Summer School Is Now in Session

O. L. Kelley, principal of Spur High School, stated Tuesday that seven pupils had enrolled for summer work. All with one exception is to make up deficient work.

Mr. Kelley stated they were holding classes in English I and English II, Algebra I, general mathematics, in Plane Geometry, Physiology, and in General Science.

He stated that he had hoped more students would try to make up work during the summer term, and that pupils may enroll yet and make up work.

VISITS FRIENDS IN SPUR

Leland D. Campbell, of the Federal Intermediate Credit Bank at Houston, was in our city Tuesday greeting friends and enjoying a visit with his little son, Sherry. He spent most of the day shaking hands with friends here and stated that conditions in Houston are very fine. He stated the oil situation and the increased shipping facilities had made Houston a metropolitan city.

He stated that he attended the Cattlemen's Convention in El Paso in January and had the honor of entertaining W. I. Myers, who is governor of the Federal Intermediate Credit Bank, Dwight Riordan, president of the F. I. C. B. system and Frank Butcher, of Kansas, who is associated with the system.

In speaking of the Intermediate Credit Bank he stated that it was run on a strict business basis and that there is no dole system to it. Nothing but the best kind of security is acceptable to them and it is liquid security at that. He enumerated a number of instances wherein they had helped the stock men of Texas.

MR. AND MRS. McNEILL ENJOY VISIT OF RELATIVES

Mr. and Mrs. J. C. McNeill, twelve miles west of Spur, are enjoying a visit from a number of relatives this week. Among the relatives are a brother and sister, Mr. and Mrs. L. J. McNeill, of Brazoria; a sister, Mrs. McNeill Davidson, of Houston; a niece, Mrs. H. J. Mangum of Houston; a sister, Mrs. C. S. Mitchell, of Lota.

While these relatives are here Mr. and Mrs. McNeill are making the occasion a family reunion with their children being present most of the time.

Highway Work Is Slowed by Rains

The many fine rains which have been falling the past few days have retarded work on Highway No. 18 from Spur to the Kent County line. However, the base is practically all down from the county line to Wilson Draw. The road from Wilson Draw to Spur is now receiving the cutting and sub-grade.

Travel is being detoured from Spur to Wilson Draw. The detour starts at the First Methodist Church and runs east past the cemetery, crossing the bridge over Duck Creek east of town, and then extends east about two miles farther, where it turns south to the Justice Store. It is the same detour route that was used as grade and drainage construction was put in on Highway 18.

It will be best for people to use the detour instead of trying to go over the main highway. There are a number of construction trucks on the main road which could cause much damage to cars. These trucks are not expected to watch for traffic, and they are heavily loaded, and should they hit a car great damage would be done. The highway to Justice Store is closed to traffic at this time, and all signs should be heeded as warnings.

STATE SCALE INSPECTOR HERE

State Scale Inspector Lyles was in our city Saturday and registered wagon scales at the Farmers Cooperative Gin and fixed the state seal on them. These scales will be available for use for weighing wheat and Public Weigher Fred Hisey will be in charge.

Texas Young People Appear on Program

Announcement has been made that two young people in 4-H Club work will be in the program of the National Farm and Home Department broadcast Saturday morning, June 5. These young people are Miss Winona Schultz of Bastrop County, a 4-H Club girl; and Walter Britten of Carson County, a 4-H Club boy. Mrs. Ola Powell Malcolm, field agent for the Southern section, will be in the program with them.

The program will be on a national broadcasting hookup and will start at 11:30 in the morning. People may tune in on any station in the NBC system for the program.

Miss Schultz will be accompanied to Chicago by Miss Veralee Jones, County Home Demonstration Agent of Bastrop County. Miss Jones was Home Demonstration Agent for Kent County until one year ago when she was transferred to Bastrop County. M. P. Leamoing, County Agent of Carson County, will accompany young Britten to Chicago.

English Students at Texas Tech College To Tour Continent

Long distance education will reach a peak this summer when enrollees in a literary tour earn six semester hours' credit at Texas Technological College while they travel over western Europe and Canada.

A group of advanced English students, personally conducted by Dr. Alan Lang Strout, associate professor of English at Texas Technological College, will leave Lubbock July 22, to arrive in Montreal three days later. Four days along the St. Lawrence seaway will bring the group to Glasgow, Scotland, and a trip through the Burns country, including a visit to his birthplace, Kirk Alloway, River Doon, and other points immortalized by the Scotch poet.

Included in the Scotland itinerary also are visits to Lochs Lomond and Katdine, a full-day tour of the Scott country, and a sight-seeing tour of Edinburgh.

The class will stop more than a week in England, visiting the home of Wadsworth, Chester, the ancestral home of the Washington family, Monmouth and Ross, Oxford, Keats' home London attractions, Stoke Poges, the Shakespeare country, and other points of literary and cultural interest.

Closing days of the tour will take students through Belgium, on an excursion to the battlefield of Waterloo, sightseeing drives in France, special visits to points in Paris, and to the Palace of Versailles.

The tour will close when it returns to Lubbock August 30. Eligible for the course are advanced students in English who have completed freshman and sophomore courses. Included is an optional fourteen-day tour of France.

COUNTY CLOTHING FAIR SET FOR JULY 10TH

The date for the annual Clothing Fair for all Home Demonstration Club women in Dickens County has been set for Saturday, July 10. Miss Lida Cooper, District Home Demonstration Agent for District Two, will act as judge, and the winner of the contest receives a trip to the Short Course.

