

SPUR SAYS 'HOWDY PARD'

Negro Rodeo Thursday Night June Nineteenth

A new pre-feature for the Spur Round-Up Association will be a Negro rodeo Thursday night, June 19. The Negro Citizens Council will be in charge of this event which will consist of wild cow milking, calf roping on foot, and possibly bronc riding, with other events. This will be the final program of the Emancipation Day events. Kelley E. Bolden, Secretary to the organization says there will be 1,500 Negroes in Spur that night. The event will be at the rodeo arena and will start at eight o'clock. There will be more laughs at these events than any other on the program.

During the program Friday night and Saturday night, June 20-21, a short Memorial Service will be conducted in memory of those early settlers who have passed to the Great Round-Up. A cow pony will be presented and an impressive ceremony will be carried out each evening.

There will be two performances each day, one at two o'clock in the afternoon and one at eight o'clock in the evening. A grand entry will precede each performance, and \$100.00 in cash will be given away each day in addition to the arena prize of \$1,500.

Candidates for U. S. Senate will speak down town each morning in behalf of their candidacy. Attorney General Gerald C. Mann will speak at ten o'clock Friday morning, June 20. No speaking will be at the rodeo grounds. There is a full program and people will enjoy a great time in Spur June 20-21.

Foot Painfully Injured

Richard Elkins, son of Mr. and Mrs. W. W. Elkin, east of town, received a painful injury to his right foot Tuesday morning. He was with his father on a tractor and got his foot caught under the power lift of the tractor.

The foot was badly bruised and a long cut on the top of the foot just back of the toes.

The boy was brought to Nichols Sanitarium where the foot was given X-Ray examination and the injury dressed. There were no broken bones.

SING SONG

The Dickens County-Girard singing meets at Afton the third Sunday in June at 2:00 o'clock. Come and bring your song book.

O. C. ARTHUR

The Secretary-Manager for the Spur Round-Up Association is one of the hardest working men in Spur for community interests. Mr. Arthur has practically assumed the responsibility for the success of the rodeo when he permitted them to select him as manager. There is no end to the amount of hard work he is doing to put that rodeo over and make it a good one. Mr. Arthur works early and late.

Attorney General Mann to Speak June 20

Attorney General Gerald C. Mann will speak to the citizens of Dickens County Friday morning, June 20, at eleven o'clock. He is in the race for United States Senator for Texas, and will present his claims to the people here in person that day.

The Attorney General has always been very courteous to his opponents. However, he is rather positive in his position. Recently at Paris he made the following statements as quoted in the Dallas Morning News:

"I have never and never will start anything I cannot finish. Gerald Mann doesn't let his friends down. Gerald Mann will not sell out. I am not only in this race to stay, I am in this race to win."

Mann asserted the lines have now been definitely drawn. "Without mincing words, this race has narrowed down to a contest between Gerald C. Mann and the Governor of Texas."

Mann cited Gov. Lee O'Daniel's support of his opponent in the attorney general race and added, "The people of Texas decided in my favor by according me a majority of 130,000 votes over the Governor's candidate."

He also reminded that the Governor had offered him the post of Chief Justice of the Texas Supreme Court.

"The Governor has found out on many occasions that Gerald Mann does not pussyfoot," he said.

He said the Governor had requested him to give an opinion on forty-five important matters during the last two and a half years.

"He has followed my opinions on all forty-five of these questions," Mann said.

Scouts at Camp Post Make Good Record

The Boy Scouts of Spur made a commendable record in their summer camp at Camp Post. Four members took the Order of the Arrow and one finished up the work. This is a camping order and is won only by the very select. Those taking the work were Scoutmaster McCombs, Alfred Walker, Leonard Wilson and Joe Ericson. Scoutmaster Cecil Fox finished up the work having started it two years before.

Joe Ericson went in for bird study and camping, and almost finished courses in both of them during the week.

The following advancements were recognized by the encampment as completed:

Tenderfoot—Bob Thurston.
Second Class Scout—Lane Ericson, Billy Scott and Billy Joe McCombs.

First Class—Jimmie Vernon.
Eagle Scout—Leonard Wilson.

The following merit badges were recognized:
Cooking—Lane Ericson and Billy Scott.

Indian Lore—Billy Joe McCombs.
(See Scouts on Back Page)

July First Is Registration Day

The President of the United States has proclaimed July 1, 1941 as registration day for men who have reached their twenty-first birthday since October 16, 1940. All men who on July 1 have reached their twenty-first birthday will present themselves to the local boards having jurisdiction over the address at which they reside and submit to registration. Men who are away from home will register with the board in the city in which they may happen to be on July 1, 1941.

ALL DICKENS COUNTY boys will register at the local Board office in the Court house in Dickens, Texas, between the hours of 8 a. m. and 6 p. m. July 1, 1941.

Any person who willfully neglects to register is subject to a maximum penalty of \$10,000 or 5 years in prison or both.

Work Ordered on Paving Highway And Harris Street

The highway department last week ordered work started on a project that will connect the pavement on Harris Street with the State Experiment Farm. Plans call for a gravel base and asphalt surfacing 47 feet wide for five blocks along Harris St. and 20 feet wide from Williams Ave. southwest to the State Farm.

The City of Spur has recently completed curbs and gutters on the section within the city limits, and the Dickens County Commissioners' Court has secured right of way for the entire length.

