An over-abundance of welfare money and too many give-away federal programs had to be a major factor in the riots we have witnessed recently in our major cities over the nation.

When young people grow up thinking the world owes them a living and they manage to get what they want without ever once putting their shoulder to the wheel, there is bound to be a bored, rebellious attitude toward the world in general and authority in particular. "An Idle Mind is the Devil's Workshop" is more truth than poetry.

If these mobs had to work for a living instead of collecting a welfare check monthly or line up for an unemployment check, they wouldn't have time to gather together and plan and execute riots. They would think twice before spending hard earned money for guns and ingredients for Molotov cocktails.

These criminal acts have nothing to do with civil rights and when civil rights leaders publicly state that they will get what they want or burn down America, their cause is bound to suffer.

The American people in general are waking up to the fact that the more concessions given, the more often they are paid back with civil insurrection. One wonders if they riot because they get what they want, which certainly seems to be the case, at least in Detroit.

How many federal aid agencies will be formed and how many millions of dollars will be given away before our political leaders wake up to the fact that man's basic nature will not permit him to appreciate a handout? This should be apparent when we realize that our gigantic foreign aid program has not earned us one friend abroad and anti-American feeling runs highest in the nations to whom we have given the most.

Seems a little dull this week after having the pleasure of visiting with some out-of-town friends last week who were in town for the rodeo. This year's rodeo lacked the excitement of some of the previous years, and the dance crowd was off considerably. We always go to the dance the last night of the rodeo, it's our one night a year to howl and see friends. But just a few of the old faithful were there this year. Maybe the ones who were absent are aging faster than me. By the time I got to bed at 5 o'clock Sunday morning, I had about decided this would be my last year also. However, given a year to recuperate I just might change my mind.

After a complete remodeling job, the oldest hotel in Ozona will be opening for business next Monday. Buster and Ethel Miller are the new owners, and they have really done wonders with the old building. To look at it, you would never recognize it, and the inside is really plush. They are having open house Sunday afternoon and everyone will be given the opportunity to go through it, besides enjoy refreshments in the lounge.

When I realize that school will begin the 28th day of this month, I wonder what happened to the summer and to the rains that never came. It's been a long, hot, dry one (Continued on Last Page)

Funeral Services Here Tues. For Mrs. R.L. Flowers

Funeral services for Mrs. Richard L. Flowers, 55, were held at 3:00 p. m. Tuesday from her home here with Rev. E. R. DeWitt of San Angelo, conducting services. Dr. R. F. Curl of Ozona Methodist Church, assisted in the services. Burial was in Cedar Hill Cemetery under the direction of James Funeral Home.

Mrs. Flowers died suddenly at her home here Sunday night, apparently of a heart attack.

A native of Ozona, she had lived here all her life. She was born September 17, 1911, daughter of Mrs. W. R. Baggett and the late Mr. Baggett, a pioneer Crockett Co. ranching couple. She was married to Richard L. Flowers in Ozona in 1930.

Mrs. Flowers was a member of the Eastern Star and was a Methodist.

Surviving are her husband, two daughters, Mrs. Jack Brewer of Ozona and Mrs. John Harrell of San Angelo; her mother, Mrs. W. R. Baggett of Ozona; one brother, W. R. Baggett, Jr., also of Ozona and three grandchildren.

Lutheran Church Awards Contract For New Building

Members of the Faith Lutheran Church have signed a contract to begin construction on a new church located on 1st St., east of the Civic Center. Land for the church site was donated by Mr. and Mrs. Dick Henderson.

Architects for the building are J. C. McDermitt and F. E. McDonald of San Angelo. Contractor is Leon Burke, Jr. The mission board of the Lutheran Church, Missouri Synod, has approved the plans and work will begin August 15.

New Pay Opened In Tippett; Holt Field Extended

Fourth pay, the lower Leonard, was opened in the Tippett, West field of Crockett County with dual completion of Gulf Oil Corp. No. 5-E J. H. Tippett, previously completed 5,000-foot detrital confirmation and assured McKee confirmer, nine miles southeast of McCamey and 3/4 mile northwest of the Huaco opener in the Tippett field producing at 4,880-4,930 feet.

It was finaled to flow 100-74 barrels of 44.6 gravity oil, no water, with gas-oil ratio of 1.390-1. Production was through a 14-64-inch choke and perforations at 4,750-54 feet, which had been acidized with 5,000 gallons. Tubing pressure was 780-450 pounds.

Operator was taking potential through McKee perforations at 5,920-30 feet.

It was finaled July 25 from the detrital for 165.7 barrels of oil through an 8-64-inch choke and perforations at 5,061-65 feet.

A failure in the Ellenburger, it was drilled to 6,610. Location is 2,550 feet from the northeast and 485 feet from the northwest lines of 36-31-H&TC.

