Commissioners have routine business meeting

Routine business items occupied Crockett County Commissioners at their regular April meeting Monday.

Bids for road materials from seven firms were opened with Lilly Construction low bidder for 516 cu. yds. of type 3 aggregate at \$15.00 per cu. yd. Reese Albert was low bidder for 3,612 cu. yds. of type 4 pre-coated aggregate at \$23.63 per cu. yd.

The bids were accepted on a motion by B. W. Stuart seconded by Chuy Castro. Commissioner Sostene DeHoyos abstained from voting because of his employment with Lilly Construction.

A fuel bid awarded to Circle Bar Truck Corral in February has been given to the next highest bidder, Sherwood Oil, after Circle Bar withdrew according to minutes read by Debbi Puckett, County Clerk.

Commissioners approved, with changes, a lease allowing use of a hospital room as an office for a child welfare worker for Crockett County. The child welfare program is to be funded by the Department of Human Services, the local school system and Crockett County.

Sheriff Billy Mills was on hand to propose a change in the method of feeding prisoners. Mills, who contracts with the county to feed prisoners, suggested that commissioners look into the possibility of contracting for meals with a local restaurant.

Two bids were read for an automatic fire equipment system for the Care Center. Caprock Fire Alarm Inc. of Lubbock was low bidder at \$13,300. The bid was approved unanimously on a motion by DeHoyos seconded by Castro.

Enlargement of the dining room at

the Care Center to accommodate some 35 wheel chair bound residents was put into motion with County Auditor Dick Kirby instructed to advertise for bids for the project. The authorization was approved on a unanimous vote following a motion by DeHoyos seconded by Castro. Also approved was the use of a Care Center room as an examining room for physicians.

Commissioners okayed purchase of a new copy machine for the hospital on a motion by DeHoyos seconded by Castro.

The court requested prices on malpractice insurance to cover the hospital and Care Center. Current policy is due May 24.

Commissioners decided that an appraiser will be brought in to determine a dollar value for eight miles of land involved in a road improvement project on State Highway 1973. Negotiations have been going on for a year, commented Judge A. O. Fields, who said the county would drop the project rather than resort to condemnation. Crockett County must acquire right of way before the State can proceed with widening the road.

Bringing in an appraiser was approved on a motion by B. W. Stuart seconded by Castro.

Two new caution lights are to be purchased. One will replace a non-repairable light at the elementary school, and the second is to be placed to protect foot traffic at Circle Bar R. V. Park from vehicles coming off the overpass.

Parks Department Supervisor Onecimo Ortiz reported that a number of boards need replacement in the grandstands at the rodeo arena. Ortiz was instructed to get an

estimate on cost of repairs.

Ortiz was also instructed to obtain prices for a 20 ton hydraulic floor jack needed at the county barn.

Vandalism to the gun range was discussed with all agreeing that a new method of controlling useage of the facility is needed.

Road Department Supervisor Eddie Moore presented a request to the court for building another pen at the fairgrounds to be used by the Ozona Roping Club. After discussion regarding location and materials, Moore was asked to talk with club representatives about an alternate location for the pen.

Use of the Crockett County Public Library is "way up", said Louise Ledoux, librarian. There were 566 patron during January, 771 in February and 761 during March. The February figure was a record high for the facility.

Mrs. Ledoux reported on upcoming programs at the library and spoke enthusiastically of the landscaping project. Work on the yard at the library began last week. A generous donation by Mr. and Mrs. Gary Mitchell is assisting in the project.

Mrs. Janet Hill gave a report for the Meals on Wheels program for the elderly. A total of 709 meals was served in March, reported Mrs. Hill, with a daily average of 35.5. Meals are being delivered at present until tables and chairs are obtained.

Donations to the program include \$701.00 in January, \$595.51 in February and \$1098.75 in March. Recipients of the meals who can pay are asked to do so, and \$456.50 was received from participants in March.

Mrs. Hill told the court that 200 people received commodities during

March compared to 175 in February and 168 in January.

Endigent health care, which will become the responsibility of counties in September, was on the agenda as a discussion item as a reminder, said Fields. "Meetings are being held all over the state on what you have to

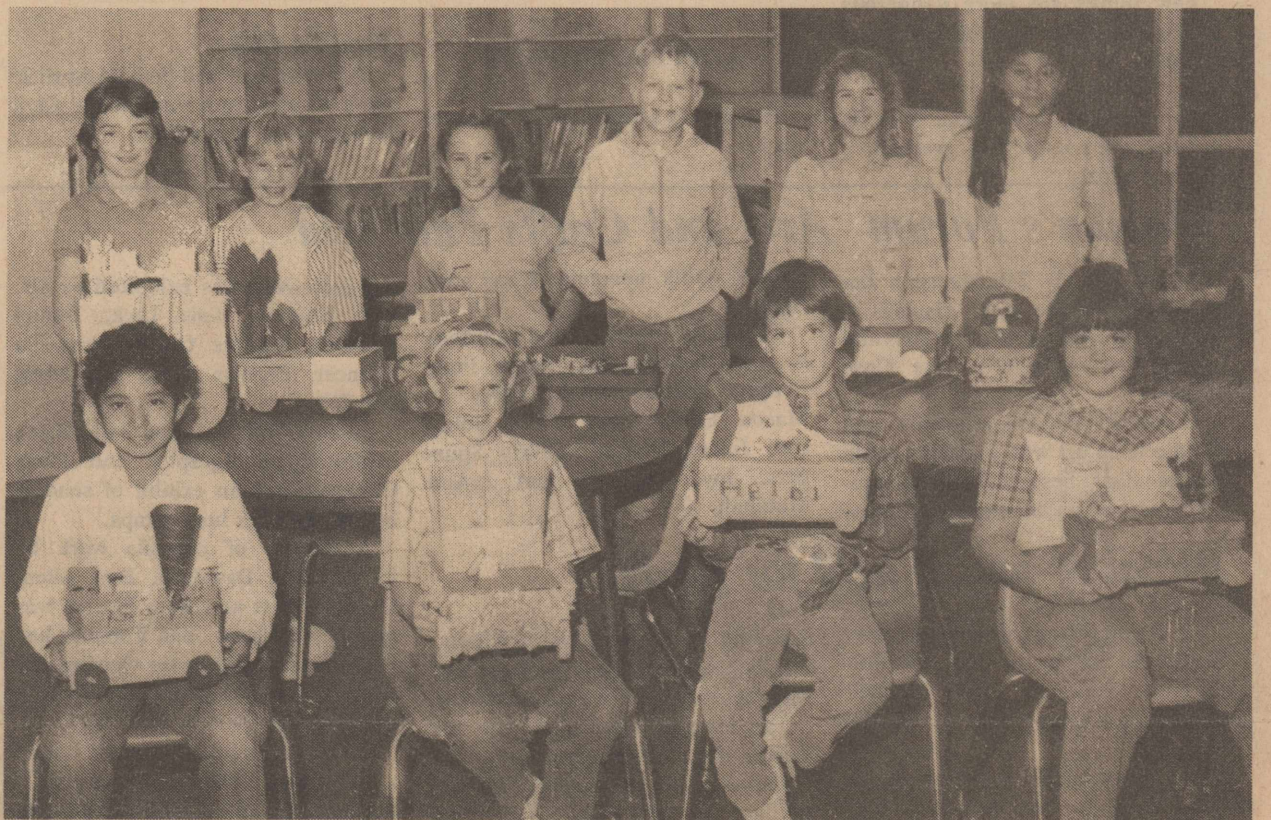

do," said Judge Fields.

Commissioners reviewed applications for an opening in the Parks Department and approved the hiring of Joe Friend.

Results of the school board election were canvassed and approved.

In other business, commissioners voted to drop fire insurance on heavy equipment on a motion by Jack Williams seconded by Stuart.