Cost of the 1.3 miles of pavement is estimate at \$21,311. The state highway department will contribute \$12,960 and the WPA \$8,351.

The project will give employment for three months to an estimated 65 men. Local labor will be used in the construction.

E. W. Mars, Senior Resident Engineer, will be in charge of the work.

Charles A. Taylor, secretary of the County Agricultural Conservation Administration, spent Tuesday in Lubbock attending a regional meeting of secretaries. Mr. Taylor brought back a lot of information which will be useful to the farmers in carrying out the county program.

A. C. HULL

Local druggist, a director in the Round-Up Association and is in charge of the ticket sales at the rodeo grounds. Mr. Hull has been talking rodeo and a good program for the past six months. In fact, some of his friends wonder if he ever stops talking about a good rodeo. He will supervise the ticket salesmen at the various gates during the two days of the show.

Baptist Revival in Progress

A series of revival services are in progress at the First Baptist Church and will continue through Sunday, June 22. Dr. W. R. White, noted evangelist and president of Hardin-Simmons University is doing the preaching and people report he is bringing some masterful messages.

D. C. Hamilton, an experienced singer and educational director of Lubbock, is in charge of the song service and is directing the young people's work. The singing is reported fine and many people are joining in to assist in this part of the services.

Services are being held each morning from ten o'clock until eleven, and each evening beginning at 8:15 o'clock with a song service program. Prayer meetings are being held each evening at various places.

The church and pastor extends a cordial welcome to everyone to attend these services.

Miss Bobbie Lou Watters

Who will be "Miss Spur" during the Spur Round-Up show here, June 20 and 21.

Miss Watters recently won high honors at the Fort Worth Fat Stock Show, and has carried off honors at many other rodeos in West Texas. She and her fine horse will be leading features in the rodeo next week.

Swimming Pool Open

The City Commission has made arrangements for Ross Culbert and Jeff Smart to take care of the municipal swimming pool this summer and give the people an opportunity to enjoy good swims. Both of these young men are expert swimmers and have served as life guards on a number of occasions. They will have additional help at the pool all the time, and people who go swimming may feel sure they will have assistance in event anyone should need it.

The pool opened Wednesday afternoon and a number of people were there to take their first plunge of the season.

The pool will not be open Sunday mornings because these young men feel that folk should attend church services. It will be open at 1:30 o'clock Sunday afternoons and will close again at 7:00 o'clock Sundays in order for people to attend church services at night.

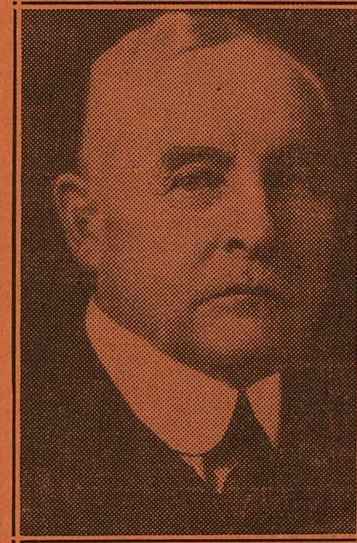

Prices for children 11 years of age and younger will be 10 cents; 17 years of age and younger, 15 cents, and adults will get to swim for 20 cents.

AMERICAN LEGION MEETING FRIDAY NIGHT

The Boyd M. Williams Post of the American Legion will hold a meeting in the Legion Hall Friday (tomorrow) night starting about eight o'clock. All Legionnaires and all World War Service Men are urged to be present.

The local Post wants to make arrangements for the district convention at Lubbock, and there are some important matters coming up and need to be looked after.

Memorial Services Each Night

C. A. JONES
The Father of Spur

Both Friday night and Saturday night, June 20 and 21 there will be a short memorial service held near the middle of each program of the rodeo. This exercise will be in memory of those early settlers who have passed on but whose memory still remains in the minds of the people. No names will be mentioned, but the exercises will be carried out and each person present may let their minds dwell on some one who was dear to them among those early day citizens.

It is remembered that the arena and stadium has been dedicated to the memory of Charles A. Jones, who has always been considered the "Father of Spur". The stadium is known as the Charles A. Jones Memorial Stadium, and the grounds upon which it is established was presented to the Spur schools by his two sons, Clifford B. Jones, president of Texas Technological College, and Hoyle Jones, business man of Tulsa, Oklahoma. It is thought this stadium is a timely place to hold these memorial services.

Head Officers of The Round-Up Association

R. L. (Bob) Westerman is spoken of as "Bob," and everyone knows who is meant by that statement. Mr. Westerman is a quiet type of man and is always ready to accept suggestions from others and appreciates their cooperation.

When the Round-Up Association was looking about for a president, they felt that Mr. Westerman should be the man because of his varied experiences in the live stock business and his knowledge of rodeo work. He was elected unanimously when his name went before the meeting, and he is proving his worth in rounding arrangement for the rodeo which will be next week. His advice and counsel has been sought continuously since arrangements started back in March, and his suggestions have always been sound.

Those who have been put in responsible places say that Mr. Westerman is a very valuable man as president of the association, and his quiet way of suggesting things encourages his helpers to work with more zeal. He is a ranchman and this brings him in touch with riders all over the country.

The Vice-President

In securing the next officer in rank, it was again decided to get a cattle man who knows when a bronc is really bucking, or is just pretending to buck. O. M. McGinty who has spent his life in ranch work, was unanimously selected as vice president of the Round-Up Association. Mr. McGinty has had plenty of experience with rodeos and he is proving a very valuable officer this year.

