Kitty's Korner

By Kitty Montgomery

At least part of the political rhetoric will be ended Saturday. I'm sure most of those nominated for state office will "cool it" for a while, and we'll get to see all the re-runs on television. Since the Democratic nominees are almost a "shoe in" in the general election in Texas, I doubt we will be hearing the charges and counter-charges which have ripped the air waves the past month.

Mud-sliding would never get my vote, but I guess it must have some influence in some areas. At least Mrs. Farenthold must think so, and since she ran a poor second to Uvalde rancher Dolph Briscoe in the first primary for the Democratic nominee for governor, guess she has to use every trick she knows. Seems funny though, for her to be attacking Briscoe for the record of the present administration. She is a part of the Texas legislature and he's not. Also, in her remark that all Texas governors leave office with at least one ranch, it hardly seems apropos. Especially since Mr. Briscoe is one of the largest land owners in Texas.

Do be sure to vote Saturday, even if your candidate did run well ahead in the first primary. Texas politics being what they are, it doesn't pay to be complacent.

The bronze sun dial which was mounted in rock and concrete in the Liveoak Park is missing. Can you imagine? The thieves even took the rock on which it was mounted.

This act of vandalism should not go unnoticed. Members of the Garden Club oversee the park and it was they who placed the sun dial there.

This act goes beyond a practical joke and is indeed a most flagrant disregard for public property.

I can't imagine a youngster doing such a thing, but in case you find this valuable item stashed around your property, please make haste in returning it.

I rather think it was stolen by someone of criminal intent and has probably been melted down and sold by now.

However, stranger things than a bronze sun dial mounted in concrete on a rock have turned up, so if you know anything about it, please notify the authorities.

The Federal Trade Commission has finally done something I can go along with. As of July 3, 1972, clothing and yard goods must have a permanent label disclosing instructions for their care and maintenance. The instructions must be clear and to the point and last at least as long as the garment.

I'll never forget ruining a brand new dress which had instructions on the tag reading "Washable - for best results dry clean." Not caring for the absolute best results, I washed it.

The new rule requires that the label give full instructions on how to wash, dry, iron, bleach, dry clean, and otherwise care for the garment. It must also warn you if the care procedures that usually apply to such a garment would damage it. The label must be readily accessible, not hidden in a pocket, for example, and remain legible for the useful life of the garment.

This should be a boon to clothes buyers. Especially to those who prefer "easy care" clothes for the entire family. You can compare labels when you shop. No more buying a knit you think you can wash and get home to discover it must be dry cleaned and have all buttons and ornamentation removed.

Note to bridge players: The Ozona Duplicate Bridge Club has discontinued play for the summer.

MRS. ED (KALETA) SHEPPERSON RETIRES after 27 years service with the Ozona Post Office. Many friends and well-wishers called at the post office Friday afternoon between 2 and 4 o'clock where Mrs. Shepperson was honored with an open house. Mrs. Shepperson is shown here at the tea table on her final day at work.

Librarian Announces Summer Library Hours

Mrs. Vernon (Earline) Jones, high school librarian, has announced summer library hours for the public.

Beginning June 7, the library will be open from 8 a.m. until 8 p.m. each Wednesday. This schedule will be followed through July 26.

Mrs. Jones said she feels these hours will give Ozonans an opportunity to get to the library before or after work or during the noon hour.

Many new books are on the shelves in the adult library Mrs. Jones said. For suspense

Gary Elmore To Fill Pulpit Sun. AT First Baptist

Gary Elmore, former Ozona resident and former member of the First Baptist Church of Ozona, will fill the pulpit as guest preacher Sunday evening, June 4, at First Baptist, Rev. Gene Welch, pastor, and members of First Baptist Church invite all members of the community to come and hear Gary preach and visit with him and his family. The evening service begins at 7:00 p.m.

Several months ago Gary moved with his wife and children to Brownwood where he entered Howard Payne College to prepare for the ministry. He has had an opportunity to fill the pulpit in a number of churches since surrendering for the ministry, and is gaining wide and varied experiences.

Wanda Stuart, Liz Williams Tournery Winners

Wanda Stuart and Liz Williams captured first place Thursday, in the annual Ozona Ladies Partnership Golf Tournament at the Ozona Country Club.

They won over the Sonora team of Sammie Espy and Anne Herman while Amelia Terrazas and Ruth Lewis of Fort Stockton placed third.

Pat Barbee of Fort Stockton was individual medalist for the tournament. She was teamed with her daughter, Sharon, in tournament play.

