## State Department of Health Issues Report On Spur City Water

# HON. WILLIAM McCRAW TO SPEAK HERE SUNDAY

### Bits o' Nothing

Borrowed 'n' Otherwise  
By EARNEST E. HAYLEY

They have asked us to teach a Sunday School class, at our church, but we refused. Why ruin a good church by adding a hypocrite to the teaching staff? Besides, it was always considered incorrect to get the cart before the horse.

If Old Glory remains up at night on the United States Post Office, as W. L. Banner, Central American Legion flag official says it does, then we excuse local Postmaster Arthur. But, we're still old fashioned enough to be patriotic to the stars and stripes.

Our contemporary publication recently carried, in their 23-year ago column, a note to the effect that Judge Cowan had returned from law school and was locating here temporarily. Mr. Cowan, now mayor of this city, has informed us that his plans at present are to locate here permanently.

Wonder what would have to be done to get the Centennial Rangerettes to come to Spur to aid with law and order? Or, aid with law-enforcement anyway. We wouldn't expect much order with such beauties on hand.

A Washington newspaper correspondent recently said that Governor Allred worked harder and longer than did the President himself. But, what one local man wants to know is, which one has covered the most miles in travel?

For the benefit of housewives who think their husbands shouldn't go to stag parties, we will say we learned something at one last week that most of them didn't know, to wit: Fresh, not-grown carrots and strawberries retained in their original-packed baskets will spoil in any kind of refrigeration.

Last week we had a story about football, wherein we predicted Paducah would win the district next year. We made such a statement early just in case it doesn't work out that way, readers will have forgotten about it by next November.

We guess the reason so many men look for treasures here on earth, is because they figure they'll never get close enough to those promised in heaven to enjoy them.

W. R. Hearst, the newspaper capitalist, has named Gov. Landon of Kansas, the GOP candidate for the White House. Next week we are going to name President Roosevelt as our candidate, and that should be a lesson to Mr. Hearst that the power is not all in the press.

The madam "boss" of the Times is taking a rest from regular duties this week which accounts for the shortage of advertising, in this issue.

It is reported that show business isn't so good since Stanley Gartside, acting manager of the Palace, recently decorated the lobby with the artistic, latticed, shadow-boxes of many colored lights. People had rather sit in the car and view the lobby's attractiveness than to see the show.

Governor Allred isn't the only Texan who has been traveling a bit this year. Ex-Governor Pat Neff, now head of Baylor university, has come in for a few press notices himself. This brings to mind stories told by a relative of our regarding the years he and Neff were students at Baylor and Texas. One time Neff borrowed a shotgun from our cousin, Charlie Martin, (brother of D. K. Martin). When he failed to return it within a few days limit Charlie investigated only to find it in a pawn shop where Neff had deposited it for a date. It cost Charlie to get his gun back, but the two men are still the best of friends. MORAL: The country's biggest men were boys first.

### Analysis of City Water Supply Shows No Contamination, Department Reports

The Texas department of health laboratories this week completed a special analysis of the City of Spur water and announced it "Good. No Contamination" following a request of the Times early last week after that department had issued special warnings regarding the harboring of typhoid fever germs in various cities' water supply.

"It is the responsibility of each community to establish adequate safeguards against the consumption of contaminated products at all times," Dr. John W. Brown, state health officer stated in his warning. "The fact that we know the source of infection and the means by which infection may be controlled, emphasizes the importance to all communities of providing water and milk of the highest quality."

It was upon the reminder by the state department, that Texas is being host to many visitors this year, and that all communities should put forth every effort to see that no epidemics occur which will put an unnecessary blot on the health record of this state, that the action of calling for the special analysis was made by this publication.

Two such analysis were made by S. M. Bohls, M. D., director of the laboratories at Austin and both reports, numbers 44308 and 44309, gave an interpreted analysis showing the Spur water supply free of all germs. Dr. Bohls' remark was, "It is good water, showing no contamination."

The fact that Spur city water is highly approved meeting with much satisfaction from local citizens, frightened by recent reports that there is no efficient system of water purification, and that typhoid fever was greatly increasing. This report, however, is contrary to the statement of Dr. Brown: "Where there is an efficient system of water purification, typhoid fever has greatly decreased."

### County Club Women To Hold Annual All-Day Met Saturday

Dickens County home demonstration club women and girls will hold their annual all-day meeting, featuring a public exhibit of clothing work at the First Methodist church, of Spur, Saturday, June 20th, according to announcements coming from the office of Miss Clara Pratt. The public has been invited.

Pieced quilts, appliqued quilts, plain pillow cases, tufted bedspreads, crocheted bedspreads and miscellaneous needle work will be on exhibit beginning at 11 o'clock. The home demonstration agent will present an exhibit of articles representing the states she was in on her recent trip to Washington.

In the program beginning at 1:30 club women will show wash dresses and girls will wear school dresses in a style revue, according to plans early this week. Other features of the afternoon program will consist of numbers from each of the girls club and a report of the Washington trip by Miss Pratt, county agent.

The public has been invited to attend this style revue, which will be judged by Miss Norfolk Grimes, home demonstration agent of Lubbock county. The council will sell cold drinks and ice cream cones.

**FREE TO LEGIONAIRES**  
Mr. Stanley Gartside, manager of the local Palace theatre, informed this publication this week that all members of the local post of the American Legion have been invited to attend the showing of Joe E. Brown in "Sons 'o Guns" on Monday night, June 29th, as his guests. The Legionaires plan to attend the comedy production in a body, it has been announced.

Robert Nickels of McAdoo, Chairman of the Democratic County Executive Committee, was greeting friends and looking after business matters here Saturday.

### Methodist Revival Opens At Dickens Friday Evening

Rev. Don R. Davidson, pastor of the Methodist Church at Westover, will conduct the revival beginning at the Dickens Methodist church tomorrow night (Friday) according to reports received by the Times. Rev. Wilford Jones, of Memphis, Texas, will have charge of the young people's services.

Many fine gospel messages are being promised from Rev. Davidson, a man of many years experience, having pastored a church in Nashville, Tenn., as well as many in Texas.

Rev. Jones is also a very able man, having served in the capacity of young people's leader for many years. A cordial invitation has been extended the public, to attend the county capital's revival.

### County Allotment Is Fixed By AAA

The Agricultural Adjustment Administration has determined the two year 1934-35 average yield for the major soil depleting crops in Dickens County. The County Board having sent in a request that the designation of cotton, as the major soil depleting crop, and the two alternates as grain sorghum and wheat be made.

The yields are as follows: Cotton 120 pounds per acre, grain sorghum, 13.4 bushels per acre, wheat, 10.9 bushels per acre.

The above crops are listed in the order of relative importance from an acreage basis in our county. The County Committee will use the major and the two alternate major soil-depleting crops in the same order, unless definite reasons can be shown for a deviation, in which case the County Committee would submit a brief to the State Committee setting forth the reasons why the above order should be changed or other crops should be used.

### 757 In County Sign Work Sheet Plans

Farmers in Dickens County seem to be taking advantage of the opportunity of assistance which the federal government is offering in regard to soil conservation. County Agent Lane announced this week that there had been 757 work sheets assignments made in the county. About 69 per cent of the producing farmers have signed which is very good. It is found that 77.3 per cent of the eligible cultivated acreage is covered by work sheets.

### IN LUBBOCK HOSPITAL

Miss Adrien Morgan, daughter of Mrs. T. W. Morgan of the Espuela community, was admitted to a Lubbock Hospital Tuesday of this week to undergo an operation. Miss Morgan has been ill for several weeks.

### LADIES BIBLE CLASS

Fourteen members attended the Ladies Bible Class of the Church of Christ Monday afternoon at four o'clock. Mrs. Howard Stubblefield conducted the study on the last chapter of Philipians.

Mr. and Mrs. H. H. Terry of Croton, were greeting friends and trading in our city Saturday.

### BONUS BONDS RECEIVED THIS COUNTY

Proud faces, proud hearts and fat pocket books were the characteristic features of more than a hundred ex-service men of this city and surrounding community this week when they received their registered letters bearing bonus bonds and checks.

A total of \$127,105.58 has, or will have reached Dickens county enough boys before the week has passed, according to estimates made early this year when both houses of congress voted to pay the bonus nine years before it was due.

The local post office informed the Times that 96 of the registered letters were received here early Monday morning and that their addresses had been reached before the day had closed. Others were received Tuesday and those which were late in being applied for were expected within the next week. Other post offices throughout the county received various numbers, according to the address filed on the applications.

The money was reported going in many channels, as soon as checks were returned from the Dallas office where bonds must be sent from this county for transferring into check form. Business in the used car lots was reported booming, local financiers were enjoying payments long past due, dry goods firms were receiving nice portions of the checks already received.

The bonus was paid in the form of \$50 bonds with run-over less than that amount being covered by checks, as was the planned arrangements announced some months ago. Only a small percentage of the actual cash has yet been received. The \$50 bonds may not be turned into cash before they are returned to the federal office in Dallas, which is expected to require a week or ten days, or handled through the local bank.

Many of the veterans, who are not in drastic need, plan to hold at least a part of the bonds for "rainy days" and at the same time draw approximately three and a half per cent interest, others however find their needs far "over-stretched" and plan to turn their bonds into cash as soon as possible.

The arrival of the more than hundred thousand new dollars in this county has left local business firms optimistic over conditions prior to an expected bumper crop year.

### BANK ACCOMMODATES

Officials of the Spur Security Bank announced early this week their desire to handle the bonus bonds for local ex-service men, without cost, as well as cashing bonus checks. In making the announcement the bank men said, "We rejoice with the veterans and want them to know that the services of this bank are at their command, and it will be a pleasure to serve them."

