People are shocked that Hubert Humphrey has flatly stated that he, if elected, would halt all bombing in Viet Nam. How can a man, who has risen in his party to become its presidential nominee, come out with such a statement? He calls it a risk he would take in order to bring peace to that part of the world. He evidently has not stopped to imagine the American casualties an unimpeded flow of arms and men from the north would bring about. Perhaps he is so intent on bringing his hecklers into the fold that he doesn't care about the safety of thousands of American lives.

I have heard several politicians remark that a stop in the bombing would not affect the safety of the American foot soldier. However, the military men say our war dead would more than double. Common sense tells me that the military would have a great deal more knowledge about this matter than any politician living.

I should think Mr. Humphrey's statement would lose him many more votes than it would ever gain him. In fact if this statement enhances Mr. Humphrey's popularity, my faith in human nature will suffer a severe shock.

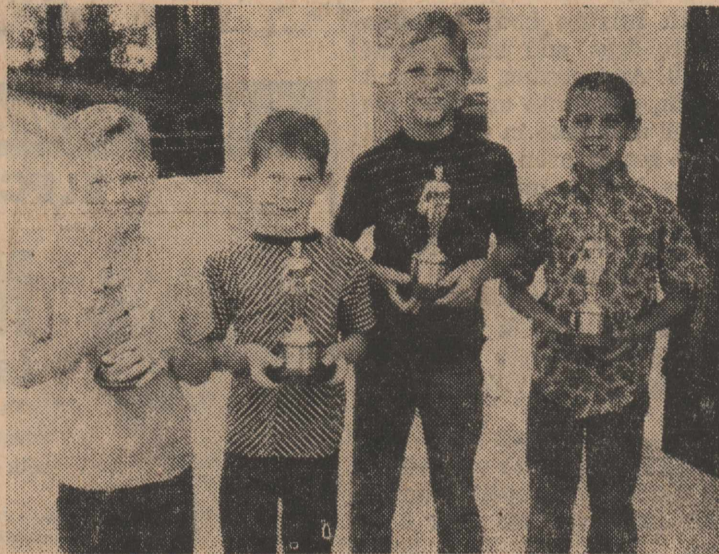

For 6-year-old Kristy Kirby, her first slumber party on the occasion of Lisa Mitchell's birthday last week was a complete flop. Arriving home the next morning she announced that they weren't allowed to pillow fight and didn't get to slumber.

Speaking of birthdays I think almost everyone I know will have a birthday before this month is over. This includes the two men in my house, Tom and Jim. Jim's was Tuesday, Tom's Wednesday and on Thursday I was broke. Believe me, deciding what to give a 15-year-old boy for his birthday is a problem for both mother and father.

They are too old for toys, games and puzzles. They are getting interested in clothes, but seldom care for their parent's selections in that line. This, of course, is a stage of adolescence. It's just not the "in" thing to like anything your parents like. However, I've learned how to get around this. I hand him a package and say, "I'm sure you will want to exchange this. I thought it was perfectly horrid, but it was the best I could do at the time." After this little speech, he has mind made up that he likes it before he gets the wrapping off and I am rewarded with "Gee, this is cool." And, everybody is happy.

Tomorrow night our Lions meet Crane, the number 2 football team in class AA. The sportswriters' polls pick Crane to win, but there never was a chicken that couldn't be plucked. I believe the Crane comes under the chicken category. I have a hunch we'll upset the Golden Cranes and I am right as often as the polls.

Ozona missed the rains that fell around West Texas when the front arrived yesterday, but the cool weather is most welcome. I had begun to think we had skipped winter and summer was upon us again, but guess fall is here to stay for awhile.

PROUD WINNERS — These four lads brought back handsome trophies from the Sonora Punt, Pass and Kick contest sponsored by the Ford Motor Co. last Saturday. Pictured, 1 to r., are Mike Lewter, third in 9-year-old division; Johnny Kenna, first, 8-year-old division; Michael Mosley, first, 10-year-old group; Blake Moody, first, 9-year-old.

Paul Hallcomb, Former Ozonan, Buried Wed.