Rules of the contest were outlined by the County Council when the 1937 programs were planned. Any woman enrolled as a club member may enter the contest and be eligible for the prize, provided she exhibits three articles made by herself during the year. These articles are: cotton wash dress made by foundation pattern; a pair of plain pillow slips; and either a pieced or appliqued quilt or a tufted bed spread. The club woman scoring the highest on all three wins the trip to the Farmers' Short Course. All club women are urged to participate in the Clothing Fair, whether they exhibit one or all of the entries.

In addition to the contest, plans are being made to have demonstrations on correct accessories for summer costumes, and the use of cosmetics as an aid to grooming.

MISS ISABELLE CAMPBELL

who represented Spur schools as queen in the Texas Technological College fiesta in April. Miss Campbell, who received her diploma from Spur High School with the Class of 1937, has represented Spur High School on various occasions. She is the elder daughter of Mr. and Mrs. W. S. Campbell, and is one of the most modest and best loved young ladies in Spur community.

MISS MOZELLE ARTHUR

Spur High School student and member of the Junior Class of 1937-38, who represented Spur in the "My Home Town" contest sponsored by the West Texas Chamber of Commerce in convention at Brownwood last month. While Miss Arthur was not regional winner, she made a good showing and all Spur citizens are proud of her record. She is the daughter of Mr. and Mrs. O. C. Arthur of Spur.

SUMMER CARE OF SHRUBS AND TREES DISCUSSED

In caring for shrubs and trees during the summer, do not let the water get on the plant, said Mrs. Hindman as the Soldier Mound Home Demonstration Club met in her home Thursday, May 20.

The club opened with recreation exercise with all present taking part. The club will meet next with Mrs. H. P. Berry.

Members present were Mesdames H. P. Berry, Paul Loe, W. E. Ballard, W. H. Condon, A. Biggs, Foster Jones, Leonard Jopling, John Bachman, I. E. Abernathy and Ollie Hindman.

Allen Auto Supply In New Home Here

The Allen Auto Supply, which has been in the Spur Hardware Building, has opened doors in a new home of their own on North Burlington Avenue, just across the street from the Nichols Sanitarium. The move was made Thursday and doors were opened to the public Friday.

Mr. Allen purchased the building some weeks ago and had it repaired and newly painted and it looks very neat and nice.

Amon McMillon, of Stamford, is one of the sales force. He moved here Monday and he and Mr. McMillon are citizens among us. G. N. Littrell is with the service department and will have charge of the radio work, piston grinding, cylinder reborring and valve seating and fitting.

Mr. Allen stated they were supposed not to be in their new home until June 1, but they arranged to make the move a few days in advance. He stated business really was better in the new location than where it had been.

Scouts Off to Camp Post For Week Of Scout Training

According to plans formulated by the South Plains Scout Council the Boy Scouts of the Eastern District are at Camp Post this week for their annual district Jamboree. Scoutmaster G. B. Wadzeck and a number of Boy Scouts left Sunday morning by bus for Camp Post where they are spending this week in scout training, in schooling and field work. In addition a number of Scouts will take tests for honor badges, some of which will include swimming, and the Scouts have access to the Two-Draw Lake just northeast of Post for this training.

The Scouts will return some time Saturday afternoon or Saturday evening. No one need be alarmed if it should be a little after bedtime when they arrive back home because it is difficult for Scouts to go good a thing as the annual district jamboree.

Scouts from Spur were all from Troop No. 35 and following is the list of names:

G. J. Lane, Fike Godfrey, Bill Laine, Bob Weaver, James F. Laverty, Raymond Ince, John J. Costolow, Frank Vernon, V. C. Smart, Eugene Taylor, Charles Ensey, James V. Allen, Ray Taylor, Jeff Smart, Lloyd Barber, Clay Wood, Steve Barclay, Scout Master Wadzeck.

Chief in the party was "Trooper," the Scout mascot, the little yellow pup, and all his jumping company. Some of the Scouts decided to assist Trooper all they could, and secured a good supply of flea powder just before leaving.

The Scouts will have an opportunity to acquire some real new experiences in camping. There will be a number of hikes during the week. Much of the time will be spent in study and trying to pass tests to secure promotions and awards. Many of the Scouts will be ready for the Court of Honor which will be held somewhere in the district soon after the annual camping is over.

McAdoo Girl Will Receive Gold Star As Merit Award

Clara Rich, 4-H Clothing demonstrator of the McAdoo Club for 1936, will be one of the girls to be awarded a gold star at the Farmers' Short Course August 16-19. The awarding of these gold stars is acknowledgment of the accomplishments in the demonstration work they have done, as well as the record of their other club work.

Clara won a trip to the short course last summer as a reward for winning first place in the county clothing contest. Her excellent record of work during 1936 has placed her among the ranking high point girls of the state. Dickens County is one of the five from District Two to have a gold star girl, the other counties being Bailey, Lubbock, Lamb and Yoakum.

Kernel Wheat Has Good Biscuit Recipe

Kernel Wheat arrived in Spur at 4:30 o'clock Saturday afternoon with the big "chuck wagon" of the Bewley Mills at Fort Worth. As had been previously announced, Kernel Wheat was to serve the people with real old time biscuits prepared from Bewley's Best Flour, and he made good with every promise.

The Bewley Chuck wagon came here under the auspices of the Clover Farm Grocery, which sells Bewley's Best Flour. Kernel Wheat soon had people enjoying those good biscuits and made about 500 while in town. The wagon remained here from 4:30 until about six o'clock, and the Kernel kept the people busy sampling those good biscuits.

