

WENT HASKELL CITIZENS TO MOVING DRAMA, THE CRIMINAL

The most thrilling play in court will be presented by the First Methodist Church next Monday, Nov. 29th. A young man, who will be placed on trial, when 24 promiscuous citizens of this city will be the widely heralded "The Trial" entitled, "THE Trial" will be presented at 7:30 p. m. of the story of a man who is influenced by a woman and a woman who is influenced by a man. The play is a moving drama, the criminal.

HAYWARD H. JOHNSON

HHS Homemaking Girls Attend Area Meeting

About twelve of the Homemaking girls of Haskell went to Graham, Texas, to the F.H.A. Area Meeting on Saturday, Nov. 6th. When they arrived they were guided through the building and then ushered into the auditorium to attend the morning session of the all-day program. The morning session was at nine o'clock. There were skits presented by different chapters and group singing led by the area group leader. The area president, Frances Holloway, welcomed the girls and a talk was given by Martha Graves, from Texas Tech College. Then the girls went to lunch. The afternoon session of the program consisted of more skits and group singing. The girls were shown some slides painted by Virginia White. It was a very educational meeting. The next will be at Whiteface.

Those attending were Margaret Dendy, Grace Robison, Mary Tyler, Joanne Melton, Frankie Robison, Lennie Ruth Sloan, Wanda Nell Greene, Yvonne Bullock, Frankie Scruggs, Jean Bowen, Nelda Vaughter, and the sponsor, Mrs. McCollum.

Haskell Teachers At State Meeting In Dallas

Haskell public schools will be represented at the annual meeting of the Texas State Teachers Association in Dallas Thursday through Saturday. Business sessions of the association are to be held in Fair Park auditorium and among the principal speakers will be Dr. Willard E. Goslin, president of the American Association of School Administrators.

A highlight of the convention will be a report by State Senator James E. Taylor of Kearns on the Gilmer-Aikins bill. This bill proposes major and drastic changes in the public school system of Texas. Attending from Haskell are Mr. and Mrs. S. H. Vaughter, Edwin B. Qualls, Mrs. Scott W. Green, Mrs. Kenneth Thornton, Mrs. Cretia Brooks and Miss Madelin Hunt.

VISITORS FROM CLEVELAND IN WILLARD WARREN HOME

Mrs. Willard Warren had with her the past week-end her mother, Mrs. M. A. Ellis, and her sister, Mrs. W. Dowell, from Cleveland, Texas.

STATEWIDE DRIVE LAUNCHED IN BEHALF GONZALEZ WARM SPRINGS FOUNDATION

Gonzales—Texans from the Rio Grande to the Panhandle this week girded for a statewide drive to strike back against poliomyelitis which thus far in 1948 has stricken more than 1,600 persons in more than 150 counties. Gov. Beauford H. Jester proclaimed the period from Thanksgiving Day to Christmas as Gonzalez Warm Springs Foundation Month as a statewide organization, headed by Dana G. Bible, University of Texas director of athletics, swung into action to secure financial support for the institution which cares for young children stricken by polio and other crippling diseases. Chairmen in key counties in Texas are assisting Mr. Bible in bringing the story of the Gonzalez Warm Springs Foundation to the people of the state, says

Loyal Demos Asked To Help Meet Party's Deficit

The election is over—we are assured of Democratic control of our country for the next four years. Truman has won in the most remarkable race of all times. Many of the larger newspapers were against him. The corporations were against him. All the "polls" were against him. In fact it appeared that everybody except the voter was against him. He fought almost singlehanded and won.

Mr. Louis Johnson, Chairman of our Democratic Finance Committee informs us that our campaign fund is now \$600,000 in the red. This is not an insurmountable sum. A few millionaires could contribute the amount very easily. But this was not the millionaire's victory. It was the "little man's" victory. Let's raise the money. Let each of us contribute. An hour of the laborer's time, a dime per bale of cotton from each farmer, a small contribution from our business and professional people will do the job. We can all share in the victory. Let's don't break the faith. Let's be true to Truman. Let's be true to our country and ourselves. Make your check payable to the Democratic Executive Committee.

Turn your money in to your precinct chairman, to your Preston Weinert, Theodore Jones, W. H. Merchant—Weinert. R. O. Caruthers, A. E. Fouts, Ed Verner—Ruler. W. S. Taylor, Ab Hutchens—Rochester. Elmo Stephens, J. A. Coats—O'Brien. Sam Hanson, J. C. Coleman, Alfred Linn—Stamford. M. D. Crow—Sargerton. W. P. Ratliff, Virgil Brown, Glenn Merchant, Clay Smith, J. P. Moeller, Wayne Perry, A. C. Schaeffer—Haskell.

Central Ward School News

The teachers are looking forth to Thursday, Thanksgiving, when they will report in the State Teachers Association which convenes in Dallas three days. We hope to represent a hundred percent. All colored teachers of West Texas are asked to vote for S. C. Clay for president of the State Teachers Association for next year, 1949. The PTA has also elected a representative to meet in the PTA department of the association, Mrs. Quaineti Lewis. The PTA is doing some nice work this year in the way of getting together in closer relation with each other. Prof. Willis visited the district association in San Angelo, which was a great meeting. The discussion was vocational guidance in school work for the present day youth. We are putting forth strenuous effort to standardize more colored schools so they may be able to meet college requirements since we are so far from meeting those requirements. I am asking the good people of Haskell to aid us in every respect to put more teaching force that we may be able to do the work that will meet the need of this city and the state of Texas.—James D. Willis, Principal.

City Marshal Eal Treadwell Spent Several Days in Junction, Texas, Last Week with Relatives and Friends.

City Marshal Eal Treadwell spent several days in Junction, Texas, last week with relatives and friends.

Niece of Haskell People Killed In Accident at Lamesa

Explosion of a natural gas line in Lamesa, Texas, last Friday afternoon resulted in the fatal injury of 11-year-old Betty Kee, daughter of Mr. and Mrs. J. D. Kee of that city and the niece of Mr. and Mrs. Alton Middleton of Haskell.

According to reports, workmen were engaged in cleaning the gas main, and built-up pressure in the line hurried a small metal device several hundred feet from the point where the explosion occurred, the metal striking the little girl in the head while she was playing in the yard of her parents home. The accident occurred about 5 p. m. Friday, and the child died four hours later in a Lamesa hospital.

Mr. and Mrs. Middleton went to Lamesa Saturday, and attended funeral services of their niece, held at 3 p. m. Sunday at the Missionary Baptist Church in Lamesa. The accident victim is survived by her parents and a sister, Shirley, age 13.

Kiddie Land Shop Will Open Here Dec. 1st

Specializing in smartly fashioned clothing for infants and small children, opening of the "Kiddie Land" Shop in this city has been announced for Wednesday, December 1, by Mrs. Doris Burson, owner.

The new shop will be located upstairs in the West Side Barber Shop, in the space formerly occupied by Kirkpatrick Beauty Shop, and Mrs. Burson invites mothers of Haskell to visit the establishment and inspect the many items featured for babies and children's wear.