Funeral services were held yesterday afternoon for Paul M. Hallcomb, 87, former Crockett county ranchman, who died Saturday in a nursing home in Cookeville, Tenn., after a long illness.

Services were held from the Ozona Church of Christ with Bill Brown, former minister of the Ozona Church of Christ, now of Lubbock, conducting the services. Burial was in Cedar Hill Cemetery under direction of Janes Funeral Home.

Mr. Hallcomb was born Dec. 12, 1880, in Runnels county. The family moved to Sonora and he came to Ozona at the age of 21 years. He operated a barber shop in Ozona for several years, later entering the ranch business, continuing until his retirement in 1960. He married Minta Miller, daughter of the late Mr. and Mrs. Jones Miller, pioneer Crockett county ranching couple, on July 15, 1906.

Surviving are a son, Paul M. Hallcomb of Cookeville, Tenn., and two grandchildren, Mrs. Roy Lee Adcock, of Rock Island, Tenn., and William Hall Hallcomb of Cookeville.

Palbearers were Jake Miller, Jeff Owens, Otto Pridmore, Delbert Stewart, Dr. W. B. Robertson, Foy Moody, Bill Hoover and Oliver Earl Berry.

Property Owners In Path Of IH 10 Called To Meet With Hiway Dept.

Ballots Ready, Absentee Voting Now Under Way

Official ballots for the general election, which will be held November 5, were completed this week, and absentee voting began Wednesday. For the first time in a general election, there will be no scratching of names. Voters are reminded to place an X in the box beside the name of the candidate of their choice. Those wishing to vote a straight ticket may place an X in the box beside the party of their choice.

Offices are listed in the first column on the left side of the ballot, in order of national, state and local offices. A full slate of nominees for the Democratic Party appears in the next column, followed by the largest slate of Republican nominees to appear in years. The American Party is listed next, with only the presidential nominee, and is followed by the write-in column.

Fourteen proposed constitutional amendments to the Texas Constitution occupy the entire righthand side of the ballot. In each instance the proposal is stated with boxes beside For and Against for the voter to indicate his choice by an X.

Polling places include the courthouse for precinct 1, the high school building for precinct 2, south elementary school for precinct 4 and the Civic Center for precinct 3 voters. Out of town boxes are at Powell Field and WTU Power Plant.

Voters are reminded to follow the instructions on the ballot and avoid making any other marks on the face of the ballot. Scratched ballots, names circled or any other method of marking may be thrown out by election judges.

Jack Alexander, GOP Congressional Candidate, Coming

Jack Alexander, Republican candidate for U. S. Congressman, 21st Dist., will be in Ozona from 7 until 9:30 next Tuesday morning. He will be meeting with voters at the Hi-Way Cafe and wants to meet as many Ozona residents as possible.

He would like to have an opportunity to visit with a couple of all parties over a cup of coffee. Mr. Alexander will be buying the coffee and entertaining with his particular brand of political wit.

All questions will be welcome and answers given.

Dist. Title Rides On Lions' Tilt With Top Ranked Cranes Here Fri.

Lion B Team And Cubs Play Big Lake Tonite

Ozona's junior high Cubs and Lion B will encounter the Big Lake teams this afternoon. The Lions will host the Reagan County B here at Lion Stadium at 7 o'clock and the Cubs will journey to Big Lake to play at 5:30.

The Cubs took an easy victory from the Sonora Colts Thursday afternoon by a score of 38-16, while the Lions suffered their second loss of the season. Earlier in the year the Lions downed the Broncos 26-0, but this time the tables turned and the score was 31-8 the Broncos.

Coach Womack cleared the benches early in the junior high game and still the Cubs scored. Ruben Tambung, Jeff Stuart, Tim Evans and Gerald Olson were responsible for the Cub scoring.

The Lions got off to a bad start, allowing the Broncos to score early in the first period on a fumble. However, they narrowed the Bronco lead 13-8 when Greg Stuart got loose for a 35-yard sweep and a Lion touchdown. David Williams hit Arturo Torres for the two points.

Hit with penalties on almost every play, the Lions fumbled a kick return and Sonora scored again, stretching their lead 19-8 at the half.