Mr. McGinty has rendered excellent service both as an officer and as a director in the association and his judgement has always been sound in

Stage Set for Two-Days Show at Stadium

The final touches are being made for the big annual Spur Round-Up and Rodeo which will be held at the Charles A. Jones Memorial Stadium Friday and Saturday of next week. The big show actually starts Thursday night when the Negroes of the country will complete their Emancipation Day celebration with a big rodeo performance.

Attorney General Gerald C. Mann will make an address at eleven o'clock Friday morning and the big parade will begin at 12:30 noon, with all the sponsors both out of town and local will ride up Burlington Avenue and to the arena where a grand entry will be made. This procession will be headed by the American Flag carried by Edd Fuqua, one of the early cowboys of this country.

The first performance will start at two o'clock Friday afternoon when the fast riding and high jumping of broncs will take place. The second show will be at eight o'clock Friday night, and the performances will be repeated at about the same hours Saturday afternoon and Saturday night.

Boosters are leaving this morning for points north and west to contact as many towns and communities as possible to advertise the rodeo. Another bunch will leave tomorrow morning and again Saturday morning and the entire country for 100 miles around will hear about the Spur Round-Up and Rodeo.

Everyone get ready now to be in Spur next week and enjoy another good time Friday and Saturday, June 20 and 21.

Marriages Are Off in May

The County Clerk reports that only two marriage licenses were issued during the month of May. One of these was issued the first day of May to Foy Jackson and Miss Jacqueline Stubblefield. The other was issued May 2 to Paul Stanford and Miss Vera Davis.

There were two other sets of licenses issued but the contracting parties requested their names not to be published. But matrimonial business in the county was very light for the entire month of May.

T. E. MILAM

Who is president of the Spur Civic Club and is one of the best boosters Spur has ever had. Mr. Milam operates a variety store more to pay expenses while he works for the community. As head of the business men's organization he cooperated with ject on West Harris Street, and now the City of Spur to get a paving project lending his efforts to make the next Spur Round-Up Rodeo the best in history. Spur has always had an excellent show, but Mr. Milam says it is going to be better this year.

every decision. He does not always agree with all the others, but he always has a sound reason for every thing.

It is not often that two officials are selected to lead any organization who have proven as valuable as have Mr. Westerman and Mr. McGinty.

WE WELCOME YOU TO SPUR'S RODEO AND GOLDEN ANNIVERSARY CELEBRATION JUNE 20 and 21

Lonnie Lewis
Has not been just a colt, but has been a full sized draft horse in the interest of the Spur Round-Up, June 20 and 21. He pulls wherever hitched. You will enjoy his smile and pleasant welcome.

Our City of Spur

The City of Spur was started November 1, 1909 and has furnished an abode for many people since that date. It was just a settlement of country people on a wide expanse of prairie and the customs of the country have been carried in the spirit of the town until this day. Spur continues to be made up of country people assembled in a settlement, and all of the citizens still enjoy the country ways. Spur was incorporated into a city in the early part of 1910. George S. Link was the first Mayor of Spur. Everyone knows that Mr. Link's hobby is a clean city and he used his influence in that manner. Since its beginning Spur has always had excellent city offices. A city water works was about the first public improvement attempted by the Citizens of Spur. A bond issue of \$22,000 was voted to establish this improvement. Another bond election was held in December, 1924, when \$58,000 was voted to extend the water works and to install a first class sewer system. This work was carried out during the spring and summer of 1925 and most of the business houses and residences of the city were given sewer service beginning in September of that year. John King was mayor at that time. This brought Spur up to par with many larger cities. Spur enjoyed a privately owned light plant under the very efficient management of M. A. (Pap) Lea and Roy Stovall. This firm sold to the West Texas Utilities Co. in 1927. In the fall of 1929 a movement started to secure a municipally owned light plant and the present city plant started operations April 1, 1930. With this addition, Spur has always had the most efficient electrical service of any town in Texas, being served by two plants. Ned Hogan was mayor at that time. The question of a City Hall was always being brought up. In 1935 the building formerly owned by the City National Bank was offered for sale, and Judge E. J. Cowan, then our mayor, made a trip to Fort Worth and bought the building to take care of the city records. The city employees now enjoy a nice office and there is plenty of room for the City Commissioners to hold all their meetings and transact all business. The city hall is conveniently located near the center of the business section where everyone can reach it, and where strangers coming to our city to loof after business may find the city officials. The first paving project for Spur was in 1929. That year, under the leadership of Chas. Whitener, the people executed notes and liens on property for paving purposes to the extent of about \$26,000. Five blocks in the business section were paved with heavy concrete slab. A this time Burlington Avenue is paved to Hill Street and all of Hill Street entirely across the city is paved, being part of Highway 70, in which the city joined in paving. In the early part of this year, 141, contracts were made and citizens have signed to get Harris Street paved all the way from Willard Avenue to the west side of the city. This work has not been completed yet, but no doubt will be finished by fall. Spur has very efficient officers with Dr. M. H. Brannen as Mayor, G. H. Snider as Street Commissioner and Roy Stovall as Water Commissioner. Truman Green is manager of utilities, Miss Sibyl McDaniel is keeper of records and Miss Oleta Reid is assistant. Our tax rate is 80 cents.