Gulf filed application to drill its No. 6-E J. H. Tippett at 1,497-foot east-south-

Capt. Larry Lewis

Captain Lewis Finishes Officer Training Course

Ft. Benjamin Harrison, Ind. — Army Captain Larry M. Lewis, son of Mr. and Mrs. Ted M. Lewis, Ozona, Texas, completed an adjutant general officer career course June 30 at Ft. Benjamin Harrison, Ind.

The purpose of the 24-week course is to provide military education, branch training, and a working knowledge of the duties and responsibilities of Adjutant General's Corps officers.

Capt. Lewis' training included instruction in general education subjects, fundamental military subjects, personnel management and data processing.

The captain entered the Army in 1959 and was last assigned in Vietnam. He received his commission through the Reserve Officers' Training Corps program at Hardin-Simmons University, Abilene, Texas, where he received his B. A. degree in 1959.

He is a 1954 graduate of Ozona High School. His wife, Jeanne, lives in Indianapolis.

Three Ozona Boys Attending Range Camp At Junction

Junction — The thirteenth annual Youth Range Camp for outstanding 4-H and FFA boys of Texas opened Monday with registration at the A&M Adjunct near here. The camp is sponsored by the Texas Section of the American Society of Range Management.

The boys were selected on a basis of outstanding 4-H and FFA work and interest in or projects with range management.

The week's camp is designed to give outstanding range and ranch boys an opportunity for additional training in range management, leadership and recreation. The program will include study, judging range conditions, wildlife management, ranch planning and field trips to a Kimble County ranch and the Ranch Experiment Station, Sonora. A well planned recreational and entertainment program is planned for the group between instructional periods.

Mike Baker is attending the camp from Ozona FFA, sponsored by Mrs. H. C. Noelke, and Eugene Vinson and Duwain Vinson Jr., are representing Crockett Co. 4-H.

Camp Directors are: G. O. Hoffman, B. J. Ragsdale, Joe Morris, Buford Doble, Jimmy Davee of Ozona, Gary Cuny and the Reverend Joe Fasel.

FFA Members Win Awards At State Convention

Attending the 39th Annual State FFA Convention held in Dallas July 18-21 were Ozona members Wesley West, Bill Everett and Jim Davee, OHS Vocational Agriculture teacher.

More than 4,300 delegates representing 1,200 FFA Chapters throughout the state were present at the annual affair.

All state awards were presented at the meeting. Bill Everett won the Texas Sheep and Goat Raisers award.

In winning the TS&GRA award, Everett was chosen from 53,000 Texas FFA boys as the most outstanding member in the state in sheep and goat production. He was presented a medal and \$75.00 in cash to cover expenses to the National FFA Convention at Kansas City, Mo., in October. The coveted award was presented by Penrose Metcalf of San Angelo.

Three local FFA members won Star Farmer Degrees, Wesley West, Dwight Childress and David Cooke. To qualify for a Star Farmer Degree the applicant must have taken Vocational Ag for three years and have earned and productively invested \$500.00 from his project program as well as participated in all other FFA activities.

Ranchers Asked To List Available Land For Hunting

Anticipating the opening of the hunting season this fall, Ozona Chamber of Commerce is making an effort to update its list of hunting areas available.

Consequently, the chamber asks Crockett county ranchers who will have hunting leases available, either by the day or season, to leave their names with the Chamber, with the necessary information such as area, price and rules.

This service is free to both the ranchman and the hunter. The Chamber annually gets many requests from out of town hunters for information as to available privileges.

Kin of Ozonans Killed In Train Crash At Odessa

Funeral services for Mrs. Louise Lovell Courtney, 48, were held Tuesday afternoon at Odessa. Mrs. Courtney was the sister of Mrs. A. W. Maness and L. W. Lovell, both of Ozona.

Mrs. Courtney was dead on arrival at an Odessa hospital after her automobile was struck by a train as it started across the tracks on a busy traffic artery in north-east Odessa Monday afternoon around 3:30.

John Holds Back To Operate Cafe

Mr. and Mrs. John Held have returned to Ozona and resumed management of the Hi-way Cafe. They purchased the Hilton North home here last week.

For the past year Mr. and Mrs. Held have been in Victoria, where they operated the Italian Villa Restaurant. They owned and operated the Hi-way Cafe here for many years before their move.

Both Mr. and Mrs. Held are looking forward to renewing acquaintances here in Ozona.

Driver Unhurt In One-Car Accident South Of Ozona

The only accident reported in Crockett County this week was a one-car crash just south of town on Hwy 163 Monday night at 8:30. The driver, Kenneth Ellis of Odessa, was uninjured but the 1961 Ford he was driving was heavily damaged.