Sonora scored on a 65-yd pass and run play in the opening moments of the second half and after that it was no contest. Penalties plagued the Lions throughout the game, rendering both the offense and defense completely helpless.

Three members of the Cubs were lost for the season, due to grades, and Jim Montgomery, starting quarterback for the Lions B, moved up to the varsity after Lion quarterback Randel Clepper was injured in the Sonora game.

New Addition To Ozona Gets Co. Approval

Crockett County Commissioners court met Monday in regular meeting and received various reports.

The budget for the county was reviewed and showed the county to be in excellent financial condition this far in the year.

J. C. Thompson, who purchased the Dick Henderson ranch several months ago, submitted a request for a new addition to the city of Ozona, to be located on the west hill and be known as the Childress-Mitchell addition.

Bids were opened for grass leases on two county traps. Bud Harrison was high bidder on the Ingham south of town and Jesus bid high on the Henderson trap north of town.

Judge Bernice Jones read a letter from the Dallas County commissioners court asking the voters of Crockett County to vote for amendment number 4 in the general election. The amendment must be passed by the (Continued on Last Page)

The Lions will host the Golden Cranes tomorrow night at Lion Stadium. Crane picked number 1 in the state in class AA, will be picked to win and the Lions will be out for an upset. The Golden Cranes are undefeated for the season and the Lions are 4-1, dropping one to Sonora.

Picking up their fourth win in pre-season play, the Lions shut out the Iraan Braves in Iraan Friday night 39-0. Starting quarterback Randel Clepper was sidelined with a knee injury suffered

Continued Spread Of Screwworms Noted In County

Screwworm infestation in the county continues at a fast pace as 304 cases have been reported to the Screwworm Eradication headquarters at Mission, Texas. One hundred twelve cases have been reported during the past two weeks. The cases are pretty well scattered over the entire county, according to county Agent Pete W. Jacoby. Some ranches reporting many cases earlier have not reported cases the past two weeks while a number of the cases have shown up on ranches that had not reported outbreaks before.

While most of the cases reported seem to have been caused by shearing or in sheep's heads, probably caused by ram fighting or by horn flies, quite a few of the reported cases indicate that castration or similar wounds were made, allowing for cases of screwworms, Jacoby said.

Ranchmen should use all precautions toward stopping the spread of the screwworm by dousing wounds and spraying animals when ever possible.

Ranches reporting cases of worms for the first time this year as follows; Fields Ranch Company, George Bunger, Jr., Lad Linthicum, W. E. White, Mrs. Ralph Watson, E. W. Sudderth, Marshall Montgomery, John W. Henderson, III, Chester Kenley, Charles E. Davidson, III, Bill Savell, Troy Williams, Aubrey DeLong, Roger Dudley, Jr., Floyd Henderson, Andy Smith, Mike Moore and Walter Dudley.

The week before in the Sonora game and he will be out again this week.

David Huff moved the team well at the quarter-back slot Friday night and was backed up by Jim Montgomery, sophomore with B team experience. The entire game was played on the Braves end of the field.

The Lions were up Friday night and played one of their most outstanding games of the season. After kicking to Iraan, the Lions' Tommy Jenkins fell on a Brave fumble at the 20-yd line and Fleet Coates put the Lions on the scoreboard the first play from scrimmage, the kick was no good. The Lions scored again after holding the Braves on downs. They took over at mid-field and drove to the 1-yd line. Coates went over for the score and Tommy Connor kicked the extra point.

Huff moved the Lions to the Brave fifteen to set up the score in the second period. Huff pitched out to Coates, who tossed a pass to David Pagan for the third Ozona score. The PAT failed, bringing up halftime with a 19-0 lead for the Lions.

The Lions were inside the Brave 20 twice and the Braves recovered a fumble in the end zone before the third score came.

To begin the second half, the Lions were held on downs for the first time and tried a field goal which failed. However, Sooner Williams recovered a Brave fumble on the 12-yd line and two plays later Rodney Pagan hit off tackle for the score. The PAT failed. Going into the third period, the Lions held a 25-0 lead.

Scoring again in the third quarter, the Lions drove from their own 39. Huff hit Beto Vargas for 34 yards and a first down on the Brave 6 to set up the score. Coates ran the ball over for the score and Connor got the extra point.

