooten, of McAdoo, presided at the meeting and there were a number of talks made about the AAA plan. Arrangements were made whereby the farmers might unite on a plan to get the AAA idea over to those who do not seem to understand what the association is intended to do for agriculture as an industry.

County Agent Lane read a very fine paper on the plan of the Agricultural Adjustment Administration as was sent out by the Texas Agricultural Association of Brownwood. There were some questions asked as to where the information came from.

(Continued on Page Five)

Proposed Gas Tax Hike Unsound Says Good Roads Manager

A million and a quarter Texas motorists will be penalized for the principal benefit of a relatively small group of bondholders if the proposed one cent per gallon increase in the state gasoline tax is approved by the legislature, Col. Ike Ashburn, executive manager of the Texas Good Roads Association, declared this week.

The present state gas tax is four cents per gallon, of which one cent goes to the common school fund and another cent to refund the outstanding bonds of the various counties spent on construction of state highways.

The new proposal, House Bill 89 by Alsop, would raise the state tax to five cents per gallon, using the additional cent to refund all outstanding county securities for lateral and secondary roads as well.

Colonel Ashburn, whose organization is composed of 25,000 motorists in all sections of the state, said, "We do not think it right to redeem bonds, many of them heavily depreciated, for the profit of the bondholder and at the expense of the motoring public." He named a Dallas bond attorney who is in Austin actively sponsoring the bill.

"We further believe," Colonel Ashburn continued, "that to tax provident counties, which have not had the benefit of large road programs, to pay off the bonds of counties which have voted large programs, is unsound and unfair."

Moreover, a higher tax does not assure greater revenue, he explained, pointing to Oklahoma, which suffered a 17 per cent decrease in revenue and a 12 per cent drop in auto registrations the year after its state gas tax was raised from four to five cents. The Oklahoma legislature reduced the tax to four cents the following year.

L. C. Murphy, of Dickens, was trading and talking with friends in our city Saturday.

Marion Brown, of Duncan Flat, was greeting friends and trading here Saturday.

Weather Report

During the past week Spur country as well as much of West Texas has been receiving quite a lot of rainfall. Thursday night the precipitation amounted to 1.46 inches according to reports at the Spur Experiment Station. Wednesday morning heavy clouds hung from the north with a strong gale blowing, followed by rain, sleet and some snow about eleven o'clock. The mercury hung at 40 degrees which is the lowest temperature for this season.

At the time of going to press here weather reports indicated warmer temperature for today.

McAdoo School To Meet Dickens Friday

Supt. W. O. Cherry, of McAdoo School, was in our city Monday and stated that they are having a busy week end at McAdoo this week. Friday afternoon at three o'clock the Dickens strong class C eleven will contest McAdoo's long kickers to see which team is the greater. Up to date McAdoo has lost but one game in the class C division and Dickens team has been making some good showing the last few games. It is going to be a battle royal according to Mr. Cherry's opinion.

Saturday starting about seven-thirty, the McAdoo school is sponsoring a school carnival. There will be no admission charges to enter the building. There will be some free attractions. Then there will be several athletic events that will be interesting. Mr. Cherry stated there will be a negro minstrel, and this is going to be a laughable event. He said they would be real negroes.

There will be a Queen Festival and the crowning of a queen for the community. The people will be permitted to select the queen. Then there will be the usual fortune telling program, and the merchants will have exhibition booths.

Eats and drinks will be sold during the evening and if people get in home late from work, they can get something to eat at the school and held out with the program. This will be Saturday night of this week.

E. S. Crider, of Dickens, one of our highway men, was transacting business here Saturday.

CLUB EXHIBIT TO BE HELD SATURDAY

The annual exhibit by home demonstration clubs of Dickens County will be held in the directors' room of the Spur Security Bank Saturday. All products must be in by 5:00 o'clock Friday afternoon. Mrs. John Bachman, chairman of the exhibit committee, will check in all products and with the help of the committee will arrange the exhibit.

Miss Norfleet Grimes, home demonstration agent of Lubbock county, will judge the products and will give a judging demonstration Saturday morning at 10:00 o'clock. Every club is expected to have representatives in to hear the judging.

The public is invited to view the products of the club women. All items will be labeled properly and after noon the prize winners will be ranked for showing. This exhibit of products is put on by the club women annually when there is no fair to exhibit products.

Earl Van Meter, of McAdoo, was transacting business in our city Tuesday.

J. M. Koonsman, of Wichita community, was in Saturday doing some trading and talking with friends.

Cross Plains Right To Cancel Revenue Warrants Upheld

A decision handed down yesterday by the supreme court of Texas in the case of the City of Cross Plains and others vs. J. M. Radford Grocery Company and others may affect vitally the municipal bond market, said several local attorneys Wednesday upon being informed of the court's decision.

The supreme court upheld the right of the City of Cross Plains to cancel \$87,000 in revenue bonds issued for improvements to the water and sewer system. The court said the bonds, held by Radford and the Republic National Bank & Trust company of Dallas, were invalid because issued without authority of an election.

Dallas Scarborough, of the plaintiff's counsel said more than \$50,000,000 in revenue warrants issued by Texas towns and other governmental subdivisions will be affected by the decision.

The city attacked validity of the securities on the contention that they were illegally issued because the people of the city had not approved them by their votes.

Local attorneys figuring in the litigation are Scarborough and Ely for the plaintiff and Smith and Epley for the Radford company.

The case was tried in 104th district court here in December, 1933, with judgment entered for the defendants. Later, the case was reversed and rendered in the court of civil appeals at Eastland.—Abilene Morning News.

JUNIOR HIGH SCHOOL LIBRARY

The students and teachers in the Junior High School sponsored the picture "David Copperfield" at the Palace Theatre Monday of this week. The proceeds of this ticket sale go to buy books for the Junior High School Library. In all \$105 worth of tickets were sold. We wish to express our appreciation to Mr. Parker, Palace Theatre manager, in that he gave the school \$75 of this amount whereas he was only obligated to give 50%.

O. C. Thomas, Superintendent.

To Light Way Of Younger Generation

If our community is not what it should be, it is our fault. No one else is interested in its progress. The boys and girls of our community will be the men and women soon. They should have the right environment and proper encouragement to develop them. They soon will stand as our monuments in life and what the community in the future will be depends on what we develop in these young people. This publication wants a part in helping these young people to develop into real American citizens.

Correction!

Last week's Spur Laundry advertisement carried the telephone number as 443. This was in error, the number being 344, the same number that the Spur Laundry has operated with since opening in Spur several years ago.

BULLDOGS REST FRIDAY; CONFERENCE RECORD CLEAN

Play Silvertown Here Friday Week To Resume 4-B Race

Silvertown will furnish the next opposition for the Spur High Bulldogs here Nov. 1. The game will be played under lights at the Chas. A. Jones Memorial Stadium.

No game has been booked for the Bulldogs this week. The entire squad will journey to Floydada to watch Paducah and Floydada play. Both of these teams are opponents of Spur and Coaches Wadzeck, Sollis and Martin will scout the game.

The Class C boys have been dismissed from practice for several weeks, with some half dozen being moved up to the varsity, where they will be given further experience. It is planned to call the c boys back after Thanksgiving for a short period and then dismiss until spring practice when the entire squad will work together.

Injuries have been hampering practice this week. Suits, who was out with a sore neck last week, was out the first of the week but is getting better and will be back in before the week is out. Chapman suffered minor injuries Friday night, but is working out regular this week. Cravy, who had been out two weeks with back injuries, is back with the squad and will probably be in the opening line up against Silvertown Friday night week.

Long scrimmages are being held daily, with signal practice receiving its share. Special work is being done with the passers and punters and a decided improvement in these two phases of the game will be noted when the team goes into action again. No relaxation in training is being allowed and every boy expects to be in top condition for the big month of November when the hardest games of the season will be played with two of them away from home.

BULLDOGS DEFEAT TURKEY 7-0, FRIDAY IN DISTRICT GAME

The Spur High Bulldogs put on a touchdown march in the first five minutes of the game Friday night to defeat the Turkey Turks at the Stadium 7 to 0. That effective opening march down the field proved the margin between victory and a tie as the two teams played the balance of the game on almost even terms.