Ellis was driving north when he attempted to pass another vehicle and a tire blew out. He lost control of the car and it veered off the left side of the road, hitting a culvert and a guard post and coming to rest against a fence in the barrow ditch.

Burglary Charged To 13-Year-Old

A 13-year-old Ozona youth was released in custody of his parents and the county probation officer in juvenile court Monday morning after confessing to the robbery of the home of Mrs. R. L. Schneider. The house was burglarized late the afternoon of July 25.

Entrance to the house was gained by beaking a rear window. Money in the amount of \$190 was taken from the house. Mrs. Schneider was away at the time.

Officers questioned the boy and he led them to a hedge near the rear entrance, where the money was recovered.

Ozona Girl Wins Trophy At Sonora

Christy Davidson, daughter of Mr. and Mrs. Charles Davidson III, won the best All-Around Cow Girl trophy at the Sutton County Junior Rodeo, July 20-22.

Christy won first place in barrel racing and second place in pole bending.

Church of Christ VBS August 7-11

The Church of Christ vacation Bible school will be held August 7 through August 11 this year. The classes will begin at 7:00 each night, with all classes assembling in the auditorium.

All Ozona residents are invited to attend. Classes will be held for children ranging in age from 1 1/2 to 3 years and on through adults.

The nursery will be open nightly, under the supervision of Mrs. Bill Watson.

The school's theme will be "Anywhere With Jesus." Classes will be grouped according to age or school grade and after meeting in the auditorium, groups will be separated for classroom work. Recess and refreshments will serve as a break in classroom study and all classes will meet in the auditorium for dismissal.

Cub Pack 163 Receives Awards

Cub Pack 163, sponsored by the Ozona Community Center, has just completed two weeks of activities with a Pack meeting for visitors and parents. The following boys received their Bobcat badges: Eddie Galindo, John Edward Galvan, Pinky Gonzales and David Torres. Wolf awards went to Benito Badillo, Frank Garza, Alex Guerra and Jesse Castro.

Bear Awards were presented to Lonnie Martinez, Howard Huereca, Peter Zapata, Raul De La Rosa and Harvey Vargas.

The Webelos badge was presented to David Herrera who has been accepted as a member of Boy Scout Troop 163. Refreshments were served by the Cubs.

Ozona Ranchmen Re-Elected To TS&GRA Board

Three Ozona ranchmen were re-elected directors of the Texas Sheep and Goat Raiser's Association at the 52nd annual TS&GRA convention in San Antonio. They were James Baggett, W. E. Friend, Jr., and R. A. Harrell of Ozona.

V. I. Pierce is an honorary director for life. T. A. Kincaid, Jr., is a permanent member of the board as a past president.

Crockett Leads State In Number Of Screwworms

Crockett county has had 31 confirmed screwworm cases since July 4 of this year according to reports from Mission, Texas, issued on August 1. Reported cases to the county agent's office within the county run well over 50 cases during this period.

This is the worst outbreak in any county since the screwworm program started over four years ago, Pete Jacoby, Crockett County Agent, said. As a comparison, the county had 12 confirmed cases in 1966, no cases in 1965, 5 cases in 1964 and 18 ranchmen reported single cases in 1963, according to records in the county agent's office.

Some 15 cases of screwworms have been reported in areas just across the county line in Terrell, Reagan and Irion counties while Sutton county has not reported a case this year. Only 19 cases had been confirmed in Texas through July 1 while reports at Mission showed 127 cases in the state through Monday.

The worst outbreak recently has been on the Floyd Henderson Ranch, 14 miles west of Ozona, where some 13 cases have been found. In the same area, 4 cases have been discovered on the Geo. Bunger, Ranch, 3 cases on the Bud Cox Ranch, 2 cases on the Fields Ranch Company Ranch, and a single case on the Jack Williams Ranch.

The Bissett - Hemphill Ranch, 17 miles north of Ozona reported 3 cases this past week and the Walter Dudley Ranch on the Pecos River reported 2 cases. G. K. Mitchell reported 4 cases on his place in Terrell county, near the Pecos River, 25 miles south of Sheffield.

Bailey was selected by popular vote from a field of six contestants selected by local Civic Clubs. She was crowned by last year's rodeo queen, Miss Lellee Mitchell.

Other contestants were Connie Hubbard, daughter of Mr. and Mrs. Perry Hubbard representing the Lions Club; Bonnie Carson, daughter of Mr. and Mrs. Bill Carson, Rotary Club; Robben Miller, daughter of Mr. and Mrs. Pierce Miller, Ladies Golf Assn.; Christine Sanchez, daughter of Mr. and Mrs. Jesus C. Sanchez, Southside Lions Club; Chris Clegg, daughter of Mr. and Mrs. Bill Clegg, Ozona Garden Club. Miss Bailey was a nominee of Beta Sigma Phi Sorority.

