## Prospecting Due SMS Ranch

Oil and Sinclair companies are scheduled to start prospecting in their first seismic zone into Texas' 106,000-acre SMS Ranch about January 15, the last of Texas' oil prospects to be leased under the new gas, Swenson Land Company recently announced on the ranch to prospect for oil and gas.

The ranch covers 91,000 acres in the northwestern Throckmorton and 15,000 acres in Baylor counties. It has never before leased and no allowed geophysical surveys to be made. Virtually all geological data available is from surface and logs of two wells drilled on the ranch in 1930. The wells were drilled ten years ago and are now being plugged.

The area around the ranch has been the scene of accidents and development operations in the past year or two, with the development of production wells in the Cadiz and Mississippi lines.

## Rites Held Sunday For Mrs. Harp

Mrs. Mary Ada Harp, mother of Mrs. Curtis Thornton of Weimert, died in the Haskell County Hospital Friday at 8:45 p. m. She had been ill for some time.

Deceased was born Nov. 30, 1866, and in 1898 she married John H. Harp in Oklahoma. He preceded his wife in death several years ago. ## Haskell Lions Host Zone Meeting

Haskell Lions Club was host for a Zone Meeting of clubs in Zone 4 Tuesday night in the Activity Building of Haskell High School.

Theme of the evening's program, with Zone Chairman L. N. Peyton of Archer City presiding, centered around discussions on securing new members, club programs, attendance, new bulletins, and zoning. Many excellent suggestions concerning various club activities were brought out during the discussions.

Preceding the zone meeting, regular meeting of the Haskell Club was held, with president Roy Deavers presiding. Special feature was a reading by little Miss Joy Redwine entitled, "When I Was In The Army."

Out of town guests at the meeting included F. R. Baker, Joe Weaver, B. B. Bridges, of Olney; Roy Heard, Horace Slaughter, L. N. Peyton, Archer City; W. H. Clegg, G. R. Jordan, Bob Wilson, M. T. Hudgens, Breckenridge.

Next zone meeting will be held April 6 in Olney.

## Valley Railroad Engineer Retires

Joe F. Elliott, who entered the service of the Wichita Valley railroad in March, 1913, was promoted to locomotive engineer in April, 1924, has accepted his retirement.

He and Mrs. Elliott, residents of Stamford for the past 23 years, left for Seligman, Mo., where they plan to make their home on the farm where Mr. Elliott was born and reared. The farm, located in the Ozark mountains, has been in the family since the early 1870's.

Mr. and Mrs. Elliott were honored at a banquet given by the Brotherhood of Locomotive Firemen and Engineers in Wichita Falls Dec. 12 with Judge Temple Shell of Wichita Falls as speaker.

Weimert—Wednesday, Jan. 28. Demonstrations during the month will be given on planning the amounts of vegetables needed to supply the family and to inoculate and treat vegetable seed.

Each girl has as her goal the planting of onions, lettuce, chard and cabbage in her garden.

## MAKE BUSINESS TRIP TO LUBBOCK

Giles Kemp and B. S. Patterson made a business trip to Lubbock and other points on the Plains the first of the week.

## Water Department Revenue Sources Explained

By J. R. GILSTRAP  
City Water Supt.

Resuming our series of articles this week we will briefly discuss the revenues of the water department.

The main source of income is from water revenue. As you are aware, the rate is \$1.50 for the first three thousand gallons used, and 15c per thousand for each additional thousand. The only fair way to charge for water is to measure the amount used. To do this accurately, we use trident water meters. These meters when new will only register 98 gallons for every 100 gallons going through the meter. After being in use for a few years they "scale up" in the same manner as the teakettle you use in the kitchen, and therefore the water slows down. It is impossible for a meter to speed up, as the measuring chamber has only 10,000ths of an inch clearance between the measuring disc and its walls. The disc in the measuring chamber

## Rule Club Girl Is Contestant For Scholarship

Novis Allison of Rule has been selected as the Haskell county contestant in the Maggie W. Early Scholarship Contest sponsored by the Texas Home Demonstration Association. This contest is open to senior girls who have done outstanding 4H Club work.

During the eight years she has been a club member, Novis has been club president, was winner of the Gold Star Contest in 1943, was selected as winner in the Victory Garden Contest for the county in 1944, attended the 4H Round Up at College Station in 1946. This year she is carrying out a yard improvement demonstration.

## W. B. Fowler, 81, Retired Rancher, Buried at Rule

Funeral services for R. B. Fowler, 81, a resident of Haskell county since the turn of the century, were held Sunday afternoon at the Gaunt Funeral home in Rule. Burial was in Willow Cemetery in this city.

Mr. Fowler died at 11 p. m. Saturday at the home of a daughter, Mrs. C. G. Stark, following a two month illness.

He was born in Missouri April 1, 1866, moving to Texas as a small boy. He had been living in Haskell county since 1900. He was a retired rancher.

Survivors include two daughters, Mrs. Stark and Mrs. J. E. Adams, Rochester; one son, Morris Fowler, Fort Worth; and 8 grandchildren and 8 great-grandchildren.

Pallbearers at the funeral were grandsons, including Leland Ferwer, Hoyt Harrell, Lloyd White, Ora Yarbrough, Ben Mapes and Wallace Stark.

## 39th Grand Jury Returns Two Bills

Grand Jury for the January term of 39th District, in session Monday returned two felony indictments, one for murder, and the second for Conversion by Bailee. Following the one day session, the investigating body recessed until a later date in the term.

In the murder indictment Loyd Thomas, young Haskell negro, was charged in connection with the Christmas Day slaying of Willie Taylor, another negro, Thomas had been under \$2,500 bond since the slaying.

