

Haskell Allotted Fifty-Unit Low-Cost Housing Project

FIVE ADDITIONAL CANDIDATES ADDED TO LIST OF POLITICAL ASPIRANTS THIS WEEK

John H. Banks, District Attorney, will be a candidate for re-election to his present office in the coming primaries.

Carroll C. Bledsoe Dies Friday At Home of Parents

Carroll C. Bledsoe, 47, former businessman here and at Lubbock, Texas, died Friday Jan. 13 at 4 a. m. at the home of his parents, Mr. and Mrs. C. W. Bledsoe in this city. Mr. Bledsoe had been in ill health for some time, and had disposed of his business interests in Lubbock and returned to Haskell for the benefit of his health.

Born May 13, 1902 at Van Alstyne, in Grayson county, he came with his parents to Haskell in 1911, and attended Haskell schools. He had been a member of the Baptist Church for many years.

In addition to his parents, he is survived by two brothers, C. W. Bledsoe Jr., of Lamesa, and Edwin Bledsoe of Abilene; and a sister, Mrs. Allen Adams of Abilene.

Funeral service for Mr. Bledsoe was held at the First Baptist Church Saturday Jan. 14 at 2:30 p. m., conducted by the Rev. Allen O. Webb, pastor of the First Baptist Church. Interment was in Willow Cemetery under direction of Holden Funeral Home.

Active pallbearers were Frank Draper, Doyle Eastland, R. C. Jones, Royce Adkins, Oscar Oates, Charlie Quattlebaum, Grady Brown and I. L. Whitaker.

Named as honorary pallbearers were Bert Orr, Benny Lain, Robert Segal, L. H. Henshaw, Ray Eastland, Bob Robertson, Otta Johnson, G. C. Bartley, M. J. Lain, Bob Dunnam, G. H. Taylor.

W. V. Section Crew Again Stationed In Haskell

The Wichita Valley Railway has re-assigned a section crew in Haskell, for maintenance and improvement work of railway properties in the Haskell area, according to Porter Sadler, local agent for the company.

Stationing of a maintenance crew here was discontinued several years ago during the war, due to labor shortage and other factors.

Foreman and superintendent of the maintenance workers stationed here is Melvin Morgan. Other members are C. A. Morgan, C. L. Gibson, Thelms Henderson, B. D. Russell, Luther Butler, and J. E. Hobbs.

ANNOUNCE ARRIVAL OF DAUGHTER

Mr. and Mrs. Ocie Mitchell are announcing the arrival of a daughter, Judy Gall, at the Haskell Hospital Saturday, January 14th. She is the granddaughter of Mr. and Mrs. O. U. Connolly, and Mr. and Mrs. Homer Mitchell of Stamford.

IN FORT WORTH

Mr. and Mrs. Sam A. Roberts will spend the week-end in Fort Worth with relatives.

Rochester Boys Win Knox Grass Judging Contest

The second grass judging contest sponsored by the Supervisors of the Wichita-Brazos Soil Conservation District was held at Knox City, Saturday, January 14. Thirty boys representing four FFA chapters and the Knox County 4-H club competed in the contest. FFA teams entering were Rochester, Weibert, Knox City, and Munday. Top honors went to the Rochester FFA chapter, with second place going to Weibert FFA chapter and third place to the Knox City FFA chapter. In individual scoring the high scorer was Eobey Dean Glover of the Rochester team, second high was Bruce Lee of the Rochester team, and third high was Jackson Williams of Rochester.

The Rochester team was composed of these three high placing boys and was instructed by Kenneth Roberts, Vocational Agriculture instructor. The Weibert team was composed of Johnny Sargent, David Hobbs, and Keaton Jetton and was instructed by W. Medford. The Knox City team was composed of Paul Sanders, Kenneth Hobbs, and Charles Paek and was instructed by L. E. Groves.

The boys spent the morning judging eighty - two different specimens of grass, forbs, shrubs and legumes. The Rochester FFA team will represent the District in the grass judging contest at the Fort Worth Fat Stock Show. The Knox City FFA team will represent the District at the Houston Stock Show grass contest.

Sheriff R. M. Cousins, popular young West Texas peace officer now serving his first term as Sheriff of Haskell county, has announced his candidacy for a second term in the coming Democratic primary.

Scout Jamboree Set Monday Night At First Methodist

All Boy Scouts, parents and leaders in the Haskell area, and all others interested in Scouting were invited this week to attend Scout Jamboree at the First Methodist Church in this city Monday evening, Jan. 23, at 8 p. m. Announcement of the meeting was made today by the Rev. Vernon Henderson, district chairman of Scouting for Haskell county. Arrangements for the meeting were completed Tuesday, when Robert Glew, Area Scout Executive of Abilene, was in Haskell to confer with Rev. Henderson and other Scout leaders.

A highlight of Monday night's meeting will be the showing of a film made at the 1947 International Scout Jamboree in Paris, France. Talks concerning the forthcoming National Scout Jamboree, to be held next summer at Valley Forge, Pa.

Concluding the evening's program will be a district Scouters meeting, at which time Rev. Henderson will announce appointments for the Haskell district for the current program of Scouting.

Friendship Baptist Services to be Held In New Building

Congregation of the Friendship Baptist Church will hold the first services in their newly-completed church building, located on South 7th Street and Avenue F, next Sunday.

A special program is being planned for the afternoon, in addition to the regular services. Rev. Joe Scheets, pastor, has announced. An invitation is extended to the public to attend the services in the new church home.

Regular schedule of services will be observed, with Sunday School at 9:45, followed by morning preaching service at 11 a. m.

Special services have been planned beginning at 2 p. m., and out-of-town speakers will appear in this program. Rev. Scheets will bring the evening message at 7 p. m.

The church was organized in June, 1949, and the congregation shortly afterwards launched plans for a permanent building. While the new structure has been under construction, services have been held in the O. E. Nuckles home in South Haskell.

Officers Installed For Haskell, Rule Rebekah Lodges

Haskell Rebekah Lodge No. 43 met Monday night, Jan. 9th with Rule Rebekah Lodge No. 163. The Haskell Rebekahs installed officers for both Rule and Haskell lodges.

Officers for Haskell lodge are: Mrs. Della Ashley, N. G. Mrs. Jewell Perdue, V. G. Callie Robertson, secretary. Mrs. Trudy Wheeler, treasurer. Mrs. Della Barton, chaplain. Mrs. Opal Barker, I. G. Mrs. Ethel Bird, O. G.

The Haskell Rebekahs meet each Monday night at the City Hall, and all members are urged to attend all meetings possible.

Visitors introduced included Mr. and Mrs. Jetty V. Clare, new citizens of Haskell and publisher of the Free Press; Bob Glew, Scout executive of the Chisholm Trail Council, Boy Scouts of America, Abilene; Ern Lowe; Mrs. R. W. Herren, Mrs. Joe Tyson, and Mrs. Wallace Cox members of the local polio committee, the Rev. Allen O. Webb and Alex Edwards of Abilene.

Annual "March of Dimes" Underway Over County

NEW PRODUCER ADDED AS WEST EXTENSION TO LAWSON POOL; WEST HASKELL PRODUCER SEEN

Completion of a west extension to oil production in the Lawson field five miles east of Haskell, together with an early verdict on indicated Strawn sand discovery three miles west of Haskell held interest of oil operators in the Haskell area this week.

