Haskell Students Place In Three Events at ACC

Students of Haskell High School placed in three events at the second annual Field Day and Judging Contest at Abilene Christian College, Saturday, April 2nd. Those who placed and the events are: team winner in beef cattle judging; and Sid Woodson was second highest boy in beef cattle judging.

Missing Moneybag Found on Rooftop

Alexandrie, Va.—A money bag belonging to the J. C. Penny Co., which had been missing since June 18, 1948, when it was placed in a night depository by store employees, was found on the rooftop of a house by a citizen who spotted it as he was repairing his roof. Inside was \$9,000 in moldered checks and the \$17,000 in cash was missing. How the bag got from the depository onto the rooftop is still a mystery.

Ralph Duncan Is Named Director of C.C.M.A.

Ralph Duncan, local chamber of commerce manager, returned Sunday from San Angelo where he attended the three-day annual meeting of the Chamber of Commerce Managers Association. A charter member of the organization, and a former secretary, Duncan was elected to the Board of Directors for a one year term at the final business session held Saturday noon.

Firemen Name Delegates to State Convention

Two members of the Haskell Volunteer Fire Department, Wiley Quattlebaum, driver, and P. G. Kendrick, assistant chief, have been named delegates to attend the State Firemen's Convention in Galveston in June. Representing the department in an official capacity will be Chief Frank B. Reynolds and Rogers Gilstrap, city fire marshal. Alternate delegates named were Jack Speer and Fred Kendrick.

Annual Boy Scout Camporee Set For April 15 and 16

The annual Boy Scout Camporee for Scout Troops of Jones, Haskell and Shackelford counties will be held April 15 and 16 at Swenson Jog, eight miles north of Lueders, on the Clear Fork of the Brazos.

Light Vote Marks Re-Election of 3 School Trustees

Three members of the Board of Trustees of the Haskell Independent School District, Sam P. Herren, Dr. T. W. Williams and Ted Marugg, were returned to offices of two-year terms each in the regular school election held here Saturday, April 2.

Payne, Pansy Moore, Nanette Weaver, Doris Faye Johnson, Geneva Wheeler, Joan Melton, George Christian, Nathan Tinkle, Bobby Don Smith, Rowena Lanier, Le Roy Tidwell, Betty Jo Fagan, Virginia Frierson, Milton Christ-

50th Anniversary of Albany Couple Is Observed Here

The golden wedding anniversary of Mr. and Mrs. J. J. Bounds of Albany was observed in an all-day party at the home of their son, R. E. Bounds, in Haskell recently. Approximately 95 relatives and friends called on the couple during the day.

Their children present were: Mrs. Bert Frazier, Cisco; Mrs. E. M. Jordan, Moran; Mrs. Winford Taylor, Rattan, Okla.; Mrs. Lloyd Reed, Hamlin; Granville Bounds, Lueders; R. G. Bounds, Lubbock; R. L. Bounds, Stamford, and R. E. Bounds.

Grandchildren present were Mrs. Raymond Haggerton, Sundown; Mr. and Mrs. Thomas Falls, Lonnie Lee, Jackie Charles, Joyce Ann and Roy Lynn Bounds, Billy Bounds, Hollise Dale Taylor, Mary Helen Bounds, Eugene Bounds, Carolyn Sue Bounds and James Jordan; and one great grandchild, Nancy Joan Haggerton.

Mr. Bounds' sister, Mrs. Julia Conger of Cross Plains, also attended the celebration.

Mrs. Bounds was born March 24, 1882, in Tate County, Miss., and Mr. Bounds was born Feb. 22, 1874, in DeSoto County, Miss. They were married at Arkabutla in Tate County, and came to Texas in December, 1901, settling at Farmersville. In 1907 they moved to Shackelford County, making the trip in a covered wagon, and have lived there since. They are both members of the Church of

Veterans Wives H-D Club Has Regular Meeting

The VVHD Club met Tuesday night at the American Legion Hall, for a regular business meeting. Slick tricks were given by Mrs. Tramel Stockton. Mrs. Joe Edd Parsons gave the Timely Topic. An interesting talk on 4-H Club was given by Mrs. Howard Sloan. Recreation was under the direction of Mrs. J. C. Halliburton. Hostesses for the meeting were Mrs. Grady Newsom and Mrs. Howard Sloan. The Club members also welcomed one new member, Mrs. Fred Poe.

Members attending the meeting were: Mesdames W. G. May, Lewis May, Tramel Stockton, Paul Grinstead, Joe Edd Parsons, Granger Jenkins, J. H. Scarborough, Lee Bevins, H. B. Berry, J. C. Halliburton, Grady Newsom, Howard Sloan, Shelby Bell, and Mrs. Fred Poe.—Reporter.

Mrs. Cadenhead To Present Pupils In Piano Recital

Pupils of Mrs. James F. Cadenhead are to be presented in a piano recital at the First Baptist Church on April 11, at 7:45. The public is invited to attend.

Christ. Farming was their occupation until they moved to Albany.

Dr. J. W. Treat of Abilene Is Guest Speaker For Magazine Club Pan-American Program

The Magazine Club met in the clubhouse Friday April 1st for a regular program and to hear the guest speaker, Dr. J. W. Treat, instructor in Spanish at ACC, Abilene.

Club hostess was Mrs. Robert Wheatley, and Mrs. Carroll Dean Bledsoe was director of the program, "Pan-American Day." An arrangement of cactus was used for table decorations.

The club president, Mrs. Arlos Weaver, presided over a brief business session. Mrs. H. M. Smith was presented a gift book of Grace Noll Crowell's poems. The club was presented a money gift from the First District, Texas Federation of Women's Clubs. These gifts were given as prizes for Mrs. Smith's Club Library report.

Mrs. Weaver presented Mrs. Carroll Dean Bledsoe as Program Director. After brief remarks in regard to Pan-American Day she introduced Dr. Treat as chaplain to three club daughters, dressed in native Latin American costume. Miss Nabeela Hassen represented Miss Peru, Miss Virginia Frierson, Miss Boliva, and Miss Nanette Weaver Miss Mexico.

Dr. Treat chose for his lecture title "Pan-America, Past, Present and Future." He told of the origin of Pan-American, that Pan was in honor of the Panama Canal and American in honor of the Americas. American means anyone from the Americas—All American, all for Americas. For distinction needs we do have the Latin Americans.

It was in 1890 that Pan American really began and it was to promote good neighborliness and unity between the Americans and their Latin neighbors. They proved during the war what fine neighbors they can be in protection and help.

Dr. Treat said that he believed the American people are rather allergic to languages, he thought we should learn more of them. Typed copies of the song "America United" in Spanish and English were given to the club members, and the song in both languages was played on his recording machine. This song is to be sung by the Americas.

During the social hour the hostesses, Mrs. Robert Wheatley, and the director, Mrs. Carroll Dean Bledsoe assisted by the club daughters, Miss Hassen, Miss Frierson and Miss Weaver served Pan-American refreshments of coffee and pecan pralines to club members and guests, Dr. Treat, Mrs. Treat, and their son and daughter.

Mrs. Jack Davis Is Given Birthday Party In Lubbock

Mrs. Jack Davis was honored with a surprise birthday dinner Sunday at her home in Lubbock. Those attending were: Mr. and Mrs. Walter D. Larned and children, Mrs. Maggie Larned and boys, Mr. and Mrs. Oscar Gipson, Mr. and Mrs. Herman Franklin and children, D. G. Tidwell, Mr. and Mrs. Alfred Grand and children, all of Haskell; Mr. and Mrs. Wendell Jarman and children of Artesia, N. M.; Mr. and Mrs. Arvil Jarman and daughter of Odessa, and Mr. and Mrs. A. V. Jarman of Abilene.

Members present were Borden Worsham, James Harry Ratliff, Helen Hobbs, Kenneth Hobbs, Mary Glass, Chan King, Paula Ratliff, and their teachers, Miss Sue Pate and Miss Wanda Dulaney.

Guests present were Jimmy White, Temple Williams, Billy Mac Taylor, Kay Starr, Nabela Hassen, Nelda Josephine Vaughter, Betty Joy Redwine, Kenneth Stuart, Bill Smith, Abe Turner, Bill Thomas, and Mr. and Mrs. Francis Nickerson and their two sons, Corrie and Steve.

Youth Bible Class of First Christian Church Entertained

On Thursday evening, March 31, members and guests of the Youth Bible Class of the First Christian Church in Haskell, enjoyed a weiner roast at the home of one of their teachers, Miss Wanda Dulaney.

Each individual roasted his own weiner and because of the cool night, retired inside the Dulaney garage, where a "parlor" had been erected, to enjoy the other refreshments.

