Quarter Horse Show Changes Will Be Made

There were more than 350 entries last year in the quarter horse show, setting a record for the Southwestern Exposition and Fat Stock Show and the Fort Worth exposition is looking forward to another outstanding show. General dates are Jan. 27 through Feb. 5.

The name, Quarter Horse, goes back to early days and comes from the speed that this horse displayed at a short distance, usually a quarter of a mile. A quarter horse's temperament adapts him to the handling of cattle and to rodeo contests and general pleasure use.

Quarter horses will be in two classes—halter and performance. Performance, in turn, has two divisions—cutting horse and roping horse competition. This is an innovation which was begun last season.

Roping and cutting will be divided into two classes, junior (foals of 1946 or later) and senior (foals of 1945 or before), another innovation made a year ago.

There will be the usual halter classes for yearlings, two-year olds, four-year olds and older, for stallions and mares. There will also be a halter class for geldings. All geldings are required to show in the performance class.

A new procedure will be instituted at the 1950 show: the dividing into two classes of aged mares—a class for maiden mares and a class for mares which have produced one or more foals.

In halter classes, in response to requests from a great number of exhibitors, all stallions and mares 3 years old or older (except mares that have produced one or more foals) must be brought into the arena under saddle and shown at walk, trot and canter and will be judged on way of going and manners. No penalty will be given unless the entry is very fractious or has a poor way of going. Then the entries will be called to the center of the arena, saddles removed and judging for conformation will take place.

The Quarter Horse show is approved by the American Quarter Horse Association. The judge will be Orville B. Burtis of Manhattan, Kansas, who operates the Davis Ranch, well-known for its good cattle and quarter horses. Closing date for entries is Jan. 5. Horses must be on grounds Jan. 26, which

is a day ahead of the opening of the Stock Show, the reason being that, beginning at 10 a. m. on opening day, quarter horse performance judging will be held. Premium lists are now being prepared and will be mailed in the near future.

Progressive Study Club Members Hear Art Lecture

Miss Juanita Tittle, director of the arts department in Abilene Christian College, Abilene, Texas, was guest speaker at the Progressive Study Club's regular program Thursday, Nov. 3, 1949 at 7:30 p. m. Her discussion of "Women in Art" brought out the fact that women, as painters, were shunned by society less than a quarter of a century ago, but now they are beginning to be accepted. She said, "Everything in life is art, or pertains to it. The houses we live in, the clothes we wear and even the food we eat—at first were drawings on paper." West Texas is a pioneer field in art, and many encouraging developments are being made by the women in this area. The talents of West Texas women were revealed when she displayed a variety of pictures done in oil, water color, pastel, lithography, block print, and a few ceramic pieces.

This discussion by Miss Tittle culminated activities of the American Art Week, November 1-7, sponsored by the American Artists Professional League, New York City, and endorsed by the General Federation of Women's Study Clubs, celebrated by the Progressive Study Club of Haskell. Prizes of the local elementary school art exhibit were given to the respective winners: Janet Pennington, South Ward, 1st; Wendell Campbell, South Ward, 2nd; Martha A. Bynum, North Ward, 3rd.

At the business meeting Mrs. W. O. Holden was elected treasurer to succeed Mrs. S. E. Corvin, whose resignation was accepted. Mrs. Joe Tyson was elected as delegate to the State Federation Convention of the Texas Federation of Women's Clubs to be held in Austin, November 16-18.

Hostesses for the evening were Mrs. A. W. Weaver and Mrs. James E. Ferguson. Tea was served to the following guests and members:

Misses Tittle and Marguarite Anderson, of Abilene, Mmes. Brucite Nellums, Fred Brown, E. B. Henshaw, Ike Peel, Tom Parks, Haskell and Carrol Bledsoe, Pevette McCollum, Roberta Phillips, Orel Nanny, Jim Byrd, Paul Lake, W. O. Holden, A. E. McMillen, Royce Smith, Pam Herren, Wix

Miss Etta Jean Oman, Clarence E. Searcey Wed In Rites at Weinert Baptist Church

The Weinert Baptist church was the setting for the wedding ceremony Saturday, Nov. 5, at 6 p. m. uniting Miss Etta Jean Oman, daughter of Mr. and Mrs. Frank Oman of Weinert and Clarence E. Searcey, son of Mr. and Mrs. A. M. Searcey of Munday.

The Rev. Max Copeland, pastor, officiated for the rites. Baskets of large white chrysanthemums, greenery, and cathedral tapers in floor candelabra were used as decorations for the church.

Fred Searcey, brother of the groom, was best man, and Mrs. W. A. Dutton of Vernon, sister of the bride, was matron of honor. Ushers were Scottie Oman and L.C. Searcey, brothers of the bride and bridegroom.

Mrs. Connor Horton was organist and played the Bridal Chorus by Lohengrin and Mendelssohn's Wedding March.

The bride wore a street length dress of blush beige wool jersey, the bodice designed with high neckline and studded with rhinestones, and navy accessories. She wore an arrangement of split orchid carnations in her hair and carried a white Bible topped with an orchid.

