Kitty's Korner

By Kitty Montgomery

When you begin to plan the cost of your child's college education, list everything you can think of (tuition, books, room, board, labs, laundry, etc.) then double the total. This will give you a more realistic view of what the future holds for your bank account, not to mention your peace of mind.

I understand a Senate committee has approved legislation to establish the right of every young American to a college education at the taxpayer's expense --- that is, if their parents can't afford it, and what parents can't?

If this becomes law, I can see a revolt among childless taxpayers and older taxpayers who managed to pay for their children's education, and I can't blame them.

How much better it would be if the government would allow those of us who are struggling to send kids through college a tax deduction for the cost. This would be a much better incentive to get kids through school than giving it to them.

This way, parents push their kids to make their grades and if they don't make it in college, the parent knows his kid is not college material and refuses to throw good money after bad.

It's just plain foolish for a senate committee or anybody else to assume that every high school graduate is college material. This just isn't true. Although there are exceptions, the A high school student, is more likely to make B's in college, while the B student is fortunate to get C's and so on.

If every high school graduate was given a free college education by the government, our institutions of higher learning would be forced to lower their grading system so drastically that a bright fourth-grader could breeze through to his bachelor's with flying colors. And there is nothing fair, equal or realistic about that. Anyway, a college degree is about the poorest property one can have this day and time if they are out job hunting.

Monday is the 13th, but from all accounts, it's going to be a lucky day for Ozona shoppers. It marks the first trades day sponsored by Ozona merchants, and they are really offering some unheard of values.

Check the bargains in the paper this week and come to town Monday for a shopping spree.

We really got a bang out of seeing Bryan Montgomery in his first television show Monday night. He was easily the most outstanding talent in the cast, and I don't think I'm being prejudiced. He managed to take a supporting role and steal the show. He certainly seems to have everything it takes to be a success in his field. He photographs well, has a nice speaking voice and most important, has that undefinable "something" that holds the viewer's interest. Let's hope he gets that "big break" he's been working so hard at, soon. We'd like to see more of him.

Ozona football fans struck a blow for Women's Lib last week when they elected two gals to head up the slate of officers for the Booster Club. Tissue Mitchell will serve as president and Wanda Stuart will assist most ably, I am sure, as vice president.

The first cold night that they send Tom and Stuart down to get the auditorium ready for the meeting, impeachment will be in order, no doubt.

Just think, only two years ago the annual affair was an all-male affair and they never did make enough money to pay for the food. The past two years they have even had money left over for coffee and sugar for the remainder of the year.

This just proves that the female half of the parent duo
(Continued on last page)

CAN FOOTBALL BE FAR BEHIND? These are the dedicated Ozona Lions football fans enjoying the annual barbecue supper and rally held Thursday evening on the High School lawn. Over 175 fans were on hand for the event. Following dinner, the group went inside and enjoyed a summation by the coaches of prospects for

the year and were introduced to the boys on this year's team. A film of the Ozona-Alpine game, which gave the Lions the Bi-District championship last year, was shown.

Photo by David Wallace

Americanism Contest Is Sponsored By VFW

Larry Albers, commander of the local VFW post, announced that the local post will sponsor the 25th Annual Voice of Democracy Scholarship Program in the Ozona Schools. The program is sponsored nationwide by the VFW of the U. S.

The program is a National Broadcast Scriptwriting program conducted during the fall term, designed to give high school students the opportunity to voice their opinions on a patriotic theme and to convey them via the broadcast media to all of America.

All students in the 10th, 11th and 12th grades are eligible for the contest. Those interested should contact their principal for detailed information.

The theme is "My Responsibility to Freedom." There will be \$22,500 in national scholarship awards to the winners and fifty-three all expense paid trips to Washington D. C. for the National Finals.

\$206,200 Marked For Crockett Co. 1972 Road Work

The Texas Highway Commission has approved the expenditure of \$206,200 for improvement of 44.7 miles of state highways and farm to market roads in Crockett County during 1972.

District Engineer J. A. Snell of San Angelo said that projects authorized in Crockett County include seal coat projects on U. S. Highway 290 and R.M. Road 33 and the widening of drainage structures on U. S. Highway 290 west of Ozona.

Work will be under supervision of James R. Evans, Maintenance Engineer, and is part of the Highway Commission's combined State Highway Safety and Betterment and Farm to Market Road Improvement Program for 1972.

Students tickets may be purchased here at any principal's office or at the office of the superintendent for 75¢. At the gate in Junction student tickets will be \$1.00.

Tickets may be purchased all day today and until 2:00 p.m. tomorrow.

SENIOR MASTER SERGEANT DON G. KILGORE (right) son of Mr. and Mrs. J. D. Kilgore of Ozona, receives his second award of the U. S. Air Force Commendation Medal and his Certificate of Retirement at Luke AFB, Ariz. Brigadier General Richard G. Cross Jr., commander of the 26th Air Division, makes the presentation.
U. S. Air Force Photo

Enrollment Up 50 Over Opening Day

At the end of school Friday enrollment had increased 50 students over that of opening day. The increase was about equal in all schools.