Spur amassed 13 first downs to the visitors 5 and stopped a passing attack that would have proved disastrous for the locals had it been put over. The stellar line backing of Iworth Hahn and the play of Lanier Gilbert in the line was the chief reason Turkey was held to five first downs.

Chapman made some good gains several times and romped through the middle of the line for nine yards to score the only tally of the game. He repeated the performance to score the extra point. He was removed because of injuries in the fourth quarter.

Captain McCombs did some good work at end and Bumpus played his best game of the season, making only two bad passes with a slick, muddy ball that was hard to handle throughout the game.

Coker, Turkey halfback, was outstanding with his ball carrying and catching passes. Yarbrough, quarter-played good ball, did the passing and the punting after Coker was injured. Capt. Mullins, tackle, was Turkey's stellar linesman and played a big part of the game in Spur's backfield.

Turkey received the Spur kick off on their 15 yards line, returning to the 26. Lipscomb failed to gain and Coker punted to Spur 30 yard line, Hahn returning to the 50. Hahn made 11 yards at right end and Meadow went through center for four yards. Hahn circled left end for 15 yards and Haralson picked up 4 yards through the line. Turkey was penalized five yards for off side and Chapman made it first down with 4 yards through the right side of the line. Hahn went around left end for 3 yards before Spur was set back five yards for being off side. Chapman went over the right side of the line for nine yards and the touchdown and followed with a shifty cut back through the left side for the seventh point.

Spur Starting lineup: Lee, left end; Gilbert, left tackle; Foster, left guard;

DASH OF THIS AND THAT OFFERED BY ALL-STAR FOOTBALLERS TO WIN 20-0, ACCORDING TO ALL-STAR REPORTER

Take a dash of football, add a few weak ankles, nimble fingers, charley-horses and fractured jaw teeth, and stir well for four-quarters then partake of same and you find yourself returning cold and numb, (holding splitting sides), from Jones Memorial Stadium where the Spur All Stars defeated Patton Springs 20 to 0 last Monday night. Honest folks, it was the first and only football that has been played here this year (pardon us Bulldogs) and the season's smallest crowd was on hand.

If you missed it, you missed it. But, a good newspaper always tries to reproduce the news, so here goes. In spite of all the local boys could do with their Jones-Rockne-Smichdt-Morrison-Crochet systems of shifts and X-Y-Z formations, the first half ended kneck and kneck for neither team had the "what it takes" to tote the pig-skin over the certain chalked line. Patton Springs started out to do that very thing once in the second quarter when one of their backs broke through, raced past the entire Spur squad, save one who walked up to him on Patton Springs' 35-yard line and said, "You can't do that."

Someone said that was Whitey Stinnett who saved the game with those words, others said it was Jack Jones, but it really doesn't matter.

At the half Coach Dr. Bob Alexander must have given his All Stars some kind of working-over for they returned in the third quarter with renewed determination. Everett Martin

and Jack Jones took turns at carrying the heavy end of the ball, until they crossed the white line everyone had been watching all evening. But, an engrown-toe-nail or something got in the way for the extra point and the score was 6-0. That's the way it was at the end of the quarter.

As the first play of the fourth quarter Patton Springs was supposed to be passing to one of their own men when Stinnett got smart and caught it to race hog-wild 30 yards back down the field to the 10-yard line. Jones finished the city-slicking prank by plunging the line for another six points. Then someone pulled a delayed (long-delay) line buck for the extra point and the score was then 13-0.

A few minutes later Everett Martin thought he would pull the same thing with another of Patton Springs' passes—and sure enough he did. He was a gentleman, though, and put the ball down on the 10 yard line so Stinnett could carry it over on the next play—and he did. Some way or other Raymond Powell made the extra point, and that is the way the game ended—not plenty, twenty to naren.

Coach Giesecke's Patton Springs is a pretty fair team and well coached, too. You may get some idea of what we mean if you will look for the hospital report in another part of this paper. You may find some of the following all-stars registered there this week: Jones, Powell, Martin, Stinnett, John Hazelwood, Durward Woodward, Larry Boothe, Wilson Justice, S. J. Braselton, J. L. Hutto and others.

TO OUR FRIENDS

We desire to express out heartfelt thanks and gratitude to our many friends and neighbors who so nobly stood by us in our recent bereavement. You have done all that could be desired and have shown the spirit of Christ in your many loving services. May the blessings of our Lord richly abide with you all to sustain you through life and bear you up likewise at that similar hour.

Sincerely,

Mr. and Mrs. J. C. Dopson
Kenneth and Donald
Mr. and Mrs. W. A. Johnson
Mr. and Mrs. R. T. Dopson
Mr. and Mrs. A. A. Brian
Mr. and Mrs. Ben Dopson
Mr. and Mrs. Dewey Dopson
Mr. and Mrs. A. D. White
Roy, Zera and Robbie Dopson
John Johnson.

Spur High Remains Undefeated In 4-B Conference Race

Standings in District 4B were not changed much as a result of games the past week. The "Big Four" Paducah, Matador, Floydada and Spur, continue undefeated in the district with Matador still leading, three victories and no defeats.

Paducah, played a non-conference game with Aspermont, winning 19 to 0. Estelline went out of the district for a game, defeating Silvertown 25 to 7.

Lockney moved down to Matador and lost 7 to 21. Matador failed to run wild as they have so far this season, using a number of substitutes to hold the score down.

Spur played Turkey without three regular and looked better than ever, but only tallied one time, holding Turkey scoreless with their best defense of the year.

Floydada looked powerful in their first district game, scoring four touchdowns over the fast little Flomot team. The score was 26 to 0.

The outstanding game this week will be at Floydada where they entertain Paducah. Paducah fans are backing their team with a special train up to Floydada and in all probability a large number from Spur and Matador will be present. Spur and Matador have off weeks and both meet Floydada and Paducah later in the season.

The other district game scheduled for Friday is Silvertown at Lockney, which will be played in the afternoon with the Floydada game at night.

DISTRICT STANDING

	W	L	T	Pct.
Matador	3	0	0	1.000
Spur	2	0	0	1.000
Paducah	1	0	0	1.000
Floydada	1	0	0	1.000
Lockney	1	1	0	.500
Turkey	0	2	1	.167
Flomot	0	2	1	.167
Quitaca	0	2	0	.000
Silvertown	0	10	0	.000

GAMES LAST WEEK

Paducah 19, Aspermont 0.
Estelline 25, Silvertown 7.
*Matador 21, Lockney 7.
*Spur 7, Turkey 0.
*Floydada 26, Flomot 0.
*Conference Games.

GAMES THIS WEEK:

Paducah at Floydada.
Silvertown at Lockney.

Roarings Springs Football Team Is Still Undefeated

Roarings Springs High-football team played Roscoe Friday afternoon in a "battle of mud", the game ending in a 6 all tie. This was Roarings Springs fourth straight win and left them still undefeated for the season. They are leading the Class C League in percentage standing.

... the question is, does it suit you?

Now, when it comes to a cigarette that will suit you . . . you want to think whether it's mild, you want to think about the taste

That Chesterfields are milder and taste better is no accident . . .

The farmer who grows the tobacco, the warehouseman who sells it at auction to the highest bidder, every man who knows about leaf tobacco will tell you that it takes mild, ripe tobaccos to make a good cigarette.

In making Chesterfields we use mild ripe home-grown and Turkish tobaccos.

Outstanding
.. for mildness
.. for better taste

CHEER UP, BIG BOY, DON'T BE SICK ALKA-SELTZER DOES THE TRICK

Why don't you try Alka-Seltzer for the relief of—
HANGOVER
Stomach Gas, Headache, Acid Stomach, Colds, Neuralgia, Fatigue, Muscular, Rheumatic and Sciatic Pains?
ALKA-SELTZER makes a pleasant, sparkling drink. As it contains an analgesic, (acetyl-salicylate) it first relieves the pain of every-day ailments, then by restoring the alkaline balance, removes the cause when due to Excess Acid.

At your drug store, at the soda fountain, and in 30c and 60c packages for home use.