The matron of honor wore a dress of plum crepe with draped neckline and fitted bodice with small self-covered buttons down the front. Her corsage was of yellow rosebuds.

Following the wedding, a reception was held at the home of the bride's parents. Baskets of white mums, white snapdragons and white carnations formed the attractive decorations in the reception rooms. The reception table was covered with an imported Belgian linen cloth. An arrangement of white carnations encircled the crystal punchbowl, presided over by Miss Betty Oates of Haskell.

Mrs. Connor Horton cut and served the bridal cake, which was topped with the traditional bride and groom figurines. Mrs. Gene Brown of Munday presided in the room where the wedding gifts were displayed. Guests attended from Seymour, Goree and Dallas.

Following the reception, the couple left for a wedding trip to San Antonio and points in Old Mexico. After their return, they will be at home in their new residence at Munday, where Mr. Searcey is engaged in farming.

Stamford Legion Post Will Sponsor Armistice Day Program and Dance

The annual observance of Armistice Day will be sponsored by Hart-Masters Post of the American Legion in Stamford on November 11, post officials announced Tuesday.

As has been the custom in past years a program appropriate for the occasion will be held on the square at 11 o'clock.

The local post will hold open house at the hall on East Moran St., from 9 o'clock throughout the day. All ex-service men and Legionnaires are invited to come and go as they please during the day. Plenty of comfortable chairs, domino tables, table tennis, and of course, the coffee pot will be kept well filled, it was stated. Zack Coombes will be on hand to welcome visiting ex-service men and Legionnaires.

At 2:30 in the afternoon the Stamford Bulldogs and Anson Tigers will tangle at Bulldog Field in their annual football classic. Regardless of the record of either of these teams for the season, this is always a fine exhibition of high school football, and the cash customers will get a run for their money when these two eleven square off.

Climaxing a membership drive a supper will be held at the Chuck Wagon at 7 o'clock. This is open to all ex-service men and

Legionnaires. Plates are one dollar, and those expecting to attend are requested to make reservations early. Contact the Chuck Wagon personally or mail reservations to Elmer Jeanes, post commander, at 214 E. Campbell.

To top off the day a dance will be held at the Round-up hall at the reunion grounds. This dance is open to the public, and those attending will enjoy an evening of dancing the square, Virginia reel and modern and popular dances, it has been announced.

After the meeting refreshments were served to the following: Mmes. Felix Klose, Ida Von Goben, Alfon Peiser, George Moeller, Jr., George Klose, Paul Fisher, Herbert Fisher, Ernest Peiser, John Stewart, Turner Grogan, Willie Peiser, Henry Druessdow, Jr., Gus Rueffer, Rev. and Mrs. Hoermann, and a visitor, Mrs. H. B. Hill of Littlefield. All reported an enjoyable afternoon.

Friendship H-D Club Meets With Mrs. Newton

The Friendship H. D. Club met Friday, Nov. 4, in the home of Mrs. Edward Newton. Opening exercise was our club prayer. Minutes were read and approved. Financial report was given by the assistant secretary.

A Thanksgiving supper was discussed and each member decided what they would bring.

Three slick tricks were given. The demonstration on treating leaves and making corsages from pine cones and sweet gum balls was given by Mrs. Dewayne Vaughn.

Love Pal gifts were exchanged and refreshments were served to the following:

Cotton Research Lab Is Dedicated To War Hero

The memory of J. O. Beasley, Texas scientist who was killed in action in Italy in September, 1943, age 34, was perpetuated last week with the dedication of Beasley Laboratory on the Texas A. and M. College campus, Thursday, November 3.

Dr. P. V. Cardon, head of the USDA Agricultural Research Administration, Washington, D. C., and Chancellor Gibb Gilchrist of the Texas A. and M. College System took part in the ceremonies.

The Texas Agricultural Experiment Station has been officially designated as the headquarters for cotton genetics research for the entire cotton belt, and Beasley Laboratory will provide facilities for this project as well as for graduate instruction.

The laboratory houses a genetics and a cytology laboratory, a seed storage and general work room, and a potting room. The two greenhouses, with a total of 4,590 square feet of floor space, will make possible research on live cotton plants the year round. The principles and techniques developed at the Texas Station will make available to cotton breeders everywhere.

Beasley was a 1932 Texas A. and M. graduate; received his masters degree from A. and M. in 1934 and his doctorate from Harvard in 1939. In work with the Texas Stations division of agronomy in 1932-36 and from 1939 until he was called to duty with the armed forces in March 1942, he became interested primarily in genetics and cytogenetics of cotton and specialized in interspecific hybridization. Many species of cotton produce only sterile hybrids when crossed; he pioneered in the technique of doubling the number of chromosomes in cotton and by this means, obtained fertile hybrids between many species.

These discoveries opened a new field in cotton breeding and some of the genetic stocks he produced have become the foundation for new strains for the cotton belt.

