

## One County, Four Precinct Contests In Second Primary

### Insect Damage Reported In Few Cotton Fields in County

### Advance Tickets On Sale for Softball Tournament

Final entries were being listed this week for the tri-county Softball Tournament to be held at Fair Park Field, Wednesday Thursday and Friday of next week. Thos. B. Roberson, secretary of the Haskell County Softball League sponsoring the event, and Thursday that at least eight teams would be matched with a double-header game scheduled each night.

In addition to the play-off Friday night to determine tournament winners, other special events are being planned for entertainment of spectators. Sale of advance tickets for the final night of the tournament are now on sale, Roberson said.

CLYDE WHITESIDE

Clyde Whiteside of Seymour, candidate for State Representative, received a majority of 480 votes in the three-county district Saturday, to win the nomination over Chas. M. Conner of this city.

### All-Star Girls Team Defeat Lions Club Softballers

In an exhibition game Tuesday night, the Girls All-Star team defeated the Lions Club softball team with an overwhelming score. Proceeds from the game will go to a fund being raised for erecting seats at Fair Park softball field, and a sizeable sum was realized.

Headlining the league schedule this week is the game Friday night between Mattson and Honey Cut, to be played at Fair Park Field.

Flea hoppers and bollworms are doing considerable damage in some cotton fields of Haskell County, while in other fields very little damage has been done to date, County Agent F. W. Martin reported Thursday following a check of 30 fields made Monday and Tuesday by Martin and his assistant, K. W. Clayton.

No boll weevil damage has been found in any of the fields in the rule area, and fields near Jud, Rochester, O'Brien and Weinert.

The county agent said many questions have been asked about new cotton insecticides. He explained that chlordane, chlorinated camphene and benzene hexachloride are new insecticides which give excellent results when used according to directions given by the manufacturers.

Ten per cent DDT and Sulphur also have given excellent kills on both bollworms and cotton flea hoppers, Martin said. This material is somewhat cheaper than the other cotton insecticides.

In applying dust to cotton, County Agent Martin advised applying the dust directly in the top of the plant, pointing out that all cotton insects feed in the top of the plant to start with. Plenty of poison applied in the top is more effective than if used on the bottom part of the plant, Martin explained.

### Pre-School Check Advised For All Children

With the report of 77 new cases of chicken pox, 11 cases of diphtheria, 320 cases of measles, 75 cases of polio, and 199 cases of whooping cough occurred in the state in the week between July 10-17, Dr. Geo. W. Cox, State Health Officer, has made an appeal to all parents to have their children undergo a thorough physical examination before entering school next month.

The appeal was made to coincide with the announcements of the various opening dates of schools throughout the state. "It is a medically established fact that a child's health has a direct bearing on his progress in school," the health officer said. "It is no longer sufficient to provide the child with books and new fall clothing. Today we realize the health factor must be considered if the child is to reach his optimum level."

Dr. Cox said that since the child spends most of his time indoors with large groups of children, it is imperative that he be immunized against communicable diseases when such protection is possible. The spread of such diseases is facilitated in congested classrooms.

### Interior of Rita Theatre Is Re-Decorated

An improvement and re-decorating project for the Rita Theatre in this city will be completed this week, according to Dorsey Looney, manager of the two Leon theatres, and patrons of the Rita have a welcome surprise in store on their next visit to the popular show house.

Interior walls and ceiling have been re-decorated, the entire building has been given a thorough going over. New aisle coverings have been laid, cooling system of the building has been enlarged, and improvements have been made to place the projection and sound system in perfect order. Manager Looney says that several outstanding film attractions have been booked for early showing at the Rita.

**IN ABILENE TUESDAY**  
John Henderson made a business trip to Abilene Tuesday.

O. E. PATTERSON

County Judge O. E. Patterson, now serving an appointive term in that office, led his two opponents in Saturday's primary. Second man in the race, Payne Hattox, announced Thursday that he did not plan to continue in the run-off campaign.

### S. B. Jeter, 71, Dies Monday After Brief Illness

Samuel B. Jeter, 71, retired farmer and resident of Haskell County since 1925, died at 8 p. m. Monday in the Haskell County Hospital following a brief illness. Mr. Jeter had been slightly ill for some time, but had not been confined to his bed until shortly before his death.

He was born August 5, 1876, near Birmingham, Ala., the son of Mr. and Mrs. W. D. Jeter. At the age of 6 years, he came with his parents to Texas and settled in Denton County, where he married Miss Debbie Sconce July 19, 1899. They later lived at Brady, Texas, before coming to this section in 1925. His wife preceded him in death several years ago.

Mr. Jeter had been a member of the Baptist Church since young manhood. Immediate survivors include two daughters, Mrs. Earl Lohn of Hobart, Okla., and Mrs. L. N. Vogel of Brady; a son, S. B. Jeter, Jr., of Elbert; two brothers, Geo. Jeter of Moran and Joe Jeter of Argyle, Texas; and a sister, Mrs. Mollie West of Brady. Five grandchildren also survive.

Funeral service for Mr. Jeter was held at the First Baptist Church Tuesday at 5 p. m., with Rev. H. G. Hammer officiating. Interment was in Willow Cemetery under direction of Holden's Funeral Home.

Pallbearers were Arthur Shelley, Jasper Wheeler, Drew Leonard, Wylie Quattlebaum, A. H. Wair and J. M. Crawford.

