General Rain Ends Four Day Blast Of Hot Winds

Rainfall amounting to .54 inch was received here Wednesday afternoon, when downpours over a wide area ranged from one to two inches. All sections of Haskell County reported beneficial rains which were badly needed by young feed and cotton, and providing moisture for plowing.

Wednesday's rain ended a four day period during which this section had been blasted by high winds from the south which had sapped moisture from cultivated fields, wilting young feed and early cotton.

Cooler temperatures accompanying the rain also brought relief from extremely hot weather which had plagued this area for the past ten days and eased the demand on the municipal water supply, which had almost reached the peak figure of late summer last year.

Precipitation this week brought the total for the year to 8.24 inches, according to Mrs. H. J. Hambleton, Government weather observer.

Rites Held Friday For J. H. Bush, 69, Drowning Victim

Funeral service for J. H. Bush, 69, resident of Haskell county for a number of years, who was accidentally drowned in a cistern at the home of his son, J. E. Bush east of Sagerton last Thursday morning, was held at Gauntt Funeral Chapel in Rule Friday, June 18, at 4 p. m.

S. H. Richards, Primitive Baptist minister of Rule and longtime friend of the family, officiated for the rites. Burial was in the Tanner Paint cemetery south of Rule under direction of Gauntt Funeral Home.

Active pallbearers were Morgan Duggan, Herman Duggan, Grady Bristow, Leland Server, James Crosson, Bill Rife. Mr. Bush is survived by his wife, four daughters, Mrs. Vettie Ehrbridge Spaulding of Old Glory, Mrs. Margaret E. Martin of Rochester, Mrs. Clara Ada Bird of Munday; and two sons, P. E. Bush of Sagerton and G. W. Bush of Ranger.

Girl Softballers Lose To Weinert, Beat Olney Team 11-2

The Haskell Girls Softball team divided two games with Weinert and Olney in their last two outings.

First game was lost to Weinert, 7-6, Thursday evening. Haskell was trailing 2-6 in the seventh and pulled even in the final frame only to lose by one run margin in Weinert's stanza. The game was played in Weinert.

Tuesday night the locals defeated the Olney girls' team 11-2 at Fair Park field. The visitors were consistently out-played as every member of the Haskell team hit safely, while Olney garnered only four hits off the four pitchers rotated by Haskell. Every member of the Haskell team saw action.

This was one of the best games played by the locals this season. Timely hitting, good base running and flawless fielding featured Haskell's play.

The next game is scheduled with Knox City July 1 at Fair Park. Invitations for games have been sent to Wichita Falls, Abilene, Throckmorton and other teams in the area, according to Wilson Gilmore, manager of the Haskell team.

First Campaign Expense Accounts Due Today

Today is the first day for candidates for county and precinct offices to file their campaign expense statements with the County Clerk, as required by law. Final date for filing the first statement is Monday, June 28.

Mrs. Ralph Duncan and Mrs. W. E. Welsh visited in Abilene Wednesday.

Revival at Bible Baptist Church to Begin July 4th

Rev. Ray Turner, pastor of the Bible Baptist Church, has announced an "Old Fashioned Revival Meeting" to be held at the church, two block north of the square on North 3rd, beginning Sunday July 4th and continuing through July 18.

Evangelist for the revival will be A. T. Suskey, "The Converted Atheist," who will bring a series of stirring spiritual messages to his listeners.

Services will be held each evening at 8 o'clock, and in the morning at 10 o'clock. All people of the community are invited to make their plans to attend.

Haskell Stores Will Observe Holiday On July 5th

According to a survey made this week by the Chamber of Commerce, Haskell business establishments will observe a full holiday on Monday, July 5th, due to the fact that Independence Day comes on Sunday this year.

The Fourth of July is one of four annual holidays which are observed regularly under a schedule adopted by business men years ago.

July 5th will also be observed as a holiday by the Haskell post-office, and there will be no rural route mail delivery on that day.

109 Cars Wheat are Shipped From Haskell

Haskell County farmers completed harvest of this season's grain crop last week, taking full advantage of the hot, dry weather during the first weeks of June which permitted operation of combines day and night.

This year's harvest accounted for 109 carloads being shipped from Haskell over the Wichita Valley Railway, according to Porter Sadler, local agent. The yield, light in comparison to last year's crop, when Haskell sent 212 cars of grain to market, turned out considerably better than pre-harvest estimates, when the yield was believed to have been cut extensively by dry weather during the growing season.

Funeral Service for Babe Infant Held Here Thursday

Funeral rites for Willie Jean, 10-months-old daughter of Mrs. Dorothy Bale of this city, were held at Holden's Funeral Chapel Thursday afternoon at 5 o'clock, with Rev. H. R. Whitley, Baptist minister of this city officiating.

Interment was in Willow Cemetery under direction of Holden's Funeral Home.

The infant, born August 20, 1947, in Haskell, died at 3:30 p. m. Wednesday.

Survivors are the mother, the father, W. H. Bale of Houston, and grandparents, Mr. and Mrs. Jimmie Voyles of Haskell.