### New Assistant Agent Takes Office Here

C. A. Taylor, of Dublin, has been appointed assistant county agent for Dickens County. Mr. Taylor arrived in Spur Tuesday afternoon and took up the duties of his offices and is very busy taking care of the work assigned him. He stated he hoped to be able to be of assistance to the farmers in the county.

### FREE DEMONSTRATIONS

Miss Elva Mauldin, special representative of Dorothy Perkins cosmetics, is at Bryant-Link company this week giving free demonstrations of the popular brand beauty aids.

### It am June 'teenth!

Tomorrow, Friday, is the big day in the annual life of all negro persons, as they celebrate Emancipation Day, June 19th.

Spur's colored population, whose number is comparatively few, has arranged no special programs, aside from their private ones, to commemorate "June 'teenth", it is understood. But, never the less, it's a big day in their lives.

### County Wheat Crop Far Greater Than '35 Production Yield

The county's 1935 wheat crop yield started rolling toward grain markets as several cars were shipped early this week. Without claiming any recognition as a grain producing county some of the year's production is going as high as 25 bushels per acre, and the crop total is expected to break an all time record, according to reports.

Local railroad officials stated late yesterday that five cars averaging 1300 bushels had left Spur. This totals around 6,500 bushels. It is estimated that the season's yields will run between 25 and 30 cars, or about 35,000 bushels.

Many grain dealers were storing large quantities in local warehouses while local prices were said to be around 75c as compared to the Fort Worth market prices of \$1.01, early this week.

### FOUR NAMED IN PETTIJOHN MURDER CASE

Three men and a woman are being held for the murder of Ben Pettijohn, Guthrie liquor store operator, found dead in his place of business the night of March 28, according to statements of Sheriff Johnnie Koonsman.

Bob and Cobb Pettijohn of Spur, nephews of the slain man; Jimmy Shores and his sister, Ethel Shores, both of Crosby county, are being held in Lubbock jail following confessions made by Bob Pettijohn to Sheriff Koonsman, Sheriff Humphreys of King county and Highway Patrolman John Keller Saturday night, according to the Dickens county sheriff.

The complaints were filed Monday with Lubbock county judge Ross Wileman, who set bond of \$5,000 in each case. The defendants waived examining trial.

According to the evidence, Ben Pettijohn was called to the door of his store the night of March 28th, lured outside where a fight was said to have begun over the payment of an eight dollar debt and was shot through the chest with a .380 calibre automatic pistol.

It was reliably reported that Shores had demanded the payment of \$8 from Ben, who in turn stated that he was due an amount from him which resulted in the argument. Bob stated in his confession, it was reported, that he was holding Ben to prevent him from using a gun when Cobb fired the shots with one proving fatal, according to Sheriff Koonsman.

Bob had been held in the Roby jail, Cobb in the Clairmont jail, Jimmy Shores in the Guthrie jail and Ethel Shores had been released under \$750 bond. Sheriff Koonsman made all the arrests several months ago, except the arrest of Jimmy Shores, who was being held in the Dickens jail on a liquor charge at the time. Sheriff Geo. Humphrey of Guthrie, made that arrest as soon as Shores was released.

### Texas' Attorney General To Speak At Local Stadium

Marks County's Part In  
Religious Work Of  
Centennial Year

Public Is Invited

Local Stadium Is Cool  
Inviting Location  
For Affair

The contribution of interest by Dickens County in regard to the Texas Centennial will be demonstrated in a great central meeting at the Charles A. Jones Memorial Stadium next Sunday evening. Hon. William McCraw, Attorney General of Texas, will speak to the people on influence of religion and church in regard to the progress of Texas the past one hundred years. Mr. McCraw is one of the outstanding speakers in our state and is giving lots of time in assisting various counties in centennial celebration exercises.

There were several community meetings held over the county last Sunday which were intended to assist the people to understand the object of the meeting here Sunday evening, which will start at 8:30 o'clock.

The gathering will be in the open air, where it will be cool, and a large crowd is expected to pack the Stadium. All churches in Spur are giving away for their evening services in order to let their congregation hear the Attorney General speak.

An appropriate program has been outlined and is found in another part of this issue of the paper. It will be noted that some congregational singing will be asked for, and hope has been expressed in every community in the country will acquire themselves with the songs announced and lend their assistance in singing them.

Mrs. Webber B. Williams, one of the most accomplished pianists in this country, will play during the evening and many others have consented to assist in various ways.

### IMPROVE DRIVE

New paving is this week replacing the old drive way at the Ramsey Filling Station and Garage on Harris street. The old drive was torn out and new concrete poured to replace it.

### REPORTED IMPROVED

Mr. George Barns, who has been in a Dallas hospital for some time suffering with pneumonia is reported improving. Mr. Barns is the brother-in-law of Mrs. P. H. Miller, of this city, and at one time was teacher in the Croton school, in this county.

### Giant Cotton Stalk!

F. B. Crockett, better known among his friends as "Wolf," living one and one-half miles west of the Espuela school community was in Spur early yesterday morning displaying a young athletic type of cotton stalk measuring twenty inches above the ground with a foundation of eight inches and carrying fourteen stems with leaves as large as elephant ears. "Wolf" boasts 30 acres of the lofty green leaves and it has been said that there would probably be boles as large as ostrich eggs by July 4.

Mr. Crockett was formerly a barber with several years experience but it has been said that he loved riding so well he went to the farm and crawled on the planter and cultivator, and it looks from the results he's getting, this is the life for him.

He says the Chamber of Commerce usually does most of the boasting for the community and in recent weeks showed some of the bad features but he has nothing but good to say even though he did not expect this to get into print.

"Safety In Large Numbers" - Craddock

W. A. Craddock is for unicameral or one house legislature. Yes, of course; I have been for 35 years, but did not know the change could be so simple. Just abolish the Senate and add its 31 members to the House membership, making a total of 181 members; redistrict the state into 181 legislative districts, electing them and paying them as now. They would finish the business in 60 days. There is safety in a large number. The members are closer and better known to the people—and more easily held accountable for their acts. It is hard for the Lobbyist to influence 91 (a majority) than to influence a major of 22 as others propose. It is my belief that should people turn their legislative affairs over to 42 members (just 11 more than present Senate) they would be selling their Liberty birthrights for a very thin mess of pottage. If such a calamity should ever happen, Liberty loving citizens can say as Sam Houston said when the State seceded, "Margaret, Texas list."

CANDIDATES MUST QUALIFY BY NEXT SATURDAY

County Chairman Robert Nickels stated this week that all candidates for county and precinct offices must qualify by next Saturday. He stated that what he meant by qualifying is to have their check or cash ready for the assessment amount required for their respective offices. The County Chairman ruled that the fee can be paid to him or to Jephtha Craig who is secretary to the County Committee, or if convenient, it will be all right to hand the amount to the Precinct Chairman who is a member of the County Committee. At least, Mr. Nickels stated that the fund must be paid not later than next Saturday, June 20, in order for any candidate for a county or precinct office to get his or her name on the ticket. In these matters the County Chairman usually hues to the line of business.

TO SAN ANTONIO

Ray Karr, son of Mr. and Mrs. J. L. Karr of the Espuela community, graduate of Texas Tech this spring, left Friday of last week for San Antonio where he has accepted a position with a large creamery. Mr. Kerr received his degree of bachelor of science in agriculture at the tenth annual commencement June 8th.

Off the Press!

Note: The following article was taken from the Chuck Wagon Gossip column written by Frank Reeves, in the Fort Worth Star-Telegram.

Two years ago experiments were started by Supt. R. E. Dickson of the Spur Experiment Station to determine the effect of contour listing on buffalo grass pasture. Lister furrows were run 3 inches deep and 39 inches apart on a five-acre pasture plot that was not suitable for cultivated crops. A similar plot was left unlisted for comparison. After the second year, thirty-two blocks of four square feet each were harvested on both the listed and unlisted in order to compare their respective yields. The harvesting was done by hand so as to stimulate close grazing and the yield on the listed land was found to be 2,423 pounds of air-dry grass per acre as against 857 pounds per acre for the unlisted lands. In listing the pasture, Dickson found that the ridges between the lister furrows did not entirely cover the stand of buffalo grass on the land since a narrow strip was left on either side of the furrow an dthis strip spread both across the furrow and across the ridges between so that no replanting of any sort was necessary and while the first season following the listing was quite dry and the results not very emphatic, the rainfall during the following season was more abundant and by the end of the season a perfect cover of grass had been secured.

NEGRO DOOMED TO DIE IN ELECTRIC CHAIR

The death penalty assessed by a Lynn county jury on March 13, against Elma Banks, 43, negro, for the murder of Deputy Sheriff F. E. Redwine in a jail break here just one week before that date was affirmed by the court of criminal appeals in Austin.--Lynn County News (Tahoka)

COACH RESIGNS

The Roaring Springs Reporter, last week, gave information regarding Lennon Hill's resignation as coach of the high school there. Hill, who was a member of the 1935 faculty has accepted a position as coach and physical education instructor in the Bowie, Texas, high school for the 1936 term.

Miss Margaret Koon has had as her guest Miss Idamel Flynt of Fort Stockton.

OIL AT POST

According to the Post Dispatch, oil activity in Garza County grows as two additional wells go down in the new field. Leasing prices are ranging from \$4 to \$5 per acre, though some land owners are said to be holding out for better prices. The new field is located less than two miles from the city limits.

VISITS CENTENNIAL

Mr. Jack Godfrey, of Godfrey and Smart of local Ford dealers, visited the Texas Centennial in Dallas early last week.

Optimistic People!

Saturday's Crowd Arrives Late And Remains Later!

Optimism was exhibited Saturday by retailers, consumers and producers as the Spur streets were lined with shoppers and visitors from mid-afternoon until long after the "bright-lights" had been turned on.

Retail establishments were optimistic not so much over Saturday's business yields as the optimism which featured the average farmer's conversation. Friday's rainfall over the major part of the county had brightened the hopes of an already hopeful farming population.

