NUMBER 44

SPUR SCHOOL ENROLLMENT EXCEEDS LAST YEAR

Start With Great Enthusiasm

With 753 students that have already registered for work by Wednesday of this week, Spur schools are starting out with a much increased student body over last year. There are 251 in high school, 205 in grammar school and 297 in East Ward.

All of the schools in the Spur School System started their regular terms Monday morning at 8:45. It is understood that 8:45 is going to be the opening hour each day at this time and class work may close at 3:45 in the afternoon. The school term opened with a prayer for the proper training of the youths of our community. Rev. H. L. Thurston, of the First Methodist Church, gave the invocation.

Supt. O. C. Thomas in his opening remarks stated that he expected to do everything he could to make the school a success this year, and admonished both the pupils and patrons to join with the faculty with the aim of a good school this year. He stated that some of the teachers had resigned at the last hour. Leonard King, who was to have taught band and World History, accepted a position with the Cisco schools, leaving Sunday for that point. Miss Ina Bacon, who has been teaching Public School Music, resigned to accept a similar position in Plainview City schools. These two places had not been filled when school started Monday. Miss Nelda Vaughter, a teacher in East Ward, had accepted a position in another school, but the place had been filled by the Board and the classes were in progress Monday and until the present.

There have been seven schools that have contracted into Spur schools this year. These are Duck Creek, Wilson Draw, Highway, Peaceful Hill, Red Mud, Spring Creek and Higgins. Duck Creek, Higgins and Red Mud are all new schools coming in this year. The others have been contracting in formerly. Dry Lake school sends all high school students to Spur, but the first seven grades are taught there, two teachers doing the work. The school coordinates with Spur schools for that reason.

G. B. Wadzeck, High School Principal, announced that there would be eight High School class periods each day. Bells, or signals would designate the periods and classes would meet regularly. All pupils in High School who had not registered were asked to meet in the main office Monday and complete registration. There were several pupils who had not registered, although two days were spent last week registering pupils in High School work.

Robert Williams, Grammar School Principal, made announcements for that school. Opening exercises for both schools were held at the same hour in the High School auditorium. He told first year High School pupils that he hoped they would not let him down, but would do the best type of work in their first year of High School. He was their principal last year. Teachers met classes Monday in the Grammar School and lesson assignments were made.

Deputy State Superintendent J. C. Jernigan will be in Dickens County next week for one day only. His visit will be used in making temporary check-up of applications for equalization aid. This work will be done in the office of the County Superintendent.

All applications for aid should be in the County Superintendent's office this week and be ready for the Deputy State Superintendent to inspect.

Also, he will make a check of teacher training and service records while here.

Miss Doris Phillips, of Childress, who had been visiting her uncle and aunt, Mr. and Mrs. George Nally, and her grandparents, Mr. and Mrs. S. H. Nally, of Soldier Mound community, returned to her home Tuesday.

Deputy State Superintendent Coming

Deputy State Superintendent J. C. Jernigan will be in Dickens County next week for one day only. His visit will be used in making temporary check-up of applications for equalization aid. This work will be done in the office of the County Superintendent.

All applications for aid should be in the County Superintendent's office this week and be ready for the Deputy State Superintendent to inspect.

Also, he will make a check of teacher training and service records while here.

Miss Doris Phillips, of Childress, who had been visiting her uncle and aunt, Mr. and Mrs. George Nally, and her grandparents, Mr. and Mrs. S. H. Nally, of Soldier Mound community, returned to her home Tuesday.

Co. Baptist Association Hold Meeting Here

Five Civilian Air Defense Stations for County

The War Department at Washington has made a set-up for five civilian air defense stations to be established in Dickens County. In fact, the stations were already established by the War Department before any one here knew anything about the work.

One of these stations is located just east of McAdoo, one on the M. B. Gage farm in East Afton, one just west of Dickens, one at Red Mud School, and one two miles south of Spur.

The organizers for the county are: For McAdoo, Chas. McLaughlin, East Afton, George Pierce, Dickens, Fred Arrington, Red Mud, Billy Elliot, Spur, L. E. Lee.

The county council on the work is composed of the County Commissioners Court, Mack Woodrum as secretary, Lonnie Lewis, John Sharp, Ty Allen, R. R. Wooten, Lee Mims and Wade McDaniel.

A meeting is expected to be called soon and further plans formulated. The organizers will select their reporters or watchmen, and a short school of instruction will be inaugurated. There is quite a lot of information that the War Department is wanting in this work.

Football Meeting Thursday Night

A meeting will be held in the American Legion Hall over the Clover Farm Store Thursday night (tonight) starting about eight o'clock to discuss organizing a Quarter-Back Club. This meeting will be held after the Pep Squad meeting.

A nice program will be carried out. Jack Christian will discuss changes in 1941 rules. Coach Duckworth will talk on the merits of the 1941 team.

The school board has selected an athlete committee composed of Ty Allen, Lester Ericson and Jack Reitor. G. B. Wadzeck, high school principal, will be in charge of the meeting.

People are invited to be present at the meeting.

Poison Being Applied

There are quite a number of farmers who are poisoning cotton leaf worms at this time. Little actual damage has been done up to date so far in Dickens County by the cotton leaf worms. However, worms are numerous enough in several fields to justify poisoning, especially in the younger cotton.

The County Agriculture Department feels that cotton will not be hurt if the worms do destroy a few of the top leaves, but they admonish farmers to watch their cotton for the next week or ten days. Poisoning should be begun when the worms make the cotton begin to look ragged. The worm conditions have been brought under control within a few hours by poisoning.

Calcium arsenate has been recommended by the Agricultural Extension Department for leaf worm poisoning. It can be applied at the rate of four to five pounds per acre as a dust, or about two pounds per acre as a spray. Either method is good.

Production Credit Association to Meet in Spur

A meeting of the Stamford Production Credit Association will be held at the Spur Theatre building at ten o'clock tomorrow. All members and their wives are especially invited and other people are asked to attend. The meeting will last about two hours, according to M. L. Rickels, local manager.

At the noon hour a chuck wagon dinner will be served at the Swenson Park just north of town.

The churches in the Dickens County Baptist Association went into session with the First Baptist Church at Spur being the host church for the meeting Tuesday morning. The seating of messengers in regular order was the first item of business and this was followed by the election of officers.

Officers for the new year are: Moderator, Rev. H. L. Burnam of Spur.

Assistant Moderator, George Hicks of Afton. Clerk, Mrs. H. C. Gruben of Spur. Members of the District Board for District 9 elected are: Rev. H. L. Burnam, Rev. W. F. Pool and Rev. C. R. Joyner.

J. W. Bruner, of Dallas, spoke on orphan home work and stated the outline of work at the Buckner Orphan's Home at Dallas. By chart he showed the work that is being done in that institution. The Buckner Orphan's Home is supported by contributions from the churches in Texas direct.

Rev. J. Lowell Ponder, missionary for District 9, spoke on the district work for the year. Rev. Ponder stated that the expense for the district work amounts to about 40 cent per month per church member.

He emphasized the fact that with increasing expenses that few pastors in the district are receiving sufficient salary to carry them through. He stated that if a minister has to spend his energy worrying over his financial conditions that he cannot do his best preaching to the church.

Sunday School week was announced to be December 8-12 and Baptist Training Union week will be January 19-23. The District Missionary stated he hoped that every church would arrange for training courses in both of these departments at the above stated times.

Letters from the various churches were filed and summary and minutes were read.

Other reports were received during the day. A good sermon was enjoyed, Rev. Clarence Coffman bringing the sermon.

Wednesday morning the remaining reports on different phases of the work were heard and approved. Other business of the work was transacted and the plans for the year were outlined. The association in no way has any jurisdiction over any church. It is merely a planning body that makes inventory of the work done and then makes recommendation for the future. The churches then must decide if they want to carry out the plans.

Tuesday night was taken up in reports. Dr. Stewart of Plainview, spoke on Christian Education at the evening session.

Wednesday morning a few reports were received. A new constitution was read and adopted. A new associational board was set up under the new constitution. Members of the board are: Pastors of the various churches with the following laymen.

Bob Smith of Red Mud, B. A. Crego of Dickens, J. T. Campbell of Midway, A. K. McAlister of Afton, J. P. Legg of Friendship, J. M. Dawson of Espuela, Bob Hahn of Highway, W. D. Starcher of Spur First Church, R. H. Wright of Spur Bethel Church, W. M. Smith of Red Mud, M. H. Brasher of Steel Hill, William Smith of Lower Red Mud, D. W. Hughes of Duncan Flat, H. L. Morris of Watson, J. L. Williamson of Soldier Mound and W. A. Harris of Dry Lake.

Government Wheat Loans

Mr. D. H. Sandidge, Field Supervisor for Emergency Seed and Feed Loans reports increasing demands for production loans among wheat and other small grain growers in this area.

Mr. Sandidge who's office is in the Gabriel Building in Spur, stated these loans have been available since July first for fallowing and preparing land and purchase of seed and will continue through the fall planting season.

Applications are being taken by Miss Gillie Slaton, office in Gabriel Building, Spur, for the convenience of farmers in this area who desire to take advantage of this liberal loan to finance their production needs said Mr. Sandidge.

Dickens County R. E. A. Pending Material

L. D. Ratliff, Jr., Project Attorney for the Dickens County Electric Cooperative, Inc., an R E A project, has been advised by Arthur W. Gerth, head of the applications and loans division of R E A, that final action will be taken on the application filed by the Dickens County Cooperative when materials become available to construct the lines. Mr. Gerth's letter was dated September 5th, 1941, and reads as follows.

