

SPUR CHAMBER OF COMMERCE OUTLINE PROGRAM

Big Program Planned For Opening Of Swimming Pool June 1

Trades Day Campaign to be Launched in Conjunction With Swenson Pool Opening

Spur School Band Gives Two Concerts

The Spur School Band has been giving some very fine programs the past few days. Saturday afternoon the band gave a concert on the street which was enjoyed very much by the great number of people present. There was an unusually large number of people present in town Saturday and the band enjoyed a good hearing.

Thursday morning the band played for the High School assembly at eleven o'clock. The high school pupils enjoyed the program very much and quite a number of visitors were present.

Tuesday afternoon the band conducted a parade on Burlington Avenue in the business section and then played several selections. A number of people heard this program and complimented the work of the band very highly for their progress.

Mr. Brown the director, has done next to miracles with the school band this year, and he deserves much credit for his encouraging efforts with the members.

Jerline Ferris Passes Away

Jerline Ferris, nine-year-old daughter of Mr. and Mrs. C. D. Ferris of Dry Lake community, passed away about 11:20 o'clock Friday night. She had been ill some time, and spent two weeks in the Lubbock Sanitarium where doctors stated she had an abscess of the brain and could not recover. Upon learning this, Mr. Ferris decided to bring her back to Spur. The ambulance of Kinney Funeral Home brought her home Wednesday night and she survived until Friday evening when she passed away at the home of her grandparents, Mr. and Mrs. McAnnally, on East Second Street.

Funeral services were conducted Saturday afternoon at Spur cemetery. Rev. J. V. Bilberry, a long-time friend to the family, read the funeral rites. Interment followed in Spur cemetery with Bill Kinney in charge of arrangements.

Jerline was born August 5, 1927, and would have been ten years of age her next birthday. She leaves her parents, grandparents and a host of friends to mourn her departure.

Dr. John Clark Addresses Pupils Of Junior High

Dr. John Clark, of the geological department of the Texas Technological College, addressed the pupils of the Junior High School Monday at the chapel assembly. Dr. Clark is in Spur community at this time collecting the skeleton of the Mammoth elephant southwest of town. He made a very interesting talk to the Junior High pupils.

Examinations for pupils in the Junior High school will start next Monday and will close Wednesday. It is thought that a great many will not be required to take the final examinations as most of the pupils have been making good records in their work.

The commencement exercises for the graduating class of the Junior High School will be held at the East Ward school auditorium Thursday night of next week. Mrs. Montie McGinty will deliver the address to the class that evening. Mr. Foote, the principal, will deliver promotion certificates to about 60 pupils who will enter high school next year.

The attendance is good and interest is holding up fine.

May Select Beauty Queen From Among Several Contestants

Announcement has been made that the City's swimming pool in the Swenson Park just north of town will have its opening day Monday, June 1. Richard Godeke has been selected as manager of the pool and it will be run on the same careful management as it was run last year. Life guards have not been selected yet, but these will be ready by the time the pool opens.

It is hoped that each community will select a beauty queen and have her present for the opening day. There will be prizes for different occasions for the day and possibly an all-beauty-queen will be selected from the different community queens. The merchants have agreed to make that a special bargain day for the people and it is hoped that several thousand people will be present.

Trades Day Tuesday. In conjunction with the opening of the swimming pool, the merchants of the city have agreed to hold an extra day of bargains on Tuesday, June 2. The Palace Theatre, with the Chamber of Commerce cooperating, will give away an automobile during the day, the time to be stated later. The plans for giving away this car have not been worked out yet, but announcements will be made by next week.

The main thing the Times is authorized to say is, that Monday and Tuesday, June 1 and 2, are to be two great bargain days in Spur, with a lot of amusement and good time at the swimming pool. The merchants of Spur and the City of Spur as a whole are trying to make the two days very interesting for the people, and everybody is extended a welcome to be here those two days and take advantage of everything offered.

Senior Class Is Taking Final Exams

The members of the Senior Class of the Spur High School will complete their final examinations this week. Examinations started Wednesday morning and will continue through tomorrow. There are 44 members of the class, most of whom will be required to take examinations in one or more subjects. Teachers are giving the Seniors the advantage of getting their examinations off this week in order that the class may have more time to make preparations for their commencement exercises. Again, it has been the custom of Senior Class for many years to take a trip to some historical place at the close of the days. It is thought that those who will leave on this trip will start about Sunday afternoon and return some time Wednesday and be ready for the graduating exercises the last of the week.

Commencement for East Ward School Held on Tuesday

The commencement exercises for the East Ward school will be held in the auditorium next Tuesday night starting about eight o'clock. The main part of the program will consist of an operetta directed by Mrs. G. B. Wadzeck, teacher of the Third grade.

The Choral Club will render a selection followed by the presentation of the certificates of Award and certificates of promotion. There will be about 50 pupils promoted to the Grammar School department from the East Ward.

This week the pupils are taking tests and closing out their work. Report cards will be given out probably about Tuesday and both teachers and pupils are very busy getting these reports ready for closing of school.

GRADUATING FROM THE CRANE HIGH SCHOOL

Miss Lila Eldyss Karr is a member of the graduating class of the Crane High School. Graduation exercises will be held Thursday night, May 27. Miss Karr is a former Spur girl and is the daughter of Mr. and Mrs. Ralph Karr, who lived in the Soldier Mound and Espuela communities. They have been at Crane for the past six or seven years.

Several Seniors Earn Exemptions In Examinations

There are a number of members of the Senior Class who have been exempt from final examinations in Spur High School by virtue of their good records of work during the entire season. Eight of these pupils have been exempted from all examinations, while 21 have been exempted from one or more subjects. The list of exemptions is published below:

Exempt in four subjects or more: Isabelle Campbell, Helen Hale, Ora Pearl Johnston, Joyce Koon, Carl Patton, Ione Pickens, Gladys Robertson, Cleo Smith.

Exempt in three subjects: Margaret Conaway, W. K. Harvey, Mary Louise Lisenby, Evelyn Pickens, Noema Smith, Cleo Thomason.

Exempt in two subjects: Hubert Faulkner, Nadine Foreman, Billie Burke Hisey, Rebecca Underwood.

Exempt in one subject: Nell Arthur, Preston Ballard, Norbon Burks, Marjorie Burrow, Junior Ince, Velma Leighton, Alton Lee, Mary Marsh, Horace Perkins, Mae Dell Smith, Dot Taylor.