Dr. R. Richmond is head of the regional cotton genetics research project, which is financed largely through USDA Research and Marketing Act funds. Asso-

ciated with him in the work are Dr. Meta S. Brown and Dr. Margaret Y. Menzel, cytologists; and C. F. Lewis and C. W. Manning, associate professors of agronomy. Dr. Brown was Beasley's assistant and Lewis and Manning worked under his direction as graduate students. Dr. Richmond was a co-worker, as was D. T. Killough, another of the Station's cotton breeders.

The resident instruction program made possible by the facilities of Beasley Laboratory has already attracted graduate students as research assistant from Missouri, Georgia, Mississippi, and Arizona as well as Texas.

The greenhouses contain wild and primitive species of cotton collected from all over the world.

Adult Scouters Meet For Annual Dinner and Business Session

Forty one adult leaders and Scouts attended the annual dinner of the Haskell District to hear reports of the activities of committees and to name a committee to nominate officers for the coming year.

Chairman of the Haskell District, a member of the Chisholm Trail Council, is Judge B. C. Chapman who will retire December 1, after serving this fiscal year.

Judge Chapman extended greetings to guests from out of town that included workers from all points of this District, and Mr. and Mrs. Bob Glew, executive of the Council.

The Colors and Pledge of Allegiance was presented by Jerry Laughlin, a Cub from Rule, J. A. Sample, a Scout of O'Brien, and Jimmy Ratliff, an Explorer from Haskell. They were presented by Joe Tyson, Scoutmaster of Troop No. 36, Haskell.

The first phase of the program was a report from committees that included: camping and activities by A. M. Turner; advancement, Doyle Eastland; organization and extension, Dr. T. W. Williams; leadership and training, H. R. Spain; and finances, by R. L. Burton.

A short talk on the importance of Scouting in the Community, and a report on the current "Strengthen the Arm of Liberty" crusade was given by Glew.

The second phase of the program was given by Jerry Laughlin, who gave a short talk on "Why Scouting is Fun", "Thanks Mrs., for Giving Us Our Scoutmaster," was given by J. A. Sample, and "Thanks, Scouters All, For Helping Us to Become Citizens," was ably presented by Jimmy Ratliff.

The third phase of the program was the naming of a nominations committee, composed of A. M. Turner, R. L. Burton, Dr. T. W. Williams, and D. S. Gothard to name a slate of officers for the new year. Their report will be made known before December.

The closing ceremony included the "Scout Oath" and the singing of "Taps" led by Joe Tyson. The invocation was given by H. R. Spain with Ralph Duncan serving as toastmaster.

when a claim is not filed promptly; no more than three months' back benefits can be paid.

When a 65 year old worker stops work, he should get in touch with the social security office without delay. When a worker dies, someone in the family should make it a point to inquire about possible benefits to the survivors. In either case, if action is delayed more than three months after death or retirement, one or more monthly payments might be lost.

To assist local residents in filing claims for social security benefits, Ralph T. Fisher, from the Abilene social security office visits Haskell regularly. He will be in Haskell again on Thursday, November 17, at the Chamber of Commerce, at 11:00 a. m.

Indians Win—

(Continued From First Page)
from the 10 yard line following their recovery of a Haskell fumble on the forty.

That was the only score for the losers who seemed to become completely disorganized once the Indians began moving on the offense.

Scoring in every period, the Indians tallied late in the first when Miller went over from the two to end a drive of 67 yards on three plays. Ammons put the ball in scoring position with a 60 yard run. Rhoads kicked the conversion.

The second TD came as a result of a 61 yard drive with Ammons going over from the one. The drive was spearheaded by Miller and Ammons. Conversion failed. Lusk went over from the one following a pass play, Davis to Price, that was good for 59 yards. Conversion was blocked.

Davis broke through from the Throckmorton 35 to score standing up after Haskell had recovered a blocked Greyhound punt at that point. Bobby Jack Price kicked the extra point to put the Indians ahead 26-6 at the half.

In a wild third period that minus 7 yards in running plays. Haskell added two tallies when Davis went over from the 17 yard line to climax an 81 yard drive that began on the Indian 2 as a result of a pass interception by Davis. Lusk added 6 points when he went over from the nine yard line to end a 75 yard march down the field.

Two additional touchdowns were racked up in the fourth period by the Indians when Davis slipped through tackle from the 18 following a blocked punt recovery at that point. The final tally came when White, who displayed fine offensive drive and was a standout on defense, went

over from the 9 to end an 82 yard drive.

First downs favored Haskell 26 to 7, who punted only once for 27 yards as compared to 7 punts for the losers with 92 yards, two of which were blocked for no gain. Haskell completed 5 of 6 passes for 100 yards, with Throckmorton completing 5 of 20 for 100 yards. Three Greyhound passes were intercepted by the Indians. Haskell was penalized 6 times for 60 yards, while Throckmorton lost 40 yards on 6 penalties.

Line-ups:
Haskell: Lusk, Miller, White, Flannery, Davis, Rhoads, Mullins, Strain, Lane, Ammons, Price.
Throckmorton: Boyd, Moses, Smith, B. Cooke, Rankin, J. Cooke, Noles, Whitaker, Harrington, Riley, Carrossan.
