chrysanthemums decorated the president's table and the tea table, laid with an exquisite lace cloth and a massive silver tea service. Bronze chrysanthemum corsages were worn by the president, Mrs. Arlos Weaver, and the hostesses, Mesdames C. V. Payne, Virgil Bailey, S. Hassen, and Claud Harrison.

The club members were honored by a review of "The Snow Goose" by Paul Gallico given by Mrs. J. U. Fields. Mrs. Fields' intuitive sympathy with and for the subject matter enabled her to give an outstanding review. She pointed out that the characters symbolized the "true, the beautiful, the best in English culture" and the Snow Goose symbolized "the spirit of righteousness—England's righting spirit, yet loving and serving."

Following this beautifully-presented review, a tea hour was observed by the members.

## Mr. and Mrs. F. Norman Named "Church Father and Mother" By Pinkerton Baptist

In the services last Sunday, Pinkerton Baptist Church selected, by unanimous vote, Mr. Frank Norman and his wife as Church Father and Church Mother, respectively, for the year 1948-49. This courtesy was extended in recognition of the service this couple has rendered the church and community over a long period of years. Mrs. Norman, who had at the age of eleven, accepted Christ and been baptized in the Happy Bottom River, in Mississippi, moved her membership to Pinkerton soon after she moved with her husband and four children from Falls county to the Haskell county settlement, then known as Wild Horse Prairie Community. Eight years later, in 1905, Mr. Norman was converted and joined the church with his wife, while the organization was still known as the Prairie Dale Church. Since those dates, they have been members continuously, a period of over 50 years for the mother. Some time in 1911

Mr. Norman, assisted by others of the church, bought from the Pinkertons some 2 1/2 acres of land as a permanent site for the church building. Upon that site the present congregation has one building for the main audited of worship, another as educational building, and a spacious and thoroughly modern and livable pastor's home. Despite the problems that would naturally arise from pioneering in a frontier community and rearing a family of ten boys and five girls, these early members have kept their relation with the church and have contributed no small share in its growth from a struggling mission-like church that hoped to have service once a month to a widely recognized, rural church, active, progressive, and now full-time in preaching service, with a pastor on the field. Mrs. Norman said, "I have heard some good preaching there, some fine singing, some sincere praying, and some great rejoicing in the days gone by." In the church services at this place this father and mother have seen fourteen of their fifteen children make their decision for Christ, and join the church with them. "The remaining one of the fifteen still-living children made that same decision far away in Oregon," said Mrs. Norman. So the crown of their graying years has been sons and daughters who fear the Lord and strive to live nobly through faith in Him.

## Social Security Tax Returns Due October 31st

The regular quarterly social security tax returns and wage reports for the calendar quarter ending Sept. 30 are due in the office of the Collector of Internal Revenue, Dallas, Texas, by the end of October. John B. Dunlap, Collector of Internal Revenue, and Ralph T. Fisher, Manager of the Abilene social security office, announced today.

For the sake of economy in government and to simplify reporting by employers, the two agencies use the same reports to secure needed information. Both officials strongly recommend to employers that the name and account number of each new worker be copied from his social security card when he starts to work. The statement concluded that a great majority of employers have done an excellent job of reporting; the few who have not done so are now expected to comply fully with the requirements.

**Everybody in favor say—  
“Lubri-tection”!**

That's the word that brings you  
one of America's greatest motor oils —  
Phillips 66 Premium Motor Oil!

What does “Lubri-tection” mean? Brother, it means  
just exactly what it says! It means lubrication plus  
protection.

Yes, with Phillips 66 Premium Motor Oil in your  
crankcase your engine gets both lubrication and  
protection. Here's how. Phillips 66 Premium Motor Oil  
is expertly refined from high quality crude to give you  
fine basic lubrication. But that's not all it does! Cer-  
tain additives and inhibitors in this oil go to work in  
your engine to help fight against sludge, varnish, and  
other harmful deposits. Next time you need oil, ask  
for “Lubri-tection”... at the sign of the famous  
orange and black Phillips 66 shield!