Mr. Atkinson, the manager, stated they made many sales of Bewley's Best Flour Saturday as a result of a demonstration of the good biscuits. In addition they distributed a number of leaflets which contained recipes for ice box roll and sour milk biscuits.

METHODIST REVIVAL IS GROWING IN INTEREST

The revival meeting in progress at the First Methodist Church is growing in interest with each service. People are attending the meeting and enjoying some excellent sermons. Rev. Gates is making his messages clear and he is following out the teachings of the scriptures in every respect.

Mr. Watkins, who is in charge of the singing and young people's work, is having some good results from his efforts. A number of young people are attending the special meetings for them. The choir is well represented every evening at the services. Services are being held twice daily—at ten o'clock in the morning and at eight in the evening.

Old Fiddlers Contest At Stamford Cowboy Reunion On July 3rd

Breakdown tunes reminiscent of frolics of frontier days will be played by aged musicians competing in the annual old fiddlers' contest in connection with the Texas Cowboy Reunion at Stamford July 1, 2, and 3. The contest is the biggest free entertainment on the Reunion program.

The fiddlers' contest will be held in the City Auditorium the last day of the Reunion, Saturday, July 3, starting at 8:30 a. m., and continuing probably until noon. Professional musicians are barred from the contest and fiddlers must be 50 years of age or over to be eligible. No entry fee is charged. Prizes totalling \$32.50 will be awarded the winners, first prize being \$15, second \$10, third \$5 and fourth \$2.50.

Each contestant is allowed to play two tunes of his own selection, the only restrictions being that breakdown tunes must be used. The fiddler may play alone or select a second, but only one accompanist is allowed. Jim Stell of Stamford is the chairman of the committee in charge of the contest.

Winners in last year's contest were first prize, J. C. Lane, Tahoka; second, Jack Sittin, Stamford; third, C. A. Ward, Weinert; fourth J. E. Meadow, Lueders.

Another feature of the Reunion designed to keep alive pastimes of the early day cattle country is the square dance held at the Cowboy Bunkhouse at the Reunion Grounds each night. Judge C. E. Coombes, prominent West Texan who is a former cowhand, presides over these dances in which many of the pioneer cowmen, present day cowboys and visitors participate.

L. B. Tucker, of New York City, is the guest of his uncle and aunt, Mr. and Mrs. W. S. Smiley of Duncan Flat at this time. He was in town Saturday with them enjoying meeting friends.

Hundreds See Opening Of Spur Pool

Miss Wynell McClure, as Miss Speer's Variety Store, won first honors in the bathing beauty contest at the opening of the Municipal Pool in Swenson Park Tuesday evening. Miss McClure won out over about thirty-five other contestants, all of whom were good ones. The judges stated that it was one of the hardest decisions they had ever made because all of the contestants were beautiful. Miss McClure, as a result of winning, was awarded a nice loving cup by the Chamber of Commerce through M. C. Golding, the president, who expressed the pleasure of the organization. Miss McClure will represent Dickens County in Fort Worth in the near future.

Miss Ellen Shugart, as Miss Texas Spur, was second on the list, and Miss Bettye Brown, as Miss Brazelton Lumber Company, won third honors. Each of these winners were awarded a season ticket to the Municipal swimming pool.

All young ladies who went into the contest were awarded two passes to the show at the Palace Theatre through courtesy of the management and are to receive two days of free swimming in the municipal pool through the courtesy of City Manager L. R. Burrow.

The other seven girls who went into the semi-finals were: Miss Jerry Lee Willard as Miss Spur Laundry; Miss Pauline Shugart as Miss City Drug Store; Miss Sammie McGee as Miss Palace Theatre; Miss Winifred Lee as Miss Sanders-Chastain Pharmacy; Miss Joyce Koon as Miss Keen Floral Shop; Miss Joyce Collier as Miss Hilltop Service Station; and Miss Lois Jo Fallis as Miss Dickens County Times.

The youngest contestant was little Miss Elizabeth Clemmons as Miss Clemmons Insurance Agency. She is not quite two years of age. The next youngest contestant was Jackie Jean Rector as Miss T-P Service Station.

Many Present for Pool Opening. The number of people present to observe the opening of the pool probably would exceed one thousand. All of the available space within the galleries was absorbed, and the great amount of space between the pool and the inclosure was packed just as closely as people could stand. There were many who remained on the outside and watched from their cars.

The Spur Municipal Pool is one of the nicest in the country. The water is clear and does not collect any sediment while swimmers are in it. The water is kept chemically pure all the time, and every precaution is made for the health of the people. Two life guards are on duty all the time, and life savers are ready to be thrown to those who might need help.

Diving boards are placed conveniently for those who enjoy the sport. There are several ladders for swimmers to climb out of the pool. The pool is well lighted at night and there is just as good accommodations at night as there is during the day. The water runs at various depths from two feet to ten feet deep.

The bath houses are equipped with showers and are at the service of the people who desire to use them. A courteous attendant is always ready to wait on the public and see that their needs are taken care of.

If you care for an enjoyable evening, you can have one at the Spur Municipal Swimming Pool where there is plenty of room and a good place to enjoy a picnic after you take a cool plunge.

Mrs. E. J. Cowan left today for Los Angeles, Calif., where she will spend a visit with her mother, Mrs. Roberts.