First flight winners were Mary Webster and Monty Sanker, both of Ozona, and winning second place was another pair of Ozonans, Katy Jones and Dorothy Montgomery. The Eldorado team of Eddie Kinser and Mary Waldron came in third.

In the third flight Lorraine Fuqua and Mary Tucker of Big Lake took top honors. Elaine Donaldson and Marilyn Bloodworth of Sonora finished second with Maureen Brandon and Jeannette Benton of Big Lake, third.

10 Crockett 4-H Members Attend State Round-Up

Ten Crockett County 4-H members and four adult leaders will attend the State 4-H Round-up and state 4-H contests to be held at Texas A & M June 5-8.

Elaine and Elizabeth Zapata will compete in the State 4-H Food Show Tuesday, both qualifying for the state show by being named county and district winners in their respective food groups.

The Crockett County 4-H Share-The-Fun act will compete in the state contest Wednesday. The act was selected as the district winner recently at Odessa. Members of the act are Rossian Williams, Leticia Guerra, Maria Gutierrez, Josie Longoria, Ernestina Maskill, Diana Gomez, Raul de la Rosa and Peter Zapata.

The 4-H members will be accompanied by adult leaders Miss Dorothy Price, Miss Ethel Wolf, Mrs. Pete Zapata, Mrs. Willie Wilson and county agent Pete W. Jacoby.

History buffs will enjoy "History of Mexico and the Old Southwest," by Holdeen Braddy, and "The Brownsville Affair," by A. J. Lane.

Mrs. Jones said there were quite a few books out which needed to be brought in and renewed or checked in, and urged those who have past-due books to bring them in.

Kaleta Shepperson, Veteran Ozona Postal Clerk, Retires

Mrs. Ed (Kaleta) Shepperson retired Friday after 27 years service with the local postal service. Many friends and patrons attended an open house in her honor from 2 until 4 p.m. at the post office Friday.

In discussing her plans for the future, Mrs. Shepperson said "I'm not ready for a rocking chair by any means, and after a brief rest, I shall probably be out job-hunting."

Mrs. Shepperson plans to get caught up on her housework and gardening before making any plans for the future. For years she has been active in Eastern Star work and plans to continue in that field.

Mrs. Shepperson started her career with the post office in 1938 under postmaster J. R. Kersey. She worked at the post office during the days and sold tickets at the movie theater at night. At that time the post office was located where Ozona Electric Co. is at present. The movie theater was next door.

She left the post office to be a bookkeeper for the Oberkamp store, and kept that position until 1945 when she returned to her job at the post office, where she remained until her retirement Friday.

During her years of service she served under four postmasters. Mr. Kersey, Al Fields, Eddy Bower and Floyd Hokit, the present postmaster. She also worked in almost as many locations. From the Kersey building, the post office was moved to the Harris building, present location of the Baggett Agency. It moved to its present location about ten years ago.

Since 1938 Mrs. Shepperson has seen a great change in the postal service and habits of patrons. She remembers well the penny post-card and the 3¢ stamp for letters. She recalls when everything mailed had to be hand-stamped and hand-cancelled and says that Christmas around the post office was a pretty hectic time several years ago. She recalls having Christmas cards in every available container around the office, including baskets and tubs full of the annual greetings. However, she said, "the mailing of Christmas cards has dwindled over the years as postage costs

May Swishes Out With Fine Rains And Cloudy Cool

Scattered showers and electrical storms roamed the county the past week, but Ozona failed to have any rain to speak of until Monday evening when .45 of an inch was recorded in the official gauge at the Water District office. Severe electrical disturbances created damage to water pumps and other electrical outlets at the James Baggett ranch last Wednesday night. However, a half inch to three quarters of an inch of moisture was recorded during the storm. Other ranches in the south part of the county also reported rainfall as the band of showers moved east.

Fairly heavy showers fell north of Ozona Monday afternoon and afternoon showers were reported in the west part of the county as well as some rainfall Tuesday morning.

Skies were cloudy and the outlook for general rains was good at mid-week. Afternoon and evening thundershowers were forecast for the remainder of the week.

Leaders Remain At Top as Second Half LL Begins

First-half co-champs in Little League, Ozona National and B & B, are still at the top of the heap after one game into the second half. Monday night's game was rained out.

Last Thursday night Ozona National pounded Ozona Oil 18 to 7, and B & B beat Moore Oil 14 to 10.

Winning pitcher for Ozona National was Shane Fenton and losing pitcher was Ray Hill. Esafo Vargas led the Ozona National attack with two singles and a double and Travis Kimple had two doubles for the Ozona Oilers.