The bulk of the crowds arrived late and at the eleventh hour many cars remained to line the streets.

E. A. Glenn of Duncan Flat, was attending to business and meeting friends in our city Saturday.

## ANNOUNCE ENGAGEMENT OF MISS VIRGINIA STEWART

WELLINGTON. — Announcement has been made of the engagement and approaching marriage of Miss Virginia Josephine Stewart, daughter of Dr. and Mrs. Richard Augustus Stewart, pastor of the First Methodist Church, to Mr. Marion Brown Thomas of Anderson, Texas, son of Mr. and Mrs. Gary Thomas. The wedding will take place in Wellington on Wednesday, June 24.

Miss Stewart has taught in the Vernon schools for two years. She received her degree from Southwestern University, where she was a member of the Delta Delta Sorority, and in her senior year was named "Miss Southwestern."

Mr. Thomas received his degree from Southwestern University, where he was a member of Kappa Alpha Fraternity. He is now county superintendent of public instruction in Grimes County.

Miss Frances Murcheson and Miss Margaret Borger of Vernon will be bridesmaids and Mrs. Percy Armstrong, matron of honor. Music for the ceremony will be played by Mrs. Luther Gribble, Mrs. Kelly Pigg, Mrs. Tom Campbell, Wellington and Miss Minera Price Rhodes of Vernon.

The bride-elect has been complimented with a number of lovely parties, one of the most important of which was a party at Hillcrest Country club in Vernon on June 10. About 200 guests were invited for this occasion.—Amarillo News Globe.

Miss Stewart is the daughter of the First Methodist pastor in Spur, Rev. and Mrs. R. A. Stewart, and a niece of Mrs. F. W. Jennings in whose home Miss Stewart has been a frequent visitor. Mr. and Mrs. Jennings and Mrs. Sam Clemmons plan to attend the wedding.

Henry Alexander, local dry goods dealer, visited with friends and relatives in Haskell during the week end.

## MRS. DELLA EATON ENTERTAINS 1925 BRIDGE CLUB

Monday morning Mrs. Della Eaton was hostess to the 1925 Bridge Club at a luncheon at the Spur Inn. The guests arrived at 9:15 and two tables of bridge were in play until 12 when the guests were invited to the dining room. At the center of the luncheon table was an attractive bouquet of roses arranged in a flat green glass bowl. Those attending were Meses. Nellis Davis, M. C. Golding, E. F. Laverty, C. L. Love, V. V. Parr, Louis Rochat, Hill Perry and Buster Parrish.

In the bridge games Mrs. Davis won high score favor, a lovely green glass Mayonnaise jar, and Mrs. Parrish received as guest prize, three hand made white linen handkerchiefs.

## 1925 BRIDGE LUNCHEON

The 1925 Bridge Luncheon Club met at one o'clock Wednesday at the Spur Inn with nine members present. A lovely bowl of roses centered the long table where the guests were seated. In the games of bridge following the luncheon Mrs. Buster Parrish made high score, winning the sterling silver fork. Those present for the luncheon were Meses. Nellie Davis, Maurice Golding, Hill Perry, Elzy Watson, V. V. Parr, R. R. Wooten, W. R. Lewis, and M. H. Brannen. Mrs. Cash Wilemon, Mrs. C. L. Love, and Buster Parrish arrived at a later hour for the bridge games, with Mrs. Parrish making high guest score and receiving a dainty linen handkerchief.

## TAKES BRIDE

Word has been received here announcing the marriage of E. C. Edmonds and Miss Nona Jones of Glade-water, Wednesday evening June 3rd. The ceremony was held in the First Baptist Church in that city. Mr. Edmonds is well known in this area, and has many friends here who wish him well.

## METHODIST WOMAN'S MISSIONARY SOCIETY

The Woman's Missionary Society met at the Methodist Church with twelve members present. Mrs. C. H. McCully conducted the lesson on "The Stewardship Life" with Mrs. Gilbert, Mrs. H. C. Foote, Mrs. Loyd Barker and Miss Etta Fite discussing topics. After the business meeting ice cream and cookies were served by the Leon Ice Company following a demonstration of the Coolerator ice box.

## MRS. JAMES B. REED AND MRS. ROY STOVALL HOSTESSES

Mrs. James B. Reed and Mrs. Roy Stovall entertained jointly Thursday morning at the Reed home with a "42" party.

Sun flowers formed a colorful decorative scheme in the reception rooms and this yellow note was emphasized in the lovely hand painted talley cards and table accessories. Orange and pineapple ice cream, cakes and fruit punch repeated the color motif.

The guest list included Meses. P. C. Nichols, J. G. Lane, W. S. Campbell, Tyrus Allen, W. T. Patterson of Abilene, R. E. Dickson, G. H. Grace of Abilene, Foy Vernon, D. J. Dyess, E. S. Lee, W. B. Lee, Geo. M. Williams, E. L. Caraway, Jim Foster, Joe Long, E. L. Yeats, Neal A. Chastain, Chas. Whitener, M. C. Golding, L. R. Barrett, Horace Gibson, W. C. Grubben, Ned Hogan, Ray Taylor, Marvin Vaughn, Jim Cloud, Sneed Traddell, W. R. Lewis, C. L. Love, Anna McClure, E. C. McGee, Kate Morris, Hill Perry and L. D. Ratliff.

## DUTCH LUNCH SERVED ICE COMPANY STAG

Len Ice Company employees, from three cities, gathered here Wednesday night of last week, in a "stag" party at the Spur Inn, when representatives of the Olympic and Coolerator refrigerator companies were honor guests. Mr. Leon, of Rotan, was also present.

Mr. Joe Free, of Fort Worth, illustrated the outstanding features of the Olympic ice-box through several reels of motion pictures. Air conditioning was especially stressed.

Jie Milton, district manager of the Coolerator refrigerator, from Dallas, also presented talking pictures stressing the features of the air-conditioned box. It is said that more than 10,000 of the Coolerators have been sold in Texas. Last year one out of every seven of the boxes made were delivered in this state.

A dutch lunch was served to company employees, the two companies' representatives and local newspaper men.

## TRIPLE TREY BRIDGE CLUB

Members of the Triple Trey Bridge Club with their husbands were guests of Mr. and Mrs. Louis Rochat Friday evening at 8:15.

In the bridge games Mrs. George Tillinghast won high club prize and Mrs. Bullock Tillotson high guest. They each received a lovely linen luncheon set. A bridge set, including a deck of cards, tallies and score cards, went to Mr. George Tillinghast for holding high score for the husbands.

A delicious refreshment plate of stuffed angel food cake, sandwiches and punch was served to the following: Messrs and Meses. Buster Parrish, Alton Chapman, George Tillinghast, Bullock Tillotson, E. M. Wilson, Ray Taylor, Sam Clemmons and Miss Thelma Campbell.

## CHERRY-ELDRIDGE

Sunday afternoon, May 17th, Mr. Raymond Eldredge and Miss Johnnye Cherry were married at the home of the bride with her brother-in-law, Rev. Preston Brian, officiating.

This charming bride is a daughter of Mr. and Mrs. Mell Cherry of Estacador. Having lived there most of her life, coming from Erath county when she was a little girl.

She finished high school at McAdoo where her brother was superintendent. Johnnye is beautiful young lady with an unusually sweet personality, always wearing a smile.

The groom is a son of Mr. and Mrs. Jim Eldredge of McAdoo, and was born in that community. He finished high school at a very young age. He is ambitious, young and has many friends.

They will make their home at McAdoo. The Tribune with their many friends wish for them much happiness.—Lorenzo Tribune.

Miss Doris Gray from Southland is here visiting her grandmother, Mrs. W. G. Potts.

## MRS. J. W. MARTIN PASSED AWAY MONDAY MORNING

Mrs. Amanda Martin of Roswell, died in a Lubbock sanitarium about 12:15 o'clock Monday morning. She had lived in Dickens County many years before moving to Roswell.

Kinney Funeral Home here went to Lubbock for the body and brought it to Spur where it was prepared for burial. Funeral services were held at the First Methodist Church at Matador Monday afternoon. Rev. D. D. Denison, the pastor, read the funeral rites in the presence of a large congregation of friends. Interment followed in Matador cemetery under direction of Kinney Funeral Home.

Mrs. Martin was born January 6, 1885. Her maiden name was Miss Amanda Cornett. She was married to J. W. Martin December 3, 1914. She is survived by her husband, one sister, Mrs. E. A. Russell of Matador; two brothers, Joe Cornett of Prairie Chapel community and W. H. Cornett of Wichita Falls, an adopted daughter, Miss Helen Gerene, and many other relatives.