### Haskell Students Enroll in ACC for Second Semester

Abilene Christian College, Abilene, Texas, opening the second semester of its 1948 summer school July 21, has enrolled 561 students from 25 states and four foreign countries, South Africa, Australia, Mexico and India. The college's 1948 fall semester will open Sept. 14.

Included among the students in Abilene Christian College are two students from Haskell. They are Roy Phenister, son of Mr. and Mrs. V. F. Phenister, a junior majoring in Bible; and Deen Bartlett, daughter of Mr. and Mrs. G. C. Bartlett, a senior majoring in English.

### Gospel Meeting to Be Held at Weinert Church of Christ

A Gospel Meeting will be held at the Church of Christ in Weinert beginning Sunday, August 1st, with services to be held twice daily, at 9:45 a. m. and 8:15 p. m. Evangelist for the meeting will be James Burrow, and Leslie Treet will be song director. Theme of the meeting will be "Sermons Direct From the Bible."

Haskell County voters polled 3,830 ballots in recording their choice in nominating candidates for State, district, county and precinct offices in the First Democratic primary. The heavy vote came in the face of apparent light interest shown in advance of the primary.

As a result of Saturday's voting, one run-off for county office remains to be decided in the Aug. 28 primary, while four precinct races remain to be decided in the run-off.

In the four-man race for Sheriff, R. M. (Bob) Cousins led the ticket with 1526 votes, and will be opposed in the second primary by D. P. (Doss) Fuller, who polled 803.

In the race for County Judge, O. E. Patterson, serving his first elective term, received 1,762 votes, with R. P. (Payne) Hattox in second place with 1,216.

In a statement Thursday, Mr. Hattox expressed his gratitude to the voters for their substantial support, but announced his decision not to continue as a candidate in the run-off campaign.

For Representative from the 113th District, Clyde Whiteside of Baylor county received a majority of 480 votes over Chas. M. Conner of Haskell in the three-county district. Vote by counties was: Haskell—Conner 2373, and Whiteside 1400. Baylor—Conner 402, Whiteside 1670. Throckmorton—Conner 517, Whiteside 702.

In Precinct 1, the race for Commissioner in the second primary will be between Ira Blair, who received 678 votes, and Norman Nanny with 666 votes in the three man race.

For Commissioner in Precinct 2, W. A. Leonard with 380 votes, and W. R. Edwards with 313, will go into the run-off.

In Precinct 3, M. B. Cobb was re-elected for a second term as Commissioner with 275 votes over his opponent, C. G. Hammer, who received 176.

Commissioner Roy Clark, seeking a second term in Precinct 4, was re-elected with 423 votes, his opponent, N. F. Foster, receiving 237.

In the five-man race for Weigher in the Haskell precinct, Jas. O. (Doc) Henshaw and Geo. Weaver ran first and second for a place in the run-off primary.

Two Tie for Second Place  
In the O'Brien-Cliff Public Weigher's precinct, unofficial tabulation of votes revealed that A. A. Cox with 70 votes was high man in the four-man race for the office, while C. B. Banner and H. A. Reeves each received 45 votes to tie for second place.

A ruling of the Attorney General was being sought by County Chairman John A. Couch to determine which of the latter two men were entitled to a place on the run-off ticket.

Other county and district officers re-elected without opposition were:  
County Attorney Curtis Pogue.  
Tax Assessor-Collector R. A. Coburn.  
District Attorney R. H. Banks.  
District Clerk Jesse B. Smith.  
County Clerk Horace Oneal.  
County Treasurer Doyle Eastland.  
Justice of Peace Precinct 1, C. K. Jones.

### Alvin Speck of Rochester Dies Monday

Alvin D. Speck, 45, well known farmer and carpenter of the Rochester section, was found dead at his home 6 miles southeast of this city Monday about 5 p. m., victim of a heart attack while asleep. Mr. Speck, who had been working as a carpenter and cabinet-maker out of a local lumber yard, had felt slightly ill Monday and remained at home. A son, Vernon Speck, found Mr. Speck dead when he came to the house from a nearby field late Monday. Doctors who were summoned said death had occurred several hours previously.

Mr. Speck, a native of Texas, was born December 19, 1903, and had lived in Haskell County most of his life.

He is survived by his widow, three sons, Vernon and Alvin Ray Speck of Rochester, and Stanley Speck, who is working in the grain harvest somewhere in Canada; three daughters, Mrs. Wanda Holebrook of Hereford, Texas, Martha and Wanelle Speck of Rochester.

Funeral rites for Mr. Speck were held at the First Baptist Church in Rochester at 3:30 p. m. with H. L. Matheny, Church of Christ minister of that city officiating.

Burial was in the Rochester cemetery under direction of E. Hob Smith of Mansell & Smith funeral home. Active pallbearers were Bob Speck, Bud Clark, Veldon Moore, Paul Russell, Howell Sloan and Wilson Bean.

CHAPLAIN ROBT. BARNETT

### Rev. Robt. Barnett To Re-Enter Army As Chaplain

Capt. Robert Barnett, pastor of the Pinkerton Baptist Church since his discharge as Army Chaplain in the fall of 1945, has resigned his pastorate and will re-enter the Army as Chaplain with the rank of Captain.

Rev. Barnett volunteered for active duty several months ago, and received orders this week to report at Camp Breckenridge, Ky., for assignment. Rev. and Mrs. Barnett will leave August 2 for Kentucky, and he has asked for overseas assignment in Germany, however, he has not been advised of any definite location.