Junior-Senior Banquet Is Gala Affair; Scores Present for School Entertainment

The 65 Seniors of Spur High School, the faculty and members of the Board of Education and their wives were guests of the 75 members of the Junior Class at a very well arranged banquet and program at the Spur Inn Friday evening. It being May 7, the program was of the Maypole plan, and practically every address given during the evening was on the Maypole plan of life.

A very distinctive Maypole was erected in the center of the large dining hall of the Spur Inn with twelve streamers of colors of both the classes, eleven of the streamers representing the eleven years the Seniors had spent in public school and then one to represent the first year out of school as a commencement year in life for some avocation or starting into a college career.

The program was very interesting. Norton Barrett and Junior Ince made very nice talks about the Maypole and what it should mean in life. Miss Louise Lisenby in a well outlined talk set out those standards which hold the pole erect, being the school traditions and principles.

A very fine number was given by a number of pupils and was entitled "I Smell Smoke." It was a story in song rendered by Misses Miriam Reed, Marjorie Boothe, Naomi Franklin, and Messrs. Bo Harrell,

HOST TO GRADUATES OF HIGH SCHOOLS

Sheriff J. L. Koonsman is to be the host to the High School Senior classes of the McAdoo and Patton Springs schools at the Palace Theatre for the picture, "The Last of Mrs. Cheyney," which will be shown at the preview Saturday night, Sunday afternoon matinee and Monday night. Mr. Koonsman has always remembered the high school graduates every year for some time, and deems it an honor to have them as his guests at the theatre parties. He extended this privilege to Spur and Dickens graduates at the picture, "Green Light," last Sunday and Monday.

Home Making Class Makes Display of Projects for Year

The Home Making Department of Spur High School held an exhibition and visitors day Tuesday in their sewing room. The work was divided into three divisions: first year, second year and third year work. Mrs. O. C. Thomas, who is director of the work, explained the various projects to those who visited the department. There were many astonishing facts relative to the work.

In the first year work one girl had knitted a sweater which cost only \$1.91. It was of genuine wool and of excellent workmanship. Another member of the class had prepared enough

McAdoo School Girl Wins Honors at State League Meet

Miss Velma Smith, a junior in the McAdoo High School, won recent recognition by her placing third in the Ready Writers' contest of the Texas Interscholastic League sponsored by the University of Texas.

Miss Smith has the distinction of being the only contestant to represent Dickens County in the State meet, and it was her further good fortune to win for Region One one of its seven places—students from Pampa High School winning first in one-act play contest, Amarillo winning third in art, Wellington second in shorthand, Lamesa second in boys' declamation, a rural school near Quitaque placing first in the rural division of the ready writers' contest, and Friona placing second in the mile run.

Miss Smith is the daughter of Supt. and Mrs. O. L. Smith, and she was accompanied to Austin by her father. Alvica W. Yeats is the teacher of English in the McAdoo school.

Rev. Dunn Will Deliver Sermon at Commencement

The Commencement Sermon for the graduating class of the Spur High School will be preached at the auditorium of the Palace Theatre next Sunday morning at 11 o'clock. A. G. Dunn, local minister of the Church of Christ, will deliver the message to the Class. The professional will be "Praise Ye the Father," by Goinod, with Miss Virginia Ramey at the piano.

Announcements will be made by Supt. O. C. Thomas. A quartette, "Follow the Glean," will be rendered by Mrs. W. T. Andrews, Mrs. G. B. Wadzeck, M. D. Ivey and L. W. Langston. The congregation will sing "Holy, Holy, Holy," and the recessional will be "The Lord is Great," with Miss Ramey at the piano.

Program outlines will be furnished at the doors by the ushers.

Graduating exercises will be held Friday night of next week at the Charles A. Jones Memorial Stadium.

Mr. and Mrs. Paul E. Snider of Roosevelt, Okla., spent Saturday and Sunday in our city visiting their children, Mr. and Mrs. Dick Speer, and more especially the grand daughter, Miss Marion Paula Speer.

Committee Members Are Selected at Friday Meeting

The Spur Chamber of Commerce held their regular meeting at the office Friday evening and discussed plans of operation for the year. M. C. Golding, who was elected president some weeks ago, thanked the membership for their cooperation in the work and for their interest in helping to work out the plan for the present set-up. O. C. Athur went into detail and explained the present working plan of the organization, and it was adopted.

The following persons were elected the Board of Directors: Clifford B. Jones, George S. Link, Roy Stovall, C. V. Allen, John A. Moore, Dr. Bob Alexander, Henry Alexander, W. T. Andrews, and W. F. Gilbert. Each member of the Board of Directors was asked to assume some definite responsibility as a committee chairman and to select the other two committee members. The line-up of committees is as follows:

Leadership—Clifford B. Jones, O. C. Thomas and F. W. Jennings.
Civic—George S. Link, Sr., Charles Whitener, and L. R. Burrow.
Industries—Roy Stovall, O. C. Arthur and Neal Chastain.
Publicity—John A. Moore, Joe Long and H. P. Gibson.
Entertainment—Dr. Bob Alexander, Dr. M. H. Brannen, and Jephtha Craig.

Merchants Activities—Henry Alexander, Dick Speer and Charlie Hardwick.
Agriculture—W. T. Andrews, R. E. Dickson and G. J. Lane.
Transportation—W. F. Gilbert, Pat Levins and Bill Putman.

The President then made a talk on the financial condition of the organization, stating that it is in practically clear of debt and is in good condition to start into real work.

O. C. Arthur was elected to represent the organization at the West Texas Chamber of Commerce convention at Brownwood which went into session Monday. The body agreed to pay his expenses. Miss Mozelle Arthur will represent Spur at the West Texas Chamber of Commerce convention in the "My Home Town" contest. Her expenses were paid by Clifford B. Jones. Mr. Jones has been very anxious that Spur be represented in that contest and some weeks ago offered to pay the expenses of any capable representative the town might desire to send.

Mr. Jones is a member of the Board of Directors for the West Texas Chamber of Commerce and is away this week fulfilling his duties as such. He also represents the Spur organization in that body.

The Spur Chamber of Commerce has a very fine set-up and it has a possibility of doing great work for the community and for the county as a whole. The spirit of cooperation is what wins and the ideas of a great number of people incorporated into a great movement usually brings results. It is the hope of the officers and directors that every member will be present at every meeting in order to keep in tune with progress and be ready to offer suggestions for the upbuilding of the whole country.