Lloyd Kennedy Is Picked for Role of ACC's Lil' Abner

Abilene, Tex.—James Lloyd Kennedy, son of Mr. and Mrs. James W. Kennedy, 300 N. 14th, Haskell, was selected as the typical Lil' Abner of Abilene Christian College at the Sadie Hawkins Day party Thursday, Nov. 11th. Lloyd is a junior business administration major.

VISITING IN YOAKUM

Mr. and Mrs. Charlie Redwine and children and Mrs. S. J. Redwine are in Yoakum visiting their sister and daughter, Mr. and Mrs. Odie Bland and family.

Baptist Workers Will Meet Nov. 30 At Goree Church

Regular monthly meeting of the Baptist Workers Conference will be held at the Goree Baptist Church, Tuesday, Nov. 30, in an all-day session.

General theme will be "Baptist and World Missions" and the following program has been arranged:

- 10:00 a. m.—Song Service, directed by W. H. Rowan.
- 10:20 a. m.—Missions in the Plan of God—Rev. Huron Polnac.
- 10:50 a. m.—Missions in the Need of Nations—Rev. R. G. Hartcock.
- 11:20 a. m.—Announcements & Prayer, Special music by Goree Church.
- 11:30 a. m.—Sermon—Rev. W. T. Priddy.
- 12:10 p. m.—Lunch.
- 1:00 p. m.—Board meetings.
- 1:45 p. m.—Song Service.
- 2:00 p. m.—Missions in the Growth and Development of a Church—Rev. Cecil Meadow.
- 2:30 p. m.—Inspirational address, Missions As An Inspiration To Service—Rev. Houston Walker.

Baptist WMU Will Observe Week of Prayer

Monday afternoon, Nov. 29th, at 2:30, the Women's Missionary Union of the First Baptist Church will begin the annual Lottie Moon Week of Prayer. A program will be given each afternoon of the week, Monday through Friday, except Wednesday. The program for that day will be given in the evening at 7 o'clock and will be presided over by the Young People's Organizations of the Church. Everyone has a cordial invitation to attend all of these programs.

J. E. Walling Jr., Attending Meet of Butane Dealers

J. E. Walling, Jr., local petroleum and butane dealer and president of the Texas Butane Dealers Association is in Austin this week attending a meeting of the Emergency Fuel Commission.

RETURN TO HOME IN DALLAS

Mr. and Mrs. James E. Turner of Dallas returned to their home after being called to Haskell on account of the illness of Mrs. Turner's sister-in-law, Mrs. Willard Warren.

Saturday Night Crowds Thrown Into Panic As Mexican Youth Goes On Shooting Rampage

John Deere Dealer Plans to Entertain Farmers, Families

Gilmore Implement Company of this city, dealers for John Deere tractors and farm equipment, have announced a free John Deere Day entertainment and educational program for farmers and their families on Tuesday, Nov. 30th. The program will include lunch for farmers and their families, to be served at Gilmore Implement Co. Store from 11 a. m. to 1 p. m., Tuesday, followed by a full program of film entertainment at the Rita Theatre. Billie Burke and Don Wilson, popular movie and radio stars, head the all-Hollywood cast in "The Sugar Plum Tree," the feature picture to be shown. The headline film is a rollicking comedy about two young people who have never been on a farm, and what they do when they receive one as a gift. In addition to "The Sugar Plum Tree," several other new, all-talking picture will be shown. They include "A New Day Dawns for Cotton Growers"—an educational picture on cotton, "Guardians of the Harvest"—a full-color film of combines in action in various crops throughout the country, "Greener Pastures" is an educational picture on pasture care and renovation. "Early Does It"—a snappy picture with tips on timely care of farm machinery. "Big Operations in the Wheat Country"—a "round-the-season" picture on modern equipment and practices in the big grain-growing sections—and "Gateway to Bigger Feeding Profits"—a movie every feeder and dairy man will want to see. The entire program, including lunch, will be free to all farmers and their families.

New Model M-M Tractor on Display In Haskell

A new model of one of its tractors will make its first appearance in November, Minneapolis-Moline Power Implement Company just announced. The new tractor known as the Model Z is the one with sufficient power for use generally with two or three bottom plows. One of these new tractors will be on display at Hallie E. Chapman Implement Co., during the week of Nov. 26, 27, 29. This new tractor is said to have 10 per cent more power than the former model, a new appearance, larger rear tires, and many new engineering refinements. Uni-Matic Power for hydraulic control of mounted and pull-behind implements, available as optional equipment, is also one of its outstanding new features. Four different types of this model featuring front-end styles company. These are the ZAU or the universal type with two front wheels built close together; the ZAN with a single front wheel for narrow row crops; the ZAE with adjustable front-end axle for extension of the tread from 56 to 84 inches; and the ZAS with a front wheel tread of 48 inches and a rear wheel tread of 54 inches. In addition to its increased power and new appearance, the new tractor is said to feature such improvements as the following: larger rear tires; forward speeds of 2.4, 3.6, 4.6, 6.3, 13.1, and a reverse 2.2 mph; new steering wheel which is easier to operate and is adjustable for height; an engine with greater displacement, with high compression combustion chambers, and with three-bearing crankshaft. Numerous tests of this tractor were held under various conditions, and officials and engineers of the company expressed themselves as elated over its performance.

Father of Mrs. L. P. Williams Buried At Bangs, Tex.

Funeral services were held Nov. 13th at Bangs, Texas, for C. E. Scott, father of Mrs. L. P. Williams of Abilene, a former resident of Haskell. Mr. Scott had been a frequent visitor in this city in recent years. Death of Mr. Scott, who was recovering at his home after a week's illness in a Brownwood hospital, was attributed to an acute heart attack. A retired farmer, Mr. Scott is survived by his wife, two sons, Chas. H. Scott of Levelland, Texas, and Clifton Scott of Pomona, Calif.; three daughters, Mrs. L. P. Williams of Abilene, Mrs. Cleo Brinkley of Eastland, Texas; and eleven grandchildren and one great grandchild.

Legion Post Will Sponsor Dance Friday Night

The local post of the American Legion will sponsor the first dance of the holiday season in this city Friday night, Nov. 26th at the Legion Hall. The dance will begin at 8:30 p. m. Music will be furnished by The Dark Rhythm Boys from Sweetwater. Everyone is invited.

HASKELL MERCHANTS ATTEND SHOE MARKET

Among the Haskell merchants who attended the shoe market in Dallas this week-end were: Mrs. Hallie Chapman and Mrs. Joe Thompson of the Booterie; Mr. and Mrs. E. R. Clifton and Mrs. Marvin Mann from the Clifton Shoe Store; and Mr. and Mrs. Robert Wheatley from Wheatley's Store.