Members present were Borden Worsham, James Harry Ratliff, Helen Hobbs, Kenneth Hobbs, Mary Glass, Chan King, Paula Ratliff, and their teachers, Miss Sue Pate and Miss Wanda Dulaney.

Guests present were Jimmy White, Temple Williams, Billy Mac Taylor, Kay Starr, Nabela Hassen, Nelda Josephine Vaughter, Betty Joy Redwine, Kenneth Stuart, Bill Smith, Abe Turner, Bill Thomas, and Mr. and Mrs. Francis Nickerson and their two sons, Corrie and Steve.

Mrs. Roy Ratliff Is Supper Hostess For Loyal Womens Class

The Loyal Women's Class of the First Christian Church met Thursday, March 24, for a Mexican supper in the home of Mrs. Roy Ratliff. Mrs. Jack Rowe and Mrs. Owens Pelsue were co-hostesses with Mrs. Ratliff.

Following the supper, a business meeting was held. Officers were elected and plans were made for a social to be held each month. The April social will be an Easter breakfast in the home of Mrs. Roy Ratliff. New officers elected are:

President—Mrs. Jack Rowe. Vice Pres.—Mrs. Owen Pelsue. Sec.—Mrs. Roy Ratliff. Reporter—Mrs. Lon McMillin. Members present included the new officers and Mesdames Lynn Pace, Jr., F. C. Nickerson, Dennis Ratliff, S. M. Royall, Gene Menefee, Jim Perrin, W. P. Ratliff, James Crawford, Alanzo Pate, Henry Atkinson, George Neely, George Fouts, and Miss Madalin Hunt, and Mrs. Carl Worsham, a guest.

Fleet Admiral Ernest J. King, wartime Chief of Naval Operations, is President of the Naval Historical Foundation. Division 3-20 N. Y., won the trophy by fine training.

The sleek, trim lines of the Stetson Whippet...and the bold sweep of its bound brim...help to give you that confident, up-and-coming look that says you're "going places." And the Whippet is going places, too—it's America's favorite hat!

Bakins-Timberlake

The NEW 54 COTTON PLANTING SEED NOW AVAILABLE. The NEW Paymaster "54" is now available for the 1949 planting season—ready for farmers who want more profit from Cotton. This quick-maturing, high-yielding, better-staple-producing planting seed answers the demand for a variety that is tested and proved for West Texas growers. It is the result of scientific selection and painstaking experiments to develop a seed that will produce more money per acre planted. Here's why the NEW Paymaster "54" is a money-making Cotton... EARLY MATURITY: Of 25 varieties tested recently... "54" was first in percentage of crop harvested in a four-month period. FINE YIELD: In this same test, "54" was third among all varieties in yield per acre. BETTER STAPLE: "54" ran 15/16" to 1 inch throughout West Texas, assuring a better price. TESTED FOR DRY LAND: "54" has been proved successful for dry land farming as well as for irrigated Plains areas. Be among those profit-minded farmers who demand a money-making Cotton planting seed—the NEW "54"; order your supply of the improved, state-registered "54" NOW. IT PAYS TO PLANT PAYMASTER "54" Sold through your ginster, your seed dealer, all branches of the Western Cotton Oil Co., and at Lockview Farm, Plainview, Texas. WESTERN COTTON OIL CO. Paymaster FORMULA FEEDS THE SEEDS.

Weekly Spring
SOUTHWEST FARM MARKETS
PRODUCTION AND MARKETING INFORMATION
Most Southwest farm products
brought steady to strong prices
for the week despite lower
trends on hogs, cattle and some
feeds, the U. S. Department of
Agriculture's PMA reports.

Supplies of winter vegetables
continued to shrink in the South-
west during the past week, as
spring crops and planting pro-
gressed under favorable weather
conditions. Beets sold stronger in
the Lower Rio Grande Valley as
half crates loaded at \$1.75 to \$2.
Carrots showed only slight ad-
vances. Strawberries gained 25
to 50 cents a crate at Hammond,
Louisiana, with the season in
full swing. Klonmore strawberries
brought \$6.75 to \$7 per 24
pint crate at auction sales Sun-
day.

Most grains advanced during
the week, although barley sold
lower. Corn went up the most
as No. 2 yellow sold around 3 1/2
cents higher at \$1.65 to \$1.68-1-2
a bushel, and No. 2 white \$1.73
to \$1.77. Wheat closed Monday at
\$2.41-3-4 to \$2.47-3-4 in bulk
carlots at Texas common points.
Sorghums brought \$2.60 to \$2.65.
Southwest egg and poultry
markets showed little change for
the week. Liberal supplies of
eggs found fair to good demand
in the southwest. Hens remained
scarce at Dallas, while all
poultry were in light supply at
New Orleans. Demand was good
for poultry in Dallas, but trading
ruled slow in New Orleans.

Cotton sold 75 cents to \$1 a
bale higher for the week.
Sheep and lambs sold fully
steady to spots higher for the
week at southwest and midwest
terminals. Receipts increased at
southwest yards, but declined in
the midwest. Fort Worth turned
good wooled slaughter ewes at
\$15, while most ewes sold from
\$11 to \$12 at Oklahoma City.
Denver moved good and choice
wooled slaughter ewes at \$14.25.
San Antonio took medium and
good shorn ewes and wethers at
\$12.50 to \$13.50. Southwest wools
found better interest this week,
but trade continued dull.

Steady to weaker trends pre-
vailed at southwest and mid-
west cattle markets for the week
despite lighter offerings. Most
classes of cattle and calves shar-
ed in the week's downturn. Odd
head of good cows returned
\$18.50 to \$19.50 at Fort Worth,
\$19 at Denver, and to \$20 at San
Antonio. Oklahoma City cleared
good beef cows upward to \$18.50.
Houston moved canners at \$14
to \$16, and cutters at \$16 to \$18.
Hogs and sows suffered losses

More Than One Hundred O'Brien People
Attend Boy Scout Program Held Recently

Are the people of O'Brien be-
hind their Boy Scout Troop?
Then you should have been
there Thursday, March 31, to
see. Were you eager to go some-
where for an evening of enjoy-
ment? Then you should have
been at the Baptist Church in
O'Brien. The affair was to honor
O'Brien's Boy Scout Troop No.
51. Everyone is indeed proud of
the scouts and always wish them
success.

At 7 o'clock, a wonderful sup-
per was served to 125 people.
There was enough to feed many
more. Claude Reed had charge
of the program that followed at 8
o'clock.

The program began with the
presentation of the Tenderfoot
badges by E. L. Hughes to three
boys. Following this Dale Hew-
ley assisted by Aris Cox pre-
sented Second Class badges to
13 boys. These badges were pin-
ned on the boys by their mothers.
Then E. L. Hughes and Aris Cox
presented each mother with a
pin and each boy with a badge
to show that they had strength-
ened the Arm of Liberty.

S. N. Reed introduced the
speaker for the evening, Ben
Charlie Chapman. His talk was
an inspiration to all. He told the
boys to live up to their Scout
oath and build their bridges on
that oath so that the youth that
follows might not find a pitfall
along their path. Youth is the
most beautiful thing in life, he
said, do not let anyone de-
prive you of a good time as
long as you keep your oath.

When Judge Chapman had
finished, the Boy Scouts had a
candle light program. Each boy
said their part of the Scout law
and lit their candles until 12
candles were burning. Then led
by the Senior Patrol leader, they
repeated the Scout oath, lighting
a candle after each part until 3
were burning.

The O'Brien community, as a
whole, is behind of the Scout
Troop No. 51, and will always
stand behind them.—Reporter.

Train Starts Stalled
Automobile

Detroit.—The automobile driv-
en by Mrs. Kathryn Jones stalled
on the tracks of the New York
Central railway and, try as she
could, she could not get it start-
ed. A freight train came along.
Mrs. Jones leaped to safety as
the train tore off a fender. Then
she put the fender in the back
seat, setped on the starter and
drove off.

The Navy used a quarter of a
million board feet of high qual-
ity lumber during 1948.

of \$1 to \$1.50 at southwest and
midwest markets as offerings in-
creased over the previous week.
Some butcher hogs fell as much
as \$1.75 in the midwest. Good
and choice medium weight butch-
er hogs cleared Monday at
from \$19.50 to \$20 at Fort
Worth and Oklahoma City, and
from \$21 to \$21.25 at Denver.
Sows ranged from \$14.50 to \$16.-
50 in the southwest.

Influenced by government
buying and exports to the Philip-
pines, southwest rice markets
strengthened during the week.
Peanuts held steady, but oil and
meal weakened. Millfeeds con-
tinued recent upward trends,
but most other feedstuffs sold
lower. Southwest hay markets
continued seasonally dull.

