It's fun to run and play and laugh and dance. It's hard to stand still and listen.

I'm glad I'm alive.

Mommy, I love you. Thank you for taking care of me. Thank you for cookies and milk and bread.

Please give me a dime for Sunday School. I like Sunday School. We sing and laugh and learn about God. Mommy, I love you.

And so on and on she prattles in her own innocent and naive way. Soon, however, her questions will become more complex and her parents will need all the love and wisdom they can obtain.

Fortunately, we as parents are not alone in this endeavor. The Church stands ready and anxious to help us train our children. Through worship, study and meditation we can learn to know what God requires of us. Come to the church of your choice this Sunday and every Sunday.

THE CHURCH FOR ALL . ALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of character and good citizen-ship. It is a storehouse of spiritual values. Without a strong Church, neither democ-racy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.
