However, I always enjoy Ronald Reagan on television, whether he is making a speech or in the late movie. With him and John Wayne, how on earth can the Republicans

with Anne Armstrong in her keynote address Monday night. If I had not already planned to vote for President Nixon, she would have convinced me with her straight-forward manner. The only thing she and the woman who supports Mc-Govern from Texas have in common is the fact that they both hail from the Lone Star

Somehow I just feel more comfortable with the Republicans' dignity and order. The rowdiness and radicalism of the Democratic convention unnerved me no end. The thought of McGovern as President, with a cabinet full of Pierre Salingers, Jesse Jacksons, Ramsey Clarks and Jane Fondas gives me nightmares.

It was also reassuring to see American flags waving from the crowds instead of Viet Cong and North Vietnamese flags as has become the custom of the far left

I understand Senator Mc-Govern is disappointed that the American public has not been indignant about the bugging incident at Democratic headquarters. He must shy away from political novels. For years they have had both parties bugging each other. I really thought it was common

Lions Looking Good; Take On Lakeview Friday

Coach Rip Sewell reported 20 lettermen back with the Lions in good shape and spirit, and 58 high school boys suited up for the first week of football practice.

In an hour's scrimmage Friday afternoon, the Lions showed "lots of hustle and good spirit," and Coach Sewell predicted a good season ahead for the varsity and the junior varsity.

There are presently 26 boys on the varsity and 32 on the junior varsity. Working with the varsity all week were Coaches Sewell, John Richey, Jim Williams and Kirk Martin. Coaches Charles Spieker, Richard Granado, Wilson and Hood assisted

the junior varsity. Coach Sewell feels the Lions show great promise this year. While the team will be larger than usual, they have good speed and the passing game will be much better. He feels the rushing game will be much improved over that of last season, due to the strength of the line.

Dove Season Is **Split This Year** The annual affair marking the opening of school is looked

Game Warden Ramond Davee advised sportsmen this week that the mourning dove season will be divided into two hunting periods. The first part of the season will open September 1 and run through October 14, and the second part will be from January 6, 1973 through January 21.

The daily bag limit is 10, with possession limit of 20. Shooting hours are from 12 noon to sunset each day. Only shotguns may be used to hunt dove and they must be permanently plugged to three-shell

Acquiring that farm might seem more practical with financing through the Federal Land Bank. Land is easier to pay off when costs are amortized over extra years with a long-term Land Bank Loan. Your total cost of borrowing, too, can be less. Ask us for help: We know land values; we will inspect the property. We will then try to make a loan that meets your exact needs.

Tips For Gardeners

From the Ozona Garden Club By Mrs. Bailey Post

Two watch-words for the month of August are: watering and weed control. Since the late fine showers really soaked our area, it has been a pleasure to leave the hos e at ease for a few days.

Now, the weeds are growing by leaps and bounds, so keep Mayfield of Mesilla Park, N.M. up with them to prevent their did last year. Summer-prune when neces-

sary -- trees and shrubs that have produced an excessively heavy summer growth need pruning to thin out unnecessary branches and foliage. If you have evergreen shrubs or vines trained in topiary or espalier pattern, prune them at any t time of the year, when you notice new growth that does not conform to the desired design. Give them the heaviest pruning in late spring, but light pruning during the growing

If you want a toughie perennial ground cover, try ajuga. This plant hugs the ground, spreads rapidly and stands 4 to 6 inches tall with blue blooms in late spring. This plant will grow in bare spots beneath shade trees and shrubs where lawn grass will not survive. If you're establishing ajuga to cover bare spots in your yard, use 18 to 20 plants per square yard. It should cover in one season. I have found it has the best coloring if in the shade during the af-

For some reason, many people are scared to use orginality 'nd afraid of color, with the result that so many homes are furnished the same old way, colorless and unimaginative.

Try a white table and chairs with a black laquer buffet in your dining room with brightly colored Oriental wall accessories over the buffet.

Get away from the same old sofa with a matching pair of end tables and lamps on each side. Perhaps your room will take a pair of love seats or small sofas facing each other with a large marble cocktail table n between.

Use a pair of fruitwood night tables with your white French Provincial bedroom uite. Use contrast in your wood finishes as well as in our color scheme in your iving room, substitute a colorful group or real or artificial flowers for one of the lamps. That's decora-

And remember, you have our cordial invitation to come in and visit with us and see some exciting ideas. We look forward to serving

FEDERAL LAND BANK

A. E. Prugel, Manager

Maybe you like smiling babies? Sorry to disappoint you, but I've got a lot on my mind.

There's something wrong in America . . . and I'm the chap who is getting hurt! Our Constitution says that no one can be denied the right to worship God. I'm an American! According to the Constitution I have the right to learn about God, to hear the Bible Stories, to be taught the Christian Way of Life.

But here's the hitch. While the Government can't deny me the right to attend church school and church-MY PARENTS CAN. They can rob me of my most sacred right just by neglecting my spiritual needs.

Did you know that about half the children in America are growing up without

religious training? And yet there's a church in every village! Yes sir, I'm serious! Instead of talking about it, we ought to do something! And

we ought to start Sunday!