Best all around cowboy trophy went to Johnny Davis of Sweetwater. Trophy buckles went to Anthony Herrera of Lamesa, winner of the 16-19 boys calf tie-down; Bill Cornett of Knox City, winner of the bareback bronc riding in the same age division, and to Davis, who won the bull riding event. Local youths placing second and third in the calf tie-down were George Cox and Rex Bland respectively.

In the 13-15 age boy's division, Dean McMullan of Big Lake took first place and the trophy buckle in the ribbon roping, having the best average. Jim Bob Bailey had the best time in the first go-round. Bobby Boyd of Fort Stockton won the trophy buckle in the calf tie-down. Cuatro Davidson came in third. James Ward of Odessa won the bull riding event.

Winners in the boys' event age 12 and under were Buddy Cochran of Midland, first place in breakaway roping; Ricky Black of Marfa, barrel race, and Bradley Rasberry of Sweetwater, steer riding.

Girls' division 16-19 winners were Betty Casselman of Midland, barrel race, and Gail Espy of Sonora, pole bending. Lynn Cox placed second in the barrel race and third in the pole bending, with another local contestant, Jerri Lynn Morrison, placing second in the pole bending event.

In the girl's 13-15 age division Agatha Johnson of Monahans won the barrel race and Kitty Sue Gossett of Rankin took first place honors in the pole bending event.

NOTED AND PASSED

Tain't Funny, McGee! On a recent visit to Philadelphia, Mrs. Joseph P. Kennedy remarked, "A lot of women have been the mother of one president but there never has been the mother of two or three presidents." Then, realizing that she may have spoken out of turn, she added that she was only joking.

We hope so. When you think of Bobby or Teddy in the White House it is a joke of sorts. But not a very funny one.

Economic Pied Piper: Walter Reuther is telling his union members that they'll soon be making \$25,000 a year and a guaranteed annual wage. What he didn't tell them was that when they reach that income level, automobiles may be expected to cost \$12,000 or so, a pair of shoes \$150, a loaf of bread \$2 and union dues will be at least four times what they are now.

Last Stop: It wasn't widely noted in the press, but, after Premier Alexei N. Kosygin finished his business at the UN, visited with President Johnson at Glassboro, and hugged Castro a few times in Havana, he stopped off en route home to have a private talk at Grand Falls, Newfoundland, with no less than Cyrus Eaton, the Cleveland industrialist who wanted to get in the last word.

Chicago's Answer: On June 2, a big full-page ad appeared in the London Times. It carried the signatures of 70 Americans who charged that American escalation of the Vietnam war was destroying possibilities for negotiations.

In Chicago, radio personality Wally Phillips told his listeners he thought Britons ought to hear from the other America. Three thousand of them contributed double the amount of money needed to run a full page ad in reply saying that they "sided with their government and did not have any truck with all this anti-American junk.

A CRIMINAL MINORITY

From Albuquerque (N.M.) Journal
Congressional investigations are not going to end the horrifying violence now sweeping across the nation's large cities. Nor will partisan fault-finding, nor sociological theorizing.

Arson, looting and murder stem from the nearly incredible surrender to felonious instincts of a criminal minority exploiting violence in the streets. Stern enforcement, not temporizing nor theorizing, is required.

This nation, which presumes to police the world, seems ridiculously incapable of coping with lawlessness in its own streets.

The rampant criminality in Detroit — where casualties and property losses rival those of a war zone — can't be blamed solely on racial grievances. Whites there joined Negroes in an unbelievable orgy of looting.

Were these thieves hungry? They didn't steal food but took color television sets, liquor and other expensive items. Poor? Some of them loaded the loot in late model Cadillac.

The breakdown of law enforcement clearly reflects the failure of leadership. Criminals carted off the loot under the noses of policemen and soldiers presumably sent to maintain order.

Wise and Otherwise
Rambling Reflections
By Dr. R. F. Curl

I see where Mr. Gallup has been taking another poll. I am always interested in these gimmicks and have a feeling along with Lyndon B. Johnson that they do serve as a rather reliable barometer of the weather of current thinking. I hold this faith, however, in the absence of having ever been asked one single solitary question by Mr. Gallup's pollsters. And this puzzles me. By the way, has one of his interviewers ever gotten around to you? But in spite of the fact that we have not been asked it does appear that Mr. Gallup's predictions often come through.

Now being a preacher I am quite loath to admit that I fear this recent poll bears out the facts. It seems that ten years ago Mr. Gallup conducted a survey asking "At the present time, do you think religion as a whole is increasing its influence on American life, or losing its influence?"