Father of Local Woman Dies at Home at Midland

John Robert Simpson, the father of Mrs. W. W. Pickens of Spur, died at his home 25 miles south of Midland, Mr. Simpson, 77 years of age, for twenty years had lived on his ranch. He died at seven o'clock Monday morning. Funeral services were held at 3:30 p. m. at the Ellis Funeral Home, Rev. Winston F. Borum, pastor of the First Baptist Church, officiating.

Full bearers for the funeral were: Warren Skaggs, Tyson Midkiff, Gus

"Two Gun Law" Is Smashing Saga of Thug-Ridden West

Columbia's "Two Gun Law," starring Charles Starrett and showing at the Palace Theatre Saturday, is a smashing saga of the bandit-ridden West. Guns shriek the outlaw's doom as two-fisted Starrett blazes a new trail of heroism in Peter B. Kyne's roaring new adventure drama!

Pounding hoofs... crack of guns... posses in a rustlers' ambush... whirl through a searing new saga of Wild Western banditry!

Here's the story of a bandit's son who tried to go straight! They put a price on his head—but he paid it—in bullets! This is the ace of adventure writer's most dynamic story—stirring up an avalanche of action and thrilling romance!

Seen opposite Starrett in the leading feminine role is pretty Peggy Stratford, who was formerly seen with Starrett in "Trapped." Others in the cast are Hank Bell, Edward Le Saint and Charles Middleton. Leon Barsha directed.

Powell Stepped Out of Character For His New Role

William Powell, co-starred with Joan Crawford and Robert Montgomery in "The Last of Mrs. Cheyney," showing at the Palace Theatre Saturday night, Sunday and Monday, walked onto Stage Eleven, sideburned and dressed in proper butler fashion. He bowed to Miss Crawford with a polite "Good morning, Madam," and to Robert Montgomery with a correct "Good morning, Sir."

Montgomery sized up Butler Powell from tip to toe, then replied, "If I had known you were to play Little Lord Fauntleroy I would have worn my best bib for my scenes."

District conference of the Methodist churches in the Plainview district was held at Plainview last Tuesday, May 4. Those who attended the conference from McAadoo were: Rev. Frank Beauchamp, Mrs. C. Gollihar, Mr. and Mrs. T. L. Dozier, Mrs. J. O. Morris and Mr. and Mrs. J. T. Parker.

Bobbie Williams has had the mumps the past week.

The annual Senior-Junior banquet was held in the Girard gymnasium last Thursday night.

The Girard Senior Class will put on the annual class play on the night of May 14 in the school auditorium. The title of the play is "Ghosts at Midnight." Admission will be ten and twenty cents.

Mrs. H. F. Wallace is at the bedside of her father in Pittsburgh, Pa., who has been in critical condition for some time.

A large number of people from Girard have been attending the trial of Clarence Abston the past week.

Mr. and Mrs. Buster Bural gave a party in their home Wednesday night. Everyone reported a nice time.

Mrs. R. P. Taylor and son of Muleshoe are visiting her parents, Mr. and Mrs. Joe Jenkins, this week.

Mr. and Mrs. Mildred Cox visited the last of this week with her parents, Mr. and Mrs. Styles Hurst.

Mr. and Mrs. Glenn Skinner and Merle Beavers visited relatives here this week-end.

Mr. and Mrs. Kelly Beaver visited relatives here Sunday.

There were 81 present at the Church of Christ Sunday morning. There were a number of visitors.

Quite a number were at the Baptist Church Sunday morning. All enjoyed the Mother's Day program. It consisted of a talk by Miss Rosenberg, song by Sunbeam Band, poems by J. T. Ayer and Pearle Willis talk by Mrs. Tom Cooper and song by Christine and Mary Pearson. Every other Sunday is preaching day. May 16 there will be preaching Sunday morning and Sunday night. Everyone come.

Everyone is sorry to see Mr. and Mrs. G. C. Olliff move to Sterling City.

SOCIAL HELD FOR W. M. S. OF METHODIST CHURCH.

The W. M. S. of the Methodist Church met Monday afternoon in the home of Mrs. Jack Rector for the regular monthly social meeting.

After the study lesson, interesting games and contests were played. Dainty refreshments were served to twenty-three ladies.

Beautiful Shop Girl Crashes London Society Group—Then Exposed as Thief!

This fictitious headline sums up the engrossing plot of the new star-studded M-G-M hit, "The Last of Mrs. Cheyney," at the Palace Theatre Preview Saturday night, Sunday and Monday, with Joan Crawford, William Powell and Robert Montgomery topping a brilliant screen cast. As the fascinating "Mrs. Cheyney," Joan Crawford has the sort of role which has made her famous as one of Hollywood's most stunning and alluring feminine stars.

What is the "Low-price Field"?

YOU hear a lot about "the low-price field" these days. A good many cars claim to be in it. **So whenever the low-price field is mentioned, remember:**

Until Ford came, no average American could own a car.

Today all Ford prices are still low — with the prices of the 60-horsepower Ford V-8 \$30 to \$60 lower than those of any other car of comparable size.

But with Ford, "low price" doesn't merely mean low figures on the price tag. It means much more than that. It means low prices and low costs all the car's long life. Low prices for service — for parts — and, above all, for operation.

Both Ford V-8 engine sizes are economical to operate. The 35 horsepower gives greater gasoline mileage this year than ever, and the "60" delivers the highest mileage in Ford history.

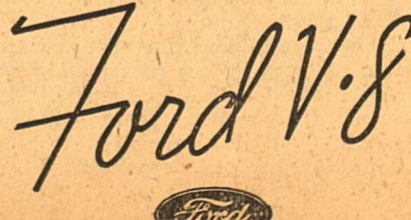

Private owners, cab companies, fleet operators all report that the "60" averages from 22 to 27 miles per gallon of gasoline.

Check and see how much Ford saves you.