East of Haskell, the Thos. D. Humphreys No. 1 J. A. Landess was brought in Tuesday with heavy indicated production in Palo Pinto lime in the 2,750 foot horizon. After being cleaned out the well flowed natural and was shut down to await storage and railroad commission test. Location is in the northwest section of the Landess 100 acre tract in L. Willoughby Survey, Humphreys, Dallas oil operator who has been active in Haskell county oil development, has skidded rig two locations west, to the 100 acre Gililand tract in the same survey. Drilling to set surface pipe was expected to be underway today.

In hitherto unproven area three miles west of Haskell, Sojourner Drilling Company were reported preparing for completion of their No. 1 W. P. Crouch, prospective Strawn sand discovery. Drilled 30 feet into indicated pay at 5200 feet, the well flowed when pay was first topped. Operators will try for completion with nitroglycerin shot, it was reported.

In the south Haskell field opened by Stanolind in the Canyon reef, that company was running Schlumberger test Thursday to pick top of Ellenburger in their No. 4 Pleasants, protected to develop Ellenburger production below the reef pay zone around 3600 feet. Operators on the No. 4 Pleasants have been hampered most of the week, due to lost circulation and poor sample. Drilling had progressed to 5430 feet in lime, operators reported.

East of the Lawson pool, Bennett No. 1 Frierson was shut down Thursday awaiting repairs after the cable test had reached the 500 foot horizon and was drilling in lime. Permit is for 5,000 feet.

Waterwork School Scheduled Here

A Water Works Short Course for training men employed in operation and maintenance of municipal water systems, will be held in this city beginning Jan. 30 and closing February 10, it was announced this week. The project is being promoted by Roy Cywert, Field Director of Certification of the State Department of Health, who met with the City Council this week in connection with the proposition.

The school will be conducted by Texas A. & M. College Extension Service in cooperation with the City of Haskell.

Johnny Williams from A. & M. College will be instructor for the short course. The school will be set up to include all waterworks men within a radius of 50 miles of Haskell.

The school will give 20 hours credit to each man who attends, toward becoming a certified operator. At the conclusion of the school, the State Health Department will supervise examinations for those water works men who want operator's certificate.

The first class will be held at the City Hall in this city, Monday January 30 at 7:30 p. m.

Caution Lights To Be Installed in Two School Zones

Work was to be started today on installation of "blinker type" traffic caution lights on highway 277 at the South Ward and North Ward school zones, Mayor Courtney Hunt reported.

The automatic signals will be furnished and installed by the State Highway department, and will be maintained by the city. An ordinance providing for the installation of the traffic control signals was approved by the City Council at a meeting Wednesday night.

Willie Mae Fouts has returned from Overton, Texas, where she visited in the home of her sister and family, Mr. and Mrs. Theodore Pace.

The annual March of Dimes campaign for funds in the fight against polio over the nation got underway in every community in Haskell county on Monday opening day of the program, when members of the various committees began the solicitation of funds.

A national record was perhaps established in this county when O'Brien, a community of 150 citizens, reported \$843.30 collected the first day of the campaign. This is almost \$6.00 per capita, and a spokesman for the committee there said the community had expected a tentative quota of \$1,800 and expected to raise that amount by January 31, closing day of the campaign. "We are going all-out here to do our part in stamping out the dread disease polio, and every person in this community will be given the opportunity to do their part," committee members further declared. Workers in O'Brien on the solicitations committee are Elmo Stephens, chairman; S. N. Reed, co-chairman; T. E. Beason, Rev. C. A. Powell, D. S. Gotard, and Joe Davis. Every citizen of O'Brien and in the surrounding territory is an honorary member of the workers committee.

Other first day reports included \$549.00 subscribed in Haskell slightly over \$300.00 in Rochester, and more than \$800.00 in Rule.

J. M. Crawford, Haskell county chairman for the campaign, urged that all committee workers complete their canvass as early as possible that the local campaign might be completed by Jan. 31, closing day for the national campaign.

Haskell county faces a challenge this year, Crawford declared. During 1949, \$4400.00 was contributed to the polio fund while the National Foundation was spending almost \$14,000.00 for treatment of 12 Haskell county patients.

This difference of almost \$10,000.00 is a moral obligation to this county, and it is the desire of the county committee to eliminate this deficit.

To do this, there must be more larger donors than in the past, and a much larger number of average and smaller contributors. While no quota has been set for the county it is hoped that a minimum of \$1,500.00 can be subscribed. Every person in the county having their part will assure a successful campaign.

Every dime and dollar given during the campaign will be used for treatment of polio patients and for research to minimize or eliminate the disease. 1949 was the worst polio year in Texas history with many cases still under treatment.

Various methods of collecting this fund are being used over the county, and include personal solicitation, miniature iron lungs for collecting coins, cards distributed to every school child in the county that hold 5 dimes, and collections through churches and other public gatherings. This will give every one the opportunity to participate.

However, you are urged not to wait to be solicited, mail your check to "Polio" in care of a committee worker and you will be credited with the contribution.

In Haskell the committee workers are J. M. Crawford, Chas. M. Conner, W. L. Coggins, R. L. Burton, Ralph Duncan, Mrs. W. P. Trice, Mrs. Joe Tyson, Mrs. R. W. Herren, Mrs. Wallace Cox, and A. C. Pierson.

An up to date report in the progress of the county campaign will be published throughout the county next week.

Singing Will Be Held at Pinkerton Church Sunday

Announcement was made this week that a singing will be held at the Pinkerton Baptist Church, 3 miles east of Rule, Sunday January 22. The program will begin at 2:30 p. m.

All singers and music lovers of this section are invited to attend and take part in the program.

Veterans In County Get \$44,395 In VA Benefits In 1949

Disabled war veterans of Haskell county received a total of \$44,395.20 in direct monetary benefits through the Veterans Administration during the past year, reports Elmer Turner, Haskell County Service Officer.

Although figures for the previous year were not available, the 1949 total reflects a substantial increase in direct benefits for sick or disabled veterans over any previous year, Turner said.

District Judge Ben Charlie Chapman of this city, announced his candidacy for re-election this week.

Mart Clifton New Manager of CWT Warehouses

Appointment of Mart Clifton, Haskell businessman and former county official, as manager of the Central West Texas Warehouse interests in this city, has been announced. Mr. Clifton has already assumed his duties.

He succeeds Raymond Grindstaff, former manager, who supervised construction of the warehouse properties, which are owned by Fort Worth interests.

The warehouses, designed primarily for storage of cotton and cottonseed, are located on the site of the old Oil Mill in the southeast section of the city. Improvements represent an outlay of approximately \$75,000, making the project one of the city's largest industrial developments in recent years.

Since the warehouse and adjacent storage yards were placed in operation, the company has handled more than 15,000 bales of cotton, Clifton said this week. Seven thousand tons of cottonseed have been placed in storage with the company, representing seed purchased by the Commodity Credit Corporation. Clifton explained. Approximately 10,000 bales of cotton are now in storage here, he said.

Permanent warehouse facilities include one building, 100x200 feet in size, with a capacity of 4,000 bales of cotton. A second building, now nearing completion, will be 100x300 feet with a storage capacity of 6,000 bales of cotton, according to Clifton.

City Secretary and Marshal's Offices Made Appointive

The Haskell City Council, in meeting this week, adopted an ordinance making appointive the offices of City Secretary and City Marshal, under provisions of revised statutes passed by the last session of the Legislature, governing administration of cities operating under general laws.

The offices of City Marshal and City Secretary here heretofore been elective.