Rev. and Mrs. Guy Ament and J. I. Greer, twelve miles west of town, was in Tuesday greeting his friends and attending to business affairs.

A. S. Woolly, of McAdoo, was in our city Saturday attending to business matters.

STREAMERS

By NOEMA SMITH

It was May day, 1957, and having returned to Spur after an absence of twenty years, I was anxious to recall my high school acquaintances and to know what changes time had wrought in their lives. In an effort to bring back our high school days, I again went and sat in our great amphitheatre under the sky, the stadium, and let my mind's eye gaze in imagination to my class mates of 1937. In my imagination I wandered back to the Junior-Senior banquet of that year. I saw the Maypole of that night with its many colored streamers. To my utter surprise, when I recovered from my day dreaming, for a moment I saw standing before me a real Maypole with real streamers. Beside this Maypole was a beautiful fairy who looked into my eyes and said, "I know you would like to see what the past twenty years have held for your class mates. Each of these streamers represents one of the classmates. At the end of each streamer is a time projector, an instrument which will enable you to view in one great human panorama the entire Senior class as they appear today, May 7, 1957."

Dubiously, I looked into one of the minute appartus and to my utter surprise there, portrayed on that narrow ribbon, were several scenes in the life of Nell during the past twenty years. Nell was a returned missionary in Africa. She is giving her life for the sake of the heathen children, and her purpose for returning to America is to secure funds to establish a school for the development of personality among African children. Eva was a successful saleswoman of the Stay-Thin Co., whose products were guaranteed to give every woman a perfect figure. The company had no better advertisement than that of its representative.

At the next streamer I wanted to pause for a long time, for before my eyes was being enacted one of the most outstanding musical numbers of the year. To my astonishment, the star of this performance was Alba Cozby. Also in this review appeared three other classmates—Cleo Smith, Evelyn Pickens and Idalee Conoway. The next streamer was quiet rural scene. Here by the fireside I saw Marjorie Burrow and Bill Caraway, happily living on the Caraway farm near Peacock. They were making plans for the weekly trip to town with the butter and eggs in the old T Model Ford.

Next I saw Ernestine Hale and Junior Ince as it would be suspected, they had been happily married for eight years. They were the proud parents of four children Junior, it seemed, worked as night watchman at B. Schwarz & Son.

Bright lights gleam across a streamer and there I saw the modern Paul Whiteman and his torch singer, Carl Paton and Rebecca Underwood. Rumors have it that they are to be married, but it seems they each like their freedom too well for that.

Billy Koon is the only successful business man in the group. He is mak-

ing a beautiful foundation for his business, which is selling ladies' lingerie. Billy's efficient secretary is Ione Pickens, who charmingly models his creations.

Most everyone has turned out just opposite to what I expected but not so with Billie Burke Hisey—she's still blinking her eyes and saying, "Have you seen Red?" Red is coaching in Spur High School and is making the going tough for little G. B. Wadzeck, Jr.

Next, we see Fred Kinnel walking the tight rope in Harley Sadler's show. His wife, Ruby Hines, is also in the circus. She represents the fattest woman in the world.

Edward Carrol is now director of a jaz zorchestra in Munison Square Garden. In his orchestra are two classmates—Maddell Smith and Norborn Burkes—who do the hootchie kootchie on the floor show.

Helen Hale is now living in Red Mud with her husband, Horace Perkins; they have twins—a boy and a girl, named Knit and Pearl.

Hugh Verner is a bouncer at a second rate night club. It is rumored that he is to marry his hat check girl, Mary Marsh.

Cleo Thomas is the brains behind a huge broadcasting station—a very worldly man—and it is reported that his secretary, Dot Taylor, has been caught sitting in his lap.

Isabel Campbell has always had an aspiration to be a bubble dancer, and she has been working on this all these years. So far, however, Isabel has never been able to appear in public, for she hadn't been able to blow a bubble big enough to get the O. K. of the censors.

To my surprise I find that Letta Hairgrove is in Hawaii doing the hula hula for a living. She supports her husband, Junior Shockley.

Enemies No. 1 and No. 2 in gangster land are Elvis Holly and John Hazelwood. Their gun molls are Violet Delislie and Gladys Roberson.

Pershing Lee is the champion hog caller and his mate is Velma Leighton, who is the sweetest little wife a man ever had.

Orien Williams is a crystal gazer and she always has in her company Nadine Foreman, who watches her husband, Preston Ballard, who is a rubbing doctor in Seymour.

Gordon Cravy, and Syble McDonald are the leaders in a sit-down strike in a vinegar factory.

Much to our surprise, Fred Delislie is an English professor in Columbia University. He is living a lonely life and seems to enjoy it. Right by his side is Hubert Faulkner, who is the voice teacher there.

W. K. Harvey is head salesman in Montgomery Ward. He has a good line for every customer whether she is buying dry goods or hardware, although his specialty is still Freshman women.

Julian Booth is the stamp licker in the postoffice. This seemed very reasonable, for he was always slick-tongued.

Van Hairgrove is working on a goat ranch, teaching the little goats the proper way to chew paper.

Alton Loe is the ballyhoo man for

Harley Sadler's circus. The old-fashioned dance, the shimmy, is in vogue again, and the best shimmyers are C. V. Conatser and Lucille Rape.

Fred Neaves is in line for the world's heavyweight championship. His manager is the unforgettable Buck Martin.

Coleman Dodson is now the owner of the world's greatest flea circus. He has never had any trouble with fleas running off.