Marriage Announced

Mr. and Mrs. B. L. Pickens, of Dry Lake country, announce the marriage of their daughter, Miss Ione Pickens, to Mr. Lewis Hickman, of McAdoo. They were married August 26, 1940.

Mrs. Hickman is a graduate of the Spur High School and Draughons Business College of Lubbock. For the past two years she has been employed with the Elliott Appliance Co. of Spur.

Mr. Hickman is a graduate of McAdoo High School. They plan to take up their residence in McAdoo next week.

Miss June Lisenby, a student of Draughon's Business College, Abilene, Texas, was one of the nineteen highest ranking students whose names appeared on the Honor Roll this term.

Pioneers of Dickens County We Congratulate You Spur Trading Post

Monk Rucker The Peg Man

In the early history of Spur Monk Rucker started out with a last, stand hammer, some pegs and tacks, a sewing awl, wax and flax thread as a shoe repair man. Today he has one of the best equipped shops found in Texas. He knew his business and the quality of his work developed confidence among the people and he has been going in high ever since. He has placed his earning back into first class equipment and today he is prepared, not only to repair boots and shoes, but to manufacture them and give quality work. He has a number of antiques and relics in his shop which is a fair history of early days. He is an old cowboy and knows what the cowboys need in boot work. He had always been a booster for the Spur rodeo, and rodeo visitors will find his shoes and boot shop an interesting place.

Clover Farm Store Has Modern Grocery

The Clover Farm Store is one of those large grocery stores that any town in Texas would be glad to have. It is located in a nice fifty foot front building and carries a great variety of good things to eat. This business as started in Spur, March 27, 1937 and has just passed the fourth anniversary since it was established. It is owned and operated by Mr. and Mrs. Hollis Atkeison, formerly of Haskell, and who have had 14 years of experience in the business. Mr. Atkeison has been reared in a grocery store since his father is a

groceryman and his two brothers have followed that business all their lives. Yes, they own and operate Clover Farm stores. The Clover Farm Store here carries a very large stock of groceries, and it is difficult for a customer to ask for any article of food which is not handled by this firm. The business is operated on the helpy-selfy manner, but in event a customer needs assistance there is always a clerk close by ready to render any needed service. Everything in the store is in plain view of everybody, and all prices are marked in figures which everyone may read. When a customer gets to the package counter they already know the amount of their bill. In addition the large line of groceries, this firm operates a modern meat market where all kinds of meats

opinion they went out into the city to investigate a location. They came in contact with Walter Sample who operated the Spot Cash Grocery, and asked him what he would take for his building. He made a price and Messrs. Schwarz and Golding proceeded to write a check and told him to make

his titles good. Mr. Sample stood hitched on the deal, but he was the busiest man you ever saw hustling around to get another building for his grocery.

B. Schwarz and Son opened a store in its present locataion the first of October, 1925, and have been going in high ever since. The business so increased that an addition to the store building was built and larger stocks installed. Soon the room was inadequate and another addition to the building was made and a balcony included to give more room. The shoe department was newly arranged and made more compact and the extra space was filled with high classed merchandise. Today this is one of the busiest stores in West Texas and people go there to trade by hundreds at a time.

M. C. Golding became the manager and he has put more pep and personality into the business than is found in many large city stores. He and Mrs. Golding have worked, not so much to make profits, but to serve the people, and they have given the public a line of merchandise second to none.

Mr. Golding has taken much interest in community affairs. He is a past president of the Chamber of Commerce, at present a director of the Spur Civic Club, is a member of the Boy Scout committee for the Eastern District, and although a Jew, he contribute liberally to the churches in the community and is always ready to give benevolent aid where needed. Truly, B. Schwarz & Son are an institution of service.

See These Dresses in Our Window

Ericson's Grocery and Market

This business bears the name of its founder, Lester Ericson, one of the early day cowboys of this country. Mr. Ericson started into the grocery business in 1928, working for Spot Cash Grocery where he gave nearly four years of good service. He went into business for himself in 1932, opening his doors January 2 of that year and was located in the Luce building. After the Bailey Grocery closed out he moved into that building where he had worked for the Spot Cash Grocery and last October he moved into his present location where the City Grocery had been a long time.

The Ericson's Grocery carries a good line of staple and seasonable groceries, fresh vegetables and fruits and an excellent market service. Mr. Ericson stated that in the early days he wrestled with beef with a rope and is still wrestling with beef in quarters with a knife. Also, he sells Spur cheese and Espuela brand butter, and everything else of home produced stuff to eat.

He invites rodeo visitors to come to his store and make themselves at home.

Sunshine Service Station

The Sunshine Service Station under its present management began January 6, 1940. C. H. Lodel, who has the Sinclair Agency, leased the building from Mrs. P. A. Ramsey and opened a complete Sinclair Station. The station carries a complete line of Goodrich tires and tubes, and many accessories in addition to a complete line of Sinclair products. A wash and grease and polishing service is furnished with the most modern equipment.

In January of this year a complete repair shop was installed and the business of repairing and servicing cars went into operation. This part of the business has rendered excellent service, and all makes of cars are repaired.

The agency for Buick automobiles was secured the first of the year and the first car was received in March. This is a car that anyone would feel glad to own and the sales have met with satisfied customers. They can supply anyone with most any priced car they might want.