BE WISE-ALKALIZE!

Senator Nelson Discusses Problems Facing Legislature

I hope the people of my district will forgive me for the delay in expressing my appreciation of their support. I came to Austin to take my seat in the Senate. Suffice it to say I have stayed busy since arriving here, in an attempt

to prepare myself for an intelligent vote on pending legislation. I do appreciate deeply this opportunity to be of service to the people of the 30th Senatorial District. Though I have served only ten days as your State Senator, I am aware that I will be unable to have everything go my way.

The State Monopoly System of sale of whiskey favored by me was defeated in the Senate by four votes. It was likewise defeated in the house by about five votes. None of the wets favor this system for the reason that it takes vast profits from the liquor dealer. A few dries, enough to defeat the bill, hesitate for sentimental reasons to put the State in the liquor business. I doubt that any law based on the old license system will give proper protection to dry territories. Such a system has heretofore been tried. In order to secure any appreciative amount of revenue the license must be reasonably high; high prices of liquor has and will, in my opinion, encourage bootlegging.

The main trouble with passage of an Old Age Pension Law is that no one wants to be taxed to get the money. All special interests favor a General Sales Tax, because from this source ample revenue can be raised and the consumer will pay the whole bill. I have not supported the Sales Tax because I know there are sources not yet touched from which revenue can be drawn. I feel there is no necessity for making the tax load heavier on the masses. I believe it is safe to say that an Old Age Pension will be provided for within the next thirty days.

As to Officers' Salaries, may I say that each precinct, county, district and section of Texas presents a different problem? Each member of the legislature has his idea of what each of the various classes of officers should pay and how the money should be handled. It is a different matter to work out a satisfactory bill governing officers' salaries in so short

a time, more especially when you have on the same calendar the other problems herein mentioned.

I shall at all times welcome ideas and views of my constituents in regard to any legislation pending before the Senate and shall be glad to help you with your personal problems at any time I may be able to serve you.

Sincerely yours,
G. H. NELSON, State Senator,
30th Senatorial District.

JAMES COY DOPSON PASSES AWAY

James Coy Dopson, Jr., local high school student, died in a Lubbock sanitarium Friday afternoon. Young Dopson became ill Thursday, October 10, suffering with appendicitis, or something of that nature. He was taken to the Lubbock Sanitarium Wednesday night of last week, but was too weak to undergo an operation. Peritonitis had already set in and physicians and nurses set to work to relieve the condition and build him up for an operation but the disease had gone too far. There was no operation.

Sanders Funeral Home at Lubbock prepared the body for burial. Campbell Funeral Home of Spur went to Lubbock and got the body and brought it here. Funeral services were held at Foreman Chapel Church Sunday afternoon at four o'clock. Rev. A. A. Brian, of Levelland, read the funeral rites. He was assisted by Rev. Kelley, pastor of Spur Methodist Circuit. Interment followed in Spur cemetery; Webber Williams acting as funeral director.

The deceased is survived by his parents, Mr. and Mrs. J. C. Dopson; two brothers, Kenneth and Donald Dopson; his grandparents, Mr. and Mrs. W. A. Johnson and Mr. and Mrs. R. T. Dopson; and a number of uncles, aunts and cousins.

He was born November 22, 1920, and lacked about one month of being 15 years of age. He was doing his first year of work in the Spur High School, and was very popular with the student body and his many friends in the community where he lived. He was regarded as a very fine boy and will be greatly missed by his many friends.

The Orton Troupe who performs with the Harley Sadler-Bailey Bros. Circus on the silver wire will hold you spell bound with their amazing feats on the high wire. Also many other aerial acts performed by this wonder-troupe at a dizzying height in the big circus top. The Orton Troupe is a name that your mothers, fathers, grandmothers, and grandfathers will remember for over a century, as the Ortons from generations back have appeared in the white tops in every corner of the globe, and each generation has that same showmanship plus new material and beautiful costumes. There are other aerialists, acrobats, risky and lofty tumbling with the Bailey Bros. Circus that will make you catch your breath.

They will show in Spur next Monday, October 28 with Harley Sadler in Texas own three ring circus.

NOBODY'S BUSINESS

By JULIAN CAPERS, JR.

Austin.—The first called session of the 44th legislature wrote its final enactment of only one major piece of legislation, and was promptly recalled by the governor for a second 30-day try at the job at a cost of another \$100,000 to the taxpayers. The chain store tax bill—virtually the sole accomplishment of the solons in a month of "work"—is so badly patched up that it is full of legal holes, and must be fought out all over again, as amendments to make it proof against court attacks are submitted.

Some value doubtless attaches to the long-drawn-out debate and committee wrangles over liquor regulation, fee officers' salaries, and old age pensions. Whether the legislators can capitalize this and utilize it to speed enactment of these and important tax measures to finance the sessions during the second special session remains to be seen.

Three significant developments occurred last week in the Texas oil situation. They were:

1. The house hot oil investigating committee weathered a stormy three-hour debate and came out with its life prolonged to April 1, 1936, and a \$10,000 fund to make a thorough probe of reported abuses in the industry. The house flatly instructed its probers to make its futile hearings fair by permitted witnesses to be represented by counsel with the right of cross-examination and with a warning to go after major companies and not confine its probe to a few small operators.

2. General improvement in market conditions of the oil industry whose normal prosperity means millions of dollars weekly to thousands of Texans. War activity in Europe is credited with increasing foreign demand which has firmed American crude markets.

3. Holding of second successful session of interstate oil states compact commission, where further unanimous steps were taken by representatives of the oil producing states to regulate their oil business under their own constitutional powers. This significant statement was made by Tom Anglin, representing Oklahoma on the commission:

"Other oil producing states are amazed at the wonderful achievements of Texas in its fair, patriotic efficient and honest regulation of oil production. All of us can well emulate the example set by Texas, which is a tribute to that state's railroad commission and especially its chairman, Col. E. O. Thompson. We all look to him as the ablest oil regulation administrator in the land."

Thousands of unemployed citizens and dozens of communities in Texas, are looking squarely to the engineers department of the Texas highway commission to see that Texas does not lose any of the \$23,000,000 allotted for extra highway and grade crossing elimination in the state. To get all these job giving millions, the highway engineers must complete plans and let contracts by July 1, 1936. A howl of protest will go up from every community that fails to realize its share if the time limit is permitted to cheat them of their part of this highway work.

Realizing they are "on the spot" the engineering field forces of the highway department last week launched the first of a series of four meetings with road-building contractors throughout the state, at which B. W. Coulter, of the headquarters engineering staff and C. H. Newell, representative of the contractors, are interpreting the complicated irregularities with which

COUNTY HOME DEMONSTRATION CLUBS CONTINUE YARD-GARDEN MOVEMENTS

Mrs. J. R. Armstrong is in Sweetwater visiting relatives and friends.

Mrs. Ed Mattoon, of Wichita Falls, was visiting in the P. E. Snider home the last of the week.

\$20,000.00 Worth Of Typewriters

Nearly twenty thousand dollars worth of typewriters alone have been purchased by Draughon's Business Colleges at Dallas, Wichita Falls, Abilene, and Lubbock during 1935—showing the bigness of these institutions brought about by the outstanding success of many of their graduates. Many more thousands are invested in other facilities for giving ambitious young people practical education in the shortest time and in creating a demand for their services when they are ready for positions. Clip and mail, with name and address, to nearest Draughon's College above, for Special money-saving and time-saving plan; or see this paper about a Special Scholarship. (Adv.)

In San Antonio on Oct. 16th, Houston Oct. 17th, and at Dallas on the 23rd and Lubbock on the 24th. Several hundred road-builders and highway engineering men attended each meeting.

That Gov. Jimmie Allred will be a large factor in control of the next Democratic convention delegation from Texas—to be selected next summer—is the conclusion of political observers here. The visit of Jesse Jones, who was a mansion guest of the Allreds, the growing political friendship between the governor and the two Texas senators, Allred's recent conference at Uvalde with Vice President Garner, his visit with Mrs. Roosevelt in Fort Worth, and President Roosevelt's personal telegrams to Allred anent the celebration for Jones, are all given due by the contractors must comply, as part of this program are being built under five different federal department allocations. The field sessions were held significance in the minds of those who presume to forecast future political events.