The young Haskell minister was serving his first pastorate at the Pinkerton Church in 1941 when the United States became involved in World War II. He volunteered in the Army in January, 1942, and went overseas in December of that year as Chaplain attached to the 30th Infantry Division, and served in the European theater of war 20 months with the 30th Division in France, Belgium, Holland and Germany. He was awarded the European Ribbon with four battle stars, and the Bronze Star for action with men of the 30th Division in crossing the Rhine River.

During his post-war pastorate of the Pinkerton Church, an ambitious building program has been carried through to completion, and a substantial increase in membership of the church has been attained.

Edwards Grateful to Voters; Asks For Continued Support

To the good people of Precinct 2 for the splendid vote given me in last Saturday's primary. I cannot express my gratitude. I also want to compliment my opponents for the clean way in which the campaign was conducted.

It was impossible for me to see every voter and citizen in the precinct personally, but during the time before the second primary I shall try to continue an intensive canvass in order to discuss my campaign with each voter. In the meantime, I respectfully solicit your continued support and influence.

W R (Bob) Edwards.

Ira Blair Thanks People and Solicits Support in Run-Off

To My Friends of Precinct No. 1 And Haskell County

I wish to thank each and everyone of you for your support in the first primary of my campaign for Commissioner of Precinct No. 1, and to state that your continued support of me in the final will be highly appreciated.

I deeply regret that I will not be able to see everyone of you personally because of the excess amount of work ahead. And last but not least, I want to thank my opponents for their splendid co-operation.

Sincerely, Ira Blair.

The chisel-type cultivation of the Jeffroy "Soil Control Cultivator" is not new! In fact, the first plows of this type were made over 3,000 years ago by the Egyptians for farming along the Nile River. They used a sharpened stick, while in the Jeffroy machine, silicemanganese steel is required to stand present-day speeds and uses. Down through the ages many plows have been used and discarded, but the chisel-type plow has proved to have less draft, control erosion, and conserve moisture more effectively than any other plow invented!

★ Plows and cultivates the natural way. ★ Conserves the moisture. ★ Prevents blowing. ★ Stops erosion. ★ Cuts plowing cost in half. ★ Constructed to last a lifetime. ★ Pro-war prices. ★ Made in 4 sizes to fit your power: 7 ft. - 10 ft. - 13 ft. - 16 ft.

KAISER

FRAZER

Service wherever you go

In just two years we've built and sold more fine cars than any other new manufacturer in automobile history.

Why? Because America fell in love with the KAISER and the FRAZER on sight. Folks are streaming into Kaiser-Frazer showrooms and learning from present owners how dependable these two great cars are. They're learning - from people who drive them - how soundly they are built... how economical they are... how much enjoyment there is in owning one.

THESE ARE THE MOST-COPIED CARS IN AMERICA, road-proved by 250,000 owners in two billion miles of driving.

Because plenty of Americans insist on comfort, convenience, style and value, traditional leaders had to "move over" - as Kaiser-Frazer became the fourth largest manufacturer of motor cars in the world in two short years.

Why wait? Enjoy your new car this summer. You'll get fair treatment and highest trade-in allowance.

 the people of Texas; providing the time, means and manner thereof.  
**BE IT RESOLVED BY THE LEGISLATURE OF THE STATE OF TEXAS:**  
 Section 1. That Section 61, Article XVI of the Constitution of the State of Texas be amended so as to read as follows:  
 "Section 61. All district officers in the State of Texas and all county officers in counties having a population of twenty thousand (20,000) or more, according to the then last preceding Federal Census, shall be compensated on a salary basis. In all

counties in this State, the Commissioners Courts shall be authorized to determine whether precinct officers shall be compensated on a fee basis or on a salary basis, with the exception that it shall be mandatory upon the Commissioners Courts, to compensate all constables, deputy constables and precinct law enforcement officers on a salary basis beginning January 1, 1949; and in counties having a population of less than twenty thousand (20,000), according to the then last preceding Federal Census, the Commissioners Courts shall also have the authority to determine whether county officers shall be compensated on a fee basis or on a salary basis, with the exception that it shall be mandatory upon the Commissioners Courts to compensate all sheriffs, deputy sheriffs, county law enforcement officers including sheriffs who also perform the duties of assessor and collector of taxes, and their deputies, on a salary basis beginning January 1, 1949.

"All fees earned by district, county and precinct officers shall be paid into the county treasury where earned for the account of the proper fund, provided that fees incurred by the State, county and any municipality, or in case where a pauper's oath is

how much is enough?

We wish we knew. In spite of our best efforts, the demand for telephone service continues to exceed the supply of materials necessary to provide it. We have already installed a record number of telephones but still more applications for new service continue to come in. All of our efforts are aimed at "balancing the scales"—to have installations keep pace with new applications. It takes time and money, but we hope before too long to keep up with this tremendous demand.

**Veterans' News**

Next Saturday, July 31, is the last opportunity for World War II veterans to reinstate lapsed National Service Life Insurance on a "comparative health" basis, VA has announced.

All VA offices in the Dallas Branch Area of Texas, Louisiana and Mississippi will remain open Saturday so that veterans may reinstate under present liberal regulations.

After Saturday, veterans whose insurance has been lapsed more than three months must take physical examinations to qualify as insurable risks.

To reinstate on a comparative health basis, veterans need only fill out a simple application form, in which they certify that their health is as good as when the policy lapsed, and pay premiums for two months to reinstate their NSLI policies.

Eligible veterans may reinstate any amount of term insurance—from \$1,000 to \$10,000 in multiples of \$500—regardless of the length of time it has been lapsed under present liberal regulations.