There are now 268 students enrolled in Ozona Primary, compared with 255 on the first day of school. Enrollment in Ozona Intermediate now numbers 333 against 314 the first day of school. Junior High School picked up 10 new students and enrollment now numbers 174. There are now 245 students in high school, an increase of 8.

Only 2 Wrecks Mar Labor Day Holiday Period

The three-day holiday weekend came to a close with a comparatively safe highway record for Crockett County. There were two one-vehicle wrecks reported during the period and one man was hospitalized.

Sunday afternoon Iris Lyle, 19, a student from El Paso, ran off the road in a late model Ford Pinto 25 miles west of Ozona on Hwy 290. She was traveling west and when she pulled the car back on the road she lost control and it skidded across the pavement, into a ditch and overturned, landing on its wheels and headed east 24 feet from the pavement. The car traveled a distance of 205 yards before coming to a stop. Miss Lyle was bruised, but escaped serious injury. The car was a total wreck.

Wilford Gagne of Houston was hospitalized with broken ribs Monday when he lost control of the 1963 Chrysler he was driving and it sailed 195 yards before overturning and coming to rest in a pasture east of Lancaster Hill on Hwy 290 west of Ozona. The accident occurred at 9:30 a. m.

Investigating officers were Patrolmen John Harris and Gary Hill, DPS.

DAUGHTER TO FIELDS

Dr. and Mrs. Tom Fields of Austin are the parents of a daughter born August 31 in an Austin hospital. The baby has been named Bambi LaShell and weighed 8 pounds and 11 ounces.

Grandparents are Mr. and Mrs. A. O. Fields of Ozona.

Lions To Kick Off 1971 Football Season In Junction Friday Night

The Ozona Lions play football for real tomorrow, Friday, night in Junction after showing up well in two pre-season scrimmages.

Coach Rip Sewell says that in spite of inexperience and a couple of weaknesses, the team is up for the game and

have nothing but "winning" on their minds.

Chuck Womack, all-district defensive back, is out with a knee injury and this is bound to hurt the Lions' defensive backfield. However, the remainder of the team is in good condition and are starting the

season with no injuries. Womack should be back in the line-up before district play or maybe before.

Coach Sewell was very impressed with the way the Lions moved the ball in the Robert Lee scrimmage Friday night, rushing for 257 yards and passing for 63 for a total of 320 yards in 40 plays and scoring five times.

Coach Sewell said the boys were moving the ball with consistency and broke loose on only one long play. This was a keeper by quarterback David Sewell and was good for a touchdown.

The Lions are having a little trouble with their kick-
(Continued on last page)

Women Fans Head Up Quarterback Club

The Ozona Quarterback Club elected two women to head up its slate of officers for the year, following the annual barbecue Thursday night. Elected to the post of president was Mrs. Tom Mitchell and the vice president's job went to Mrs. B. W. Stuart. Bill Pagan was elected secretary treasurer.

Around 175 fans attended the annual dinner held on the lawn at the high school. After the dinner the group held a meeting in the auditorium and viewed a film of the Alpine-Ozona game last year which gave the Lions the bi-district championship. The current players and coaches were introduced.

The first official meeting of the club will be next Tuesday night in the auditorium at 7:50 o'clock. A film of the Ozona-Junction game will be shown and a scouting report on the Eldorado Eagles will be given.

60 Volunteers To Launch Drive For MOD Funds

Sixty volunteers will conduct a House-to-House march to collect funds to support research on progressive muscular dystrophy in Ozona, September 14. Coach John Richey is serving as Campaign and Canister Chairman, and Mrs. Jo Alice Scott of the Ozona National Bank is serving as Campaign Treasurer.

Muscular Dystrophy is presently an incurable, slowly progressive and usually fatal disease which afflicts about 200,000 in the nation, two-thirds of which are children.

A successful treatment for the disease has been provided in experimental animals. The Ozona house-to-house march is one of a number of special campaigns being conducted through the nation to provide funds to speed successful treatment of experimental animals to a safe and successful treatment for human patients.

Special campaigns in Texas are being organized under the direction of a committee of which Dan Reeves of Dallas (and the Dallas Cowboys) is chairman.

Ozona Business Men Open First Mon. Promotion

Ozona businesses and merchants are offering all kinds of money-saving specials in the first "Trades Day" which will be held next Monday.

They plan to make the affair a monthly event in an endeavor to hold shopper interest in Ozona and have really come up with some good inducements, as will be noted in advertisements in this week's paper.

Because of the Labor Holiday this week, the First Monday trades day and sale will be held next Monday. Hereafter the special day will be held on the first Monday of every month.

A STRONG POTION is that Lions Booster Spirit coming from this "still" which was the center of attention at the annual Quarterback Club barbecue supper Thursday night on the High School lawn. A product of the always fertile mind of Mrs. Mike Clayton, this clever display is the first to show in the 1971 season.