Principal named in the indictment for conversion by bailee was not disclosed by officers pending serving the indictment. Violation alleged was in connection with the alleged unlawful sale of a bale of cotton belonging to a Rule gin, court officials said.

## A 'Sidewinder' May Catch This Fellow 'Short' Some Day!

Why business or professional people take up hobbies in which they spend spare time can readily be explained as the normal desire to get away from the exacting demands of business, and to relax in golfing, hunting, fishing or other sports.

But why a person turns to a hobby fraught with danger—one which could easily result fatally—that's the \$64 question.

Pet hobby of Ralph Raney, Haskell cotton buyer, is hunting and killing rattlesnakes, and he's killed quite a few. Fact is, only a few days ago on one of his lone hunts he killed 22 of the venomous reptiles. He brought back to town five of the largest snakes, all four and five feet in length, and showed the trophies to his friends. He estimates that he has killed more than 200 rattlers in the last two years.

Best time for hunting the reptiles, Raney says, is on a sunny day in winter, when the temperature is rising slightly and the snakes begin to stir in the sun. He uses a sharp two-pointed gig on the end of a light fishing cane, and when a snake is sighted, he pins the reptile to the ground with the gig and finishes the job with a 22 rifle. Sometimes a 4 or 5 footer will get loose from the gig and get away before being killed. These are the ones Raney is always going back for. In one large den he has found southeast of Haskell, Raney believes that at least 500 rattlesnakes hibernate during the winter. This is his favorite hunting ground.

One feature about rattlesnake hunting, Raney says, is that no license is required and a fellow doesn't need to worry about a bag limit. But for us—we'll keep trying to bust dynamite caps on our toy pistol. We believe it's a safer sport.

## Camp Fire Planning Meeting Scheduled

## Political Interest Mounts; Eight Candidates Announce

### Gilmore Implement Co. Will Present Film Show

Gilmore Implement Company, local dealer for John Deere tractors and farm implements, is inviting all farmers and their families of Haskell and surrounding territory to attend their big John Deere program to be held at the Rita Theatre in this city Thursday January 15 beginning at 1:30 p. m.

According to Mr. Gilmore, this year's John Deere Day Program will be of special interest to anyone who has anything to do with farming.

The main attraction is a new, specially produced Hollywood feature "Doctor Jim" which stars Stuart Erwin, a leading entertainer on the screen for many years. "Doctor Jim" is a friendly, warm hearted picture that pays a fine tribute to a small community's leading citizen—the country doctor. You'll like Doc and his wife Sally—they're human folks who will tug at your hearts and provide plenty of chuckles, too.

In addition to "Doctor Jim" several other new, all talking pictures will be shown. They include "Keep Your Eye On the Soil"—an educational picture that sounds a warning no one in agriculture can afford to ignore—soil maintenance. "Doubting Thomas"—an interesting story that will give you some new slants on John Deere Model A and B tractors. "Short Cuts In Forage Harvest," which demonstrates the way to shorter, easier and more profitable harvesting of hay and forage crops. Other pictures include "Save More Corn At Lower Cost" and "What's New for 1948."

The program is free, and all farmers and their families in this section are invited to attend.

### S-A Representative Coming to Haskell

W. D. Pedigo, veteran campaigner for The Salvation Army in Texas for the past 25 years, will be making his annual visit to Haskell in the very near future for the purpose of soliciting funds for the statewide program of The Salvation Army. Citizens of this community are urged to contribute when called upon for their support is greatly needed by the organization in order to continue its varied program of service.

Almost 100 unmarried mothers in the State of Texas received maternity care last year at the Salvation Army Home and Hospital in the city of San Antonio, which serves the entire state. Homes for unmarried mothers have been an integral part of The Salvation Army program since its beginning in the United States over 80 years ago.

The Salvation Army Home and Hospital provides much more than good physical care for the unmarried mothers who enter for help and refuge. Seclusion, friendship, healing of shock and bitterness, social case work, guidance and plans for the future are all supplied during the period of their stay, which averages three months. More important still is the healing of the soul as many of these young women are spiritually reborn and begin a new life.

Many of these young women come from the rural areas of the state, seeking seclusion in a large city.

In the files of The Salvation Army are stories—some tragic, some sordid, some tender—of the people who have been lifted from the gutter to high levels of Christian citizenship. The Salvation Army will continue to give its best to the people and the generous support of all persons interested in the welfare of the less fortunate is earnestly solicited.

Should Mr. Pedigo fail to contact any person who is interested in this important work, contributions may be sent direct to The Salvation Army State Headquarters, 500 North Ervay Street, Dallas, Texas. All contributions will be acknowledged.

George Neely, manager of Jones Dry Goods store was in Dallas Wednesday selecting new spring merchandise for his store.

Mounting interest in Haskell county politics came into the spotlight this week, with the public announcement by eight candidates for various county offices. The list is expected to increase rapidly, political observers believe until the full slate is out "early" for the campaign which will end with the July and August primaries.

Prospective voters, too, are evincing interest in the coming elections, according to the increase in poll tax payments over last year. Tax Assessor-Collector Coburn reported Thursday morning that the total number issued to date was 2,059.

In the list of candidates announcing this week, four were for second term in office, one for a full elective term, while three were newcomers who have never held county office before.

Announcing for Sheriff were D. P. (Doss) Fuller, present deputy under Sheriff Clifton, and R. M. (Bob) Cousins, of this city World War II combat veteran.

O. E. Patterson, now serving an appointive term as County Judge, is a candidate for a full elective term.

Announcing for a second term in their respective offices were:

County Attorney Curtis Pogue. District Clerk Jesse B. Smoth. County Clerk Horace Oneal. County Commissioner M. B. Cobb of Precinct 3.