Rex Tugwell, once head of the Roosevelt brain-trust, now relegated to a quiet job as head of the rural resettlement administration, and Senator Tom Connally are indulging in a small but bitter war over location of the Texas-Oklahoma headquarters of RRA in Stilwell, Oklahoma. The RRA recently had 1200 people—mostly ex-school teachers—on its payroll in Texas, and they haven't resettled anything yet, Connally claims. The senator wants the headquarters moved to some central location in Texas, and some results shown for the comparatively large expenditure which the RRA has made.

DEMONSTRATOR SHOWS IMPROVED YARD

"After being chosen yard demonstrator for my club my already high interest reached a much greater height and I determined to make our yard attractive," Mrs. R. Y. Allen told the members and visitors of the McAdoo home demonstration club Tuesday afternoon when it met with her for an achievement program in yard work. "I have always been enthusiastic over pretty yards but supposed they were too expensive for us. After investigation I found the expense to be much less than I had expected so I began to make plans for a pretty yard."

"When the planting plan was drawn, my husband and I moved the shrubs from the middle of the yard and used them in foundation plantings. Then we spaded and leveled the ground and planted Bermuda grass seed. We sodded the lawn, planted and have living 18 nursery shrubs and 26 native shrubs, planted and have living 5 trees for shade and background, laid three walks, and built a sanitary toilet and spent only \$4.25."

"The picture made at the beginning of our work shows a bare desolate looking place. One passing by would never have taken a second look but now the ground is covered with a solid turf of grass. In the background along the garden fence in the back yard are brilliant flowers blooming, and well placed shrubs about the base of the house. Several people have told me they never pass now without wanting to stop. My family and I have agreed that every effort we put forth to make our yard beautiful has been worth the time and energy we spent in doing it," she added.

R. L. English, of Highway country, was doing some trading in our city Monday.

F. L. French, of Prairie Chapel, was attending to business matters in our city Saturday.

Miss Athelda Yeats was visiting in Lubbock Sunday.

CLUB VISITS CELLAR AND GARDEN

In the garden achievement program of the McAdoo 4-H club Tuesday morning, Clara Rich, the demonstrator, showed her co-operators the food she and her mother have canned and stored in the cellar and the eight varieties of vegetables she has growing in her garden now. She also showed the girls her bedroom which she improved as bedroom demonstrator last year.

Members present were: Ruth Ward, Marjorie Jones, Daisy Jo Rose, Wanda McLaughlin, Mary Lee Brooks, Dorothy Hines, Louise Dozier, Doris Early. —Reporter.

GARDEN SHOWS A NET PROFIT

"When I became garden demonstrator for the Dumont 4-H club I determined to make our garden better and to have more vegetables from it," Estelle Park reports in the story of her garden work. "Mother, Miss Pratt, and I planned the garden for our family so that we would have enough vegetables to use fresh and to can for the winter supply. As a result we planted several varieties of vegetables we had never tried before."

"From the garden we have had vegetables fresh every month, have canned 273 quarts and stored 200 pounds of dry and dried vegetables. The garden shows a profit of \$110.70."

Let's Talk About Clothes. YOUNG MODERN TEXAS STATE COLLEGE WOMEN (C.A.)

Have you ever tried to pick out a working girl by her clothes? Look around any smart restaurant, and ten to one you can't tell her from her leisured sister. The former drab clothes that screamed "office" have vanished and the modern girl goes to the office tastefully and correctly groomed—a credit to any organization. Business women have asked that we suggest an office wardrobe, so suppose we begin with a soft wool coat dress. It can be worn with a scarf stuffed in at the neck, or can be shipped on over tailored frocks. Select a novelty gray color for this costume and you can brighten it with a royal purple velvet scarf. Tailored frocks

come next in the office wardrobe. Neat as a pin, these dresses display feminine touches of white or flesh at the neck, and have elbow or three-quarter length sleeves.

AAA MEETING OF FARMERS HELD HERE

Continued From Page One

and Mr. Lane answered that it came from the Texas Agricultural Association with headquarters at Brownwood. Some one asked if A. & M. College had anything to do with this organization and Mr. Lane answered in the negative.

A. W. Watson, a farmer east of Spur, then asked to speak and stated that so few of the farmers really make a study of conditions. He stated that there is no need of producing a lot of cotton unless a reasonable price can be secured for it. Then he said, "Fellw farmers, we don't think along lines of our business as we should. If we would use our heads some we might be better off. We need to read more and study conditions as they are. I realize the AAA plan is not perfect, but it has helped us. Have we forgotten about conditions of 1932 when all of us were pressed to the wall and did not know what to do?" Mr. Watson concluded by asking that the farmers do not turn down the AAA plan until something better is offered.

I. R. Wooten then spoke stating that the farmers had conceived many good plans which were beneficial to them, but in course of time dissenters would scatter propaganda which would divide the farmers and cause the plans to fail. He said that farmers rarely ever studied about their business plans, and were very prone to listen to discouraging stories by speculators who usually made big profits off the farmers. He stated that the people who are talking against the AAA at this time were people who have been making money off the farmers' crops and the AAA is cutting out the profit to them and giving it to the farmers. He stated further that certain speculators and politicians have always controlled the farming class for money-making purposes, and it is their game to get the farmers discontented with the AAA in order to break it down. If the farmers will stand pat they can win out and save themselves, he continued.

It was agreed that the organization would raise sufficient funds over the county to carry on the work, and that regular meetings will be announced for the future.

R. R. Wooten, of McAdoo, was looking after business matters here Saturday.

Atty. W. D. Wilson, of Lubbock, was professionally engaged in our city the last of the week.

Rev. L. S. Bilberry, of Dickens, was greeting friends and trading in our city Saturday.

C. L. Sedgewick, of Duncan Flat, was transacting business in our city Saturday.

RECIPES AND MENUS

By Department of Home Economics
Texas State College for Women
(CIA)

The aim of the modern housewife should be to make the most of her time, and at the same time save effort, materials and fuel by cooking in larger quantity, utilizing the heat of one oven for more than one product, or making one recipe serve more than one purpose.

If, for example, baked potatoes are to be served, why not use the same heat for one or more cooking processes? Or when stirring up acake why not bake portions of it in such a way as to give an entirely different effect?

A plain cake recipe could be divided so as to give cup cakes for one meal, a layer cake for another, a loaf cake iced and sliced for a third, and a cottage pudding would make a fourth classification. The batter could be divided, placed in pans ready for baking, stored in the refrigerator and baked as needed. The only precaution is to cover the pans to prevent drying of the product before baking.

Pastry can be baked into pie shells and stored to be used as needed or it can be canned and stored in the refrigerator and baked as required. There is almost no limit to this principle. Cooked vegetables can be used in many ways, cooked meats find a variety of uses, while batters and doughs can be saved until they are needed and but one preparation has gone into each product.

Breakfast: Fresh stewed fruit, cooked cereal, cream and sugar, wheat muffins and butter, coffee, milk.

Lunch: Meat pie, baked sweet po-

tatoes, escalloped cabbage, brown bread and butter, cup cakes, hot chocolate.

Supper: Swiss steak, hot potato salad, stewed green tomatoes, rye bread and butter, peach salad, snow pudding, drop cookies.

Breakfast: Fruit juice or tomato juice, cooked cereal with cream and sugar, poached egg on toast, strawberry preserves, coffee.

Lunch: Macaroni and cheese, canned corn, sliced tomatoes, white bread and butter, cottage pudding.

Supper: Meat pie, baked potatoes, bread and butter, moulded vegetable salad, apple pie.

Stewed Green Tomatoes: Slice 6 medium sized green tomatoes and one or two good sized onionse into a sauce pan, add 1 c boiling water to 2 T butter, salt, pepper to taste. Stew slowly until onionse are tender. The tomatoes will be done as soon as the onionse are. This can be modified by adding a little thickening to the juice if desired. Serve hot.