## TO LUBBOCK SUNDAY

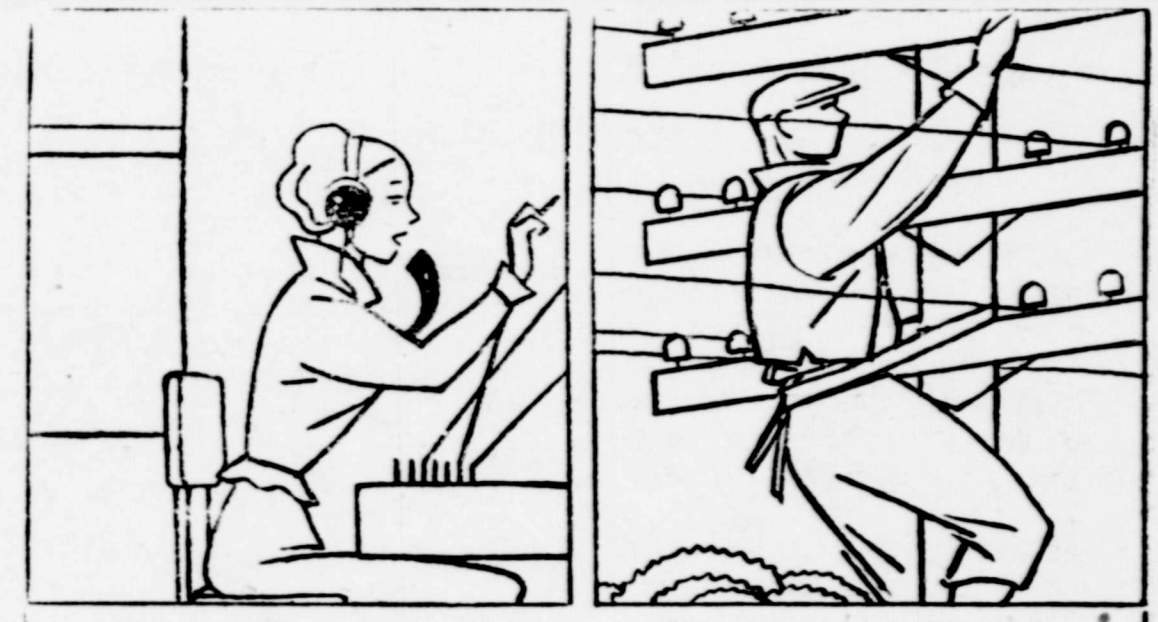

A number of citizens from Kent and Dickens counties are this week making plans to attend the Panhandle-Plains singing association's annual convention in Lubbock, Saturday and Sunday, June 20-21. V. O. Stamps, head of Dallas Centennial singing, will conduct the affair which is expected to attract between 10 and 15 thousands. A \$10.00 cash prize is in store for the best amateur quartet, during the Saturday afternoon session which opens at two o'clock.

## MISS MAULDIN HERE

Miss Elva Mauldin, special representative and demonstrator of Dorothy Perkins beauty products is at the local Bryant-Link company store this week where she is giving free demonstrations with the popular brand cosmetics. Appointments are being taken both by telephone and in person for those wishing tips for personality make-up during this season of the year when complexions need most attention.

## VISITS FROM ABILENE

Mrs. W. T. Patterson, of Abilene has returned to her home after spending a week with her daughter, Mrs. Tyrus Allen. Mrs. Allen has as her guests this week two sisters, Misses Pauline and Janette Patterson of Abilene.

## PEOPLE MAKE THE TELEPHONE SYSTEM

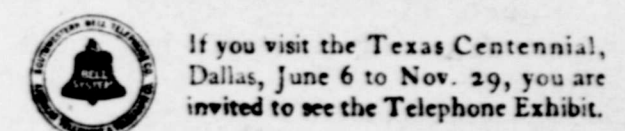

Poles and wires and switchboards alone don't make a telephone system. You've got to have people.

You've got to have men and women and children that want to talk with each other. You've got to have operators sitting night and day before the switchboards. You need to have linemen willing to go out when the lines are down, and work with a 40-mile gale lashing sleet and snow into their faces.

It's folks that make a telephone system. When you figure out why service is better than it used to be, you find it's just people at work—men working problems out on American Telephone & Telegraph Company's staff, and inventors in Bell Laboratories, and the like.

The goal of the people who work for the Bell System is to furnish the people who use telephones with a service that is fast, and clear, and moderate in its cost to the user.

## SOUTHWESTERN BELL TELEPHONE COMPANY

If you visit the Texas Centennial, Dallas, June 6 to Nov. 29, you are invited to see the Telephone Exhibit.

## Free Demonstrations!

Miss Evelyn Mauldin, special representative and demonstrator of Dorothy Perkins beauty products is in Spur this week. While here she is giving as many demonstrations (free) of the popular brand beauty aids as time will permit.

There is something indescribably attractive about some women—the secret is usually in their "realistic" make-up.

Telephone now for appointments and have Miss Mauldin demonstrate "personality" tips for your make-up during this, the most destructive season of the year when your complexion needs the most attention.

## PATRICIA ANN MARS CELEBRATES BIRTHDAY

On Tuesday afternoon June 9th, little Miss Patricia Ann Mars celebrated her seventh birthday at the home of her parents, Mr. and Mrs. E. W. Mars.

Several interesting games were played with Virginia Faye Dunwoody winning a prize in the giggling contest and Alberta Lynn Dunwoody winning out in the bean guessing game. The little birthday gifts were presented in a most unusual way, by letting Patricia Ann fish each one from a fish pool.

Mrs. Mars was assisted by Mrs. Dick Spiller in serving punch and decorated cup cakes to the following guests: Creola and Jacqueline Jean Rector, Billie D. Starcher, Malcolm and Jane Brannen, Jean Granberry, Mac Wilson, Virginia Faye and Alberta Lynn Dunwoody, Ernestine Berry, Betty Rae Fox, Lowell Caco, Autry Nell Dyess, Glenna Williams, Ann Hull, Jimmie Koon, E. W. Jones, Sherfrin Campbell, Neal A. Chastain, Docis Wylie, Laurie Robert Burrows, Iris Maurine Smith, Helen Virginia and Patricia Ann Mars.

## CLUB HAS BOOK REVIEW

"Green Lights" not only means "go forward" on the highway but in our own lives too, according to a summary of "Green Lights" by Loyd C. Douglass given by Mrs. Price Brownlow in the McAdoo home demonstration club Tuesday afternoon at the home of Mrs. G. W. Allen.

Next meeting will be with Mrs. Amos Isaacs. Mrs. Ettie Isaacs was a visitor.

Club members present were: Mrs. M. A. Graham, Mrs. Jim Eldredge, Mrs. O. S. Harvey, Mrs. A. J. Allen, Mrs. Monroe Black, Mrs. Price Brownlow, Mrs. G. W. Allen, Mrs. D. E. Allen, Mrs. R. Y. Allen, Mrs. Loyd Hickman, Mrs. Ettie Isaacs, Mrs. W. C. Hunsucker, Mrs. J. E. Wooley, Mrs. D. G. Woods.—Mrs. D. L. Woods, Reporter.

## CLOTHING DEMONSTRATOR REPORTS

"I have made a red pique sports dress including skirt, blouse and jacket, the blouse of striped pique, a batiste dress and a slip in my clothing work as demonstrator for the Dumont 4-H Club girls," says Edna Earle Thomas.

"I have enjoyed keeping a record of my clothing expenses this year. My total expenses have been \$23.20 for clothing since September, 1935." "Since I am keeping the folded underwear and toilet accessories in my dresser drawer in order, it is much easier for me to dress for I know where everything is. I share the clothes closet with the rest of the family. It has a hanging rod and shelf for hanging our clothes and hats."

Eleven of the fourteen girls in the club equipped sewing boxes, nine made a clothing plan for a year, six completed slips and three made school dresses.

## ESPEULA REPORTER WINS

Eula B. McMahan, reporter for the Espeula 4-H Club won first place in the county in a recent 4-H club reporters' contest. Eula B.'s clippings have been entered in the district contest and the first place winners in the district will serve as one of the reporters of the "Daily Star," published by the boys and girls during Short Course.

Clippings of club reports for April and May were scored in the contest. Eula B. had three clippings of the four meetings in those two months.

## CLOTHING DEMONSTRATOR RELATES STORY

"I became a clothing demonstrator because I wanted to know how to have attractive clothes sufficient for my needs. I wanted to choose and plan my own wardrobe as well as to make and mend it," said Clara Rich, clothing demonstrator for the McAdoo 4-H club, in her achievement program Monday.

"I have made two school dresses, one sport dress, and a slip. I have kept my clothing in good condition and arranged my closet more conveniently so as to have more adequate storage space. I have learned that the care of clothing is far more important than the quantity. Nothing is more satisfying than to know that one's clothing is ready for wear. Besides keeping my own clothing in good condition I have helped mother in keeping the families clothing in proper place and ready to wear."

"I have kept a record of my clothing for the year and have spent \$65.86. I graduated from high school this year and have needed more clothes," said Clara.

L. A. Grantham, of Red Hill community, was transacting business in our city Monday.

A. Lollar of Duck Creek country, was looking after business affairs in our city Monday.

## BRYANT-LINK COMPANY HAS PICNIC

The employees of Bryant-Link Company with their families enjoyed an outing at Roaring Springs Monday evening. Most of the group went in swimming while others spent the hour in games. A picnic supper was spread under the trees, after which ice cream and soda pop were served.

Those attending the picnic were Messrs. and Mmes. Geo. S. Link, Sr., J. L. Rosamond, Joe Dick Giddens, Marvin Vaughn, Carl Rye and little daughter, Dale Dillingham, L. R. Barrett, Horace Hyatt, V. L. Patterson, Loyd Roberts, Mrs. Neitha Campbell, Misses Eva Mauldin, Naomi Lee, Edith Ince, Catherine Ensey, Messrs. Geo. S. Link, Jr., Coy McMahan, W. T. Ince, Norton Barrett, George Lisenby, Hamp Collett, Mary Catherine and Elsie Patterson, Minyard Ensey, Charles Ensey, Billie Rae Barfett and Patsy Jean Hyatt.

Miss Margaret Richards of Seagraves who has been visiting her sister, Mrs. L. B. Hodges returned to her home Monday.

## MORNING PARTY

Miss Lenora Lisenby and Mrs. Erma Scott entertained with a morning bridge party Tuesday honoring their sister, Mrs. Deck Barnes of Abilene.

Summer flowers were placed attractively about the rooms where eight tables of bridge games were in progress. A centennial theme was repeated in the table appointments and prizes.

Mrs. Neal A. Chastain won high score favor, unusual mirror coasters with centennial design. A traveling prize, Lone Star playing cards, also went to Mrs. Chastain. Mrs. R. E. Dickson received a deck of cards for low score favor. The guest of honor was presented with a set of mirror coasters.