Delegate From South Ward PTA Attends State Convention In El Paso Nov. 17-19

Mrs. Curtis Pennington, president of South Ward P-T-A, attended the State Convention of Parent-Teachers held in El Paso Nov. 17-19. Mrs. Pennington was the only delegate from Haskell county, and was with a group of thirty-nine women from the 13th District, the party going to El Paso in a chartered bus. Mrs. Dorothy Shackelford of Wichita Falls, president of the 13th District, was elected to the office of State Vice-President of Region 7. The 13th District, which includes Haskell, was the only district in the state giving National Membership at the state convention. Theme of the convention was "On the Highway of Tomorrow." Main speakers during the three day session included Mrs. J. H. Moore, of Deport, Texas, who spoke Wednesday afternoon, and in her inspiring talk stressed the convention theme. Wednesday evening, Mrs. C. C. Clark of Natchez, Miss., national vice president, addressed the gathering on "Opportunities Unlimited." Also a demonstration and discussion on Audio-Visual Education was given by Frank

Prompt Diagnosis Needed to Control Spread of Disease

In a statement on controlling communicable diseases issued by the Texas State Department of Health, Dr. Geo. W. Cox, State Health Officer, states that if every case of suspected communicable disease were seen promptly by the family physician and definitely diagnosed, thousands of susceptible persons would be protected from these disabling diseases. The theory that it is a good thing for children to have these catching childhood diseases and get them over with, has long since been proven an error which may actually endanger a child's life, Dr. Cox says. The longer he can avoid having these diseases, the better it is for him. Every child should be protected by immunization against all diseases where an immunity can be established. Prompt diagnosis, isolation and good medical care give the patient the best chance for a satisfactory recovery without the serious complications that sometimes accompany even the milder forms of communicable diseases. Dr. Cox emphasized that obeying the public health laws regarding isolation and quarantine protects not only the patient, but helps to prevent the spread of the disease to other persons. The State Health Department, Dr. Cox said, does everything within its power to protect the health of the people of Texas, but the cooperation of every individual in protecting his own health and that of his community will do more than anything else to successfully check the spread of communicable diseases among our people.

F. L. PEAVY IN DALLAS HOSPITAL

F. L. Peavy, local building contractor, is a patient in Medical Arts Hospital in Dallas, where he underwent major surgery more than two weeks ago. His many friends are wishing for him a speedy recovery.

TO SPEND THANKSGIVING HERE

Mr. and Mrs. M. H. Young will have the following guests in their home Thanksgiving: L. L. Koonce of Wichita Falls, Texas, and his daughter, Mr. and Mrs. J. C. Ralston of Iowa Park, Texas.

Thirty Million Americans Are Going to Church This Week

This week thirty million Americans will attend services of the Churches of the nation. Each in his own way will be showing his faith in God, the same faith on which our forefathers founded this nation. All of us need that faith. It can give us the strength and purpose necessary for these times. Without faith, hope is lost; with it, we can find peace and happiness. Go to Church this Sabbath! Join the thirty million Americans who will be expressing their faith in God! And support your Church liberally.

THE MM "Z" IS WORK CONDITIONED

Power styling the new Minneapolis-Moline "Z" for more work made a complete "face lifting" necessary to show an all new model. This new look outside symbolizes a new look inside. A larger engine of improved design—"Revacycle" transmission gears and a higher speed range. A more efficient cooling system and improved steering have revitalized and work conditioned the "Z" for high performance. General design features include:

- 31 h.p. on drawbar and 36 h.p. on belt at 1500 R.P.M.
- Balanced crankshaft with 3 main bearings.
- "Tri-metal" connecting rod bearings.
- New pressure oiling system.
- Increased cooling fan size and tapered roller bearing mounting.
- Dust sealed distributor, voltage regulator and combination ignition switch.
- Wobble stick gear shift lever.
- 5 speed transmission—2.4, 3.6, 4.6, 6.3, 13.1 and reverse 2.2 M.P.H.
- "Revacycle" differential gear.
- MM hardened sector type steering.
- Front tire size 5.50x16, rear tire size 11-38.

We invite you to see us for complete facts on all 4 "Z" models and MM Uni-matic tool control.

Win Texas 4-H State Championships

Texas' 4-H State winners in the 1948 Dress Revue, Food Preparation, Girls' Record and Home Improvement programs, who each received an all-expense trip to the 27th National 4-H Club Congress in Chicago, and brief outlines of their records follow:

In recognition of what she has learned in 4-H Club work about all phases of homemaking, Lois Wilson, 16, of Morton, has been named State winner in the 1948 National 4-H Girls' Record program. She helped raise 1,250 fowl and sell eggs, and canned 2,022 quarts of fruit and vegetables from the family garden. To beautify her home she repaired the fence, cared for the lawn and planted flowers. Lois makes all her own clothes. She has served her club as secretary, president, and is future leader. Lois has been awarded an all-expense trip to the National 4-H Club Congress, Chicago, provided by Montgomery Ward.

Lois Wilson Shirley Moore

If you visited her home in Moore, you would readily see why Shirley Moore, 15, has been named State winner in the 1948 National 4-H Home Improvement program. Shirley has remodeled a narrow clothes closet into a linen closet, put new linoleum on the floor, varnished and covered a rocking chair, and sawed the posts off her bed to make it Hollywood style. Shirley helped upholster a studio couch and chairs for the living room. She also helped in painting the bathroom and kitchen. In recognition of her achievements, The Sears-Roebuck Foundation is providing Shirley with an all-expense trip to the National 4-H Club Congress, Chicago.

Dona Hendry Jolene Campbell

Preparing tasty, nutritious home meals is an art well mastered by Dona Hendry, 16, Blackwell, who has been named State winner in the 1948 National 4-H Food Preparation program. Donna has prepared and served 4,889 meals and 2,217 separate dishes during her eight years as a 4-H member. She has also completed 63 projects, canned 2,845 quarts of food, raised 1,330 chickens, and 57 hogs, calves, and sheep. She has held every office in her club and was also county president. She is now an assistant leader. The income from her 4-H projects amounts to \$4,566. As a recognition of her 4-H achievements, Donna was awarded

an all-expense trip to the National 4-H Club Congress, Chicago, provided by Serval, Inc. For the skill and knowledge shown in the planning, selecting, constructing and assembling a wool dress with a topper which won first place in the state 1948 4-H Dress Revue, Jolene Campbell, 16, of Colorado City won a trip to the National 4-H Club Congress, Chicago. Her winning outfit is a winter green wool one-piece dress. For her topper she chose a plaid which repeats this winter-green with red and off white. It is double breasted with self-covered buttons and features a flaring back. Her accessories include a green cloth bag trimmed in gold, gold colored gloves, a brown felt hat and brown calf shoes. The cost of her complete outfit was \$31.00 including all accessories. State winners who participate in the National 4-H Club Revue at Chicago will each receive a \$25.00 U. S. Savings Bond from Simplicity Pattern Company, which also provided the National Club Congress trips.

All of these activities are conducted under the direction of the Extension Service of the State Agricultural College and USDA cooperating.

It is highly important for dairy calves to get plenty of good roughage early in life. They need iron that is in it.

Can Black-Draught Help an Upset Stomach?