Veterans'
News

Questions and Answers
Q. I interrupted my training
under the GI Bill and now would
like to resume training at once.
May I go back to my classes at
anytime?

A. Before you resume your in-
terrupted training, you should
get a supplemental certificate of
eligibility from VA.

Q. Are patients in veterans
administration hospitals permit-
ted unlimited participation in
competitive sports?

A. Patients may participate
only with the permission of the
doctor in each case. An average
of 45,000 veterans per month
have been participating in vari-
ous sports at hospitals and homes.

Q. I wish to take on-the-job
training. Where should I apply?

A. Apply at your nearest VA
office. Take along a certified or
photostatic copy of your dis-
charge papers. If you are mar-
ried or have one or more depend-
ents and want subsistence allow-
ances, take along your marriage
certificate and other documents
that will establish your depend-
ency claim.

Q. I have completed my on-
the-job training course and have
some entitlement left. I would
like to take another course. May
I enroll at another school?

A. You may use any remain-
ing entitlement either for on-the-
job training or for educational
training with VA's prior approv-
al.

students at the summer school
at Rockford College, is Mrs. Otto
Reichard, 69 year old great-
grandmother. Mrs. Reichard who
has been teaching in rural
schools to help in the teacher
shortage, had to take the sum-
mer course to meet requirements.

TALK GIVES CUE

New York.—Detectives became
suspicious when they heard
Dante Forzano, 31, talking in a
park about "hot stuff" and say-
ing he was just out of a stir.
They arrested him for investiga-
tion and found that the package
he was carrying contained 26
rare etchings, three of which
were by Rembrandt, Millet and
Zorn.

**Dennis Chapel H-D Club Meets in Mrs. B. F. Redwine Home**

The Dennis Chapel Club met Friday, April 1, in the home of Mrs. B. F. Redwine, with five old members and one new member present. For our demonstration, we tried a recipe for making "Grandmother's Pound" cake which proved to be very successful. We answered roll call by telling how we stored our cakes for good keeping. We will meet April 15 in the home of Ima Alexander. Refreshments were served to the following: Mesdames Clyde Walker, C. C. Childress, R. E. Hutchinson, D. I. White, Lloyd Limley, and the hostess, Mrs. B. F. Redwine.

A L. S. Naval Medical Research Unit is conducting scientific studies of tropical diseases in the Middle East.

**County H-D Council Meets In Regular Session**

The H. D. Council met Saturday, April 2, at 2 o'clock, in the District Court Room.

Opening song, Sweet Hour of Prayer, by Mrs. J. C. Haliburton and recreation given by Mrs. W. G. May.

Mrs. A. C. Denson was elected to preside as chairman in the absence of the chairman, Mrs. C. B. Calloway, who is on the sick list.

Mrs. T. M. Patterson gave reading certificates and a three months report on what club members have been doing was given.

All the club, were glad to hear that they are to have a new agent in the near future.

Office supplies may be purchased at the Free Press.

**NEWS OF INTEREST to WOMEN**

**Mrs. Eva Chapman Hosts Meeting of Rainbow Club**

Mrs. Eva Chapman was hostess to the Rainbow Sewing Club on Tuesday afternoon, April 5. Flowers consisting of ivy and lilies were attractively arranged for the occasion.

House was called to order by the president, Mrs. J. B. Edwards, and several songs were sung, followed by a business session.

Mrs. Tony Patterson read needle craft report. Mrs. Edwards won first place and Mrs. Corzine second.

New officers were installed, Mrs. Edwards having charge of the service.

Monthly dues were paid. Mrs. Thurman Lusk, called for a short business session.

Mrs. Helen Johnson gave an interesting talk on "Patchwork and The American Woman." She related some very interesting facts on this subject. In the early days, patchwork was created by most extreme poverty, thus turning into great art and beauty.

It was through this method that our first flag was made.

Flossie Rogers also gave an interesting talk on Gingham, Fruit and Flowers, bringing in a song on each, which she sang, demonstrating the beauty and usefulness of the products.

A social hour was enjoyed by all. Mrs. Jess Jossilet directed the games. "Secret Pal" names were drawn and these will be revealed in June.

A delicious refreshment plate of pimiento cheese sandwiches, olives, potato chips, and hot chocolate was served to the following guests:

Mesdames John McGuire, Joe Scramm, I. V. Marr, and the members, Mesdames Tony Patterson, J. B. Edwards, Stella Jossilet, Flossie Rogers, Velma Tooley, Annie Pearl Lusk, Grace Stoddard, Helen Johnson; three children, Little Germaine Stoddard, Jean Lusk and Carolyn Jossilet, and the hostess, Mrs. Chapman.

Mrs. H. D. Bland will be hostess next club day.

**Checohelo Camp Fire Girls Meet At City Hall**

The Checohelo Camp Fire Girls met Thursday, March 31, at 5:30, in the city Hall. We had no business meeting but Miss Kathleen Crawford spoke on our coming rank, The Fire Makers. At six o'clock, James Mann, Max Johnson, Borden Worsham, Jimmy White and us learn to dance some folk dances. We learned several Camp Fire songs. Girls present were Mary Sue Byrd, Melva Feemster, Doris Strain, Beverly Gilstrap, Nelda Haynes, Lena Mae Rueffer, Kay Starr, Paula Ratliff, Elaine O'Neal, Vella Redwine, Jean Bass and Annette Merchant. Genelle Bailey, Emmie Opitz and Miss Crawford were there also. Refreshments were served by the hostesses, Beverly Gilstrap and Nelda Haynes.

**HERE FROM DALLAS**

Glenn Marrs of Dallas spent several days here this week visiting his father, I. V. Marrs and other relatives and friends.

**Newest Hotel**

The Shamrock, which opened recently at Houston amid elaborate ceremonies, is America's newest and largest post war hotel. The 18-story Shamrock is the largest steel reinforced concrete structure built since the war. It contains 2,100 tons of steel reinforcing bars and 2,200 tons of structural steel. A large part of the steel was provided by United States Steel Corporation, through the Houston facilities of the Tennessee Coal, Iron and Railroad Company, a subsidiary.

**Friendship H-D Club Meets With Mrs. Vaughn**

The Friendship H. D. Club met Friday, April 1, in the home of Mrs. Dewayne Vaughn. A regular meeting opening exercise was "Auld Lang Syne" led by Mrs. Clifton Vaughn. Roll call was answered with, "How I Store Cakes for Good Keeping." A demonstration on plain cake was

given by Mrs. Frank Garrett. Mrs. Edward Newton demonstrated never-fail icing. When it was finished, it was a large 3-tier cake with one candle. The one candle representing the one year our club has been organized. Pictures of the club members and cake were taken for the club history book, by Miss Freta Edwards. Each member autographed the history book. Three slick tricks were given. Love Pal gifts were exchanged with Mrs. Clifton Vaughn get-

ting the "April Refreshments" the following: James Otto Newton, O. O. Garrett, Clifton Edwards, and Dr. GERTIE Chiropractor Haskell Telephone

HASKELL COUNTY HISTORY

Brief Items Taken from Old Copies of The Free Press

20 Years Ago—April 4, 1929

J. H. Walker, a former night-watchman in Haskell, died in River Falls, Ala., a few weeks ago. He had gone there for a visit with relatives and was stricken with a heart attack.

Chas. M. Conner, local nurseryman and florist, will give a talk at the meeting of the County Council of H. D. Clubs April 6. He will discuss methods for improving soil, planting and the care of flowers, growing pot plants, planting and care of shrubs, etc. After the meeting, a tour will be made through the Conner nursery and greenhouse.

L. K. Cook of Decatur is visiting his brothers, C. R. and W. R. Cook of Haskell this week. He formerly lived here and moved to Decatur about five years ago.

Miss Madge Hambleton, daughter of Mr. and Mrs. Haynes Hambleton, underwent an operation for appendicitis at the Stamford Sanitarium Wednesday. She is reported recovering nicely.

Mrs. D. T. Dotson returned home this week from the Baptist Sanitarium in Abilene, where she recently underwent surgery. She is improving rapidly.

Report of condition of the Haskell National Bank at the close of business March 27, 1929, shows total deposits of \$428,697.29, loans and discounts \$443,708.98, and undivided profits \$22,983.89. The Farmers State Bank of Haskell had deposits of \$374,559.58, loans and discounts \$311,542.60, with undivided profits of \$2,950.01.

W. H. Sowell and wife returned last Tuesday from Edwards county, in the lower Rio Grande Valley, where they spent the winter.

Pete Sanders' left Wednesday for Colorado City, where he has secured employment.

G. W. Reeves of Knox County was here this week visiting his daughter, Mrs. J. W. Collins.

Judge J. M. Morgan of Benjamin was here and sat as a special judge in the trial of two cases in our county court this week.