A most refreshing salad plate was passed to Mmes. Dickson, Chastain, Barnes, Horace Hyatt, Wayne Mateer of Oklahoma City, Joe Stotts, Lubbock, Louis Rochat, C. L. Love, M. C. Gidding, Gerald Wadzech, Cuba H. White, Jack Rector, A. C. Hull, Bullock Tillotson, Elzy Watson, Cash Wilemon, Guy Karr, V. V. Parr, Nellie Davis, Jimmie Smith, L. D. Ratliff, George Tillinghast, Weldon Grimes and Miss Thelma Campbell.

## SUNBEAM CLUB HAS PICNIC

Mrs. C. B. Jones entertained the members of her Sunday School class, the Sunbeam Class, with a picnic Monday afternoon in the Swenson Park.

Ice cream and soda pop were served at the conclusion of a picnic lunch. Those present were Glenna Williams, Dorothy Jean Barker, Ned Blackwell, Virginia Lane, Creola Rector, Billie Barber, Bettye Lewis, Jan Mayfield, Opal Mae Johnson and Billie Britt McNeerlin.

## THURSDAY BRIDGE CLUB

Mrs. Clifford B. Jones was hostess to the Thursday club and a few guests last week in her suite at the Spur Inn.

In the bridge games Mrs. Nellie Davis and Mrs. Barron Chapman of Borger, made high score and received as tables prizes pretty linen guest towels.

Angel food cake and ice cream were served to the following: Mmes. J. C. McNeill III, Jack Rector, R. E. Dickson, V. V. Parr, Buster Parrish, Nellie Davis, Barron Chapman and Miss Ann Lee.

## METHODIST NEWS NOTES

Next Sunday is to be Patterson Day at our church. Rev. J. P. Patterson, a former pastor here will return to preach for us at the eleven o'clock hour. Bro. Patterson is recognized as the star pulpiteer that has pastored this church. He is a preacher of rare ability and we are expecting a great congregation out to hear him. His many friends of this section will welcome his coming. Those who have not heard him have a treat in store.

Our church is this week being treated to a new coat of paint and it is surely helping the appearance of the church as well as preserving it. Mr. Henry Johns is doing the work and doing it well. If this is a sample of his work he is a real painter.

The ready response on the part of the people to finance the needed work is to be appreciated.

The Church Centennial celebration to be held at the stadium Sunday night should be participated in by everyone. Such an outstanding speaker deserves the hearing of all and the occasion is worthy. Let us attend the service with the history of a hundred years of moral struggle on our minds.

A special solo will be given at the eleven o'clock hour by Mrs. G. B. Wadsworth.

Mrs. Lee Parker, Spur, is spending a few days at the home of her father, C. C. Neeley.

## NEIGHBORHOOD CLUB

Mrs. M. H. Brannen was hostess to members of the Neighborhood Bridge Club and a number of other guests Thursday evening of last week.

High score favors, which were attractive vases, went to Mrs. Weldon Grimes, club, and to Mrs. Elzy Watson, guest. Mrs. A. C. Hull won cut prize, a useful memorandum and menu calendar.

Most unusual refreshments were served to Mmes. John Wylie, Horace Gibson, Weldon Grimes, L. E. Lee, C. L. Love, Jimmie Smith, Bullock Tillotson, H. O. Everts, Guy Karr, Neal A. Chastain, A. C. Hull, M. C. Golding, Roy Harkey, Hill Perry, Dale Campbell and Elzy Watson.

## CLUB REACHES GOAL

A check of the clothing goal reached by the McAdoo 4-H club girls in the home of Clara Rich, clothing demonstrator, Monday shows that all sixteen members have equipped a sewing box; 12 made clothing plans for a year; 16 made slips or pajamas; 8 made school dresses and 8 have arranged their dresser drawers for convenience.

The club has raised money to pay part of the expenses to Short Course for their sponsor, Miss Hazel Moore and one member, Wanda McLaughlin, the president was selected to go.

Members present were: Wanda McLaughlin, Leona Harris, Ruth Ward, Clara Rich, and the sponsor, Miss Hazel Moore. Visitors were Miss Clara Pratt, Mrs. Henry Harris, and Mrs. E. G. Rich.

## CLUB HEARS REPORT

"It was a joy to me to attend the Triennial Conference of the Associated County Women of the World. To be associated with 7,300 farm women means something," Miss Pratt told the members of the Wichita home demonstration club Friday afternoon when it met with Mrs. M. S. Lambert. "Perhaps the outstanding meeting of the whole conference was the lawn party at the White House when the President spoke to us," she said.

Several members mean to take part in the club exhibit in Spur next Saturday.

Members present were Mrs. George Pierce, Mrs. Roy Dunavant, and Mrs. J. P. Legg, a new member.

## BEGINNERS CLASS ENJOY PICNIC

The Beginners Department of the Methodist Church with Mrs. J. R. Lane, as superintendent, enjoyed an outing Tuesday afternoon. Misses Isabel Campbell and Selbia McCully, teachers, Mrs. Adrian Rickels, Mrs. D. L. Granbury, Mrs. Hairgrove, accompanied the group to the bridge on Duck Creek where the children spent the afternoon playing in the sand.

A picnic lunch was served to the following: Clarksine and Patsy Lewis, Creola Rector, Billy Barber, Judon and Juron Rickels, Kenneth, Roland and Shirley Hairgrove, Billy and Jean Granbury, Neal A. Chastain, Bunkie and Jamie Nell Simmons, Doris Wylie, Bonnie Beth Henry, Howard Wilson and Annie Laurie Adecock. Billy Lane and Van Hairgrove acted as chauffeurs for the group.

## FROM STAMFORD

Miss Opal Fay Parnell, of Stamford, is the house guest of Miss Lois Kinney this week. Miss Parnell arrived in Spur Monday and plans to return home Sunday.

## Montgomery And Loy Co-Starred Screen Hit

A new and potent starring team heads the cast of the comedy "Petticoat Fever", opening for a two day run at the local Palace theatre with

mid-night prevue Saturday night and continuing through Sunday and Monday.

Team is Robert Montgomery and Myrna Loy.

It is a story of a wireless operator in a remote Labrador station, who refuses to send messages for a couple whose airplane is forced down near his tower, because he wishes to make love to the first white woman he has seen in a year.

His future seems rosy until a girl to whom he was engaged two years before appears to ensue complications which lead to a smashing surprise finish.

## BELLE BENNETT SOCIETY

The Belle Bennett Missionary Society of the First Methodist Church met in the basement Monday afternoon at 4 o'clock. Nine members were present and two guests, Mrs. Barrow and Rev. Melvin Jones, who acted as our pianist in an old fashioned "sing-song". Each person selected a song from which two stanzas were sung. Rev. Yeats gave the devotional on "My own vineyard have I not kept."

Business was conducted by our president, Mrs. Butler. We were dismissed with the benediction.

  - Friday Night—Sermon by Clarence Edwards.

## VOTING AGE EXPLAINED BY ATTORNEY GENERAL

A statement made Tuesday of this week by Attorney General William McCraw was to the effect that any person who becomes 21 years of age prior to an election is entitled to vote in that election provided he has obtained an exemption certificate as required by law.

The Attorney General stated his ruling was prompted by the fact that a number of county tax collectors had interpreted the election statutes to mean that a person could not vote unless he was 21 years of age before January 1.

The above ruling may be good news to a number of young people in Dickens County since some of them had obtained exemption certificates on the basis of becoming 21 years of age before the elections this year. At a ruling sent out some weeks ago it looked as if these would be eliminated from voting. However, under the above ruling any person who becomes 21 before July 25 and has obtained an exemption certificate, will be permitted to vote in the first primary, July 25.

## SPUR LAUNDRY SERVICE GETS BETTER AND BETTER

The Spur Laundry and Cleaners have always been ace high in giving service to Spur country, but as the years go by it continues to get better and better. With the recent addition of the Helpy-Selfy Department and also, the new cleaning department, it places the Spur Laundry in a position to render the most efficient service of any business of its kind in West Texas.

L. T. Cullar, formerly of Lubbock, is now in charge of the Cleaning and Tailoring department. Mr. Cullar has had ten years of experience in his line and is considered one of the best. He has been associated with some of the largest cleaning and tailoring establishments in the state and has made the work a special study. He said this week, "I am a citizen of Spur and my wife and I live in the W. R. Stafford residence on North Keeler Avenue. We have come to Spur to do our part as citizens and hope to be a contribution to the town."

The laundry proper is running full six days per week and is turning out fine work. It serves the territory as far south and east as Aspermont and as far north as Matador. The Helpy-Selfy department is doing good work all the time, and the business is furnishing quite a nice payroll to the town.

## HOME COMING JUNE 28 AT CENTERVIEW CHURCH

# My Trip To The Farm Women's Meeting

By CLARA PRATT

To be associated with the 7,300 farm women from nearly every state in the Union and from 23 foreign nations in the six-day Triennial Conference of the Associated Country Women of the World is a privilege I'll never forget. I count it an honor to represent the Dickens County home demonstration club women. I do appreciate their sending me.

The conference opened at noon on June 1 in Constitution Hall with more than 4,000 women in attendance. In one brief day, the first of the Conference, the rural homemakers heard the President of the United States, Mrs. Franklin D. Roosevelt, Secretary of State Hull, and Secretary of Agriculture Wallace, and attended a garden party at the White House which broke all attendance records for such affairs at the Executive Mansion when more than 6,000 women attended. Secretary of State Hull and Mr. Wallace brought greetings to the groups followed by Mrs. Roosevelt when she expressed surprise that so many farm women of America could leave their homes for ten days to two weeks to attend the Conference at this time.

West Texas people will be glad to know that President Roosevelt requested the chorus to sing "Home on the Range" at the lawn party and said he hoped the song will soon be as popular with people of New York and Chicago as on the plains of West Texas.