Under terms of the new ordinance, the two municipal posts become appointive positions in April, end of the current fiscal year for the city. Present elected officials serving in these two capacities are City Secretary T. J. Arbuckle and City Marshal E. J. Treadwell, whose two year terms end in April, 1950.

Dr. McCall to Preach At Presbyterian Church Sunday

Dr. Roy McCall and family have moved to Haskell from Shawnee, Okla. Dr. McCall will preach at the Presbyterian church Sunday at both morning and evening services.

4-H Club Boys Work, Control of Cotton Insects Occupied Much of County Agent's Time During 1949

County Agent F. W. Martin, and County Agent in Training, Ray Siegmund, spent a major part of the time working with 4-H club boys during the year 1949. The county agents devoted 146 days to 4-H work during the year. A total of 221 club boys were enrolled at O'Brien, Rochester, Sargent, Rule, Weinert, Paint Creek, and Haskell.

gardens, 18 boys had 885 hens, 20 boys had 20 dairy heifers, 30 boys fed out 38 beef animals and 60 boys fed out 103 hogs. The total sales on 38 beef calves marketed amounted to \$2,300,000 and sold for \$13,274.09. Seventy hogs sold weighed 15,400 pounds and sold for 38c to 50c per pound.

Beef calves were exhibited at Wichita Falls, Abilene, Haskell, Throckmorton, and the Dallas Fair. At Wichita Falls nine 4-11 calves were exhibited and sold. Fourth place was the highest for Haskell county. These calves sold for 38c to 50c per pound.

Hutchinson purchased a Duroc boar at the Dallas Fair that was a litter mate to the grand champion Duroc boar at the Fair. On August 8, 9 and 10 the following boys attended the District 4-H Encampment at Wichita Falls: Sam Adams, Larry Wheeler, Lester Hutchinson, Scotty Oman, Jerry Kainer, and Eugene Fischer.

A livestock judging team was coached during the year and they placed 2nd in the district competition. This team went to the State 4-H Round-Up in June and placed 18th in the state contest. The team was composed of Billy Middlebrook, Jerry Terrell, Sid Woodson, and John Carlos Montgomery.

Cotton insects were a big problem due to extra rains. A total of 219 days were spent by the county agents on cotton insect control. The county agents were assisted in the cotton insect control problem by Raymond Medford, Jr., Assistant County Agent in Training.

Insect counts were made on 475 farms in the county by the county agents. Recommendations were made as to control where needed. A total of 90,000 acres were dusted in the county from one to four times.

Grasshoppers were a big problem in the east and south parts of the county. A mixing station was established at Haskell under the supervision of the County Agent. A total of 541 sacks of wheat bran, 11,850 pounds of Sodium Fluosilicate, 35 tons of saw dust, and 10 tons of peanut hulls were mixed during the season.

A total of 50,000 acres of cotton were protected from grasshoppers by the poison bait.

Cotton insects were controlled by the use of DDT, Toxophene, and a 3-5-40 mixture of 3 percent B.H.C., 5 percent DDT, and 40 percent Sulphur.

The cotton flea hopper and boll worm were the most destructive insects, during the season. Scott White fertilized some sandy land near Judd with 16-20-0 at planting time at the rate of 100 pounds per acre. The County agents picked 100 feet rows and 100 feet on the unfertilized rows which were between the fertilized rows. The fertilized rows produced at the rate of 325 pounds of lint per acre while the unfertilized rows made 100 pounds of lint cotton per acre.

A total of 26 days were spent on Soil Conservation, 31 days working on small grains, 35 days working with grain sorghums. Dairy cattle and their problems took 43 days of the agents time, beef cattle 85 days, swine 68 days, and poultry 24 days.

Plans for 1950 are for more time and effort spent on Dairy cattle. Also much educational work will be spent on early control of cotton insects.

The 4-H club program will be expanded in the direction of more swine demonstrations and field crop demonstrations.

Governor Allan Shivers is pictured signing proclamation designating the period January 22-23, 1950, as Production Credit Week. Others in the picture are C. H. Matthews, President El Campo Association, Virgil P. Lee, President Production Credit Corporation, J. B. Pumphrey, Farm and Director Stamford Association, L. Roy Prescott, Secretary-Treasurer, Production Credit Corporation, Julius Brune, President Brenham Association, and Weldon L. Smith, Secretary-Treasurer Jasper Association.

Governor Proclaims Production Credit Week In Texas

In recognition of the achievement of 36 Texas production credit associations in re-paying to the U. S. Treasury all money advanced for original capital stock making the Texas associations member-owned and operated Gov. Allan Shivers has designated the coming week of Jan. 22-23 as Production Credit Week in Texas.

As part of the activities during Production Credit Week there is to be a state-wide directors' meeting in Houston, January 22-25. The first day of the meeting, Monday, January 23, is open to all members and employees in the

of the county. A mixing station was established at Haskell under the supervision of the County Agent. A total of 541 sacks of wheat bran, 11,850 pounds of Sodium Fluosilicate, 35 tons of saw dust, and 10 tons of peanut hulls were mixed during the season.

A total of 50,000 acres of cotton were protected from grasshoppers by the poison bait. Cotton insects were controlled by the use of DDT, Toxophene, and a 3-5-40 mixture of 3 percent B.H.C., 5 percent DDT, and 40 percent Sulphur.

Use of Benzene Hexachloride Said Harmless to Flocks

Haskell county poultrymen who use benzene hexachloride to protect their chickens from lice will find the chemical highly effective, says James A. Deer, assistant extension entomologist of Texas A. & M. College.

He says the Bureau of Animal Industry of the USDA has conducted tests that show the "musty" flavor that sometimes results in fruit and vegetables from the use of the chemical are not taken up by either the eggs laid immediately after delousing nor the meat of the birds that are protected by a BHC treatment.

Three groups of heavily infested chickens were freed from all trouble with lice by the simple, easy and inexpensive painting of their roosts with a suspension containing 1 percent of the gamma isomer of BHC. The treatment, says Deer, was liberal but not wasteful. Foul galons was ample to treat the roosts of more than 1,000 birds. The immediate effect was as a fumigant. Not a live louse could be discovered after a period of 48 hours, but here Deer points out that chickens must roost 48 hours after the treatment if it is to be effective. The test treatment was applied in the fall and was effective all through the winter.

Deer says that on the basis of tests made by the Bureau there is no longer any reason why poultrymen should not use BHC to rid their poultry flocks of the troublesome parasite—the chicken louse.

Among those attending this meeting in Houston will be the following from the Stamford Association: Mr. and Mrs. C. G. Burson Haskell; Mr. and Mrs. J. F. McCulloch, Stamford; Mr. and Mrs. J. B. Pumphrey Old Glory; Mr. and Mrs. Lasater Hensley Guthrie; Mr. J. Spurgeon Reeves Hawley; Mr. and Mrs. Clark Forbis, Afton; and Mr. and Mrs. J. L. Hill, Jr., Stamford.

HADACOL IS HELPFUL TO FOLKS OF ALL AGE GROUPS

Countless thousands have proved that HADACOL is beneficial to folks of all ages. That is the reason so many purchase the large economy size bottle so all the family can benefit from nature's vitamins and minerals in HADACOL.

For instance, Miss Ethel Guidry, 822 Montgomery St., Port Neches, Texas, only 17 years old, was "feeling nervous, had little appetite, her face was pale and drawn and she suffered from gas on the stomach."

Her system lacked the B Vitamins and Minerals which HADACOL contains and this may cause digestive disturbances such as heartburn, indigestion, and often times Miss Guidry says she could not eat the kind and type of food she wanted without feeling terrible afterwards.