"Final action upon all R E A applications is being taken only as materials become available to us. I hope that in the not too distant future we shall be able to take action upon the Dickens County Cooperative application."

Due to the fact that the National Defense Program has priority upon all materials it has been almost impossible for Cooperatives desiring to build R E A lines to secure materials for the construction of the lines. REA has announced that it is useless to make a loan to a Cooperative until the materials are made available. R E A is working with the priorities board in an effort to secure priority

Library Committee To Sponsor 42 Party

The Library Committee have arranged to sponsor a bridge and 42-Party Thursday night, September 25. The purpose of this party will be to raise funds for the Dickens County library to take care of the needed expenses.

Tickets will be on sale soon and a fee of 25 cents will be charged each one to play. Meeting at High School gymnasium at 8:00 o'clock.

Similar parties have been held for other community events, and everybody has always said they really enjoyed these events. Hence, it is hoped that all will make arrangements to attend this event Thursday of next week.

Spur Bulldogs to Go Into Action Friday Night

The first football game of the season will be played at the Charles A. Jones Memorial Stadium Friday (tomorrow) evening starting about eight o'clock. The contending teams will be Rule and the Spur Bulldogs.

Spur has been slated by football fans to be a close winner for honors in District 4-A this year. They have been working out since September 1 and are in very good condition.

Commissioners Court Sets Tax Rate

At the regular meeting of the County Commissioners Court Monday the tax rate for 1941 was set. According to the budget which had already been approved and the tax reduction for the year the tax rate was made at \$1.10.

The State tax rate has been set at 67 cents. This makes the state and county tax rate for Dickens County total \$1.78 which is 11 cents less than it was last year.

It is the hope of the court that the present special session of the State Legislature will pass some type of bond assumption law which will take off some of the bond interest and sinking funds which the county would otherwise have to pay. If this comes to pass, then the county will have ample funds to carry on for the year. If the bond assumption bill is not passed then the County Commissioners Court will have to conduct business on a "penny squeeze" method to get by.

Production Credit Meeting at Patton Springs

There will be a meeting of the Stamford Production Credit Corporation held at the Patton Springs School Friday afternoon at four o'clock, September 12, which is tomorrow afternoon. This will be a membership meeting, and all members and their wives are especially invited to be present at the meeting tomorrow. Other people have a welcome to attend.

According to M. L. Rickels, the meeting will continue until six o'clock in the afternoon, and after that a chuck wagon lunch will be served.

New Teachers Elected in Spur

At a called meeting Tuesday Morning the Spur School Board accepted the resignation of Leonard King and Ina Bacon as Band Director and Public School Music positions. Mr. King has been elected to direct the Cisco Band, and Miss Bacon has been elected to Public School Music teacher in Plainview.

In this meeting the School Board elected Mr. and Mrs. A. O. Lively to fill the positions as Band Director and Public School Music. Both of these teachers taught in Pharr-San Juan-Alamo school in the Rio Grande Valley last year. Mr. Lively developed a very outstanding band in this school, and Mrs. Lively is a talented musician in public school music. He is a graduate of the Vandercook School of Music in Chicago, and has had twelve years experience directing bands. These people come to Spur with the highest recommendations.

The resignation of Miss Mary Nelda Vaughter has also been accepted. Miss Vaughter has been elected to teach primary work in the Vernon

Partial Returns on Golf Tournament

The golf tournament which is still in progress is getting hotter every day. Several results have been obtained to date, but other returns will be published next week. The following contests have been settled:

Most birdies on 18-holes August 31, G. B. Wadzeck and Milo Clark with four each.

Low score on hole number two for two rounds, Wadzeck and Clark have tied with par strokes each round. This was August 31.

Most distance on drives on three balls was won by Paul Bettis with 563 yards; L. D. Ratliff was second with 501 yards. This was Sunday, September 7.

Putting contest for September 7 was won by Bettis with seven strokes. The contestant had to approach the green 20 yards with three balls and then sink them.

Final Results of the tournament will be given next week.

DRY LAKE-ESPUELA FARMERS MEETING

The Dry Lake-Espuela Farmers will hold their meeting tonight at the Dry Lake school house. Every-

one is urged to be present at this meeting.

Instead of having refreshments as usual, everyone is to bring a watermelon and enjoy a watermelon feast after the business session.

East Ward Holds Opening Exercises

Mrs. G. B. Wadzeck, the principal, was in charge at this school opening. She thanked the parents for being present and extended a welcome to those schools who have contracted in this year.

A reading entitled "School Times" was given by Margaret Wood. This was greatly appreciated. J. H. Miles, Church of Christ minister, read the scriptures and Roy H. Lanier, Church of Christ evangelist, gave the invocation.

Congregational singing was entered into with Mrs. C. M. Cravey as leader. Two songs: America and God Bless America, were sung. Mrs. Carl Patton presided at the piano.

Teachers were introduced by the principal.

It was announced that school would open each school morning at 8:45 o'clock. Also, parents who live near the school were admonished not to send their children to school too early. They play and get tired and do not do so well the remainder of the day.

The Lunch Room, which has been operated formerly has not been opened yet this year. Possibly it will open to serve lunches to the pupils and teachers within the next week or two.

Mrs. J. E. Berry was introduced. Mrs. Berry will teach music in private lessons in the East Ward this year, taking in piano, violin and other musical instruments.

Spur schools have a good start for a fine term if school again.

Schedule of Mail Into and Out of Spur

There has been many questions asked in regard to the mail service to be had at Spur Post Office. Recently there has been some changes in the mail schedules into and out of Spur, and for that reason we are publishing the mail schedules as they are at this time.

Mails arriving into Spur are as follows: from

Lubbock at 10:45 a. m.
Post at 11:30 a. m.
Roaring Springs at 12:00, m.
Stamford by train at 12:45, p. m.
Mails leaving Spur are: to

Lubbock at 11:00, a. m.
Post at 1:30, p. m.
Roaring Springs at 1:50, p. m.
Stamford by train, 2:30, p. m.
Lubbock at 4:30, p. m.

Letters or parcels should be posted 30 minutes in advance of the above schedules to insure catching mails.

Joint P. T. A. Meeting Next Tuesday

The joint meeting of Parents eachers which was to have been held last Tuesday evening, was postponed until next Tuesday evening at eight o'clock. School is just getting started this week, and those in charge of the Parent-Teacher organizations thought best to wait and let the community get a better angle on the school conditions of the community.

The meeting will be held in the High School auditorium starting at eight o'clock. It is the hope of those in charge, those who have assumed the responsibility of leading the community into a good school morale, that there will be a good representation of parents present at the meeting. Parents will have an opportunity to get a fine line up in school matters and be able to assist in directing the education of their children if they will attend the P. T. A. meetings.

A good program has been outlined for the meeting and it is talked that refreshments will be served. Be there

We Are Paying 27c doz. For Eggs in Trade

Four great stars of the silver screen, Robert Taylor, Joan Crawford, Greer Garson and Herbert Marshall, featured players in "When Ladies Meet." New Yorkers paid \$440 to see day and Monday, and preview Saturday night at popular prices with four of the top stars of Hollywood.

A Real Revenge
By Ruth Taylor

Revenge is a two edged sword, cutting us as well as our enemy when we use it to hurt someone else—but there is another revenge that is not only safe, but far more effective. Quiller Couch described it thus: "The greatest revenge we can have on our enemy is not like him."

This is a real revenge, for through it the original hurt is removed. Through it we concentrate on the good not on the evil.

We say that the enemy of our country, the enemy that threatens us, is the force of evil unleashed by the German dictator, and that the blood of thousands of helpless victims calls for revenge. But revenge for defeat was Hitler's rallying call to the German people, and like the Philistines of old, of whom Ezekiel wrote, they "have dealt with revenge and have taken vengeance with a despicable heart, to destroy it for the old hatred."

By all means let us take revenge—but not the revenge of slavish imitation, of new hatreds. Let us rather be dissimilar, let us set an example. What do we hate most in the totalitarian set-up? First, the cruelty. Let us seek revenge by being kind—by doing unto others as we would have them do unto us. Second, the oppression. Let us seek revenge by being scrupulously fair in all of our dealings with others, no matter how significant the act. Third, the domination of the many by the few. Let us seek revenge by treating those with whom we come in contact not as groups, or in derogatory generalities, but as individuals like unto ourselves, with the same principals, the same rights and the same obligations. Fourth, the suppression of freedom. Let us seek revenge by using our freedom of speech, and thought and our religion the living force in our country and our fellow citizens, for the practical application of democracy. And last, the armed attack on religion and freedom of worship. Let us seek our revenge by making our religion the living force in our lives, by putting into practice the ethics in which we believe, no matter by what name we call our faith. Let us prove the worth of our faith by our own actions.

Paul preached this to the romans nearly two thousand years ago when he wrote, "Dearly beloved, avenge not yourselves, but rather give place unto wrath; for it is written, Vengeance is mine; I will repay, saith the Lord. Therefore, if thine enemy hunger, feed him; if he thirst, give him drink: for in so doing thou shalt heap coals of

Texas Boys in C. C. C. Lead Nation

In June there were 16,437 Texas Boys in Conservation Corps Camps—8,592 in Texas and the remainder in Arizona, New Mexico, Colorado and Wyoming. In that month these boys returned to their families over \$300,000.00 and the Government estimated they earned real wages in the amount of \$986,197.00.

Pennsylvania ranks next to Texas, having 13,000 boys in camps; Arkansas third with 10,403 and Oklahoma fourth with 9,941.