Yes! Black-Draught may help an upset stomach if the only reason you have an upset stomach is because of constipation. Black-Draught, the friendly laxative, is usually prompt and thorough when taken as directed. It costs only a penny or less a dose. That's why it has been a best-seller with four generations. If you are troubled with such symptoms as loss of appetite, headache, upset stomach, flatulence, physical fatigue, sleeplessness, mental distress, bad breath—and if these symptoms are due only to constipation—then see what Black-Draught may do for you. Get a package today.

Outlook Brighter for Turkey Raisers, Agent Declares

Things look better this year for turkey growers. The turkey situation at present is putting turkey raisers in Texas in a slightly better place than they were last year at this time.

This is the year turkey producers get a fair price for the birds. And this year the feed costs were a little less than last, says County Agent F. W. Martin.

There were fewer turkeys produced this year than were last, and this year's turkey crop is better quality stock because of better breeding, feeding and general management.

Turkey producers should make their plans now for next season because the turkey hatcheries can do a better job of planning if they can check on the number of advance bookings. Chicken hatcheries like very much to have early bookings, and the turkey hatcheries are no different, says Martin.

Quite a number of high quality turkey eggs are shipped out of Texas, and the turkey growers have to compete against them at marketing time. So it is a good idea to book the turkey poulters early in order to get the best quality birds.

Martin says to make your deal with the hatcheryman early, even though you do not plan on getting your poulters until later in the season. It will pay to check now to be sure of your poulters when you want them. And, while you are getting poulters, get the best. Buy them from producers that have high quality birds free from disease.

Poulters from flocks that have not been tested for pullorum disease are more apt to die than the ones tested. Here are several points to look for in parent stock when selecting poulters: be sure the parent stock has been selected for quick maturity, fast feathering, and good washing.

In other words, says Martin, a bird with lots of meat will make for a better turkey industry in Texas.

So start planning now for next season's turkey production.

Plenty of turkeys to meet the holiday demand are predicted by USDA poultry marketing specialists, even though turkey production is 10 per cent lower this year than last.

Beware Coughs From Common Colds That HANG ON

Creomulsion relieves promptly because it goes right to the seat of the trouble to help loosen and expel germ laden phlegm and aid nature to soothe and heal raw, tender, inflamed bronchial mucous membranes. Tell your druggist to sell you a bottle of Creomulsion with the understanding you must like the way it quickly allays the cough or you are to have your money back. **CREOMULSION** for Coughs, Chest Colds, Bronchitis

Storing Will Pecans For Round Use

they are canned, the shell, pecans go cold evenings by the cold, you intend to do not wait too long. This information from Miss Louise Newman, Home Demonstration Agent, is as follows: Pecans should be stored in a home freezer or a commercial locker. No heating is necessary when freezing pecans. If you are canning pecans, they should be shelled, sorted, and cleaned of all the little bits of shell. Put pecans in a slow oven for pre-heating treatment, but make sure they do not scorch. When done, pack the pecans to within an inch of the top of hot, dry jars, and drop in a piece of crumpled parchment paper to absorb the moisture. Semi-seal the jars and put them in a pressure cooker. Adjust the lid and clamp. Leave the pet-cock open for 7 minutes, or until you see the steam coming out. Close the cooker lid and raise the pressure to five pounds. Release it immediately to bring out the moisture, and, at the same time, create a vacuum inside the jar. Take the jars out of the pressure cooker and complete the sealing job. Wipe them dry and allow to cool before storing them on the pantry shelf. Now they are ready for eating. If you'd rather leave the pecans in the shell, better store them below 32 degrees F.—and they will last as long as a year. Whether frozen, canned or stored in the shell, says Miss Newman, they'll taste mighty good these cold winter evenings or next spring.

For best results, store them before January.

Freshly shelled pecans may be packaged in cellophane bags, tin cans, freezer jars, or heavily waxed cartons. Seal the container and store at 0 degrees F. in a home freezer or a commercial locker. No heating is necessary when freezing pecans.

If you are canning pecans, they should be shelled, sorted, and cleaned of all the little bits of shell. Put pecans in a slow oven for pre-heating treatment, but make sure they do not scorch. When done, pack the pecans to within an inch of the top of hot, dry jars, and drop in a piece of crumpled parchment paper to absorb the moisture.

Take the jars out of the pressure cooker and complete the sealing job. Wipe them dry and allow to cool before storing them on the pantry shelf. Now they are ready for eating.

If you'd rather leave the pecans in the shell, better store them below 32 degrees F.—and they will last as long as a year. Whether frozen, canned or stored in the shell, says Miss Newman, they'll taste mighty good these cold winter evenings or next spring.

DRILL FOR SCENIC HIGHWAY

Drilling for oil and other minerals is an old story but it remains for New Hampshire to drill for dollars. Not that dollars will be found but the state hopes to attract tourists with a new scenic highway and from the visitors will come the money.

Cutting through the rugged hillsides calls for leveling and grading operations through solid rock and drilling is necessary. R. G. Watkins & Sons, Inc., contractors on the job, called engineers of the Timken Roller Bearing Company and found the right answer to the rock drilling problem. Using 5 pneumatic hammers and 3 wagon-drills equipped with Timken Rock Bits enabled the job to go ahead smoothly.

When the new highway is finished and the motoring tourists come rolling along the drilling for dollars will pay off.

Dim Lights in Home Can Be Improved, Agent Says

If the light from lamps seem dim these longer evenings look them over with the idea of getting better reflection, advises Miss Louise Newman, Haskell County Home Demonstration Agent.

For example, dark colors absorb light, and so a lamp shade which is dark inside actually wastes light, she points out. A white paper lining, or a coat of white paint, or even white shoe polish on the inside may double or treble the light given off.

The shape of the shade counts, too, Miss Newman says. Wide, flaring shades give off more

light than narrow shades with straight sides.

If you are planning on buying lamps, take into consideration the size of the shade and the height of the lamp. Table lamps need shades 14 to 16 inches across the bottom, and large floor lamps need shades 18 to 20 inches across the bottom.

A short floor lamp is usually better than a tall one. A lamp about 45 inches from the floor to the bottom of the shade is usually better than a tall one,

because the source is nearer the book or other place where ample light is needed.

A table lamp, used on a desk or readingtable, is best when

about 15 inches from table to the bottom of the shade, Miss Newman concludes. If it is taller the white lining of the shade may cause a glare in the eyes.

LOST STREET FOUND

Culver City, Cal.—When residents suggested that it would be nice for their street to be paved, an older resident on the avenue remembered that it had been paved, once, back about 1921. Workers sent out by city officials dug around and, two and a half feet down, they hit pavement, a little worse for wear, but there. Rain water had flooded the area so often that residents tired of shoveling silt off the street after each storm and let the street disappear underground.

VICTIM TAKES DOG TO HOSPITAL

Buffalo, N. Y.—Out walking her dog, Mrs. Julia Romaine, 75 was struck by an auto. She refused to be hospitalized unless her dog, a cocker spaniel, Rex, be allowed to accompany her. She suffered a dislocation and probable fracture of the left hip, contusions of the face and body. Authorities allowed the dog to go with her.