Homer Whitwell is the local manager, and his careful attention to the people has meant business to the firm.

Mr. and Mrs. Jack Simms, of Afton, are the proud parents of a daughter born at Nichols Sanitarium Tuesday morning. The little lady weighed nine and a half pounds and has been named Mary Yvonne. Both the mother and daughter are doing fine.

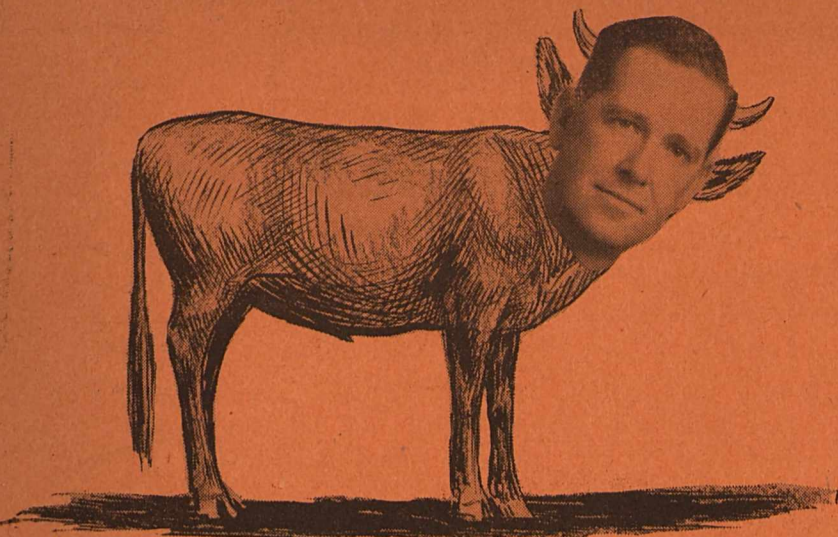

C. Darden and family, of Aspermont, moved to our city Tuesday and are now citizens among us. In fact, Mr. Darden is just coming back home. He will work for Godfrey and Smart and will be in the used car department.

Miss Ozella Drennen, of Dickens, is visiting friends in Post this week and she will enter a beauty school at Lubbock Monday to train for a beautician. She is a graduate of Dickens High School.

Mrs. W. A. Drennan, of Wichita community, was in our city Wednesday doing some shopping.

Miss Idalee Golding is in Houston this week visiting her brother, Bernard Golding, and her aunt.

Mr. and Mrs. Jim McArthur, of Red Mud, were in town Saturday attending to business and greeting friends.

A. C. HULL

A director of the Round-Up Association and has had the bull passed to him by being made chairman of the ticket committee. He is a farmer and a pill roller and always has a bellow for the rodeo.

The Food-Way Sore Has Good Foods

The Food-Way Store has been in our city so long that it has become an established institution that handles good things to eat. It carries one of the most complete lines of groceries found in any store and people can secure most anything they need in food lines.

The business is owned and operated by M. H. Costolow, who has had many years experience in the grocery business. He came to us from Paducah and Spur gained a good grocer when he landed in our town. Competent clerks are always ready to assist customers and they make your grocery buying a real pleasure.

Pyorrhea May Follow Neglect

Hill Top Service Station A Busy Place

The Hill Top Service Station was the first business house in that section of town. It is the first place you find coming into town from the north, and the last place you leave going out the same direction.

The business was started in 1932 by Charlie Kearney, and people generally thought it could not be made a success because of its location. Mr. Kearney started in on a small scale and has built the business up to one of the best in Spur. Seeing the need of a community grocery, he added a small grocery stock to the business. Now he has one of the most complete grocery stocks in town.

The Hill Top is a busy place because people get excellent consideration when they visit there. Closely associated to the Hill Top Cafe, and with adequate camping ground nearby many people traveling through the country stop at the Hill Top to enjoy a rest and have all their needs conveniently at the Hill Top Service Station.

Rodeo guests will find the Hill Top a great place where they will get service in a great way.

Miss Ella Warswick of Dickens, went to San Antonio last week to bring her mother, Mrs. Bennie Warswick, home. Mrs. Warswick has been very ill but is much improved.

Miss Ethel Green Becomes Bride of Everett McArthur

The wedding of Miss Ethel Green, daughter of Mr. and Mrs. John I. Green of 1938 Ave. N, Lubbock and Everett McArthur, son of Mr. and Mrs. E. S. McArthur, of Spur, took place Saturday evening, June 7, at 8 o'clock at the First Methodist Church at Spur.

Rev. H. L. Thurston officiated with a double ring ceremony. The rings were gold hand carved orange blossoms.

Wild Queen Ann's Lace and Yucca blooms were used with white candles to carry out a white color scheme.

Miss Fern Holland of Lubbock played a medley of songs: "Indian Love Song," "Because," "I Love You Truly," following the lighting of the candles by the ushers, David Sisto and Spencer Campbell.

Miss Ina Bacon of Lubbock sang the song "Until". She wore a green dot swiss dress with a corsage of white gladioli.

The processional was "The Bridal Chorus" by Wagner and the recessional was "Wedding March" by Mendelssohn.

Mr. Herman McArthur of Gladioli, New Mexico served his cousin as best man.

The bride was dressed in a floor length white pique and a finger tip illusion veil. Her bouquet was of white asters.

Maid of honor was Miss Mary Green of Southland, sister of the bride. She wore a dark blue dotted swiss with a corsage of white gladioli.