McADOO

May, the fifth month of the year, is well on its way. This month is one of the most pleasant of the year. The cold of winter has gone, and the unpleasant heat of summer has not begun; and vegetation is at its richest and loveliest. From the very earliest times May has been a time for out of door festivities. And what

is more lovely than a Maypole erected on the village green with dancing around the Maypole and the crowning of the prettiest girl as queen, which is the custom connected with May Day, as the first day of May is called? The second Sunday in May is also observed each year in honor of Motherhood. There is considerable difference of opinion as to the origin of the name of the month, as some scholars claim it was named for Maia, Roman goddess of spring and increase, while

others declare it is but a shortened m of Majores, and the month was so called because it was sacred to the older men. "April showers bring May flowers," certainly seems to be true this year. Never before have we seen so many flowers as there are on the hills and in the valleys along the highway. Marshall Formby, judge of Dickens county, spent the week end at home with his parents, Mr. and Mrs. Marshall Formby. Supt. O. L. Smith and Velma went to Austin last week to attend the state interscholastic league meet. Velma went as a contestant in ready writing and won third place in the state. The faculty and pupils of the McAdoo school have arranged for the graduation dates for the class of 1937. The commencement sermon will be Sunday morning, May 23, in the high school auditorium. The graduation exercises will be held in the auditorium Friday evening, May 28, beginning at 8:15 o'clock. The class of 1937 is the largest in the history of the school. The eighteen students who are candidates for graduation are: M. A. Adams, Garrett Barnett, Clyde Crausbay, Sybil Brantley, Lee Griffin, Eloie Harris, Edrie Henderson, Verna Mae Hickman, Robert McDonald, Koy Neeley, Ida Mae Owens, Coy Powers, Lewis Pullens, Edward Robertson, Ross Fewell, Juanita Rose, Katherine Ward and Dollie Womack. Mr. and Mrs. Norman Eldridge have returned home from Mart, after spending several weeks there. Parents of Mrs. Eldridge reside there. Mr. and Mrs. Elmo Heyrouth of Iredell, Texas, were here the first of last week to see their friends, Mr. and Mrs. Thomas Milam. Mr. Chester Ray of Dougherty was a business visitor in the community last week. Rev. O'Neal, a minister of the Baptist Church of near Lubbock, preached at McAdoo last Tuesday night. Mrs. A. M. Lay entertained her Sunday school class with a picnic at the new State Park near Silver Falls Friday afternoon. The class invited a number of guests. A grand time and "eats galore" were reported by all of those who went on the picnic. Mr. H. U. Butts and Miss Bertie Lee Butts, teacher in the McAdoo school, went to Quanah this week-end to see their parents. The primary students presented a program Friday afternoon in honor of Mother's Day. Mrs. Cecil Johnson and baby, Glenda Joyce, of Crosbyton, spent a few days recently visiting with Mr. and Mrs. V. C. Finney, parents of Mrs. Johnson.

The Crosbyton District of Future Farmers of America had their annual leadership contest at Crosbyton on Tuesday, May 4, and according to reports, 175 boys participated in the contests. The contests entered were: public speaking, debate, extemporaneous speaking, new writing, one-act play, and chapter conducting.

McAdoo took first place in the public speaking contests, and second in extemporaneous speech. Winners of the leadership contests went to Lubbock Saturday to participate in the area contest that was conducted at Texas Technological college. McAdoo won fourth place in the public speaking at this meeting.

Little Leila Katherine, baby of Rev. and Mrs. Frank Beauchamp, has been quite ill. The baby has been under the care of Dr. Traewick at Lubbock.

Mr. J. C. Blakley of Mineral Wells came by Friday night to see Goldie Tooke. He was en route to his home.

Mr. Jack McLaughlin, son of Mr. and Mrs. Rush McLaughlin, of McAdoo, and Miss Zelma (Pete) Aston, daughter of Mr. and Mrs. J. M. Aston of Spur, were married recently. The couple is at now at Odessa, where Mr. McLaughlin is in the photography business.

Our Opinion Is
That in the present political mix-up it is difficult for most of us to tell if our bread is buttered on the right side.

AS MAINE GOES—

Maine is certainly pointing the way for traffic accident control, in at least one respect. That is, curtailing the activities of the drunken driver.

A survey recently completed by the Maine Highway Safety Campaign revealed that one-fifth of motor vehicle fatalities in Maine in 1936 had liquor associated with them. Even in 1936 Maine had effectively reduced traffic fatalities as compared with the preceding year.

Public officials, as well as the citizens of Maine, realize that the drunken driver is a criminal to be handled the same way as any other criminal. Both menace society. There is absolutely no excuse for driving while under the influence of liquor.

Maine is to be congratulated, as are all other states that take a determined stand to "wipe out" the drunken driver.

NEUTRALITY ACT A COMPROMISE

The other day an army plane winged southward from Washington, bearing a document that finally reached the President at sea, was quickly signed by him. This was the new neutrality act, hurried through House and Senate by congressmen with an anxious eye on the turbid European war situation.

The act is a compromise between the advocates of mandatory neutrality and discretionary neutrality—that is, a law which forces the President to forbid trade with belligerent nations, and one which permits him to use his judgment in the light of circumstances.

The new act is not perfect—but it is regarded as being about as good as could be had, and great hopes for keeping America out of war are bound up in it. It places an embargo on arms shipments to fighting nations, and, in the event of war, it gives the President discretionary power to list goods that cannot be exported by belligerents; to deny belligerents use of our ports, and other phases of neutrality.

"War in Europe this summer, perhaps; this fall, sure," is being talked by some. But there has been much talk of that kind for several years, and no general war has broken out yet. It looks as if the Powers are uncertain of their relative strengths, and are doing a considerable amount of blustery bluffing.

THE PRESS COUNSELS AMERICA

The May issue of the Industrial News Review contains a number of brief excerpts from editorials commenting on the Supreme Court packing proposal, taken largely from newspapers, largely country weeklies, throughout the United States.

In making up this compendium of editorial opinion on an issue that has justly been described as the most vital faced by the American people since the Civil War, the staff of the Industrial News Review examined thousands of newspapers. It was found that the press was overwhelmingly opposed to the plan, on grounds of principle, not partisanship.

Most heartening of all, the quality of comment shows that the editors of smaller papers with circulations from a few hundred to several thousand, have studied and deliberated the issue as deeply and patriotically as the editors of great dailies.

The editors of America are steeped in the American tradition. And they see the Supreme Court proposal as a measure that can easily lead to dictatorship. They realize that if one President can pack a court for liberal ends, another can pack it again for reactionary ends. They know that this tool of power could be used to abrogate freedom of speech, freedom of assembly and all other civil liberties—by placing in the highest judicial positions controlled judges who could evade the spirit of the Constitution by interpretations that would be completely alien to the ideals and intentions of its great authors.

The press of America is counselling the people to consider basic principles underlying the unequalled personal liberties given to American citizens 150 years ago, and not to be misled by programs which do not let the people vote on measures that might destroy those liberties and substitute dictatorship for free government.