Miss Guidry, who recently graduated from high school, is already working in a bank. She said that after taking several bottles of HADACOL she is now "feeling wonderful," and has "lots of pep and energy."

Most folks take HADACOL because it has worked such wonders for relatives or friends. Miss Guidry took HADACOL because her mother had taken 12 bottles with excellent results.

In nearby Port Arthur, Texas, Mrs. W. M. Thompson took HADACOL because it had done her husband so much good. He, in turn, had taken HADACOL because an elderly neighbor told him of "feeling so much better after taking several bottles of HADACOL."

Mrs. Thompson's normal weight is 135 pounds but she was down to 110 pounds before taking HADACOL and after taking a few bottles of HADACOL she regained her normal weight.

"I was bothered with stomach trouble, gastric disturbances, I had lost my appetite and was bloated," said Mrs. Thompson.

She had tried several preparations before taking her husband's advice on HADACOL and now she enthusiastically recommends HADACOL to her friends.

She, too, like Miss Guidry and the others, was suffering from the lack of the B Vitamins and Minerals in her system.

A lack of only a small amount of the B Vitamins and Minerals will cause digestive disturbances. . . . Your food will not agree with you. . . . You suffer from heartburn, gas and your food will not seem to eat the things you like to eat. . . . Many people also suffer from indigestion. And while these symptoms may be the result of causes, they are surely certainly the symptoms and signs of the lack of the B Vitamins and Minerals which HADACOL contains. And if you suffer from a disorder, there is no cure except the administration of the Vitamins and Minerals in your system lacks.

HADACOL contains not only five of the B Vitamins but four of the necessary minerals. It comes to you in a form, easily assimilated in blood stream so that it can work right away.

It is easy to understand, therefore, why countless thousands have already been benefited by this amazing tonic, HADACOL. So, it matters not where you live or if you have tried other medicines under the sun, wonderful preparation! Don't continue to lead a miserable life. Many persons who have tried and waited for 10 to 20 years, even longer, are able to live happy, comfortable lives because HADACOL supplies the Vitamins and Minerals their systems needed. Be true to yourself. Give HADACOL a try.

An All-Electric Kitchen means more time for play

When a Kitchen is Practical and Pretty of Course, It's Electric!

Stay young, Mother, with an all-electric kitchen! With modern time-saving, work-saving, electric appliances properly arranged in your kitchen, you'll find kitchen chores more enjoyable and you'll have more time for leisure. Your electric appliance dealer will be glad to help you plan an ideal kitchen. And remember, a modern kitchen means less work—more play time for you. And of course, it's electric!

AN ALL ELECTRIC KITCHEN INCLUDES:

- Cooking Center:** The Electric Range automatically provides the exact cooking temperature needed. Surrounding work surfaces and storage cabinets keep cooking utensils and food supplies within arm's reach.
- Dishwashing Center:** Ample work space for stacking used dishes and cooking utensils. The Electric Dishwasher handles not only dishes and silver, but pots and pans as well—washes them shining clean, and dries them without wiping.
- Refrigeration Center:** The Electric Refrigerator provides ample food storage, and large freezing capacity. Adjacent work surfaces provide space for food preparation.
- Adequate Wiring:** This simply means: 1. Large enough electric wire. 2. Enough circuits. 3. Plenty of outlets and switches.

West Texas Utilities Company

Here Only 6 Months During 1949, County Home Demonstration Agent Carries Out Busy Schedule of Office and Field Work

See J. Howle, County Home Demonstration Agent, was in Haskell county the last 6 months in 1949; there was no home demonstration agent in the county the first half of the year. The agent spent 132 days in the office and county, 86 days in the office and 46 days in the field. There are 13 Home Demonstration clubs in Haskell county, at which the Home Demonstration Agent gave 213 demonstrations to 210 club women. The home demonstration clubs represent 18 communities. Twelve leadership trainings were given 201 local lead-

ings, with an attendance of 181 members. The county Home Demonstration Council consists of one delegate and club president; of each Home Demonstration club in the county and the chairman of the Standing Committees of Council. The Council acts as a committee appointed by the Home Demonstration clubs; its objectives are to develop leadership and forward and extend home demonstration work among both women and girls in all parts of the county.

All Home Demonstration Clubs entered Educational Exhibits at the Central West Texas Fair. A two-day point county women's Encampment was held with Knox County in August with 75 Haskell county Home Demonstration club members attending. There are 9 4-H Girls' clubs in Haskell county representing 7 communities and with a member-

ship of 153. These clubs meet during school term and at the following schools: Paint Creek, Mattson, Weimer, Rochester, O'Brien, Rule, Sagerton. There are nine 4-H leaders in the county, who help 4-H girls with their projects and club activities. They are: Mrs. J. J. Wisdor, Mrs. J. R. Davis, Mrs. J. A. Lyles, Mrs. Cecil Hutchinson, Mrs. T. E. Beason, Mrs. Howard Sloan, Mrs. Grady Newsom, Mrs. Zora Lee Swope, Mrs. J. Beard.

The 4-H girls were given 17 method demonstrations, with 357 attending. Subjects at the demonstrations were: Club Organization; How to Measure and Buy Dress Patterns; Skin Care; and How to Keep Your Dresser Drawer. Five of the Girls' 4-H clubs had Educational Exhibits at the Central West Texas Fair. In 1950 4-H girls plan to do work in foods and clothing.

Four New Oil Pools Listed for Haskell County In 1949

Four oil discoveries in widely separated sections of Haskell county, together with 67 in twelve other West Central Texas counties were recorded in 1949, a record-breaking year for the area, according to an article in Sunday's Fort Worth Star-Telegram. New discoveries of oil production in Haskell county were listed as follows:

- 1—Pan American Production Company No. 1 W. G. Wendeborn, four miles southeast of Sagerton, pumped 68 barrels of 40 gravity oil in 20 hours from Strawn sand at 4,772-4,780 feet.
- 2—Dancier Oil & Refining Company No. 1 C. L. Bogard, four and one-half miles west of Rochester, pumped 160 barrels of 30 and 20 barrels of water in 24 hours from Strawn sand at 5,023-5,027 feet.
- 3—Humble Oil Refining Company No. 1 C. G. Burson, Jr., flowed 160 barrels of 33.6 gravity oil and 3.5 per cent water in 24 hours from Strawn sand at 4,755-4,760 feet.
- 4—Stalind Oil & Gas Company No. 1 John M. Pace, three miles south of Haskell, flowed 351 barrels of 47 gravity oil in 24 hours from Canyon reef at 3,610-3,615 feet.

Delta Kappa Gamma Chapter Meets In Munday

Congressman Mahon Urges Support Price on 1950 Grain Sorghum Crop

Congressman George Mahon re-pressed to the Press this week that since his return to Washington the urgent session of Congress he has conferred personally with Secretary of Agriculture, Charles Brannan and other officials in the Department of Agriculture in regard to a support price on the 1950 grain sorghum crop.

Mahon has urged that a grain sorghum support price at a level not below last year be announced in the immediate future. He has explained to officials that producers are making their plans for the year and need to know at the earliest possible date what they may expect.

Under the law the Secretary of Agriculture can place a support program on sorghum into operation. The Secretary makes the decision as to whether or not a support program will be put into effect and the amount of the loan, Mahon and other members of Congress from grain sorghum areas lost their fight last year to secure a mandatory grain sorghum support program.