During the ceremony Miss Holland played "To A Wild Rose" by McDowell.

Following the ceremony the wedding cake was served to the wedding party, relatives of the couple and out of town guests at the home of Dr. and Mrs. P. C. Nichols. Martha Nichols, Beatrice Spivey, and Doris Arthur served punch with the wedding cake to the guests.

The bride is a graduate of Lubbock High School and Texas Technological College. The past three years she has been teaching homemaking in the Spur High School.

Mr. McArthur is a graduate of Spur High School and is in the five stock business.

The couple will be at home in Spur. Out of town guests were: Mr. and Mrs. John I. Green, of Lubbock; Mr. Lex Green, Los Angeles, Calif.; Mrs. Bell Wallace, Jonesboro, Ark.; Mr. and Mrs. Charles Brock, Ralls, and Mr. and Mrs. Hermon McArthur, Gladioli, New Mexico.

Misses Beatrice Spivey, Leona Gelin, Effie Lou Keaster, Louise Walforth, Hoyce Johnson, all of Lubbock.

Others attending were: Mr. and Mrs. E. S. McArthur, Mrs. Floyd Barnett, Betty Jo Barnett, Mr. and Mrs. W. G. Hinson, Mr. and Mrs. J. R. McArthur, Mr. and Mrs. H. L. Thurston, Mrs. Thurmond Moore, Thurmond Moore, Jr., John Haden Moore, Spencer Campbell, David Sisto, Doris Arthur, and Martha Nichols.

The Corner Cafe

The Corner Cafe is one of the landmarks in Spur, being among the first established cafes in town. Mr. and Mrs. R. J. Bell are the owners and they make a specialty of good things to eat. Mr. Bell does the cooking and he is an artist at the job, and people who once visit the Corner Cafe always want to make a return visit.

All rodeo visitors will find a welcome at the Corner Cafe and will be greeted with a smile. They will receive first class service and will want to return for another good meal.

Hill Top Cafe Serves Good Food

The Hill Top Cafe, which is located at about the highest point in Spur, is one of the neatest places to secure the best meal that can be found anywhere. It is located conveniently over the hill from the Charles A. Jones Memorial Stadium where the rodeo will be held, and gives 24-hour per day service for the accommodation of the rodeo visitors. Mr. and Mrs. Truett Hutto own and operate this nice cafe, and they show an appreciation of their customers by giving them a real service that everyone enjoys.

Rodeo visitors will find a welcome at the Hill Top Cafe that will make them want to come back.

Mrs. Smith's Cafe

This is one of the neat eating places in Spur and has always held a good patronage with the people. Good foods served nicely and at economical prices. The business is owned and operated by Mrs. Alva Smith who has been serving meals to people several years.

Rodeo people will find this cafe very inviting and will receive the best of service with excellent meals when they visit there.

Good Eats Cafe

The service and quality of foods suggest the name of this cafe. It is owned and operated by Bob Fox who has had plenty of experience in the business and specializes in good foods. Mr. Fox makes a study of his business and tries to serve meals that have real value.

People visiting the Spur Round-Up will want to pay the Good Eats

Cafe a visit and enjoy good foods and a pleasant lunch period.

BRANCH LIBRARY AT DICKENS

A branch of the Dickens County Library has been placed at Dickens for the accommodation of the people. Books will be at the County Superintendent's office where a record will be kept. People will sign for books and take the home and read them.

RODEO EATING HEADQUARTERS

Bell's Cafe Pioneer in Spur

The Bell's Cafe, which is owned and operated by Mr. and Mrs. W. A. Bell, is the oldest business of its kind in Spur, yet one of the most up to date. It was established in the early days of the town and has enjoyed a good patronage since it started business.

There is a large run of tables besides a large counter service, and people who visit this cafe can always get good service. Mr. Bell is an experienced cook and always employs experience help, and rodeo people will find this a good place when hungry. Air conditioned and comfortable.

The Spur Cafe Is New and Modern

The Spur Cafe is owned and operated by Mr. and Mrs. A. Griffith and is a clean and neat place to get a good meal.

Mr. Griffith takes care of the cooking and Ms. Griffith supervises and assists with waiting the tables. There is a corp of neat young ladies, dressed in uniforms to assist customers in getting a good meal and they are glad to see that orders are correctly issued.

Rodeo people will find excellent food, and first class service at the Spur Cafe, and there always will be a welcome waiting you. Air-conditioned and comfortable.

Clyde Latham is off the job at this time as the result of an infected foot. Doctors advised him to be quiet a few days and give the wound time to heal.

VISITS SISTER HERE

Mr. and Mrs. E. N. Hall, of Sun
 Dance, Ariz., are house guests of Mr.
 and Mrs. C. H. Elliott at this time.
 Mrs. Hall is a sister to Mrs. Elliott
 and this is the first time she has
 visited her sister since Mr. and Mrs.
 Elliott have been married. They
 are enjoying a real time at the present.
 It is possible Mr. and Mrs.
 Hall will stay over for the rodeo.