THE TAX EXEMPT PARASITES

"There is growing up a new class which, by the ownership of government securities, has more privileges and less responsibility than any royalty the world has ever known. They live on the taxes of the people, while they themselves enjoy many tax exemptions," says Arthur Huntington in Public Utilities Fortnightly.

It is probable that not one person out of ten realizes that government borrowings are exempt from taxation. In other words, the man who buys \$1,000 worth or \$10,000 worth of government bonds, is in the privileged class that is not taxed on the income he derives from those bonds. Also, the businesses which the government develops with the money derived from the privileged, tax exempt bonds, are wholly or largely tax free.

In the state of Oregon, for instance, if private electric companies had gross incomes of \$20,000,000 a year, the total taxes they would pay today in support of schools, roads, police protection, army, navy, etc., would be nearly 20 per cent of that sum, or \$4,000,000 annually. If the government's hydro-electric projects now being developed on the Columbia River should earn \$20,000,000 from the sale of electricity, this income would be practically tax exempt under existing policies.

The privileged holder of tax-exempt bonds dodges his tax obligations, which the masses have to pay. The government's subsidized tax-exempt industries dodge the taxes which all other business has to pay.

700 Farmers Have Signed Work Sheets In Federal Program

Approximately 700 work sheets have been signed to date and with the extension of time to the closing date set by the state, the 15th of May, indications are that the number of work sheet signers for 1937 will exceed that of 1936 by possibly ten per cent. Everyone farming in 1937 should sign a work sheet. Anyone having farm lands or interest in farm lands should get in touch with their operators and insist on their signing work sheets.

Those who signed applications for ploughing under wheat should attend to this matter before the wheat has reached the dough stage, and the land on which the wheat was plowed under should be protected by contour listing or cover crops. Assistance will be given those desiring that contour lines be run on this wheat land.

From the inquiries and the comment made by farmers, regarding the 1937 program, common practices for compliance will consist of diversion by planting two rows of feed 40 inches in width and leaving two rows blank, or in planting of sudan on these blank rows and leaving the sudan as protection for the more sandy soils; while some of the farmers have indicated that they would set aside their diverted acres in a block and plant sudan or grain sorghum and leave it on the land or graze the sudan, which of course is permitted but does not earn full payment where sudan is grazed. In the event that grain, maize and hegar, sorghum is used, it must be planted broadcast, that is, as you would sow millet or wheat.

Miss Viola Albin, of San Diego, California, arrived here Tuesday and will spend several days visiting her parents, Mr. and Mrs. J. J. Albin.

Mrs. A. J. White, of San Antonio, arrived in our city the first of the week to visit her parents, Mr. and Mrs. J. J. Albin. She probably will remain here the remainder of this month.

Cecil Scott, of Steel Hill, was transacting business in our city Wednesday.

HOME MAKING CLASS—

(Continued from Page 1)

quilt blocks for a quilt, using the scrap material about the home which would have been wasted. Also, she made a nice dress at a cost of only 76 cents. For a project a girl made a hook rug of old material and also prepared a book case of an orange crate, nicely painted, which could be placed by the side of her bed for study or reading.

It would be impossible to describe all the work even of the first year class. However, there were luncheon sets hand embroidered, knitted sweaters, nice dresses and blouses, smocks, quilt tops of star shaped designs and others, nice garments made from old garments, quilt squares made of scraps, hand embroidered dresser scarfs, window curtains, tufted bedspreads, and many other articles needed in the home have been made by the first year class.

One girl made a complete luncheon set at a cost of only 40 cents, and it is beautiful. A girl prepared a quilt top with each square representing a state flower and every state in the union is represented in that quilt. Another girl prepared enough quilt squares with bird designs to make a quilt. A member of the class made a pair of pillow cases with her monogram at a cost of only 40 cents. There was a house coat of green and brown nicely trimmed which was made at a cost of \$1.10. The above articles were made by th first and second year students.

In the third year work various projects were used. One girl had a faded blue suit which she altered, dyed it white and used for a time and then converted into a beautiful grey suit. She had a coat which she could no longer use, and she converted it into a nice dress. Also, a white dress that was too small was worked over with the addition of a small amount of material and then dyed it a beautiful green. Looks like new material.

In the collection of work were monograms on pillow cases, napkins, and other articles, the monograms being designed by the pupil. One girl made a complete suit of wool sack material, at a cost of 80 cents. The material was dyed a rust color and is beautiful.

One girl used sugar sacks and from these made some beautiful articles, such as luncheon sets, pillow cases and others. Another girl picked up an old discarded chair and built new upholstery on it, and then added a rug to go around it. One member took an ordinary cane bottom chair and with a box and board made a nice reclining chair of it, making a cover for it out of old discarded material by plaiting it together and then uniting the strands.

It would require too much space to tell about all the work, and many interesting things have been omitted in this article. However, what has been mentioned shows the practical work that is being done in the Home Making Department of our schools. Mrs. Thomas has the cooperation of the pupils in every respect, and these fine young ladies are going from their school prepared to do some useful things in their respective homes.

Allen Auto Supply To New Home; Buys Nugent Building

The Allen Auto Supply Company is to enjoy a new home in the near future. C. V. Allen, the manager, has purchased the Nugent building just north of the Masonic building and is having it worked over and newly arranged. He has purchased some new fixtures which are expected to arrive within a few days and will be installed in the new home.

Amon McMillan, of Stamford, will be associated with the firm as a salesman. Mr. McMillan has had quite a lot of experience in this work and will be quite an asset to the business. Mr. Allen will devote his time to management of the business and to meeting customers who need special attention.

Mr. Allen stated this week that they hope to be in the new building by June 1. In addition they expect to extend their supply of stock in automobile parts, and as in the past, will be able to take care of the trade in the Spur country.

Spur Schools Are Given Good Rating By State Supervisor

Superintendent O. C. Thomas received a very fine report from the State Director of School Supervision in regard to Spur schools. J. W. O'Banion, who for many years was superintendent of different school systems in Texas, is in charge of this work. Mr. O'Banion has been Director of School Supervision the past two years, going to that department from the Gladeview schools. His report on Spur schools is as follows:

"The work of classifying and accrediting the public schools of Texas is under the direction of the State committee composed of 18 members representing the high schools and colleges of the state. This committee by establishing educational standards determines the conditions upon which high schools are classified and accredited and is interested in encouraging schools to attain these standards and in certifying those that have attained them so as to facilitate the transfer of students to any school or college.