The support program for grain sorghum was not announced in 1949 until Mahon and many other members of Congress from grain sorghum areas had made repeated requests for action by the Department. The support price on the 1949 crop was not announced until last March 14. Mahon has urged that much earlier action can be taken this year.

As indicated, the Department has not yet stated whether or not there will be a loan and the amount of such loan, but President Ralph S. Trigg of the Commodity Credit Corporation has declared.

Rheumatic Fever Takes Toll Among School Age Children

Rheumatic fever causes more deaths than any other disease in children of school age, declared Dr. Geo. W. Cox, State Health Officer. The first attack usually occurs in children at the age when they are in the first or second grade and recurrences are most common up to the age when children are leaving high school. The insidious onset of so many cases during the school year suggests that teachers and others in daily contact with school children should be alert for early signs and symptoms which may mean acute rheumatic fever.

Dr. Cox said, "There should be more and improved examinations of school children by physicians with time enough for the nurse or teacher and parents to plan with the physician for any needed medical attention.

School absence due to illness or vague disorders, if investigated, may disclose early cases of rheumatic fever. Teachers need to be more alert to visible signs and symptoms suggestive of substandard health. Among these signs and symptoms which should bring children to the attention of teacher or parent are: Failure to gain weight; pallor; poor appetite; fatigue; frequent colds and sore throats; scarlet fever or any unknown streptococcal infection; unexplained nosebleeds; unexplained fever; pain in arms, legs and joints; unusual restlessness; history of previous rheumatic fever; behavior changes; decreasing achievements in school by a child who has previously done well.

"Children reported by the teacher as showing evidence of substandard health should be medically reviewed by the physician and needed medical care arranged for such children as soon as possible."

Now... Just Lift a Lever and Go!

It's a New driving thrill in the 1950 Nash Ambassador!

Want to know the last word in effortless driving?

Only Nash Ambassador Owners Enjoy All These Fine-Car Features

In the 1950 Nash Ambassador Hydra-Matic Drive is combined with Selecto-Lift Starting.

Simply lift a lever and go! No clutch pedal—not even a starter button! You can drive all day without shifting gears.

And here's the thrill of America's top high compression engine that uses regular gasoline—for performance and gasoline mileage new to fine cars.

Note the quietness. Airflyte design cuts through the wind with 20.7% less air drag than the average car.

Here, too, is the comfort and luxury only the Nash Ambassador can offer... with Airliner Reclining Seat... Weather Eye Conditioned Air System... Twin-Bed spaciousness... the rigidity and lasting silence of Airflyte Construction.

Yes, it's the most modern of fine cars, yet the price of a Nash Ambassador, even a Custom model regally tailored to your order—is as much as a thousand dollars less than cars of comparable size and quality cost! See your Nash dealer, and make this frank comparison yourself!

What's the "PAY OFF" on Your Farm?

A handful of good earth today, a far more tomorrow—that's the "pay off" you're making in those two and mother-see, rain and wind. You see, that is, if you haven't already adopted soil conservation methods on your farm.

Protect your land... your livelihood... by stacking your conservation problem scientifically. It's simple. Consult your county agent or local conservationist. By following his plan carefully you'll get the greatest benefits from your soil. You'll build its productivity and help increase your farm income.

Remember—your present John Deere Farm Equipment will fit into your conservation program. For complete details see us the next time you're in town.

One Thing Sure About Weather—Feeding Needed

In one day predict the weather very far ahead in the Cotton Belt, and here in old saying that "any look and stranger try to predict the weather."

One thing a sure thing about January and February weather. This is the time when livestock production can prevent early losses and keep their animals in good condition by following a good supplemental feeding program.

Death and weight losses are usually seen results of poor winter nutrition. Weak calves, poor milking and weaning troubles are equally early results of improper feeding during winter months.

Winter weather pasture lack the protein which is essential to keep cattle producing profitably. In winter pastures even the supply of natural grass is small and cold winter rains and storms increase the need for feed protein. Supplemental feeding should begin before winter weather sets in and continue until spring pastures grow to a sufficient to satisfy the needs of the cows and calves.

Protein is the most important

Earthquakes 'Round World Recorded at Texas Tech

It was when an earthquake over into the southwest the only instrument now capable of recording the full shock of an earthquake at Texas Techological school.

Dr. Lewis T. Patton, director of the Texas Tech Seismographic Observatory, says it is the only one located between Little Rock, Ark., and Tucson, Ariz. He said the Tech Observatory cooperates with the United States Coast and Geodetic Survey and sends its reports regularly to 30 other observatories in the country.

"Here at Tech we are able to record tremors from distant points, sometimes on the other side of the earth, through movements of the concrete pier in our observatory," Dr. Patton says.

The pier of base vibrates and in turn causes delicate instruments which, normally, have to be kept in perfect working order 24 hours a day, to record the tremor. A horizontal pendulum in the pier changes the vibrations into electrical energy. These waves are transmitted by other machines onto a photographic film.

Dr. Patton says the observatory records about two or three quakes a week. The "most-quoted" areas are Japan, Siberia, Argentina, Mexico and the Pacific islands.

RECIPE OF THE WEEK
HUSBAND-TESTED RECIPE
 by Mary Lee Taylor
Banana Nut Bread
 Baked: January 21, 1950

2 cups sifted all-purpose flour
 1 1/2 teaspoons baking powder
 1/2 teaspoon salt
 1/2 cup sugar
 1 cup melted butter

1 well-beaten egg
 1 cup mashed ripe banana
 1/2 medium cup milk
 1/4 cup Post Milk
 1/2 cup melted butter

Grease well a 1 1/2-qt. loaf pan. Sift flour with baking powder, salt and sugar. Fold in milk. Mix remaining ingredients. Add all at once to flour, mixing quickly but thoroughly. Put into greased pan. Bake in moderately slow oven (350° F.) about 50 min. or until bread shrinks from sides of pan. Let stand in pan 5 min. before turning out. Cool on wire rack.

*To mash banana, peel, slice and beat smooth with rotary beater.

You Will Need:
PET MILK
 Small Cans **6c**

Camp Fire Girls Hold Sing-Song Monday

Blue Birds and Horizon Clubbers, the junior and senior divisions of the Camp Fire Girls met Monday afternoon in the high school building for a city wide sing-song. This type of program is being held in all the towns which are a part of the West Texas Area. Kathleen Crawford, area executive, met with the girls to teach songs. Special Blue Bird songs were taught, along with part songs and action songs. Probably the most difficult was a five part song, "The Instruments." Present from the Ivelaris Horizon Club were: Bobby Ann Harren, Virginia Frierson, Mary Elizabeth Glass, Jane Weaver, Rose Ann Johnson, Lulu Faye Free, Carolyn Henshaw, Nancy Free, Mary Beth Payne, and Nancy Burton. Busy Blue Birds present were Hazel Andress, Rosa Lee Burson, Glenda Davis, Nancy Fancher, Gwendolyn Gillam, Norma Jean Gipson, Lind Lane, Lydia Perren, Sara Sue Roberson, Robbie Lou Roberson, Peggy Seay, Gayle Spain, Joyce Thomas, Crystal Turner, and Janice Hester, Mrs. Woodley Daves and Mrs. J. W. Seay, leaders. Before leaving Miss Crawford presented a copy of The Camp Fire Girls Creed which she had printed for each girl.