With recent changes made in Rules and Regulations, boys are sent to camps every month, and in many instances when camps are near every week. Training in National Defense Work has been increased and all enrollees have greater opportunities to prepare themselves for employment in private industry than ever before. CCC men are given first consideration by employers for they are already trained in good work habits, are healthy and make willing employees.

Interested young men of good character, between the ages of 17 and 23 years, should apply at their local Co. Welfare Office and make application for the Corps.

The State Game Warden Says:

All wild birds and wild animals belong to the people of this state.

The dove season is now open and will continue open season until October 12. Doves may be taken from sun up until sundown. The bag limit is 12 in any one day and not more than 12 in possession at any one time. Possession limit includes an aggregate of both mourning and white wing doves.

Hunters to use no gun except shotgun, and the shotgun is not to hold more than three shells. Shotguns capable of holding more than three shells must be permanently plugged to a three shell capacity. Shotguns shall not be larger than 10-gauge.

License—Price for license for the season is \$2.00 and is required of every citizen of this State above the age of 17 years who may be hunting

out of the county of his residence. A citizen is any person who has been for at least six months a bona fide resident of this State immediately preceding application for a hunting license.

It is unlawful to hunt out of your county without a license.

It is unlawful for a person to refuse to stop a vehicle or automobile, when demanded by a game warden or a fish warden; and it is unlawful to refuse to allow a game and fish warden to search your game bag when he has reason to believe that a game law has been violated.

It is unlawful to shoot any gun or firearm in, on, along or across any public road in this State.

There is no open season on prairie chickens or plover.

McAdoo News

There were 192 students enrolled in school during the first week. It is thought there will be enough students by the last of the week to bring the enrollment up to 200 students.

The twelve grade system is being used this year for the first time in the history of the school.

A two week revival meeting closed at the Methodist Church, Sunday, August 31, several additions were made to the church.

Rev. Peterson, pastor of Asbury Methodist Church, Lubbock did the preaching.

Mr. B. Edwards of Oklahoma was in charge of the singing. Rev. J. B. Baker is pastor of the church.

Mrs. J. I. Holms and children of Centerpoint, Texas have returned to their home after spending two weeks here with her father, C. C. Neeley and family.

Mr. and Mrs. Amos Isates and son were here Saturday. They visited Mrs. Isaacs' parents, Mr. and Mrs. G. W. Allen, and Mr. Isaacs attended to business matters. Their home is in Amarillo where Mr. Isaacs is working in the smelting plant.

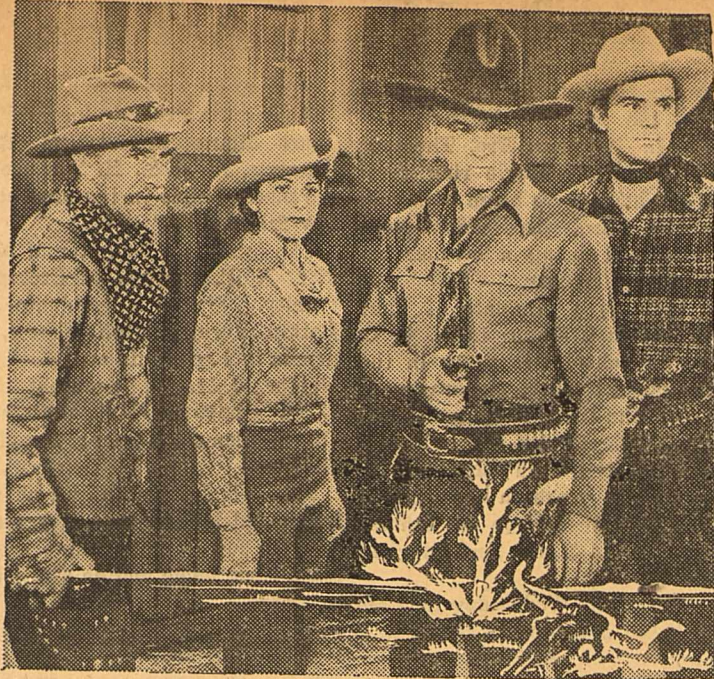

Mrs. Jack McLaughlin and little daughter, Dona Ray of Gallup, N. M. spent a few days here recently, visiting Mr. and Mrs. Rush McLaughlin. She also visited her parents, Mr. and Mrs. J. M. Aston, of Spur, before returning to New Mexico.

Miss Edith Neeley who spent several days here in the Neeley home has returned to Abilene. She is a daughter of C. C. Neeley.

Mr. and Mrs. Rex Wallace of Petersburg visited her parents, Mr. and Mrs. J. H. Miller last week.

C. L. Brownlow, of Lubbock, was at home this week end.

Mr. and Mrs. G. W. Allen drove to Haskell one day last week to see their daughter, Mrs. Anderson and husband. They spent the night and returned home the next day.

Hopalong, California and Lucky, three fighting fools from the West, tangle with outlaws in "Pirates On Horseback" which is on the double thrill and fun show at the Palace Theatre Friday and Saturday. Eleanor Stewart has the leading feminine

role. A murder mystery has to be solved and a gold mine found, before the three cowboys are finished with their chores. Leon Errol in "Hurry, Charlie, Hurry," furnishes the laughs and comedy on the double bill show.

Mr. and Mrs. Arlie Fewell and family spent the week end at Happy as guests of relatives.

Mr. and Mrs. C. L. Harris and son, of Lubbock were guests of his parents, Mr. and Mrs. Geo. Harris and family some few days ago.

Mr. and Mrs. Benard Parker and Wayne went to Paducah this week end to see Mrs. Parker's parents and other relatives.

Mr. and Mrs. O. S. Harvey returned Monday from a few days vacation in New Mexico. They visited Carlsbad Caverns while enroute of places of interest.

Miss Helen McDinald, of New Orleans, La., and daughter of Mr. and Mrs. A. W. McDonald of this community was married recently to Howell Slaughter. Helen is a nurse in a New Orleans hospital and her husband is a pre-medical student at that place. Mrs. Slaughter is a graduate nurse from Lubbock Sanitarium, but she has been in New Orleans for the past few years. Mr. Slaughter has only one more year in school before his work is completed for a doctor.

Mr. and Mrs. Arlie Fewell and family have returned home from a vacation spent in California.

Mr. and Mrs. Clayton Barton and baby moved to Oklahoma a few days ago. Mr. and Mrs. Griffin and family have moved where the Bartons formerly lived.

Archie McDonald who has been a student in Texas University during the summer is spending a few days here with his parents, Mr. and Mrs. A. W. McDonald.

Mr. and Mrs. Lonnie Phifer and family, of Denver, Colo., are here visiting relatives and friends. Mr. and Mrs. Phifer plan to move to Salt Lake, Utah, where he has been transferred to work as soon as they return home. He is a son of Mr. and Mrs. J. F. Phifer of this community.

Mrs. Vernon Morgan and children have returned to Austin after spending several days here with her parents Mr. and Mrs. Geo. Harris.

Mr. and Mrs. Ben Elderderge are back at home after visiting his brother, Norman Eldredge and Mrs. Eldredge of Mart, Texas. They brought Darlene Dillard, of the Methodist Orphan's Home at Waco, home with them. She is the little girl that the local Methodist church has "adopted" to cloth. She attended several services with various members while here.

Jack Griffin and daughter, Joan and Mr. and Mrs. J. J. Griffin went to Fort Worth recently to attend the graduation exercises of Texas Wesleyan College. Lee Griffin, son of Mr. and Mrs. Jack Griffin was awarded his degree at the exercises. This is Mr. and Mrs. Griffin's second son and also a daughter-in-law to graduate from this college this year. Mr. and Mrs. Wade Griffin received their degree in the spring. They are now living at Peacock, where Mr. Griffin is pastor of the Methodist church.

Miss Maude Dozier returned from Wichita Falls, Tuesday, where she had been to see her sister, Mrs. Clayton Snow and family.

Mr. and Mrs. Frank Eggar and family received a message Saturday that their son, Darris had been in a car wreck, he was not seriously hurt, according to reports. Mr. and Mrs. Eggar left immediately to see him.

Mr. and Mrs. Jno. A. Allen and family have returned home from a visit with her mother in East Texas.

Buster Robertson was out to Littlefield, Friday, to see his brother.

Mr. and Mrs. Milton McDonald are the parents of a son. The little fellow has been named David Milton.

Milton is a member of the police force in Abilene and son of Mr. and Mrs. A. W. McDonald of this community.

Mr. and Mrs. Jack Robertson have moved from this community to Littlefield.

Mrs. Ben Long of Fort Worth has returned home after visiting here with her parents, Mr. and Mrs. J. O. Morris. Her sister-in-law accompanied her.

Starley Dennis and J. D. Fox are among those from McAdoo who are in California.

Marcelle Miller has returned to Lubbock after spending the summer with her parents. She will enroll as a senior in Tech College at the opening of the fall term.

Mrs. Dora Davidson, of Paducah was a Sunday guest of her sister, Mrs. J. I. Parker and Mr. Parker.

Mrs. Davidson's daughter and son-in-law and Mrs. Kitchens were also guests in the Parker home.

Mrs. J. I. Parker, who was in Lubbock for almost two weeks under the care of a doctor is able to be back home now. Her condition seems to be much better.

BUY U. S. DEFENSE BONDS - NYA Opportunities Available

According to information received this week from the National Youth Administration, there are many opportunities now available for the youth through that agency for employment in the National Defense program.

Any single boy or girl who desires to take advantage of these opportunities, and who is between 16 and 24 years of age, out of school and unemployed, may call at the County Judge's office or the County Welfare office to secure application blanks for this training.