In Precinct 2, W. R. (Bob) Edwards of Weimert has announced his candidacy for Commissioner

### Gloria Jean Diers Is Named Gold Star Girl for '47

Gloria Jean Diers of the Sagerton Girl's 4H Club was selected as the Haskell County 4H Club girl to receive the Gold Star Award from Texas A&M College for outstanding work during 1947. Lois Wyatt of Haskell placed second. Other contestants completing records for the contest were La Vanda Cox of the Weimert Senior Club, Evelyn Myers, Rochester Club, and Billie Jean Bowen, Mattson Club.

Miss Diers, a sophomore in the Sagerton High School, has completed six years of 4H club work. During this time she has been president of the junior club and has been song leader and reporter of the senior club. She was pianist for the junior division dress revue and assisted with the craft group at the 4H rally. For the past two years she has served on the exhibit committee. In 1947 the Sagerton exhibit on the nutritive value of various foods won first place in the 4H Division at the Central West Texas Fair in Haskell.

Jean has participated in every phase of club work. For the past three years she has had the food preparation and housekeeping duties for her family, does all of the family's laundry, and has done some canning. She modeled a dress in the Dress Revue in July and has been improving her bedroom. This year she converted a sewing machine into a desk for her study center and added a book case for books and a hobby collection.

She is the daughter of Mr. and Mrs. G. A. Diers of Sagerton.

### HOME FOR HOLIDAYS

Mrs. M. B. Watson had the following children and grandchildren as guests in her home during the holidays: Mr. and Mrs. Michael Watson of Graham, Mr. and Mrs. Tom Watson of Olney, Mr. and Mrs. Hubert Watson of Stamford, Mr. and Mrs. A. L. Curry and children Patsy and Gene of Dallas.

### BUSINESS VISITOR IN HASKELL

W. P. Taylor of Breckenridge was a business visitor in Haskell during the weekend and also visited his brother-in-law F. M. Squires and niece, Mrs. Ira Hester and Mr. Hester.

## Growth of Home Demonstration Work Shows Changed Picture Since 1927

LOUISE NEWMAN  
(County Home Demonstration Agent)

Home Demonstration and 4H Club work in Haskell County presents a vastly different picture from that of 1927 for it was in September of that year that the Commissioners' Court employed its first Home Demonstration Agent to work with the women and girls to offer them home economics information. It is with this background of twenty years of continuous interest and participation in the Extension Service program that the club members of 1947 have been able to maintain their outstanding demonstrations. Each unit of every number of the total county report repre-

sents interest, planning, and work on the part of one or several family members.

Back in 1927, early day club members saw their first demonstration on use of the pressure cooker for canning chicken and preparing meals. 1947 has seen club members using emergency flour, buying pressure sauce pans, cooking frozen vegetables and meats, and some 200 women in the county own pressure cookers. Home food supply was carried as a main phase of work by both women's and girls clubs during the year. During the 1947 club year more than 400 families were assisted with improving diets and planning meals by the Texas Food Standard, 869 were assisted with food preparation, 490 with

improving the food supply, 700 with food preservation, and 380 in producing and preserving food by a food supply budget based on family needs. Reports from 410 families show 5,990 quarts of fruit, 9,955 quarts of vegetables, and 4,025 quarts of meat, fish and poultry canned. 900 gallons of vegetables dried; 40 pounds of meat cured; 2,000 pounds vegetables stored; 55,430 pounds fruit, and 271,010 pounds of meat frozen by adults. A total of 1,519 gardens were planted for farms during the year, 658 city gardens, and 212 gardens were owned by 4H club members. 195 families improved methods of preparing vegetables.

Home demonstration club members estimate they planted 60 acres in gardens during the year and produced 374,025 pounds of vegetables. The members have learned to buy varieties of vegetables, particularly tomatoes, which will withstand hot dry weather and for the past three years have made cooperative orders for the seed if the local seed stores could not supply them. During 1947 several families tried the new rust resistant cantaloupes and found them to be adapted to this area. Club members have learned to use a master gauge assembly to check three cooker gauges at once and check their gauges at club meetings.

Bedroom improvement was also a main phase of work for 15 women demonstrators and 230 co-operators who materially improved 209 bedrooms, added 28

pieces woolen bed covers, 719 cotton household articles, 20 new mattresses, and 10 new bedroom suites; 16 families repaired or remodeled bedroom closets, and 7 built new closets.

Other home improvements made by club members included 15 slip covers made for chairs and divans, 87 chairs and sofas upholstered, 8 chairs reupholstered, 256 pieces of furniture refinished, plumbing added or bathrooms were built by 61 families, 22 families added built in cabinets in the kitchen, 200 materially improved their living rooms, 184 families added major pieces of home equipment, and 190 added large pieces of furniture. Of the 39 club women from different parts of the county giving reports on the addition of equipment and furnishings, 8 had bought new refrigerators, 7 had new gas ranges, three had electric pumps and water systems, four had added hot water heaters, they had bought 26 butane heaters, 5 electric mixers, three toasters, three vacuum cleaners, a waffle iron, 12 pressure sauce pans, 12 table and floor lamps, four electric fans, six air conditioners, 11 had added butane or propane systems, and 7 added electricity.

By keeping accounts and clothing records the club members found that they spent \$20,083 for their own clothing and that \$80,400 was spent by the whole family. The women made 6,266 new garments for family members and remodeled 758 garments. Improved ironing equipment was added by 22 families, 48 cleaned sewing machines, and 15 established sewing centers. They made 20 hats, 34 purses, dry cleaned 875 garments at home, and re-dyed 269 garments. New electric sewing machines have been added by five women and three have had electric motors added to their old treadle machines; three have added buttonhole attachments, and fifteen women attended a training meeting on the use of sewing machine attachments.