Blue Bonnet H-D Club Meets With Mrs. Holcomb

The Blue Bonnet Home Demonstration Club met Thursday, Jan. 5, in the home of Mrs. Joe Holcomb in the year's initial session. Elective officers are: Mrs. Raymond Austin, president; Mrs. Lee Lewis, vice president; Mrs. Lee Cornelious, secretary - treasurer; Mrs. Rex Murray, assistant secretary; Mrs. R. V. Hagle, reporter; and Mrs. John Weneborn, assistant reporter. Mrs. Raymond Austin, presiding and organizing the work for the new year, appointed Mrs. Alf Denson, council delegate; Mrs. Fred Kripling, parliamentarian; and also the following committees: Finance, Mrs. Arthur Williams, Mrs. Fred Kripling, and Mrs. Lee Cornelious. Exhibit, Mrs. Corbet Lytle, Mrs. Rex Murry, Mrs. G. E. Davis, and Mrs. Joe Holcomb. Expansion, Mrs. Alf Denson, Mrs. Fred Kripling, and Mrs. John Weneborn. Recreation, Mrs. R. V. Hagle, Mrs. Arthur Williams, and Mrs. Lee Cornelious. Education, Mrs. Rex Murry, Mrs. Corbet Lytle, and Mrs. Fred Kripling. Marketing, Mrs. G. E. Davis, Mrs. Corbet Lytle, and Mrs. Alf Denson. Place cards marked the dainty refreshment plates for Mrs. Alf Denson. East Side WMU Has Royal Service Program

The W. M. U. of the East Side Baptist Church met Monday afternoon at the church for a Royal Service Program. The opening prayer was led by Mrs. John Lampkin. After a song by the group, the president, Mrs. Patterson, directed a short business session. Several important things were discussed. The devotional, based on Acts 2:44-47 and 2nd Cor 8:8-15, was given by Mrs. J. H. New. Mrs. Mercer, the Mission Program Chairman, was in charge of a very interesting program. Those taking a part on the program were: Mmes. E. Anderson, John Lampkin, W. J. Priddy, McGuire, J. C. Yancy, and Willie Farrell. The closing prayer was led by Mrs. Mercer. The next meeting will be on the first Monday in February and will be Bible study starting in Ephesians 4:12.

NEWS OF INTEREST TO WOMEN

Miss Doris Anderson Is Bride of Chester Robertson In Rites Read at Stamford

The marriage of Doris Anderson, daughter of Mrs. Essie Anderson, and Chester Robertson of Haskell, son of the late Mr. and Mrs. A. C. Robertson, was solemnized Saturday at 8 p. m. at the home of the bride's brother,

Eldon Anderson, and his wife, Rev. Mrs. E. Hays, pastor of the First Baptist Church in Stamford, performed the double ring ceremony. The background for the wedding party was an improvised altar of white carnations

with caladium banked on either side.

Anna Ruth Smith, pianist, played the accompaniments for Bobbie Parke who sang "Because" and "Always." She also played the traditional wedding marches. The bride's attendants were Mrs. E. W. Micklee, her sister, as matron of honor, Mrs. Prichard Davis of San Angelo, another sister, and Mrs. Burl Darnell of Haskell, sister of the groom, as bride's matron.

Burl Darnell of Haskell, brother-in-law of the groom, served as best man. Groomsmen were E. W. Micklee and Rufus Banks of Haskell.

The bride, given in marriage by her brother, Eldon Anderson, wore a navy blue crepe dress with black accessories, gray gloves and a gray hat with a shoulder length pleated veil. For something old, she wore some pearls belonging to an aunt, Mrs. D. E. Prewit. Something borrowed was a white Bible belonging to her cousin, Mrs. Johnny Grissom, and something blue were garters. She carried an orchid on the Bible.

Mrs. Micklee wore a fuchsia dress with black accessories and a shoulder corsage of white carnations. Mrs. Davis wore a pink suit with brown accessories and a shoulder corsage of yellow carnations. Mrs. Darnell wore a light blue suit with black accessories and shoulder corsage of white carnations.

The bride's mother wore a black dress with green accessories and her corsage was of pink carnations. Following the wedding a reception was held, with Mr. and Mrs. Eldon Anderson as hosts. The dining table was covered with a white lace table cloth and was banked by four candles. The three-tiered wedding cake, topped with the small bridal couples, was served with punch. Mrs. Rufus Banks of Haskell ladled the punch and Mrs. Anderson, sister-in-law of the bride, served the cake. They were assisted by Jacqueline Bashford.

Mrs. H. J. Bashford registered the guests in the bride's book. Present besides the wedding party were Mr. and Mrs. L. H. Schmede of Sagerton, Mr. and Mrs. W. D. Mickee of Avaco, Mr. and Mrs. Gene Prewit, Mr. and Mrs. Leon Holdee, Mrs. A. R. Woods, Mrs. Euclid Appling, Mr. and Mrs. D. E. Prewit, Mr. and Mrs. Johnny Grissom and Oavey, and Rufus Banks, Jr., of Haskell.

For her going-away costume the bride wore navy with black accessories. Her corsage was the orchid from her bridal bouquet.

After a short honeymoon trip the young people will go to their newly purchased home in Haskell to live.

The bride is a spring graduate of Stamford high school. The groom graduated from Mattson high school in 1941 and served three and one-half years in the Marines. He is now the Pontiac dealer in Haskell.

The bride is a granddaughter of Mr. and Mrs. G. M. Sims and also a niece of Mrs. Ira Sturdivant of Haskell.

CARD OF THANKS

We wish to thank all our friends and neighbors, the choir for the songs, Dr. Taylor for his untiring efforts and kindness to Carol through his illness, to Mrs. Martin and Bro. Webb for his comforting words. We especially want to thank you for the food and the lovely floral tribute sent in my memory. May such kindness and sympathy be yours in time of sorrow and sadness and may God bless each of you as you wish.

Mr. and Mrs. C. W. Blascoe and family.

Future Homemakers Hear Talk By Mrs. W. P. Trice

The Florence Fields Chapter of the Future Homemakers had Mrs. W. P. Trice, school nurse, as their guest speaker at the last meeting. Mrs. Trice had as her subject "What I Like Most in Growing Girls." Discussing such qualities as courteous, dependable, honest, thoughtful, and etc gave each girl present a chance to apply the measuring stick to her own like. After the clever article on "Being A Gusher," each decided, however, that she didn't want to be a gusher even though a gusher was fun to meet and converse with if one has patience tolerance, and good nerves.

Miss Watson has promised that each meeting that a girl misses that she will have missed something worth while, and Mrs. Trice's talk to us was certainly that type of meeting.

Wesleyan Service Guild Meeting Held Monday

The Wesleyan Service Guild met in the home of Mrs. Vernon Henderson Monday, January 16 at 7:30 p. m.

Mrs. S. H. Vaughter was program chairman for this meeting. Rev. Vernon Henderson began the program with the devotion. This was followed by sacred numbers played on the vibra harp by Mr. James Hobbs, the local band director. The speaker of the program was Jack Muldrow, principal of North Ward school. Mr. Muldrow told of his experiences on the islands of Japan. He was stationed on the islands directly after the war. He told of the friends he made among the natives and of their reactions toward him. Mr. Muldrow also showed a group of pictures he made in Japan.

Following the business hour a short business meeting was held. Mrs. J. A. Lynum presided in the absence of Mrs. John Martin.

Twelve members and three guests attended the meeting.

R. M. (Bob) Cousins Is Candidate For Second Term

R. M. (Bob) Cousins, now serving his first term as Sheriff of Haskell county, this week authorized his announcement for a second term in office, subject to action of the Democratic primary in July.

