Palace To Give Defense Bond To-Nite

VICTORY DAY IS SET FOR DICKENS COUNTY FOR MARCH 28th.

HON. FARNK SCOFFIELD AND HON. GEORGE DUPREE TO BE GUEST SPEAKERS

Dickens County announces a Victory Day March 28, 1942. This day will mean that every family in the county will be celebrating the buying of their part of the country's allotment of Defense Stamps and Bonds. If one family in the county fails to do its part in defending our country in the program of buying stamps and bonds, the Victory Day March 28th will have failed. Every one must do their part.

Dickens County quota for 1942 is \$372,200. Quota for each family in Dickens County is about \$196.00. There may be a few families able to buy ten times that amount. We understand that several schools in this county are already 100 per cent. Let's all be 100 per cent.

When every family in the county will own stamps and bonds Dickens County will have reason to celebrate Victory Program on the streets of Spur Saturday, March 28, 1942, at 2:00 o'clock, p. m. Hon. Frank Scofield, State Chairman of Defense Stamps and Bonds at Austin, and Hon. George Dupree, District Chairman at Lubbock, will be present. Appropriate music will be furnished by the four chorals clubs and two high school bands in Dickens County. All school children will be expected to be present. In fact, every person in Dickens County should feel it is his personal responsibility to his Nation to be present.

Remember Pearl Harbor.
Remember Singapore.
Remember General McArthur's Army.
Let's all be present.
(Signed) W. F. Godfrey,
Local Chairman.

New Citizens In Spur

The citizens of Spur are glad to welcome a number of new people into our city who have become residents here. All hope that these good people will feel that they are part of our town and that we appreciate them. All want them to take advantage of our schools and churches and to feel at home. Among our new citizens are:

- Mr. and Mrs. J. N. Beard
- Mr. and Mrs. A. C. Kunkle
- Mr. and Mrs. J. N. Webb
- Mr. and Mrs. E. L. Frazier
- Mr. and Mrs. Theo Taylor
- Mr. and Mrs. H. L. Smart
- Mr. and Mrs. T. I. Goodwin
- L. V. Boggett
- J. E. Littleton
- Mr. and Mrs. M. J. Subblett
- Mr. and Mrs. Alvin Lynn
- Mr. and Mrs. W. J. Sellers
- O. L. Fielder
- Roy Case
- Mr. and Mrs. G. B. Harper
- Mr. and Mrs. R. Chalk
- Mr. and Mrs. J. T. Porter
- Mr. and Mrs. H. A. Stanford
- Mr. and Mrs. Bill Robinson
- Mr. and Mrs. B. L. Wallace
- Mr. and Mrs. C. S. Blair
- Mr. and Mrs. O. C. Hankins.

More Efficiency Tests For Spur Pupils

G. B. Wadzeck, Spur High School Principal, is making arrangements to give High School pupils extra efficiency tests within a few days. All pupils have been given intelligence tests and dexterity tests for the fingers and hand but other tests are being outlined all the time.

Juniors and Seniors in the High School will take tests on their ability in clerical work and shop work. This will be additional to all other tests. It is very fine training for these pupils.

Mrs. Neal McCormick, of Red Hill, is in the Nichols Sanitarium recuperating from a small operation. She is receiving medical treatment, also, and seems to be doing all right.

Believed Captured From Wake Island

ARDON HOLMES

Who is thought to be among the American Soldiers captured by the Nipponese at Wake Island recently. Young Holmes is a son of Mrs. J. D. Smith of Girard community and is known to many people in this community. He graduated from Spur High School in May, 1934, and joined the Marines in June of that year. After serving four years and completing his assignment, he re-enlisted in 1938, and had not the war broken out, his second term of enlistment would have expired in June of this year.

His many friends are anxious to learn what is his condition at this time, and if he is receiving civilized treatment by his captors.

Selectees Called For Army Examination

A number more of Dickens County men have been asked to report for examination for the U. S. Army and are to report soon. There are 11 from the county, and two have been transferred from another Selective Service Board, making 13 in all. They are:

- C. H. Bronson, Lester Allen Galloway, Earl James Grubbs, Frank Herman Bostick, Lonnie Lewis Sharp, William Foy Randall, Raymond Albert Webb, Otha Lee Emert, Robert Owen Smith, Wayne Velton Stubblefield, Elton Morris Garner.