Escalloped Cabbage: Select the tender green cabbage, slice fairly thin. Cook about 10 min. in plenty of water. Place in a buttered baking dish, cover with medium white sauce. Add buttered crumbs to cover top, bake in hot oven until crumbs are brown.

Plain Cake: 3 c flour, 3 t baking powder, 3-4 c fat, 1-2 t salt, 1 1-2 c sugar, 1 c milk, 3 eggs, 1 t vanilla. Cream fat, add sugar gradually; add unbeaten eggs. Sift together dry ingredients, add alternating with liquid: Divide in three parts; bake 1-3 as cup cakes, 1-3 as loaf, and 1-3 as layer cake.

NOTICE

I will reopen my office on November 1st. Office is being enlarged and new equipment installed.

At this time I wish to thank the entire school faculty of the Rural Districts of Dickens County for their interest and co-operation in the eyesight survey recently made.

I also wish to thank the County Superintendent, Mrs. Madge Twaddell, for her wonderful assistance in this survey, for without her untiring efforts, this work could not have been possible. We did not have the assistance of a county state nurse, which is the usual custom in making examinations. The personal interest shown to each child by Mrs. Twaddell makes it easy to understand why they all love her.

The eyesight examination of the pupils of the Spur Schools will be resumed shortly after opening of the of-

John Gragson, of East Afton, was looking after business affairs in our city Saturday.

W. S. Smiley, of Duncan Flat, was attending to business matters in our city Saturday.

S. H. Twaddell was transacting business on the Plains Tuesday.

The school-room and office examinations are made without charge. There will be approximately fifty more under-privileged school children provided with prescription lenses and mountings when a card is properly signed by the superintendent and teacher as has been done in the past. I wish to advise that there is no County, State or Federal fund provided for this clinic.

DR. HAROLD H. LAWLER, (Adv.)
Eyesight Specialist.

Our Opinion Is

That politics is largely a matter of getting the other fellow to do something for you that he ought not to do.

THE COCOANUT COW CHEATS THE FARMER

The continued importation of coconut oil and other vegetable oils into the United States is having a great effect on the price of farm products of the South. The oils are being used for the manufacture of oleomargarine while cottonseed oils produced on Southern farms take a back seat and are gradually being pushed off the market.

Cottonseed oils have been proved to be more beneficial as food product and can be used to produce a much better product. The only difference is that the manufacturers of oleomargarine can secure the coconut and other vegetable oils imported into this country at much lower prices, and they seem not to be interested in the food values and quality of the products they place on American markets.

Congressman Kleberg, of Texas, tried to get a bill through the last session of Congress which would have forced the manufacturers of oleomargarine to use only oils produced on American farms. The bill was lost.

This means that our Farmer friends are going to suffer a much decreased price in the sale of their cotton seed, and in addition the cooking fats produced from the hog industry is going to suffer a decrease in price along with cotton seed.

The various gins in Texas are circulating a petition and asking farmers to sign this petition which requests the next Congress to pass some kind of laws to protect American oil products. Every farmer should be willing to sign this petition, and it should have the support of ginners, chambers of commerce, and other organizations loyal to American industry.

THREE ESSENTIALS

Today, according to a multitude of unprejudiced and non-political opinions, there are three main essentials to recovery:

First, a decisive campaign to reduce the cost of government, balance the budget as soon as possible, and thus eventually make sweeping reduction in taxes.

Second, less governmental interference with legitimate business enterprise, and an assurance that new

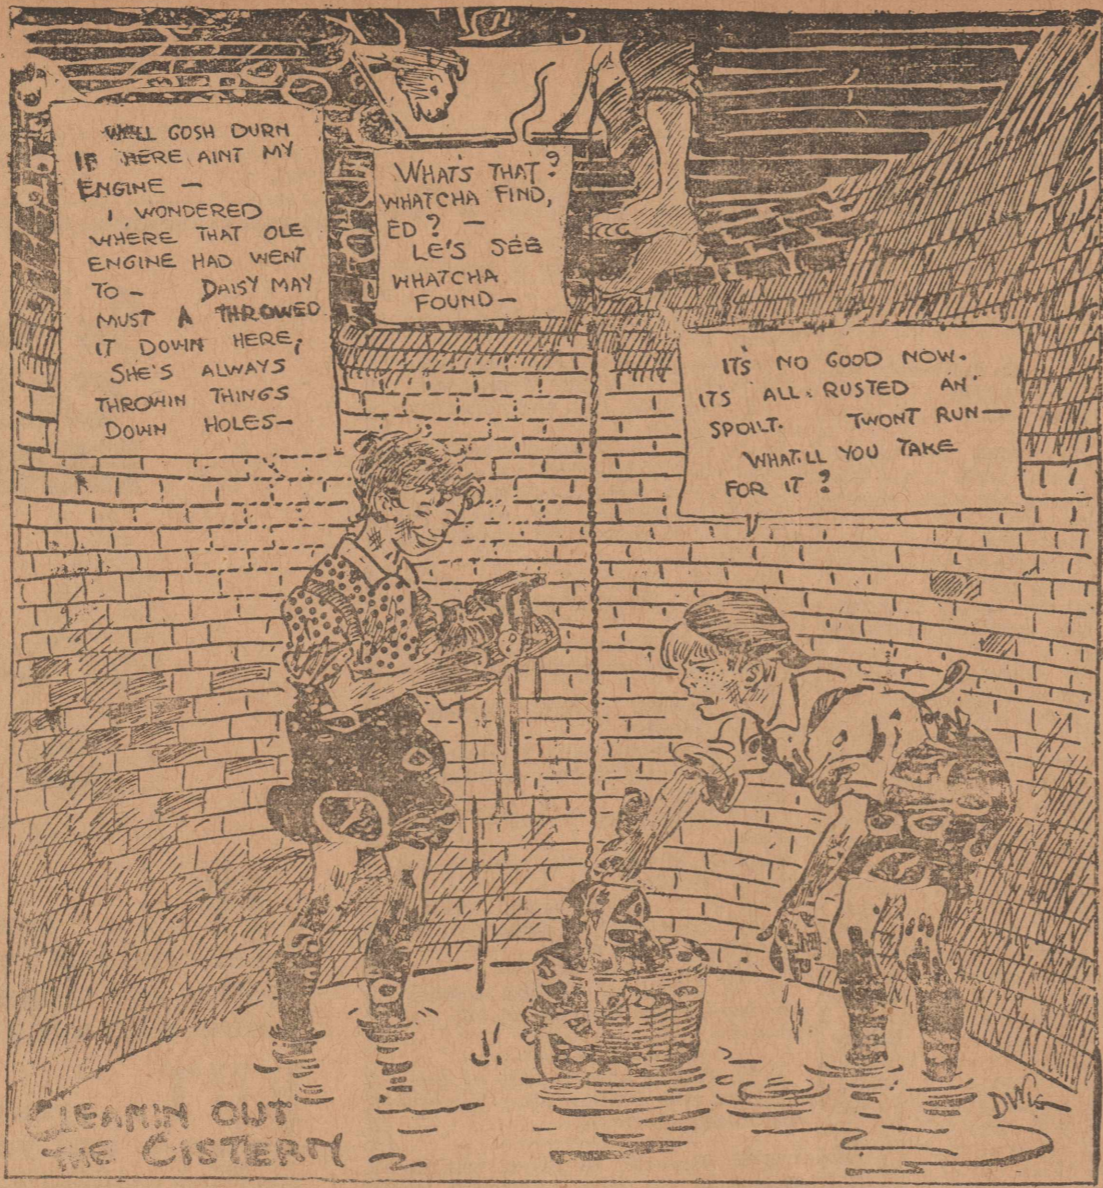

Pain Passes Off

When your head aches; when Neuralgia tortures you; when Muscular Pains make you miserable—take a Dr. Miles' Anti-Pain Pill. Mr. Smith is one of millions who have found this easy way to prompt relief. He says: "I keep Dr. Miles' Anti-Pain Pills in my pocket and when I get a dull heavy feeling in my head, I take a Dr. Miles' Anti-Pain Pill and the pain passes off."

laws, restrictions and rulings will not cause managements to become mere rubber stamps for Washington bureaucrats to handle at their discretion.