J. D. McGaughey, a prominent cattleman of Stonewall, was doing business in Haskell yesterday.

Ed Lanier, a stockman of King county, but well known in this section, spent a day or so among friends here this week.

John Ellis, after putting in the winter on a ranch in the Indian Territory, returned to Haskell the first of the week. He looks as if his stay in the Territory agreed with him.

Prof. E. Robison of the Wild Horse Prairie School, reports excellent progress and exceptionally good attendance during the six months term which will close soon. He gave the following list of pupils present every day during the month ending March 29, 1899: Eula Bowman, Maggie Bowman, Linnie Tucker, Cecil Tucker, Edna Vernon, Effie Vernon, Dollie Norman, Lillie Peeler, Josie Chaney, Eula York, Angie Vernon, Taylor Bowman, Lee Norman, Justine Rose, Allen Rose, Oscar Rose, Lizzie Chaney, Charlie Lindsey, Avery Bailey, John Chaney, King Chaney.

Regular Navy women officers receive indoctrinations at the General Line School, Newport, Rhode Island.

M. S. Pierson got home this week from Central Texas.

A. H. Tandy left yesterday on trip east.

Messrs. Meadors & Ellis' new store building on the south side of the square is nearing completion.

W. H. Sowell and wife returned last Tuesday from Edwards county, in the lower Rio Grande Valley, where they spent the winter.

Pete Sanders' left Wednesday for Colorado City, where he has secured employment.

G. W. Reeves of Knox County was here this week visiting his daughter, Mrs. J. W. Collins.

CITATION BY PUBLICATION THE STATE OF TEXAS TO: Unknown heirs of May Patrick Walton Milliken (formerly May Patrick Walton), deceased, and their unknown heirs and legal representatives, and the unknown heirs of Hildegard Walton, deceased, and their unknown heirs and legal representatives, GREETING: You are commanded to appear and answer the plaintiff's petition at or before 10 o'clock A. M. of the first Monday after the expiration of 42 days from the date of issuance of this Citation, the same being Monday the 2nd day of May, A. D. 1949, at or before 10 o'clock A. M. before the Honorable District Court of Haskell County, at the Court House in Haskell, Texas. Said plaintiff's petition was filed on the 15th day of March, 1949. The file number of said suit being No. 7528. The names of the parties in said suit are: Olen Dotson as Plaintiff, and the unknown heirs of May Patrick Walton Milliken (formerly May Patrick Walton) deceased, and their unknown heirs and legal representatives, and the unknown heirs of Hildegard Walton, deceased, and their unknown heirs and legal representatives, as Defendants. The nature of said suit being substantially as follows, to-wit: Plaintiff sues in trespass to try title, as well as for damages for the title and possession of the following described lands and premises, situated in Haskell County, Texas, to-wit: Lot No. Four (4) in Block No. Forty-seven (47) of the town of Haskell, in Haskell County, Texas, as same appears upon the map or plat of said town recorded in Vol. M7, Page 400 of the Deed Records of Haskell County, Texas, same being a part of the Peter Allen Survey of 2/3 League and One Labor, Abstract No. 2, Certificate No. 136, Patent No. 365, Vol. 17. Plaintiff specially pleads the 5 and 10 years statutes of limitations, as provided by Articles 5509 and 5510 of the Revised Civil Statutes of Texas, 1925, (Vernon's Civil Statutes of the State of Texas, Annotated) as

WOMAN'S OLD PROBLEM relieved by 2-way help

What to do for woman's oldest problem, functional monthly pain? Many a girl and woman has found the answer in CARDUI 2-way help. You see, CARDUI may make things lots easier for you in either of two ways: (1) started 3 days before "your time" and taken as directed on the label, it should help relieve functional periodic pain; (2) taken throughout the month like a tonic, it should improve your appetite, aid digestion, and thus help build up resistance for the trying days to come. CARDUI is scientifically prepared and scientifically tested. If you suffer "red these certain times", get CARDUI today.

During World War II Navy mines accounted for almost 2,300,000 tons of Japanese shipping sunk or damaged.

The first carrier plane landing was made in October, 1922.

A Navy diver recently set a simulated world indoor diving record of 561 feet.

A single constructive suggestion earned a Navy civilian employee \$5,559.

Of the Navy's contracts, 69 per cent are now being let to small business concerns of less than 500 employees.

A new leprosarium which will accommodate 100 leprosy cases has been constructed by the Navy on Tinian Island in the Marianas.

During 1948 beneficial suggestions earned Navy civilian employees cash awards totaling \$270,600.

### Gift Tea Compliments Miss Lucille Zelisko, Bride-Elect of Aubrey Lee Roden

Lucille Zelisko, bride-elect of Aubrey Lee Roden, of Munday was honored with a gift tea at the Magazine Club Saturday afternoon, April 2, from 4 to 6 o'clock. Hostesses for the occasion were Mesdames D. T. Atchison, C. R. Covey, M. L. Blohm, W. A. Fowler, Wayne Blacklock, Steve Harrison, Keith Cartwright and Miss Wanda Dulaney.

In the receiving line with Miss Zelisko were her mother, Mrs. Joe Zelisko; her sister, Miss Mary Jo Zelisko, of Wichita Falls; and the mother of the groom-to-be, Mrs. A. L. Roden, of Munday.

Jean Longback, of Wichita Falls presided at the guest registry, and Dorothy Luck, Betty Toliver and Mrs. Desmond Dulaney served frosted lime punch and white cake squares. Recorded music was played throughout the afternoon.

The table centerpiece consisted of a huge gold horseshoe, bearing a green satin streamer that carried the gold letters, "Good Luck, Lucy and Curly," and was embellished in fern and illuminated by candlelight. Pansies and lilacs were used for further decorations.

During the tea hours, more than 200 guests called at the Magazine Club.

### Sunshine Sewing Club Meets With Mrs. Lottie Cook

The Sunshine Sewing Club met Tuesday April 5 with Mrs. Lottie Cook. Eleven members were present.

Each member brought a cup towel to be given to their church. Mrs. Clara Parks was elected a new member, and we are very glad to have her in the club.

The Club decided it would be a lot of enjoyment to spend a day on a fishing trip, and our two best fishermen were appointed to select the place for the fishing and make other necessary arrangements.

The next meeting will be April 19th.

Members present were: Mesdames Mary Fouts, Lula Smith, Audrey Renfro, Lottie Cook, Hazel Tyler, Ora McMillin, Georgia Fouts, Delia Ashley, Callie Robinson, Betty Harris, Elizabeth Whately, Osce Cass.

### Courtney Hunt To Attend Demo Fete At Corpus Christi

Courtney Hunt, Haskell business leader and Democratic State Committeeman from the 24th Senatorial District, is in Corpus Christi this week-end to attend the Jackson Day Dinner honoring Tom Clark, U. S. Attorney General. Clark, a Texan, is a member of President Truman's cabinet, and will be the principal speaker for the occasion.

Hunt, who is to serve on the reception committee for the dinner, went by plane to Corpus Christi late Thursday and plans to return Sunday.

Veteran Navy PBY Catalina's are virtually the only means of communication between the widely scattered islands and atolls of the Pacific.

A new type of Navy submarine messenger buoy eliminates the need of deep-sea divers in submarine rescue work.

A flush deck design of the Navy's new supercarrier will permit operation of planes with unlimited wingspread.

### Church Cornerstone Laying Planned At Weinert

A corner-stone laying will be on the program for Palm Sunday at the Weinert Foursquare Church, and the church congregation invites the people of Weinert and neighboring communities to attend the ceremony.

A new building is under construction on the site of the old church in Weinert. The building is being constructed of Texcrete blocks with steel window and door frames. Amber frosted glass and glass blocks will furnish the lighting effect for the structure.

The corner-stone laying will follow a special Sunday afternoon rally service in which several neighboring churches are expected to participate.

The friends of the church are cordially invited to attend. Rev. Mildred Gower and Rev. Naomi Keener are the pastors.

### Vernon Round-Up Booster Caravan to Visit Haskell

This year's Santa Rosa Caravan, boosting the Santa Rosa Round-Up and Quarterhorse Show in Vernon on May 2 to 7, will visit Haskell, Saturday, Apr. 16. Ralph Duncan, local C. of C. manager, has been informed by Walter Heard, chairman of the Caravan Booster Trip Committee. Varied entertainment, including some outstanding talent, and old-time square dances will be presented.

The Vernon visitors will be welcomed by Acting Mayor A. M. Turner, and Glen Dotson, C. of C. Grand Will chairman.

Four trips will be made by the boosters this year in advance of the annual rodeo, presented by Paul Waggoner, widely-known Vernon rancher. Most of the trips will be made on Saturday in order to bring the Santa Rosa Round-Up to the attention of the largest number of people in each community.