Sheriff Cousins said he was deeply grateful, not only for the substantial support given in electing him to office, but also for the continued friendship and cooperation of the citizenship of the county which has been extended during the time he has been in office. During his first year in office, Mr. Cousins has established a reputation as an efficient, diligent and impartial officer. The experience gained during this time adds to his qualifications in continuing a qualifications in administration of the duties of his important office, and merits the consideration of the people.

"I have appreciated and enjoyed the privilege of serving the people of Haskell county as Sheriff," Mr. Cousins said, "and I will sincerely appreciate your continued support of my candidacy for a second term."

As time and the duties of his office will permit Mr. Cousins will appreciate the opportunity of presenting his candidacy personally to the voters. In the meantime, he respectfully solicits your consideration of his claims for a second term.

District Attorney John H. Banks To Ask Re-Election

The Free Press is authorized this week to announce the candidacy of John H. Banks for re-election as District Attorney of the 39th Judicial District, which embraces Haskell, Throckmorton, Stonewall and Kent counties, subject to action of the Democratic primary.

In announcing his decision to seek re-election, Mr. Banks said that he had no formal statement to make at this time in connection with his candidacy, other than to solicit the consideration and support of the voters on the basis of his record in the office. Mr. Banks further stated that it was his desire at this time to again express his appreciation to the citizens of the entire district for the confidence expressed by their votes in honoring him with the position of District Attorney as well as for the cooperation of the entire citizenship, jurors and other county and district officials in all their contacts and associations with his office.

The District Attorney is charged with the duty of investigating and prosecution of criminal complaints and charges developed by Grand Jury action in the four counties comprising the 39th District. That Mr. Banks has proven himself a capable, thorough and efficient official is amply borne out by court records covering the period he has served as District Attorney. He has worked closely with both officers and Grand Jurors in the investigation of all cases reported in the 39th District.

As time and duties of the office will permit Mr. Banks will endeavor to see as many of the people in the district as possible to discuss his candidacy. In the meantime he solicits your careful consideration of his claims for re-election on the basis of his record.

Weinert Boy Attains Eagle Scout Rank

Billy Eugene Teaff, 14-year-old son of Mr. and Mrs. Marvin Teaff of Weinert has recently received his Eagle Scout rating. Billy started his Scouting career at the age of nine as a Cub, becoming a Scout at twelve. Since that time he has twenty-six Merit Badges to his credit. He is the grandson of Mr. and Mrs. M. F. Medley and Mr. and Mrs. H. B. Teaff of Weinert.

A new 24 page illustrated booklet, "Your Farmhouse . . . Heating" can be secured from the Government Printing Office, Washington 25, D. C. for 15 cents.

Sterling Edwards Asks Re-election As Constable

Sterling Edwards, Constable of Precinct 1, this week authorized his formal announcement for re-election to that office, subject to the action of the Democratic primary in July.

Mr. Edwards expressed his appreciation to the citizens on Precinct—No. 1 for their confidence and support in the past, and solicits their continued support on the basis of his record as a public servant.

Mr. Edwards is well and favorably known throughout this section as an efficient and capable officer, and enjoys the friendship and cooperation of fellow officers over a wide area. The experience gained in the past will enable him to discharge his duties in a continued satisfactory manner in the future.

Precinct No. 1 embraces Has-

Byron Wright Is Candidate For County Treasurer

Byron Wright, a long-time resident of Haskell county and former county official, this week authorized the Free Press to announce his candidacy for the office of County Treasurer, subject to action of the Democratic primary in July.

Because of his long residence

in the county, and the fact that he has previously served Haskell county in an official capacity, a majority of the voters are students of the county.

Mr. Wright has previously served as County Treasurer in the office, and qualified in that respect to handle the duties of County Treasurer in an accommodating manner.

In announcing his decision to seek the office of Treasurer, Mr. Wright said that he was deeply appreciative of the confidence and friendship of voters who honored him with office in the past.

Between now and time of primary, Mr. Wright will come every opportunity to discuss his candidacy with as many voters as possible. Until such time, he solicits will appreciate your consideration.

Judge Ben Charlie Chapman Asks Re-Election

Distret Judge Ben Charlie Chapman has authorized The Free Press to announce his candidacy for re-election, subject to the action of the voters of the 39th Judicial District in the coming Democratic primary. First expressing his sincere gratitude to the citizenship of the four counties composing the district for their support and confidence during past years, Judge Chapman stated that he had no formal statement to make at this time, other than that he was submitting his candidacy to the people on the basis of his record during the time he has served as their District Judge.

W. C. Ralston, 67, Former Resident, Dies At Clyde

W. C. Ralston, 67, former resident of Haskell, died at the family home in Clyde, Texas, Jan. 12. Mr. Ralston had been in failing health for several years. He had been a member of the Baptist church since early in childhood. A retired farmer, Mr. Ralston lived east of Haskell for a number of years before moving to Clyde in 1943.

MR. AND MRS. HUGH C. WATSON PARENTS OF SON
Mr. and Mrs. Hugh C. Watson of this city are announcing the arrival of a son, Wells Sadler, born January 14 in the Haskell county hospital. Maternal grandmother is Mrs. Lena Sadler, and paternal grandmother, Mrs. Hugh Wason, Sr., both of Haskell.

Ford remains alone in low-price "Eight" field

Reports were current several months ago that Ford might encounter competition in the low-price eight-cylinder car field. The manufacturer considering such a development, however, apparently has decided against it. "The temptation to enter competition for this market is strong. Ford derives considerable sales appeal from ability to offer an eight as well as a six in the low cost bracket. Buyers are attracted by the additional smoothness and power performance afforded by the extra cylinders.

"Principal reason why rivals have steered clear of eight-cylinder power plants is cost. Ford has been able to hold expenses down by manufacturing economies not often duplicated by others. "In pioneering the low-price V-8, the Dearborn producer had to strike at the heart of the cost problem. The company was the first to evolve a method of making an integral V-block and crankcase casting.

"The Ford Company is noted for excellence of manufacturing technique. Part of the reputation is based on willingness of the management to spend money on working-saving equipment. The Rouge plant foundry, for example, is a model of efficiency. Air-conditioning eliminates some of the disagreeableness common to most foundries, while conveyor systems and automatic machines obviate much of the usual back-breaking and inefficient-hand work.

"With the use of advanced production methods the company has been able to hold expenses within reasonable limits. This is true even though use of the larger engine means two more cylinders—with more pistons, rings, 'con' rods, sparkplugs, etc.—for each car produced. "The Ford production technique involves a high degree of precision. Vendors regard the company as a 'tough customer' because of the rigidity of inspection standards. Suppliers know they must comply closely with specified requirements or face heavy rejection.

"The precision, together with the extra power of the engine, accounts for the unusual performance of the Ford V-8. Ford's ratio of applied horsepower to gross vehicle weight has long been a favored design characteristic. Other manufacturers have found this power plant too difficult to build inexpensively enough for a small car.

"From present indications, it may be a long time before competitors can challenge Ford in the low-priced eight-cylinder field."

M. S. Pierson and family are expected home this evening.

Mr. and Mrs. J. W. Collins entertained the young folks Tuesday night.

T. G. Carney has leased the Kilgough pasture of 2,000 acres and farm of 150 acres.

Miss Ara Parks of Gorce is visiting the family of Mr. J. W. Collins this week.

Forest Caldwell, who has been visiting here several weeks, left Thursday for his home at Hentzelia.

Rev. C. C. Anderson returned yesterday from his visit to his parents in Virginia and will fill his pulpit Sunday.