Back then in 1957 sixty-nine per cent of the folks questioned said religion was increasing its influence and only fourteen per cent said it was losing out. But when the same question was asked this year, lo and behold, only twenty-three per cent of the people said religion was gaining in influence and fifty-seven per cent said it was losing.

I am afraid I would have answered with the majority group both in 1957 and then again in 1967. For it seems apparent that the religious upsurge which followed World War II and continued its gain through the Korean War has definitely been waning. This is indicated by the fact that the churches are not gaining in membership as rapidly as the American population increases and that attendance at services has been decreasing. And now it appears from most recent figures that collections are actually falling off dollarwise and certainly so in terms of a shrinking dollar.

To my thinking this does not mean that the churches are about to close up or that religion is about to fade out on the American scene. Religion has always had great vitality and has weathered many a storm. The Christian churches have suffered their times of recessions. But these recessions have always given way to renewal and revival.

I was interested to note the reasons ascribed for this waning power of religion in American life. These are three: (1) that religion (the churches and their members) are increasingly irrelevant to the real and increasingly complex world and its multiplying problems; (2) that religion is too involved in the secular world and is so "far out" it is losing its following; (3) that religion has become so much a "mirror image" of its community and national setting that its life is blended into the general patterns of our culture leaving only an imperceptible and perhaps, non-existent, influence.

I saw the parade for the Junior Rodeo and enjoyed it immensely. There is nothing prettier than a pretty horse except a pretty horse ridden by a pretty girl. The Rodeo was real fun. I am no judge of these matters, but I am sure I enjoyed the fine performance of the clean-cut youth of West Texas even more than I could have enjoyed the sophisticated performances of the professionals at Cheyenne on July 4th. It's hard to beat youth and especially disciplined youth who have been willing to train themselves.

Mrs. Curl and I were out of Ozona for a week between Sundays recently and do you know we were real glad to drive around the curve into town and be back again. In less than two months we find this has become for us home and we pined for our "room to breathe."

Washington News Letter
Congressman O. C. Fisher

The Newark-Detroit Riots — worst in American history — are giving certain politicians and professional civil rights leaders some embarrassing moments. In three years three major civil rights bills, all tailored to suit Martin Luther King & Co., have been bulldozed through Congress — each with the threat that unless promptly enacted there would surely be riots and violence!

Now the apologists are hard-pressed to explain why it all happened. The old stock excuse — poor housing, poverty, police brutality, and unemployment, have developed a hollow sound. Yet, these excuses are being dusted off, embellished, and fed to the public once again.

The truth is that the U. S. Government has pumped \$14 million in poverty money into Detroit and has spent more on slum clearance and public housing in that city, per capita, than in any other American city. Yet Detroit Negroes burned down \$200-million worth of buildings, caused 38 deaths, and looted 1200 stores.

In Newark \$18-million in poverty funds were scattered among the Negroes and a few others there, along with vast outlays for housing. The Negroes there caused 34 to be killed, more than \$100-million in property damage, and they looted hundreds of stores during the riot.

The fact is that the riots have been caused by the anarchists, the anti-white militants numbering tens of thousands, who are irresponsible criminals and fatally bent on mischief. Their leaders — Martin Luther King, Stokely Carmichael, Rap Brown, Adam Powell, and a few others — along with some politicians — seem to have convinced vast numbers of Negroes that they are entitled to something they are not getting. Thus, the flames of mobocracy have

been fanned into a holocaust. Therein lies the real answer. What is needed is vigorous punishment of the guilty, a free hand given to police to employ relentless means of dealing with any who take the law into their own hands, and, of course, some new laws to avoid the impact of some Supreme Court decisions which have hampered law enforcement. This nation has been on a civil rights binge too long. The political coddling and pampering of Negroes has only served to make them more demanding and more militant in pursuing ill-considered and unjustified demands. It's time to lower the boom and crack the whip on those who violate our laws.

The Ozona TEEN SCENE

By Jacquie Tankersley

Hi, it sure is good to be back in town after being gone for a week. I've gotten behind on the latest happenings, but I'll tell you all I know.

Four of our OHS student council members are going to school at Trinity this week. Those attending are President Wesley West, Secretary Peggy Hagelstein, Judy Barber and Fred Chandler.

If anyone has a set of crutches to get rid of, Connie Bradford might be interested. She recently broke her foot.

Advice to Rodney P. Stay out of "No Passing Zones"!

Congratulations Nannette Bailey. In case you missed the rodeo, Nan is the new Rodeo Queen.

Mike Pennington is back again. No one knows how long he will be with us, so enjoy his company while you can.

I just don't know about Patty Walker. First she had mail from her "secret love," now he visits her in her dreams. (how romantic).