On their swing through the Haskell area, the caravan will visit Crowell, Benjamin, Knox City, Munday, Haskell, Stamford, Albany, Breckenridge, Graham, Olney, and Seymour.

### Singers Will Meet For Program At Plainview Church

Singers and music lovers of Haskell and neighboring communities are being invited to attend the regular program of the County Singing Convention, to be held at Plainview Baptist Church Sunday afternoon, April 10.

The program will begin at 2:00 p. m., and it is planned to have a number of quartets appear during the afternoon. Trovett Cobb, president of the county convention, said.

The program will be held in the new Baptist Church building recently completed at Plainview, and ample seating arrangements can accommodate a large crowd. Those attending will also have an opportunity to inspect the new building.

Plainview community is located southwest of Haskell, and west from the old McConnell community.

**VISITING PARENTS**

### Recruiting Service Concentrates on Filling Ranks of Reserve Corps

"In view of the vital importance to the nation's security that the Enlisted Reserve be able to carry out its assigned mission in furnishing units effectively organized, trained, and equipped in time of peace for rapid mobilization, expansion, and deployment in time of need, the US Army and US Air Force Recruiting Service has been asked to concentrate on filling the ranks of the Enlisted Reserve Corps," T-Sgt. Orie L. Maddera, Recruiting Sergeant of the US Army and US Air Force Recruiting Main Station in Abilene announced today.

"Civilian soldiers in great numbers must be kept abreast of every change in military policies, weapons, and techniques," he explained.

In explaining the program of Enlisted Reserve Corps recruitment, he pointed out that the primary interest is to retain men who have been members of the Reserve. This year thousands of men are prospects for re-enlistment. Their interest in military training must be investigated.

The second consideration is that of interesting men with prior service who have not heretofore been members of the Reserve. This is one of the functions delegated to the Recruiting Service. Although men without prior service are acceptable, in the future, more emphasis will be placed on obtaining men with prior service. However, all eligible applicants will be urged to enlist or to re-enlist.

In spite of the fact that a member of the Enlisted Reserve Corps is a civilian 99 per cent of the time, he may accumulate credits toward non-disability retirement at the age of 60 years after 20 years of active participation. He may retain his highest rank, and there is a possibility, if enlisted, of obtaining a commission through application, direct appointment, Officer Candidate School, and many other ways. In addition to these benefits, the active participant in many cases, draws pay for periods of drill and pay and allowances for hours of active duty.

A member of the Enlisted Reserve Corps will not be called to active duty unless he requests it or in the case of a National emergency.

Sgt. Maddera will be here in Haskell every Tuesday from 1 to 3 p. m., and can enlist or re-enlist anyone in the Enlisted Reserve Corps at that time. Also, enlistments may be processed at the Abilene Main Station, at 233 Cedar Street, Abilene, Texas.

Anyone desiring further information regarding this program should contact Sgt. Maddera or the Abilene US Army and US Air Force Recruiting Main Station.

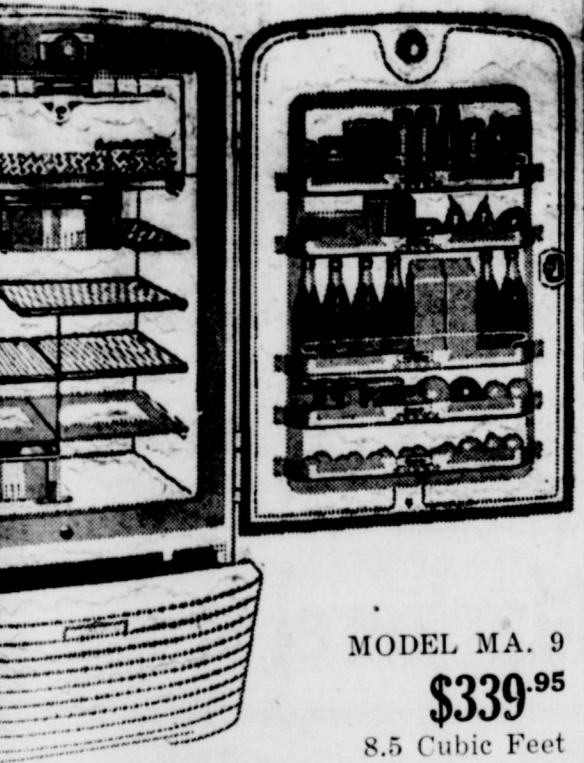

### JAILED IN HOTEL

Winchester, Ill. — The Scott County jail was so full that Sheriff Randall Killebrew had to go hunting for a place to put another prisoner. He succeeded in arranging for the detention of one prisoner at a hotel—

**Heart Attack Prevents Suicide**

Point Pleasant, W. Va.—Victor Bradshaw, 33, was killed by a heart attack before he could finish committing suicide with a knife, according to the coroner's report. A knife was found beside the body but a self-inflicted chest wound was not deep enough to reach his heart.

**UNCOMFORTABLE**

Winston - Salem, N.C.—Miss Wayne Ferguson, bookstore clerk, yawned on June 23 and could not close her mouth for hours. When it finally snapped shut, she could not open it more than a quarter inch. Since then, she has been examined by 15 physicians and has tried numerous remedies, including head harness, with no results.

**"Drowned" Boy Was Only "Wet, Afraid To Go Home"**

Washington.—When the clothing of Edward B. Barrett, 16, and his father's automobile were found on the bank of the Patomac, near Great Falls, Md., the boy was believed to be drowned and police began dragging. A few hours later, the boy was located at the home of a friend. He explained that he and a friend couldn't get the car started and with their clothing wet, they were afraid to go home.

A total of 78 different designs were submitted for the Navy's 65,000 ton aircraft carrier USS United States before one was accepted.

**Overstocked Ranges Noticeable in Many Texas Areas**

In many areas of Texas, range lands were overstocked last year, and the bad effects from this practice will last for several years, says A. H. Walker, extension range specialist of Texas A&M College.

Overgrazing not only makes it harder for the valuable range grasses and plants to grow and make seed, but it also causes the soil to pack. This means less pore space in the soil and a lighter covering of litter on top of the ground. Ranges in this condition receive little benefit from the hard, dashing showers that are common to Texas during most of the year. On the other hand, reminds Walker, ranges that have been only moderately grazed have a turf that will slow down the run-off and will give the water a chance to soak into the soil. Such range land will soak up much water from two to four times as fast as overgrazed ranges.

Less run-off means less erosion and more water in the soil. The increase in the stored water supply in the soil and the saving of valuable topsoil makes range plants grow larger and better. And any ranchman will tell you that more grass means a larger calf crop, heavier calves, at the weaning time, lower feed costs and better conditioned breeding cows in the herd.

It is always well, says Walker, to think in terms of future effects on the range when you are stocking a pasture. It is better still to make a close check on the amount and kind of forage plants growing on the range and then stock in proportion to the amount of vegetation available. Light to moderate stocking will give the more desirable plants and grasses a chance to reproduce.

It is a slow and often trying process to bring back into production a badly overgrazed pasture, but it can be done. Walker says it's more profitable and better management to base the stocking rate on the ability of the range to produce desirable forage over a long period than to put too many livestock on the range when it looks good.

If your coffee percolator will not operate efficiently, check it over. The percolator valve or pump may be clogged. Clean the valve or stem by forcing water through it or use a small round brush to unclog it.

Tourists crossing the U. S.-Mexic border at Zapata, Texas, are subject to a little more inspection than at other points. A customs inspector there has a cat called Solomon, who has a ravenous appetite for fresh meat. Solomon sniff's out the meat in cars attempting to bring it back to the U. S. illegally. Another version of the cat-and-mouse game.

If you must dry clean clothes at home, use only a non-flammable fluid—one that will never explode nor burn. And do the work outside, where the vapors will be quickly carried away by the wind.

**New Double Duty Table Water Heater**

CHICAGO—Ice cream and hot water do not mix—yet Mrs. Patricia Andrews is happily serving that favorite dessert from the double-duty electric water heater installed as a work surface to make efficient use of space. Hotpoint engineers have designed the new heater so that its cabinet and working surface, built into her streamlined all-electric kitchen, remains at room temperature. Builders acclaim this type of modern space saving equipment as step toward housing economy.

**Miss Lucille Zelisko, Bride-Elect, Named Honoree at Shower**

Mrs. M. L. Blohm and Miss Wanda Dulaney were hostesses, in the former's home, to a dinner honoring Lucille Zelisko on Monday, April 4. The honoree was presented a kitchen shower by those present. The guest list included Mary Jo Zelisko of Wichita Falls, Frances Blacklock of Abilene, Lucille Harrison of Denver, Colorado, Joan Cartwright of Knox City, Joan Dulaney, Dorothy Lukk, Betty Toliver, the honoree, and the hostesses.