Last year Mrs. Clayton, with the collaboration of her mother, Mrs. Byron Stuart, concocted a weekly series of booster displays on the Lions Stadium fence near the field house. This show of spirit contributed much to a successful football season last year.

CENSORSHIP TO SENATOR FULBRIGHT

Radio Free Europe and Radio Liberty broadcast free-world news to Eastern Europe and the Soviet Union that the Communist regimes invariably censor. They transmit all the news that the Communist regimes fail to fit into their political philosophies.

The Soviet Union and its satellites have been condemning Radio Free Europe since it started in 1950, and Radio Liberty since it began in 1961. These regimes want exclusive control over what their people hear and think. The only legitimate news is that which supports Communism.

The dovish Senate Foreign Relations Committee has rejected an Administration request to transfer funding of the radio stations from the CIA to a congressionally-chartered corporation.

Senator J. William Fulbright has requested that studies be made of these stations. This will take several months. When they are finally ready, these studies are supposed to be used for determining whether to keep the stations operating. Senator Fulbright, of course, views them as remnants of the cold war that hinder the easing of tensions between the Soviet officials and the United States.

Senator Fulbright does not see that easing of tensions is a two-way street. He is unwilling that truth be transmitted to the captive peoples lest it offend their captors in the Kremlin. On the other hand, Senator Fulbright has never expressed concern over the transmission of Communist propaganda to the free world urging the overthrow of democratic regimes. He pretends that the free world is solely responsible for international tensions. Radio Free Europe and Radio Liberty tell the truth in both the free and non-free worlds. They must continue.

JUNIOR GIRL SCOUT TROOP VISITS SAN ANGELO

Some members of Junior Girl Scout Troop 80 enjoyed a trip to San Angelo last Saturday. The trip had been planned for the group over six months.

Their schedule consisted of visiting the tower at the airport, a tour through a franchised restaurant, a movie, miniature golf, dining at a cafeteria and visiting an amusement

park. Some shopping was worked into the busy schedule.

Girls making the trip were Delia DeHoyos, Mabel Delgado, Elda Fierro, Debra Galvan, Delia Galvan, Delma Gonzales, Alice Martinez, Teresa Martinez, Angie Rodriguez, Meomi Vargas, Susie Vargas, Rita Ybarra, Vicki Tambunga and Alice Vargas. The girls were accompanied by Miss Ethel Wolf, Miss Dorothy Price and Mrs. DeHoyos.

'FUNNY, THEY NEVER SEEM TO MELT!'

TWO BOY SCOUTS RECEIVE ORDER OF THE ARROW

Scoutmaster Pete Zapata of Boy Scout Troop 163 announced that Alex Guerra and Harvey Vargas passed the test for the Order of the Arrow last weekend at Camp Sol Mayer.

Other members of the Order attending were Raul De La Rosa, Martin Martinez and Peter Zapata. Peter was elected Town Chief.

The troop is sponsored by the Ozona Community Center and meets each Tuesday evening. They are accepting members for the coming year.

SENSING the NEWS

By Anthony Harrigan
EXECUTIVE VICE PRESIDENT
Southern States Industrial Council

THE MISTAKEN 'FREEZE'

President Nixon's 90-day wage-price freeze was only a little more than a week old when Secretary of Commerce Maurice Stans said that some form of mandatory controls would be necessary after the initial period. That's the way it is with government economic controls; a little bit of control leads to a lot. The public may well ask when the freeze will be lifted.

Furthermore, it is clear that complicated -- and costly -- machinery for enforcing the freeze is being developed. When Mr. Nixon announced his "New Economic Policy," the controls were supposed to work on a voluntary basis. But it soon became apparent that a controlled economy requires tough federal controls. The administration should have known this when it junked its fiscal conservatism and accepted the prescription of the liberal economists.

The tragedy is that Mr. Nixon didn't stick with conservative economists and reject the counsels of the John Kenneth Galbraiths and Walter Hellers, the specialists in the "dismal science," who fed mistaken notions to the Kennedy and Johnson administrations.

It is unfortunate that President Nixon didn't heed the advice of Henry Hazlitt, distinguished free enterprise economist and commentator for Newsweek.

Writing in the summer issue of Modern Age, Mr. Hazlitt spelled out the threats to a sound economy. He said

that inflation "leads to malinvestment, malconsumption, gambling, waste, cynicism, and corruption, and is as debilitating to a nation as the drug habit is to an individual."

Then he added: "What is even worse than inflation is price controls, wage controls, rent controls, and interest-rate controls always misdirect, reduce, unbalance and disrupt production. They are nearly always more harmful than the inflation they try to conceal."

Obviously, that's a message the Nixon administration and the liberal bloc in Congress don't understand. Wage and price controls are merely cosmetic in character. They don't deal with the root causes of inflation. One of those causes is the soaring cost of government at every level. This year, for example, expenditures for the Department of Health, Education and Welfare -- the great giveaway department -- exceeded those of the Department of Defense, which is concerned with assuring national survival. Indeed the liberals in Congress want to step-up federal spending while retaining the wage and price controls ordered by Mr. Nixon.