Sara Bee Draper and Lois Jo Fallis are now bug catchers for the Smithsonian Institute. Remember how they hated bugs?

R. L. English and Junior Martin, the woman haters, have been married six time seach. They're divorced now and have decided to become hermits.

The famous movie actress of our group is Joyce Koon. She is the modern version of Olive Oyl. With her as Popeye is Collin Denson.

Frances Morris is doing O. K. She has had good luck as a doctor. She has not lost one of her three patients in the last five years.

Ruby Nell Morgan is now on the teaching staff in Spur. Among her pupils is little Nina Peebles. Ruoy Nell stated that Nina certainly was a problem child. She evidently had no home training. Her language was terrible, but that probably was the result of the type of English spoken by her parents, who are farming in the Twin Wells community.

Dupree Allen, of all people, is now leader of the Salvation Army. He has an old 1940 model Ford and he never goes more than ten miles an hour.

Ora Pearl Johnson is famous for her strip tease act.

Margaret Conaway is now a singing troubadour. She and her husband, Walter Johnson, sing for pennies in back yards. It's pennies from heaven in their case.

Mary Louise Lisenby is a model in New York for a famous advertising company. She is the model of what a lady should not be. With her badly

made-up face, her sloppy figure and dyed hair, the ladies go by the remark, "I'll buy your product, but Heaven forbid that I look like that."

W. M. Huter is an old bachelor. He is doing this for the benefit of the masses, because he said that if married, he could make only one woman happy.

At this time, I watched, and the streamers of the Maypole wrapped around the pole, and disappeared into thin air.

EDITOR'S NOTE—The above manuscript was read at the Junior-Senior Banquet at the Spur Inn the evening of May 7, at which time the two classes featured a Maypole Banquet.

Robinson Family Pioneers in Farming And Oil Production

(ROTAN ADVANCE)

In 1889 F. A. Robinson and family advised in Fisher county and decided that it was a good land; not exactly flowing with milk and honey, but a land that would reward honest effort and diligent enterprise, even though many hardships would be encountered in bad years sandwiched with the good.

They settled on a place about two miles west of the present Rotan, and lived there for many years. During this time Mr. Robinson accumulated quite a lot of choice land, which passed on to his children, as the leader Robinsons went to their greater reward many years ago.

One of their children, Joe Robinson, is now to reap the reward of the foresight of his parents in coming to this county. On a quarter section of land a little more than two miles from the city limits of Rotan, and something less than two miles from furthest suburban addition in that

direction, oil in undetermined (at this writing— but great volume, was discovered on the afternoon of Saturday, May 15. Without an official test, it is reasonably certain that the oil production on his place will supply Mr. and Mrs. Robinson with all the necessities, comforts and luxuries that they may desire throughout the remainder of their lives.

Mr. and Mrs. Robinson have been living on this place since 1931. Mr. Robinson was reared in Rotan and vicinity and only had residence out of the county a short time, living in Taylor county in 1918. He bought the oil producing land in 1930, and lived in Rotan one year, as the place had already been rented for that year. His present home is five or six miles from the old home place.

The country home of Mr. and Mrs. Robinson has an atmosphere of comfort and contentment. A large house, cool and convenient, is surrounded by trees planted years ago by the original settler. Around one side and immediately in front of the home are some beautiful cedars, Mulberries, so enhance the appearance of this home.

As one steps off the front porch and gazes at the oil well just across the field a few hundred yards, fine Hereford cattle also come into view. The home and surroundings breathe the spirit of comfort and prosperity, and the many friends of Mr. and Mrs. Robinson rejoice with them that there has been added to their possessions the greatest oil well of the county.

A JOINT RESOLUTION**

proposing an amendment to Section 16, Article XVI, of the Constitution of Texas; providing that the Legislature shall authorize the incorporation of banking bodies and provide for the supervision and regulation of same; providing for all of the capital stock to be subscribed and paid for before charter issued; restricting foreign corporations from doing banking business; restricting corporate business to one place.

BE IT RESOLVED BY THE LEGISLATURE OF THE STATE OF TEXAS:

Section 1. That Section 16, Article XVI, of the Constitution of Texas, be amended so as to hereafter read as follows:

"Section 16, The Legislature shall by general laws, authorize the incorporation of corporate bodies with banking and discount privileges, and shall provide for a system of State supervision, regulation and control of such bodies which will adequately protect and secure the depositors and creditors thereof.

"No such corporate body shall be chartered until all of the authorized capital stock has been subscribed and paid for in full with cash. Such body corporate shall not be authorized to engage in business at more than one place which shall be designated in its charter.

"No foreign corporation, other than the national banks of the United States, shall be permitted to exercise banking or discounting privileges in this State."

Sec. 2. The foregoing amendment to the Constitution shall be submitted to a vote of the qualified electors of this State at an election to be held throughout the State on the fourth Monday in August, 1937. At this election all voters favoring the proposed amendment shall write, or have printed, on their ballots the following words:

"For the amendment of Section 16 to Article XVI of the Constitution of the State of Texas, providing for the amount of the liability of stockholders in State banks."

Those voters opposing said amendment shall write, or have printed, on their ballots the following words:

"Against the amendment of Section 16 of Article XVI of the Constitution of the State of Texas, providing for the amount of the liability of stockholders in State banks."

Sec. 3. The Governor of the State of Texas is hereby directed to issue the necessary proclamation for such election, and to have same published as required by the Constitution and the amendments thereto.