A "RITZY" CRASH

Rochester, N. Y.—Mr. and Mrs. Harold J. Ritz met at an intersection one night recently—in separate autos. A car driven by Ritz collided and both drivers were injured.

NEWS OF INTEREST TO WOMEN

Mr. and Mrs. Paul Russell Observe 25th Anniversary Ozella Stough and Joe Larned, Jr., Wed In Rites Read In Port Arthur

Mr. and Mrs. Paul Russell of Rochester were complimented with a dinner in the home of their daughter, Mrs. H. C. Sanderson and Mr. Sanderson, 142 Mockingbird Blvd., Abilene, Sunday, Nov. 14th, in the honor of their Silver Wedding Anniversary. A beautiful white cake decorated with a miniature bride and groom and candles were decorations. Flowers were orange mums and roses.

Those enjoying this delightful occasion were Kenneth, Betty Ruth and Barbara Ann Russell of Rochester; Miss Myrtle Russell of Abilene; Mr. and Mrs. Claude Russell and son, Lynn Harold, of Merkel; Sharon Ruth Sanderson, Mrs. Naomi Keener, Mrs. Mildred Gower, of Weinert; and Mr. and Mrs. Milton Gilbreth and son, Jerry, of Abilene.

Family Reunion Is Held In Grimsley Home at Weinert

Mr. and Mrs. W. H. Grimsley of Weinert were hosts for a family reunion in their home Sunday Nov. 21. Those present were Mrs. Grimsley's mother, two sisters and a brother, Mrs. Easter Hasteley and Joe Wayne of Lubbock, Mr. and Mrs. Claude Harrison and children of Lubbock, Mr. and Mrs. Charles Blanchard, Jr., of Morton. Each one enjoyed the dinner. Mrs. Hasteley is spending a couple of weeks at Weinert with relatives and friends.

Use Free Press Want Ads. Abilene and Mr. J. Gower of Wichita Falls.

MRS. JOE LARNED, JR.

Ozella Stough, daughter of Mr. and Mrs. S. F. Stough of Banks, Ark., and Joe Larned, Jr., son of Mr. and Mrs. Joe Larned, Sr., of Haskell, were married in a double ring ceremony at Methodist Temple in Port Arthur, Texas, with Rev. Stewart Clendening officiating.

The bride was attired in a beige suit, with which she wore chocolate brown accessories and a brown orchid.

The bride's sister, Mrs. T. E. Sharp, was her sole attendant and her brother, M. D. Stough, acted as best man.

Mrs. Larned was graduated from Banks High School and attended Conway Business College. She is employed at the First National Bank.

The bridegroom is a graduate of Haskell High School and of Landing College of Mortuary Science. He is now employed at the Clayton-Thompson Funeral Home.

A reception was given in their honor in the home of Mrs. J. M. Fox. After a short wedding trip the couple will make their home at 1249 9th St., Port Arthur, Texas.

VISITORS IN HASKELL

Mr. and Mrs. Ed Noret of Lamesa were visitors in the home of Mr. and Mrs. Alton Middleton this week.

Light around the house may often seem dim at this time of the year when the evenings are longer. The light from lamps can be increased simply by arranging for more and better reflection.

Jimmy Sue Phillips, 10, of Houston, a patient at Gonzales Warm Springs Foundation, visited Governor Beauford H. Jester's office as the chief executive signed a proclamation designating the period from Thanksgiving to Christmas as "Gonzales Warm Springs Month."

Cultural center of Texas Christian University will be the new Fine Arts Building and Auditorium, now under construction, shown above in architect's sketch form. Scheduled for completion by the opening of the 1949 fall term, the structure is the largest single project in T.C.U.'s \$10,000,000 Total Building Program. The structure, which will cost an estimated \$1,500,000, will actually be three buildings in one, including an Auditorium seating more than 1250 persons, occupying the center portion of the building, School of Fine Arts offices, classrooms and practice rooms, built around the outside of the Auditorium; and a Little Theater, seating 224, for campus dramatic productions. Main entrance to the building is shown at left above, with a foyer leading directly into the Auditorium. Entrance to the Little Theater can be seen at the extreme right.

Naomi Bible Class Honors Husbands With Banquet

The Thanksgiving Banquet honoring the husbands of the Naomi Bible Class members of the First Baptist Church was given last Tuesday night, November 16, in the annex of the church for 74 guests.

The center piece for the "V" shaped dinner table was a horn of plenty with fruits, nuts and vegetables, with autumn leaves, very attractively arranged. Different colors of chrysanthemums, greenery and autumn leaves were used for other decorations.

Mrs. H. R. Whitley, class teacher, was toastmistress, and very clever and a good entertainer. Mr. A. C. Pierson was guest speaker. His talk was on "Victory."

A ladies quartet, composed of Mesdames Walter Rogers, Claude Ashley, Jesse Josselet and Tom Holland, sang, "Wonderful Story of Love," with Mrs. Leon Robertson accompanist on the piano.

Mrs. Whitley read a poem on Thanksgiving, followed by a male quartet, composed of Hubert Blodcoe, Leon Robertson, John Fouts, and Hubert Sego, singing, "Kneel at the Cross," with Mrs. Robertson accompanist.

Piano selections were played by Mrs. A. C. Pierson. Group singing was furnished by different leaders with Mrs. Pierson and Mrs. Robertson accompanist.

This chart shows the amount of liquefied petroleum gas average Texas domestic consumers use each month of the year. Consumption in December will be almost twice November's, if the

USE OF BUTANE, PROPANE GAS DUE TO SOAR IN DECEMBER, SURVEY INDICATES

Texas domestic users of liquefied petroleum gas (butane and propane) will burn nearly twice as much gas next month as in November, according to a study of LPG consumption published by the Texas Mid-Continent Oil and Gas Association.

The study of gallons consumed per customer showed that the average householder uses about 25 or 30 gallons of LPG a month in the summer and about five times that amount in the worst winter months.

The pattern of LPG consumption for the individual user takes its largest jump in December from comparatively mild November. January and February are the peak months as a rule.

The wide variation in domestic demand can be keyed to the tremendous Texas production only through adequate storage, said the report published in Texas Oil and Gas, 1948.

The report quoted Railroad Commissioner W. J. Murray who, along with producers and butane dealers, has urged installation of more storage facilities.

Texas LPG production is approximately two million gallons a day, according to the June, 1948, report of the U. S. Bureau of Mines. This large production reflects the construction of more natural gasoline plants which are utilizing more and more of the

state's casinghead gas production, the report said. For the plants to operate on an economical basis they must produce the year-round and consequently must dispose of LPG on year-round contracts, the report stated.

Some chemical and industrial users of LPG in Texas set aside their demands last winter so Texas homeowners could get LPG during the cold crisis, the report said. Commissioner Murray has pointed out that this was done at considerable sacrifice.