**QUESTIONS AND ANSWERS**  
 Q.—Will the Government deduct money it paid on the guaranteed portion of my loan or the payments made for schooling and subsistence allowance from any future bonus that may be authorized by Congress?  
 A.—No.

Q.—May a veteran, who is receiving disability compensation, receive (at the same time) subsistence allowance under the G-I Bill?  
 A.—Yes.

Q.—I am a World War II veteran and I desire to purchase a car to go to the coast and get a job. Will Veterans Administration guarantee a loan for the purpose?  
 A.—No. VA will guarantee a loan for a car only when the vehicle is to be used for business purposes.

Q.—How can I show that my parents are dependent on me for support?  
 A.—Dependency will be held to exist if your parents do not have an income sufficient to provide reasonable maintenance for themselves and members of their family under legal age, or members of the family otherwise dependent by reason of mental or physical condition.

Q.—I cashed the compensation check that VA sent me. Does that mean that I am satisfied with the rating given me?  
 A.—No. The fact that you cashed the check does not waive any rights you may have in claiming greater compensation or pension than that which was awarded you.

Wash handkerchiefs before they are badly soiled so that they need little or no rubbing to become clean. An hour's soak in cool water will loosen much of the dirt and save strenuous washing.

Tests in building home freezer units show that six inches of insulating material is the best thickness. Thinner insulation runs up the operating costs and more insulation makes the box too bulky.

**"Caking" Pays Dividends As Grasses Mature**

Protein pays large dividends in added gains on beef cattle when fed to supplement mature pasture grasses during late summer and early fall months, Experiment Station results and practical experience prove, according to A. L. Ward, Educational Director, National Cottonseed Products Association.

Cottonseed cake costing \$5 per hundred pounds returned \$18 worth of beef when fed to steers valued at \$24 per hundred lbs. in trials at the Kansas Experiment Station, he points out.

Cattle on pasture that received 1 1/2 pounds of cottonseed cake daily per head, for 88 days gained 152 pounds per head during the period in the Kansas test. Cattle that did not receive the protein supplement gained only 56 pounds. Each pound of cake fed resulted in a gain of approximately 3-4 of a pound.

During July and August, most farm pastures and ranges begin to cure out or become "burned". Protein is the first nutrient to become deficient, the protein content of grasses frequently dropping 50 per cent or more as they mature.

A protein concentrate, such as cottonseed meal, pellets or cubes, is the only supplement for grass needed by cattle under most conditions during the summer and fall. In the Kansas test, the addition of ration was not profitable during the feeding period, August 1 to November 1.

When grazing is short, some dry roughage should be fed; but grains are needed only when fattening cattle to a high finish for slaughter, or when grazing is so short that it will not furnish enough energy feed, Ward said.

Protein concentrates are profitably fed in amounts exceeding those needed to balance the protein content of dry forage when they are relatively cheaper than grains, as under present conditions.

Vitamin A supplements, such as alfalfa or bright grass hays, are necessary when feedlot cattle have not had access to green forage for two to three months. In order to satisfy requirements for Vitamin A in reproduction and growth, dairy cattle, breeding beef cows, herd bulls and calves should have access to green pasture, bright grass hay or a legume hay and should not be held off those Vitamin A feeds for periods longer than a few weeks.

Doss Fuller Thanks Voters; Asks For Continued Support

To the People of Haskell County:

I am sincerely grateful to the citizens and voters for the support and confidence expressed in last Saturday's primary, which enables me to continue my campaign in the second primary. Nothing but numbers of interested, loyal friends could have accomplished this.

Until such time as I can see you personally, I desire to take this means of soliciting your continued support in the primary August 28, of my candidacy for the office of Sheriff.

Sincerely, D. P. (Doss) Fuller.

Birthday Party Honors Annette Merchant

Annette Merchant was honored by her father and mother, Mr. and Mrs. Ralph Merchant on her 12th birthday on July 22 by a "Hobo" party.

After refreshments the "hobo" were taken to the jail house by Mr. Doss Fuller and then were escorted to the depot. Those present were: David Middleton, Mary Sue Byrd, Orbie Collins, Kay Starr, Charles Cobb, Paula Ratliff, James Mann, Doris Strain, Max Johnson, Terry Bynum, Floyd Self, Jerry Wheatly, Boosky Berry, Brenda Jossel, Dyrrell Davis and Jimmy White.

A giant sucker was awarded to Max Johnson and Kay Starr as King and Queen of the "Hobo's."

Frank McCurley Thanks Voters For Support

Frank McCurley, Public Weigher of Prec. 1 who was a candidate for re-election to a second term in last Saturday's primary, this week expressed his thanks for the nice support and encouragement given his candidacy in the following statement:

"To the Voters of Precinct 1: I desire at this time to say 'Thank You' for the substantial vote given me in the First Primary, and for the work of friends and supporters in my behalf. I also appreciate the clean and friendly campaign conducted by everyone in the race for the office, and have only the highest regard for those who did not see their way clear to support me. Sincerely, Frank McCurley."

Army Adopts New Efficiency Rating System

In a move to increase the opportunities for enlisted men to rise through the ranks on the basis of personal ability, the U. S. Army has set up a new rating system in which non-commissioned officers, for the first time, will officially evaluate the men who work under them. M-Sgt. James L. Trolinger said today.

Sgt. Trolinger explained that in the past, efficiency reports for enlisted men have been made only by officers and have consisted only of one-word ratings such as "satisfactory" or "excellent." The new system, soon to be placed in effect, provides for detailed evaluations of technical skill, leadership, and similar qualities.