Sec. 4. The sum of Five Thousand Dollars (\$5,000.00), or so much thereof as may be necessary, is hereby appropriated out of any funds of the State of Texas, not otherwise appropriated, to pay the expenses of such election.

The above is a true and correct copy.

EDWARD CLARK,
Secretary of State.

**Meat Cuts and How to Cook Them
LAMB CHART**

Housewives in search of new and attractive meat cuts to add variety and flavor to their menus will be interested in the lamb chart shown above. The fact that lamb offers such a wide variety of cuts is a revelation to many who in the past have thought of this meat only in terms of legs and loins. A study of this chart will reveal that there is a lamb cut for every purse and every purpose. In addition to showing the many possibilities in lamb cuts, the chart is an excellent guide for cooking. You will want to keep it for ready reference.

**S. J. R. No. 16
A JOINT RESOLUTION**

proposing an amendment to Article III, Section 52, of the Constitution of the State of Texas by adding thereto a new section to be known as Section 52d; providing that the Legislature may authorize by law, after a majority vote of the resident qualified electors owning taxable property therein, the adoption of a plan for the construction of paved roads and bridges or both in Harris county and in road districts therein; providing for the levy of a tax to pay for such construction; and appropriating funds to defray the expenses of the proclamation, publication, and election.

BE IT RESOLVED BY THE LEGISLATURE OF THE STATE OF TEXAS:

Section 1. That Article III, Section 52, of the Constitution of the State of Texas, be amended by adding thereto another section to be known as Section 52d, which shall read as follows:

"Section 52d: Upon the vote of a majority of the resident qualified electors owning rendered taxable property therein so authorizing, a county or road district may collect an annual tax for a period not exceeding five (5) years to create a fund for constructing lasting and permanent roads and bridges or both. No contract involving the expenditure of any of such fund shall be valid unless, when it is made, money shall be on hand in such fund.

"At such election, the Commissioners' Court shall submit for adoption a road plan and designate the amount of special tax to be levied; the number of years said tax is to be levied; the location, description, and character of the roads and bridges; and the estimated cost thereof. The funds raised by such taxes shall not be used for purposes other than those specified in the plan submitted to the voters. Elections may be held from time to time to extend or discontinue said plan or to increase or diminish said tax. The Legislature shall enact laws prescribing the procedure hereunder.

"The provisions of this section shall read districts therein."

Sec. 2. The foregoing amendment to the Constitution of the State of Texas shall be submitted to the qualified voters of the State on the fourth Monday in August, 1937, at which election all voters favoring such proposed amendment shall write or have printed on their ballots the words: "For the amendment to the Constitution providing that Harris County and any road district therein may upon a vote of the people therein adopt a road plan and levy taxes for road and bridge construction in lieu of the issuance of bonds"; those voters opposing said amendment shall write or have printed on their ballots the words: "Against the amendment to the Constitution providing that Harris County and any road district therein may upon a vote of the peo-

ple therein adopt a road plan and levy taxes for road and bridge construction in lieu of the issuance of bonds."

Sec. 3. The Governor of the State of Texas is hereby directed to issue the necessary proclamation for said election and to have same published as required by the Constitution for amendments thereto.

Sec. 4. The sum of Five Thousand Dollars (\$5,000.00) or so much thereof as may be necessary, is hereby appropriated out of any funds in the Treasury not otherwise appropriated to pay the expenses of such publication and election.

The above is a true and correct copy.

EDWARD CLARK,
Secretary of State.

MRS. DALE DILLINGHAM, Society Editor

MRS. C. B. MIDDLETON IS CLASS PARTY HONOREE.

Honoring Mrs. C. B. Middleton, who is leaving soon for Arkansas, a program tea was given by the Althean Sunday School class in the home of Mrs. E. D. Engleman Thursday afternoon, from four until six.

Mrs. Middleton has been a faithful teacher of the class for several months. Mesdames J. H. Swan, Charlie Powell and Dale Dillingham shared hostess duties with Mrs. Engleman.

The honoree received a floor basket of lovely roses presented by Mrs. Engleman. A piano solo by Jean Engleman was followed by a talk of appreciation by Mrs. Middleton and her work by Mrs. Jerry Willard. Mrs. George Gabriel sang "Living for Jesus," and Belva Swan closed the program with a reading, "When We Come to the End of a Perfect Day."

When Pollyannas were revealed, all of the gifts held Mrs. Middleton's name, and she received a lovely miscellaneous shower.

Refreshments of congealed salad, ritz crackers, iced tea and chocolate cake were served.

Those present or sending gifts to Mrs. Middleton were Mesdames A. C.

Hull, Jephtha Craig, Bullock Tillotson, Lindsey, Jerry Ensey, Ralph Sherrill, Frank Watson, George Gabriel, Brown Smith, Weldon Grimes, Ab Bingham, Joe Bailey Whitener, Jerry Willard, Foy Vernon, and Willard of Oakland, California.

Misses Belva Swan, Jean Engleman, Master Jimmie Swan, and the hostess group.

HOMEMAKERS, NOTICE

There have been several inquiries concerning an adult Homemaking class for the summer. I would like for all women who are interested in such a course—whether in the foods or clothing field—contact me before June 3. My telephone number is 126 and my postoffice box 817. If the course is offered, there will be no fee. Adult classes are interesting wholesome and educational. Show your interest by getting in touch with me.

MRS. O. C. THOMAS,
Homemaking teacher, Spur High School.