"The regulations as prescribed by this committee are administered by "3. The course of study is extensive. The school has made some very important changes this year in the curriculum.

"4. The teachers are properly assigned and are well qualified. The teaching in this school is of high quality. The school atmosphere and school spirit are excellent.

"5. The school authorities are to be congratulated for building a good school system. The supervisor enjoyed

Preaching, 7:45 p. m. Subject, "The Promise Fulfilled."

Prayer meeting at 7:45 p. m. each Thursday evening. The first 30 minutes of this meeting will be spent in the study of vocal music. The round notes will be used. There will be no charge for this instruction. The knowledge gained will give you a start in music on the instrument of your choice, as well as enabling you to sing by note and to do part singing. If you used to be able to sing by note and are out of practice, come, if you have never been able to sing but always wished that you could, come. If you lack in volume, come and get the vocal exercises that you need to develop it. If you are bothered by others when you try to take part in part singing, come and overcome that trouble. Anyone who can give two pitches when calling a person with a two-syllable word, can learn to sing. Test yourself. Call "John-nie," beginning on a low tone and finishing on a higher tone. If you can do this you can learn to sing. If you are unable to give the two highest, or head tones, and the four lowest or chest tones, of the part you wish to sing, don't be discouraged, but come and develop those high and low tones.

This voice training is not just for Nazarenes: everyone is welcome, who wants to improve his God-given talent.

Delicate Summer Pies Always Enchant the Family Palate!

SUMMER pies should be as light as this—made from the pastry which melts in the mouth, to the light, refreshing filling. In short, the ideal summer pie should so enchant the palate that diners will consume it with zest even on a broiling hot day.

These pies will bring the season's first berries economically to your table.

Strawberry Sponge Pie
1/2 cup sugar
1/2 cups strawberries, crushed
1 package strawberry-flavored gelatin
1 cup hot water
3 egg yolks, slightly beaten
1/4 teaspoon salt
3 egg whites, stiffly beaten
1 baked 9-inch pie shell

Sprinkle 4 tablespoons sugar over berries; let stand 10 minutes. Dissolve strawberry-flavored gelatin in hot water. Drain 1/4 cup juice from berries, add to egg yolks, and cook in double boiler until thickened, stirring constantly. Remove from fire. Stir gelatin into egg mixture. Chill until slightly thickened. Beat salt and remaining 4 tablespoons sugar into egg whites. Fold lightly into gelatin mixture. Pour into cold pie shell. Chill until firm. Garnish with whole strawberries.

Coconut Cream Raspberry Pie
4 tablespoons sugar
6 tablespoons cake flour
1/4 teaspoon salt
2 cups milk
3 egg yolks, slightly beaten
1 cup shredded coconut
2 teaspoons vanilla
1 pint raspberries
1 baked 9-inch pie shell
2 egg whites, unbeaten
1/2 cup sugar
Dash of salt
2 tablespoons water
1/4 teaspoon vanilla

Combine sugar, flour, and salt in top of double boiler. Add milk and egg yolks, mixing thoroughly. Place over rapidly boiling water; cook 10 minutes, stirring constantly. Remove from boiling water; add 1/2 cup coconut and vanilla. Cool. Place 1 cup berries in pie shell. Add filling.

Place egg whites, sugar, salt, and water in top of double boiler; beat with rotary egg beater until thoroughly mixed. Place over rapidly boiling water and beat 1 minute; remove from fire and continue beating 1 minute, until mixture will stand in peaks. Add flavoring. Pile lightly on filling. Arrange remaining berries around meringue. Sprinkle with shredded coconut.

Rev. P. H. Gates, pastor of the First Methodist Church, was in Vernon Tuesday attending services there under the leadership of Evangelist Bob Schuler. He stated that Evangelist Bob is a great preacher and stays with the Bible in his preaching.

Sanitarium News

The state department of education through high school supervisors. In the visit of the supervisors and in their reports to school authorities, recommendations are offered in the spirit of cooperation and helpful suggestion, with the earnest desire that all school authorities will join with the state department of education in their efforts to maintain the necessary standards of secondary education in Texas.

"In order that the schools may be properly certified it is essential that minimum requirements be met. To that end the supervisor who recently visited the Spur schools makes the following report:

- "1. The equipment and some buildings are in good condition.
- "2. The school is well organized and administered.

Mrs. W. A. Chambless, city, underwent a tonsillectomy Saturday. She got along so well that she was able to leave the sanitarium Monday and is still improving.

Mrs. Ed C. Hart, of Plainview, who is a medical patient, is improving nicely and will soon be able to be out.

Odis Kent, of Jayton, who underwent an operation for abscessed appendix two weeks ago, is getting along fine and will be able to be out before long.

D. F. Ritchie, city, who suffered burn received four weeks ago, is doing nicely and says he is going to be able to get well all right. He is improving nicely and will be out within the next two or three weeks.

PARTY GIVEN IN W. C. GRUBEN HOME.

Baskets of running roses and bowls of pansies and wistaria were floral decorations in the W. C. Gruben home when Mrs. Gruben, Mrs. J. M. Foster and Mrs. E. C. McGeen entertained Thursday evening with a delightful 42 party.

Members of the Friday afternoon club and the Blue bonnet club and their husbands comprised the guest list.

Hand painted pansies adorned the tallies and plate favors were pansy corsages.

Misses Sammy McGeen and Grace Foster assisted in serving refreshments to Messrs. and Mesdames J. P. Caron, E. S. Lee, G. L. Barber, E. L. Caraway, W. S. Campbell, H. C. Foote, C. H. McCulley, G. J. Lane, Lawis Lee, Ray Taylor, and Mesdames Kate Morris, Ned Hogan, C. L. Love, Ann McClure, Luther Jones and M. C. Golding.

MISS MARJORIE BURROW PRESENTED IN RECITAL.

Wednesday evening of last week at eight o'clock, Miss Mary Dunn of Lubbock presented Miss Marjorie Burrow in her senior high piano recital at the L. R. Burrow home.

Roses, phlox and poppies graced the rooms of the home where guests were seated for the program which also included numbers by Bill Gruben, violinist, and Mrs. R. E. Dickson, contralto. At the close of the recital, Mr. Plowman of Lubbock sang two songs.

Refreshments of molded ice cream, angel food cake and fresh strawberries were served.