Third, the assurance that there will be no tampering with the instrument that stands foursquare between America and one form or another of dictatorship—the constitution.

Business asks these things. So do property owners. So do people with savings accounts and investments. And so do thinking workers, who realize that industrial confidence is the mainspring of steady, productive employment.

A balanced budget; the greatest possible leeway for honest commercial activities; a continuance of constitutional government—from these we can fashion recovery and abiding prosperity.

DO THE JOB NOW

A short time ago a guest in a western hotel was enjoying a last smoke in bed before going to sleep. Result: A fire which destroyed the hotel, a grocery store, a shoe store, a clothing store and a restaurant, for a total loss of \$50,000. Whether the smoker escaped with his life is not reported. In a hundred similar instances, however, he hasn't.

About the same time a housewife in New England left her ironing without disconnecting the electric iron. Result: Destruction of a home valued at \$15,000.

These are two incidents out of many. And they indicate a very significant fact: The smallest, most minor fires, under "favorable" circumstances, can become serious ones. As a rule, a cigarette fire is noticed before it has gotten out of control and is easily extinguished. But very often the exception to the rule appears—and a conflagration follows. The famous incident of Mrs. O'Leary's kicking cow, which is supposed to have started the great Chicago fire, may be fiction—but the message involved is well worth while. A cow kicking over a stove could have started such a disastrous fire, whether it did or not!

At least eighty per cent of fires can be prevented if the simplest precautions are taken. Ordinary care with smoking materials and inflammable liquids will do away with two of the worst causes of fire. Regular inspection of heating plants and electric wiring will do away with others. Periodic cleaning of attics and basements to dispose of piles of rags and waste—prime source of internal com-

busion fires—will do away with still another. So will the cutting of grass and weeds in unused fields, which present an especially potent danger during dry periods.

Your home and other property, unless it is far different from the average, contains serious fire hazards that can be cheaply, quickly and easily eliminated. Do the job now.

"THE LUNATIC FRINGE"

"There is a lunatic fringe of drivers who create hazards, for themselves and everyone else, as they rush on their heedless way," said an article in the Ladies' Home Journal recently. "They are the 5 to 10 per cent of drivers who are responsible for 90 per cent of all accidents."

This "lunatic fringe" has so far shown itself to be 100 per cent deaf to the most elementary principles of reason. Its members know that excessive speed is the most prolific of all causes of serious accidents, and that a collision that would be unimportant at 20 miles an hour will probably prove fatal at sixty—yet they continue to push the throttle through the floorboards. They know that passing on hills and curves is an invitation to the coroner—yet so important does time seem to them that they are perfectly willing to risk their necks and the necks of other drivers to save a few usually unimportant minutes. They know that weaving in and out of traffic, driving on the wrong side of the road and similar stupid practices, may mean sudden death in one of its most horrible forms—yet they persist in these practices. They know that many accidents, fatal and minor alike, can be attributed to cars in faulty mechanical condition—yet they continue driving many an "old heap" when its horn is silent, its lights are either glaring or inadequate, its steering shimmies, and its brakes are about as valuable a stopping device, as the

accelerator. Result: An annual death toll that hovers around the 35,000 mark.

Only the most stringent methods can hope to handle the lunatic fringe. Modern traffic laws, rigidly enforced not only by the traffic patrol but by the enthusiastic cooperation of the sane and careful drivers (the 90 per cent) are vital. The one way to hammer some sense into the lunatic fringe is to treat them as the public enemies they are.

New 1936 Ford V-8 Displayed At Local Dealers Saturday

The new 1936-model Ford car is on display at the sales room of Godfrey & Smart, local Ford dealers. This is a 4-door touring Sedan and it is a beauty. The new cars were received

here Friday and two of them were delivered to customers immediately. S. R. Rector, of Girard, secured the first 1936 Coupe. Byron Haney, merchant at Afton, purchased a new pickup. The dealers have a new 1936 truck on the floor.

Body lines which strike a new note in conservative streamlining, a new treatment of the interiors and three

important refinements in chassis engineering summarize the principal improvements. There are no radical changes. The 85-horse power V-8 engine, of which more than 2,000,000 are now in operation, is unaltered.

Fenders are streamlined, a wide inward flare giving them an imposing appearance. Louvers are of new design.

CARNIVAL

CORRESPONDENCE FROM NUMBER OF DICKENS COUNTY RURAL COMMUNITIES

ON TEXAS FARMS

by Minnie Fisher Cunningham Extension Service Editor

Mrs. T. D. Hale, yard demonstrator in the Prairie Chapel home demonstration club of Dickens county, believes in grassed front yards.

Using well developed wood six or eight inches long, Louise Lowe, 4-H club girl of Glen Pawn in Rusk county has rooted 30 rose cuttings for her yard improvement demonstration.

Louise Lan, 4-H club girl, in Williamson county, planted 11,998 feet to 21 varieties of vegetables in her work as garden demonstrator.

F. J. Smith, 4-H club boy of Stone-wall county, bought two Hereford calves in May weighing 190 and 205 pounds.

Sixty bushels of yellow dent corn is the harvest from one acre of land worked by George Huffman, 4-H club boy of Brannon community in Hopkins county.

N. Borth of Melrose community in Goliad county has made a net profit of \$117.81 from his flock during the past three months.

This poultry demonstrator adheres strictly to all the best methods of poultry production, including proper feeding methods of balanced laying mash, correct amounts of home grain, periodic worming with pure white gasoline, and shipping his eggs through the Goliad cooperative egg shipping associations.

Borth attributes much of his profit to the prices he receives for his infertile eggs. He claims that he has received about \$20 more for the period by shipping cooperatively.

After supplying his friends and neighbors with fruit trees free of charge and canning enough for home use, Jim Mote, Franklin county farmer, sold \$165 worth of peaches from a five acre orchard.

Mote says that he did not spend much time on his fruit trees this year, but since the income has come in, he is going to cultivate them next year. He also plans to prepare three acres more land for a young orchard.

Adding Machine Paper at the Times.

McADOO SCHOOL TO HAVE BIG FOOT BALL GAME FRIDAY AFTERNOON AND ANNUAL CARNIVAL SATURDAY NITE

McAdoo

The McAdoo and Wake auxiliaries of the Woman's Missionary Society met in a joint meeting at McAdoo Methodist Church Monday afternoon, October 7.

Following the welcome expressed by Mrs. A. O. Hood, Mrs. Slonaker gave a very interesting and beneficial talk on Spiritual Life.

Rev. Tittle, presiding elder of the Plainview District, will be at McAdoo Sunday, October 27 to hold fourth quarterly conference at the Methodist Church.

Miss Annie Bateman of Afton, was here during the week end visiting her brother, Paul Bateman and wife.

Mr. and Mrs. Marshall Aldridge of Afton, spent Saturday night and Sunday with Mr. and Mrs. J. T. Parker, parents of Mrs. Aldridge.

Mr. and Mrs. J. O. Morris were among the many business visitors in Spur Saturday.

Lee Parker was looking after business matters at his farm east of Spur, Friday of last week.

Mr. and Mrs. W. C. Brister and family had relatives visiting them during the week end.

The McAdoo Eagles won a 26 to 7 victory over the Spur Bulldogs last Friday afternoon at McAdoo.

Mount Blanco presented a play, "The Rose of El Monte," at McAdoo high school auditorium Saturday night, October 19.

John Alexander made a business trip to Spur Monday of last week.

Mr. and Mrs. Carroll Bateman, who have spent the past few weeks in Duncan Flat community and Roaring Springs, have returned home to gather their crop.

There will be a carnival at the school building Friday night. Stunts and many other attractions are to be given by students from various grades.

BILL SIMPSON ON JOB!

Barney Johnson: "I shouldn't have to pay so much for a hair cut, I'm just about bald."

Bill Simpson: "Yes, I know, but I charge for having to search for it in your case."

Supt. W. O. Cherry, of McAdoo School, was in our city Monday and stated that they are having a busy week end at McAdoo this week.

Albert Jordan, of Steel Hill, was attending to business matters in our city Tuesday.

Rev. A. P. Stokes, of Afton, was looking after business affairs in our city Monday.