Spring cleanup week was set for April 21 through 28. Anyone wishing to schedule a pickup of trash should call the county barn at 392-3020.

The Intermediate School Library is celebrating National Library Week with a parade of "shoebox floats". Each float depicts a scene from a library book the student as read.

Winners are: front row, 1 to r, Best of Show, Tornadoes by Rodney Munoz, 2 Tennis is for me Jolynn Vannoy, 3 Heidi Travis Davidson, 1 World of Dinosaurs Tamra

Blackledge, third grade.

Back row, 3 Moonstone Castle Mystery Jana Kaye Cotton, 2 Rascal Christa Chalmers, 1 White Stallions of Lipizza Mindy Coates, fourth grade, and 3 Ironclads of the Civil War Terry House, 1 The Enormous Egg Julie Childress, 2 The Nine Lives of Moses Amy Borrego, fifth grade.

Hospital board has regular meeting

The Crockett County Hospital Board held its regular meeting on April 10, 1986 at the Care Center dining room. Members present were Fred Deaton, Alleane Jones, Jay Davidson, Maria DeLa Rosa, Ray Borrego and Scotty Moore. Others attending were Dr. Carlisle, Lee Carlisle, Dr. Owensby, Elvira Caldwell, Jacquie King, Bill Boswell, Tom Cameron, Judge Al Fields, Carol Hunnicutt and Doug Meador.

Fred Deaton, president, called the

meeting to order. The minutes of the previous meeting were read by Alleane Jones, vice president. There were no corrections, and they stood approved as read. Bill Boswell reported on some unfinished business. The employees' handbook will be changed to read that all new employees, prior to actual employment, shall have a complete physical examination from a physician, including chest x-ray, CBC and urinalysis. Additional tests ordered by

the physician will be at the employee's expense. The employee must pass the physical prior to being employed. Current employees would be given only a yearly physical. They would have no x-rays or lab work unless the physician thought it was warranted.

The new telephone system is installed and working. The laboratory QBC equipment was delivered

All sports banquet to be held April 22nd

The annual All Sports Banquet honoring Ozona students will afford those attending an opportunity to

hear Mike Renfro, wide receiver for the Dallas Cowboys. Renfro will be in Ozona at the Civic Center April 22

at 6:30 p.m. as guest speaker for the event.

The Fort Worth native was acquired by the Cowboys from Houston in the spring of 1984. Expected to play a role as a "possession" receiver in special situations for the Cowboys, he started 11 games and caught 35 passes for 583 yards (a 16.7 average) and two touchdowns. For good measure, he threw a 49-yard scoring pass to Doug Donley in a 23-17 victory over the Eagles. "No one could have asked for more than Mike Renfro gave us last year," Tom Landry says. "He learned our system in a hurry, worked very hard and made a lot of key catches for us."

In six season with the Oilers, Mike started 50 games and caught 160 passes for 2,183 yards and 11 touchdowns, but in 1984 with the Cowboys he had his best year statistically.

Banquet tickets are on sale at the Ozona Chamber of Commerce office and may be purchased for \$7.00 each.

County needs identified in public meeting

Crockett County citizens met April 9 in the high school library to identify critical needs of the county. The meeting was part of a statewide drive to involve communities in solving their own problems in cooperation with the Texas Agricultural Extension Service.

Beth Boyd, chairman of Crockett County Extension Program Building Committee's Central Planning Group, welcomed approximately 60 persons. Vice chairman Dan Pullen told listeners that the purpose of the meeting was to focus on rapid changes in our lives and better ways to deal with them for improvement of economic conditions and quality of life.

Following a slide presentation by Dr. Gary Vannoy outlining concerns statewide, four groups were formed to study four major concerns: 4-H and youth, agriculture, home economics and community development.

Each group was charged with the responsibility of identifying five to 10 critical issues facing Crockett

County.

The groups will report back with a list of priorities in each area at a second meeting to be held May 15.

At this meeting, decisions will be made as to which issues are the most important for future progress and should be included in the county long-range Extension program for 1987-1990.

Group leaders are: Steve Sessom, community development; 4-H and youth, Gary Vannoy; P. L. Childress, agriculture; and Karen Huffman, home economics.

Planning group committee members in addition to Mrs. Boyd and Dan Pullen are Nancy Hale, secretary; Ethel McCrohan, Reggie Quiett, Jimmy Arrott, Elidia Cervantez, Alice Lopez, Janet Hill, Jim Adams, Camille Jones, Tina Moran, Nat Read, Jeffrey Sutton and Carolyn Frazier.

County Extension staff members are Billy H. Reager, County Extension Agent - AG, Rachel O. Hall, County Extension Agent - HE, and Nancy Hale, secretary.

ABSENTEE VOTING BEGINS

Absentee voting for the May 3 Democratic Primary got off to a slow start Monday according to County Clerk Debbi Puckett.

Balloting is being done in the law library at the courthouse Monday through Friday during regular business hours of 8:00 a.m. until 5:00 p.m.

Anyone wishing to vote absentee by personal appearance should plan to do so before the closing date of April 29.

SPRING CLEAN UP

Ozona's annual spring cleanup will begin April 21 and continue through the 28th announces Judge Al Fields.

Residents are encouraged to put their trash near the curb. For normal cleanup, Ozonans can call the Crockett County barn at 392-3020.

Former resident buried in San Antonio

Former Ozona resident Jay E. Atkins of Ingram died April 8 in a Kerrville hospital. He was 84.

Services were held at 2:00 p.m. April 11 in Southside Funeral Home chapel in San Antonio with burial in San Jose Burial Park.

Atkins was born October 29, 1901 in Fort Worth. He had served as foreman on the R. A. Harrell ranch south of Ozona during the late 1950's and early 1960's. The Atkins also worked for several years at Pasiano Baptist Encampment near Alpine before moving to Ingram.

He is survived by his wife, Jackie, of Ingram.

Coleman service for brother of Mrs. Pridemore

T. L. Sparkman of Coleman died April 9 at his home. He was 78.

Services were held at 2:00 p.m. April 11 at First Baptist Church with burial in Coleman Cemetery.

Mr. Sparkman was born May 26, 1907 in Brown County. He operated a laundry for 31 years and was a lifetime resident of Coleman. He was a Baptist.

Survivors include his wife, Ivy Sparkman of Coleman; two sons, Wayne Sparkman of Abilene and Kenneth Sparkman of San Antonio; four sisters, Elyrs Lawrence of Coleman, Lois Conner of Menard and Vada Pridemore of Ozona; seven grandchildren and four great-grandchildren.

Hardberger service

Homer Reeves Hardberger, 77, died April 11, 1986 in Lubbock following a lengthy illness.

Hardberger, a retired farmer, was a member of the First Baptist Church in Lubbock.

Included in his survivors is his wife, Bess; a son, Phil of San Antonio; a daughter, Jan Peranteau of San Antonio; two grandchildren, Amy Hardberger and Jared Peranteau; and two sisters, Lucille Littleton and Geneice Childress, both of Ozona.

Snips, quips & lifts

By Lottie Lee Baker

When a fellow picks a flaw in almost everything, he's cranky, when you do, you are discriminating.

Some proud folks are always letting off esteem.

Education will broaden a narrow mind, but there is no known cure for a big head.

The way some people give, you would think the church is coin-operated.

There is some good in everyone, though in some it takes a little longer to find it.

The expert gossip knows just how much to leave out of a conversation.

Doctors tell us that hating people can cause ulcers, heart attacks, headaches, skin rashes, asthma, and it doesn't make the people we hate feel too good either.

If you are bent on having a fling, don't forget it carries a sting.

Few things are more dangerous than a train of thought that carries no freight.

For keeping busy, the bee is praised, the mosquito is swatted.

What I do today is important because I am exchanging a day of my life for it.