Emmett E. Horton's home again. Some of the boys say that he doesn't like to hear butcher knives mentioned.

Mrs. Sunie McLendon is down from Munday, Knox county, this week on a visit to her sister, Mrs. J. W. Collins.

Ass't postmaster, C. D. Long visited Fort Worth this week and Mr. W. E. Sherrill presided over the postoffice during his absence.

J. B. Baker has had the unsightly wooden awning torn away from the front of his drug store and is replacing it with a much neater one.

Link Holden handed us a subscription the other day for Mr. J. L. Lindley who lived here a year or so ago, and who is now in the Panhandle country.

George Making says he hasn't got the Stamford fever and don't expect to take it, but intends to stay in Haskell and shave the boys the rest of this century at least. Sam Pierson having finished a

Stamford Weatherman Foresees Early Spring, Heavy Rainfall During 1950

Despite the fact that winter rainfall has been light to date, the year 1950 will be a very wet one and the remainder of the winter "not so bad," E. D. Jefferson, prominent long-range weather prophet of Stamford, said recently in an article appearing in the Abilene Reporter-News. Jefferson issues a forecast each year covering rainfall and other weather conditions to be expected in the Stamford area.

It may be the wettest year since 1919. In fact, Jefferson says that "the total amount of rainfall should exceed 40 inches for 1950." The normal is about 22.5 to 27 inches.

He's looking for a crescendo of rainy weather which will climax in the latter part of the year. "It may reach the flood stages in many areas," he declared.

Jefferson says that a reasonably early spring is in prospect. This is a correction of a previous statement he made when he had not finished his explorations into the weather.

"The low temperature for this winter, I believe, has already been set — 15 degrees (above)."

The long-range forecast is based on intensive study of weather conditions throughout the years. Jefferson has been startlingly successful in his predictions, especially of San Angelo floods and general conditions.

His forecast has just been issued and now is available. In order that farmers and others may know how to grow crops, handle livestock and otherwise guard against variegated weather, it is essential that they know

course at Hill's Business college Waco, returned home yesterday and will take a position in the Haskell National Bank.

The vacant house a mile north of town, known as the Tanner place was burned Wednesday night about 8 o'clock. The only presumption is that some person set it on fire.

C. C. Gardner passed away last Saturday from an attack of pneumonia.

Sheriff Collins returned several days ago from Hill county having in custody a man indicted by our last grand jury on the charge of swindling in mortgaging property not his own.

The following persons departed yesterday via Seymour for San Antonio, where they will take in the big convention and take a look at the historic and interesting sights of the Alamo city: County Clerk G. R. Couch and son Alcah Will Hills and wife and Mrs. W. B. Anthony and Mrs. F. G. Alexander.

R. B. Miller received a severe cut on the chin when he fell from the stairs in Mr. Carney's store. Dr. Gilbert, who attended him, said that the injury was not dangerous.

the dates. Jefferson's address is Stamford, Texas.

Jefferson predicted many weeks ago that the winter of 1949-50 would be abnormally warm. Other forecasters had predicted a severe winter.

Mrs. Viars Felker and Mrs. R. A. Lane were among the people

from Haskell attending the spring market in Dallas and Fort Worth this week purchasing merchandise for their dress shop here.

Sagerton H. D. Club Members Study Pattern Alterations; Ladies Aid Meets

The Sagerton Home Demonstration Club met in the home of Mrs. Emil Wolsch Thursday afternoon, January 10. Mrs. Charles Clark, president, gave a demonstration on pattern alterations and Mrs. H. E. Driessner read the club goal for 1950. Sandwiches, cake, coffee and cokes were served to Mmes. M. Y. Benton, Charles Clark, Glynn Quade, Grady Laughlin, H. E. Driessner, M. C. Hoerman, the hostess, Mrs. Stegemoeller, and a number of children. The next meeting will be with Mrs. Charles Clark in Tuesday, January 24.

The members of the Zion Lutheran Ladies Aid met in the home of Mrs. Emil Wolsch Thursday afternoon, January 12. After the business meeting refreshments of salad, devil's food squares and coffee were served to the Mmes. Carl Druessow, Emma Baitz, Joe Clark, August Hahn, Harvey Hahn, Alfred Hertel, Bene Erdman, Charlie Erdman, Paul Anderson, F. A. Stegemoeller, C. E. Stegemoeller, Rufus Schmidt, Buster Tredemeyer, Wil Tredemeyer, Rev. and Mrs. H. E. Driessner, and the hostess.

Tom Clark, who has been a patient at the Stamford Hospital for quite a while, has returned to

Huey Bledsoe Is Injured in Wreck Friday Morning

Huey M. Bledsoe of this city received serious head and chest injuries in an automobile accident which occurred early Friday morning on the Stamford-Haskell highway. Bledsoe, returning to Haskell in his car, was unable to avoid collision with a heavy truck, when the larger vehicle was making a turn from the highway, it was reported. Driver of the truck, an Abilene man, was uninjured.

Bledsoe was taken to the Stamford hospital for treatment, and was moved in a Holden ambulance Tuesday morning to the Haskell hospital. He is the son of Mr. and Mrs. Hubert Bledsoe, and is associated with his brother, Carroll Bledsoe, in the Home Drug Store here.

Loys D. Barbour Seaker at Farm Bureau Meeting

Loys D. Barbour, Farm Bureau Director of District 3, gave a detailed report on the organization of the fire insurance company to be owned by the Texas Farm Bureau, at a meeting of the Haskell county Farm Bureau in the district court room Jan. 9th.

Clinton Herren, president, gave a report of the opening of the local office in the Masonic building and urged all members to feel free to obtain the services of the secretary in any form of correspondence at any time.

Herren advised that the Bureau expected to have an Income Tax Expert next year, to assist the members with their tax reports.

ATTENDING MARKET THIS WEEK

Mrs. Elizabeth Cofield was in Dallas and Fort Worth this week where she was attending the spring market and purchasing merchandise for her store here.

IN FORT WORTH AND DALLAS

Mr. and Mrs. Hallie Chapman and Mr. and Mrs. Joe Thomson and son Craig were in Fort Worth and Dallas last Sunday. They visited their daughter and sister, Miss Mildred Chapman, a senior student at T. C. U. in Ft. Worth.

Orville Beasley Is New Mechanic at Haskell Motor Co.

Orville Beasley, an experienced automobile mechanic, has been added to the personnel of Haskell Motor Co., local dealers for Pontiac automobiles.

Mr. Beasley comes to Haskell from Odessa, where he was shop foreman for Odessa Pontiac Co. He and his family have already moved to this city and plan to make their home here permanently.

ATTEND DALLAS MARKETS

Mr. and Mrs. George Neely of Jones Dry Goods and Mrs. Leone Pearsey of the Fashion Shoppe were in Dallas the first of the week attending the Spring markets.

his home here in Sagerton. Although he is somewhat improved, he is still confined to his bed.

The ladies of the Missionary Society of the St. Paul's Lutheran Church met Thursday afternoon of last week in the church. After the meeting a community shower was given for Mr. and Mrs. Lec Monse and family, whose home burned shortly before Christmas. The Monse's are going to build another house on the spot where the old house stood.

Judy Guinn was a patient at the Stamford Hospital Saturday.

Mr. and Mrs. G. A. Lambert visited Mr. and Mrs. Frank Riley and Mrs. Ola Batson and family in Abilene Saturday. The Batson's and Polley's are both former residents of Sagerton.

Mrs. F. A. Ulman underwent an appendicitis operation at the Stamford Hospital Saturday.