J. F. Graves, of Plainview, was attending to business affairs in our city Tuesday.

R. K. Brown of the Mims Chapel community of Marion county reports that he has had good results from a few acres of pop corn which he tried this season.

There will be a Queen Festival and the crowning of a queen for the community. The people will be permitted to select the queen.

White River

R. L. Hendrix and family left for Knox City Saturday morning to be with his brother that wasn't expected to live.

R. M. Slack, Mr. and Mrs. Henry Slack and son visited with relatives at Henrietta the past week.

Mrs. Lynn Rankin visited with her mother at Archer City returning home the past week.

Mr. and Mrs. O. K. Smith have moved to Spur where they are employed at the Chilli King Cafe.

Mr. and Mrs. Troy Smith have moved on the Davis place to gather the crop.

Miss La Verne Tyler of Abilene, who is teaching the White River school, was in Spur Saturday.

W. A. Davis, of Eldorado, visited Mr. and Mrs. H. C. Peterson Wednesday returning Thursday.

Ross and Weldon Cannon have gone to New Mexico looking for work.

Mrs. Ross Cannon and baby spent the week with Mrs. C. I. Cannon.

L. L. Rankin and daughter, Vivian, are visiting friends in Denton this week.

Mr. and Mrs. Bud Williams and daughters of Highway, visited Mr. and Mrs. H. C. Peterson Wednesday.

Mrs. C. I. Cannon and son, Robert, were in Spur Saturday afternoon.

Mrs. Ida Rankin Rucker visited friends in Crosbyton Monday.

Adding Machine Paper at the Times.

Dickens

L. C. Murphy was in Spur Wednesday attending to business.

A large crowd went from Dickens to see Shirley Temple in "Curly Top" at the Palace Theatre in Spur, Wednesday night.

S. A. Anderson was in Spur Tuesday on business.

Mrs. Guy Fellmy and daughter, Joe Ann, were in Spur Tuesday doing some shopping.

Grady Edgar started back to the Marines. It will take him four days to get back. We wish him success.

Mr. and Mrs. Lester Varnell were shopping in Spur.

Mrs. Wilbur Isaac was shopping in Spur Friday.

Mrs. Fay Lusk and children have gone to Plains to visit her father.

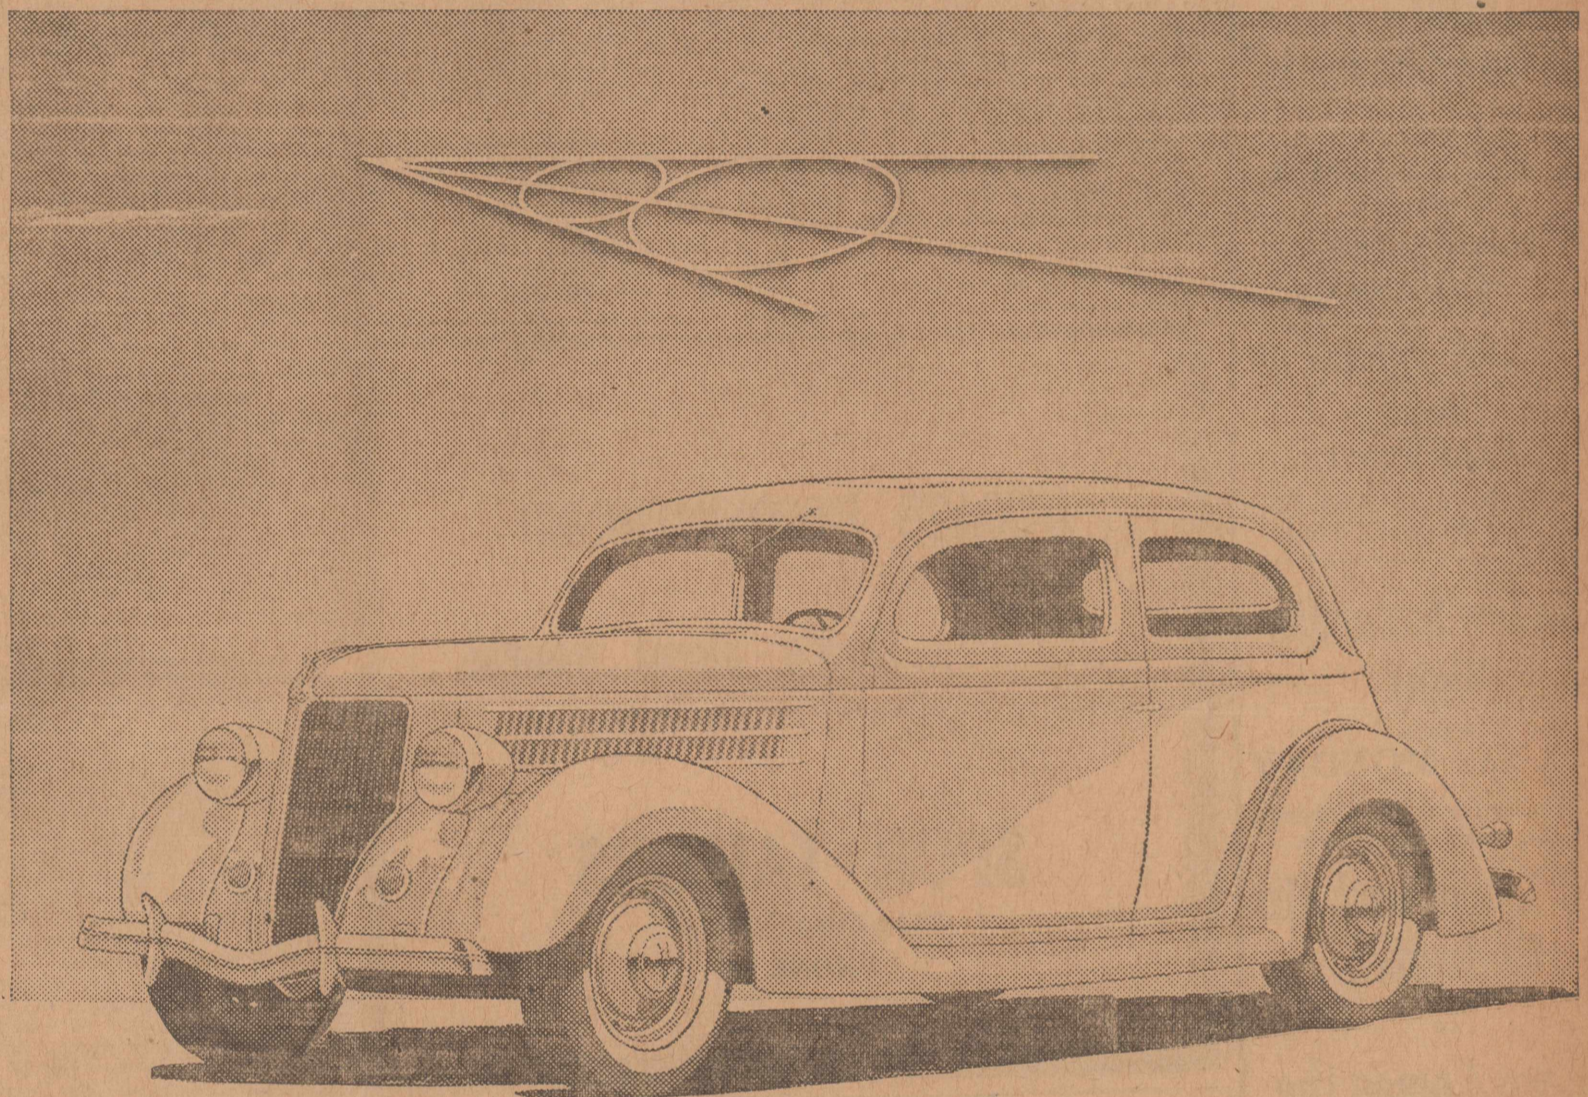

A good rain fell here Friday night. We are glad to have Mr. Gladish back in the grocery business in Dickens.

EASTERN STAR

Spur Chapter meets on Thursday night just after the full of the moon in each month. Meeting hour eight o'clock. All members requested to be present. Visiting members welcome.