4-H Club Girls Style Show To Be June 30

Premiums amounting to sixty dollars will be given top-ranking Haskell County 4-H dressmakers by the Haskell Chamber of Commerce at the annual dress revue in Haskell June 30. The show begins at 3:00 p. m. in the Home Making Cottage, Louise Newman, Haskell County Home Demonstration Agent has announced.

The contestant in the senior division making the highest score will receive fifteen dollars and will represent the county at the state dress revue. Dresses in the junior and senior groups scoring above 90 points will divide a fifteen dollar premium, those scoring between 85 and 90 will divide a fifteen dollar premium, and those scoring 80 through 86 points will divide a similar premium.

Girls under 14 or girls who have not completed three years of 4-H club work will be placed in the junior division.

Scoring will be based on construction, the posture, poise, and grooming of the girl wearing the dress, and of the fit of the garment on the girl. Dresses must be in the Home Demonstration Agent's office by June 29 so that the construction details can be scored before the show begins.

Reburial Rites At Jonesboro For Former Rule Boy

Reburial rites for Sgt. Scott Watson, former Rule boy killed in action in the European theater of war, will be held at Jonesboro, Coryell County, Sunday, June 27 at 3 p. m., with interment following in the Jonesboro Cemetery.

Sgt. Watson was the son of Mr. and Mrs. R. H. Watson, former residents of Rule until moving to Jonesboro about twelve years ago, and young Watson attended the Rule schools.

He entered the army in 1942, and went overseas in 1943. Sgt. Watson was an infantryman in the Ninth Army when he was killed in Germany in 1945. He was 22 years old.

He is a nephew of Mrs. Erma Watson of Haskell.

East-West All-Stars Softball Game Is Due Tonight

Softball game between the East and West All Stars, postponed from Wednesday until tonight because of the weather, will begin promptly at 9 p. m. It was announced this morning.

It is planned to have a public address system on the field, in order that fans may hear the Lotus-Walcott fight broadcast.

Mrs. Jane Wyche of Irving, Texas spent the week end here visiting relatives.

Former Prisoner of Japs Will Speak Here Tuesday

Vernon M. Newman, Oklahoma City, former missionary on the West China - Tibetan - Burma border before the outbreak of war with Japan, after which he and his family were prisoners of the Japanese, will tell the gripping story of "31 Months In Japanese Prison Camps" at the First Christian Church in this city on Tuesday evening, June 29, at 8 p. m.

Mr. Newman and his wife and two children were in the Southern Philippines when the Japs attacked Pearl Harbor. Later they were made prisoners and held until being liberated from the famed Santo Tomas Camp at Manila.

Mr. Newman, missionary, educator and Christian journalist, has traveled widely throughout the United States bringing stirring messages in the interest of home and foreign missions.

Primary Costs Are Assessed Against Candidates

The County Democratic Executive Committee, in session here Monday, estimated cost of holding the two Democratic primaries this year at \$2,107, a slight increase in the 1948 primaries.

To meet costs of the elections, assessments against the individual candidates for various county and precinct offices were fixed as follows:

- County Judge, \$135.00.
- Tax Assessor-Collector, \$165.00.
- District Clerk, \$85.00.
- Sheriff, \$135.00.
- County Treasurer, \$115.00.
- County Commissioners, \$40.00.
- Justice of Peace, Prec. 1, \$25.00.
- Constable, Prec. 1, \$10.00.
- Justice of Peace Rule, \$20.00.
- Public Weigher, Haskell, \$20.00.
- Public Weigher, O'Brien, \$9.50.
- Public Weigher, Weiner, \$10.00.
- Justice of Peace, Rochester, \$10.00.
- Justice of Peace, Rule, \$20.00.

Notice of the assessments were mailed Monday to each individual candidate, and the levy is required to be paid not later than Saturday, June 26th.

One Man Injured In Traffic Mishap Near Munday

In a smash-up of two automobiles on State Highway 22 about three miles west of Munday Saturday afternoon at 5:30, Alvin E. Woodall, 24, resident of Wichita Falls and O'Brien, suffered a fracture of his left knee cap and face and head lacerations, examination at the Knox City Hospital revealed, where the young man was removed following the accident.

Driver of the second car, Marvin T. Chamberlain, County Clerk of Knox County, was unhurt, but both vehicles were damaged.

According to Highway Patrolman Jeryl Bright who assisted Munday officers in investigating the wreck, both cars were traveling west, when Woodall apparently was blinded by the sun and crashed into the back of Chamberlain's automobile. Woodall, who is employed in Wichita Falls was on his way to O'Brien for a week-end visit with relatives.

Mattson-Rule Game On Softball Menu Friday Night

Only one home game is scheduled in the Haskell County Softball League this week-end with Mattson playing Rule here Friday night at Fair Park field.

Other games Friday night will take Haskell to Knox City, Honey Cut to Sagerton, and Weinert will play Rochester at Weinert.