**Statistics Show Mann
 Is Leading
 in Texas Senate Race**

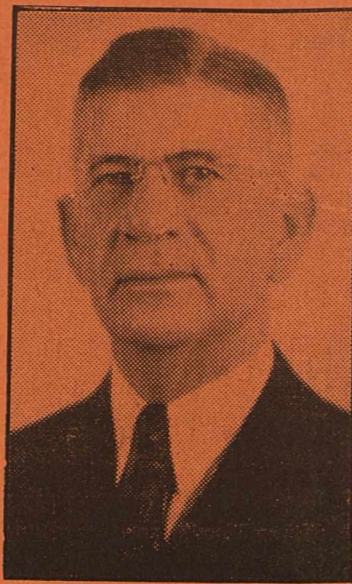

Joe Belden's report on the United
 States Senator race in the Sunday
 issue of the Dallas Morning News,
 shows that Attorney General Mann is
 leading the other candidates in the
 vote survey made. Governor O'Daniel
 had been considered the leading candi-
 date up until that time, but it ap-
 pears that the Attorney General has
 passed him and it looks as if now it
 will be a landslide for Mann.

The poll as given in per cent of
 votes consulted were as follows:

	Per Cent
Attorney General Mann	27.0
Governor O'Daniel	25.6
Congressman Dies	23.7
Congressman Johnson	19.4
All others	4.3

These are the returns as quoted by
 those who are in position to know.

**Henry Alexander
 And Company**

HENRY ALEXANDER

This is one of the live businesses
 of our city and is serving a field
 that no other business in town is
 serving. It is exclusively a ready to
 wear where both ladies and men will
 find those exclusive articles which are
 distinguishing.

The business was installed in Spur
 in 1932 and replaced the Kellam Dry
 Goods Company. Henry Alexander,
 the manager, bought the Kellam stock
 which was a good one and opened
 business in the Nellie J. Davis build-
 ing by what is now the city office.
 Later a lease was secured on the first
 floor of the E. J. Cowan building and
 the business was moved there where
 it has enjoyed a nice patronage for
 which the entire personnel appreciates.

You will find exclusive lines
 ready to wear. Ladies especially get
 much pleasure trading at this store.

Men find outstanding merchandise
 that they enjoy wearing at Henry
 Alexander. W. P. Foster has charge
 of shoes and men's apparel.

Mrs. Henry Alexander and Miss
 Dorothy Love are ready to assist the
 ladies.

Henry Alexander Store is one of
 the exclusive stores for men and wo-
 men offering quality merchandise
 lines that will be found in the best
 stores over the country.

**Spur Produce
 Helpful Business**

The Spur Produce was established
 in 1917 by J. C. Miller who saw the
 need of a market for farm produce.
 The business was bought by H. E.
 Blendon in 1923 and he conducted it
 along the lines of serving the farmers
 with a market for their poultry and
 eggs.

Carl Murray took charge of the
 business in 1936 and has added dif-
 ferent fields of service to it. He and
 Mrs. Murray are found on the job
 from early morning until late in the
 evening looking after the marketing
 features of the people's produce.

They buy cream, poultry, eggs and
 hides and scrap metals such as copper
 and brass. They always pay the top
 price in their lines.

Mr. and Mrs. Gene Bass, of Spur,
 are moving to McAdoo. They will
 be in charge of the telephone office
 it is reported.

Miss Sbyle Harvey, of Lubbock,
 is here visiting her parents, Mr. and
 Mrs. Will Harvey.

Mr. and Mrs. Clayton Snow and lit-
 tle son Darol, have moved to Saint
 Jo Texas.

Spur Tailors

This business was established in
 Spur in January, 1930, by John A.
 Moore and D. D. D'wody. The busi-
 ness was first located where Holly's
 Insurance office is now. These men
 were in charge of the business until
 October of that year when Mr. Moore
 purchased the Dunwoody interest and
 continued to manage it personally.

In the early part of 1937 the new
 business home was erected on East
 Harris and the business moved into
 it in June of that year. The business
 has always enjoyed a good patronage
 and today is serving a large territory.

Seeing the need of extra service Mr.
 Moore installed a hat blocking service
 in 1934 and has rendered quite a lot
 of service in that line. Hats are
 cleaned and blocked in first class or-
 der.

They specialize in fine fabrics and
 silks, and rodeo visitors will find first
 class service at Spur Tailors if they
 care to use it.

**Phillips 66 Service
 Station**

This business was established by
 L. E. Barker in 1938. It was started
 as a new business and has enjoyed
 a good patronage all along. Clarence
 Foreman bought the business about
 one year ago and the excellent ser-
 vice he has given the people has kept
 the business in high.

The Phillips 66 Service Station han-
 dles a complete line of Phillips 66
 products including 66 gasoline, oils
 and various other products. They
 have a wash and grease department
 that is second to none in the country.
 People attending the rodeo will find
 this service station up to their expec-
 tations and will receive the best.

**Young People
 Return From Assembly**

Louise Ince, Betty Jo Woodrum,
 Edward Johnson, and Bob Wilson re-
 turned the past week from the North-
 west Texas Conference Annual As-
 sembly at McMurry College for Young
 People. Each of these young peo-
 ple report an excellent week of train-
 ing in Work, Worship and Recreation.
 More than 300 were registered for
 the assembly.

Three of these young people learn-

ed from Rev. W. E. Hamilton, of Lub-
 bock, the plan for the Young People
 under the United Methodist Church.
 As soon as material and information
 is available the local chapter will or-
 ganize under that plan.

These young people were sent by
 monies acquired by the local chapter
 by systematic giving and other sour-
 ces. A number express a desire to
 attend the training school next year.

