L. D. Ratliff Announces for District Attorney

This year the people of the 110th Judicial District will elect a District Attorney. I want to be your District Attorney, and in my humble way I make the following statement.

I am now serving my eighth year as your County Attorney. During that time you have watched my work, and my daily life. If you believe that I merit your confidence as a public official, and as a man, I want your help in seeking the natural promotion to the office of District Attorney.

The 110th Judicial District is composed of Brisco, Dickens, Floyd and Motley Counties, and the towns of Lockney, Floydada, Silverton, Quitaque, Matador, Roaring Springs, Dickens and Spur are located within the District. I have been working for several weeks in the other counties of the District, and I have campaigned with a great many people in those Counties, but it will be impossible for me to see all of the voters, I need your help in the other Counties of the District. If you have a relative or close friend residing in any of the Counties named above, and if you want to help me in this race, I will greatly appreciate having you write your relatives and friends and asking them to vote for me in the race. I assure you that your help will be appreciated and long remembered.

Respectfully Submitted
L. D. Ratliff, Jr.

Alton W. McCully Commissioned

Alton W. McCully, 23, of Spur, Texas, was commissioned a 2nd Lieut. in the Marine Corps last week at the big Naval Air Station in Jacksonville, Fla., where he has been undergoing flight training since November.

Lieut. McCully is now prepared to take his place on the battlefronts or at one of the many Naval training stations throughout the country. Aside from air work, the newly commissioned marine officer studied engines, airplane parts, communications and many other phases of aeronautics.

Before being awarded his "wings", McCully was in training with several hundred other young men of the Navy and Marines who have been learning flight technique from skilled naval officers.

McCully reported to Jacksonville after completing elimination training at the Naval Reserve Aviation Base in Dallas, Texas where he received his first experience in a Navy cockpit.

Son of Mr. and Mrs. C. H. McCully of Spur, Lieut. McCully attended McMurry College in Abilene where he was a member of the varsity baseball squad.

Cadet Andy Hust, Jr., spent the last of the week here visiting his parents, Mr. and Mrs. Andy Hust. He is in the personnel headquarters at Sheppard Field, and is making good in his work.

How Recent Regulation "W" Credit, Affects Charge Accounts

If you have been in the habit of paying your bills on a thirty day basis and if you continue on that basis, Regulation "W" does not affect your charge account at all.

Simply stated, the section covering accounts, says that all charge purchases made during any calendar month (for example) may be paid for in full on, or before the tenth day of the second calendar month which purchases were made, (in example it would be on the 10th of July), purchases made during the month of June must be paid for by August 10th, July Purchases by September 10 and so on.

Regulation became effective May 6th and all purchases on the books at that time and all charge purchase since that date come under its rules.

It is the desire of the Retail Merchants to maintain that same pleasant relationship which has always existed with their charge accounts, hoping for a continuation of the same. It is their feeling that these regulations passed by the government will not materially change the essential convenience and service offered through their charge accounts.

We feel sure that our patrons will join with us in full cooperation with our Government.

Lawson Jr. Hyatt Awarded Silver Cross

Lawson Junior Hyatt, 19, seaman second class in the United States Navy, has been awarded the Army decoration of the Silver Cross. He is a son of the late Lawson Hyatt and a grandson of Mr. and Mrs. W. L. Hyatt of the Spur Hotel.

Young Hyatt was one of the three Texas members of the crew of the submarine commanded by Lieut. Commander Frank W. Fenno, Jr., of Westminister, Mass., which carried a load of ammunition to the defenders of Fort Mills on Corregidor Island in Manila Bay last February, and took out the Philippine Government's treasure of gold, silver and securities.

The other Texans were Albert Zubik of Richmond and Charles H. McCoy of Dallas, a former resident of Lubbock.

Mr. Hyatt attended the Hobbs High School in Fisher County and was a member of the school's football squad. He worked on a ranch sometime and enlisted in the Navy last October.

Don't Be Too Confident

The president, Secretary Hull, Vice-President Wallace and other top-flight officials have warned the people not to become too optimistic—and to disregard the current crop rumors to the effect that the Axis is on the verge of collapse. There is sound reason behind that warning.

Nothing suits the Hitler-Hirohito combine better than unjustified optimism on the part of their enemies. Nothing is so fatal to a nation in modern war as complacency.

The newsmen who were recently released from Hitler's Europe brought some very interesting information with them. Axis morale, they say, dropped when Germany and Italy declared war on us. But Hitler has most of the people sold on the idea that they must win or perish. They are doggedly determined to fight on to the very end. There are relatively few rebels—and the Gestapo is active and efficient.

It is possible, of course, that the war could end with startling suddenness. That happened in 1918. But it would be the height of folly to anticipate that. We can hope for a short war. But we must build and plan for a very long one.

Vacation Bible Church School Closing

Miss Irene Carson, from the Assembly's Training School, Richmond, Va., who has been directing the Vacation School for the First Presbyterian Church, announces that her school has been most successful.

There has been a fine spirit of cooperation on the part of pupils, parents and workers. There has been a great increasing interest. "The Bible" Miss Carson says "is the one text that is the neglected one in all our public schools and in most of our churches for systematic study," and "is it a wonder why the world is in the terrible predicament it now is, with more than 40 nations again at the throats of one another?"

If our own country was originally started for these sacred Bible principles and ideals, then why don't we return to it, when we see the futility of setting the world's problems thru any other way? We certainly owe God first place. Miss Carson begins two schools on the same day next week,—one at Rochester and one at Rule, in the morning and afternoon respectively.