In one of the best games of the season, Haskell All Stars plastered a 5-0 win on the Sun Spot Bottle Company team from Abilene Saturday night behind the superb mound performance of Bassing in a no-error game.

Monday night Mattson lost to Horace Holly Motor Co. team from Abilene, 6-3.

Thousands View New Ford Models

An estimated 5,000 people of Haskell and vicinity have viewed the 1949 Ford since the new models were placed on display here Friday morning at Bill Wilson Motor Company, Mr. Wilson, owner and manager of the agency said today.

By actual count, 2,500 persons visited the showrooms Friday and Saturday, and he believes an equal number or more have seen and examined the two new models on the streets. More than five hundred persons have driven or ridden in the '49 Fords here, Mr. Wilson said.

Visitors From Oklahoma

Mr. and Mrs. W. J. Tyler of Oklahoma City spent several days last week in the home of their sister, Mrs. T. A. Tate and family, and with their son, J. D. Tyler and family.

Three Members of Haskell Family Victims of Wreck Near Shamrock

Three members of a Haskell County family were victims of a automobile collision 2 miles west of Shamrock, Texas, Sunday afternoon which claimed five lives.

Fatally injured were Mrs. Othella Burson of Haskell; her daughter-in-law, Mrs. Edna Mae Burson, and the latter's daughter, Doris Lee Burson, both of Shamrock, to which place they had moved with their family 3 years ago.

Others fatally injured in the traffic accident were Mrs. Winnie Fay Flynt and her 9-year-old son, James Charles, of Clovis, N. M. Six other persons suffered serious injuries in the smash-up.

Injured were: Amasa Flynt, 38, of Clovis, husband of Mrs. Winnie Fay Flynt; Mary Flynt, 12; Martha Flynt, 5; Theodore Burson, 40, husband of Mrs. Edna Mae Burson and son of Mrs. Othella Burson; Dan Burson, 13; and June Wood, 16, of Shamrock.

Involved in the fatal collision were automobiles driven by Theodore Burson and occupied by members of his family, and a car driven by Amasa Flynt, of Clovis, N. M.

According to press dispatches the Burson car was going east when it attempted to pass a third car. The car which Flynt was driving west appeared directly ahead. Burson was said to have pulled to the right, bounced off the left rear fender of the car he was attempting to pass. He then apparently lost control, and the Flynt automobile crashed into the right side of the Burson vehicle.

Othella Burson and Mrs. Edna Mae Burson, shortly after the accident in a Shamrock hospital, and Doris Lee, daughter of Mr. and Mrs. Theo Burson, died early Wednesday morning.

Bodies of the first two victims were brought to Haskell Monday in a funeral coach from Holden's Funeral Home, and double rites were held at 3 p. m. Tuesday in the First Baptist Church.

The Rev. H. R. Whitley, Baptist minister, and the Rev. Allen Webb, First Baptist pastor, officiated for the elder Mrs. Burson. The Rev. Oliver Riley of Shamrock officiated at Mrs. Edna Mae Burson's service. Burial was in Willow Cemetery under direction of Holden Funeral Home.

Mrs. Othella B. Burson was born March 3, 1888, at Bodwin, Ga., and had lived in Haskell since 1924. She was the wife of the late D. J. Burson who died about 16 years ago.

She is survived by eight sons, Theo of Shamrock, Stewart of Rochester, and Raymond, Eunice, Leon, Denver, Albert and Ernest, all of Haskell; one daughter, Mrs. Rex Packwood of Abilene; two sisters, Mrs. Lulu Busby and Mrs. Frank Davis, both of Georgia; and one brother, Frank Stewart of Georgia.

Mrs. Edna Burson had lived in (Continued on Last Page)

Lions Club Carnival Nets \$190 for Oxygen Tent Fund

There was plenty of fun for the crowd of several hundred people attracted to the Lions Club Carnival staged last Thursday night, and the evening's program netted \$190.00 for the oxygen tent fund sponsored by the Club.

A number of intertainment features and games were provided but the most popular with the crowd was the "ducknk" stand where carnival fans vid each other in dumping prominent Lions into a tank of water with a well-aimed baseball.

Lions are considering making the carnival a regular event, possibly staging the program several times during the remainder of the summer.

Opening Service In New Rule Church Planned Sunday

Planned for Sunday, June 27th, is the opening service in the new 5th Street Baptist Church in Rule, when Rev. Jesse Jones of this city, pastor and builder of the church, jointly with his father, the Rev. C. Jones, veteran West Texas Baptist minister, will preach the first message.

The church is located in East Rule, on the Haskell-Rule highway.

An invitation has been extended to all groups of this section to attend the opening service.

HASKELL COUNTY HISTORY

Brief News Taken from Old Copies of The Free Press

20 Years Ago—June 21, 1928

The home of Mr. Kinnel in the Jud community in northwest Haskell county burned Sunday morning, with the family losing all their possessions in the fire. Explosion of a gasoline stove started the blaze.