Miss Ruth Bush, of New Mexico, are in our city visiting with Mr. and Mrs. C. V. Allen. Rev. and Mrs. Amant do evangelistic work and may be engaged in Spur for a few days.

* * * * * Afton—East Afton * * * * *

A good crowd turned out for the cemetery working at Afton Monday, May 24. The yard was put into very good condition.

Mr. Byron Haney made a business trip to Lubbock last Monday.

W. G. Rutherford, little son of Mr. and Mrs. Rutherford, of Glenn, was buried at Afton Sunday, May 23.

The home demonstration club held its second May meeting at the home of Mrs. Joe Robertson Tuesday, May 25. After the business session, those present surprised Mrs. Peyton Legg with a shower of gifts. After the gifts were displayed refreshments of cake and punch were served.

The club will meet with Mrs. B. F. Middleton on June 8. There were seven new members enrolled.

Mrs. J. C. Christopher left Saturday for Clovis, New Mexico, to spend about three weeks visiting relatives.

Britton Fleming of Clyde, Texas, arrived Monday, to spend the summer with his grandfather, J. B. Willmon, and to help with the work on the farm while here.

Gladys Drennan has the diphtheria. As result of this case, many children of the community will take the anti-toxin.

Paton Springs school sent two busses of children to Spur Friday, filled with children who were to take the diphtheria serum.

On Wednesday and Thursday nights of last week the students of Prairie Chapel rendered their last school programs. These programs were well attended.

On Friday, May 28, the students of Prairie Chapel and others in the community who wished to go, enjoyed a picnic at Roaring Springs. At the noon hour, a grand lunch was spread on the ground. Most of the group enjoyed a swim before they left at three o'clock for home. All reported an enjoyable day.

Elton Vaughn, who was visiting here, but residing at Post, was taken to the Lubbock sanitarium for an operation the first of the week. He is in a critical condition, at present.

Claud Bennett and J. C. Rogers attended a Legionnaire banquet at the Hilton Hotel at Lubbock last Thursday night. The national commander of the American Legion was present.

Richard Varnell received a painful injury to an eye last week.

Miss Lillye Franklin of Amarillo visited in the home of her parents, Mr. and Mrs. M. E. Franklin, last Sunday.

The commencement exercises at Patton Springs were well attended. Mr. J. D. Wilson, the state deputy supervisor, was the principal speaker, and gave a very interesting talk.

Mrs. Byron Haney and Mrs. Allie Barton made a business trip to Lubbock last Wednesday.

The farmers of this section were glad to get the nice rain which fell Saturday morning. The rain averaged 1 1-2 to 2 inches.

Rotan Has Start Toward Oil Field; Well Is Flowing

With an oil well only two weeks old, the little city of Rotan 60 miles south of Spur, has had more cash change hands in that period of time than probably has happened in any one year of its history. The well which is located northeast of town is flowing about 500 barrels of good grade high gravity oil per day, but that 500 barrel flow is causing the land owners of that country to reap a harvest they had never dreamed of before.

Acreeage is going skyward and has sold for as much as \$500 per acre. The farmers of that community cooperated with a good independent

concern and now they are reaping a good dowry for their cooperation. Joe Robison, on whose lands the well is located, sold royalty interests under 60 acres for \$375.00 per acre, bringing him \$22,500 for the 60-acre tract.

One very peculiar feature of the development is that the people who have been benefitted to date were those who came to the country in the early days. Mr. Robison came to the country with his parents in 1889. Dan Stephens, another one who has been helped, came to this country in 1886. E. Howard, who landed there in the early 80s, is another early settler who is reaping a benefit from this new discovery.

The well was reported a 1,500 barrel producer at first, but has been curbed down to a flow of 20 barrels per hour. The 3,600 barrel storage tank has proved inadequate to take

care of the production and numerous surface tanks have been made to take care of the surplus overflow.

The West Texas Utilities Company is building a highline into the field to give future developments electric motor power. Several new locations have been made and within a few days extra activity in drilling will be in progress.

The people at Rotan and community are hopeful of the future. However, activity and great interest are being shown at Sweetwater, Fort Worth and Dallas. People are going to Rotan country from various parts of the country and are trying to get in on the deal in some manner. It will make Rotan a real city of the citizenship will take advantage of their opportunity.

CAMPBELL'S MORTUARY
SPUR, TEXAS
May 1937

DEAR FRIENDS:

Rarely do people ask themselves "which Funeral Director would I choose if the need should arise?" And yet, the answer to that one question may mean either years of comforting satisfaction, or a lifetime of regret.

The service of the Funeral Director is an intimate, almost sacred one. Therefore, it is not best to make his acquaintance before necessity prompts. . . while there is ample time to consider all things carefully, and to judge wisely?

A little thought will reveal many obvious considerations. Some of them are his professional experience and ability, his character and reputation in the community, his sincerity, judgment, and the adequacy of his facilities. Still other considerations are the kind and quality of burial goods he handles and his method of pricing.

We would not attempt to advise you further. However, if you would like to become better acquainted with us, or learn more about our facilities and experience, we shall be most pleased to have you call personally or phone us any time.

Yours most cordially,

SOCIETY

MRS. G. B. WADZECK IS HOSTESS.

Mrs. G. B. Wadzeck was hostess for a delightful bridge party Friday afternoon. Triple Trex club members and guests were present.

Lovely roses decorated the entertaining rooms and a flower garden theme was carried out. Each of the four tables where contract was played represented some spot in a flower garden such as the pool, arbor or rockery. Guest found partners by matching flowers.