Transferred from another board are Bennie Franklin Weddle and Boggs Nelson Holson.

Meeting At Dickens Friday Night

There will be a meeting of citizens with the County War Board at Dickens Friday (tomorrow) night starting at 8:00 o'clock. Subjects to be discussed will be how the farmers may cooperate in the war program. People are urged to attend this meeting.

Also, you are asked to tune in Monday night from 8:30 until 9:00 o'clock to hear President Roosevelt's address on the war situation. You will receive some good information.

Scouts In Contest At Matador March 13

Boy Scouts of the Breaks Plains District will hold their contest in First Aid Work at Matador Friday night, March 13. Troops that can make a score of 320 points or more will qualify for the South Plains Council meet at Lubbock Friday, March 27.

Troops at Dickens, Spur, Roaring Springs and Matador are to enter the District contest at Matador March 13.

Mr. and Mrs. W. W. Sample, of Flagstaff, Ariz., were in our community last week visiting friends and looking after business affairs.

REGISTRATION FOR SUGAR CARDS RATIONING BEING CONDUCTED NOW

O. L. Kelley, County School Superintendent, has received quite a long list of instruction in regard to people registering for rationing of sugar cards. His instructions are just for the common school districts in this county of which there are nine. Independent school districts must register through the superintendent of their district.

The districts under Mr. Kelley's supervision are Duck Creek, Red Hill, Dry Lake, Highway, Wichita, Peaceful Hill, Spring Creek, Wilson Draw and Patton Springs.

Mr. Kelley has appointed certain persons to get an inventory of families in these various common school districts. These persons must secure the name of the family and number of persons in the family, and this routine must apply to all families. This information must be turned into Mr. Kelley's office by March 5 which is today. Mr. Kelley then makes a report to the state superintendent who sends out the cards by which people are to secure sugar. Any family who fails to be listed may have trouble securing any sugar for the use of the members of that family. Hence, it is very important to see that all families are listed, together with the number of persons in each family.

The following named persons have been selected by Mr. Kelley to list the families:

- Hugh Hagins for Duck Creek
- Mrs. Tom McArthur, Red Mud
- J. C. Dopson and W. M. Freeman, Dry Lake
- Gordan Parks for Highway
- Dock Drennon and Raymond Pack for Wichita
- Mrs. O. M. McGinty for Peaceful Hill
- Joe McDaniel for Spring Creek
- Alvis McDaniel for Spring Creek
- Logan Cummings for Patton Springs.

O. C. Thomas will take care of this listing for families in Spur Independent School District; E. M. Lawrence will have charge at Dickens School District, and O. G. Joiner will take care of the work at McAdoo.

More Men Go Into Service From County

A small number of men from Dickens County were inducted into service last week. Those leaving Dickens County direct were:

- John Hazelwood, Jr., Travis Lee Sizemore, Andrew Bascom Bateman, John N. Hopkins, Alva Nobles, Carl N. Fry, Charles Albert Brendle.

Henry Doyle Torbett was transferred to California for induction.

Elmer Eugene McCombs was transferred here from Arizona, and Homer Gravit Thomason was transferred here from Odessa.

O. G. Joiner Heads McAdoo Schools

McAdoo schools have a new superintendent who has been on the job only about two weeks. O. G. Joiner took over the management of the schools February 16 and seems to have every phase of the work going in good condition.

Mr. Joiner was in Spur Monday afternoon and stated that McAdoo people seem to be fine folk. He is liking his work and seems to be having fine cooperation among the pupils, teachers and patrons.

He and Mrs. Joiner have been teaching at Balmorhea where they were very successful. Mrs. Joiner is a music teacher. They are graduates of Texas Technological College where Mr. Joiner has both his A. B. and M. A. Degree.

B. M. Keese, who was superintendent at McAdoo, has gone into Army service and is located at the Air Base at Lubbock as a statistician.

Chamber Commerce Replaces Spur Civic Club

Due to the national recognition given Chambers of Commerce throughout the entire nation, the Spur Civic Club directors deemed it advisable to change the name of that organization so that they might receive more recognition in the expansion of the Defense program of the United States.