Under this system, a soldier's efficiency rating will directly affect his chances for promotion, advancement to a more responsible job, or assignment to specialist training.

All enlisted men above the grade of Private will be rated. The reports will be made by the direct superior of the man concerned—in most cases a non-commissioned officer. The next higher superior, usually an officer or warrant officer, will check the rating and also indicate his own evaluation.

Nanny Expresses His Appreciation To Supporters

AN OPEN LETTER TO Voters OF PRECINCT 1.

Thank you for the votes you gave me on July 24. I deeply appreciate the consideration, help, and goodwill which have been extended to me in this campaign so far, and earnestly solicit them for the future.

I have not been able to contact each of you personally as I would like to have done, so please consider this a personal request for your vote and influence for the Second Primary. Anything done in the behalf of my candidacy will be greatly appreciated.

If I am elected commissioner I will be on the job at all times to serve you honestly, efficiently, and impartially. Norman Nanny, (Political Adv.)

SOME LANDLORD

Los Angeles—Mrs. Anna Hagopian testified in court that, in an effort to evict her, her landlord, padlocked her bathroom door, tore the kitchen sink from the wall, removed kitchen fixtures, including the stove, turned off the gas and instituted a course of "force, epithets and threats, including three law suits. It was all to no avail—she is still living in the apartment with her two young sons, and is suing her landlord for \$22,000 damages.

Refining Hits Daily Peak of 237 Million Gallons

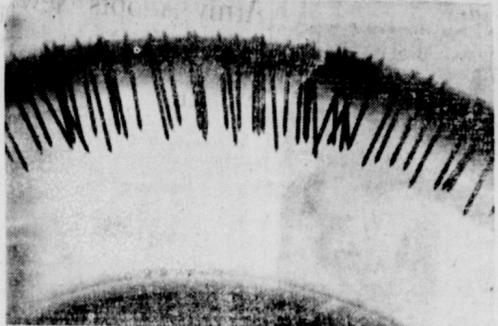

The U. S. oil industry is currently refining more than 237 million gallons of crude oil a day to meet the greatest demand for petroleum products in history, according to a detailed report on supply-demand released today by the Oil Industry Information Committee.

Commenting on figures contained in the report, Fred F. Murray, Gulf-Southwest chairman of the information committee, pointed out that refining rate today is 11% above that of a year ago. The report, titled "Current Facts on Petroleum Supply and Demand," is a 12-page illustrated brochure issued and brought up to date periodically by the information committee.

"Americans use about three times as much oil per capita as all the rest of the world combined, and the demand is still growing," Murray said. "This year the industry will again break production records, and hopes to hit a peak of eight or nine per cent over last year's record production."

**EAGLES BRING \$390**  
Miles City, Mont.—Pilot-gunners are making money at the sport of shooting eagles from airplanes. The State pays a \$5 bounty for each of the predatory birds which have been killing antelopes and game birds. A. R. Tatge bagged 78 golden eagles in two aerial hunting expeditions, netting him \$390.

X-RAY PROVES SAFETY STORY

Looking into a tube after 301 nails had been driven through both casing and tube is a new application in X-Ray photography that enabled engineers of The General Tire & Rubber Company to prove their story that the new Puncture-Sealing tube is the safest measure that can be applied to driving today 100 days after the test the tube retained every pound of its original pressure.

With more cars than ever before on the highways, cars that are far above the prewar average age, there is a crying need for more safety. The new Puncture-Sealing tube was to fill this need that General Tire engineers designed the new sealing tube with its high degree of anti-blowout protection.

County Agent Gives Hints for Treating Pigs for Worms

Pigs that are fed a good ration and still remain unthrifty are likely to have roundworms. Likewise, if you raise a litter of pigs on ground that was formerly occupied by pigs, there is a good chance that the second litter will have roundworms.

F. W. Martin, County Agent, says that these worms may be passed right on out through the body and onto the ground. An examination of the pig lot may show presence of these roundworms. They can be identified as being large, thick yellow or pink worms about lead pencil size.

Weaned pigs of any age may be wormed, but the best time to worm pigs is two or three weeks after weaning. Pigs are wormed at around 56 days of age, so when a pig is two and a half months old, this is a good time to worm them. For best results, move the pigs to a concrete floor, worm them and bring them back to the pen or pasture after three days.

Another method is to worm them in the original pen, and later move them to a different pen, or out to the pasture three days after worming. Moving the pigs helps break the worm's life cycle, and thus reduces the number of worms.

W. A. Leonard Is Grateful; Asks for Continued Support

To the Voters and Citizens of Precinct 2: Please accept my sincere thanks for the splendid vote and encouragement given me with your ballots last Saturday in my race for Commissioner of your precinct.

Your support has enabled me to go into the second primary, and I desire at this time to solicit your continued support and confidence, which I will endeavor to repay with honest, efficient service in keeping with the best interests of all sections of the Precinct if elected as Commissioner.

Gratefully yours,  
W. A. (Drew) Leonard.

A HOWLING SUCCESS

Olney, Ill. — When Caroline Stroud discovered that her pet dog was missing, she went right to the city dog pound. She could not find the dog catcher—so she went into the pound to get her dog. The 34 other dogs locked up in the pound spotted the open gate, made for it, yipping and barking their way to freedom.