Manuel Longoria was the winning pitcher for B & B and Rojelio Longoria the loser. Joey Borrego and Omero Flores had two hits each for B & B while Steve Pagan led the Moore Oil hitting with 2.

There will be no games next week due to Boy Scout camp. Most of the players will be attending camp with Scoutmaster Garland Young.

OZONA GIRL TO RECEIVE DEGREE FROM DENVER U.

Miss Millspaugh will be conferred the degree Master of Social Work.

Mr. and Mrs. P. C. Perner have taken a house in Ruidosa, N. M. for the summer.

Absentee Voting Brisk Here For Sat. Run-Off Primary Election

Absentee voting for the June 3 run off primary was brisk with 138 voters casting absentee ballots as of Monday afternoon, and many more voting absentee Tuesday which was the final day for absentee voting.

The largest majority of votes cast were in Precinct 1 where incumbent Jesse Marley is in a run off with Armando Reina for Commissioner of that precinct.

Voters are reminded that Precinct 1 residents will vote at the courthouse. Powell Field residents and Power Plant residents will vote in the regular polling places, while all other voters in Precincts 2, 3, and 4, will cast their ballots at the Civic Center. Polls will open at 8 a.m. and close at 7 p.m.

The Commissioners race in Precinct 1 is the only local race. Otherwise, voters will be voting with the other voters in Texas for U. S. Senator, Governor, Lt. Governor and Comptroller of Public Accounts, all to decide the Democratic nominees for the general election in November.

For U. S. Senator, Dallas attorney Barefoot Sanders will be pitted against former Senator Ralph Yarborough.

The governor's race has Uvalde rancher Dolph Briscoe up against Frances Farenthold. Bill Hobby and Wayne Connally will battle it out for the Lt. Governor's nomination, and incumbent Robert S. Calvert will face James Wilson for the Democratic nomination for Comptroller of Public Accounts.

Crockett Team 2nd In State 4-H Range Judging

The Crockett County 4-H Range Judging team won second place in the State 4-H Range Judging Contest held Saturday at San Angelo.

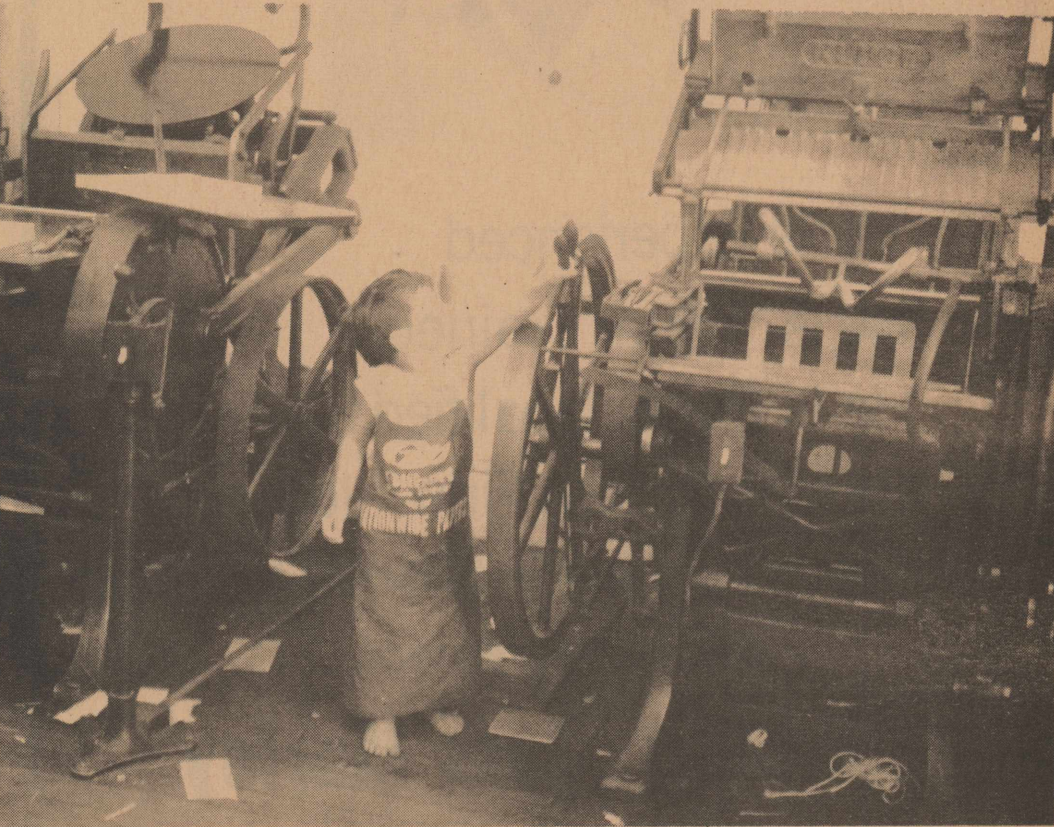

Team members were Craig Taliaferro, second high individual; Ray Dunlap and Regina Everett and Bill Bissett.