But it isn't simply the federal government that has the spending fever. State and local governments have gone wild in recent years, adding new departments, agencies and "services."

Big Government is a state and local phenomenon these days. As a result, state, county and city taxes have risen sharply. The burden of the

tax increases falls on property owners. Thus thrifty citizens, who have saved and bought their homes, are compelled to pay higher and higher taxes for increased welfare and indigent medical care. Truly, the property-owners in our society are the chief victims of the politicians who are hungry for the votes of the non-productive citizens who don't know the meaning of self-reliance. If the raids directed at property-owners aren't stopped, property-owning will cease to be desirable. Our property-based free society will be crippled. The alternative, of course, is the all-powerful state in which the individual is stripped of his liberty as well as his property.

The immediate need is for an administration withdrawal from mistaken economic policies and for presidential demands for truly massive cuts in public spending, as well as anti-trust laws applicable against labor unions.

Anti-trust action would do as much as anything to return true competition to the national economy and get it moving again. All this, of course, requires that President Nixon display a true profile of courage and that Congress cease kow-towing to the union bosses.

COMFORT

Comfort is...

Fresh, warm air gently circulating from floor to ceiling... down-to-earth dependability... easy-on-the-budget operating costs. Comfort is gas heating. There's no heat more comfortable. And there's no heat cleaner than gas. Gas burns clean. It's one energy source that doesn't dirty the air.

Air-circulating gas heating systems also give you the first-half of a built-in gas air conditioning system. Adequate heat ducts can carry cool air to your whole house too - so you can add-on gas cooling right away or later if you prefer. Together, gas heating and gas cooling are an unbeatable combination for year 'round total comfort.

If you're building a home or planning to replace an out-dated heating system, choose thrifty gas heat. Check with your heating contractor.

Library To Be Open Monday Nights 7 to 9

Mrs. Earline Jones, librarian, announced this week that the library will be open to the public every Monday night from 7 until 9 o'clock throughout the school year with the exception of holiday periods. The adult library will also be open to the public during school hours Monday through Friday. This schedule will be in effect until the end of the school term.

High school students assisting Mrs. Jones in the library this year are Peggy Hayes, Louise Perner, Lida Tillman, Beverly Whitehead, Ann Tillman, and Mary Jo Hayes.

Several new books are on the shelves of the adult reading room. A few of these include "The Antagonists" by Ernest K. Gann, "The Throne of Saturn" by Allen Drury, "The Passions of the Mind" by Irving Stone, "Stillwell and the American Experience in China, 1911-45" by Barbara Tuchman, "Bury My Heart at Wounded Knee" by Dee Brown, "Don't Fall off the Mountain" by Shirley MacLaine, "The Village Horse Doctor" by Ben K. Green, "83 Hours Till Dawn" by Gene Miller, "The Drifters" by James Michener, and many, many more in all categories.

Robert Tabb NTSU Graduate

Denton-Robert Stewart Tabb of Ozona was among 1,206 students from 37 different states receiving degrees at summer commencement Aug. 14 at North Texas State University. Conferred were 735 bachelor's degrees, 409 master's and 82 doctor's degrees, including the first doctor of philosophy degree ever awarded by NTSU in English.

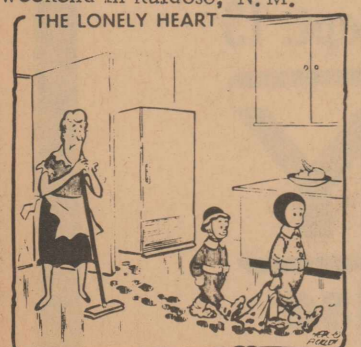

Tabb, son of Mr. Thadd Tabb of Ozona, received his bachelor of business administration degree in administrative management.

RECIPE OF THE WEEK

From Kitty's Kitchen

Mexican Rice

1 large onion
1 large green pepper
1/2 teas. pepper
1/2 teas. salt
1 cup uncooked rice
1 can tomatoes
4 tbs. cooking oil
Chop onion and pepper and saute in large skillet with oil. Add rice and saute until rice is brown. Add tomatoes, salt and pepper and cover. Simmer at low temperature about an hour or until rice is tender.

Cucumbers in Sour Cream

1 large cucumber
1 large onion
1 clove garlic
3/4 cup sour cream
2 tbs. vinegar
1 teas. salt

1 teas. sugar
pepper to taste
1/2 teas. dry mustard
Slice cucumber and onion very thin. Rub bowl with garlic and place onion on bottom and cucumber on top. Mix well the remainder of the ingredients and pour over the top. Cover and chill at least an hour before serving.