A U. S. Naval Medical Research Unit is conducting scientific studies of tropical diseases in the Middle East.

**MISS AMERICA LIKES PICNICS**

HOPKINS, MINN. — Beautiful 18-year-old BeBe Shopp has that healthy look that comes from spending lots of time in the fresh air and sunshine. When the weather is nice, Miss America likes to go on picnics and her favorite sandwich is peanut butter and jelly or mayonnaise, on enriched white bread. She makes the sandwich "extra special" by sprinkling finely chopped celery on the peanut butter to get more crispness. "If you like lettuce, too, wrap it separately and add to the sandwich at the picnic," BeBe explains.

**Uncle Sam Says**

Regardless of the heat wave, you can't afford to be lazy about your future, because the future holds for you what you hold for the future. Ben Franklin didn't make this statement, but any United States Savings Bonds payroll saver who works with you could claim this bit of advice as his or her own. All he has to do is sign his name once on the card for the United States Savings Bonds payroll savings plan. His employer does all the rest. Three dollars saved through the payroll savings plan get Mr. Summertime Lazybones four dollars 100 years hence.

**East Side WMU Has Monthly Bible Study Program**

The East Side Baptist WMU met Monday afternoon with nine ladies present, for the Monthly Bible Study.

The meeting was opened with the singing of the hymn, I Want To Be A Worker, followed in prayer by our pastor, Rev. W. T. Priddy.

The president then conducted a business session and then turned the meeting over to our Bible teacher, Mrs. Sarah Holt. She brought a most interesting lesson on the books of Nehemiah, Ester and Job to the following ladies:

Mesdames Emery Anderson, Frank Patterson, Thurman Rhoads, J. W. Cameron, W. T. Priddy, Tom Mercer, John McGuire, Jene Lancaster.

The meeting closed with prayer by Mrs. John McGuire.—Reporter.

Mice are being used in laboratory tests to check on the effectiveness on few fly sprays. The mice are rolled around several times on an old style phonograph rigged up under a shower spray. Then they're dried with a stream of air, and used in the tests the following day.

Grasshoppers are expected to hit this year's crops heavily unless something is done. Kill them out. Check on poison supplies now, so you will have enough on hand when you need it.

**COLUMBIA**

... Leads the Way!

Effective April 1 Columbia Standard 78 R. P. M. Phonograph records were reduced from 75c to 60c plus tax. Several months ago Columbia introduced the L. P. Micro-Groove Record which is the only advancement that has been made in the past 20 years. A 12-inch L. P. record will play as long as 50 minutes with no breaks other than intended by the composer.

**WOODSON Radio & Electric**

**ANNOUNCE ARRIVAL OF SON**

Haskell friends have received announcements of the birth of a son to Mr. and Mrs. Bob Harris, of 1441 N. Dearborn Parkway, Chicago, Ill., on Sunday, March 27th, weight 6 pounds, 10 ounces. Mrs. Harris will be remembered as the daughter of the late Rev. W. N. Sholl, pastor of the Haskell Presbyterian Church, and Mrs. Sholl, of Norman, Okla.

Bones in canned fish are so softened by the canning process that they can be crushed or mashed with the fish, thus adding calcium and phosphorus to the diet. The liquid in the fish can may also be used in flavoring sauce for creamed fish, or in soups, chowders, or dressing for fish salad.

**Jolly Birthday Club Meets With Mrs. Bud Glover**

The Jolly Birthday Club met in the home of Mrs. Bud Glover Tuesday, March 29, at 2 o'clock. The house was called to order by the president, Mrs. Gene Rose. We played a few games after the business session. Afterwards the birthday song was sung to the hostess and a very pretty clothes hamper was presented.

**EASTER SEAL POSTER GIRL**

"Little Miss Hopeful" is Bette Jean Bligh of Custer, South Dakota, poster girl for the 1949 Easter Seal Drive of the National Society for Crippled Children and Adults. Bette Jean, who is receiving medical and therapeutic care in one of the country's first hospital-school units to be financed by Easter Seal funds, is a victim of cerebral palsy, but now able to walk. She is a symbol of the hope extended to the nation's crippled through the services financed by Easter Seals.

Refreshments were served to fourteen members and one visitor.

Those present were: Mesdames Jerry Harrell, Jess Adams, Delma Williams, Leroy Burleson, Clarence Tidwell, Minnie Harrell, Dallas Adkins, Eddie Harrell, Grady Newsom, Jim Carroll, Manford Reid, J. C. Haliburton, Gene Rose, Jeraldine Thompson. The club adjourned to meet April 19, with Mrs. Dal Adkins.—Reporter.

**Outlook Gloomy For Peanut Producers, Specialists Say**

In a nutshell there it not much good news ahead for the Texas peanut grower, as far as the supply is concerned. That is the way Texas A&M College extension specialists in agronomy and agricultural economics see it.

It just is not favorable at all from the producers' standpoint. And here's why. The 1948 bumper crop gave the peanut peep more goobers than they can market, other than for eating.

Large supplies of oil crops are on hand, and the world exports of fats and oils are increasing, say these specialists.

On the demand side, there are some favorable points, however. The level of employment in the nation and the consumer income is high. Right along with that the nation's population is increasing two million persons a year. This year's support price of peanuts is 90 per cent of parity, and world need for fats and oils is more than the supply can keep up with.

The rest of the picture does not look as good. Funds of savings are declining and the competition for the consumer dollar is more than in past years. Peanuts for food use, have dropped from the high wartime level.

That is the peanut picture for 1949, these specialists agree.

"Rocks and Shoals," officially the Articles for Government of the Navy, were written by John Adams in 1775.

**With Legs Broken, Climber Rescued From 2,300-ft. Peak**

Yosemite, National Park, Cal.—Al Baxter, of San Francisco, climbed some 300 feet up the precipitous side of Upper Cathedral Spire, lost his footing and fell 40 feet. He was suspended in air, both legs broken, when he struck a ledge in the fall. His companions managed to get him down the cliff about 220 feet and there another party of climbers saw their plight and sent for the rangers. The slow difficult task of getting the injured man down the remaining 2000 feet was finally accomplished after about 7 hours of hazardous work. In the process, two rangers were injured by a dislodged boulder.

**HOUSE FOR DOG**

Tolland, Mass.—In order to raise a \$500 reward for the return of her missing pet dog, Mrs. Harriett Pease decided to sell her house. The dog, a Pekinese named Cherio, has been Mrs. Pease's pet for 16 years.

**Hopper Infestation  
Due To Be Heavy  
This Summer**

Grasshopper infestations tend to run in 10-year cycles—and 1949 is the tenth year of the present cycle.

There may be as many or more hoppers this year than last and 1948 was pretty bad.

This prediction is made by H. G. Johnston, state grasshopper control leader and head of the Texas A&M College department of entomology, on the basis of

egg counts made by USDA grasshopper control division workers. Hoppers will begin to hatch in South Texas within the next 2 weeks, he said. The worst centers of infestation of the differential grasshopper—the big yellow one with chevrons on his legs—will be along the Brazos between Waco and Richmond and along the Trinity as far south as Polk and San Jacinto counties. Scattered infestations are expected along creek bottoms in North Texas as far east as Titus county and west to the West Cross Timbers.

A lesser—but still above normal—outbreak of the migratory grasshopper is expected in West Texas, the South Plains and the Panhandle.

The differential grasshopper can be controlled by dusting along fence rows and ditches, when the hoppers first hatch, with either 15 pounds of 10 per cent toxaphene or 15 pounds of 10 per cent chlordane per acre. After the insects move into the fields, control is more difficult.

Toxaphene or chlordane can be used against the migratory grasshopper where there is enough foliage to hold the insecticide. In areas of little foliage where the hoppers work on the ground poison bait is necessary. County agents west of the Cross Timbers will again set up poison bean wash mixing plants if the outbreak warrants, Dr. Johnston explained.

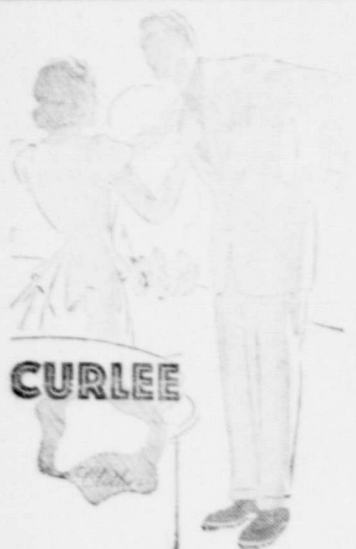

**Delay In Filing May  
Result In Loss Of  
Old-Age Benefits**

Individual owners and partners in business concerns sometimes lose old-age insurance benefits because of their failure to file an application. Bailey T. Fisher, manager of the Abilene Social Security Administration said today. He said that in a recent claims case there was a loss of \$3,622.28 to a wage earner and his wife due to the failure to file an application. The wage earner in this instance had been a full time employee for several years under social security. This employment was sufficient to give him a permanently insured status. Some time later he became a partner in the firm, and as such, became self-employed, and exempt from coverage by social security. He continued in this capacity until age 70, five years past the time of his and his wife's eligibility to old age insurance benefits. During these five years, total benefits of over three thousand dollars could have been paid to this elderly couple.