GETS BANG REPAIRING GATE

Springfield, Ill.—Mark A Cooper reached into an old tool box for some cooper rivets to use in repairing a gate. He pounded on three of the "rivets" to fix a gate support and was striking a fourth with his hammer when it exploded. Cooper later discovered that all four "rivets" were dynamite caps, apparently left in the tool box several years ago by an employee.

chemical to use for worming pigs because it is 90 per cent or better effective, the cost is low, it is easy to get, and is not harmful to the pig if given as directed.

Martin suggests not to worm over six to ten pigs at one time. Directions call for one pound of sodium fluoride mixed thoroughly with 100 pounds of dry feed. And if you don't have that many pigs, mix one level teaspoon with one pound of dry feed for every pig weighing 25-35 pounds. Some of the larger pigs may be given another pound 12 hours after the first dose. If a second worming is required, repeat the treatment in 30 days.

Two wormings will probably be enough unless the pigs are left on ground that is severely infested with roundworms. Important: Keep in mind that sodium fluoride is a poison, and if it is improperly mixed, or too much is used, the pigs may be poisoned.

Harley Sadler Issues Statement To the People

Time will not permit a personal letter, so I take this means of expressing my sincere appreciation to all friends in this section for their efforts in my behalf during my recent campaign for the State Senate.

I regret that in the closing hours of this campaign misleading information was distributed through the U. S. Mail and by cleverly designed newspaper ads. The returns of the election established that these tactics resulted in causing me to lose the vote of many of the type of people with whom I have had my most intimate relationship throughout life and for whom I have always attempted to work for their best interests. Except for this, I have no regrets.

Personally, I feel that a great responsibility has been lifted from my shoulders. During my six years of legislative service I took my work too seriously and endeavored to give fair and impartial service to all. I did so at a great personal expense and absence from my business. I fully realize that the future of Harley Sadler is of very little consequence, but the importance of the legislative branch of our government means everything to the people, and I urge that the voters, not just during elections but at all times, show an interest in it.

So I ask you, my friends who believe in me please feel as I do. With kindness in our heart and malice toward none, let us all work for a bigger and better world.

Harley Sadler.

Bob Baskin Dam Conference Held In Knox City

One hundred people from 27 West Texas counties were at Knox City today for discussion of the proposed Bob Baskin Dam on the Double Mountain fork of the Brazos River south-west of Knox City in Haskell County.

Discussions got under way at the American Legion Hall at 10 o'clock this morning with Bruce Campbell, director of the Brazos River conservation and reclamation district presiding. A barbecue was held at noon today, furnished by citizens of Knox City.

The Rev. John W. Price, Methodist pastor, delivered the invocation and Joe M. Averitt, vice president of the Citizens State Bank of Knox City, welcomed visitors. Mayor A. C. Humphrey of Stamford responded to the welcome.

Purpose of the meeting was outlined by John A. Couch of Haskell, R. D. Collins, treasurer and general manager of the RCR district of Mineral Wells, spoke on a present and future program of the district. J. E. Sturrock, manager of the Texas Water Conservation Association and second vice president and Texas director of the National Reclamation Association of Austin, discussed conservation of water. E. V. Spence, chairman of State board of water engineers of Austin, told of a board of water engineers' aid in conservation of water.

The present and future program of National Reclamation Association in Texas was outlined by Harry P. Burleigh, engineer in charge, Austin. The present and future program of the Baskin Dam was discussed by L. W. Smith, acting planning engineer of Austin. The meeting was closed by John A. Couch, president of the Baskin Dam on the Brazos River.

HASKELL COUNTY HISTORY

Brief Items Taken from Old Copies of The Free Press

**20 Years Ago—July 26, 1928**  
The board of trustees has set Monday, Sept. 3, as opening date for the 1928-29 term of Haskell Public Schools.

Miss Brucile Bryant has returned from Clyde, Texas, where she spent several days with Miss Leta Robertson.

Miss Mary Couch entertained the Koed Kard Klub with a delightful party Monday afternoon. Present were Misses Galen and Ruth Robertson, Lola Taylor, Ruby Martin, Brucile Bryant, Marion Guest, Jonny Morgan, Mary Sherill, Lucy Martin, Maurine Shook, Earline Mask, Katherine Rike, Sue Couch, and Anna Marie Souther of Cleburn.

Miss Minadel Davis returned last week from Toronto, Canada where she attended the session of the Baptist World Alliance. H. M. Rike made a business trip to Graham Monday.

R. C. Couch left Haskell for Rotan one day this week, but was forced to turn back because of high water. He says an automobile can't swim and he didn't feel like taking any chances on swollen streams.

C. R. Cook and family have returned from a two weeks vacation in East Texas.

Earnest Marion, son of Mr. & Mrs. C. W. Marion of the Gilliam community, underwent an appendicitis operation in the Stamford Sanitarium Sunday, from which he is recovering nicely.

J. D. Hughes was in the city Sat. and he relieved more than an inch of rain on his ranch near Paint Creek.

John and Walter Nanny returned last week from Robertson county, where they spent several days visiting relatives.

Mr. & Mrs. W. W. Weatherly and little daughter Billy June of Unice, N. M., were visitors in the T. W. Flenniken home last week.

A barn and contents on the C. G. Stark place east of town was destroyed by fire Sunday afternoon. M. Stark also lost a Chev. car in the blaze.

**30 Years Ago—July 27, 1918**  
Twenty Haskell county men left Tuesday for Camp Travis, where they will enter the Army Service. They were listed by the Local Board as follows: Arthur Rueben Lee, Sam R. Spencer, Otto Frederick Moeller, Elbert Isaac Quick, Willie Gordon Johnston, Isham James Wright, Harry Henderson, Starret Turner, Harry Worth Buckner, Thomas Melville Speck, John Irwin Muhle, Charlie Wesley Banner, John Harris Vernon, Edward Howard Lott, Claud Griffin, Leonard Yount, James Virgil Everheart, Jack Newton Davis, Johnny Edward Lawrence, William Roland Bass.