Chapman Trained Horse Wins Big One At Ruidoso

James Chapman, former Ozona horse trainer who now makes his home in Del Rio, was in the winner's circle at Ruidoso Downs, N. M. again Monday. This time it was the big one. Mr. Kid Charge, a two-year old from the Will F. Whitehead stables in Del Rio, and a Chapman trained horse, won the All-American Quarter-horse Futurity, billed as the richest horse race in the nation. Mr. Kid Charge captured the top prize in the \$502,000 futurity in a record time of :19.65. Veteran jockey Johnny Cox was aboard as Kid Charge broke open at the 150-yard mark to outdistance the favored Come Six and Savannah Swinger for the \$200,841.62 first prize.

Kid Charge also won the Rainbow Futurity this year at the New Mexico track. This was the second time for a James Chapman trained horse to win the Rainbow. He did it in 1965 with Talent Bar, owned by P. C. Perner of Ozona.

LOCAL BOY ATTENDS SOUTHWESTERN UNIVERSITY

Georgetown - Charles Edward (Cuatro) Davidson, IV, son of Mr. and Mrs. Charles

E. Davidson, III, a recent graduate of Ozona High School is attending Southwestern University in Georgetown where the fall semester began on Friday, August 27.

Preceding the start of classes, new students participated in a series of orientation programs under the general theme "Becoming the International Man" designed to provide intellectual stimulation, entertainment, and an acquaintance with important aspects of life at Southwestern.

FRIDAY BRIDGE CLUB

The Friday Bridge Club met last week in the Civic Center with Mrs. W. E. Friend, Jr., as hostess.

Mrs. Evert White won high score, Mrs. Stephen Perner, second high, Mrs. Joe Davidson, bingo and Mrs. Early Baggett, low.

Others attending were Mrs. Lee Childress, Mrs. Lovella Dudley, Mrs. Welton Bunger, Mrs. V. I. Pierce, Mrs. Bailey Post, Mrs. S. M. Harvick, Mrs. Hilary Phillips and Mrs. Judy Gannon.

Mrs. S. M. Harvick will host the club Friday.

BARBECUE TO HONOR BAND MEMBERS AND PARENTS In an effort to start a band booster club or generate more interest in the Spirit of Lion Country, the Ozona High

School Band, a barbecue will be held Tuesday, Sept. 14. The barbecue will honor band members and their families and will be held at 6 p. m. at the rodeo grounds.

Look For Our Fall Features Sale Beginning Sept. 16th

Last year, all John Benson saved was \$54.32.

This year, he joined the Payroll Savings Plan.

Poor John. Money just seemed to slip right through his fingers. Every time he planned to stash something away, there wasn't anything left.

Then John decided to join the Payroll Savings Plan where he works. Now, an amount he specifies is automatically set aside from his check before he gets it. And invested in U.S. Savings Bonds.

Because John has become such a systematic saver, he's almost forgotten about it. When he gets around to remembering, he's going to have quite a nest egg laid away.

And now there's a bonus interest rate on all U.S. Savings Bonds—for E Bonds, 5 1/2% when held to maturity of 5 years, 10 months (4% the first year). That extra 1/2%, payable

as a bonus at maturity, applies to all Bonds issued since June 1, 1970 . . . with a comparable improvement for all older Bonds.

If you keep forgetting to save something out of your check, join the Payroll Savings Plan and let somebody else do the remembering for you.

Bonds are safe. If lost, stolen, or destroyed, we replace them. When needed, they can be cashed at your bank. Tax may be deferred until redemption. And always remember, Bonds are a proud way to save.

Take stock in America. Now Bonds pay a bonus at maturity.

The U.S. Government does not pay for this advertisement. It is presented as a public service in cooperation with the Department of the Treasury and The Advertising Council.

Crockett Has First Screwworm Case In 2 Years

Crockett County had its first confirmed case of screwworm in over two years last week, according to county agent Pete Jacoby, who receives reports from Mission on all samples submitted by Crockett County livestock producers.

The Eugene Miller ranch, 22 miles south of Ozona was the site of the confirmed case. The last confirmed case was also on the Miller ranch in May of 1969.

Crockett County had no confirmed cases in the year 1970, Jacoby said.

Ranchmen should use every precaution in preventing an outbreak by treating all cuts and wounds when possible. The county agent urges ranchmen to be especially alert in watching for worm cases and submit samples of all suspected cases. Sample bottles for submitting suspected worm cases may be obtained at both wool warehouses and at the county agent's office.

THE FAMILY LAWYER

Value of Personal Belongings

Your coat disappears from a checkroom. Your curtains are damaged at the laundry. Your couch is stained by water leaking down from an upstairs apartment. Assuming you are entitled to compensation, how much money can you collect? What is the value, in dollars and cents, of your personal belongings?

A simple test was suggested by the proprietor of a restaurant, after a woman's coat vanished from his checkroom.

"We will pay her what it would cost to buy a secondhand coat of similar quality," he said in a court hearing. "After all, that is what she lost—a secondhand coat."

But the court awarded her substantially more than the secondhand value. The judge said that, in her eyes, it was her own personal garment—not just a "secondhand coat."