One man was injured in the collision of a car and a truck on the Haskell-Stamford road about midnight Monday, Paris Kelley and O. W. York, both of Jud, were in the car, a Pontiac coupe, and Kelley suffered slight injuries. O. J. White of Abilene,

driver of the truck, was not injured.

Completion of the large brick building being erected by C. G. Gay one-half block east of the square, is due within the next ten days. The structure, 70 x 142 feet, will be occupied by the Bell-Moore Chevrolet company.

Mrs. Mary A. Blakeley of this city left Wednesday for Hastings, Iowa, where she plans to spend the summer with relatives and friends.

Misses Galen and Ruth Robertson have returned from C. I. A. to spend the summer in the home of their parents, Mr. and Mrs. R. V. Robertson.

Zeb Rike and wife of Farmersville are visiting Mrs. J. S. Rike and other relatives here. Mr. Rike has been attending the State Drugists convention in Abilene. This is his first visit to Haskell in thirty years.

Miss Lela Welsh, who is a summer student in Simmons university at Abilene, spent last week end with her parents, Mr. and Mrs. W. E. Welsh.

30 Years Ago, June 22, 1918
Mr. and Mrs. C. T. Jones and little daughter Rozelle, and Mr. and Mrs. Alex Jones of the Plainview community were here Wednesday.

John W. Pace left Monday for Cameron, San Antonio and other points in South Texas and will be away for several days.

Mr. and Mrs. G. F. Atchison of east of town returned Tuesday from College Station, where they had been to visit their son Earl, who is in training at that place.

John Harwell of Post loaded his threshing machine Monday for shipment to Grayson county, where he will make the season's run.

W. E. Sherrill, F. L. Daugherty, C. D. Long, R. J. Paxton, Clyde F. Elkins, C. B. Long and J. F. Kennedy attended a meeting of the Royal Arch Council in Knox City Tuesday night.

Mrs. R. C. Montgomery and mother, Mrs. J. S. Rike, left Saturday for a visit with relatives at Farmersville.

The family of J. B. Shelton took the train Wednesday for Leonard, Texas, where they will make their future home.

W. A. Duncan of Byers was a business visitor in this section this week. He is an experienced gin man and is considering locating in Haskell or nearby.

Ernest Poteet left last week for Austin, where he will enter the University of Texas. He was principal of Haskell High school during the past term.

Rev. C. Jones left Thursday evening for Spur where he goes to fill his regular appointment with the Baptist Church in that city.

Mrs. P. D. Sanders is visiting the family of R. L. Knight and other relatives in Temple this week.

Mr. and Mrs. Roy Weaver and daughter Artie Mae of the Vontress community were in the city Tuesday shopping.

Oscar Harcrow returned Wednesday from Stamford where he spent several days on business.

50 Years Ago, June 18, 1898
J. H. Baldwin of Windom, Texas, is visiting here this week.

F. G. Alexander made a business trip to Seymour this week, returning Friday evening.

Sheriff Anthony made the biggest haul of the season Thursday evening. It seems that several parties had taken on a little too much firewater and repaired to a local livery stable to have some fun sparring with boxing gloves. As might have been expected of persons in their condition, when the work began to get pretty warm and a few stinging blows were delivered some of them got mad and wanted to fight and a considerable wrangle ensued, during which Sheriff Anthony appeared on the scene and took three men into custody and placed them in the lock-up. Friday morning the boys came before Justice Evans and entered pleas of guilty and were let off with light fines.

The county commissioners and judge have been in session several days this week, setting up a board of equalization and going over the tax lists returned by Assessor Post. They have scaled the valuation of all real estate 20 per cent from last year's figures and have fixed the values of livestock as follows: Stock cattle \$12.50 per head, stock horses \$7.50 per head, and sheep at \$1.50 per head.

Oat harvesting is in full operation this week, but the yield is much lighter than it was last year. Wheat will soon be ready for the reapers and is much better than the oat crop.

The largest wool sale of the season was made by Major Smith a few days ago. It was between 30,000 and 40,000 pounds and was sold to the Waco Woolen Mills at 15 cents.

Dr. J. E. Lindsey has been at Seymour several days this week on professional business.

Solon Smith of Missouri is here this week looking after some Texas interests and visiting the family of Major Smith.

of 750,000 Texas School Children Due to Badly Overcrowded In Classrooms

Improved slightly nearly half of the school children still being taught in crowded classrooms. Announced today by the Texas Teachers Association that 46.7 per cent of the children are getting accommodations due to a shortage of teachers and buildings among them largest in Amarillo, Correll, Galveston, are on schedule so acute is according to Joe Abilene, vice president of the Texas Teachers Association. This is the maximum amount of teaching, the association and other groups. As many as sixty children are found in a survey conducted by Miss Floyd of Abilene, Texas, on the NEA representative on tax education finance. Schools are more crowded than in previous years.