BUY U. S. DEFENSE BONDS - V. C. Smart and son V. C., Jr., returned Sunday from points in Colorado where they enjoyed a week of good fishing and vacation. Mrs. Smart had just returned from Colorado. Mr. and Mrs. Tom Newman accompanied Mr. Smart.

BUY U. S. DEFENSE BONDS - G. F. Harris, of McAdoo, was in our city Monday greeting friends and attending to business affairs.

Field Day for Patton Springs School Sept. 19

The faculty and pupils of the Patton Springs school have arranged a field day for September 19 which is Friday of next week. The F. F. A. Boys will have an agriculture show exhibiting the various types of projects they have going at this time. These will include crop exhibits, calves, hogs, sheep and others.

The Afton Home Demonstration Club will have booths exhibiting their needle work, rug work, canning, preserving and other features of Home Demonstration work.

At the noon hour there will be a barbecue to feed those present. This will be followed with a band concert and a program. A number of people will be called upon to talk on various subjects.

Dickens Owls and Patton Springs will be in a football contest at two o'clock in the afternoon. This game will be at Patton Springs and will be part of the program for the days.

Booths showing agricultural displays of various communities will be on exhibit during the day. It will be a great day.

National Defense School for Patton Springs

Superintendent L. O. Cummings, of Patton Springs school, was in town Wednesday and stated that a National Defense school had been approved for his school. There will be four courses offered in the school, coming as selected. These will include welding, auto mechanics, wood work and elementary course in electricity.

Welding will be the first course offered and will continue for ten weeks. It is probable these courses will be taught at night in order to give boys out of school who work in day time an opportunity to take these courses. All boys out of school from ages 16 to 25 and living in Dickens County anywhere are eligible to attend.

W. J. Wilson will teach the course in welding. He has had some 15 years experience in the work and knows the business.

If there are enough pupils to justify other courses can be secured.

All boys in the county interested in taking any of these courses should get in touch with Supt. L. O. Cummings, or Edward White, Vocational Agriculture teacher at Patton Springs. Their post office address is Afton, Texas.

CROTON AND WICHITA NEWS

The home coming at the Baptist Church was held Sunday. All that attended reported lots of dinner and lots of good preaching.

Mr. and Mrs. Don Perrin and daughter, of Pampa, were Saturday night and Sunday guests of Mr. and Mrs. T. S. Lambert.

Mrs. Mattie Edwards spent the past week end at Canyon Valley visiting relatives.

Mr. and Mrs. J. A. Jackson and son, of Lubbock, were guests of Mrs. Lillie Pillow Sunday.

Mr. and Mrs. C. West and children, of Childress were Sunday guests of Mr. and Mrs. M. S. Lambert.

School opened at Wichita and Patton Springs Monday of last week. Both were well attended.

Mr. and Mrs. R. L. Allen, J. D. Guyer and Mrs. Allen and children spent the past week in East Texas visiting relatives and friends.

Mrs. Horace Edwards gave Mrs. Dee Sharp a shower Wednesday at her home in Croton. Games were played and gifts opened and passed. Then refreshments of cake, iced tea and watermelon were served to the following:

Mesdames M. S. Lambert, Daney Hale, Frank Murphy, Ted Goodwin, J. P. Legg, C. D. Davidson, M. B. Rogers, R. E. Rogers, D. F. Jackson, Bill Conn, Haskell Byrd, Claud Edwards, Homer Miller, Mattie Edwards, R. D. Sharp, Leon Rogers, and Horace Edwards. All reported a nice time.

The Fairy B. Y. P. U. had a social Friday night and Mrs. Lambert's store. Watermelon made up the refreshments. Those who attended were: Abe Bredel, Victor Jackson, Roy Guyer, Hadward Richey, Weldon Miller, William Butler, Leon and Betty Rogers, Sue Beth and Lucille Legg, Mr. and Mrs. T. J. Conaway and son, Mr. and Mrs. Wilburn Brendel, Mr. and Mrs. J. P. Legg, Mr. and Mrs. T. S. Lambert. All reported a nice time.

Several from this community shopped in Spur Saturday.

The party at the home of Clyde Starrett was enjoyed by all who attended.—Reporter.

Summer Projects Prove Successful for McAdoo Homemaker

The summer projects for the McAdoo homemaker girls prove to be interesting as well as successful. Twenty five girls enjoyed working on these projects in order to improve their homemaking ability.

Such projects as canning, yard improvement, home improvements, meal planning, serving, and preparation and gardening were completed by these girls.

Those girls completing work on the summer projects are: Melba Dickenson, Billie Jean Baker, Izella Morrison, Robena Stephenson, Mae Adell McLaughlin, Baby Lou Buckner, Gwendolyn Allen, Wanda French, Lois Ruth Garrett, Estelle McLaughlin, Lela Griffin, Ima Jo Garrett, Louise Latta, M. Wallis, Joyce Battles, Mary Anderson, Loyce Wallis, Hellen Keese, Earnesteen Cox, Dorothy Pullen, Betty Jo Allen, Bobby Nell Jopling, Wanda Lou Dennis, Reta Mae Phifer, Charlotte McLaughlin, Jolene Griffin, and Vesta Allen.

Woman's Council Meeting

The Woman's Council of the First Christian Church met at the home of Mrs. E. L. Caraway Monday afternoon at three o'clock.

Mrs. Caraway conducted a very interesting and informative lesson on Liberty and Justice for All. This was a study of conditions among Negroes, Mexicans, Japanese and Indians in our local communities and in our nation.

The meeting was well attended and the obligations of each one present was brought home to them. They were reminded that Democracy is based upon the conviction that there are extraordinary possibilities in ordinary people.

W. S. C. S. Meeting Monday

The Woman's Society for Christian Service held their regular meeting in the basement of the First Methodist Church Monday afternoon. In the absence of the president, Mrs. J. R. Laine was in charge of the meeting.

The meeting was started with a song, "The Lilly of the Valley," in which all took part, and an invocation given by Mrs. H. L. Thurston. A short business session was held and the treasurer's report was given. Several letters were read to the group.

Mrs. J. A. Koon gave a very interesting lesson, a synopsis of the book of Matthew. All enjoyed this.

Those present were: Mesdames J. R. Laine, Clark Lewis, George S. Link, W. F. Gilbert, J. C. Payne, J. J. Ensey, J. A. Koon, H. P. Condit, H. L. Thurston, Henry Simmons, O. T. Johnson, L. R. Barrett, Kate Morris; Misses Etta Fite, Jammie Nell Simmons and Dorothy Payne.

Dickens School News

The Dickens Public Schools are in their third week of work and are going in high. The work is well organized and the enrollment is around the 200 mark. 65 are enrolled in high school this year. The faculty in high school is all new this year. The grammar school department has the same teachers as last year and they are good ones.

The faculty is composed of the following:

Superintendent, E. M. Lawrence. High school principal, Chas. V. Peach, who teaches high school English.

Coach, Woodrow W. Powell, who teaches high school mathematics. Homemaker, Miss Neta Polk.

Grammar school principal, Miss Erna Mae Overstreet, who has charge of the Seventh and Eighth grades.

Fifth and Sixth grades, Mrs. Vera Stanford.

Third and Fourth grades, Miss Jo Dunn.

First and Second grades, Miss Mildred Harrison.

Assembly Meetings

There are assembly and chapel services every two weeks at nine o'clock Friday mornings. At these meetings all announcements are made and some type of instructive program given by the student body. Outside speakers are invited occasionally. The next assembly meeting will be Friday morning, September 19.

P. T. A. Organized

The Parent-Teacher organization has been set in motion for this year. A meeting was held last Thursday and new officers for the year were elected. Mrs. E. H. Ousley is the president for the 1941-42 term. The organization meets the First Thursday night in each month. The next meeting will be Thursday night, October 3.

Dr. Baker Ill

Dr. Fred R. Baker, who has been making Spur for many years doing optical work, is reported quite ill at this time. He will not be able to make his September appointment in Spur and it will possibly be in October before he can even do any office work at all.

Dr. Baker has had to undergo two rather serious operations and is in a hospital at this time. However, he is thought to be slowly recovering, it will be some three or four weeks yet before he will have strength to get up and look after his patients.

Announcements will be made relative to his return in the future, and all his patients may watch for these announcements in the Dickens County Times.

Pilot Training for Enlisted Men

Army regulations, War Department dated August 1st, 1941, authorizes enlisted men of the regular army, with certain qualifications, to apply for pilot training with the army air corps. Any applicant who can meet all of the qualifications listed below is eligible to apply for this training at any time:

He must be an enlisted man of the regular army in active Federal service.

He must be unmarried and a citizen of the United States. Between the ages of 18 and 22 inclusive. Applicants who have reached their 23rd birthday are not eligible.

He must be a high school graduate and have at least 1 1-2 mathematics credits.

He must be of excellent character and furnish letters of recommendation to substantiate his character.

Each enlisted man applying for aviation student training will be required to sign an agreement (with the consent of his parents if a minor) by which he will agree to the following:

To reenlist for a period of three years if he has less than one year to serve on his current enlistment.

That upon successful completion of pilot training (about eight months) he will again reenlist so that he will serve three complete years as an enlisted pilot. That he will remain unmarried during the period of training as an aviator student and during the first enlistment as a non-commissioned officer pilot.

Applications for aviation training must be accompanied by the following listed papers:

Three letter of recommendation signed by persons of recognized standing in the community in which the applicant resided. A certificate from the high school attended certifying to the subjects pursued and the grades attained, and a statement as to whether or not the individual graduated. If a minor he must secure the written consent of his parents or legal guardian to enter into this training, under all the conditions set forth.