On the first play in the fourth quarter Rodney Pagan got loose for a 50 yard run and the score. The kick was good and the Lions had a 39-0 lead.

The benches were cleared and all substitutes saw action, with neither team scoring in the remainder of the (Continued on Last Page)

Santone Street Named For Ozona Methodist Pastor

An item of interest to Ozonians appeared in the San Antonio News Monday in a question and answer column entitled "Hot Line."

Someone had written to inquire about Floyd Curl Drive, the street on which the new University of Texas Medical School is located.

In answer to the question, the columnist replied, "At the time the Methodist Hospital was being laid out and planned, Floyd Curl was district superintendent for the Methodist Church here. He had a hand in the planning and work that went into bringing the hospital into being. He left San Antonio about 18 months ago and is now pastor of a church in Ozona."

The Floyd Curl mentioned in the article is Dr. R. F. Curl, pastor of the Ozona Methodist Church.

Lutheran Women's Missionary League Zone Meet Here

New officers for the Heart of Texas Zone of the Lutheran Women's Missionary League were elected Sunday at the group's area meeting in Faith Lutheran Church. They include Mrs. George Olson of Ozona, president; Mrs. Wilson Jonier of San Angelo, vice president; Mrs. Jack D. Jones of Ozona, secretary-treasurer. The new slate, chosen to serve two-year terms, was installed by the Rev. Norbert F. Roschke of San Angelo, retiring counselor. Representatives attended

from Eden, Eola, Menard, Sonora, San Angelo and Ozona. The meeting was the first in the new church to which the Texas District of LWML donated \$10,000.

The group is planning a Christian Growth Workshop hosted by the Trinity Lutheran Evening Guild in San Angelo for sometime in January. Mrs. Lercy Zuehlke of San Angelo, Christian Growth Chairman, will be in charge.

Next zone rally will be in May in Brady's Mt. Calvary Lutheran Church.

Parcel Post And Catalog Rates To Advance Oct. 19

Postmaster Floyd Hokit announced early this week that higher parcel post and catalog rates will go into effect Saturday, Oct. 19. The rate increase will average 16.5 percent and in most cases will mean an additional ten cents postage per parcel.

The higher rates were approved by the Interstate Commerce Commission in order to bring revenue from this type of mail within 4 percent of operating costs, as required by law, according to Hokit. The higher rates are designed to put parcels and catalogs, which are fourth class mail, on a break-even basis. Also, additional revenue is needed from parcel post and catalogs to offset higher costs resulting from pay increases approved last year for postal employees.

Under the new rates minimum charge for local delivery will go from 40 to 50 cents. Minimum charges for

parcels destined outside the local delivery area will be raised from 50 to 60 cents.

Almost all parcels charged up to \$1.10 under present rates will go up 10 cents. This accounts for more than 80 percent of all parcel post. There will be a 15 cent hike on parcels now charged between \$1.10 and \$4, and a 20 cent increase on parcels now charged \$4 and more.

KNOW EVERY IMPORTANT PROCEDURE AT MEETINGS

By Ann Kaylor

Do you want to understand what's going on during meetings?
These terms and their meanings should help...
The meeting will come to order! — the treasury is empty again and we have to raise some money.
Let's move to accept the

minutes of the last meeting. The secretary forgot to take notes and she can't remember what happened.

Is there any further silly discussion on the motion? — It just passed unanimously.

Nobody questions the Membership Chairman. — Everybody questions the Membership Chairman.

I object, Mr. Chairman. — I don't have anything to say, and I want my name in the minutes.

Let the committee investigate the problem and bring in appropriate recommendations at the next meeting. — Shelve it.

I move that the details be worked out by the chairman. — It's not really too important.

Criticism should be constructive to be effective. — Somebody goofed.

The previous speaker cov-

ered most of my objections to the motion. — He's a friend of mine.

Please restate the motion. — I can't understand those big words.

This will only take a few minutes. — This usually takes on hour.

Do I hear a motion to adjourn? — I'm tired and I want to go home.

ASSEMBLY

By Bobby Mayfield
An assembly was presented Wednesday Oct. 9, in the high school auditorium by Mr. Charles Edgerton.