Although the Spur Civic Club covered the exact duties of a Chamber of Commerce, the lack of knowledge of other organizations has hampered the work of the club.

Directors of the Spur Civic Club for this year are A. C. Hull, G. R. Lunsford, O. B. Ratliff, Tye Allen, T. E. Milam, Jack Godfrey and O. C. Author.

At a later date, the various committees will be named, and the new organization will begin to function in full swing.

Fat Stock Show Set For March 21

The Spur FFA and Dickens County 4-H Fat Stock Show date has been set for Saturday, March 21. This exhibit will be held at Spur and will be open to the public all day.

The work done by the 4-H Club boys has been under the supervision of County Agent Woodrum. These boys will exhibit 15 calves during the show.

The FFA boys are members of the Vocational Agriculture Department of the Spur High School, and have done their work under the direction of Cecil Ayers, Vocational Agriculture teacher. They will exhibit 33 fine calves, 69 lambs, 26 breeder hogs and 36 fat hogs.

Prizes awarded will be Defense Stamps in all classes of the show.

School Census Being Taken

March is the month in which school census of all scholastics are taken. Blanks for taking the census of scholastics in the common school districts can be secured at the office of the County School Superintendent.

All children who reach their sixth birthday on or before August 31 of this year are eligible to be enumerated for school privileges. All children who do not pass their 18th birthday on or before August 31 are eligible for enumeration. Each child enumerated brings to his school the sum of \$22.50 from state funds.

Opening Date of First Aid School

The first class of the local First Aid School will begin Monday night, March 9, at 8:00 o'clock. Classes will be conducted in the study hall of the High School in Spur.

The text books have arrived, and those interested in taking the course who want a book, will contact Spencer Campbell at once. The price of the book is 60 cents.

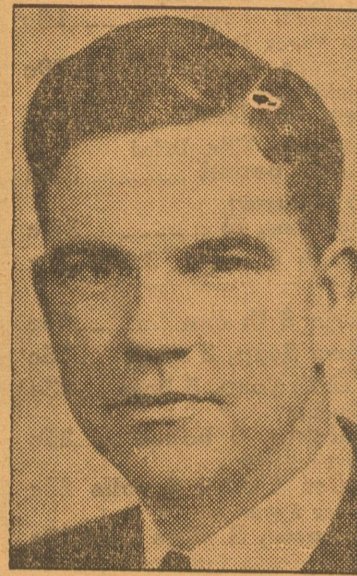

The instructors have been selected, and about 35 people have signed for the course at this date. This First Aid Course is open to every one and will be very beneficial.

GUERNSEY IS SOLD

Murry A. Lea, recently purchased a registered guernsey bull from A. B. Buchanan of Brownfield, to add to his local herd. Kitty's Lucky Boy 3000444 is the name under which this animal is registered with the American Kuernsey Cattle Club.

LOCAL THEATRE BACKS UNCLE SAM IN TREMENDOUS DRIVE FOR VICTORY

Condemns Fan Dancers Congressional Pensions

GEORGE MAHON

The following is an address of one minute duration by Congressman George H. Mahon, and it is fully self explanatory. Mr. Mahon requested permission to speak but one minute and was through when the gavel fell.

Mr. Mahon. Mr. Speaker, upon this momentous day when we in the House of Representatives celebrate the anniversary of George Washington's birth, and on which we shall head the President of the United States speak to the American people, I think it not inappropriate that those who believe in the Congress, who believe in the people, who believe in our democracy, reassert their faith in our Government.

A lot of criticism has been recently made of the Congress and this administration. Some of it has been warranted. For example, the so-called congressional pension was agreed mistake, wrong in principle. It has been pending for years, having been first considered by the House in 1939. I am glad to say that I have never favored it or voted for it, and I have urged the repeal of the act, which I hope will occur at the session tomorrow. Wasteful nondefense spending is bad; the employment of so-called fan dancers in Government positions is bad.

But, Mr. Speaker, let me say that I have not lost faith in the American people, in the Congress, or in the President. The people want the truth; they are impatient with side issues, nonessentials, foolishness and waste, but they are hungry for a chance to make a real contribution to the war effort. The people are aroused; everything they have is at stake, and they are ready to make greater sacrifices in order to assure victory for God and country.

And, if we stand united, victory will be ours, and the faith of George Washington in this Nation will again be vindicated.