An imported porcelain candy jar went to Mrs. C. L. Love as high guest prize. Mrs. Ty Allen received a lovely flower picture for club high. Packages of novelty candy were awarded Mrs. Horace Gibson and Mrs. L. D. Ratliff as high cut prizes.

Rose shaped molds of ice cream, angel food squares, buttered sandwiches, salted nuts and iced tea were served in colorful pottery ware at the tea hour.

Mesdames L. D. Ratliff, Henry Billberry, Ty Allen, E. D. Engleman and Clarence Lane were the club members present. The guests were Mesdames Love, L. B. Tillotson, H. B. Thompson, A. C. Hull, Mack Wilson, Medford Wetzel, Horace Gibson, M. H. Brannen, Ray Taylor and Harvey Holly.

MRS. P. C. NICHOLS HOSTESS TO BLEBONNET CLUB.

Last Thursday afternoon Mrs. P. C. Nichols entertained with a most enjoyable party for the Blue Bonnet Club and several guests.

Games of 42 were played at four tables and at intermission during the play hour a delightful program was given. Miss Nell Arthur gave a reading; Mrs. R. E. Dickson sang and also accompanied Misses Joyce McCully, Lillian Grace Dickson, Isabell Campbell, Helen Hale and Mirriam Reed, billed on the program as the quintuplets, for several numbers.

The guests enjoyed punch served during the afternoon and at the refreshment hour plates holding pecans and punch were passed.

The guests were Mesdames Roy Stovall, R. E. Dickson, Bob Alexander and B. C. Cairnes of Clairemont. Club members present included Mesdames L. R. Barrett, W. S. Campbell, G. L. Barber, E. L. Caraway, B. F. Hale, C. B. Jones, J. P. Carson, G. J. Lane, C. H. McCully, A. M. Walker and W. R. Weaver.

PICNIC GIVEN FOR SUNDAY SCHOOL CLASS MONDAY.

Miss Elizabeth Keen, assisted by her mother, Mrs. J. C. Keen, entertained the members of Mrs. Jack Rector's Sunday school class with a picnic Monday evening.

The delicious menu consisting of sandwiches, salad, potato chips, pickles, olives, iced tea, hot rolls and butter, fruit Jello, with whipped cream, and cookies, was spread in the lovely outdoor living room at the Keen home.

Those attending were Misses Billie Burke and Roberta Hisey, Marybelle

Speedy Gun Play Galloping Action In Hopalong Film

Hopalong Cassidy rides again in "Trail Dust," the latest in the action-packed, hard-riding series of Clarence E. Mulford Westerns, showing at the Palace Theatre Saturday.

Action—and plenty of it—marks this film as top-notch. "Hoppy" attempts to "beat" a drought, and the efforts of crooked cattle buyers to cash in on it give it a particularly "newsy" twist.

William Boyd, as "Hoppy," rides the range again as head of a group of cowmen who are determined to get their cattle over parched range country to the railroad in a desperate effort to lift the threat of a famine which hangs over the southwest. With him are Jimmy Ellison as Johnny Nelson, and George Hayes as "Windy."

Sinister forces, intent upon keeping Boyd from reaching his destination, which would ruin their plans to cash in on the drought, go into action. Crooked riders are planted in his outfit, an attempt is made to arrest him with a false warrant, efforts are made to stampede his herd and, in final desperation, a mountain pass through which the herd must pass is mined.

But in his characteristic manner, Cassidy brings the cattle through, but not without considerable gunplay, hard fighting and hard riding. A romance between Ellison and pretty Gwynne Shipman, who rides with Boyd's outfit and is instrumental in saving the herd just as it looks as if the expedition had set out in vain, is deftly worked into the story.

Jane Puts 'Holler' Into Her Holiday

When there's that gleam in her eye, watch out for sweetie pie, warn the neighbors. When "Angel" takes a day off, it means an off day for the rest of the town and a laugh-spree and guaw-picnic for everyone else; seeing "Ginger" Jane Withers in her latest Twentieth Century-Fox hit, "Angel's Holiday," showing at the Palace Theatre preview Saturday night, Sunday and Monday.

Filmland's most mischievous miss loses no chance of indulging in her usual madcap mishaps in a new role as amateur sleuth and newspaper reporter. Her best friends and severest critics in the new film venture are Robert Kent, Joan Davis, and Sally Blaine, featured in the cast supporting the young star.

A long nose for news and clues precipitates Jane into the faked disappearance, for publicity purposes, of a movie queen, played by Sally Blaine, and she proceeds to gum up the works. Both Jane and her movie star are considerably surprised, however, when a gang of real bandits steps in and conducts a genuine kidnapping, holding Sally for ransom and Jane and Robert as hostages.

NOW A TRACTOR YOUR NEIGHBORS WILL CLIMB A FENCE TO SEE

NEW CASE MOTOR-LIFT
EASY ON-EASY OFF IMPLEMENTS

THE TALK OF THE TOWN

The Case all-purpose tractor has risen to huge popularity this year as each owner tells his neighbor about its many savings. The Motor-Lift acts instantly regardless of footing or tractor travel. Step on the button and the gangs are up . . . step on it again and the gangs are down. Not an inch of ground skipped, not a second's time lost in turning or backing. Implements changed in a few minutes by one man . . . quicker than harnessing and hitching a team. Just take a look at these new tractor features. That's all we ask. You'll say as have many others that they're the greatest improvements in power farming. Come in.