The report quoted a study by the Natural Gasoline Association of America which showed about 55 per cent of LPG is used for domestic consumption, 23 per cent for the chemical industries; 16 per cent for industrial use and 7 per cent of enriching gas in utility lines. A study in 1947 showed that Texas produced about 43 per cent of the nation's LPG.

Here is what 80,000 4-H clubs over the nation did this past year: They raised 80,000 acres of garden crops, 8 million chickens, canned 19 million quarts of food, and made 2 million garments. That is a year's work well done.

Thanksgiving For Two

Two can celebrate the Thanksgiving feast just as well as ten or twenty-two. It's not the number present; it's the spirit of thankfulness for blessings received that really counts. Plan your twosome Thanksgiving in the traditional manner right down to the last pickle fork. Your finest linen, china and silver are a must at this festive feast. A centerpiece of fruit and antique dishes filled with cranberry sauce, spiced pears and other seasonal relishes serves two purposes—it's colorful and you eat the relishes during dinner, the fruit after dinner. Begin with individual casseroles of crab bisque or onion soup. An entree of chicken, duck or quarter-turkey plus all the trimmings comes next. Finish the meal with herbets in the modern manner, then revert to the old tradition and have snippets of cheese to accompany the fruit and black coffee.

Interior Modes... by Reno

Satiny smooth green lacquer, as richly dark as the luxuriant foliage of the traditional Christmas tree, is a fine foil for the sturdy-ridged texture weave carpeting in medium grey. The looped pile is built to withstand hard wear from medium.

Rochester Couple Observe 65th Wedding Date

Mr. and Mrs. W. L. Ray, pioneer farm couple of Haskell county, celebrated their 65th wedding anniversary in their home in Rochester Sunday, Nov. 21.

The occasion was celebrated with all the children of the couple as hosts at open house when friends of the couple were callers throughout the day. The Rays have lived in the Rochester area for 42 years, settling on a farm in the nearby Jud community in 1906, and living on the same place for 37 years. Mr. Ray retired from farming at the age of 81 and with his wife moved to Rochester where they now live in their own home.

Mr. Ray was born in Clay county, Alabama, November 12, 1861 and Mrs. Ray was born in Dalton, Georgia on July 20, 1867. They were married on November 22, 1883 in Ashland, Alabama. The couple moved to Texas in 1892, settling in Bell county where they lived for a short time before moving to Gladewater in 1906, and then moving to the Jud community.

Members of the Methodist church, they have been active in church and community development over many years until moving from the farm in 1943. Mrs. Ray, a semi-invalid who requires the use of a wheel chair since 1946, is a cheerful person and enjoys her home life. Mr. Ray has as his hobby gardening and radio. News is his most popular program and he seldom misses the opportunity to tune in on these broadcasts.

The couple never fail to vote, although it was necessary this year for a ballot to be brought to their home. Mr. Ray recounts that he has lived through three major wars, and has seen several devastating droughts. He likes to discuss the changes that have occurred in farming methods in this section.

TOO MANY SNAKES

Winston Salem, N. C.—Fred J. Snow, contractor, climber down into a deep, dry cesspool to do some work. On the bottom, he suddenly saw a copperhead crawl between his feet. He smashed it with his trowel. Straightening up, he saw four more of the snakes advancing toward him. Unable to get out, Snow killed three crawlers in rapid succession. The fourth lunged at him from the wall, but he slapped it down with his trowel and killed it, too. Then, he left the pit, his work unfinished.

Since his moving here, he also recalls the building of the Orient railroad through the northwestern section of Haskell county.

The 50th wedding anniversary of the couple was held in their farm home in the Jud community and the 60th in the home of a daughter, Mrs. A. F. West of Rule.

The Rays have five children, two daughters and three sons. They are: Mrs. L. C. Burk of Seymour, Mrs. A. F. West of Rule, E. L. of Rochester, D. Y. of Afton and C. E. Ray of Casper, Missouri. They have twelve grandchildren and one great-grandchild.

At home in the southwestern section of Rochester, the couple enjoy their comfortable surroundings and many of their hosts of friends are constant callers in the hospitable home.

Picking "his" gift is a snap

The tiny Snap Brim in the little hat box and the Dobbs Invitation Gift Certificate add up to bigger and better Christmas gifts. He'll get a kick out of the miniature and a bigger thrill when he exchanges the Certificate for the Dobbs hat of his choice.

training must be started within four years after discharge or by July 25, 1951, whichever is later. As a general rule, education or training must be completed not later than July 25, 1956. The exceptions from the general rule are veterans who enlisted or reenlisted before Oct. 6, 1946. These men figure deadlines on GI Bill benefits from the date of their discharges and may start and complete their training later than other veterans.

Veterans may apply for guarantee or insured GI loan for the use of buying or building homes, farms or business up until July 25, 1957.

Veterans who were discharged on or before July 25, 1947, can apply for readjustment allowances until two years after their date of discharge. However, no readjustment allowances are payable after July 25, 1952.

There is no deadline on the time a veteran has to apply for medical care or hospitalization. He may do this any time during his life. The same holds true for filing a claim for disability compensation or pension.

Private dentists handled 96 percent of the treatments completed during the past fiscal year ending June 30, 1948, under the federal program to treat eligible veterans for service-connected dental conditions, VA reports.

More than 600,000 cases were treated by private dentists under the "home town" dental pro-

Vic Vet says

PROTECT YOUR NATIONAL SERVICE LIFE INSURANCE - MAIL PREMIUMS PROMPTLY

gram and about 53,000 in VA clinics. Private dentists examined 120,000 veterans and VA staff dentists 280,000.

Questions and Answers

Q.—My brother, a World War II veteran, made valid application for an automobile under Public Law 663, 79th Congress, but he died before delivery of the car could be made. May it now be paid by the VA and delivered to his estate?

A.—No. Payment for the car by VA is contingent upon its delivery to the veteran.

Q.—I received a leg injury in an auto accident recently which requires out-patient treatment. Will VA furnish the required treatment?

A.—Out-patient treatment is available only for service-connected disabilities.

Q.—I assigned my armed forces leave bond to pay premiums in advance on my National Service Life Insurance, but I need funds at this time. May I withdraw all or part of it?

A.—Yes. Upon written request of the insured, all or part of the unearned premium may be refunded.

Q.—I wrecked my auto which was furnished by VA under provisions of Public Law 663, 79th Congress. Will VA give me another car to replace it?

A.—No. There is no provision under the law to provide more than one automobile to an eligible veteran.

HASKELL COUNTY HISTORY

Brief Items Taken from Old Copies of The Free Press

20 Years Ago—Nov. 29, 1928

Manager C. A. Dulaney of the Haskell Electric Gin reports the shipment of 250 bales of cotton in one consignment last Saturday, from his gin to a Houston broker.

Dr. L. F. Taylor, J. W. Gholson and T. A. Pinkerton have returned from a successful deer hunt in Kimble county. The Haskell men bagged five deer, which they brought back with them. They were hunting with a group of 11 men, and the entire party killed 18 deer.