Girl Selected To Go To Homemaking Meeting

Billie Doug Graves of the Girard Future Homemakers of Texas was selected to go to the Area II Meeting of Future Homemakers of Texas March 14, 1942, at Breckenridge. She was selected because she made the highest homemaking grades of either Juniors or Sophomores. The classes decided to send the Seniors because they would not be able to hold office next year.

WAR MEETING AT DRY LAKE

There will be a meeting of the County War Board and community agricultural association at Dry Lake Thursday night, March 12. The subject will pertain to how farmers may cooperate with the War Board in winning the war. Everybody have an urgent invitation to be present.

Buy Defense Bonds and Stamps

J. C. Bilberry received a painful injury Wednesday morning while attempting to crank a motor. The crank slipped off and hit him on the upper lip, cutting it through and broke one tooth. He was treated at the Nichols Sanitarium.

The people of Spur country should feel complimented by the very fine programs which appear at the Palace Theatre every day and night. The picture Tuesday night was both entertaining and interesting, and all who saw it were thrilled with the program.

The Palace does not forget the patriotic side of life. Every Thursday night a \$25.00 Defense bond goes to some one who attended the show either Wednesday or Thursday. Lou Emma Shugart of Red Hill community, a High School student, received the Defense bond last Thursday night. Some one will get a bond at the Palace tonight, and for several Thursday nights in the future. Attend the programs at the Palace, enjoy a fine show, and feel patriotic because a bond is given away which helps to win the war. This is a real war and we should take it serious. The Palace Theatre is doing its part.

To Voters Of 118th District

Please consider this my official announcement for a second term as Representative for the 118th District comprising Borden, Dickens, Garza, Kent, Scurry, and Stonewall Counties.

The 47th Legislature, which is now history, was confronted with the most difficult task a Texas Legislature was ever confronted with, that of fulfilling the pledge for social security to the old, the blind, the teachers, and the crippled children made by the people several years ago. Although two former legislatures had failed to carry out this pledge, it was carried out by the 47th Legislature, and is now in operation. I had a small part in bringing this about.

When you elected me, I pledged myself to a higher truck load limit. I had the honor of being co-author of the bill that discarded the ridiculous 7000-pounds limit, and raising the over-all limit to 35000 pounds. I was also co-author of the bill passed by the 47th Legislature outlawing strikes in defense industries of Texas.

It was my pleasure to serve on some very powerful committees, namely, the Appropriation Committee, the Committee on Education, the Claims and Accounts Committee, and the Committee on Privilege Suffrage, and Elections.

I was the author of the amendment that gave money to the Live Stock Sanitary Commission for the Control of Predatory Animals, thereby enabling West Texas to have more government trappers.

I mentioned a few of these things to let you know that I tried to look after the interests of the people of the 118th District and of Texas.

I am asking for a 2nd term on my record and if re-elected I pledge my continued, unqualified efforts in behalf of my district and all Texas.

Your vote and influence will be greatly appreciated.

PAT BULLOCK,
Representative 118th District

Homemaking Students Visit Homes

While studying a unit of "Beauty in the Home", the third year Homemaking students learn to curtain windows attractively. They visited the following homes Friday to see windows curtained and draped in a variety of ways:

Mrs. Horace Emery, Mrs. Everett McArthur, Mrs. Mack Woodrum, Mrs. Neal Chastain, Mrs. E. D. Engleman, Mrs. O. C. Thomas, and Mrs. G. B. Watzek.

Girls making the visits were Betty Jo Barnett, Ava Nell Bilberry, Nadynne Brewer, Margie Cole, Lillie Ferne Delisle, Elsie Cleo Frazier, Yuba Lee Parks, Loise Ince, Betty Miller, Elizabeth Ramsay, Lois Rape, Bonnie Doyle Turpen, Bertha Nell Walker, Bobbie Lou Watters, and Mrs. McArthur, the Homemaking teacher.

Mr. and Mrs. W. F. Cathey, of near Dickens, were in Spur Saturday trading and talking with friends.

Antelope School Honor Roll

Mrs. Marion Jordan, teacher at Antelope School, reports the honor roll of that school for the last period. The enrollment is small and many of the pupils have had to miss school on account of illness. This kept a number from making the honor roll.