Fisher emphasized that if all workers would contact the nearest social security office on attaining age 65, whether or not they intend to continue to work, such loss of benefits could be kept at a minimum.

The Abilene social security office is located at 308 Post Office Building, Abilene.

**1949 GRAIN SORGHUM LOAN PROGRAM**

The following was put out in a Bulletin by the Texas Grain & Feed Dealers Association, as of March 18th:

"The Support Price Loan and Purchase Agreement for 1949 crop Grain Sorghum will be 70% of April 15, 1949 parity instead of 77% last year, which would make a loan of about \$2.65 Galveston. This will make your loan for Haskell County about \$2.21. You can well afford to plant heavy on Grain Sorghums with a guarantee above \$2.00. We have a full and complete supply of seeds, the best obtainable, and our prices are much lower than last year.

**Children Given Aid By State Department**

Texas children in 225 counties have normal living conditions. Health Department during the calendar year of 1948. This information is shown by the annual report issued by Dr. Geo. W. Cox, State Health Officer. According to Dr. Cox, the most

commonly treated conditions are late effects of acute poliomyelitis, cerebral palsy, osteomyelitis, tuberculosis of joints, cleft palate, harelip and clubfeet. Although the services are provided for children from birth to 21 years, the largest group treated were from the age bracket of 5 to 14 years.

The help given these crippled children represent 3747 clinic visits, 43,433 days of hospital care, 2897 days of convalescent home care and 4986 doctor's visits. As long as sufficient State funds are available, any crippled Texas child of normal mentality, under 21 years of age, whose parents or guardians are unable to pay for proper care, is entitled to the help of the Crippled Children's Division. Dr. Cox said, if his doctor believes that it is reasonable to expect that the child can be improved through hospitalization, medical or surgical care, artificial appliances, or through a combination of these services.

Parents of crippled children should make application for this assistance by completing application forms, which should be signed by the physician and approved by the County Judge. The application is then mailed to the Crippled Children's Division, Texas State Department of Health, Austin, Texas.

**Increased Trading Noted In Cotton Market**

Farmers and merchants offered cotton more freely this past week in Oklahoma and Texas markets as prices hovered around 32½ cents per pound, according to the PMA, U. S. Department of Agriculture.

Behind this increased trading was a good demand in country markets. Even the lower grades of colored cotton in short staple lengths moved readily into the trade channels. Farmers sold their equities in government loan cotton at \$3 to \$7 per bale.

Export demand continued good, especially for middling and strict middling white cotton ranging in staple lengths 29-32 inch through 1-1-32 inch. However, domestic mill demand remained quiet.

Middling 15-16 inch cotton brought as high as 32.55 cents per pound several days last week the first time cotton has reached 32.55 since the last of February, but closed Friday at 32.50. Last year on the corresponding Friday, cotton was \$5.60 to \$6.75 per bale higher at Texas markets.

Volume of sales continued seasonally large at the country's 19 spot cotton markets. Last week's total reached 122,500 bales compared to 121,200 of the previous week and 100,900 for the same week last year.

Five rooms abreast share the view of trees and rolling hills in this New England contemporary house. The architect has given a 91-foot wide plan a centrally placed entry, only a few steps from the driveway. The master bedroom has windows in three walls—one an enchanting bay, while the 14 by 22 foot living room has a large picture window, a pine-paneled fireplace and bookcase wall and is easily accessible to the garden porch through the adjoining dining alcove.

**Pleasant Grove CME Church Holds Rally Program**

The Pleasant Grove C. M. E. Church began its Rally Monday night of last week.

The service was conducted by Rev. C. Jones, pastor of the Fundamental Baptist Church. He brought to us a burning message about how people and nations should love one another and treat their fellowmen.

Tuesday night's service was to be conducted by Rev. Henderson, pastor of the First Methodist Church, but because of the many services at the other two churches we had a small number, so he deferred his talk until Palm Sunday.

Wednesday night Mr. John Couch was to speak to us, but because of illness which confined him to bed, was not able to be present. We will have him come to us in the near future. Mr. Couch is a deacon of the First Baptist Church of this city.

Thursday night Mr. John Crawford, another deacon of the First Baptist Church, came to us with a burning message on the subject, "Gratitude Is The Greatest Virtue of The Human Heart." Mr. Crawford emphasized the sure road to happiness is to count your blessings each morning before starting your day's work. Mr. Crawford says that he is not an orator. We consider him a wonderful practical speaker and a deep thinker. Come again, Mr. Crawford, we are glad to listen to you at any time.

Friday and Saturday night was given to a social for our Rally. The money raised by our few members amounted to \$47.77.

Rev. A. Crowder, Pastor.  
Vanilla McDonald, Secty.  
James D. Willis, Steward.

One small plea on behalf of thousands is made by two-year-old Gordon Strickland of Orange, Texas, who like 20,000 other handicapped youngsters in Texas, is receiving assistance made possible by the annual Easter Seal Sale of the Texas Society for Crippled Children. This year 1,000,000 Texans will receive sheets of the Easter Seals with the request that they buy and use them. The sale dates are March 21 through April 17.

**ALL BUT THE GROOM**  
Hastings, Neb. — The well-planned wedding went on, just as planned. The church was beautifully decorated, the organist played nuptial music, the soloist sang, the candles were lighted and the guests waited. Then the Rev. Ralph Rasmussen rose to his feet and told the assemblage that the bride, Miss Phyllis Osterburg, and the groom

Robert Kellogg, had been married a few hours earlier so that the groom could be rushed to the hospital for an emergency appendectomy.

**NO LATE BUSINESS**  
Bristol, England — Brides of this community had better be on time from now on. The Rev. W. J. Rogers of St. Agnes, has warned brides "who keep everybody waiting" that fees would be increased.

**Uncle Sam Says**

The smart man knows that the only way to protect his family and himself is with a safe, systematic plan of saving. U. S. Savings Bonds provide the safety and the Payroll Savings Plan or the Bond-a-Month Plan is the systematic way. No one can provide security for the future by free-spending. You can face the future with confidence, however, by investing a part of today's earnings in Savings Bonds. That is the intelligent way. And you have the choice of two convenient plans of purchase, the Payroll Savings Plan where you work or, if self-employed, the Bond-a-Month Plan at your bank.

Mid-Week Study and Prayer—Wednesday, 7:30.  
WMU—Monday afternoon, 2 p. m.

The first Sunday in April will be remembered as a red letter day at Pinkerton. Record crowd of about 110 attended the morning service and heard Chaplain J. R. Barnett in a stirring message. In the evening services some 80 or more assembled for Training Union Study and Youth Night of Song Sermons. After the services, pie and coffee or pop were served to everyone in a fellowship hour together. Many visitors and old timers were together in a spirit that was good to see.

A Friendly Church invites a friendly visit from you.

mer and Mrs. Alley visited another daughter and family, Mr. and Mrs. R. G. Wood and Sandra Kay, of Salt Flat, Texas. They also visited in Carlsbad, N.M., and Guadalupe Canyon, and other parts of the mountains there. Mrs. R. G. Wood has been ill, but doing fine at this time.

**Specialist Advises Measures Against Conifer Blight**

Along about this time of year, evergreens should be well protected from the conifer blight, a fungus disease that often attacks Arizona cypress, and sometime pfitzer junipers, arbovitae and occasional native cedars.

A. A. Dunlap, head of the Texas A&M College department of plant pathology and physiology, says that conifer blight causes a browning of the green needles or leaves, and later on the entire tree may appear dead. The disease shows up the most right after swarm rain the late spring or early summer. And it is at this stage the blight is most apparent as a browning foliage

**States Have Exhausted All Federal Aid Funds For Road Building**

Virtually all of the federal-aid funds provided under the 1944 postwar Federal-Aid Act have been expended on new roads, Col. E. R. Needles, president of the American Road Builders' Association, stated in a recent dispatch from Washington.

"Out of a total authorization of \$1,500,000,000 (b), the sum of \$1,425,394,287 (b) has been expended for new highway construction completed or in the process of completion," Col. Needles said. "This figure indicates that the states have matched under the act. They have done so in the face of material and labor shortages of the tremendous demand for new roads."