Chas. McGregor of the McGregor Ranch in the northwest part of the county was here Tuesday on business. His ranch includes 1600 acres, with 1400 acres being cultivated in row crops.

Mr. and Mrs. O. O. Vernon of Rule were here Tuesday to witness the departure of a large group of soldier boys.

J. W. Martin, druggist and business man of Sagerton, was here on business the first of the week.

Estus Drake of Fort Worth was here Tuesday to appear before the Local Board for physical examination.

B. M. Whiteaker left Wednesday for Weatherford where he will attend a Good Roads meeting.

Jesse Barton and family spent several days this week with relatives and friends in Knox City.

Lloyd Davis of the Pinkerton community left Monday for Clayton, N. M., where he will visit his parents. He expects to be called for Army duty in August.

W. A. Whatley, Haskell automobile and truck dealer, is away on a week's business trip to Dallas, Fort Worth, and points in Oklahoma. He is making the trip in his automobile.

50 Years Ago—July 23, 1898

As we go to press Friday evening we are able to announce that all preparations have been completed for the biggest and best reunion of the Texas Cowboys Association ever held. The grounds race track and other attractions are the best that have ever been provided for the unique and thrilling events to be staged next week, from the 27th to the 30th.

The Mollie Bailey Show will exhibit in Haskell Wed. July 27. Algerton Bailey the famous slack wire performer, and Miss Birdie Bailey, the cute soubrette, are featured attractions.

R. D. Fields, one of our most expert melon raisers, presented us with a fine melon Sunday.

H. B. Martin, editor of the Haskell County News, is down to take in the reunion and visit Haskell friends.

Miss Lillie Rike has returned from a few weeks visit with her mother at Whitehat July 22. Large crowds are attending the services.

R. E. Northington, who has been in the employ of Mayfield and Hughes, butchers at Abilene, for over six years, has challenged any Texas butcher for a skinning contest at the Cowboys' Reunion in Haskell any day during the reunion, for \$50 or more a side.

Capt. Rayner of Rayner City was over this week trading with Haskell merchants. He says the Stonewall people will be over in throngs for the Reunion.

Messrs. Keister & Hazelwood evidently are looking for a good sized crowd in Haskell soon. One hundred barrels of beer and other liquid refreshments in proportion is the way they are doing it.

Lon Walling, a prominent citizen of Hill County is here this week prospecting. We understand he wants to buy 10,000 acres of land on which to establish a cattle ranch.

Four thousand persons, including visitors from many Southern states and from Latin American countries, cheered at colorful dedicatory ceremonies when Gov. Beauford Jester of Texas (left) pressed the button which set in motion the automatic machinery of the huge \$2,000,000 plant of the Burrus Feed Mills at Fort Worth. Looking on as they see their dream of the great mill become a reality are Jack P. Burrus (center), president of Tex-O-Kan Flour Mills Co., parent organization, and Wiley Akins, manager of Burrus Feed Mills.

Rule News

Mr. and Mrs. Bill Kitley returned the first of the week from a two weeks vacation spent in California.

Newt Cole and Scott White made a trip to Dallas Saturday.

Mr. and Mrs. Jack Smith and daughter, Helen, spent last week in the home of Mr. and Mrs. John Behringer.

Mr. and Mrs. Jude Smith of Hamlin visited their daughter & son in Rule over the week end.

Mrs. Jess Place was shopping in Haskell Wednesday of last week.

Mr. and Mrs. Bonward Baird and children were visiting Mrs. Bairds parents in Rule over the week end.

Miss Otis Wilkinson of Olney visited in the home of Mr. & Mrs. John Behringer over the week end.

Mrs. Alvin Kelly and Mrs. John Heron were shopping in Stamford Friday afternoon.

Mrs. Arlene Bough was shopping in Haskell Thursday of last week.

Daltha Payne went to Denton Friday to get his son Everett who has been attending Summer School there at N.T.S.T.C.

Mrs. Arch McGinley of Amarillo visited in Rule last week.

H. J. R. No. 35 HOUSE JOINT RESOLUTION proposing an amendment to Article VIII of the Constitution of the State of Texas...

BE IT RESOLVED BY THE LEGISLATURE OF THE STATE OF TEXAS:

Section 1. That Sections 1-b and 1-c be added to Article VIII of the Constitution of the State of Texas to read as follows:

Section 1-b. Three Thousand Dollars (\$3,000) of the assessed value of all residence homesteads as now defined by law shall be exempt from all taxation for all State purposes.

Section 1-c. Provided, however, the terms of this Resolution shall not be effective unless House Joint Resolution No. 24 is adopted by the people and in no event shall this Resolution go into effect until January 1, 1951.

Section 2. The foregoing Constitutional Amendment shall be submitted to a vote of the qualified electors of this State at an election to be held on the date fixed by law for the General Election in November, A. D. 1948, at which all ballots shall have

printed thereon the following words:

"FOR the Constitutional Amendment exempting Three Thousand Dollars (\$3,000) of the assessed taxable value of all residence homesteads from all State taxes," and

"AGAINST the Constitutional Amendment exempting Three Thousand Dollars (\$3,000) of the assessed taxable value of all residence homesteads from all State taxes."