Generally speaking, in fixing damages for personal belongings, the law will take the viewpoint of the original owner rather than of the person responsible for the loss. Accordingly, it relies mainly on the original cost of the item (minus depreciation).

What if the lost or damaged merchandise was part of a matching set? May you collect for the entire set? The law usually says yes, again taking the viewpoint of the owner.

Thus, when five out of a set of eight matching drapes were ruined at the laundry, a court held the laundry liable for all eight. The judge said that since the customer would have to buy a whole new set, this was the true measure of the harm she had suffered.

Nevertheless, the law does not ordinarily grant compensation for values that are strictly sentimental.

For example, suppose those drapes happened to be especially precious to the woman because they had been made by her late mother. Obviously, this would heighten their value in her own eyes.

Yet, because this factor is so

purely personal, it would not be counted against the laundry as an element of damages. The law would consider it unfair to place upon the laundry a special responsibility about which, when it accepted the drapes for cleaning, it knew nothing at all.

CARD OF THANKS

Words cannot begin to express our appreciation for all the kindnesses and expressions of sympathy from our many friends upon the lengthy illness and death of our loved one. Our heartfelt thank you to the hospital personnel, especially the nursing staff, members of our church, and all who were so much help to us during our time of sorrow. May God Bless you.

Sincerely,
The family of

DETROIT—The 1972 Cadillac Sedan De Ville (top) highlights a front end with a new lighting arrangement, a new grille and an improved bumper. The traditional Cadillac cross-hatch grille has horizontal accent bars, and appears to float within the bold new molding that frames the grille.

For 1972, the parking lamp has been moved out of the bumper area to a location between the head lamps, and features a Cadillac winged crest on the lens. The 1972 front bumper impact capability has been increased to

withstand a five mile-an-hour car-to-car impact. All standard Cadillacs are powered by a 472 cubic inch engine.

An all new grille with a strong vertical motif highlights the exciting 1972 Eldorado Convertible (bottom). The tailored and chiseled lines of this luxury personal car give it a distinctive appearance. New chrome moldings over the grille and head lamps add to the new front end look. The vertical bars framing the license plate have rubber impact strips and available as an option are horizontal rubber impact

strips across the face of the front bumper to help withstand a five mile-an-hour car-to-car impact.

A fresh new wheel disc on the Eldorado features finely tailored concentric rings which are open for efficient brake cooling. A hard plastic boot cover is optional and provides a neater appearance and is convenient to install. The ride character of the 1972 Eldorado is softer and quieter while the precise steering and strong directional characteristics of the front-wheel-drive are retained.

Livestock Brand Re-Registration Required By Law

Livestock owners need to record all livestock brands and marks with the county clerk's office after August 30, according to the new brand law passed in the last session of the Texas Legislature.

Under the new law all brands now recorded will expire six months after the effective date of September 1, says County Agent Pete Jacoby.

This means that persons now using a registered brand or mark must register within this six-month period (September 1, 1971 through February 29, 1972). After this time any unrecorded brand becomes available on a "first-come" basis. The brands and marks must be re-recorded every 10 years.

Periodic reregistrations are enacted to clear the records of brands no longer being used, says the county agent.

Tips For Gardeners

From The Ozona Garden Club
By Mrs. Bailey Post

With the late afternoons becoming cooler, outdoor living will be more enjoyable as the fall months approach. Usually we have pleasant weather, beautiful fall flowers, and colorful foliage throughout our area.

There are plenty of garden chores to be done this month. This is a crucial month for dividing and transplanting perennials and for moving broadleaf evergreens. This gives plants time to develop good new root growth before cold weather slows them down. Special attention should be given to crowded iris, daylilies and other types of perennials.

Deciduous plants that are to be moved before their leaves drop should be treated like evergreens, and lifted only with a root ball of dirt.

September is the month to start a compost pile. The one I started last fall is paying off twofold. The compost is ready to use for mulch now, and we have had the most tasty, tender acorn squash all summer. They came up from store bought squash seed thrown in the compost heap.

When dividing thick clumps of iris that have sparse blooms and hollow-centered foliage, this chore should be attended to before September 30. Before replanting rhizomes, cut out bloom stalk and pull off withered leaves. Cut leaves back in fan shape to 6 to 8 inches high to reduce loss of moisture. Discard deteriorating rhizomes. Replant in groups of three, with two leaf fans pointed outward and the third with the fan pointed inward to fill in the center of the clump. By mounding the soil for each rhizome and placing it with one-half of roots on each side of mound, you can plant roots deep and cover the rhizome with the recommended one inch of soil. Bone meal may be added to dirt below roots for a slow iris food, or the iris formula given in the spring may be put around the plants in November and February. Remember iris thrive in full sun and away from competing roots.

Every third or fourth year, divide big clumps of perennial phlox into thirds in early fall or early spring. Over town they have provided colorful spots in the gardens.

If you like or have a place for vines, do notice how beautiful the queen's wreath is at this time when many plants have finished blooming. They seem to flourish with plenty of sunshine, at least for a half day.