Your calendar shows the passing of time - your face shows what you are doing with it.

The best thing to do with the family tree is to spray it.

Life is not so short but there is always time for courtesy.

Facts do not cease to exist because they are ignored.

Clothes do not make the man but a good suit can make a lawyer.

How often have you met a critic of the church who has tried to make it better?

Men who talk like big wheels are merely spokesmen.

★ Hospital (Cont. from pg. 1)

and is in service. There is a quality control system used to check results using the old test method and verification through Pathlab in El Paso. The new state mandated ambulance transfer policy went into effect on April 1, 1986.

A child welfare representative looked at office space and will contact the hospital at a later date. The hospital received two bids for the Care Center fire alarm system. Parker Electronics of San Antonio bid \$18,600 and Caprock Fire Alarm of Lubbock bid \$13,300. No bid has been received yet from Simplex Corporation. Mr. Boswell also reported no funds are available for the EMS Association.

A discussion was held on the need of a copy machine for the hospital. A motion was made by Jo Davidson to recommend to the Commissioner's Court that a Canon NP270F with cabinet and 11x17 cassette be purchased at a cost of \$3600. The motion was seconded by Alleane Jones and passed. A Lifepac defibrillator/cardiac monitor system was discussed. No price was available at this time. It

will be discussed further at the next meeting. Mr. Boswell also reported on the progress of locating new x-ray equipment. The new computerized billing system was installed and the first statements have been mailed. The hospital by-law proposed changes have not been returned from Austin at this time.

Elvira Caldwell reported an electrical outlet and minor plumbing changes are needed for installation of the new Whirlpool tub. She has asked for bids, but none are available, yet. The Board approved the installation. A discussion was held on the expansion of the present Care Center dining room to include the back patio, the air conditioning system in the kitchen and the possibility of using Room 11 as an examination room for the physicians. Scotty Moore made a motion to recommend to Commissioner's Court to extend the dining room and make Room 11 into an exam room.

Elvira also presented a notice of change of rates for the Care Center residents. New rate will be \$32.73 per day for semi-private rooms with private rooms remaining at \$53.00.

Bill Boswell reported on the current finances. Hospital deposits were \$28,435.07 and disbursements were \$70,382.35. Total patient days were 14 with a percentage of occupancy of .02. Care Center deposits were \$37,136.39 and disbursements were \$56,897.95.

Bill Boswell presented the hospital bills. Alleane Jones made a motion to pay the bills, Ray Borrego seconded the motion. Motion passed. Elvira Caldwell presented the Care Center bills, and after some discussion on the price of the laundry bill, it was moved by Alleane Jones and seconded by Ray Borrego that the bills be paid. Boswell was asked to look into the possibility of cutting the laundry costs at the Care Center.

Doug Meador asked for a deer guard to be installed on the new ambulance. Scotty Moore made a motion seconded by Alleane Jones to purchase the grill. The motion

A Preacher's Pondering

Ralph O. Moore
Minister
Ozona Church of Christ

Calming storms

Springtime is often a time of severe weather. Violent storms are responsible for many deaths and untold amounts of property damage each year. There is something very frightening in the clashes of nature, but there is also something very calming in aftermath of a storm.

Jesus was a Master at calming storms. The Synoptic Gospels record His activities, not only in calming the forces of nature, but His calming the turbulences inside of men.

Mark's Gospel provides interesting narrative about the Lord's work

calming storms. Read Mark 4:35-5:20 and let us see some hope for Jesus to help us when storms strike our souls.

If you have ever been on the water during a storm, you know the anxiety that one feels as a boat or ship is tossed about as a toy. The disciples, wearied by the weather, woke Jesus and inquired, "Do You not care that we are perishing?" The Master spoke and the sea was calm. What power that even the wind and sea, the very forces of nature, are in subjection to Christ!

As they arrived on the shore, another storm met Jesus and His followers. This time the storm was an internal one - raging in a man who was so violent no one could tame him. The fury inside this man was unleashed continuously as he cried out and cut himself. Jesus called, and the demons that possessed this man came out. The storm inside the man was calmed and he appeared "clothed and in his right mind."

The calming of the sea and the calling forth of the boisterous demons were both impressive miracles. Only God can do those things. Jesus often used the physical realm to illustrate His power in the spiritual realm. The miracles of nature were impressive and many marvelled at the Lord's accomplishments, but His activities were designed to show that He spoke to the soul of man.

There are many storms lurking inside men today. Sin has ravaged their souls and its violent outbursts can be seen in the way they think, talk and live. Many lives are like those on the boat during the storm they can't get steady footing and fear grips them. In their despondency, souls cry out, "Do you not care that we perish?" Jesus calls back, "I care."

The power of sin to enslave, to control, and to kill is negated by the Word of God. Jesus makes the difference. He calms confusion, stops storms, and ends enslavement. The victory of Christ at Calvary has rendered Satan's power weak, and He cast a shadow at the Cross that gives protection even today.

If your life is stormy, Jesus can help. If you experience the horror of having things toss you about-then you need to seek Jesus. The action of

Christ, seen in His calming storms, is available to those today who obey Him. Jesus changes things - ask those on the boat or the man from the tombs.

Let's go fishing

By Rev. Ken Eppler
Calvary Baptist Church

With as warm as the weather has been, it's hard to keep the mind on work and off thoughts of being under some big old oak tree dangling a hook in a nice clear river, feeling a gentle breeze as it rustles the leaves overhead. Oh, how good it would feel to go fishing.

In Matthew 4:19 Jesus said "Follow me and I will make you fishers of men." So, I got to thinking one day about our Lord's statement concerning fishing for men, and here are a few things I came up with.

First, it doesn't take a whole lot of experience to go fishing, nor does it take a lot of experience to tell men God loves them. Enough so He sent His only begotten Son to die to pay their penalty for sin. It just takes a willingness to do so.

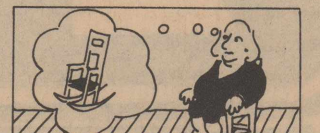

Next, if I want to become an effective fisherman, I need some good equipment, but the greater need is an understanding of how that equipment works. I've seen fishermen tear down their reels piece by piece and lubricate it and make sure everything is in proper working order and works to its optimum potential. My rod and reel is the word of God, and I need to look at it bit by bit and examine fully to get out of the maximum potential.

The third thing I find needful is some good bait or lures. Something that will draw that fish to you. Our churches ought to be radiating the love of Christ not just to the well respected, but to all people rich or poor. Another lure I have seen effective in the past when searching

for fish is called a shiner. A shining countenance on the faces of God's children will draw men where nothing else will. So, rejoice, Christians, your sins are forgiven!

The fourth thing I find helpful is a good fishing hole. My definition of a good fishing hole is one that is deep, full of fish, and fished very little if at all. These places aren't really that hard to find on the spiritual side. As a matter of fact, they are numerous. Mainly because we as Christians are afraid to pay the price for reaching that good fishing hole. If it's good, it's not going to be easy to reach. Some of these places are where people are hurting and need a friend. It's on the street, in the hospitals, in the local jail, the state prisons or state hospitals. Any place someone has a need. Jesus came to those that were hurting, dejected, outcast, the derelicts of society. Jesus meets the needs of people where they are.

Are you hurting today? Are you empty, in search of some fulfillment to your life? You've tried drugs, alcohol, maybe even sex, but nothing seems to fill that emptiness you feel in your heart. Jesus can make the difference in your life. Ask Him to come into your life taking control of every area of your life. Turn from the way you are now going and following Jesus. He cares about you.

Tennis teams have Irion Co. warm-up

By T. C. Tucker

With just two days before district, the Ozona tennis team's big chance is just outside the door. Last week on Tuesday and Thursday, Ozona competed in a two-day Irion County Tournament. Ozona used the tourney as a last real competition warm-up.