Among the appointments made at the Methodist Conference held in Lubbock, was the transfer of Rev. W. B. Vaughn, pastor here the past two years, to Spur. He will be succeeded here by Rev. E. Gaston Foote.

A box supper was held at Rose Chapel schoolhouse Friday night, which netted total proceeds of \$50.24 to be used for playground equipment at the school. Miss Lillie Cloer was judged the most popular girl, and Fred Kendrick the most popular boy, in voting held in connection with the sale of boxes.

There were 24,169 bales of cotton ginned in Haskell county prior to Nov. 1, 1928, as compared to 35,005 bales ginned from last year's crop on that date.

H. M. Smith and Sam A. Roberts returned Tuesday night from Mason county where they spent the past week hunting deer. No statement is forthcoming from either of them, other than that emphasis should be placed on the fact that they were "hunting."

Mrs. B. M. Whiteker has returned from a visit in Waco with her sister, Mrs. T. E. Bowman, and a niece, Mrs. Pearl Clark. She was joined there by her daughters, Marjorie, who is teaching, and Mary Emma, a student in Baylor Belton.

The Haskell Indians and Roby Lions played a scoreless tie last Friday, when the locals journeyed to Roby for their next to the last game of the season. In the line-up for Haskell were Reynolds, center; Gilstrap, rg; Sanders, lg; Whiteker, rt; Short, lt; Pippin, re; Ratliff, le; Smith, rh; Kimbrough, fb; Pitman, lb; English, qb.

30 Years Ago—Nov. 30, 1918

A record breaking snow for November fell here this week, with the total estimated between 8 and 10 inches. The snowfall was preceded by a cold drizzling rain which began falling on Sunday afternoon, later turning into sleet and snow, which continued to fall Monday and Tuesday. Oldtimers believe this to be the heaviest snowfall ever recorded here in the month of November. Heavy snows or good rains have been reported over all sections of West Texas.

R. V. Robertson returned Wednesday from Houston where he

attended a meeting of district and county food administrators. He reports good rains all the way from Houston to this city.

An aeroplane from Call Field, Wichita Falls, was here for a short while Sunday afternoon. The plane was in charge of a Lieutenant and an Aviation Cadet from Call Field. They were enroute to Hamlin, where the plane which passed over this city Saturday had been forced down by engine trouble.

Mrs. J. U. Fields, who was under treatment in a Fort Worth hospital for influenza, has developed pneumonia, according to a telegram received Wednesday by Mr. Fields, who left on the evening train for that place. Curran Hunt of Greenville is in the city this week on business. Dick Nolen has resumed management of Dick's Theatre in this city after an absence of a year in military service. He announces the theatre will be opened Monday and show nightly, with the program changed three times each week.

Mr. and Mrs. J. A. McKee left Wednesday night for Los Angeles, Calif., to be at the bedside of their daughter, Mrs. Clark Dennington, who is very ill.

50 Years Ago—Nov. 26, 1898

The Commissioners Court has authorized the County Judge to have the seats in the district courtroom of the court house repaired, and also approved the proposal of N. C. Smith to wind the court house clock once a week and keep same cleaned and in running order for \$70 a year, payable quarterly.

W. A. Trice and family left this week for Fannin county where they plan to make their home. Mr. Trice said that he was not "out" with this country at all, that if he was a younger man he would remain, but in his advancing years he wanted to be near his sons.

Rev. W. S. Rogers preached an interesting and instructive sermon at the Baptist Church on Thanksgiving Day to a large and appreciative audience. Pupils of the public schools attended in a body.

J. L. Jones had a pair of turkeys who evidently held Thanksgiving Day in great dread, as a day or two before its arrival they committed suicide in a tank of water.

A fair sized blizzard came down on this section Sunday night and by Monday morning the temperature was down to about 16, the lowest it has gone this winter.

Jim Pratt got back this week from Amarillo where he has been employed for several months.

T. J. Lemmon is acting as cattle inspector on the quarantine line, stationed at Seymour. J. N. Ellis has purchased an interest in the meat market with Mr. McCrary.

W. R. Standefer left Thursday for Arkansas with a bunch

So this is HOUSEKEEPING

BY JIMBLEY STUART

My favorite spouse and I get all excited about "firsts"—you know, first dinner guests, first darned sock, first purchase on the installment plan. As early as a month ago we began waxing enthusiastic about the prospect of our first December 25th together. I got so carried away that not long afterward I ordered a Christmas present which should send one Mr. Stuart running for the nearest mistletoe.

The idea for the prize package began when my would-be handyman started tinkering around with tools. Frankly, I'm not sure whether he knew a hammer from a carpet tack at first. But it wasn't long before he began dreaming of what he could make and do if he had the proper equipment.

Then one day I overheard Dad mention a wonderful home workshop—five power tools all wrapped up in one machine. I jumped like a buzz saw. Dad explained that the Enrick workshop included a lathe, drill press, grinder, saw and sander all operating from one small motor, and quickly interchangeable. Dad's eyes took on a glow when he pointed out what even a beginner could do with the tools in wood, metals or plastic for home repairs, presents, furniture items and what have you.

I intended to rush out, hand a man \$39.95 saved on hamburger, night dinners and have a workshop tied up in red and green ribbons. It seems, however, that the machine hasn't been marketed through retail channels as yet and is available only from the factory or money-back guarantee. Nothing daunted, I had the mailman start off with my order the next day to Enrick Inc., Kalamazoo, Michigan. Yesterday it arrived—just ten days after my check and letter went out. Now I'm worried. The workshop looks so fascinating I may not be able to keep it a secret till Christmas; in that case, Santa Claus will find me scurrying around on the last second for a outlandish tie!

J. F. Albin returned this week from Comanche county.

E. Hill left this week for Bailey, Indian Territory, where he expects to remain several weeks.

Miss Minnie Lindsey returned from Abilene this week.

T. P. Martin and family moved this week to Scurry county in order to live near Mr. Martin's father.

MM MODEL "Z" IS MOST REFINED TRACTOR

operating features you have wanted for years with the new MM "Z". The fore-runner of tractor engineering this popular model has been in the MM line to offer revolutionary development. The first "Z" had the exclusive MM engine 150 fewer operating parts. More progressive make the "Z" better than ever. Latest improvements 10% more power on draw bar and belt. Where man that can't appreciate the advantages of extra power?

proved appearance for "Visionlining" further visibility. Permits better operation on every job. Range has been increased to provide most suitable needs. A practical change in keeping with the hardened sector gear has been adopted on all models except the standard tread which has redesigned steering arms and tie-rod located at rear of axle. This improved steering ease and longer life steering

ential now features the Revacycle tooth form. Precision gear with increased strength.

comfortable operation features include Lazy cushion seat, adjustable steering wheel, "wobble" gear shift lever, improved easy braking action and tie tool control. A new era begins with this obedient, easy to handle new "Z" tractor.

When you know all about the new Z, which is so far ahead in its own power, you will want no other tractor.