The guest list included Mesdames E. J. Cowan, W. C. Gruben, Mary Kelsey, B. F. Hale, E. L. Caraway, W. F. McGlathery, W. M. Hazel, Minnie Lewis, J. C. McNeill III, P. A. Clemmons, G. L. CARE OF TREES AND SHRUBS DISCUSSED BY CLUB.

"Water trees and shrubs well about every ten days. It is much better to water well, because the roots will grow deeper, whereas a little water every day will cause the roots to come to the top of the ground, also you will save time and energy," said Mrs.

A. J. Allen Wednesday afternoon to the Friendship Club members at the home of Mrs. Roy Ward.

"Cultivate trees and shrubs as soon as the ground has crusted after each watering or rain, and cultivation should be done lightly. In this way you will preserve the moisture," said Mrs. Allen.

The next meeting of the club will be held at Mrs. Garland Smith's on May 19th. We invite all women to come.

Membership present were Mesdames Charles McLaughlin, O. L. Holmes, W. T. Moore, Nola Wooley, S. P. Fox, C. Gollihar, A. J. Allen, Charles Allen, Garland Smith, Bill McLaughlin, Ashburn Fox, Grady Allen, and Miss Hazel Moore Mrs. Homer Smith was a visitor.

WOMAN'S AUXILIARY GIVES BOOK REVIEW.

The Woman's Auxiliary of the Presbyterian Church sponsored a book review in the home of Mrs. P. A. Clemmons Friday afternoon.

Rev. Fred Cairns gave an excellent review of "Gone with the Wind," which was enthusiastically received by the fifty guests present.

During an intermission refreshments of iced tea and cookies were served.

HOMEMAKING II CLASS AT TECH OPEN HOUSE.

As a result of winning in the ticket selling contest for the style revue, the second year homemaking class of Spur High School visited Tech Home Economics open house last Saturday.

The group, accompanied by Mrs. O. C. Arthur and Mrs. O. C. Thomas were escorted through the home management house afterwards they observed unusual exhibits of interest, related to clothing and foods, in the home economics building of the college.

Following the educational trip, the class went to the City Park for a picnic lunch. Those present were Misses Nell Arthur, Margaret Conaway, Billie Burke Hisey, Helen Lollar, Dortha Merriman, Justine Moudy, Mary Louise McCombs, Haree Pickens, Thelma Rape, Nelma Sprayberry, Ruth Turpen, Ruby Nell Young and Mrs. O. C. Arthur and Mrs. O. C. Thomas.

CELEBRATES BIRTHDAY WITH PARTY.

EDUCATION FOR JOB NOW STUDENTS' AIM

Overcrowded conditions in the professions are causing high school graduates to take to the steady employment offered by the skilled crafts. This is confirmed by Frank Cushman, of the Trade and Industrial Education Service of the United States Office of Education, who says there is an actual need to "do something to direct boys away from 'white collar' jobs."

So widespread has the movement toward vocational training become that Congress, last session, passed a resolution recommending an increase of \$5,000,000 for the work. The swing of the American boy to vocational training promises further to lessen the relief load being carried by the Works Progress Administration.

Shorter hours have increased the appeal that skilled crafts hold for the robust, he-man student type. Particularly is this said to be true of the out-of-door occupations such as those of building trades, due to the building boom that is being induced through the nation-wide activities of the Federal Housing Administration and other government agencies.

Among the first of the nation's industrial organizations to appreciate the need of vocational courses is the Structural Clay Products Institute, with headquarters in Washington, D. C. The institute has just announced plans for assisting in the establishment of vocational schools to train apprentices for the mason trades.

Masonry has proven to be one of the most popular courses. Vocational experts say this is due doubtless to the opportunity for work in the

E. K. JENKINS

open, good wages and the chance for advancement through contact with big building operations. E. K. Jenkins, vocational expert, will direct the work.

The last word in efficiency and teaching methods will be afforded apprentices enrolled in these schools. New types of construction will be studied. Latest information from surveys by engineers and architects will be utilized. Increased beauty and style in brick and tile manufacture and construction will be stressed. The institute's plan has already met with widespread approval among the country's vocational experts.

and sweet disposition to Mozelle McClain.

Fred Delisle and W. M. Hunter leave their popularity with the girls to Carl Arthur and Johnny Nichols. Violet Delisle leaves her fear of bridges to Norwetta Smith. Don't fall off the bridge, Norwetta.

Collin Denson leaves his address and his best regards to Amza Lee Dunifan.

Coleman Dodson leaves an old French harp and an individual method of playing to T. J. Horner.

Sarah B. Draper leaves her English notebook to La Juan Woods. You can't realize the value of this notebook until next year, La Juan.

R. L. English leaves his timid ways to Claude Gilmore.

Lois Jo Fallis bequeaths her individuality and her knack at skipping classes to Marjorie Booth.

All of his wisecracks, Hubert Faulkner wills to Woodrow McArthur. They're mellowed with age, Woodrow.

To Aubrey McGaughey, Wilson Garner leaves his dashing bravado and his bold manner.

Lita and Van Hairgrove leave their cousinly love to Veona and Marie Karr.

Ernestine Hale and Junior Ince leave their excellent opinions of one another to Minyard Ensey and Mary Jo Collier.

Helen Hale leaves all of her experiences in love to Wynell McClure. Learn a lesson from them, Wynell.

To Norton Barrett, W. K. Harvey wills his popularity with the student body.

John Hazelwood leaves the task of editing the Rowel to Jack Keen. With your original ideas, Jack, we wouldn't be surprised at anything in our school paper next year.

Glady's Roberson leaves her mature age and knowledge of the world and its ways to Grace Dodson.

Joyce Koon leaves her power to argue teachers into giving her a good grade to Robbie Lou Driggers.

Norbon Burkes leaves his timid ways to Hansford Ousley.

Ora Pearl Johnston and Fred Kinney leave their inseparable companionship to Frances Gibson and Elmer Adams.

Walter Johnson, Mary Louise Lisenby and Alton Loe leave to Jess Loe, Mark Hogan and Elizabeth Powell all of their articles on "The Care of Red Hair." These are some Juniors and Seniors who had one thing in common.

Billie Burke Hisey leaves all of her ability to aggravate the teachers and make them like her to Anita Harkey.

Ruby Hines leaves her hay fever to La Verne Burkes.

Elvis Holly and Hugh Verner leave their stamping grounds in the office to W. D. Blair and Lewis Crouch.