The highlight of the tournament for Ozona were the three second places won by two doubles teams and a girls' singles.

Bonnie Cameron first received a bye, then went on to win her next match easily 8-2. All matches up to the semi-finals were played in prossets. Cameron won her semi match in straight sets 6-0, 6-2. In the finals she was defeated by Ruther-

ford of Irion County, whom she has met before.

Amy Jones and Julie Reagor received a bye, setting up an easy win in their next match. Jones and Reagor defeated their next opponent 7-6, 6-3 to advance to the finals where they were defeated in a tough battle of three sets.

Marcos Gonzalez and Stanley Winkley were seeded first in the tourney, receiving a bye. After winning their next match 8-4, they won their semi-final match 6-3, 6-2. They then lost in the finals.

The only other player to travel back to Irion County Thursday who did not place was Mark Sellers.

Sellers first received a bye, winning his next match. Sellers lost his next two matches to both singles players from Irion County.

In action on Tuesday, Santiago Onofre lost both of his first matches. Travis Burks and Tommy Tucker won their first match 8-3, but had the tables turned on them in their next match, losing 3-8.

Suzy King and Sylvia Flores won their first match 8-0, but they too lost their next one, 4-8. Summer Shacklette followed the same pattern, winning 8-0, then losing 4-8.

District for Ozona will be this Friday and Saturday at Crane.

Colin - Turnley win doubles

By T. C. Tucker

There were some surprises and downfalls last Saturday, April 12, at the junior high district meet. Several players for the Ozona tennis team traveled to the finals, while others were stopped short of that hope.

One surprising note came from Cody Morris who exploded at

Ballinger Saturday receiving a bye and winning his first match with ease. Although he lost in the finals after three sets, Morris still came away with a second place showing.

Melissa Watson lost her first match, eliminating her from further play.

Jennifer Colin and Mary Turnley soared through their first two

matches, then won the final 6-4, 6-3.

Janet King and Tonya Ramos almost made it to the finals, but after winning their first match they were defeated. However, since they were in the semis, they were able to play for third where they won.

In the 8th grade division, Tammy Arrott won both of her matches in straight sets, then lost in a tough match in the finals.

Maria Ramos won her first match after three long sets. She competed in the third place match after losing in the semis. Winning 4-6, 6-3, 6-4, Ramos took home the third place spot.

Scotty Burks had a long day, soundly winning his first match, but then losing his next one. In the third place match, Burks lost 4-6, 4-6.

Martin Childress lost his first match, as did the doubles team of Ricky Burger and Brian Cooke.

Sotero Fuentes and Danny Vasquez received a bye, then lost their next two matches.

FFA teams ranked high

The Ozona Future Farmers of America (FFA) livestock and wool teams placed high during area competition at Texas Tech University

Doug Snyder

in Lubbock April 12.

Of 120 livestock teams competing, Ozona placed 16th overall. Members of the livestock team included Bryan Harms, Marty Moran, Shane Cooper and Jesse Fierro.

In the wool judging event, the team placed seventh overall. Members of the wool team included Dug Snyder, Cody Sutton, George Wall and Garrett Elledge. Snyder placed 10th high individual and received a special ribbon for this achievement.

"Our district won seven of the top nine places in the events," Richard Bridges, FFA teacher, said. There were between 2,500 and 3,000 students entered in the contest.

"I am proud of how well we did at the contest," Bridges said.

Cubettes finish in second place

By T. C. Tucker

The Ozona 8th grade girls finished second with 144 points, only three points behind the winner last Saturday at Ballinger. Ozona brought home seven first place wins, two thirds, four fourths and two fifths.

The highlight for the Cubettes proved to be the relay teams. Kelly Williams, Terry Vargas, Anna Borrego and Mikki Ramirez teamed together to win the 400 and 800 relays, breaking a record in the 800 with a time of 1:55.9.

Lanessa Porter was the only change in the lineup for the 1200m relay, replacing Williams. In this event, the girls again won first place.

Three records were broken in the field events. Williams broke the old record in the long jump with a leap of 15'8". Borrego and Mikki Ramirez finished fourth and fifth in this event respectively.

Williams won the triple jump with a jump of 32'5". Polly Villarreal finished fourth in this same event.

Villarreal broke the record with a throw of 27'11" in the shot put. Elizabeth Watson finished fifth in

this event. Villarreal also placed fourth in the discus.

Tricia Ethridge won the 1200m run while Lanessa Porter won third in both the 300 and 600m runs. Villarreal finished fourth in the hurdles.

Stacy Berry and Sarah Pullen placed fourth and fifth in the 100m dash.

"I will miss these girls so much next year," said Coach Renee Schulze. "They are some of the hardest working girls that I've ever had. They will be an asset to the high school."

Cubettes place 5th in meet

By T. C. Tucker

In a meet dominated by Ballinger, the 7th grade girls squeezed through with 73 points. Even though they placed fifth, Coach Sims feels that the group will be a stronger team next year.

Offie Rios led the way in field events with a second and fifth place showing in the shot and discus, respectively.

Misty Fowler and Sandra Fuentes placed fifth and sixth in the high jump. In the long jump, Melissa Moore placed fifth. Ann Truell placed fifth in the shot.

The relay team of Christy Cotton, Tamie Reagor, Sandra Fuentes and Stephanie Saunders placed second and fourth in the 800 and 400m relays.

The 1200m relay team placed fourth in this event. Moore, Kim Coy, Dannette Robinson and Edna Olvera made up this team.

Christy Cotton placed third in the 100m dash with a time of 14.24. Sandra Fuentes placed sixth in the 100m hurdles.

Coy finished second and fifth in the 1200 and 600m runs respectively.

Girls attend Big Lake meet

BY T. C. Tucker

While the boys took the weekend off, Coach Rhonda Yarborough took a few members of the girls' track team to Big Lake last Saturday.

"I did not take a full team due to the Junior-Senior Prom," she said. Maria Sanchez was the bright light

for Ozona, winning the mile run in a record time of 5:40.07. Sanchez placed second in the 800m run.

Kriss Corley finished fourth in the two mile run with a time of 15.10. Corley also placed seventh in the 400m run.

Also competing were Diana Sanchez, B. B. Cervantez, Stacy Lay, Lydia Pena, Dottie Gonzalez and Griselda Hernandez.

District competition will be Friday, April 18, at Crane for both girls and boys.

Style show previews prom night

By Cynthia Harrell Hodges

Judy Flores

Crockett County News photo by Cynthia Hodges

A bevy of high school beauties showed off their lovely prom night formals during a Vocational and Industrial Clubs of America cosmetology sponsored style show April 10 in the Ozona High School Auditorium.

Fashions ranged from lacy, full-skirted taffeta gowns to shorter tea-length cocktail dresses. Each model was escorted to the front by tuxedoed young gentlemen.

Gary Davis, a 1985 graduate of OHS, served as master of ceremonies.

The stage was decorated with flowers, and in the center was a huge red valentine.

All hair styles and makeup were done by members of the V.I.C.A. cosmetology department of OHS.

Senior Kimberly Williams, daughter of Mr. and Mrs. Jim Williams, started the 40 minute style show with her entrance in a wine colored tea-length formal that gently fell off the shoulders.

The second lovely senior, Jerri Lynn Martinez, daughter of Mr. and Mrs. Augustine Martinez, entered in a royal blue satin full-length formal. Pearl accessories and a white satin bow on the left shoulder accentuated the simple lines of the formal.

Local designer Edna Tambunga styled a lovely maroon fitted dress for senior Raedene Flores, daughter of Mr. and Mrs. Robert Flores. The full flowing bottom portion of the dress was covered with a grey polka-dot layer.

The first junior of the evening, Jennifer Probst, daughter of Mr. and Mrs. Jack Probst, stunned everyone in a white flowing chiffon gown topped by a gold bodice.