Also competing in the State 4-H Wool & Mohair Judging Contest was the Crockett county team of Regina Everett, Rebecca Everett, R. J. Everett, III, and Wayne Bissett.

Team members were accompanied to the contests by 4-H adult leader Mrs. R. J. Everett and county agent Pete W. Jacoby.

Dr. Donald L. Stormer, state 4-H and youth leader at A&M advised county agent Pete W. Jacoby, of the selection of the two leaders for this outstanding recognition.

Mrs. Jimmie Barbee and daughter, Sharon, of Fort Stockton spent a few days visiting friends here last week and were a partnership in the Ozona Country Club ladies golf tournament Thursday. They are former Ozonans.

THE PRINTER'S DEVIL? When that phrase came into being, there must have been someone like young Beto Diaz, shown above, around the print shop. Visiting the office with his grandfather and the Stockman's print shop foremen, Bekie Diaz, the young man put on his printer's apron and promptly tried out every machine in the shop and pushed every button he was big enough to reach.

REPORT FROM DOWNTOWN OZONA LIONS CLUB

The Lions Club of Ozona wishes to express to the business community especially and to the citizens as a whole for supporting the club in its many and varied functions and services to the community. In essence, it is you, the citizens of Ozona and the surrounding area, who are truly responsible for the functions and activities sponsored by the Ozona Lions Club. Without your continued support at our fund raising activities, the Lions Club would cease to function. We are proud of our club and its members.

This past year was a trying time for us as we saw our main fund raising project, the junior rodeo having to be cancelled due to VEE. This meant that we had to reach out to other projects for raising funds. We held a pancake supper and sponsored a birthday calendar, both of which were very successful, due to the participation by you, the citizens of Ozona. Of course, our broom sale, as usual, went off very well.

We are now looking forward to our annual Junior Rodeo, which is our main fund raising project of the year. Plans are now being made for this event.

We realize when we undertake some of these projects

that we cannot do it all alone as a Lions Club, and many of our fellow citizens who are not club members assist us in the tremendous amount of effort it takes to put on something like a Junior Rodeo. Most of us are not qualified and experienced to handle livestock and we know the rodeo would turn out to be quite a "barnburner" were it not for our rancher and cowboy friends who provide most of the hard work that goes into the success of a rodeo. They do all this work free of charge because they too love their community and wish to see its youngsters grow into good citizens of our town and state as well as proud and contributing Americans.

We would also like to give you a report on how funds were spent the past year, in order that you, our supporters, will have some idea where your money is going. A list follows showing some of the worthy causes for which the funds were spent to help others become more productive citizens. A total of \$2,181 was spent for such projects as Crockett Co. 4-H Club ribbons, Christmas candy, memorials, eye glasses and other assistance to those in need, also, Lions Crippled Children Camp in Texas, the Little League Baseball Program, care of the park sign, donation toward purchase of victory bell for the school and other projects for community betterment.

With best regards, I am Sincerely yours,
John B. Berkley,
Pastor, Ozona United Methodist Church

Notes From a Newcomer

Note: Herewith I submit my final contribution to the Ozona Stockman. It has been fun. I've had my say, and now I feel better. Thank you very much for printing these comments, and for complying with my request for anonymity.

OZONA - A FREE PLACE

Who's free in Ozona? Everybody.
Free to do what? Almost anything that doesn't interfere with our neighbor's freedom.

Free from what? Free from any unreasonable interference in our private affairs, by the law, or by anyone else.

You think this doesn't mean much? I'm afraid, my friend, that you take too much for granted. Just go stay in any large city for awhile. There are city ordinances against a great many things.

You can't put a mobile home on your vacant lot. Zoning ordinance.

You can't walk across the street in the middle of the block. Jaywalking ordinance.

You can't let your dog out in your own front yard without tying him. Leash ordinance for pets.

You can't keep your riding horse on the lot adjacent to your house. Zoning ordinance again.

Maybe all these ordinances are necessary in big cities. Trouble is, lots of small towns have them too.

But not Ozona. We get along fine without them. Let's keep it that way, in the FREE PLACE!

Tips For Gardeners

From the Ozona Garden Club
By Mrs. Bailey Post

The May showers have made our area landscape a beautiful lush green again. Having a week free from the task of watering gave time for catching up on other chores that needed attention.