**PIONEER
 DAYS**

**OUR RESPECTS TO
 THE PIONEERS**

As a new day dawns in the develop-
 ment of Dickens County, we are glad to
 pause from our work to pay our respect
 to the pioneer citizens whose vision and
 sacrifices laid the foundation upon
 which the structure of this community
 has been built. We honor their memory,
 knowing that the work they have done
 and the lesson they have taught will ever
 be useful in the future.

In paying these respects we also have
 in mind the accomplishment of the Old
 Settlers as they celebrate their 50th
 Anniversary.

We offer our congratulations.

TRUCK CAPSIZES AND EGGS ARE SCRAMBLED

A large truck from Lubbock going east on highway 82 turned over on the highway a mile or two east of Dickens Friday night and was badly wrecked. The driver seemed to have applied his brakes rather abruptly which caused him to lose control of the truck. The truck turned across the highway and into the barrow ditch on the north side which caused it to turn over. The cab was torn off, two wheels released, and other damages.

The truck was loaded with 400 cases of eggs which were scrambled after the wreck. Eggs broken run down the barrow ditch a foot deep and settled in a pool. Workers pulled out the cases and salvaged about 100 cases and salvaged about 100 cases which was all that were left of the entire load.

Mrs. Cap McNeil and children are at Houston visiting relatives. They expect to be gone most of the summer.

Negro Citizens on Booster Trip

MRS. J. E. HYNES

Booster for Negro Rodeo
Willie Goldstein, Kelley Bolden and several carloads of other Negro citizens are spending this week advertising their June 19th celebration program, and are especially emphasizing the Negro rodeo which will be held at the rodeo arena Thursday night, June 19.

The Negro Citizens Council are getting up the June 19 program which consists of a big parade at ten o'clock Thursday morning, two big ball games in the afternoon, a big barbecue and the Negro Rodeo that night. All the program of the day is the outlined plan made by the Negroes and they have a good program in the making. The rodeo at night will be their play with the exception that the Spur Round-Up Association is furnishing the stock, the judges and the arena managers. All contestants will perform for prizes.

There will be a small admission charge made at the Negro Rodeo of ten cent and 25 cents to all Negro citizens and 15 cents and 35 cents to all white people. That much fun is worth more money but our Negro citizens want to give the people a real treat.

Negro citizens who went on the booster trip for June 19 celebration were: Bob Putman and wife, Ethelee Jones, W. M. Goldstein and wife, S. N. Jones, Frank McGill, Charlie Mitchell, J. P. Burrell, A. D. Williams and Bully Lockridge.

They visited every town within 50 miles of Spur and scattered literature and invited people to be present

Welcome

SPUR CAFE

for June 19. The main feature advertised was the Negro rodeo which will take place that night.

The Negro citizens say they are going to give a good show that night, and show all visitors a good time during the day.

Library News

At a meeting of the Advisory committee of the Dickens County Public Library last Thursday, Mrs. Nell Davis was appointed general chairman; Mr. Elton Cook, finance chairman; Mrs. George Glover, chairman of the monthly library tag sale in Spur; Mrs. Willow Street and Mrs. Speer tag sales chairman in Dickens and Mrs. John Formby and Mrs. Eldridge at McAdoo.

A publicity committee was nominated as follows: Mrs. Malcom Brannen, Mrs. Thurmond Moore, and Mrs. Robert Reynolds.

It was decided to invite Mr. Arthur Curry, State Supervisor of Libraries for the W. P. A. to meet with the local committee the second week in July.

It was voted to offer library tags for sale in Spur on the first Saturday of each month. Ten dollars has already been contributed in this way. And the committee wishes to thank all those who have donated by buying a tag.

Donations in any amount will be gladly accepted by Mr. Cook or any of his committee at any time.

Help your library grow.

McADOO

Mr. and Mrs. R. L. Cates, of Lubbock, were here this week end to see her father, Mac Brantley.

Mr. and Mrs. O. S. Harvey were in Dickens, Sunday to see Mrs. Harvey's mother and other relatives.

Mr. and Mrs. Anderson, of Stamford, were here Sunday to see Mrs. Anderson's parents, Mr. and Mrs. G. W. Allen and other relatives.

Mrs. C. Gollihar and Mrs. J. B. Baker made a business trip to Lubbock the first of the week.

Darris Eggar, of McMurry College, is at home also.

IMPROVING

The latest report from Mrs. Edwin H. Boedecker said that she seems to be improving slowly and now has a chance to recover. She had been in a state of coma the past two weeks and she was thought dead at two different times, but has rallied.

Lee Griffin student of T. W. C., Fort Worth, will spend a few weeks with his parents. He will enter college the second term of summer school.

Scouts

(Continued from Page 1)

Marksmanship—Alfred Walker and George Walker.

Archery—Calvin Simmons and Jimmie Vernon, both 15 paces and 20 paces.

These advancements and awards will be made at the next Court of Honor to be held in July.

Troop 35 of Spur won the swim trophy at the camp. There were only seven boys of the troop to enter and they went up against another troop of 28 boys to win. Spur's team were Lane Ericson, Alfred Walker, George, Billy Scott, Billy Joe McCombs, Jimmie Vernon, and Leonard Wilson.

The Spur Scouts won the trophy by 15 points.

Also, Spur Troop 35 made an A-rating in camping during the week which is a fine record. All the boys say they enjoyed the best time of their life at camp.