"I congratulate you on this fine gathering which has exceeded our hopes both in numbers and in the scope of territory represented. We, citizens of the United States, are proud to present to you, the representatives of so many nations, a cross section of the farm women of our country. We are glad to have you visit the United States and as a result of this friendly meeting, the farm life of every nation is bound to match forward with increasing efficiency and increasingly high standards," was Mr. Roosevelt's closing greetings.

Miss Grace Frysinger, Senior home economist of the Department of Agriculture, was general chairman of the United States Group participating in the Conference. She called the meeting to order and introduced the president of the Association, Mrs. Alfred Watt of Canada.

The nations represented besides our own were England, Ireland, Scotland, Wales, Australia, Burma, Palestine, East Africa, South Africa, New Zealand, Holland, Rhodesia, Sweden, Switzerland, Latvia, Norway, Denmark, Ceylon, Canada, China, Japan, France and Germany. All of the nearly 150 foreign women were dressed in native costume, some of them, Mrs. K. Vaithianarhan of Ceylon in her bright orange toga and Mrs. Olga Kulitlan from Latvia in her varicolored shawl, for example, were quite conspicuous in their bright colors. For the most part the dresses for the foreign delegates resembled very much those of the women of America. The American women were well dressed and the great majority of them showed they know how to assemble clothes to make a becoming and appropriate wardrobe.

Each of the affiliated groups brought written reports of their achievements of the last three years.

These reports were read by the delegates from the respective countries and all were read in good English. That shows that the foreign delegates were well educated. These reports show that the foreign rural women are doing exactly the same type of work the rural women of the United States are doing in Extension Service work. The only different being that in our country the work is sponsored by our Government and in the foreign countries the women have to manage for it themselves.

The theme of the whole conference was for more friendly relations between the nations looking toward World Peace. "A very great deal of good is expected to come from this conference," said Mrs. Alfred Watt, white-haired president of the Associated Country Women of the World. "Women are in Washington for the Conference who have made great sacrifice to come. Many must forego luxuries for years to come. They have had long and laborious saving and preparation."

"Each woman present at the Conference goes back to a different part of the world, to a home and community where she belongs and in which her words carry weight. She had been for ten days or longer in the company of other countrywomen from other countries. Is it not reasonable to presume that in an overwhelming number of the world's country sides there will soon be a new view of the foreigner? Prejudices, misunderstandings, ignorance, all the fertile breeders of hostility, have been dispelled in the friendly and informed atmosphere of the conference. It would be incredible that there should not be a great increase in international good will among country folks," said Mrs. Watt.

Warning that "war keeps you poor" Mrs. Carrie Chapman Catt, veteran peace and suffrage leader, called upon the farm women gathered at a record-breaking banquet of the Associated Country Women to become "peace fanatics." The banquet, at which simple cotton dresses far outnumbered gowns of silk and satin, was the largest ever served in the nation's capital. Fifteen hundred women filled the ballrooms of the Willard Hotel and overflowed to the floor below.

The international conference of farm women, largest ever assembled, was brought to a close just at sundown, Friday, June 5th, with colorful ceremonies on the bank of the Potomac River near the Lincoln Memorial. As the sun sank, spokesmen for the country women from three nations predicted that each delegate would carry home to her community fresh inspiration for rural living and a richer appreciation of what country women in other lands are doing and thinking.

## COUNTY COMMITTEEMEN HOLD MEETING MONDAY

The County Democratic Executive Committee went into session at the courthouse Monday morning. The object of the meeting was to calculate primary expenses and to lay assessments to bear these expenses. It was decided that it will require a little more than \$700 to take care of all primary election expenses. The following assessments were made:

For district clerk, \$15.00; for county judge, \$30.00; for sheriff, tax collector and assessor, \$40.00; for county attorney, \$25.00; for county clerk, \$50.00; for county treasurer, \$25.00; for county surveyor, \$1.00; for county commissioner, \$10.00; for Justice of the Peace, precinct 3, \$5.00; for constable, precinct 1, \$2.50; for constable, precinct 3, \$5.00; for public weigher, precinct 1, \$5.00; for public weigher, precinct 2, \$5.00.

The names of G. A. Sloan and Robert Nickels were added to the ticket as candidates for chairman of the County Executive Committee.

Robert Nickels, chairman; Frank Speer for Dickens, C. O. Parker for Elton, Chas. McLaughlin for McAdoo, J. E. Sparks for Highway, L. A. Grantham for Red Hill, A. Lollar for Duck Creek, Dr. M. H. Brannen for East Spur, A. C. Hull for West Spur, Joe M. Rose for Duncan Flat, O. E. Minix for Wichita, Jim H. Smith for Dry Lake.

Committeemen for Prairie Chapel, Red Mud and Croton were filled by appointment. F. L. Byars for Prairie Chapel, Wallace Hinson for Red Mud and S. L. Porter for Croton are these committeemen and they are requested to meet with the Committee at Dickens at ten o'clock next Monday to assist in making out the county ticket. Committeemen from Espeula and Dumont did not attend the meeting last Monday.

R. B. Bryant, of the Bryant-Link Company at Stamford, was in our city the last of the week greeting friends and talking over business matters.

Mr. and Mrs. Virgil Scott of Kalgary, were in our city Saturday visiting friends and doing some trading.

## LOCAL SCOUT TROOP NO. 35 ENJOYS SUMMER CAMP

The nine boy scouts of Troop 35, Spur, returned from a week's camping spent at Camp Post, Saturday night. They reported a fine trip.

Three boys of this troop passed their first class requirements while in camp. The remainder of the boys lacked only a few tests of reaching their goals.

Troop 35 won second highest percentage of the eight troops represented at camp. They also won highest honors in tent inspection and belt honors. In addition to the regular schedule the boys enjoyed a hike one day covering fourteen miles of high-way and canyon and plains tramping. A noon-day lunch was eaten at a spring in a canyon located by three boys sent out on that special commission. The trip was interesting and instructive as well as a little exciting. Two mountain boomers and a rattlesnake were killed on the trip. The boys left camp at 9 a. m. and returned at 2 p. m.

The schedule for the days was: reveille, 6:30 a. m.; first call, 6:45 a. m.; mess call, 7:00 a. m. After breakfast dish washing, tent cleaning for inspection followed by taking of various tests for first and second class requirements, or used as a leisure period. Mess call at 12 noon. Dish washing followed by the opening of the canteen. Only ten cents per day was allowed for the purchase of sweets regardless of appetite or purse. Rest period at 1:45 p. m. Swimming at 3 p. m.

The camp was located three and one-half miles west of Post on a 400 acre tract, a small portion of the old Carr ranch which originally covered most of Garza County and parts of adjoining counties. This tract of land was donated to the Boy Scout organization by the heirs, before the property was divided and sold to other interests. The screened in porch of the old ranch house was used for a Mess Hall. Two-Draw Lake, where the swimming was done, is located a mile east of Post. The boys made the trip each day to and from the swimming pool in an open truck. Each boy had to have a "Buddy" when in swimming as a precaution against drowning. When the Life Guard blew his whistle as he did at short intervals, each boy and his "Buddy" joined hands and held them up high. If a signal hand went up immediate investigation began to find out the cause, whether from need of help or a case of disobedience. If the latter was the case, the guilty boys were taken from the pool and not allowed to return for two days. After the swim a return to camp and personal inspection. Then the gathering of wood for council or troop fire. After supper, flag and council ceremonies were held followed by a period in which the boys were free till taps, that being the end of a perfect day.

## W. T. ELKINS MAKES STATEMENT TO VOTERS

To the Voters of Precinct No. 3: As many of you know I am in the race for the office of Constable for Precinct No. 3. You may look on the duties of this office very lightly, but if you will stop to think, how those duties are executed will mean a great deal to our community. I have had some experience as a peace officer, and if you elect me your Constable I shall look on the importance of the duties of the office to the extent of doing my best to fulfill them. I served as Constable in Scurry County and was associated with the office of Sheriff as a deputy in Fisher County, and in both counties my services were pronounced satisfactory. I am a Democrat, have always been, and I believe the greatest principle in our Party is service when given a trust. I solicit your votes and support in the coming Primary, and if you elect me, you can depend on me going forward from an honest purpose.

W. T. ELKINS

**Our Opinion Is**  
That when politics enters into any institution or organization that its usefulness wanes.

Is It A High-Hat Movement?

LUBBOCK is trying to go "big city" on us country people who get into our cars and drive up there to spend a day occasionally. It may be that the City Commission of Lubbock realizes that the parking space we use probably is worth more at five cents per hour than is the profits off our patronage. At least, within a few days, all of us will be obliged to slip a nickle into the slot if we expect our Chevy or V-8 to be seen on the main drag. Most of us usually have just enough to buy gasoline, get a pair of hose for the madam, a 5-cent cigar for ourselves, and now the great problem comes up how are we to manage for the extra 25 cents needed for parking fees while we loaf around the "City" four or five hours. (We say city, because that is what it is trying to be.) Most of us will have to park just outside the "city limits" and take "ankle express" on in. By the time we arrive we will have forgotten about the hose and will be too hot to enjoy the cigar. Our friends to whom we chat will be out of humor because they had to walk in too, and what will be the need of going to the "City"? Most of us might have a better time at the community store where we can chew and expectorate at a tin can, whittle on a pine board and discuss affairs of the government. Well, it all goes in a life time, and Lubbock may come up to the City Commission's expectations.

Harmony On The Surface!