Seniors reclaimed the stage when Martha Hernandez, daughter of Mr. and Mrs. Nat Hernandez, entered in a bare shoulder formal with coin dotted net and white and violet satin ribbons.

Athletic beauty Vanessa Miller, daughter of Mr. and Mrs. Van Miller, showed her romantic side in a dusty rose formal with ecru lace under ruffles. Ruffles surrounded the neckline and hem of the senior's gown.

Junior Amanda Ybarra, daughter of Mr. and Mrs. Armando Ybarra, looked delicious in a lilac chiffon formal over taffeta.

Simplicity and elegance abounded when freshman Julie Carson, daughter of Mr. and Mrs. Billy Carson, entered the room. The simple white taffeta gown was topped with a feathery bodice to create an air of mystery.

A dress of pure white innocence, fitted with a large lace trimmed collar, provided freshman Janice DeHoyos, daughter of Mr. and Mrs. John DeHoyos, with a zippy en-

trance.

The first sophomore, Lacey Miller, daughter of Mr. and Mrs. Van Miller, looked ravishing in a floor length pink satin dress with a gathered lace overdress.

Junior Alma Gutierrez, daughter of Mrs. Lupe Gutierrez, returned to the shorter knee-length after five style. Her satin cream lace over taffeta featured a rising hemline in the center front.

Continuing the trend of knee-length after five dresses was junior Esme Borrego, daughter of Mr. and Mrs. Albert Borrego. Her black satin dress covered with black lace lent a simple but elegant look to the dark-haired beauty.

Stunning simplicity and beauty marked sophomore Judy Flores', daughter of Mr. and Mrs. John Flores, entrance in a custom designed yellow taffeta tea-length dress. Mrs. Carmen Armanda designed the lovely dress for her daughter. She continued the boldness of the design with a wife ruffle, which began at the front shoulder and flowed across the back.

Home economics teacher Mrs. Jan North and her lovely daughter, Katie, provided a brief change of pace. Young Katie modeled a long lilac chiffon, trimmed with white lace and lilac bows. Mrs. North looked like a vision of spring in a soft tea-length cream chiffon with pink flowers surrounding the hemline.

The audience was reminded of the can can era when senior Melody Stark, daughter of Mr. and Mrs. Don Stark, entered the auditorium. A strapless bodice, covered with black lace gave a hint of mystery, while the scalloped hem of the gown displayed a full hot pink crinoline petticoat underneath.

Spring time abounded with entrance of sophomore Melissa Vallejo in a simple, but lovely dandelion tea-length yellow taffeta gown.

Striking and unforgettable best describes the bold black and white polka-dot outfit worn by ash blonde junior Francis Moran, daughter of Mr. and Mrs. Francisco Moran. The young lady looked prepared for an evening of dancing or a fun-time at a special family get-together.

Junior Donna Morris, daughter of Mr. and Mrs. Don Morris, looked lovely in her blue polyester crepe gown, which featured puffed sleeves and a ruffled skirt.

Basketball girls' varsity coach Rhonda Yarborough could not have shot many baskets in her floor-length formal of toast and ivory chiffon. Pearls accentuated the lovely simplicity of the gown.

Hoover enjoys teaching

By Cynthia Harrell Hodges

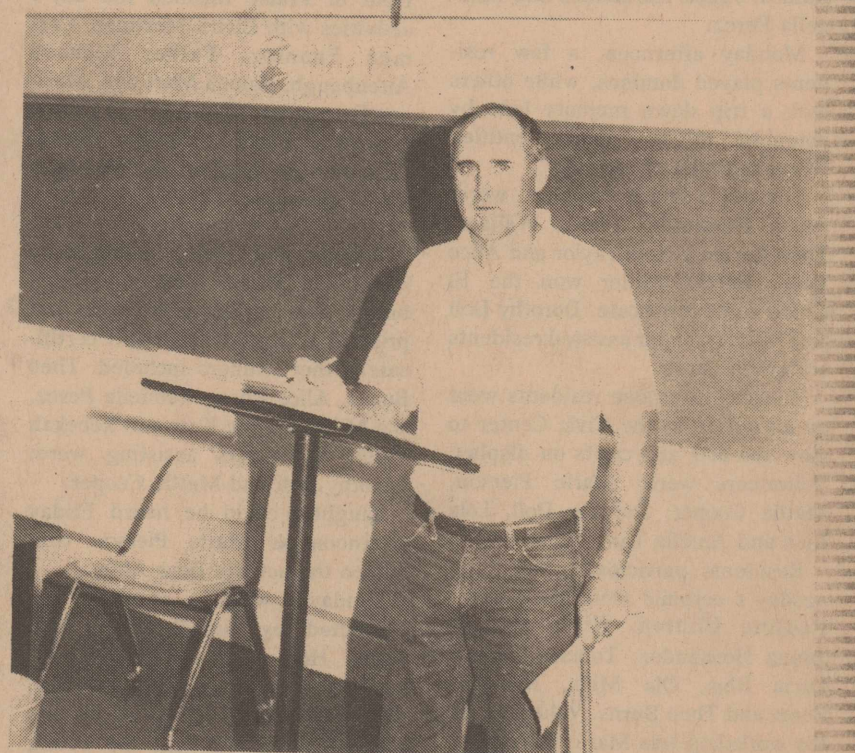

A teacher must enjoy teaching is the simple, but basic approach longtime high school math teacher H. O. Hoover brings into each classroom of students.

The basic mathematic fundamentals have not changed much since H. O. Hoover first came to Ozona in 1958, following a two year teaching stint in White Rock. "I may have changed more than the students or math have. The students haven't really changed."

a certain area of math." The calculator and computer must be used after a student "knows the fundamentals".

During the past 28 years, the math curriculum at Ozona High School has become more consumer oriented. Two or three consumer math courses are now offered, as well as a pre-algebra class.

Hoover has given up driving a school bus and coaching in lieu of the golf course. Though often tempted to

Hoover quickly discounts the idea that boys do better in math than girls. Some students, both boys and girls, have more trouble with math, while some have more trouble with English.

The calculator and computer have speeded up the process of teaching math. "We are able to show many more examples of problems, and perhaps students better understand

enter school administration, which would have been more lucrative, he could not, in the end, leave the classroom. "The additional money was not worth leaving the classroom teaching field, which I enjoy."

Future math teachers must "enjoy teaching. If you like to teach, then you will do a good job," said Hoover.

dance clerk Catalina Pena was prepared to do anything but count students in her lovely peach nylon mid-calf length dress. The daughter of Mr. and Mrs. Roland Pena wore a lovely baby blue satin balloon style dress.

Six year-old Haley Holden got over her shyness long enough to model a lovely short lavender cotton dress with a sheer organza dotted overskirt. Haley is the daughter of Deene Holden and the granddaughter of Mrs. Willena Holden and Mrs. Totsy Hagelstein.

Upperclassmen reclaimed the center stage with the entrance of senior Amy Beth Scoggins, daughter of Mr. and Mrs. Jerry Scoggins. Amy Beth made a royal entrance in a blue dress, which was surrounded with a ruffle around the shoulders.

Simplicity and a return to the loveliness of spaghetti straps marked the entrance of junior Vickie Reagar, daughter of Mr. and Mrs. Billy Reagar. The bouffant style skirt featured a sash bow in front, to perfectly accentuate this active teen's figure.

Junior Dena Booker daughter of Mrs. Clara Booker, looked bold and beautiful in her deep red taffeta floor-length gown. A pleated cummerbund and wide shoulder ruffle finished the stylish look.

Cool, but lovely described the entrance of the next model, Jamie Porter, daughter of Mr. and Mrs. David Porter, in her pink and white cotton striped ensemble.