TO THE VOTERS OF HASKELL COUNTY:

The following letter is submitted to the voters of Haskell County in behalf of the candidacy of Elton Corley for Sheriff: Palestine, Texas June 19, 1948

Editor, Haskell Free Press Haskell, Texas Dear Sir: I have just learned that one of our former citizens, Elton Corley, is making the race in your County for the office of Sheriff, and I am taking this means of addressing this open letter to you as I sincerely feel that it will be a public benefit to your citizens to know something of the experience that we have had with this young man while he lived here. From 1938 to 1946, during which time I served as Mayor of the City of Palestine, Mr. Corley acted as one of the city officers and as Chief of Police under my administration, and I became very closely associated with him in all matters that pertained to the City Police work of our community. This young man, prior to coming to Palestine, established, according to my information, a most enviable record as an intelligent police official in Henderson County. After coming to Palestine and working for our administration, while I served as Mayor, it is my unprejudiced opinion that Elton Corley was the most intelligent and the most conscientious officer that it has been my experience to know. He has a knack about him in the solution of criminal problems that I am of the opinion, a person must be born with and then must have intelligence to develop and he has been capable of doing this and has done so. It is not my purpose in writing this letter to solicit any political favors for Mr. Corley, but it is done with a knowledge that information of the character that I possess should be beneficial to the citizens of your County in deciding the type of man that should be selected to carry on in this important office. I personally have always been in favor of conscientious law enforcement and it is hard to secure the services of an efficient officer to carry out the duties of the office as it should be done, and this young man was able to completely satisfy those who appreciated a man who did his job well. Sincerely, E. H. McLEOD, Mayor of the City of Palestine (Paid Political Advertisement)

New Feed Plant Being Erected In Abilene

The West Texas Cotton Oil Co. has recently started construction of a new, modern mixed feed plant and grain elevator to be built in Abilene, and it is to be located on the same lot as the oil mill there. The mixed feed plant will have a capacity of 300 tons of mixed feed daily, and the grain elevator will have a capacity of 100,000 bushels of grain. One of the new features of this plant will be modern facilities for handling bulk feeds, such as feed lot mixtures and dairy feeds. In addition to the mixed feed plant and grain elevator, the company plans to rebuild present stock pens and provide modern facilities for feeders who want to feed their cattle out in the feed lots. The company now provides oil mills at Abilene, San Angelo, Manday, Memphis, Plainview, Brownfield, Slaton, Littlefield and Marfa.

1,500 Old-Time Cowboys Are Members Of Texas Cowboy Reunion Association

When Texas Cowboy Reunion association members meet at the 18th Annual Texas Cowboy Reunion in Stamford, July 2, 3 and 5, there will be many distinguished guests and members on its roster. Ernest O. Thompson, Texas Railroad Commissioner, will be among the guests at the annual affair. The Texas Cowboy association was first organized at the original Texas Cowboy Reunion June 28, 1930, and is now incorporated. It is the largest cowboy organization in the world. The membership is made up of cowboys required to be fifty years of age or over, and to have been actual cowboys, thirty-five years prior to registration. Its roll at one time listed fifteen hundred, but time has reduced the ranks to a regular membership of six hundred fifty. Widows of deceased members have the right to succeed to the membership of their husbands, and many take advantage of that privilege. Several of them have served on the Board of Directors. Many distinguished ranchers, colorful trail drivers, authors, artists and professional men who rode the range for years, have graced the Texas Cowboy Reunion rolls. Tex Moore, official Texas cowboy artist, now a resident of Wichita, Kan., will return for this year's reunion. From Los Angeles, Calif., will come Frank King, cowboy author, and ranch editor of Western Livestock Journal. Slim Holder, California rancher, will accompany Mr. King. The organization was among the first to revive the square dance, scottische, heel and toe polka, new shoes, and other old time dances, and holds its own dances July 1, 2, 3 and 5 at its round-up hall. Apparently Henry Wallace would rather be left than be present.

Summer Months Increase Toll of Traffic Deaths

During the summer months of June, July and August, between 10 and 15 children will be crushed to death beneath the wheels of family cars as parents and neighbors back out of or enter their driveways. That was the forecast of the Texas Department of Public Safety today. Director Homer Garrison, Jr., stated that children will spend a lot of time playing out of doors during these months and it is difficult for the driver to see them while looking through the rear glass of an automobile. Vision also will be somewhat obscured from the front of the vehicle as the motorist enters the usual driveway. By using extra caution upon entering or backing out of driveways, the lives of 45 children can be saved during this period.

Large Enrollment At Colored Bible School

A daily Vacation Bible School for colored children of Haskell was opened Monday with a large enrollment, according to Mrs. Jimmie Thompson, who is principal of the school. The training program is sponsored jointly by the East Side Baptist Church and the First Baptist Church of this city. Departments are being conducted for children between the ages of 4 and 16 years, and the school is for all colored children regardless of church affiliation.

Student veterans entitled to increased monetary benefits because they have more than one dependent are reminded by VA of two important deadline dates to be observed if they are to receive increased allowances retroactive to April 1. One deadline affects veterans taking part-time courses, combination school-job training courses or entitled to increased benefits due to new subsistence-earned income ceilings. Veterans in full-time educational courses who are entitled to \$120 monthly subsistence because they have more than one dependent must submit evidence of additional dependency before July 1 in order to have the higher payments retroactive to April 1. Veterans with more than one dependent and taking part-time school training, combination courses or who are affected by the increased income ceiling must submit proof of additional dependency by Sept. 1. In most cases, veterans in this group may submit this evidence on a form which they will receive from VA.