Some 400 families have participated in the cooperative purchasing projects of the clubs during the year. Through the club marketing committees, pineapple, upholstery supplies, gingham, looper clips, tomato seed, cantaloupe seed, garment hangers, tufting thread, stamped bedspreads, and drapery materials amounting to \$600 were purchased by both club and non-club families.

Individual sales of poultry by 198 families was valued at \$2,469, eggs sold by 217 families brought \$324,380; milk, cream and butter sold by 225 families sold for \$39,583.

Leadership training programs were used by clubs to further club work. Sixty-seven leaders attended training meetings and 41 officers attended training schools during the year. Club leaders gave demonstrations on preparing party refreshments and favors, preparing sick trays, storing clothing, using sewing machine attachments, using the water bath canner for canning fruits and tomatoes, removing paint and varnish and refinishing furniture. Crafts were taught at the women's encampment by club members.

For many years the home demonstration council has had active officers and members. Seven members, including the chairman and secretary treasurer, attended all 12 of the meetings for 1947, one member missed only one meeting, and two members had missed two meetings. The clubs in the county took as a service project the donation of kitchen articles to the county hospital. Seventy-eight gifts ranging from dish towels to juice extractors were given. Council sponsored the printing of the club year books, and directed the Haskell-Knox County Women's Encampment. In

December the annual party for club families and the members of the Commissioners' Court was sponsored by Council. Through the exhibit committee, requirements for club educational exhibits for the county fair were presented. All twelve of the clubs had exhibits concerning some phase of work carried out by the club during the year. The expenses of the delegates to district and state meetings of the Texas Home Demonstration Association were paid by Council. A special publicity program on the history of each club was published in observance of National Home Demonstration Week.

Clothing and food supply were main phases of work for 4H Club girls in the county during 1947. Girls in clubs made 217 new garments and remodeled 200 garments. They had their first county-wide dress revue in July with 26 girls entering dresses. One girl entered a dress in the state dress revue, and six girls won pins for achievement in their clothing work. Two hundred and twenty girls enrolled in clubs, did some form of clothing work and 160 kept clothing records.

Girls canned 216 quarts of fruits, 800 quarts of vegetables, and 32 quarts of meat or poultry, brined 12 gallons of vegetables, and prepared 10 pounds of fruit for freezing, 122 pounds of vegetables for freezing, and 28 pounds of poultry for freezing. They helped care for 175 gardens and took as a goal for one month the preparation of vegetables five ways which were new to them.

Two girls attended the sub-district training encampment and helped direct the craft work at the district encampment at Lueders in May. Four Haskell County girls attended the district encampment. Two girls attended the State Round-Up in College Station in September as county delegates, five clubs had educational exhibits in the county fair, club members directed the

crafts and recreation for the county rally day and provided the music for the dress revue. At the present time there are 12 organized home demonstration clubs and seven girls' 4H clubs in the county reaching each of the 21 communities in the county. Local leaders conducted 70 club or training meetings during the year with an attendance of 820 women; 391 girls attended meetings conducted by local 4H

leaders. Method demonstrations were given by the agent at 97 meetings with a total attendance of 1,012 women and 51 4H meetings for 1,111 boys and girls. Committee and training meetings with 493 women leaders and 117 girls were given during the year. realize that this will not be too good an arrangement but under the present conditions this will have to be the plan of work. Office hours will be 8 until 12 and the field work will be 1 to 5 each day.  
 Rotenone used as a dust, will kill the grubs in the backs of cattle. Now is a good time to use it as the grubs are now appearing in the backs of most cattle. One thing that has been observed by the County Agent is that where cattle have been sprayed with DDT during the year for fly control do not have very many grubs in the back.  
**What's Ahead in 1948 For The Cattleman SUPPLY**  
 1. Range conditions good over most of U. S. Southwest an exception.

- Supplies of by products feeds expected near record of last year.
  - Supplies of hay generally abundant.
  - Marketing of cattle and calves are exceeding all records.
  - Breeding cattle numbers are down.
  - Cattle imports from Mexico nil.
- Unfavorable**
- Grain and winter feed pastures short.
  - Feed and pasture costs up.
  - Shorter calf crop looked for.
- DEMAND Favorable**
- Consumer income highest on record.
  - U. S. population increasing about 2,000,000 annually.
  - Lower income groups receiving larger share of national income.
  - Exports holding up.
  - Demand of by products high.
- Unfavorable**
- Savings declining.
  - Increasing competition for the consumers dollar.

mal statement at a later date, but takes this early opportunity to place his candidacy before the voters in his precinct. A candidate for this office in 1946, Mr. Edwards also desire at this time to again express his appreciation for the fine support given in his previous race, and for the encouragement he has received which prompted his decision to ask for the office this year.

He is a veteran of World War II, serving seventeen months in the Navy in the southwest Pacific theater. He is married and has two children.

A free permit, Mr. Edwards will appreciate the opportunity to discuss his candidacy with the voters of Precinct 2, and in the meantime will be grateful for any consideration given in his behalf.

**Bob Cousins Enters Sheriff's Race**

Announcing as a candidate for Sheriff of Haskell county this week is R. M. (Bob) Cousins of this city, World War II combat veteran and lifetime resident of Haskell with the exception of four years Army service.

He has made his home in this city since his discharge, and has been engaged in terrace and road construction work. He is married and has one child. He is the son of Al Cousins, former Haskell County Sheriff and veteran peace officer.