Mary Lou Hayes, daughter of Mr. and Mrs. Trazell Hayes, looked stunning in a tea-length royal blue satin dress.

The juniors continued their fashion statement with the entrance of Peggy Knox, daughter of Mr. and Mrs. Jamie Knox. The blue taffeta and sequin dress was complemented with a matching taffeta bow

in front. A romantic soft pink taffeta gown overlaid with pink net provided sophomore Larisa Schoenhals, daughter of Mr. and Mrs. Merlin Schoenhals, with a lovely entrance.

The junior high was well represented by 7th grader Kelly Porter daughter of Mr. and Mrs. David Porter. The 13-year-old was attired in a turquoise sweater and white boldly patterned skirt.

The lovely parade of models was to come to a conclusion, but not before sophomore Alma Duenes entered in a fuschia chiffon and taffeta tea-length gown, which featured puffed sleeves and a rounded neckline.

Escorts at the style show, which concluded with the entrance of show coordinator Judy Simms, included: Steve Sanchez, Jim Etheridge, Greg Underwood, Art Gonzales, Landon Duncan, Abel Lara, Blas Vargas, David Adams, Ernie Hernandez, Wade Bradford, Mike Morrow and Andy Dews.

The cosmetology students who helped the models look their loveliest included: Olga DeHoyos, Valerie Fierro, Vickie Duncan, Donna Morrow, Melissa Vargas, Jennifer Probst, Carmen Villarreal, Martha Hernandez, Darlene Borrell, Kim Williams, Jerri Martinez, Lupe Gamboa, Amanda Ybarra and Raedene Flores.

Extension Club

The Crockett Heights Extension Club met April 8 at Marilyn Chalmer's home.

Carol Hunnicutt gave an interesting and informative program on safety and first aid.

Those attending were: Marilyn Chalmers, Hazel Storms, Goldia Kilgore, Roberta Schoenhals, Kim Hager and Charlotte Trull.

Care Center News

By JoAnne Marshall
Activities Director

Staying fit was the theme in Monday morning's exercise class with a variety of wheelchair exercises being done. Those participating were: Lucia Rios, Theo Burns, Ola Mills, Hilda Dysart, Pauline Clinton, Moriana Perez, Tomasa Ramos, Juana Hernandez and Manuella Perez.

Monday afternoon, a few residents played dominos, while others took a trip down memory lane by listening to an album entitled "Greatest Hits of the 30's".

Tuesday's bingo winners were: Jesus Hernandez, Edna Wallace, Theo Burns, Emma Taylor and Alice Ross. Bertha Miller won the El Chato's gift certificate. Dorothy Doll and Mattie Cooper assisted residents with their cards.

Tuesday afternoon residents went on an outing to the Civic Center to view the arts and crafts on display. Volunteers were: Marie Pierson, Mattie Cooper, Dorothy Doll, Lola Rios and Amelia Tambunga.

Residents participating in Wednesday's ceramic work shop were: Pauline Clinton, Hilda Dysart, Juana Hernandez, Tomasa Ramos, Lucia Rios, Ola Mills, Moriana Perez and Theo Burns. Volunteer for the workshop was Marie Pierson.

Thursday's activities started off with a trip to the beauty shop. Volunteers were: Vivian Hughes, JoAnn Williamson and Clara Byrd. Next, Clara Byrd and Inez Biggs entertained residents with piano music and singing. The Lutheran

Bible study followed with Charles Huffman presenting the lesson. Ruby Olson played the piano while residents and visitors sang hymns. Visitors attending were: Marie Walker, Betty Huffman, Dorothy Doll and Mattie Cooper. The Spanish Hour of Praise finished the day's activities with Elvira Martinez, Carmen Fuantoz, Father Richard Altenbaugh, Sulena Martinez, Mariana Fernandez, Vistoria DeLa Garza, Germana Onofre, Norma Flores, Flipa Munoz, Paulita Leal and Maria Vitela attending.

Popcorn was served and made by Anna Bell Patrick during Friday's bingo. Tomasa Ramos won the first prize of a Teacher Store gift certificate. Other winners included: Theo Burns, Alice Ross, Manuella Perez, Ola Mills, Minnie Karr and Rebekah West. Volunteers assisting were: Dorothy Doll and Mattie Cooper.

Laughter could be heard Friday afternoon as Marie Pierson conducted the activity Dear Abby.

Sunday's worship services were presented by Our Lady of Perpetual Help Catholic Church. Fr. Richard preached the sermon. Among the large group of visitors accompanying him was the young peoples' choir who sang for the residents.

We would like to thank all the visitors and volunteers for coming by this week.

We need more volunteers, please.

Library News

Crockett County Public Library is proud to announce a variety of new projects at the library. This Sesquicentennial year marks the beginning of CCPL offering many new programs for the people of Crockett County.

First, and most obvious, new landscaping. A big thank you goes out to Mr. and Mrs. Gary Mitchell for getting our landscaping off to such a great start. We are sorry for any inconvenience during all this yard remodeling. We will be installing a sprinkler system and then we can begin planting grass and other plants.

Second, a new literacy program. We want to thank Mrs. Joan Nicholas for her participation and enthusiasm in starting off the Literacy Reading Program at the library. Anyone interested in becoming a tutor or a student, please contact Mrs. Nicholas.

Third, and very exciting are our children's programs. With the help of our Friends of the Library group, we are starting in May with a story and film hour for the little ones - three to five. Then after school is out, there will be programs beginning for the older children. We plan to have a Sesquicentennial Reading Program with certificates and prizes for books read, films and filmstrips, contests, and much, much more. It's going to be a fun summer at the CCPL. All volunteers interested in helping with these programs are urged to come by the library and sign up. High school students are welcome as volunteers.

Ambulance Service needs volunteers

Crockett County Ambulance Service met April 14 at 7:00 p.m. in the dining room of the Care Center.

After the meeting had been called to order and the minutes read, Joe Moran brought up the subject of a remote cardiac monitor for the nurses' station. Doug Meador agreed to look into the possible purchase of one. Those members present also voted on the membership application of one person. After a vote by secret ballot, Bob Falkner was accepted as a member of Crockett County EMS Association. Also discussed was the booth at the health fair. Carol Hunnicutt, Tina Moran, Louis Hall, Phyllis Tucker and Steve Bueno agreed to get together and work on advertising and promoting the health fair.

Those present were also reminded of the "Aids" seminar to be held at the fire training center in San Angelo on May 10. Everyone who can was encouraged to attend.

The next training meeting will be held at the Care Center dining room on April 28. Special Skills EMTs will be practicing their IVs and intubations at that time as announced by the chairman of the training committee, Joe Moran.

At this time we would like to remind all those who are certified ECAs, EMTs or higher but are inactive that we need you and encourage you to come to the meetings held each second and fourth Monday of each month. Our association is very active, and we need everyone present.

Attending were: Dub O'Bryant, Joe Moran, Tina Moran, Brian Henry, Doug Meador, Carol Hunnicutt, John L. Henderson, Dorothy Lane, Elliott Barrera, Raymond Borrego, Ray Myer, David Cooke, members. Others present were Steve Bueno, Phyllis Tucker, Randy Branch, Louis Hall, Sammy Vargas, Betty Gonzales, Gregg Hood, Alex Castaneda and Bob Falkner.

Pandale Pannings

by Jonny Johnson

We were down at the crossing late Sunday afternoon. Most of the fishermen and boaters had left. Joe Wright said there had been a good many out this weekend.

His partner, Willard Freeze of Wink, had received news of his brother being killed in a car wreck between Midland and Big Lake. His name was Charles Ray Meridith.

With spring turkey season we had about twenty hunters in our area. The Gary Cahills of Katy and their crew were here and looked like a full house of hunters.

We met Rod Chalmers making his

rounds and visited a while on the road.

The Cahills and another couple put in about five miles up stream from the crossing and caught a good batch of bass.