The Dutchman and His Dog

The following was being printed in paper twenty-five years ago:

A Dutchman, addressing his dog the other day, said: "My dog, you have a schnap. You was only a dog and I was a man, but I wish I was you. You ebery vay haf de best of it. Ven you go mit de bed in, you shust durn round tree times und lay down. Ven I get mit de bed in, I haf to lock up de blaice und undress mineself, und mine vife wakes up and scoldis me; den de baby cries und I haf to walk mid him up und down. Den, maybe, ven I shust go to schleep it's time to get up again. Ven you gets up, you stretch yourself und scratch a couple of times and you was up. I haf to light de fire und put de kittle on and scrap some mid mine vife already, und maybe I get some breakfast. You play around all day, und haf plenty of fun. I haf to work all day und haf plenty of trouble. Ven you die, you is dead. Ven I die, I haf to go to hell yet."

Mr. and Mrs. Bill Bennett and children, Bryan, Janet and Donald, of Glendale, Arizona, arrived here the last of the week to visit his mother, Mrs. W. B. Bennett, and her Aunt, Mrs. Risa Hindman, and other relatives.

Mrs. Peet Park of Dumont, and Mrs. Mattie Edwards of Croton, spent the week end with a niece, Mrs. Hutchison, of Canyon Valley.

Mr. and Mrs. C. L. Jones, of Temple, Oklahoma, are here visiting relatives and friends in Spur and at Jayton. Mrs. Jones is in ill health and they expect to remain a while in the hope that the climate may assist her.

Farm Loan Meeting Has Good Attendance

The meeting of the stockholders of the Spur National Farm Loan Association was very commendable in number. The meeting was held in the Spur Theatre building, at ten o'clock Saturday morning. The song "America" was sung and Rev. C. R. Joyner, of the First Baptist Church, gave the invocation.

In his opening remarks Mr. Jennings stated that the Spur Farm Loan Association was a branch of the Federal Land Bank at Houston and every person who has a loan in the Spur Farm Loan Association is also a stockholder in the Federal Land Bank at Houston. He stated the Bank at Houston is now in the best condition it has ever been.

The president asked the secretary, James B. Reed to read the minutes of the last meeting. Mr. Reed stated in his report that at the last meeting here were 122 sockholders present, 16 Commission Loan members and 118 visitors, making a total of 256 people who attended the last meeting.

W. F. Shugart, S. L. Benefield and Charlie Witt were appointed a nominating committee to report nominations for two directors to be elected for a term of two years. Joe M. Rose and F. W. Jennings were on the board but their term were expiring. The committee recommended they be elected for another term and the report was accepted unanimously.

Mr. Reed gave the report of the financial condition of the organization. The report showed that three more people had liquidated their loans more than new loans had been granted. Due to the fact that quite a lot of new equipment had to be purchased last year, the expenses of the organization were slightly more than the income for the year. However, a nice reserve was shown and this year the expenses will be much less.

Miss Henrietta Perrin made a very interesting talk on foods and their value to America. She emphasized a number of things about foods and stated that the reason our people lack hardness which they once possessed is because they are not willing to eat foods today which the earlier settlers were forced to eat. She stated we want flour that is pretty and white, and we did not cultivate any too good taste for carrots and other like foods.

C. E. Fisher made a short talk on the eradication of the mesquite. He stated that mesquites are growing more numerous of late years, and it will require a cooperative movement to get rid of them.

Mack Woodrum gave a talk on the AAA program and its benefit to the farming people. He stated that farming conditions have been made better, but that in the future farmers were actually going to have to earn their soil building funds more completely than they have before.

R. R. Wooten spoke about feeds and the abundance it seems our county will have. He stated he did not know which is the best way to conserve feeds, but that all of it should be saved. He stated that possibly before long the surplus feeds now would be needed to make up a deficiency.

A pig was to be given away by contest and J. B. Carlisle of Steel Hill won it. He said he was going to keep it.

CARD OF THANKS

We take this method of expressing our undying gratitude to everyone who assisted us in any way during the recent illness and death of our beloved mother.

Also our deepest thanks for the beautiful floral offerings. We pray that God will bless each of you and in your dark hours of sorrow give you just such kind friends.

Mr. and Mrs. N. J. Rogers,
Mr. and Mrs. O. B. Sims,
Mrs. A. M. Austin,
Mrs. C. W. Lucas,
Mr. and Mrs. J. A. Havens,
Mr. and Mrs. W. M. Havens,
Mr. and Mrs. A. M. Havens.

Little Almeida Ratliff Has Birthday Party

Little Almeida Ratliff, daughter of Judge and Mrs. O. B. Ratliff, enjoyed a birthday party at her home Monday afternoon. The occasion was in honor of her third birthday anniversary and a number of little friends were present.

Cake and ice cream made up the refreshments, but what could be better for little girls than that.

Those enjoying the enjoyable occasion were:

Sandra Watson, Nell and Patsy Hopkins, Gail Busby, Sheila Green, Myra Alice Ratliff, Charlie Dean Hardwick, Sue and Ann Hull.

Little favors were a mark of remembrance to all present.

Employment for The Returning Soldier

Urging the patriotic cooperation of every employer in Texas to see that every returning soldier has a job when he get home, General J. Watt Page, State Selective Service Director, today announced he inauguration of a carefully studied and organized re-employment program which will function through the Local Boards of the System.

"Many of these returning soldiers must be cared for in this respect beginning this month when the first selectees, National Guardsmen and others to be relieved from active duty by the Army will be released," General Page said. "The Selective Training and Service Act imposed the duty of carrying out its reemployment provisions upon the Selective Service System as well as upon the former employers of these men."

The reemployment program calls for the appointment of a Reemployment Committee affiliated with each local board, he Director explained. This committee will act as liaison agent between returning soldiers and employers.

The function of the local board Reemployment Committee will be to get in touch with the former employer prior to the return of a soldier to see if his former job is still available, to transmit the record of returning soldiers who have no jobs awaiting them to the nearest State Employment Service, and to act as liaison agent for the soldier in placing him in contact with available jobs.

In cases where the State Employment Service is unable to find a job for a returning soldier, the local board Reemployment Committee must look for local employment opportunities. For this purpose he should obtain the cooperation of local chambers of commerce and boards of trade, Rotary, Kiwanis, Lions, Exchange and Optimist Clubs and like groups, labor unions, the American Legion, Veterans of Foreign Wars and similar organizations.

The War Department is cooperating with the Selective Service System in carrying out the obligation of the Government to obtain civilian jobs for returning soldiers. In every camp it is gathering the occupational and educational history of the soldiers together with all data concerning the military career of each hat is pertinent to civilian employment. This data will be distributed to local board Reemployment Committees by National Selective Service Headquarters through State Headquarters.

The Selective Training and Service Act of 1940 provides that a man inducted into military service shall be given a certificate of satisfactory service if he completes training to the satisfaction of the Army. The Act then specifies that:

"In the case of any such person who in order to perform such training and service, has left or leaves a position, other than a temporary position, in the employ of any employer and who (1) receives such certificate, (2) is still qualified to perform the duties of such position, and (3) makes application for reemployment within 40 days after he is relieved from such training and service—

"(A) if such position was in the employ of the United States Government, its territories or possessions, or the District of Columbia, such person shall be restored to such position or to a position of like seniority, status, and pay;

"(B) if such position was in the employ of private employer, such employer shall restore such person to such position or to a position of like seniority, status, and pay unless the employer's circumstances have so changed as to make it impossible or unreasonable to do so;

"(C) if such position was in the employ of any State or political subdivision thereof, it is hereby declared to be the sense of the Congress that such person should be restored to such position or to a position of like seniority, status and pay."

The Act also provides that persons restored to their jobs shall not lose seniority and shall be considered as having been on leave or furlough. It further stipulates that "persons so restored shall not be discharged from such positions without cause within one year after such restoration."

To make use of the facilities being provided to aid in his reemployment, the soldier has only to fill out the information requested on forms being distributed by the Army, and to get in touch with the Reemployment Committee attached to his local board if he is a registrant, or the local board nearest his home if he is not, as soon as he returns.

General Page stated that a Reemployment Committee for each of Texas's 351 local boards would be ap-

Minister's Alliance Meeting Monday

The Minister's Alliance met in the First Presbyterian Church of Spur Monday at 10 a. m. Nearly everyone of the thirteen ministers who in previous years had attended and who still lived in this section were notified previously of this meeting.

Two matters of considerable importance were brought to the attention of the Alliance. One of these was the work of the good women of the community who were handling over-seas production for the American Red Cross Chapter of our immediate area. Each pastor was asked to cooperate by way of public announcement and by contact with their respective women groups in asking his ladies to attend the sewing and knitting on Wednesdays and Saturdays between 2 and 5 p. m., at the W. P. A. Sewing Rooms. Mrs. Elton Cook, chairman, and Henrietta Perrine, co-chairman, Mrs. Crit McDonald, cutting out, sub-chairman, and Mrs. Kate Senning, knitting sub-chairman are leaders in this. Since the above meeting the ladies have asked especially that all church and other groups send at least one leader to the Saturday meeting at 2 p. m., for a thorough discussion of what the sewing needs are so that these representatives can report to their respective groups. All garments that are now out are particularly asked to be brought in immediately. The present needs of the Red Cross Production are 80 infant layettes. Of these layettes baby blankets must be hemmed and stitched and the edges crocheted. Outing dresses and gowns, sacks, caps and booties are also needed to be made, as well as girl dresses. The goods are on hand for each of these articles. But there is now a distinct need for given or purchased baby stockings for the layettes. Anyone who has these or can donate them will be rendering a great and urgent need. Those who come are asked to bring scissors. There is ample room for everyone to sew to knit or to label. There are ample cutting tables and sewing machines. The building is 6 blocks west of the Safeway store located in a large galvanized tin building on the south side of the street. Workers from all organizations such as Sunday School classes, missionary societies and civic groups are welcome. A little work from all will make the unselfish labor light to all.