The "foursome", David H., Kirk B., Donald H. and Calvin M., have done absolutely nothing to get their names in the paper, so out of mere pity, there they are.

Good news seniors! We finally have an English teacher. I was beginning to wonder if we were going to get out of OHS or not this year.

As some anonymous person informed me (by mail) this week: "Be kind and good-natured and you'll always get your reward."

That just about wraps it up for this week. If you hear of any exciting news, let me know. See ya next week.

Mr. and Mrs. Bill Pagan and sons, Rodney, David and Steve, are vacationing in Corpus Christi this week.

Recipe of the Week From Kitty's Kitchen

Stuffed Round Steak

- 1 cup celery, chopped
- 1/4 cup parsley, chopped
- 2 cups potatoes, diced
- 1 cup onions, chopped
- Salt and pepper to taste
- Parmesan cheese
- dried bread crumbs
- hard boiled egg
- olive oil

Toss ingredients, except for egg and olive oil, and spread over the surface of round steak. Sprinkle chopped egg and olive oil over top, then roll as you would a cinnamon roll. Secure with toothpicks and cook in slow oven until meat is tender. About 1 1/2 hours. Brush with olive oil occasionally to prevent drying.

Real Italian Spaghetti

- 2 tbs. chopped parsley
- 4 medium onions
- 1/4 cup butter
- 1/4 cup olive oil
- 2 cans tomato puree (8 oz.)
- 2 cans tomato paste (6 oz.)
- 1 pound long Italian spaghetti

1 pound ground beef
Parmesan cheese
Cook parsley, onion and garlic in hot fats until soft. Add tomato puree and tomato paste. Brown meat in separate pan and add to above mixture. Simmer for 3 hours. Cook spaghetti in boiling salted water, to which about a tablespoon of olive oil has been added, drain and rinse in hot water. Place on warm platter and top with sauce. Sprinkle with grated Parmesan. Serves 8.

The above two recipes are authentic Italian recipes brought to me by Wanza Sands, who got them from her mother-in-law, an excellent cook, while on vacation recently in Mississippi.

Tommy and Carol Osborn, children of Mr. and Mrs. Duane Oswald of Fairborn, Ga., are visiting their grandparents, Mr. and Mrs. James Baggett.

east offset to the No. 5-E Tippet to test the detrital on McKee in the Tippet, West field and as a 1,650-foot west stepout to a recently opened two-well 4,950-foot Wolfcamp area of the Tippet multipay field, and nine miles southeast of McCamey.

Location is 2,630 feet from the northeast and 660 feet from the southeast lines of 36-31-H&TC. Contract depth is 7,100 feet.

The field has three Ellenburger, and five McKee and five detrital wells.

Sixth Ellenburger oil producer and a 3/8-mile north-

west extension to that pay was assured on the south side of the Holt Ranch multipay field of Crockett County with the swabbing of 103 barrels of oil natural at Gulf Oil Corp. No. 4 T. D. Williams et al, in 34-OP-GC&SF, 8 1/2 miles north of Ozona.

Recovery was from open hole at 7,871-82 feet. Acidizing was scheduled.

The field has one Canyon gas well.

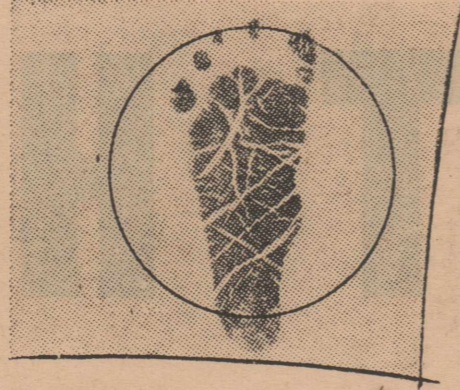

Shell Oil Co. No. 1-111 Mitchell, in 111-1-I&GN, 5/8-mile west and the same distance southwest outpost to the Crockett County four-well Ellenburger gas area of the Brown-Bassett multipay field, 39 miles southwest of Ozona, has indicated production in an unidentified pay,

Connell or Ellenburger. Tested in open hole at 12,704-12,733 feet, using 1/4-inch by 1/2-inch chokes, it flowed gas at the rate of 35 million cubic feet daily decreasing to 33 million cubic feet daily after choke started plugging.

Operator was preparing to kill the well and continue drilling on a 15,500-foot Ellenburger contract.

The firm's No. 1-109 Mitchell, in the same area, indicated Wolfcamp production with the flowing of gas at the rate of 3.9 million cubic feet when drilling reached 10,477 feet, however, it was completed in the Ellenburger.

The Signature of Our Son

Under a certain degree of duress, he has now signed his first legal document. And, though he doesn't look much different from all of his tiny neighbors in the nursery, the world knows WHO he is.

But the world cannot know—nor can we, his parents—WHAT he will become!