Those who made the honor roll are: Erma Willis, Tressie Mae Willis, and Mary Willis.

Mrs. Jordan reports that the school is 100 per cent in buying Defense Stamps. Each child has a stamp

album and has bought one or more Defense Stamps.

Funeral For Mrs. Harvey Sunday

Funeral services for Mrs. Rebecca Elizabeth Harvey were held at the First Methodist Church Sunday afternoon at four o'clock. Rev. H. L. Thurston, the pastor, conducted the services. Interment followed in Spur cemetery with Chandler Funeral Home in charge of arrangements.

Pall bearers were Sidney Johnston, A. J. Harvey, W. P. Foster, Eldon Powell, Billie Powell and James Fox. The deceased is survived by her husband, T. J. Harvey, and the following children: T. A. Harvey of McAdoo, Mrs. Lou Burt of San Angelo, W. K. Harvey of Spur, Mrs. R. Johnston of Amarillo, Mrs. W. W. Neely of Frederick, Okla., Mrs. W. B. Tennis of Houston, George Harvey of Houston and Mrs. R. D. Rhinehart of Houston. Two children preceded her in death. There are 31 grandchildren, 35 great grandchildren, and nine great grandchildren in the family.

Mrs. Harvey was a native of Alabama, and her maiden name was Miss Rebecca Elizabeth Morton. She was born March 5, 1862, and lacked one week of being 80 years of age. She grew to womanhood in Alabama and was married to T. J. Harvey at Gadsden, Alabama, September 27, 1877. Mr. and Mrs. Harvey came to Dickens County in 1914 and have spent the past 28 years here, living most of the time on their farm in Soldier Mound community.

She was converted when a child, fourteen years of age, and became a member of the Methodist Church. She was still a member in that church when she passed away.

Funeral Services For Mrs. Smith Today

Funeral services over the remains of Mrs. Angeline Smith will be held at the Baptist Church in Girard at two o'clock this afternoon. Rev. Willie Lee, pastor of the Bryan Street Baptist Church at Lamesa, will be in charge of the services. Interment will follow in Girard cemetery with Chandler Funeral Home in charge.

Survivors are her children: Mrs. D. W. Middlebrook of Ladonia, Mrs. H. C. Laird of Afton, Mrs. Jim Allison of Newlin, Perry Smith of Spur, Tom Smith of Anson, Gordon Smith of Denison, Roy Smith of Girard, Mrs. H. K. Clifton of Anson, and Mrs. Alton Hanes of Henrietta. Two sisters, Mrs. Amanda Mullins of Oklahoma and Mrs. Fannie Jones, Tennessee still survive. There are 24 grandchildren, 20 great grandchildren and one great, great grandchild in the family.

Mrs. Smith was a native of Tennessee and was a daughter of Mr. and Mrs. Lowery Smith of Birdstown, Tennessee. She was born January 1, 1865, and spent her childhood days in Tennessee. When she was about 15 years of age she and D. W. Smith were married in Tennessee. They came to Texas early in life and moved to Girard community in 1926. Mr. Smith passed away January 2, 1940, and Mrs. Smith passed away March 4, 1942, at 3:30 o'clock, a. m., two years two months and two days after the demise of her husband.

When about twelve years of age she was converted and became a member of the Methodist Church. She exemplified a devoted Christian life as long as she lived. Her neighbors and friends believed in her life as a Christian, and she always stood for the right.

Funeral For Mrs. McLain Monday

Funeral services for Mrs. Prudence Ann McLain were conducted at the Spur cemetery at four o'clock Monday afternoon. Rev. J. V. Bilberry, an early day minister and friends of the family, was in charge of the services. Interment followed in Spur Cemetery, with Campbell's Funeral Chapel in charge of arrangements.

Active pallbearers were Glenn Huls, Ben Schussler, Alf Parks, Charles Parks, Granville Pursley and Wayford Cooper. Flower bearers were Charles Parks, Mrs. Wayford Cooper, Mrs. Ola Murdock, Dorothy Schussler, Mrs. Wilson Hagins, Thelma Pursley.

Mrs. McLain was a native of Texas and was born July 14, 1855. She was 86 years of age last July. She was a daughter of the late Mr. and Mrs. Phill Trammel.