Billy Koon leaves his relish for English tests to James Culbert.

Velma Leighton leaves her dancing ability to Kathryn Thatch and Louise Denson.

Pershing Lee leaves his popularity with Miss Landers to Ainsworth Gates.

Mary Lou Marsh leaves her conceited ways and lispng speech to Billie Jean Foster.

Buck Martin leaves his aptitude at writing letters to Harold McClung.

Junior Martin leaves his athletic ability to Maurice Costolow.

Walter Messer leaves his terror of the weaker sex to Franklin Edward Johnson.

Ruby Nell Morgan wills her lust to go to the show every Friday afternoon to Oleta Howe.

Frances Morris leaves her iron shod heels and ability to disturb the entire school by her passage through the hall to Doris Walker.

Fred Neaves leaves his assumed dignity and ambition to Victor Arrington.

Carl Patton leaves his religious convictions to Pete Wilhoit and Elton Garner.

Hoface Perkins leaves his thorough comprehension of Macbeth to John O. Christal.

Evelyn Pickens leaves her make-up kit to Ruth Hindman and La Fern Hazelwood.

Ione Pickens leaves her many demerits to Bernice Smith and George Murphy.

Lucille Rape leaves her tomboy nature to Dorothy Jo Harrington.

Junior Shockley leaves his record for fast talking to Dan Hisey.

Cleo Smith leaves her ancestral record to Alva Earl and Wallace Smith.

Noema Smith leaves an infatuation for her to Arnold Slaton and V. C. Smart.

Dot Taylor leaves a date with her to J. B. Haralson and Billy Hahn.

Cleo Thompson leaves all his good grades to Bill Gruben, though he stated that a young man just in the prime of life might not be terribly interested in grades.

The Senior Class of '36-'37 leaves to the Senior Class of '37-'38 a hard position to fill because the Senior Class of '36-'37 is the Biggest, Brightest and Best Senior Class that has ever graduated in dear ole S. H. S.

SON WRITES PARENTS FROM ROBSTOWN

The following is a portion of a letter written by Charles Henze, to his parents Mr. and Mrs. F. E. Henze of Gilpin community. Young Mr. Henze is working at Robstown where President Roosevelt spent a few days to get some rest and to be away from the public. The letter written May 4 described how the President obtained rest.

"The President is at Corpus Christi fishing. He came down here for peace, quiet and privacy. You know the usual sort of thing for celebrities, just a nice sort of exclusive fishing trip. Well, he got it. Monday he caught a tarpon and his privacy was interrupted by about 300 reporters, autograph hunters, hangers-on and Communists. His picture was snapped from every angle possible. Also, the forgotten man, the tarpon. He didn't know the honor of being caught by the President, but he did know the critical condition of his health. Anybody else could have pulled a Loom-mad out and never have been noticed. This publicity stuff is the 'berries,' eh, what?"

RUPTURE SHIELD EXPERT HERE

H. M. SHEVNAN, widely known expert of Chicago, will personally be at the Hilton Hotel, Lubbock, Thursday and Friday, only, May 13 and 14, from 9 a. m. to 6 p. m.

Mr. Shevnan says: The Zoetic Shield is a tremendous improvement over all former methods, effecting immediate results. It will not only hold the rupture perfectly, but increase the circulation, strengthens the weakened parts, thereby closes the opening in ten days on the average case regardless of heavy lifting, straining or any position the body may assume, no matter the size or location. A nationally known scientific method. No under traps or cumbersome arrangements and absolutely no medicines or medical treatments.

Mr. Shevnan will be glad to demonstrate without charge.

Last Will of Spur Senior Class Given

I, as spokesman for the Senior class, and testament of the Spur High School Seniors of '36-'37.

We, the class as a whole, leave to the Seniors of next year all of our accumulated dignity and our influence with the teachers.

We leave to the Juniors, to be distributed impartially, all of the notes that we wrote during study hall, with the condition that they assume the responsibility for all our library fines and other liabilities that we leave behind us.

We give the Juniors custody of all our forged excuses and readmits, now stuffed for safekeeping in the hole in the plaster of Room 7A. Each Junior is entitled to two of these readmits, and the excuses may be used many times. With these documents you Juniors may play hockey without dreading to confront Mr. Kelly.

The entire class gives the Juniors complete control over all the hall space we occupied during classes, provided you can beat the underclassmen to it.

This next item that we bequeath to the Juniors fills our hearts with sadness, but we have known that parting was inevitable; so, after affectionately bidding them goodbye, we leave all of the rats that we have tamed in our lockers to the Juniors, on the condition that a lunch is always within their reach and they are left by them in competent, friendly hands.

Lastly, we leave to the Juniors the creaky stairs, crowded halls, the difficult tests, and the atmosphere of friendliness that is characteristic of Spur High School.

The above accomplishments are all endowed by the entire Senior Class, but each member has special accomplishments which he wishes to leave individually to members of the Junior Class.

Eva Albin leaves her popularity with Mrs. Thomas to Elizabeth Wolfe.

Dupree Allen wills his dimples and a book on fast driving to Clifford Hunter. He also advises Clifford not to follow in his brother's car tracks.

Nell Arthur leaves all of her readings, her knowledge of debate and her very original ideas for descending stairways to Ruth Cowan.

Preston Ballard leaves Pauline to the safekeeping of Ray Caplinger. That's a large responsibility, Ray.

Julian Boothe leaves his innocent expression to Hawley Perkins. Don't let it fool you.

Marjorie Burrows leaves her chorus girl figure to Naomi Franklin. With a little dieting, Naomi, you'd be a big asset to Ziegfeld.

Isabelle Campbell leaves her popularity with the football boys to Mim Reed. Now, Mim, it's up to you to be football queen.

Bill Caraway leaves all of his ambition to be a doctor to Opal McClathery. They seem to have ONE thing in common.

Edward Carroll contributes one-fourth of his father's estate to Billie Louise Carroll. This money is to be used in founding an institution for ill and under-nourished cats. We're proud that some members of our class have a love for humanity, or maybe we should say "catanity."

C. V. Conatser and Syble MacDonald leave to La Nell Fallis and Bob Harrell all of their ability to sit together in study halls. Now La Nell, you won't have to pitch those notes so far.

Margaret Conaway leaves all of her English slanguage to Ernestine Conaway. You already knew it all, anyhow, didn't you, Ernestine?

Alba Cozby leaves her amiability