In making his announcement this week, Mr. Cousins said that he would present a formal statement concerning his candidacy later. At this time he also desired to thank the citizenship of the county for the generous support and encouragement given him two years ago when he sought the office, and for the many friendships gained during his campaign.

He will endeavor to see as many of the voters as possible before the primary is held and present his claims personally. In the meantime he will appreciate any consideration given his candidacy.

**Co. Attorney Pogue Asks Second Term**

County Attorney Curtis Pogue, now serving his first term in that office, this week authorized The Free Press to announce that he would be a candidate for reelection for a second term in this year's Democratic primaries.

A formal statement concerning his candidacy will be presented at a later date.

Mr. Pogue expressed his gratitude to the voters for their confidence and favors in the past and his appreciation for the cooperation of the citizenship and other county officials during the time he has been in office.

As time and duties of the office permit, he plans to see as many voters as possible and discuss his candidacy for a second term with them personally. In the meantime he will appreciate any consideration given his claims.

**O. E. Patterson To Seek Full Term**

County Judge O. E. Patterson this week announced that he would be a candidate for a full elective term of office in the coming Democratic Primaries.

The former banker and long-time resident of Haskell, was appointed County Judge in June, 1947, to fill the unexpired term of Virgil Reynolds, resigned.

In announcing his decision to ask for a full term in the office, Judge Patterson stated that he had no promises to make other than that he would do his best at all times to discharge the duties of the office in an acceptable and businesslike manner.

He expressed his appreciation for the splendid cooperation extended by county officials and the citizenship of the county during the short time he has been in office. He added that he would welcome at all times an opportunity to discuss the affairs of the office he holds with the people.

He solicits and will appreciate the support and consideration of his candidacy by the people of Haskell county.

**Oneal Asks Second Term As Co. Clerk**

The Free Press is authorized this week to announce the candidacy of Horace Oneal for a second term as County Clerk of Haskell County, subject to action of the Democratic primaries.

Mr. Oneal will likely present a formal statement to the voters concerning his candidacy at a later date, but at the present time desires to again express his appreciation to the citizenship of the county for the confidence they have expressed in electing him as a county official.

In keeping with Democratic custom of rewarding an efficient official with a second term, it is probable that Mr. Oneal will have no opposition. However, he will welcome every opportunity to discuss his candidacy with the voters personally, and to express his gratitude for past favors.

In the meantime he solicits and will appreciate any consideration and support given him for reelection.

**Political Announcement**

The Free Press is authorized to make the following political announcements, subject to action of the Democratic Primaries:

- For County Judge:** O. E. Patterson. (First Elective Term).
- For County Attorney:** Curtis Pogue (Second Term).
- For District Clerk:** Jesse B. Smith (Second Term).
- For County Clerk:** Horace Oneal (Second Term).
- For Sheriff:** D. P. (Doss) Fuller, R. M. (Bob) Cousins.
- For Commissioner, Precinct 2:** W. R. (Bob) Edwards.
- For Commissioner, Precinct 3:** M. B. Cobb. (Second term).

**Smith Asks Second Term As Clerk**

District Clerk Jesse B. Smith has authorized The Free Press to announce that he would be a candidate for reelection to a second term in that office, subject to the action of the Democratic primaries.

He will submit a formal statement to the voters at a later date, but at this time wished to acquaint the voters with his candidacy, and to express his appreciation for their confidence and past support in electing him to the office.

Here's **One** thing your dollars buy more of than ten years ago!

What can you buy today that is priced lower than it was ten years ago? It's hard to think of anything, isn't it? But there is one main item... that's the low-cost, dependable electric service brought to you by Reddy Kilowatt, your electric servant.

Actually, the average price of a kilowatt hour of electric service to residential users is about one-sixth LESS than in 1937.

And it's less despite the fact that taxes, wages, the cost of materials and equipment are up—away up—to us, which necessitates increased efficiencies in all operations and finance.

Every effort is being made to keep the cost of electric service low so that you can continue to enjoy more of its comforts and conveniences.

### Parents Announce Engagement of Daughter

Mr. and Mrs. Atha Hugh Wair Sr., are announcing the engagement of their daughter, Nancy Sue, to Mr. Samuel Emmett Wilson Jr., son of Mr. and Mrs. S. E. Wilson of Venus, Texas.

The wedding will be Sunday, February 1, 1948, in the First Methodist Church, Haskell.

### Sewing Club Meets With Mrs. Johnson

The Rainbow Sewing Club met in the home of Mrs. W. E. Johnson, with Berta Mae Bass as hostess. Eleven members and one visitor were present. Imitation lilies were used as decorations.

Refreshments were served to Mesdames W. E. Johnson, Essie Bland, Thurman Lusk, Larry Stoddard, Helen Johnson, Anna Pearl Lusk, Oscar Whiteker, Flossie Rodgers, Jewel Perdue, Sallie Patterson, Berta Mae Bass and one visitor, Mrs. Otto Johnson.

### NOTICE

Notice is hereby given to all persons concerned that the City Council of the City of Stamford, Jones County, Texas, will grant an oil, gas and mineral lease on the following described property, situated in Haskell County, Texas to-wit:

Beginning at the NW corner of Survey 19, B. B. B. & C. R. R. Co., a set stone;

Thence N 171 vrs to a point in SE line of Chas. B. Clough Survey;

Thence E 1796 vrs with the SB line of said Chas. B. Clough Survey to SE corner thereof, in the most westerly WB line of C. W. Jones Pre-emption, Abstract 782;

Thence S 171 vrs with the said most westerly WBL of the said C. W. Jones Pre-emption to a stone mound in the NB line of said Survey 19;

Thence W 1796 vrs with the N line of said Survey 19 to place of beginning and containing 54.2 acres of land, more or less, and being the same land conveyed to the City of Stamford by J. T. and Willie Halsell by deed dated October 1, 1906, recorded Vol 38, Page 47, Deed Records of Haskell County, Texas. Said tract being a part of the East part of Fractional Survey No. 2 of G. C. & S. F. R. R. Co. Land, Abstract No. 1012, in Haskell County, more particularly described by metes and bounds above.