The second matter of interest to the Alliance was the report about the enrollment of the Bible course at the high school at the end of the first day. As many pupils have openly stated their extreme desire to take this this being a popular elective (around 40 being enrolled). The Alliance expressed a hope that satisfactory arrangements would be made through the authorities for a reasonable representation at the class this year. The Alliance has named either Rev. H. L. Thurston, Minister of the First Methodist Church, Spur, or Rev. J. L. Henson, one time Pastor of First Methodist Church, Abilene, and now Circuit Methodist Minister, to teach the New Testament at the second school semester. Rev. John C. Ramsay is the teacher of Bible during the first semester. A desire was expressed by Rev. A. I. Woodard, pastor Colored Baptist Church, to have Bible taught in the Colored High School of Spur. Mr. Woodard, it is said, is eligible to teach this course having fulfilled the educational requirements scholastically.

Mrs. Christenson Entertained Tuesday

Over twenty young people were entertained at the home of Mrs. O. H. Christenson Tuesday, September 9. The back to school theme was carried out throughout the evening's entertainment.

All were asked to dress as first grade children making an abundance of short pants, and flowing bows. Miss Joy Christenson led the group by beginning with a series of new versions of younger children's games. Following this the group was divided into two sides and sent forth to scour the city for various articles ranging all the way from sunflowers for the teacher to the first grader's favorite pet, the toad frog. The side bringing in the largest number of assigned articles won the scavenger hunt.

Refreshments were served in school lunch bags. Each guest found a refreshing evening snack and a large lolly pop in his bag along with a fortune.

A prize was presented to Elizabeth Ramsay for having the most childish costume.

The party was sponsored and planned by the Presbyterian Young People's League under the able leadership of Miss Joy Christenson who is serving in the capacity of Comradeship Chairman for the group.

Pointed by Governor Coke Stevenson within the next few days.

Ray Dickson Married

Saturday evening September 6, Miss Gertrude Hill of Quenado was married to Ray E. Dickson, Jr., at the First Presbyterian Church at Del Rio. Miss Hill, daughter of Mr. and Mrs. D. W. Hill, is a graduate of Texas University.

The bride given in marriage by her father, wore a white embroidered marquisette gown with sweetheart neck line and puffed sleeves and carried an arm bouquet of white Carnations and Gladioli.

Mrs. Edwin Smith, matron of honor, wore a floor length frock of pale pink taffeta and her flowers were white daisies.

Robert Glasgow, of Coleman, was best man.

After the ceremony a reception was held at the home of Mr. and Mrs. Fred Martin.

Out of town guests were: Mr. and Mrs. R. E. Dickson, of Spur, Mr. and Mrs. Edwin Smith of Lafayette, Louisiana, Mr. and Mrs. H. Marshall of Beeville, and Mr. and Mrs. Robert Glasgow of Coleman.

Mr. and Mrs. Dickson will be at home at Eagle Pass, Texas.

Mrs. Truett Hutto Honored

Mrs. John A. Moore, Mrs. Max Ward, Mrs. C. W. Barrett and Mrs. W. C. Starcher were co-hostesses at a stork shower given Thursday afternoon in the home of Mrs. L. R. Barrett honoring Mrs. Truett Hutto.

Each guest registered and gave a suggestive name for the baby.

A delicious plate consisting of an open face sandwich, cookies, potato chips, pickle and tea was served to the many guests.

A POOR HOBBY

AS YOU SOW SO SHALL YOU REAP

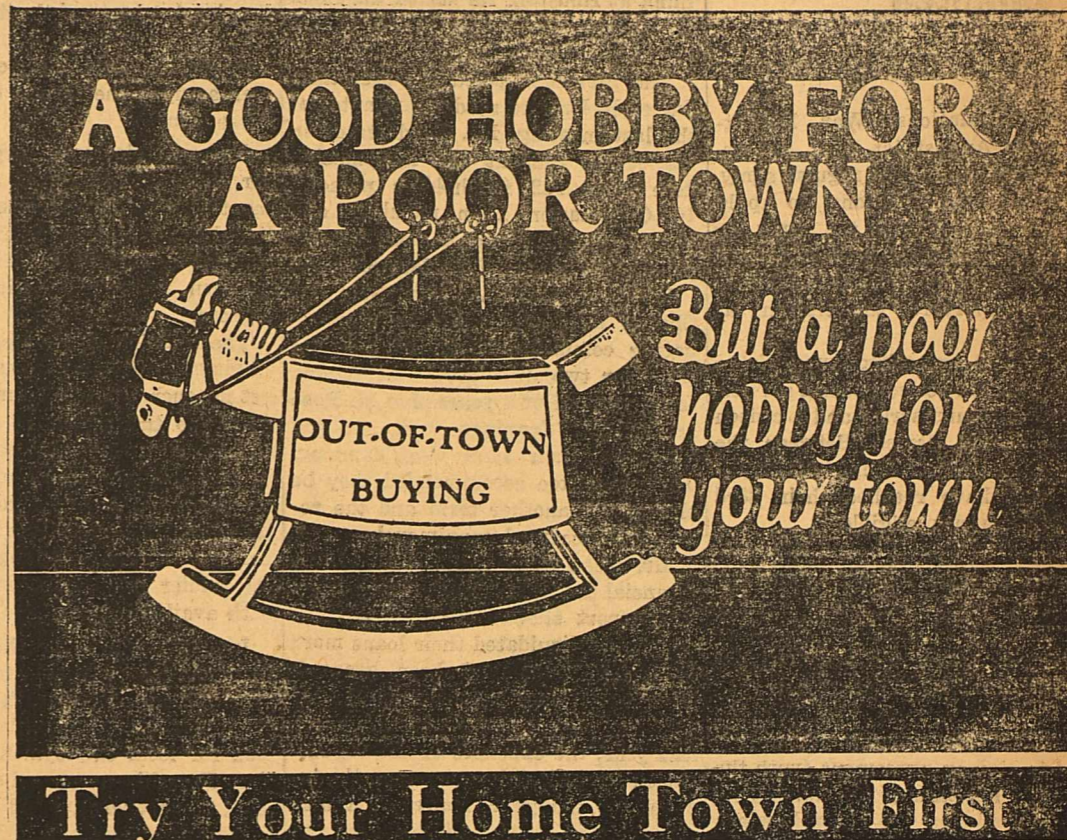

Community benefits can be expected only in proportion to the support local business obtains from its trade area.

The citizenry of Spur can insist that the merchants and business men of Spur keep an adequate supply of merchandise on hand, and maintain a reasonable price range.

The merchants and business men of Spur will gladly do this but the full support and cooperation of the people of this trade are necessary. Support your local firms and merchants. The law of Supply and Demand will act accordingly. Your home town will then grow and prosper and what helps your town helps you.

The business and professional men of Spur ask you, the customer, aid them by giving suggestions on Better Merchandising.

Let's co-operate by ALL PULLING TOGETHER for a Greater and Better Spur.

Cleta Faye Starcher and Milo E. Clark, Jr. Take Marriage Vows in Moonlight Service

A single ring ceremony solemnized the marriage of Miss Cleta Faye Starcher and Milo E. Clark, Jr., on the beautiful lawn at the home of the bride's uncle and aunt, Mr. and Mrs. W. D. Starcher in West Spur Thursday evening, September 4. Rev. C. R. Joyner, pastor of the First Baptist Church in Spur, read the rites in a very impressive manner, closing the ceremony with a prayer.

W. D. Starcher gave his niece in marriage.

The bride wore a white tailored feather weight costume, full shirt and short sleeves, brilliant buttons for trim with black accessories, carrying a white Bible topped with white astors and tube roses. Mrs. William C. Starcher, cousin of the bride was maid of honor, wore a dark blue crepe dress, carrying a white satin Rotary emblem, topped with blue astors and Shasta daises.

Wallace Clark, of Lubbock, brother of the bridegroom was best man.

The rites were read before the altar, which was banked with greenery, decorated with silver Rotary emblems, and American rust zeneas. The moonlight streaming down gave softness to the scene. Nona E. Starcher, aunt of the bride, sang, "When Your Hair Has Turned to Silver," and Mrs. Maude McNeill gave the wedding music.

The bride is the only daughter of Mr. and Mrs. D. R. Starcher of near Altus, Oklahoma. She attended the schools in Tipton and is a graduate of the South Side High School of Altus where she was a close honor student. She has been with the Spear's 5-Cent to 5-Dollar Stores in Spur.

Mr. and Mrs. Clark left Friday for Dallas, accompanied by his parents, where they are spending a few days visiting relatives and friends. The bride wore for traveling a green dress of lightweight wool, a black pompadour hat, black suede accessories and

white Aster corsage. They will make their home in Spur where they both will continue with their employment.

Their marriage ceremony constituted a surprise at a Rotary meeting held on the W. D. Starcher lawn. The occasion was that of the Rotarians entertaining their Rotary Anns, together with an official visit by the District Governor, Cal Farley of Amarillo. The wedding ceremony was at the conclusion of the Rotary program, and is possibly the first wedding to ever occur at a Rotary meeting in Texas.