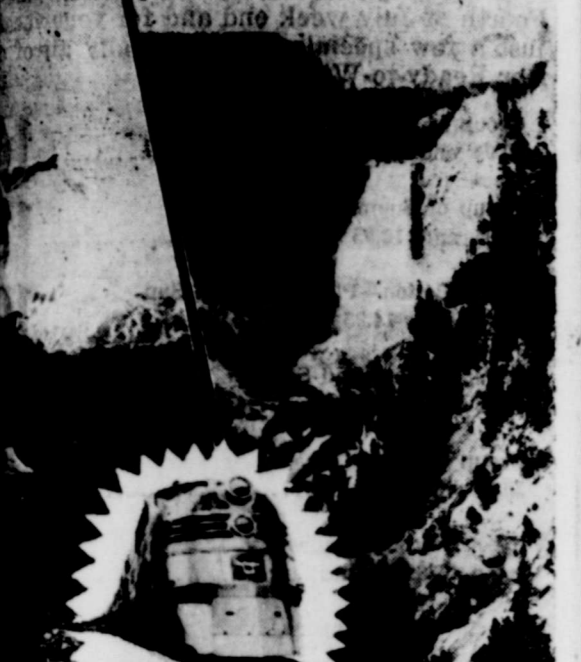

Mr. and Mrs. G. K. Brittingham of San Antonio visited in the home of her parents, Mr. and Mrs. D. H. Persons, this past week. They spent the first part of their vacation in Corpus Christi, and will visit in Stinnett and Dallas before returning to their home in San Antonio.

Mr. and Mrs. A. Bartell of Weinert had as guest in their home last week, Gillume Auger from Paris, France, Barney C. Miller of New York City, and their daughter, Beulah Mae Bartell of Wichita Falls.

Veterans who lose subsistence, compensation or pension checks should notify immediately the appropriate Veterans Administration Regional Office. VA said a veteran losing such a check should write a letter giving his full name and address, his claim number and the date and amount of the check. He should also state what the check was for and the circumstances surrounding its loss. On being notified of the check's loss, VA determines first if it may have been found and returned to the U. S. Treasury. If so, the check will be re-mailed to the veteran. If not, VA will request the Treasury to stop payment and take necessary steps to reimburse the veteran. A veteran who finds his check after reporting its loss should notify VA and hold the check until he has been advised by the Treasury that action to stop payment has been withdrawn.

QUESTIONS AND ANSWERS Q.—When is National Service Life Insurance considered lapsed? A.—It is lapsed when a veteran fails to make a payment of premium within 31 days from the date it was due. Q.—If I do not receive National Service Life Insurance premium notices or receipts promptly, should I continue to send my premiums? A.—Yes. You also should clearly identify your payments by giving your insurance policy number, but if that is not available, you should give your rank, organization and your service serial number. Q.—If I filed a change of address with the VA hospital or regional office where my claims folder is on file, will the same change be made on my insurance records? A.—No. Change of address for purpose of compensation or pension is not a notice of change of address for insurance purposes. VA Form 889, "Change of Address," should be executed by the insured to notify the Insurance Service in the appropriate branch office. Q.—When may a veteran decide whether he will pursue training under the Servicemen's Readjustment Act (GI Bill) or under the Vocational Rehabilitation Act? A.—After eligibility has been established under both laws.

Deafened Now Hear Whispers 5-ft. Away

Test by the American Medical Association's Council on Physical Medicine show that science has now enabled deafened people to hear faint sounds, to easily understand whispers from 5 feet away, aided by a tiny hearing device so light you hardly know you are wearing it. With it thousands now enjoy music, sermons and friendly companionship. Finger tip controls let you adjust it instantly to changing sound conditions. No separate battery pack, wires or harness bulge to weigh you down. Walter S. Cochran, Beltone dealer, 813 8th St., Wichita Falls, Texas, is so proud of this achievement that they will gladly send you a free descriptive booklet and explain how you may test this remarkable device in your own home without risking a penny. Texans Will Spend Billion For Cars This Fiscal Year

Texans will spend a billion dollars for motor vehicles this year. You may still be one of those waiting for a car, but a total of \$716,495,373 has been spent for automobiles, both new and used, during the first nine months of the state's fiscal year.

State Comptroller George H. Sheppard's monthly report Saturday disclosed the tremendous purchases of motor vehicles during the first nine months of the fiscal year. The State Treasury has been enriched by more than \$7,000,000 in taxes from that source.

The tax, collected at the rate of 1 per cent of the sales price of new and used vehicles, is expected to climb to \$10,000,000 toward the end of the fiscal year Aug. 31.