This lease also covers and includes all land owned or claimed by Lessor adjacent or contiguous to the land particularly described above, whether the same be in said survey or surveys or in adjacent surveys, although not included with the boundaries of the land particularly described above.

To the highest bidder at a

public auction to be held in the Council Chamber at the City Hall in the City of Stamford, Texas, at 2:30 o'clock P. M. on the 16 day of January, 1948, provided that said City Council reserves the right, if in its judgment such highest bid does not represent the fair value of such lease, to reject same and again give notice to call for additional bids. No bid of less than five dollars (\$5.00) per acre cash for such lease shall be considered. Such lease shall be for a primary term of five (5) years from its date, shall provide for a one-eighth (1/8) royalty for annual rental of one dollar (\$1.00) per acre in order to defer the commencement of drilling operations and shall

be on the form attached to the minutes of the meeting of said City Council held on the 17 day of December, 1947, which form may be examined in the office of the City Secretary in the City Hall at Stamford, Texas, during ordinary business hours. When such highest bid has been received, a public hearing will be held by said City Council in the Council Chamber at said City Hall in Stamford, Texas, to determine the advisability of accepting such bid.

A. C. HUMPHREY,  
Mayor of the City of Stamford, Texas.  
R. G. BOWDRY,  
Secretary of the City of Stamford, Texas.

## Talking Tax Reduction

Proposals to reduce taxes continues to be a dime-a-dozen in Washington but the number of suggestions being offered indicates that Congress will do something about taxes.

Representative Francis Case, of South Dakota, suggests that personal income tax exemption be doubled to offset higher living costs, which, in his opinion, will result from providing foreign assistance without any provision to check inflationary effects.

Want Mr. Case has in mind is much better than a flat tax reduction of an equal amount. He proposes that the taxpayer get no immediate cash savings, but instead be given non-negotiable, non-transferable bonds, equal to the amount of tax reduction. He argues that the bonds could not be cashed and therefore, would not increase purchasing power or increase inflationary pressures.

## Time To Think!

The procession of days revolves into another year and people in Haskell join with other human beings in taking advantage of the calendar's termination of 1947 to pause in life's tasks to take stock of the future, especially as they imagine 1948 will affect them.

It is a good thing for an individual to pause in the midst of ordinary cares and worries and try to understand what is going on, both insofar as the person is concerned and also in relation to other events. Human beings, as a race, know very little about themselves and less about external conditions and happenings and their own relationship to a changing and diversified environment.

It is easy, you know, for men and women to bury themselves in the prosaic, but necessary tasks of life. The obligations of existence are necessary and not to be ignored for one seeking satisfactory living.

# HASKELL COUNTY HISTORY

Brief Items Taken from Old Copies of The Free Press

### 20 years Ago—Jan. 19, 1928

Two men arrested in Albany Tuesday on a vagrancy charge, are being held on suspicion of being implicated in the recent robbery of the Sylvester Bank.

City officials have announced that all persons subject to payment of Street Tax should pay this levy before February 1, after which date it will be \$2.00.

Hery W. Smith, local carpenter and contractor, reports the completion of a 6 room farm home for Willis Harrell on the Abbott lands 12 miles northwest of town.

C. N. Shaner, mechanic and Gene Klose, new pilot for the plane which has been out of commission here for the past week, arrived today with a new motor and other repair parts. Mr. Klose is president of Nebraska Airways, Inc.

Two hijackers held up and robbed C. B. Simpson of Bomarton last Friday night as he was returning home from Goree. The robbers had parked their car across the highway, compelling Mr. Simpson to stop. Officers have found no trace of the men, but have a good description of the car they were driving.

Miss Louise Kaigler returned Monday from Baylor Belton where she visited Miss Marguerite McCollum, and in Waco, where she visited relatives.

The following Haskell women attended the countywide Missionary Meeting in Stamford Tuesday afternoon: Mesdames Jim Gilstrap, John Ellis, B. M. Whitaker, and H. R. Whatley.

### 30 Years Ago—Jan. 12, 1918

Lafayette Parks, one of our sailor boys is here from Great Lakes, Ill., visiting friends. Before entering the service, he was with Kinnison Barker Shop here.

The Haskell postoffice has been made the clearing house for all the postoffices in the county. They now get their supplies from and make all settlements with the local postoffice.

A blizzard and snow storm struck this section Thursday morning sending the mercury to zero and blanketing the country with four inches of snow.

Floyd Rose and Mr. Pitman have opened a garage on Depot Street in the old postoffice building. They were formerly connected with the M. O. Lyles Garage. Only 1,064 poll tax receipts have been issued in the county today.

The year 1917 was the driest on record to date, with only 11.76 inches of moisture recorded for the entire year, according to Judge P. D. Sanders, who keeps the Government gauge.

M. J. Lain, living two miles west of town, recently purchased a Buick Six. He just about has the machine broke to the reins and bridle wise.

W. R. Chapman of Anson and M. A. Hopson of Roby have announced as candidates for the office of District Judge of the 39th Judicial District.