A man of character—loyal, trustworthy, courageous? A leader—strong, capable, resolute? A friend to many—kind, unselfish, understanding?

Identification is so easy to establish. But character is the product of careful moral and spiritual training. The religious atmosphere of our home, the earnest participation of our family in the worship and life of the Church—these will determine our son's destiny . . . the path in which his footprints will be known.

THE CHURCH FOR ALL ... ALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.

HIGHLIGHTS AND SIDELIGHTS

From Your State Capitol

Austin, Texas — State Supreme Court has ruled that the constitutional amendment requiring annual voter registration in Texas is valid.

AFL-CIO challenged the amendment. They contended that voters did not get "fair notice" that the amendment provided for annual registration.

State labor officials pledged to take the issue to the highest federal court.

State Supreme Court agreed with ruling of the Third Court of Civil Appeals that the amendment — approved by Texans last year — to abolish the poll tax as a requirement for voting and substitute annual sign-up should stand. There was no opinion. Appellate judges had reversed the trial court finding.

Meanwhile, Texas election machinery and voter registration for the big 1968 election year will proceed under annual sign-up law as amended this year.

All voters, including those who live in cities under 10,000 population, must register between October and January.

Highway — As July began the State Highway Department had \$618,899,810 worth of highway construction under contract. During June, contractors were paid \$35,302,146 for work completed.

In 1919, only \$273,000 was spent for road construction.

Welfare — An audit of the State Department of Public Welfare reveals that \$461,000,000 in federal and state money was used in Texas during the two years ending last August 31 on welfare programs.

Rate was \$120,000,000 last year, of which \$68,620,302 was in direct grants to the needy aged, blind, children and disabled, plus \$41,431,797 for medical care for the needy aged. While aid to dependent children and those who are permanently disabled continues to rise, training programs are reducing the amount of aid needed by blind persons.

Distributions of surplus commodities also is handled by this department. In two years, 45,000,000 pounds of

flour, 19,000,000 pounds of corn meal and 17,000,000 pounds of dry milk were distributed to needy families from federal surpluses. However, the amount distributed is declining as the government stockpiles are used up and high employment is reducing the number of needy families.

Payroll and other administrative costs for giving away \$215,000,000 came to \$12,708,278.

Screwworm Report — Between May 28 and July 1, some 19 cases of screwworm were confirmed in Texas.

To prevent spread of the disease, Screwworm Eradication Program planes recently released 757,780,000 sterile screwworm flies in Texas. Some 106,144,000 were dropped over Trans-Pecos and the Valley portions of Texas.

Underground Water Controls May Come TS&GRA Is Told

Much tighter restrictions are likely to come against use of Texas underground water as competition for this water increases. That was the gist of a prediction given ranchmen at the 52nd annual Texas Sheep and Goat Raisers' Association convention in San Antonio.

Frank Booth, executive director of the Texas Water Rights Commission, said stockmen and farmers cannot be complacent that they will always enjoy in the future the same unrestricted rights they have today to the use of water under their land. Oil companies, industry and municipalities all want the same water. Some curbing of present-day rights is almost certain. Landowners must be vigilant in the Legislature to keep their share, Booth warned.

The association elected Worth Durham of Sterling City its new president, succeeding Howard Derrick of Eldorado. Gene Whitehead of Menard and Jimmie Rieck of Roosevelt are the new first and second vice presidents, respectively.

The association questioned the size of the price discount taken against mohair which has defects such as burrs. Sometimes this discount runs to 40 per cent of the price. The stockmen asked that proper state agencies and colleges investigate to see if such a large deduction is justified.

Alarmed by recent widespread outbreaks of screwworm infestation, the convention urged stockmen to be particularly alert and to treat their livestock to curb this spread.

They asked immediate compliance by drillers of new oilwells with the Railroad Commission's statewide no-pit order which forbids open salt-water pits after January 1969. These pits often are the source of fresh water pollution. The stockmen maintain that if all new wells comply now, the transition will be easier.

A South African mohair expert told Texans they need a drastic improvement in the manner in which they package and sell their mohair if Texas mohair is to survive. Dr. C. C. Kritzing said the Texas one-price system is archaic, ignores the needs of the market and discourages improvement of the clip.

DAUGHTER TO BERRYS

Mr. and Mrs. Ronald L. Berry of Dickinson, Texas, are the parents of a daughter, named Catherine Genelee, born Saturday, July 29, in a Dickinson hospital. The baby is the granddaughter of Mr. and Mrs. Pleas L. Childress of Ozona. She has a three-year-old sister, Cynthia, who is here visiting her grandparents. Mrs. Childress and daughter, Lucille, were in Dickinson to greet the new arrival, and Cynthia accompanied them home for a visit.