Her home had been at Jayton but she came to Spur to visit her granddaughter, Mrs. Ben Schussler about two weeks ago. She became ill and survived only a few days, possibly her advanced age hastened her demise.

She was converted when 15 years of age and became a member of the Baptist Church, and remained a member until her death.

Edison's Ideas Go to War

American scientists and inventors, many of them working in the laboratories of American industry, will play a big part in helping to win the war.

1. Thomas A. Edison, born 95 years ago on February 11, was one of America's greatest inventors. In addition to his famous lamp . . .

2. . . he built the first of America's electric power systems, and discovered some of the principles which other scientists used to give us the radio.

3. Today electric light, electric power, and radio—so much improved that Edison wouldn't know them—are performing many vital tasks in America's war effort.

4. And scientists throughout the nation, in laboratories like the G-E Research Laboratory, are working, as Edison once worked, to bring victory.

Each Farm Family to Produce Own Food

"Food will win the war and write the peace" is an often repeated slogan, the truth of which is not questioned by the American public. A worthy goal for any farm family this year would be to produce enough food to meet the daily requirements of every member of that family for one year. The amounts to meet this requirement may be secured from the County Home Demonstration Agent's office, according to Fae Bass, Home Demonstration Agent.

In order to do this part in producing this food to win the war and write the peace, Dickens County Home Demonstration Club women chose as one of their major demonstrations for 1942, the production, preservation, of fruits for the family. Some planning has already been done with club members for their farm fruit plot. Later in the year other demonstrations will be given on preservation, both canning and drying, and on preparation. Fruits which are a good source of sugar should be especially appealing now that the amount of sugar now available is limited.

The Home Demonstration Agent's office is now located in Dickens, on the north side of the square, and Miss Bass invited not only Home Demonstration and 4-H Club members to visit her office, but also other rural as well as urban families, who desire information on better methods of homemaking. Texas A & M Extension Service bulletins are available and personal help will gladly be given to anyone who writes or goes to the office in person.

Mr. and Mrs. Speer Entertain Friends

Mr. and Mrs. Dick Speer were hosts to a number of friends the last of the week at their lodge at Ruidosa, N. Mexico. The amusement assured plenty of out-door sport during the day and in the evenings "42" and bowling was enjoyed by all.

The food served three times daily was better and more of it. Ham, eggs, coffee, toast, and three varieties of jelly for breakfast.

Lunch—Coffee, sandwiches, pumpkin pie and Devil's Food cake.

Dinner—Brown beans, potato salad, vegetable salad, hot bread, pickles, onions, mixed relish, chocolate pie, coconut cake, roast pork smothered with apples, baked ham smothered with pineapples.

Those enjoying the occasion were: Mr. and Mrs. Jack Barton, Mr. and Mrs. James Snyder, Mrs. Helen Maddox, Mrs. W. D. Starcher, Miss Nelta Boothe, Leon Speer, William D. Starcher, Jr. and Miss Polly Poindexter.

A MESSAGE OF APPRECIATION

We want to express our deepest appreciation for the beautiful flowers, and the many kind words of sympathy in the passing of our loving wife and mother. Especially we thank Dr. Hughes who was so thoughtful and kind, the neighbors who gave assistance and brought the food to our house. May each of you find such friends as these in your hour of sorrow.

T. J. Harvey and Family.

Rev. and Mrs. J. D. Lee, of Peacock, were in our city Tuesday doing some trading and visiting friends.

L. R. Barrett and Floyd Green attended a regional meeting of salesmen and mechanics for the John Deere Company at Stamford Tuesday.

Welfare Group Meeting Here

A meeting of Welfare Workers for the area was held in Spur Tuesday afternoon with Mrs. Johnnie Weaver, area supervisor, in charge. Various phases of welfare work was discussed and problems and plans outlined. The workers in this area carry on a regular study course and a meeting is held every month.

Those attending the meeting were: Mrs. Pearl Simpson of Briscoe County, Miss Ruby White and J. E. Collier of Floyd County, Miss Madge Nichols of Motley County, Miss Gladys Lunden and A. D. Taylor of Cottle County, Miss Vera Darr of King County, Miss Allie Comer of Stonewall County, Mrs. Kate Davis and L. A. Miller of Garza County, Mrs. C. N. Nicholson of Crosby County, Miss Christine Rutherford, area secretary; and Mrs. Weaver, area supervisor.