Guests of the evening were:

Mr. and Mrs. Cap McNeill, Mr. and Mrs. Henry Alexander, Mr. and Mrs. W. T. Andrews, Mr. and Mrs. Neil A. Chastain, Mr. and Mrs. Jack Christain, Mr. and Mrs. Elton Cook, Mr. and Mrs. Ray Dickson, Mr. and Mrs. C. E. Fisher, Mr. and Mrs. W. F. Godfrey, Mr. and Mrs. W. F. Gilbert, Mr. and Mrs. M. C. Gloding, Mr. and Mrs. Harvey S. Holly, Mr. and Mrs. F. W. Jennings, Mr. and Mrs. O. L. Kelley, Mr. and Mrs. George S. Link, Judge and Mrs. O. B. Ratliff, Mr. and Mrs. O. C. Thomas, Mr. and Mrs. W. R. Weaver, Mr. and Mrs. Mack Woodrum, Mr. and Mrs. G. B. Wadzeck, Rev. H. L. Thurston, Rev. and Mrs. C. R. Joyner, Mr. and Mrs. William C. Starcher, Mr. and Mrs. A. T. Johnson, Mr. and Mrs. George Gabriel, Cal Farley of Amarillo, Miss Henrietta Perrin, Truman Green, George Link, Jr., Mrs. Della Eaton, Mr. and Mrs. Milo E. Clark, Sr. of Dallas, parents of the groom, Mrs. Ty Allen, Sam Davis of Lubbock, Mr. and Mrs. J. H. Miles, Wallace Clark of Lubbock, brother to the groom, Richard Hindman and William D. Starcher, Jr., Gib Howard of Amarillo and Rayburn Jones of Memphis.

New Airlines for Lubbock

Lubbock and the South Plains move a step nearer a long sought goal of regularly scheduled air service for passenger and mail in a recommendation filed with the Civil Aeronautics Board by Examiner Thomas L. Wren, following a recent hearing of applications by four airlines to serve this city and territory.

Examiner Wren recommended accepted in part of Braniff Airways application—for inclusion of Lubbock as an intermediate point on the Braniff Airways' route from Fort Worth and Dallas to Amarillo, but asked denial of the company's plea to operate from Denver to Amarillo, Lubbock, Big Spring and San Antonio, and between Lubbock and Houston via Abilene and Austin.

Information received here from Braniff headquarters at Oklahoma City indicates that the company, along with the other three which sought service here, would file exceptions to Examiner Wren's report with the CAB, which is the final authority and can, if desired, ordered wider service than recommended. Other companies seeking operation permits in this territory were Continental Air Lines, Inc.; Essair, Inc.; and Transcontinental & Western Air, Inc.

Mr. A. T. Bural and children, Lucy Laverne and Dal, spent last week here visiting her mother, Mrs. W. B. Bennett, and daughter, Miss Margie Bural. They returned home at Wilson, Oklahoma, Friday.

Dr. Baker's office visits for 1941. Hotel Wilson, are: July 14 and 15; August 11 and 12; Sept., 8 and 9; Oct., 13 and 14; Nov., 10 and 11 and Dec., 8 and 9.

Kee Relatives Hold Reunion at Seymour Park

The Kee relatives met September 6 and 7 at Seymour Park for a family reunion. Those present were:

Mr. and Mrs. W. C. Scott and children of Clarendon, Mrs. Ward Grimsley of Borger, Mrs. Nora Kee of Bryson, Mr. and Mrs. Chester Lee Scott of Amarillo, Mr. and Mrs. Terrell Givens and baby of Tipton, Okla.; Mr. and Mrs. J. H. Kee and children of Bryson, Mr. and Mrs. Alvis Wilson and children of Spur, Mr. and Mrs. J. R. Kee and children of Bryson.

Mr. and Mrs. G. H. Givens and children of Tipton, Okla.; Mr. and Mrs. Raymond Gray and children of Bryson, Mr. and Mrs. Lee Parker and children of Spur, Mr. and Mrs. Hal Graybill and children of Olney Mr. and Mrs. J. E. Gragson and children of Abilene, Mr. and Mrs. Ray Hefner and Mr. and Mrs. John F. Harlin of Amarillo, Mr. and Mrs. John Gragson and children of Spur, L. D. Aten and son of Lelia Lake, Verdine Bell Denton of Tipton, Okla.; Mr. and Mrs. Lee Williamson and children, and Mr. and Mrs. Bernice Williams all of Spur.

There were 84 present and everybody enjoyed a grand time. There were lots of good eats.

There will be another reunion held at some place about the same time next year. There were 20 members of the family that could not be present this time. It is hoped they will be present for the next one.—Contributed.

Army Regular Writes Back

The following is a letter received from Clyde Thomas who is in the U. S. Army Air Corps in Puerto Rico. If friends desire to write to him they may address him at 24th Air Base Group, U. S. Army Air Corps, Borinquen Field, Puerto Rico. Puerto Rico is a possession of the United States and requires the regular postage to any other portion of our country.

The boys away enjoy hearing from people at home, and it is said that each soldier, sailor, or airman shares his news from home with his "Buddies." The letter is as follows:

I had not heard from the old home town in several months, so decided to write. Haven't been away too long, but just the same, I am kinda homesick for the place. Get to wondering sometimes who is doing what, and why and how many. Is Spur still the same old Spur, or has the draft affected its population much?

We hear a lot about the draft and the "draftees" here, and how they are being pampered and babied and petted. It makes the "Regulars" grin in amusement when they hear about the big parties and such the draftees are being treated to. We don't know what that means here. All we have here are a few dirty native villages for amusement, and let me tell you they are not too amusing at times. And as for U. S. O. projects, all we know is what we read in the papers (which usually are weeks old when we read them). We don't have weekend dances for the Army personnel. Of course, we can get week-end leaves, but where would we go? To some town we have already seen so much of that it makes us sick to see it again.

Seems that the folks at home have forgotten us. We never hear of civilian organizations doing something for the soldiers in Puerto Rico. The morale of the soldiers here in Puerto Rico is high. They know they are doing something worth while for the defense program, and they are proud of doing their bit, but they regret to be forgotten when they are out of sight of their homes. We would like to hear.

All in all, this is a pretty good like. We know that we are doing our little bit to keep the United States safe from aggression, and we are proud to be doing so. And the added 18 months do not bother us. Especially if we don't have to do all that time in foreign service. We would like to spend a little time in the United States.

And about the "Selectees" being ready for service or action in a year is wrong. It takes more than a year to make a soldier out of a raw civilian. It takes months of hard labor under warlike conditions, months of hard training to make a soldier, and not until then will we have a trained Army second to none. An additional 18 months will not matter in the lives of those young men in the Army camps. They are young and they have plenty of time to choose their civilian life.

Young Thomas entered the Air Service Department of the U. S. Army December 1, 1939. He soon will have served two years and is reported doing a real job.

Rotary Anns Enjoy Lawn Party September Fourth as Guests of Rotarians; Barbecue

The members of the Rotary Club at Spur held a social meeting last Thursday evening and had as their guests their Rotary Anns. The repast was in the form of a chicken barbecue held on the lawn of Mr. and Mrs. W. D. Starcher and a very pleasant time was enjoyed. The evening was fair and the atmosphere warm, making the weather conditions ideal.

About 80 guests including Rotarians, Rotary Anns and others, were present. George S. Link, Sr., was in charge of the barbecue work and he is an artist at the job. Salads, pickles, onions, iced tea and slum completed the repast for the evening with pie for dessert.

The occasion was featured by a visit from the District Governor of the 127th District of Rotary International, Cal Farley, of Amarillo, who holds that position this year and he is strong for the idea that the Rotary Anns should know something about Rotary. For that reason he insisted that the Rotary Anns be present when he made his official visit. Also, it was the time for the Rotary Anns to enjoy their fall entertainment meeting as guests of the Rotarians, and everything worked out fine.

Mr. Farley brought two entertainers with him. One of these was Gib Howard, of Amarillo, who played the guitar and sang some selections. However, his greatest entertainment was the jokes he sprang on Mr. Farley. The other entertainer was Rayburn Jones, of Memphis, who played several selections on the piano. Rayburn is quite a pianist. Pre-meeting music was furnished by William D. Starcher, Jr., who gave several piano solos.

Mr. Farley in his talk emphasized the high ideals of Rotary and then made several practical illustrations of how Rotary can be used to encourage people. He asked how many ever thought of writing a letter to some one and thanking them for a service given. He stated that Rotarians could use that method to make other people feel grateful for having rendered a service.

At the close of the meeting another event occurred which is chronicled in another article in this issue of the Times.

The meeting was declared by the Rotary Anns to be the best they had

ever enjoyed. All of them expressed their appreciation for the occasion, and Bob Weaver, who is a Rotarian of the highest type, was moving about to see that everybody present had an opportunity to see their best with good lights.

The prediction that E. W. Mars made one year ago, almost came true as the City almost had the Street paved and had the meeting been a few days later, the Mars prediction would have been a real prophecy.

Mr. and Mrs. J. H. Foster and son, J. H., Jr., of Dallas arrived here the last of the week and spent a few days visiting Mrs. Foster's mother, Mrs. Della Eaton in the Spur Inn. Mr. Foster is an attorney for the Dallas Oil Supply Company and has been granted a six months leave in order for him to get a much needed rest.

They left Tuesday for Laguna, Calif., where they will spend some time and then go on to other places of interest to enjoy their vacation.

SAN ANTONIO TEXAS

Spindle Top STARTED IT!