FUQUA FAMILY REUNION

Sunday, May 24th, the descendants of the Fuqua family met at the farm home of Mr. and Mrs. W. F. Fuqua on Lower Red Mud to celebrate their annual reunion.

Seventy-six relatives and 54 neighbors and friends came to enjoy and participate in this celebration. Each one brought well filled baskets, and at the noon hour a bountiful dinner was spread on the lawn.

It was indeed a joyful occasion. Some of the Fuqua relatives were present that some of the Fuquas' had never met, and others hadn't been seen in thirty years.

In the afternoon old time games were enjoyed by some, while others got together and talked of childhood days. Some very sweet memories were revived, and some very sad ones.

Others gathered for music. As some brought their instruments. A lot of good singing and playing was really enjoyed by everyone.

All too soon the time came for us to separate, but each one left, hoping for another enjoyable day together next year, when we all meet on the second Sunday in July at the farm of Mr. and Mrs. R. G. Smith of the Cat Fish Community in Garza county.

Those present were: Mr. and Mrs. Charlie Rhea of Silverton, Mr. and Mrs. Clark Howell and kiddies, Mr. and Mrs. Hubert Howell and children of Cat Fish, Mr. and Mrs. L. B. BOMB HITLER

We'd like to—But we have to let the boys do that who know how, and our job is to produce and keep the plows, combines, hoes etc., going to keep the weeds from growing. Yes and keepour Faith in the Fact that right will ultimately win. That God still lives, and that he knows whether we are on the right side of this fight or not. And we have no doubt in our minds about who's side He is on.

Say folks its a good old world after all, and will be a lot better when the powers of right overcome the powers of might, by proving to them that peace loving people can use might to conquer might and then be big enough to treat the people of even Germany fairly.

Yes, we must sell merchandise. You have read about Regulation W perhaps. Well it tells us how to sell and our customers how to pay and most of you who trade with us have been living up to these terms. We think they are good for all of us. And we know our customers will abide this credit plan.

Plenty of twine for binding, plenty of hay ties for baling, plenty of sweeps from six inches to thirty six inches plenty of hoes to chop the weeds.

Your friends,

NOTICE TO OUR FRIENDS AT SPUR FROM SHUGART'S

Due to a certain ordinance that your city has made, we were asked to get out of town. For twenty years we have gone to Spur, but your City Dads are getting to the point where they won't let honest, upright people locate in your city. How do you expect to build a town with your present set-up?

We are mailing to the Dickens County Times by July 10th your pictures. Please, call at the Dickens County Times by that date and get same.

We feel sorry for your City Manager. Of course, you pay him a nice salary. He needs a job. He only does what the City Dads demand him to do. Any of us can do most anything when we are paid to do it. So, there are no hard feelings toward the City Manager for your Mayor and City Attorney pin dirty work on him and then leave town. But we intend to be back in Spur. In 1943 is City election. Get you a new set of City Dads and have a town.

Mrs. G. H. Watson
Buried Sunday

Funeral services for Mrs. Kate Emert Watson were held at the Dickens Methodist Church Sunday afternoon at four o'clock. Rev. H. L. Thurston, pastor of the First Methodist Church at Spur, was in charge of the services, assisted by Rev. Conrad Ryan, pastor of the Spur Methodist Circuit. Interment followed in Dickens cemetery. She is survived by her husband, G. H. Watson and three sons: Otha L. Emert of Spur, Robert Emert of Arizona and Lonnie Emert of California. Two sisters: Mrs. Lizzie Forns of Winters, and Mrs. Susan A. Hall of Wichita Falls, still survive. There are nine grandchildren in the family.

Mrs. Watson was born at Belton May 16, 1881. Her maiden name was Miss Kate Anderson. She was a few days past 61 years of age at the time of her demise May 29. She was married to R. L. Emert May 3, 1903. Eight children were born into the home, five of whom preceeded her in death. Mr. Emert passed away in 1929. She had been a citizen of Dickens County since 1910, living on her farm eight miles north of Spur.

She married G. H. Watson in 1934. Mrs. Watson made a profession of faith when about fourteen years of age and joined the Methodist Church. Her membership was held at the Gatesville church.

Her friends said of her: "She was a good neighbor and was especially capable and attentive to those who were sick, and was ready to lend assistance in a neighborly manner."

Christian Church
News

Special note of interest. The Revival meeting is to begin the 17th of June and run thru Sunday night June 25th. This meeting was scheduled to begin July first and run thru July 12th, but due to conflicting date our meeting date was moved up to the one above. Br. L. O. Leet, Stewardship Evangelist of the East Dallas Christian Church, and Texas Missions will be here to hold the meeting. He is a very capable man, and we extend a cordial welcome to all people to come and hear him. He is very busy, his time is all taken, and our meeting will only be a ten day meeting. Notice the papers for further announcements.

If you hear some one of our Sunday school talking about the Reds and Blues, they are talking about the contest that is in progress in our Sunday school. Mrs. Dr. Hale is leading the reds and at the present time is in the lead. The blues are under the supervision of Cecil Fox, C. B. Chandler, and R. C. Brown. These gentlemen are putting up a grand struggle, and we will have to wait for future results. If you do not go to Sunday school any place; just kindly hint and some one will be after you. The Reds are known as "can't be Beat", and the Blues are known as "Bound to win". Those to slogans make a rather difficult situation. We don't know what will happen. When two determined factors meet, there is a mighty struggle in progress for Victory. Go to Sunday school every Sunday. Our latch string is always on the outside, and easy to pull.

Pearce J. Burns, Pastor