95 VISIT MUSEUM

Visitors to the Crockett County Museum numbered 95 last week. Of the total 76 were from out of town and 19 were local visitors.

Mrs. Pleas Childress and daughter, Lucille, have returned from a two-months stay in San Marcos where they took courses in Southwest Texas State College. Charles Childress has been attending summer school at San Marcos High School. Mrs. Childress reports it a great sensation to be "back in college" even for just a summer.

Woman's Forum Plans Projects In Called Meeting

The Ozona Woman's Forum met in called session last week at the Civic Center, with Mrs. Kirby Moore, president, as hostess.

Projects and activities for the 1967-68 club year were adopted. They include contributions to various national and state federation projects, an effort by club members to encourage voting in all elections, gifts of books in Braille to the School for the Blind in Ethiopia, annual best citizen award to an Ozona High School student, assisting and supporting all community drives including clean-up, beautification, youth recreation, Girl and Boy Scouts, and Crockett County Museum; and contributions to West Texas Boys Ranch, McKnight State Tuberculosis Hospital Christmas Shop and local Welfare Fund.

Educational projects include continued support of the Robin Jones Memorial Scholarship Fund, adult education program, promotion of arts and crafts exhibit for schools and community. "Americanism" essay contest for students of Ozona Junior High School, and support of the Adult Reading Room of the library with cash donations, books and volunteer help.

It was announced that the club had been awarded first place as Outstanding Club for Most Actual Accomplishments at the State Convention in Dallas June 4. The Forum pressbook won second place in state competition.

Mrs. Tom Montgomery and Mrs. Arthur Phillips were voted into membership.

Elizabeth Jones is visiting her uncle, J. R. Jones, and his family and Mr. and Mrs. Jack McClosky in New Orleans this week.

that fly releases will be "beefed up" in counties reporting the greatest number of worm cases. A branch station has been opened at Sonora, where planes will re-load with sterile flies that have been trucked from the Mission lab.

Dr. M. E. Meadows, Jr., veterinarian in charge of field operations of the screwworm program, reports that more than 20 million sterile flies per week will be released over the West Texas area in an effort to stamp out the outbreak. The drop rate will be better than 1000 flies per square mile according to Dr. Meadows.

County agent Pete Jacoby urges every ranchman to be on the look out and to collect samples of any suspected screwworm cases. Ample bottles to send in worm are located at both wool houses in Ozona.

girls' division winners were, barrel race, tie for first place between Audrey McFadden of Rankin and Cindy Grimes of Hobbs, N. M. Winner of the pole bending event was Linda Gossett of Rankin, while Marien Sharp of Lamesa won the breakaway roping.

All first place winners were presented with trophy buckles donated by local and area merchants.

Lions Club officials were very pleased with the attendance this year and felt that although fewer contestants were entered this year, the quality of performance surpassed that of past years.

DUPLICATE BRIDGE

In last week's Duplicate Bridge Club play at the Country Club, Mrs. Lovella Dudley and Mrs. Pete North tied with Mrs. J. B. Parker and Mrs. Cleophas Cooke for first place honors. Third place winners were Mrs. Robert Cox and Mrs. Jake Short.

Mrs. Pete North won high series for the six weeks.

DRAGOO TO TEACH BAND AT LYFORD

Leon Drago, son of Mr. and Mrs. Leonard Drago, has accepted the position of high school band director at Lyford for the coming school term. He was previously director of the junior high school band at Lakeview.

A graduate of Ozona High School and Sam Houston State Teachers' College at Huntsville, he was a delegate to the State Band Directors' Convention in San Antonio during the weekend.

58 Enrolled In Summer Driver's Education Course

Driver's Education, instructed by Ron Murdock, got into the last phase of the summer course Friday with 16 students enrolled for behind-the-wheel instruction.

Approximately 58 thirteen and fourteen-year-old boys and girls enrolled in the classroom study course which began immediately after the close of school. Twenty-three students have completed the course and most of them have taken their state tests to obtain a driver's license.

This year's D. E. course was accelerated in order that children might secure their licenses before the new law goes into effect the last of August which will prohibit the issuance of licenses to those under the age of 16, who have taken driver's ed., and 18 for those who have not. Most schools do not offer driver's education to students younger than 15 years of age, with Ozona being one of the exceptions.

The high accident rate for teen-age drivers prompted the state to enact the new law. However, it will be at least two years before there is any change in statistics since a bumper crop of fourteen-year-old drivers will be behind the wheel this year. If anything there will be more of the younger drivers because of the rush to get a license before the August 26 deadline.

Students who passed the classroom part of the course but were unable to take the driving because of 14th birthdays coming after the deadline, will be able to get a beginner's license on their 15th birthday. This will en-