Joe Wright caught some good catfish Saturday.

Fred and Donna Dubose went fishing Sunday. I don't know if they had good luck or not.

Though the cowboys have been killing rattlesnakes since early February, I killed my first Sunday night, a fair sized one.

Tom Everett is home after a stay in the hospital.

Community Center hosts UMW tour group

By Cynthia Harrell Hodges

The Ozona Community Center held a sandwich luncheon for 32 United Methodist Women en route to Anaheim, CA for the general assembly UMW meeting, which is held once every four years. The women were here April 12 as part of their tour of various United Methodist missions during their week-long trip from Austin to Anaheim.

The Ozona Community Center board of directors served a smorgasborg of sandwiches, deviled eggs, desert cakes and apples. Following the informal meal, the women were given a brief history of the community center by Marilyn Cox, president of the board. Mrs. Cox told how four years ago the center had been forced to start charging tuition for students enrolled in Kiddie Klub and Tinyville programs due to a cutoff of funding from the General Board of Global Ministries in New York. "Programs have had to be cut because we have no money," she explained.

The visitors then toured the community center facility. This group will be among 8,600 women who will attend the quadrennial assembly. This 1986 assembly will climax a five year celebration of the 1.2 million-member organization's first 100 years. The theme of the four day event will be "Into the Future by Faith".

The UMW group was headed by Betty Hixson of Austin, who is UMW Southwest Texas Conference president, and Mary Lee Marshall of Bastrop, who is conference Christian personhood chairperson, and Mary Compton of San Marcos, who is conference program resources chair-

person. The lone man, Don Ball, bus driver for the group, told of how he met an interesting woman on the bus four years ago. Ball drove the Austin group to the quadrennial assembly in 1982. He later married the young woman, Lynda, and they both are attending the assembly in Anaheim next week.

Others visiting the Ozona Community Center included: Elizabeth Gerdes, Betty Craft, Dorothy Daily, Elizabeth Adair, Addie Blackwelder, all of Austin; Maude Johnson, Annabelle Carmichael, Don and Lynda Ball, Virginia Lane, all of San Antonio; Dorothy Bingham and Louise Alger, both of Burnet; Margaret Shinn of Victoria, Annette Pfeil of Port Lavaca, Billie Bruce, Florence Denman, both of San Angelo; Vernell Mullinax of Bander, Bettye Minton of Kerrville, Liz Hughes of San Benito, Sharon Hooten of Rio Grande City, Mynteta Terres and Ola Fryson of Corpus Christi, Minnie Graves of Goldthwaite, Jane Mills and Anna Lou Fieps of Johnson City, Harriet Odiorne of Uvalde, Liz Rose of Ingleside, Kathy Baca of Robstown and Florence Isaacs of Medina.

Hostesses of the event included Kiddie Klub and Tinyville teachers Mrs. Ray Valadez and Miss Delfina Perez, Mrs. Billy Carson, Mrs. Ricky Webster, Mrs. Gary Vannoy, Mrs. R. A. Harrell and Mrs. L. B. Cox III.

The touring group left shortly after lunch to again start their long bus ride to El Paso. The UMW group briefly visited El Paso missions through Monday noon, before starting their trip to Tucson, San Diego and finally their destination April 24 in Anaheim.

Band earns Division II, III

The 60 plus Ozona High School band students received a Division II "excellent" in concert play and a Division III "average" rating in sightreading at the University Interscholastic League spring contest in Coleman April 9.

For the concert portion of the contest, the band performed "Citadel", "Sarabanda and Gavotta" and "Washington Square," head band director Kelly Glaze reported. "The sight reading piece, 'Existential Overture', was one tough number."

The band is currently preparing for its 7:30 p.m. spring concert May 20 in the high school auditorium. Both the junior high and high school bands are scheduled to perform, assistant director Eric Wharton said.

The competition April 9 was the last contest the band will enter this year. The UIL contest in Coleman heard 19 bands perform. The UIL ratings range from Division I (Superior), Division II, Division III, Division IV (below average) to Division V (poor).

Hoover (Cont. from page 7)

"Good administrators, like Mr. Payne who enjoys his work, help teachers enjoy their jobs."

Like other educational professionals, Hoover views House Bill 72 as a mixed blessing. "There are several good ideas in the legislative program. The bill will ensure that many good things will occur. It (HB 72) does make it more difficult for administrators than for the teacher, because the financial structure has changed and toughened. HB 72 means more paper work, more documentation. This takes time away time that could be spent teaching."

The East Texas State University graduate first came to Ozona because former Superintendent of Schools L.B.T. Sikes' brother was a coach at East Texas. "I never taught in a large school. I like small communities, where everyone knows everyone's parents, families."

Hoover also attended Connors Junior College in Warner, OK.

Teaching has been a family affair for the Hoover clan. His wife Betty has taught 7th grade English at Ozona Junior High for several years. Though both his sons have not remained in the teaching field, both still deal with numbers, at least to a degree. One son, Tommy Lee Hoover, serves as a vice-president at First City Bank in Midland. A second son, Tony Owen Hoover, is employed by Fidelity Trust in Dallas.

The Hoovers like to play bridge, hunt and fish when away from the classroom. Hoover, too, has the reputation of being eager with a paint brush for any worthwhile project.

Thus far, Hoover's primary subject, after 30 years, continues to be math, and the infinite possibilities that can arise from any given set of numbers.

WISE SELECTIONS AT FAST FOOD RESTAURANTS

Many people eat meals at fast food restaurants. Fast food establishments have limited menus and generally specialize in fried foods, milk shakes and other high-calorie selections.

Even in fast-food restaurants you can make lower calorie choices in line with good nutrition. The following tips will help cut calories.

- Select broiled or grilled meat. If it is breaded and fried, remove the breading. Order the smaller hamburger or the smaller bun instead of ordering the larger hamburger. If ordering the larger one, eat only one-half the bun.

- Add generous servings of lettuce, tomatoes, and pickles to the hamburgers. These add nutrients and a minimum of calories.

- Some fast food restaurants are adding salad bars because of consumer demand. To control calories, select a restaurant that includes this choice. Oil and vinegar is a good low calorie dressing choice.

- Avoid fried potatoes and onion rings.

- Drink skim milk or skimmed buttermilk instead of whole milk for a good calcium source with lower calories. Avoid drinking milk shakes. One cheese slice on a hamburger adds calcium without excessive calories. Orange juice is available at some fast food restaurants and is high in Vitamin C as well as low in calories. Diet beverages, coffee, tea or water are good choices. Avoid

OHS students place high in language meet

A total of 29 Ozona High School Spanish students earned nine superior and 15 excellent ratings at the Angelo State University Foreign Language Festival held April 11.

All 29 students competing in Spanish I, Spanish II and advanced levels of prose, poetry, extemporaneous speaking, sight reading and a written test received certificates of award for their participation.

"The festival was an enjoyable educational experience," Ozona High Spanish teacher Emma Franco said. "It gave both students and

teachers an opportunity to meet and share ideas."

In the written test, Delma Fierro won a superior rating in Spanish I competition while Annalu Lopez and Linda Villarreal earned superiors in Spanish II.

Receiving excellent ratings in Spanish I competition were Sandy Phillips, Sandra Ramirez and Jim Etheridge. In Spanish II, Olga DeHoyos, Steve Sanchez, Harvey Fierro and Mark Sanchez won excellent ratings.

Larisa Schoenhals earned a superior in Spanish II prose, and Rita

Rios received an excellent rating in Spanish I extemporaneous speaking.

In poetry, Rita Rios, Spanish I; Valerie Fierro, advanced, and Raedene Flores, advanced, won superior ratings. Julie Carson, Griselda Hernandez and Stacie Winkley, all in Spanish I, earned excellent ratings as did Darla Judd, Spanish II; and Ellie Tijerina, advanced.