More Gasoline Sold

While vehicle sales are at an all-time high, the purchase of gasoline is also climbing every month. During May alone 194,619,177 gallons of motor fuel were purchased for use within the state.

That was 22,000,000 gallons more than was consumed in Texas during May of last year. The nearly 200,000,000 gallons of gas enriched the state by \$1,708,929 last month. That brought the total collections on the 4c gasoline tax for the nine months of the fiscal year to \$62,389,333.

Enough gasoline was purchased in May to fill a tank as square as an average city block (100 yards) and a hundred yards high.

The heavy acceleration of gasoline purchases and use by Texans is shown in the tremendous increase in the gas tax income. During the first nine months of the previous fiscal year the collections amounted to \$56,411,855, or \$6,000,000 less than this year.

While people were spending three-quarters of a billion dollars for cars and another \$36,000,000 for gasoline, they had plenty of money with which to make other purchases, Sheppard's records reveal.

Brister Is Named Manager of Crane Hospital

Athlete's Foot Is More Prevalent In Summer Months

"Few, if any, people have escaped the inconvenience and annoyance of athlete's foot. It is said to be the third most common skin disease of the summer, and, contrary to popular opinion, the fifth most prevalent disorder in the winter."

So says Dr. George W. Cox, state health officer, in a recent press release. Dr. Cox explains that athlete's foot is due to a small, mold-like growth or fungus which thrives on moist, warm parts of the body such as the feet.

"The infection of athlete's foot is usually gotten directly or indirectly from someone else," Dr. Cox says, cautioning that the most likely places to contract the infection are around bath houses, locker rooms, and other public places where people go barefoot.

"It is probable that at least one-half of all adults suffer from the infection at some time."

In suggesting some effective measures to be taken to prevent initial cases and avoid recurrent attacks of the disease, Dr. Cox emphasized drying carefully between the toes; use of a mild alcoholic solution on these areas after drying; liberal applications of talcum powder in the socks and the shoes; and wearing socks that are absorbent but not coarse.

"Ill fitting shoes are often the source of athlete's foot, Dr. Cox warns. "Shoes that rub and chafe should be corrected or discarded."

A total of \$1,568,622 worth of radios was purchased last month. Cosmetics sold a like amount, \$1,150,246.

Cigarettes Gain

Four and a half million more packages of cigarettes were bought in the state last month than in May 1947. The total last month was 66,155,203 packages. A year ago 61,747,200 packages were bought in a month.

Cigarette tax and licenses netted the state \$1,945,790 last month. That brought the state's income from that source to \$16,690,817 for nine months.

Alcoholic beverages taxes brought in \$899,025 last month, making the 9-month total \$11,027,692, a quarter-million dollars more than in the same period a year ago.

Sheppard's report also disclosed the fact that the cost of state government is mounting. It totaled \$36,691,505 last month. The 9-month total is \$312,622,295. That is nearly eighty-three million dollars more than operation of the state's machinery cost for the same period last year, that total being \$230,099,854.

Walter Brennan, ruthless ruler of the terror-filled Okefenokee Swamp, threatens Dana Andrews with sudden and horrible death unless he agrees to join him in "Swamp Water," the Twentieth Century-Fox encore triumph

which opens Sunday and Monday at the Rita Theatre. Anne Baxter and Walter Huston are also starred in the thrill-chilling screenfare excitingly paced by ace director, Jean Renoir.

Motorcycle and Car Involved In Wreck

In a collision which occurred about 3 o'clock Thursday afternoon, June 17, between an automobile and motorcycle at the intersection of North 12th Street and Avenue F, both machines were damaged extensively and two riders of the motorcycle were admitted to the Haskell County hospital for examination and treatment.

Involved in the accident was a Chevrolet sedan occupied by Rufus H. Banks of Abilene, former Haskell city secretary, who was driving east on North 12th Street, and a Harley-Davidson motorcycle operated by Wallace H. Wooten of this city and who had as a passenger Curtis Matthews, owner of the motorcycle.

Matthews suffered a fracture of his left ankle, bruises and cuts, and Wooten sustained head lacerations.

Officers investigating the mishap were Sheriff Mart Clifton, Deputy Sheriff D. P. Fuller, Highway Patrolman Keith Whitt and Jeryl Bright, and County Attorney Curtis Pogue.

FARMS TRIPLE USE OF 'BOTTLED GAS'

Use of "bottled gas," which now performs a variety of jobs on farms and ranches, has increased 299 per cent since 1941, according to the oil industry committee. "Bottled gas" refers to such gases as butane and propane which can be stored in portable containers under high pressure.

Indicative of the changes that have taken place during and since the war as almost every phase of farm and ranch operation have been mechanized, bottled gas is used not only for cooking and for home and water heating, but to operate brooders and incubators as well. Individual users of bottled gas, other than industrial users but including agricultural consumers, now total over 4,500,000.

MECHANIZATION INCREASES FARM PRODUCTIVITY 40 PCT.

Although a million workers have left farms and ranches since 1935, agricultural food production has been increased during that time to a point 40 per cent above any previous peak. Department of Agriculture records show.