Livestock Feeding Tests Is Valuable

The Spur Experiment Station has just closed a feeding project on a number of cattle to test the relative values of different types of feeds. The length of feeding period was 84 days with tests and weights made for every day. Kaffir and sumac silage was fed to all the animals during the project. Other feeds were added to some pens.

Group No. 1 were fed kaffir silage. The animals averaged 816 pounds in weight and made an average gain of 1.98 pounds.

Group 2 was fed sumac silage. The animals averaged 817 pounds in weight and made a daily gain of 2.0 pounds.

In other groups feeding rations were varied. In one group sumac silage and one pound of cotton seed meal were used. This pen averaged 367 pounds and made a daily gain of 0.93 pounds. In another group kaffir silage was fed with one-pound of cotton seed meal per animal per day was added. This pen averaged 411 pounds and made a daily gain of 1.45 pounds.

Another pen was fed native grass pasture with one pound of cotton seed meal per animal per day. This pen averaged 355 pounds and made a daily gain of 0.83 pounds. A fourth pen was given wheat pasturage. This pen averaged 368 pounds and made a daily gain of 1.0 pound.

In another project there was a test for Vitamin A requirements on an 84 days ration of carotene of a level of 2,000 micrograms per hundred pounds of live weight. In one group 2,000 micrograms in alfalfa leaf meal was used. There animals averaged 461 pounds and made a daily gain of 1.63 pounds.

A second pen was used with 2,000 micrograms in kaffir silage. These animals averaged 490 pounds and made a daily gain of 1.91 pounds. A third pen was used with 2,000 micrograms in sumac silage. These animals averaged 482 pounds and made a daily gain of 1.80 pounds.

Three yearling steers were fed safflower meal 2s a protein supplement in fattening ration with ground milo heads and cotton seed hulls. These animals made a daily gain of two pounds for 140 days.

The above results are on record at the Experiment Station.

CARD OF THANKS

We want to take this means of expressing our sincere thanks and appreciation to each and every one who was so kind to us during the trying hours we passed through when the sad news came of the passing away of our beloved brother and uncle on February 22. You will never know how much you helped us with the kindness you have shown. May God's richest blessings be upon each and every one.

Food Stamp Plan For Dickens County Soon

Hon. George H. Mahon, Congressman for the 19th Congressional District, has announced that the food stamp plan would be established in Dickens County within a short time. Congressman Mahon said this was due largely to the efforts of the efforts of the county and city officials, and that they are to be commended for their efforts.

Congressman Mahon has always stood by the people in this county, and everybody feels that they have a very helpful friend in the person of our Congressman. He has made a great effort to give the people of the 19th Congressional District what they have asked for, and he has been very successful in this work. He is a man of the people.

FFA Chapter Meets In Advance

The Spur Chapter of Future Farmers of America held their monthly meeting Tuesday night of last week in lieu of Monday night this week, which was the first Monday night. The purpose of this change was to get to hear the address of Governor Coke Stevenson and to attend to other timely matters.

Last week was National FFA Week, and the Spur Chapter gave a program at the assembly hour at the High School Friday morning. The program announced about the project show March 21, and outlined what the FFA boys are doing in regard to food for freedom.

They gave an humorous hog judging contest, some of the boys playing the hog part while others did the judging.

Those taking part in the program were: Bob Hawley, Troy Boothe, Pete Adcock, Warren Cooner, Melvin Rape, James Loe, Billy Joe McCombs, Dale Fry, and Billy Joe McMahan.

Supt. Jernigan Check Schools in County

Deputy State Superintendent J. C. Jernigan, of Childress, worked in Dickens County the last of the week with Supt. O. L. Kelley checking schools for credit work and progress. He found all of the schools in the county up to par in their work and was highly complimentary of work the pupils are doing and the fine direction being made by the teachers.

He was at Dickens Wednesday morning and found the work in that school of high standing. Supt. Lawrence and the teachers have a fine plan there and the pupils are following through in a great way.

He was at Patton Springs Wednesday afternoon and found the work there in fine condition. Supt. Cummings and his teaching staff have things well lined up. Mr. Jernigan especially complimented the work in music, homemaking and vocational agriculture.