Notice of Budget Hearing
STATE OF TEXAS
COUNTY OF CROCKETT
Notice is hereby given that a public hearing will be held regarding the County Budget of Crockett County, Texas as prepared for the year of 1972. Said meeting will be held in the County Library, at 2:00 o'clock PM, September 13, 1971. Any taxpayer of Crockett County, Texas shall have the right to participate in said meeting.

NOTICE OF REWARD
I am offering
\$500 Reward
for apprehension and conviction of guilty parties to every theft of livestock in Crockett County - except that no officer of Crockett County may claim the reward.

Billy Mills
Sheriff, Crockett Co.

Remember this is an excellent time to make cuttings for inside greenery and blooms. Some of the plants to enjoy this winter, and a good opportunity to multiply are begonias, coleus, geraniums, Jacob's coat, sultanas and others you may want.

If you want to see a colorful sight of the old-fashioned four o'clock and large dahlias beginning to bloom, drive by the Alberto Longoria home at the corner of Ave. A and 14th St.

Also, the attractive plantings and blooms of marigolds around the courthouse annex, planned and cared for by Luis Martinez should catch your eye when passing.

All Ozona Garden Club members are urged to be present for their first meeting of the year, a 9:00 a.m. breakfast, Monday, September 13, at the El Sombrero. You will want to meet the new officers, new members and receive your new yearbook.

THE NEWS REEL

A re-run of "The Ozona Story" as gleaned from the files of "THE OZONA STOCKMAN"

Thursday, September 10, 1942

Ozona High School athletes again will be covered by accident insurance this year by a policy providing more comprehensive coverage than that carried last year.

Determination may make up for lack of experience to carry the Lions through the year, according to Coach Elmo McCook.

Dr. Rebecca Smith, head of T. C. U. English Department, will speak on folklore at a gathering sponsored by the Historical Society in the high school auditorium Monday evening.

As has been the case for the past two or three months sales of U. S. War Bonds got off to a slow start at the beginning of this month, with a little under \$3,000 worth being sold so far.

Mrs. H. B. Tandy will act as song leader for this week's sing-song to be held in the high school auditorium Friday.

Ozona Wool and Mohair Co. cleaned out its warehouse of the 1942 spring clip of eight-months wool this week with the sale of the Paul Ferner clip at 43 cents a pound.

Mrs. and Mrs. W. R. Baggett entertained with a barbecue for the teaching staff of the Ozona Schools at their ranch home last week.

Roscoe Pryon, district governor of the Rotary Club, spoke to the local club in an official visit Tuesday.

Joyce West returned to her home here Monday after spending several days in a San Angelo hospital with a sinus infection.

Mr. and Mrs. Olin Lusby spent Sunday here visiting friends, Mr. and Mrs. Lusby are former Ozona residents.

To compliment Mrs. L. B. Hoover, a recent bride, Mrs. Monroe Baggett and Mrs. J. C. Montgomery entertained with a gift coffee at the Baggett home Tuesday morning.

Ed Leatherwood, former Ozona high school boy, who enlisted in the Navy after the close of school, has been assigned as a gunner on board an armed merchantman.

Bud Kincaid, who has been stationed at Fort Knox, Ky., has been transferred to Camp Polk, La.

Carl North, a U. S. Marine, and son of Mr. and Mrs. J. J. North of Ozona, is studying camouflage at a base near San Diego.

Ozona's teaching staff and board of education has registered a 100 percent membership enrollment in the Texas State Teacher's Assn.

Mr. and Mrs. Chester Kenley have moved to the Payne ranch in this county after purchasing the stock of Herman Jones who has been leasing the

place for several years.

David Wallace and Linda Rader spent the holiday weekend in Houston visiting Miss Radar's parents and David's brother.

THANK YOU,
Fred Baker

NEXT TO GODLINESS

Soap became a part of his daily life long before he understood its use. He's still more concerned with its bubbles than its cleansing properties - but he knows soap is mighty important.

And no one ever thought of postponing his bath until he was old enough to make decisions for himself!

Wise parents never postpone a child's religious training. Long before he is able to reason, he needs the character-building and guidance of the Church. Christianity should become important to him in his daily experience before its truths can be fully grasped by his mind.

Our churches are equipped to instill a vital Christian faith in the youngest child. Fortunate is the boy or girl whose parents begin his religious training early.

ing game and have been working on it all week. David Sewell has been the most consistent kicker and will do the punting, place kicking, point after, etc. The Lions have been working several boys at center in their kicking game and at mid-week Coach Sewell thought sophomore Jack Baggett would get the call.

Junction throws the ball a great deal and the untested Lion pass defense will get a real workout tomorrow night.