Each voter shall scratch out one of said clauses on the ballot, leaving the one expressing his vote on the proposed amendment. In counties and other subdivisions using voting machines, the above provisions for voting for and against this Constitutional Amendment shall be placed on said machine in such manner that each voter shall vote on such machine for or against the Constitutional Amendment.

Section 3. The Governor shall issue the necessary proclamation for said election and have the same published as required by the Constitution and Laws of this State. 31-4tc

"Doc" Henshaw Asks Continued Support In Weigher's Race

To The Voters of Precinct No. 1. I wish to express my appreciation to my many friends who supported me in my race for Public Weigher of Precinct No. 1 in last Saturday's election. And to my many friends who felt obligated to support one of the other candidates, I wish to say that I appreciate your friendship and do

that you felt that you should.

I earnestly solicit the support of everyone in continuing my race through the second primary, for I know that I cannot win without the help of my friends.

As to my qualifications I wish to say that I have sufficient education to handle the affairs of the office, and any one who knows me can attest to my honesty and integrity.

Time will not permit me to see every voter before next election day but I shall endeavor to see as many as possible. And I hope that those I may fail to see will

give me a careful consideration and that after you check my qualifications you will go to the polls next election day and cast your vote for me.

I shall be profoundly grateful to each and every one for all support given to me.

Miss Ann McLaughlin of Ralls spent last week in the home of her grandparents, Mr. and Mrs. C. W. Bledsoe, and with other relatives here.

TRVING DOG

Seattle, Wash.—After a four-year disappearance, Tuffy, 11-year-old Husk-Spitz dog belonging to the Howard bishops, wandered home. The dog disappeared while the bishops were living in Lisle, Mo., and the bishops don't know how Tuffy got back. He had previously made the journey from Seattle to Lisle by car and they believe he remembered the way and walked back.

An August runoff between Cecil C. Collins of Big Spring and Allen D. Dabney of Eastland for associate justice of the 11th Court of Civil Appeals was definitely set Sunday with receipt of returns from all 23 counties, 10 of them complete. Latest totals on the justice race showed Collins leading with 24,925 votes, Dabney with 21,492 and Courtney Gray of Brownwood trailing with 15,309. Vote in Haskell County was: Collins 1,368; Gray 542; Dabney 1,565. Collins and Dabney each topped the ticket in ten counties and Gray was leader in three. The Big Spring candidate, now district judge there, gained his plurality with a heavy vote in the western end of the district—especially his home county of Howard and in Taylor.

WEDGED BETWEEN TWO WALLS

Jersey City, N. J.—While chasing a ball, Eugene Demarest, 14, fell between the walls of two one-story buildings and could not wiggle out. A police emergency squad worked for an hour to demolish part of the wall of one building before the boy could free himself. He was unhurt except for minor cuts and bruises.

George Weaver Is Appreciative For Splendid Vote

George Weaver, candidate for Public Weigher, who was high man in the field of five candidates in Saturday's primary, expressed his appreciation to the voters in the following statement: To the People of Public Weigher's Precinct No. 1: I am sincerely grateful for the splendid vote and encouragement given me with your ballots in the first primary, and for the opportunity to continue the campaign through the second primary. I realize that many of you felt obligated to support others in the race, and I have only the highest regard for both my opponents and their supporters. In continuing my campaign, I respectfully solicit the consideration of those voters who are now to make a second choice, and you can rest assured that any consideration given me will be deeply appreciated. To my friends and supporters in the first primary, let me say "Thank You" and solicit your continued support in the run-off campaign.

Sincerely, George Weaver.

REMEMBERS THE KIDDIES

Winner, S. Dak.—Though Geo. C. McDonald, better known as "Shorty," is dead, he will not be forgotten by the children of this town. He left two-fifths of his estate to build a community playground. Shorty, who owned a small cafe, saved all the pennies he took in each year, and at Christmas time, he would gather up the children and pass out the year's take.

Uncle Sam Says

You howled your head off when a home town player, bat on shoulder, let a perfect pitch wham into the catcher's mitt for the third strike. Well, you'd have the same right to howl if you saw the man who works next to you miss the ball on this tax reduction business. By taking the extra money and putting it into United States savings bonds through the payroll savings plan he actually would be hitting a home run for security for self and country. Your country needs millions of savers now to preserve the nation's security. America's security is your security. U. S. Treasury Department

Burlington Lines Announce Changes In Personnel

Passenger department personnel changes involving several Fort Worth men have just been announced by Robt. L. Hoyt, General Passenger Agent for the Burlington Lines in Texas. Roy H. Kimble, formerly Traveling Passenger Agent, has been appointed District Passenger Agent, a newly created position, with headquarters in Ft. Worth and with territory extending to Childress on the Fort Worth and Denver City Railway, as far west as bilene and San Angelo and to San Antonio on the south. G. M. Logan, formerly City Ticket Agent, has been appointed to the position of City Passenger Agent; and Ross H. Dinkins, formerly with the Fort Worth Club, has been appointed City Ticket Agent, to succeed Logan. Kimble's service with Burlington Lines dates from May 1928. His service has included assignments at Wichita Falls, Amarillo, Dallas and Fort Worth. Logan's service commenced in July, 1944, prior to which time he was engaged in transportation work with other carriers. He has been a resident of Fort Worth since December 1942. Dinkins likewise has been in other railroad service for a number of years. He is a native of Ft. Worth and has lived there during his entire business career. Saracinesco, Italy, has been famous for generations as the home of artists' models. READ THE WANT ADS.