Forty years ago an oil gusher roared in on a low hill south of Beaumont to open a new industrial era for Texas.

That discovery at Spindletop started our modern Texas petroleum industry and made Texas the nation's leading oil state.

In the forty years since Spindletop blew in, nearly 200,000 wells have been drilled throughout Texas. Over 500 separate fields are now producing in all parts of the State. Today Texas supplies over one-third of the Nation's oil and has over half of its petroleum reserves.

Our industry, by refining almost all of this oil in Texas, has created our largest manufacturing enterprise. By furnishing cheap fuel it has laid the foundation for many other Texas industries.

From a handful of Texans forty years ago, this industry has grown until now, directly or indirectly, it supports almost one million of our people. Its expenditures reach into every section of the State and benefit every Texan.

The discovery of America's first gusher oil field at Spindletop has turned out to be one of the most important events in the history of our state.

Today all of Texas salutes Spindletop!

On October 9, 10 and 11, during its annual convention at Beaumont, the Texas-Mid-Continent Oil & Gas Association will dedicate a monument to Spindletop.

Inscribed in ageless Texas granite will be the story of oil.

This is more than a monument to petroleum. It is a tribute to Texas enterprise and initiative which in forty years have built a great industry in our State—an industry in which you and every other Texan share.

TEXAS MID-CONTINENT OIL & GAS ASSOCIATION

Bankers Told to 'Get Tight'

Tighten your purse strings, a speaker in effect told Texas bankers convening at the University of Texas Monday, warning that too liberal loan terms were only an aid to inflation.

Speaking on "Consumer Credit Under Wartime Economy," Forrest M. Smith of the State National Bank at El Paso addressed an opening session of the Texas Bankers Conference, holding its third annual five-day short course.

"Banks should take their cue from the Government," Smith said, citing the recent federal curbs on installment buying and lending, "and tighten the terms of credit." It is to the best interest of consumer, banker and Nation alike that this should be done, he asserted.

"People are more likely to overestimate their ability to pay in good times, rather than in bad times, and should not be encouraged to buy on credit and extend themselves," he cautioned. "Banks would do well to draw in their credit lines and encourage savings and the purchase of defense bonds."

He saw good use for liberal lending policy on the part of banks after the war, however.

"When the postwar slump begins," Smith predicted, "bankers will be asked to be more lenient in their credit policies, and consumer credit departments will be called upon to play an important part in restoring and maintaining prosperous business activity."

The conference also heard Dr. J. C. Dolley, university banking professor, call for price-supply-demand control to combat wartime inflation. He suggested immediate abolition of federal relief spending, boosting the excess profits tax to near-100 per cent, suspension of the wages-hours law, and forced consumer saving.

The 250 conference delegates heard six other speakers including P. R. Hamill of Bay City, president of the Texas Bankers Association, and J. P. Dreibelbis, Federal Reserve System consul of Washington, D. C.

Frank Scofield of Austin, district collector of internal revenue, thanked the bankers for their part in selling defense bonds.

State Fair "Ice-Capades" to Start September 24

Thousands of visitors to the State Fair of Texas in Dallas this year will see for the first time not only the largest expanse of ice ever frozen in Texas but the greatest array of skating stars ever assembled in the state performing on that ice.

For on the new Ice Arena in Fair Park will be presented the "Ice-Capades of 1942," premiere of the musical extravaganza, with 100 blade performers who set world attendance records throughout the United States with the 1941 edition of "Ice-Capades."

The show will open on September 24 and will be shown throughout the State Fair nightly and at several matinees, presented in the new arena which has an ice surface of 86 feet by 190 feet and a seating capacity of 5500 spectators.

Stars of the show are lovely blonde Belita, sensational young English skater; Vera Hrubá, five times champion of Czechoslovakia and known as the girl without a country; Dinna Atwood, the 17-year-old California junior champion who turned professional to join "Ice-Capades" and Dench and Stewart, dancing team. Other featured performers are Lyman and Jackson, comedians; the spectacular "fire skater," "Red" McCarthy; Phil and Megan Taylor, Serge Flash and many others in the cast of 100 of the world's finest ice performers.

At the close of the "Ice-Capades" the Ice Arena will be open daily for public skating, with morning, afternoon and night skating sessions. Professional instructors will be available for private and class lessons.

Ice Sports, Inc., the company operating the arena, has obtained a franchise in the American Hockey Association and the Dallas "Texans" will play 25 home games at the Ice Arena against such teams as Minneapolis, St. Paul, Omaha, Kansas, St. Louis, Tulsa and Fort Worth.

The opening hockey game will be against St. Paul on November 7 and the season will close on March 17 when Dallas plays at home against St. Louis.

G. F. Harris, of McAdoo, was in our city Monday greeting friends and attending to business affairs.

Contracts Effective for Air Base at Lubbock

The official work order by which contractors will formally and intensively begin construction on the \$4,000,000 army air corps training school near Lubbock, has been received along with assignment of a priority number that will allow contractors to secure materials under the national defense emergency act.

Actual contract for the completed project as approved is \$3,973,336. The work order includes all construction except runways, and contractors were informed this should be in their hands soon. Runways are to be of 3-inch asphalt on a 9-inch caliche base instead of concrete as originally planned. Priority number assigned the project is A-1-E.

Formal notice was given contractors that they must complete the project in 120 days from August 26, subject to a penalty of \$1,000 per day beyond the 120 days.

Actual construction, preliminary to the formal order, has been under way for some time, with approximately 850 men now at work. Number of workmen will be stepped up, depending in receipt of materials, to a peak of 2,500 to 3,000 men, contractors said. Carpenters began this week working on a 9-hour, 6-day week basis, with time and a half beyond eight.

Contractors are: C. S. Lambe & Company of Amarillo, and W. S. Moss and W. G. McMillan of Lubbock, builders; Holland Page of Austin, utilities, paving and grading; Broome Electrical Construction Company, electrical work; and R. K. Landreth Plumbing Company, plumbing and heating.

Meantime, plans are moving forward here for construction of approximately 200 dwelling units for use by officer personnel who will want accommodations for their families on opening of the school.

Foreign Service Now Available

Under recent regulations young men entering the Army through their Selective Service Boards have no chance of seeing the world. It is only by an enlistment through the Regular Army Recruiting Service that the young man's normal appetite for travel and

adventure in foreign lands can be satisfied. The U. S. Army Recruiting Station at Lubbock, Texas, (with substations at Amarillo, Plainview, Pampa, and Dalhart) now has many vacancies for service in the Hawaiian Islands and the Philippine Islands and young men registered for the Selective Service but who have not been called are eligible for enlistment in these vacancies.

For service in the Hawaiian Islands there are the following vacancies: Infantry, Coast Artillery Corps, Field Artillery, Corps of Engineers, Medical Corps and Ordnance Department.

For service in the Philippine Islands there are the following vacancies: Infantry, Coast Artillery Corps, Field Artillery, Quartermaster Corps, Medical Corps, Ordnance Department and Chemical Warfare Service.

These vacancies are something new, heretofore, it has been the policy of the War Department to send no one to Foreign Service with less than one year's service. Now a young man can enlist for one of these vacancies and be sent to Foreign Service without delay.

There are only a few of these choice vacancies left so young men desiring to travel and see the world should apply for enlistment at the nearest recruiting station without delay.

McAdoo F. F. A. News Report

The McAdoo F. F. A. boys attended their annual encampment at Roaring

Springs August 15-16. All of the boys had a good time swimming and playing baseball and football. Several other F. F. A. Chapters were there at the same time.

The boys camped out, cooking their own meals. Each boy carried some food from home, and all other expenses were taken from the F. F. A. treasury. Our instructor, Mr. McCreary, and Mr. Owens, owner of a local cafe, furnished means of transportation. The following boys attended:

Bill Brownlow, Roscoe and Raymond McWilliams, Orwin Roy Callahan, Jack Jones, Wayne Hardin, Donald Stephens, Troy Rich, Nathan Pipkin, Kyle Butler, Frankie Dickerson, and Cecil Smyth.

Troy Rich had a guest, a cousin from California.

The McAdoo F. F. A. Chapter will have a special meeting Monday night, September 15, for the election of new officers for the coming year. The members selected by a nominating committee are as follows:

President, Austin Rose, Jr. and Kyle Butler.

Vice President, Jack Hodges and Nathan Pipkin.

Treasurer, Kyle Butler and Bill Brownlow.

Reporter, Bill Brownlow and Jack Hodges.

Parliamentarian, Ray Battles and Troy Rich.

Historian, Joe Robertson and Ray Battles.

Watch Dog, Troy Rich and Joe Robertson.

During the meeting that evening

preliminaries for the selection of our F. F. A. Queen will be taken into consideration.

Jack Hodges, Acting Reporter.

TO THE PUBLIC

Mr. and Mrs. George Gabriel spent sometime in St. Louis selecting merchandise that you will enjoy wearing. Our Ladies' Ready-to-Wear department is very complete, and to our old customers, we had you in mind and brought back the style of Dress, Coat or Suit you will enjoy wearing, and to the new citizens as well as the new school teachers, we ask that you spend a portion of your money with us, we are proud of the Public School System in Spur. We have helped to build the school and we are helping to pay for its upkeep. You'll always find us willing to help in any worthwhile school project.

You students and parents—Trade at the Fair Store. You can get what you want here, not only merchandise, but service of all kinds. Money spent at The Fair Store turns 10 times in 12 months. This would be keeping Spur money for Spur people. It would be keeping it where each individual has a chance to get it back. Money is valuable. Think before you spend it, you will find it goes farther when spent at The Fair Store.