Coach Sewell's starting lineup was a bit indefinite at mid-week as far as the line goes, but the backfield is definitely set with David Sewell as quarterback, Sewell is a 165-pound junior and started at defensive halfback last year. Ruben Tambunga will be in his old slot at tailback, another 165-pound junior, Ruben was all-district, all-West Texas and second team all-state as a sophomore. Gerald Huff, 165-pound junior letterman, will start at wingback and another junior, Gary Whitley, 168-pound letterman, will be in fullback position.

On the line, starters will be Ricky Crawford, 165 pound senior letterman, at center; Bill Edgerton, 175-pound senior who started at defensive end position last year, will see action at right guard; Rick Hunnicutt, 150-pound sophomore will start at left guard; Gary Mitchell, another sophomore with B team experience and weighing in at 180 pounds, will get the nod at right tackle; the starting position at left tackle will be a toss-up between Cheo Vargas, 165-pound senior, and Freddie Vela and David Weant, juniors.

Mike Jenkins, 190-pound senior will start at left end. Jenkins was an all-district tackle last year and will play tackle on defense this year. Randy Crawford, 165-pound junior, will play left end on both offense and defense.

Mike Wellman will play middle guard on defense with Ricky Crawford and Jenkins at the tackle slots. Gary Mitchell will see action at left

linebacker and Gary Whitley at right linebacker, Rick Webster will be in the defensive halfback position as will Sewell, Huff and Tambunga will fill the safety positions.

PEE WEE FOOTBALL
Pee Wee football will start at the football field Saturday morning. All boys in first through fifth grades are eligible to participate.

Practice will get underway at 10 o'clock. All boys should wear head gear and shoulder pads.

Americanism—
(Continued from page one)

The local winner will receive a plaque from the VFW Post before going to the next level of competition.

All scripts must be recorded by the student on tape for judging and must not be less than three minutes nor longer than five minutes.

Membership in 4-H Clubs Open

Boys and girls desiring enrollment as a 4-H club member should contact the county agent's office or a 4-H adult leader for information. Any boy or girl 9 to 18 years of age is eligible for enrollment if they participate in a 4-H program.

Boys and girls interested in a 4-H feeding project or in 4-H Foods and Nutrition projects should enroll now according to county agent Pete Jacoby. Volunteer 4-H adult leaders are needed to supervise 4-H project work. If interested, please contact the county agent's office or a 4-H adult leader.

Canyon Sand Gas Field Extended in Crockett Co.

Canyon sand gas production was extended 1 1/2 miles southeast in the Ozona multipay field of Crockett County with completion of Crystal Oil & Land Co., Shreveport, La., No. 1 Hoover 17 miles southwest of Ozona, for a calculated, absolute open flow of 1,125,000 cubic feet of gas per day, with gas-liquid ratio of 35,021-1. Gravity of the liquid was 68.3 degrees.

Production was through perforations at 6,338-630 feet which had been acidized with 2,000 gallons and fractured with 100,000 gallons and 95,000 pounds of sand.

Location is 1,320 feet from the north and 3,086 feet from the west lines of 12 1/2-J.M. McAfee.

A southwest area of the field produces oil from the Clearfork.

Non-Discrimination

"Southwest Texas Electric Cooperative, Inc. has filed with the Federal Government a Compliance Assurance in which it assures the Rural Electrification Administration that it will comply fully with all requirements of Title VI of the Civil Rights Act of 1964 and the Rules and regulations of the Department of Agriculture issued thereunder, to the end that no person in the United States shall, on the ground of race, color, or national origin, be excluded from participation in, be denied the benefits of, or be otherwise subjected to discrimination in the conduct of its program and the operation of its facilities. Under this Assurance, this organization is committed not to discriminate against any person on the ground of race or color or national origin in its policies and practices relating to applications for service or any other policies and practices relating to treatment of beneficiaries and participants including rates conditions and extension of service, use of any of its facilities, attendance at and participation in any meetings of beneficiaries and participants or the exercise of any rights of such beneficiaries and participants in the conduct of the operations of this organization.

"Any person who believes him- or herself, or any specific class of individuals, to be subjected by this organization to discrimination prohibited by Title VI of the Act and the Rules and Regulations issued thereunder may, by himself or a representative, file with the Secretary of Agriculture, the Rural Electrification Administration or this organization, or all, a written complaint. Identity of complainants will be kept confidential except to the extent necessary to carry out the purposes of the rules and regulations."

New Law Requires Motorists Stop For School Bus

A new state law, which became effective August 30, will no longer permit Texas motorists to stop and then pass a school bus which is loading or unloading children.

The new law, passed by the 62nd Legislature, applies in both cities and rural areas and requires motorists moving both directions on the same roadway with a school bus to stop and remain stopped as long as the flashing lights on the bus are in operation.

Under current law, which applies only in rural areas, drivers must stop for a stopped school bus, but may then proceed around it at a speed of not more than 10 miles per hour if safe to do so.

The new law will not require those vehicles on another roadway of a divided highway to stop, and stops are not required if the bus has stopped in a loading zone of a controlled access highway where pedestrians are not permitted to cross.

Provisions of the new law will be strictly enforced to afford maximum protection to the school children of Texas.