H. H. Hallmark has accepted a position as engineer with the M. K. & T. Railway. He will make Wichita Falls his headquarters.

J. S. Sloan of the Pinkerton community sold two bales of cotton to local buyers Saturday, for 30 cents a pound.

### 50 Years Ago—Jan. 15, 1898

W. T. Hudson is back from a trip to Fort Worth.

A. H. Tandy got back a few days ago from a visit to his ranch in the Indian Territory.

Miss Laura Garren visited a few days this week with Mrs. W. M. Sager in the country.

J. E. Crisp, former county treasurer of Stonewall county, has moved to Haskell and bought the T. P. Martin residence.

They say Henry Smith has got a limp all right but as he doesn't intend to run for office this year it is supposed that he will apply for a position.

Messrs. Walter Smith and Charley Donahoo had a little scrap in town one day this week, but it was a sort of standoff and nobody much hurt.

The wagons reached Haskell with the telephone poles the first of this week. At last accounts the construction force had reached a point about five miles this side of Throckmorton. We suppose

of the week to Waco, where he is attending school.

Charley Boardner of Rayner was trading in our city Thursday.

Accompanying his remittance for back dues, S. F. Cummings of Del Rio writes: "If this doesn't pay up just keep sending the paper anyway, it is just like a letter from home. I turned the crank that printed the first copy

of The Free Press in Haskell. Will try to be with you at the Cowboy's Reunion next summer."

### HERE FROM SNYDER

Mr. and Mrs. K. R. Perdue and daughters Frances and Annette, and W. L. (Dub) Nelson of Snyder spent Christmas in the home of Mr. and Mrs. A. C. Hall and family.

### MILLS NEED MORE

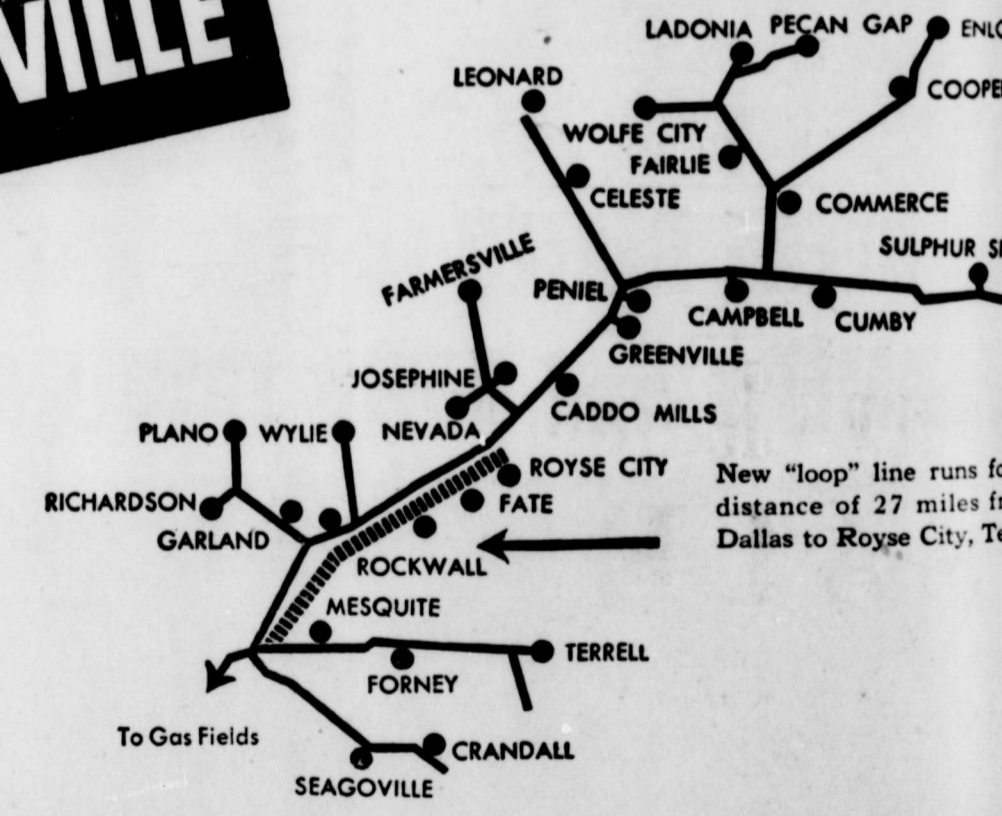

The textile industry thinks the cotton farmers need encouragement as regards planting of the next crop, and a large crop. Everybody in the industry seems in agreement that the United States cannot delay another year in its restoration of something like a normal carryover of cotton.—The Cotton Digest.

### WOULDN'T HAVE

If as much money spent on cotton research, it is not that the cotton industry never have had any ters over competing fibers.— Farming Childress, Texas.

# A LOOP FOR GREENVILLE

New "loop" line runs for distance of 27 miles from Dallas to Royse City, Tex.

Meet Olan Rogers—machinist in Lone Star's Transmission Division machine shop. He repairs and builds meter assemblies, compressor engine pistons, and other equipment for the system. He has this to say about Lone Star's expansion program:

"Ever-increasing number of orders for new machinery for shipment to construction projects on Lone Star Gas System indicates how the expansion program has affected operations in this shop. In all my service with Lone Star I've never seen so much of this kind of activity. It's really keeping us busy!"

Typical of a series of recently completed pipelines on Lone Star Gas System is this new "loop" line illustrated by dash line on the map above. This line will help assure a plentiful supply of natural gas to Greenville and all other communities on this section of Lone Star Gas System.