THE BIG Republican convention is history and the standard bearers of the party have been selected with much display from friends of the candidates. It is probable there is much less harmony in the party than outside appearance would indicate. Republican victories in the past have been won more on camouflage than by real principles of government and statesmanship. Governor Landon was not the choice of big business and there is a question mark as to whether he can be induced to cater to the special privileges and whims that big business usually demands of a presidential candidate. Their real choice was General Knox who had to be satisfied with second place. Knox does not feel complimented with this selection as he wanted to be the party's nominee for president and direct the government as the powers would be desired. However, party leaders saw the importance of linking big business interests into the party, and if elected, Knox will practically have the controlling power over the Senate through his appointment of committees. It will be a line-up in which big interests will try to gain control over the common populace of the country and people will bow allegiance to capital once again. The election will depend on how well party leaders can make the people believe in a great program for freedom irrespective of whether there is anything in the dinner pail or not.

The Fruit Has Been Plucked!

FOR approximately eighteen years the Doughboys of Dickens county, along with those of the nation, have been watching the fruitless growth of the "Bonus Flower". On several occasions, during those years, a bud has appeared on the stem of hopes, but each time conditions prevented the bloom from producing fruit.

Early this year, however, both Houses of Congress combined their influences to aid the ex-service men in their efforts to cultivate the fruit of the promised, nine years before the seed salesman said it would bear.

This week the fruit was declared ripe and the Dickens county crop has been gathered with a total income of \$127,105.58. The crop has produced and died. It will produce no more. The open market price is being paid for the yield.

Those who do not protect at least a per centage of the net from this crop, which required undescribed hardships in planting and years of patient waiting for the gathering, will likely never live for another harvest time.

Not one service man has reported a profit from this crop. The planting cost was too high. May this and the coming generations never attempt a like harvest, is the prayer of the ex-service men of this county and nation.

Spur "On Parade" at Fort Worth

COMPARATIVELY speaking, Spur's part in the Frontier Celebration, opening at Fort Worth July 1 will be only small dot on the background of a priceless centennial year show, but the fact still remains that this city will be represented.

Panels illustrating highlight features of this country's "promises" will find place among like panels from such progressive cities of West Texas as Vernon, Childress, Lubbock and others. Two hundred feet of natural-color motion picture film will enlighten both out of state and inter-state visitors of the advantages offered citizens of this section, known as the Spur country.

We have ample cause to be proud of the prosperous alfalfa, cotton and grain sorghum farming lands of this county. Dairy and poultry farming are two other profitable industries offered. The two reels of film recently taken of this city and county illustrate all these features.

The beauty of the country itself is another inviting point to prospecting citizens. Range land, constituting a large per centage of the county's area, is that of the typical ranch country—beautiful with nature and rich with grazing vegetation.

Regardless of how small the "float," Spur will be "on parade" when the big show opens. The West Texas Chamber of Commerce building will house the exhibits of Dickens County along with submittances from the local experiment station, while thousands pass in review of the collections.

Many counties will not be represented at all. But for a progressive committee Spur would have been lacking, also. Credit for the success of the parade, for us, must go to that committee.

Mrs. McKnight Will Teach at Ballinger

Word has been received by the Times that Mrs. Violet McKnight, teacher of public school music here for the past year, has been elected to the Ballinger high school faculty, as music instructor for the next year.

After spending several days with her parents in Snyder, Mrs. McKnight has gone on to Abilene where she enrolled for special work in music during the summer months at Hardin-Simmons University.

She has studied in Baylor University, Chicago Conservatory of Music, Texas Tech, Abilene Christian College, Chicago Music School and Hardin-Simmons.

ENJOY DINNER

Miss Jennie Shields and Miss Evelyn Sowell extended Editor Starcher and wife a very kind invitation to dinner Wednesday, June 10th. Mr. and Mrs. Joe Kellam, of Gladewater, and Mr. Richard Knight of Crockett, were guests on the occasion. Both Mr. Kellam and Mr. Knight are in chamber of commerce work and are interested in farm projects, which prompted their visit to the local experiment station. The part was enroute to Lubbock to attend the state meeting of C of C managers.

PAY TAXES IN JUNE!

The last one-half of 1935 taxes are due and payable on or before June 30, 1936. If they are not paid by that date they become delinquent and are to be collected together with the regular amount of penalty and interest.

1935 taxes which became delinquent on February 1, 1936, may be paid during the month of June with 6 per cent interest. After that date, the annual 6 per cent interest together with 8 per cent penalty must be collected.

This article is respectfully submitted for those who wish to take advantage of the 8 per cent saving.

Absence makes the meat grow tender

• The new Hotpoint Ranges bring you a great new gift of electricity. "Absent Cookery"—a modern miracle of electricity—enables you to cook an entire meal while you are away from the kitchen, and results are wonderful. Meat perfectly cooked and tender, vegetables tasty and healthful, pudding, pie, rolls, etc., beautifully browned and deliciously flavored.

Come in and learn the whole wonderful truth about cooking with these Hotpoint Electric Ranges. See how clean, glowing electric heat creates no "combustion dirt," keeps pots and pans, stove, walls and curtains clean.

We will show you why Electric Cookery is COOL. There is a whole lot more to this wonderful feature than the insulated oven. The beauty of it all is that you can enjoy these advantages of electric cookery and save money at the same time. See these Hotpoint Ranges today.

FEATURES

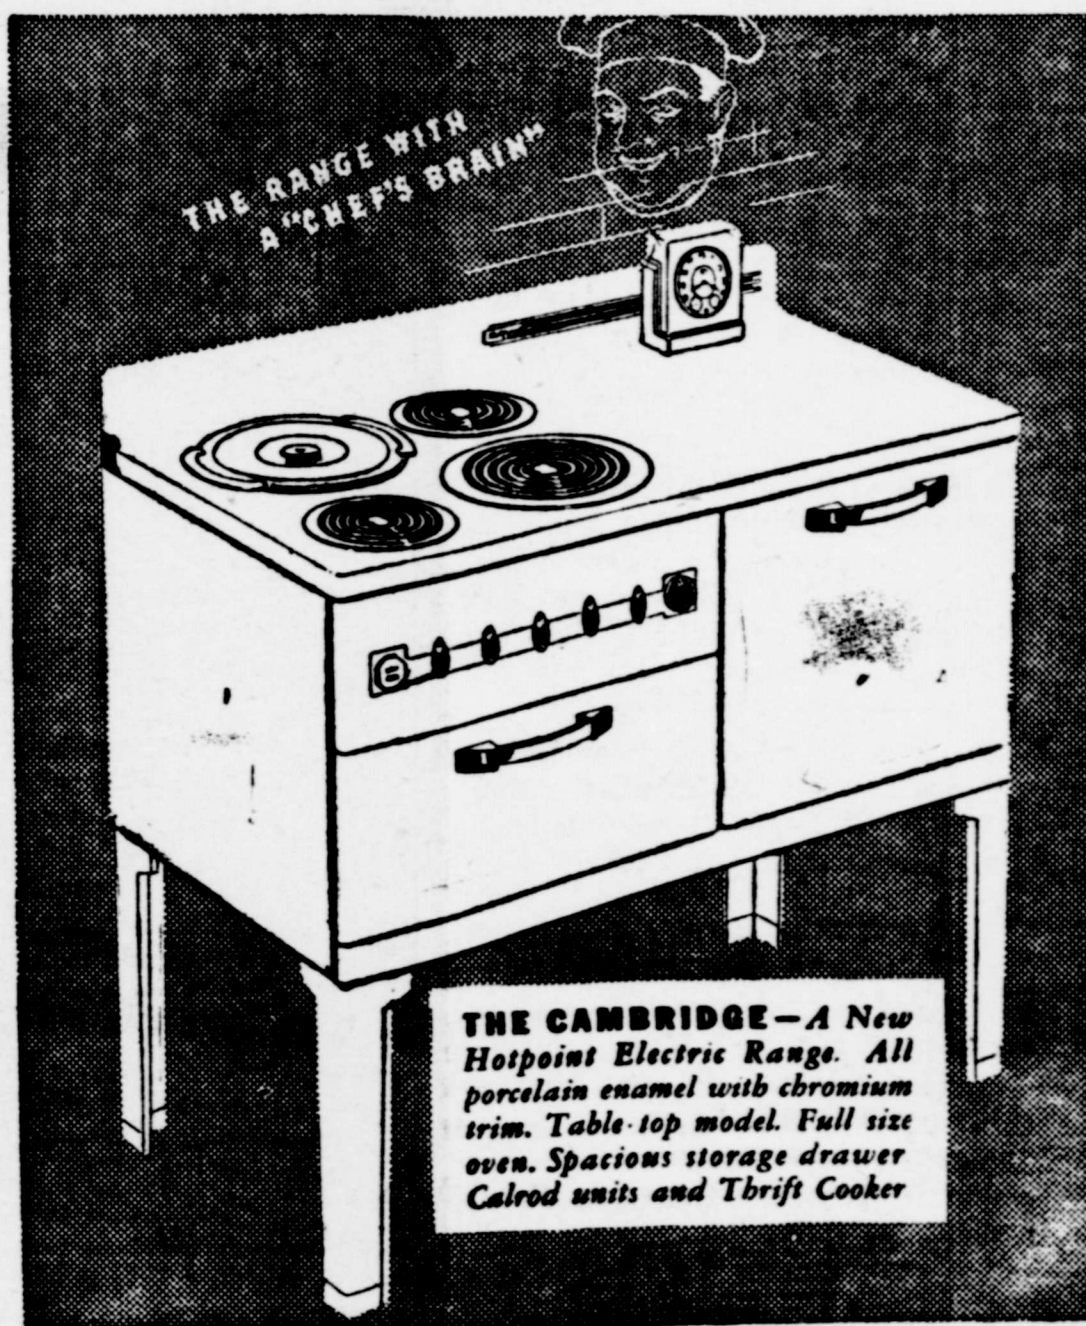

Calrod, hi-speed, clean-heat coils... "Chef's Brain" (automatic timer clock)... Thrift Cooker... new type oven temperature control... fully insulated oven... table-top model... all porcelain enamel... trimmed with chromium.