Mr. Edgerton showed slides taken on the Scout Canadian Canoe trip last summer. There were pictures of Bobby Mayfield, Tom Davidson, Cuatro Davidson, Monte Pelto, Chuck Womack, Bill Edgerton, Fred Deaton, and Mr. Edgerton from Ozona.

The slides showed country that was traveled, wildlife that was seen, beaver streams, lakes that were traveled on, food that was eaten, and Indian paintings found on one of the lakes in Canada.

The assembly was presented to show the boys some of the adventures offered in the Scouting program.

REVOLT AGAINST STUDENT COUNCIL?

By Enemencia Diaz

Since Mr. Pelto has agreed to let the high school have coke and candy machines even though not much profit is being made, the student council should feel enough responsibility to see that they are always filled. The students want to have a choice on what kind of soft drink they are going to buy. The coke machine has only two or three kinds of soft drinks, which leaves the students no hope of getting one of the kinds that they like. The students are planning a revolt, and, if they can locate the student council members, complaints will be loud and long — or maybe a lynching is in order.

TRIP TO ODESSA COLLEGE By Patsy Pearl

Eighteen students and two sponsors attended the Odessa College Interscholastic League Conference Saturday in Journalism, Debate, and Persuasive Speaking.

Mrs. Hayes attended the Journalism discussion. Those accompanying Mrs. Hayes were Patsy Pearl, Debbie Moore, Odilia Sanchez, and Enemecia Diaz.

Their main speaker was Dr. Max Haddick, who is the State Journalism Director. The main topic he spoke on was "Challenge of the Times." His main quotation was "What are you going to do with this instrument, the newspaper?" The class learned that the

newspaper is the ideal place to be a revolutionist and change things. If the newspaper is properly used, you accomplish dreams, but if improperly used, it will destroy you.

J. B. Colson, Photography Critic from the University of Texas, was the second speaker. His discussion was on how pictures tell a story, and he discussed angles of pictures.

Mr. Guntherberg attended the Debate class with the members of the debate team. They are Nannette Bailey, Marsha Moore, James Appel, and David Huff.

Those who attended Persuasive speaking were Diana Deaton, Chris Clegg, Mary Jane and Mary Francis Martinez, Cynthia Harrol, Charlene Strickland, Lou Etheridge, David Hoover, Johnny Barbee, and Ned Henry.

In this class, they learned about informative speaking, prose reading, and poetry interpretation.

The result of this trip was the gain of new ideas and experiences. Everybody enjoyed the trip and each person acquired new thoughts in each field.

voters of Texas before the issue, which pertains only to Dallas County, can be brought before the qualified electors of Dallas County.

The court also discussed amendment number 11. This particular amendment was brought to their attention last week at the State Assn. of County Judges and Commissioners in Austin. In a business session from the floor, an El Paso county commissioner asked that those present help defeat the amendment. Speaking for the people of El Paso county, he said approval of the amendment would be a step toward metro government, where some county officials would be appointed rather than elected by the voting majority. The spokesman from Tarrant County, a county commissioner, also asked that the proposal be defeated.

The proposed amendment in question reads, "The constitutional amendment authorizing the legislature to provide for consolidating governmental offices and functions and allowing political subdivisions to contract for performance of governmental functions in El Paso and Tarrant counties."

WOULD YOUR CONGRESSMAN VOTE FOR GEORGE WALLACE?

Some fine Texans are tempted to vote for the 3rd party candidate because they admire his stand and his statements on some of the major campaign issues . . .

STOP AND THINK WHAT WILL ACTUALLY HAPPEN . . .

The best that Wallace supporters can hope for is enough strength to throw the election into the turmoil of a Congressional election by the House of Representatives . . .

THEN WHAT HAPPENS?

The answer is certain and simple. Wallace supporters are at the mercy of Washington Politicians! Every vote for George Wallace automatically becomes a vote for Hubert Humphrey!

THERE IS A BETTER CHOICE . . .

A vote for the NIXON-AGNEW ticket is a positive vote for "change" with the definite promise that our National Affairs will take a new direction . . . the direction you want it to take!