Delma Fierro, Spanish I, and Linda Villarreal, Spanish II, received superior ratings in sight reading as Todd Jones and Steve Sanchez, both Spanish II, won excellent ratings.

Garden Club has workshop

The Ozona Garden Club met at 1:00 p.m. April 14 at the Civic Center with Mrs. Boyd Baker and Mrs. Arnold Gerloch hosting.

A flower arranging workshop was conducted by Mrs. Lee Graves with members participating.

Mrs. Joe Bean, chairman of the Ozona Garden Club Flower Show, discussed various aspects of the flower show, which will be held April 24, 1986, from 4:00 to 6:00 p.m. The theme of this twenty-eighth annual standard flower show will be "Celebration of the Texas Sesquicentennial".

The public is invited to attend.

Members attending were Mrs. Lee Graves, Mrs. Bill Mason, Mrs. Brock Jones, Mrs. Joe Bean, Mrs. Douglas Bean, Mrs. Rod Chalmers, Mrs. Charles Williams, Mrs. Beecher Montgomery, Mrs. Boyd Baker, Mrs. J. B. Miller, Mrs. Louis Hall, Mrs. O. D. West, Mrs. Arnold Gerloch and Mrs. Bill Forehand.

OHS students Arturo Gonzales, Kenneth Sessoms and compete in the state V.I.C.A. meet. They were Chuy Hernandez were in San Antonio earlier this month to accompanied by instructor Pete Maldonado [right].

V.I.C.A. students place high at state meet

Three Ozona High School V.I.C.A. students were in San Antonio April 3, 4 and 5 to compete in the state meet. Kenneth Sessoms was fourth overall in state, the highest award ever for an Ozona V.I.C.A. student. Sessoms was entered in the skills contest which involved a technical

information test.

Chuy Hernandez and Art Gonzales placed second and third, respectively in the exhibit contest.

Due to district re-alignment, participation in the V.I.C.A. program has dropped from approximately 6000 to 2500 students. Funding has

also caused a decrease in participation, said Maldonado.

WTU to make refunds

West Texas Utilities Co. has received permission from the Public Utility Commission of Texas to refund more than 19 million in over-collected fuel costs to its retail customers.

The PUC's action was in response to a request filed March 17 by WTU. The total amount to be refunded includes \$9,146,092 in actual fuel costs savings which have accumulated since the current fuel rate for WTU was set by the PUC last August, plus \$215,837 in interest.

The refunds will be made through one-time credits on bills customers will receive in May. The typical customer should receive about \$22.

Also approved was WTU's proposal to reduce its fuel rates, technically known as the Interim

Quarterly Fixed Fuel Factor, for the three-month period beginning in May. WTU officials estimate that fuel charges to customers will drop by 8.2 per cent during that period. Base rates for kilowatt-hours used have not changed since 1984 and will remain the same.

WTU's fuel costs have declined for two years in a row, largely due to a softening natural gas market. Utility companies are allowed to pass the fuel costs to customers. Adjustments for over-collections or under-collections formerly were made automatically each month, but since 1983, utilities in Texas have collected fuel costs through fixed factors, which have necessitated refunds. This will be WTU's second refund within a year.

Ozona Woman's League has supper

The Ozona Woman's League, with their families in tow, gathered together for a family hamburger supper Tuesday night, April 8. The party was held at Mr. and Mrs. Gary Buck Mitchell's home.

The hamburger supper has become an annual event for League families, as this supper was number six. One half of the member-

ship brought hamburger trimmings and ice cream. The yard was groomed and decorated for the supper with many children and adults taking advantage of the spring weather. Members brought lawn chairs or made themselves comfortable on the grass. League husbands cooked, and the evening was spent playing and visiting.

INCIDENTS

4-9 A Santa Anna Street resident reported receiving harassing phone calls. This has been reported to General Telephone Company, and measures are being taken to identify the guilty party.

4-10 An Ozona woman reported that another woman broke the windshield of her car while it was parked on Avenue C. Later the victim advised the Sheriff's Office that she did not care to press charges.

4-13 An Ozona resident reported that his car windshield was broken on Piedra Street. He listed several juveniles as suspects. This case is still under investigation.

Accidents

Minor damage resulted in two accidents investigated by local DPS officers last week.

Trooper Cliff Babbitt was the investigating officer April 8 when two vehicles were in an accident on Highway 163 south of Third Street.

The accident occurred when a 1982 GMC pickup driven by Josh Munsell was struck from behind by a 1982 Oldsmobile 98 driven by Rachel Childress as Munsell slowed to turn into a driveway.

Babbitt reported minor damage to both vehicles and drivers.

A 1982 Chevrolet pickup driven by Michael Davenport of Ozona was struck by a 1982 Ford pickup driven by Carol Davenport of Dallas April 11. The accident occurred at 12:40 p.m. on U. S. 290 east of Avenue AA.

Investigating officer Richard Barton reported that the Ford ran into the back of the Chevrolet, causing minor damage to both vehicles.

No information was available at press time from DPS officers regarding an April 15 accident.

Aliens apprehended

On April 12, an agent working farm and ranch checking operations near Garden City in Glasscock County interrupted a smuggling operation in which four illegal aliens from Mexico were to be transported to Oklahoma where they intended to work. The aliens had apparently walked to a farm in the St. Lawrence area where they made a phone call, contacting the smuggler who had just arrived. This case is currently undergoing further investigation.

On April 13, an illegal alien was turned over to the Border Patrol by the Sheriff's Department. The alien, who claimed to be working locally, was found at a residence in Ozona when Sheriff's officers responded to a public disturbance on Vicente Street.

Border Patrol officers arrested a United States citizen who was transporting three aliens to Fort Worth on April 14. The vehicle was first stopped by Sheriff's Department officers for a traffic violation while traveling through Ozona.

For the seven day period ending April 14, Border Patrol agents in Ozona apprehended 51 deportable aliens.

Fire calls

Volunteer firemen responded to one vehicle fire and three grass fires last week. Two of the grass fires were started by downed utility lines.

A 3:57 p.m. call to the Robert Pfluger Ranch had two trucks and seven men respond. Location was 1 1/2 miles down the Pandale Road. A reported 30 gallons of water was used to extinguish the blaze.

Millspaugh Headquarters Ranch also called in a grass fire on April 11. Nine volunteers responded to the 10:22 call, using 300 gallons of water.

The third grass fire of the week occurred on the Mary Friend Ranch April 8 when a trash fire got out of control. One truck responded to the call.

A pickup belonging to Roberledo Rosent was totally burned when it caught fire April 12 at 9:52 a.m. eight miles out of Ozona. The vehicle was pushing another pickup when it

PROMOTE JUDGE JERRY WOODARD to the 8th DISTRICT COURT OF APPEALS

DEMOCRATIC PRIMARY MAY 3, 1986

TWENTY (20) YEARS JUDICIAL EXPERIENCE SERVING BOTH RURAL AND URBAN COUNTIES
Judge Woodard is 54 years of age and has been Judge of the 34th District Court which district consists of Culberson, El Paso and Hudspeth Counties for 17 years. He was Judge of El Paso Municipal Court for 3 years, bringing 20 years judicial experience to the appellate bench.

RESPECTED BY ALL SIDES OF THE DOCKET

In a recent El Paso newspaper survey, he was acclaimed BEST district judge presiding in El Paso by civil lawyers, criminal defense lawyers, and prosecutors alike. He is also held in high esteem by law enforcement, indicating a judicial balance necessary to fairness.

JUDICIAL INDEPENDENCE

In prior elections, Judge Woodard has declined campaign contributions entirely. Because of having to campaign in areas where he is unknown, he has consented to accept contributions from those who have no direct connection with the court system. This excludes contributions from lawyers and pending litigants.