Our schools were visited Thursday which is a full days job since there are three schools to be checked in Spur. He was highly pleased with the work and commented on the work in music, homemaking, vocational agriculture and physical education. He stated that all work in Spur schools is to be complimented.

Dry Lake school, which was visited Friday morning, was recommended to be kept on the accredited list. He spoke highly of the work of the teachers and pupils, and of the cooperation of the two members of the school board, Lon Bass and Archer L. Powell. Also, he visited Wichita school Friday morning and complimented the work of the teachers and pupils there. Wichita is working to credit their school next year. Harve Adams, a member of the Board, was present when the school was checked. Friday afternoon Mr. Jernigan visited at McAdoo, and found a new superintendent there. While he had been on the job only one week, Mr. Jernigan found the school in fine working condition.

It appears that Superintendent Kelley and other school superintendents in the county have secured some very fine work and cooperation from the teachers and pupils in the various schools.

LIGHT PLANT AT RUIDOSA BURNED

Mr. and Mrs. Jack Carnes, Miss Nelta Boothe and Leon Speer spent Sunday and Monday visiting in Ruidosa, N. Mexico. They returned Monday night and reported that the light plant at Ruidosa burned Sunday night, leaving the entire valley in darkness.

This plant was operated by W. A. (Bill) Hart who was once associated with the City Light Plant at Spur. Mr. Hart received several very painful burns in trying to extinguish the flames at the plant.

Schools Go Over Buying Stamps

All schools in Dickens County have gone over 100 per cent in the program of buying Defense Bonds and Stamps. This means that every pupil in every school is now the owner of one or more bond or stamp. The school children are trying to do their part toward helping to win the war.

State Supt. Jernigan complimented the schools in this program last week while he was visiting in the county.

BAND TEACHER GOES TO ARMY

A. O. Lively, who has been in charge of the Spur School Band the past year, left last week to take training in the Naval Reserve service. He is located at Great Lakes, Illinois, where he is making a special study of music and band directing. He was classed as a second class musician, and as soon as he reaches the rank of first class he will be assigned to duty.

Miss Bonnie Lawrence, who had spent ten days in Abilene studying a government course, returned last week and is back at her desk in the Farm Security Office.

Meetings On War Programs Held

A meeting was held at Highway Monday night of last week to discuss measures of cooperation relative to the war program. County Agent Woodrum talked on the value of growing food stuffs, repairing farm machinery now, and the need of saving scrap iron and turning it over to be used in the war program.

Supt. O. L. Kelley discussed the selective service act and the selection of men for the U. S. Army. Mr. Kelley brought many ideas relative to this work and emphasized the responsibility on the part of the County Selective Service Board.

Bob Hahn served as chairman of the meeting.

A meeting was held at Afton Tuesday night of last week with Joe M. Rose acting as chairman.

Mr. Woodrum discussed the same phases of work on the war program that he discussed at Highway the night before.

Charles A. Taylor discussed goals of Dickens County farmers in the war program relative to how they may meet the demands for food that is now upon the farmers.

Miss Faye Bass discussed how the women of the county may be of great assistance in the war program. Farm homes that can foods and preserve them in various ways to home use make it possible for more foods to go to the soldiers who are at the front.

Supt. Kelley discussed the Selective Service act and the work of the Selective Service Board, making a

similar talk to the one made at Highway.

Joe Rose gave a summary of the service of farmers in the war program, stating that it is now time for everybody to cooperate and help win this war.

Patton Springs FFA Holds Banquet

The Future Farmers of America at Patton Springs held their annual banquet Friday night. The boys had their fathers as main guests of the evening. The banquet was in the dining room of the Homemaking Department with the students in that department serving the dinner.

The regular opening exercises of the FFA Chapter were carried out with Joe Goss, Jr., as president. L. J. Varnell was introduced and asked to serve as master of ceremonies for the evening.

The address of welcome was made by Gilbert Ragland, and the response was given by W. F. Ragland. Reports about the Club work was made by different members of the Chapter.

Supt. Kelley was the main speaker for the evening. His subject was the importance of the Farm Boy Today. This address was followed by one made by Supt. Logan Cummings in which he emphasized youth training.

All present reported a very fine meeting.