HOTPOINT CALROD

What Mazda means to light, Calrod means to cookery. Calrod is the name given to Hotpoint's hi-speed sealed-in-metal cooking coil which has revolutionized electric cookery. It brings new speed, new cleanliness and new economy to the kitchen.

THRIFT COOKER

Economical. Uses only about as much current as the kitchen light. Cooks an entire meal of meat, vegetables, dessert—or bakes small quantities, like a few potatoes, without need for heating up the oven.

### Sen. Carl Hardin For State Commissioner

In response to an invitation from his friends and neighbors of 30 years standing, Senator Carl Hardin opened his campaign for the office of railroad commissioner in Stephenville Saturday morning, May 29, at 11 o'clock. There were 5000 people in the audience to hear him, most of them coming from all parts of Erath county, but there were others from adjoining counties. He spoke for 45 minutes and following that a citizen committee served a barbecue lunch to one of the largest public gatherings here in years.

Senator Hardin has been in public service for the past 12 years, two years in the legislature and eight years in the senate, and since the day he graduated from John Tarleton College has been active in business and civic circles. He has the reputation in his home city of rendering more aid and assistance to the people than any other one individual citizen.

During the last term in the senate Hardin introduced and successfully passed the homestead tax exemption relieving homesteads from taxation up to and including \$3,000.00.

Changes he proposes in the operation of the Texas Railroad Commission in the event of his election were discussed freely in the opening address, among them being a policy of attending to the duties every day in the year. He likewise urged that the major companies be gauged by the same yardstick that measures the small independent operator. He also favors a vigorous and uninterrupted program of development in every county in Texas where oil possibilities exist, rather than curtailing such development. As a whole Senator Hardin emphasized the point that he would at all times aid in administering the duties of the railroad commission in a fair and constructive manner.

A citizens committee organized in Stephenville the past week contains the names of more than 50 Erath County people who propose to carry the campaign of Carl C. Hardin into every county in Texas, and in every way possible to recommend him for earnest consideration at the hands of the voters.

### COMMISSIONERS WARNS HIS EMPLOYEES OF POLITICS

In a letter sent out May 23 Col. Ernest O. Thompson, chairman of the Texas Railroad Commission, warned employees of the commission in regard to law violations for any of them taking part in his political race. He pointed that the law prohibits any employee from distributing hand bills or circulars, posting pictures, handing out cards and making speeches.

However, the Commission chairman stated that he wanted to go even farther than the law said, and ask that no employee have anything to do with his campaign for reelection to the office of Railroad Commissioner. He is asking that all employees refrain from accepting any kind of contribution to be used in his campaign, and to refrain from every form of political activity. In other words, Col. Thompson wants the people to vote for him from an unprejudiced viewpoint.

### FRONTIER CENTENNIAL TICKETS AT A BARGAIN

The Frontier Centennial exposition at Fort Worth is offering an \$8.00 value in tickets for \$5.00. The offer consists of the following: 10 general admission tickets, value, \$5.00; 1 admission ticket to Jumbo, \$1.00; 1 admission ticket to Casa Manana, \$1.00; 1 admission ticket to last Frontier, \$1.00; total value, \$8.00.

All of this is being offered at this time for only \$5.00. However, this offer may be withdrawn any time but people may take advantage of it this time if they desire. The Frontier Centennial at Fort Worth is to open in July, and it will be just about as large as the Central Centennial at Dallas and will represent the progress of Texas in a great way. That is the main purpose of the Frontier Centennial at Fort Worth.

### He's Found What?

Man Finds Unique Markings Believed Made Long Years Ago!

Mr. J. M. Carlisle, citizen of this county for many years, called on the Times office Saturday with a map he had made of mysterious rock markings found in Kent county, fifteen miles from Spur. He believes it to be old worshipping grounds or markings for a cave.

There are a total of 46 large stones, unlike any others of that area, marking a radius of approximately 3,500 square feet. Some of these stones will weigh thousands of pounds, and Mr. Carlisle, who has made a vast study of old markings, is under the opinion that they were placed in their respective places by human beings many centuries ago.

His strongest belief is that these stones mark the underground area of a cave. However, no evidence has been found to prove his belief.

Mr. Carlisle, who lives in the Duck Creek community, plans to take his map to cities in South Texas soon, where it will be studied by authorities on old markings.

### Road Work Being Done At Jayton

According to the Jayton Chronicle work of filling in the low places in the city streets of that place is being done with the intention of "taking Jayton out of the frog business and placing it high and dry for the benefit of the home town folks as well as the traveling public."

"The work has been needed for several years, but has had to be delayed on account of limited finances. This year with a little cash and by employing all the available street labor due the town it hopes to make the street used more passable in all kinds of weather," the Kent County paper reports.

### JUDGE FISCHER SAYS: "LESSEN REAL ESTATE TAX"

F. W. Fischer of Tyler, who is running for governor of Texas on the platform of paying old age pensions in full, is spreading his philosophy of taxing natural resources from one end of the state to the other.

"A new source of revenue means a new deal for Texas," he says. He thinks prosperity can be returned through taking tax off of land and putting it on oil, gas, sulphur, etc. This new source of revenue would provide means of helping schools, highways, the agricultural interests and the Texas consumers of gasoline who are now having to pay a tax of 4 cents a gallon.

Fischer, an oil attorney who gained fame as a constitutional lawyer in the legal squabbles over the East Texas oil field, dealt the first death blow to NIRA when the United States Supreme Court upheld his contention against Section 9 (c) of the oil provision of the NIRA.

Fischer was born in West Virginia, spent his boyhood riding bronchos in southwestern Oklahoma, and later studied law on the farm. He is a Mason, a Methodist and a member of the American Legion.

### VISITED OLD HAUNTS

Rev. William Lee Edwards, pastor of the First Christian Church, returned from eastern points the last of the week. While away he performed a wedding ceremony for a friend, attended the Central Centennial and enjoyed a good time visiting with old friends. On Sunday before his return he preached at the First Christian Church at Gainesville where he served as pastor for some years. Peculiar to say the day he preached there it had just been two years since he preached his last sermon in that church. He stated he enjoyed the visits and associations with the people, but that Spur was far more fascinating to him.

### Chevrolet Sales Exceed Boom Year Records

Records that have stood ever since 1929, when the automotive industry enjoyed the greatest year in its history, are being surpassed in 1936, according to an analysis of Chevrolet sales records announced by M. E. Coyle, president and general manager.

Although the total sales for the industry as a whole are running behind the peak year record, Mr. Coyle pointed out that in three successive months, March, April and May, Chevrolet's sales have exceeded the 1929 records for those months, and set a new high record for any three months' period in the history of the company.

On the basis of present prospects, Mr. Coyle said, Chevrolet dealers should have 610,000 retail sales to their credit at the end of the five months' peak selling season from March 1 through July 31, as compared with 540,000 units sold in the corresponding period in the company's best previous year, 1929.

## GET GULFLUBE—It's "Stripped for action"!

Poorly refined motor oils, like a swimmer with all his clothes on, can't do an efficient job. They carry too much excess baggage—waste that should be "stripped off" by refining.

Most 25c oils, like a swimmer stripped of part of his clothes, are rid of some waste—but not enough for best performance. No refiner of 25c oils could afford to go further, before Gulf's Multi-sol process was perfected.

GULFLUBE MOTOR OIL, like a swimmer stripped for action, is rid of every bit of excess waste. It's the only Multi-sol-made 25c oil—the finest, purest oil a quarter ever bought. Gulflube gives you better lubrication, lower bills and a cleaner motor. Prove it—at the Sign of the Orange Disc.

**COOL AND ATTRACTIVE**

Have you noticed the attractive front at the Palace Theatre—cool, inviting and it makes you want to go right in and "cool off." It is the work of Stanley Gartside and Johnnie Hopkins of the Palace Theatre staff.

Stanley Gartside, manager of the Palace remarked that Mark Twain once said "Everybody talks about the weather but no one does anything about it." But Stan says we have at the Palace. We have a mammoth washed air system. The air is washed and cooled through a spray of water and then distributed over the theatre. It is always cool and comfortable at the Palace, and on these hot afternoons and evenings, it's an ideal place to go to "cool off" and relax and enjoy a good movie.

**The Sensible Road To Health**

NO MATTER WHAT YOUR AILMENT IS, do not think your case is hopeless until you have tried Chiropractic spinal adjustments. What it has done for others it will do for you. Do not through ignorance of this wonderful science, shut the door to ultimate relief and happiness.

**CHILDREN**

CAN TAKE ADJUSTMENTS at any age without pain. An adjustment at the right time will prevent many so-called children's diseases. J. H. Crenshaw, medical doctor of St. Louis, say 75 per cent of the school children are afflicted with some form of spinal curvature or spinal defect, and this is the cause of many grave and dangerous diseases later in life.

WE WILL BE PLEASED to explain to anyone how Chiropractic principles may be applied to their particular ailments.

1. The chief contention of Chiropractic is that disease is caused by pressure upon nervous tissue, and when this pressure is relieved, function is re-established.

2. If the nerves are right, the man is right. If the nerves are wrong so is the man.

3. Nature working through a normally adjusted body has power to heal disease no matter of what nature. A body set right mechanically will speedily bring itself back to the standard nature has set for it.

4. Chiropractic is the only science that exactly locates the cause of disease and then adjusts it by hand.

5. It is not the purpose of this ad to discuss any special disease, but to give you the basic principles of Chiropractic in a general way. If you wish to know if Chiropractic is applicable to your case call on or write your Chiropractor, stating your trouble or symptoms, how long standing, etc., and he will be glad to inform you whether or not he thinks it worth while for you to take adjustments.

6. Chiropractors are not fighting the medical man, the osteopath or the surgeon.