Usually June brings a wide range of colorful flowers. Here, the hemerocallis (daylilies), daisies, and a second crop of roses are beginning to bloom.

If the leaves on your spring-flowering bulbs have browned, separate and transplant them. Many bulbs, especially daffodils, become crowded and produce small flowers of poor quality if the bulbs are not separated every two or three years.

Place the small bulbs and plants in a back corner of the garden until they become large enough for effective use. Be

sure you place the bulbs in a well drained area, for they will not do well in a wet, soggy spot. Gardening has its frustrations, among which is impatience over slow-sprouting seed. Knowing how long it will take your seed to germinate will help. Also the temperature of the soil should be considered and it helps to be able to distinguish the flower from weed seedlings.

First time planters assume that something is wrong if seeds have not sprouted after a week or two. To avoid this worry, it is advisable to know the germination time of all flowers planted. Directions for planting on the package usually give this information.

Here are some flowers that should germinate within five days: ageratum, amaranthus, candytuft, cosmos, dahlia, four-o'clock, marigold, annual pinks, zinnia and stock.

Ten days: aster, balsam, calendula, lobelia, pansy, poppy portulaca, scabiosa, snapdragon, carnation and California poppy.

Fifteen to twenty days: begonia, datura, impatiens, larkspur, primula, salvia, rochia, and sweet pea.

Marigolds and zinnias share with petunias the tri-popularity prize among annuals. While zinnias and marigolds have large seed and germinate quickly, petunias are an exception. Their seed are very small and can take up to 12 days to germinate. They are seldom sown directly in the garden.

Workouts will be held Tuesday and Thursday nights throughout the summer at 7:00 p.m. Everybody is welcome to participate.

MAY I SAY THANK YOU
It is with an humble heart that I say thank you, to those I have waited on so many times during the 27 years I have worked in the Post Office in Ozona.

All too soon I am realizing what a loss it is going to be for me, not being able to see

each of you, almost every day, and helping you in some way. There were relatively few unpleasant incidents during the years, and the good always outweighed the bad.

I express my appreciation to those who asked if they could write letters or do anything which would help me keep my job. I thank each of you for your kind words and consideration of me, both now and in the past. Thank you for the gifts, flowers, and the delicious cake. Words cannot express my gratitude to each of you.

Thank you, my co-workers, for the lovely things you did for me upon my departure, you were most thoughtful and generous. Over the years, now and then I would get Cabin fever, and sound off, but you were kind enough to ignore my ruffled feathers and forgive me.

I am saying to all, there is love in my heart for you, and I will always realize "How Sweet It Was."

the time to
buy land?

Acquiring that farm might seem more practical with financing through the Federal Land Bank. Land is easier to pay off when costs are amortized over extra years with a long-term Land Bank Loan. Your total cost of borrowing, too, can be less. Ask us for help: We know land values; we will inspect the property. We will then try to make a loan that meets your exact needs.

DADDY! look at the pencil!

It was his first trip to Washington. He was only six. Everything had to be analyzed by the standards of a first-grader!

Tell him it's the Washington Monument . . . he still thinks of it as "The Pencil." Time for his parents to learn a lesson:

Suppose he had never seen a pencil. What would it have meant to him then? Probably nothing!

A child needs standards by which to measure all he encounters. The standards may be simple—but he uses them. With them he associates the things he wants to remember.

The Church provides your child with simple religious standards. He still needs your help to grasp the truth he must master. But the standards you and he learn at Church are the foundation of his character . . . the inspiration of your own. In his terms: *the pencil with which tomorrow is written.*

Calling All HOME MAKERS

WHAT MAKES A STORE REPUTABLE?

Every successful business is based upon public confidence and good will. These things cannot be bought. They must be "EARNED." The Public knows that certain stores are recognized as "reputable" and others are not.

And what is the secret ingredient of this important thing which every store wants -- a good reputation? It is many things. It is reflected in everything the owner and his employees do in their business dealings and even in their civic and social activities.

It is the way the phone is answered. It is created by the type of advertising a firm does; by the service given to customers; by the manner complaints are handled; by the courteous and helpful attention given to customers; by the manner complaints are handled; by the courteous and helpful attention given to customers by everyone from the sales people to the delivery men; by those little things "above and beyond the call of duty" which every customer remembers - and - every good business man tries to do.

And, of course, it is the big things - good merchandise, fair prices, and integrity. You just can't beat this combination. We believe you will find all these things in our store, and we'd be happy to have you come in and "check us out."