Mrs. J. U. Fields Is Speaker at Beta Upsilon Jewel Pin Ceremony

Mrs. R. A. Lane and Mrs. Viars Walker were hostesses to the Haskell Beta Upsilon Chapter, Epsilon Sigma Alpha Sorority, in the latter's home Monday night, Nov. 22, for the formal Jewel Pin Ceremony. Mrs. Carrie Williams, the Educational Director, served as the Installing Officer in the impressive candlelight service before an altar draped in white, bearing the official sorority banner. In the center, a small fire burned in a low bowl, flanked by arrangements of yellow chrysanthemums, in royal blue urns, depicting the colors of the organization. The pins were placed on an open Bible. The symbol of the Jewel Pin is an open book, surrounded by ten pearls, representing wisdom, beauty, strength, truth, fidelity, fellowship, cooperation, loyalty, vision and service. Caught by a guard, the Grecian Lamp of Learning bears a diamond, representing the Light of Knowledge. Kneeling to receive their badges, the candidates were: Joan Cartwright, Lucille Zelisko, Frances Perry, Lucille Covey, Janice Pace, Patsy Pate, Edna Minick, Sue Pate, and Wanda Dulaney. Mary Ellen Edwards, a former member of the Haskell chapter, recently received her pin at a formal dinner in Douglas, Wyoming. Other members-at-large who are eligible to participate in this ceremony are Mary Fay Fowler of Lubbock, Carolyn Pippen of Austin and LaVera Riley of Midland. The closing ritual was given in unison. Sue Pate, president, introduced the guest of honor, Mrs. J. U. Fields, who had been selected by the organization as the person who best typified the "graciousness, poise, and friendliness" which is stressed in the sorority ritual. This tribute was paid to Mrs. Fields in appreciation of her culture and refinement. In speaking to the group, the honoree advised, "Give ye praise where praise is due; acclaim virtue and merit, everywhere, everywhere." She gave five keys for thought for better womanhood: appreciation, loyalty, personal behavior, good citizenship and spirituality. In her code of ethics for better club members, Mrs. Fields used the letters, "Club Ethics": Courtesy, devolving upon each member to always be a gentleman; Loyalty to the organization; to the officers, to the members; Unity and harmony, good will and cheerfulness with prayer for Divine Guidance; Belief in one's self and in one another, to better adjust in human relations; Ethics as the right principle—the Golden Rule in operation; Tolerance and kindness, praise and appreciation; Honor in which personal behavior should conform to the highest standards of conduct; Ideals, courage, cooperation, and vision; Contribute your best, be more concerned with sacred honor to serve than the honor of office; and Sincerity, bewareings of pride and selfishness, cultivating genuineness and straightforwardness. Following the inspiring talk by Mrs. Fields, refreshments were served by the hostesses. The plate favors, which were made by Eva Belle Pippen, consisted of blue satin streamers, lettered in gold, which were individual repetitions of the ten jewels, each

Mrs. H. S. Moor Is Honored on 87th Birthday

Mrs. H. S. Moor was honored on her 87th birthday, Sunday, Nov. 14, with a birthday dinner at the home of her daughter, Mrs. Mattie McFadden. The gifts were opened and refreshments served. Pictures were taken and games played throughout the afternoon. Those that attended were two daughters, Mrs. Mattie McFadden of Haskell, and Mr. and Mrs. W. J. Vance of Rotan, Texas. Grand children and great-grand children were: Mr. and Mrs. George M. Overcash and family, Miss Helen Green, Mr. and Mrs. Howard Gibbs and family, Mr. and Mrs. Hermon McFadden and family, Mr. and Mrs. Jimmy McFadden and family, Mr. and Mrs. Dee McFadden and family, Mr. and Mrs. Correl McFadden and family, all of Haskell. Mr. and Mrs. George Vance and family, Mr. and Mrs. Yule Elmore, all of Lubbock, Texas; Mr. and Mrs. Lavele Vance and family and Odell and Gaston Vance, all of Hobbs, New Mexico; Mr. and Mrs. R. D. Moor and family of Jacksonville, Texas; Mr. and Mrs. Jimmy Isbell and family of Rochester, Texas; and Tommie Isbell of Haskell. Friends attending were: Mr. and Mrs. W. L. Wright and family, Mr. and Mrs. Miles M. Wright, Mr. and Mrs. Ruben Haventon and family, and Mrs. Edith Todd, all of Haskell.

Homemaking Class Hosts Tea For Mothers

On the night of November 22, 1948, the Homemaking girls of Haskell High School presented a Tea for the mothers and friends of the girls. The school faculty was also invited. The second year girls prepared the refreshments, the first year girls served and the third year girls modeled their clothes, which they had made in class, in a short style show. Those girls taking part in the style show were Evelyn Linville, Ozella Skaines, Mary Tyler, Margaret Dendy, Grace Robison, June Brock, Melba Krueger, Helen Redwine, Ruby Lou Hadaway and Jackie Tompkins. The pianists were Nelda Vaughter and Bette Clifton. One of our most honored guests was Mrs. J. U. Fields, for whom the Haskell F.H.A. Chapter was named.

CARD OF THANKS
We take this method of thanking all who, in any way, ministered to our loved husband and father, during his long illness. To our friends and neighbors who so kindly brought food we say "thank you." Also our hearts were lightened by the beautiful floral offerings and the many cards and telegrams received. May God bless each of you.
Mrs. R. H. Darnell,
E. F. Darnell and family,
W. H. Darnell and family,
Mrs. V. E. Kuenstler and family,
The Wilson children and families.

NOTICE OF DISSOLUTION OF PARTNERSHIP
Notice is hereby given that the partnership of Florence & Coggins and the Haskell County Abstract Company has been dissolved as of November 1st, 1948, with W. I. Coggins purchasing the interest of Leonard Florence in the two firms, and assuming all assets and indebtedness of the firm on and after November 1st, 1948.
(Signed):

Word has been received here by John McGuire, of the death of his sister, Mrs. Roy Carter of Fort Worth. Mrs. Carter had been in ill health for a number of months, and her death occurred Friday night.

AT BEDSIDE OF DAUGHTER IN WACO

Mr. and Mrs. John McGuire of this city left Sunday for Waco, to be with their daughter, Mrs. O. T. Christian, who has been seriously ill. Mrs. Christian is a former Haskell resident.

The Haskell Chapter was installed in May of this year by Mrs. Betty Crowder, National Field Supervisor. The officers are: President, Sue Pate; Vice-President, Lucille Covey; Recording Secretary, Janice Pace; Corresponding Secretary, Frances Perry; Treasurer, Edna Minick; Historian, Lucille Zelisko; Chairman, Ways and Means, Patsy Pate; Public Relations, Wanda Dulaney; and Educational Director, Mrs. Carrie Williams. The course of study in Personality Development, taken from the outlined "Laboratory of Self Appreciation." The National Project in which all chapters participate is the Auricular Foundation, an organization for the correction of defective hearing. The next meeting of the Beta Upsilon Chapter will be a Christmas party on December 13, in the home of the Director.