**Nation's Farms In Midst of Greatest Mechanization Era**

We are definitely in the midst of the greatest farm mechanization era of all times, says W. L. Ulrich, extension agricultural engineer of Texas A&M College. Here is some proof so far as Texas is concerned.

At the beginning of this year, some 211,799 tractors are in use on Texas farms. Today approximately 82 per cent of the cultivated land in the state is plowed with tractor power. In the case of wheat, oats, and other small grains, 86 per cent of the harvesting is done with power equipment.

"Live Power" program. This fact is proved by the records submitted by former winners in this program.

White sidewall tires, as illustrated, available at extra cost.

**it's ROADMASTER!**

When this sight greets you in your rear-view mirror—mistake give over!

Making you is just about the performer on the road today wise drivers long ago learned only thing to do with ROADMASTER is give it road room and as it passes.

It is—ROADMASTER is something excitingly new in fine cars.

Big, yes—stretches a gorgeous eighteen feet, with all that such size means in comfort and inside stretch-out space.

But part and parcel of every one of its 4,400-odd pounds is the fastest footwork on the highway. Action is the key of every part, from its 150-hp Fireball power plant to the swift, silken, unbroken surge you get from Dynaflo Drive.

As a matter of fact, action's even invited by the price tag. By the pound, by the inch, by any yardstick you want to lay against it, it's the buy of the fine-car field.

For proof, just gather a few delivered prices on other cars and bring them around. We'll show you so much more for your dollar you'll waste no time getting an order in.

**BUICK alone has all these features**

- Silk-smooth DYNAFLOW DRIVE
- FULL-VIEW VISION from enlarged glass area
- SWING-EASY DOORS and easy access
- "LIVING SPACE" INTERIORS with Deep-Cradle cushions
- Buoyant-riding QUADRIFLEX COIL SPRING
- Lively FIREBALL STRAIGHT-EIGHT POWER with SELF-SETTING VALVE LIFTERS plus HI-POISED ENGINE MOUNTINGS
- Cruiser-line VENTIPORTS
- Low-pressure tires on SAFETY-RIDE RIMS
- DUREX BEARINGS, main and connecting rods
- BODY BY FISHER

**KITCHEN MEMO** BY JEAN CLARKE

Many a good homemaker hesitates to cook fish. Yet it can be cooked so many different ways and is a welcome change for a main course. Fish Casserole uses either fresh or frozen fillets. Wash 2 lbs. fillets. Wipe with cloth. Break into large chunks and place in greased casserole. Cover with 1 pt. sour cream, 1/4 lb. grated cheddar cheese, 1 small minced onion, 1/4 cup white wine (or 1/4 cup lemon juice), 1 tsp. salt, 1/2 tsp. pepper. Bake in moderate gas oven (375°F.) for about 30 mins. Serve on hot noodles—2 cups, noodles boiled in salted water for about 8 mins. Serves 4.

A new aluminum foil that saves cleaning time can be put on the bottom of your broiler to catch grease from cooking foods. Use once and throw away.

There are only three uses for cold water in the average home but there are 140 different uses for hot water. An automatic gas water heater ensures a reliable supply of hot water whenever it is needed.

Take eggs out of the refrigerator ahead of time when you plan to beat them. They whip up faster and better at room temperature.

Simmering is an excellent cooking method used by good cooks to retain food values. Turn the gas low to simmer position to keep soups, stews, vegetables and fruits gently cooking.

Evaporated milk can be soured by stirring in well 2 tsp. lemon juice to one cup milk.

### Job Outlook Brightest In Baker, Barber, Butcher Fields, BLS Handbook Shows

The federal government offers this advice to young people trying to decide on their life work—the opportunities for a steady job are better for butchers, bakers and barbers than for newspaper reporters, radio announcers or lawyers.

These conclusions are stated in an elaborate 545-page handbook released Saturday by the Bureau of Labor Statistics for use in all federal agencies that give coun-

selling service. The Veterans Administration will use the booklet to aid disabled veterans taking educational and training courses.

The career outlook on 288 different types of jobs is contained in the handbook, which comprises a sort of "Baedeker guide" for college and high school graduates trying to decide how best to make their way in the world. Farming possibilities in all parts of the country are covered but young

people are warned that "farming is not an easy occupation" and "long days of hard work" must be faced by those who want to till the soil.

The medical field has "very good prospects for those able to gain admission to medical schools." Civil, electrical, mechanical and mining engineers also are good prospects for well-trained persons.

Radio operators in the telephone and telegraph industry are faced with a small field of employment and very few job openings expected. Airplane pilots are entering an overcrowded occupation.

There are good employment

Symbolic of the "Growth through service" of John Tarleton Agricultural College at Stephenville is the Auditorium Building. It stands on the site of the original college building where fifty years ago, on Sept. 3, 1899, a group of 114 students were the first to enroll. Now with an annual enrollment of over 1,000, Tarleton will combine on April 30-May 1 the Annual Parents Day and Ex-Students Homecoming Reunion with a Semi-Centennial Celebration in a gala two-day festival. President E. J. Howell is the first president of Tarleton since it became a state school in 1917.

PRESIDENT HOWELL

prospects for certified public accountants. Interior decorators can expect good employment prospects for well-qualified persons. Photographers are entering a field with limited numbers of openings, but commercial art is a field with good prospects. Budgeting lawyers are facing a profession somewhat overcrowded at the lower levels.

The hotel trade has some job openings for front-office clerks, bellmen and baggage porters but nothing for bell captains and head baggage porters as the positions almost always are filled by promoting experienced men. If you want to be a cook, prospects on a long-range basis are good, but bartending is an overcrowded field likely to remain so, at least in the near future.

Prospective policemen can enter an expanding field with room for several thousands of newcomers each year. But hopeful detectives will find the field limited because such jobs are nearly always filled by promotion of uniformed policemen.

Secretaries are going to be needed for the next 59 years, at least, so employment prospects are good. The same goes for filling station attendants and barbers.

Job opportunities will expand for carpenters, bricklayers, electricians, paper hangers, plumbers and plasterers, but painters have an overcrowded field to contend with. Mechanics can look forward to very good opportunities but radar technicians are faced with a very small but expanding field.

Shoe repairing is not an expanding vocation but all-round machinists can expect continued employment and the printing trade is one of good opportunities. Railroad work is expected to decrease over the long run.

Prospective newspaper reporters will run into an occupation somewhat overcrowded at present, with continued limited opportunities in the long run.

### WTU Will Install Huge Generator At Abilene Plant

West Texas Utilities Company has completed preparations for installing a new 20,000 horsepower turbo-generator at the Abilene power plant.

Construction work has been going on for more than two years getting ready for this 170-ton precision machine whose output of electric energy will more than double the plant's generating capacity—a capacity which only last July was doubled by the installation of a 10,000-horsepower unit.

The first of five freight cars needed to transport the monster machine from the factory has already arrived. Two more cars loaded with component parts are now in transit. The generator itself will arrive in the next few days.

Two special factory erection crews will work ten hours a day, six days per week in order that the turbo-generator will be ready for tests and put into operation early in June.

This generating unit was ordered April 1, 1947, and company plans and work for the expansion program that order many months. When the unit goes into operation this summer, it will have taken more than four years overall to complete the project.

This generator will provide additional electric power for the industrial and agricultural development of West Texas, said Price Campbell, WTU president. The Abilene plant expansion is a basic part of the company's \$20,000,000 construction program to provide more and better electric service for the area we serve.

The installation of the new generating unit is but a small part of the necessary work, Mr. Campbell pointed out. The addition to the Abilene plant building constructed to house the 10,000-horsepower unit installed in 1948 and the 20,000-horsepower unit now being installed is equity and concrete building masonry high. Acres of concrete had to be poured and millions of pounds of steel set in place preparing the foundation for the generating units.

Two 115,000-pound per hour steam boilers have been installed to run the unit.

One of the men a utility company Campbell, is power needs. trial expansion West Texas made forecasting of needs the number our engineering

These are the homes

These are the people

THESE are the people who own your electric light and power company. Chances are you are one of this group, too.

They represent a cross-section of America—housewives, doctors, teachers—industrial workers, craftsmen, farmers—mechanics and milkmen. Yes, people from all walks of life have put their savings into companies like ours. They're direct owners.

But there are countless indirect owners, too—many who don't know they have a stake in the electric industry. They're people with life insurance policies and savings accounts. When banks and insurance companies accept your money, they must invest it wisely and productively. And because business-managed electric companies have a long record of successful service, much of that money is invested in utility securities.

So, you see, the electric industry is owned by the people it serves.

West Texas Utilities Company