This increased productivity has been obtained, it was pointed out, as the nation has swung increasingly to oil-powered farming. Since 1935, the number of tractors on farms has virtually tripled and now stands at 3,000,000, operating over 15,000,000 farm implements.

Use of trucks on farms has also greatly increased, the department points out, with almost one-third of the nation's trucks now in use on farms and ranches. Of a total of 6,492,000 trucks, 1,880,000 or 29 per cent, are now in use in agricultural work. This is an increase of 61 per cent since the war began. These trucks, it was noted, added to 4,860,000 farm automobiles and 3,000,000 tractors, made the farm a major user of oil products today.

You can't buy it at a store—
You can't carry it in a bag—
It's your biggest bargain—
It's YOUR ELECTRIC SERVICE!
You don't buy it at a store—you can't carry it home in your shopping bag—yet it's one of the biggest values in your family budget. It's your electric service, of course!

Yes, although it costs the West Texas Utilities, your electric service company, more to supply it to you—and such costs are still rising—you're nevertheless now getting electric service at rates 17 per cent less than you did ten years ago—if yours is the average family.
Why is your electric service so big a value? One reason is that more people are using more and more electricity. Another reason is the constant effort which the experienced personnel of your service company makes to keep your electric service a bargain.

Camp Fire Girls Day Camp Has Large Attendance

The Camp Fire Girls of Haskell and Rule began their Day Camp last Monday with a flag raising conducted by members of the Tinshpka Camp Fire Girls, whose leader is Mrs. W. Q. Casey. Mrs. Mary Lou Josselot reminded the citizens of Haskell that it was Camp Week by playing several of the Camp Fire Girls songs on the organ over the loud speaker of the Baptist Church.

The twenty-one Blue Birds present under the direction of Mrs. James A. Byrd made a study of the different leaves and grasses in Rice Springs Park.

Then they played nature games which helped them to remember the plants.

At the same time in the American Legion Hall Mrs. M. L. Blohm was teaching twenty of the Camp Fire Girls the correct use of a camera and how to take interesting shots. Mrs. Bernard Phelps was in charge of serving tomato juice and snacks to each girl at mid-morning. The Camp Fire Girls then trekked to the swimming pool to get instructions from Nabella Hassen and Rose Ann Johnson. Afterwards they learned several folk games taught by Ann Kathryn Rike and Gay Nell Dippel.

The Blue Birds learned games and points in swimming under the same teachers. They were dismissed for the day.

After lunch and resting under the shade of the trees, Mrs. Lou Polnac, Stamford, taught Camp Fire Girls how to make bed rolls and sleeping bags. Mrs. Bob Herren taught handcraft which included making film belts, and soap shows. After cleaning up the Chechelo Group under the leadership of Mrs. Phelps, lowered the flag.

Other adults present were Messrs. Bill Pitman, D. A. New, David Strickland, Woodley Davis, Roland Tilly, and Wilburn Greene.

Camp Fire Girls attending camp: Joan Darden, Jeanie Rice, Frances Mullins, Alice Janet Gauntt, Terry Anne Bynum, Nan Arbuckle, Mary Sue Byrd, Atha Lea Grace, Minnie White, Beverly Gilstrap, Nelda Haynes, Ann McFarlin, Patsy Ann Turnbow, Mary Paul Gibson, Betty Herren, Kay Starr, Doris Strain, Lucy Lockett Gauntt, Bertha Mae Holcomb, Dawn Clifton, Wanda McCain, and Lorna Sue Mickler.

Girls More Carefree Thanks To 2-Way Help
What to do for woman's oldest problem, functional monthly pain? Many a girl and woman has found the answer in CARDUI'S 2-way help. You see, CARDUI may make things lots easier for you in either of two ways: (1) started 3 days before "your time" and taken as directed on the label, it should help relieve functional periodic pain; (2) taken throughout the month like a tonic, it should improve your appetite, aid digestion, and thus help build up resistance for the trying days to come. CARDUI is scientifically prepared and scientifically tested. If you suffer "at those certain times", get CARDUI today.

Three Haskell—

(Continued From First Page)

Shamrock three years. She had previously lived in Haskell since 1909. She was born in 1900 in Collin County.

Survivors are her husband, Theo Burson of Shamrock; three sons, Clarence, Travis and Dan Burson, all of Shamrock; seven brothers, Pryor Tidwell, Ernest, Roy, Raymond and C. E. Tidwell, all of Haskell, Carl Tidwell of Beulah, and Lindsey Tidwell of Borger; and one sister, Mrs. J. W. Romner of Denton.

Funeral for Doris Lee Burson, 17, was held at 3 p. m. Thursday in the First Baptist Church with Rev. Oliver Riley of Shamrock officiating. Burial was in Willow Cemetery under direction of Holden Funeral Home.

Doris Lee was born in Haskell and lived here until the family moved to Shamrock three years ago. She would have been a senior in Shamrock High School this fall.

Survivors are the father and three brothers, Dan, Travis and Clarence, and several aunts and uncles.