REAL ESTATE DISTRESS BARGAINS IN FARMS AND RANCHES LIST WHAT YOU HAVE TO SELL WITH J. L. (Lealus) HUTTO

THE NEW FORD V-8 FOR 1936

Why do we say The New Ford V-8 for 1936?

What is new about it? Of course, the newest engine in the low-price car field is still the V-8 engine.

You may buy a car on minor "talking points"—some specially advertised feature "with the car thrown in"—but, after all, it is the engine you buy when you buy a car.

Other new points about the car make a long list.

Its lines are much more beautiful. The hood is longer and sweeps forward over the distinctive new radiator grille, giving the car a length and grace that are instantly impressive.

Ford upholstery—always of sterling quality and excellent taste—is rich and enduring. The appointments of the car have a new touch of refinement. There

is no question about the increased beauty of the Ford V-8 for 1936.

In more practical matters, many improvements have been made—Steering is made easier by a new steering gear ratio. The cooling system circulates 5 1/2 gallons of water through a new, larger radiator.

Easier, quieter shifting of Ford gears—The gear shift lever now travels a shorter distance.

The two qualities you want in brakes—Brakes that stop the car with ease and certainty. Ford Super-Safety Brakes of the long-tested, fool-proof, mechanical design.

Safety—as always—in the electrically welded genuine steel body. Safety Glass all around at no extra cost. Hundreds have written grateful letters because this glass has protected the safety of their families.

A car you can drive without strain all day, if you like, in city or country. Steady, holds the road, responds to the

driver's touch like a well-trained horse. You don't have to "push" or "fight" the Ford V-8—driver and car easily get on terms of good understanding with each other.

An engine has much to do with the roominess of a car. Very much indeed. A long engine uses up car space. The compact V-8 engine permits much of the ordinary engine space to be used by passengers.

It really is a great car in every way, this 1936 Ford V-8—the finest, safest, most dependable Ford car ever built. Now on display by Ford dealers.

LOW FORD V-8 PRICES

THIRTEEN BODY TYPES—Coupe (5 windows), \$510. Tudor Sedan, \$520. Fordor Sedan, \$580. DE LUXE—Roadster (with rumble seat), \$560. Coupe (3 windows), \$570. Coupe (5 windows), \$555. Phaeton, \$590. Tudor Sedan, \$565. Cabriolet (with rumble seat), \$625. Fordor Sedan, \$625. Tudor Touring Sedan (with built-in trunk), \$590. Fordor Touring Sedan (with built-in trunk), \$650. Convertible Sedan, \$760.

F. O. B. Detroit. Standard accessory group, including bumpers and spare tire, extra. All Ford V-8 body types have Safety Glass throughout at no additional cost. Economical terms through Universal Credit Company.

Clinic Announcement

A Clinic will be conducted at our office to acquaint the people of this Community with the Wonderful Features of the latest development of the Auto-Electronic Radioclast equipment.

MONDAY, OCT. 28 to SATURDAY, NOV. 2 (Inclusive)

An Expert Technician will assist in diagnosing patients for the above week. There will be a nominal fee for diagnosis during this week but no charge for consultation in regard to the clinic.

What it will do—The Auto-Radioclast will diagnose your condition accurately, what your trouble is, where it is, and the degree of intensity. Tuberculosis, Tumor, Gall Bladder or appendix trouble, Cancer, Bright's Disease, Diabetes, Sinus or any internal inflammation as well as other ailments can be detected in the Auto-Radioclast.

This instrument is not a substitute for Chiropractic, but is a device that enables the covering of a broader field of service together with it.

If you are in ill health and are determined to get well, the first necessary step is to definitely find out the cause of your ailment. Come to our office at Western Hotel, any day during the Clinic Week.

Perhaps a sick friend will appreciate your handing him this announcement.

CELEBRATES BIRTHDAY

Little Miss Bettye Rae Fox celebrated her sixth birthday, on Saturday, October 19, when she entertained a number of her little friends.

Games were enjoyed, after which the many gifts were opened and admired.

Punch, cookies and candies were served to the following children: Doris Wiley, Autrey Nell Dyess, Pat Lewis, Robert Ardis, Lowell Cato, Mary Harvey, Pansy Turpen, Bettye Lewis, Iris Maurine Smith, Ann Hull, Ned Blackwell, Elmer Green, Terry and Jerry Tackett, Mildred McCombs, Mary Louise Freeman, Lynn Marshall, Jonell Addy, Billy Dyess, Helen Bethel, Bettye Rae and Bobbie Fox.

BRIDGE PARTY

Mrs. Buster Parrish was hostess on Saturday afternoon to members of her bridge club and other guests.

At the end of the games high club prize went to Mrs. Gerald Wadzeck, with Mrs. Brown receiving high guest favor.

Dainty refreshments were served to Meses. A. J. Rochet, Fred C. Halle, Gerold Wadzeck, C. L. Love, Caldwell of Crosbyton and Brown.

DOUBLE WEDDING SATURDAY

At a double wedding ceremony last Saturday B. T. Williams and Miss Leura Bingham of Spur, and Woodrow Day of Spur and Miss Eula Belle Stegall of Flomot were united in marriage. The ceremony was read by Rev. W. B. Bennett in Spur in the presence of a few friends.

Just where the respective couples will make their residence was not announced, but it is thought they will live in Spur community. All parties hail from fine families and are highly respected people.

O. R. Franz, of Wilson Draw community, was doing some trading here Saturday.

Carbon Paper at the Times.

1925 BRIDGE CLUB

Members of the 1925 Bridge Club and others were guests of Mrs. Della Eaton on Wednesday afternoon at the Spur Inn.

In the bridge games Mrs. Hill Perry made high score for club members, while the guest favor went to Mrs. Ernest. Mrs. Bill Dorsey won high cut prize.

Delicious refreshments were served to the following: Meses. Perry, Ernest, Dorsey, E. F. Laverty, Bill Barnes of Abilene, J. O. Smith, A. C. Hull, O. C. Thomas, D. H. Zachry, C. L. Love, Guy Karr, Fred Halle, A. J. Rochet, Lavis E. Lee, Ray Taylor, H. O. Everts, Neal Chastain, McGuire, W. R. Lewis, Bulloch Tillotson, John Wylie, Ratliff, Ermal Scott, M. C. Golding, Cash Wilemon, Buster Parrish and Luther Jones.

THURSDAY BRIDGE CLUB

Mrs. J. C. McNeill, III, was hostess to the Thursday Bridge Club and guests last week at her home on West Harris.

At the conclusion of the bridge games table prizes, clever waste baskets, went to Mrs. Dewey Granberry and Mrs. Bill Dorsey.

Pecan pie and coffee were served to Meses. O. C. Thomas, D. H. Zachry, Floyd McArthur, Dewey Granberry, Will Andrews, Bill Dorsey, Weldon Grimes and Jack Rector.

1933 STUDY CLUB

The 1933 Study Club met Tuesday, October 18 with Mrs. Ray Taylor. A playlet, "The Story of Ruth," was presented by Mesdames Watson, McCully, Ivy, Charlie Powell and John Albin.

Fifteen members including two new members, Mesdames Lollar and Murray Lea, were served with sherbet and cake.

Mr. and Mrs. Matt Howell, of Catfish community, were doing some trading in our city Saturday.

State Department Warns Against Patent Medicines

Beware of patent medicines that make too extravagant claims as to its ability to cure diseases, is the warning issued by the Bureau of Food and Drugs of the State Department of Health. When purchasing such remedies be sure and read the label in order that you may know what you are getting.

During the past year the inspectors of the Department have condemned and destroyed many thousands of packages of patent medicines, totaling more than 80,000 pounds in weight. These drugs were condemned for a variety of reasons; chiefly due to untrue claims as to their value, old, worthless, and in some cases dangerous ingredients.

Some of the claims for remedies destroyed were so impossible that it is wondered that anyone would believe them. One medicine claimed that it would positively cure thirty-seven different diseases, including hookworm in humans and screw worms in stock. Many people do believe these claims as it is estimated that many millions of dollars are spent each year in Texas for drugs that cannot do all that is claimed for them.