This is the second major pipeline recently completed in east Texas. Two lines each were also built in 1947 on the three other main divisions of Lone Star Gas System—west central Texas, south central Texas, and north Texas and southern Oklahoma. These eight lines are only the beginning—the first year's work in an expansion program which will continue for four more years.

This five-year program represents an

investment of \$40,000,000 in projects such as above pipelines. In addition there are new compressor stations, new gas wells, new town plants, additions to present town distribution plants and many other projects to keep Lone Star Gas service ahead of the ever-increasing demands of a growing Southwest.

This program for a busier, brighter future is being pushed forward as rapidly as availability of materials and equipment will permit. All over the system, from Snyder in the West to Clarksville in the East and from Round Rock in the South to Purcell in the North, more employees than ever before will be busier than ever before in 1948 maintaining Lone Star as one of the finest of Natural Gas Services.

*"Sure enough Santa didn't leave a new car in every one's sock in 1947, but he did leave a big stock of genuine Chevrolet parts and super service in ours."*

We have one of the largest stock of parts in this section, and are adding new equipment to our shop as fast as it becomes available.

Ask yourself these and other questions about your car:

- Does it start good these cold mornings?
- Does it run good?
- Does it use oil?
- Does it steer good?
- Does the brakes work good?
- Does the heater and defroster work?
- Will my tires run until hot weather?
- Will my seat covers last until spring?

These and many other troubles can be repaired and taken care of at our place, at prices you can afford.

We have over six hundred tires and tubes, (U.S. Royal) U. S. Air Ride, U. S. Royal Master, both black and white side wall, which you can chose from.

Complete motors, transfinssions, batteries, radios, heaters, defrosters, seat covers (Rayon, Fabric, Plastic).

Several used cars for sale at this time.

- 1942 Chev. two-door.
- 1940 Chev. two-door.
- 1938 Ford two-door.
- 1935 Chev. Coupe.
- 1939 Chev. pick-up.

We expect to keep a good stock of clean used cars at all times this year. Check our stock before you buy.

Humble gasoline, Esso, Pennzoil, Quaker State, Gulf, Texaco, Mobiloil, 997, velvet and other oils to choose from.

Washing, Greasing, tires repaired and other service that you will get from a good service station.

**Be Quick To Treat Bronchitis**  
Chronic bronchitis may develop if your cough, chest cold, or acute bronchitis is not treated and you cannot afford to take a chance with any medicine less potent than Creomulsion which goes right to the seat of the trouble to help loosen and expel germ laden phlegm and aid nature to soothe and heal raw, tender, inflamed bronchial mucous membranes.  
Creomulsion blends beechwood creosote by special process with other time tested medicines for coughs. It contains no narcotics.  
No matter how many medicines you have tried, tell your druggist to fill you a bottle of Creomulsion with the understanding you must like the way it quickly allays the cough, permitting rest and sleep, or you are to have your money back. (Adv.)

**Mr. and Mrs. Fields Host Supper**  
Mr. and Mrs. J. U. Fields hosted a 6 o'clock buffet supper on Friday December 26.  
White chrysanthemums decorated the reception and dining rooms. Delectable refreshments were served buffet style and the Christmas gifts were viewed. Guests were seated to form a circle, then Mrs. Fields started the round table discussion of current events from Communism through romance.  
Mrs. Donald Wackwitz, who recently returned from Europe, lectured on present political and economic conditions. She told of her husband's and her stay in Greece. Their most thrilling adventure was that of entering the Russian zone in Austria. It was through Mr. Wackwitz's influence as attaché to Greece that they managed to enter the zone.  
Guests enjoying the delightful occasion were Mr. and Mrs. A. H. Wair, parents of Mrs. Wackwitz, Mr. and Mrs. Hugh Wair Jr., Miss Sue Wair, Mr. Fred Sanders and son Fred Jr., Mr. and Mrs.

**D. P. Fuller Asks Sheriff's Office**  
D. P. Doss Fuller, Deputy Sheriff for the past three years, this week announced that he would be a candidate for Sheriff of Haskell County in the coming Democratic primaries. As the campaign progresses, he will likely present a formal statement to the voters.  
Mr. Fuller, well known peace officer of this section, needs no introduction to a majority of the voters of Haskell County. Before accepting the post of Deputy Sheriff, he served as City Marshall of Rule for a number of years, where he established a well-deserved reputation as an efficient and impartial officer.  
In announcing his decision to enter the race for Sheriff, Mr. Fuller stated that he was seeking a promotion at the hands of the voters solely on his own merits and with the belief that he is qualified by experience and training to fill the office efficiently and satisfactorily if the voters see fit to elect him.  
Between now and time the primary is held, Mr. Fuller plans to make as intensive a campaign as his duties will permit in order to personally present his candidacy to the voters. In the meantime he solicits the consideration and support of the citizens of Haskell County.

**M. B. Cobb Asks For Second Term**  
M. B. Cobb, now serving his first term as Commissioner of Precinct No. 3, this week authorized The Free Press to announce that he would be a candidate for reelection for a second term in the coming Democratic primary. A formal statement in connection with his candidacy will be presented later.  
In announcing his decision to seek a second term, Mr. Cobb said that first, he wished to express his appreciation to the people of Precinct 3 for the fine cooperation, helpful suggestions and encouragement given during the time he has been in office. With the experience gained in the past, and continued cooperation of property owners and residents in the Precinct, he believes that he will be better qualified to give his Precinct and the county as a whole an even better administration if reelected.  
As time from his duties as Commissioner will permit, Mr. Cobb will endeavor to discuss his candidacy for reelection with the voters in the Precinct, and to invite their suggestions in administering the affairs of the office. In the meantime, he solicits and will appreciate any consideration and support given his candidacy.
